A GREAT CROWD SAW SKIERS JUMP

Northville's Ski Tournament Attracted People From Near and Far—Streets Congested With Autos.

Harold M. George, Detroit News.
Anders Haugen, of the Minneapolis Ski Club, captain of the United States Olympic team to France, won the Detroit Ski Club's second annual tournament at Northville Sunday, with a total of 251½ points. He made jumps of 112 and 111 feet, and then captured the long standing jump by clearing 115 feet. Haugen came within a foot of equalling last year's record in spite of a slow slide, caused by a thaw on Saturday.

Henry Hall, of Detroit, world champion jumper, finished second in the regular event with jumps of 113 and 106 feet and Frank Jorvinen, of Detroit, was third with two jumps of 109 feet each. Jorvinen was second in the long standing jump and Hall third. The riding of Jorvinen, an unheralded member of the Detroit Club, was one of the surprises of the tournament. His two jumps totaled only one foot less than Hall's and five feet less than Haugen's, but his form was not quite equal to the stars' and he lost several points on that account. His long standing jump of 113 feet, however, was second best of the day and placed him ahead of Hall in that event.

The most graceful rider of the day was a Class B entrant—Erling Eide, of the Norge Ski Club, Chicago. Eide was awarded 36 points out of a possible 40 for character, but the shortness of his jumps, 81 and 85 feet, put him third among the youngsters. First place in Class B went to George Hall, of Detroit, and second to Heinrich Lundh, of Grand Beach, Mich.

Lars Haugen, Andres' brother, who finished second to Henry Hall in the Northville meet last year, was injured in a Chicago tournament Saturday and could not compete here.

Carl Hall, of Detroit, fell on his first jump and lost 30 points, which would have put him in sixth instead of ninth place. Charles Herwiss, University of Michigan, entrant, was kept out of second place in Class B by a fall in his second jump, and Edgar Johnson, of Detroit, lost third place also by a fall on his second ride.

Approximately 5,000 persons watched the ski riders Sunday. It was the biggest crowd that ever attended a winter sports event in Michigan when an entrance fee was charged and was surpassed only by the Belle Isle skating carnival, where the public was admitted free. The roads into Northville, from Detroit, were so congested that scores of motorists parked their cars two miles from the slide.

The point score and distances made in the first and second jumps for each skier were:

Northville people will not soon forget the second annual ski tournament, and especially will those who tried to direct the crowds recall Sunday, February 1st, 1925. To state that a great crowd of people were attracted here for the meet is merely touching the high spots. People came in droves and flocks from far and near and the village streets and the highways leading into town were so congested that traffic could scarcely move. The seven mile road was blocked from Plymouth road to the Farmington-Wayne pavement. Detroit people who motored out to enjoy the sport were four hours in making the journey. The Plymouth road was also packed with cars trying to get through, while Main, Cady and Church streets were completely blocked at

NEW ADDITION AT EASTLAWN NOW OCCUPIED.

On January 21st, Eastlawn Sanatorium put into use its new \$15,000 addition. In the spring of 1923 Eastlawn was moved from its Detroit site to the Scotten estate. At that time accommodations were offered for twenty-five patients. The capacity has gradually increased until at this time fifty patients suffering from incipient and moderately advanced tuberculosis are cared for.

The new addition will accommodate twenty-five additional patients, giving a total capacity of seventy-five. It might be added that Eastlawn is the largest private tuberculosis sanatorium in Michigan or within a radius of three hundred and fifty miles.

There will be placed in these new quarters a modern operating room to care for all of the surgical needs of the patients. A modern laboratory, dental office, and an eye, ear, nose, and throat clinic are also provided for.

Dr. A. B. Wickham, the founder of Eastlawn, and its present president, cared for all of the institution's responsibilities until recently when an association was formed with Dr. A. S. Brunk, who was for twelve years medical superintendent of the Montrose Sanatorium, LaJunta, Colorado, and later chief surgeon of the Santa Fe General hospital of the same place. Howard B. Day, formerly regional manager of the U. S. Veterans' bureau, has been appointed superintendent of the sanatorium, while Miss Mildred Leitch, formerly head nurse of the Montrose Sanatorium of Colorado has been appointed head nurse.

Patients come to Eastlawn from various points in Michigan and from several different states. Many are taking treatment in Northville, who, prior to the establishing of a private sanatorium in this section, were taking treatment in the southwest and west. Considerable confusion exists in the minds of local people as to the purpose and work done by the two Sanatoriums located here. The Detroit Municipal Sanatorium, for some months known as Springs Hills Sanatorium, located on the fishery road, cares for only Detroit municipal cases and always carries a large waiting list. Eastlawn cares only for private cases.

While working along different lines the closest cooperation exists between the two institutions, and both of these are a credit to this community and to those who are directing their activities.

REAL ESTATE MOVING FAST.

During the past week C. R. Horton has sold his property next to Huff's hardware on North Center street to Floyd Shafer and purchased the interests of Messrs. Balden, Smith and Lovewell in the Lovewell block. Then he sold the Lovewell block to W. H. Elliott & Son.

Other deals in the business section are pending and may be closed any day.

W. R. C. NOTES.

The next regular meeting of A. W. Harmon Woman's Relief Corps will be held on February 11th; meeting to be called to order at 6:30, on the account of Legion play. Mrs. Watts will have a short program for McKinley's birthday.

The grab bag was postponed last meeting so will have it on February 25th, the last meeting in February.

R. H. Baker left the first of the week for Alabama, where he will spend a week or two looking after business interests.

Times The ice on the village streets had a good deal to do with the conditions here but the fact that the drivers of a great many cars would not drive where they were directed by the Northville men who were trying their best to straighten things out contributed largely to the congested condition of traffic.

It was a happy, good natured crowd, however, and no accidents occurred to mar the pleasure of the afternoon. People rushed the gates at the fair grounds and speeded across lots so fast that the ticket sellers could not reach more than half of them. Frank J. Boyle officiated as announcer and his voice carried well out over the great throng.

