### HENRY L. FORSYTH DIED IN DETROIT WEDNESDAY.

Henry L. Forsyth, an honored resi-  
dent of this village for the past few  
years, and who had been ill for a  
number of months, died at his home  
in Detroit, Wednesday morning, and  
the sympathy of this community is  
extended to the members of his family.

In giving the news of his death the  
Detroit Free Press of yesterday said:

"For nearly a score of years, the  
period of Detroit's greatest expansion,  
he had been actively identified with  
realty development, especially in the  
downtown business field. For many  
years he was office manager of The  
Free Press building and served in a  
similar capacity for other office build-  
ings."

Born at Franklin, near Indianap-  
olis, Ind., he received his early educa-  
tion in the schools of that state and  
in his youth passed the examination  
for entrance to West Point only to be  
disqualified later because he was  
under weight.

After a brief business experience in  
Indiana, he went west and spent 15  
years in successful enterprises at  
Council Bluffs, Ia., and Omaha, Neb.  
Coming to Detroit about 17 years ago,  
he became connected with the Hannan  
Real Estate Company, soon qualifying  
as head of a department. With the  
completion of The Free Press build-  
ing 12 years ago, he assumed the of-  
fice management, severing his con-  
nection with the Hannan company and  
establishing his own real estate busi-  
ness, also handling insurance. He  
continued in active charge up to the  
time of his illness.

Five years ago Mr. and Mrs. Dor-  
syth took up their residence in North-  
ville, continuing to live there up to  
three weeks ago when they moved to  
Detroit again.

Besides Mrs. Blanche Randall For-  
syth, his widow, he leaves two daugh-  
ters, Mrs. Carlton Woodward of  
Council Bluffs, and Mrs. George A.  
Kelly of Chicago.

Mr. Forsyth was a member of the  
Detroit Athletic club and was identi-  
fied also with many civic movements.  
Funeral services will be held Fri-  
day morning at 10 o'clock from the  
Hamilton chapel, 3975 Cass avenue  
with burial at Northville.

### MRS. FLOYD LANNING DIED AT HARPER HOSPITAL.

Mrs. Floyd R. Lanning paid the  
supreme sacrifice of motherhood at  
Harper hospital and passed to her  
reward early Tuesday morning, death  
coming suddenly and unexpectedly to  
the members of the family and to her  
large circle of friends in this com-  
munity. The little son who came to  
brighten and to bless the Lanning  
home was buried last Friday after-  
noon but it was thought at that time  
that Mrs. Lanning could be brought  
back from the valley of the shadows.  
About six o'clock Tuesday morning  
a telephone message summoned her  
husband and mother to the hospital  
in great haste, but they arrived too  
late, the grim messenger having borne  
her to the great beyond before their  
arrival.

Words of regret were expressed on  
every hand as the news of her passing  
became current about the village, and  
in the shadow of this great sorrow  
which has come to the young and de-  
voted husband and to the parents of  
the deceased, the whole community  
extends its tenderest sympathy.

Funeral services will be held at the  
Putnam home in Novi township this  
afternoon at two o'clock and burial  
will take place in the Novi cemetery.

### OBITUARY—MRS. LOUIS WEST- FALL.

After an illness of nearly five weeks  
Mrs. Louis Westfall died suddenly at  
Redford Wednesday afternoon, Novem-  
ber 26th, where she had been taken  
for treatment following two opera-  
tions. She had been home two weeks  
and apparently gaining her strength  
and her sudden death came as a  
shock to relatives and friends.

Carrie Buffington Hutchings was  
born at Novi April 15th, 1882, and  
spent most of her life there until De-  
cember 19th, 1900, when she was  
united in marriage to Louis Westfall.  
To this union seven children were  
born of whom survive besides her hus-  
band, four sons, three daughters,  
mother, two brothers and four sisters.

Mrs. Westfall was a member of the  
L. O. T. M. and Royal Neighbors  
lodges.

Services were held at the home  
three miles east of Plymouth on Sat-  
urday afternoon, November 29th, at  
two o'clock. Interment was in Rural  
Hill cemetery.

Monday was a pretty cold day for  
the 1st of December—13 above zero  
in Northville.

### THANKSGIVING WEDDINGS.

#### SIMONS—SESSIONS.

The home of Mr. and Mrs. Ed. Ses-  
sions, known as "Pleasant Home  
Hospital," was the scene of a very  
pretty wedding, when their daughter,  
Amy, was united in marriage by the  
Rev. Wm. Richards, to Ralph Simons  
of Armada, Macomb county. This  
took place on Thanksgiving eve, Novem-  
ber 26th. At the stroke of eight  
Ruth Sessions, sister of the bride, and  
usher for the bridal party, announced  
to Mildred Cole, usher for the guests,  
"the bride is coming," who announced  
to the groom and groomsmen in the  
same words. The strain of Lonhe-  
grin's wedding march was then played  
by Mrs. James Session until the bridal  
procession took its place at the  
altar elaborately decorated with ferns  
and white cysanthemums. The bride  
escorted by her father was placed in  
position by the side of the groom.  
The father taking his place immedi-  
ately behind the pair taking his part  
in the ceremony of "giving the bride  
away." The services became very im-  
pressive to the guests numbering  
forty-five, the ring ceremony being  
used. After the ceremony, the usual  
felicitations were in order as the  
groom and the bride stood ready to re-  
ceive them. The bride was gracefully  
attired in white georgette crepe trim-  
med with ostrich and carried a bou-  
quet of white roses, "valley lilies with  
maiden hair fern. From a coronet of  
orange blossoms resting on her hair  
was suspended a "bridal veil." Miss  
Iris Balch was the maid of honor and  
was attired in primrose yellow geor-  
gette crepe trimmed in gold lace and  
carried a shawl bouquet. John  
Litsenberger acted as groomsmen  
for the groom. "After the cordial  
greetings the guests were seated in  
the spacious dining room and the wed-  
ding breakfast was served by T. M.  
Gillespie of the Park House, who  
catered for the occasion in an ad-  
mirable way.

The guests afterwards inspected the  
many useful presents which proved  
the esteem in which the happy pair  
was held. They have the good wishes  
of the community which followed them  
to their new home in Armada where  
Mr. Simons is engaged in the Ford  
Motor Service Station in partnership  
with his brother.

#### BAIRD—WOODMANSEE.

On Thanksgiving morning at ten  
sharp John Baird of Toledo and May  
Bell Woodmansee of Flint took upon  
themselves the nuptial bonds that of  
being man and wife together. The  
singular incident of this wedding was  
the double ring ceremony performed  
by Rev. Wm. Richards in which both  
pledged either to other. The bride  
was daintily gowned in blue geor-  
gette crepe, trimmed in silver lace and  
carried a shower bouquet. As they  
were unattended by witnesses, Anne  
Richards stood as the maid of honor  
and waited on the bride. Mr. Baird  
is a student in Osteopathy and Miss  
Woodmansee is a teacher in the Flint  
High school. The bride is a daughter  
of Frank Woodmansee of this village,  
and grand-daughter of the late Azel  
Woodmansee, G. A. R. veteran of  
Northville.

#### JENKS—RUMBLE.

At the Methodist parsonage at two  
in the afternoon last Saturday  
Elmer Jenks and Norma Rumble of  
Redford, were joined in holy mari-  
mony by Rev. Wm. Richards, who was  
a former pastor of the bride when a  
Sunday school girl at Deckerville,  
twelve years ago. This came as a  
pleasant surprise.

The bride wore a pretty dress of  
orchid organza and was accompanied  
by her sister, Sadie, of Jackson, Mich.,  
who was the maid of honor and was  
dressed in turquoise silk trimmed in  
white fur. The ring ceremony was  
used. The groom was assisted by  
Ray Yakes of Detroit. The bridal  
couple will make their home at Red-  
ford where plans are in order for  
building.

