FAIR ASSOCIATION MADE A FINE SHOWING FOR 1924

The annual meeting of the Northville Driving Club and the Northville Wayne County Fair association was held at the office of Secretary E. L. Smith last Friday night, with more than a majority of the stockholders represented. The annual report of the secretary was read and at the conclusion of its presentation every person present was in a most happy frame of mind, because it showed a balance in the treasury amounting to \$8,553.75, with all debts paid, with the exception of some uncashed checks which have not been presented for payment. Owing to the illness of President H. R. Richardson, T. E. Murdock, vice-president, presided and the business of the meeting was transacted in a most harmonious manner. Ten directors were chosen to succeed an equal number, whose terms expired and all of the old ones were re-elected.

T. G. Richardson, H. R. Richardson, Floyd A. Northrop, Mark R. Seeley, Glenn Richardson, Charles Altman, Fred W. Lyke, A. Ebersole, E. L. Smith, E. E. Brown.

The directors met immediately following the stockholders' meeting and elected the following officers, the office of secretary being left vacant until the next regular meeting. N. C. Schrader was elected president; T. E. Murdock, vice-president, and C. A. Pansford, treasurer. E. L. Smith declined the office of secretary, owing to business reasons, although he was urged to accept the position for another year. He has served the society for two years and has made a most efficient secretary. He will retire from the office with the best wishes and esteem of all his co-workers on the board.

President Schrader, H. R. Richardson and E. L. Smith were elected delegates to the annual meeting of the Michigan Association of Fairs.

The plans for 1925 were informally discussed and it was the opinion of all that every effort should be made to make the forthcoming fair better than any that have yet been given.

NORTHVILLE'S BANKS HOLD ANNUAL MEETINGS

At the close of business on December 31st, the last day of the old year, Northville's two banks had combined resources amounting to more than two million dollars—\$2,054,947.05, and as banking institutions are regarded as pretty accurate barometers of the prosperity of the communities they serve, every loyal citizen of the community has reason to be proud of this splendid record. The annual meetings of the local banks were held on Tuesday and reports submitted indicated that the past year had been one of the most prosperous in their existence.

At the meeting of the Lapham State Savings Bank all of the old directors were re-elected and Alex. Christensen was chosen to succeed his father, R. Christensen, deceased, who had served as director for many years. The bank is in a very prosperous condition, having resources amounting to \$1,209,424.50, representing a very satisfactory growth over 1923. The election of officers resulted as follows: President, R. S. Harmon, vice-presidents, F. S. Neal and F. E. Bradley, cashier, E. H. Lapham; assistant cashiers, Ernest Miller, E. R. Lanning, John Litsenberger.

At the meeting of the Northville State Savings Bank a stock dividend of 100 per cent was declared in addition to the regular cash dividend of ten per cent, and naturally all stockholders of the institution are congratulating themselves upon their good fortune. The business for the past year exceeded that of any previous year in the bank's history and its affairs are in every satisfactory condition, with resources amounting to \$345,522.55. The capital stock of the bank is now \$50,000.00.

C. W. Wilber was elected director to succeed R. C. Yerkes and two new directors were added to the board—Bruno Freydl and L. B. Flint. Officers were elected as follows: President L. A. Babbitt, vice president, C. H. Coldren, cashier, C. W. Wilber, assistant cashier, Carrie Litsenberger.

CHANGE IN GAS COMPANY OWNER-SHIP

C. A. Fox of Plymouth, who has held for some years past the controlling interest of the Plymouth and Northville Gas company, has sold his interests to the Gas Engineering Service company, according to an announcement made last Friday by F. W. Seymour, president. B. B. Adams of Marshall, formerly agricultural agent for Calhoun county, will succeed Mr. Fox as manager of the company.

The Gas Engineering Service company owns and operates gas plants in twelve cities, among the Michigan towns served being Marshall, Battle Creek, Alma, Owosso, St. Louis, Ithaca and Sault Ste. Marie. The company also has interests in Tennessee.

No announcement has been made by the new management as to the future policy of the company, but it is sincerely hoped that steps will be taken to extend the mains both here and at Plymouth to care for the growth of the communities during the past few years.

BASKET BALL HEADS SET TOURNEY DATES

District basket ball tournaments among high school teams of Michigan must be completed by March 21, it was decided Saturday at a meeting of the basket ball tournament committee of the Michigan Interscholastic Athletic association.

Surveyors of the district competition will meet for the state championship in three classes, March 26, 27, 28. Class A teams will play at Michigan Agricultural college and Class B and C schools at University of Michigan.

Other details of the tournament were thrashed out at an all day meeting of the committee which consists of L. L. Forsythe, Ann Arbor, Robert Ward, Otsego, Howard Beatty, Saginaw and A. W. Thompson of Lansing, state director of athletics.

This means that Northville will have the privilege of playing at Ann Arbor when the Class B and C schools meet there next March.

On Tuesday evening Mr. and Mrs. Guy Simmons entertained a sleigh load of old friends at their home on the Base Line road. Pedro was the entertainment for the evening and a fine lunch was served from the well filled baskets brought by the guests. The outing was a most delightful one and as the guests took their departure they expressed themselves as having spent an enjoyable evening.

How Lighting Boosts Sales

A test was made of a dry good store. The
original lighting system provided an illumina-
tion of 4 foot-candles. No protection was af-
forded against glare or shadows. Improve-
ments were introduced and the level of illumina-
tion raised. Sales promptly increased 8.2% per
customer.

In another case—that of a small department
store—the lighting was raised from 5 foot-can-
dles to 15 foot-candles. The number of custom-
ers increased 12% and the average sales per cus-
tomer 29%.

We will inspect your lighting on request. This
will cost you nothing and may make you money.

YOST FIELD HOUSE PAID FOR.

