MRS. WATIE WHIPPLE DIED AFTER A SHORT ILLNESS.

A gloom was cast over Northville early Monday morning when the sad news was spread abroad that Mrs. Watie Whipple had passed away. She had been ailing for some months, but able to be around the house to attend her duties, until about two weeks ago, when she was stricken with pneumonia. Everything was done that could be, but of no avail. She enjoyed the acquaintance of a large circle of friends and was always ready to do with her might what her hands found to do. She was married to Edwin Whipple January 15th, 1878, and had been a widow 25 years, residing on a farm, until five years ago, when she came to Northville to spend the remainder of her days.

Four sons, blessed the union, all of whom survive—Calvin, Elmer, Arthur and Austin. She is also survived by two sisters, Mrs. J. M. Simmons of this place, and Mrs. Volney Gunning of Livonia, and two brothers, George Chilson of Newburg, who is 89 years of age, and Palmer Chilson of Novi. Outside of the circle of her own home she will be greatly missed in the community where she had spent her whole life.

The funeral was held from her late home on Thursday afternoon, Rev. S. C. Hathaway of Plymouth officiating. Interment took place at Riverside cemetery, Plymouth.

BAPTIST ANNUAL MEETING.

The Baptist church of this place, held its annual meeting on Monday evening of this week. The usual supper was served which was a credit to the ladies who prepared it. The various departments of the church all gave splendid reports of work done the past year. The clerk reported 21 additions and most of these are prayer meeting Christians.

The following new officers were elected: Deacons, C. B. Turnbull, John Crommer and B. T. Hemstead; trustee, Mrs. Flora Larkins. Mrs. Larkins is the first woman to be elected to the office of trustee in the history of the church. Treasurer, Mrs. B. T. Hemstead. The new officers of the Ladies' Aid are Mrs. M. A. Bourne, vice-president and Mrs. C. A. Bissell, secretary.

FORMER NORTHVILLE RESIDENT DIED IN DETROIT.

The death of Mrs. Della Smith-Selden occurred at the home of her daughter, Mrs. L. K. Bullen, 4628 Oregon avenue, Detroit, on Friday last. Funeral services were held at the Bullen home on Monday at noon and afterwards the remains were brought to Northville where burial took place in Rural Hill mausoleum.

Mrs. Selden was born at Kensington Mich., August 17th, 1859, and died at the age of 65 years, leaving two children. Mrs. L. K. Bullen, with whom she made her home, and Mrs. Carl Schoultz of this place.

PAID CLAIMS PROMPTLY.

The late Frank Dolph and Charles Sowles each carried a policy in the Maccabees, of which organization they had been faithful and honored members for many years. Mr. Dolph's policy was settled within two days after proof of death had been filed with the Great Camp and the policy of Mr. Sowles was settled within six days and checks were presented to their beneficiaries.

The Maccabees as an organization has always been prompt in the settlement of its claims and they do not raise a lot of technicalities about the settlement either.

SOUTH LYON BANKER DIED NEW YEARS DAY.

J. B. Bradley, a pioneer resident of South Lyon, died at the home of Mr. and Mrs. Glen Burnham at Salem on New Years day, aged 70 years. He was director and vice-president of the State Savings Bank of South Lyon and had spent all his life in that community.

He is survived by one sister and one brother, and two daughters, Mrs. Lura J. Nollar of Kalamazoo, Mich., and Mrs. Glen Burnham of Salem. Funeral services were held Sunday.

TO HOLD BOWLING TOURNAMENT IN NORTHVILLE.

The fourth annual bowling tournament will be held at Northville beginning on Saturday, January 10th, and continuing to and including Saturday, January 31st. Thirty-four five men teams have entered for the tournament and liberal prizes will be offered. The afternoon games will take place at 2:30 and the evening games at 7:30. Harry S. German is manager of the contest.

A SPLENDID NEW YEARS NUMBER.

The Record received a copy of the midwinter number of the Los Angeles Times, issued on New Years day, and it is by far the best and most comprehensive issue of that wonderful newspaper yet published. The editor spent a few delightful hours Saturday night perusing its interesting pages and had a real visit with old friends out in the Golden West. Many of the towns and sections written about were visited by the writer during the years of his residence in California and if anyone enjoyed the issue more than he they certainly had a good time.

Figures and statistics presented concerning the activities of the year 1924 comprise a striking commentary on the tremendous strides made by Southern California in the past twelve months. Among the contributors are bank officials, railroad executives, and other men prominent in commercial life. The articles are profusely illustrated with photographs and pictorial drawings by Charles H. Owens, pictorial map maker of national prominence.

Pleasing indeed are the contributions by Rupert Hughes, Zane Grey and Edgar Rice Burroughs, all of whom are residents of Southern California. Mr. Hughes writes charmingly of "The Home of the Angels" as it impresses him. Mr. Grey tells of the desert and the seashore, while Mr. Burroughs writes authoritatively on horseback riding, a subject close to his heart.

The midwinter number is the fortieth published by the Times, the fortieth milestone, as it were, of the progress of the Southwest. In its own words, it contains more facts and information, because 1924 was the most eventful year in the community which it so ably represents.

CLEON DEY HAD A NARROW ES- CAPE FROM DROWNING.

Cleon Dey, who is spending the winter at St. Petersburg, Florida, was a member of an orchestra that was employed to furnish music on board the private cruiser of Mr. and Mrs. E. J. Turner, who entertained a company of friends on Christmas day. The cruiser was caught in a gale at the mouth of the Manatee river and listed sharply to starboard, throwing its twenty-three passengers overboard and the decks were swept clean of everything loose. The craft soon righted itself and everybody scrambled back on board and the engine being disabled they were compelled to cast anchor and await the arrival of assistance. The anchor failed to hold long, however, and soon the boat was drifting through the black night and when morning came the party found itself twelve miles from land. Help came in the morning and the boat was taken into port at Bradenton.

HOLLY BOY RAISES CERTIFIED SEED CORN.