#### AMERICAN LEGION BUYS SITE FOR BUILDING.

For the past few months negotia-  
tions have been in progress by which  
Lloyd H. Green Post, American  
Legion, of this place was to become  
the owner of the Henry property at  
the corner of Horton avenue and Dun-  
lap street, located on the north side  
of the street. During the past week  
the deal has been closed and the  
Legion paid a substantial sum on the  
property which has a frontage of 70  
feet on Dunlap street. It is the plan  
of the legionaries to pay for the lot and  
then to plan for the erection of a suit-  
able building to accommodate all their  
activities for a place of meeting and  
for social festivities.

## TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week

Miss Mae White came home from Pontiac last week.

Miss Nellie Hooper is visiting her sister, Mrs. L. A. Beal.

Miss May Van Valkenburgh visited in Detroit over Sunday.

Will Dolph was home from the U. of M. for Thanksgiving.

Miss Stonebraker of Ann Arbor is the guest of Miss Thompson.

Miss Isabelle Beam of Detroit is visiting Mrs. F. B. Macomber.

Dr. and Mrs. Turner spent Thanksgiving with Jackson relatives.

George Waterman was down from Durand a few days this week.

Miss Blackburn visited relatives in Detroit and Walkerville last week.

Mrs. McRobert is visiting her daughter, Mrs. D. P. Yerkes, in Milford.

Wm. Y. Murdoch left Monday for Visitation, where he has a position.

Mrs. E. N. Root and daughter, Harrie, have gone to Jackson for a visit.

M. B. Pierce of Farmington was the guest of W. H. Hutton one day last week.

George Clark left Wednesday for an extended visit with relatives in Shawassaw county.

Mr. and Mrs. John Ziegler of Waltz visited at the home of L. A. Beal over Sunday.

## BOY SCOUTS NEED YOUR HELP

Plans have been perfected during the past few weeks whereby the local Boy Scout troop has been re-organized and placed upon a sound financial basis.

Wallace E. Ross gave his time and attention to the organization for years until he was forced to ask to be relieved of the responsibilities and a committee representing the Exchange Club has arranged to have Mr. Wilber of the High School staff take up the duties of Scoutmaster and he is doing good work.

The boys of the community are becoming interested in the movement and a good live troop will soon be Northville's boast.

Naturally, it will require some funds to keep the organization in a live, growing condition and in this all the citizens of the community are invited to take part.

Large or small contributions will be received with thanks and they can be handed to either A. J. Helfrich, N. C. Schrader or Rev. William Richards.

The Boy Scout movement is a movement for the making of better boys and young men and every father and mother is interested in its success.

Thus approaching Christmas season will be a good time to remember this call when you are planning your Christmas gifts.

## BIG MACLURE MEETING TONIGHT

On Friday evening December 5th, Northville Tent No. 300 is going to hold one of the biggest and best MacLure meetings that has ever been held in this part of the state in the history of the order. The degree team of America's Tent from Detroit will exemplify the dramatic work of the order and will start a large class of candidates on the rough road.

After the initiatory ceremonies are over a sumptuous banquet will be spread, after which the members will have the pleasure of hearing some very interesting speeches.

Supreme Commander, A. W. Frye, Great Commander, E. W. Thompson, Judge Jeffries and Mayor Smith will be the principal speakers of the evening.

Deputy Great Commander, George W. Bates, who has charge of this district at the present time, will act as toastmaster.

Members of near-by tents have been invited and a large crowd is expected to be present.

## SATURDAY IS SEAL DAY.

A number of Northville ladies will offer Christmas seals to the public on Saturday from the business places of the village that all may have an opportunity to buy a liberal supply of seals and thus assist in this very worthy cause.

The eradication of tuberculosis is one of Michigan's great problems and the funds received from the sale of Christmas seals are used for that purpose, so it becomes a matter in which all are vitally interested.

Northville ladies will appreciate your assistance and you will have a Merrier Christmas because you have helped some one.

## NOTICE TO FORESTERS.

The Westminster Guild will meet at the home of Mrs. P. R. Alexander on Monday evening, December 8th, with Miss Harriett Carlson assisting.

## ST. PAUL'S LUTHERAN CHURCH.

Next Sunday service in German. Theme of sermon: "The Promised Seed of Abraham."

Tonight the Young Peoples' Society will hold its monthly meeting. An important matter will be discussed. All members are requested to attend the meeting.

The members of the congregation surprised their pastor on Saturday evening with a birthday party, celebrating his 70th birthday. An elaborate lunch was served, and all present left with the sincere hope that they may celebrate many more birthdays with their pastor. It was the 47th birthday that the pastor celebrated since being in the ministry.

The December meeting of the Ladies' Aid will be held next Thursday at the residence of Mrs. Louis Balko on the Base Line road.

Thanksgiving service was well attended.

The kitchen being built to the school hall is nearing its completion.

## BAPTIST CHURCH NOTES.

Last Sunday evening sixteen members of the Baptist Junior choir took their places on the north side of the platform. They did much to make the services a success.

Do you ever long for spiritual strength and comfort? We all have such a desire many times but do not know what it is we want. You will find that our prayer meetings are a place where such longings are satisfied.

Both services on Sunday will be of unusual interest to all. The morning service will be of special interest to all Bible lovers and to those who have doubts about the Book of Books.

Sunday evening services will be devoted to an impartial criticism of the Ku Klux Klan. See what the Klan has to say for itself in its creed which will be shown with stereopticon. Also other views will be shown. At our service a Junior choir of twenty voices will lead the singing.

Sacrament of the Lord's Supper and the reception of new members Sunday morning.

## METHODIST CHURCH NOTES.

Next Sunday morning will bring us another large class to be taken into our membership. Let every member be out to welcome them, as it means much to us all.

Our vested choir is rendering good service these days and will next Sabbath. The morning meditation will be "You Cannot Keep a Good Man Down." The time is 10:30.

The Sunday school is at 12. Roy Clark is in full swing training our young folks in the music for Tuesday night's program, for Christmas, December 23rd. Let all the parents be interested and help the teachers.

In the evening at 7:30 our "Extra Special" of the Passion play of Oberammergau in 1922, where thousands go to see it, will be given. Anton Lang was in Detroit last summer with his associates, who is the chief performer, taking the part of Christ. The pastor has gone to no small trouble to secure these pictures for the public and requests a good crowd. All seats free outside the usual offering.

Owing to the death of Mrs. Floyd Lanning the Methodist family night will be postponed until Thursday, December 11th. The Dolph Bible class will have charge of the supper at 6:30. Rev. Sydney A. Eva of Farmington will be the speaker and he will have an interesting message for all.

## W. R. C. NOTES.

Baskets filled with "goodies" were delivered to our G. A. R. boys for Thanksgiving.

A barrel of choice apples was sent to the Old Ladies' Home at Grand Rapids this week by Northville Corps.

A good attendance is desired December 10th, as the election of officers, initiation and appointing of candidates for Department convention will take place at that time.

# WHAT ARE YOUR EYES WORTH?

Would a hundred thousand dollars tempt you to part with those windows on either side of your nose?

Without the eyes one would live in half a world—in narrowed circumstances—badly handicapped.

A man born blind had his sight given to him by the Master of Life. The process was simple—the method plain—the result grand and glorious.

This wonderful healing was done on the Sabbath day and the Pharisees were peevish about it. The man was glad—couldn't explain how it was done—but expressed his faith for the restoration.

What do you see—a world with everything wrong and out of joint and distorted and disagreeable?

WHAT DO YOU SEE—the sunshine—the grandness of your fellow men—the world growing better—more honesty—more kindness—more sympathy—more service—a greater effort to conform to the wishes of the Great God?

"Service" is the most important word in the vocabulary of christian people. Service to God and man—he who serves his fellow man most, serves God best. God does not require of us impossible things; only that we use the talents He has given us, whatever they are, the best we know how and we may always know just how to use them for we have a direct line of communication with the throne, if we will but use it.

Don't forget the Sunday school. Your presence is needed there. James does not think it necessary that he should go if father stays at home. Daniel knew what his duty was and prepared to perform it even though the lion's den was but a step away and he was not hurt. It always pays to trust God. Such trust has made the church the mightiest force for good in the world today.