Yost Field House, Ann Arbor, con-
structed three years ago at a cost of
\$450,000 became university property
clear of all debt this week, the final
payment being made from 1924 foot
ball profits. In addition, 40 acres
provided for future athletic plant ex-
pansion were purchased. Michigan
played before 341,000 people last fall,
the largest foot ball audience in the
history of foot ball. In addition to
completing the payment on Yost Field
House, earnings provided 7,000 addi-
tional seats for foot ball games, in-
creased base ball seating capacity to
12,000, paid for extensive repairs,
made possible another new base ball
diamond and delayed the cost of two
new concrete tennis courts. The
entire athletic plant has been paid for
from athletic earnings.

RURAL SUPERVISION IN WAYNE COUNTY.

Beginning this month the county
will be divided into three divisions,
each of which will be served by a
helping teacher. Following the zone
plan introduced into rural schools by
Dr. M. S. Pittman of the Ypsilanti
Normal College, each division will be
divided into two zones. This arrange-
ment divides the rural teachers of the
county into six groups or zones, and
provides the advantage of the small
group which will work together more
intensely than a larger group.

The Northern Division comprises all
of the county north of the Ford road.
The Southern Division comprises all
of the county south of the Eureka
road, and the Central Division all
schools between the Ford and Eureka
roads. Miss Lorraine Cochran will
direct the work of the northern divi-
sion, Miss Ruth Welliver in the Cen-
tral division, and Miss Mary Jameson
in the Southern.

The Northern division will be
further divided into zones A and B.
The Central division into zones C and
D and the Southern division into
zones E and F.

The following are the names of the
rural schools and teachers located in
zones A and B.

WITH PRIVILEGES COME RESPON- SIBILITIES.

In his address at the opening session
of the annual meeting of the Associa-
tion of American Colleges last Thurs-
day night in Chicago, Dr. Graham
Taylor of that city declared: "The
obligation of educational institutions
and those they equip for their life
and work is stressed by the
facts that all education is a heritage
from past and present sacrifices; that
leisure to learn is a privilege made
possible by the labor of others; that
culture is therefore a debt incurred
by everyone in whose education public
investments are made, not more truly
by tax-supported than by privately
maintained institutions of learning."
"Responsibility for making due re-
turn to society at large and particu-
larly to the community in civic ser-
vice, is an obligation which should be
borne home to the conscience of teach-
ers and students alike."

ALLIES AGREE ON WAR CLAIMS

J. S. TO RECEIVE \$600,000,000
OF REPARATIONS UNDER
DAWES PLAN

PAYMENTS TO BE MADE YEARLY

Army of Occupation Costs Included
In Award—\$15,000,000 Cash
Available Now.

Paris—The entire war claims of the
United States both for its occupational
forces in Germany and for damages
sustained—roughly, \$600,000,000—will
be paid at the rate of \$25,000,000 year-
ly out of the proceeds of the Dawes
plan of reparations, and the payments
will extend over a period of about 25
years.

Such, in a nutshell, is the accord
officially announced as having been
reached by the delegates to the Allied
finance ministers' conference in ses-
sion here. The agreement is subject
to the ratification of a plenary session
of the conference which will be held
next week, but this ratification
is regarded as a matter of form.

It was stated in British quarters
prior to this announcement that the
American installments for occupation
costs would be \$5,000,000 gold marks,
instead of \$2,000,000 as given earlier,
and the installments on war damage
claims \$5,000,000 gold marks, instead
of \$5,000,000, thus giving a maximum
of 100,000,000 gold marks annually, or
about \$25,000,000.

The official announcement stated
the United States was to receive an-
nually 2 1/4 per cent of the repa-
rations payments, not to exceed \$5,000,
000 gold marks yearly, beginning Sep-
tember 1, 1924 retroactively for its
war damage claims. It will get im-
mediately a possession of the \$15,000,000
now in the blocked account in the fed-
eral reserve bank, paid under the
Wadsworth agreement.

BRAVE GIRL FOILS BANK THUGS

Sounds Alarm And Closes Vault As
Robbers Threaten With Pistols

Detroit—An attempt by seven
thugs to rob the Trenton State bank,
at Trenton, Mich., last Monday was
frustrated when Margaret McKenzie,
bookkeeper, braved a fusillade of bul-
lets to sound the alarm and close the
door of the vault containing the
bank's cash. Harry Roehrig, 23 years
old, assistant cashier, was shot
through the abdomen by the holdup
men and is in a serious condition.

The drawing of the curtains at
closing time was the signal for the
raid by the gunmen, who were wait-
ing in a car which stood in front of
the bank.

Before the door could be locked,
five of the seven men, all wearing
masks over their faces, rushed the
door and crowded by Miss McClellan,
who was attempting to lock it.

As the five entered one of them
shouted, "hands up." Roehrig, who
was coming out of the vault followed
by Miss McKenzie, complied but as
he did so the robbers began shoot-
ing. One of the first shots fired
struck the cashier.

Miss McKenzie when she saw
Roehrig fall and while bullets from
heavy caliber pistols in the hands of
the gangsters were spattering the
front of the vault about her, touched
the alarm button. Then, dropping to
her hands and knees, she crawled to
the vault door and pushed it shut.

The gangsters fled as the bell on
the building began to clang, and after
a fusillade of shots were exchanged
with others, the robbers escaped.

GOVERNOR OF KANSAS ARRESTED

Charged With Accepting Bribes For
Granting Pardons.

Topeka, Kans.—For the first time in
the history of the state a governor of
Kansas has been placed under arrest
here. Warrants, charging soliciting
and accepting a bribe, were served
upon Governor Jonathan M. Davis and
his son, Russell Davis, in connection
with acceptance by the latter of \$1,250
from Fred Pollman, paroled convict,
for a pardon for Pollman. Each were
released under bonds of \$1,000.

