### MRS. OLIN PEPPER DIED IN DE- TROIT SATURDAY NIGHT.

Mrs. Olin Pepper died at the Ford hospital last Saturday night, just as the shades of evening made their approach. She had undergone an operation the day before for the removal of a goitre and it was thought she had passed through the ordeal very fortunately and members of her family were greatly encouraged. Saturday morning her condition changed and all efforts to revive her failed and she passed away. She had been in poor health for many years and while her death was not unexpected the breaking of the family circle came as a great sorrow to the devoted husband and son, who had done all they could to restore their loved one to health and strength.

Ella Thomas was born in Ypsilanti, November 18th, 1880, and she grew to womanhood in that city and at Belle-ville and Milan. On April 5th, 1899, she was united in marriage to Mr. Pepper, who besides his son, Clay Pepper, of Ypsilanti, survive her. She was a member of the M.E. church at Milan and when her health would permit she was a regular attendant at the services of the church. Mr. and Mrs. Pepper came to Northville about 18 years ago and have continued to reside here since that time. Her illness has confined her closely to her home and the circle of her acquaintance here was not large, but all who knew her held her in high esteem.

The body was prepared for burial in Detroit and brought to the home here, where funeral services were held on Tuesday afternoon at one o'clock. Interment took place at the Marble Park cemetery at Milan.

### THIEVES CARRY AWAY D. U. R. SAFE AND CONTENTS.

Sometime during Thursday night thieves forced an entrance to the D. U. R. freight house and carted away the safe with all its contents. In addition to the safe the visitors took a suit case containing some books, loading the whole outfit on a truck or in a car and driving away. The burglary was discovered Friday morning and was reported to the local officers who at once started out to recover the stolen property. Before ten o'clock they had found the safe by the side of the road near Elm, the suit case and books and fortunately recovered all the stolen articles. The combination had been knocked off the safe and a small amount of money taken from the cash box, but nothing else was missing.

The safe and contents were returned to the freight house before noon. This was good work on the part of the local officers and they are to be commended for the promptness with which they gave chase. They did not find any clue to the burglars, however. Sometime during Thursday night thieves stole a sedan from James Jensen who is employed at the Spring Hill Sanatorium.

### NORTHVILLE'S NEW THEATRE BUILDING UP TO THE MINUTE.

Through the courtesy of Harry Lash of Plymouth, a representative of The Record was shown the plans for Northville's new theatre building last Friday. The structure will be 50x130 feet in size and will contain all the newest and latest equipment. There will be two stories on the front 14x33 feet in size with entrance to the theatre in the center. Back of the stores and just off the foyer will be a commodious rest room for ladies and a smoking room for gentlemen, an office for the manager of the theatre and the auditorium proper will contain 43 chairs of the newest and latest pattern. Beneath the stage will be four dressing rooms, an orchestra room heating plant fuel room, etc. with the orchestra pit directly in front of the stage, which will be large enough to accommodate good size companies or for the presentation of home talent attractions.

The new building will be an ornament to our business section and a credit to those who are promoting the enterprise.

### NACKER FAMILY ENJOY REUNION.

The fourth annual reunion of members of the Nacker family was held at Shoreham Park Sunday, July 12th, with about 50 in attendance. The day was an ideal one for such a gathering and the hours passed all too soon. Guests were present from Detroit, Clarenceville, Redford, Elm, Farmington, Plymouth and Northville. A potluck dinner was served at noon and after the feast a number of games provided amusement.

Officers for the ensuing year were elected as follows: President, Mrs. Bertha Oldenburg; secretary, Mr. Oldenburg; treasurer, Ina Nacker.

### ANNUAL SCHOOL MEETING WAS WELL ATTENDED.

Those who failed to attend the annual school meeting of district No. 2, fractional, Northville and Novi, missed something—they missed seeing upwards of 50 persons present at a school meeting, and they also missed a discussion of school matters that proved interesting and helpful. The meeting was called to order by President D. P. Verkes of the board of educational and in the absence of Secretary A. B. Wickham, Trustee T. L. Cousins acted as secretary. The minutes of the last annual meeting were read and approved. On account of the absence of Dr. Wickham, who is in Europe, the usual itemized report of the receipts and disbursements, could not be given, but figures taken from a report which has to be forwarded to the superintendent of public instruction were given, which indicated that the total cost of our school last year was \$32,821.71, which includes operating expenses, new school building and equipment, which was destroyed by fire, teachers' wages, bonds, and interest.

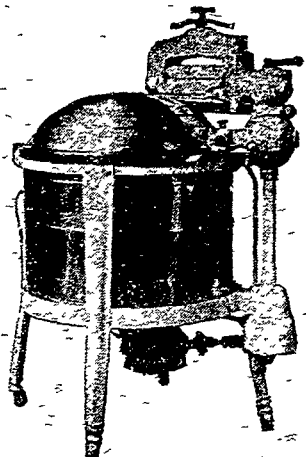

L. A. Rabbitt was elected to succeed himself as trustee, receiving 39 of the 45 votes polled. Mr. Verkes stated that the board had decided to add manual training to the school for the coming year and had plans under way for a very complete equipment for that department. Wellington Roberts started a friendly discussion of matters pertaining to our school when he arose and stated that he thought we were adding too many new courses to the detriment of some of the more practical instruction that our pupils should receive. Citing the poor work often done by high school graduates in English, spelling and mathematics Willard Stark followed of these subjects, so they would be profitable if the members of the Senior classes could be given reviews in some of these subjects, so they would be better equipped when they received their diplomas. Mrs. Larkins, principal, expressed the thought that if our schools could be given five years instead of four to complete the high school training it would prove of great benefit to the pupils, but society now demands, and parents also demand, that our boys and girls finish their high school course in four years, and very often this is done to the detriment of the scholar. Others expressed themselves in favor of manual training and commended the board for having taken steps to establish the course here.

B. A. Wheeler arose and made a motion to the effect that the board of education be instructed to call a special election of the district for the purpose of voting upon the proposition to issue bonds for the purchase of a suitable site for additional school grounds directly adjoining the grounds now already occupied for school purposes. This proposition met with no opposition and after some discussion the motion was carried without a dissenting vote.

During the discussion it was brought out that the people voted against the bonding proposition at the recent election for the reason that the bond issue was so closely tied up or connected with the plan to erect a building over in Oakland county and to be purchased by the district. By their vote the taxpayers of the district clearly indicated they were not in favor of a ward school way off at one side of the district, and had the matter been discussed at an informal meeting of the patrons of the school before the board of education called the special election that fact would have been indicated very strongly.

The taxpayers were given no opportunity to discuss the matter until the night of election and for fear the question of sites might carry they decided to vote against the bonding proposition, believing that would be the surest way of preventing the erection of a school building in Oakwood subdivision. It was never believed that the result of that election indicated the taxpayers were opposed to the purchase of sufficient lands to provide adequate room for our school.

