Pictorial Patterns.

NORTHVILLE.

## To The Public

### WE ARE

Nicely settled in our new location. New Electrical Goods arriving daily; all fresh new stock.

We invite you to make this your uptown headquarters.

### Shafer Electric Shop

Phones: Res., 136. Shop, 137. Northville  
Floyd Shafer, Propr. HUFF'S BASEMENT.

### BUSINESS MEN AGREE TO CLOSING SCHEDULE.

At a well attended meeting of the business men of Northville held at the council room on Tuesday night it was decided to close the business places of the village on Monday, Tuesday, Thursday and Friday nights at 6:30, commencing with Monday evening, May 11th.

Merchants in nearly all the surrounding towns have agreed upon a closing program for certain nights of the week and the plan has worked out very satisfactorily. To keep their stores and business places open until eight or nine o'clock makes a pretty long day for those who are compelled to be on the job from early morning until night, six days a week.

The schedule agreed upon will permit the merchants and their clerks to have some recreation in the evenings during the long summer months. The stores will keep open as usual on Wednesday and Saturday nights.

### WILLIAM WESLEY DIED FRIDAY LAST.

William Wesley, who had been in poor health for some time past, died last Friday, aged 72 years. He was born in Birmingham, England, and came to America with his parents when five years of age, the family settling in Michigan. For the past 35 years he has been a resident of Northville, and for several years until failing health compelled him to give up the business he conducted a green house at his home on Plymouth avenue.

He is survived by three sons, William and Fred of Detroit, and John of Walkerville, Canada, besides four grand children and three great-grand children.

Funeral services were held at his late home on Monday afternoon and were conducted by Rev. William Richards. Burial took place at Rural Hill cemetery.

### THE J-HOP WAS A DELIGHTFUL AFFAIR.

The annual J-hop given by the Juniors of the Northville schools at the high school gym last Friday night was one of the most delightful social affairs of the school year and all who had a part in the planning are to be congratulated. The class colors, gold and blue, were used with pleasing combinations in the decorations, which with the very artistic Japanese effects worked out made the gym a bower of beauty. Two inviting cozy corners added their charm to the scene and the whole affair reflected credit upon the young people and their advisor, Miss Frances Yerkes. Punch was served and the merry company of young people danced to their heart's content.

### BASE BALL SEASON OPENS SATURDAY.

The base ball fans of Northville are cordially invited to the opening game at the Detroit House of Correction farm between the farm officers and the Windsor athletics.

Capt. Denniston has recently completed an addition to the grand stand and finished grading and rolling the grounds, making the farm diamond one of the finest in Michigan. A lively game is expected as the Windsor boys have been on the farm lot before and have always put up a stiff battle.

### O. E. S. TO INSTALL NEW OFFICERS MAY 8.

On Friday evening of next week, the 8th, the newly elected officers of Orient Chapter, O. E. S., will be installed. Each member will be permitted to invite a guest:

W. M.—Celeste Kohler  
W. P.—Claude Ely  
A. M.—Mae Babbitt  
Secretary—Marrena Hav  
Treasurer—Ruth Gillis  
Conductor—Lydella Ely  
Assistant Cond.—Blanche Franklin

### THE BUTLERS GIVEN FAREWELL SURPRISE.

Mr. and Mrs. F. A. Butler, who are soon to move from their farm to the Richardson farm on the Fishery road, were given a farewell surprise by their neighbors on Tuesday evening. Upwards of 30 neighbors and friends gathered to express their regret at having them leave the neighborhood and to wish them good fortune in their new home. Refreshments were served and the gathering was a very enjoyable one. Mr. Butler recently sold his farm to Detroit parties.

The Juniors have been fortunate enough to secure the picture machine from the M. E. church for their moving picture entertainment to be given on Tuesday evenings.

### NORTHVILLE TOOK TWO VICTORIES.

Northville High annexed two more ball games over the week-end when they trimmed Wayne in a league tilt 10 to 6 last Friday and then turned on Monroe Saturday afternoon and after a hectic seven innings, during which time Monroe's two pitchers were battered for 18 hits, emerged victorious to the tune of 18 to 5. Monroe's great trouble seemed to be to find a pitcher who had something on the ball. The two who decorated the mound simply threw the ball and ducked. Every one on the local team got at least one hit and Riley collected five out of as many trips to the plate.

Harry German pitched his usual consistent game. Over the fourteen innings of the two games he allowed only twelve hits and could have cut them down even more had it been necessary.

Albert Kohler is the first of the local boys to set a record this year. In the four games played he has succeeded in getting a hit or setting a hit every appearance at bat.

Wayne 3 0 0 0 0 0 2-9  
Northville 6 4 5 1 0 0 3-10  
Batteries—Smith and Stienhauer, German and LeFevre.

Monroe 1 0 4 0 0 1 0-5  
Northville 7 8 1 0 2 0 18  
Batteries—Rammiller, Russian and Branchett, German and LeFevre.

### CAN HAVE R. F. DELIVERY IN THE VILLAGE.

Any person living along the route traveled by the R. F. D. carriers may have their mail delivered every morning by simply putting up a regulation mail box. It doesn't make any difference whether one lives in the country or the village. Any residence on North Center street or the Base Line road, all residences on the adjacent road which includes Plymouth avenue, Main street, West Rogers street, South of Main, Mill street and Fishery road, and all of Randolph street is included. A part of Orchard Heights and Oakwood subdivision could also be supplied on the presentation of a petition. No petition is necessary in the other routes mentioned. If a number of persons will avail themselves of this opportunity, who now have boxes in the postoffice it will accommodate a large waiting list of persons who desire boxes who do not live on a carrier route.

### COOK'S PLACE RAIDED AGAIN.

Monday night a fellow from Plymouth who gave his name as George Nowry, was gathered in by local officers for being intoxicated on the streets. He begged to be permitted to go home and during his pleadings he told the officers he had secured a pint of whiskey at the home of Brownell Cook on Mill street and he made an affidavit to that effect. Officers then visited the Cook place, but judging from conditions about the house some one had given Cook a tip that the officers were coming. On the strength of the affidavit furnished Cook was placed under arrest and taken before Justice Carl R. Ely. He pleaded not guilty and was bound over to circuit court for trial.

### FERRIS STUDENTS FLEE BLAZE IN FRAT HOUSE.

Fire swept the third story of Sigma Alpha Delta fraternity house at Big Rapids Wednesday, driving 20 students out of their dormitory. The loss was estimated at \$3,000, covered by insurance. Defective wiring is given as the cause. The house, one of the best in town, is vacated till repairs can be made.—Detroit Free Press.

Merritt Young of this place was one of the students who had rooms in the building where the fire occurred. The students lost some trunks, clothing and bedding. Fortunately the fire occurred at the noon hour when the boys were at the house and ready to respond to the call for help.

### OPEN REDFORD STORE SATURDAY.

W. H. Elliott & Son will have an opening of their new food market at 18575 Grand River, at Redford, on Saturday, tomorrow, and cordially invite the people of this section to pay them a visit. They have a very attractive store and are offering the public many of the well known brands of goods that made the Elliott store in Northville a popular trading place. The store has been renovated and everything put in first-class condition and the shelves and counters stocked with new goods.

The Record takes pleasure in recommending Messrs. Elliott to the people of Redford.

Mrs. Wren Stillwell is spending the week with relatives in Indiana.

When the painter applies paint on your house

It is to your best interests to know what that paint is—its spreading capacity—its appearance—its durability. You are the man who pays the bill and who loses if the paint goes wrong. Make sure of good results—the most satisfactory and economical job—by having your painter use

**SHERWIN-WILLIAMS PAINT PREPARED**

It is better than any other prepared paint on the market, or "lead and oil". The Sherwin-Williams Co. safeguards quality in every process of manufacture. They make all their linseed oil, own and operate large zinc and lead mines and smelters, and make their dry colors in the largest and best equipped dry color plant in the United States. The results are in the goods. Protect your interests and your property with S. W. P.

Have a good maple syrup outfit for sale.

We buy and sell household goods of all kinds.

Have two houses in the village for sale. If you want to buy see us first. If you have anything to sell see us. No deal too large or too small.

SUTTON & McCULLOUGH,  
34-46 Northville.

STATE OF MICHIGAN, County of Wayne. At a session of the Probate court for said county of Wayne, held at the Probate court room in the city of Detroit, on the twenty-second day of April, in the year one thousand nine hundred and twenty-five.

Present—Edward Command, Judge of Probate.

In the matter of the estate of LIZZIE E. STARKWEATHER, deceased.

On reading and filing the petition of Lida J. Johnson praying that administration of said estate be granted to Edward H. Lapham or some other suitable person.

It is ordered, that the twenty-seventh day of May next, at ten o'clock in the forenoon at said court room be appointed for hearing said petition.

And it is further ordered, that a copy of this order be published three successive weeks previous to said time of hearing, in the Northville Record, a newspaper printed and circulating in said county of Wayne.

(A true copy.)

EDWARD COMMAND, Judge of Probate.

EDMUND R. DOWNEY, Deputy Probate Register.

STATE OF MICHIGAN, County of Wayne. At a session of the Probate court for said county of Wayne, held at the Probate court room in the city of Detroit, on the eleventh day of April, in the year one thousand nine hundred and twenty-five.

Present—Edward Command, Judge of Probate.

In the matter of the estate of LYDIA S. WHITE, deceased.

On reading and filing the petition of Harvey D. White praying that administration of said estate be granted to him or some other suitable person.

