### MEMORIAL DAY FITTINGLY OBSERVED HERE.

A more perfect day could not have been desired than last Saturday for the proper observance of Memorial Day, and the people of Northville did themselves credit and honor in the manner in which the sacred festival of flowers was observed here. The day dawned bright and beautiful with a warm, yet gentle air which kissed the unfurled flags that graced either side of the business section of the village and hung in graceful folds from many residences. Northville people were astir early, vying with each other in their efforts to make the occasion fitting the purpose for which it was set apart. All day Friday and during Saturday forenoon people visited the village cemeteries and those in the outlying districts, bearing rarest flowers to decorate the last resting places of their loved ones. Many people came from afar to the one shrine which binds the heart strings and awakens sweetest memories—the Silent City.

At ten o'clock the band gave a concert and in the afternoon the people gathered at the Presbyterian church at 2:30 to take part in the very interesting program arranged for the day. The pulpit platform had been decorated in a manner fitting the occasion and the services throughout were interesting and impressive. Five members of the G. A. R.—Comrades L. C. Meade, Marvin Bogart, E. F. Payne, Leonard Cornwall and George Goodell—were given seats of honor while members of the American Legion, Boy Scouts and the W. R. C. occupied the news directly behind the aged veterans. Mr. G. White presided and announced the program. The band played "The Star Spangled Banner" and at the conclusion of the number Rev. F. P. Knowles offered prayer. Luther Lapham read "Lincoln's Gettysburg Address" and the Legion quartet sang that old familiar song, "Tenting on the Old Camp Ground."

Rev. Hallday of Salem, former chaplain of the Forty-second Division, in the World War, gave the address of the day and delivered a message that inspired all who were present. He is a pleasing and convincing speaker and he urged his hearers to carry on in the splendid and heroic ideals for which our soldier dead offered their lives and to so conduct themselves that Old Glory might never be disgraced by any act of theirs. The singing of "America" brought the exercises to a close and the procession then formed headed by the band, members of Northville Commandery, Knights Templar, acting as escort. Marching with the members of the American Legion, with a firm and springy step, was seen George Goodell, the youngest old veteran of the community and in spite of his 82 years no one enjoyed the march more. The Boy Scouts made a good showing and the W. R. C. ladies were out in large numbers. The number of school children in line was larger than in former years and the procession was an imposing one. The procession proceeded to Oakwood cemetery where the ritualistic services of the Grand Army of the Republic were given by Comrades Meade and Goodell and Chaplain Hallday. After the salute had been fired and taps sounded the procession re-formed and marched to Rural Hill cemetery where the American Legion services took place. The procession returned to the business section of the village where ranks were broken.

The members of the Post and Corps American Legion and band, with some invited guests enjoyed a bountiful dinner at 5:30 prepared by the ladies of the W. R. C. at the Masonic temple. Northville people have reason to feel proud of the manner in which the sacred day was observed here.

### BACMAN DOG AFFLICTED WITH RABIES.

An examination of the head of the Bauman dog which was sent to Ann Arbor last Thursday disclosed the fact that the animal was afflicted with rabies. As soon as the result of the examination was received Messrs. William Wain and L. D. Stage went to Ann Arbor for treatment and they must go every day until they have received 21 treatments, when it is believed they will be immune from the effects of the dog's bite. In this particular case no one seems to be to blame. The animal had shown no signs of being affected in any way, but it ought to be a lesson to many other owners of dogs to take due precaution to keep their animals where they cannot get in contact with people or with animals.

Try Northville first.

### NORTHVILLE SCHOOLS TO GRADUATE A LARGE CLASS.

The class of 1925 of the Northville High school has a membership of twenty-five—15 girls and 10 boys, and is one of the largest to be graduated from the local schools. The program for commencement week will open with the baccalaureate sermon by Rev. F. P. Knowles at the Presbyterian church on Sunday evening, June 15th. The commencement exercises will take place Wednesday evening, June 17th, and Prof. R. Clyde Ford of the Michigan State Normal College has been secured to deliver the address. On Wednesday evening, June 10th will occur the Junior-Senior banquet, after which the class day exercises will take place in the High school auditorium. James Wood will give the valedictory and Catherine Harlan the salutatory.

The following are the members of the class: Helen Alger, Barbara Blackburn, Ida Rose Cavell, Kenneth Edwards, Florence Foreman, Harry German, Catherine Harlan, Clara Hollis, Averell Henry, Donald Kerr, Clifford LeFevre, Joe Litsenberger, Hazel Lanning, Varca McKinn, Edward Riley, Fedora Stannan, Geneva Stephens, Reva Schaefer, Virginia Smith, Laura Truant, Rose Visnyak, Leo Wood, James Wood, Lucile Wickham, Ralph White.

### NORTHVILLE'S RESIDENCES AND BUSINESS PLACES ARE NOW NUMBERED.

After some months of planning and preparation the residences and business places have been numbered and during the past week B. A. Wheeler has been busily engaged in distributing the numbers about the village and tacking them on residences and store buildings. Last year the streets were all named and properly marked and the work of numbering the residences and business places has finally been completed. It was a big task and those of our citizens who gave their time and efforts to this public improvement are to be commended for their enterprise and interest.

The next step in the matter of public improvement will now be the establishment of free mail delivery for Northville. This will come in time, perhaps sooner than many now think.

### THE FORESTERS DEFEATED OAK RIDGE MERCHANTS.

The Northville Foresters evidently are not having real competition as yet this season from the result of last Sunday's game. The Oak Ridge Merchants were taken into camp by a score of 22 to 2. These kind of games, although not so interesting for the spectators will get the local players into base ball condition. Then as the boys say, "Bring on the best of 'em."

Next Sunday the Northville Forester ball team will play at Plymouth on the new grounds just outside the village on the Plymouth road. It will be between the Plymouth "Lancers" and the Northville team.

One week from Sunday the Roxon and Ready team, who have always carried the idea that they stood at least two notches higher in base ball than the Foresters, will play here.

### GREAT PLANS BEING MADE FOR G. L. A. DAY.

Wednesday, June 17th is to be a great day in Northville and extensive plans are being made for the evening. The occasion of the celebration is the meeting of the Grand Court of Michigan Foresters of America and this particular day has been set aside for a G. L. A. day to which all the people of the section are cordially invited.

During the forenoon there will be band concerts, street sports etc. The afternoon will be given over to an automobile parade and trade display, horse racing, and a L. A. game. In the evening, if the weather permits, there will be a free first dance on the pavement.

A real genuine Northville welcome will be extended all visitors and the gates of the town will be thrown wide open.

### BAND CONCERT SATURDAY NIGHT.

Northville people will have the privilege of enjoying weekly band concerts again this season by the municipal band an organization that has but few equals among the small bands of the state. Saturday night's program will include "DeMolay Commandery," "Listening," "Hamlin Rattle," "Yearning," "Oh, Catherine," "Tenth Regiment," two overtures and the concluding number "Star Spangled Banner."

Tell your neighbors and friends and invite them to come to Northville to enjoy the concert.

### Bible Thoughts for the Week

#### Sunday.

Be Not Deceived; God is not mocked for whatever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting. And let us not be weary in well doing; for in due season we shall reap, if we faint not.—Gal. 6:7-9.

#### Monday.

A New Commandment I give unto you, that ye love one another: as I have loved you, that ye also love one another. By this shall all men know that ye are My disciples, if ye have love one to another.—John 13:34, 35.

#### Tuesday.

In the Beginning was the Word, and the Word was with God, and the Word was God. All things were made by Him; and without Him was not anything made that was made.—John 1:1, 3.

#### Wednesday.

He That Will Love Life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile.—1 Peter 3:10.

#### Thursday.

Withhold Not Thou thy tender mercies from me, O Lord: Let Thy truth continually preserve me.—Ps. 40:11.

#### Friday.

A Man That Hath Friends must shew himself friendly: and there is a friend that sticketh closer than a brother.—Prov. 18:24.

#### Saturday.

If Thine Enemy be hungry, give him bread to eat; and if he be thirsty, give him water to drink.—Prov. 25:21.

### TWENTY-FIVE YEARS AGO

Roy Clark visited at Milford Wednesday.

Miss Blackburn has been visiting her sister at Ken Bridge, Ontario.

