It is requested by the national commander American Legion that flags fly at half-mast during the forenoon and be raised to top mast at noon.

It is especially desired that the residences and business places of the village be appropriately decorated for the day.

LOCAL OFFICERS RAID A STILL NEAR PLYMOUTH.

Two fellows giving Miford as their home town, were gathered in by local officers Saturday night for driving an auto while drunk and were placed in the village jail where they remained over Sunday. Monday forenoon they were arraigned before Justice G. H. Baker and pleaded guilty to the charge.

One of the fellows told the officers they had secured their supply of liquor from a farmer living near Plymouth and he made an affidavit to that effect and agreed to go with the officers and "make a buy," if they would go with him.

Accepting his offer Deputy-Sheriffs Lyke and Perrin drove over to a farm just off the Plymouth road Monday afternoon. While the officers waited in the road some distance from the house the Miford man went to the house and bought a pint of white mule for which he claimed he paid \$1.25. With this evidence the officers made a raid on the place and found a great quantity of liquor, barrels of mash, 500 pounds of sugar, and about ten bushels of rye.

A great quantity of liquor was in the house and in the cellar. The owner of the place, Andrew Tonkovich, was placed under arrest and brought to Northville, together with a lot of the booze he had made. He will have a hearing Saturday.

The fellow who assisted the officers in making the clean-up was permitted to go on suspended sentence.

From Saturday night until Monday night local officers made seven arrests for drunkenness and reckless driving—a pretty busy season. The culprits were all handed pretty stiff fines by Justice Baker and promised not to repeat the offense.

OFFICERS MET FIRST DEFEAT.

The House of Correction lost to the Chrysler Motor 14 to 7, the score being tied in the seventh inning. A Jaska hit a home run with three on bases and it looked good for the officers, but in the eighth the visitors started by hitting Jaska which ended in a rally. Hammond was then sent to the mound, but after walking three men was taken out for Crossman. Crossman checked the rally but the Chrysler had all ready run eleven scores across the plate.

Next Sunday May 24th, the House of Correction will play Brightmoor at the farm grounds.

PUBLIC MEETING POSTPONED.

The citizens' meeting, which was called to be held at the High school auditorium this Friday, evening, has been postponed because some information that was needed had not been secured. Another meeting will be called later and due notice will be given.

Wear a poppy all next week. You can buy them Saturday.

KNIGHTS TEMPLAR ATTEND ASCENSION DAY SERVICES.

More than forty members of Northville Commandery, Knights Templar, attended ascension day services at the Presbyterian church Sunday morning. The Sir Knights were given seats of honor and the services throughout were inspiring and helpful.

As the knights entered the church the congregation arose and led by the choir sang that old familiar hymn, "Onward Christian Soldiers," which has come to be regarded as the Knights Templar song. The choir rendered two anthems and the male quartette contributed a number to the very enjoyable musical program presented.

Rev. F. P. Knowles, who is a Knight Templar, delivered a very interesting and helpful discourse, taking his theme from that portion of Luke's gospel which reads "And He led them out as far as to Bethany, and He lifted up His hands and blessed them, and it came to pass, while He blessed them, He was parted from them; and came up into heaven."

OLD COMRADES ENJOY DELIGHTFUL OUTING.

Last Saturday will long be remembered by five old veterans of the Civil war, who are residents of this community—L. C. Meade, George Goodell, L. B. Quick, William Osborne and Marvin Bogart. With Deniv of Boston, Mass. at the wheel the old comrades enjoyed an auto ride to Walled Lake, New Hudson, Wixom, Orchard Lake, Pontiac and then on to Clarkston where they enjoyed a fine dinner at Deer Lake Inn.

After dinner and a social hour the merry company returned to Northville, having covered more than 100 miles. Three of the veterans who formed the party were 85 years of age, one 86 and one 81.

BIRMINGHAM PEOPLE ARE MOST FORTUNATE.

During the vacancy in the pastorate of the First Presbyterian church Dr. William T. Jacques, Moderator of the Detroit Presbytery of Churches, has very fortunately consented to act as pastor of the local parish until the vacancy can be permanently filled.

Dr. Jacques will have charge of the Sunday morning services and will come out from Detroit other days in the week also, where, in addition to his work in connection with the Presbytery, he is interested in the Presbyterian Hospital and Old People's Home—Birmingham Ecclesiastic.

NORTHVILLE WOMAN DIES IN PONTIAC.

Mrs. Charlotte Allan of Northville died Wednesday in the home of her daughter, Mrs. Zeit McFarlin, 207 Wayne street, Pontiac, after a long illness. She was 74 years old and had always been a Christian woman much loved by her friends.

Mrs. Allan leaves three sons and two daughters, Mrs. McFarlin, Mrs. H. Ovee, John Allan of Pontiac, Gordon of Northville and George of Peoria Ill. She was born in Edinburgh, Scotland and had been a resident of Northville for 33 years.—Pontiac Daily Press

MAY EXTEND GAS LINES TO REDFORD.

Representatives of the Plymouth and Northville Gas Co. were in Redford last week and made a call at the Record office. This company would extend its gas mains to Redford township to serve the residents of Baginmoor and Redford if sufficient business could be secured here to warrant the expenditure necessary. The company has decided to ask the township board for a franchise if the annexation proposal is not adopted the coming fall.—Redford Record.

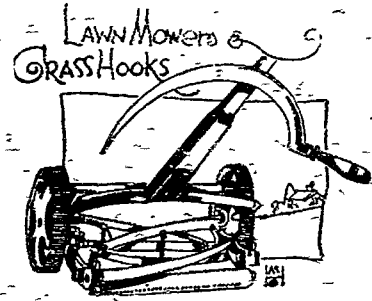

BALL GAME SUNDAY AFTERNOON.

Sunday afternoon the Northville Foresters' ball team will meet a team recently organized at Plymouth and which will travel this season under the name of Plymouth Merchants. The game will be called at 3:00 and of course all the local fans are urged to be present.

If proper support is given the home team Northville will be assured a good strong playing outfit this season.

TO GIVE LESSON IN FRIENDSHIP.