To Elvin Beebe, a farm boy at Holly, goes the distinction of doing the most extensive work in recent years in corn improvement in Oakland county. The past season Elvin raised 5 acres of Improved Duncan Yellow Dent corn. He also conducted a half acre ear-to-row corn breeding plot. The object of his work is to provide a high yielding strain of corn suitable to the climate conditions of this county. His corn is certified by the Crop Improvement association of Michigan. —Holly Herald

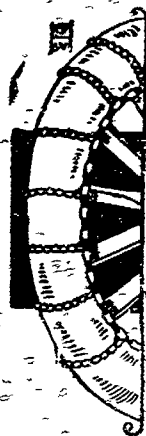

MARRIED AS THE OLD YEAR WAS PASSING.

Everett Crossman of Royal Oak and Miss Mae Treen of Northville were united in marriage on the last day of the old year at the Methodist parsonage in this village, Rev. Wm Richards performing the ceremony. The ring ceremony was used and the bride and groom being unaccompanied Mrs. Richards and Annie were witnesses. Mr. Crossman is engaged in business in Royal Oak and Miss Treen, was a professional nurse at the Detroit Sanatorium. Many friends at the institution will wish her much happiness.

OREGON GIRL WINS HOME LIGHT- ING CONTEST.

Julia Groo of Portland, Oregon, won the \$5,000 model electric home offered in the recent contest conducted by the lighting and educational committee of New York City. Ten other boys and girls in various parts of the United States and Canada won scholarships ranging in value from \$300 to \$1,200.

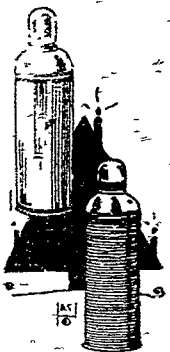

Clyde Schoultz arrived in Northville from Pasadena on Tuesday. Mrs. Schoultz and little son will return in the spring.

CHICAGO WATER STEAL DOOMED

U. S. SUPREME COURT DECISION
LIMITS VOLUME OF WATER
FOR SANITARY PURPOSES

MICHIGAN AIDS IN LEGAL FIGHT

Diversion From Lake Michigan Thru
Drainage Canal Restricted
To 4,167 Cubic Feet

Washington—The United States Supreme Court handed down a decision this week whereby the Chicago sanitary district must, within 60 days, cease the diversion of 10,000 cubic feet of water per second from Lake Michigan through the drainage canal. They will be allowed only 4,167 cubic feet, granted the district under the old permit of the war department.

It brought to a close one of the longest and most remarkable legal battles in American judicial history. It may mean a loss of \$100,000,000 to the Chicago sanitary district. But on the other hand it will mean saving of untold millions to inhabitants of Great Lakes States. It will stop further lowering of the lake levels and prevent great damage to lake commerce and substantial increases in lake freight rates.

Chicago has two chances to prevent the enforcement of the injunction at the end of the 60-day period. One is for the secretary of war to issue a temporary emergency permit authorizing the larger diversion, and the other, a very slim one, for passage of emergency legislation by congress legalizing the "steal."

Throughout the great legal battle the department of justice received much aid from the attorneys general of seven lake states unalterably opposed to the Chicago diversion. Prominent among them was Attorney General A. B. Dougherty, of Michigan. The states were Wisconsin, Michigan, Ohio, Pennsylvania, Indiana, New York and Minnesota.

MISS MCKINLEY IS SENTENCED

Accessory in Murder of Cora May
Raber Given 7 to 12 Years

Benton Harbor, Mich.—Florence McKinley, 19 year-old Royaltown township girl, was sentenced to serve from one to seven years in the Detroit house of correction by Charles E. White, of the Berrien county circuit court this week.

Miss McKinley recently pleaded guilty to a charge of accessory after the fact in connection with the murder August 6 last of Cora May Raber, Glendora girl, Emul Zupke, St. Joseph laborer, and one-time sweetheart of Cora Raber, is now serving a life term at Marquette. He pleaded guilty to murder in the first degree.

Florence McKinley was arrested after both she and Zupke confessed that Florence drove Zupke's runabout while he choked the Raber girl to death. Zupke's motive was to kill the mother of his unborn child so he would be free to marry the McKinley girl.

She was first accused of murder but the charge was later reduced after it was shown that she did not plan the crime nor willingly assist Zupke in the actual slaying.

MCKENNA RESIGNS AS JUSTICE

Harlan F. Stone Named As Successor
To Supreme Bench Post

Washington—Harlan F. Stone, attorney general, was appointed by President Coolidge this week to succeed Joseph McKenna, who resigned as associate justice of the United States Supreme court. The nomination was sent to the senate for approval.

Mr. Stone is expected to take up his new duties as soon as the nomination is confirmed and a successor named for him as head of the department of justice.

Justice McKenna is in his eighty-second year, and has been on the supreme bench for 27 years. He was elevated to the bench by President McKinley.

Before that appointment, he had served in congress as a representative from California had been a United States circuit judge, under the Harrison administration and had occupied a place in McKinley's cabinet as attorney general.

WOMAN GOVERNOR INAUGURATED

Mrs. Ross Assumes Post in Wyoming
After 250 Word Speech

Cheyenne, Wyo.—Pledging herself to continue the program and policies launched by her dead husband, Mrs. Nellie Taylor Ross was formally inaugurated governor of Wyoming last Monday. Mrs. Ross is the first woman governor in the history of the nation.

The oath of office was administered by Chief Justice Potter of the state supreme court in the senate chamber of the state capitol.

Her inaugural address was in the form of a 250-word statement. The present state administration has pledged their support to Mrs. Ross.

WOMEN SAVE MCCOY FROM DEATH

Jury Returns Manslaughter Verdict
Against Former Ring Idol

Los Angeles—Nine women jurors of the panel which considered the evidence against Kid McCoy, prize fighter convicted of manslaughter here last week in connection with the murder of Mrs. Theresa Mors last August, favored an acquittal earlier in the deliberations, it has been revealed here.

The marriages of McCoy, of which there were eight—and upon which the prosecution laid stress in its arguments, failed to swerve the women jurors.