Seniors at the opera house tonight in "The Lady of Lyons."

T. G. Richardson has sold out his dry goods, clothing and shoe business here and leased his store to B. Cohen of Lake Odessa.

The Northville schools this year had a total enrollment of 416 pupils.

Mr. and Mrs. Bert Rae of Plymouth were at the home of Mrs. E. Brigham Sunday.

A quiet wedding occurred at the home of Mr. and Mrs. C. M. Thornton last Saturday evening, when their youngest son, Albert M., was united in marriage to Miss Jennie L. Simons of Scranton, Pa. The Rev. W. H. Lloyd performed the ceremony.

And They Do the Same Thing now.

Last week a dear delinquent said he'd pay up if he lived.

He is dead.

Another said, "I'll see about that little account tomorrow."

He is blind.

Still another said, "I'll pay you this week, or go to the devil."

He is gone.

### LIGHTNING PLAYED SOME PRANKS

Monday afternoon during the slight storm which passed over this section lightning struck a large maple tree in the garden at the home of Mrs. Jennie White on Randolph street and set fire to a lot of rubbish at the base of the tree. Other trees in the vicinity of Randolph street were also damaged.

### BALL GAME SATURDAY AFTERNOON

The Northville base ball boys will have a game here at Northville Saturday, tomorrow, afternoon at four o'clock. The contesting team will be the Detroit Piston Ring Casting Co. There are not many week day games played here, so those who are interested in base ball may have an opportunity to see a game tomorrow.

### ENLARGING DODGE SERVICE GARAGE

H. S. German & Sons of the Dodge service garage, have caught the expansion spirit and are making some extensive repairs and alterations in their building. There will be a commodious addition erected in the rear of the present building, the drive-in will be on the west side of the building, leaving the space now used as a driveway for a show room.

When all the contemplated changes and improvements have been made Messrs. German will have a very convenient and commodious garage.

The willing neck wears easily the yoke of Christ.

### Elegance!

The wonder of Wall Paper nowadays is not alone the vast variety of designs in perfect taste.

Not alone the exquisite color harmonies and fascinating patterns and authentic textures, like silk and damask and tapestry and fine leather.

The wonderful thing is the little cost of making a room elegant, in the fine sense of that word!

Whenever you like to come in and see for yourself, we will like to show you all we imply here.

## How Nation's Milk Is Used

TWENTY cents out of every 1000 dollars is spent for dairy products. Milk of milk products are used in almost every dish included in the diet meal, according to the Blue Valley Creamery Institute.

Latest statistics prepared by the Bureau of Dairying of the Department of Agriculture show that 45.5 per cent of the American milk production, or almost one hundred billion pounds, is used directly in the form of milk. It is estimated that every man, woman and child consumes on an average of 50 gallons of milk each year. This is an increase of eight gallons over the 1917 per capita consumption figures.

The nation is eating more butter as well as drinking more milk. Per capita consumption of butter averages around 16.5 pounds, while in 1918 the average was but 14.6 pounds. More than one-fourth of the yearly milk supply is made into butter, 23.6 per cent of this is turned out as a commercial product. Americans are not big cheese eaters. The average consumption is less than 3.7 pounds per capita. Only 3.7 per cent of the annual milk production is made in cheese. Condensed milk consumption has more than doubled since 1920 when the average consumption was six pounds per capita. Today the average consumption is 12.69 per capita.

Condensed milk plants last year absorbed 3.5 per cent of the milk produced. Ice cream takes about the same amount. Calves drink around 1 per cent. Less than 2 per cent of the year's milk supply is used for miscellaneous products as powdered milk and cream, malted milk and milk chocolate. It is estimated that around 3 per cent is used for

## TO THE QUALIFIED VOTERS OF DISTRICT NO. 2, FRL

(Published by Authority of Board of Education)

June, is certainly a great month for the schools of the land. During this month the students as a general rule find their childhood ambitions realized. The slogan, "I passed" is on every lip and the boys and girls are so joyous about it that they soon let the entire community hear of their success. The seniors graduate into the great world of life and while still under the magic spell of success their thoughts turn to other worlds to conquer. It is certain that there is no other body of workers quite so joyous, persistent and hopeful as the students of our public schools.

It may appear to some of the older people that the students are too light hearted, too spontaneous and too much given to good times. The same people would look at the world and say, "It is that" or look at these boys and girls and say, "It is made of some blue substance." The truth is the students are more really alive, have more vitality, more daring and vision than any one else. While the older people are quitting the students with a jolly laugh on their lips are dashing out into the world and doing the difficult tasks of yesterday easier and better than their ancestors ever did. In all of this it is Education that puts the lever into their hands.

Therefore, such a great and powerful thing as education should always become better and better. Those providing for it should have a wide view and liberal minds. They must have a vision that is far-reaching enough to provide for the future. A good education pays big dividends to the community, the state and the nation. Not long ago a certain town in another section of the state was in the midst of a very exciting school campaign. A certain citizen made the remark that his father brought up in a log house and now he had a comfortable home with two rooms and a loft. Then he said, "I was the same with the old school building, that it was a good enough home for children it was good enough now."

A business man took the citizen up on this argument and said, "Mr. Citizen, why don't you hunt around for an old log house and buy that to live in? Instead of doing that you bought the largest and finest home in the whole town with running water, electric lights, running water, bath, plenty of room and every conceivable modern facility for making your home happy and comfortable. Just as you and your family have outgrown the old log house, so the people of this community have outgrown a one-room high school with only the crudest of facilities."

We are very sure that Northville does not contain any citizen of the above type. We as a Board of Education pledged to serve the educational interests of this community to the best of our ability feel that the people of Northville have been given a fair and comprehensive survey of the local school situation. Every fact and figure at our command has been given to the taxpayer through the columns of this paper. The reader is already familiar with the recommendations, namely, enlargement of the present school site, and the securing of an additional site on Northside, in Oakwood subdivision. We are asking for an amount not to exceed \$25,000 to purchase the above property, but feel sure that it can be obtained for less. In that case only enough bonds will be sold to cover the actual cost. As this amount will be spread over a period of years the actual cost to each taxpayer will not amount to very much. The probability is that the present school tax would be increased about 75c per thousand valuation. We hope that the people of Northville will see the wisdom of providing additional sites now before the cost goes any higher. Your support at the election next Monday night will be a decided benefit in the long run to every taxpayer of Northville.

## WIXOM WHISPERS.

Misses Hildah Furman, Beulah Gay and Gladys Birkenstock of Detroit were week-end guests at the Furman home.

Mrs. Mildred Parker and sons, Ralph and Russell of East Lansing, have been visiting the former's parents, Mr. and Mrs. Mark Decker.

Rev. N. E. Musser, of Orionville, preached at the Wixom church last Sunday, both morning and evening. His son and daughter accompanied him and while here they were guests of Mr. and Mrs. E. A. Mowry.

Rev. and Mrs. H. J. Thibaut spent Sunday at Millington. Mr. Thibaut preaches his farewell sermon next Sunday, June 7. He also preaches the baccalaureate sermon in the evening.

Mr. and Mrs. H. E. Sayles of Plymouth were callers Sunday afternoon at Mrs. Berde Richter's.

The Wixom Farmers' club will hold the June meeting Wednesday, June 10th, at the home of Mrs. Martha Furman.

The Church Helpers met on Wednesday afternoon with Mrs. F. E. Pearsall.

Ruth Mowry was given a present of a new piano.

## JUNIOR PICTURE WEDNESDAY.

The Juniors will present another interesting motion picture at the High school auditorium on Tuesday evening next. The public is invited to attend. The Juniors are raising money for their Washington trip next spring and will appreciate your assistance.

## Mohair of Commerce

The mohair upholstery of the best enclosed cars is woven from the soft, silky fleece of the Angora goat. The word "mohair" is derived from the Arabic "muhayyar," which means choice or select, and which even in Biblical times was applied to fine goat's hair fabrics.

## "BILLY" SCHULTZ OFFERED A CHANCE IN MOTION PICTURES.

A letter received by The Record from Mrs. W. E. Ambler of Pasadena, Cal., conveyed the news that "Billy" Scholtz, son of Mr. and Mrs. Clyde Scholtz, had been offered a chance to get into the motion picture industry, he having been selected from among a large number of children whose pictures appeared in the Los Angeles Evening Express' better babies exposition. The fact "Billy" and Mrs. Scholtz are soon to return to Northville made it necessary for him to decline the opportunity to appear before the camera.