Next Monday night a degree team representing the Grand Lodge, Knights of Pythias, will give the "Lesson of Friendship," at the High school gym. All members of the order in this community are invited to attend the meeting and to witness this very impressive ceremony. Meeting will be called at 8:00 sharp. The public is cordially invited to attend also. It is not a secret meeting.

Let out a Croquet set on your lawn and your family and friends will enjoy many pleasant hours at this interesting game. Our Croquet Sets are finely made of thoroughly seasoned wood, attractively painted and furnished complete in wooden case.

People admire a well-kept lawn and it's all in the trimming—it is not a difficult job to keep your lawn well trimmed if you have the proper tools. One of our brand name mowers will prove a wonderful help because they run so easily and the well tempered blades cut the grass so evenly. A good lawn rake, turf edger and garden barrow complete the outfit. We can supply these needs at very low prices.

DURALIN should not be confused with burlap back linoleum. It is absolutely waterproof and will not buckle. It is an entirely different material, being similar to linoleum only in appearance. It lies flat on the floor without tacking. Its edges will not curl. It is exceptionally easy to clean, a damp cloth makes it look like new. It has a high glossy finish that will not easily stain and we believe will long outwear the most expensive priced linoleum.

Come in and let us show you how these beautiful patterns will look on every floor in your house.

STATE NEWS IN BRIEF

Port Huron—A revolver cartridge, which had been thrown into the lake, was accidentally exploded by the wheel of a truck. The bullet struck through a window of the one of Mr. and Mrs. George A. and No one was injured.

Lansing—Arthur Day was observed more generally in Michigan this year than ever before. Thanks to the gas pedal sprunk by the conservationists thousands of trees were planted on the highways and along the roads.

Reed City—Reed City definitely has entered the race for the northwestern normal school. Committees have been organized, options on desirable land have been secured and a plan of action will be taken to get the school on the ground.

Reed City—The school board more than ever before has been busy with the various formal and colleges of the state. The board has been busy with the various formal and colleges of the state. The board has been busy with the various formal and colleges of the state.

Saginaw—The Saginaw County of the Saginaw Valley Association in special conference held at Saginaw for the high school football ball passed by the Saginaw Valley Association.

Grand Rapids—The Michigan Retail Jewelers Association which at its closing year of its annual convention here became affiliated with the Michigan Retailers Council, elect J. H. Gaskin, Detroit, as president.

Kalamazoo—Armed with picks, axes and shovels, 70 of Kalamazoo's young men, invaded the Bow District along the river front to help clear away rubbish and overgrowth. The "bee" was the first step toward conversion of the unsightly jungles district into a city park. The 100-acre tract having been purchased a year ago by the city commission for \$50,000.

Detroit—Hafry S. Cole, clerk of the Wayne Circuit Court who was suspended by the judges of the court for insubordination in refusing to carry out orders for assignment of cases, was asked to hand in his resignation. Judge Adolph F. Marschner, presiding judge said if he fails to resign Cole's dismissal will be asked of Gov. Alex. J. Groesbeck. Judge Marschner said.

Owosso—Owosso policemen, before long, expect to win the reputation for having the best appearance of any guardians of the law in Michigan. Police Chief Earl Whitehouse, who took over the office a few days ago, issued his first written order to members of the force. It reads: "Hereafter every police officer in Owosso with all arms have his uniform pressed his shoes shined, and be clean shaven."

Lansing—Marie Theresa Corby, child here reported to the estate of Thomas W. Corby, was the first round of her fight to keep Corby's nephews and nieces from appropriating the estate when the Supreme Court ruled that she was entitled to name her own executor. The case was brought here when Corby's nephews and nieces appeared from a Wayne Circuit Court decision whereby the Security Trust Co. was named administrator.

St. Clair—William Watkins, instructor of St. Clair County, and St. Clair County, and one of the State's principal assessors in the grand jury investigation of charges of graft in St. Clair County police court circles, was waylaid and shot at by six underworld men while he was driving to his home in St. Clair County when he was arrested. Three shots were fired. One went into the leg and the others penetrated his arm and chest. One of the men who shot at him was a level with his head.

Benton Harbor—Benton County explained color of the map of Michigan when it was the Benton Harbor Festival. More than 70 boats, many of them buried in bottom, symbolized the fertility of the Michigan country which is beaten in our soil by trees states in the U. S. The trio which must marshal a whole community's resources to pass Derran are the Benton Harbor fruit, and New York, famous for apples and grapes. Benton Harbor and St. Joseph, twin cities, joined hands in staging the spectacle.

Cadillac—The village of Sherman, the first county seat of Wexford county, may soon lose its postoffice unless some one is willing to take the job of postmaster. The present incumbent is a woman, Mrs. S. B. Niswander, who has resigned, as there is not enough money in the office. Sherman, at one time, was a thriving lumber village, but with the passing of that industry the town began to retrograde, this being hastened by the removal of the county seat to Manton and later to Cadillac.

UNUSUAL HAPPENINGS AND OTHER BRIEF NEWS

Wage War On Billboards

Cleveland—In its battle to "beautify America," the American Federation of Arts in annual convention here declared war on billboards and made it clear that it would not be content until every billboard has been wiped out. Its first attack will be in the rural districts.

Recharge Stalled By Cutter

Halifax—Several huge icebergs, besides to staying in the north Atlantic sea lanes, were scattered by shell fire from the United States cut-off tankers. One of the vessels an emergency upon arrival here. Heavy fog, numerous icebergs and considerable ice in the bank were reported by the officers.

Use Planes in Gold Rush

Alaska—B. C. Success in use of airplanes to carry mail and supplies to mining districts. Last year, Alaska, and in the Pacific Northwest, has resulted in plans being made for speeding up a plan into the Cassiar country or to the British Columbia and other over air routes.

Secretary Weeks Ill

Washington—Secretary Weeks who has been convalescing at home here from an attack of typhoid fever, has been in the city since early in April. He has had an acute attack of gall bladder, which is a recurrence of an old complaint, has somewhat retarded his progress and disturbed the rest he had been enjoying.

