YOU can enthuse all
YOU want to about
WINTER sports but we'll
VOTE for good old
SUMMER time—the time
WHEN we can enjoy
AUTO rides, picnics,
FISHIN', and all that
SORT of thing—but
EVEN summer has its
DRAWBACKS—mosquitoes.
FOR instance, and
CHIGGERS, sunburn and
FRECKLES, not to mention
THE pesky flies—and
WHENEVER you are annoyed
BY these little summer
PESTS and ailments we
WISH you a remedy that
THIS store is a regular
RELIEF station—just
FULL of soothing lotions
THAT will make your
SUMMER much more enjoyable
AND your disposition

TO-MORROW WILL BE A BIG DAY HERE.

Tomorrow, Saturday, has been set
apart as a special occasion in North-
ville. Our citizens will join with the
officers and committees of the North-
ville Fair society in paying honors to
a worthy citizen—Harry S. German,
who reached his fiftieth anniversary
on Tuesday. Many of our citizens
have celebrated their fiftieth birthday
without any assistance from any one,
but in the case of Mr. German the
circumstances are quite different than
with the ordinary citizen. For more
than 35 years of the fifty he has lived
he has been an exponent and a sup-
porter of our great national game of
base ball and he has always played the
game well—played to the best of his
ability, and he has displayed good
sportsmanship in every contest. Win,
or lose, he has played the game fairly
and honestly, and it is to pay a special
tribute to him as a ball player and a
citizen that this celebration has been
arranged for.

The program will open at the fair
grounds at one o'clock with a band
concert, to be followed with a short
program in which it is expected that
Mayor John Smith of Detroit, and
others will take part. Then will fol-
low a ball game between Milan and
Wyandotte teams and a race matinee
in which there will be three events.

In the evening there will be a free
street dance on the pavement for
which Northville's municipal band
will furnish music. The public is
cordially invited to attend these festi-
vities and to enjoy the sport of the
day and evening will provide.

MASTER MCKAHAN.

A very pretty wedding was solem-
nized at the home of the bride's
mother, Mrs. McKahan, on Tuesday
evening, July 28th, at seven o'clock,
when Ward Masters, was united in
marriage to Vance McKahan.

The home was prettily decorated
with wild flowers tastefully arranged
around the rooms between the ferns
and plants.

Rev. Wm. Richards, stood at the
altar prepared for the cere-
mony and united the bridal pair with
the unusual ceremony of the double
ring service where each pledged their
faith.

The bride was daintily dressed in
white georgette crepe and carried a
bouquet of tea roses. The maid of
honor was Irene Kahrl of Novi who
was dressed in blue satin, cape carry-
ing a like bouquet, and the best man
was Edgar Freydl of Northville.
Little Betty Masters, niece of the
groom was the ring bearer and was
neatly dressed in blue taffeta.

After the ceremony a sumptuous
wedding supper was served to the
many guests that all enjoyed. The
happy pair will make their home in
Northville.

CATHOLICS VICTORS IN TWI- LIGHT LEAGUE.

The Catholic team in the twilight
league won an easy victory over the
Presbyterian in the final games, de-
feating their opponents on Thursday
evening, last week to the score of
6 to 1 and on Tuesday evening re-
peated the defeat to the tune of 5 to 1.
Throughout the contest the victors
lost one game, winning six and
being defeated once.

The league games have created a
good deal of amusement and interest
and by another year Northville ought
to have a league that will provide
great sport. All who took part in
the games and all who attended the
series are very grateful to Coach Mil-
ler of the High school team for his in-
terest and help.

TENDERED PLEASANT BIRTHDAY SURPRISE.

Last Friday was the 75th anniver-
sary of the birth of one of North-
ville's most estimable women, Mrs.
Frances Horton, and the occasion was
pleasantly observed by a large com-
pany of her relatives who gathered at
the home of Mr. and Mrs. B. A. Wheel-
er in the afternoon to extend their
congratulations and best wishes. A
pot-luck supper was served at tables
on the spacious lawn and the gather-
ing proved a most delightful one.

Many Northville friends will join
The Record in extending their con-
gratulations to Mrs. Horton and in
expressing the wish that she may be
spared to enjoy many more happy
birthdays.

MAYOR SMITH COMING.

Mayor John Smith of Detroit has
promised to be in person or have his
secretary, Mr. Aukendbrandt, at the
fair grounds here Saturday for a short
talk to the gala day crowd. There
will also be two speakers from Pon-
tiac and Monroe.

NEW OIL STATION TO OPEN SAT- URDAY.