Mrs. Ambler stated they were all well and are having lovely weather. She said she would be glad to prepare a dinner for all the happy fellows of the Exchange club if they would come out to Pasadena. Well, one of Mrs. Ambler's dinners would be worth traveling a long way for.

## ATTEND THE PUBLIC MEETING TONIGHT.

The citizens' meeting has been called for the High school auditorium this evening and it is the desire of the members of the village council that there should be a good attendance. The question of providing a new village hall or community building will be discussed and the matter of constituting some payment will also be considered. The council has called this meeting because its members are anxious to know the desires of the taxpayers and all who are interested should attend.

If we build a new village building, what kind of a structure shall it be?

If we pave some streets or one street how shall the expense of such improvement be met?

These will be among some of the questions presented for consideration and it is important that the people give the matter careful consideration, because their solution will affect the future growth and development of the village.

**NEWS DISPATCHES FROM EVERYWHERE****Coolidge Decides Peru-Chile Settlement Shall Be By Plebiscite**

Washington—President Coolidge has informed the Peruvian government that he was constrained to regard his award as arbitrator in the Tachara-Arica dispute between Peru and Chile as "final and without appeal." The communication pointed out that this action agreed with the terms of submission as signed by the two governments and also with the general principles of international law.

The Peruvian memorial certifies several pages to an argument contending that the arbitrator's action in ordering determination of sovereignty in Tachara and Arica through a plebiscite was the consequence of an error of translation which runs through the entire opinion and award. The reference is to the English translation of clause 3 of the treaty of Ancón under which the two countries agreed in 1884 that plebiscite should be held either "at" or "after" the expiration of 10 years.

**Lunch Rooms in Gas Stations**

London—Quick lunch tea rooms are to be added to filling stations in England for the benefit of motorists. Gasoline supply branch stations are comparatively new here, but the idea has taken hold and spread rapidly, and some of the new houses now going up in and near London for the spring trade are known as "petrol palaces." Quite a number have free "wash and brush-up" rooms as well as quick lunch facilities, where members of the motor party may satisfy their thirst for tea, cake and sandwiches.

**Air Express Launched**

Chicago—Commercial aviation, already common in Europe, made its advent in the United States when the first plane of an air express service between this city and Detroit landed with 2,000 pounds of paid express aboard.

The take offs will be made regularly three times a week at first, and later, every day, and if Chicago will support this service it will be increased and other routes to the Twin Cities, to Omaha, to St. Louis, to the south and west and southwest will be established.

**Arabs Attack Jews**

Jerusalem—While Jews and Arabs of Galilee were joining in welcome to Lord Balfour, Great Britain's foremost advocate of Jewish colonization in Palestine, Arab feeling flared up at Nablous, Syria, in an attack on the Jews. Several Jews were injured. It was the first outbreak since Lord Balfour's arrival despite the strike called by Arabs the day he reached Jerusalem.

**Dodge Financing Launched**

New York—The largest single piece of industrial financing in American banking history—the sale of \$160,000,000 worth of securities for Dodge Brothers, Inc., the third largest manufacturer of automobiles in the world—has been launched by Dillon, Read & Co. bankers, who recently purchased the mammoth automobile business from the heirs of its founders.

**NORTHVILLE HAD TWO ENTRANTS IN SPELLING BEE**

Northville township had two entrants in the Detroit News Metropolitan spelling bee which was held at the coliseum at the Michigan State Fair grounds Friday afternoon. Elizabeth Chargo was one of the representatives from Northville and she failed to spell the word "abbey" correctly. Richard Sonnenberger was also among the contestants and he went down on the word "apparel." Dorothy Karkick of the Harms school of Detroit won the honors of the contest, the last word pronounced to the youthful contestants being "henfer." Dorothy is but 15 years of age and her victory was witnessed by a great crowd that filled the immense building to its capacity. Men and women, boys and girls, cheered heartily and when the victor was introduced to the audience she was greeted with extended applause. She will go to Washington to represent Michigan.

**TOWNSHIP BOARD OF REVIEW**

The Board of Review for the township of Northville will be in session at the Village Hall, on Monday, June 8, and on Monday and Tuesday, June 8 and 9, 1925, from 9:00 a. m. until 5:00 p. m., on each of said days, when and where the assessment roll will be reviewed, and that any person deeming himself aggrieved may be heard.

W. H. YERKES, Supervisor.

The Westminster Guild will meet with Miss Marian Power, Miss Ruth Henry assisting.

The Woman's Union will meet in the church parlors Wednesday at 2:30 p. m. Subjects: "Japan," Mrs. M. Laher, "The West Indies," Mrs. P. R. Alexander.

Mid-week service on Thursday evening at 7:30.

**METHODIST CHURCH NOTES.**

A little christianity is a trouble-some thing. Indeed, it is a disturbing element. This is what is the matter with the world today. We have a christian conscience that is expected to dwell peacefully in a world which has not become altogether christian. Therefore we are at times greatly distressed. We cannot be at peace, our moral world is full of conflict; we are living in the presence of contradictions and suffering the wounds of inconsistencies.

The old solution of the world's distress is more christianity. The church stands ready to teach this. Come next Sunday morning and evening. The time is 10:30 and 7:30.

Our Sabbath school meets at 12 noon, with a welcome for all. In the Epworth League at 6:30 Naomi Colburn and Olive McLeod will lead.

Thursday will be our mid-week service at 7:30.

**Spiritual Viewpoint.**

Worry retards growth.

Look the way you are going.

Infidelity has no death need repentance.

You can't play leap-frog with your faith.

Restlessness makes many a man drop his anchor.

Keep your troubles close and they will never sink your boat.

A man always has his own car fail when he travels away from God.

**SCHEDULE FOR TWILIGHT LEAGUE GAMES.**

**Running Hard To Keep Right Where We Are**

The inclination of the most of us is to try to stay where we are and keep what we have secured especially when there is an element of risk. We use up much energy in this tread mill process.

The things that were good enough for our forefathers is good enough for us and so we look longingly to the good old days.

The fundamentalist is for the sentiments—views—conclusions of the fathers. The decisions arrived at by old testament characters settles matters once for all. The fear for the Ark of God and want to steady it lest it fall.

The modernist feels that the Bible is a great and growing revelation—an ever widening, ever enlarging book—that is always true for each succeeding generation—that the new discoveries of the world show a Being who is a greater Father to humanity than ever before.

Free discussion of these matters will bring out the great facts of God and His relation to humanity. The great principles of the Bible are suitable to all men in all walks of life, in every land and under all conditions. These principles cannot be destroyed.

The Bible still conquers—it is the liveliest thing in the world today—it will remain the most up-to-date volume extant. Peter said that it broadened his life and SO MAY YOU

## CORNER STONE FOR CHILDREN'S BILLET LAID SUNDAY.

(By Louis L. Goodnow, Staff Correspondent, the Detroit News).

National representatives of the mighty army of Americans during the world war assembled Sunday on a beautiful pier overlooking the deep blue waters of Otter Lake to see a half-hundred happy and healthy children play about; children who would not have been happy and healthy without the American Legion. They watched and smiled, and then publicly pledged themselves to work for the happiness and health of all children.

Commander Drain was present to lay the cornerstone of the hospital unit of the Children's Billet of the American Legion at Otter Lake and to dedicate the new building for the children recently built from funds of the Forty and Eight, composed of members of the American Legion.

The hospital is to be built with \$60,000 appropriated by the state of Michigan. The other buildings and the equipment, and the land have been paid for by the Legion and its auxiliaries and friends. These agencies also maintain the billet. In it are received dependent children of former service men until their families, if they have any, are rehabilitated or until they are adopted. The ages of the children are from a few months to 15 years.

Several hundred men and women of the Legion and its auxiliaries, coming from every part of the state, were present to see for themselves how underprivileged children were made whole and to tell their comrades of it when they returned. It was a great day for the youngsters living at the home. The visitors swung them, caught them at the end of the dizzy, chute-the-chutes, sent them flying on whirling teeter-totters, and generally fathered and mothered and big brothered and sistered them.