Amy Lowell Dies Suddenly

Brookline, Mass.—A striking figure has been removed from contemporary literature by the death of Amy Lowell, poet and critic. A paralytic stroke caused her death at her home. She was in her fifty-first year.

Born of a family which frequented the conservative New England of last century, Miss Lowell had new paths in poetry. Her verses, with a freedom of vocabulary and structure, stamped her as revolutionary in her art.

Van Orman to Represent U. S.

Washington—W. T. Van Orman, winner of the national elimination balloon race May 3, will represent the United States at Brussels next month in the competition for the Gordon Bennett trophy. His selection was announced by the National Aeronautical association. Van Orman will pilot the Goodyear III in which he won the elimination trials. Lieutenant William J. Flood also will be entered as pilot of the St. Louis army air service entry.

WHAT IS BEING DONE HERE WITH REFERENCE TO QUARANTINE.

The village manager of Plymouth recently received the following letter from the state veterinary at Lansing:

"We are in receipt of reports to the effect that dogs are being permitted to run at large in your village, contrary to the provisions of the quaran-

tine, which now affects all of Wayne county.

Section 7 of Act 181 of the Public Acts of 1913 states that it shall be the duty of the sheriff of each county in the district affected, and of his deputies, constables and other municipal police officers, to see to it that such quarantine and orders are en-

forced.

The outbreak of rabies now sweeping this state is a very serious matter, and any co-operation you may be able to give in the effort to control the disease through the elimination of the stray dogs will be greatly appreciated.

If this law ought to be enforced at Plymouth and in other sections of Wayne county why is it not put into effect here? Are we to wait until some child or older person is bitten by a dog affected with rabies before any action is taken in this matter?

MOTHER AND SON IN SAME CLASS AT GRADUATION.

Residents of Holly are interested in an unusual feature of the commencement exercises at William Jewell college, Liberty, Mo., this week. Francis LeGrand Churn, born in Holly, a graduate of Holly High school and a former Baptist pastor in Birmingham, Salem and Northville, has a wife and son in the same graduating class. His wife, Mrs. Mary A. Churn, was a grandmother when she attended college in the same class with her son four years ago—Pioneer Press.

DID YOU GET YOURS.

Three hundred and eighteen automobiles were stolen in Michigan during April according to a report completed by Charles J. DeLand, secretary of state. In the same period 254 were recovered. A large majority of the thefts and recoveries were in Detroit.

Novi News.

Mrs. John Sabo left Thursday for New York, on her way to her old home in Hungary. She will visit in Slovia, Budapest and other places for two months or more. Her mother will return with her to make her home here. A party of about 20 left the Michigan Central depot bound for the "Old Country," sailing from New York Saturday morning.

The P. T. A. met at the Baptist church Monday evening and the following officers were elected: President, Mrs. Elsie Kent; vice-president, Mrs. Rosetta Putnam; secretary, Mrs. Anna Taylor; treasurer, Mrs. G. A. Shum.

AT THE BOYSTELLE PLAY HOUSE.

The Flaming Craven success, "The First Year," as produced by John Golden, has been selected as the offering of the Boystelle company, beginning tomorrow.

With "The First Year" Miss Bonstelle will introduce to Detroiters a new leading man, Donald Cameron, who will have the Frank Craven role, and an interesting sidelight will be the appearance of Miss Bonstelle, at alternating performances with Miss Martin. In the role of a colored girl. This will be Miss Bonstelle's first appearance on any stage in "darky" make-up, quite an experience when one considers the number of roles she has played.

The dream of a lifetime comes true! A home in one of nature's most beautiful garden spots—close by a natural park with wooded trees and a trickling brook!

Here, in Coventry Gardens, a few hundred fortunate ones will find the long-sought-for location of the home they have been dreaming of—in a delightful suburb of rolling hills, winding streets and generous residence sites.

Situated on two main arteries of travel, Five-Mile Road and Farmington Road, with a new projected highway to the Rouge intersecting the property, Coventry Gardens is easily accessible to those having occupations in Detroit, Highland Park, River Rouge, Farmington, Northville, Redford, Plymouth and Wayne.

Fifty-foot lots, priced as low as \$750! Down payment of 10% on residence lots—15% on frontage! Special low terms to buyers planning on building during the next six months!

Come out to Coventry Gardens and feast your eyes on the beauty of it. Select your lot now and be in on the grand floor of this new development project!

Plan a Picnic in Shoreham Park.

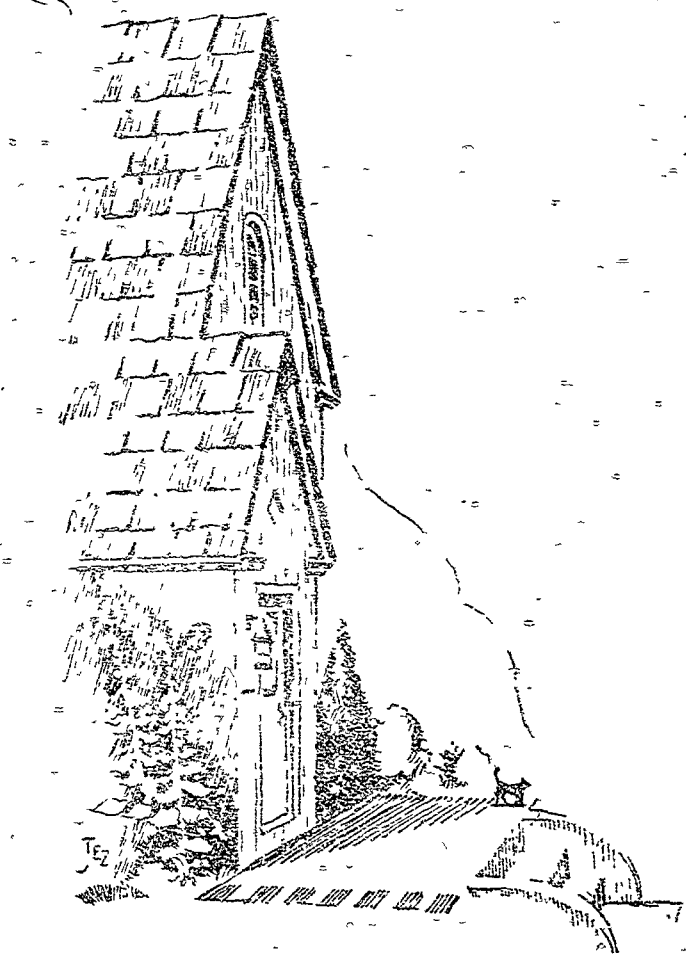

You are welcome to picnic any time in Shoreham Park, 220-acre wooded playground which has been set aside as a permanent recreational centre for residents in Coventry Gardens. Come and bring your friends. No admission charged. Ample facilities for large picnic parties. Outdoor stoves, benches and tables, as well as complete children's play equipment—including an Abe Lincoln playhouse, sand boxes, swings and toboggans. You will not be solicited to purchase here.