It is ordered, that the thirteenth day of May next, at ten o'clock in the forenoon at said court room be appointed for hearing said petition.

And it is further ordered, that a copy of this order be published three successive weeks previous to said time of hearing, in the Northville Record, a newspaper printed and circulating in said county of Wayne.

(A true copy.)

EDWARD COMMAND, Judge of Probate.

EDMUND R. DOWNEY, Deputy Probate Register.

Wm. S. McNair, Attorney, Northville.

NOTICE OF MORTGAGE SALE.

Whereas, Charles F. O. Mason, of the city of Detroit, Wayne county, Michigan, made and executed a certain mortgage, bearing date the 27th day of November A. D. 1917, to Robert B. Thompson, of the township of Northville, Wayne county, Michigan, which was recorded in the office of the Register of Deeds of the county of Wayne on the 30th day of November A. D. 1917, at 11:15 o'clock in the forenoon, in Liber 593 of mortgages—on page 466.

And whereas the amount claimed to be due upon said mortgage at the date of the notice is the sum of Fourteen Thousand One Hundred Sixty-four and 34/100 (\$14,164.34) Dollars, and no suit or proceeding has been instituted at law to recover the debt now remaining secured thereby or any part thereof.

And, whereas default has been made in the payment of the money secured by said mortgage, whereby the power of sale contained therein has become operative.

Now, therefore, notice is hereby given that, by virtue of said power of sale, and in pursuance thereof and of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises, at public vendue, to the highest bidder, at the Congress street entrance to the Wayne County Building, in the City of Detroit, in said county of Wayne, that being the place of holding the current court within said county, on the 2nd day of July, A. D. 1925, at 10 o'clock in the forenoon, the description of which said premises contained in said mortgage is as follows: Lands, premises and property situated in the township of Northville, county of Wayne, and state of Michigan, described as follows, to-wit:

Beginning at the northeast corner of section four, Town 1 south, Range 8 east, running thence south on the east line of said section, fourteen hundred forty-five feet, thence west parallel with the north line of said section, twenty-five hundred twelve and 95/100 feet, thence north parallel with the east line of said section six hundred fifty-three feet, thence east parallel with the north line of said section fourteen hundred seven and 95/100 feet, thence north parallel to the east line of said section, seven hundred ninety-two feet to the north line of said section, thence east along said north line eleven hundred four and 5/10 feet to beginning, containing 57,714 acres of land.

Dated April 2nd, 1925.

ROBERT B. THOMPSON,

38-49 Mortgagee.

Wm. S. McNair,

Attorney for mortgagee.

Northville, Mich.

DR. E. E. PADDOCK,

Desk XXX, Kansas City, Mo.

## NEWS FROM THE STATE CAPITAL

### Reapportionment Finally Wins Ending Long and Bitter Fight

Lansing—Reapportionment of representative seats in the legislature was agreed to by the house of representatives by a vote of 68 to 29.

Under the Howarth Bill, Wayne county will be entitled to 21 seats in the next legislature, instead of just 14 as at present.

The vote ended a bitter legislative battle that has been unrelenting in its intensity for two years. Harsh personal recriminations have been passed. Other legislation has been sacrificed by one side or the other as they pressed for victory.

And even as the anti-apportionment conceded defeat, they lashed at the governor, the lieutenant governor and members of the legislature who have persistently fought for reapportionment with verbal invective that stung.

The Wood Bill, to reapportion the Senate, is still in the House Apportionment Committee. Gov. Groesbeck, who made a personal issue of Wayne county's demand for Constitutional representation and brought about the passage of the Howarth Bill, is already working for the enactment of the Wood Bill. If it passes, all of the Constitution's demands will have been met.

### Transit Bill Passed

With the Callender Rapid Transit Bill passed by both houses of the Legislature and the Davis Super-Highway Bill passed by the House and apparently sure of passage in the Senate, Detroit is in a position to go ahead with the plans of the Rapid Transit commission if the voters so desire.

Erroneous reports from Lansing that the Callender Bill contained limitations which would prohibit Detroit spending more than \$60,000,000 for a rapid transit system, or approximately 12 miles of subways, disturbed the Rapid Transit Commission. The Wayne delegation agreed after talks by leading manufacturers and businessmen to support the Callender Bill without any limitations on special assessments, which meant an act permitting Detroit to build a 40 mile system costing \$200,000,000 if the voters wanted it.

### City Bond Issues Limited

The House passed the Evans Bill designed to curb extravagance in municipal improvements and to regulate municipal bond issues. The measure was part of the administration tax program. It has gone to the Senate. The important features of the bill are those which insist that municipalities must provide adequate funds for the retirement of bonds. Bonds must either be issued serially or a sinking fund must be built up periodically and consistently. The state treasurer would be required to approve all bond issues.

### Railway Bus Lines Approved

The second of the trio of railroad bills introduced by Senator Horatio H. Kärcher, of Rose City, was passed by the Senate by a vote of 20 to 7. The bill gives steam or electric railroads permission to establish motor bus or truck lines in conjunction with or supplanting their rail lines. It was originally provided that they could be established in extension of the rail lines but that provision was killed in committee.

### School Bill Passes House

The Snow Bill which is expected to take the rural schools out of petty county politics and place them under the supervision of men of constructive vision passed the House by a vote of 73 to 3. It would do away with the elective office of county school commissioner and substitute a county board of education of five members with power to employ a superintendent of schools.

### Defeat For 'Beauty Parlor' Bill

Representative Cora Reynolds Anderson's "Beauty Parlor" bill went down to defeat in the general landslide accompanying the dethronement of Charles Culver, of Detroit, as chairman of the Wayne delegation in anything save name. Culver's connection with the bill was credited with causing the defeat, which was by a vote of 44 to 42.

### Chiropractor Bill Fails

A bill to license chiropractors met defeat in a senate committee. It was introduced by Senator David Butler.

### Disability Pay Beaten

Michigan Federation of Labor workers' compensation bill has been killed. The committee on labor, by secret ballot voted against reporting the bill out on the floor for consideration of the house as a whole. The vote was nine to three. The committee split on the issue of arrending the measure before placing it before the house. John Crutchfield, of Saginaw, a miner, and Edward R. Carter, of Delta county, freight brakeman, stood firm against any amendment.

### "ABIE'S IRISH ROSE" OPENS AT THE GARRICK, DETROIT, MAY 3.

The Anne Nichols' miracle play, "Abie's Irish Rose," with the Chicago cast intact, direct from 58 weeks at the Studebaker theatre, Chicago, will begin an indefinite engagement at the Garrick theatre, Detroit, on Sunday night, May 3. This is the celebrated company that threatened to play in a tent in Chicago when the theatrical syndicate refused for a month to give it a theatre.

No play in American history has attracted such international attention as "Abie's Irish Rose." It opened originally with a stock company in Los Angeles. It arrived there for 42 weeks and then another cast was organized for New York City. In New York the play was an utter failure for 5 weeks with all those financially interested taking to the woods. This left Mrs. Nichols holding the bag. She dismissed the high-salaried actors engaged a new cast and borrowed money from a notorious gambler to keep her play alive.

Immediately afterward "Abie" became a success. It is now hearing the end of its third year in Manhattan and on May 23 will have attained the longrun record on Broadway.

The company coming to Detroit was organized 86 weeks ago in Erie, Pa. where it exhibited for 3 weeks, a record in itself because Erie is considered one of the poorest one-night stand towns in the land.

The story of "Abie's Irish Rose" tells of the marriage of a Jewish boy to an Irish girl. The pugnacious parents try to separate the couple which results in the funniest stage situation ever conceived.

The management of the Garrick announces that mail orders for the first two weeks will be accepted. The prices at night are \$2.50, \$2.00, \$1.50, 75c and 50c. The Wednesday matinee tickets are 50c to \$1.50 and the Saturday matinee tickets are 50c to \$2.00. There is a 10% tax on all except the 50c seats. It is well to purchase tickets well in advance.

### TWO NEW COUNTY PARKS.

The county park trustees were authorized last week by the supervisors to start making improvements in the two new public parks both received by gift during the past year. For the Plymouth and Northville, the expenditure of \$7,000 was authorized, in Victory Park, on the Huron river road near Belleville, improvements to the extent of \$3,000 will be made at once.

The Benton woods have long been a popular camping place and with the expenditure of this money some of the grounds will be converted into a more inviting and attractive place for tourists and for those who desire to spend a day or a few hours there under the shade of the beautiful trees.

### ANNUAL CLUB ACHIEVEMENT DAY AT WAYNE.

The annual club achievement day of Wayne county boys' and girls' clubs will be held on Saturday, May 5th in the new high school gymnasium at Wayne. The assistant state club leaders, Miss Sylvia Wixon and Nevels Pearson from the Michigan Agricultural College will be there. The exhibits will be judged at 10:00 a. m. followed by a box lunch at noon, with program and games in the afternoon. Everyone interested in club work should plan to be present on that day.

# Highest Quality KROGER'S Lowest Prices

## New Store Opened Thursday, Apr. 30

At 81 E. Main Street, NORTHVILLE.

With a Full Line of Quality Foods at the Lowest Prices

We sell the finest foods the world produces at prices considerably lower than you pay elsewhere. We buy in tremendous quantities from the producer at the lowest cash prices and sell for cash, eliminating the extra expense of keeping charge accounts. We have no expensive delivery system and no telephones. Since establishing his first store, Mr. Kroger has always believed that it is better to make small profits on many sales than large profits on a few sales. The wonderful growth of this organization is proof that he is right.