The children come and go constantly, said George Yeomans, superintendent. A widowed father, with no place where his children can get care, may confide them to the billet. Time goes on, the father finds means to keep them again near him, and the children go. But others replace them. Orphan children are brought there by men of the Legion who knew the parents through his service connections. It is learned that some other Legionnaire desires to adopt a child.

The buildings which shelter the children are stoutly constructed and set on high ground, so that health-giving breezes play around them constantly. The rooms are large and well appointed, and large and plentiful windows in each one. The milk is rich, the eggs come from the billet hens. Those of school age are taken to the Otter Lake school. Their clothing is simple and substantial.

"When we see what you are doing here for a comparatively few children," said Commander Drain, "it compels us to think in the same terms of all children."

Commander Drain then spoke of the work in general of the Legion. He said America was the strongest country in the world and that if the service men acquired solidarity through the Legion they would become the strongest voice in America. He said that the Legion stood for the highest ideals of justice and progress.

John F. Roehl, commander of the American Legion, Department of Michigan, presided, and Thomas E. Johnson, Michigan superintendent of schools, spoke for the interest of the state in the work of the billet. Robert Y. Ogg spoke for the public.

## Walled Lake Warbles.

The cottages about the lake are filling up pretty fast these warm days. Mrs. Maynard Post entertained the Embroidery club on Wednesday afternoon.

The W. C. T. U. met with Mrs. Geo. Campbell on Wednesday and enjoyed a pot-luck supper.

W. H. Hutton of this place gave Lincoln's Gettysburg address at the Memorial Day exercises at Pontiac. He has rendered that service for a number of years.

The members of the W. M. B. class met at the pleasant home of Mr. and Mrs. E. V. Mercer Monday evening. Miss Jennie Spaulding assisted Mrs. Mercer in entertaining.

Ira Carnes, Philemon J. Miller and Robert Rhodes represented Walled Lake Lodge No. 525, F. & A. M. at the annual convention of the Grand Lodge at Grand Rapids last week. On the return trip, Mr. Miller, who is state representative from this district, stopped at Lansing to attend the final adjournment of the legislature.

**NOTICE OF MORTGAGE SALE.**

Whereas, Charles F. O. Mason, of the city of Detroit, Wayne county, Michigan, made and executed a certain mortgage, bearing date the 27th day of November, A. D. 1917, to Robert B. Thompson, of the township of Northville, Wayne county, Michigan, which was recorded in the office of the Register of Deeds of the county of Wayne on the 30th day of November, A. D. 1917, at 11:15 o'clock in the forenoon, in liber 293 of mortgages on page 466.

And whereas, the amount claimed to be due upon said mortgage, at the date of this notice is the sum of thirteen thousand one hundred sixty-four and 34/100 (\$13,164.34) Dollars, and no suit or proceeding has been instituted at law to recover the debt now remaining secured thereby or any part thereof.

And, whereas, default has been made in the payment of the money secured by said mortgage, whereby the power of sale contained therein has become operative:

Now, therefore, notice is hereby given that, by virtue of said power of sale, and in pursuance thereof and of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises, at public vendue, to the highest bidder, at the Congress street entrance to the Wayne County Building, in the City of Detroit, in said county of Wayne, that being the place of holding the circuit court within said county, on the 2nd day of July, A. D. 1923, at 10 o'clock in the forenoon; the description of which said premises contained in said mortgage is as follows: Lands, premises and property situated in the township of Northville, county of Wayne, and state of Michigan, described as follows, to-wit:

Beginning at the northeast corner of section four, Town 1 south, Range 8 east, running thence south on the east line of said section, fourteen hundred forty-five feet, thence west parallel with the north line of said section, twenty-five hundred twelve and 95/100 feet, thence north parallel with the east line of said section six hundred fifty-three feet, thence east parallel with the north line of said section fourteen hundred seven and 95/100 feet, thence north parallel to the east line of said section, seven hundred ninety-two feet to the north line of said section, thence east along said north line eleven hundred four and 5/10 feet to beginning, containing 57.7714 acres of land.

Dated April 2nd, 1923.

**TRACE ORIGIN OF AMERICAN PEOPLE****To Use as Guide in Fixing Immigration Quotas.**

Washington.—The task of tracing the family tree of the American people is under way, representatives of the secretaries of state, commerce and labor having begun investigations to determine the broad lines of national origin for use as a permanent guide in fixing immigration quotas.

Ancestors or descendants of particular individuals are not being considered in the study, which was provided for in the immigration act of 1921, their place for the purpose of the nation's genealogy being taken by statistics of immigration and emigration, rates of increase of population as shown by successive decennial censuses and such other data as may be found to be reliable.

Monographs prepared by the census bureau and by the Department of Labor are being used in the work of determining as accurately as possible the origin of the homo-American. The investigation is expected to continue a year and the results must be formulated by April 1, 1927, the date when President Coolidge, under the law, must proclaim the new quotas fixed according to the ratio of the alien origins of the American people. The present quotas are determined on the basis of the census of 1910.

William R. Vallentyne, assistant to the solicitor of the State department, and Col. Lawrence Martin, chief of the division of maps, library of congress, represent the State department in the investigation. Dr. Joseph A. Hill, assistant to the director of the census, and Laverne Beales, expert on population statistics, represent the secretary of commerce, and W. W. Hubbard, commissioner general of immigration, and A. B. Reitzel, assistant solicitor acting as alternate for Ethelbert Stewart, are the members for the secretary of labor.

**Intricate System Guards Gem Dealers' Offices**

New York.—In the wholesale jewelry district of this city, where millions of dollars in diamonds and precious stones are daily handled, extraordinary precautions are taken against possible holdups.

It is, of course, a simple matter to provide burglar-proof vaults. In buying and selling precious stones it is necessary, however, to remove the gems from the safes to display and examine them. The offices where fortunes in gems are handled are in thoroughly safeguarded.

The usual visitor to these offices will scarcely notice precautions to guard against attack. The offices usually contain an outer room enclosed by high partitions. The only employee in evidence is behind a small window. When the visitor satisfies the observer at the window and not before, a door is opened in the partition, and on his entering is quickly closed.

The office is divided into a series of rooms, each fitted with high windows. To enter any one of the rooms, the visitor must be seen by the observer behind the window in the outer office.

It is impossible to gain entrance to any of these inner rooms without the aid of a man in the outer office. Inside, the door is locked and it only be opened from the desk.

Should a holdup be attempted in an outer office the inner rooms are completely protected by a formidable line of barriers. And that an intruder be overcome the doors to the inner rooms would remain locked.

Let the thief attempt to hold up anyone after gaining admission to the office and he would be locked in with the assistance of the man in the outer office.

**Six Years After War Mines Still a Menace**

Copenhagen.—Recent reports disclose the presence of drifting mines in the Baltic as a menace to shipping. It is evident that official reports as to the clearance of mines in these waters are not to be wholly trusted. It is believed that any storm might dislodge the units of some mine field along the coast of the Baltic, and it is argued that dangerous mines, frozen up in ice of winter, may well float about until next spring and then reappear in totally unexpected locations.

Three, England.—Mrs. Betsey Pennick, who was a debutante when Victoria became queen of England in 1837, is on the lookout for a husband. She is 103 years old and still going strong. Having just recovered from a period of illness, she says she wants someone to provide for her for the rest of her days.

Mrs. Pennick was married 86 years ago but has been a widow for 40 years. She is thought to be the oldest of King George's subjects in England.

**NEWS DISPATCHES FROM EVERYWHERE****Sixty Miners Killed In North Carolina Coal Mine Disaster**

Coal Glen, N. C.—Trapped by a series of explosions which sent through the underground passages the deadly after-damp, some three-score miners lost their lives in the mine of the Carolina Coal Co.

Four hours after the disaster hope that the imprisoned men might still live was nurtured by the report that fresh air had been encountered by rescue workers.

Time after time fresh crews of rescuers replaced tired workers until the 1,500-foot level had been reached without bringing evidence of the imprisoned men.

Mine officials expressed the opinion that 50 to 60 men still were buried beneath the 1,500 foot level.

Mine officials believed the men would be found in the main shaft after a wall of debris blocking the main passageway had been cleared away.