### Northville School Notes.

Chas. Paddock, the famous athlete, will be at the Northville school next Monday, December 8th, to give his talk on the "Spirit of Sportsmanship." This number is under the auspices of the Senior class and it is hoped that the townspeople will take advantage of this opportunity of hearing a fine speaker.

Toxin and toxin will be given to the pupils of the Kindergarten and First grade this Friday free of charge. The treatment will only be given to pupils whose parents are willing that they should have it. This treatment is as a preventive measure against diphtheria.

New lights have been added to the assembly room, making the room much brighter. The old type were entirely inadequate making it difficult for the pupils to properly see their work.

The new portable building is in use and is accommodating about 85 pupils. The heating system is in perfect working order and will amply take care of the room on the coldest days. A new improved system of ventilation has been installed whereby a constant stream of pure fresh air is circulated throughout the rooms. The rooms are light and cheerful and ideal for the health and comfort of the pupils.

Don't forget the Senior play to be given in the Alseum tonight.

## HOOVER FILES ANNUAL REPORT

COMMERCE HEAD URGES RADIO AND AIRCRAFT CONTROL AND DEVELOPMENT.

### WOULD REVISE NAVIGATION LAW

Says Government Will Make Special Study of St. Lawrence Project During Next 4 Years.

Washington—Recommendations concerning legislation for the reorganization of the commerce department, for the control and development of radio and aircraft, and for a revision of the navigation laws, has been submitted to President Coolidge by Secretary Hoover in the annual report of his department.

The outstanding feature of our foreign trade in commodities is its strong real growth since 1913. Our total imports and exports in that fiscal year amounted to \$4,279,000,000, against \$7,865,000,000 in 1923-24. If we correct this difference by the depreciated buying powers of the dollar we still find an increase of 18.2 per cent, according to the report.

This compared with decreases of 12 per cent for the United Kingdom, 14 per cent for France, and 51.4 per cent for Germany, the report said.

Secretary Hoover, appointed by President Coolidge as head of an American advisory commission to study the St. Lawrence waterway project, states that the government intends to give special attention in the next four years to constructive works, such as the St. Lawrence and Colorado River developments.

### JAPAN PROTESTS NAVAL PLAN

Aroused Over U. S. Battleship Maneuvers in Hawaiian Waters.

Washington—Official Washington is amazed over the agitation developing in Japan concerning the forthcoming maneuvers of the United States fleet in Hawaiian waters.

The Tokyo government has been fully advised that our navy department has planned to hold maneuvers in the vicinity of Hawaii for the last three or four years. Japanese officials therefore know that the forthcoming fleet exercises are not a new development, but have merely been postponed from time to time for one reason or another.

While those participating in the agitation against the proposed fleet maneuvers are untimely and unnecessary take particular offense to the holding of such exercises in Hawaiian waters, the feature which is causing greatest concern seems to be the prospective cruise of the battle fleet to Australia and New Zealand at the conclusion of the maneuvers.

Japanese, who are worrying about the maneuvers apparently see in the Australian-New Zealand cruise an even more threatening war gesture, with the cream of the American fleet in battle array approaching nearer Japanese territory.

### WEEKS URGES ARMY INCREASE

Secretary of War Asks For Larger Air Service in Report.

Washington—The army and navy of the United States at the present time would not be able to defend the country against attack, Secretary of War John W. Weeks declared in his annual report to President Coolidge.

His chief specific recommendations include:

Present regular army (118,750 men and 12,000 officers) should be increased to at least 150,000 men and 13,000 officers, including an air service personnel of 3,000 officers and 25,000 men.

National guard should be increased from 176,235 to 250,000.

Entire army housing problem should be investigated by congress as there now are 40,000 men under unsuitable shelter.

Secretary Weeks recommends increasing the air service from 576 planes and 33 balloons to 1,655 airplanes, 10 airships and 25 balloons.

### FAHY GIVEN 25 YEAR SENTENCE

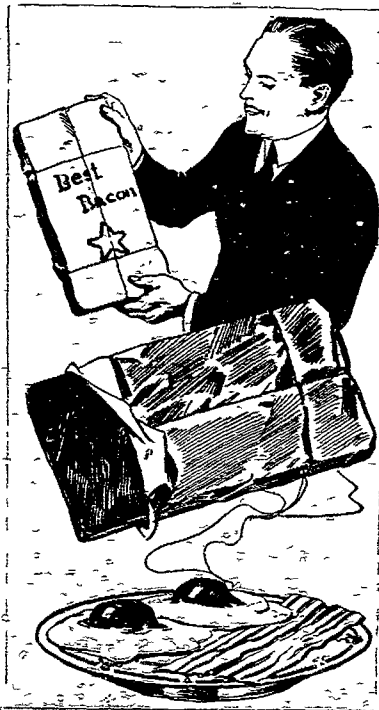

Postal Sleuth Guilty of Plotting Two Million Mail Train Robbery.

Chicago—William J. Fahy, "ace of postal inspectors," was sentenced to serve 25 years in the federal penitentiary at Atlanta, Ga., by Judge Adam C. Cliffe in federal court here for plotting the \$2,000,000 robbery of a Chicago, Milwaukee & St. Paul railroad mail train at Rondout, Ill., June 12. James Murray, Chicago politician, was given a similar sentence.

The pair was convicted by a jury on testimony of the robbers and Fahy's associate inspectors, Walter McComb, Murray's lieutenant, charged jointly with them in the conspiracy, was acquitted.

Of the \$2,000,000 loot obtained, more than \$1,600,000 worth has been recovered. Postal inspectors estimate between \$50,000 and \$100,000 of it was disposed of by the gang before their arrest. The remainder, they believe, was hidden by Murray.

### CHARLES ELY MET WITH AUTO ACCIDENT.

Charles Ely is confined to his home this week recovering from bruises sustained in an auto accident last Saturday evening.

Carl Hutton and Mr. Ely were returning from Northville and on the Base Line near Powers Station Mr. Hutton was blinded by the lights of an approaching car. His auto jumped a three-foot embankment and ahead on impact with a maple tree stopped the progress of the car. Mr. Hutton was not injured but Mr. Ely suffered a general shaking up. Farmington Enterprise.

### CONGRESSMAN HUDSON RECEIVES LARGE MAJORITY.

According to figures compiled by the clerk of the House of Representatives at Washington the majority of 144,514 given Rep. Grant M. Hudson of Lansing, at the recent election set a record, being the largest ever given a United States Representative, except some elected at large.

His majority was 33,000 greater than the total vote in Mississippi, which elected eight Representatives, and exceeded the combined ballot of several western states. The total vote cast in the Sixth District was 202,896. The district comprises Genesee, Ingham, Livingston, Oakland, and part of Wayne counties.

### LESS TAXES, NOT MORE, MR. JOHNSON.

The proposition of Superintendent of Public Instruction Johnson to increase the amount of the primary school fund by exacting more taxes from corporations and from foreign insurance companies doing business in Michigan will not meet with a very ready endorsement of the people just at this time. What the people want and what they will demand is less taxes from whatever source they come instead of more. For in the long run the people pay the taxes no matter how far removed from them may be the companies or corporations against whom the taxes are assessed.

The Detroit Free Press very truthfully remarks: "What Michigan needs at present is lighter taxation, not heavier taxation." The person who finds a way to eliminate some of the taxation now in force will be the man or woman who can legitimately stand up and contend that he is a public benefactor.

If Michigan increases its taxes on corporations they will in turn charge the increase to operating costs and the people will pay the increase. Lower taxes and more taxes, are what the people ought to demand.

### PUBLICITY AND CHURCH PROGRAMS.

The Northern Baptist convention is using every possible method of getting the work of the denomination before its constituency.

A splendid Pastors' institute has just been held in Lansing, at which national speakers addressed groups of pastors representing all parts of Michigan. Throughout the week of December 13 to 15 inclusive, Bible and Missionary conferences will be held in strategic Baptist centers of Michigan, as elsewhere through the denominational area. People in this vicinity will be privileged to attend the conferences at Detroit on the 8th, Saginaw, 9th, Grand Rapids, 10th, Cadillac, 11th, and Kalamazoo on the 12th.