Local restaurants and eating houses were practically "eaten out" as hundreds rushed up town after the meet. No one was to blame for the confusion or the congested streets, because Northville people were not looking for such a crowd. Another year plans will be made in advance for handling the crowds and for the accommodation of those who come from a distance to witness the event.

To The Public:

Owing to illness I have decided to retire from the hardware business and I have sold the stock and business to Walter Ware, who has been a faithful employee of the store for a number of years past. I bespeak for Mr. Ware the same liberal patronage and courteous treatment that has been accorded me all these years.

It is with feelings of deep regret that I am compelled to take this action, and in turning over the business to Mr. Ware I desire to express my sincere thanks to all the old friends and customers for all past favors, for their courtesy and their kind consideration.

Yours very truly,

JAMES A. HUFF.

I desire to announce to the people of this community, and especially to all old friends and customers of this store, that I have purchased the stock and business from Mr. Huff and will continue the same. I shall appreciate the patronage of the public and will endeavor to merit the good will of all.

New Spring goods will soon begin to arrive and I shall be glad of the opportunity to serve you with anything you may need in Hardware and Paints.

Very truly yours,

WALTER WARE.

OFFICERS WRECK GREENFIELD STILL.

County and township police officers raided a place at Phlox and Burwood avenues in Greenfield township Thursday afternoon, and found the most complete still ever discovered by them. There was a 50-gallon outfit, built into the structure with every convenience for the manufacture of hard liquor. The building was of concrete blocks, had an armory plate. Eleven hundred gallons of moonshine, 5 gallons of moonshine and the still were confiscated. The officers wrecked the place and the outfit. No one was "at home" when the officers arrived. A "John Doe" warrant was recommended by the prosecuting attorney. —Redford Record.

PLYMOUTH MAN KILLED BY TRAIN

Allen Greer, 40 years old, a farmer who lived near Plymouth, was killed instantly, and Sylvester Deeper, 38 years old, a neighbor, was so badly injured that he is not expected to recover when an automobile in which they were riding was struck by a west-bound Wabash passenger train at French Landing last Friday night. Deeper is in the Wayne County Infirmary at Elmore. He is injured internally.

Eye witnesses of the accident said that the automobile slowed almost to a stop beside the tracks and then leaped ahead in front of the train. Officers believe that the driver of the machine may have turned on the gas instead of applying the brake.

FORMER WASHTENAW COUNTY SHERIFF DIED SUDDENLY

William Walsh, former sheriff of Washtenaw county and former chief of police of Ann Arbor, died suddenly of heart disease at his home in Ann Arbor last Friday.

Walsh, who was a son of the late Mr. and Mrs. Patrick Walsh, was born in Northfield township January 20th, 1845.

He was the last sheriff to have an office in the old county jail and the first in the building erected about 40 years ago, which building still is used by county officers.

Walsh served as sheriff from 1885 to 1889. He also was a private in Custer's brigade, Seventh regiment, Michigan Cavalry, during the Civil war.

MICHIGAN LEADS STATE UNIVERSITIES IN VALUE OF EQUIPMENT

Recent compilations of figures by the statistics division of the bureau of education at Washington puts the University of Michigan in the lead over all other state universities and state colleges in the value of libraries, scientific apparatus, machinery and furniture. The figures show that in June Michigan possessed such equipment valued at \$5,013,158.

Michigan rated second only to the University of California in the value of its buildings, the western university structures being valued at \$10,795,510. The value of the buildings of the University of Michigan was placed at \$9,396,055. In the number of volumes in the library, Michigan ranks third with 570,000. Cornell leads with 632,000 volumes and the University of California was second with 590,000.

Measuring Light's Speed

The speed of light was measured first by timing the eclipses of Jupiter's moons, light takes about 16 1/4 minutes to cross the earth's orbit, so when the earth is on the side of its orbit away from Jupiter the eclipses will seem to occur at 16 1/2 minutes late. Several other methods of measuring the velocity of light have been worked out.

Marvelous Memory

Two little cousins, Jennie and Kate, were disputing about which was the older of the two, when Jennie settled the argument by exclaiming: "Why, Katie, I just know I'm older than you, 'cause I remember standing in your house when you were born." —Boston Transcript.

NEWS FROM THE STATE CAPITAL

Gov. Groesbeck Makes Two-Cent Gas Tax Measure a Law.

Lansing—The bill, levying a two-cent tax on gasoline, has been signed by Governor Alex J. Groesbeck, making it a law. The measure aims to make the populous centers bear the burden of cost of roads in their home district.

While collection forms have been devised, and Secretary of State Charles J. De Land has conferred with oil company representatives, all of the details of the collection plan have not been worked out and at least a week or two is anticipated as necessary before autoists are compelled to pay two cents more for each gallon put in the tanks of their cars.

It is estimated that the state will realize between \$5,000,000 and \$9,000,000 annual revenue from the levy.

Weight Tax Bill Is Law.

The state government has begun collection of the \$23,000,000 which the legislature has declared to be the proper sum to finance the state's annual road building program, after the new weight law was signed by Gov. Alex J. Groesbeck.

The secretary of state's branch offices in Detroit, Grand Rapids, Lansing and other cities in the southern part of the state are thrown open for the issuance of licenses under the new weight tax schedule.

The new style of application blanks have not yet been received from the printers, but Secretary of State De Land decided to begin issuing licenses on the old blanks rather than delay collection another day.

Would Fix Potato Grades.

Potato grading regulations now laid down by the state department of agriculture would be enacted into law according to the terms of a bill introduced in the legislature by Senator George Leland of Farmville. The purpose is to define standard grades of potatoes, regulate their packing and sale, provide for inspection and penalties for violation. The grades are the same as those approved by the United States Department of Agriculture.

To Regulate Bar Association.

A bill which would make all attorneys practicing law in good standing in the state and all others later admitted, officials of the supreme court and lower state courts, and providing regulations for the organization of the State Bar association under new rules, was introduced by Senator Condon. The bill would give the State Bar association the power of a governmental agency with the right to contract, sue and be sued in court.