The penalty for manslaughter is from one to ten years.

Mrs. Mors was found dead of a bullet wound in an apartment occupied by "Mr. and Mrs. Shields." Her body was discovered about 9 a. m. Aug. 13. At about the same hour McCoy is alleged to have entered the antique shops owned by Albert A. Mors, divorced husband of Mrs. Mors, and held up several employees of the place while he waited for the appearance of Mors, whom he announced he was going to "get."

The men, after handing over their money and valuables, were forced to remove shoes and trousers to prevent their escape; the women were allowed to wait unmolested.

As customers entered the place, they were similarly disposed of, until one of them, William G. Ross, made a break for liberty. He was shot in the thigh, and then, it was testified, McCoy went next door to the shop of Mr. and Mrs. Sam Schapp and wounded them.

VIOLENT DEATH RECORD BROKEN

Detroit Gains in Auto Industry and
Fire Losses Decrease

Detroit, Mich.—All violent records were broken in Detroit and its environs in 1924, the total number being 1,234, as compared with 1,203 in 1923 and 857 in 1922. Homicides to the number of 227 were reported in the city and Wayne county during the year, this being the largest number ever to be recorded.

Detroit's fire loss in 1924 was \$3,877,356, a decrease from 1923, when the loss totaled \$3,911,411. The loss for December was estimated at \$350,000, reports on the insurance not having been completed.

The year just ended was the busiest in the history of the fire department, having responded to more than 8,500 calls within the city. The report shows that there were 6,823 actual fires during the year, or 423 more than in 1923.

The automobile industry in Detroit experienced the greatest production year in its history during 1924, according to figures compiled by the Detroit Convention and Tourists' bureau.

Approximately 2,750,000 cars were produced during the past 12 months, the convention bureau's figures show. This represents an estimated valuation of \$2,500,000,000.

National Capital Power War Ends

Washington—A seven-year battle over electric light and power rates in the national capital has been settled by an agreement by which the Potomac Electric Power company agreed to reduce its rates at once by 25 per cent and to refund to consumers \$3,000,000 of an accumulated surplus. The kilowatt hour rate has been reduced to 7.12 cents, and consumers will receive in cash ten per cent of the payments they have made to the company since 1917.

STATE LAW MAKERS OPEN 1925 SESSION

AUTO WEIGHT AND GAS TAX TO RECEIVE FIRST ACTION BY LEGISLATURE

CHILD LABOR LAW ON CALENDAR

Battle On Riparian Rights Bill Is Expected—Amendment To Came Laws Sought

Lansing—Governor Groesbeck's highway program and his plan to have Michigan motorists furnish \$20,000,000 for its furtherance, is uppermost in the minds of the members of the 1925 legislature who gathered here this week for the opening of the session. Highway finance is certain to hold the center of the stage for the first month of the session at least.

Governor Groesbeck has emphasized repeatedly that a weight tax equitably adjusted on the basis of what the smaller cars are paying under existing laws, will provide the \$20,000,000 or \$21,000,000, which the plans call for. Old-time gas tax takers are expected to arise at once.

The conservation department will seek legislation to broaden the powers of Conservation Director as to the closing season readjusting certain game birds seasons. A renewed battle on the riparian rights bill is expected. The commercial fish lobby, always a powerful and extensive organization during session times, is expected to be back as strong as ever after a defeat two years ago.

An important fight, which threatens the proposed child labor amendment to the federal constitution, is expected a little later on in the session, when the amendment comes up for ratification.

EAST IS HIT BY SEVERE STORM

Nine Killed, Many Rendered Homeless By Fires and Accidents

New York—Upwards of a score of persons were killed, more than 100 injured and many rendered homeless in a series of fires and accidents which followed in the wake of severe storms throughout the east last week. Many children were among the dead and injured.

Nine persons, eight of whom were children, were burned to death in two fires in Montreal; a woman was burned to death when fire swept through an apartment house in New York; two children died of burns in Toledo, and a fireman was killed fighting flames and two men were frozen to death in Philadelphia.

More than a score of persons were burned in an explosion on a street car running on a subway line in Boston. 300 employees of the United States Veterans' bureau fled for their lives when flames destroyed a hospital at Fort McHenry, Baltimore; a score of persons were injured when a trolley car in Syracuse, N. Y., leaped from icy tracks and crashed into a tree; six persons were overcome by illuminating gas in Scranton, Pa. and there were many other accidents of lesser importance in many cities.

COOLIDGE APPROVES P. O. BILL

Law Would Increase Revenues Approximately \$60,000,000

Washington—The postal rates increase bill, as amended by the Senate Postoffice Committee and presented to the Senate last week is acceptable to President Coolidge, according to Senator George H. Moses (Rep.), New Hampshire, following a conference at the White House.

The revised bill would raise postal revenues about \$60,000,000 instead of the \$68,000,000 suggested in the Postoffice Department bill and the amount of the increase charged to second class rates is decreased from \$9,000,000 to \$6,000,000.

A large portion of the increased revenue is expected from a 25-cent charge to be levied on parcel post packages for special delivery. The revised bill is designed as a temporary measure, effective only from Feb. 15 this year to Feb. 15 next year.

CITY EMPLOYEES MUST PAY TAX

Income of Utilities Men Not Exempt, Ruled by Revenue Department

Washington—All employees of municipally-owned institutions, acting in a proprietary capacity rather than serving governmental purposes, such as water, light and street railway companies, are subject to income tax on their compensation.

They will have to pay taxes on their incomes as far back as 1913 and the bureau of internal revenue has notified collectors of internal revenue to compel the filing of returns over those years.

The ruling, far-reaching in its application, is based on court decisions in several sections of the country which have held, in effect, that such institutions as were named were competing with private enterprise and should occupy a similar footing with respect to certain taxation features.

Ludington, Mich.—George Rice, a Ludington pioneer, 80 years old, who has worked steadily for 40 years as a farmer and gardener, is spending the winter in Tennessee, believing that he should take a vacation whether he needs it or not.

Walks 61,740 Miles, Will Now Ride.