## TO THE QUALIFIED VOTERS OF NORTHVILLE

(Published by order, board of Education.)

For some time the Board of Education has realized that "the old order doth changeth" and that "we are now living in a new Northville." A Northville that is no longer held down by time-honored customs and traditions, a Northville whose citizens are looking into the future with renewed hope and spirit, a re-created Northville that can now boast of all the many fine things that make living in a village of this size worth while. Its citizens, of this point with pride to the beautiful setting of the village midst the rolling hills of Wayne county; its industrial and commercial enterprises, its splendid health institutions, comfortable homes, thriving churches, and last but not least its public school system. Northville has awakened as it were to the call of progress and the various forces of the community have united in a common cause.

In order to conform with the new and better Northville the Board of Education have also heeded the call. They have had but one thought in mind, namely, our school system exists only for the boys and girls, our boys and girls. As the community advances so must its school. The one must keep pace with the other. It has been the aim of the Board of Education that no citizen would ever need to apologize for our public school system. Can the reader imagine a more embarrassing situation than the necessity for a business man to apologize to a prospective customer for the inadequacy of the school system? From time to time as conditions changed our plan has been improved. Additional courses, both cultural and vocational, have been added to the curriculum. Better and more modern equipment has been obtained, and extra teachers provided to care for the increased enrollment. The improvements have not been of a sensational nature. We have not asked the taxpayer to pay for any of the so-called "fads" in education. We have included only the bare essentials that our school may not fall behind the standards set by this community. Some would have us do more, some less. We have endeavored to keep our feet on the ground and to give to the next generation a better heritage than the present one had.

This truly is an age of progress, the world is moving ahead by leaps and bounds. The day of the "small" and the "little" school house are gone for ever. Out of the brain of man has come our modern life and the little school house has been replaced by our great modern school system. A system which is training our young people as useful members of society and giving to the world highly trained minds. A system that no longer recognizes the three R's as the only objective in education; a system that has for its ideal "the conservation of the child's health," a system that prepares them to earn their bread and butter and creates a love for the better things of life so that they will enjoy spending their leisure time in wholesome recreation, art, music, literature or some other intellectual "avocation." Above everything else our schools must endeavor to build character.

We, as a Board of Education, charged with the responsibilities of our high office, realize that we represent the qualified taxpayers. We are not unmindful of the fact that we are the servants of the people and that it is our solemn obligation to carry out their will. In order that we may do this with intelligence we decided to make a thorough study of the needs of the school and to report our findings to the general public.

We have known for some time that the village was growing, basing our judgment on the increased school enrollment and the increase in the tax base. As additional pupils entered the school various methods were employed to care for them. Rooms that previously were not being used to the best advantage were equipped and used to care for the overflow from the different grades, that were overcrowded. The first grade has been on half-day sessions for two years with an enrollment of 70 pupils. We feel that we would be justified in asking for another building at the present time so that our pupils could be taken care of to better advantage. However, after a great deal of study of the situation we have decided to delay our building program for at least one year and possibly two years depending on conditions. It seems to us that we have reached the limit compatible with efficient instruction and health but a new plan has recently been considered which we believe will enable us to properly care for all of the pupils. The plan will make use of half-day sessions for at least the first grade as at present and a rearrangement of our present High school plant to take care of a greater number. Of course there is a limit even to this proposed plan but we will make use of it just as long as possible without impairing the efficiency of the system.

As stated before our aim is to carry out the will of the people and with this in mind we intend to give the public the actual results of our study. Every fact and figure will be given through the columns of this paper during the next few weeks. We only ask that you be fair and give this matter your careful and unprejudiced attention. If at the conclusion of this report you feel that our recommendations are in harmony with the recommendations made by the Board your support will be appreciated.

The Board are agreed that at the very earliest opportunity the present school site should be enlarged and a second site obtained on the Northside. It has been the sad history of many a community in this state that school sites were obtained only after the property had increased in value to a figure that was almost prohibitive. We want to safeguard your interest in this respect and secure a site now before the property advances to an exorbitant figure. The reader will agree that property in Northville will never be any cheaper, so why should we delay the issue. The our recommendation for a site on the Northside is based on a survey of the location of pupils. We find enough pupils living in this section to warrant an elementary school building. This graphical

survey will be published later in this year. We also maintain the distance these pupils have to travel is too great and the increasing traffic hazards make it very dangerous for the little ones to attend the present grade school. The primary pupils should not be compelled to walk more than one-half mile to school, according to state requirements. Our present school site is inadequate. The National Educational Association recommends that each child should have an average of 272 square feet of space. Based on this figure and our present resident enrollment of 351 pupils in Grades to Kindergarten, we should have at least 96,258 square feet for school purposes. We actually have 30,000 square feet which shows that we are not meeting this standard by 66,258 square feet. The above figures do not include non-resident pupils. This recommendation also conforms with the State requirements. The remaining articles in this paper will deal with facts and figures to bear out our contention that the above is the best solution of the Northville school situation.

## CLEAN UP CHAIRMAN ISSUES STATEMENT

General chairman Dr. Schuyler of the clean up campaign committee issued the following statement: "Citizens, who take pride in their homes and in their city do not need to be urged to use the rake, hoe and brush at this season of the year. All such men and women are doing their share in the removal of dirt and rubbish as the first practical step in the clean up campaign."

Let us all turn over a new leaf this year. Visitors are always impressed by the many points of interest in and around our city and many of them call this a "city beautiful." So

we have a reputation to maintain while we are safeguarding the health of our families. Let us each do his full share."

## STATE NEEDS MORE COW TEST WORKERS

Continuing rapid growth of cow testing associations in Michigan has brought about a shortage of trained testers, according to Prof. O. E. Reed, head of the dairy department at the Michigan Agricultural College.

With more than 100 associations active in the state, or 15% of all those in the United States, the demand has exceeded the supply of men to handle the cow testing work in nearly a dozen new groups being held up temporarily waiting the assignment of testers.

Men with practical experience in dairy work, especially along feeding lines, frequently qualify for the association management position. The Dairy department at M. A. C. is said to be anxious to get in touch with men who are interested in this field of work.

## COMMISSIONER'S NOTICE

In the matter of the estate of CATHERINE M. STRONG, deceased. We, the undersigned, having been appointed by the Probate court for the county of Wayne State of Michigan, commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the Lapham State Savings Bank, Northville, Mich., in said county, on Wednesday, the 24th day of June, A. D. 1925, and on Saturday the 2nd day of August, A. D. 1925, at 10 o'clock a. m. of each of said days, for the purpose of examining and allowing said claims and that four months from the 23rd day of April, A. D. 1925, were allowed by said court for creditors to present their claims to us for examination and allowance. Dated April 23rd 1925. WILLIAM E. YERKES, EDWARD H. ## The Northville Record.

E. E. BROWN, Publisher.

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., MAY 1, 1925

## ARE YOU HELPING IN THE CLEAN UP CAMPAIGN?

This is clean up week in Northville and every good citizen is doing his part in the great campaign to make this town clean. A movement of this kind develops the true community spirit, and let us hope that all will catch the spirit. Clean up week accomplishes a lot of worth-while things.

It makes clean streets. The streets and alleys are cleaned, repaired and generally thereafter are kept in good condition.

It eliminates germ-breeding places. Disease-breeding haunts are destroyed. Mosquitoes, flies, rats, roaches and other pests often are practically obliterated. This campaign saves human lives.

It improves vacant ground. Lots are cleaned up, mowed and "painted" with the green of grass and shrubbery, or are converted into playgrounds or thrift gardens, thus preventing their return to disorderliness.

Public buildings are renovated. They are cleaned up and beautified. Landscaping is renewed.

Homes are beautified. Back yards are cleaned up. Homes are thoroughly cleaned from cellar to garret. Thus living conditions are improved throughout the community.

Fire losses are reduced. It removes the accumulations of waste and rubbish, the most common cause of fires. Fire-traps are razed and often replaced by modern buildings.

## THE KING'S DAUGHTERS' NOTES.

The next meeting of The King's Daughters will be held with Mrs. A. C. Balden on Tuesday, May 5th. Let every member endeavor to be present to receive their post cards for the parcel post sale to be held by Detroit Chapter of The King's Daughters and Sons on May 28th, for benefit of the "Old Peoples' Home." Let us all do our best to help this worthy cause along.

## LOCAL.

Kill the rats.

Wednesday night's rain was very welcome.

Mr. and Mrs. M. A. Bouine arrive home Monday evening from a visit with relatives near Tiffin, Ohio.

Born to Mr. and Mrs. Alger Meyer, a little son, Robert Charles April 25th. Both mother and child are doing well.

Mr. and Mrs. A. L. Hill of Northville have moved to Northville having rented apartments at the corner of Oak and Wing streets.

Mr. and Mrs. Eliza Simmons of Plymouth have been spending the week with their daughter, Miss Will Green and family.

Mr. and Mrs. Wm. Greer took Master Gerald to the hospital at Ann Arbor last Saturday, to be treated for a dog bite in his check.

Attend the art exhibit at the school building next week. Help the children and pupils to procure some pictures for the various rooms.

Northville was represented by a handsome float in Detroit's safety parade Sunday afternoon. The Northville entry was one of the most attractive in the procession.

Among the names listed on the U. of M. honor roll was that of Miss Elizabeth Van Valkenburgh, who won a Mrs. Eleanor Clav Ford testimonial in debating—Detroit News.