The new oil and gas station being
erected at the foot of Main street,
corner of Main and Plymouth avenue,
will be formally opened to the public
Saturday, to-morrow, and the public
is cordially invited to call and inspect
the new plant. The station will
handle the justly celebrated Indian
gasoline, Havoline and Power oils,
and will be in charge of Messrs. W.
J. Elkington and Clifford Casterline,
two Northville gentlemen who are
well and favorably known to the
people of this community and who
have many friends in this section.
They will endeavor to render a ser-
vice that will be appreciated by the
motoring public and they invite all
their friends to call and see them.
Read their announcement in today's
Record.

NORTHVILLE TO HAVE NEW GROCERY STORE.

W. H. Elliott & Son, who suffered a
loss by fire some months ago, will
soon be engaged in the grocery busi-
ness in Northville again, having taken
a lease of the room just vacated by
C. R. Horton in the Masonic temple
block at the corner of Main and
Center streets. Some extensive
changes and improvements will be
made to the store, new shelving and
counters placed, and the whole in-
terior re-decorated with the aim and
purpose of making the store one of
the most attractive in Northville.

The date for the opening of the
new store has not been decided upon,
but an announcement will be made
soon. Messrs. Elliott will be gladly
welcomed by Northville people.

FORMER NORTHVILLE WOMAN MARRIES COLORADO GENTLE- MAN.

The many Northville friends of
Mrs. G. A. Macomber, a former resi-
dent of this village, will be pleased to
learn of her marriage to William
Clark of Colorado Springs, Colo., the
ceremony being performed at the
parsonage of the First Methodist
church in that city by the Rev. George
W. McDonald in the presence of only
a few of the intimate friends of the
bride and groom. Mr. and Mrs.
Clark will reside at 418 East Platte
avenue in that city. Mr. Clark is a
pioneer resident of Colorado Springs
and is a prominent florist.

Many friends in this section will
extend hearty congratulations.

BRIGHTON HOME COMING.

Brighton is planning two of the big-
gest days in history of the town on
August 28 and 29. Enough of the
old timers have signed their in-
tention of returning for the reunion so
that the committee is assured of its
success. In the way of entertain-
ment there will be ball games each
day, street sports, airplane flights,
banquet, reminiscence meeting, ba-
lard concerts, and an old time song
contest on the pavement. The Bright-
on people say that everybody will
be cordially welcomed.

Northville and Howell base ball
teams will play on the 28th
terms are old rivals and a good game
is expected.

SHAFFER-BULMAE.

At the home of William Parmelee at
North Center George Shafer and
Clara Bulmae, or Newburg were
united by the Rev. Wm. Richards at
10 a. m. on Saturday, July 28th.

The ring ceremony was used in the
presence of Rosa Shafer and Wm.
Parmelee, as witnesses. Mrs. Parme-
lee after the ceremony very graciously
entertained the bride and groom and
the friends who gathered to the
occasion.

The bridal pair will make their
home at Newburg.

EXCHANGE CLUB ENJOY DELIGHTFUL DINNER.

On Wednesday members of the
Northville Exchange Club and their
guests enjoyed a delightful outing at
the Chemung Hills Golf Club grounds
near Howell. E. L. Smith, who is a
member of the club having arranged
for the outing. A picnic supper was
enjoyed at 5.00 and the afternoon was
spent on the links and in the shade
and upon the spacious verandas sur-
rounding the club house.

TO CELEBRATE FIFTH ANNIVER- SARY AT PRISON FARM.

The Dehoco Club of the Detroit
House of Correction farm will give a
lawn party and dance at the farm this
Friday night, to celebrate the fifth
anniversary of the opening of the
farm.

The club is composed of officers of
the institution and they are getting
hosts.

Novi News.

Mrs. Lizzie Coates with a party of Detroit friends, recently took a boat trip to Put-in-Bay, Ohio, and visited Crystal cave and also went to the top of Perry's victory memorial. The great Doric column rises 352 feet above the lake level and is the highest monument in the world, excepting the Washington monument, which is 555 feet 5 1/2 inches in height.

The Perry monument is 45 feet at the base and 35 feet 6 inches at the neck, thickness of walls at the base 9 feet 9 inches and at the neck 5 feet. The diameter of the clear space in the interior of the column is 26 feet 6 inches. There are 78 courses of stone in the height of the column. Two flights of granite stairs, built in the walls afford communication between the four entrance vestibules next the grounds and the elevator floor above. At this level the elevator and the staircase start and run to the top. The elevator, ascending in one minute the stairway to the top is composed of 467 steps (we did not climb them all however). From the upper platform a door leads to the outside parapet or spectator's gallery, capable of accommodating 200 people in the open air.