**Speedway Records Broken**

Indianapolis.—Automobile racing created a new ideal in the person of Peter DePaolo, who won the thirtieth annual 500-mile race at the speedway on Memorial Day. His speed for the distance averaged better than 101 miles an hour.

De Paolo not only shattered all speedway records for the distance, but came in ahead of three others who themselves had smashed the track record.

Bennie Hill and Red Shaffer, second and third place winners, shared honors with DePaolo in one of the most spectacular races ever held on the Speedway.

**Oil Indictments Returned**

Washington.—Former Secretary of the Interior Albert B. Fall and the oil magnates, E. L. Doheny, and Harry F. Sinclair, were indicted here again by a federal grand jury for alleged conspiracy to defraud the government in the California and Wyoming naval oil leases.

This is the second time the three men have been indicted on the same charge. The first indictment was dismissed by the District of Columbia Supreme Court because unauthorized persons were in the grand jury room while the inquiry was being made.

**Treaty Not Violated**

Washington.—Under the interpretation placed here on the Rush-Bagot agreement, the controlling treaty, plans for augmenting the prohibition navy in the vicinity of the Detroit River could be executed without the necessity of entering upon negotiations with Canada.

The agreement limited "naval craft" to one boat on each lake, armed with an "18-pound cannon." Such limitation would not embrace speedboats armed with machine guns, departmental experts hold.

**Gold Star Mothers in France**

Paris.—The American Gold Star Mothers, who have come to France to visit the cemeteries where their sons are buried, were welcomed to the American Embassy by Ambassador Myron T. Herrick at a touchingly intimate family party. The ambassador in an impromptu speech moved them to tears.

The delegations were presented by the ambassador to President Doumergue at Elysee Palace.

**Debt Evasion Denied**

Paris.—Foreign Minister Briand declared in the senate that France has already begun serious conversations with the United States for the settlement of French war debts.

M. Briand's declaration regarding war debts was made in response to a statement by Senator Taft of Alsace, who said France had made a great error in allowing the idea to spread that France did not want to pay what she owed.

**Santo Domingo Confirms Treaty**

Santo Domingo.—The convention between the Dominican government and the United States of Dec. 27, 1921, was passed by both houses of the government. Tranquility prevails in the republic. One confirms the evacuation of the American forces and the other provides for refunding of the debt of \$25,000,000 to various corporations and individuals.

**Haiti Protests U. S. Occupation**

Washington.—A drive to force withdrawal of United States military forces from Haiti has been begun by the Patriotic Union of Haiti in addressing a sharp protest to President Coolidge against the occupation. The United States has invaded and destroyed the independence and sovereign rights of the Haitian people, the document charges.

**Indian Tribes Sue For Lands**

Washington.—Two suits for nearly \$14,000,000, involving more than 1,500,000 acres of land alleged to have been erroneously taken over by the government, were filed in the Court of Claims by the Klamath and Modoc tribes and Yahooskin band of Snake Indians in Oregon and California.

### CLUB LEADERS HOLD ANNUAL MEETING.

Four H. club members of Oakland county marked the completion of their winter projects at the annual achievement day held Saturday, May 23rd. All girls and boys who had completed a project within the year were invited to spend the day at the home of Mr. and Mrs. George T. Hendrie in Bloomfield Hills near Pontiac. The program of the day was carried out under the direction of Miss Muriel Dundas, home demonstration agent, and George H. Kimball, Jr.

Second and third year girls participated in clothing judging contest, with the result that Jean Chamberlain and Imogene Hennessey of Oxford will represent the county at the club week held at Michigan State College July 5th to 10th.

The local champions from whom the county champions were chosen are as follows:

Local Champions 1924-1925, Oakland County.

Hot Lunch Project—Marie Kirchoff, Novi.

Clothing project—First year champions—Naomi Leonard, Bagliah Stephens, Block school; Edith Leach, W. Travis, Laverne Schicht, Oxford. Beatrice Teggerdine, Clarkston; Josephine Stewart, Clarkston; Lila Teays, Addison; Olive Pepper, Davidsburg; Arlyne Balwin, Oxford.

Third Year Clothing—Maude Gladstone, Oxford.

Canning 3rd Year—Dorothy Holden, Milford.

County Champions—Clothing—First Year—1st, Naomi Bell Leonard; 2nd, Olive Pepper, Davidsburg; 3rd, Josephine Stewart, Clarkston.

Judging Team—1. Jean Chamberlain; 2. Imogene Hennessey.

Second Year—1st, Hilfred Smith, Addison; 2nd, Irene Young, Oxford.

Third Year—1st, Maud Gladstone.

Hot Lunch—Marie Kirchoff, West Novi.

Canning 3rd Year—Dorothy Holden, Milford.

Several clubs will reorganize for summer work-taking up either cooking or canning projects.

The morning program included games directed by Mrs. Mary Justin and Nevels Pearson.

Exhibits were judged by Miss Sylvia Wixom, assistant state club leader.

The set of posters which were made by the West Novi hot lunch club deserve especial mention. They illustrated the three functions of food—body building, energy giving, and body regulating. The fourth poster illustrated in a clever manner the value of hot school lunch.

As a part of the afternoon program talks were given by Miss Sylvia Wixom and Nevels Pearson, assistant state club leaders Michigan State College.

### FOSDICK LIMITS SALARY TO \$5000

New York—The Rev. Harry Emerson Fosdick has formally accepted the pastorate of the Park Avenue Baptist church here. The church is the one attended by the Rockefeller family. He specified that he would not accept a salary of more than \$5,000 annually and the church agreed that he would not be restricted to Baptists in his choice of assistant pastors.

The Rev. Fosdick, leader of the "modernists" has been under fire for his advanced religious thought.

Before Fosdick agreed to become pastor of the church he required the church to agree he would not be forced to baptize exclusively by immersion.

### Discover Prehistoric City

East B., Nev.—Evidences of a complete city which may have been of Chinese origin are being traced by the National Cosmographic Society, 25 miles west of Pioche, near White Horse Springs.

Two and a half miles of obsidian cliffs are literally covered with ideographs and Chinese characters of the pre-Ming dynasty, according to the scientists. Robert Hamilton, translator of the cosmographic expedition, has been able to follow directions etched on the glass like cliffs.

### Kidnaping Plot Bared

Los Angeles—A plot to kidnap Mary Pickford and Pola Negri and hold them for \$1,000,000 ransom, has been frustrated.

Captain of Detectives George E. Home has announced two desperate men criminals have been jailed in the plot. Another is held as a material witness. The three men, held incommunicado are T. Claude Arthur, Billie Woods and Charles Z. Stevens. Captain Home declared the plot is the most astounding of his long experience.

### Bandits Hold Town At Bay

Kentland, Ind.—The entire town of Brook, Ind., near here, was held at bay by a gang of ten bandits while they smashed open the doors of the Brook State Bank opened the vault with a blast of nitroglycerine which shook the town and escaped.

Before beginning their marauding the bandits cut all telephone and telegraph wires and then raided the telephone company's office. Brook has about 1,200 inhabitants.

### Jap Minister Quits

Tokyo—K. Inukai, minister of communications, has resigned. The resignation was the first break in the present cabinet since the merger of the Seiyukai political party and the Kaishin Club. Selection of Inukai's successor is expected to involve great difficulty, as his post is the pivotal one in the balance of power between Kato's coalition Seiyukai-Kenshikai cabinet.

### Cathedral Bombers Sentenced

Sofia—King Boris of Bulgaria, an enemy of capital punishment, confirmed the death sentence of three men who took part in the Soviet Katina bombing in which 164 persons were killed. These are the first death sentences King Boris ever has approved. The three are Peter Zolger, K. Sachistan of the cathedral, Elia, O. Friedmann and George Koeff.

### Allies Agree on Occupation

Paris—The council of ambassadors has approved the text of a note to Germany, notifying her that the allies will continue to occupy Cologne until Germany has corrected her violations of the Versailles treaty in respect to disarmament. The note enumerates the different violations of the treaty's disarmament clauses which are charged against Germany.

### Seek Nobleman For Bad Check

## A New Idea in Suburban Development

Heretofore only those who could afford \$25,000 to \$50,000 homes have been able to enjoy the satisfaction of living in a residence section laid out in generous size building lots, rendered attractive by winding drives, full-grown shade trees and a beautiful vista of rolling hills.