Highway Upkeep Charges

A bill introduced by Rep. Ate Dykstra of Grand Rapids, would require the state to pay maintenance charges on portions of state trunk lines within corporate limits of cities. It would limit the proposed state's contribution of the fraction of the city maintenance costs incurred by keeping up concrete or gravel streets of the same width as trunk lines outside the limits.

Favor Municipal Area Plan.

Probable passage of the metropolitan area constitutional amendment was indicated by a discussion of the bill before the senate committee on towns and cities by representatives of several state municipalities.

The committee is not expected to take action until next week.

Senate Acts On Marriage Bill.

Senator George M. Condon's bill requiring the presentation of birth certificates or affidavits of the parents setting forth the age of parties under the age of 21 years desiring to marry, passed the senate by a vote of 21 to 8 and was passed on to the house.

To Prevent Hasty Marriages.

Frank P. Darin of River Rouge would prevent hasty and other undesirable marriages by requiring license applications to be posted seven days before issuance of licenses by the county clerk. A bill to this effect was introduced in the house.

Supply Measure Passed.

Washington—The house has disposed of another major appropriation bill by passing the supply bill for the state, justice, commerce and labor departments, carrying a total appropriation of approximately \$71,600,000.

Would Permit Credit Unions.

Rep. George C. Watson of Capac, has introduced a bill to permit the organization of credit unions. A similar bill passed the House and died in Senate committee in 1923.

House-Cleaning Commended.

The only woman member of the legislature diverted the attention of the assembly to house cleaning. While the House was awaiting the appearance of the Atwood Two-cent Gasoline Bill, Mrs. Cora Reynolds Anderson, offered a resolution commending Charles S. Pierce, clerk, and Dennis Haig, janitor, for redecorating and cleaning the House assembly hall. She stated that no one else seemed to appreciate the house cleaning. Her resolution was adopted.

Gasoline Tax In Effect

The Michigan State Legislature has passed the gasoline tax law and has made it effective immediately.

As required by that law this Company will, beginning February 1, 1925, collect the Michigan tax of two cents per gallon on all gasoline sales made by it at service stations or through tank wagons.

From Manager Albert Hall, of the Milford Home-Telephone Co., it is learned that arrangements have been made for the merger of the Highland Telephone Co. with the Milford company, and that as soon as the necessary changes can be effected, the Highland exchange will be discontinued and the Highland subscribers will become a part of the Milford exchange. It is understood that the change will be effective as of February 1 and that until the cable to Highland can be built, the Highland exchange will continue to be operated under Milford management after that date.

The names of the hundred Highland subscribers will appear in the new directory soon to be published. Milford Times

FARM FOLK GATHERED AT M. A. C. FARM WEEK.

Agricultural interests of Michigan are gathering at East Lansing this week, more than 30 different farm groups holding meetings and hundreds of other rural folk attending the general sessions of the big Farmers' Week conference.

No estimate of the attendance figures were available yet in the middle of the week, but college authorities estimate that the 5,000 mark of recent years will be equaled or passed with good weather.

Agricultural exhibits and nationally known speakers of the general programs compete with each other for chief interest among the visitors. Women are holding a conference of their own, the Homemakers' section, with their own exhibits and meetings.

TO CONSIDER COUNTY JAIL PROPOSITION.

A committee representing the Wayne county board of supervisors consisting of Councilmen John Stevenson, John C. Nagel and Robert Ewald, Supervisor William H. Yerkes of Northville and Supervisor Lyander Vesper of Springwells, has been appointed to accept the recommendation of the Board of County Auditors that the proposition of buying a site for the new county jail be given up temporarily because of the difficulty entailed in getting a fair price. The committee will present a bill to the legislature giving counties the right to condemn land for public purposes.

In its report the board of county auditors stated that the present jail was badly overcrowded; that segregation was impossible, that although the building was designed for 180 inmates the average quota of prisoners is 390 and has been as high as 519; and that frequently prisoners are forced to sleep on the floor because bedding facilities are limited.

Two different plans are under consideration for the prospective new jail. One plan entails a structure costing \$1,500,000 and containing 547 cells. The second provides for the erection of a \$3,000,000 building that will contain 1,500 cells. Neither has been specifically adopted.

The proposition of providing pensions not to exceed \$900 for men who have spent 25 years in the service of the county, or who have reached the age of 70 after spending 15 years in service, may be placed on the April ballot, it was decided. A resolution to that effect will be forwarded to the Board of Supervisors at their next meeting February 11th.

Mrs. Eliza Lanning, for many years a resident of this village, died at the home of her daughter, Mrs. H. B. Rose at Brighton, on Friday, January 31st at the age of 85 years.

The 1900 dancing club had a delightful time at their opening party at the library hall Monday night. The parties will be continued on every Monday evening for some time.

Mr. Joe Brachykowski of Detroit was united in marriage here yesterday afternoon to Miss Addie Holington, also of that city. The ceremony took place at the home of the bride's sister, Mrs. T. B. Henry.

BAPTIST MINISTERS' MEETING AT NOVI.

A special conference of the ministers of the Wayne Baptists association was held at the Novi Baptist church Monday forenoon, and afternoon of this week. There was a fair attendance and a good program was given dealing with the general theme of the minister and his work. J. C. Clasper of Rochester, discussed the "Call and Ordination of the Minister."

"The Equipment of the Minister: Physical, Mental and Spiritual," was the theme of Rev. H. H. Savage, pastor of the First Baptist church of Pontiac. Rev. A. K. MacKinnon of Northville, dealt with the subject of the "Dress and Conduct of the Minister." H. W. Ambrose of Howell, discussed the theme, "The Minister's Study and Prayer Life." "The Prayer Service" was discussed by Rev. C. L. Kenagy of the Bethany Baptist church of Pontiac. Rev. J. F. Goodman of Brighton, dealt with the subject of "The Conduct of the Church Services."

The subject of "The Minister's Salary" was discussed by George Sutton of Pontiac.

