## LITTLE BOY INJURED BY AUTO-MOBILE.

Saturday afternoon when traffic on North Center street was about at its height, Vernon, the little son of Mr. and Mrs. August Yatzek, who was playing on the sidewalk started to cross the street and darted out from between two automobiles parked at the curb. Mrs. Ross Kenner was driving a Ford coupe down the street from the north, but was driving carefully, but the lad evidently did not notice the approaching car and ran into the rear right hand wheel. He was thrown to the pavement with great force, and it is believed the wheels passed over his left arm, because the member was broken. The little fellow was carried into Schrader Brothers' store in an unconscious condition and medical aid was summoned. An examination disclosed the broken arm and a very bad bruise on the head and fearing that there might be a fracture of the skull the boy was taken to the Bayer hospital at Ypsilanti where an X-ray examination was made. The examination did not, however, reveal a fracture, but a very bad injury. The injured boy did not regain consciousness until Sunday when he asked for a drink of water. It was a most distressing accident but seemed to be one of those for which no one was to blame. A number of children have been permitted to play on the sidewalks of this street and to run across the pavement as they desired and the wonder is that there have not been serious accidents there before.

## LOCAL LEGION TO OBSERVE 'POPPY' WEEK.

The week beginning Saturday, May 23rd, and continuing through Memorial Day, has been declared Poppy Week by the local Post of the American Legion. During this time official poppies will be on sale at White's store, Kilgour's store or by members of the Legion or Auxiliary, the final drive and street sale taking place Memorial Day.

The proceeds from this sale will be used for three worthy purposes; namely to decorate soldiers' and sailors' graves, to comfort the sick or wounded and to aid the children of fallen service men and women. It provides the opportunity for every grateful American—man, woman or child—to express their appreciation for those heroes who gave their all or are still carrying on the fight.

Give as much as you like—all that you can—but wear a poppy on Memorial Day. It is your badge of gratitude expressed, and your symbol of honor bestowed on those to whom all honors are due.

The Poppy is a drop of blood they shed On Flanders fields for you  
A coin, to give them comfort and joy  
That's all they ask—be true

Do not fail them now they lie down  
For all we do or say—  
Cannot repay the debt we owe—  
Wear a poppy Memorial Day

## MEMORIAL DAY WILL BE FITTINGLY OBSERVED HERE.

Memorial Day, May 30th will fall on Saturday this year and already plans are being made for the proper observance of the sacred festival in this village. Services on Memorial Sunday, the 24th, will be held at the Baptist church, and the exercises on Memorial Day will take place in the Presbyterian church.

Northville people are invited to keep these dates in mind and to co-operate in every way possible in making the events of such a character that they will reflect credit upon this community.

## GATHERING A FINE HERD OF DAIRY CATTLE.

F. E. Ainger of Detroit who recently purchased the Frank Butler and the Louis Balko farms, is gathering about the finest herd of dairy cattle to be found in the state. He recently purchased the best herd of Guernseys consisting of 42 head to be found in Michigan and 21 Holstein cows from the Senator Couzens herd. He plans to produce and offer for sale certified milk and he is securing the very best cows he can buy.

## OFFICERS ADD ANOTHER VICTORY.

The House of Correction had no trouble in defeating the Ottaway Drug Co. last Sunday, score 19 to 3. The Ottaway Drug used three pitchers, while Hammond for the officers went all the way allowing only 7 hits and 3 runs.

Next Sunday the House of Correction will play the Chrysler Motor Co. of Detroit at the farm grounds.

Tonight will be celebrated as cap night at the University of Michigan.

## NORTHVILLE TO HAVE BIG GALA DAY.

Plans are being made for a grand gala day in Northville on Wednesday, June 17th, complimentary to the Grand Court of Michigan, Foresters of America, which will hold its meeting in this village on Monday, Tuesday and Wednesday, June 15, 16 and 17. During the forenoon hours there will be a band concert by our own municipal band and a program of street sports, for which liberal prizes will be given. At one o'clock there will be a civic parade and in which a large number of the firms of the village and some of the societies will enter floats. Prizes will be offered for the most attractive display as follows: First prize, \$25; second prize, \$15; third prize, \$10. The parade will disband at the fair grounds where the committee will announce its award of prizes.

For the afternoon there will be a program of racing events and a ball game, which will be given under the auspices of the Northville Wayne County Fair association and the Plymouth Boosters' Club. There will be pacing and trotting races, best two in three heats, and a good sized field of starters has been assured for each event. Then there will be running races and hurdle races which will afford the public something different in the way of entertainment than has been offered here before. These events will consist of the following: Quarter mile, best 2 in 3 heats, for polo ponies only, free for all four furlongs, free for all about six furlongs, free for all quarter mile dash, best 2 in 3 heats, hurdle race, about 8 1/2 furlongs, over four 3 1/2 foot brush fence jumps.

There will be a ball game between the Northville Foresters and the Windsor Athletics and after supper a free dance will be given on the pavement. Thus the day and night will be crowded full to overflowing.

The public is cordially invited to attend the celebration and to join in the fun. A Northville welcome will await all who come.

## ORDER DEMOLAY HELD ENJOYABLE MEETING.

Fellowship Chapter, Order of Demolay, held one of the most enjoyable meetings of its career at the Masonic temple in this village last Thursday night, when six candidates were introduced into the mysteries of the order. At seven o'clock a bountiful dinner was enjoyed, served by Fredk Hedge and his merry crew and the feast was enjoyed by upwards of seventy-five young men and older men who had been invited as the special guests of the chapter. Visitors were present from Plymouth, South Lyon, Walled Lake and Farmington besides a number of members of Northville Lodge. At the conclusion of the dinner a few words of welcome were given by E. E. Brown, in which the aims and purposes of the order were outlined.

The work of the evening was soon taken up and the degrees were conferred in a most impressive and creditable manner. The young men filling the officers' stations all did exceedingly well and gave their parts in a manner that indicated they had been diligent in their efforts to present the work in an impressive manner. At the conclusion of the work J. G. Edwards announced an impromptu program and called upon a number of the Masons present for remarks. All complimented the young men on the manner in which they had given the work and all pledged their assistance and co-operation.

As the young men gathered about the hall it was about as fine a group as any town in the state can boast of and all were proud that Northville had such an organization to help and to inspire its young men.

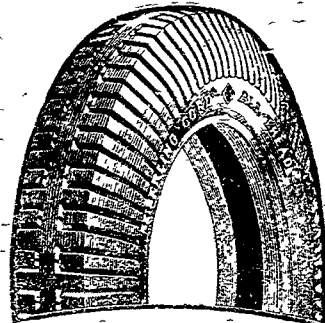

## FORD MOTOR COMPANY MAKES NEW RECORD.

The Ford Motor company set a new production record April 22 for daily output when domestic assembly plants turned out 7,574 cars and trucks. On two other days during the same week of April 17 the company's production passed that of 7,452 cars produced April 9, 1924, the previous high production mark.