Band Concert, Saturday, May 16, from 3:00 to 5:00, by Redford High School Band. At Shoreham Park, Coventry Gardens. Everyone invited. Admission Free.

NORTHVILLE, MICH., MAY 22, 1925.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week.

The marshal is after bell-less wheels and sidewalk riders, so wheel-men, take notice.

Jamie Dubuar, stood 100 on good stuff examinations in both arithmetic and geography last week.

E. H. Lapham is building a pretty residence on the lot south of his mother's house, on High street.

G. A. Wiley, formerly of this place, now of Jackson, visited relatives and friends in town a few days this week.

The council postponed action for one week on the new franchise asked for by the Northwestern to get up in town.

Mr. Richard, Leadbeater and Miss Blanche Whitehead, both of Detroit, were married in Detroit last week Thursday.

A complaint is being made that the D. P. & N. in charging 20 cents to Wayne goes beyond the agreement of their franchise which calls for a 15 cent fare.

At the council meeting Monday night it was decided that it would take about \$6,000 to properly equip the running gear of the village for the ensuing year.

Frank Barrett died suddenly Sunday at midnight after a serious illness for a year past. The greater part of his life was spent in Livonia township.

The funeral occurred from the home on Dunlap street Wednesday, Rev. W. H. Lloyd officiating.

The Northville school boys have organized a youngster base ball club with the following players: S. Lanning, C. Floyd Perkins, P. Mark Willis, B. Elmer Armitage, B. B. Nevison, S. W. Crosby, Jr., E. Brockton, F. Stump, R. F. Kohler, Grant Gaffield, Dale Armstrong, subs.

Mid-week service on Thursday evening at 7:30.

BAPTIST CHURCH NOTES.

The Bible study, conducted by Miss E. M. Perkins closed last Friday evening with a good crowd present. The attendance at these meetings was not as large as at the Payne festival meetings but judging from the size of the free will offering for Miss Perkins, she was greatly appreciated.

So many have asked the pastor to take up the study of the book of Revelation in detail, that he has promised to start such a study Thursday of this week and for a time this book will be the subject of the prayer meetings.

The supper given by the Mary Circle of the Ladies Aid last Tuesday, was a real success and every one is happy those who served and those who ate.

Now for the rummage sale which starts this week.

Next Sunday morning the pastor's subject will be, "Sons of God."

Sunday evening the annual memorial service will be held in our church and the pastor will preach the sermon, the subject of which will be, "Our Flag."

A man and his wife and a boy received the right hand of fellowship last Sunday evening.

Don't forget the prayer meeting next Thursday. Bring your Bible.

WALLED LAKE WARBLERS.

Commerce Chapter No. 201. O. E. S. will entertain the Oakland County Association 2 E. S. on Wednesday, May 27, at Walled Lake in the High school gymnasium. Three Ladies Aid societies will take care of the dinner. There is bus service from Detroit, Farmington, Northville, Milford, Pontiac, W. Clemens and Ann Arbor.

Nothing possible is being done to take care of the large crowd expected in Pontiac, satisfactory to all.

LOCAL.

Wednesday evening at the home of Mrs. G. H. Baker, Florence Bukowski and Agnes M. Rozel, of the Spring Hill Sanatorium were married in marriage.

CENTURY OLD DEXTER CHURCH IS DESTROYED.

The Dexter Methodist Episcopal church, one of the old land marks of that place which was built by Samuel W. Dexter, founder of the village, about 100 years ago, was struck by lightning Sunday and burned to the ground—Ann Arbor Post.

Gospel Unheard by Many

An estimate given in the foreign missions conference was that not half the world has yet had the gospel of Jesus Christ preached to it.

YOU HAVE AS MUCH RELIGION AS YOU USE

Men and women are religious by nature and the daily life reveals that kind of religion they think of most.

Religion that is any good at all has value for business and recreation as well as the Sunday life. It cannot be kept in cold storage.

The West Point Military Academy foot ball team of 1924 prayed before every game that season. The prayer was not for victory but that they each might acquaint themselves like men.

Saul had searched for a satisfying God for a good many years. He first plunged into the ritual services of the Jewish Synagogue but that did not help him. Then came the Damascus conversion and he found himself and his God.

Northville has a good many unsatisfied people in it and the most of them would find relief if they would revise their attitude towards religion. Saul did and he left his mark upon the years.

A HANDSOME AMBULANCE

We are pleased to present herewith an illustration of the handsome new ambulance Schrader Brothers of this village recently added to their equipment. The vehicle is the last word in ambulance construction and but few towns the size of Northville can boast of one in this class. The new ambulance was procured especially to convey those who are ill to and from their homes to the hospital to which they desire to be taken and this is a service that the people of this community will greatly appreciate. The cost of the new ambulance runs into pretty good sized figures, but Messrs Schrader were of the opinion that the best was none

too good for the people of this section. A cheaper one might have answered, but they desired to give Northville people the very best service when illness or misfortune should overtake them.

The new ambulance is finished in leather and in all its appointments it reflects exceedingly good taste. It is roomy, giving ample room for a cot and an attendant, and the body is so constructed that it rides as easy as a coach.

Messrs. Schrader are to be commended for their enterprise in providing this exceptional outfit for Northville people.