Dinner was served by the ladies of the Novi Baptist church.

NOVI SCHOOL NOTES.

At the last regular meeting of the school citizenship league the following officers were elected: President, Mildred Hammond, secretary, Helen Fischer; treasurer, Edwin Putnam; reporter, Gertrude Schwartz; librarian, Arthur Hicks.

The January language champions are: Third grade, Norine Erwin; Fourth grade, Jean Gaffney and Olive Holmes; Fifth grade, Marian Erwin; Sixth grade, Marian Shinn; Eighth grade, Dorothy Vogt.

The regular meeting of the Novi Parent Teachers' association will be held at the town hall on Wednesday evening, February 11th, at 8:00 o'clock. A Lincoln-Washington birthday program will be given by the school. Everybody welcome. Come and help make the meeting a big success.

Remember our zone meeting on February 21st. Let our slogan be "Everyone Out."

Marguerite Foley has returned to school after a week's illness.

Esther Fischer and Charles Banks won the spelling prizes given by Mrs. Smith and Mr. Hill.

PRESBYTERIAN CHURCH NOTES.

Have you marked your calendar for the men's banquet February 19th, at 6:30 p. m.?

Sunday morning at 10:30, the topic will be "The Commander of the Faithful."

There will be two new classes formed Sunday in the Sunday school out of the young peoples' class—one for men and one for women.

Sunday evening at 7:30 second of the series on "Things Supreme"—"The Supreme Obligation."

The Westminster Guild will entertain the Woman's Union next Thursday evening, with the pageant, "Thanksgiving Ann."

The Westminster Guild will meet with Mrs. D. B. Bunn on Monday evening next, Mrs. Lilian Hills assisting.

ST. PAUL'S EPISCOPAL CHURCH.

Services next Sunday in English. Theme of sermon, "How to Depart in Peace."

Tonight monthly meeting of Young Peoples' society. All members are requested to attend the meeting.

Next Thursday afternoon the Ladies' aid meets at Mrs. Hoffman's on River street. A full attendance is expected as the annual election of officers will take place.

The bazaar party and box social was well patronized, and the sale of lunch boxes was very satisfactory, due partly to the able auctioneering of the venerable Dr. Schuyler. After the lunch several games were indulged in and everybody had a good time.

Miss Bertha Schuyler, sister of Mrs. Eissfeldt, after spending five weeks with Rev. and Mrs. Eissfeldt, has returned to her home in St. Louis, Mo.

Mrs. Emily Teschke, of Base Lane road and Mrs. Zeilman have been suffering with grip, but are gradually recovering.

Ed Balko, after having undergone an operation, has returned home.

BAPTIST CHURCH NOTES.

Every young person should be interested in Christian work. One of the best places for a young person to enter Christian work is a church of young peoples' society. Our meetings every Sunday evening at 6:30. The meetings are conducted by young people and young people attend.

Our prayer meetings have outgrown their regular meeting room and now are being held in the main room of the church. At least, they have been the past two Thursdays. Let's keep it up. We believe the success of our revival was largely due to our prayer meetings. There is nothing dull about our prayer meetings.

There was a drop of eight in Sunday school attendance last Sunday. One hundred were present. Let's go over the top again next Sunday.

A men's class has been organized in our Sunday school. The following officers were elected: B. E. Warner, president; W. E. Bundy, vice-president; Elsworth Cramer, secretary; treasurer—The pastor is teacher. All men are invited to attend this class.

Last week we reported that forty-two expressed a desire to unite with the Baptist church. We should have said fifty-two.

Eight new members received the right hand of fellowship last Sunday morning. This makes a total of forty-eight so far and others are waiting baptism.

METHODIST CHURCH NOTES.

The services of this church are at 10:30 in the morning and at 7:30 in the evening. Sabbath school for all at 12—noon.

A Spiritual View Point.

Make a path and others will follow you.

A broken heart is always healed by kind words.

The person without direction is the one who needs correction.

It is easier to wear the yoke of Christ than it is the cross of life.

Many a man misses the point of the sermon by looking at his watch.

Many a man being a gouter, wonders why the world does not like him.

The way of a saint is that of a servant.

The self-starter reduces the number of cranks.

The devil is like a cat—he can sleep with his eyes open.

Grumbling was never known to be a Christian virtue.

The prayerless Christian is always the cheerless Christian.

Many a man's creed is like a narrow bed and a short blanket.

When a preacher becomes a teacher, the pulpit is lowered to the level of the desk.

When a preacher comes to see the evil in a community instead of the good, the devil has him on the hip.

Mid-week services Thursdays at 7:30.

The Methodist Ladies' aid will meet on Tuesday afternoon next at 2:00 at the home of Mrs. G. E. Richardson for a social time.

A group of eleven ladies called on Mrs. Charles Sowles and family on Saturday evening to bid them farewell and wish them much success in their new home at 7647 Sylvester, Detroit.

THE FATHER AND SON

BANQUET FEBRUARY 12

Next Thursday night, the 12th, has been selected as the date for the annual father and son banquet, which will take place at the High school gym as on former years. Prof. M. S. Pittman of the Normal College, Ypsilanti, has been engaged as speaker and he will bring a message all will enjoy.

There will be musical numbers and the program from first to last will be one of unusual enjoyment. The Seniors will serve the banquet and the tickets will cost \$1.25 for two—all men attending must be accompanied with their own son or their neighbor's boy.

The banquet will be served at 7:00 sharp and the guests will gather in the auditorium. Everybody is requested to be on hand not later than 6:45, so there will be no confusion when the merry company of men and boys marches to the banquet room.

Get your tickets early—the ticket committee must know by Tuesday night just how many to provide for. The time is short, owing to the fact that the speaker could not be engaged until yesterday, but if all will cooperate the affair can be a bigger and a happier gathering than we have ever had.

A LIFE SIZE PORTRAIT OF A GREAT MAN

You see it in vivid outline as you read the conversation of Jesus with His disciples and His great prayer on the night of the betrayal.

That prayer was for the glory of the God ideal—for His friends—the disciples—for a union of hearts the world over and age long.

