"DEADWOOD COACH"

Saturday Matinee—2:30.—15c and 20c

PRESBYTERIAN MEN'S CLUB HAD AN ENJOYABLE TIME.

The first function given under the auspices of the men's club of the Presbyterian church of this village proved a most enjoyable one, and nearly 100 men gathered at the church last Thursday night to partake of the dinner served by the men and to enjoy the splendid program which followed. The dinner was all that could have been desired and it was served in a very creditable manner. The tables were most attractive with snowy linen and sparkling silver with numerous vases filled with sweet peas and roses. Dinner was announced at 6:30 and the merry company of men and young men partook heartily of the very appetizing menu served.

Rev. F. P. Knowles offered the invocation and the male quartet consisting of Messrs. C. R. VanValkenburgh, C. H. Brian and Messrs. J. N. and Wayne Vandyne sang three numbers greatly to the delight of all. President C. A. Postford presided and announced the program in a manner that kept the company in good humor. The address of the evening was given by W. J. Cameron, editor of the Dearborn Independent, who chose for his theme "Religion and Patriotism," and for more than an hour he held the closest attention of his hearers. He maintained that religion and patriotism were so closely co-ordinated that they never have been apart nor never could be separated and he quoted numerous Bible references to prove his point. The address was a real intellectual treat and all present felt deeply indebted to Mr. Cameron for his kindness in coming to Northville. The committee in charge of the dinner were indebted to W. H. Elliott & Son for their assistance in preparing the feast.

DEATH CLAIMS MRS. C. EUGENE WOOD.

Mrs. C. Eugene Wood died at the home of her daughter, Mrs. Roy E. Crowe, on Monday afternoon at 5:30. Funeral services were held Thursday and burial took place at Lowell. Mrs. Wood, who had been ailing for more than a year, came to the home of her daughter for a visit in October, and her condition showed improvement for a time. Loving care and kind administration failed to check the ravages of the malady with which she was afflicted and she fell asleep peacefully on Monday.

Mrs. Wood was born at Camillus, New York, February 3rd, 1867, and came to Michigan with her parents when seven years of age. She was married to C. Eugene Wood in 1888. She had been a resident of Lansing for the past nine years and was an active member of the Michigan Avenue M. E. church in that city and was prominently identified with the Ladies Aid society of the church.

Surviving is the husband and three daughters and one son—Mrs. Roy E. Crowe of this village, Miss E. Blanche Wood and Mrs. Lester A. Parker of Detroit, and J. Clyde Wood of Lansing. During their short residence in Northville Mr. and Mrs. Crowe have made many friends, who extend their tenderest sympathy in their bereavement.

TO ESTABLISHED NEW CATHOLIC CEMETERY.

The largest Catholic cemetery in the diocese of Detroit will be located on 361 acres which Bishop Michael J. Gallagher has purchased on the Twelve-Mile road, near Franklin road, north of Redford. The tract is located in Southfield Township, Oakland County. The cemetery will be particularly adapted as a place of burial for the parishes in northwestern Detroit, Redford, Highland Park, Royal Oak, Birmingham and other neighboring communities. The new cemetery is located in a rolling country, with woods, and hills. Two branches of the Rouge winds through the lowest hollows. The land is now being improved by a large force of men, so that lots can be obtained in the spring of 1926.

MRS. ELLEN CALLOU DIED OF PNEUMONIA.

Mrs. Ellen Callou, 71 years old, died of pneumonia Thursday, at her home, 11 Tasmania. Her husband died several years ago. She is survived by a brother, Samuel Adams; two daughters, Mrs. Mary Cole, Northville, and Mrs. Nellie Compton, Pontiac; several grand children and four great grandchildren.

Funeral services were held at the home at 7:30 Saturday afternoon. Rev. Weldon Crossland of Central Methodist Church officiated, burial following in Oak Hill cemetery.—Pontiac Press.

POPULAR YOUNG PEOPLE UNITED IN MARRIAGE.

Last Friday night at eight o'clock a quiet home wedding took place in this village when Miss Helen Sterling, teacher of domestic science in the village schools, and Harold G. White, owner and manager of the White Dry Goods Store, were united in marriage by Rev. William Richards of the M. E. church. The ceremony was performed at the White home on the northside in the presence of Miss Bertha White, sister of the groom, and A. M. Barber. Mr. and Mrs. White attended the Eastern Star ball later in the evening and while their friends were not just sure about their marriage they were made the victims of a great deal of chaffing, but they admitted nothing, and were able to keep the secret until the following day.

During the week preceding the happy event the bride was given showers by the teachers of the school and by members of the domestic science class and was the recipient of many very pretty gifts as an expression of the high regard in which she is held by her co-workers in the schools and the pupils of her department.

Mr. White is well and favorably known to the people of this section and he is to be congratulated upon the prize he has won.

BOOK FIVE COURSES FOR RADIO SCHOOL.

Five separate radio extension courses, each running for two weeks will be included in the special "air" school to be conducted by the Michigan Agricultural college from March 2 until May 8, according to announcement made here this week.

Starting with an agricultural engineering course, the school will include courses on crops and soils, livestock gardening, and home making. In the order named any radio listener in Michigan can enroll without cost for any or all of these courses receiving copies of the lectures as they are given and being given an opportunity to qualify for a certificate at the end of the course.

Members of the M. A. C. agricultural faculty will handle the work of the school, two appearing on the program each evening from seven-fifteen until eight o'clock, eastern time. Ralph W. Tenney, director of short courses at the college, is handling registration for the radio courses.

SAD DEATH AT NOVI.

Homer Newbound, son of Mrs. George Newbound, died at Harper hospital in Detroit Saturday forenoon following an operation for appendicitis. He was taken to the city on Friday but his condition was so serious that death resulted a few hours afterwards.

The remains were brought to this village by Schrader Brothers and prepared for burial and on Sunday they were taken to the Newbound home in Novi township. Homer was but 14 years of age and his sudden and unexpected death was a great shock to his many friends. Funeral services were held at the family home on Tuesday and interment took place at Highland. He was the son of the late George Newbound, who died about two years ago after an operation for the same ailment.

The tenderest sympathy is extended to the bereaved mother in her great sorrow.

HAVE YOU PROCURED YOUR 1925 AUTO LICENSE?

If you have not procured your auto license for 1925 you will do well to do so before next Monday. On that date Deputy Sheriff W. H. Safford and all other Wayne county deputy sheriffs have orders from the secretary of state at Lansing to "gather in" all motorists who still have the old 1924 license plates on their cars. The departments expressed the belief that all had had ample time to procure their licenses and no more delays will be permitted.

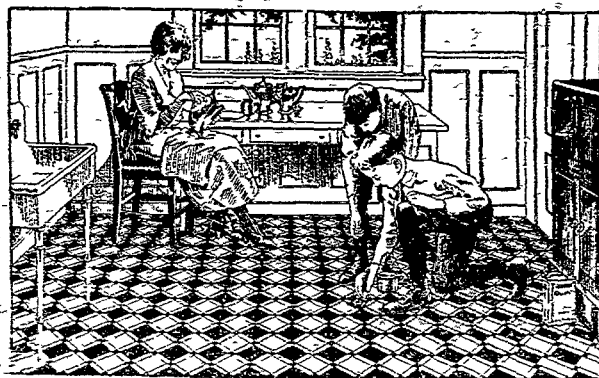

Get your license plates on your cars by Monday or leave the old bus in the garage.

MRS. RALPH HORTON DIED THURSDAY MORNING.

Mrs. Ralph Horton died at her home on the Novi road Thursday morning about eight o'clock, from the effects of burns which she suffered about four o'clock Wednesday afternoon.

Mrs. Horton is survived by her husband, one daughter, who is teaching in the west and one son, Edwin. Funeral arrangements had not been completed when The Record went to press Thursday afternoon.

A suitable obituary will appear next week.

HARRY YOUNG

OF COX, Clerk.

MAXIMS OF GEORGE WASHINGTON.

Think before you speak.
Let your recreations be manful, not sinful.
Speak no evil of the absent for it is unjust.
Let your conversation be without malice or envy.
Be not apt to relate news, if you know not the truth thereof.
Be not hasty to believe from reports to the disparagement of anyone.
Associate yourself with men of good quality, if you esteem your reputation; but be careful to keep your promise.
Labor to keep alive in your breast that little spark of celestial fire called conscience.

Try Northville first.

Growing Old Too Fast?

Many Northville Folks Feel Older and Slower Than They Should.

Are you weak, tired, all worn out? Do you feel years older than other folks of your age? Then look to your kidneys. The kidneys are the blood filters and if they weaken, the effect is quickly felt. You have constant backache, headache, dizziness, are nervous, irritable, you feel lame, stiff and aching. All played out. Don't wait. Use Doan's Pills—a stimulant curative for the kidneys. Read what this Northville resident says: "I was 35 years old, red-faced, vigorous, 151 West Main street says. When I ached, a life-like pain caught me across my kidneys and I had a dragging ache in the small of my back. Early in the morning my back was lame and sore and when I moved suddenly I had twinges across my back. My kidneys were weak and they acted too often. Doan's Pills from the Northville Drug Co. cured me completely."

60c, at all dealers. Foster-Mulburn Co., Buffalo, N. Y.

MUSOLFF BROS.