Rev. James H. Franklin, D. D., foreign secretary of the American Baptist Foreign Mission society, a splendid speaker, a traveler of note and denominational leader; Dr. W. H. Geisweir, pastor of the First Baptist church of Dayton, Ohio, one of the founders of the Baptist Young People's Union of America, one of the editors of the Baptist Union; author, editor and church builder is to be present and Miss Maybelle Rac McVeigh, foreign and Canadian secretary of the Woman's American Baptist Foreign Mission society, will constitute the team.

For richness of experience, breadth of vision and opportunity for research these three speakers are unsurpassed. Representatives from thirty churches will meet at this conference which will be held for our area in the Woodward Avenue Baptist church in Detroit, on December 8th. The pastors have already indicated that they will come in automobile loads to this conference which will begin at two o'clock in the afternoon and last throughout the evening.

### Useless Lo-

A ruse is a blind, a blind is a shade, a shade is a shadow, a shadow is a ghost, a ghost is a shade, a shade is a color, a color is paint and paint is rouge. Therefore, by Euclid, axiom one, rouge must be a ruse. And, curiously enough, it is true.—Yale Record.

### These Beads Like Jewels

### "THE PROUD PRINCESS" AT THE GARRICK.

The producer, authors and cast of "The Proud Princess" which opens at the Garrick theatre, Detroit, on Sunday night, are all well known figures in the theatrical world, and their combination makes an event of unusual interest. The play, a dashing romantic comedy in a modern setting, is the joint work of Edward Sheldon, who won his way to fame with "Romance" and Dorothy Donnelly, who numbers among other successes the charming musical "Blossom Time." Stewart Walker, whom Detroit remembers for his delightful production of "Seventeen" presents the new piece. And McKay Morris, who has established himself as one of the finest romantic actors on the American stage, plays the leading role.

### IN-MEMORIAM.

From the day of birth until the last call all human beings enter the great battle, and some are permitted to remain longer than others. These who remain longer than others have responsibilities thrust upon them, and many are found who faithfully discharge such responsibilities. In the Maccafee Association we are associated with brothers who have pledged themselves to provide for the widow, protect the orphan and care for those dependent upon them. Recently Northville Tent No. 300 lost one of its good brothers in the death of Sir Knight Frank A. Dolph, who departed this life November 19th, last.

The Tent at its last review, passed a resolution to drape its Charter for thirty days as evidence of respect for the departed, and directed that a written expression of sympathy and condolence be sent to the relatives.

In compliance with this act, we therefore express our deep sympathy to the bereaved ones and would remind them that one who has been true to his pledges and his vows in life has surely gone to join the great parade in the higher life, and this separation is not forever but temporary, and some day there will be a great reunion to last through eternity.

BE IT RESOLVED: These resolutions be spread upon the minutes of the meeting and a copy sent to the bereaved family and a copy inserted in the local paper.

GEORGE W. BATES, Deputy Great Commander.  
CHARLES MEISNER, Commander.  
LESTER STAGE, Record Keeper.

## Help Your Railroads Keep Tracks Clear

With every Railroad, passenger safety must be the first consideration always. That implies that there must be a clear track.

As motor vehicles multiply, this problem becomes increasingly difficult almost from day to day for the 24 steam Railroads of Michigan. Despite the most costly and carefully planned precautions on the part of the Railroads, crossing accidents are becoming appallingly frequent.

Such accidents are due to the growing recklessness of the motorists. Yet each accident also imperils the lives of trainmen and passengers.

Separation of grades can never solve this problem, for crossings are multiplying far faster than grades can be separated. And, with each separation costing from \$70,000 to \$100,000, the entire wealth of Michigan could not accomplish the task.

The public demands of us speed—quick delivery—for passengers, mails, freight. To keep our tracks clear for this efficient service, and to maintain our standards of absolute safety, we must have cooperation at crossings.

Most motorists give this cooperation by heeding our request to Stop, Look, Listen. For their own protection, as well as ours, those who do not heed this request should be made to do so by the mandate of Law.

Do you agree? Write us your verdict.

STATE OF MICHIGAN, county of Wayne, ss. At a session of the Probate court for said county of Wayne, held at the probate court room in the city of Detroit, on the twenty-fourth day of November in the year one thousand nine hundred and twenty-four.

Present—Henry S. Hulbert, Judge of Probate.

In the matter of the estate of FRANK DOLPH, deceased.

On reading and filing the petition of Ella VanSickle praying that administration of said estate be granted to her or some other suitable person.

It is ordered, that the thirty day of December next, at ten o'clock in the forenoon at said court room be appointed for hearing said petition.

And it is further ordered, that a copy of this order be published three successive weeks previous to said time of hearing, in the Northville Record, a newspaper printed and circulating in said county of Wayne.

(A true copy)

HENRY S. HULBERT, Judge of Probate.  
EDMUND R. DOWNEY, Deputy Probate Register.

## Michigan Happenings

The State Administrative Board has ordered the Department of State to defer the sale of 1925 automobile license plates until Feb. 1, pending the possible enactment of the Finance Highway Law by the legislature. Governor Groesbeck favors a combination weight and gasoline tax, he declared, following the board meeting. Figuring at the rate of 70-cent per hundred, the license fee, on a weight basis, would be about \$16,000,000 and a 2-cent gasoline tax, with more than 800,000 cars now in operation, would net around \$2,000,000.

The Consumers' Power Co., of Bay City, has purchased from the Flint Land Co. the flowage rights on the Rifle River, which include sites for four power dams with a maximum capacity, when developed, of about 12,000 horsepower. The company plans ultimately to build dams and "tie" this power in with that produced on the An Sable River, but there will be no immediate construction.

With 12 precincts yet to be counted, a total of 3,073 votes has been thrown out by the board of canvassers in the recount on the sheriff's election at Jackson. Tabulation of the 52 precincts showed that Sheriff Stoddard, Democrat, had made a net gain of four votes, giving him a 1,220 majority with only 12 precincts missing.

The state operated cement plant at Chelsea showed a profit of \$200,000 up to November 1, according to a report submitted to the administrative board. The Chelsea plant was leased by the state several months ago for three years at \$75,000 a year. Prison labor is employed in making the cement.

Contracts for remodeling, repairing and enlarging the Escanaba coal docks of the Chicago &amp; Northwestern Railway at a cost of approximately \$500,000, will be let soon. The docks were badly damaged by the fire which on Oct. 23, destroyed two iron ore docks with a loss of \$1,500,000.

The crew of the steamer J. C. Ford was rescued after a narrow escape from death when the boat was destroyed by fire off Little Trout Island, near the town of Detroit. The steamer was owned by William J. Crosby, of Port Huron. She was 172 feet long and had a beam of 33 feet.

State fishermen of Jackson county are up in arms over the ruling of John Baird, director of the Michigan department of conservation, that all fishing shall cease in Jackson county January 1 until June 15. The ruling has been approved by the state conservation commission.

The fire which swept a part of the plant of the Port Huron Times-Herald, caused a loss of \$5,000 according to estimates. The fire of undetermined origin, started in a pile of paper, damaged several ink rollers and endangered several barrels of oil and a store of newspaper.

John Snyder, 65 years old, a farmer who lived five miles south of Mason, was killed instantly when his automobile was struck by a northbound Michigan Central passenger train near the Michigan United Railway station.

John C. Lodge Acting Mayor of Detroit since July 18, when he succeeded to the Mayor's chair through the resignation of Joseph A. Martin, has resumed his seat in the Council, becoming presiding officer of that body.

Levi Marriott, 66 years old, died at Owosso of injuries suffered last August when he was struck by a runaway horse. His injuries were believed slight.

The branch of the Detroit Creamery Co., Royal Oak, was robbed. The watchman found the front doors open and the large office safe containing \$1,200, gone.

It cost Mayor John W. Smith's friends \$3,640 to elect him according to his expense account filed with County Clerk Thomas Farrell of Detroit.

George Bade, 6 years old, of Holland, was fatally injured when run down by an automobile driven by William Neils.

School electors, at a special meeting at Algonac, voted to bond the district for \$10,000 to purchase school furniture.