What a discovery for men and women when they learn the wonders of prayer. This great force is not used enough.

Prayer takes one away from human weakness to divine strength. Away from littleness to the generous. Away from ignorance to wisdom.

In the vast house of God are many rooms—many resting places—Jesus is there interceding for the children of men—preparing a place for the faithful and true.

Trusted God and preserved the unity of a nation. He expressed his belief in God as the only source from which he could gather strength to bear the tremendous burdens of those trying days—in these words: "I have been driven many times to my knees by overwhelming conviction that I had no where else to go."

God used one man and freed a race. He can use you if you will let Him.

New Auto Paint Shop

"Save the Surface and You Save All."

I have opened an Automobile Paint Shop in one of the Stimpson-Scale Company's buildings and am prepared to do all kinds of auto painting, using the celebrated Gun Cotton Lacquer finish. This finish is now being used on nearly all factory-painted jobs and we have equipped our shop so we can do a first-class job. Unlike varnish the appearance of Lacquer improves with age. We will do all kinds of re-finishing and varnishing.

When we refinish your car it is as good as a factory job. Only the best grades of paints are used and they are correctly applied. An estimate on your car gladly furnished.

WHY NOT TRY A 25c LINER IN THE RECORD?

FORBES FOUND GUILTY OF CONSPIRACY TO DEFRAUD

CHARLES R. FORBES

Chicago—The Federal Jury, which reviewed the administration of the United States Veterans' Bureau under former Director Charles R. Forbes, convicted Forbes and John W. Thompson, wealthy St. Louis contractor, of conspiracy to defraud the Government in the allocation of veterans' hospital contracts.

Pending hearing on the defense motions for a new trial, Federal Judge George A. Carpenter reserved sentence. The maximum penalty for the offense is two years imprisonment or \$10,000 fine, or both.

Child Labor Amendment Lost

Chicago—Barring possible reconsideration, the child labor amendment to the constitution has been defeated, the proposal having been defeated in either one or both houses of the legislatures or by a referendum in 13 states. Under the constitution the amendment would have to be ratified by three-fourths of the 48 states, so that an adverse vote in 13 states would make this impossible.

Fireman Frozen in Ice

Montreal—A block of ice, inside of which was Fire Lieutenant Desjardins alive, but with both feet frozen, was hewn from the ruins of a \$1,000,000 fire here after the firemen had been imprisoned for six hours. He was able to talk, although the ice cake encased him nearly completely. Five others of the 400 firemen fighting the blaze in weather 17 below zero were injured.

Greeks Demand Vengeance

Athens—Crowds paraded the streets shouting for vengeance against the Turks after a mass meeting at the ruins of Jupiter's temple protested against the expulsion from Constantinople of the Greek patriarch. Whether the Greek representative at Angora will be recalled depends upon Turkey's reply to the Greek note.

Plane Given to Flight Chief

Glendale, Calif.—Capt Lowell H. Smith, commander of the American round-the-world flight, has been given an airplane to add to the various gifts and mementoes he has received since he and his fellow aviators girded the globe. The plane is a three passenger Laperre and was donated by L. C. Brand, capitalist of this city.

Hungary's Premier Fired On

Budapest—An attempt has been made to assassinate the Hungarian regent, Admiral Horthy at a small country station near Budapest. While he was riding in a train a shot was fired at his carriage. Admiral Horthy was not struck by the bullet. His assailant escaped.

French Envoy Welcomed

Washington—Emile Daeschner, new French ambassador to the United States, has assumed his duties here with presentation of his credentials to Secretary Hughes. Arrival of Daeschner presages developments in the thorny French debt question.

Bounty On Robbers

New York—As an antidote for New York's crime wave, George S. Dougherty, former deputy commissioner and chief of detectives, suggests an "open season" on robbers and the payment of bounties to policemen killing such criminals.

Three Sailors Drown

Managua, Nic.—Three sailors and one United States marine from the United States gunboat Tulsa, were drowned in Lake Managua when a heavily loaded lighter on which the men were being conveyed to a larger vessel, capsized.

Senate Confirms Appointments

Washington—The senate confirmed the reappointment of Major General John A. Lejeune, as commandant of the marine corps. It also confirmed the nomination of Theodore Douglas Robinson as assistant secretary of the navy.

REGISTRATION NOTICE.

To the qualified Electors of the Village of Northville, (Precinct No. 1) State of Michigan:

Notice is hereby given that in conformity with Act 126, Public Acts of 1917, I the undersigned Village Clerk, will, upon any date except Sunday and a legal holiday, or the day of any regular or special election or official primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election February 28, 1925—Last Day for General Registration for Election March 9th.

All electors not already registered and intending to vote at said election, should make application to me on or before the 28th day of February, A. D. 1925.

Notice is further hereby given that I will be at the Village Hall, Northville, state of Michigan, on

FEBRUARY 11, and FEBRUARY 21, 1925, from 5 o'clock a. m. to 8 o'clock p. m. on each of said days for the purpose of renewing the Registration and Registering such of the qualified electors in said Village as shall appear and apply therefor.

REGISTRATION OF ABSENTEE BY OATH.

If any person whose name is not registered shall appear and claim the right to vote at any election, and shall, under oath, state that he or she is a resident of such precinct and has resided in the Village TWENTY DAYS next preceding such election designating particularly the place of his or her residence and that he or she possesses the other qualifications as set forth under the constitution, and that, owing to the sickness of, bodily infirmity of himself or herself, or some member of his or her family, or owing to his or her absence from the Village on public or business of his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors, preceding such election, then the name of such person shall be registered and he or she shall then be permitted to vote at such election. If such applicant shall in said manner willfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Registration by Mail or Messenger.—Under Act No. 7, Public Acts of 1919, the privilege of Absent Voters is extended to include registration. Upon compliance with this act registration can be secured by mail without personal appearance. An affidavit similar to the following must be made:

I, _____, being duly sworn, depose and says that I am a duly qualified elector of the _____ County of _____ and State of Michigan, that he is not now registered as an elector therein, and that he makes the affidavit for the purpose of procuring his registration as an elector in accordance with the statute.