Now, in Coventry Gardens, all these advantages are offered to prospective builders of moderately priced homes.

### 50 Foot Lots \$750

Lots in Coventry Gardens are of ample size (50 feet to 125 feet in width and 135 feet to 200 feet in depth), to accommodate homes of the wide, rangy type, placed well back from the street, and still leave plenty of space for lawns and gardens.

At prices as low as \$750 for lots 50 feet wide and 135 feet deep, with a down payment of less than 10% in case the purchaser plans on building in the near future, Coventry Garden lots are a "buy" that you will find it difficult to equal in any other home community.

#### CITY IMPROVEMENTS!

Water — Sewers — Sidewalks —

Electricity — Improved Streets.

Do not overlook the fact that prices of Coventry Garden lots include city improvements—sewers—water, sidewalks, electricity and improved streets! And take into consideration also the strategic location of the property—on two paved highways, Five Mile and Farmington Roads, with a third projected Fordson highway leading direct from the River Rouge Ford Plant.

Compare Coventry Gardens in point of location, improvements and general desirability with any other suburban development and you will realize that here at least is the ideal location for the home of your dreams. ### The Economy of the Best

The economy of using the best possible materials is made apparent in the upkeep problem. A house or business building may be "thrown together" with cheap material and it may "look all right" but after it has stood the shock of weather the real test comes.

Long ago we learned that it is false economy to use poor materials and we so advise everyone who buys of us. Our success is due to honesty in materials and prices.

We shall be glad to advise with you regarding any building you contemplate doing this season. We have plans that will help you.

#### PICNIC ABUSES STIRS PROMINENT AUTO DEALER.

People who have had their fields and roadside littered with the refuse left by picnic parties will applaud the following statement recently made by L. H. Saunders, manager of the Reo Michigan Sales company of Detroit.

"One of the great things that the motor car has done for the people of this country," says Mr. Saunders "is furnish them the means of getting out of crowded communities periodically and enjoying outings and other wholesome forms of recreation."

"Personal transportation" has popularized the picnic idea and has added hundreds of thousands, if not millions, to the number of people who leave the dust and smoke of the cities for a few hours in the woods and fields on frequent occasions during the favorable months.

But with the number of people engaging in this type of recreation the abuses charged to picnic parties and similar groups have multiplied until the picnic itself threatens to become a nuisance, unless thoughtful people take steps to eliminate its faults.

"Misconduct of public and private property by motorists on picnics has become so common that it is annually the subject of cartoons, editorials and drastic regulations. Eventually, unless the motorists themselves furnish the remedy, 'No Trespassing' and 'Picnics Forbidden' signs will become so common that outing parties will pass out of existence for sheer lack of sites.

"Any campaign for eliminating thoughtless habits or destructive tendencies should begin at home. The following code for self-regulation of picnic parties will, if observed, do an efficient job of taking the curse from the picnic."

"Never invade property which is posted or fenced in.  
"Never cut or break trees.  
"Never strip a site of flowers or foliage."

"Leave no rubbish of any kind. Carry it to a proper place for disposal."

"Don't be too proud to pick up some of the other fellows' refuse. His thoughtlessness may reflect on you."

"Don't leave the place as you found it, leave it in better condition."

"Don't toss your rubbish out of the car on the way home."

#### MILFORD BOY INJURED BY PITCHED BALL.

As the result of being struck by the ball while batting in a ball game on Saturday afternoon, Percy Allmand is in the U. of M. hospital at Ann Arbor, to which he was taken Monday forenoon. Allmand was struck on the head and went down unconscious, and remained so for half an hour or more. Paralysis of the right hand and arm appeared as he was taken home in the ambulance. At the hospital it was found that his skull was fractured and that blood clots were on the brain. After an operation on appeared and he is thought to be

Saturday will be observed as Redman's Day at Plymouth when several tribes of the Improved Order of Redmen will hold a celebration there.

Mrs. Pearl Balch, Misses Ruth Gillis and Iris Balch and John Latsenberger motored over to Morenci on Memorial Day to visit relatives and friends.

Messrs. E. R. Woodworth of this place and R. E. Woodworth of Plymouth spent a few days last week at Port Wayne, Indiana, purchasing new goods for their stores.

William Macomber has sold his residence property to Clarence Elersole and within a few weeks Mr. and Mrs. Macomber will move to Whitehouse, Ohio, to be near their son, L. G. Macomber.

Avery Downer, a former Northvilleite, but now living on a fruit farm near Detroit, Mich., and family were here on Decoration Day. Avery says the frost killed nearly all of the grapes in that section.

Sh. Knights C. R. Vanvalkenburgh, Joseph Grace and T. E. Carrington left Monday for Grand Rapids to attend the Grand Commandery Encampment, Knights Templar, as representatives of Northville Commandery.

Auctioneer Harry C. Robinson sold 104 horses at auction at the Sam Weinberg Horse Market in Detroit, Wednesday. This does not look as if the horse had been entirely eliminated by the motor vehicle.

Messrs. M. N. Johnson, L. A. Dabitt and E. H. Lapham of this place, and Senator Atwood of Newaygo, motored to Indianapolis, Ind., last Friday afternoon where they witnessed the great automobile races on Saturday.

On Wednesday evening of next week Union Chapter, R. A. M., will hold a regular convocation and confer the past and most excellent degree. On June 15th the Royal Arch degree will be conferred and dinner will be enjoyed at 6:45.

The Ford Motor of Northville team defeated Newburg 5 to 2 at Newburg last Sunday, due to the timely playing of George Lang, second baseman, John Jawasky, catcher and Floyd Schultz. The Ford team will play at New Hudson Sunday, June 7th and expect this game will be a hot one.

Upwards of twenty-five members of the local Exchange club with their wives have signified their intention of attending the meeting of the state Federated Exchange clubs at Muskegon next Sunday and Monday. Exchangees R. R. Brown and Roy E. Crowe represent the Northville club.

B. A. Stephens has rented the north store in the new Filkins block on North Center street and will move to his new location next week. He will have a formal opening of the new store one week from Saturday—June 13th. He will have a very attractive store when the new shelving and equipment has all been placed.

Loye "Dutch" German is back for a few days from Saginaw where he has been playing ball. The management of the Saginaw team wants to send him to Marshalltown, Iowa, and recall him when needed at Saginaw, but the young player says, "He refuses to go and that he will either play in the Mint league or remain at Northville." In his second game with Saginaw he was fortunate enough to get a home run.

Northville was well represented at the ceremonies of laying the corner stone of the American Legion children's billet at Otter Lake on Sunday. Among those who attended were Mrs. Grant Putnam, Floyd Lanning, Mr. and Mrs. Luther Lapham, Mr. and Mrs. Merrill Sweet, Mrs. Mae Lanning, Miss Lucile Lanning, Paul Foss, Mr. and Mrs. Fred Reiger, Mr. and Mrs. E. A. Kohler, Mr. and Mrs. H. G. White and A. V. Farber.

Much time and labor have been spent upon the base ball diamond this week. The grounds have been cleaned of grass and weeds, repairs on the back-stop made and a general repair and proper conditioning made. There will be no game here Sunday as the Foresters go to Plymouth to help open their new park. Sunday, the 14th, will see the Northville team a good strong balanced one to meet the strong Rough and Ready club.

Mr. and Mrs. John McLeod of Detroit spent Saturday with Mr. and Mrs. W. H. Sanford.

Mr. and Mrs. G. F. Nordman of Detroit, spent Memorial Day with Mrs. Maude Bennett.

Mrs. Olin Pepper was taken to the Ford hospital, Detroit, on Wednesday for an operation.

Mr. and Mrs. Stewart Montgomery returned this week from a visit with relatives at Rose City.

Mrs. Kattie Webber and Mrs. Ada Perkins of Detroit, spent a few days last week with Northville relatives.

Mr. and Mrs. Joseph Riley of Greenville are spending the week at the home of Mr. and Mrs. M. R. Seeley.

Mr. and Mrs. Lucius Blake and children returned Tuesday from a few days visit with relatives and friends at Sand Lake.

The Royal Neighbors will hold a meeting Monday evening. Light refreshments will be served, they will also have a grab bag.