It is believed, however, by a majority of the taxpayers of the district that they displayed a very high conception of their duty when they defeated the proposition to erect a school so far removed from the center of the district as would have been the case had the proposition submitted by the board been adopted. The best educators of our state have for years advocated the centralization of our schools, and the taxpayers of the district demonstrated they were well informed on school matters when they refused to vote funds for the erection of a school building so far away from (Continued on page ten)

## AT LAST

CLEANER CLOTHES WITH GREATER EASE.

The Hart-Parr Washer is the product of a lot of brains that, for twenty-five years, have been designing and building labor-saving machinery. Brains and experience have achieved wonderful results.

The Hart-Parr is not all cluttered up with open gears, levers and odds and ends. It is well ordered—made of just the necessary things that not only enhance beauty but insure economy, safety and long, satisfactory service.

Just a motor, a gear and a gas burner on the bottom of the tub—no scattering of parts—it's built right. And the tub can also be used for cold pack canning—thats Hart-Parr—different, pleasing, satisfactory.

Like a ride in a beautiful car—a demonstration will convince you. Write or call for further information.

The Best Water  
Softener For  
Your Home

The V-K Automatic Softener Has No Equal

With a V-K Automatic softener in the basement there is no need to worry about dirty cistern water, or no cistern water at all on account of lack of rain. You are assured of pure soft water at faucets, in kitchen, laundry and bathroom. And the softener will help pay for itself by preventing scale that clogs up hot water pipes, heater coils, etc., when hard water is used. The only attention the softener needs is the addition of salt to the salt tank a few times a year, depending upon the amount of soft water used.

WM. RICHARDS Secy.

**BASE BALL AT PRISON FARM.**

Sunday, July 12th, the House of Correction farm officers' base ball team defeated the strong C. M. Slotak team of Detroit 9 to 3.

The farm boys scored three runs in the first and in the second the crosshairs came back with two making it interesting until the seventh when the farmers got to Cross for several bunched hits. Cross was quickly jerked and replaced by Roman and before he could stop the barrage the farmers scored six runs, leaving the game up.

Saturday, July 11th, the H. of C farm officers' base ball team defeated the VanDyke merchants 8 to 5 at the farm grounds. Kuehn pitched his first game for the farm boys and was never in danger, holding the visitors to nine scattered hits.

**NORTHVILLE'S SCHOOL POPULATION INCREASING.**

Northville's school population, according to census just completed, shows a gain of 54 over last year, the total for 1925 being 679. The amount of primary school money received last year was nearly \$8,000, and that sum will be increased this year.

For the past year the amount of tuition received by the district was \$3,429, a pretty good indication that the Northville schools are highly regarded by people in the outlying districts.

**"Dollar Bird"**

## The Northville Record

E. E. BROWN, Publisher.

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., JULY 17, 1925.

## THE RECORD IS FIFTY-SIX YEARS OLD TODAY.

The Record completed its fifty-sixth year of existence last week and entered upon its fifty-sixth year with this issue. Fifty-six years is a long time. There is not another institution or firm in this community—except the churches and schools—that can boast of so long an existence in Northville, and yet some people regard the local newspaper as being of very little value to the community. The very fact that The Record has continued to appear week after week, never having missed an issue, for a period of fifty-six years indicates that it has had its mission in this community and that it has contributed its share in the development and upbuilding of this section.

It is no vain boast to declare that The Record has been a factor in the upbuilding of Northville. Its publishers have been men who have tried to lead the way to better conditions, and week in and week out they have preached the gospel of community uplift and community co-operation in spite of all the discouragements which have confronted them. This is the mission of a newspaper—to render service to the community in which it is published, and it can be truly said that no other enterprise or institution in the community contributes more to the well-being of a town than its weekly newspaper.

The present publisher is deeply grateful to all the friends of The Record who have made its fifty-six years of existence possible, and he enters upon the new year with great faith in the future of Northville and this part of Wayne county. In future years The Record will be found pointing the way toward those things which make for community uplift and community betterment.

## NORTHVILLE TWILIGHT LEAGUE.

"Championship games are here." The two teams leading the league will play a three game series to decide the championship. These games will be played on Thursday July 23rd Tuesday, July 28th, and Thursday July 30th. The games will be included in the percentage column. Each member of the winning team will be given a watch with a little base ball on it. Any teams in the league wishing to book outside games with teams from other towns may get information from Mr. Miller.

## LOCAL

The Woman's Christian Temperance Union will meet at Mrs. Jane Sessions' on High street, Thursday, July 21st at 2:30.

Mrs. Mary Ellen Munio Lynch, a former teacher in the Northville schools, died very suddenly last week. Funeral services were held at her parents' home in Bad Axe on Monday. After leaving Northville she taught in the Highland Park schools and was united in marriage to William Lynch in that city.

After the news of John Walker's "scare" became current Tuesday night he received numerous offers of league positions for the remainder of the season. Wednesday he took a delegation of prominent Northville ball fans to the city for a personal interview with Messrs. Nantz and Cobb of the Tigers. They all vouched for his ability as a batter—"base" runner and a "base" stealer. If he joins the Tigers look well to the score boards.

## REGULATIONS REGARDING PRINTED CARDS.

Classifications issued recently by the postoffice department state that "printed cards, not within the size for post cards, and not bearing the words 'Post Card' or 'Private Mailing Cards' are considered 'printed matter' and will be rated accordingly, 1½¢ each two ounces or fraction of two ounces, (not exceeding eight ounces).

Record Liners Cost But Little.

RECORD LINERS PAY—TRY ONE.

## ST. PAUL'S LUTHERAN CHURCH.

The confirmation service last Sunday was quite impressive, the church was crowded to overflowing, and the decorations were beautiful and many out-of-town friends and relatives of the children confirmed were present. Next Sunday communion will be celebrated in the morning service, the newly confirmed partaking in communion.

All male members are kindly requested to come to the school hall on Saturday noon to help finish siding the building.

## PRESBYTERIAN CHURCH NOTES.

Sunday-morning at 10:30, a short organ recital. At 10:30 Mrs. J. B. Watts will present a flag to the church, in behalf of the Woman's Relief Corps, the Corps attending in a body.

Sunday school at noon. Special plans are being made for August—pictures being shown each Sunday from the different boards of the church.

Evening service at 7:30. Subject, "Wholesome Words."

Mid-week service Thursday evening at 7:30.

## BAPTIST CHURCH NOTES.

The subject of the Sunday morning sermon will be, "The Seven Great Teachings of Jesus." This is another sermon in the series on "Jesus."

Thanks for the kind words of appreciation these sermons on Jesus have brought forth.

Subject of the evening sermon will be, "Bible Evolution."

Don't miss prayer meeting.

The church will not be closed during the month of August.

Sunday school picnic will be held at Island Lake on the 29th of this month.

The ladies' class were treated to a roast pork supper Wednesday evening at the Cass Benton Park where sixty were served. Ask the ladies if they had a good time.