Mrs. Charles Heath was killed by a Grand Trunk switch engine in the Grand Trunk tunnel yards while crossing the tracks at the Sixteenth street crossing at Port Huron. Several cars had passed over her body before it was found.

George Brooks, 22 years old, of Marshall, was sentenced by Judge Leonard D. Verdier to serve from 18 months to 2 years in the State Prison at Jackson when he admitted having abandoned his infant daughter, Grace.

## GORE APPOINTED TO FARM POST

HOWARD M. GORE

Washington—President Coolidge has appointed Howard M. Gore, of West Virginia, as Secretary of Agriculture to succeed the late Henry C. Wallace, of Iowa.

Mr. Gore was assistant secretary under Mr. Wallace and will serve until March 4, when he will retire to become governor of West Virginia.

## DETROIT SRAFT QUIZ IS OPENED

One-Man Grand Jury Investigating Irregularities in D. P. W.

Detroit, Mich.—The one-man grand jury investigation of charges of irregularities and neglect of duty in municipal departments began last week in Recorder's court before Judge Frank Murphy with the examination by Leo M. Butzel, appointed by Mayor Smith as special counsel for the city, and Robert M. Tombs, chief assistant prosecuting attorney, of city employees and private citizens.

Cinder deals between the City and the Wayne County Moving and Storage Co. formed the opening wedge by which employees of the Detroit Bureau of Governmental Research, John W. Reid, commissioner of public works, William J. Curran, city budget director, and others found evidence of irregularities in the street and alley cleaning and other divisions of the D. P. W.

John J. Knight, general superintendent of the street and alley cleaning division was discharged after he admitted signing vouchers for the payment of \$7,500 to the Wayne County Moving and Storage Co. for 5,000 cubic yards of lumber, only 500 yards of which were delivered.

## TAFT URGES COURT RULE CHANGE

Letter to Federal Judges Outlines Methods of Expediting Trials

Washington—Important changes in rules for the transaction of business in Federal courts throughout the country which are expected to speed up the conduct of trials, are outlined in letters just sent to all Federal District judges by Chief Justice William H. Taft.

The district courts are urged to adopt a rule that would prevent the continuance of cases to another term by agreement of counsel.

It is also suggested that the courts, at frequent intervals fix times for the hearing of motions and the settlement of issues. Postponement on such calls should not be permitted, the conference agreed, except for causes that would justify continuance of a case set for trial.

It also suggests adoption of a rule whereby the examination of prospective jurors would be made by the district judges alone, and dismiss cases after 30 days notice, in which no action has been taken, that might have been brought to trial within one year.

## TWO STATE PRISONERS ESCAPE

Tell Guard They "Forgot Coats," Fail To Rejoin The Gang

Jackson, Mich.—Two convicts, sentenced from Detroit, made their escape from Jackson prison guards last week, while a working gang was being assembled to march to their cells. They were Duane Burgess, 20 years old, and Goebel Baker, 24 years old.

According to the report made to Warden Harry Hulbert, the men had been employed on the new prison building. When lined up for roll call at the end of the day, Burgess and Baker remarked to the guard that they had forgotten their coats and were given permission to return to the building. When they failed to rejoin the gang within a few minutes an investigation was made, which revealed that the pair had escaped through a fence.

## Panama Canal Shows Profit

Washington—The fiscal year ended last June 30 was the most prosperous in the history of the Panama Canal. The total net revenue mounted to \$17,209,572, and to this peak was added the sum of \$1,044,887, earned by the Panama Railroad, bringing the combined net revenue to \$18,254,459. The tabulation shows that the income from tolls and miscellaneous receipts was \$16,307,984, as compared with 10,001,066 for the preceding year and \$3,465,574 in 1922.

## CONGRESS MEETS IN SHORT SESSION

APPROPRIATION BILLS WILL BE FIRST IN ORDER ON CALENDAR.

## LA FOLLETTE PARTY READ OUT

Republicans Eject Members Who Were Affiliated With Insurgent Movement

Washington—The 68th congress has convened in its final session. During the three months which remain before its life terminates on March 4, the annual appropriation bills will be passed, some legislation hanging over from the last session will be finally disposed of, and some consideration will be given to highly controversial measures which have little chance of enactment.

The La Follette radical Republican group retains its balance of power in both houses. Action of the Republican senators in reading out of the party the four members identified with the La Follette presidential candidacy has served to fan the flames of discord and a lively time is in prospect.

Senator Robert M. La Follette, of Wisconsin, who bolted his party to become the independent candidate for president and who long has been a thorn in the side of the Republican senate organization, virtually was read out of the party last week at a conference of senate Republicans.

Named with him in a formal resolution, barring him from further conferences of Republicans of the senate and from appointments to committee vacancies that may arise in the future, were Senators Ladd and Frazier, of North Dakota, and Brookhart, of Iowa.

## KORETZ BARES FAKE OIL SCHEME

Tells Prosecutor Crowe How Friends Were Biked for Millions

Chicago—Leo Koretz, who fled from Chicago a year ago with a large portion of the \$2,000,000 that friends relatives and acquaintances had begged him to invest for them in a fake Panama oil scheme, known as the Bayano Oil Bubble, who was arrested last week in Habana, has confessed his method of promotion to State's Attorney Robert E. Crowe, which caused the money to flow in so fast that he often took the cash of his friends and relatives under protest.

Eighteen years ago, Koretz told Crowe, a friend, who had performed some service for the government of Panama was given some land there and succeeded in interesting Koretz, the latter inducing some of his friends, to invest \$10,000 in the project.

The customers, however, were not readily attracted, Koretz told Crowe, and in order to increase business, Koretz announced the discovery of oil.

First his deals netted him only \$1,000, he said, but with the "oil discovery" they jumped to \$5,000, and soon money was coming in so fast he found difficulty in keeping customers away. During his 12 years of operations, he said he took in over \$2,000,000.

## URGES MICHIGAN HARBOR AID

Chief of U. S. Engineers Recommends Improvement of Waterways

Washington—Recommendations that \$71,604,890 be appropriated for river and harbor improvement work during the coming year—appropriations which have in the past called forth endless battles in congress over so-called "pork barrel legislation"—and reports on the expenditure of over \$76,000,000 during the fiscal year just ended are contained in the annual report of the chief of engineers, United States army, made public by the war department.

The allotments recommended include \$490,000 for Michigan river and harbor improvements. Allotments under the program, would be made as follows:

Keweenaw waterway, \$179,000; St. Clair river, \$60,000; channels in Lake St. Clair, \$20,000; Detroit river, \$20,000; Cheboygan Harbor, \$5,000; Saginaw river, \$60,000; St. Mary's river, \$25,000; Black River, \$2,500; Rouge river, \$10,000 and Monroe Harbor \$93,000.

## DE LAND SEEKS AUTO TAG 'LOAN

Asks Governor To Approve Plan To Aid Car Dealers and Buyers

Lansing—Secretary of State Charles J. DeLand has asked Governor Croesbeck's approval of a plan to help automobile dealers speed up their December business. The state's policy of withholding 1925 licenses has made December deliveries impossible, it is said.

DeLand asked the governor to approve the issuing or loaning of 1924 plates to new automobile purchasers, so that their machines will not be idle during December. There would be no charge until the 1925 plates are substituted January 1. The governor is expected to approve the measure at once.

### NO-GIFT MORE FITTING

You can make your family no gift that will be more fitting or one that will demonstrate your thoughtfulness than to present the good wife and children with a Peoria-Life Policy for a thousand or two. You will not only present them with something that money cannot buy—for themselves—but you will also add something to your family belongings that fire or theft cannot destroy.

Should you be taken away or become unable to longer earn the bread for the little family group over which you are honored to preside, who will act as Santa next year?

Come in and let us talk it over. It is so easy to get a Peoria life policy if you are in good physical condition.

WHY NOT TRY A 25c LINER IN THE RECORD?

## STATE NEWS IN BRIEF

Cao—A new industry, The Coaster Wagon Company has been organized here.

Lansing—The State Administrative board has decided to make the completion of trunk line highway M 23, across Lenawee and Washtenaw counties, one of its major prison labor projects for 1925. Two prison camps are to be established along the route, probably this fall.