Mrs. J. E. Nims of Detroit, Mrs. Kenneth Groom and little son, Kenneth and little daughter, Elizabeth, of Mt. Clemens, were guests Sunday of Mrs. Trimmer and daughter, Grace.

Those from Northville who heard Dr. M. S. Rice speak at a mass meeting in Detroit Sunday under the auspices of the W. C. T. U. were Mrs. Morton, Mrs. Alice Ross and Mrs. Delbert Westcott.

Mr. and Mrs. C. A. Dolph spent a few days during the past week at Cleveland, Ohio. Mr. Dolph had the pleasure of attending the meeting of the Cleveland Exchange club at Hotel Statler last Friday noon.

The many Northville friends of Daniel Winn will be pleased to learn that he has been elected to the superintendency of the Clarkston schools over in Oakland county. Mr. Winn has been teaching at Redford this year.

## NORTHVILLE RESIDENT CELEBRATES 94TH BIRTHDAY.

To The King's Daughters, Friends and Neighbors of Northville:

I wish to express my thanks and grateful appreciation of the kindness extended to me, in gifts, cards, potted plants, letters and cut flowers, all conveying the best of wishes to the nonagenarian on her birthday of ninety-four years, making the day one around which fond memories will ever linger. MRS. SARAH A. HASTINGS

RECORD LINERS PAY—TRY ONE.

## PRESBYTERIAN CHURCH NOTES.

The pastor will speak Sunday morning on the Apostle's Creed.

The Sunday school lesson, Daniel 1-8, 17. "The Benefits of Total Abstinence."

Y. P. S. C. E. consecration meeting subject, "How Can We Help to Make Home Happy?"

"A Man's Life" will be the subject of the evening sermon.

Mid-week service on Thursday evening.

Sunday morning at 9:00 o'clock our church will have charge of the service at the Detroit Municipal Sanatorium. Special music.

## METHODIST CHURCH NOTES.

Rev. Lightliter of Detroit will speak at the morning service at 10:30. He is coming to Northville under the auspices of the W. C. T. U. and members of the local union will attend the services in a body. The public is cordially invited to attend this service. Remember, the Sabbath school at 12 noon.

The Epworth League will be led by Marjorie Hancy on the "True Freedom." All young folks kindly take notice. Time, 6:30.

In the evening the message will be "Go and Tell Jesus," which will be a help for all. Time, 7:30.

Don't forget the mid-week service Thursday.

## BAPTIST CHURCH NOTES.

We are glad to report an all-around increase in all of our services last week.

The B. Y. P. U. social was a success last Wednesday and had some surprises in store for all of us. The idea was one of Miss Ruth Bierre's and the young folks helped greatly to make it a success.

The pastor's subjects for next Sunday will be at the morning service, "Some Things Paul Believed" and at the evening service, "The way out of the Dark."

Following are Miss Perkins' subjects for next week. References are all in the Book of Revelation and follow each subject. Read the reference before coming to church:

Monday—"Christ and His Church on Earth," chapters 1, 2, 3.

Tuesday—"Christ's Church called to Heaven," chapters 4, 5.

Wednesday—"The World Without the Church," chapters 6, 7.

Thursday—"The Direct Judgment of the Earth," chapter 8.

Friday—"Terror for Jew and Gentile," chapters 9, 10, 11.

## THOU SHALT NOT KILL—IS THAT LAW A FAILURE?

Killing was outlawed six thousand years ago when Cain became mad at his brother Abel and killed him.

Whatever state of civilization you search for it will be found that murder is unlawful—BUT—who dare say that killing is on the wane?

Stealing was banned when the Ten Commandments were formulated and actually it was engraved upon the hearts of the men of earliest recorded time.

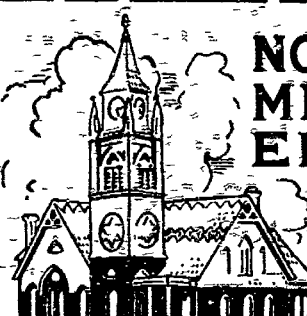

When were thefts more numerous than in this year 1925—the law has failed to stop stealing.

Prohibition was made a law of the land after sixty years of strenuous fighting to secure this result. It was never put over on any body. It has been in operation only five years and the city goes up wailingly its a failure—failure—failure.

The lesson that killing is wrong must be taught over and over and over—so it is with theft—adultery—false witnessing and every modification of the great principles of the decalogue.

## FOUNDATIONS

All men are builders. You build whether you wish to or not—you cannot escape it. You are building a life with which you must face the Judge of all the earth. The structure you are erecting must stand or fall according to the foundation upon which it is built. The church offers you the only safe and sure foundation ever produced, one that has withstood the storms of twenty centuries—Jesus Christ. Since 1829—nearly a century—this church has been aiding men and women to build upon this foundation such lives as God will approve. It invites your co-operation.

Services at 10:30 a. m. and 7:30 p. m.

Sabbath School at 12 noon

Christian Endeavor at 6:30 p. m.

A WELCOME FOR EVERYBODY.

## THE FRIENDLY CHURCH

## Ignorance Is A Crime

when there is no excuse.

There is no excuse for any well person in Northville being ignorant of what is probably the greatest book in the Bible, the Book of Revelation.

MISS EUNICE M. PERKINS

## New Wash Suits FOR CHILDREN

We have a very complete assortment of Wash Suits for children to which we invite your attention. You will find here just the thing for the boy or girl and cheaper than you can buy the material and make them. They are well made and the style and patterns are most attractive.

New Hats, New Dresses, New Coats are still going out about as fast as we can supply them. Come in and select yours today.

Underwear, Hosiery, House Dresses, Bungalow Apron, etc., for women and misses.

## VON HINDENBURG ELECTED PRESIDENT OF GERMANY

FIELD MARSHAL VON HINDENBURG

Berlin—The people of Germany have elected General von Hindenburg, former leader of the German armies, as president of the republic with a plurality of about 845,000 votes. This has stunned the republican elements, who consider the old war chief a "chair warmer" for the Hohenzollerns, a representative of the imperialistic deals which ruled Germany before the world war.

General von Hindenburg is the first president of Germany to be elected by popular ballot. He was nominated by the nationalist-conservative bloc, to replace Dr. Karl Jäger, who failed in election in the first ballot on March 29. His opponent was Dr. Wilhelm Marx, candidate of the republican bloc, adherents of the Weimar coalition, composed of centrist, socialists and democrats. The third candidate was Ernst Thälmann, communist.

### Engineer Would Harness Tides

Fredrickson, N. B.—Dexter P. Cooley, hydraulic engineer, who has spent many years working on a super-power plan by which the tides in the Bay of Fundy would be harnessed, said here that he would present his proposals to the Dominion and provincial governments. He came here to consult Premier Vernet regarding the plan. The project would involve an estimated expenditure of \$100,000,000 and result in the development of 600,000 horsepower of electrical energy.

### Ford Aid Welcomed

Washington—The postoffice department will welcome any effort by Henry Ford and his associates to improve aerial transportation. Postmaster General Harry S. New has announced. New said that he would "give them all the business" possible in the transportation of mail, but that no definite proposal has as yet been received from the American Airway, Inc., the Ford organization.

### Report Unfavorable To Britain

London—The League of Nations commission which has been investigating the question of future possession of the rich oil district of Mosul in Mesopotamia has completed its report which is not entirely favorable to Great Britain. The commission is a purely advisory body, and decision now rests with the league council.

### Germany Builds Highest Towers

Berlin—Two broadcasting towers are now under construction in Germany that will exceed in height all others in the country. Both will be provided with elevators, and will be used as observatories as well. One, to be located in a suburb of Berlin, will be 1,049 feet high, topping the Eiffel Tower at Paris.

### Will Direct Ford Airline

Chicago—Major R. W. Schroeder, former holder of the world's altitude record, has been appointed director of the Ford Airplane Service, with headquarters at the Ford Airport, at Dearborn. He will be in charge of all flying operations for the Stout company, including the service between the Ford factories.

### Associated Press Honors Founder

New York—In recognition of his 25 years' service as president of The Associated Press, or since the organization was founded in its present form, Frank B. Noyes, of the Washington Star, was honored signally at the annual meeting.

### Tacna Award Protested

Washington—President Coolidge has received a cable protest from American residents in Peru against his arbitration award in the Tacna-Arica dispute between Chile and Peru. It was announced at the state department.

### Bulgaria Increases Army

Paris—The council of ambassadors has authorized Bulgaria to increase her armed forces by 7,000, the permission to extend only until the end of May for the purpose of settling present disturbances.

### Bounty Placed on Crows

St. Paul, Minn.—Minnesota has outlawed the black crow when the state legislature completed passage of a bill placing a state bounty of 10 cents each on the bird.

## MARKETS

## UNUSUAL HAPPENINGS AND OTHER BRIEF NEWS

### Herrin Elects Mayor

Herrin, Ill.—Marshall D. McCotmack was elected mayor of Herrin by 197 votes over Thomas Wells, regarded as the Ku Klux Klan candidate, in an election free from any violence. The \$90 votes cast established a record.

### Lepers Cured in Philippines

Manila—Amazingly successful results in the cure of leprosy by use of chaulmoogra oil have been made at Culion, leprosy asylum in the Philippine Islands, according to Governor Leonard Wood. He stated that more than 500 cures had been made in the last four years.

### Mexican Duelists Slain

Mexico City—Carlos Carrillo and Professor Jose Izquierdo, aldermen and members of the board of public works, are dead as the result of a duel which they fought on the outskirts of the city. The two men quarreled and decided to settle their differences with revolvers at once. As both were deadly marksmen their shots were fatal.