## METHODIST CHURCH NOTES.

Don't forget the service is held every Sunday morning throughout the summer months at 10:30. Life's Value will be continued next Sunday for our meditation. Last Sabbath dealt with the "Future" next Sunday is "God's Interest in Us During the Present."

The pastor is not planning for any vacation other than being at Woodlands. The evenings are lifted until the first Sunday in September. Whenever the pastor's services are especially required, if not at the parsonage call 7143 F-2.

Don't forget the pot-luck picnic supper at the home of Mrs. J. H. Schoof on next Tuesday afternoon when the W. H. M. S. of the Methodist church will meet and every lady is invited with their husbands to be there.

## W. R. C. NOTES.

The annual picnic will be held July 21st at Phoenix Park from 1 to 7 o'clock. Take one o'clock Plymouth car.

No more meetings until August 26th.

## POPULAR YOUNG PEOPLE MARRIED WEDNESDAY NIGHT.

An interesting marriage took place on Wednesday evening of this week at eight o'clock when Miss Hazel Bishop became the bride of Donald P. Yerkes, Jr. The ceremony which was a very quiet one, was performed at Oakland Place the home of Mr. and Mrs. D. P. Yerkes Sr. and was witnessed by only the immediate family of the groom, Miss Leone Bishop of Detroit, sister of the bride, and Mrs. Laura McRobert, grandmother of the groom. Dr. Jaquess of Detroit officiated and little Jane Holden of Detroit, niece of the groom as ring-bearer, was the only attendant.

The bride was most becomingly gowned in tea rose chiton, with cream Chantilly lace and carried a bridal bouquet of tea roses and lilies of the valley tied with tulle and gold ribbons.

After a motor trip in northern Michigan the young people will return to Northville and, as soon as it is completed, will occupy their new home on the Base Line road.

Several delightful affairs have been given complimenting Miss Bishop. Among those who have entertained for her are: Mrs. W. L. Holden of Detroit; Miss Bertha White and Mrs. P. R. Alexander at the home of the former; Miss Frances Yerkes, and the Misses Aletha and Ruth Yerkes.

The bride has held an important position with the Bell Furnace company of this place for the past few years and she has been a most efficient and capable employee. Mr. Yerkes is associated with his father in the Northville Milling & Lumber Co. and is regarded as a capable business man. The best wishes of many friends are extended.

## A QUITTER NEVER WINS A RACE

Is a world's series won by half-hearted men or those inclined to quit? Not on your life. Head and heart and feet and hands are centered on the job of winning.

Is a foot ball game won by the inattentive or indifferent. Not by a long shot. Keen, alert minds, quick active bodies and taking advantage of all openings wins the points.

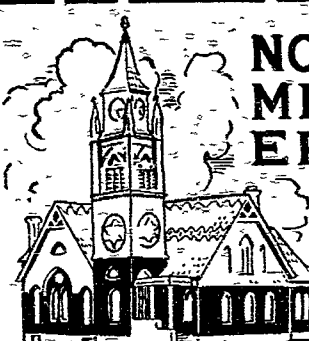

Are golf and tennis matches or swimming races won by idlers? Not that you ever heard of. It took practice—hard work—faithful attention and the overcoming of difficulties to make winning scores.

Paul was not a quitter. He worked against the christian religion and he used every power at his command to win. Later he discovered his mistake and turned his attention to serving God. He did this new work against very heavy odds.

Who of what stands in the way of your winning TO-DAY—tomorrow—and always? A worthy goal means strife—handicaps—severe duty—ultimate victory.

may be plain, but so many of us miss the path in which it lies because we see in it only a task that interferes with pleasure of our own choosing. There would have been no calvary and no plan of redemption had duty alone been the impelling force. Out of love was the magister at Bethlehem most glorified.

We shall not go far from a sense of duty alone but because of a love of duty we may climb to where we shall catch a vision of the real purpose of life and find that for every talent that is ours God will surely find a need.

## THEY ALWAYS BITE HERE TOO.

The map agent is again abroad in the land. He recently separated a few Holly people from \$4.90 each in payment for an "up-to-date" map of Michigan that is notorious for its inaccuracies, even right here in our own section, which are at once apparent to anybody who looked it over before giving up their money. But the worst part of this game is that in taking the

order the agent implies that it is a state or government proposition, and that those solicited are a "favored few" who are to get the map providing enough orders are taken to defray the expense of getting it out. As a matter of fact, the map is already for delivery when the order is taken, and its a private money-making proposition all round—Holly Herald

NEWS DISPATCHES  
FROM EVERYWHERECoolidge Working on Scheme to  
Revise the Taxes  
Downward

Swampscott, Mass.—President Coolidge favors a general downward revision of taxes reaching all classes, it was said officially here at the summer White House.

Dependent upon treasury department figures on governmental surplus Coolidge believes that the coming session of congress should undertake another general tax reduction.

In the upper classes it was indicated that the President would look with favor upon a reduction of the surtax as low as 12 per cent. His chief desire in this field is that the surtax be reduced to a minimum that will insure real revenue. He is willing to accept the figures of tax experts on this subject and he understands their estimate runs from a minimum of 12 per cent to a maximum of 25 per cent.

## Fund Donated for Peace

New York—A gift of approximately \$250,000, to be used in finding a way to "take the profit out of war," by Bernard M. Baruch, of New York, to the Walter Hies Page school of international relations, was announced by Owen D. Young, chairman of the board of trustees of the school. The proposed research carries the endorsement of General Pershing and is to be directed not only to the elimination of profiteering in wartime, as a measure of national defense, but as one to remove a cause of war.

## Want Treaties Cancelled

Shanghai—A nationwide campaign urging immediate cancellation of all foreign treaties is apparently gaining force. Scores of Chinese organizations in Shanghai have sent messages to Tuan Chi Jui, chief executive in Peking, advising against any negotiations with the foreign powers on the revision of the present treaties and asking the president to issue a mandate abrogating all treaties. Negotiations would then be started for new treaties on a basis of complete equality, according to this plan.

## Claim Standard Cut Price

New Orleans—The Louisiana Petroleum Marketers' Association has sent Attorney General Saint a letter stating it was gathering data to substantiate its contention that the Standard Oil Co. of Louisiana has "flagrantly violated the state law by instigating a drop in gasoline prices." Members of the association, which comprises "independent" jobbers, declared gasoline is being sold below cost in New Orleans and blamed the situation on the Standard Oil company of Louisiana.

## Poles and Russians Clash

Warsaw, Poland—Hostilities between Russian and Polish troops have broken out along the border, according to the Polish foreign office. Russian soldiers crossed into Polish territory and attacked Polish forces. The Polish troops returned the fire, driving the Russians back into their own territory, according to accounts reaching here. Numerous other attacks are reported, and Polish authorities declare they are rounding up Russians over a considerable area along the border.