The charges against the governor
which resulted in his arrest, grew out
of the expose here, when Rus-
sell Davis met Pollman in the latter's
room in a local hotel and negotiated
with Pollman to secure the latter's
pardon provided \$1,250 was forthcom-
ing.

Concealed in an adjoining room
were newspaper men and a shorthand
reporter. The latter took down the
conversation between young Davis and
Pollman, who was a party to the plot
to catch the governor's son.

Young Davis was confronted by the
newspaper men and forced to hand
over to them the marked money with
which Pollman purchased his pardon.
The young man denied allegations that
his father knew of the deal.

The former governor, in a state-
ment issued last week, declared he
had no knowledge of his son's trans-
action, and added that he had already
granted Pollman's pardon.

TUBERCULOSIS RELIEF HOPEFUL

Head of Northville Hospital Reports from Copenhagen; Favors 'Gold Treatment'

In a letter postmarked "Copenhagen" and received Monday by Dr. Henry F. Vaughan, commissioner of health, Dr. Bruce H. Douglass, superintendent of the Municipal Tuberculosis hospital at Northville, confirms the report that the tuberculosis remedy discovered by the Danish scientist, Holger Moellgaard, is highly deserving of indorsement.

Dr. Douglass, responding to a special invitation, left Detroit six weeks ago by way of London for Copenhagen with the object of studying the results obtained in test cases. He is expected

to return to Detroit about January 15. Dr. Douglass spent much of his time in the English hospitals watching the effects of the so-called "gold treatment" on tubercular patients and, according to Dr. Vaughan, has been too brief a time in the Danish capital to prove conclusively and to his own satisfaction the claims advanced for the cure.

"The treatment consists of sodium, an inorganic salt of gold administered together with a serum," Dr. Vaughan said. "It is the function of the serum to counteract the severe reactions caused by the gold compound. Dr. Douglass is not giving way to unfettered enthusiasm. He realizes that no remedy can be of the slightest use in advanced cases where too much of the tissue has been de-

stroyed. "Nor is such claim made for it by Prof. Moellgaard. But it has been claimed and, to a great degree, demonstrated that in early stages it is effective in killing the tubercular organism. These early cases, of course, show the best results and following treatment there is a marked clearing-up of the case."

"So far as we can learn, Prof. Moellgaard had been conducting an original line of investigation for more than a year, and, as a result, has given the world what promises to be an effective agent in combating the disease when discovered in its early stages. But, of course, a great deal of research will be necessary to determine the effect of the treatment on the human body as well as to decide

in its permanency. There seems to be little doubt, however, that it will receive the indorsement of the scientific world."—Detroit News.

TOTAL ECLIPSE OF SUN WILL BE JANUARY 24.

The most awe-inspiring spectacle man can behold is a total eclipse of the sun, when the gracious orb is blotted out; the chill of dreadful darkness descends and all the world stands still in apprehension. And then a sudden gleam of red and gold and pearl; the shadow slowly lifts and again the world breathes freely, as if some great disaster had been averted.

Millions of people will have the opportunity of observing the total eclipse of the sun which will occur Saturday, January 24th. No total eclipse of the sun has been visible in the northeastern part of the United States since the year 1808; nor will such an opportunity come again until 2024. Not within the memory of living man has such a spectacle been seen and never again will anyone living today see one.

Along a strip of 160 miles, extending from west of Duluth, Minn., to the Atlantic ocean at New York, the coming eclipse will be total.

At any point on the earth's surface a total eclipse will be visible only once in three and a half centuries on the average.

Seeing a total eclipse is therefore a chance to be had only once in seven lifetimes.

Smoke a piece of glass, or several pieces for that matter, and be ready so you may watch the eclipse from beginning to end. It is due, according to calculations, about nine o'clock in the forenoon. Let us hope for a clear, bright day.

Cling to Machete.

The machete is still the favorite weapon and cutting tool of the Cubans who buy \$80,000 of the instruments from manufacturers in this and other countries every year.

NORTHVILLE, MICH., JAN. 16, 1925.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week.

Charles Rogers was in town a few days this week.

Mrs. B. C. Stark is expected home tomorrow from her Adrian visit.

Mrs. Charles Yerkes and Mrs. W. C. Yerkes and daughter, Frances, visited at Ypsilanti yesterday.

Mrs. C. H. Rauch and Miss West of Plymouth were guests of Miss Asa Starkweather this week.

Mrs. Julia Bloss and Miss Kate Perrygo of Detroit were visitors at A. C. Harmon's last week.

Mrs. Minnie Carpenter and Mrs. Ida Joslin attended the installation at Wayne Friday evening.

Rev. Seth Reed of Flint, formerly of this place, will occupy the Methodist pulpit Sunday morning.

The local ice men are now busily engaged in putting up ice while the local housekeeper is just as busy putting down coal.

Mrs. Clarence Holton of St. Johns and daughter, Mrs. Ella Eaton of Detroit, were guests of the Misses Rogers on Center street this week.

The Methodist Ladies gave a New England supper in the rink Wednesday evening. It was a pleasant and profitable affair, besides being enjoyed socially.

Ralph Diserens was in town over Sunday on his way from Chicago to New York where he goes to assume charge of the Chicago Pneumatic Tool Co's eastern office.

The track of the Northwestern Electric company is now laid nearly up to C. G. Chadwick's residence on Griswold road. Cars ought to be running within a week or two.

The American Bell & Foundry company held its annual meeting Wednesday afternoon and elected the following officers: F. S. Harmon, president; Chas. F. Perkins, vice-president; L. A. Beal, secretary; E. H. Lasham, treasurer.

GEORGE GRIMMELL MARRIED IN FLORIDA.