32 Miles Northwest of Detroit, T. A. BABBITT, Notary Clerk.

NEWS FROM THE STATE CAPITAL

Legislature Sends Committee To Attend Funeral Of Doctor Burton

Lansing—The state legislature adopted a concurrent resolution appointing a committee of ten members to attend the funeral of Dr. Mahlon LeRoy Burton, president of the University of Michigan. Following this action Governor Grosbeck announced his intention of attending the funeral in company with the members of the legislature.

The resolution which was adopted by the unanimous vote of both houses, expresses "profound regret and sincere sorrow" on the death of President Burton and declares "President Burton's career was marked by a refreshing courage, prophetic vision and inspiring devotion to principle reinforced by a dynamic personality, a fine heart and an active mind and body all of which he combined to elevate and strengthen the standards of ideals of true manhood and womanhood."

House Passes Wage Bill

Despite questions as to whether the bill was constitutional in its present form, the house of representatives passed the Carter wage bill, which exempted several classes of labor, which permitted more frequent payments than twice monthly, and which removed the imprisonment penalty for violation that has been attached. Sixteen negative votes were cast.

The amendments were all introduced by Representative Sherman D. Callender, of Detroit.

Criticism was aimed especially at the section that had contained the imprisonment penalty. Several members charged that inclusion of a clause to imprison for debt made the act unconstitutional while the removal of that clause in the opinion of others, extracted "the teeth" necessary to make it workable, and that in the form it was finally passed it was virtually only a scrap of paper.

Requirements For Peddlers

Hawking and peddling, not only will be required to file applications for licenses to carry on their itinerant business operations in Michigan, which will include minute details of their past and present life and future desires, but also will be required to give their finger prints, and submit to a physical examination, if a bill introduced in the senate by Senator Frank Cummings becomes a law. Another bill would require solicitors and transient merchants to take out licenses costing \$10 and \$25 respectively, and to furnish security bonds to the amount of \$500 to the secretary of state.

Bill Prohibits Pistols

One of the advantages of the pistol bill introduced into the legislature by Senator George M. Condon of Detroit lies in its making it legal to prosecute for carrying concealed weapons when a pistol is found in an automobile. William P. Rutledge, superintendent of the Detroit police department pointed out. The bill provides for a registration of all small arms in Michigan before July 1, and a record of all sales and transfers.

Road Building Report

Roads totalling 3,398 miles have been built in Michigan with the money available from the \$50,000,000 bond issue approved by the voters in 1919, it is revealed in a report made public by Frank F. Rogers, state highway commissioner. To meet the \$50,000,000 expended by the state, \$14,434,065.16 was advanced by the Federal Government.

Bread Weight Law Introduced

Bakers and dealers would be required to dispense loaves of bread of guaranteed and uniform weight by a measure submitted by Representative William E. Campbell, of Wayne. The loaves would come in pound units, and would have to show full weight 12 hours after baking. Labels for stale bread would be required.

Ask Ruling On District Bill

Action on Senator Arthur E. Wood's bill seeking reapportionment of the state senatorial districts which would give Wayne county 10 rather than five members was deferred by the senate committee on elections until an opinion on the constitutionality of the measure can be obtained from the attorney-general's office.

For Permanent Closed Season

A permanent closed season on quail, with penalties of from \$25 to \$50 or 10 days in jail for violation, was proposed by Representative Frank W. McKenzie, of Jackson.

Anti-Gambling Bill Up

The fight to place an effective anti-gambling bill on the Michigan statute books was reopened when Senator Joseph A. Bahrski of Detroit, which he claims, if passed, would give the police the powers they need to curb commercialized gambling. A similar bill was passed in the 1923 session and signed by the Governor. It was in effect until three months ago when the supreme court declared it invalid because of a clerical error in the House.

CURRENT NEWS TERSELY TOLD

Entombed Man Found Dead After Heroic Effort At Rescue Proves In Vain

Sand Cave, Ky.—Breaking through the final barrier of rock which had walled up Floyd Collins, the intrepid cave explorer, rescue workers came upon his dead body after seventeen days of persistent effort. Amputation was necessary to free the man's legs from the huge boulder which had held him prisoner.

Mining engineers and surgeons were sent from far distant cities, and the state militia authorities took charge but no one could devise a scheme for the liberation of the unfortunate man. Finally a shaft was sunk through the earth and rock from the top of the hill.

Collins had entered the cave, which he had been one of the first to explore, when a boulder slid and caught his foot. For 21 hours he struggled and called before help came, and then it was discovered that rescuers could not get at the boulder because his body blocked the way. Further shifting of the rock formation caused the floor of the cave to rise in such a way that he seemed to be permanently entombed.

Plan Mecklenburg Celebration

Washington—Enterprising North Carolinians are trying to get congress to recognize the so-called Mecklenburg county declaration of independence on May 20, 1776, more than a year before the Philadelphia declaration. Representative Bulwinkle of the district in which Charlotte, where the 20th of May declaration took place is located, has introduced a bill to establish a commission for the participation of the United States in the observance of the 150th anniversary of the signing of the Mecklenburg declaration of independence.

Railway Merger Probe Asked

Washington—Asserting that J. P. Morgan and company and the First National Bank of New York City are about to consummate control of the eastern railway systems, Senator Howell, Republican, Nebraska, offered a resolution of investigation in the senate which, if adopted, will open up the whole question of the propriety of current railroad mergers from the standpoint of public interest.

Another Judge For Michigan

Washington—A bill by Rep. James C. McLaughlin, providing for an additional judgeship in the Western Michigan district and framed to permit the defacto retirement of Judge Clarence W. Sessions, who is in ill health, has been passed by the House. An identical bill was passed by the Senate and the measure has gone to the President for signature.

Senate Confirms Kellogg

Washington—The nomination of Frank B. Kellogg, of Minnesota, to succeed Charles E. Hughes, as secretary of the state, has been confirmed by the senate.

Action was taken unexpectedly and without consideration of the nomination by the foreign relations committee. No opposition was offered to confirmation, senators said, and senate action came with practically no discussion.

Two Killed in Air Crash

San Antonio, Tex.—Major Lee O. Wright and Lieutenant Arthur L. Foster, Brooks field, crashed to their death near the army flying field. The plane ignited as it plunged to the ground and the bodies of the two officers were burned almost beyond identification.

Huge Famine Toll In China

London—A thousand persons died during the last few weeks of starvation in Chao-Tung-Ba, China, said a Central News dispatch from Tien Tsin. Famine conditions in the province of Yun-Nan are said to be the worst within the history of living inhabitants.

Longworth's Greet New Arrival

Chicago—A baby girl was born here to Alice Roosevelt Longworth, wife of Representative Nicholas Longworth of Ohio. The hospital announced both were in fine condition. The baby's weight was given as six and a half pounds.

Two Moros Run Amuck

Manila—Five Moros were killed by two crazed members of their tribe at Cotobato, Mindanao Island and five wounded, according to advice to the constabulary. Constabulary officers killed one, and captured the other.

Norway Gets Concessions

Moscow—Norwegian interests have been granted a concession by the Soviet government for exploration and mining work on the Buzachi Peninsula in the Caspian Sea.

Emigrants Taken From Liner

Naples—The police arrested 22 persons aboard the liner Adriatic, who had tried to evade the regulations and illegally emigrate to America.

OWNED THE FARM A LONG TIME

It isn't often that a farm remains in one family for nearly a century, but such is the case of the Robert Lyon farm out on the Waterford road. This farm was purchased from the federal government by the recent owner's grandfather in 1828. The grandfather's name was Robert Lyon, and his grandson's name is the same. For 96 years the Lyon family has been in possession of this property, and for 68 years Robert Lyon has known no other home, until last week, when he moved to a farm which he had purchased near Novi—Redford Road.

MONITOR INSURANCE COMPANY RE-ELECTS ALL OFFICERS.

At the annual meeting of the Monitor Fire Insurance Company, recently held in Pontiac, all the officers were re-elected as follows: Frank J. Malcolm, of Commerce, president; William H. Williamson, Waterford, vice president, and Harry W. Bogart, secretary-treasurer. The contest for director between Arthur O. Hadley, of Rose, and Philip C. Connerly, of Groveland, resulted in the re-election of Mr. Hadley by a vote of 20 to 34. The annual report of the secretary-treasurer was read at the meeting and approved. The report showed the company to be in a very satisfactory condition.

OAKLAND COUNTY TEACHERS TO HOLD INSTITUTE.

E. J. Ledefie, county school commissioner, announces that a county teachers' institute will be held at the high school in Pontiac, Friday, March 6, with morning and afternoon sessions. The morning session will be begun at 10 o'clock.

Speakers for the event will be President Paul F. Yoelker, of Olivet college; Dr. Charles T. Grawn, of Detroit, former president of the Central State Normal School at Mt. Pleasant; and Miss Florence Hale, of the Maine department of rural education.

Mr. Ledefie says that every effort will be made to make the institute the best ever held in the county and of great value to all teachers, city and rural, and of every grade.

MRS. M. J. RICHARDS OF SOUTH LYON DIES.

Mrs. M. J. Richards, aged 52 years, passed away at the Harper hospital, Detroit, Wednesday night, February 17, 1923 following an operation for gallitis.

She had been in poor health for some time but bore her sufferings patiently. She was of a quiet, retiring disposition and was loved and respected by all who knew her.