## French Free Hostages

Fes French Morocco—Several hundred native women and children, being held as hostages by Abdel-Krim's Riffians, were released by the French when the latter, by a quick drive along the Ouergha river, captured several villages from the enemy. The women and children were being held by the Riffians in an attempt to compel the men of their tribe to join Abdel-Krim's forces fighting the French.

## Russia Defies Britain

Berlin—Moscow's answer to Britain's demand that Communist propaganda cease in Asia is an unqualified no. Heartened by success in China, Russia proposes to use the Communist International, not for world revolution, but for red imperialism. Consequently, Foreign Minister Tchitcherin is adopting brusque tones in official communiques discussing his attitude towards Britain.

ASKS JUDGE FOR BIRDS, FREEDOM  
FOR SELF.

An injunction to prevent the Rev. Frank DeLong of Ortonville from molesting her and from turning loose her canaries, was obtained in circuit court Thursday morning by Mrs. Blanch W. Wilders DeLong who at the same time filed a divorce bill against her husband, Rev. Mr. DeLong, an ordained Baptist minister, got into the limelight last year when he was a candidate for state representative from the second district of Oakland county on the Republican ticket and toured the state in the interests of the anti-parochial school amendment driving a miniature replica of a little red school house mounted on an automobile chassis.

He married Mrs. DeLong in Ortonville November 16th, 1921.

In her bill Mrs. DeLong asserts that her husband was cruel in that he falsely accused her of being untrue to him and with being indiscreet before her marriage to him. The wife says that her husband acquired such a habit of competitiveness that he was unable to drop it on returning home; that he constantly nagged her until she was become a nervous wreck and is under the doctor's care; and that she was obliged to do dressmaking to support herself and her 80-year-old father who lives with her.

Mrs. DeLong obtained an injunction to prevent DeLong from molesting her and which also contains an admonition against his turning loose her canary birds or attempting to destroy them. DeLong is 52 years of age and his wife 37. Pontiac Press.

# FOOT BALL FANS TO SEE MANY MIDSHIPMEN AT ANN ARBOR.

Ann Arbor is to be a colorful town next October 31st if advance plans for the Michigan-Navy football game materialize in full. Already plans are being made. In the first place, some 2,000 midshipmen in full regalia are expected. Naval officers from the 9th, 10th and 11th naval districts are already asking for leave. The Army and Navy club of Ann Arbor is making plans for a gigantic military ball to be held the night of the game and for which three large halls will be required. The Army and Navy club of Detroit, it is thought, will come to

Ann Arbor in uniform for the game and dance. While it is yet too early to state whether Secretary of the Navy Curtiss D. Wilbur will be present, a number of high-ranking officers are expected. Midshipmen from the state of Michigan will be guests of honor of Wolverine athletes.

## WOMEN'S ACHIEVEMENT DAY SUCCESSFUL.

Meeting Held at Wayne High School Gymnasium, Friday, June 26th, Was Well Attended.

For the past few years certain lines of adult education have been fostered through the medium of Agricultural Extension service. During the season of 1924-1925 the major project in Wayne county has been that pertaining to clothing. The year's work closed with an Achievement Day held at the Wayne high school gymnasium with an attendance of nearly two hundred women.

Exhibits illustrating the various phases of the work were arranged by the participating clubs, along the walls of the gymnasium. These consisted of necessary sewing equipment, various machine attachments mounted and labeled, samples of the use of machine attachments, the inset pocket, bound buttonholes, and how to make them, the one hour dress, how to measure, fold material, cut and fit; the one hour dress ready made showing variations of different kinds; the alteration of patterns, fitting of altered patterns, application of fitted pattern to various styles of dress as well as undergarments; silhouettes of the ages; the smart, beautiful, and poor silhouettes; the effect of line and design in dress; posters showing appropriate dress for various occasions and occupations.

The forenoon program, with Mrs. Albert Eberle of Plymouth, in charge, consisted of a one-hour dress demonstration by Mrs. Frances Shook of Wayne. Explanation of its fitting and variations, also its value in remodeling, was made by Mrs. Rose Anderson of Belleville. Miss Agnes Sorenson, state clothing specialist, gave a very interesting discussion of the clothing project, its aims and purposes. At the close of the session Mrs. Shook proved to the ladies that the one hour dress was not impossible since she was able to complete it in forty-five minutes and put it on for inspection.

Having adjourned for a box lunch and social hour at noon, the afternoon session began at 1:30 p. m. with Mrs. E. T. McCulloch in charge. Music and club roll call awakened a lively interest in the meeting. The various clubs responded with stunts, music and yells which were both original and entertaining. A report was given by Miss Lois M. Corbett, on extension work in Wayne county during the past year. Miss Carrie Williams, state clothing specialist, told "What home economics extension work means," in which she said that extension work is a nation-wide movement for adult education of the development of people. It means (1) better informed individuals, (2) fairer minded individuals, and more efficient homemakers. Education is a change: (1) in knowledge or things known; (2) in attitude or things felt; (3) in skill of things done. Ruskin was quoted as having said, "All knowledge is lost which ends in the knowing for every truth is a candle to work by." With the foregoing statements to work on much can be accomplished through organized efforts for organization means: (1) getting people with similar ideals together; (2) establishing definiteness of purpose; (3) dividing responsibility; (4) developing initiative and keener thinking which leads to well directed competition; (5) appreciating folks to a greater extent; (6) attaining greater achievements.

Mrs. Louise Campbell, state home demonstration leader, with her unusually enthusiastic spirit, held the audience alert to the last. Other projects relating to the home and community were discussed in detail, including nutrition and health, household management and clothing. The explanation spiced with bits of humor and experiences common to all homemakers proved very entertaining as well as enlightening. The discussions following served to show that a majority of the women present wished to continue with an advanced clothing project next year and with a minor project in nutrition.

The day closed with the sun shining within as well as without and the women departed for their homes feeling that it had been a day well spent.

Home Demonstration Agent.

## Walled Lake Warbles.

Through the efforts of the Ladies Aid of the M. E. church of this place a commodious kitchen will be built on the north end of the church. F. A. Armstrong offered to pay \$160 toward the building fund and the ladies of the church were not slow in reaching a decision to push the building program. At the last quarterly conference held last week reports indicated the church and its affiliated societies were in good financial condition, and the present pastor was invited to return for another year.

BONDHOLDERS TO SELL D. U. R. SYSTEM.

Foreclosure of the mortgages securing the recently defaulted Detroit United Railway bond issue will probably start "within a very few days," it was announced in a letter to creditors Friday by the Security Trust company, of Detroit, and J. W. Simard of Montreal, receivers for the company.

Foreclosure will result in a sale of the company property under court decree, it was said, with the probable institution of receivership proceedings for the benefit of bondholders. The present receivership has been in the interest of creditors.

Failure of the larger stockholders of the company to support a proposed refinancing plan calling for the subscription to \$1,660,000 of receivers' certificates is given as the cause of the present situation.