Marysville, O.—Frank Beck, city mail carrier, who has tramped 61,740 miles on his route, or more than twice the distance around the world, is through walking. He has been transferred to a rural route, and will ride, for the first time in 15 years' service.

Skates 13 Miles for Tobacco.

Kalamazoo, Mich.—Stifanded, for 2 days at the home of his father, 13 miles out in the country, because of the icy roads which made it impossible to operate automobiles, Harold J. Carr skated into the city to get tobacco for himself and his father.

Third Party Calls Meeting.

Washington—The formal call for the annual convention of the Conference for Progressive Political Action, in Chicago, Feb. 21, has been issued by William H. Johnston, chairman. The meeting is called for the express purpose of determining whether a new third party is to be created in the United States.

Ships Haul Hotel From U. S. to Nome.

Nome, Alaska—Two steamers are moving a hotel from Oakland, Calif., to Nome. An entire caravansary with everything complete was manufactured in pieces in California to furnish future accommodations for the transient trade in Nome. The pieces will be reassembled into a furnished hotel here.

Eclipse To Be Seen From Dirigible.

Washington—The giant dirigible Los Angeles will be used under direction of the United States Naval Observatory in observing measuring and photographing the total eclipse of the sun which will be visible Jan. 24, according to S. A. Mitchell, chairman of the committee on eclipse of the American Astronomical Society.

Auto Falls Through Ice, Men Escape.

Marine City, Mich.—Dewey Pemberton and James Laidlaw, both of Algonac, had a narrow escape from death when the automobile in which they were attempting to cross St. Clair River on the ice at Robertson Landing, broke through and sank under them in 35 feet of water. The men jumped to firm ice and were uninjured.

Firemen Frozen Into Ice, Chopped Out.

Duluth, Minn.—Firemen remained at their post playing water on a fire which was fed by 150,000 pounds of lard, in the plant of John Moreel & Co. packers, while the thermometer stood at 32 degrees below zero, until they were frozen into ice and had to be chopped out. Ice three feet thick covers the streets in the vicinity of the blaze.

World War Vets Receive Bonus.

Washington—Approximately 600,000 adjusted service certificates, representing \$750,000,000 as part of the bonus voted for World War veterans by Congress, were mailed to claimants by the Veterans Bureau, on Jan. 1. More than 400,000 applications have been returned to veterans because they lacked signatures, fingerprints or other necessary data.

Motor Bus Use Gains in England.

London—The ordinary tram car, tied to a rail in the center of the street, is destined eventually to become obsolete in England, according to transit experts. They base their belief on the growing popularity of trackless cars, run by electricity from overhead wires, which are being substituted for the old type, in several towns. A municipal motor bus service is to be undertaken in Glasgow, long held up as a model in city-owned street car service.

The Northville Record.

E. E. BROWN, Publisher.

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., JAN. 9, 1925.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week.

At the Y. M. C. A. meeting next Sunday James A. Dunbar will speak and the young men's quartet will sing.

A pretty but quiet wedding occurred at the home of Mr. and Mrs. Jarvis Palmer on Linden avenue Wednesday, the occasion being the marriage of their daughter, Grace, to Mr. William Hoar. Mr. and Mrs. Hoar will reside near Northville.

Clarence Clark, a well known Northville boy, and for some time clerk in the auditor general's office at Lansing, was united in marriage on Saturday with Miss Julia Montgomery-Herschels of that city. The bride is a daughter of R. H. Montgomery, the well known Lansing lawyer.

In the presence of the immediate relatives of the contracting parties, Mr. Bert Rea of Plymouth and Miss Cora Brigham of this place were married at the bride's home on Plymouth avenue Wednesday evening. Rev. W. H. Lloyd officiated. The young couple will make Plymouth their future home, where Mr. Rea is in the laundry business.

A number of leading milk dealers and other citizens organized the Detroit Creamery Co., with a capital stock of \$125,000, all paid in. In addition to selling milk and cream, the company will manufacture ice cream. The building at the corner of Grand River and Cass avenue has been bought by the company and a building fitted with improved pasteurizing and aerating machinery and an ice cream plant will be built. T. C. Sherwood of Plymouth has been active in organizing the company and has been elected president.

THIRTY STATE FARM GROUPS PLAN MEETS

More than 30 of the leading agricultural groups and associations of the state will hold meetings at the Michigan Agricultural college this winter during the annual Farmers week, from February 2nd to 6th, according to announcement made this week by the college farm week committee.

The Michigan State Farm Bureau and the Michigan Improved Livestock Breeders and Feeders association are the groups representing the largest membership among those scheduled to meet during the week. The 20 special subordinate breed associations which are included under the parent organization will hold individual meetings of their own in addition to the general livestock meetings.

Other bodies included in the list of those who are to be at East Lansing the first week in February are Michigan Crop Improvement association, Michigan Muck Farmers association, Michigan Poultry association, Michigan Nurse-yemen's association, Farm Economics association, Vinegar Manufacturers' association, the M. A. C. Short Course association, and the Michigan Press association.

All the usual entertainment and educational features which have marked Farmers Week of recent years will be included this year, along with a new line of exhibits and what is called the strongest line-up of speakers ever gathered for an agricultural conference in the state.

THE MISSING CYLINDER OF A COMMUNITY.

The progressive town is like a fine six or eight cylinder car, purring along evenly as it carries its passengers, the residents of the community, over the hills that stand in the way of prosperity.

But sometimes a good looking town, like many beautiful cars, will roll along evenly while the roads are level, but upon reaching a hill of business adversity, will slow up, knock and jerk, and finally come to a dead stop before it reaches the crest.

A missing cylinder, you say? Yes, and that missing cylinder is the man or woman whose hows no interest in home town business or in the welfare of the community.

W. R. C. NOTES.

A special meeting of the Woman's Relief Corps will be held Wednesday evening, January 14th, for the purpose of installing the officers for 1925. Supper at six sharp. Installation at 7.30. The president requests all officers, old and new, to be at the hall at four o'clock for practice, Wednesday, January 14th.