Taken, subscribed and sworn to before me this _____ A. D. 1925.

Signed _____ Notary Public.

The time limit for registration by mail or messenger is the same as where personal application is made. Therefore, the affidavit of an elector desiring to register by mail or messenger must be received by the Village Clerk not later than the SECOND Saturday preceding the Election.

NOTE—A blank form for making application for registration can be had by addressing the Village Clerk and giving name of Village above named.

Provisions in Case of Removal to Another Precinct.

Any Registered and qualified voter who has Removed from One Precinct of a Village to another election precinct of the same Village shall have the right, on any day previous to election day, on application to the Village Clerk, to have his or her name transferred from the registration book of the precinct from which he or she then Resides. Such elector shall have the right to have such transfer made On Election Day by obtaining from the board of inspectors of election of the precinct from which he or she has Removed a Certificate of Transfer and presenting the said certificate to the Board of Election Inspectors of the Precinct in which he or she then Resides.

Dated, February 2nd, 1925.
THOMAS E. MURDOCK,
Village Clerk.

ELECTION NOTICE.

Notice is hereby given that the regular annual election for the Village of Northville, county of Wayne, Michigan, will be held on Monday, March 9th, 1925, at which time the following officers are to be elected:

Village President, Three Trustees (full term); One Trustee to fill vacancy; Clerk, Treasurer and Assessor.

Notice is further hereby given that the polling place in precinct No. 1 of said Village, which consists of all that part of the territory in said Village lying west of the center of Center street is located at D. B. Bunn's Garage, Main street, and that the polling place for precinct No. 2 of said Village, which consists of all that part of the territory in said Village lying east of the center of Center street in said Village is located at the Village Council rooms, South Center street.

The polls of said election will be opened at 7:00 o'clock in the forenoon or as soon thereafter as may be and will continue open until 5:00 o'clock in the afternoon unless the board, shall, in their discretion, adjourn the polls at 12:00 o'clock, noon, for one hour.

Dated, Northville, Mich., February 2nd, 1925.

THOMAS E. MURDOCK,
Village Clerk.

A number of Northville members of the Mystic Shrine attended the ceremonial held at the Coliseum at the State Fair grounds in Detroit Wednesday afternoon and evening.

"Gentlemen's evening" as observed by the Northville Woman's club last Friday night proved a very enjoyable affair and was well attended. Prof. Reed of Ann Arbor gave an interesting address, the male quartet sang and Messrs. Ray VanValkenburgh and Ben Stewart each contributed a solo number to the very entertaining program. Refreshments were served at the conclusion of the program.

BOUGHT A "LEMOUSINE"

It is reported that L. D. Stage purchased a used Ford limousine for the full price of \$15 without even seeing the bus. Later, he told the seller that it was not a limousine. The seller advised Stage that he represented it as a "lemousine." To make matters worse, some one called Stage by phone to contract for the unloading of a car of pianos with the new job.

TO THE PUBLIC

I have been repeatedly asked if I would again accept the nomination for village president. I thank my friends for this expression of their confidence and regard but as my church duties have increased and will probably continue to do so, I would not be able to properly attend to the office of village president, if elected. A. K. MacRAE.

THE CHAPMAN SCHOOL P. T. A. HELD ENJOYABLE MEETING.

The January meeting of the Parent-Teacher association of the Chapman school occurred Friday evening, January 23rd. The meeting was called to order by the president, Mrs. John Christensen. Mrs. George Guntz-viller read the minutes of the last meeting. It was decided to hold a box social for the benefit of the school on Friday evening, February 6th, at the home of Mrs. John Christensen.

The children of the school gave a series of Mother Goose charades in which "Mother Goose," "Tom Thumb and his Bride," "Little Man with a Gun," "Jack Horner," and many other members of the Mother Goose family were represented. A social hour followed, during which all joined in several relay games. Refreshments were served by the ladies of the organization. The next regular meeting of the association will be held in the school house, Friday evening-February 13th.

CHAPMAN SCHOOL NOTES.

Owing to the unusual amount of sickness in this community we have only one name on the attendance honor roll for January. Glenn Salow has been neither tardy nor absent the entire year.

Through a mistake the names of Robert Christensen and Helen Christensen were omitted from the December list. We are especially proud of these people.

NEW FORD ENGINEERING LABORATORY NOW OCCUPIED.

On the fields where Henry Ford as a boy played about an old brick yard, now stands the new engineering laboratories of the Ford Motor company. The magnificent new building erected at a great cost is being occupied at the present time by the various departments.

The beauty of the building cannot be described in mere words, but its purpose is revealed in its design and architectural details. Made of white Bedford limestone, 804 feet long and 202 feet wide, the main portion is one story high. The central portion in front is two stories high where the executive offices are located.

Large columns enhance the beauty of the front of the building and between these columns are the names of seventeen men selected by Henry Ford because of the eminence in the various fields of science, agriculture, transportation and manufacturing.

The interior of the building is beautifully decorated. The executive offices have all been furnished with the most beautiful of furniture and the offices of Henry and Edsel Ford which are located on the first floor of the building are in correspondence with other executive offices there.

All the offices are being occupied as fast as possible and it is hoped that everything will be in the new building by the first of the week—Dearborn Press.

Primitive Matches

Early matches were called lucifers and a match that would ignite by means of friction was invented by a man named Walker, of Stockton-on-Tees, England in 1829. In March 1842, Reuben Partridge took out a British patent for a machine for manufacturing the lucifers. All these early matches depended upon phosphorus for their lighting by means of friction. Safety matches were first brought out in 1828.

Whippersnout Hoppers

The grasshopper pest became so serious in parts of Arkansas at one time that negro laborers with whips were hired to whip out the grasshoppers in the cotton fields. H. K. Thatcher of the State Agricultural college says the plan was an astonishing success, as the hoppers beat a hasty retreat before the whippers.