### Painleve Gets Confidence Vote

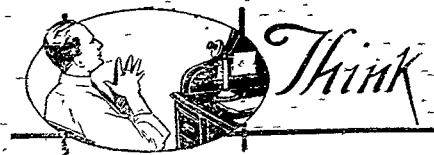

Paris—Nine hours of debate, featured by bitter personal attacks, on Joseph Caillaux, lately returned from exile and now minister of finance, preceded the vote in the Chamber of Deputies on the declaration of policy of the new cabinet. At the conclusion of the verbal fireworks, Premier Paul Painleve and his colleagues were voted the confidence of the chamber, 304 to 218.

### World Harmony Foreseen

Washington—World peace can be ultimately effected only through the clarification and codification of international law and this is to be accomplished only through a great conference of representatives of all the nations of the earth, former Secretary of State Hughes, as president of the American Society of International Law told members of that association at their annual meeting.

### Sims Can't See 'Yellow Peril'

Milwaukee, Wis.—Admiral William Snowden Sims, retired commander of the American fleet in European waters, during the World War, told members of the American Legion post here that there is not even a slight chance that America will be attacked from the Pacific or that the "yellow peril" will become a reality until China is developed to the level of Japan. The latter instance is even still more remote than the first, the admiral said.

You might as well get \$25 twice a year on the thousand as \$20, it don't take any longer.

## NEWS DISPATCHES FROM EVERYWHERE

### Hundreds Executed In Attempt To Crush Uprising In Bulgaria

Belgrade—In spite of the rigid censorship that prevails throughout Bulgaria, authentic reports have reached here of the terror that reigns in Sofia. The courts martial are in permanent session, thousands are in jail, and more than 400 have been executed.

Secret headquarters of the communist peasants and communists were discovered by the police in Sofia. They show that the communists were certain of obtaining control after bombing the cathedral recently and that even a list of new ministers was ready.

Police and troops are continuing their efforts to run down suspected persons. There have been several sharp clashes between authorities and revolutionaries, both in the capital and in the provinces. Several persons are said to have been killed or wounded.

A detachment of troops dispatched in pursuit of the band which attacked the automobile of the king has captured an accomplice of the band, whose arrest it is hoped will lead to the discovery of all the participants.

A quantity of pyroxylin, a high explosive, was found in the home of a French woman. Many women are said to be involved in the communist plot, either having acted as intermediaries or concealed fugitives in their houses.

### Inventor of Automobile Dies

Kokomo, Ind.—Elwood Haynes, inventor of America's first automobile, and internationally known as a scientist and metallurgist, died at his home here following an illness of a few days. In July, 1894, Elwood Haynes, then a young field superintendent for a natural-gas company with headquarters at Kokomo, had a queer buggy, without tongue or shafts, towed out onto a country road. He drove it triumphantly back into Kokomo at the remarkable speed of eight miles an hour, under power generated by a gasoline engine. That, it is claimed, was the first trip of a gasoline-driven vehicle in America.

### Postal Efficiency Requested

Washington—Postal workers were appealed to by Postmaster General Harry S. New, to increase their efficiency at least 5 per cent and at the same time were given warning that incompetent men would be dropped from the service. Now that employees have received an increase in salary, the Postmaster General believes they should make their work a little more effective. Increased efficiency would in the aggregate amount to a large sum of money, officials declare. Postmasters were told that each clerk on the average now represents about \$7,000 and each carrier \$10,000 in revenue.

### Houghton Sails for England

New York—Alanson B. Houghton has sailed on the steamship George Washington to assume his new post as United States ambassador to Great Britain. Mr. Houghton avoided discussion of political affairs. He said he was aware of the importance of his new post and realized the necessity of maintaining friendly relations between the English speaking people.

### Legs Insured for \$50,000

New York—Evelyn Law, dancer, considers her two shapely legs worth \$50,000. She got an accident insurance policy for that amount and on it she was rated as an extra hazardous risk. Miss Law is appearing in a new musical comedy. She enters the stage in one scene in such a manner as to make the slightest miscalculation a risk to life and limb.

### Scott Granted Reprieve

Springfield, Ill.—Russell Scott, of Toronto and Windsor, Ont., was given a reprieve of 90 days by Gov. Len Small, shortly after the Supreme Court had failed to take action on his appeal. Only a few hours separated him from the time fixed for his execution by hanging for the slaying of Joseph Mauer, drug clerk.

### Wilson's Birthplace Raises Fund

Staunton, Va.—With an oversubscription of \$10,000, a citizens committee here closed a campaign for \$100,000 to go toward establishing a birthplace memorial to Woodrow Wilson here. In announcing the result of the campaign, William A. Pratt, chairman of the committee, said a national appeal for funds for the shrine soon will be made.

### Trade Agreement Reached

Madrid—The negotiations for a trade agreement with Canada have been concluded. Spain obtains benefits of the Canadian intermediate tariff only when her goods are shipped direct to a Canadian port from a country with which Canada has a convention. They can not be shipped by way of any American port.

## NEWS DISPATCHES FROM EVERYWHERE

### U. S. and Canada Order Survey Of St. Lawrence River Waterway Project

Washington—After negotiations of more than a year, the way has been cleared for active undertaking of the engineering survey of the St. Lawrence River deep waterway project through final agreement between the United States and Canadian governments on instructions to govern the joint engineering board's duty of the problem.

The final draft of instructions to the board, made public simultaneously in Washington and Ottawa with the complete correspondence in the negotiations, showed a compromise finally was reached in the matter of water diversions to be considered in studying the power possibilities of the project.

By this the joint board is directed to consider in its study the effect of natural water levels in the St. Lawrence River of water diversions from the Great Lakes or the river made under license of either government.

Secretary Hoover, chairman of the St. Lawrence commission, appointed by President Coolidge, declared the completion of the negotiations marked a decided step forward in the progress toward determination of the feasibility of the St. Lawrence project and a final solution of the problem of finding the best route from the Great Lakes to the Atlantic.

### Battle Lines All Ready

Honolulu—The island of Oahu, far from western outpost of the United States and key to the nation's web of defense in the Pacific has been transformed by the Black forces, defending the islands from an attacking fleet, into a veritable armed camp, in preparation for the greatest war maneuver ever staged.

Just as the Blue fleet, which is steaming toward the islands from the east, in an attempt to recapture the island from the land forces was traveling under war conditions as far as possible, the army shore defenses have been arranged along lines which would be drawn in defending the island against actual instead of theoretical attack.

### Senator Wheeler Acquitted

Great Falls, Mont.—Senator Burton K. Wheeler was acquitted of a charge of unlawfully using his influence as a senator before the department of the interior by a jury in federal court here.

Exactly 73 hours and thirteen minutes elapsed between the time the jury retired to deliberate and the time the verdict was returned. Out of this time the jury took one hour and 15 minutes for deliberation and the actual time for deliberation was but a few minutes, according to court attaches.

The accused received two pieces of good news simultaneously—his acquittal and the birth to Mrs. Wheeler of a daughter in Washington.

### Steamer Sinks With Crew

New York—Thirty-eight Japanese seamen, the entire crew of the Japanese steel freighter, Raifuku Maru, were drowned in the raging north Atlantic seas when their ship sank as the Commodore Tuscarora and the Homeric, of the White Star line, stood by, unable to help because of the heavy seas.

### British Sovereigns Return

London—King George and Queen Mary have returned from their Mediterranean cruise where they have been for the king's health. His majesty appeared bronzed and vigorous. Thousands of loyal subjects lined the streets and cheered as the king was driven from Victoria station to Buckingham palace.

### Use Chemicals to Break Jail

Westminster, Md.—Burring their way with acids and other chemicals through the bars of their cells and then burning through the grating of an outside window, four prisoners made their escape from the county jail here. All were charged with stealing and were awaiting trial.

### Largest Dictionary Compiled

Philadelphia—For the information of cross word puzzle fans, the largest dictionary in the world, with more than 475,000 words, can be found in the University of Pennsylvania library. It is embodied in 10 volumes and several dozen pamphlets, and is still growing.

### Hoover To Call Radio Meet

Washington—Secretary Hoover has decided that the increasing pressure of radio problems on his department, which regulates in the radio field, will require the calling of another national radio conference about the end of September.

### Collins' Body Released

Cave City, Ky.—The body of Floyd Collins, cave explorer, who died from hunger and exposure when trapped in Sand Cave late in January, has been freed from its natural underground prison and moved from the cave.

## Facts About the Telephone

There are more telephones in the United States than there are people in Turkey.

Over 1,750,000 telephone calls a day are made in Los Angeles. The greatest number of calls a minute occur between 4:45 and 5:10 P. M.

Automatic telephones are popular in Norway. In the city of Oslo the number of automatic telephones in use amounts to 20,000.

As many as 1,609 girls are employed in Milwaukee as telephone operators by the Wisconsin Telephone Company. They handle an average of half a million originating local messages each day.

Atlanta, Ga., had a total of 49,337 telephones at the close of 1924, of which approximately 5,100 were added during the year 1924.

In 1910 there were 25,535 telephones in operation in the city of Buffalo. At the close of 1924 there were 91,783 or an increase of 251 per cent in fourteen years. Omaha, Neb., has more telephones in use than any city in England, with the exception of London, but has four times as many per capita as London has.

## No Alibi in Winter

### LOCAL

Rev. and Mrs. F. P. Knowles spent  
last Friday with Monroe friends

This is clean up week. Are you  
doing your part to make the home  
town clean and sanitary?