## TEMPLARS TO ATTEND CHURCH SUNDAY MORNING.

Next Sunday will be observed as Ascension Day by the Knights Templar organization throughout the country and Northville Commandery will attend services at the Presbyterian church at 10:30. Rev. F. P. Knowles, pastor, who is also a Knight Templar, will deliver the sermon.

S. E. Cranson was in Ypsilanti Sunday.

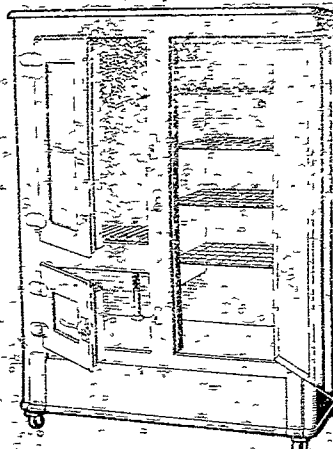

YOU CAN INSURE YOURSELF BY USING SIBERLING TIRES AND TUBES

PUT ON A SET AND REST ASSURED FOR TWO LONG YEARS

KEEP COOL. That's the motto.

For Summer time you can keep your food cool and palatable in the hottest days in one of our Refrigerators. Preserve your health by preserving your food. Snow White inside. Come and look them over.

## NEW SUBDIVISION IS OPEN NEAR NORTHVILLE

Coventry Gardens Has Many Unusual Attractions

A new home community known as Coventry Gardens has just been opened at the intersection of Five Mile and Farmington roads. It is anticipated that this new residence section will develop quite rapidly because it is strategically located with reference to the Ford plants at Highland Park and River Rouge. The Five Mile road leads directly to Highland Park, while the new Fordson highway, which runs thru Coventry Gardens, will form a direct route to the River Rouge plant.

Looking forward to the time when this section will be fully populated, the owner and subdivider has taken steps to insure the property being provided with permanent outdoor recreational facilities such as lawns, communities, general size park for the use of home owners as a picnic ground and children's playground.

A twenty-acre natural park, with wooded slopes and a meandering brook, has been set aside and beautified by rustic bridges and benches. Tables, outdoor stoves, swings and other equipment such as is usually found in children's playgrounds are now being provided so that, when the work is completed, Shoreham Park, as it is called, will be an ideal pleasure spot for home owners in this new section of suburban development.

Each lot owner in Coventry Gardens will be presented with a club membership entitling him and his family to the privilege of using the park not only after he becomes an actual resident but also before that time, for picnic purposes, if he so desires. The ideals which prompted the owners of the property to inaugurate the idea of a community recreational center are reflected also in other features of the property, notably the winding drives which follow the natural contour of the land, and the generous size lots which provide ample space for lawns and gardens.

That the character of the homes in Coventry Gardens will be in harmony with the distinction of the property in the respects already noted, is insured

by the fact that careful restrictions will be made as to the types of homes to be erected. While the prices of the homes will embrace a wide latitude, their general character will be such as to make the new home community one of the most attractive garden spots of Greater Detroit. The subdivision will be provided with all city improvements, including sewers, water, electricity and sidewalks.

## TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week.

The village council held a four hour session Monday night.

Will H. Bailey, one of Northville's very popular young men, was united in marriage with Miss Grace Wells of Milford.

G. H. Gibson is home from New York city this week. George has a nice position there being one of the editors of the New York Engineering Journal.

After 17 years of wear and tear, toil and worry in the dry goods, clothing and shoe business, T. G. Richardson commenced last week to close out his entire stock.

The proprietorship of the Park hotel took a shift on Tuesday when E. A. Shafer retired from business by leasing his hotel and business for a term of years to Will A. Ely of this place, and Fred Burch of Plymouth.

The following teachers for the Northville school with their respective salaries have been selected for the ensuing year:

John Loeffler, Supt.	\$350
Belle Lemon, high school	400
Mrs. Nichols	400
Belle Covert	350
Marguerite Thompson	300
Mrs. Woolly	275
Grace Porter	275
Bertha VanZile	275

There are two vacancies yet to be filled each place, paying a salary of \$400.

The session of the school board last Monday night lasted till past midnight. A warm time was had over the expulsion of five boys. The meeting waxed very torrid and at times the parents, boys, teachers and members of the board all took a hand at one and the same time. A lengthy petition was presented asking that Miss Daniels be reengaged.

Rev. Joe Payne, the cowboy evangelist, opened a series of special meetings at Northville Sunday.

## RUPTURE Expert Here

Seelye Co's. truss expert from Chicago will personally be at the Allen Hotel, and will remain in Ann Arbor Tuesday only, May 19th. Mr. Seelye says: "The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods, exemplifying instantaneous effects, immediately appreciable and without any strain or position. Large of difficult cases, or incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions." Warning: All cases should be cautioned against the use of any elastic or web truss, with under straps, as the same result where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seelye has documents from the United States government, Washington, D. C., for inspection. Our representative will be glad to demonstrate without charge or fee, then it desired. Business demand prevent stopping at any other place in this section. P. S.—Every statement in this notice has been verified before the Federal and State Courts—P. H. Seelye, Home Office, 117-N. Dearborn St., 44-1P. Chicago.

## Waterford News.

Mrs. Herb Moe spent Friday in Detroit.

Robert Bachtel spent last week in Ypsilanti.

Mr. and Mrs. Charles Waterman spent Tuesday in Detroit.

Jim Wilson, who works at Ford's, was home sick last week.

William I. Thomas visited his father, Calvin Thomas, last week.

Ernest Taylor spent Sunday in Detroit with Mr. and Mrs. George Roberts.

Mrs. Ida Hughes spent the week-end in Plymouth at her daughters, Mrs. McGraw.

Mr. and Mrs. John Schmidt and son of Royal Oak, spent Sunday with the latter's mother Mrs. Wm. Richards.

Mr. and Mrs. Percy H. Gray motored out from Detroit and had Sunday dinner with Mr. and Mrs. McKernighan at Cherry Heights.

Work started Tuesday morning with a steam dredge and a large force of men to finish the sluiceway from the Ford factory to the dam. A crew of men are putting the finishing touches on the factory.

RECORD LINERS PAY—TRY ONE

## FORD GETS FIVE PRODUCTS FROM FACTORY RUBBISH

Out of old mortar and plaster, clinkers and burned-out fire brick, scrap asbestos trimmed from gaskets, and just plain rubbish—put together with a few other necessary ingredients, a salvage force at the Highland Park plant of the Ford Motor company manufactures five useful products, and saves in the process one by-product. Cinders, old mortar and plaster are dumped into a slag crusher, ground and sent aloft on a conveyor. A magnet catches through a conveyor belt the bits of metal that have become mixed with the trash, the ground of crushed material is graded according to size in a rotating sieve; the metal bits, clung to the belt and, when the magnet lets go, drop through a chute into a trailer placed below. The finished product is stored in a hopper, ready to be used for filling holes in roads, for serving as a first layer in

grading operations, and so forth. Scrap asbestos, coming principally from the gasket job at the Highland Park plant is shredded and mixed with Ford cement, Kenner clay and Manistee sand. The result is a somewhat coarse asbestos cement, used as the first "coat" in pipe covering or boiler lining. For a finish "coat" the scrap asbestos is mixed with magnesia and silosel. A mixture of Manistee sand and Kenner clay is also made in the department. These are mixed wet to form cupola mud and ladle lining for the Rouge foundry. Michigan Financial Record.