TO HOLD BOX SOCIAL.

There will be a box and foot social and dance given at the Foresters' hall on Tuesday evening, February 10, at 8:00 o'clock. Everybody welcome. Bring box lunch for two and come and enjoy the fun. Foresters' A. L. Committee.

Walled Lake Warbles.

Mr. and Mrs. W. C. Bell of Detroit have purchased a farm near Walled Lake and will make their home here. The members of the W. M. B. class of the Methodist Sunday school were pleasantly entertained at the home of Mrs. Florence Roach on Monday evening, Mrs. Roach and Mrs. Beatrice Avey being hostesses.

A recent meeting of the Walled Lake Cemetery Association the following officers were elected: President, James Gilchrist, vice president, Clifford Young; secretary, Bruce McKnight; treasurer, Kirby Long; superintendent, Clifford Young.

The Young Girls' class of the Methodist Sunday school held a meeting at the parsonage one night last week and elected the following officers: President, Irene McClelland, vice president, Laura Welch, Secretary, Amy Francisco; treasurer, Lillian Stubbs. All the members of the class were assigned some committee work to do. Mrs. Cecil Cox is the teacher of the class, succeeding Mrs. Chapman.

Wixom Whisperings.

About one hundred and twenty-five attended the banquet last Friday evening at the new church basement. At eight o'clock an elaborate dinner was served by the Philanthropy Sunday school class and Church Helpers. After the dinner hour Nevil Sturman, president of the Baraca class, introduced the toastmaster, B. A. Holden. Rev. George Lawrence of Lansing gave an address and was followed by impromptu speeches by E. E. Pearsall, Rev. H. J. Thibault, H. A. Smith and Miss Gladys Thibault. The Melody Makers were present and entertained the company with their music, which was greatly enjoyed. The new basement which has been placed under the church parlors, has meant a lot of hard work for the Baraca class, and all others who have assisted them. The work has been done mostly during the evenings. They are to be congratulated on their large room which can be used as an assembly or dining room, and when completed will be equipped with a kitchen.

Mrs. Martha Furman has been seriously ill since last Friday and confined to her bed. Dr. Parker of Milford is the attending physician.

The Church Helpers met Wednesday at the Church parlors. A pot-luck dinner was served at noon.

Claude Harmon was home for the week-end from Kalamazoo college, and Gladys Thibault from Hillsdale. Mr. and Mrs. N. W. Ball of Milford, N. W. Ball, Jr. of Detroit, and Miss Lane of Davisburg helped Mrs. Sarah Parton celebrate her birthday, Sunday.

"IS ZAT SO?" AT THE GARRICK.

"Is Zat So?" one of the outstanding comedy successes now playing in New York, will be the offering at the Garrick theatre, beginning Sunday, February 8th. This production will have particular interest for Detroiters as it is the work of James Gleason and Richard Taber, the latter a member of the Woodward Players for three years. It was written by Mr. Gleason and Mr. Taber for their own use, but owing to a contract with the Woodward Players, Mr. Taber was unable to get away when it was produced in New York. However, that has now been arranged, and a special company has been organized for a Chicago run, stopping enroute at Detroit. Mr. Taber will head the Chicago company, and his many Detroit friends will be given the opportunity of seeing him in a role written by himself for himself.

Matinees will be given Thursday and Saturday and at the Thursday matinee, the entire personnel of the Woodward Players will be on hand to cheer for Mr. Taber and his new venture.

Dog Teams Bring Antitoxin To Stricken City.

Nome, Alaska—The heroic race to bring relief to fight the diphtheria epidemic here ended with the arrival of dog team carrying 300,000 units of antitoxin.

Quinnar Kasson, with 15 Siberian dogs in his team, made the final lap of the 1,000-mile train-and-dog trip from Anchorage. Kasson, who relieved his countryman, Sepala, the Finn, at Golovin Bay, 78 miles east of Nome, made the last relay of the race in the teeth of an Arctic blizzard, the wind lashing him and his dogs with snow and sleet.

The trip consumed approximately a week. The antitoxin was supplied by rail from Anchorage to Nenana, where it was picked up by the dog teams, running in relays over the 650-mile snow trail to Nome.

Nome, spending sleepless nights and anxious days while the diphtheria epidemic slowly spread, awaited arrival of the precious serum.

Couzens On Power Committee

Washington—Representatives of the Federal Trade Commission have conferred with the Senate Interstate Commerce Committee on the resolution of Senator G. W. Norris, (Rep.), Nebraska, for a "power trust" investigation to be conducted by the commission.

A sub-committee, composed of Senators A. B. Cullins, Iowa; R. B. Howell, Nebraska, and James Couzens, Michigan, Republican, was appointed to consider proposed modifications of the original resolution.

Large Gift of John D. Jr.

Washington—An outright gift of \$225,000 and a conditional gift of \$450,000 by John D. Rockefeller, Jr., toward meeting the budget requirements of the Northern Baptist church, for the fiscal year ending April 30, was announced at a meeting here of leaders of that denomination. The gift of \$450,000 is conditional upon the denomination completing by April 30, the raising of a \$670,000 fund determined upon as necessary for missionary and other enterprises during the year.

Johnson Contests Seat

Washington—Senator Magnus Johnson, Farmer Labor, of Minnesota, has filed a formal contest in the senate against Senator elect Thomas D. Schall, of Minnesota, his Republican opponent. Schall defeated Johnson in the last election. Johnson charged "excessive funds" in the election and specifically charged that Schall's managers obtained \$75,000 from "bootleggers."

Fire Chief for a Day.

New York—Fire Commissioner Thomas J. Drannan was deposed from office for one day so that 15 firemen might be promoted to lieutenant before their eligibility expired. Drannan was delayed in Georgia and could not arrive in time to certify the promotions. Joseph M. Hannan, was appointed by Mayor Hylan and resigned after certifying the appointments.

Speedier Mail for Detroit

Washington—Representative C. J. McLeod has been assured by the post office department that steps were being taken to see that good mail service is afforded in Detroit. First Assistant Postmaster General John H. Bartlett wrote to him in response to criticisms and which had come from citizens and which had been forwarded to the postoffice department.