The entire column is lighted electrically. From the parapet, 329 feet above Lake Erie is disclosed a scene of unrivaled beauty. (Took pictures from there across the lake). Surrounded the gallery is a great bronze tripod, holding the beacon light of the memorial, which sends a glow upward. The tripod is of solid bronze, 23 feet in height, its greatest diameter is 20 feet; weight, 11 tons; cost \$14,000. It supports a massive bowl for illumination purposes, the top of which is of ground plate glass one half inch thick, having two hundred incandescent lamps beneath it. The granite steps at the approach to the plaza are 67 feet wide.

Operations to clear the site were begun in June 1912, ground broken for the construction of column, October 1 1912; cornerstone laid July 4, 1913; memorial opened to the public June 13 1915. Cost approximately \$700,000 for necessary expense. These figures, however, do not include purchase of site, of the architectural corporation superintendence of construction fee for engineers, electrical conduits remaining walls and the organization necessary to promote and carry on the work and care-taking and up-keep over a period of years.

PRIMARY SCHOOL FUND \$13.70 FOR EACH CHILD.

The rate per pupil at which the primary school fund was fixed Tuesday at \$13.70 by Thomas E. Johnson, Superintendent of Public Instruction. A slight decrease in the rate since 1924 is caused by an abnormal increase in school children. A jump of 50,000 was recorded this

year, while the previous high increase was 23,500. The total number of children is 1,124,000 and the amount of the fund is \$15,440,000.

GARDEN GROVE

"OUR RESTRICTIONS ARE YOUR PROTECTION"

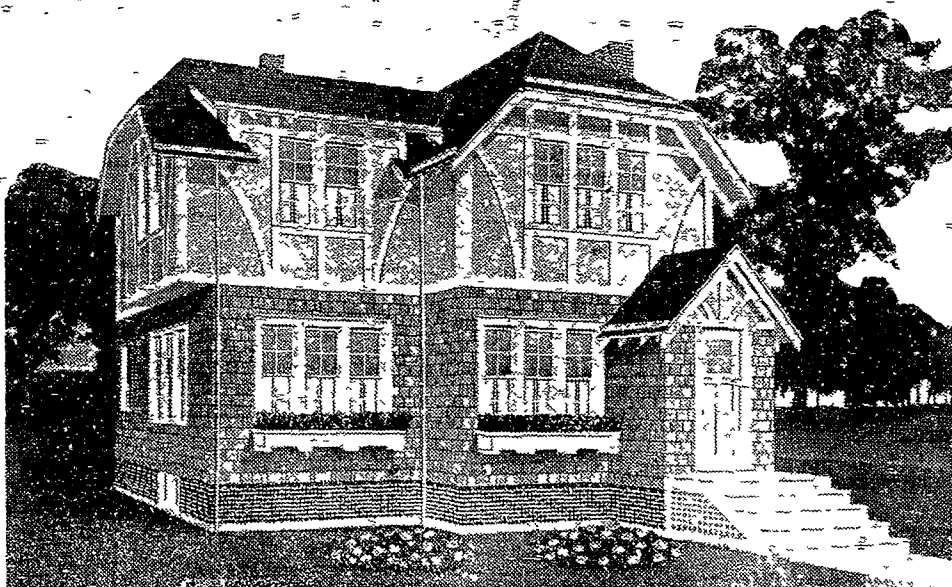

PROFITS ALL ROADS LEAD TO GARDEN GROVE AND PROFITS

What are Profits? Webster says that they are the difference between the price for which an article is sold, and the price paid for their purchase. Profit also means the difference between what an article is actually worth today and the price that was paid for it.

If you or anybody else had gone down and bought a lot on Joy Road in 1916 when they were selling lots for five and six hundred dollars, you could sell that lot today and make enough money to build a home for yourself and pay cash for it.

That is Just What is Going to Happen in Garden Grove. Many people who have the ability to look ahead a few years have invested their money here where it will give them a many-fold return should they ever want to sell. But we are proud to say that the majority of people who have bought in Garden Grove have bought here to build. We have sold our lots to the best class of people, the lots are well restricted, and we are certain of one of the best classes of communities in this district, and are certain of a class of houses that will make every vacant lot in Garden Grove worth many more times the price that was paid for it.

It is the progress of the city of Detroit in this direction, the development of this subdivision into a community of homes, and the general growth of this section that is going to make for big profits in Garden Grove.