The Michigan legislature which adjourned last week after being in session four months, created an expense account for the people of the state amounting to \$58,000,000 and passed some 300 new laws many of which never ought to have been permitted to get past the committees.

No. 2

-Graph No. 2-

Light Section Total Enrollment 1916-17-May 1st 1925.  
 Percent Increase 56.1% Net Gain 244 Pupils.  
 Dark Section Average Yearly Attendance 1916-17-May 1st 1925.  
 Percent Increase 58.1% Net Gain 219 Pupils.  
 Dotted Line represents No. of Non-Resident Pupils.  
 -Northville Public Schools-

#### TO THE QUALIFIED VOTERS OF NORTHVILLE DISTRICT NO. 2 P.R.

(Published by authority of the Board of Education.)  
 The above graph No. 2, reveals to the reader the story in picture form of the increasing enrollment of the Northville Public Schools for the years nineteen hundred sixteen and seventeen to May first of the present year. It is interesting to compare this graph with that of the census graph published last week and note how the one is affected by the other. An increase in the school census naturally means

a greater enrollment. The census of a total of 188 pupils. During the same period the enrollment has increased over 56% or a net gain of 244 pupils. By enrollment is meant the total number of pupils who have been on the roll during the year. This of course includes those who have left during the year. For the year 1916-17 the total number enrolled was 434 while for the present year up to May 1st, the number is 678. The enrollment is indicated by the light section. To give the reader an accurate idea of

the total number for which seats are actually held a second graph is shown in connection, indicated by the dark section. This section gives the average yearly attendance and the number for which we must be prepared. After deducting the non-resident pupils, the average yearly attendance in 1916-17 was 330 while for the present year the number is 526. This represents a gain to the school of over 59% thereby indicating that more children are in school today than in 1916-17. The dotted line indicates the number of non-resident pupils for the

various years. The foreign pupils were deducted in making the computation of the average yearly attendance for it is the intention of the Board of Education to show clearly the needs of the school district. The policy of the Board of Education has been to encourage the admission of foreign students. We have felt that it is a distinct advantage to the business interests and the community to have pupils from the neighboring district attend our school. The parents of these children will naturally have their interests centered in Northville and will, therefore, come here to trade. Some will eventually buy homes in the village due to the associations formed when their children were in school. In order to meet the increased cost of education the tuition rates for next year have been advanced from \$50 to \$60 in the grades and from \$60 to \$85 in the High School. As the non-resident pupils are scattered over the entire school they can be taken care of without materially increasing the cost of instruction. The amount of tuition received each year will pay for the salary of nearly three grade teachers. Watch next week's issue of The Record for further facts and information.

her passing.  
 The Arnold home near the lake was destroyed by fire last week.  
 The High school presented a home talent play at the school auditorium last Thursday night.  
 A mothers and daughters banquet was given at the High school building last Friday night under the auspices of the Camp Fire girls. The ladies of the M. E. church furnished the splendid dinner for the banqueters.  
 Mrs. H. Smith is in poor health.  
 Ira Carnes was always lucky. He had his auto stolen a few nights ago, but it was recovered within a few days after its disappearance.

The funeral of Mrs. H. J. Smith, who died last Friday at her home here after a long illness, was held on Sunday afternoon at three o'clock. She was greatly beloved by all who enjoyed her acquaintance and her death is universally mourned by the people of this section. Besides her husband she leaves six daughters, Mrs. Ira Carnes of Walled Lake, Mrs. Charles Harmon of Wixom, Miss Sybil Smith of Pontiac, Mrs. Ed. Bickman of Walled Lake, Mrs. Fannie Terhune of Santa Cruz and Miss Bernice Smith of Detroit, also one son, Clyde Smith, of this place, and three grand children. Her only sister, Mrs. Nettie Qungley, lives at Puente, Calif.  
 The pleasant home of Mr. and Mrs. Fred Parmenter was the scene of a very enjoyable gathering on Sunday when Mrs. Parmenter entertained a company of relatives in honor of her

husband's birthday. Among those present to enjoy the bountiful feast and the good fellowship were Mr. and Mrs. William Parmenter, Miss Valera Parmenter, Charles Parmenter and Miss Carol Towles of Pontiac; Mr. and Mrs. Harry Proftva and daughter, Phyllis Ann of Sylvan Lake, and Miss Dora Lare, who was home from Ypsilanti Normal college.

#### NOVI-TO-HAVE LUMBER YARD.

The people of Novi have felt the need of a lumber yard in their community for some time, and now that building operations are becoming quite active in that section, A. L. Hill of the Novi Elevator has arranged to meet that need. He will soon install at his present location a full and complete line of building material and supplies and will aim to serve his customers with everything they need in that line.

The announcements of the new yard will appear in The Record from time to time and Novi people will find the new lumber yard a real community asset.

#### WELL KNOWN SOUTH LYON CITIZEN DIES.

David Deake died at his home in South Lyon last week Friday and funeral services were held at his late home on Monday afternoon, being conducted by Rev. Halliday of Salem. Burial took place in the Walker cemetery. Mr. Deake was the father of Mrs. George Foreman of Salem.

# Coventry Gardens

## An Opportunity Right at Your Doorstep!

The dream of a lifetime come true! A home in one of nature's most beautiful garden spots—close by a natural park with wooded trees and a trickling brook!

Here, in Coventry Gardens, a few hundred fortunate ones will find the long-sought-for location of the home they have been dreaming of—in a delightful suburb of rolling hills, winding streets and generous residence sites.

Situated on two main arteries of travel, Five-Mile Road and Farmington Road, with a new projected highway to the Rouge intersecting the property, Coventry Gardens is easily accessible to those having occupations in Detroit, Highland Park, River Rouge, Farmington, Northville, Redford, Plymouth and Wayne.

Fifty-foot lots, priced as low as \$750! Down payment of 10% on residence lots—15% on frontage! Special low terms to buyers planning on building during the next six months!

Come out to Coventry Gardens and feast your eyes on the beauty of it. Select your lot now and be in on the ground floor of this new development project!

## STATE NEWS IN BRIEF

**Ionia**—Jess Tompkins, 29, father of three children, was sent to the county jail for beating and ill treating his 5-year-old daughter. School authorities made the complaint when the little girl came to school crying. He flogged her with a strap with a butt at one end.

**Marquette**—Leo Sauerman has left the Marquette branch prison a free man, on a pardon granted by Governor Alex J. Groesbeck. Sauerman served two years and 7 months of a life sentence imposed on him for the murder of Alex Dombrowski, Gibraltar township farmer, for which crime Harry Hill was recently convicted.