When the list of officers was published recently, by an oversight, the press correspondent elect, Mrs. Estella Schoultz, was not mentioned. We know Mrs. Schoultz will write notes of interest throughout the year, in The Record.

PRESBYTERIAN CHURCH NOTES.

Sunday morning communion of the Lord's supper, a service of thanksgiving and consecration, which ought to be observed by every member of the church. Transportation will be provided for any unable to walk. Notify any of the Session.

Sunday evening Union service in the Methodist church. Wednesday, January 14th, the Woman's Union meeting, conducted by the Plymouth Union Mrs. W. H. Stark hostess.

METHODIST CHURCH NOTES.

Our hearts were made glad to welcome in our communion last Sabbath morning the company of souls who stood at the altar of the church "Not unto us O Lord, not unto us, but unto Thy Name give the praise." Let us worship together next Sabbath at 10.30 and remain for the school session at 12.00, noon.

In the evening the Federated Services will be at 7.30; the Rev. Frank P. Knowles will be the preacher. This will be the closing service of the series. We have had a gracious time.

Next Thursday evening at 7.30 will be our "Family Night" when Roy Crowe, manager of the Telephone company, will give us three reels of pictures which will be educational for us all in telephony. This will be a wonderful description of science in moving pictures. There will also be a demonstration on a switch board teaching the proper use of the phone. The pastor's young people's class will provide the lunch at the close of the program.

BAPTIST CHURCH NOTES.

Twenty-five persons attended our watch night service and all of them brought in the new year on their knees.

Rev. Joe J. Payne, the cowboy evangelist, made his first public appearance for this year, last Sunday evening. As Mr. Payne walked down the aisle to the platform, the audience rose and greeted him with hand clapping and songs. Mr. Payne is the same old straight-from-the-shoulder preacher.

Large crowds have been present at the meetings every night.

The choir under Fred. McKelvey's leadership, is doing splendid work and doing much to make the meetings a success.

Big Junior choir will have charge of the music Friday evenings.

Church will be open at seven o'clock every evening, and the meeting will start at seven-thirty. Meetings every night but Saturday.

A large number of out-of-town people were in the audience Monday evening, including Rev. T. H. Wixom and Rev. Preston of South Lyon.

NEW YEARS.

Is there a better time for revising our attitude toward life and our fellowmen than at the beginning of the new year? And could a man adopt a better set of rules for living than those of Abraham Lincoln.

If you make a bad bargain, hug it all the tighter.

Success does not depend so much upon external help, as on self-reliance.

I have found that most people are about as happy as they make up their minds to be.

The face of an old friend is like a ray of sunshine through dark and gloomy clouds.

Allow me to assure you that suspicion and jealousy never did help any man in any situation.

Without guile and with pure purpose, let us renew our trust in God, and go forward without fear and with many hearts.

Men ought to be mighty good to women, for Nature gave them the big end of the log of life and mighty little strength to do it with.

I have no other ambition so great as that of being truly esteemed by my fellow men, by rendering myself worthy of their esteem.

WATERFORD.

The new heating plant has just been installed in the Ford factory at Waterford and they expect to turn on heat in a few days. They are progressing quite rapidly with the sluiceway to the dam.

W. H. McKerregan spent one day in Detroit last week on business; also went to Bay City for a couple of days.

Mr. and Mrs. McKerregan took Christmas dinner with their daughter and husband, Mr. and Mrs. Arthur Johnson at Ypsilanti.

NOVI NEWS.

The Parents-Teachers Association met on Tuesday evening at the West Novi school. The meeting was conducted by Mrs. LaRue Bogart. A marshmallow roast ended the program of the evening.

Height of Redwoods

Two hundred and fifty-five feet is the average height of the big redwood sequoia tree, although specimens exceeding 320 feet with trunk diameter of 30 to 35 feet near the ground have been measured.

INVENTORY TIME AT THE LAST DAY

Values are placed upon all articles when an inventory is taken. Life and the use made of it will likewise be inventoried at its real worth.

Judgment—the inventory of men and dispositions—was very vividly portrayed by Christ one day to his disciples.

Heaven hinges on one's attitude to their fellow men. Jesus insists that men shall show the same spirit to one another that He showed when He lived and worked in Galilee twenty centuries ago.

Because men themselves have many standards of living the last day will be a surprising experience. Then they will understand what some petty notions of value really amounted to.

God is a wholesaler of qualities and the final audit will show which way our road leads.

METHODIST SUNDAY SCHOOL

First Presbyterian Church

OF NORTHVILLE

Everything that God has made bespeaks His love for the human race. Calvary's cross, symbolic of love far greater than the knowledge of man's mind; and in whose shadow we all must humbly bow if ever we hope to meet face to face Him who graced its cruel form that we might have eternal life, should remind us of our responsibilities to God.

The observance of the Sacrament of the Lord's Supper is one of our responsibilities. Participation in this hallowed commemoration of the death and resurrection of our Saviour is also your privilege.

PURE FOOD MARKET

IT'S FRESH EACH MORNING.

The bread you buy of us is the best from our ovens. Each article of food that enters and leaves this grocery is selected by food experts who are protecting your interest.

Elliott's Coffees Are Always Fresh

When we installed our equipment for roasting and blending our own brands of coffee we were convinced that the people of this section would appreciate our efforts in providing them with Fresh Roasted Coffee, rather than serving them a number of different brands put up in pound packages for no one knows how long. Our success since that time has proven that we were right and the amount of coffee we have sold during the past year has run into the tons.

We buy our coffees in the green berry and blend them and roast them in a manner that has given universal satisfaction. Then we grind them while you wait and thus you are assured that your coffee will lose none of its flavor or its strength. Coffees ground and put in packages cannot keep fresh because of necessity they are ground a long time before they reach the grocers' shelves.

Take home a pound today and give this Better Coffee a trial.

KANTLEEK HOT WATER BOTTLE

The quality of Kantleek has never been surpassed. It is absolutely the best of any line of household rubber goods in the world and, because of its record of over 45 years in leading all other rubber goods, is now the most popular brand made.