### COMPLETING CEMENT HIGHWAYS AT SPRING HILL SANATORIUM.

During the past few weeks workmen have been engaged in the construction of cement highways running through the grounds of the Spring Hill Sanatorium. One of the roads leads from the main entrance at the Northrop corner and extends over the hills past the children's billet and hospital on to the main buildings of the institution. The other road extends from the Fishery road over the hills to the north, passing the power plant and connecting with the main highway near the nurses' home.

This will be a great improvement in

the appearance of the grounds and will be appreciated by those who have occasion to visit the institution either for pleasure or on business. The highways are sixteen feet in width and are laid out with graceful curves and grades. The gravel was secured on the farm and the work has been done in a very creditable manner.

Rev. and Mrs. J. E. Webber of Royal Oak were guests of Mrs. S. E. Parsons Tuesday afternoon. Mr. Webber was a former Northville pastor and has many friends in this section.

Mr. and Mrs. Ray Casterline and son, and Mrs. N. C. Schrader and children, Nelson, Jr. and Betty, are spending the week at Northville lodge, near Mio.

Mr. and Mrs. A. C. Batten of this village and Mr. and Mrs. Emory Hutton of Farmington recently spent a couple of days at Lime Kiln lake and the outing was greatly enjoyed.

Northville's base ball team defeated the Highland Park merchants easily in the game on the home grounds Sunday afternoon. The final score was 14 to 5 in favor of Northville.

The total assessed valuation of the village as agreed upon by the board of supervisors last week is \$3,529,688.56, representing an increase of \$406,710.114 over last year.

Harry Mumby and Miss Clara Wagner left the first of the week for Duck Lake, Lake Superior, for a week's outing. They will be joined this week by Mrs. Mumby and Mr. and Mrs. Wagner.

Mrs. O. R. Sloan and daughters Grace and Ora, returned home last Saturday from a visit with relatives at Roscommon and Higgins Lake. They report a killing frost up there a few days before they left for home.

Before the close of their June session the board of supervisors appropriated the sum of \$1,500 toward the premiums and expenses of the 1925 county fair which is to be held here in August—Milford Times.

The parish presented Fr. Befeve with a substantial purse, last week Wednesday evening, at the home of Peter Miller on Ann Arbor street, it being the tenth anniversary of his ordination to priesthood—Plymouth Mail.

George Merritt had the misfortune to fall down the cellar steps at the home of Mrs. Flora Larkins Monday forenoon and suffered the fracture of his left leg just above the knee. He is getting along as well as could be expected.

These are busy days with the farmers. Haying, wheat harvest, corn to cultivate and countless other tasks which present themselves. Oat harvest will have to receive attention in a week or so. Corn is looking exceptionally fine throughout Michigan.

Mrs. Annie R. Foster, who resided on the Base Line road along the D. U. R. tracks between Northville and Farmington, died at the home of her daughter, Mrs. Maud Lewis. She was the widow of the late Robert Foster and mother of Miss Mary Foster, well known to many Northville people. Interment took place at Grand Lawn cemetery Tuesday afternoon.

While Mr. and Mrs. G. E. Richardson and children were visiting relatives near West Branch they received a message conveying the sad news of the death of Mrs. Richardson's mother, Mrs. A. H. Whitney at Sparta. So far as known she had not been ill and the message was a great shock. The Richardsons returned to Northville and left Monday for Sparta to attend the funeral.

C. R. Ely returned Sunday from Miami, Florida, where he spent two weeks. He reports business conditions there wonderful for this season of the year, and that new hotels, office buildings, and residences are being erected by the score. Property is changing hands rapidly and fortunes are being made on property that was purchased a few years ago for a few hundred dollars.

Regular meeting of Orient Chapter, No. 77, O. E. S., this Friday evening. A daughter was born to Mr. and Mrs. Joe Vroman (Marguerite Ely) on Saturday last.

The Northville Woman's club will hold its annual picnic in Benton's grove this Friday, afternoon.

Superintendent A. J. Helfrich has been confined to his home for the past week with an attack of the grip.

The Misses Orpha Bunn, Mildred Duncan, Lillian Lyke and Iva Richards, left Tuesday for a trip to Niagara Falls.

Oakland county officials have inaugurated a campaign to clean the highways of sign boards. The people will applaud their efforts.

Farmington electors will vote on September 14th on the proposition of making that village a city of the fifth class, to meet present day conditions.

Mrs. Ruby West of Ypsilanti and Miss Myra West of Brooklyn, N. Y. left last week for California for a visit with Mrs. Lucy Brooks and her daughters Mrs. Bessie West and Mrs. Ferolin Bonu at their home in Berkeley.

Dr. and Mrs. Merritt and son of Michigan City, have been spending the past ten days with Mrs. Merritt's parents, Mr. and Mrs. George Stamp.

The latter accompanied them home Wednesday and will remain a couple of weeks.

Miss Edna Nevison attended the funeral of Mrs. Wm. Lynch at Bad Axe on Monday. Both were teachers in Highland Park schools and during a leave of absence, last winter, drove through together to California for a vacation trip.

The Globe Furniture & Manufacturing Co. of this village shipped a car load of church furniture to Little Rock, Ark. this week and next week another car load will go to Youngstown, Ohio. The company recently secured an order for furniture for a large church in Toledo, Ohio, and work has started on the order.

F. L. Newton returned from Buffalo, N. Y. Sunday, to which city he was called last week on account of the death of Mrs. Newton. Mrs. Newton was buried Saturday morning in Holy Cross cemetery at Buffalo, beside a number of relatives who had preceded her in death. Mr. Newton expects to make his future home in Buffalo.

W. T. Hampton, grand keeper of records and seals of the Grand Lodge of Michigan Knights of Pythias was a Northville visitor on Wednesday and attended the meeting of Mystic Lodge in the evening. He was a guest of W. E. Crowe at the Exchange Club luncheon at noon and made some fitting remarks in which he congratulated Northville and the members of the club because an organization of that character was established here.

Last week while Mrs. Ed Vanderhoof of Los Angeles, Cal., was spending the day with her sister Mrs. John Buckley at Cooley Lake a merry company of relatives and friends numbering about 30, came unannounced and gave Mrs. Vanderhoof a real surprise. After greeting, had been extended the guests presented Mrs. Vanderhoof a fine traveling bag. A dainty lunch was furnished by the ladies of the party and the whole affair proved a most enjoyable one.

A reunion of the Conroy family took place at the home of Mrs. Nellie Ambler on Sunday, July 12th. Sixty-nine relatives were present from nearby towns, also Detroit and Feront Mich. A picnic dinner was served at tables set in the spacious grounds, the day being perfect for such an event. This was the seventh annual reunion of this family, the founder of which came from Ireland many years ago to settle in Farmington. Next year's gathering will take place in that town at the home of James Conroy.

Another delightful entertainment was given for Miss Hazel Bishop on Monday afternoon, this taking the form of a picnic and jam shower on the Yerkes grounds, the hostesses being the Misses Aletha and Ruth Yerkes. Games and a mock wedding added to the enjoyment of the twenty odd guests present. Other affairs given for Miss Bishop included a kitchen shower by Miss Bertha White and Mrs. P. R. Alexander, a shower by Mrs. Winfield Holden (Margaret Yerkes) at her home in Detroit and a handkerchief shower by Miss Frances Yerkes.