You May Be Next

People are being stricken by illness and accidents every day. Because you have thus far escaped is no guarantee that you will not suffer to-day or to-morrow.

Have you the insurance protection you ought to have in case anything should happen? Who will carry on for you—take your place—supply the family needs?

These are matters that thoughtful men are giving a great deal of attention to these days.

Better come in and let us talk the proposition over.

LUMBER ANNOUNCEMENT

I have felt for some time that the increased activity in this section would warrant the opening of a Lumber and Building Supply business at Novi, and am pleased to announce that arrangements have been completed between the Crotser Lumber & Fuel Company of Detroit, and myself, whereby we are putting in a stock of Lumber and Building Material suitable to meet the requirements of Novi and the surrounding territory.

By this arrangement we will be able to render you a Lumber and Building Supply Service which we hope will merit your approval and co-operation.

In this new venture, no deviation from our established policy of dependable merchandise at fair prices, courteous treatment, and fair and honorable dealing will be considered.

Our stock will be in shortly, and we respectfully solicit your favorable attention when in the market for anything in our line. Phone 7102.

JACKSON TO HAVE AUTO RACES SUNDAY

Jackson will be the scene of the first auto race held this season when twenty or more crack dirt-track drivers clash on the local oval Sunday, May 24th. Veterans and new-comers alike anxiously await the chance to try out their new cars after many months of toiling working out ideas gained from past experience in hopes of improving their speed. The battle for top honors expects to be a hard fought affair with many thrills apparent throughout. The length of the race has been officially fixed at 75 miles agreed to be the best distance for a race on a half mile track. Entries close May 23rd and officials believe there will be at least five states represented in the trial heats to determine the actual starters in the main event of May 24th.

COMPLETE PLANS FOR BIG LIVESTOCK DAY

Results of latest feeding experiments with livestock conducted by the animal husbandry specialists at the Michigan state college, will be announced and discussed at East Lansing, on Saturday, May 23rd, the date this year for the annual feeders' conference.

Thirty beef calves, which have just finished a 100 day test, will be on exhibition. They have been divided into three lots, each on a different ration for the test. Ten lots of pigs have also been on test, the result of which will be announced.

The college string of horses, many of which have also been under test in feeding experiments, will also be on exhibit. Careful discussion of all the experimental work and plans for future trials will be made at the meeting.

A general invitation has been issued for all livestock feeders of the state to attend the conference.

HOW TO SAVE \$2,000,000 A YEAR

June 1 to 7, 1925, has been designated "Better Mailing Week" when a nation-wide campaign will be undertaken to reduce the appalling loss occasioned in addressing mail matter.

During that week several thousand motion picture theatres, through the courtesy of the Motion Picture Theatre Owners of America, will display on their screens appropriate slogans urging greater care in addressing daily and weekly newspapers, which are asked to acquaint their readers with the extent of the waste caused by misdirected mail, national business and commercial organizations, mail-order houses, advertising associations, and clubs are being requested to get the message to their members and masters in a number of principal broadcasting cities will discuss the question over the radio.

School superintendents will be asked to establish special or regular courses in correct mailing and addressing practices.

Do You Know

- That 21,000,000 letters went to the dead letter office last year?
- That 803,000 parcels did likewise?
- That 190,000 letters go into the mail yearly in perfectly blank envelopes?
- That \$55,000 in cash is removed annually from misdirected envelopes?
- That \$12,000 in checks, drafts and money orders never reach intended owners?
- That Uncle Sam collects \$92,000 a year in postage for the return of mail sent to the dead-letter office?
- That it costs Uncle Sam \$1,740,000 yearly to look up addresses on misdirected mail?
- That 200,000,000 letters are given this service and
- That it costs in one city alone \$500 daily?

And Do You Know

That this vast sum could be saved and the dead-letter office abolished if each piece of mail carried a return address, and if each parcel were wrapped in stout paper and tied with strong cord?

Moral. Every man knows his own address if not that of his correspondent.

A nixie is a piece of mail, so carelessly addressed and poorly wrapped, that it can neither be delivered nor returned, without special treatment costing \$2,000,000 a year.

Walled Lake Warbles.

Robert Carns recently suffered a slight stroke while at work in the lumber yard.

The Baptist church society has called a new pastor who will assume his duties the first Sunday in June.

The following teachers have been engaged for the Walled Lake consolidated school for the ensuing year: Charlotte Hyde, first grade; Blanche Colson, second grade; Jean Heaton, third grade; Helen Scott, fourth grade; Beatrice Miller, English and Latin; Violet Fox, fifth grade; June Heaton, sixth grade; Jeanne Spaulding, Domestic science and art; Stanley McBride, mathematics and history; Sophia Johnson, commercial; Ethel Miles, music; J. E. Soper, athletics and manual training; A. H. Upton, superintendent; H. E. Nesman, principal.

WORLD WAR GENERAL CLAIMED BY DEATH

GEN. CHARLES MANGIN.

Paris—Gen. Charles Mangin, who commanded the combined French-American army in the battle of the Somme, died here from a sudden attack of uremia and acute appendicitis.

General Mangin was one of the famous generals of the World War. He was decorated by the American government for distinguished service. He commanded the Tenth French Army, including the American First Division at Cantigny and the First and Second Divisions at Soissons during the famous July 18th drive.

President Appoints Judge

Washington, D. C.—President Coolidge has announced that he had appointed Fred M. Raymond of Grand Rapids, Mich., to be United States district judge in the Western district of Michigan. The announcement brought to an end an uncertainty that has existed for several months. Congress in its last session passed an act authorizing the appointment of a second judge in the Western district and making provision that whenever Judge Sessions should resign or die, he should be appointed in his place.

Blame Officer for Ship Loss

Leamington, Ont.—That negligence on the part of the officer in charge was responsible for the capsizing of the said sucker Kelly Island off Point Pelee, May 2, when nine of the crew lost their lives, was the substance of the verdict returned by a coroner's jury which investigated the accident here. The negligence verdict was reached after the jury had learned from witnesses that the vessel's sand hose had been allowed to remain disconnected before the ship was swung round into the seas.