Mr. and Mrs. F. J. Cochran have  
rented the Elmer Smith residence on  
Wing street and will reside there.

The L. O. T. M. will meet on Monday  
evening next at the home of Mrs.  
Charles LeFever, on High street.

Mr. and Mrs. G. E. Richardson, who  
were motoring through from Florida,  
arrived in Northville Monday after-  
noon.

Gordon Arnold of Marine City, neph-  
ew of Mrs. Wm. Montgomery, was  
taken to East Lawn Sanatorium last  
week.

Dearborn Masons are soon to begin  
active operations on their new tem-  
ple. The new structure will cost  
\$220,000.

The Juniors of the High school will  
soon present a play. Parts have  
been assigned and rehearsals are  
being held.

Mr. and Mrs. Harold Turner and  
daughter of Detroit spent Sunday with  
relatives and friends here. Mrs.  
Turner is spending the week here.

Fellowship Chapter, Order DeMolay,  
will hold an important meeting next  
Thursday night to which all Master  
Masons residing in this section are in-  
vited.

About twenty-four relatives from  
Ann Arbor, Northville, Benton Har-  
bor, and Plymouth, helped Mrs. Wm.  
Schroff celebrate her birthday, Mon-  
day. Plymouth Mail.

Mrs. S. A. Lovell underwent an  
operation for appendicitis at her home  
in Orchard Heights last Thursday.  
She is getting along very well, but she  
is also suffering from asthma.

The Kroger Grocery & Baking com-  
pany of Detroit has rented the Knapp  
store on Main street and will conduct  
a grocery store there. Read their  
announcement in today's Record.

The first moving picture show given  
by the Juniors of our High school was  
well attended and proved a very en-  
joyable entertainment. Others will  
be given each Tuesday night for the  
balance of the school year at least.

Mr. and Mrs. F. P. Simmons re-  
turned home from Clermont, Florida,  
Monday afternoon, having motored  
through. They have spent the winter  
at their home in that southern city.

Wayne county will receive \$316,887  
and Oakland county \$60,130 from the  
first apportionment of automobile  
license fees collected by the secretary  
of state for the first quarter of 1925.  
Washtenaw county will receive \$35,080.

Mr. and Mrs. E. A. Babbitt returned  
home last Friday from their sojourn  
in the southland. While absent they  
visited New Orleans and Havana,  
Cuba. Mr. Babbitt reports business  
conditions in Cuba much improved  
over three years ago.

Work of remodeling the rooms on  
the third floor of the Elliott block for  
the Foresters' hall is being pushed as  
rapidly as possible. The new quar-  
ters will be very commodious and  
convenient when all repairs and improve-  
ments have been made.

Messrs. C. H. Bryan, N. C. Schrad-  
er and Superintendent Helfrich accom-  
panied the members of the Senior  
class to the Rouge plant of the Ford  
Motor Company on Wednesday after-  
noon where a visit of inspection was  
made. The young people being shown  
through the great establishment.

Taking part in the greatest peace-  
time exercises ever held by the com-  
bined fighting forces of the United  
States, Kenneth R. Stevens of Plym-  
outh, Mich., is with the U. S. Marines  
who are engaged in mimic warfare on  
land and sea in the Hawaiian Islands  
and on nearby Pacific waters—Plym-  
outh Mail.

Elsewhere in to-day's Record will  
be found an announcement of an art  
exhibit and a series of entertain-  
ments to be given at the school build-  
ing on Wednesday, Thursday and Fri-  
day of next week. The teachers are  
sponsoring this cause for the purpose  
of procuring some pictures for the  
various rooms and grades of the  
school and they ask the co-operation  
of the parents and patrons. The  
exhibits of pictures by world famed  
artists will be worthy of your pat-  
ronage and the programs to be  
presented by the children of the  
grades will delight both old and young.

Miss Susan Marsden, fifth grade  
teacher in the Northville schools, was  
host to a very enjoyable week-end  
house party at her home in Battle  
Creek last week. Those from here  
besides the hostess were Misses  
Orpha Bird, Dorothy Dabuar and Haz-  
el Parmelee, all teachers. The trip  
from here was made by automobile  
with Miss Bird and Miss Dabuar at  
the wheel. They were joined by  
another teacher at Ypsilanti and  
another came on from Kalamazoo.  
The Northville teachers all arrived  
back in Northville Sunday evening,  
after three days of dead loads of fun.  
The young ladies were all equipped  
with knickerbockers and N. H. S. sweaters  
so as to be prepared in case of  
punctures, blow-outs, or break-downs  
of the fiver, but strange as it may  
seem nothing of the kind happened.  
But then, one never can tell.

Work on Northville's new theatre  
building will be commenced within a  
few days.

Wesley Hyatt of Detroit, spent Sun-  
day at the home of his uncle, E. W.  
Lockwood.

Mrs. Myra Stark, aged 32 years, died  
suddenly at her home in South Lyon  
Friday morning.

Mr. and Mrs. A. J. Helfrich and  
Doris spent the week-end with rela-  
tives at Capac.

Mrs. Walter Hoffman, whose death  
was mentioned last week, was a sister  
of Frank Hinchman of this place.

W. H. Corrin and wife, who have  
spent the winter in Florida, are on  
their way home. They are expected  
here this week.

Mrs. E. L. Smith recently entertain-  
ed a company of South Lyon ladies in  
honor of her sister, Mrs. May Carpen-  
ter of that place.

F. E. Deer, who recently sold his  
business at Novi, has purchased a  
farm near South Lyon and will engage  
in the chicken business.

Northville's Fair dates this year will  
be September 22, 23, 24, 25 and 26th.  
Just mark these days on your calen-  
dar and plan now to make an exhibit.

The greens at Meadowbrook and  
Northland golf clubs are very invit-  
ing these days and everything about  
the premises is being put in condition  
for the summer.

E. W. Lockwood and daughter, Ella  
Lockwood, were called to Fowlerville  
last Friday to attend the funeral of  
the latter's uncle, George Newsome,  
who was accidentally killed.

Plymouth Oddfellows celebrated the  
105th anniversary of the order on  
Sunday afternoon with appropriate  
ceremonies. Rev. William Richards  
of this place gave the address.

Mr. and Mrs. H. G. White and A. V.  
Barber spent Sunday with Mr. and  
Mrs. Ross Dixon at San Souci. The  
little son of Mr. and Mrs. Dixon, who  
has been ill is very much improved.

Exchanges F. P. Knowles and E. E.  
Brown of the local club attended the  
meeting of the Farmington Exchange  
club on Tuesday noon. Mr. Knowles  
gave a very interesting talk.

Mr. and Mrs. W. D. Stark and E. W.  
Lockwood and daughter, Ella attended  
the funeral of Mrs. Myra Stark at  
South Lyon Sunday afternoon. Mrs.  
Stark died suddenly having suffered  
a stroke of apoplexy.

Plymouth's handsome new fire truck  
was exhibited in this village Friday  
night. Connections were made to  
some of the hydrants for a test and an  
exhibition run was made down Main  
street. A great many people in-  
spected the new outfit and many  
Northville people wished we had one  
like it.

Mr. and Mrs. C. S. Fiklus returned  
home Saturday night from their two  
months outing in California and the  
Pacific coast country. While in Cal-  
ifornia they met many former North-  
ville people and everywhere were given  
a cordial welcome to the land of  
sunshine and oranges. They visited  
San Francisco, Portland and Seattle.  
While at Portland they enjoyed an  
auto ride over the famous Columbia  
river scenic highway.

At the meeting of the Exchange J. d.  
on Wednesday Messrs. Roy M. Crow  
and R. R. Brown were elected dele-  
gates to attend the midsummer meet-  
ing of the Michigan Affiliated Ex-  
change Clubs which will be held in  
June. F. M. Place told of the 14-  
killing campaign now being carried  
on in Northville and A. J. Peckham  
of Lansing representing the Michigan  
State Telephone Company gave an  
interesting talk on the development  
and growth of the telephone system  
in the United States.

### FORESTER AID NOTES.

The next regular meeting of the  
Foresters Aid will be held at the  
home of Mr. and Mrs. Arthur Stillwell  
on south Center street, Tuesday even-  
ing at 8:00 sharp. All members are  
requested to be present.

### DID YOU GET YOURS?

Have you selected your refrigerator  
from Schrader Brothers big stock?  
They are having a special sale of them  
this week and are offering many very  
attractive bargains. They purchased  
a carload last winter and are giving  
the people of this section the benefit  
of the low prices.

The sale continues until Saturday  
night.

### BAKE SALE.

The Missionary society of the M. E.  
aid will have a bake sale at the Pal-  
ace Market on Saturday, May 2nd,  
41w2c

### PLYMOUTH MEN KILL TWENTY WILD DOGS.

For some time past it has been reported that a pack of wild dogs, located near Plymouth, and that the dogs had carried off chickens from nearby farms. It was finally decided to rid the community of these pests and a "dog hunt" was organized by Chief of Police George Springer of Plymouth. The day selected for the hunt was last Sunday and more than 100 men gathered in response to the call that was made for help. It is said the hunters succeeded in killing more than 20 of the dogs during the day.

In its story of the hunt Monday's Detroit News stated that the hunting party, under the leadership of George Springer, chief of police, began the hunt on the Frazer Smith farm, three miles from Plymouth. Here the party split up into small groups and proceeded into the 220-acre "Spencer Woods" from all directions.

Paul and Fred Schaeffer and Michael Carrier, of Farmington, shot the first dog.