Grand Rapids—The establishment of "historical rooms" in each of the city's high schools, where records of Grand Rapids service men and women may be displayed, together with such relics as may be conveniently handled, is proposed by George A. Davis, president of the board of education.

Monroe—Broken glass from a mustard bottle, eaten in a sandwich, caused the death of Lawrence Doudrie, 37-years old, of Monroe. He is said to have mixed the glass accidentally with the mustard when he opened the bottle with a knife. Physicians said the glass had penetrated the heart.

Ionia—Fire of unknown origin started in the large woods at the extreme west end of this city. As a high wind was blowing, the fire spread rapidly and several homes were threatened. The woods are not far from the Michigan reformatory. Several hundred men turned out to assist the fire department.

Marquette—The first fatality of the hunting season in the upper peninsula was the death, from exposure, of Harold Knudson, of Michigan, whose body was found in the woods, about 10 miles from Marquette. Coroner Prin said the condition of the body showed that Knudson died from exposure.

Lansing—Increases in the attendance at the Central State Normal School at Mt. Pleasant have made necessary a revision of the plans for a new library. It was reported to the State Administrative Board. The original plans for a \$100,000 structure are to be discarded and new plans prepared for a building estimated at \$175,000.

Lansing—The Devil's Bowl, a scenic sink hole on trunk line M-10, near Alpena is to be surrounded by a state highway for the benefit of tourists who wish to view the geological curiosity, and several other sink holes in the vicinity may be set aside as state property, according to plans tentatively adopted by the state administrative board.

Lansing—Michigan's problem of financing its future highway development may find its solution in the form of an auto-weight tax at the hands of the 1925 legislature. The secretary of state's office is at work compiling the weight of the state's automotive vehicles in order that accurate information may be placed before the house and senate when the question comes up.

Grand Haven—A new steel bridge has been opened to traffic here. This bridge, the largest in Michigan outside of Detroit, is one of the most important engineering feats of the state highway commission and is the connecting link for M-16 and M-11, two important trunk line roads. The structure cost \$250,000, paid for jointly by the State and the city of Grand Haven.

Detroit—The Detroit and Windsor Ferry company has awarded a contract to the Great Lakes Engineering works of Detroit to convert the day excursion steamer Britannia into an automobile and passenger ferry. It will ply between Detroit and Windsor, when placed in commission about January 3, 1925, the new ferry will be able to accommodate 375 automobiles an hour.

Battle Creek—Announcement has been made that Henry M. Stegman and his wife, Dr. Louise Y. Stegman, head of the eye department of the sanitarium are about to start a trip around the world visiting China, India and other lands. The main objective will be Shikarpur India, where Dr. Stegman has been invited to do special clinical work in a Mohan median charitable hospital. She is the third American ever accorded this honor.

Lansing—A system of subways for pedestrians, as an adjunct to the state highway system, was given tentative approval by the state administrative board. It was agreed generally by Governor Groesbeck and other state officials, that steps must be taken in the near future to protect life at points on the trunk line highways where both vehicular and pedestrian traffic are heavy. The most feasible plan, it was decided unanimously, is the construction of tunnels under the highways.

Lansing—After having fought through the World war without a scratch, Dr. Bruce Pozer, house physician at the Edward W. Sparrow hospital, suffered the loss of one eye in a freak accident here. Dr. Pozer was injured when an automobile he was driving struck a stray horse wandering on the road near Howell and the windshield was broken. A flying piece of glass struck Dr. Pozer in the eye, cutting the eyeball so badly that he immediately lost his sight. Physicians say they will save the sight of the other eye.

Detroit—Owing to the slow service rendered by the D. S. R. the Detroit United railways on Dec. 1 will begin operating a bus system which provides for the transportation of passengers to and from their main terminal station at 100 East Jefferson avenue and three minor terminals to be located in various sections of the city. According to calculations of the D. U. R. from 25 to 20 minutes will be saved in making the trip by bus instead of street car or the interurban car which at present makes the downtown trip. Plans call for 50 single decked buses.

Two collectors for the Brennan Fitzgerald & Sinks Restaurant Co. were held up as they came out of one of the restaurants and robbed of \$400. The collectors had just placed \$400 from the cash register of the restaurant at 25 Clifford street, Detroit, in two small satchels and walked to the curb when a large touring car, curtained and containing three men and a fourth standing on the running board ran slowly past them. As the car passed the man on the running board leaped down, grabbed both satchels and the car sped away.

Purchase of 85 acres and condemnation of 11 and one-half more, to complete the recreation department's summer camp at Euler lake, near Howell, has been ordered by the Detroit common council. Although 40 acres of the first tract is half a mile from the lake it was stated that the remaining 45 acres could not be bought for less than \$20,000, the price to be paid for the whole 85. When the two properties are acquired the camp will surround the lake.

Every precinct in Battle Creek voted in favor of eastern standard time. Marshall had been holding off, apparently to see what action Battle Creek would take. A great many Marshall people work in Battle Creek and the resulting inconvenience of the two towns were using different time probably would be sufficient to influence Marshall's decision, it was believed. This city if it is believed, will remain on eastern standard time the year around.

John Ormond 52 years old, of Grand Rapids was killed when he was struck by a Pere Marquette passenger train at Franklin's crossing. Ormond was walking home from work and is said to have stepped around the crossing gates and walked directly into the path of the train. A sister, Rose Ormond was at the crossing when the accident occurred, but did not realize the victim was her brother until he was identified an hour later.

Foreign capital is pouring into Germany due to the excessively high rates of interest at which money is loaned, and Jackie Coogan created as much attention in Berlin as the Zeppelins. These observations, along with many others, were brought back to Detroit by C. Leidich who returned a few days ago from his 73rd trip abroad in the past 30 years.

Convicted solely on his fingerprints, Onnie Howard, 27 of Detroit, was sentenced to serve one to five years in Jackson prison for burglary. Lieutenant Charles Carmody, head of the police identification bureau, produced at the trial prints found at the scene of the crime and pointed out striking likeness in them to the fingerprints of Howard.

Diction of a memorial to the Grand Rapids service men of the Civil Spanish American and World wars now rests upon the city commission, as the result of the completion of a general design by a civilian committee appointed by former Mayor Julius Tisch a year ago. The project is estimated will cost \$300,000.

Majorities of nearly 10 to 1 were rolled up by the Republican state and county tickets in Wayne county, according to complete returns. In practically every case the contests were decided upon straight party line, with but slight fluctuations in the vote.

Frank Wilcox 40 years old, was crushed to death beneath his house at Berkley, when a gust of wind blew it from jacks on which it was standing. Wilcox, who was laying a foundation, had just crawled under the house when it fell.

Charles B. Warren an alumnus of the University of Michigan and former ambassador to Japan and Mexico will be the guest of honor at the first all-campus public speaking bazaar to be held December 4, in the Michigan Union.

Theron Bush, 55 years old, was instantly killed when the five-ton truck he was driving was stalled in the path of a freight train near Spring wells.

City Attorney Paul Walt of Sturgis, broke his arm in an attempt to crank his automobile. A few minutes later his mother-in-law, Mrs. Elizabeth Cole, tried to open a heavy gate at her husband's farm and the gate fell on her, fracturing her hip.

Alva Norman Pardon, 20 years old, star end of the Ann Arbor high school football team in 1923, died of heart disease. He had been ill for the last nine months. Pardon was selected an all-state end last year.

## STATE NEWS IN BRIEF

Wyandotte.—August Cuyras, 14 years old, living at Foleyville, was seriously wounded while hunting near his home. He stated that his shot gun accidentally discharged.

Unionville.—Herbert Van Hov, 4-year old son of a family living at Wisner, set his clothing on fire while playing with matches in their doorway and was burned to death.

Grand Rapids.—The 26th Annual State Osteopathic convention was held here November 3 and 6. A number of bloodless operations were performed at clinics during the meeting.

Hillsdale.—Angelo Costano, of Jackson, while hunting near here with Sam Lupresso, of Hillsdale, lost his entire right hand with exception of his thumb and index finger, when his gun accidentally discharged.