Coia E. Williams was born at Ovid, Michigan, April 17, 1873. Some time later she moved with her parents to Salem, where she spent most of her girlhood days.

At the age of 16 she united with the Baptist church at Salem and was a member of that church until she had her membership transferred to the Presbyterian church of South Lyon, where she was a member at the time of her death.

In 1892 she was united in marriage to Marshall J. Richards of Northville. They moved to the farm house east of South Lyon, where the family lived until about five years ago, when they moved to the village, South Lyon Herald.

CHILD LABOR AMENDMENT IS REJECTED BY MICHIGAN.

After holding the center of the stage for the entire week, the question of accepting the proposed Federal Child Labor Amendment was finally settled when at noon Friday the house by a vote of 61 to 24 passed Rep. Cullen's resolution rejecting the amendment. This action came as the climax to a stormy debate of more than an hour, and a half which broke loose when the Cullen resolution came up as a special order at 10:30 a. m.

On the night preceding this final action in the house a joint public hearing was held by the senate and house committees having this matter in charge. The senate chamber was packed to capacity, both on the floor and in the galleries with lobbyists and spectators. A large portion of the time was given over to hearing the spokesmen for organized labor and various women's clubs tell why the federal amendment was needed and should be ratified by Michigan. The case against ratification was presented by M. B. McPherson of Lowell, vice-president of the Michigan State Farm Bureau, and by Mrs. Dora Stockman, lecturer of the Michigan State Grange and C. H. Bramble of the executive committee of the Michigan State Grange.

PERE MARQUETTE VOTES ON BIG MERGER MARCH 21.

A special meeting of the stockholders of the Pere Marquette Railway will be held March 21 at Detroit to vote approval of the lease of the system to the New York, Chicago & St. Louis Railway in connection with the \$1,400,000,000 Nickel Plate merger, involving 14,357 miles of road. Directors of the P. M. recently approved the lease plan and practically 70 per cent of the P. M. stock has agreed to the merger.

DEATH TAKES HEAD OF UNIVERSITY OF MICHIGAN

DR. MARION LEROY BURTON

Ann Arbor—After a valiant fight, more than four months against the ravages of disease, Dr. Marion Leroy Burton, president of the University of Michigan, died at his home here, Feb. 18. The end came suddenly and quietly while he was sleeping. The immediate cause of death was heart failure following the long struggle against pneumonia. He was 51 years of age. Recognized as one of the leaders in educational circles, Dr. Burton's loss will be keenly felt by the whole nation and particularly by the university whose destinies he had so ably guided since 1920. In the space of five years he had "inaugurated" and "almost brought to completion" one of the greatest building plans ever undertaken by a university.

Dr. Burton will go down in history as one of America's truly great men. His rise from a newsboy to the presidency of one of the greatest educational institutions in America was achieved through persistent effort aided by a keen mind, a forceful and likable personality and an indomitable will. His career will serve as an inspiration to the youth of coming generations.

Coolidge Favors Waterway.

Washington—The first definite step looking to the development of the St. Lawrence deeper waterway, by which it is planned to make seaports of Chicago and other Great Lakes cities, is provided in the rivers and harbors authorization bill unanimously ordered reported by the senate-commerce committee.

The amendment personally recommended by President Coolidge, authorizes the executive to have a survey made of the St. Lawrence river and plans and estimates prepared in accordance with the study of the international joint commission. The president is asked to report to congress on the survey, with such recommendations as he may deem advisable.

Oil Deals Reopened

New York—Local proceedings dealing with Leitherto unexplained alleged bribes in connection with the Teapot Dome oil scandal will be begun with a few days in Cheyenne, Wyo. and Paris, France, it has become known.

Information obtained from official sources in Washington was that government prosecutors now believe \$2,000,000 changed hands when the leases were granted. It is to the down leads on this angle that the usual procedure of court action in France will be resorted to.

Air Maneuvers Finished

Camp Skeel, Mich.—Flies of the First Pursuit Group winged their way back to Selfridge Field after a week of winter war maneuvers here which they declare demonstrated beyond all doubt that the Army Air Service can maintain an effective military campaign under Arctic conditions without any recourse to ground transport of any kind and without the aid of any other branch of the nation's military establishment.

Aerial Investigation Ends

Washington—The house investigation into the aircraft situation and the questions raised by Brig General Mitchell, assistant chief of the army air service, has come to an abrupt end. There is much speculation in the capital as to the cause of this sudden termination, and it is intimated that powerful pressure has been brought to bear.

Woman Elected to House

San Francisco—Mrs. Florence Prag Kahn has been elected to Congress to represent California in the seat left vacant by the death of her husband, the late Julius Kahn. Unofficial figures indicate California's newest congresswoman is the second that has represented the golden state, the first being Mrs. Mae Nolan.

Steamer And Crew Lost

Madrid—All members of the crew of the steamer San Nicholas were drowned when the vessel sank while attempting to cross the bar at the port of La Roche.

Bulgarians Raid Border

Sofia—Bulgarian terrorists are harassing villages along the Bulgarian-Yugo-Slav frontier, it was learned here. Several villages have been attacked, with many casualties on both sides.

The Wonderful Dog

in Owen Davis' Melodramatic Sensation

"THE LIGHTHOUSE BY THE SEA"

Two Shows Each Night

General Admission 35 Cents

"The Lighthouse by the Sea" is frankly melodrama. It's the kind of photoplay which sweeps all cobwebs from the minds of those who see it. Makes them want to shout and cheer—and hiss the villain.

A WONDERFUL PICTURE IN WHICH A WONDERFUL DOG IS A STAR.

A Man In A Cave

Is no more helpless than a family left without someone to earn the daily bread.

If anything should happen to you who would take your place as the provider for your family?

If you were taken ill tonight how would you leave the good wife and children?

These are questions every man should consider before it is too late.

Now is a good time to take some Life Insurance while you are well and able to bring home the pay check.

Let's talk it over

WHY NOT TRY A 25c LINER IN THE RECORD?

The Northville Record.

E. E. BROWN, Publisher.

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., FEB. 27, 1925.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week.

Zero weather was noticeable Monday morning.

Miss Meade and Miss Oliver of Detroit are visiting Miss Grace Yerkes. L. B. Ball left Tuesday night for a ten days' trip in Chicago and New York.

Rev. Wm. Bryant of the Michigan Presbytery will occupy the Presbyterian pulpit Sunday morning.

Mrs. J. A. Shafter, Mrs. Wm. Ely of this place and Mrs. Birch of Plymouth, all sisters, have been visiting in Pontiac this week.

Cornelius McGilroy has traded his place to Cassius R. Benton for a piece of the farm and will become a farmer.

Mrs. Albert Baker of Pontiac and Mrs. Della Pratt of Walled Lake were visitors at E. H. Harmon's one day last week.

News was received here Sunday of the sudden death of Douglas McPhail at his home in New Richmond, O. He was a former resident of this village. Contractor Lanning has the timber all felled for the new D. & N. W. electric bridge over the P. M. tracks but until warmer weather arrives permitting the finishing of the mason work the completion of the structure will be somewhat delayed.

The K. O. T. M. hop given Wednesday evening was one of the most enjoyable affairs yet held in this village. Sixty-five couples were present and to the excellent music of Tinham's orchestra danced until near daylight. The lady "bees" served a delightful supper.

George Rayson was treated to a pleasant surprise last week Friday night by the gathering of about 50 neighbors who finally presented the ex-alderman with a volume of "Samurai and the Travels in Europe." The occasion was Mr. Rayson's 60th birthday.

CHICKENS COME HOME TO ROOST.

Through something may be done to ward off ceasing the amount of violent crime in Detroit if the police department is made sufficiently strong the condition will never be really cleared up until you people who are outwitting the bootleggers and blind pigs decide to obey the law and throw a large and elegant criminal class into a fade out—Detroit Free Press.

Many of Detroit's prominent citizens who worked at the open violation of our prohibition laws are beginning to realize that as we saw in 1919. You cannot ignore or outwit "oldest home of the law" and expect to have the others obeyed.

FROM EVERYBODY'S POCKET.

It is a Chicago saying that is couched in the broadest of the heart of a citizen and which is proposed for a long time to be taken from the pocket of the citizen and put into the pocket of the government.

We can't or abandon to the government the duties that belong to the states, the counties and finally to the people without losing the principle of independence and initiative upon which our form of government was founded. This system destroys the sense of direct obligation and makes the people, in effect, servants of the government—socialism.

Another thing. The government has no way of getting money for all of these projects except by taxation. Grants from the government are really grants from everybody's pocket.

IN MEMORIAM.

In sad and loving memory of our dear and loving sister, Ella Spencer, who passed away one year ago today, March 4th, 1925.

We cannot say, and we will not say that she is dead—she is just away!

With a cherry smile, and a wave of the hand,
She has wandered into an unknown land.

And left us dreaming how very fair it must be, since she lingers there.

We think of her faring on, as dear in the love of there as the love of here.

Think of her still as the same, we say, she is not dead—is just away.
—From her loving sisters, Emma Smith, Mr. and Mrs. Frank Hosner and family, Flora V. Bloomer, Mr. and Mrs. Samuel Spencer.

A REAL OPPORTUNITY.

Have a real proposition for one or two salesmen where there is an opportunity to make good money. Experience not necessary, but must be willing to work.