Pershing May Be Senator

Jefferson City, Mo.—Gen. John J. Pershing, retired, a native Missourian, was being prominently mentioned by political observers for U. S. Senator. Since General Pershing's retirement from the army, he has been considered various means of honoring him.

Although it was doubted that he would accept, it was said about the state house that efforts could be made to offer the general an appointment.

Error Made In Dodge Sale Tax

New York—An error in business procedure on the part of the agents who negotiated the recent sale of the Dodge Brothers automobile property to a group of bankers headed by Dillon, Read & Co., will result in additional revenue of \$6,000,000 in taxes to the Treasury Department. The total of \$12,000,000 in taxes on the sale of the property, according to Fred L. Woodward, United States internal revenue collector at Detroit.

Powers Omit Congratulations

Paris—The French, British, Italian and Belgian governments have decided to omit the usual formal congratulations to a newly elected chief of state in the case of Field Marshal von Hindenburg, Germany's president, in view of the fact that his name is still on the list of those charged with war crimes. The four powers, it is stated, will simply forward a brief acknowledgment when notified of his assumption of the presidency.

Ex-Governor Davis' Trial Starts

Topeka, Kans.—Judge James A. McClure of the Shawnee County District Court has called the case of the state of Kansas against Jonathan M. Davis, ex-governor, accused of conspiracy and accepting a bribe. A crowded court room greeted the rising of the curtain on Kansas' first sight of one of its governors on trial on a criminal charge.

Polar Flight Postponed

Oslo—Severe weather and snow flurries have caused the explorer Roald Amundsen to postpone his airplane flight to the north pole until the latter part of the month, according to dispatches received from Spitzbergen. Amundsen's party has been at Spitzbergen for several days waiting for conditions favorable for a non-stop flight to the pole.

Japs Take Up Radio

Tokio—The first radio broadcasting station in Japan was opened recently. Sales of radio sets showed an immediate increase. The new station's wave length is 275 meters.

**MANY CHANGES IN MOTOR
VEHICLE LAWS.**

Broad changes in the state laws governing the operating of motor vehicles became effective recently when the Wells-Horton-Butley-Jewell bill was transmitted to the department of state bearing the governor's signature.

For the first time a positive dimming law is on the statute books. It stipulates that drivers shall dim not less than 600 feet of an approaching car, unless lights are of a non-glaring variety.

Cut-outs and exhaust whistles hereafter, are banned absolutely. The law states specially that cut-outs are not permitted.

The general passenger car law, relative to light, two headlights in front and one tail light—was unchanged, but a new clause was added making it mandatory for drivers to have the required number of lights functioning. Failure to have a vehicle properly lighted can now be termed reckless driving and a driver's license may be suspended for violation.

A radical change in the lighting system for cusses and trucks is prescribed. Trucks weighing more than two tons and passenger busses must have, in addition to the regular lighting equipment, three green lights in front at the top of the windshield and three green lights at the point of greatest visibility in the rear. The idea of this section is to give passenger car drivers warning when approaching a large commercial vehicle. Owners, as well as operators, of commercial vehicles are held liable.

The new law provides distinctive license plates for commercial vehicles. Inasmuch as plates have already been issued for 1925 this section will not be enforced until 1926.

Commercial vehicles, including passenger carriers, must be equipped with speedometers, so state inspectors more readily may check their speed.

Dealers no longer are required to transfer license plates when a used car is taken in. The transfer will now be direct to the purchaser of the car.

Stiff penalties for violation of any section of the act are prescribed. First offenders are subject to a \$25 fine and 10 days imprisonment; second offense \$50 and 30 days; third offense \$100 and 60 days.

According to the secretary of state, immediate steps to enforce the new statute are to be taken.

In addition to the general charges, effective the Young Drunken Driver bill has been operative for several days past and several license suspensions have been made under its provisions. It stipulates that driving while intoxicated is a misdemeanor punishable by comparatively heavy penalties. In addition, the driver is subject to suspension of his license for 90 days for a first offense and for one year for a subsequent offense.

**SELECTED WATERFORD SITE FOR
TUBERCULOSIS HOSPITAL.**

By a bare two-thirds vote the board of supervisors last Saturday settled the question of a site for the proposed county tuberculosis hospital. After a great deal of consideration of the sites available, the 80-acre Sylvester Welch farm in Waterford township was deemed to best meet the requirements of location and price. It was selected from 75 prospective sites. The price agreed upon is \$27,500.

The Welch farm is on section 31 in the extreme southwestern corner of Waterford township. It fronts on the improved Elizabeth Lake road, and in the rear there is a high wooded hill from which seven lakes are visible. It is proposed to build the hospital on the southern slope of this hill—Milled Times.

**SCRATCH FATAL TO WALLED
LAKE MAN.**

Blood poisoning believed to have resulted from a scratch on a barbed wire fence which he suffered about two weeks ago caused the death last Wednesday of Henry Walters, 45, at his home at Walled Lake.

Mr. Walters left a widow and a family of eight children, ranging in age from two years to 13 years. The funeral was held from the home under auspices of Lakeside Lodge, I. O. O. F. on Friday at 10 a. m. and burial took place in the local cemetery.

**CHARLES SMITH STARTS ON TRIP
AROUND WORLD.**

Charles Smith, who sold his 80-acre farm in Waterford last week for New York City from which place he will sail May 14th, on a trip around the world. He plans to stop at twenty-one ports and to spend several weeks in France. He will be gone about six months—Redford Record.

**NEWS DISPATCHES
FROM EVERYWHERE****Von Hindenburg Takes Oath Of
Office As President Of
German Republic**

Berlin—Field Marshal Paul von Hindenburg was inaugurated president of Germany with quiet but impressive ceremonies. Except for a brief shout of protest from the Communists, the inauguration was carried out according to schedule. The field marshal being sworn into office by Reichstag President Paul Doebe before a crowded house.

The oath taken by the president was as follows:

"I swear to devote all my energies to the welfare of the German people, to increase their prosperity, to protect them from injury, to preserve the constitution and laws of the commonwealth, to perform my duties conscientiously and to deal justly with all."

To this he added the religious affirmation "So Help me God," thereby setting a new precedent for German presidents.