Frequent glimpses of animals were caught, but many of them escaped the barrage which greeted their discovery. J. R. Greer of Plymouth, brought down a large Ardale and Leo Ambruster killed a fox terrier.

The pack, according to the hunters, is composed of numerous breeds and it is declared to be under the leadership of a huge Ardale. Well-worn trails were found but the dogs had disappeared.

Early Sunday, before the appearance of the hunters, Sidney England, a chauffeur employed on the Grehan farm, out on a lone tramp through the woods, discovered a litter of nine pups in a woodchuck hole. The mother was not in sight. England killed six of the litter and carried three to Plymouth. All were mongrels.

Farmers living in the vicinity declare that the pack has been in existence for several years, recruiting its numbers from pet dogs that stray in the woods and remain. Forays at night by the pack are, directed at chickens, ducks and guinea fowls. The dogs have never attacked large farm animals, however.

A second hunt will be conducted within a few weeks by Chief of Police Springer. He hopes to obtain enough hunters to surround the woods, drive the dogs into the open and exterminate the pack.

### Wixom Whisperings.

Mr. and Mrs. B. A. Holden were in Detroit Saturday.

Miss Ellen Stevens of Detroit spent the week-end at her home here.

The Hubbell and Johnson residences are receiving a new coat of paint.

Mrs. Bert Parker spent last Tuesday at Milford with her father, George Sturdevant.

The Senior class of the Wixom school held a bake sale Saturday at the Suggen store. The proceeds were \$13.00.

Mrs. Belle Harford of Detroit and Rev. and Mrs. H. E. Saxles of Plymouth were recent visitors at the home of Mrs. Berge Rucker.

Richard Banfield has sold his farm to Detroit parties. He expects to remain on the farm until fall.

Mrs. James Gibson and daughter Mildred, and Miss Shirley Johnson were Detroit visitors Saturday.

Mr. and Mrs. Burr Decker and Mrs. John Chambers and Mr. and Mrs. George Morris of Detroit were weekend visitors at the Chambers home.

Mr. and Mrs. Fred Perkins and Mr. and Mrs. Edwin Grow and two children of Royal Oak were Sunday afternoon callers at Mrs. Sarah Pattan's.

Mrs. Charles Harmon has been called to her home at Walled Lake for the past week of more by the serious illness of her mother, Mrs. Hyde Smith.

### OBITUARY.

Bradley F. Nicholson, a highly respected citizen of Milford township, passed away at the Milford hospital April 20th. Mr. Nicholson had been in poor health for a number of years, but his last sickness was of about two weeks' duration. He was born March 19th, 1858, and had spent nearly all his life on his farm. He leaves a wife, an adopted daughter and a stepson, Ray Parker, also a sister in Lakewood, Ohio, and a brother at Saginaw.

Funeral services were held at the farm home Thursday afternoon, conducted by Dr. L. S. Brooke with interment in Milford cemetery.

Those from Wixom who attended the funeral were: Mr. and Mrs. R. D. Stephens, Mrs. Martha Furman, Mr. and Mrs. J. M. Furman, Mr. and Mrs. Bert Parker and daughter, Eula, Mr. and Mrs. F. E. Pearsall, Mrs. Sarah Pattan and daughter.

### WALLED LAKE WARBLERS.

Mr. and Mrs. E. V. Mercer have returned from a visit with relatives and friends in Arkansas.

Mr. and Mrs. Burr Tuttle are home from Florida, where they spent the winter.

The grounds about Walled Lake's new school are being improved this spring.

Try Northville first.

### TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week.

Mrs. Christ Brockmiller who lived with her granddaughter, Mrs. Herman Poe, on the Rattenbury farm, was instantly killed last Wednesday by falling down stairs and striking on her head in such a manner as to produce concussion of the brain.

An enjoyable time was had at the residence of Mr. and Mrs. C. C. Blackburn Wednesday evening, April 25th, when their daughter, Margaret, and Mr. J. G. Fleming of Kent Bridge, Ont., were married. Rev. Jerome performed the ceremony.

The minstrel show given in the opera house Tuesday night by the "Lively Colored Boys" of Plymouth was one of the best entertainments ever given in this village. The attendance was exceptionally large. H. C. Robinson, E. K. Bennett, E. C. Hough, Chas. Miller, C. H. Bennett and J. H. Lee appeared as the end men with C. H. Rauch as interlocutor. The entertainment concluded with a warm cake walk by the Daintown Society and that alone was a whole show by itself.

At the republican caucus held here Wednesday, Dr. J. M. Burgess was elected chairman, F. G. Terrill, J. O. Knapp and F. N. Ferrin were elected delegates to the county convention, state-national convention and H. B. Thayer, S. W. Carrington and G. S. VanZile to the county-congressional national convention.

The Juniors of the High school will give a Musical and Farce in the opera house Friday evening, May 4th. Admission 10 and 15 cents. Reserved seats 5 cents extra.

Geo. Rattenbury will open his new hotel on May 1st, next. He has chosen "The Exchange" as a name for the new house.

### WATERFORD NEWS.

Frank Wallock spent Sunday in Detroit.

Alex. McIntyre spent the week-end at his home at Milford City.

Mr. Jones and Jas. Wilson went to Detroit Saturday on business.

Mrs. L. W. Benjamin spent Tuesday with her cousin Mrs. Herb Moe.

Mrs. Arthur Gotts was in Detroit Saturday doing her spring shopping. W. H. Smith and family of Wail Lake spent Sunday with Mr. and Mrs. Herb Moe.

E. H. Grennan will make extensive improvements on the Carmi Benton farm he recently purchased.

Mrs. Amelia Reigler and Mrs. Geo. Roberts took Sunday dinner with their sister, Mrs. Joe Lapham.

Mr. and Mrs. Wm. Smith are moving from the Carmi Benton farm to their new home one mile west of Worden.

Mr. and Mrs. W. S. D'Aples, and Mr. and Mrs. Ralph Gotts and family of Ypsilanti called on Mr. and Mrs. Arthur Gotts Thursday evening.

Mr. and Mrs. Percy H. Gray motored out from Detroit Sunday and took dinner with Mr. and Mrs. McKerregan at Cherry Heights.

### BIRTHDAY SURPRISE LAST OF TOWN.

Tuesday afternoon the Pleasure Seeker's club of over thirty members stepped in to remind Miss Ellen Sherman of her birthday. As Miss Sherman was expecting to entertain her club Thursday they coming two days ahead was a complete surprise to her and also to Miss Addie Beach whose birthday was a few days before. The event was planned by Miss Kittie Sherman, Mrs. Flora Nichols and Mrs. Gertrude Yeakes who served a lovely lunch consisting of coffee, sandwiches, salads, cakes and two beautiful birthday cakes decorated with ferns, flowers and pink and white candles. Miss Marion Thayer presented a lovely loaf cake decorated with candies.

Miss Sherman and Miss Beach were presented with a remembrance from each member present and also wishes for many more such happy birthdays.

Miss Riley Adams and Mrs. Nellie Winters Converse were invited guests.

### IT'S CHEAPER TO SUBSCRIBE AND SEND RECORD REGULARLY.

There are a number of people in this section who send their copy of The Record to relatives and friends in other places after they have read the news. Under the new postal rates this costs them more than it would to have the paper sent direct from this office without any delays whatever. To mail a copy of The Record will cost from four to six cents each week, making the cost for postage alone from \$2.20 to \$3.60. You can secure a year's subscription to your home paper for only \$1.50.

### Gravel and Shingle

Gravel is the name given to aggregations of water-worn and rounded fragments of rocks, varying in size from a pea to a walnut. When the fragments are smaller the deposit is sand, when larger it is called shingle.

## BE WISE

### This Is Clean-Up Week

### Remove The Rubbish--Kill The Rats

Are you doing your share to assist in making Northville clean this week? Have you raked your yard, gathered all the old cans and rubbish and deposited them in boxes or baskets at the curb so conveyances furnished by the village can haul them away?

Have you cleaned the alley back of your store or business place so the business section of town will present an attractive and sanitary condition when the clean up campaign has been concluded?

The Village Health Department asks your cooperation in this big task.

DR. R. SCHUYLER,

Health Officer.

MICHIGAN.

### FORD FOREIGN SALES HIGHEST

All foreign sales records of the Ford Motor company were broken during the first quarter of the present year, March showing the largest gain of any month for the period, an increase of 35% over the same month a year ago.

The record-breaking sales extended to all Ford products, according to company reports, which also show throughout Europe and South America with the largest increases in France and Brazil.

The foreign sales figures for the quarter, exclusive of those of the Ford Motor company of Canada, Ltd., which supplies Canada and the British Colonial possessions, show delivery of 49,567 Ford cars and trucks as compared with 40,949 last year.

Fordson tractor sales increased more than 60% totaling 3,344 for the three months as compared with 2,447 deliveries a year ago.

Lincoln car sales for the first quarter of this year increased 35%, over corresponding period of 1924, setting a new record and indicating the growing popularity of the Lincoln in the high-priced car field abroad.—Detroit Free Press.

### REAPPORTIONMENT GIVING WAYNE 21 SEATS IS PASSED.

Wayne county won its two-year fight for increased representation in the legislature when the House, by a vote of 68 to 29, passed Senator Howarth's bill allowing Wayne 21 representatives, an increase of 7 over their present number.

Passage of this bill ends one of the bitterest legislative battles which has raged in the Michigan legislature for many seasons. Bitterness engendered between the legislative and executive branches of the state government in the gas tax conflicts of 1923, was still in evidence. Velled and on charges of intimidation, brow-beating, vote-swapping and log-rolling were made in the final debates on the floor of the House.