Born, to Dr. and Mrs. F. W. Bramick, Saturday night, a little son. Mrs. Bramick is at the Sessions hospital and is getting along nicely.

The first tent show to visit Northville this season will be here tomorrow. See the announcement in today's Record.

Mr. and Mrs. Nelt Taylor of Alma, and their son, Stewart Taylor and wife of Saginaw, were guests at the Myron Taylor home over the week-end.

Mr. and Mrs. H. R. Bogart and children of East Lansing spent the week-end with Mr. Bogart's mother and other Northville relatives and friends.

Mrs. H. W. Franklin, in company with Mrs. T. C. Hamilton of Grosse Ile, left Monday for Kentucky, where they will remain for a two weeks' sojourn.

Mr. and Mrs. J. L. Tipton of Chicago, Illinois, arrived in Northville Saturday to spend the summer with the latter's parents, Mr. and Mrs. M. A. Bothne.

Mr. and Mrs. E. J. Cobb are at Minneapolis, Minn., where the former is installing some church furniture for the Globe Furniture & Manufacturing Co. of this village.

The Royal Neighbors will have a Memorial service Sunday morning. Every member is requested to meet at Foresters' hall at 10:00 o'clock sharp for the purpose of decorating.

Mrs. Minnie Young and two children, who have been visiting the former's sister, Mrs. Glen Richardson for three weeks, returned to their home in Grand Rapids Thursday.

The Worden Congregational church will hold a home coming celebration at the church this Friday evening, to which the public is cordially invited. The Worden church was organized in 1839.

The Methodist Ladies' aid will meet with Mrs. C. Tibbals on West Main street, next Tuesday, at the usual hour. Mrs. Tibbals is chairman of her circle and a good time is assured for all.

Mrs. F. J. Cochran is at Ford hospital for observation and treatment for an ailment of long standing. It is the sincere wish of many Northville people that she will find relief and be speedily restored to health again.

The streets and highways were filled with automobiles on Saturday and Sunday. The delightful weather seemed to urge people to get out and go somewhere if only for the pleasure of riding. Fortunately there were few accidents reported.

Northville Commandery, Knights Templar, took part in the exhibition drill at Grand Rapids on Tuesday at the meeting of the Grand Commandery. In the parade the Benton Harbor Commandery joined with Northville. The meeting was a great success and the parade was one of the most imposing spectacles ever seen in the Furniture City.

Harold Bloom has accepted a position in the Northville State Savings Bank. He is a trustworthy young man and his many friends will be pleased to know that he has found something to his liking right here at home.

## UNUSUAL HAPPENINGS AND OTHER BRIEF NEWS

### U. of C. President Dies

Chicago—President Ernest DeWitt Burton, of the University of Chicago died here from complication following an operation for cancer of the intestines. He was 69 years old.

### City Planning For Cincinnati

Cincinnati—After seven years of service the city planning commission officially adopted and made into law a comprehensive city plan, thus making Cincinnati the first of the large cities in the United States to do so.

### Planes Rout Moros

Manila—Constabulary have razed the stronghold of Sultan Rayas killed seven Moros and dispersed the delinquents.

A field gun and mortar attack aided by Navy airplanes preceded the infantry attack.

### Fig Ford Suit Delayed

Jackson—The \$12,000,000 penalty suit filed against the Ford Motor Co. by W. J. Miller, state revenue agent for alleged violation of the anti-trust laws of Mississippi, and scheduled to come up in chancery court of Hinds County last week, was continued for 60 days by agreement on both sides.

### Trotzky Appointed to Council

Moscow—Rumors are current that Leon Trotzky will be appointed a member of the supreme economic council where he will be entrusted with the direction of the work of the electrical department, embracing a scheme for the electrification of the country, as well as the management of the council's scientific and technical branch.

### Eight Labor Leaders Arrested

Detroit—Secretly indicted by the federal grand jury at Rochester, N. Y., eight of America's leading union officials were arrested, two of them in Detroit, and the remainder in Buffalo for alleged complicity in the wrecking of a Niagara Falls High Speed International train after dynamiting the line near Tonawanda. The outrage was perpetrated during the Buffalo street railwaymen's strike of August, 1922. Thirty-three persons have thus far been arrested in this connection.

### High-Speed Lift for Monument

Washington—The cry for speed has finally enveloped the Washington monument and bids have been opened for an elevator in that structure capable of traveling 250 feet a minute.

The old elevator had a speed of 100 feet a minute, but it has been out of commission for some time, and visitors who wished to see the monument inside and out had to climb the stairs which circle inside the 552-foot shaft.

## NEW STATE MOTOR LAW HAS HEAVY PENALTIES.

New automobile laws enacted by the state legislature are now operative and will be strictly enforced, say local and state officials. While the main provisions of the state laws governing the operation of motor vehicles are not changed, new sections have been added that are of vital importance and should help to correct the more flagrant infractions of the rules of the road that have come about with the increased number of cars.

For the first time a positive dimming law is on the statute book. Drivers must dim their lights not more than 600 feet away from an approaching car, unless lights are of the non-dimming variety. Cut-outs and exhaust whistles are forbidden. Drivers must have the proper number of lights. Failure to function as driving with only one headlight or no tail light is classed as reckless driving and the result calls for the suspension of the driver's license.

Trucks and passenger busses must carry, in addition to the regular lighting equipment, three green lights in front, at the top of the windshield, and three green lights at the rear. Owners as well as operators of commercial cars are held liable. Commercial vehicles must also be equipped with speedometers so that state inspectors may readily check their speed. Distinctive license plates have been devised for commercial cars, but as this year's licenses have already been issued, this new provision will not become operative until next year.

For violation of any part of the prescribed law the following penalties will be exacted: First offenders are subject to a fine of \$25 and 10 days imprisonment; second offense, \$50 and 30 days imprisonment; third offense \$100 and 60 days.

## HOWELL MAN HONORED BY MICHIGAN TEMPLARS.

At the meeting of the Grand Commandery, Knights Templar, held in Grand Rapids this week Albert L. Smith was elected grand commander, as a reward for his faithful services in the grand commandery line. For the past year he has served as Deputy Grand Commander and his labors have been most faithful. He was born in Howell and educated in the Howell public schools and the University of Michigan. Practically all his life has been spent in Howell, where for the past 22 years he has been cashier of the First State and Savings Bank of that city.

The new commander has been a Mason for over 30 years and his Masonic activities have been given to every organization of the York Rite. He is a Past Master of Howell Lodge, No. 38, F. & A. M.; a Past High Priest of Livingston Chapter, No. 30, R. A. M.; Past T. I. Master of Livingston Council, No. 71, R. & S. M.; and served two years as commander of Howell Commandery, No. 28 K. T. He is also a member of Michigan Sovereign Consistory, A. A. S. R. and of Moslem Temple, Mystic Shrine. Rt. Em. Sir Smith is a member of the Michigan Society Sons of the American Revolution, Howell Rotary Club, Chemung Hills Country Club, Howell Gun club, and by reason of his interest in, and work among the soldiers of the Civil war, has been given honorary membership in Waddell Post, No. 120, G. A. R., and the Sixth Michigan Cavalry association.

In 1906 he was married to Miss Emily L. Beach, a native of Howell, who has been a regular attendant at the Grand Commandery. Concludes for many years.

## FARMINGTON SEEKS TO HAVE CITY GOVERNMENT.

The first step in changing the municipal government of Farmington from a village to that of a city has been taken. Petitions of citizens asking for the change have been circulated and now have a sufficient number of signers. They will be presented to the council at its next regular meeting when the second step will be taken, that of granting the prayer, which will undoubtedly be done as the councilmen are unanimously in favor of the move.

The electors of Farmington have the final say in the matter when the question is regularly submitted to them at a special election to be called by action of the council.—Farmington Enterprise.

## LOWDEN TO SPEAK AT M. S. C. COMMENCEMENT.

Frank O. Lowden, former governor of Illinois and president of the American Holstein-Friesian association, will deliver the commencement address at the Michigan State College on June 22nd.

It will be the sixty-seventh annual graduating exercises at the state college. Three hundred men and women will be granted degrees. The divisions of agriculture, engineering, home economics, veterinary medicine, and applied science and liberal arts will be represented among the candidates for bachelor of science or bachelor of arts awards.