The Record is in receipt of a message from Florida bearing the news that George Grinnell of this place was recently married to Miss Gladys Mack of Three Mile Bay, New York. After a short wedding trip Mr. and Mrs. Grinnell will spend the remainder of the winter at the Matthews Hotel on Deadrop Camp, Minneola, Florida.

Many Northville friends will extend hearty congratulations and await with pleasure the arrival of the bride and groom in Northville in the spring.

NOVI BAPTIST CHURCH.

Sunday, January 18th. Evening service at 10:30. Pastor's subject, "Bees' Feet and Creeps." Junior church at 11:00. Sunday school at 11:45.

B Y P U at 7:15, followed by preaching.

The pulpit is most cordially invited to attend all these services.

There will be as usual at the town hall on Friday evening January 23rd, given by one circle of the Ladies' Mission band. There will be a good service of lunch and everybody will be welcome.

HOLSTEIN ASSOCIATION MEETING.

The Wayne County Holstein association and Wayne County Cow Testing association will meet at the Inkster church, Friday evening, January 23rd, at eight o'clock.

J. G. Hays, secretary of the State Holstein association and Miss Lois Corbett, home demonstration agent of Wayne county, will be the speakers. Pictures from the National Dairy show will be shown.

Everyone interested in dairying or in the breeding of Holstein cattle is welcome and urged to attend.

KALPH CAPR, County Agricultural Agent.

CHAPMAN SCHOOL NOTES.

The honor roll of attendance for the Chapman school for December includes the following pupils: Eighth grade, Marvin Guntzville, Harvey Guntzville; Fifth grade, Glenn Salow; Fourth grade, Herbert Guntzville, Helen Guntzville. We are very proud of these people for their faithfulness.

Lee interfered with our Christmas exercises, but those who attended were well paid for their effort. Santa Claus arrived and brought with him the Christmas spirit. The program included Mother Goose oharades and a play entitled, "Christmas Secrets." We wish all our friends a Happy New Year.

CARD OF THANKS—I wish to thank the Ladies' aid for the plant which was sent me during my illness. Mrs. F. Kreeger.

ST. PAUL'S LUTHERAN CHURCH.

Sunday at 10:30 a. m., services in German. Theme of service, "Jesus was called to the Marriage."

The annual meeting which had to be postponed on account of the sickness of the pastor, will be held Monday evening, January 19th, at the school hall.

Tonight the members of the young peoples' society will meet at the parsonage to begin practicing for the next box social with punco party at the school hall.

The pastor has recuperated from the attack of grip and is in the harness again.

PRESBYTERIAN CHURCH NOTES.

Dr. MacLeod says "A Man Rises to the greatest height of which he is capable when he enters the door of a church." Is that true? Has worship any real value in modern life? This will be the subject discussed at the morning worship, at 10:30.

Have you noted the gratifying growth of the Sabbath school? Stay after church for Bible study.

The Men's club will meet Sunday at 3:30 p. m. in the parlors of the church.

Mr. Helfrich will be the speaker at the Y. P. S. C. E. meeting at 6:30 p. m. All the young people urged to be there.

The theme for Sunday evening at 7:30 will be "Zealous, but Wrong."

BAPTIST CHURCH NOTES.

The cowboy is meeting with greater success than he did last year. This is unusual. A return engagement is not always a success.

The crowds continue to hold good. Church is full almost every night.

The choir under the leadership of Fred McKelvey is doing splendid work. Something special every night in a musical way.

Every Friday evening the Junior choir holds sway.

Over a score of folks have accepted Christ thus far and the unusual thing is that men are in the majority. Mr. Payne appeals to men.

Read our ad. Remember! Mr. Payne speaks every night but Saturday. Come and get a good seat.

METHODIST CHURCH NOTES.

Our next Sabbath morning will bring us a message on "The Aim of the Lord Made Bare." The devotionals are much manifested in our people by their attendance. It's a good thing we do not allow the winter to cool this off like the inclination in the summer to melt off. This is what God wants—a devoted people.

In this way He never fails to reach our hearts. Let us keep up the glow of fire of our worship, "not fireworks"—these soon extinguish.

The choir will render the usual anthems at the services. Time, 10:30.

Our Sunday school, under its virile superintendent, is much to be thankful for. Floyd Salow is a good leader with his assistant, Floyd Lanning. Their team work is of vital interest to the kingdom, and the young life is interested in this young leadership.

Consecrated youth means a lot in a church. Time 10:30.

The evening service which is much neglected by "oncers" will be at 7:30 for the "oncers." The meditation by the pastor will be "All Men are Liars," even some preachers. If you don't believe it come and listen. Time 7:30.

Next Thursday evening our usual prayer meeting at 7:30.

The W. H. M. S. will meet at the home of Mrs. Wm. Safford to be entertained by Mrs. A. E. Elliott next Tuesday at 2:30. All the members kindly remember.

FEDERATED CHURCH SERVICES.

The federated services came to a close last Sunday evening by a strong and helpful sermon in the Methodist Episcopal Church to a large congregation by the Rev. F. P. Knowles. The choir was in full force with the assistance of Messrs. Stuart and Sullivan, basses, of the Presbyterian church.

The services are programmed by the Federal Council of Churches of America where Protestantism comes together at the opening of the new year in united services for praise and prayer. It is asked of us as far as possible to forgo any local arrangement that this may be done as it means much for Christian people of every communion.

This year has been designated as the best in attendance in Northville and the writer of this can support this statement. It has been a blessed fellowship. No Church denomination can hold itself apart and succeed in the Kingdom of God. This is creedal and is bound to fail, thus the churches of America discovering this fellowship finds also the principle of their Master's words "that they may be one." Now, we may not have "uniformity" but we can have "unity" and the latter brings blessing on any church irrespective of denominational name.