It was repeatedly declared that many House members were whipped into line by the threat that unless they voted for reapportionment their pet-bills would be killed in the Senate or vetoed. Representatives from thirty up-state counties that are desirous of securing a new state normal school for their part of the state, are said to have feared that the Senate would not approve the Bryant bill providing for this school until the House passed the reapportionment bill. On the morning following passage of the reapportionment bill by the House, the Senate unanimously passed the bill for new normal.

Whatever may have gone on behind the scenes and under the surface, the reapportionment bill is now passed and sent to the governor for his approval, which will be promptly given.

The bill to give Wayne increased representation in the Senate is still in the House committee on apportionment and very likely will remain there.

### GRAND TRUNK MAY HAVE NEW SCHEDULE.

According to the Pontiac Press a change will be made in the schedule of the air line division of the Grand Trunk railway system running between Jackson and Richmond on April 26. It is stated the train in the morning will leave Richmond at 8:15 after the arrival at that place of the Detroit train and in the evening will leave Pontiac at 7:45 to connect with the Detroit bound train at Richmond.

The Press states, the new gas-electric coach will be put in use on this line some time in May on the schedule used after the 26th. It is a solid steel car, 59 feet in length, with a 15 foot mail compartment, a 15 foot baggage and express room, and a passenger department that seats 22 passengers with six emergency seats in the baggage room.—South Lyon Herald.

### ARGENTINE ALFALFA FAILS IN MICHIGAN.

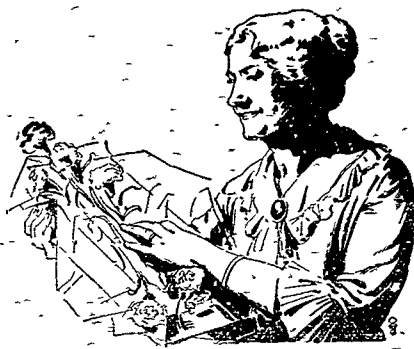

That Argentine alfalfa seed, millions of pounds of which are imported into the United States annually, is virtually a complete failure when planted under Michigan conditions, is shown by results of tests at the Michigan Agricultural College, just announced by the college crops department.

The rapidly increasing acreage of alfalfa in Michigan has created a heavy demand for seed, and farmers who contemplate seeding alfalfa this spring are warned of the fact that not all alfalfa seed offered on the market is adapted to northern conditions.

### NOVI NEWS.

It is estimated that it will cost upwards of \$150,000 for the overhead crossing of the Pere Marquette tracks at this place. The railroad company is paying 50% of the cost, the federal government the other 50% under the Act of Congress, which provides that, for a grade separation on a trunk line highway, the federal government will pay half the cost of construction. The state highway department is doing the overhead construction work, none of it being let to contractors.

## Send Flowers To Mother

Sunday, May 10th, is Mother's Day. Are you planning to send her a remembrance that will tell her in the way that you desire, of your love and affection for her? ## STATE NEWS IN BRIEF

**Monroe**—The city council has au-  
thorized the expenditure of the nec-  
essary funds with which to beautify  
the Soldiers and Sailors' Park and  
the Water Works Park here. Shrubb-  
ery is to be planted. The parks are  
located along the River Raisin.

**Petoskey**—Sheriff George Carpen-  
ter was injured when he was attack-  
ed by Bernard Klise, a prisoner. The  
attack came as the sheriff was pass-  
ing a table where Klise was sitting.  
The man jumped and struck the of-  
ficer on the head with a chair leg.

**Grand Rapids**—An appeal to the  
Kent Welfare council to help check  
the sale of babies in Kent county if  
this condition is found to exist, was  
made by City Commissioner George  
H. Greenbaker, a member of the  
board of control of the juvenile home.

**Eggsba**—Victor Olson, a sexton,  
was attacked and severely bitten on  
the hand by a mad dog while he  
was digging a grave in Staines cem-  
tery. The animal was shot by the  
police. Several cases of rabies have  
been found here and a "shoot un-  
der" order has been issued.

**Marquette**—Incorporation as a  
city of that community in and near  
the village of Center Line has been  
asked of the Macomb County Board  
of Supervisors by nearly 6,000 resi-  
dents. If a special election is au-  
thorized and the proposal approved  
the city is to be known as Gariand,  
according to present plans.

**Marquette**—Red Cross workers and  
municipal officials from surrounding  
towns endeavored to secure shelter,  
food and clothing for the people of  
Chatham, made homeless by fire. The  
fire was started by two girls who  
were playing with matches. The Al-  
ger county infirmary, the public  
school, railroad station and all except  
one dwelling were destroyed.

**Owosso**—Waiving examination, on  
a charge of forgery, Frank E. Suttin,  
former Owosso business man and a  
candidate for mayor two years ago,  
has been bound over to Circuit Court  
and will, he says, plead guilty. He  
furnished bail in the sum of \$3,000.  
The charge grows out of Suttin's al-  
leged attempt to conceal assets of  
\$8,000 in a recent property settlement  
with his divorced wife.

**Detroit**—Opening of a second, in-  
terurban passenger terminal was an-  
nounced by the Detroit United Lines.  
The station which is on Fort street  
in River Rouge, is to be called the  
Oakwood station and placed in op-  
eration. All cars and trains operating  
on the Detroit, Monroe & Toledo  
short line will be met at this station  
by motor coaches and brought  
through the congested parts of the  
city.

**Detroit**—Police reserves, routing a  
mob of 5,000 persons, saved Adline  
Mathis, Negro, his family and board-  
ers at 5915 Northfield avenue, from a  
threatened violence after a crowd  
had advanced in close formation and  
bombed his house with rocks and  
other missiles. A strong police picket  
thrown about the house still was on  
duty early today to guard against  
another outbreak. Mathis told police  
move from the district.

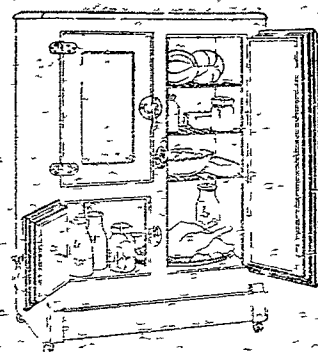

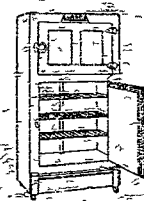

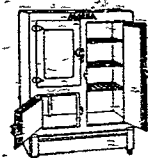

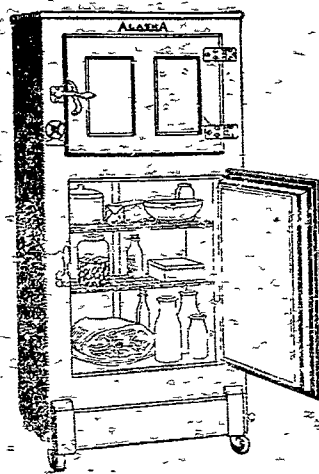

**Lansing**—Three million dollars  
worth of highway reunding bonds  
was sold to a syndicate headed by  
Keene, Taylor and Company, by the  
State Administrative Board. The  
syndicate paid a premium of \$270 for  
\$2,410,000 of four per cent bonds  
and \$350,000 worth of 4 1/2 per cent  
bonds. The average interest cost to  
the state will be 4.046. The proceeds  
will be used to retire an issue of  
short term five per cent bonds.

**Ypsilanti**—As a result of the action  
of the voters here in rejecting a pro-  
posed charter amendment which  
would have raised the limit for the  
issuance of paying bonds from two  
per cent to four per cent of the as-  
sessed valuation, the same amend-  
ment which was defeated last fall  
the council has refused even to allow  
a reading of bids offered by con-  
tractors for paving certain streets  
here. The ultimatum was issued that  
since the voters refused to allow the  
council a free hand the latter will  
permit no paying water during  
the coming year.

**Lansing**—Officials of the Ann Ar-  
bor Railroad completed arrangements  
with the State Tax Commission  
whereby they will issue \$1,500,000  
worth of bonds against the physical  
property of the road and from it pay  
the state \$600,000 for back taxes.  
The delinquent taxes cover a four  
year period. Demand for payment  
has been made from time to time and  
was insisted on a year ago. On that  
occasion, Mr. Lord says, officials of  
the road protested that the Ann Ar-  
bor would be forced into the hands  
of a receiver if the state set about  
to collect the taxes.

**Sandusky**—Farmers and shippers  
living along the Detroit, Bay City  
Western Railroad route must raise  
\$50,000 with which to purchase first  
mortgage bonds from the present  
owners if they wish to receive trans-  
portation service. The new owners,  
who purchased the road recently for  
\$200,000 at a receiver's sale in Bay  
City, state that the section of the  
road in the vicinity of Sandusky can  
not be operated without the \$50,000  
additional capital. If the money is  
not forthcoming, it is stated, this part  
of the railroad will be scrapped.

# THIS IS REFRIGERATOR WEEK!

While at the Furniture Exposition we made a most fortunate purchase of a  
carload of Refrigerators and by buying in such large quantities we are able to  
make very low prices on our big stock. In such large quantities we are able to

We have Refrigerators in a number of sizes—one to meet every need, and  
our price tags will surprise you.

Come in and select the one you want and let us deliver it to your home. The  
use of ice is real economy and a good Refrigerator fills a place in the home that  
nothing else can.

Look in our window. The Bargains are here for you to pick up.