WORLD'S EYES ON  
EVOLUTION TRIAL

JOHN THOMAS SCOPES

Dayton, Tenn.—With some of the nation's leading figures taking part in both prosecution and defense, the trial of John T. Scopes, science teacher, has begun here before Judge John T. Raulston. Scopes is charged with violation of the state law against the teaching of evolution in the public schools.

Not since Huxley faced the Bishops of England have science and religion clashed in any such battle. The eyes of the world have been focussed on this case because of the prominence of those who have lined up on both sides. William Jennings Bryan is the leading figure on the side of the prosecution while Dudley Field Malone, Dr. John R. Neal and Clarence Darrow lead the Scopes forces.

## Coal Situation Watched

Swampscott.—Although President Coolidge has as yet received no specific report from Washington on the threatening situation in the hard coal fields, it was said by an official spokesman for the President that Secretary of Commerce Hoover and Secretary of Labor Davis are keeping in close touch with developments bearing on the wage conference. Should the situation become acute, the President will ask his two department chiefs for full information in guiding him in taking any action which might be necessary to protect the interests of the public from the possibility of a strike.

## Travels By Refrigerator Car

Kansas City, Mo.—Occupying a refrigerator car, containing eight tons of ice, Lionel M. Chapman, president of the Chapman Dairy company, traveled from Kansas City to Isle Royale, Mich., in search of cold weather. Several years ago Mr. Chapman suffered a severe heart prostration. Every summer since he has experienced a slight recurrence. Recently he became ill with an attack as serious as the first. He has been in bed since then at his dairy plant, where he could receive the benefit of refrigerated air.

## Mondell Quits Finance Body

Swampscott, Mass.—Frank W. Mondell, of Wyoming, has tendered his resignation to President Coolidge as director of the War Finance corporation, effective July 15. It was accepted by the president. Mondell lunched with Mr. Coolidge at White House and told the president that he desired to practice law in Washington and said that he felt the affairs of the War Finance corporation were sufficiently liquidated to warrant his retirement.

## Mayor Flies Home

Detroit.—Mayor John W. Smith was a passenger in an airplane from New York to Detroit recently, covering the distance in six hours and five minutes, actual flying time. One stop was made in Buffalo and for two hours out of New York the plane traveled by compass, a dense fog making the earth invisible.

The mayor accompanied the veteran flyer, Casey Jones, who after a short stop at Dearborn, proceeded to Chicago.

## Britain Backs U. S. on Mexico

Washington.—Informal negotiations for resumption of diplomatic relations between Great Britain and Mexico have broken down as result of the misunderstanding between the United States and Mexico. It is understood that the two English speaking governments are standing together in Mexican affairs and that British recognition will not be accorded until Washington is satisfied with conditions there.

## Rockefeller Fund for Versailles

Paris.—Ten million francs of the munificent gift of Mr. Rockefeller are to be devoted to the restoration of the Palace of Versailles, and 5,000,000 francs of this total are to be expended this year on repairs. In addition there is available for similar purposes the customary credit in the national budget, usually amounting to about 1,500,000 francs.

## Novi News.

A. Angell is driving a new Ford sedan.

Mrs. Ford of Cleveland, Ohio, is visiting her daughter, Mrs. Will Darrah and family.

Mr. and Mrs. Roy Leonard and family of Detroit were Sunday guests at the home of Mr. and Mrs. L. Shinn.

Rev. and Mrs. Thompson had as their Sunday guests, Mr. and Mrs. J. B. Kelley and three children and the Misses McWilliams of Detroit.

Frank Murrah and Jerry Ferrell of Brighton were seriously injured as a result of an auto wreck on Grand River a short distance west of Farmington last week Wednesday. The injured fellows were rushed to a doctor at Farmington and after their injuries had been dressed were taken to a hospital in Portage.

E. J. Verdura has leased his oil station to the Indiana Gas company.

The Baptist Sunday school picnic at Island Lake last Tuesday was well attended and a good time was had by all despite the rainy morning and occasional light showers. Of course there were ball games much enjoyed by the participants and all did justice to the wonderful dinner for which Novi is famous.

Several from here attended the funeral Sunday afternoon at Milford of Miss Ethel Smith who came here only two weeks ago from her home in Canada to help care for her brother's family, whose wife was at the Milford hospital for an operation. Only a week had passed after she came when she was taken ill with appendicitis, and was rushed to the hospital and operated upon, but owing to a weak heart, lived only a day or so. She was in the evening services at the Baptist church the night before she was taken ill and had taken the opportunity whenever it came to her to attend church services and felt at home there. She was only a few months past 16 years old and a Christian girl. The bereaved mother, father, two sisters and four brothers have the deep sympathy of the entire community in their sorrow. The many floral pieces were beautiful—silent tokens of sympathy and respect. The funeral was held at the undertaking parlors conducted by Rev. R. O. Thompson and singing by the Novi Baptist choir.

"She only sleeps the years have passed that unto her were given. Her upward path has reached its height. From which she stepped to Heaven."

## FORD COMPANY READY FOR INVENTORY

No basic changes in Ford cars are contemplated for 1926 despite many wild rumors to the contrary, it was said at the Dearborn office of the Ford Motor company Tuesday in connection with the announcement of the annual shut down for inventories which begins this week.

The company it was announced does not intend to bring out a six cylinder car as has been widely reported and although some changes in the nature of improvements, such as have been added from year to year previously may be incorporated in next year's models, there will be no fundamental alterations.

At no time during the inventory process will the plant be entirely shut down. The various departments being closed in turn and reopened as soon as the work of inventory taking is completed. No department will remain closed longer than two weeks it was announced.—Free Press

## ITEMS OF INTEREST—WASHTENAW COUNTY FAIR.

Plans are well under way for the Washtenaw county fair September 1, 2, 3, 4 and 5th.

The new boys' and girls' building is nearing completion, roads and drives are improved; baseball diamond and additional parking space will be in good condition, calcium chloride will be used on main roads and walks thus dispensing with annoyance of dust and water wagons and from all indications and interest shown throughout the county the 1925 fair will be truly bigger and better.

Increased premiums and earlier distribution of fair books are bringing many new enquiries and space reservations to the county fair office.

Great interest is being shown throughout Washtenaw in the child health contest. This is a new feature of the fair and it is expected several hundred under five years of age will be examined by their local physician or Dr. Guy G. Alway, Ann Arbor, and graded from standard score cards issued by American Medical association.

Valuable prizes are being donated for winners by county merchants but the benefit of having children examined by physicians and defects called to parents' attention is the chief aim of the contest.

Cards may be secured from county fair office or Dr. Alway.