PRESBYTERIAN CHURCH NOTES.

Any who did not bring their Sacramental Loyalty offering last Sunday may do so this week. Envelopes will be furnished at the church.

Now that we have had the first hundred Presbyterian men together, the next job is to get the other hundred who did not respond this time. Ask the fellow who was there what he thought of it.

Sunday morning worship 11:30. "Things that Hinder." Evening service 7:30, "Friendship—The Supreme Test." Thursday evening study 7:30. "Training in Temper as this Little Child."

ST. PAUL'S LUTHERAN CHURCH.

Next Sunday service in German. Last service will be held every Wednesday evening at 8:00 o'clock. Theme of Lent sermons, "The Saviour in Gethsemane." Theme of sermon next Wednesday, "The Betrayal of Judas Iscariot." Let us all gather under the cross of the Saviour.

The Bazaar of the Ladies' Aid last Saturday was very successful. Thanks for the patronage.

Henry Schnute was called to Monroe last Saturday to do supply work in the Lutheran school there.

At the bazaar held in November in Forester hall, a cake donated by Mrs. Wm. Miller was sold and taken away with the glass plate on which it was brought. Will the buyer kindly return the glass plate to Mrs. Miller.

BAPTIST CHURCH NOTES.

Stormy weather and slippery roads were probably responsible for a slight decrease in attendance at our various services. However we were boys the average all the way around. This was especially the case with the Sunday school and the evening service. One hundred and eight were present at Sunday school.

Mrs. Robert Harper gave a splendid address Sunday evening. She dressed eight of our young folks in the costumes of different tribes of Burma and thus with the stereopticon pictures helped us all to see as well as hear more about that great country and its people.

The contest between the men's and women's classes is close and interesting. The men are only two in the lead.

Sunday evening the Junior choir will be in charge of the music under the leadership of Miss Varguerite Warner. The Junior choir will be in charge of the music the first Sunday evening of each month.

The sacrament of the Lords' Supper will be observed Sunday morning and new members will receive the hand of fellowship.

Fully present at prayer meeting last Thursday and a very interesting discussion on "Where Should a Christian Draw the Pleasure Line?" The meeting ran almost a half-hour over time and every minute was interesting.

The subject next Thursday will be "Confessing Christ." What is your opinion on the subject? Let's hear it next Thursday night.

METHODIST CHURCH NOTES.

Church Home Coming Sunday.

This commences the opening days of Lent. The day of Jesus Lord was given to school and Divine meditation. Let us come in a simple way that we should do more now than at any other time in the school year.

Next Sunday we ask every member and adherent of our church to be present at the 10:30 service and also at Sabbath school at 12 noon. Let us forego any plans made so do this, for our own sake, especially for the Master's sake in honor of Him.

In the evening at 7:30 we will have the illustrated hymn "O Master Let Me Walk With Thee" with beautiful views. Also Mohammedan, North Africa, scenes scarcely known to Americans. Its Arab people and medieval cities on the beautiful Mediterranean Sea.

On Tuesday next will be our church family night when the men will be responsible for the banquet. Dinner will be served promptly at 6:30, in charge of the various committees appointed. The children will be served and entertained in the primary room in charge of Mrs. Boyd and Mrs. Cobb. An excellent musical program is provided for with Dr. H. A. Leeson of Ann Arbor, speaker. Don't miss this and remember everybody of our church and constituency is welcome. Don't want to be asked personally.

Spiritual Viewpoint.

The perfume of life is love. Any kind of a sinner is a lost sinner. If you have peace within you can bear pain without.

Many a man takes religious vacation for the real thing. A loving deed will grow in any soil. Some people condemn flowery sermons. I would rather smell their perfume than obnoxious gas.

Little sins come in droves; big ones come alone.

Sin may have gold teeth, but it nevertheless, bites.

If you want to know how it feels to be a ging—rule yourself.

A saved man always makes a good witness for Jesus Christ.

GAS COMPANY EXPANDING.

The Plymouth & Northville Gas Co. have installed another new gas bench at their plant in this village. An addition to their present plant will be built very soon. The company will make many improvements in their plant during the coming season. Plymouth Mail.

W. L. Tinham's condition still continues to be critical.

PASSING THE BUCK—WHO STARTED IT?

Lucifer, son of Morning, leader of angelic host, rebelled against High Heaven and charged his trouble to the Almighty.

Adam disobeyed and then blamed Eve. She passed the responsibility to the serpent. That drama has been re-enacted continuously since.

Citizens—leaders—rules—governors—legislatures—pass the buck—shift responsibility—evade their load. It's a great indoor sport—baseless—cowardly—senseless.

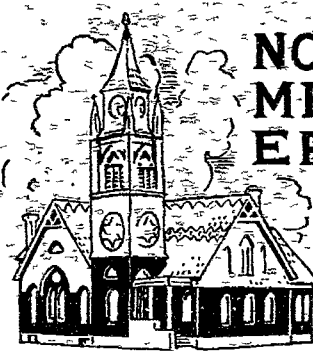

Christ—an innocent prisoner of a hateful Jewish mob—was falsely charged by his countrymen, Caiaphas—Herod—Pilate—all passed the buck—tried to wash their hands of responsibility and failed and are subject daily to the scorn of the world.

We pass the buck—we think we get away with it—we feel so self-satisfied with our job—and BANG—we are discovered—cornered—embarrassed—made to feel like thirty cents.

Pilate thought he wanted to do the right thing but he did not have the sand to meet the issue squarely. We act the Pilate part many a time.

HOURS OF SERVICES
Morning --- 10:30
Sunday School 12 Noon
Evening --- 7:30

REV. WM. RICHARDS

Sunday is Home Coming Day.

There will be good music, an interesting sermon and a hearty welcome from old friends and new ones. In the evening we shall have something special all will enjoy.

We Shall Expect to See You.

First Presbyterian Church

OF NORTHVILLE

Theodore Roosevelt

Left behind him these living words of spiritual impart
Do justice, love mercy, walk humbly—you will do so if you study the life and teachings of the Savior.
Whatever form of creed we profess, we make the doing of duty and the love of our fellow men two of the prime articles of our universal faith.
Every man who is a Christian at all should join some church organization—therefore go to church.

Roosevelt's Favorite Biblical Quotation.
What more doth the Lord require of thee than to do justly and love mercy, and to walk humbly with thy God?

KEEP TO THE RIGHT
GO TO CHURCH SUNDAY

THE FRIENDLY CHURCH

WHY

Do churches observe the sacrament of the Lord's supper? What does it mean? How did it originate? These and other questions regarding this sacrament will be answered Sunday morning by the pastor.

Do You Face an Issue, or

Are You A Side Stepper?

Sunday night the sermon will be about Side Steppers.

Heating Advice Saves Fuel

We believe we can help owners if they will give us a chance to talk with them about the regulation of their boilers. The important thing is the accurate and sensitive control of fire so that it does not "run away" or "smolder out."

Make the coal pile last longer by better firing and fire control. You may need more advice this year because of the necessity of burning less coal and a different kind of coal probably, than you have been accustomed to. Be prepared and have your plant "tuned up."

If you have an OLD house—let us submit an estimate to you for installing a modern labor and fuel saving Ideal American Heating Outfit in it. It is easy to heat old homes because they are usually well built and it is a quick and easy matter to install radiator heating.

Please do not hesitate to call us in. Our heating advice is free and you will be under no obligation whatever. We stake our reputation on our work and OUR PRICES ARE REASONABLE.

AN INTERESTING DOCUMENT— MARY WASHINGTON'S WILL.

Monday was observed throughout the world as the anniversary of the birth of George Washington, and exercises appropriate to the occasion are being held in nearly every town and city this week. The Record is indebted to Mr. and Mrs. M. R. Seeley for the following interesting document taken from a scrap book they have preserved for many years. It is said to be the last will of the mother of Washington, as written by herself, and recorded in the clerk's office of Spotsylvania county, Virginia. The original is in the possession of a gentleman whose home is in Fredericksburg, Va.

In the name of God. Amen. I, Mary Washington, of Fredericksburg, in the county of Spotsylvania, being in good health, but calling to mind the uncertainty of this life, and willing to dispose of what remains of my worldly estate, do make and publish this my last will, recommending my soul into the hands of my Creator, hoping for a remission of all my sins, through the merits and meditation of Jesus Christ, the Savior of mankind. I dispose of all my worldly estate as follows:

Item—I give to my son General George Washington, all my lands on Accokeek Run, in the county of Stafford, and also, my negro boy George, to him and his heirs forever, also my best bed, bedstead and Virginia cloth curtains (the same that stands in my best room), my quilted blue and white quilt, and my best dressing glass.

Item—I give and devise to my son, Charles Washington, my negro man Tom, to him and his assigns forever.

Item—I give and devise to my daughter, Betty Lewis, my phaeton and bay horse.

Item—I give and devise to my daughter-in-law, Hannah Washington, my purple cloth cloak, lined with shag.

Item—I give and devise to my grandson, Corbin Washington, my negro wench, Old Bet, my riding chair, and two black horses, to him and his assigns forever.

Item—I give and devise to my grandson, Fielding Lewis, my negro man Frederick, to him and his assigns forever; also eight silver table spoons, half my crockery ware, and the blue and white tea china, walnut book-case oval table, one bed, one bedstead, one pair sheets, one pair blankets, and white cotton counterpane, two table cloths, six red leather chairs, half of my pewter, one half of my iron kitchen furniture.