Air-Unionification Opposed

Washington—President Coolidge is opposed to unification of the army and navy air services as proposed in the Curry bill. Secretary Widbur informed the house military committee. The naval secretary declined to discuss the president's views beyond the bare statement that the executive saw no need for the creation of a separate air force.

Danzig Wants U. S. Mandate

Danzig—Relations between the free city of Danzig and Poland again neared a crisis when a committee of the folkstag, the Danzig parliament, took under consideration an appeal to the League of Nations to take the mandate over Danzig from Poland and grant it either to the United States or Great Britain.

Finances Polar Flight

New York—Capt. Roald Amundsen, veteran Arctic explorer and discoverer of the South Pole, announced that \$100,000 of the \$125,000 necessary to finance his long delayed flight to the North Pole this summer has been contributed by "an American." He declined to divulge his name.

Six Dead In Chicago Fire

Chicago—Six persons were burned to death and half a dozen others were injured, one probably fatally, in a fire which virtually destroyed a four-story brick apartment building on the south side housing 34 families.

MAKE YOUR LAUNDRY WORK EASIER

A badly lighted basement is merely a cellar. Yet hard work is done there. Badly placed or insufficient light on washing and ironing means eyestrain; and eyestrain causes nervous fatigue or exhaustion. You can easily have the kind of light that makes the work go quickly and smoothly—light that show those tiny wrinkles near seams, where careful ironing is necessary. Use a 150-watt Mazda bowl-frosted day-light lamp, or a 100-watt bowl-enameled lamp in a suitable reflector. And have a similar lamp and shade over the work bench. In other basement sockets use 60 or 75-watt Mazdas.

Come in and let us Tell You More about this.

WILLIAM GORTON DIED IN SAN JOSE, CALIFORNIA.

Funeral services of the late William Gorton, who died in San Jose Friday morning, will be held tomorrow morning at 11 o'clock from the San Jose undertaking parlors. Cremation will take place at Cypress cemetery, San Francisco.

William Gorton was for many years a prominent business man of Northville. He retired in 1920 and has since made his home in San Jose.

Prominent in Masonic circles he was a 32nd degree Mason and a member of Moslem Temple Shrine.

Mr. Gorton leaves two sisters, Mrs. Lucy Gordon Brooks of Berkeley, and Mrs. Charles Wheelock, of Plymouth, Mich., and three nieces, Mrs. Bessie Brooks West, formerly of San Jose and now of Berkeley; Mrs. Fernlyn Bond and Mrs. Carrie Morrison.

The above notice was taken from the San Jose, Cal., Mercury-Herald, and will be read with deep regret by many old friends and acquaintances in this section where Mr. Gorton was well and favorably known, and where he was engaged in business for many years.

It was the request of the deceased that his body be cremated and that the ashes be sent to Northville for burial. The burial will take place in June.

William Gorton was born in Nantucket to a ship November 28, 1852, being the son of Major D. and Lydia K. Gorton.

After disposing of his clothing store here which he conducted for many years he went to California to make his home and the last years of his life were pleasantly and happily spent at San Jose, Cal.

He was stricken with paralysis late in the afternoon of January 25th, and asked that his sister, Mrs. Brooks, and his nieces, who resided at Berkeley, be sent for. He was conscious when they arrived but passed away early the following morning, Friday, January 23rd.

San Jose Masons had charge of the funeral arrangements and accompanied the remains to San Francisco where cremation took place.

DOUGLAS FAIRBANKS IN ROBIN HOOD.

The people of Northville have a treat in store next Sunday afternoon and evening and again on Monday night when the Foresters will present that wonderful picture, "Douglas Fairbanks in Robin Hood." There will be a performance at 2:00 Sunday afternoon and two shows Sunday night, at 7:30 and 9:00 and on Monday night there will also be two shows. The entertainment is to be given as a Forester convention benefit to raise funds to defray the expenses of entertaining the Grand Court of Foresters which will meet here next June.

When there is a settling down to a contemplation of facts and figures in connection with "Douglas Fairbanks in Robin Hood" the conviction that Mr. Fairbanks has produced as his most ambitious starring vehicle, a series of extraordinary surprises is inevitable. For instance, in the course of the months required for the filming of this romantic drama of the middle ages, a total of about 25,000 different persons were given at least one full day's employment each in various supernumerary capacities, and many of these worked several weeks. On the banner day for "extras" when the great jousting contest was enacted, 1,800 men and women were used and few days found less than a hundred doing their "bits" before the battery of cameras.

BLANKET INJUNCTION ISSUED AGAINST WILSON'S PLACE.

After the last arrest of Albert Wilson for selling booze at his home on the northside, Sheriff George A. Walters and Deputy W. H. Safford made an effort to have the place padlocked and the matter has been pending all this time. Last week in consultation with Assistant Prosecuting Attorney Waring, it was decided to ask for a blanket injunction against the place and the order was finally issued on Friday last. Under a blanket injunction the place can be closed for an indefinite period, or until such time as the court shall decide otherwise, and then only when a sufficient showing has been made to the effect that the house or premises are not being used for any unlawful purposes. This action will prevent Wilson from renting the property or from selling the place to any of his henchmen who might in turn continue to operate a blind pig.

The officers who have had this matter in charge have been persistent and determined that some action be taken in the matter to close the joint, and they continued the efforts even after Wilson had taken his departure from Northville, and they are to be commended for their vigilance.

Padlock proceedings would have closed the place but for one year.

The Seniors will present their play "Adventures of Grandpa" at the Salem town hall this evening at 8:00. There will be music and specialties, and our neighbors will enjoy the entertainment.

Oil Stains on Concrete

The bureau of standards says that it knows of no method that will entirely remove oil stains from concrete. The stains can be partly removed by soaking the concrete with gasoline, then taking up the excess by means of a porous material like blotting paper. By repeating this process several times at intervals a good portion of the oil can be removed.