Kantleek Hot Water Bottle—From top to bottom the Kantleek Hot Water Bottle is all one piece. Made of pure Para Rubber. No seams, no patches, no binding, no splices.

The Metal stopple socket is vulcanized into neck. This feature adds considerable durability to a Kantleek Hot Water Bottle. Kantleek Rubber Products bear a universal guarantee of two years.

Kantleek Fountain Syringe—Made of the same high-grade pure Para Rubber as the Kantleek Hot Water Bottle and moulded in one piece with extra heavy walls, smooth surface and a glossy, satin finish. Equipped with rapid flow tubing and highly polished pipes.

The Kantleek line also includes the following:

Kantleek Nipples, the Perfect feeding nipples, made from the highest grade of pure Para rubber, dipped on aluminum forms, no seams or crevices, and will outwear three ordinary nipples. They are absolutely hygienic. Soft, pliable, "satin-finished" and non-collapsible. In three distinct styles. **Kantleek Atomizers** are Leak-proof, Clogg-proof and Air-tight. They are adjustable to deliver either light or heavy spray. They are used for aqueous solutions or heavy oils.

Mr. and Mrs. John B. Smith are enjoying an outing in Florida. They will visit at a number of places in the southland before returning to Northville.

Mrs. George Williams, who had a very serious operation in Grace hospital, Detroit is doing nicely, a fact her many friends will be pleased to learn.

Little June, daughter of Mr. and Mrs. J. Bossey, Seven Mile road, returned home Tuesday, after spending since Christmas with her sister in Detroit.

Miss Joseph Delling, aged 78 years, died at her home in Caro last Saturday. She was a sister of Elmer West of Novi and Mrs. Minnie Welker of Farmington.

There will be a special meeting of Orient Chapter, O. E. S., this evening. The officers will confer the degree at 4:30. Supper will be served at 6:30 and the past masters will exemplify the work at 8:00.

M. D. Ferris of Otisville is the new agent for the Pere Marquette railway at this place. A. V. Barber, who has been acting agent for some months past, is spending the week at his home in Buckley.

Rev. A. K. MacRae was called to Plymouth Thursday evening, January 1st, to unite in marriage Nelson Baker and Inez Anderson. The ceremony took place at the home of the bride's parents, Mr. and Mrs. Fred Anderson.

Mrs. Rev. M. Terrill has returned from her trip to Pensacola, Fla. She left her mother and sister, Mrs. Permelia Kohler and Miss Lena, quietly settled in their home for the winter. While there they motored to Tampa and St. Petersburg.

Dr. and Mrs. J. M. Burgess, Mrs. Etta Stiff, Miss Mabel Burgess, Dr. and Mrs. C. G. Burgess and Miss Katherine Burgess of Detroit, and William Wilkins of Ann Arbor, were Christmas dinner guests of Mrs. Kate E. Allen, Plymouth Mail.

The Presbyterian church choir of this village presented the sacred cantata "The Nazarene" at the Plymouth Presbyterian church Sunday night, at the regular services. The choir from Plymouth came here and rendered their very enjoyable program of Christmas music.

Northville's Alumni and second DeMolay basketball teams defeated the first and second High school teams in two interesting games at the High school gym on Monday night. This was a surprise to both the visitors and the vanquished. The high school girls team defeated the alumni girls.

ALUMNI DANCE JANUARY 23.

On the evening of January 23rd, the Northville High School Alumni will hold its annual ball. The one to be held this year will be bigger and better than ever.

Finzel's Society orchestra of ten pieces will furnish the music. Our own Roy Cray is a member of this orchestra and everyone knows that that means wonderful music.

BOX SOCIAL AND DANCE.

There will be a box-social and dance at the Library hall on Wednesday evening, January 14th. Admission 25c. Good orchestra. Begins at 8:26-1c.

Walled Lake Warbles.

Walled Lake's schools opened Monday after the holiday vacation.

Mrs. J. A. Devereaux is ill with a severe attack of whooping, it is said.

The regular monthly business meeting and social session of the W. M. B. class of the M. E. Sunday school was held at the home of Rev. and Mrs. J. C. Chapman on Monday evening. There was a good attendance and all had a good time.

Mr. and Mrs. C. F. Rose and daughter, Dorothy and Helen, and Paul McKibben attended a family gathering at the home of Mr. and Mrs. William Richardson of Farmington on New Year's day. A beautiful dinner and a good visit made the day pass too quickly.

The Baptist Sunday school has elected the following officers for the ensuing year: Superintendent, Fred Pratt; assistant, Ray Howard; secretary, Orson Coc; treasurer, Loren Long; pianist, Luella Howard; librarian, Josh Roach; custodian of supplies, Ione Young; chorister, Marjorie Stewart.

Floyd Parnalee and Elsie McGathien, two of our well known young people, were united in marriage at the Village Inn recently, Rev. J. W. Green performing the ceremony, the impressive ring ceremony being used. Mr. Parnalee is manager of the Inn, and of course the happy couple will make their home in Walled Lake.

The old Clark Jones farm, later owned by Charles Wedow, then by a Mrs. Chapman, then by Jay Graham, has recently been sold to Detroit parties. There being 60 acres in this farm and is located 1 1/2 miles east of Walled Lake on town line. It is rumored that \$25,000 was the consideration. Five years ago when the farm went from Jones to Wedow, the consideration was \$7,000 for the whole 80 acres. This indicates growth and prosperity.

The following are the officers chosen by the Walled Lake Methodist Sunday school for the year: Superintendent, J. A. Devereaux; assistant, W. H. Hutton; secretary, Mrs. Lee Phillips; treasurer, Fraser Bultz; organist, Dorothy Rose; assistant organist, Mrs. Clyde Smith; chorister, Mrs. Ruth Bradley; assistant secretary and custodian of supplies, Mrs. Clarence Ghaffy; cradle roll superintendent, Mrs. C. F. Rose; beginners and primary teacher, Miss Dorothy Rose; junior boys and girls, Miss Ruth Bradley.