Item—I give and devise to my grandson, Lawrence Lewis, my negro wench Lydia, to him and his assigns forever.

Item—I give and devise to my granddaughter, Betty Carter, my negro woman, Little Bet, and her future increase, to her and her assigns forever; also my largest-looking glass, my walnut writing-desk with drawers, a square dining-table, one bed, bedstead, bolster, one pillow, one blanket and pair of sheets, white Virginia cloth counterpane and purple curtains, my red and white tea china, teaspoons, and the other half of my pewter, crockery-ware, and the remainder of my kitchen furniture.

Item—I give to my grandson, George Washington, my next best looking-glass, one bedstead, bed, bolster one pillow, one pair sheets, one blanket and counterpane.

Item—I devise all my wearing apparel to be equally divided between my granddaughters, Betty Carter, Fanny Ball and Milly Washington; but should my daughter, Betty Lewis fancy any one, two, or three articles thereof, she is to have them before a division thereof.

Lastly—I nominate and appoint my said son, General George Washington, executor of this my will, and as I owe few or no debts, I direct my executor to give no security, nor to appraise my estate, but desire the same may be allotted to my devisees with as little trouble as may be, desiring their acceptance thereof; as all the token I now have to give them of my love for them.

In witness thereof I have hereunto set my hand and seal, this 20th day of May, 1789.

(Seal.) MARY WASHINGTON.
Signed, sealed and published in our presence, and signed by us in the presence of the said Mary Washington at her desire.

Witness. James Mercer,
Joseph Walker,
John Ferney Hough.

Determination Wins

Success has no secrets. Her voice is forever ringing through the market place and crying in the wilderness, and the burden of her cry is the one word—Will. This is the declaration of every man and woman who has succeeded.—Grit.

Pleasure and Business

A man that knows how to mix pleasures with business is never entirely possessed by them; he either quits or resumes them at his will; and in the use he makes of them he rather finds a relaxation of mind than a dangerous charm that might corrupt him.—St. Bernard.

NEWS DISPATCHES FROM EVERYWHERE

Officer Captures Five Bandits Single Handed and Recovers Loot

South Bend, Ind.—After a desperate battle in which he was severely wounded, Constable Elias Ackley of New Carlisle, finally wounded and captured five bank bandits who had held up and robbed the bank at Millburg, Mich., of \$52,900 in cash and securities. He held the entire band prisoners in a barn for half an hour before aid arrived.

As the bandits drove into New Carlisle, Constable Ackley, who had been notified to be on the lookout, and Special Deputy Oscar Smith followed them out of town. They overtook the bandits, who then opened fire, wounding Ackley in the groin.

The men abandoned the car and ran for a barn. Ackley sent Smith for aid while he kept firing at the door of the barn. Finally four of the men staggered out wounded, the fifth being too badly hurt to move.

Aid from town arrived and the five were taken into custody. All of the loot was recovered.

Gen. Wood's Son Disappears

Paris—Osborne C. Wood, son of Maj. General Leonard Wood, governor-general of the Philippines, has disappeared from his hotel here, leaving some unpaid bills. Wood, whose sensational winnings in Wall Street while he was in the American Army with his father at Manila, aroused international attention, did not fare so well when he quit the army and came here. He tried to beat the gambling games at the fashionable casinos of the continent and lost large sums, he admitted at the time.

Motor Ship A Success

Grangemouth, Scotland—The Buckau, the new type motor ship, dropped anchor here after completing her difficult trial voyage across the North Sea from Hamburg, Germany, in three and one-half days. Her average speed over the total distance of approximately 580 sea miles, with combined rotor and motor power was seven knots an hour. In view of the heavy seas encountered all the way and the severe northerly winds of the past two days this is considered a creditable performance.

Airplanes Bring Relief

Berne—Corned beef and hard tack dropped from airplanes in daily flight over the Alps saved the lives of three Swiss Alpinists who were marooned for eight days by storm in the Marienell shelter hut on top of the Bernina Mountains. They have arrived safely at Montresina. This is the first time aviation has been brought into play in Alpine relief work.

U. S. Ship Seized

Shanghai—An American upper Yangtze steamer has been seized by the Chinese military authorities, Kweli howdowl Szechuen province, according to a message received here from Ichang, an upper Yangtze port. The captain of the vessel was arrested and the American passengers on board are being detained, the message said.

Soldiers Killed in Car Crash

Manila—Lieutenant Colonel R. E. Herring, Major John H. Hunter and three enlisted men of the coast artillery, were killed and Lieutenant F. L. Hayden and ten enlisted men injured when a trolley car jumped the track en route from the top of Corraja Island, entrance to Manila bay, to the boat landing.

Klan Founder Injured

Gainesville, Ga.—Col. William J. Simmons, founder and former imperial wizard of Knights of the Ku Klux Klan, sustained what were considered fatal injuries in an automobile accident. Capt. M. A. Moore, of Houston, Tex., with Col. Simmons when their car overturned, also was a victim.

Finland Elects President

Helsingfors—Dr. L. K. Relander, governor of the province of Viborg, has been chosen president of Finland by the electoral college. He received 172 votes against 109 for Risto Ryt. Dr. Relander is 42 years old, an agrarian leader, former speaker of Parliament and will take office March 1.

Plan Shipping Combine

New York—J. J. Jones, New York representative of the Morse Dry Dock and Repair company, has announced that preliminary steps had been taken to organize a \$5,000,000 corporation to purchase the United States shipping board's entire fleet of more than 400 idle lake-type ships.

Land Sinks Into Lake

Neustettin, Germany—A promontory projecting into Lake Plesburg and covering one and a quarter acres has suddenly disappeared. The cause is unknown. The promontory was covered by trees from 15 to 30 feet high. Measurements show it dropped 80 to 40 feet.

How To Save Your Current

You can economize in your electric lighting in three ways: first, by using lamps only when and where they are required; second, by using Mazda high efficiency lamps; third, by directing and conserving your light by means of suitable shades and reflectors.

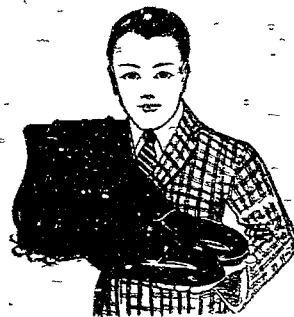

There should be ample light at points where illumination is required often, as for reading, sewing, at the piano or the dressing table. Extra outlets for portable lamps or brackets make it unnecessary to light the whole room too brightly.

Heating appliances, such as percolator, toaster, flatiron, etc., should be disconnected the moment you are done using them. When you forget to switch them off, you waste current and perhaps injure the appliance by overheating.

With proper equipment and by avoiding waste, electricity can be employed in a wide range of household uses at small cost.

LOCAL

Mr. and Mrs. L. H. Barnum are ill with the grip.

Village election will occur one week from next Monday—March 9th.

Geo E Hills has been confined to his home by illness during the past week.

Born, to Mr and Mrs. Ralph L Hay, on February 20th, a little son, Ralph Lorimer.

Mrs. A. J. Helfrich and Doris are spending the weeks with Mr. Helfrich's parents at Ypsilanti.

Mrs. A. K. Dolph who has been confined to the house for four weeks with the grip, is able to be out again.

The rains of Saturday, Sunday and Monday were greatly needed, although a little bit unusual for this season of the year.

Mrs. Wm. Dingman, who was called to Battle Creek on account of the serious illness of her mother, returned home Saturday.

The next meeting of The King's Daughters will be held at the home of Mrs. Chas. Dolph on Tuesday, March 3rd, at 3:00 p.m.

Miss Rhoda Dittman of Wyandotte, formerly of Northville recently spent two weeks with Mr. and Mrs. Claude Secord and family at Almont.

Mrs. M. J. Murphy had the misfortune to trip on the cellar steps at her home and fall the whole length of the stairs, receiving some painful bruises.

Frances Forkey, a former resident of this place, died in Detroit Wednesday and her remains were brought to Schrader Brothers' funeral chapel and prepared for burial.

Mrs. C. H. Young spent the week-end with her son and daughter, Merritt and Geraldine, who are students at the Ferris Institute at Big Rapids, returned home Monday night.

Mr. and Mrs. Fred W. Lyke and son, Robert, left Monday for Grand Rapids to attend the annual meeting of the Hardware Dealers' association. They will also visit relatives at Kalamazoo while absent.

Mr and Mrs C S Filkins left Wednesday for California and Pacific coast points. They will spend several weeks in the west visiting relatives and friends and, sighs being. They will return home via Portland and Seattle.

Mr. and Mrs. Harry Elliott left Tuesday afternoon for Grand Rapids attending the annual meeting of the Michigan Hardware Dealers' association, and to visit Mrs. Elliott's sister in that city. They will return today.

Have you registered for the approaching village election? If your name is already on the village poll list you do not have to register, but if you have moved from one precinct to another you should have your name transferred.

At the approaching village election there will be but three candidates on the "People's" ticket—George W. Horning, for trustee (short term), and Fred E. Carpenter and Lester D. Stage, Sr., for trustee, for full term. The other places on the ticket were left blank by the committee.

Superintendent A. J. Helfrich is spending the week in Cincinnati, Ohio attending the annual meeting of the National Educational association. T. J. Knapp of Highland Park and a number of other Wayne county superintendents are also at the meeting.