## STATE NEWS IN BRIEF

Marshall—The graduating class this year is the largest in the history of the Marshall public schools, numbering 37 girls and 31 boys. Rev. R. F. Ketcher will give the baccalaureate address June 7.

Holland—Following the destruction by various methods, mainly poisoning, of dozens of dogs in and near Holland, the Holland Game and Fish Protective Association has posted a reward of \$50 for information leading to the conviction of those responsible.

Lansing—There will be no fishing in Lake Michigan until June 16, according to an order issued from the conservation department in Lansing. No fish shall be taken from the lakes or streams between March 11 and June 16. This order is effective for the next five years.

Dearborn—Dearborn village has increased its corporate limits, by 10 and one-half square miles, extending north, west and south, from the present boundaries. The people, at a special election, voted five to one to annex this territory, thus terminating a six weeks' campaign.

Ypsilanti—More than \$10,000 has been pledged by the students of the Michigan State Normal College here toward the \$150,000 fund now being raised for the erection of the first unit of a \$300,000 alumni building on the campus. Fifteen thousand has been pledged by members of the faculty.

Port Huron—The Port Huron and Sarnia ferry company's new terminal was opened Memorial Day for auto traffic. The company will be able to transport 5,000 automobiles across the St. Clair river every 24 hours, doing away with the tedious wait of past seasons, during week ends and holiday periods.

Lansing—Governor Alex. J. Groesbeck handed the work of keeping the general property tax for the next two years down around the \$16,000,000 mark to the state administrative board. With practically all of the appropriation bills signed, only vetoes of comparatively small sums have been recorded.

Grand Rapids—Col. James A. Drain, of Washington, national commander of the American Legion, will be a guest Monday, June 1, of the combined luncheon and civic clubs of the city. On the previous day he will attend the dedication services for the new children's billet recently completed at Otter Lake.

Monroe—William Homer, 31, in the hospital here, suffering from injuries received when a northbound Blue Goose passenger bus went into the ditch four miles south of here on the Dixie highway. To avoid striking an approaching automobile, the driver of the bus steered into the ditch. Other passengers were uninjured.

Olivet—Dr. Paul F. Voelker, president of Olivet college for the last five years, has announced his resignation, to take effect September 1. No announcement has been made by the board of trustees as to his successor. While retiring from the presidency, Dr. Voelker still will maintain an active interest in Olivet and will serve on the board of college trustees.

Ann Arbor—Initiation ceremonies of University of Michigan honor societies were denounced by Acting President Alfred H. Lloyd and Joseph Burley, dean of students. Agreeing with the charges made by Dr. F. R. Waldron, prominent local physician, President Lloyd said "The present method of initiation is very much to be regretted. It certainly looks brutal and is in very bad taste."

Ironwood—Saginaw was named as the 1926 convention city of the Knights of Columbus of the state, when the organization concluded its twenty-fifth annual convention here. All state officials were re-elected. The state council pledged itself to raise \$300,000 in 10 years for the University of Detroit to erect a dormitory for students. The organization also pledged \$10,000 a year to the Ann Arbor council to erect a community building for the use of students at the University of Michigan.

East Lansing—B. A. Seelye, secretary of the Michigan State College, said that the recent cold weather had damaged Michigan fruit and truck crops to the extent of several million dollars. The most serious damage he said, was caused in the Southwestern Michigan fruit belt, where from 50 to 75 per cent of the strawberries, grapes, peaches, cherries and plums are reported to have been killed. Peaches and apples were not so severely damaged, according to official reports. Berrien and Van Buren counties were the greatest sufferers.

Detroit—Judge Charles L. Bartlett ruled the new Bahorski Anti-Gambling Law unconstitutional when he refused to grant warrants against the publishers of three Detroit papers. Immediately after this ruling, Prosecutor Robert M. Toms announced he would petition the State Supreme Court for a mandamus compelling Judge Bartlett to issue the three warrants. Warrants were asked charging all three Detroit papers with publishing information concerning betting odds on horse races and boxing matches.

Lansing—The state administrative board has sold \$1,493,000 worth of highway refunding bonds to the A. M. Lamport company, of New York. The average interest cost to the state was 2.922.

Owosso—Owosso's assessed valuation for 1925, is \$12,129,533, an increase of nearly \$1,000,000 over last year, according to a report made to the board of review by M. F. Growe, city assessor.

Ann Arbor—Irwin Prieskorn Post No. 46, of the American Legion, will present a bronze marker on Memorial Day in memory of Dr. Marion LeRoy Burton, president of the University of Michigan, who died some time ago.

Saginaw—Justice Louis Winicko, of Zilwaukee township, is trying out a new wrinkle on the speeders who appear in his court. He is sentencing them to attend church. He also has them read the speed laws aloud so they will better know it.

Jackson—The city commission has denied chiropractors the right to practice their vocation at the W. A. Foote Memorial Hospital, which is operated by the city. The opinion was given at the request of C. M. Quyselman, a local chiropractor.

Grand Rapids—Sidney L. Vaughan, former vice-president and general manager of the Grand Rapids, Grand Haven & Muskegon Railway Company, and several associates have purchased the railway property from the United Light and Power Company.

Lansing—Reports to the State Conservation Department stated that all danger of further damage from forest fires is passed. Rains and snows throughout the state where the flames were raging extinguished the fires. No estimate of the damage done was available here.

Sault Ste. Marie—The steamer Huron, of the Wyandotte Steamship company, narrowly escaped sinking in St. Mary's river when she collided with the steamer Ishpeming of the Cleveland Cliffs line, during a snow storm on the river. Both ships have docked at Brady pier, below the locks, where possibly the Huron will be temporarily repaired.

Lonia—"Don't point that gun at me. My mother says never to point a gun at anybody," said Emory Wilkins, 11 years old, to his playmate, Milton Morgan, 12 years old. "Aw, it isn't loaded," Milton replied, as he pulled the trigger. There was a sharp report from the rifle Milton was holding in his hands. The bullet entered Emory's head and he died instantly.

Sault Ste. Marie—The storm that whipped Lake Superior recently cost two lives, caused heavy damage to vessels and brought much anxiety to marine circles. The first mate and the wheelman of the steamer Penta-coat Mitchell, of the Pittsburgh Steamship Co., were washed overboard and drowned eight miles off Split Rock Light. The names of the victims were withheld by the company.

Mt. Clemens—Four Detroit boys were killed and four others were seriously injured here when their automobile overturned while attempting to avoid another collision with an other motor car near Brady's Station, and threw the eight youths onto the right of way of the D. U. R. and directly into the path of a moving construction train. All of the youths were pupils of St. Theresa's high school in Detroit.

Grand Rapids—A 13-year-old son dead and a father rescued in the pick of time, was the result of a sand cave in in Richmond Hill, just north of Grand Rapids, where the boy, James Hoogerhyde, had been playing in a cave. The father went to rescue his son when he was trapped by a cave-in. Scores of officials and workmen worked frantically for two hours before the rescue of Conrad Hoogerhyde, 40, the father, was effected.

Springwells—Springwells high school students were in despair when seven members of their winning baseball team were suspended from athletics for the rest of the school term by "Mac" Whalen, high school coach, who found them playing with an independent aggregation on the Springwells diamond. Whalen said he had no other alternative since Article 7, Section 5 of the rules of the Michigan State High School Athletic Association forbids high school players from playing on independent teams.

Ann Arbor—Charging brutality, recklessness and carelessness, Dr. F. R. Waldron, a local physician who was graduated from the University of Michigan medical school in 1901, attacked the "honor societies" of the university in a letter to the editor of the Michigan Daily. The charge was made following the regular initiation of Springwells' honorary junior literary society. During the course of the initiation the neophytes were strapped on their backs to a drape, and the initiators paddled the victims' feet, at the same time sprinkling them with a hose.

Monroe—Major Robert Knaggs, 60 years old, permanent resident of the famous old Seventh Michigan Voluntary Infantry, which participated in every battle of any prominence during the Civil War expects to preside at the 40th reunion of the regiment to be held here in June. The regiment was formed in Monroe and was composed of companies from Port Huron, Mason, Jonesville, Tuscola, Farmington, Pontiac, Prairieville, Burr Oak and Detroit. The regiment left here September 1, 1861, and only about 300 returned from the war.