Muskegon.—Consolidation of the Pison Ring company of this city, said to be the largest piston ring manufacturer in the world, with the No-leak-O-Piston Ring company, also of this city has been announced.

Petoskey.—Dr. Kanyon L. Butterfield, president of the Michigan Agricultural college, addressing the convention of the Michigan State Orange Eater, advocated changing the name of the institution to the Michigan State college.

Fargrove.—Fred Rohlf, a farmer living a mile north of here, was killed instantly when a team he was driving became frightened and threw him under the wheels of the wagon, loaded with sugar beets, which passed over his body.

Port Huron.—Stewart W. Buchanan, 13 years old, who was shot accidentally in the abdomen by Mac Cheshier, 20 years old, died at a local hospital. Cheshier was trying to extract shells from a pump shot gun when it was discharged.

Detroit.—Wayne county's 14 circuit court judges were given \$2,000-a-year raises by the county supervisors, bringing their salaries to \$15,500. The judges asked \$15,000. Justices of the peace were denied raises. They are paid \$5,500 and ought \$10,000.

Jackson.—Jacob Chapman, 50 years old, of Grand Rapids, was killed at most instantly at Brooklyn when one of the ropes holding a scaffold on which he was working on the new high school building broke and he fell 20 feet to the ground. Chapman was a carpenter.

Grand Rapids.—Although the 1924 West Michigan state fair turned a profit of \$5,000, expenses carried over from the 1923 fair, which the association was compelled to meet on the first day of the fair this fall, have more than consumed the profit and has left the organization again in debt.

Menominee.—Peter Mortensen, 32-year old owner of Spaulding, Menominee county, was killed instantly when his head was crushed beneath a tractor which he was using to pull loads of gravel from a pit. Backing the caterpillar tractor at the time his right foot caught in the drive mechanism, wrenching him from the machine and hurling him underneath it.

Cassopolis.—Lee by a faithful dog found under the seat of a K. A. N. car found the body of Robert DeGua, 2 years old, in the woods near the car where he had been killed by a stray bullet while playing. The body was found under a clump of bushes near a log. The bullet had struck the hunter in the head, apparently while he was sitting on the log.

Manistee.—Investigation by officials of the Citizens bank, of Bear Lake, a village 20 miles north of here, shows that professional burglars, who drilled their way into the vault with an acetylene torch escaped with \$3,750 in cash, \$1,250 in negotiable securities and from \$12,000 to \$15,000 in registered bonds and certificates. The burglars entered through a rear window.

Marshall.—At a meeting of the board of directors of the Calhoun County Agricultural society total indebtedness was computed at \$10,436.36. It was decided to sell 5,000 membership tickets at \$2 each to wipe out the indebtedness. These ticket holders will receive the face value of the tickets plus 10 per cent pro rate share of profits of fair next year.

Birmingham.—Fred Seale, was seriously burned and two motor buses of the White Motor Coach line were destroyed in Birmingham, when the garage gasoline tank exploded, setting fire to the structure and contents. Seale was employed by the company. Eye witnesses reported he was standing near the tank when a spark from a motor bus exhaust ignited the gas line. Total damage was estimated at \$26,000.

Bay City.—The first of 15 power boats to be built here for the United States Coast Guard left a few days ago for New York, where it will immediately put into service in the war on rum runners. The craft is known as C. C. 115, is 75 feet long, 14 feet beam and draws 4 feet, two inches of water. It is equipped with double screw propellers, operated by two specially constructed 200 horse power motors and will be armed with a small cannon. The voyage to New York was made via the Erie Canal from Buffalo.

Kalamazoo.—Michael Robe, 34 years old, electrician, was electrocuted here while repairing a switchboard for a local firm.

Lansing.—Judge C. B. Collingwood, in Circuit Court has denied a motion to dismiss the suit of the county against a number of chiropractors for practicing in Lansing without a state license.

Grand Rapids.—En route to St. Mary's hospital to visit a friend who was a patient, Nicholas A. Lamaga, 55 years old, a banker, dropped dead from heart failure as he stepped from his automobile.

Grand Rapids.—Fractures of the skull and arm were suffered by Joseph Bolt, 28 years old, when his clothing caught in the revolving belt of a machine at the Grand Rapids Gravel company pit, where he is employed.

Bay City.—Frank Pettis, 23 years old, and Barbara Adams, 14 years old, of Frederic, were arrested by the local police on request of the Frederic authorities. The couple eloped and were married at Orisago. They are being held pending further information.

Grayling.—The body of a man about 55 years old, believed to be a Jenson from a car found in his clothing, was discovered in a water hole on the Michigan Central right-of-way. It is thought he slipped down the embankment and was unable to climb out.

Ironwood.—The first Michigan skater to drown this winter is Ernest Carlson, 19 years old, of this city, who lost his life near Mellen, Wis., according to word received here. Skating on Gill Lake with his 18-year-old brother, Carlson broke through the thin ice.

Muskegon.—Mrs. Christina Kloss, 95 years, was found dead on the floor of her home here on the return of her son, John Feathers, who had been absent for several days. Mrs. Kloss, who was apparently stricken while fixing a fire in a stove, had been dead for some time.

Grand Rapids.—Kidnaped in order that he might not lead the freshmen of Junior college in their annual football tilt with the sophomores, Robert Rittenger ran four miles back to the game, entered in the last minute of play, and kicked a field goal winning for the Freshmen 3 to 0.

Kalamazoo.—Simple funeral services were held here for Albert C. Kiff, well known business man, who disappeared July 2 and whose dead body was found by duck hunters in a marsh near Gouderick Lake, nine miles south of this city. The body was taken to Chilton Mich., for burial.

Detroit.—With the sight of both eyes believed to be destroyed, Calvin Mann, 54 years old of Dearborn, is recovering from burns caused by acid thrown into his face. Mrs. Frances Marvel, Detroit, is under arrest charged with assault with intent to do great bodily harm in connection with the affair.

Hillsdale.—Instead of holding their regular banquet, the members of the Hillsdale Rotary club, motored to Jackson, where they inspected the state prison as the guests of Warden Hulbert. The Hillsdale visitors were served lunch at the prison annex, preceding a trip to Chelsea to visit the state cement plant.

Albion.—The board of trustees of Albion College has authorized an increase in the enrollment from 650 to 800 for the coming college year. Re-arrangements of class rooms and of fixtures has made it possible to raise the maximum number of students according to President J. I. Sexton, who, with Robert B. Stewart, business secretary has spent much on the problem.

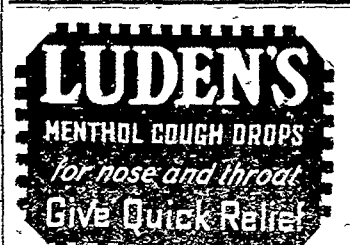

Grand Rapids.—Dr. Perry Schurtz, 73, prominent physician and surgeon, died at his home here following an attack of angina pectoris. He was formerly a member of the board of health and had achieved a national reputation for his innovations in public health measures. He was the first surgeon in the United States to remove a kidney and have the patient live.

Lansing.—The Michigan State Teachers' association has started circulating petitions to initiate a proposed statute, which it is estimated would increase the primary school fund approximately \$6,000,000 a year. The plan, as outlined in the petitions, is to increase the tax levy against foreign insurance companies and to advance the rate of the state inheritance tax.

Pontiac.—Miss Elma Leham, of Port Huron, suffered a broken nose and bad cuts about the face in an automobile accident and is in the Pontiac City hospital. She was a passenger in the car of Charles Thorne, of Port Huron, who was accompanied by his wife and three children. The Thorne car collided with one driven by Sidney Marr, 1632 Adelma avenue, Detroit, at the intersection of Rochester and Auburn roads, south of Rochester.

Sturgis.—Lincoln Snow, 55 years old, a resident of Kalamazoo, was found dead in a garage of his boarding house, a victim of carbon monoxide gas. Snow when found was sitting on the front bumper of his car in the garage. The building was dense with fumes and he had been dead for some time. The motor of the machine had been stopped and it is thought that Snow shut off the engine when the fumes became too strong and sat down on the bumper, where he lapsed into unconsciousness and died.