Remember the King's Daughters benefit to be given on Wednesday and Thursday evenings of next week at the Alseum Theatre. This organization has had many calls during the past winter for relief and is in need of funds. Your patronage will be appreciated.

The Exchange Clubs of the United States will meet in annual convention in Detroit sometime in September. Detroit was the home of the first Exchange Club formed and this meeting will serve as a sort of home coming for the many clubs now scattered about the country.

Northville and Detroit divided basket ball honors on Saturday night when the first and second DeMolay teams of this village contested on the local floor with one team from Pontiac and the other from Detroit. The local boys' first team was badly beaten while the second team trimmed the visitors by a good margin.

Misses Catherine Curtiss and Lucile Wickham assisted in a piano recital given by some of Guy C. Filkins' pupils at the Federation of Women's club building in Detroit, Monday night. Miss Curtiss rendered "Sonata Pathétique" by Beethoven, and Miss Wickham's contribution to the program was "Romance," by Sibelius. The program was enjoyed by a large number of friends of the young people who took part.

Mrs. L. E. McRobert was truly surprised when she returned from church Sunday to find her home most attractively decorated with ferns and spring flowers. A bounteous dinner was served her daughter, Mrs. Yerkes and Mrs. Trufant. The guests who were there to complete the birthday surprise were her two sisters, Mrs. Hannah Bloy of Detroit and Mrs. Jane Sessions, Mr. and Mrs. W. L. Holden and Marjory and Jane of Detroit, Mrs. H. L. Weaver of Traverse City.

Wednesday night was the beginning of Lent.

Born, to Mr. and Mrs. William A. Tesch, on February 24th, a son, William John.

Dan Lafferty, who has been confined to his home by illness, is able to be about again.

The Michigan girls will give a bench school gym on the evening of March 13th, at the Library.

Please bear in mind the O. E. S. card party at the Masonic temple Friday evening, March 6th.

Mrs. Will G. Johnson has purchased the late Mrs. Whipple place on Wing street and is moving in this week.

Mr. and Mrs. J. L. Becker of Pontiac, formerly of Novi, celebrated their golden wedding anniversary Wednesday, February 25th.

H. S. German & Sons of this place have rented the F. W. Hillman sales room at Plymouth for the display of Dodge Brothers' motor cars.

C. W. Wilber has been nominated for the third time as president of the village of Farmington. He will have no opposition at the approaching election.

Northville Commandery, Knights Templar, will give a ball at the High school gym on the evening of March 20th. Just mark the date on your calendar.

Mrs. S. C. Taylor Mrs. Jennie Taylor and daughter, Agnes of Walled Lake, left Sunday night for St. Petersburg, Florida, where they will spend a couple of months.

Rev. William Richards, pastor of the M. E. church, is spending the week in Detroit in attendance at the Area Conference which is being held at Central Church in that city.

Mr. and Mrs. Bruno Freydl returned home last Thursday from a few days visit with relatives and friends at Mt. Vernon, Ohio. They were accompanied home by Mrs. Nellie Berry and baby.

Ernest A. Kohler returned home from Florida several days ago, where he visited his mother and sister at Pensacola and went on to Tampa, St. Petersburg, Jacksonville, where he visited friends.

Mrs. Kate D. Allen, Mr. and Mrs. F. B. Park and H. R. Lush are spending several weeks in the southland. They will attend the Mardi Gras at New Orleans, and will visit Jacksonville, Florida, before returning home by Plymouth Mail.

For the King's Daughters' benefit at the Alseum Theatre next Wednesday and Thursday evenings the well known picture "The Lighthouse by the Sea," in which the wonderful dog, Rin-Tin-Tin, appears as a star will be presented twice each night. General admission will be 35 cents.

Saturday evening last, Rev. A. K. MacRae, united in marriage at the Baptist parsonage in this village, Clem. Buffmeyer and Miss Bessie Hosmer (age ring ceremony being used). They were attended by Mr. and Mrs. Terrance S. Weston. Mr. and Mrs. Buffmeyer and Mr. and Mrs. Weston are residents of Farmington.

There are good prospects that the Plymouth & Northville Gas Co. will extend its mains to Wayne and connect that growing community with gas. The company has offered to make the extension of a satisfactory franchise can be procured at Wayne and in the townships through which the mains will have to pass.

The associate matrons of Wayne county, O. E. S., entertained the con ductresses at the beautiful and commodious home of Mrs. Belle Bunn at 2445 Seminole avenue, Detroit, on Wednesday afternoon of last week. Mrs. E. A. Kohler and Mrs. K. H. Babbitt attended from here. They are not telling their experience in getting thru though.

On Sunday Mrs. Geo. Ford entertained Mr. and Mrs. Frank Lyons and Mr. and Mrs. Dan Merritt of Salem, Mr. and Mrs. Dean Milburn and son, and Mr. and Mrs. Frank Limbriht of Detroit, in honor of her husband's birthday. Mr. Ford received many pretty and useful presents. They all left wishing him many happy returns of the day.

Waterford News.

A zone meeting of Wayne county rural teachers was held at the Waterford school house last Saturday with a good attendance. About thirty teachers were present to enjoy the very interesting program presented. Dinner was served at one o'clock and the afternoon session was open to the general public and a number of our people attended.

Mr. Roland is in Tiffany, Ohio, on business.

Mr. Dennie's two children have been quite sick but are getting better.

Mr. Roland's baby has been quite sick but is better at the present writing.

Chas. Waterman has been drawn as juror for the U. S. court in Detroit.

Mr. Greenan has leased the Cass Beaton farm on the Salem road just off Plymouth road.

There was a large crowd of water passing over the Ford dam this afternoon.

Property around Waterford is moving very rapidly.

THE BONSTELLE TO PRESENT POPULAR COMEDY.

"The Goose Hangs High," which created an almost furore at the Garrick a few weeks ago, has been secured by Miss Bonstelle and will be the offering for at least a fortnight, beginning tomorrow night.

This play is the work of a Michigan boy, Lewis Beach, and stands forth as one of the great American plays of home life. It is a story of vital appeal to the adolescent or the mature person and during its two weeks stay at the Garrick made many friends.

In fact, its appeal was so strong that Manager Lawrence tried to secure a return engagement, but booking arrangements made this impossible, and through her friendship with Edward Caudle Carpenter, head of the Dramatists' Theatre Inc., Miss Bonstelle was able to secure the rights of the play for the Bonstelle Playhouse.

"THE POTTERS" AT THE GARRICK.

"The Potters," Richard Herndon's production of J. P. McEvoy's successful comedy, will play a return engagement at the Garrick Theatre commencing Sunday night, March 1st, this time being presented by the original New York cast headed by Donald Meek, coming from the Plymouth Theatre, where it enjoyed a year's run and was one of the most talked of plays of the past season.

The Potters' deal with the trials and tribulations of the famous Porter family which has amused millions of American newspaper readers in the Sunday feature sections or the leading syndicated papers throughout the country.

This comedy offers its audiences just exactly 1,000 and 2 laughs and is a novel mixture of satirical humor and genuine pathos. It reveals a typical American family trying to solve its domestic problems in the rather hysterical, bungling fashion which is so amusing as it is set forth by J. P. McEvoy, but which most American families pass through, almost every day without ever seeing their essential humor.

Try Northville first.

Record Lines Cost But Little.

RECORD LINES PAY TRY ONE

LET'S ENLARGE OUR PRESENT SCHOOL GROUNDS.

Northville people will soon be asked to vote upon a proposition to provide more school room, and when the new building is provided more play ground should also be procured. When the present building was erected it was understood that an addition could easily be added to the south side of the structure, and it is thus done the present school ground will be pretty cramped for play ground purposes.

In view of this condition, which is evident to every one who has given the matter any consideration, the question will soon present itself how to procure more room. The writer believes that the best and most practical plan is to enlarge our present grounds by the addition of more land. The present school grounds are tentatively located and the site is a most attractive one and with the addition of more land our school grounds will continue to be the pride of every patron of the district.

Here is a plan to provide additional room. Close West street from Main to Cady and extend the grounds to the east to the street line. Then extend the grounds west by procuring the Smith property adjoining the present school grounds, then the Seelye property, the G. W. Hills property and the property owned by Charles Tibbles. Then over on Cady street there is the Ambler property and the vacant lots adjoining on the east. This would square up the block and make a very desirable site. When these properties have been secured open a street along the west side, leading from Main to First on Cady, affording the residents of Cady street a convenient outlet to the Main street of the village.

There are but a few residences in this block and none of them are expensive, and they could, doubtless, be secured at as reasonable a figure as property anywhere else in the village that would be central or suitable. This addition to our present school grounds would be sufficient for many years and the land lying along Cady street would provide suitable play ground space.

Our present grounds are crowded and to build a new building on some other site would mean that additional land would have to be procured for the school site. When more land is secured why not secure land that is adjacent to the present high school site and provide grounds that will prove ample for many years. As Northville grows it will, doubtless, expand in all directions and to have our school buildings centrally located will prove advantageous in many ways.

Until the population of Northville has doubled it will be unwise and an economic waste to establish so called ward schools or to scatter school buildings about the district.