**Sault Ste. Marie**—Traffic through the canals at Sault Ste. Marie for the month of April was more than double that of April, 1924. L. C. Sabin, general superintendent, reported. The total freight movement for the month was 3,604,023 tons, compared with 1,610,535 tons for April, 1924. The canal opened April 10, nine days earlier than it opened in 1924.

**St. Ignace**—Mrs. Thomas Smith, living 10 miles northeast of here, is in the Bronson hospital, fatally burned and two children were burned to death, when their house was destroyed by fire. The son, built a fire, called his mother and then went out to do the chores. Mrs. Smith fell asleep and when awakened by smoke found the house on fire and then fled ablaze.

**Marquette**—Two Northern Normal chaps whose names have not been ascertained were heroes in the rescue of John La Bonte, 3, from drowning in Lake Superior near here. They held his head above water until Sylvester Frydahl of Ironwood and Clarence Aslett of Gladstone, also Normal students, hauled him out. The men students worked over the boy 30 minutes before artificial respiration revived him.

**Grand Rapids**—Arthur J. Falk, 23 years old, returned here from Detroit on a charge of embezzlement preferred by Hopkins, Chrysler & Co., with which he formerly was employed as cashier. He was fined \$400 and costs of \$100 by Superior Judge Leonard D. Verdier. The respondent was ordered to repay the stolen money, estimated at from \$2,855.88 to \$3,850 and was placed on probation for two years.

**Grand Rapids**—General H. Bandholtz, United States army, retired, died suddenly at his home at Constance, near here. He had not been well for some weeks. His Bandholtz had returned from the hospital where he underwent an operation, and the two were sitting talking when General Bandholtz suddenly sufficed and nearly fell from his chair. He expired almost at once. Heart trouble was the cause.

**Marshall**—The wife of United States Representative Arthur B. Williams, of Battle Creek, has been filed with Probate Judge Blake W. Hatch here and petition was made to admit it to probate. It was made December 9, 1924 at Battle Creek. Mrs. S. M. Williams and the United National bank of Battle Creek are named executrix and trustee, respectively. The estate is valued at \$75,000 real and \$50,000 personal. There are nine heirs and legatees.

**Pontiac**—Establishment of a clinic for crippled children has been brought about by the Rotary club of Pontiac which has been engaged on the project for a year. The first clinic will be held on May 14 in a local church with Dr. F. C. Kerner, of Detroit in charge, assisted by Miss Alberta Case, executive secretary of the Michigan Crippled Children's association. Cooperating with the Pontiac club are the Ferndale, Farmington and Royal Oak clubs.

**Detroit**—Appointment of the A. L. Drum company, nationally known consulting engineers, to assume the management of the Detroit United Railway is contemplated by the receivers. It is learned Official announcement of the appointment awaits court authorization. The Drum company was employed recently by the receivers to make a complete survey of the D. U. R. system. The firm has engaged extensively in managerial problems in the railway field.

**Marquette**—William Hansen, chief of the Marquette fire department, holds the distinction of being the most modest man in this district. Recently the city commission was presented with an urgent request to send the chief to the annual convention of the National Firemen's Association at Chicago, May 19 to 21, because as vice-president for the year, he is to become president of the national organization. The request came from the headquarters of the association.

**Grand Rapids**—Although he spent the last two years lying in bed in a plaster cast to correct a spinal trouble, Maurice B. Pekarsky has been voted the Union High School student achievement award by the faculty. Able to attend classes only during periods in which his cast is being changed which comprised not more than 2 months during the last year, Pekarsky nobbled to the school house when he can recite for the school week. He has been in bed, and receives assistants for his next period in the east.

**Ypsilanti**—All present city officers were re-elected at the first meeting of the new city council.

**Manistee**—John H. Rademaker has been chosen mayor of Manistee for the sixth time in succession. He was first appointed mayor in 1920 to fill a vacancy then elected by the people in 1921 under the council form of government.

**Saginaw**—Irma Wahl, 22 years old, arrested by detectives, has confessed the police say, that she was responsible for the theft of 10 automobiles here within the last six months. She said she took the automobiles to go joy-riding, then abandoned them.

**Peterborough**—The Michigan Transit company has announced a two boat a week service to northern Michigan ports—the first in history. The Muskegon will land here Sundays and Thursdays, returning to Muskegon on Saturdays. Low water in Lake Michigan seriously hampers shipping here.

**Port Huron**—After 56 years, the St. Clair County Republican, a weekly newspaper, published at St. Clair, has permanently suspended. The newspaper plant and building which it housed were practically destroyed by fire April 29. H. A. Hopkins, owner of the newspaper, said he had decided not to rebuild.

**Battle Creek**—The grain elevator and warehouse here, property of the Farmers' Banking company, of Battle Creek, together with its entire contents, were destroyed by fire of unknown origin. The loss which is estimated at \$10,000, covered by insurance, here, 500 two-bushel sacks of beans and about two carloads of potatoes.

**Kalamazoo**—To prevent possible escape of the late Millburg bank robber suspects from the county jail, which brought here for trial, on a charge of being from Berrien county a section of heavy steel wire of close mesh is being constructed about the cage and cell block where the quagmire will be confined. It is said that members of the gang have boasted they would never be held.

**Lansing**—Efforts to reopen the hearing in the Dodge Bros. stocks to be sold by the Michigan Security commission were expected to be made by J. H. Smith, Detroit attorney, representing Dillon, Read & Co. of New York. The commission's auctioneer is the sale of Dodge Brothers debentures in Michigan. This issue is also \$75,000,000. It bars the sale of preference stock issue of \$35,000,000.

**Alpena**—The originating in the chemical laboratory of the Alpena high school caused a loss of about \$600. A lighted torch in the laboratory set fire to the wall and the fire ran between the walls to the attic when sparks broke out in a situation room. The building was empty within 10 seconds and no accidents occurred. Students in the day fire proof annex were not aware of the fire until alarmed by a guard.

**Lansing**—Representatives of the State Public Utilities Commission will go to Washington for a conference with the Interstate Commerce Commission on the new rate of freight cars. According to information received the conference may result in a final order. The rate case has been pending since 1923. It involves an estimated saving of between \$1,500,000 and \$2,000,000 a year to Michigan shippers.

**Lansing**—Approval of the administrative board is asked by the board of managers Michigan State Fair, of a contract with Edward P. Strong of Cleveland for the use of an amusement park at the fair grounds for the next 20 years. The contract calls for a \$100,000 entertainment stunts cost of around a half million dollars. Among the larger items are a \$75,000 swimming pool \$30,000 roller coaster and a \$50,000 dancing pavilion.

**Shippensburg**—The first fatal since Henry Ford began operating the Imperial non or mine at Michigan, Mich., occurred here. Charles Finnie, 30, miner of Humboldt, fell out of a bucket as it was being lowered into the mine. He fell 300 feet dying instantly. Two others in the bucket, falling on and were uninjured as it stuck momentarily in the shaft, dislodging Finnie. Ford has had the mine five years showing around 300,000 tons of ore to his River Rouge furnaces annually.