We face the year as churches to nurture what we have in the "admonition and fear of the Lord" and go out

and seek and save "that which was lost." Wm. Richards, Pastor.

OAKLAND COUNTY MAY HAVE OFFICE BUILDING.

The electors of Oakland county will be given an opportunity to vote at the approaching April election on the proposition of bonding the county in the sum of \$750,000 for the purpose of erecting and equipping a six story office building on the site of the old county jail. The present county building is inadequate to accommodate the fast growing business of the several departments of the county's business and some plan must be adopted soon. Rather than to sell the present county building the county building committee has recommended the erecting of the new office building.

TIMELESS ENERGY THAT WILL WIN THE WORLD

A man at supper with twelve other men made this request of them as he formed a new anniversary. THIS DO IN REMEMBRANCE OF ME. For nineteen hundred years that wish has been observed.

The communion service of today as administered in the churches renews the story of Christ and His death on Calvary. It recalls how He lived and worked and dealt with His fellow man.

Modern men are apt to forget the worth of their inner life. The average person feeds upon too much worthless material. Remembering the Man of Galilee at communion brings us back to the Master pattern.

Consider the burdens which men and women have to bear. Many of our loads would be unbearable if we could not come back to the simple request of Son of Man "Do this in remembrance of Me."

The Old Time Revival

Is Not A Thing of The Past

This fact is being demonstrated every night but Saturday at the Northville Baptist Church.

REV. JOE PAYNE

The Cowboy Evangelist

Has nothing new, just the old time Gospel of Jesus. He preaches the religion that was good enough for mother. The religion that shows sin in all its awfulness and the only way of escape from a hell that is the doom of all who do not serve God.

Almost every night men and women are accepting Christ as their Saviour. Not urged to come forward by personal workers, but of their own free will they surrender their lives to God.

YOUR PATRONAGE IS SOLICITED.

NOTICE

A new high-class mechanic has been engaged and is now in charge of our repair work. Stephen Armstrong is his name and he is not only an auto mechanic, but he is a high-class tool maker as well. All work entrusted to his care will be given careful attention. Mr. Theune, formerly connected with this garage, will either sell automobiles or enter some kind of lighter work than he has been doing. Bring your motor troubles here with the assurance that they will be given prompt attention.

PRIVATE CARRIERS WIN CASE

Supreme Court Rules Michigan Road Law Curbs Interstate Commerce.

Washington. A decision affecting state regulation of motor vehicle traffic over public highways has been handed down by the supreme court in a case brought by the Michigan public utilities commission and others against the Duke Cartage company. In declaring invalid sections of the Michigan law of 1923, as applied to the cartage company, which make common carriers of those engaged in motor vehicle transportation for hire over public highways, the court in affirming a decision by a lower court, held in effect that states cannot compel a private carrier by motor vehicle to engage in public traffic for hire. The effect of the law, under challenge as applied to the Duke company, the court stated, would make it a common carrier and require it to serve all to the limit of its facilities, which would be unlawful, because it would prevent the company from using its trucks exclusively to perform its private contracts and would impose a burden upon interstate commerce.

McCOY GIVEN 1 TO 10 YEAR TERM

Sentenced to San Quentin Prison For Slaying of Mrs. Theresa Mors.

Los Angeles Calif. Kid McCoy, ex-fugitive, has been sentenced to serve from one to ten years in the San Quentin penitentiary on a manslaughter conviction in connection with the slaying of Mrs. Theresa Mors. Mrs. Mors was found dead of a bullet wound in an apartment occupied by "Mr. and Mrs. Shields." Her body was discovered about 9 a. m. August 13. At about the same hour McCoy is alleged to have entered the antique shop owned by Albert A. Mors, divorced husband of Mrs. Mors, and held up several employees of the place while he waited for the appearance of Mors, whom he announced he was going to "get." The men, after handing over their money and valuables, were forced to remove shoes and trousers to prevent their escape; the women were allowed to wait unmolested.

RATE WAR OPENED BY SHIPPERS

Michigan Men Seek to Modify Zone Adjustments By I. C. C.

Washington D. C.—Oral arguments were heard last week by the interstate commerce commission in the case brought by the Michigan Traffic league against the Ann Arbor connecting roads.

The case originally was decided by the commission December 3, 1923, and required railroads to modify the zone adjustment of the Michigan rates in issue or before March 21, 1924. January 25, 1924, the railroads petitioned for a re-argument, which was granted. Supplemental hearings were held during October and November, 1924.

Ernest L. Ewing, Grand Rapids counsel for the Traffic league, in a statement declared that both the Interstate Commerce commission and the Michigan Public Utilities commission have found that the Michigan rates are unreasonable and unduly prejudicial. The league accepts these findings and is desirous of having the benefits of the orders accrue to the Michigan public without undue delay. Ewing stated.

RUHR OCCUPATION PROTESTED

Germany Claims to Have Fulfilled Terms of Versailles Treaty.

Berlin.—Germany has sent a note to the allied powers, in which it protests the failure of the allies to withdraw troops from the Cologne district. Charges contained in the note of the allies to Germany were emphatically denied.

A storm of protest has been aroused in the German press by the allied note explaining the delay in the evacuation of Cologne. The ambassador's note asserted the allies hold proof that Germany had not lived up to the Versailles treaty, but had continued the manufacture of war materials and the storage of arms and munitions in quantities far above those permitted by the treaty.

Widow of Gompers Contests Will. Washington.—The will of Samuel Gompers has been contested in District of Columbia supreme court by his widow, Mrs. Gertrude Gompers, who charged undue influence by Mr. Gompers' son, Samuel J. Gompers, or others. The will left to the widow only the minimum allowed by the law.