These are days of centralization of schools in townships and small towns and before any more bonds are voted by the electors of this district would it not be a good plan to ascertain just how the people of Northville township feel with reference to the establishment of a township unit school system? If we are ever to have the township unit system we must secure its adoption before the bond indebtedness of the district is increased. If the matter was properly presented to the people of the township they might desire to make the change now so that all the children of the township may have the advantages of Northville's superior school system.

WHOLE NATION MAY HEAR. It is announced that the inaugural ceremonies, March 4th, will be broadcast by a chain of stations scattered across the continent so that every nook and corner of the United States will be in tune with Washington. Forty stations will be linked together by telephone wires, breaking all records for interconnection between broadcasters.

When President Harding was inaugurated in 1921, the public address system was employed, enabling the crowd of 125,000 which filled the plaza and overflowed into the park to hear his voice.

Think of the wonderful advancement during the short period of four years. President Coolidge's voice will be carried to a national audience of 25,000,000.

START TRACTOR SCHOOL AT M. A. C. MARCH 9TH.

A second truck and tractor course, planned to give practical instruction in the care and operation of gasoline powered machinery on the farm, will open at the Michigan Agricultural College on March 9th and run for four weeks. A similar school is under way at East Lansing now, with good enrollment from all parts of the state.

Registration in the truck and tractor course, which is part of the regular winter short course work at M. A. C., is open to anyone in the state over sixteen years of age. There is no charge. Those who wish information should write to R. W. Tenney, director short courses, M. A. C., East Lansing.

Liszt Knew Fame Early. Franz Liszt was a pianist of note before he was in his teens.

Wixom Whisperings.

B. A. Kitson and family spent Sunday with relatives in Royal Oak.

Clyde Harmon was home for the week-end from Kalamazoo college.

Mr. and Mrs. F. E. Pearsall were in Pontiac Tuesday afternoon.

Do not forget the home talent play to be held at the Petter's hall this Friday evening.

Mr. Rattenbury has sold his store here to parties on the Walled Lake and Pontiac Road.

Mrs. Sarah Patton and Miss Maude Patton were in Birmingham Tuesday to see their sister-in-law and aunt, Mrs. Mary Colby.

The last number of the Lecture course will be held March 2nd, and is given by the Marks and company, magicians. Not only is Marks a clever illusionist but he is a delightful entertainer. His program of clean fun and mystery will be enjoyed by old and young alike.

Mr. and Mrs. Charles Harmon were surprised last Saturday evening when about one hundred of their friends and neighbors walked in on them, and helped them celebrate their twenty-fifth wedding anniversary. They were remembered with many pieces of silverware, including sets of tea and table spoons. A laughable feature of the entertainment was a darky wedding. Ice cream and cake were served, and as the company departed best wishes were left with the host and hostess.

UNUSUAL HAPPENINGS AND OTHER BRIEF NEWS.

Protection For Union Members.

A measure to prohibit labor organizations from expelling members for any reason except failure to pay dues or respect the rules and regulations, was introduced by Representative Crumfield, Saginaw.

Baby Plane Makes Record.

Bourget, France—A baby monoplane with a 25-horsepower motor flew to the Bourget aerodrome from Brussels, a distance of 172 miles, in two hours and 45 minutes at an average speed of 60 miles an hour.

Roumania Reports Germans.

Berlin—Diplomatic tension between Germany and Roumania is near the breaking point, it was said in diplomatic circles. Roumania has been deporting scores of Germans. The German government has threatened reprisals.

Italian Papers Suppressed.

Rome—A new wave of newspaper suppression has swept Italy. At Bologna fascists attacked the office of Resto Del Carlino because the editor had ceased to be a fascist. The Corriere Della Sera at Milan has also been suppressed. It was one of Italy's foremost newspapers. Three Rome daily papers have stopped publication.

Detroit-Fourth in Exports.

Washington—Despite a falling off in its total exports for the year, Detroit maintained in the calendar year of 1924 its former position as the fourth exporting port of the United States. It ranks next to New York in northern cities Galveston and New Orleans being second and third respectively in the table of the year's totals. Figures announced by the commerce department show that Detroit's exports totaled in 1924 \$155,902,382, compared with a total of \$226,590,458 in 1923.

Inventor Wins Millions.

San Francisco—George Campbell Carson, tramp miner and self-styled "floaters," wandered about San Francisco dazed by the decision of the United States Circuit court which held his patented smelter feeder device had been infringed on by big copper companies. The American Smelting & Refining Co., and other firms were ordered to give an accounting which, it is estimated, will net Carson \$20,000,000 or more.

Slaves as "Contraband."

During the Civil war fugitive slaves who sought refuge in the Union lines were considered as contraband and held as such, since if returned they could be used by the Confederates in carrying on the war.

Don't Waste It.

Little Girl (to painter copying a masterpiece)—Would you please tell me what they will do with the old one when yours is finished?—Ridge-way Mercury.

Buy Coffins in Advance.

United States authorities recently admitted into the country as personal property a very handsome coffin brought here by a woman from Europe who, fearing death while here, wanted to be buried in a casket of her own choosing. This fact caused undertakers to reveal the fact that hundreds of eccentric persons, mostly women, had picked out their coffins in advance and they were stored awaiting call. Some are of ivory, some of cast iron and others of rarest timbers.

Keeping Homes Healthy

Remember the old days, how stoves baked you on one side while you froze on the other? Doors were closed so the cold couldn't creep in from the next room.

Modern heat by radiators means every room properly warmed, healthy and comfortable. Saves coal, too.

Let us tell you just how little it would cost you.

NOVI SCHOOL NOTES.

The Novi school entertained the largest zone meeting of the year, at its regular zone meeting on Saturday, February 21st. In spite of the incessant rain, many people turned out. The morning meeting was spent in correcting and grading reading papers, after which a lively discussion followed on how to improve the child's reading comprehension. Many good suggestions were given. It was decided to work for better reading comprehension this month. At noon the meeting adjourned and all went to the Baptist church where a bountiful dinner was served by the Parent-Teacher association, under the supervision of Mrs. Taylor, chairman of the dinner committee. Many rousing songs were sung and a good time for all.

After dinner the afternoon program was held in the church. Miss Papineau, president of the zone teachers, opened the meeting. Prayer was offered by Rev. Thompson, after which a short business meeting was held. The meeting was then turned over to Superintendent W. C. Haines, chairman of the program committee.

Mrs. Thompson, president of the P-T-A, gave a word of welcome. Miss O'Connor gave a three-minute talk on zone work and its value. Mr. Thompson gave an interesting, but short talk. George Lay-lie gave "Lincoln's Gettysburg Address." Mable Boone gave a recitation. Mrs. Shinn gave a reading. Mrs. Smith gave two very delightful songs. Mr. Leonard, superintendent of Farmington schools, gave an address on the "Demands of a Democracy." Mr. Leonard is not only a very interesting speaker, but a good orator, and more important, he gave you something to think about.

About 120 were in attendance; many were visitors from surrounding towns. Many pupils were absent Tuesday on account of attending the funeral of Homer Newbound. The boys and girls of the Novi school are going to send plants later in the season, as a reminder of their regard for Homer.

Miss Ruth Porter, teacher in the lower grades, has had her name changed. She now answers to Mrs. Sturman.

Only three months of school left this term. Mrs. Erwin was a visitor at our school last Monday.

STATE NEWS
IN BRIEF

Flint—An army airplane, piloted by Staff Sergt. Charles M. Wisely, was sent here from Selfridge field to pick up a quantity of spark plugs from a Flint factory for use in the army maneuvers being staged at Lake Vanetten.

Port Huron—A program calling for the construction of more than 20 miles of gravel roads in St. Clair County this year has been outlined by county highway officials. Hearings on the projects will be held in March.

Battle Creek—Mary Gogoff, 13-year old daughter of a wealthy merchant here, known as "the girl without a country," because of her entry into the United States from Canada, was held up by immigration officials, was admitted to the country by Secretary of Labor Davis, under \$1,000 bond.

Mt. Clemens—The Mt. Clemens city commission has confirmed the result of the special election here authorizing the grant of a new franchise to the Mt. Clemens Gas Light Co. The franchise will supplant the present one granted 30 years ago, which has still three years to run.

Monroe—Thousands of fish are floating or frozen in the ice of the River Raisin west of the dam in the village of Dundee, 14 miles west of Monroe, according to report received here. It is said that some poisonous substance has been drained into the river. The authorities are investigating.

Manistee—Manistee voters will decide at the spring election whether the city is to have a boulevard lighting system. The proposal provides \$5,000 for the first section of the system, covering six blocks along the principal street and extensions by approval and appropriation in the future.

New Baltimore—Anti-rabbies treatment has been given Lucy Carpenter and Donald Meldrum, two new Baltimore children as a protection against wounds which they received recently when bitten by a mad dog. An examination of the dogs head made at Ann Arbor, showed that it had the rabies.

Midland—Life imprisonment in solitary confinement was the sentence imposed upon Victor Bagley, 29 years old, who pleaded guilty to slaying 11-year-old Lena Todd, of Coleman. He was sentenced in Circuit Court here by Judge Ray Hart and was taken to the Branch State Prison at Marquette.

Richmond—Harold "Red" Grange, all-American foot ball star from the University of Illinois is a "very sick man," his physician, Dr. J. F. McCarthy, announced. Grange is suffering from a relapse of the mumps, with which he was stricken when he came here to deliver an address to Richmond High school students.