Train Wreck Kills Three

Terre Haute, Ind.—Three trainmen were killed and five others injured when the fast eastbound Penna. passenger train No. 6, a double-header, was derailed at Blue Point, Ill., 35 miles west of here. Both engineers and a fireman were killed. The injured consisted of three mail clerks, an express messenger and second fireman. No passengers were reported injured. Both engines left the rails and turned over, followed by three mail and baggage cars. Cause of the derailment had not been officially determined.

DON'T'S

You will get better service from your electric light if you pay heed to the following suggestions:

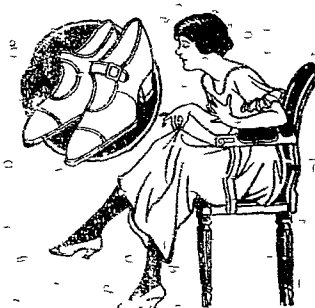

DON'T give lamp bulbs the final wrench when screwing them into the socket. This loosens the glass from its brass base and shortens the life of the lamp.

DON'T let dust gather on lamp bulbs. It will absorb as much as 50% of the light. Wipe off with a soft, dry cloth.

DON'T use old, dim, discolored lamp bulbs. They waste much light and hurt the eyes. You can exchange them for new lamps, you know.

DON'T use any lamp bulbs bare. Use shades of glass, silk, or parchment to soften the light and save your eyes.

AN OUTSIDE JUDGE SENDS BOOT-LEGGERS TO PRISON.

Judge O. S. Cross of Allegan-Ottawa circuit, who was sitting in the Wayne circuit court last week, created more excitement than has been observed there for a long time when he sentenced a number of bootleggers to prison. Nine persons, four men and five women, had previously been convicted in the justice court at Highland Park and had appealed their cases to the circuit court, and now they are extremely sorry they made an appeal. Over in his own courts Judge Cross never plays favorites. He treats bootleggers just as he would horse thieves or any other criminals and he did not realize he was establishing a precedent in Wayne county.

In relating the incident the Detroit News stated that Judge Cross said: "I didn't know I was doing anything unusual in sending them to jail," but "I did suspect something was not of the ordinary when they were showing and struggling with the deputies in my county. I treat bootleggers like I do horse thieves and the practice has proved successful." A bootlegger who operates on a large scale there is sentenced without hesitation, to six months in the Michigan reformatory at Joliet and fined heavily in addition.

My "fool" has always been that where severe punishment is inflicted crime is lessened. Years ago, a disturbing situation became evident in Allegan and Ottawa counties. Horse thieves had become alarmingly active and bold. The Michigan law governing such an offense at that time allowed judges to impose but five-year prison terms.

Later the law was changed so that a 15-year term could be imposed. After that when horse thieves appeared before me they got the limit. The result was that horse thieves became less active. I believe that prohibition can be enforced and results obtained in the same way. Give the bootlegger the limit, a heavy fine, and he will become a thing of the past.

"Try hard punishment on men arrested because of drunkenness and the same results will appear. I remember how I used to treat the old gang that used to loiter in the village saloon. Usually their families were in wait. I made it a practice to punish them severely and when they were released from jail they straightened up and tended to business.

"Prohibition has accomplished much. I believe in it sincerely, and if all bootleggers were sent straight to jail the cause would be greatly aided."

All the prisoners, with one exception, had pleaded guilty before Judge Cross Tuesday after their cases were brought to the circuit court on appeal. They asserted, after the sentence, that the Highland Park police had induced them to plead guilty with the promise

that their sentences would be light. But as Judge Cross added terms in the Detroit House of Correction to fines, the women and men began shouting for bondsmen.

They were informed by Judge Cross that bond could not be obtained in the circuit court after sentence, and it was then that the extra deputies were summoned to quell the prisoners and take them to jail.

Wayne county judges had the courage to sentence bootleggers and run runners to terms in prison there would be fewer fellows engaged in the business. What do these fellows care for the fine of a few dollars?

The writer has watched with a great deal of pleasure the advancement of Judge Cross from a student in the law office of H. H. Pope, one of Allegan's leading attorneys, to prosecuting attorney of his home county and finally to the honorable position of circuit judge for the Allegan-Ottawa circuit. As young man Mr. Cross was never willing to follow the crowd unless it was headed in the right direction. He thought they ought to be going. He was independent in thought and action and it was a pleasure to know that he had those attributes which make a man a leader of the better of society. It would be well for the time being if Mr. Cross had more circuit judges of the stamp of Judge Cross.

MEMORIAL DAY PROCLAMATION

(By the Governor)

Whereas, Memorial Day is a day of national observance, and it is the duty of the Governor to issue a proclamation designating the same as a day of public mourning and observance;

Therefore, I, the Governor, do hereby designate the day of May 30th as Memorial Day. The march of the Grand Army of the Republic is nearly over. The vast and sturdy ranks of a generation ago have dwindled to a hazy line of aged but exalted veterans. Time was when men from their own ranks decorated the graves of their fallen comrades and glorified the deeds of living warriors. This duty has fallen upon the citizens of a grateful republic. Once each year as long as this the happiest, mightiest and most righteous of all nations endures, we will be called upon to honor not only the valor of veterans of the Civil War but to pay homage to soldiers of all other conflicts of the nation. In peace with all the world, our tribute to the honored dead and the surviving veterans who made our happiness possible should this year be more impressive than ever before.

Chimney Waste Is Checked

Novi News.

Mrs. Harry Hammond still remains in very poor health.

Bernice Walters is gaining slowly after being confined to the house since last December.

Mr. and Mrs. Fred Briggs of Detroit visited the latter's parents Sunday.

Mr. and Mrs. Perry Taylor and little son drove to Adrian to spend Sunday.

Regular services at the Baptist church next Sunday morning and evening.

The semi-annual meeting of the B. Y. P. U. met at the home of Mr. and Mrs. Frank Clark Tuesday evening.

The following officers were elected: Pres. Mrs. Grace Shum, Vice Pres. Donald Munro; Sec. Joy Thompson; Treas. Mrs. Clara Clark. The committees will be chosen by the new officers and will be published later.