JANUARY 17-23
IS THRIFT WEEK

"FOR SUCCESS AND HAPPINESS" IS SLOGAN OF GREAT CIVIC CAMPAIGN.

National Thrift Week, according to plans announced by C. C. Greene, General Chairman of the Detroit Thrift Council, will be observed in Detroit and vicinity during the period of January 17th to the 23rd. This date corresponds with the time set by the National Committee for the celebration of Thrift throughout the country.

Very appropriately National Thrift Week starts on the same day as that celebrated in honor of the birthday anniversary of America's foremost apostle of Thrift—Benjamin Franklin. Thrift Week has become one of the most important of the annual national drives. Each year added interest is projected into the Thrift movement by the thinking people throughout the country, who realize the importance of prudence in the matter of individual spending.

The program for National Thrift Week, which has also been adopted for observance in Michigan, is as follows:

- January 17th—Pay Bills Day.
 - January 18th—Share With Others Day.
 - January 19th—Thrift or Bank Day.
 - January 20th—Life Insurance Day.
 - January 21st—Own Your Own Home Day.
 - January 22nd—Budget Day.
- The Thrift campaign, while sponsored by the Y. M. C. A. as a national proposition, is a great civic movement, backed by the bankers, investment houses, realtors, merchants, building and loan associations, credit organizations, churches, schools, industries, trust companies, life insurance companies, builders, civic organizations, clubs and patriotic societies. Special stress will be made on the Thrift slogan, which is: "For Success and Happiness." Contained in the slogan is the Thrift creed or the ten points to financial freedom:
- Work and Earn.
 - Record Expenditures.
 - Make a Will.
 - Own Your Own Home.
 - Pay Bills Promptly.
 - Make a Budget.
 - Have a Bank Account.
 - Carry Life Insurance.
 - Invest in Safe Securities.
 - Share With Others.

Originally "Jaws" Harp.

The name, Jew's harp, is probably a corruption of the original name of this simple musical instrument, jaws harp, so called because when it is held between the jaws. A musician named Charles Eulenstein produced remarkable effects with Jew's harps at the Royal Institute, London, on February 15, 1923.

Walled Lake Warbles.

The Walled Lake Ice Co. is harvesting a fine crop of ice from the lake.

Walled Lake boys' basketball team defeated the Plymouth boys one night last week to the tune of 14 to 11. Plymouth girls defeated the local team by a score of 18 to 14. Walled Lake boys also defeated the Pontiac Chiefs at Kego Harbor, 10 to 6.

Mrs. Ira Carnes entertained the Embroidery club at her home on Wednesday.

Harry Vreeland, Walled Lake's basketball coach, is taking a course in physical education at the Normal College at Ypsilanti.

At the present time 165 pupils are brought to the Walled Lake school each day, five busses being used to transport the children from their homes to school and return.

The second meeting of the Agricultural club was held at the High school building on Tuesday evening. Miss Muriel Dundas, of the Oakland County social service bureau, spoke on the theme "Home Economics Extension Work." Mr. Nesman discussed "Cattle Feeding" and "Pruning of Orchards" was presented by a speaker from the M. A. C. The meeting was a most interesting and enjoyable one.

Frank Grennan, who was sent to the Industrial School at Lansing for the theft of an automobile, escaped from the institution recently and was picked up by Oakland county officers last Saturday night. Tuesday morning he was returned to Lansing, being accompanied by County Agent Frank Jackson, Sheriff Schram and Deputy Sheriff Frank Grennan. The other county officers could not be spared for the day or they might have accompanied the 15-year-old lad also. Why not take a hand next time? What is the use of being so pernickious?

Wixom Whisperings.

Mr. and Mrs. Thomas Gillick spent the week-end at Rose Center.

Mrs. Mary Tuck has gone to Harper's hospital for medical treatment.

William Baum is able to be out again after an attack of the grip.

Mr. and Mrs. John Ruggles and little son of Milford spent Sunday at W. M. Chambers.

Mrs. F. A. Brass visited last week at the home of Mr. and Mrs. H. G. Roach near Walled Lake.

Mr. and Mrs. Fred Perkins of Royal Oak were guests of their aunt, Mrs. Sarah Patton last Wednesday.

The Wixom Farmers' club met on Wednesday at the parsonage with Rev. and Mrs. H. J. Thibaut. The meeting was well attended and a pleasant time reported.

The Church Helpers met at the Church parlors last Wednesday and elected the following officers for the coming year: President, Mrs. H. J. Thibaut, vice president, Mrs. Wagnitz, secretary, Mrs. Bert Parker; treasurer, Miss Maude Patton.

WATERFORD CHAT.

D. L. Denbie of Detroit has bought the grocery stock of E. C. Dickerson and moved in last week.

Mrs. Arthur Green's sister from Detroit spent New Year's day with her.

Mr. and Mrs. Arthur Gots have returned from Hastings, where they spent two weeks with the late's parents.

Joseph Eckles is moving into the Harbor place.

Mr. Grennan has purchased the William Smith farm on Salem road, one mile west of Plymouth and also the farm adjoining.

Heat has been turned on at the Ford factory and a big force of men are painting the inside.

Mr. and Mrs. Percy H. Gray motored out from Detroit and took Sunday dinner with Mr. and Mrs. McKerragher at their home, "Cherry Heights."

YOUR INCOME TAX

Your income tax for the year 1924 is less, in proportion to your income, than was the tax for 1923. A rate reduction, however, is not the only benefit afforded by the revenue act of 1924. Increase in the exemption for married persons, a 25% reduction in "earned income," and other changes in revenue regulations are of immediate interest to every taxpayer.