Mr. and Mrs. Charles Wedow spent New Year's day at the home of Mrs. Wedow's brother, Eugene M. Root and family. After partaking of a three-course dinner, which was much enjoyed by all, the company listened to a song rendered by a frog, which Mrs. Root rescued from a spring and now held in captivity as a pet frog.

The frog began its singing while the company were all talking and laughing. So beautiful was the frog song that it put the company to silence. (Who can beat it?) After listening to the frog Joshua Root hitched his fine spirited black team to the bob sleighs and took all for a sleigh ride and oh, such a racket. The company halted at Clarence Hake's for a few minutes and wished them all a Happy New Year and good luck. The gathering consisted of Mr. and Mrs. E. M. Root and family, Rowena and Shirley Risher, Joshua and Howard Root, Chas. Rush of Detroit, a cousin and Mr. and Mrs. Charles Wedow.

Novi News

Mr. and Mrs. James Field of Jackson spent the week-end at South Lyon, visiting their brother and wife, Mr. and Mrs. Franz Power.

Mr. and Mrs. Franz Power and daughter, Marion, spent Monday with Mr. and Mrs. R. D. Stephens and were very welcome visitors.

Miss Lulu Dandison spent Tuesday with Farmington friends.

Miss Josephine Capineau, who teaches the West Novi school, spent a few days during the holidays visiting old friends in Ferndale.

The kiddies have certainly enjoyed this ice on skates and sleds.

Mrs. Irene Moeran is spending her vacation at home. She will return to Ypsilanti on January 5th.

Bernadine Verduyn is home from the M. A. C., also Lucy and Timmy Banks from Detroit for the holidays.

Mrs. Elmer West received the first letter to come through the Novi office via air-mail. It came from Berkeley, Calif., and was mailed December 20, and reached this office on Christmas day. Her niece, Mrs. Hostetter, writes the air-mail passed over their house every morning at six o'clock.

Mrs. R. O. Thompson is on the sick list.

Archie Atkinson is gaining from his recent illness.

Mrs. A. R. Angell has been having an attack of the gripe.

Gus Farrapas of Detroit spent Sunday with Mr. and Mrs. John Sabo.

Mrs. Dora Donelson left for Flint Friday for a few weeks' stay with her daughter, Mrs. O. J. Lyon and family.

Mrs. Della Seiden, a former Novi resident, died at the home of her daughter, Mrs. Lew Bullen in Detroit, last Friday. Burial at Northville.

Mrs. Lester Woodruff writes from

Florida that the gripe epidemic is prevalent there so the people of Novi need not think they are the only ones "hit" by it.

Mrs. H. A. Huey passed away at her home in Vernon last week, after a long illness. The remains were taken to the former home in Indiana. Rev. and Mrs. Huey lived in Novi for a number of years, he being pastor of the Baptist church. The many friends in Novi are grieved by Mrs. Huey's death. She was a true Christian woman and a faithful worker in every place where she had an opportunity of lending a helping hand.

Mrs. Irene Hammond-Bartz passed away at Providence hospital, Detroit, last Sunday morning, leaving a little daughter, Vivian, four weeks old. This another of Novi's bright young women made the supreme sacrifice of motherhood. Hopes had been held out for some time for her recovery, but owing to other complications she became much worse several days previous to her death. A blood transfusion was given in hopes of benefiting her and everything that medical skill and care could do was done, but in vain, and she gradually grew worse till the end came. Irene was the oldest daughter of Lee and Olive Hammond, the latter dying about six years ago. She had spent nearly her whole life here where she attended school, also at Northville and Farmington schools. She was married to Lee A. Bartz, March 27th, 1923. In June, 1922, she was seriously injured in an automobile accident and for months her life hung in a balance, but by skillful care and the best of medical attention she recovered in a measure, though some of the injuries were still felt. She would have been 18 years of age on February 2nd. In the short period of her motherhood she learned to love the little one God had given into her keeping and thru her suffering her mind was much of the time centered on the little treasure and looking forward with hope to her recovery. She was a quiet, modest girl and had many friends here who are grieved at her early passing away. Besides the husband and babe she leaves a father and two sisters and many relatives and friends who have the sympathy of the whole community. The funeral was held at the home in Detroit with burial in the Walled Lake cemetery last Wednesday.

Clyde Putnam has sold his farm and will soon move to Northville.

Judd Graves and wife of Flint, spent last Sunday at the home of Mr. and Mrs. R. D. Stephens.

D. U. R. BARNES-AT ANN ARBOR BURN.

Fire breaking out at 6 o'clock last Friday morning, razed the Ann Arbor car barns of the Detroit United Railway, used principally for cars on the city lines at Ann Arbor. Damage is estimated at \$10,000.

The blaze, originating in the air pump room, spread rapidly and within ten minutes the entire building was in flames. Six city street cars were removed to safety. Two air pumps valued at about \$3,000, and several other pieces of machinery and working tools were destroyed.

Firemen fought the blaze for two hours. The office was not entirely destroyed and records were saved.

GRAND TRUNK MAY OPERATE WITH GAS-ELECTRIC CARS.

The Grand Trunk railroad made the announcement Tuesday that the Jackson and Richmond division of the A. T. Line railway was likely to have a new type of service this spring to supplant that now consisting of a daily passenger run and two freight trains. This will affect and be good news to our neighboring towns of Wilcox, Walled Lake and New Hudson.

While the Grand Trunk officials are making no definite promises they say they are seeking a gas-electric car of suitable size to take care of the mail, passenger and express business.

—Milford Times.

OAKLAND COUNTY JAIL HAD BUSY YEAR.

Exceeding by 249 the number of persons housed at the county jail last year, the 1924 record was 2,541. Of this number practically half were arrested by county officers as their totals show 1,247 arrests made during the twelve months' period. Besides these arrests there were 715 arrests made by the traffic division. These persons were seldom taken to jail as in most cases fines were imposed upon them for the violation of the rules of the highway.

Another problem of the traffic division has been the service of civil papers. During the year there have been more than 2,400 civil papers

served by the traffic deputies. This is done only during the winter months when it is difficult to ride the highways but also during the summer months as odd-time jobs for these deputies.