Rev. and Mrs. O. J. Lyon and little son—Russell of Flint visited Mrs. Lyon's mother Mrs. Dora Donelson from Thursday until Sunday night.

The supper at the Gairney Hotel last Friday night netted the school about \$18. This is to be used for the commencement and much credit is due the teachers and pupils for trying to "do something" and the supper served was of the best. All appreciate the kindness of Mrs. Murray and her assistants in opening the hotel to the school and the public.

The Baptist church has been newly decorated and presents a very pleasing appearance now. The work was done by Earl Tyle. Some work has also been done on the yard at the church as well as the parsonage—setting out fruit trees, plants and shrubbery and seeding the yard.

The W. C. T. U. held a very pleasant and profitable "Mother's Day" meeting at the pleasant home of Mr. and Mrs. Frank Rice last week Wednesday. Brief reports of the meeting at South Lyon were given and a splendid program was carried out. A question box was a very instructive feature as all questions were of importance and were mostly pertaining to the Mother's problems with the children. The program was a credit to the hostess and assistant Mrs. Effie Root and was very plainly demonstrated as a worth while effort.

The W. C. T. U. hope to have more of these meetings and will be glad for any help in suggestions or otherwise. The next meeting will be held at the home of the Flower Mission Superintendent Mrs. Effie Root the first Wednesday in June. This will be our Flower Mission Day and we hope to have a good attendance and a generous supply of flowers as each year on that day we take the bouquets to some sanatorium where they are much appreciated by the unfortunate ones in these places. For two years we have gone to the crippled children's hospital at Farmington Junction where we were welcomed and though our hearts were made sad to see so many little ones who cannot enjoy life as healthy and striving children can, yet it did our hearts good to see the smiling faces when they saw the flowers and cards that were given them. When we get out of sorts by our little aches and pains it would be a good plan and a "good lesson" to take a few hours off and visit some of these institutions. Our own trouble would then or ought to melt into insignificance. Try it and see.

Novi scribe is now back on the job after a very pleasant winter in the sunny southland.

We would like to make a suggestion—when you have any news—"good news" we mean that is worth publishing—it would help if such items were handed in or put in post-office. A press reporter is neither a mind reader nor a prophet. A word to the wise is sufficient. We were always glad to get our Record but much disappointed by the absence much of the time of Novi News. There ought to be some one interested enough to fill in the gap occasionally.

We had a delightful trip home—spent a day and night in Washington D. C. Went thru the White House Capitol and many other buildings and was surely fascinated by the beautiful sights. When we came out of the Capitol the cars were at half mast and we learned from our guide who inquired the reason that Congressman Wilkins of Michigan had just passed away. The visiting party during the forenoon was made up of 23 tourists from several different states. In the afternoon ten of the party made the trip to Mount Vernon. Visited the church where Washington attended services, the Friendship Fire department which was organized in 1774 with our great George Washington as chief. The beauty of the home and grounds at Mount Vernon cannot be described by pen. It must be seen to be appreciated. The old Potomac was beautiful and the writer "feasted" on that wonderful work of nature in the wonderful city. In March took a trip for a few days to Arcadia and Fort Meyers with an all-day boat trip down the Caloosahatchee river, the Bay and into the Gulf of Mexico. Took pictures along the way.

Ford

Lower First Cost and Upkeep

There is a double economy in the Ford Car that materially lowers the cost of motoring for the millions of Ford owners today.

First—A Ford Car is the lowest priced on the market—the least expensive car the automotive industry has ever produced. **Second**—it costs less to operate and maintain. Fuel consumption is low—you get high mileage from tires. Repairs and

replacements are infrequent; and charges, even for the labor involved, are small.

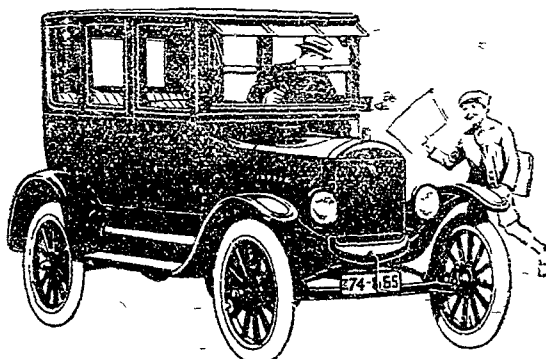

The Ford Weekly Purchase Plan makes it possible for anyone to buy a Ford on the easiest of terms. You may pay for your Ford out of your regular earnings. Ask any authorized Ford dealer about the details of this plan or write us direct, using this coupon.

OLD RESIDENT DIED MONDAY.

John Cooper died at his home in this village Monday afternoon, aged 80 years. He had been a resident of Northville for more than 60 years and had occupied the house where his last days were spent for many years.

Funeral services will be held at Schrader Brothers' funeral chapel this afternoon at two o'clock.

W. R. C. NOTES.

Members. - Attention. Regular meeting May 27th, at 7:30 p. m. sharp, in new Foresters hall. Come and let us take up our neglected work with new vigor.

Remember the Corps meets at the Dug-out Sunday, May 24th, at 7:15, to attend union Memorial services at Baptist church, with G. A. R. and Legion.

Further notices for Memorial Day, May 30th, will appear in next week's issue of The Record.

7,555 FORDS, DAYS-OUTPUT.

The Ford Motor company set a new record for production Tuesday when its assembly plants turned out 7,555 Ford cars and trucks in the working day. This record is for the United States plants alone and does not include foreign plants and associated companies of the Ford Motor company of Canada Ltd.

An interesting thing in connection with this remarkable production is that the company is exceeding its most careful estimate for May. Current Ford billboards which were prepared 60 days ago, carry the message "7,000 More Since Yesterday." But in actual output the company exceeded this by 555.

Production of the company has been steadily increased during the last few weeks due to the growing spring business and new-output records have been frequent, but none approaching within 100 of the remarkable figure of Tuesday.

On April 28 the domestic plants beat a record of 7,482 established a year ago by assembling 7,594 cars and trucks. This record stood until May 12 when production went to 7,752 - Detroit Free Press