## GARDEN GROVE

"OUR RESTRICTIONS ARE YOUR PROTECTION"

## TO THE WISE INVESTORS

Who have bought in Garden Grove (and there are many of you), we congratulate you upon your ability to see the future of Garden Grove. We, with your co-operation, are going to make Garden Grove the best and most desirable place to live that is possible. There are many dollars to be made here, and both you and we will profit. Your lot is worth far more today than what you paid for it. Just ask the price of any lot the size and location of yours in any subdivision within miles of Garden Grove and they will ask much more than you paid for yours. The reason is that you bought your lot direct from the owner, and saved the profit of many middlemen. You are going to make that profit, or better, why not use the lot to build on? You couldn't find a more desirable place for a home. If you do not have the money to build right now, just drop in the office at any time, and we will show you how easily you can build your own home.

## TO THE UNWISE SPENDERS

Who are afraid to invest a few dollars a month in a good sound proposition, we would like an opportunity to put you in the class of the wise investors. We would like a few minutes of your time to talk with you and show you why and how Garden Grove is superior to any other subdivision, either as an investment or a home building proposition. We are very busy these days, we can't call on everybody, that's why we are taking this means of putting our proposition up to you. We haven't any big sales force (we don't need one) and because of that we can sell our lots cheaper. But we feel that you need us. If you don't invest in Garden Grove, you will be the loser, we won't. Somebody is going to buy the lots that you could just as well make some money on, or somebody is going to have a nice beautiful home of their own, when you are still paying rent. When you buy your lot from us you are buying direct from the owner of the land who has lived upon it for over twenty-five years. We don't have to get as much for the lots as if the land had been sold and resold several times as all of the rest of the land near us has, and more than that we are not getting as much. We are willing to pass that much on to you, if you will but grasp the opportunity.

## TO MR. AND MRS. HOMESSEEKER

Have you seen the new homes in Garden Grove? It will surprise you when we tell you the low price we have on them, and how easily you can own one of them. We are not going to make a dollar on the first few homes we build. There are two new homes now ready for your inspection, and they are homes in which you will be proud to live. There is no mystery connected with owning your own home. It is the inherited right of every American. Let us show you how to claim that right.

Mail us the coupon below for further information, or come to the property located at the intersection of Farmington and Seven Mile Roads, (both paved) and talk it over with us. Our office is always open.

## IT ONLY TAKES TEN DOLLARS TO START

And it may be the start you need, anyway, it will be one you will never regret.

## Clean Heat And Plenty Of It For Everything You Cook

—and it won't blacken your pots and pans. That is what any number of housewives—good cooks—who use New Perfection say. And they point at the quick-lighting Long Blue Chimney Burner because it's the big secret of this stove's clean, steady dependable heat. It means cooler, cleaner kitchens and happier cooks.

Our New Perfection Oil Cook Stoves and Ovens cook and bake anything perfectly, from boiled potatoes to the most delicate cake. It's the stove you read about in the magazines. Three million now in use. Come in and see it work.

### OAKLAND COUNTY DOES WELL AT STATE MEETING.

Oakland county had its best representation in the history of boys' and girls' club work at boys' and girls' club week at the Michigan State College in Lansing, which just closed. Miss Muriel Dundas and Heath Holden were in charge of the delegation.

Dorothy Holden of Milford was honored by being chosen toastmaster at the big banquet given by the state board of agriculture to the boys and girls. The clothing judging teams, consisting of Jean Chamberlain and Imogene Hennessy of Oxford, was one of the four selected to attend the state fair this fall and Maude Gladden, also of Oxford, won second place in the state third year clothing project work.

Kenneth Rocker of Wixom was adjudged the third healthiest boy present. Miss Dundas announced that J. A. Hannah, poultry expert, will visit Oakland county soon for a series of training meetings. These meetings will be held July 24th, August 7th and August 27th. The place has not yet been selected.

The attendance will be limited to 25 persons who will enroll for the three meetings. They will be expected to take the results of their work and instruction back to their various communities. Those who wish to enroll should communicate with Miss Muriel Dundas, home demonstration agent, immediately—Pontiac Press.

### ANN ARBOR TO HEAR MANY FAMOUS MUSICIANS.

Charles A. Sink, secretary-manager of the University School of Music, Ann Arbor, Michigan, has just made an announcement of the concert activities for next season. The list of attractions includes many of the world's greatest artists and organizations in several of the most pretentious series of concerts ever undertaken in Ann Arbor.

In the forty-seventh annual Choral Union-series the following six attractions are included:

October 15: the New York Symphony Orchestra, Walter Damrosch, conductor

November 3: John McCormick in song recital

November 23: the Detroit Symphony Orchestra, Victor Kolar, conducting; Ossip Gabrilowitsch, piano soloist

December 11: Louis Grévaure, baritone recital

January 26: Walter Gieseking, piano recital

March 8: the Detroit Symphony Orchestra, Ossip Gabrilowitsch, conductor

In the seventh annual extra concert series the following numbers will be given:

November 14: Ernestine Schumann-Heink, song recital

December 7: Cecelia Hansen, violin recital

January 11: the Hinshaw Opera Company in the "Elvir of Love" by Donizetti.

Hazel Huntington, soprano

Eleanor LaMace, mezzo-soprano

Thomas McCranahan, tenor

Leo deHierapolis, baritone

Francis Tyles, bass

Willard Sekberg, pianist

James Lever 1st violin

Thomas W. Petre, 2nd violin

H. Waldo Warner viola

C. Warwick-Evans cello

April 7th: St. Olaf Lutheran Choir

E. Melius Christensen, conductor

In the annual faculty concert series twelve programs will be given by members of the faculty of the university.

School of Music. Included in this course will be four concerts by the University Symphony Orchestra.

Samuel P. Lockwood, conductor

The third annual series of twilight organ recitals will be given on each Wednesday afternoon during the academic year by Palmer Christian University organist.

The thirty-third annual May Festival will take place about the middle of May and will consist of six concerts, four evening programs and two matinees. The University Choral Union, conducted by Earl V. Moore, will include in its presentation Mendelssohn's "Elijah" and at the closing concert will offer in concert form "Pagliacci" and Cavalleria Rusticana.

Numerous other recitals will be given during the year by professional students in the school.

### THIS IS NATIONAL FORD TRUCK WEEK.

This present week has been designated as national Ford truck week and is being observed by Ford dealers throughout the country. Entrance of the Ford-Motor company into the manufacture of commercial bodies indicates new and important advancement in this division of motor transportation, the local dealers say, since it shows that Ford is bringing into delivery and hauling services the same low cost and high value that has made the Ford passenger car the most popular in the world. The Ford truck chassis has long held the lead among light commercial vehicles and at present approximately 75% of the one-ton trucks in use are Fords.

The business man or farmer who is interested in reducing costs will have the opportunity this week of becoming fully acquainted with these Ford-built truck bodies which, because of the economies of Ford quality production, are offered at low prices. Ask your local dealer about the Ford truck.