**Battle Creek**—Thirty four deputy wardens have been sworn in already by the local chapter of the Izaak Walton League. These will act with out pay will have the same authority as any game warden in any part of Michigan. This is the first quota of wardens appointed and it is expected that about 100 will be sworn in for this cause. The movement which is statewide originated in Battle Creek when a committee appointed by the president, W. R. Skellenger conferred with John Baird, head of the conservation department of the state.

**Detroit**—Elmer Cox, 36 years old a detective from the McClellan station, was shot and killed by a man or men, who were hiding in a small wooded lot at the Bishop road and Warren avenue, a lonely spot near the city limits, where they are believed to have been waiting to rob motorists in the habit of halting near the woods late at night. Cox was out to find the men responsible for many robberies in the vicinity in the last few weeks. His superior officers believe he died in an effort to arrest him.

## NOTICE TO FARMERS.

## Great Is Patience

Patience is stronger of strong arms, for it kills the Giant Despair.—Douglas Jerrold.

**STATE OF MICHIGAN**, County of Wayne, ss.: At a session of the Probate court for said county of Wayne held at the Probate court room in the city of Detroit, on the twenty-second day of April in the year one thousand nine hundred and twenty-five.

Present—Edward Command, Judge of Probate.

In the matter of the estate of LIZZIE E. STARKWEATHER, deceased.

On reading and filing the petition of Ladd J. Johnson praying that administration of said estate be granted to Edward H. Latham of some other suitable person.

It is ordered, that the twenty-seventh day of May next at ten o'clock in the forenoon at said court room be appointed for hearing said petition.

And it is further ordered that a copy of this order be published three successive weeks previous to said time of hearing in the Northville Record a newspaper printed and circulating in said county of Wayne (A true copy).

## DOG QUARANTINE EXTENDED TO ALL OF OAKLAND COUNTY.

Sheriff Frank Schram has instructed his deputies to enforce the new dog quarantine which has been placed upon Oakland county by the state commissioner of agriculture, L. Whitney Watkins. Recently it was announced that five townships in the county would be affected by the quarantine but the new order, which became effective May 2, covers the entire county.

In a letter received by Sheriff Schram the department of agriculture requests his co-operation in keeping all dogs tied or on the premises of their owners or muzzled during the period of the quarantine which will continue until July 2nd. H. W. Norton of the Department of Animal Industry, and B. J. Kilham, State Veterinarian also signed the cards which will be distributed throughout the county by deputies.

In order to make this matter a success the officers must have the assistance and co-operation of dog owners of the county. Sheriff Schram said: "We will do our best to follow up all reports but the owners of the dogs should make these reports unnecessary by keeping their pets tied or on the premises or muzzled."

A report received from Woodhull lake indicated that a band of dogs in that vicinity had been prowling about in the early morning hours, making sleep impossible. Local deputies investigated.

## TELEPHONE WORKERS WILL COMPETE.

Some hundred or more telephone workmen picked from every district of Michigan, will compete at Detroit May 16th, for championship in cable splicing, metal working, telephone installing, switchboard work, maintenance of service, stringing cables on poles and connecting private branch exchange cable. These contestants are being picked by means of local and district elimination contests all over Michigan. Semi-final contests for southern Michigan will be held at Grand Rapids and for Central Michigan at Saginaw May 9, Upper peninsula eliminations have been completed, as have those in Detroit. Gold and silver medals for first and second place winners will be presented by the employees' association, which is arranging the big final contests in Detroit. The competition is attracting nationwide attention among the 50,000 employees of the Bell system and President F. C. Kuhn and other officials will witness the contests. Judges will be picked from among the visitors from other telephone companies—Michigan Investor.

## PLYMOUTH ORATOR STANDS SECOND IN U. S. CONTEST.

A high honor came to Plymouth last Saturday night at Northwestern University Evanston, Ill., when Lyman Jackson son of Mr. H. S. Doerr of this village, a senior at Albion college, won second place in the final contest in the national intercollegiate series with his oration "Crime and the Criminal Court."

The Albion orator got first place in the Michigan college contest at Kalamazoo college in March, and then took first honors in the divisional contest of several states at Mornmouth college Monmouth Ill. recently.

At the national meet at the Northwestern first place went to Wabash college. This is the third time in our years that Albion's orators have won high in national contests—Plymouth Mail.

## GOOD ADVICE.—"CLEAN-UP AS YOU GO."

Thousands of tourists every day during summer and autumn months picnic under rural skies. Invariably they leave behind a great deal of waste matter—Paper bags, newspapers and scraps of eatables.

All those who picnic out-doors, whether in city parks, boulevards, or along the country roadside, should try to avoid the violation of the hospitality of those who afford them pleasure spots for spreading their basket lunches. Picnickers should cooperate to keep the roadside clean. Those who leave smeared scraps of paper, greasy boxes and other miscellaneous behind them after finishing their luncheons are not only indulging in indifference to the rights of others, but are helping to destroy their welcome as a place of pleasure to be derived from occasional visits to the country.

## NORTHVILLE'S SCHOOLS' CHAMPION SPELLERS.

The following students in the rural schools of Northville township won the honors of their schools in the recent spelling bee conducted by the Detroit News:

DeKa—Frank Wells, sixth grade, son of Joseph Wells, R. F. D. No. 2, Box 117, Northville, Mich. "Stationery."

Waterford—Margaret Dennie, eighth grade, daughter of D. L. Dennie, Plymouth, Mich. "Director."

Thayer—Kathryn Pennell, sixth grade, daughter of Ray Pennell Salem, Mich. "Ability."

RECORD LINERS PAY—TRY ONE.

## NEWS DISPATCHES FROM EVERYWHERE

### French Troops Rout Invading Moors After Sanguinary Engagement

Paris—The columns of French troops led by General Colombat and Col. Freydenburg established contact with the main body of the Rifian army invading French Morocco from the Spanish zone near Blang, directly north of Fez, and a sanguinary battle was fought.

General Colombat slowly drove back the Moors, whom he reported were "well organized and well armed and wearing uniforms." This was one of the most important engagements that have taken place between the Rifians and the French. The former showed themselves exceedingly able tacticians, withdrawing in good order despite heavy bombardments by airplanes and mountain batteries.

The French casualties were four officers and 18 soldiers killed and 50 wounded, while the Rifians lost 500 dead.

### To Suppress Munitions Traffic

Geneva—The death knell of private traffic in war materials probably was sounded when the judicial committee of the League of Nations accepted from Allen Dulles, the American delegate, his draft of the British version of article II of the convention.

The article outlaws export to individuals the contracting parties agreeing "not to export themselves and to prohibit exportation of arms, ammunition, and other specifically enumerated war materials except to governments."

The step is regarded as one of the most important ever taken toward world peace, inasmuch as it is designed to remove to a large extent the profit in the munitions trade.