## RHEUMATISM

While in France with the American Army I obtained from a noted French physician a prescription for the treatment of Rheumatism and Neuritis. I have given this to thousands with wonderful results. The prescription cost me nothing. I ask nothing for it. I will mail it if you will send me your address. A postal will bring it. Write today.

## LOCAL

The Royal Neighbors will hold their annual meeting for the election of officers next Monday night.

W. D. Stark attended the funeral of his great uncle, Daniel Brown, near Vernon, Sunday. Mr. Brown was born in Monroe county, N. Y., August 4th, 1828, and came to Michigan in 1848.

Mr. and Mrs. John Bauman entertained a large company of relatives and friends at their home on Sunday, guests being present from Canada, Detroit and Newburg. A bountiful dinner and a good visit made the gathering one long to be remembered.

A very pretty birthday party was given Miss Leona Mae White last Tuesday afternoon, November 25th, it being her fourth birthday, by her mother, Mrs. W. H. White, Jr. The decorations were carried out in pink and there were seven of her little friends and their mothers invited.

Mr. and Mrs. E. G. Fuller are spending the week at the International Exposition at Chicago. They spent Sunday with their daughter in Grand Rapids, continuing their journey to the big city by the lake on Monday. Of course, Mr. Fuller is interested in the saddle horse exhibit.

Mr. and Mrs. T. R. Carrington and sons are now nicely located in their handsome new residence on Rogers street. The house has been admirably planned and is one of the most attractive of the many new homes that have graced Northville's streets during the past few years.

Mrs. G. W. Perkins writes to friends from Chicago, where Mr. and Mrs. Perkins have been visiting since leaving Northville, that they expect to go to their new home at Louisville, Ky., this week.

## EXCHANGITES AND LADIES FEAST ON VENISON.

As announced last week the members of the Northville Exchange club and about sixty guests and the dinner at the Park Hotel in this village on Tuesday night, the feast having been made possible through the generosity of Exchangers N. C. Schrader and E. B. Cavell. Covers were laid for about sixty guests and in the dinner in all its appointments was a real treat and the manner in which it was prepared and served reflected credit upon the management of Northville's popular hotel. In addition to the venison, which was admirably cooked, there were many other toothsome articles served and the meal was a bountiful one.

Between courses toy balloons created a whole lot of amusement for the merry company of "boys and girls" surrounding the tables, songs were sung and the hour passed only too soon. As an "expression" of appreciation to Messrs. Schrader and Cavell they were presented long barrel six gauge "pop guns" with the injunction to keep in practice so they might each secure a deer next season. Manager W. J. Thompson, for his kindness in admitting the entire Exchange family to the Alceum theatre for the presentation of "Conductor 1492," was "presented" with about 2,000 tickets to the Alceum theatre, with the admonition that he ought to give more time to recreation. President Bonstorf made the "presentations" and performed his task in a manner that caused much merriment. Seats were reserved for the crowd and the picture was an exceptionally good one, the jokes and jibes on the Irish being greatly enjoyed by some of the "Irishmen" forming the party. The Schuffert Sisters of Wayne furnished the musical program upon violin and piano. Members of the party are very grateful to Mr. Thompson for his kindness.

## MASONIC ACTIVITIES IN NORTHVILLE.

On Wednesday night of this week the annual school of instruction was conducted at the hall of Union Chapter, R. A. M. Dinner was enjoyed at 6:30 and the work of the evening followed in the presence of a goodly number of companions.

On Monday evening next will occur the annual meeting of Northville Lodge, F. & A. M., for the election of officers and receiving reports of the past year. Lodge will convene promptly at 7:30 and a buffet luncheon will be enjoyed after the meeting.

On Tuesday evening next, the 9th, the annual inspection of Northville Commandery, Knights Templar, will take place, and will be in charge of Eminent Sir John T. Fowler, G. S. E., of Pontiac. Every officer and member is urged to be present. Dinner at 6:45.

The annual meeting for the election of officers of Union Chapter, R. A. M., will be held next Wednesday night.

On Wednesday evening of this week a school of instruction was conducted by Grand Lecturer George Leedle of Marshall and there was a good attendance. A fine dinner was enjoyed at 6:30 and the work followed. Mr. Leedle gave a very interesting historical sketch of the growth and development of Masonry while the companions were gathered about the tables.

## DEEP SYMPATHY IS EXTENDED.

The little infant child of Mr. and Mrs. Floyd Lanning was brought from Harper hospital to their home on Friday. A brief service was held by their pastor, Rev. Wm. Richards. The little soul only commenced its building for a day with us, and vain was the help of man to save it. The home was filled with neighbors and friends who came to sympathize with the young parents who held it as a cherished hope for many a day. The little body was laid to rest amid floral tributes in the Novi cemetery family lot.

## AMERICAN LEGION TO HOLD BOX SOCIAL.

Members of Lloyd H. Green Post and their friends will enjoy a box social on the evening of December 18th for the purpose of raising funds for the Legion children's billet at Otter Lake. Funds are badly needed to properly care for the children now at the institution and the Legion posts throughout the state have been asked to help in this very worthy cause.

Each lady is requested to bring a box containing lunch for two and all who attend may be assured a good time. The place will be announced next week.

## JOHN McCULLY TO HAVE BIG SHOE SALE.

John McCully, Northville's exclusive shoe dealer, has inaugurated a big stock reduction sale right now at the height of the buying season and for two weeks he expects to reduce his stock by one-half.

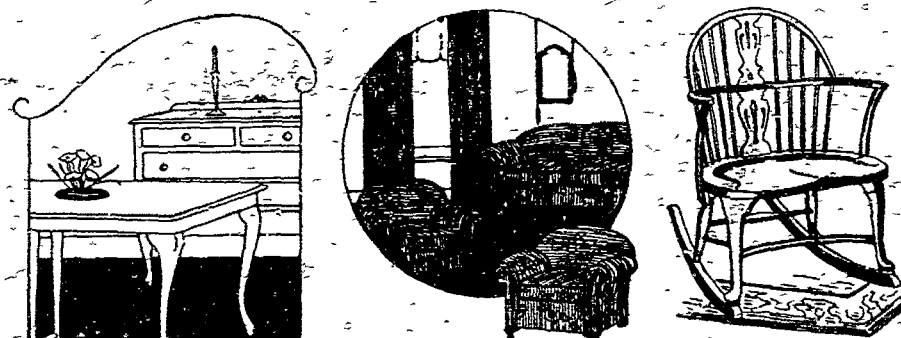

The McCully store enjoys an enviable reputation as a reliable trading place and people will, doubtless, be eager to take advantage of the bargains now being offered in dependable footwear.

Thanksgiving day was a very enjoyable one spent at the home of Mr. and Mrs. Howard Boilat, when Master Elmer Boilat celebrated his third birthday and four other members of the party whose birthdays came within the last few days also celebrated.

Those present were, Mr. and Mrs. Ralph Pickard and son, Billie, Mr. and Mrs. Gerald Taggart and daughter, Kacheleen, Mr. and Mrs. Lou Clark of Salem, Myrtle, May Boilat, Mrs. Ameal Boilat and Mrs. Hettie Montrose.

## Gold-Lace General

General Abercrombie, who came to America in 1756 to command the British forces against the French and Indians, was not popular. The colonists, unimpressed by his gold lace, called him Miss Nabbycrombie.

## Make This A Christmas of Practical Giving

From now our thoughts will turn towards the coming Holiday Season. And again comes the eternal question, "What shall I give?"

Why not make it a sensible Christmas, and instead of giving short-lived knickknacks how much better to confer comfort throughout the year, and to bring remembrance throughout the years—a permanent reminder of the giver's good taste. This is the kindly mission of furniture gifts.

We offer for your consideration a large and varied assortment of practical gifts, none of them expensively priced, any one of which will bring pleasure in the hearts of those you wish to remember this coming Yuletide.

Our floors are filled with articles in Furniture that will make most appropriate and acceptable gifts and a brief visit here will suggest them to you.