Detroit—Patrolman Phelan McDonough, was killed in preventing a robbery of a Brownie drug store at 8200 Hamilton avenue. In a gun battle with two of a trio of prospective holdup men he was shot at close range through the head and expired 30 minutes later in the Henry Ford hospital. The bandits escaped in an automobile.

Sturgis—The Sturgis Memorial hospital, one of the finest and best equipped hospitals in Michigan, has been formally opened. The hospital comprises 21 private rooms, two wards, three surgical rooms, nursery and dining rooms, sun parlors and baths. Miss Annie Hill of Woodstock, Canada, has been named superintendent.

Olivet—Four Winton township girls are seriously injured as the result of a concrete wall falling upon them at school. Several other children escaped injury. The partition was constructed a short while ago to separate the boys' and girls' cloak rooms. It was made of concrete and is said to have been fastened loosely to the walls of the building.

Menominee—For the second time within a year the village of Daggett, Menominee County, was visited by a serious fire, four buildings being destroyed and two persons being injured. A loss of more than \$30,000 incurred. The postoffice building, general store of John Dunham; residence of Axel Swanson and barber shop of John Logan were burned.

Hart—Residents of Hart opposed to the construction of a community-owned dam and power plant have asked an injunction in Circuit Court, restraining the village council from carrying out the plans, indorsed recently in a special election. Those signing the petition for an injunction say that their action is brought through fear that taxes here will be considerably increased if the dam and power plant are built.

Ann Arbor—Ordinary dirt is to replace wood and brick in constructing houses if experiments of Prof. F. N. Menefee and R. E. P. Franklin of the University of Michigan mechanical engineering, are followed by general adoption. The experiments have shown, it is claimed, that using only earth and pure sand, mixed with 12 per cent of water, a rigidity capable of maintaining 100 times the weight of the ordinary frame house can be secured. The mixture is tamped in forms, and after drying has the consistency of concrete.

COMING—JANICE MEREDITH, AND "THE THIEF OF BAGDAD."

REGISTRATION NOTICE.

To the qualified Electors of the Village of Northville, (Precinct No. 1) State of Michigan:

Notice is hereby given that in conformity with Act 126, Public Acts of 1917, I the undersigned Village Clerk, will, upon any date except Sunday and a legal holiday, or the day of any regular or special election or official primary election, receive for registration the names of any legal voter in said Village not already registered who may apply to me personally for such registration; or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election, February 23, 1925—Last Day for General Registration for Election March 9th.

All electors not already registered and intending to vote at said election, should make application to me on or before the 23rd day of February, A. D. 1925.

Notice is further hereby given that I will be at the Village Hall, Northville, State of Michigan, on

FEBRUARY 14, and FEBRUARY 21 1925, from 8 o'clock a. m. to 8 o'clock p. m. on each of said days for the purpose of reviewing the Registration and Registering such of the qualified electors in said Village as shall appear and apply therefore.

REGISTRATION OF ABSENTEE BY OATH.

If any person whose name is not registered shall appear and claim the right to vote at any election, and shall, under oath, state that he or she is a resident of such precinct and has resided in the Village TWENTY DAYS next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that, owing to the sickness or bodily infirmity of himself or herself, or some member of his or her family, or owing to his or her absence from the village on public or business of his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such

person shall be registered and he or she shall then be permitted to vote at such election. If such applicant shall in said manner, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Registration by Mail or Messenger.
 Under Act No. 7, Public Acts of 1919, the privilege of Absent Voters is extended to include registration. Upon compliance with this act registration can be secured by mail without personal appearance. An affidavit similar to the following must be made:

I, _____, being duly sworn, deposes and says that he is a duly qualified elector of the _____ county of _____ and State of Michigan, that he is not now registered as an elector therein, and that he makes the affidavit for the purpose of procuring his registration as an elector in accordance with the statute.

Taken, subscribed, and sworn to before me this _____ A. D. 1925.

Notary or Justice
 The time limit for registration by mail or messenger is the same as where personal application is made. Therefore the affidavit of an elector desiring to register by mail or messenger must be received by the Village Clerk not later than the SECOND Saturday preceding the Election.

NOTE—A blank form for making application for registration can be had by addressing the Village Clerk and giving name of Village above named.

Provisions in Case of Removal to Another Precinct.

Any registered and qualified voter who has Removed from One Precinct of a Village to another election precinct of the same Village shall have the right, on any day previous to election day, on application to the Village Clerk, to have his or her name transferred from the registration book of the precinct from which he or she then Resides. Such elector shall have the right to have such transfer made On Election Day by obtaining from the board of inspectors of election of the precinct from which he or she Has Removed a Certificate of Transfer and presenting the said certificate to the Board of Election Inspectors of the Precinct in which he or she then Resides.

Dated, February 2nd 1925
 THOMAS E. MURDOCK,
 Village Clerk.

ELECTION NOTICE.

Notice is hereby given that the regular annual election for the Village of Northville, county of Wayne, Michigan, will be held on Monday, March 9th, 1925, at which time the following officers are to be elected:

Village Presidents, Three Trustees (full term), One Trustee to fill vacancy, Clerk, Treasurer and Assessor. Notice is further hereby given that the polling place in precinct No. 1 of said Village, which consists of all that part of the territory in said Village lying west of the center of Center street is located at D. B. Bunn's Garage, Main street, and that the polling place for precinct No. 2 of said Village, which consists of all that part of the territory in said Village lying east of the center of Center street in said Village is located at the Village Council rooms, South Center street.

The polls of said election will be opened at 7:00 o'clock in the forenoon or as soon thereafter as may be and will continue open until 5:00 o'clock in the afternoon unless the board, shall, in their discretion, adjourn the polls at 12:00 o'clock, noon, for one hour.

Dated, Northville, Mich., February 2nd, 1925.
 THOMAS E. MURDOCK,
 Village Clerk.

FORD MOTORS NOW MADE AT RIVER ROUGE.

Another big manufacturing unit has just been opened at the River Rouge plant of the Ford Motor Company. Detroit and all Ford engines are now being built there, facilities permitting most any increase in production that demands may require.

The new building, which adjoins the machine shop and foundry, has a floor space of 525,400 square feet and is of one-story construction with extensive window space and roof of glass and steel so as to provide the maximum in daylight and sanitary working conditions. Motors are assembled on four conveyor lines, each 288 feet in length, and the plant working at capacity can produce 9,000 completed motors a day operating in two eight-hour shifts. Assembly of the transmission and the manufacture of numerous motor parts also are carried on in the new building.

Transfer of the motor assembly from Highland Park to the new building at the River Rouge, brings closer relationship in this phase of the company's production cycle, and manufacture proceeds more continuously. The cylinder blocks, from the time they take form when the molten metal is poured into molds in the foundry, move forward uninteruptedly through the great machine shops and on to the assembly line where they are built into completed power plants.

Passing of the Ford engine assembly line takes from the Highland Park plant and the scene of its origin, one of its most picturesque and interesting departments, one which was a never-ending marvel to the thousands who annually visit this great automobile manufacturing institution.

Since the first small motor assembly line was put into operation, when the Ford conveyor system was inaugurated back in 1911, nearly eleven million Model T Ford motors have been assembled in the Highland Park plant and sent to all parts of the world.

As production demands grew additional assembly lines were installed and when the department closed at the Highland Park plant motors were being assembled on four conveyor lines, each 110 feet long. There were times when more than 8,000 motors a day were produced along these assembly lines with the record sixteen-hour day standing at 8,301.

But progress in manufacture demanded that motor assembly be conducted in closer relation to furnace, foundry and machine shop. With the completion of the new building at the River Rouge the line at the Highland Park plant was discontinued.

REPUBLICANS HELD LIVELY CONVENTION.

At the republican state convention held in Detroit on Wednesday Kennedy Potter of Jackson was elected chairman of the state central committee, defeating Burr D. Cady of Port Huron by 61 votes, after a lively contest. The following candidates for state officers to be elected in April were nominated.

For state supreme court justices—John S. McDonald and George M. Clark.

For regents of the University of Michigan—James O. Murfin and William L. Clement.

For state superintendent of public instruction—Thomas E. Johnson.

For state highway commissioner—Frank F. Rogers.

For member of the state board of education—Frank Cady.

For member of the state board of agriculture—L. Whitney Watkins.

LEGION TO MEET AT PONTIAC TO-DAY.

Two hundred and fifty members of the American Legion and American Legion Auxiliary are expected at Pontiac this, Friday, afternoon for the district convention. Among the speakers listed are John F. Roehl of Detroit, state commander; Col. Augustus H. Gansser of Bay City, former state commander, and Mrs. Eva Spaulding of St. Johns, state president of the auxiliary.

LOCAL.

The Eastern Star ball held at the high school gym last Friday night was well attended and proved a very enjoyable affair.

The Royal Neighbors will hold a regular meeting Monday evening for initiation. Officers are requested to wear white.

At the meeting of the Exchange club on Wednesday noon the members enjoyed a song-fest and feasted upon oranges sent from Florida by one or more local Exchangers who are spending the winter in the sunny south.

Manager Adams of the Plymouth & Northville Gas Company was in Northville on Wednesday. He informed The Record that the new company was in position to serve the public with new mains wherever there are a sufficient number of residents in any locality to warrant making extensions of the service.