The revenue act of 1924 requires that returns be filed by every single person whose net income for 1924 was \$1,000 or more, or whose gross income was \$5,000 or more, and by every married couple whose aggregate net income was \$2,500 or more, or whose aggregate gross income was \$5,000 or more. Last year returns were required of married couples whose aggregate net income was \$2,000 or more. Husband and wife, living together, may include the income of each in a single joint return, or each may file a separate return showing the income of each. Net income is gross income less certain specified deductions for business, losses, bad debts, contributions, etc.

The period for filing returns is from January 1 to March 15, 1925. The return, accompanied by at least one-fourth of the amount of tax due, must be filed with the collector of internal revenue for the district in which the taxpayer has his legal residence or has his principal place of business.

PRESIDENT MAKES CABINET CHANGES

HUGHES RESIGNS PORTFOLIO OF STATE TO ENGAGE IN LAW PRACTICE

KELLOGG IS NAMED SUCCESSOR

Coolidge Appoints Charles B. Warren As Attorney-General To Fill Legal Vacancy.

Washington—Two changes of major importance in the Cabinet were announced last week at the White House.

Charles Evans Hughes has resigned as Secretary of State and will be succeeded March 4 by Frank B. Kellogg, of Minnesota, now ambassador to Great Britain.

Charles Beecher Warren, of Detroit, was appointed by President Coolidge to be Attorney-General, to succeed William F. Stone, who was recently appointed an associate justice of the Supreme Court.

Both appointments are subject to confirmation by the Senate. The news of Mr. Hughes' withdrawal from the Cabinet just at this time surprised the capital. It had been understood for some months that he desired to recoup his personal fortunes by again engaging in the practice of law. But recently his friends had said he probably would remain for at least another year in the official family of President Coolidge.

Mr. Hughes' resignation was announced a few hours after he had left Washington for Atlanta, to attend a meeting of the executive committee of the American Bar association of which he is president. He expects to resume the practice of law in New York in his old firm of Hughes, Rounds, Sherman and Dwight.

Mr. Kellogg, who will succeed him, also is a lawyer of outstanding prominence. Before he became ambassador to Great Britain late in 1923 he was a senator from Minnesota, and in that capacity was one of those Republicans who favored ratification of the League of Nations with reservations less sweeping than the Lodge reservations.

As ambassador Mr. Kellogg has represented the United States in several difficult post-war negotiations. He now is in Paris, acting with Ambassador Herrick for the United States at the conference of Allied finance ministers.

Warren long has been prominent in Republican politics. President Harding appointed him to the ambassadorship at Tokio. Warren filled that post with what administration officials considered tact and ability. As ambassador Warren had a direct part in the negotiations leading up to the Washington arms conference.

When Japanese-American relations became quiet he acted to be regarded President Coolidge last winter selected him as one of the two commissioners to Mexico which resulted in the resumption of friendly relations between the United States and Mexico.

CHICAGO "LOOP" HIT BY BLAZE

Congress Hotel Guests Forced To Flee By Adjoining Fire

Chicago—Eight hundred guests in the exclusive Congress hotel fled to the streets, many in night attire last Sunday, when fire destroyed an adjoining building, with damage estimated at \$1,000,000.

Twelve firemen were overcome as the fire swept through the six-story William H. Hoops building, adjoining the Congress. After the blaze was controlled guests were permitted to return to the hotel.

Valuable antiques were destroyed. No damage was done to the hotel, but guests whose windows faced on the fire found smoke pouring in. Crowds filled the lobbies. The blaze was declared to be the worst of the winter here.

When it seemed that the blaze was getting out of control, fire companies were rushed from all parts of the "loop" until 25 engines were pouring water upon the building.

It was not until the ice-sheeted building had been deluged with water for five hours that the fire was extinguished.

BOMB WRECKS HALL OF JUSTICE

San Francisco Police Periled When Blast Rips Hole in Wall

San Francisco—The main entrance of the Hall of Justice here was wrecked last Sunday by a bomb, which exploded as a number of police officers were walking through the corridor.

No one was injured, although the force of the explosion scattered pieces of iron, wood and other missiles around the corridor. Several persons had walked past the place where the bomb was placed, about 25 feet from the door of Police Chief Daniel J. O'Brien's office.

The force of the blast tore a hole through police headquarters, demolished a telephone booth, shattered all glass in the corridor and wrecked a square radiator.

We Kept Faith With Our Patrons

At the beginning of 1924 we announced that we had made just one resolution, and that was "To supply only the best Furniture and Funeral Merchandise with the best Service we know how to give," and as we look back over the accomplishments of the old year we can truly say we have kept faith with our patrons.

The year's business was the largest in the history of this store, and in spite of that splendid record we have decided to make 1925 exceed the past year.

We believe this can be done with your co-operation. Our splendid business has been built upon the plan of offering good dependable goods and rendering prompt and efficient service. We shall continue this policy and we shall also be able to show a larger and more varied assortment in all the lines that go to make up our very complete stock of Home Furnishings.

When you think of Furniture or Floor Coverings we ask you to think of this well stocked store, and to put your thoughts into action and pay us a visit. We are always glad to show you through the store—because we are proud of our establishment—proud of the quality of the goods we are able to show you. A cordial welcome awaits you here at all times.

A PLEASANT SURPRISE WITH A NEW YEAR'S PROGRAM.

The members of Ladies Aid of the Methodist church were entertained at the home of Mrs. E. H. Partridge last Tuesday. The president, Mrs. F. S. Neal, under whose leadership the Aid has prospered for the past six years presided.

Plans were made for the present year with committees all arranged for the work of the church under the leadership of Mesdames Taska, Stark, Holcomb, Tibbals, Partridge, Van Valkenburg, Hills and Dolph.