### Aliens Smuggled Into U. S.

New York—Bootlegging immigrants is the new American industry. More than 60,000 aliens were smuggled into the United States during the last six months of last year. Unless the traffic suddenly and unaccountably slackens, at least 125,000 and perhaps 150,000 will have been smuggled in during the first full year of the immigration act of 1924, (which ends June 30 next), and the international rings which conduct it will have pocketed more than \$30,000,000 in "fees."

### Germans Charge Election Fraud

Berlin—Official protest has been entered by the Socialists against the validity of the election to Field Marshal Paul von Hindenburg as president of Germany. The Socialists charge many irregularities and demand that the election be declared void. This action, however, does not seem to worry the Nationalists, who the circumstances were such as to say it will be difficult to prove that affect the result of the vote, in which Von Hindenburg received a plurality of 904,151.

### Riding Horses in Demand

Washington—While the number of riding horses bred in recent years has decreased enormously army officers say the kind and type of this day is far superior in quality and breeding than in the past. Not only is there a demand in the army for good riding horses, say officers of the quarter-master corps, but horseback riding, polo and hunting are greatly on the increase and a good, well-bred riding horse is bringing a better price than at any time in the history of the United States.

### Arrest Evolution Teacher

Nashville, Tenn.—A dispatch from Dayton, Tenn., says that J. T. Scopes science teacher in the Rhea high school, was arrested on a charge of violating the new Tennessee law prohibiting the teaching of evolution in the state public schools. George W. Rappleyea, Dayton business man, was the complainant. It was stated that the defense would attack the constitutionality of the new law.

### Soldiers Get Ice By Air

Paris—Hemmed in by Rifian hordes and facing slow death from thirst, French soldiers in isolated blockhouses took on a new lease of life when military comrades flew over the blockhouses in airplanes and dropped cakes of ice to provide the beleaguered men with a supply of drinking water, a statement given out by the French foreign office said.

### Britons Replant Forests

London—In an effort to make good the depletion of English forests during the war, the forestry commission of the government this year has planted more than 36,000,000 young trees, covering approximately 16,000 acres. It is the intention to double this number next year.

### Riots Follow Lisbon Election

Lisbon—Disorders have broken out again in Lisbon and the streets were patrolled by cavalry, occasional revolver shots are heard, a few persons have been wounded and many arrests have been made. The disorders began as a result of the elections.

You might as well get \$25 twice a year on the thousand as \$20, it don't take any longer.

## Show Window Selling

Your show window either invites people to come into your store—or it discourages them from entering.

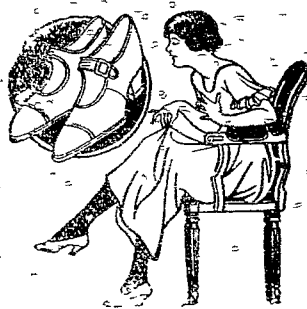

The first impression received by persons glancing toward a show window is that of light—always light. A thoroughly well lighted window will hold the eye—and the stop of the passer-by. Conversely, a poorly lighted window will create a feeling of indifference.

A well lighted window is the first step in a sale. It is itself a salesman, effective and relatively low salaried. Many, very many, store-keepers forget this.

We inspect your lighting and suggest improvement without charge.

### LOCAL

Mr. and Mrs. Fred Foss attended the funeral of their sister at Detroit, Monday.

Mrs. A. J. Alexander of Lansing, visited her sister, Mrs. W. C. Edwards, this week.

Mrs. George Landon of Monroe spent a few days during the past week with Mrs. F. P. Knowles.

Paul Lovewell was called home from Kirksville, Mo., last Friday by the serious illness of his mother, Mrs. S. A. Lovewell.

Rev. George H. Wallace, formerly pastor of the Presbyterian church at Plymouth, died recently at his home in Passaic, N. J. He had been ill two weeks.

Mrs. J. L. Calkins had as guests Sunday, Mr. and Mrs. L. R. Stevens of Wixom, Miss Ellen Stevens and James Staton of Detroit.

The village council has a car load of sodium chloride for use on the streets during the summer months with the hope of keeping down the dust.

It is expected that Hon. Grant M. Hudson, congressman, will be the guest of the Northville Elkhance club next Wednesday noon and that he will give an address.

Northville Commandery, is perfecting plans to attend the meeting of the Grand Commandery of Michigan which will be held at Grand Rapids on June 2nd.

Mrs. A. H. Kohler and daughter, Lena, expect to leave Pensacola, Florida, about the 20th of May for Northville. They will motor through and will arrive home about June 1st.

Last Thursday night Justice G. H. Baker performed a ceremony at his home which united in marriage James Stevenson and Ellen L. S. Palmer of the Spring Hill Sanatorium.

Northville Commandery, Knights Templar, will give a social dance at the Masonic temple at Redford on Wednesday evening next. The public is cordially invited to attend.

The stores of the village closed at 6:30 Monday night, and this practice will be followed during the summer months at least. The stores will remain open on Wednesday and Saturday nights as usual.

The base ball season will be opened on the local diamond when the Seldon Athletic Club team of Detroit will meet the boys from the Spring Hill Sanatorium. The game will be called at 3:30 Sunday afternoon.

Miss Helen Ball returned home the first of the week from a three weeks visit with Mr. and Mrs. Don Ball in Detroit. A little son recently came to brighten and to bless the home of Mr. and Mrs. Ball, giving them a family of two sons.

Mr. and Mrs. C. R. Ely are in Florida disposing of some of their real estate holdings. They will motor back home with Carl Haron of Farmington an uncle of Mr. Ely's, who has been spending the winter in the sunny south.

Mrs. Eugene Walling and daughter Josephine and son Eugene of Detroit, called on the former's mother, Mrs. Ernest Kohler on Sunday evening and attended the O. E. S. installation. Mr. Walling is the assistant prosecuting attorney of Wayne county.

A. K. MacRae performed a marriage ceremony at the Baptist parsonage Sunday morning May 10 at 10 o'clock, the contracting parties being Paul Bosneur and Alice Keller, a Northville girl. The bride was attended by Marguerite Warner and Alvera Smith. The ring ceremony was used.

Messrs. Henry and Elwell Ford and their good wives have given one million and a half dollars to the great Y. M. C. A. drive being made in Detroit. It is a wonderful thing to be able to give such a large sum to so worthy a cause, but it is better still to possess a desire to give to a movement having for its object and purpose the building of better boys and better men.

Frid Brothers, who recently moved the Northville Laundry equipment from the Scott building on South Center street to the Stimpson building, are now all settled in their new and commodious quarters and are ready to serve their patrons. They are using only soft water in all their washings and are striving to give Northville a first-class laundry service. Their phone number is 279.

Friends of our school are requested to keep the dates of May 25 and 26th open for the Junior play which will be presented at the High school gym. New curtains and stage settings have been provided by the board of education and they will be used. The parts of the play "Poor Father" have been well assigned and the young people have been working hard to perfect themselves in its presentation.