### FARMERS' DAY, FRIDAY, JULY 31, AT EAST LANSING.

It has been decided by the committees of the Granges and Wayne County Farm Bureau, respectively, to attend Farmers' Day, Friday, July 31 at East Lansing rather than have a picnic for Wayne county people alone. Busses running every hour may accommodate those who do not wish to drive their own cars.

Further details will appear in next week's paper but keep the date in mind, Friday, July 31st, and plan to go.

RALPH CARR,  
County Agricultural Agent.

## TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week.

Mr. and Mrs. James A. Dubuar have been at Mackinaw for a week's outing. Dr. T. H. Turner of this place has been appointed surgeon for the D. & N. W. railway system.

The Northville company placed a phone (222) in the residence of Station Agent Frank Dolph this week.

Dr. E. D. Willis and wife of Webberville were guests of Mr. and Mrs. G. W. Ryder over Sunday of last week. Wm. White of North Center street has received an appointment as foreman of the pile driving on the D. & N. W. railway.

Mrs. Robert McCully and two daughters, Viola and Helen, left last week for a visit among friends at Midland City and Laporte.

According to the annual report the number of births in Northville township for 1924 was 39, an increase of 9 over the previous year.

Frank N. Clark, W. H. Hutton, Perry Perrin, W. J. McRobert, B. G. Filkins and F. S. Neal attended the congressional convention at Manchester, Wednesday.

Mrs. Dowd, who has been visiting her daughter, Mrs. W. G. Lapham, for some weeks past, leaves for Kansas City on Saturday where she will visit for some time previous to returning to her home in Texas.

R. E. Thornton came out this week with a fine new milk wagon that looks slick enough to make everyone want to ride in it. Mr. Thornton says this old vehicle just cast aside has traveled over 75,000 miles—far enough to go more than three times around the world.

The insurance adjusters for the Monroe and Wayne County Mutual reviewed the remains of George Clark's barns last week and allowed the full \$500 on the buildings and about \$300 on the contents. The adjustment was satisfactory, though it of course only covered a small portion of the actual loss.

Mr. and Mrs. W. G. Lapham gave a farewell reception Monday evening to Mr. and Mrs. H. E. Daniels. Miss Daniels and Miss Janet Daniels. It was an informal affair and for just that reason it was decidedly pleasant and enjoyable. C. C. Yerkes made a few remarks in behalf of the fifty or more guests present to which Mr. Daniels made a feeling response. Light refreshments were served at 10:00 o'clock after which the young people took possession of the library room for an hour's dancing.

The Wayne county second district congressional convention to elect delegates to the second district convention at Manchester was held in the opera house here Saturday afternoon, with a representation from each of the 11 towns and the three Wyandotte wards. F. S. Neal of Northville was appointed on the township congressional committee. Resolutions were adopted and during the recess the Northville male quartet sang several selections which were enthusiastically received and heartily encored.

The Ladies Library Association recently purchased one hundred and twenty-three new books which are now all catalogued and ready for circulation. In addition to these, the association has received a gift of fourteen new volumes of standard poetical works from E. A. Merritt and a valuable present from Edward Simonds in the form of four volumes entitled "Memoirs, correspondence and miscellaneous from the papers of Thomas Jefferson." These books are very handsomely bound and in perfect condition although written over seventy years ago—1820—and are of bibliographical value aside from the interesting information they contain and their literary worth.

## TOWNSHIP HAS LARGE NEW SAFE.

During the past week the members of the Northville Township board have placed a large new fire-proof safe in the room now occupied by the clerk's office in the Masonic temple block. The board asked for an appropriation of \$500 for the new safe at the annual township meeting last spring explaining the great need of having something in which the record might be kept with safety. The motion was readily voted by the taxpayers present at the meeting and the members of the board with some good organizing were able to procure the new safe and all its equipment for an amount considerably less than the sum asked for.

The room has been fitted up in an attractive manner, some new chairs purchased, and the office is a very creditable place for township board meetings.

## SCHOOL MEETING

(Continued from page one).

all the other school activities.

There was, of course, a difference of opinion regarding just what land be acquired for the new site. Some proposed taking all the land lying between Main and Cady street extending as far west as First avenue, while others thought land lying along the north side of Cady street and extending to First avenue would be sufficient, and still others expressed their opinion that the best plan would be to purchase the Brock homestead on the east and close the street now running between Main and Cady streets. No definite action was taken in the matter, of course, but the question was left to the members of the board of education who will report to the district the amount necessary to acquire the proposed sites both on the east and west side of our present school grounds.

No further business appearing the meeting adjourned.

## LOCAL

A very welcome rain visited this section Thursday morning.

Miss Rose Blundell spent last week at Brighton and Briggs Lake.

The W. B. C. will hold a picnic next Tuesday afternoon at Phoenix Park. Take the one o'clock car.

July 31 to August 3 are the dates selected for the Holiness camp meeting to be held at Simpson Park, Romeo.

D. P. Yerkes, Jr., has one of the most attractive houses in the village nearly completed on the Base Line in Oakwood subdivision.

Dr. and Mrs. A. T. Holcomb of Novi and Dr. and Mrs. A. A. Holcomb of this place returned the first of the week from a motor trip through the east.

At the annual school meeting at Novi on Monday night Alex Christensen was re-elected to succeed himself as a member of the board of education for the Novi township unit school.

Mr. and Mrs. C. L. Blackburn and daughter, Barbara, motored to Ober-

lin, Ohio, Thursday to arrange for the latter's entrance to Oberlin College this fall, where she will take a course of music and kindergarten.

The taxpayers of the Walled Lake Consolidated school district at the annual meeting Monday evening voted to raise the sum of \$35,000 for the coming year, to erect a ten-car garage on the school grounds and elected John Fredenburg trustee for three years. President F. J. Schmidt of the board of education, presided at the meeting.

The state administrative board has decided to make Grand River avenue 204 feet in width from Redford to a point west of Farmington. The new highway will be constructed south of the present road, beginning at a point near Farmington Junction and continuing a short distance west of Farmington village limits. It is believed the new route will relieve conditions at Farmington Junction where blockades frequently occur.

The Detroit Motorbus company, now operating a route between Northville and Detroit, has added 40 new busses to its fleet and will greatly increase the territory covered within Wayne county.

STATE OF MICHIGAN, County of Wayne, ss. At a session of the Probate court for said county of Wayne, held at the Probate court room in the city of Detroit, on the fourteenth day of July in the year one thousand nine hundred and twenty-five.

Present: Henry S. Hulbert, Judge of Probate.

In the matter of the estate of ELIZABETH NEWTON, deceased.

On reading and filing the petition of Fred D. Newton praying that administration of said estate be granted to him or some other suitable person. It is ordered that the nineteenth day of August next, at ten o'clock in the forenoon of said court room be appointed for hearing said petition.

And it is further ordered that a copy of this order be published three successive weeks previous to said time of hearing, in the Northville Record, a newspaper printed and circulating in said county of Wayne.