The work of the church has been reviewed and while it is a privilege for anyone to work for its spiritual uplift in consecrating their time and means, yet from a human standpoint thanks are due to those who have helped to sustain the church in our midst. Never in the history of the local church has a statement gone out to its members with freedom of debt and a small balance in the treasury. The Ladies Aid has been a strong asset in the local cause. The property has been kept in fine repair. Recently the parsonage has been renovated all through its basement with new cement work. A laundry with all modern conveniences established, including an extra lavatory in the church this week is being installed a men's lavatory in the basement with a splendid little room and a new stairway leading to it. Up stairs next to the primary room is a ladies' rest room with all modern conveniences. The ladies are to be congratulated on this work.

After the usual business Mrs. Richards who was on the entertainment program, amused the company with charade and problems.

The pleasantest feature of all was the presentation of an electric lamp by Rev. Wm. Richards who spoke highly of Mrs. F. S. Neal's administrative ability and interest in the church. Mrs. Neal graciously responded and accepted the gift as a complete surprise, from the Ladies Aid. The hostess, Mrs. E. H. Partridge with her committee, then provided refreshments for over thirty ladies present, and a profitable afternoon came to a close at five in the evening.

NORTHVILLE SCHOOL NOTES

The pupils who were housed in the portable building are being taken care of in the best possible manner under the circumstances. A room in the basement has been fitted up and by giving the eighth grade room to the fourth and fifth grades we are managing to get along until the South end of the portable is ready for use. At present the eighth grade is housed in the assembly room and recite at class time in whatever room is vacant.

Our school cafeteria project is making most excellent progress under the direction of Miss Helen Stirling, instructor in domestic science. About eighty pupils are being cared for each day and served with a high grade noon-day lunch for but a few cents. As our aim is service to the boys and girls that otherwise would have to eat cold lunches everything is sold at cost. The following will give some idea of what our lunches consist and the prices: Soup 5c; milk 3c; bread and butter 2c; Lettuce sandwich 5c, cocoa 3c, cream potatoes 5c, escalloped corn 5c, combination of meat loaf, peas, and cream potatoes for 15c; fruit jello 5c; cookies 5c, potato salad 5c. Not all of the above is served each day but enough so that a very satisfactory lunch can be obtained. The room has been thoroughly overhauled, new floor installed, direct lighting units, marble top service counter, and enough chairs and tables to accommodate 88 pupils at one time. The Board of Education are proud of this department and we invite your inspection and approval at anytime.

All children that will be five years of age on or before February 1st, will be admitted to the Kindergarten, at the beginning of the next term, Jan. 26th. A new class will be started at this time and children will not be admitted later except by transfer or special arrangement with the Supt.

The scholarship honor roll for the eighth grade for the month of December is as follows, Gladys Ludwig, Catherine Litsenberger, Marjorie Johnson, Hazel Hacking, Tedd Watts and Arthur Stoner.

Semester exams begin next Tuesday and continue thru the week.

The Seniors will have a bake sale at the Palace Market on Saturday of next week, the 24th. Any assistance will be appreciated.

LOCAL.

A good crowd was present at the Pastime Club's dance on Tuesday evening.

Mrs. H. W. Franklin, in company with Mrs. Thomas Hamilton of Detroit, left Thursday for a short trip to Kentucky.

Arthur G. Hall for many years registrar of the University of Michigan, died at his home in Ann Arbor Saturday after a long illness.

Messrs. A. A. Hall, W. Serman, Ted Winslow and W. H. Babcock of Mil-

ford attended the Exchange club meeting here on Wednesday.

The annual meeting of the Michigan Affiliated Exchange clubs will be held at Lansing on Monday, January 26th. The Northville Exchange club will be represented by a number of members.

Mrs. Sam Wilkinson returned to her home on Tuesday after having been confined to the hospital for a period of fourteen weeks. She is able to get about the house, a little with assistance.

Mrs. Wilkinson was thrown to the pavement on the Seven Mile road last fall by a passing auto and sustained a fracture of the hip.

The newly elected officers of the W. R. C. were duly installed on Wednesday evening, Mrs. Maude Parraunter of Detroit, past president, officiating as installing officer and Mrs. Lester Cook acted as conductress. At six o'clock the members of the Corps Legion members and a few guests partook of a bountiful dinner, served as only the women of the Corps can. The tables were brilliant and the menu consisted of all the good things of the season. Just preceding the dinner a "shadow" was cast over the merry company when the fuse controlling the lights was "blown out" and it is said that a court of inquiry will soon be called to determine which one of the three gentlemen present was the cause of the "darkness."

WIXOM WHISPERS.

Mr. and Mrs. Charles Harmon had a large New Year's party. Among the guests were Mrs. F. E. Quigley of Puente, Cal., Miss Frances Smith of Santa Cruz, Cal., Mr. and Mrs. Wethy of Detroit, Miss Sybil Smith of Pontiac, Mr. and Mrs. L. A. Carnes, Mr. and Mrs. Beckman and Mr. and Mrs. H. J. Smith of Walled Lake.

The pity of it all: Detroit newspapers told us that the citizens of that city spent more than a million and a half dollars for New Year's eats and drinks and they also relate how a man out of work and unable to secure assistance was killed one night last week while caught stealing some coal to prevent his family from freezing. It is a long way from the Book-Cadillac Hotel, with its bright lights and booze, to the Michigan Central railway yard where this unfortunate man was shot, and it is a mighty hard road to travel.

With so many undesirables coming into this country from all parts of the world as fast as the immigration quota will permit it seems very cruel to deprive little Mary Go, who had gone to Canada to spend part of her holiday vacation with relatives, the privilege of returning to the home of her parents at Battle Creek. Mary was born in Macedonia and her parents brought her to America several years ago, settling in Battle Creek where her father is engaged in business. This procedure may be just strictly according to law, but it is a mighty unfair way to treat a little girl.