A number of friends were pleasantly entertained Saturday evening at the home of Mr. and Mrs. Ernest Gray at Rough and Ready corners. Progressive pedro, a musical program furnished by the Gray and Stanley families and refreshments furnished amusement for the evening. Prizes were won by Miss Florence James, Mrs. Calhoun, Mrs. Geo. Johnson, Guy Simmons, Wm. Mathews, Wm. Eake, well.

Mrs. W. G. Edwards and son, Darwin, visited in Grand Rapids Saturday and Sunday.

Mrs. Augusta-Barnhart of Lansing is visiting her daughter, Mrs. Fred Foss and family.

Dr. C. S. Larned and wife of Battle Creek, spent the week-end at the home of the former's father, E. L. Larned and wife.

Mrs. S. B. Stevens was brought home from the Sessions hospital Sunday and is able to be about the house.

Mr. and Mrs. M. R. Seeley attended a party Thursday evening at the home of Dr. Helcomb at Farmington, given in honor of the Grand River and You-Go-I-Go club.

The Royal Neighbors and Lady Macabees will hold a joint meeting on Monday evening, May 18th, starting at 7:30 at the home of Mrs. Charles LeFevre. Cards and refreshments.

Fredk. Hodge is at the University hospital at Ann Arbor where he will undergo an operation on one of his eyes for the removal of a cataract. Many friends in Northville hope for his speedy recovery.

William T. Jones has opened a shop at his home on Linden avenue and will engage in the electrical business. He will specialize in all kinds of electrical installation, fixtures, supplies, etc.

Mrs. George Kahrl, daughter of Mr. and Mrs. Robert Thompson of Novi, was brought to the Sessions hospital in this village Sunday afternoon suffering from an attack of appendicitis. She underwent an operation Sunday afternoon and her friends in this section will be pleased to learn that she is getting along nicely.

Mother's Day was fittingly observed in Northville Sunday. At all the churches appropriate services were held, the central thought and inspiration of which was motherhood. Flowers were worn by many worshippers—the dainty white blossoms as well as the radiant red ones—and thus were both the dead and the living kindly remembered.

The Juniors are giving some exceptionally good pictures at the school auditorium each Tuesday night and are thus helping to fill a community need by providing good wholesome entertainment for Northville people. The pictures they are showing are clean, free from sensationalism and the bad room scenes and have a special historical and educational value.

### KINGS DAUGHTERS NOTES

The next meet of The Kings Daughters will be held at the home of Mrs. Mary Stewart on May 18th at 7:30 p. m. Please be sure and bring the parcel post packages with you, or else leave them with Mrs. Louis Hajer not later than May 25th.

### ATTEND THE JUNIOR PICTURE SHOW TUESDAY NIGHT

The public is cordially invited to attend the moving picture show to be given at the High school auditorium next Tuesday evening. Good pictures will be shown and this ancient entertainment will be provided for people right here at home. For admission is only 15 cents.

### MEMBERS PASTIME CLUB AND ALL-DINERS

Are especially invited to attend Senior Prom to be given at the school gym this Friday evening, May 15th. We want to make this our last grand event. Will you come and help us celebrate our 10th anniversary for victory—Washington? We saw our duty and done it. As you will remember from our play, we need your support to make this party a success and most heartily thank your presence.

Grand march at 9:00. Poppy music. We know you will be satisfied and pleased.

## LUMBER ANNOUNCEMENT

I have felt for some time that the increased activity in this section would warrant the opening of a Lumber and Building Supply business at Novi, and am pleased to announce that arrangements have been completed between the Crotser Lumber & Fuel Company of Detroit, and myself, whereby we are putting in a stock of Lumber and Building Material suitable to meet the requirements of Novi and the surrounding territory.

By this arrangement we will be able to render you a Lumber and Building Supply Service which we hope will merit your approval and co-operation.

In this new venture, no deviation from our established policy of dependable merchandise at fair prices, courteous treatment, and fair and honorable dealing will be considered.

Our stock will be in shortly, and we respectfully solicit your favorable attention when in the market for anything in our line.

Phone 7102.

**A. L. HILL**

Crotser Lumber & Fuel Co.

### WAYNE COUNTY SCHOOL NOTES.

**Michigan State Fair Boys' School.**  
The Michigan State Fair boys' school will be conducted along lines similar to those of past years during the State Fair in Detroit, September 4th to 13th.

The school will be comprised of one boy from each county in the state, who will be entitled to this honor by having received the highest standings on the eighth grade county examination, and passing an acceptable examination in agriculture.

Each boy representing his county will have all expenses paid to the Fair, and will be comfortably quartered at the grounds for a week.

The winner in Wayne county will be selected by a committee of which County School Commissioner, E. W. Yost, is chairman.

### LIVESTOCK FEEDERS AT M. A. C. MAY 23RD.

Live Stock Feeders' Day, an annual event at M. A. C., will be held on May 23rd this year according to announcement just made by the animal husbandry department at the college. A general invitation has been issued for everyone interested in livestock feeding to gather at East Lansing for the meeting.

Results of extensive feeding experiments conducted during the past year by the college livestock specialists will be announced at the Feeders' Day. Different lots have been on feed and under careful observation in a number of classes including calves, swine and horses.

The program calls for inspection of the experimental pens in the morning, with discussion of the ration fed; and a general meeting in the afternoon, presided over by R. S. Shaw, dean of the college, agricultural division.

### M. A. C. SCHOOL OF AIR TAKES SUMMER RECESS.

Michigan's first agricultural radio school, broadcast this spring from the Michigan state college station, WJAR, closed on Friday, May 8th, for a summer recess. It is understood that the school will be re-opened next fall with a considerably expanded curriculum.

A check of registration for the five courses included in the school this spring shows that more than 2,500 formal enrollments were received at the college short-course office. As a great many enrolled in more than one course, however, the number of individuals does not run as high as the enrollment figures. In addition it is estimated by those in charge of the course that many thousands who did not bother to send in registration blanks listened to the lectures.

### LEGISLATURE PASSES RAILROAD BUS BILL.

One of the most dramatic and intense legislative battles of the last week centered around Senator Karcher's bill to permit railways and interurbans to use busses for supplementing their steam service. It is common knowledge that practically every railway in Michigan is paralleled by privately owned bus lines which have been taking a large portion of the passenger traffic during favorable seasons of the year.

The railroads which have to purchase and improve their own rights of way and furnish regular and continuous service have been at a serious disadvantage. In some instances they have desired to use busses for handling their passenger traffic at certain seasons but their petitions have been denied by the Michigan Public Utilities Commission on the ground that they could not show sufficient "necessity and convenience."

Most of the fights over the Karcher bill arose over various amendments which it adopted would have required the railroads to secure permission from the Public Utilities Commission before they could operate any bus lines. However all of these amendments were finally defeated and the bill passed 65 to 23. It seems probable that it will revolutionize the policies of Michigan railroads traversing the more sparsely settled districts of the state.

### Do Good Today

There is an old proverb that the goodness that you may do this day, do it, and abide not nor delay it not till tomorrow.