Charges placed against persons arrested during the year include practically every kind of offense known to the criminal code. Drunks, disorderly persons, prohibition law violators, lead the list while other and more serious charges are also included. Murder charges, attempted murder, larceny, breaking and entering, and the like are among these latter. —Postiac Daily Press.

OAKLAND COUNTY PAVES 33 MILES OF ROADS IN 1924.

According to figures prepared by L. V. Belknap, county road engineer, thirty-three miles of paving and four and one-half miles of gravel road were constructed under direction of the Oakland county road commission during the season just closed.

Besides the new construction undertaken, the 150 miles of new paved roads were maintained, as were the 353 miles of gravel roads, repairmen being kept busy throughout the summer and fall. In the case of the pavements, the maintenance work included surfacing, patching concrete, repairing joints and cracks, maintaining shoulders and cutting weeds, care of gravel roads included, all these items except patching concrete.

The new pavements constructed included the following jobs:

Nine Mile road, 7 miles from South-

field to the county line in Royal Oak township; Ten Mile road, 3 1/2 miles

from Southfield road to Woodward;

Cass Lake road, 2 1/2 miles, from Eliza-

beth Lake road to Orchard Lake road in West Bloomfield and Waterford

townships; Trunk Line 10 1/2 miles

from Drayton Plains to Patterson

Corners; Trunk Line 16, 2 1/2 miles

from New Hudson west to county line;

equivalent to nine miles of 20-foot

pavement, which is the width of the

other roads constructed between Pon-

tiac and the Wayne county line.

The new gravel roads—2 1/2 miles

in Rose township, 1 mile in Brandon

township and 1 mile in Luma township

still under construction.

Plans for construction work during 1925 now are being made and will be taken up during the next few weeks by the commission. Luther D. Allen, commissioner-elect succeeds John A. Adams January 1st, the other members being G. Ross Thompson and Thomas Lytle.—Birmingham Ecce-

CELEBRATED SILVER WEDDING ANNIVERSARY.

A very pleasant event took place at the country home of Mr. and Mrs. Albert Schroder last Sunday afternoon and evening, when about forty of their relatives and friends came to help them celebrate their silver wedding anniversary. At seven o'clock a lovely chicken dinner was served in the dining room, which was prettily decorated in silver and white.

Immediately following the dinner, a mock wedding was performed. Mrs. Bell dressed in the conventional garb of a minister, led the wedding party down the broad stairway to the archway, to the strain of Meddellshon's wedding march. She was followed by the bride, Mrs. Schroder, who was dressed in white and carried a bouquet of roses and baby's breath, and the groom, Mr. Schroder. Mrs. Geo. Miller of Salem, and John Melow of Farmington, acted as bridesmaid and best man. Music and other forms of entertainment followed, after which the evening was completed by a midnight lunch.

Mr. and Mrs. Schroder received a great many beautiful gifts in remembrance of their twenty-fifth anniversary. The guests departed at a late hour, wishing them many more happy years together, as they have had in the past.—Plymouth Mail.

MISS BONSTELLE IN NEW PLAY HOUSE.

The new home of the Bonstelle company, of which Miss Jessie Bonstelle is the moving spirit, is now an established fact and the Bonstelle company is firmly established at the Bonstelle playhouse on Woodward avenue.

For her opening bill in Detroit Miss Bonstelle secured by special arrangement with the Chas. Frohman office, the smart New York success, "The Best People," which is now being played in Boston and eastern cities. It was adapted from a story by David Hopwood. The latter stands alone as a builder of plot, dialogue and clever situations; also he possesses no peer in making rapier thrusts at so-called polite society.

The Bonstelle playhouse stands forth as Detroit's latest and most beautiful theatre. The architect, C. Howard Crane, has been particularly fortunate, not alone in design, but in catch that intangible asset - perfect acoustics. Every word can be heard from any quarter of the theatre; also each and every seat commands full view of the stage.

The Bonstelle playhouse will fill a big niche in Detroit entertainment. It is provided with a spacious check room, where out-of-town patrons may leave their various packages and attend the performance in comfort. Situated on Woodward avenue, near the cross-town lines, it is particularly convenient to suburban patrons.

JANE COWL AT THE GARRICK THEATRE NEXT WEEK.

One of the extraordinary events of the current dramatic season is Jane Cowl's appearance in "The Depths," a play of 20th century life by Hans

Mueller, one of the foremost Continental dramatists, at the Garrick.

Miss Cowl will open a limited engagement in "The Depths" of one week at the Garrick theatre Monday evening, under the direction of the Selwyns and Adolph Klauber, with the support of the same noted players who have been appearing with the distinguished American star in the brilliantly successful production of "Romeo and Juliet," which by special request Miss Cowl will present at the Wednesday and Saturday matinees supported by Rollo Peters and her permanent repertory company.

"The Depths" has been chosen as a representative modern drama worthy of being added to the repertoire of Shakespeare plays in which Miss Cowl and her permanent company have been presented for the last two years. It is a romantic drama giving full scope to the Selwyn star's far-famed beauty and emotional power. The heroine is a fascinating young woman who eagerly drops a sordid sort of existence to win the love of a young composer. Apparently theirs is to be an ideal romance, but the impulsive, warm-hearted girl finds herself fettered by the new love and driven to desperation by the clash of interests and ambitions.

POWERS STATION.

On Friday of Christmas week Mrs. William Greer and Mrs. Marlin Simmons of Newburg gave a dinner at the home of the latter in honor of Mr. and Mrs. Harry Simmons and little son from Reading, Ohio, and Mr. and Mrs. Stanley Simmons from New Orleans, La. The two families left for their homes last Sunday morning.

Mrs. A. T. Rice, who has been real sick at the home of her daughter at Plymouth for two weeks, is no better.

Mr. and Mrs. E. J. Simmons entertained Wednesday, Mr. and Mrs. Ben Smith of Redford and Mr. and Mrs. Stanley Simmons.