### COMMISSIONER'S NOTICE.

In the matter of the estate of CATHARINE M. STRONG, deceased, the undersigned, having been appointed by the Probate Court for the county of Wayne, state of Michigan, commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the Lapham State Savings Bank, Northville, Mich., in said county, on Wednesday, the 24th day of June A. D. 1925, and on Saturday, the 22nd day of August A. D. 1925, at 11 o'clock a. m. of each of said days, for the purpose of examining and allowing said claims, and that four months from the 23rd day of April A. D. 1925, were allowed by said court for creditors to present their claims to us for examination and allowance.

Dated, April 23rd, 1925.  
WILLIAM H. YERKES,  
EDWARD E. LAPHAM,  
42-45 Commissioners and Appraisers

## No Increase in the Price of Firestone FULL-SIZE GUM-DIPPED BALLOONS

The extra quality built in by the extra process of Gum-Dipping, the economy of these wonderful tires and the added mileage obtained from them during the past two years, has created such a large demand that over 75% of Firestone's mammoth production is now Balloon Gum-Dipped Cords.

This has greatly increased the total sales volume and the huge Firestone factories are now working on a 24-hour schedule to supply the demand.

This large volume, produced under the most economical tire manufacturing methods, permits Firestone to sell these extra-process Full-Size Balloons at no extra cost to car owners. And this in the face of greatly advanced cost for crude rubber brought about by the operation of the British Rubber Restriction Act.

Gum-Dipping means longer mileage—greater economy—at no extra cost to you!

Enjoy the safety, economy and comfort of Balloon Gum-Dipped Cords this summer. Let us equip your car now at low cost—with liberal allowance for your old tires.

## OPERA STARS TO SING AT MAY FESTIVAL.

Frances Peralta, prima donna soprano, of the Metropolitan Opera Company, will sing the title role in the first Ann Arbor performance of La Gioconda which will be given at the May Festival. Miss Peralta has youth, beauty and a brilliant, telling voice. Her singing conveys her emotions as vividly as does her acting. Her performances are marvels of realism and power, her ability as an actress always keeping pace with her art as a singer. She is a most versatile artist and has triumphed as a leading star in many of the greatest operas such as "L'Oracolo," "Pagliacci," "Mefistofele," "Carmen," "Così Fan Tutte," "Cavalleria Rusticana," "Antr'Chénier," "La Forza del Destino," "William Tell," "Tosca," "Don Carlos," "Aida." As a soprano she is particularly striking.

Associated with her in the festival performance of Ponchelli's great opera will be other stars of first magnitude, including Augusta Lenska, leading mezzo soprano of the Chicago Opera Association. She is a South African who has sung her way into the hearts of opera goers in three continents. Immediately after her Ann Arbor appearance she will sail for her home at the Cape of Good Hope from whence she will return in time for the Chicago opera season next fall.

The Wednesday evening and Saturday afternoon programs will be punctuated by the appearance of two world famous instrumentalists, Gabriel Owens, who will be heard on the former occasion and Mischá Elman who will be the soloist on the latter. Altogether the list of stars is one which has seldom been excelled. The background upon which these stars will reflect their artistry will be made up of the Chicago Symphony Orchestra, the University Choral Union and the Children's Festival Chorus with Frederick Stock, Earl V. Moore and Joseph Maddy, respectively yielding the baton. The festival dates are May 20, 21, 22 and 23.

The Thursday evening program will bring to the fore three famous Bach singers who will offer excerpts from that composer's greatest works, Emily Stokes Hazen, contralto, Rrys Morgan tenor, and Charles Tittmann, bass. These three are acknowledged and recognized by the most competent critics as the greatest in this field. They will also participate in the recitation of "The Bells" by Rachmanninoff.

The remaining festival concerts will all be of a general miscellaneous nature involving brilliant and spectacular compositions supplemented by solo offerings from vocal and instrumental stars.

Lawrence Tibbett, the American baritone, will be heard for the first time in these parts as star of the Friday evening concert. Mr. Tibbett stands out as the great sensation of this year's musical season. He is a California boy, educated in the university of that state.

## ITS CHAWING AT BULL PH.

Is renewing his subscription to The Record and A Cook who is associated with the United States Marines at Duluth, Minn. writes as follows: "Enjoy the old home rule very much although many of the names seem to contain much strange names, yet I pick up lots of interesting reading about events in the locality."

"Suppose Northville has about put on her Summer dress while up here we are still enjoying (?) considerable of those refreshing Northeast winds off Lake Superior. Trees are beginning to break forth with leaves and when we get some rain the grass will soon be long enough to cut. About another two weeks and it should be garden weather so you see about how things in the weather line are around here."

"About a week ago an old timer of Northville dropped in to say 'Hello' to me. John Pinkerton also his son. It was sure good to see him and you can tell his Northville friends that he is looking as young as ever."

Try Northville first.

### NOTICE OF MORTGAGE SALE.

Whereas, Charles F. O. Mason of the city of Detroit, Wayne county, Michigan, made and executed a certain mortgage, bearing date the 27th day of November, A. D. 1917, to Robert B. Thompson, of the township of Northville, Wayne county, Michigan, which was recorded in the office of the Register of Deeds of the County of Wayne on the 30th day of November, A. D. 1917, at 11:15 o'clock in the forenoon, in liber 893 of mortgages, on page 466.

And whereas, the amount claimed to be due upon said mortgage at the date of this notice, is the sum of Thirteen Thousand One Hundred Sixty-four and 34/100 (\$13,164.34) Dollars, and no suit or proceeding has been instituted at law to recover the debt now remaining secured thereby or any part thereof.

And, whereas, default has been made in the payment of the money secured by said mortgage, whereby the power of sale contained therein has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale and in pursuance thereof and of the Statute in such case made and provided, the said mortgage will be foreclosed in a sale of the mortgaged premises at public vendue to the highest bidder, at the Congress street entrance to the Wayne County Building, in the City of Detroit, in said county of Wayne, that being the place of holding the circuit court, within said county, on the 2nd day of July, A. D. 1925, at 10 o'clock in the forenoon, the description of which said premises contained in said mortgage

is as follows: Lands, premises and property situated in the township of Northville, county of Wayne, and state of Michigan, described as follows, to-wit:

Beginning at the northeast corner of section four, Town 1 south, Range 3 east, running thence south on the east line of said section, fourteen hundred thirty-five feet, thence west parallel with the north line of said section, twenty-five hundred twelve and 95/100 feet, thence north parallel with the east line of said section six hundred fifty-three feet, thence east parallel with the north line of said section fourteen hundred seven and 95/100 feet, thence north parallel to the east line of said section, seven hundred ninety-two feet to the north line of said section, thence east along said north line eleven hundred four and 5/10 feet to beginning, containing

57.7714 acres of land.

Dated April 2nd, 1925.

ROBERT B. THOMPSON, Mortgagee.  
Wm. S. McNair, Attorney for mortgagee Northville, Mich.