Somebody Said that it Was Too Far Out. Do You Know that is Just what they Said of Joy Road in 1916? Look at that District today. With the modern means of transportation, with the city improvements coming out this way, Garden Grove is in as good a location today, as Joy Road was then.

The prices of lots in Garden Grove range from \$450 to \$595. We could have sold them just as well if we had asked Two or Three hundred more per lot. But we are selling this property as the owners. This property has not been turned over several times. The Profit that might have been made is being passed on to the individual lot purchasers.

We are selling these for 10% down and 1% per month. If you haven't the full 10% we can give you plenty of time to pay it. As the owners of the property we can afford to do this. Ten Dollars is all you need, the rest is easy.

COME OVER AND SEE US TODAY. DON'T WAIT UNTIL ALL THE BEST LOTS ARE GONE

The Profit on one of these lots might send your boy or girl to college, or build you a nice home some day. Anyway the profits will come in mighty handy in a few years when you need some extra money very bad.

WHERE IS THE JUSTICE IN THIS PROCEEDING?

While a young man under 18 years of age to whom he sold liquor is serving a prison sentence for driving a car while intoxicated—and the sentence of the court was just and a merited punishment—Frenchy Chevalier who sold Gilbert Deal the liquor which went to his head, is at liberty, having been liberated from the Detroit House of Correction on a writ of habeas corpus.

Doubtless, Chevalier's attorney found some flaw in the proceedings by which he was arrested and sent to prison for a period of thirty days, but no matter what the technicality may be, he deserved all he received and he ought to have received a longer sentence. The Record holds no brief for the defense of Gilbert Deal or for any one else found guilty of being intoxicated, but in all fairness it is justice to keep him and his kind in jail while the fellows who sell the stuff that is responsible for their misdeeds are permitted to go about free.

Chevalier was in Northville Monday morning when he would do to the fellows who were responsible for his arrest, and in an undertone thanked the Record for the advertising he had been given. If he enjoys this kind of advertising he is welcome to it, but this newspaper will continue to expose Chevalier and his kind without fear or favor. He ought to be in prison, and if he had had his just dues he would have had a long record of prison sentences, because he has defied the law in countless instances. Let us hope that our officers will not become discouraged because the turn of this case has taken, but keep after this fellow until he is punished as he ought to be.

AMERICAN LEGION TO INVIGILATE DRIVE FOR WAR VETERANS.

An appeal for two great groups of war sufferers—the disabled men and the orphans—is about to be sounded in Michigan, declared John F. Roehl, state commander of the American Legion recently in announcing the opening of a campaign for Michigan's share of the national \$5,000,000 endowment fund, now being founded by the Legion in support of rehabilitation and child welfare work.

The endowment movement has been launched in virtually every state and is meeting with spontaneous response. Commander Roehl stated that the work of organizing state and city endowment fund committees has begun in Michigan, and the campaign in this state will culminate with an intensive drive early this fall.

"The American Legion is asking the American public to come forward to the aid of the men who gave their health, and to the aid of the children of those who gave their lives in the defense of the country," explained the commander. "Rehabilitating the disabled veteran and caring for the orphans of former service men are two most sacred tasks left us by the war."

"They are so entwined with delicate human problems they cannot be handled adequately by government machinery alone."

OFFICERS CONTINUE TO WIN.

The Detroit House of Correction officers' hung another scalp at their wigwam doorway, when the strong Pittman Dean outfit invaded the officers' camp Sunday afternoon.

Hunter led the assault against the Detroiters, banging out four hits, bringing in two runs himself and placing two hits so strategically that three more of the total runs resulted.

Meanwhile, Roland, the officers' twirler, kept the towners busy guessing his delivery wrong. Five hits only developed out of their thirty-four times at bat.

L. Hull for the Dean boys was hit freely and frankly thirteen times, for a total of seven runs, finally conceding that thirteen was his unlucky number.

SALFUS FURNACE BANQUET A GREAT SUCCESS.

The Furnace Banquet given July 15 by the Salfus Federated church was a huge success. People were there from Detroit, Royal Oak, Ferndale, Oakpark, Dearborn, Milford, Ann Arbor, Ypsilanti, Plymouth, South Lyon, Northville, Brighton and Holly. This was quite in the nature of a "Home Coming." The tables were handsomely decorated with flowers and favors, which made the good food taste better. Altogether a very enjoyable time was had, and the ladies and friends were very thankful to have the furnace paid for. The net proceeds were \$380.00.

PRESBYTERIAN CHURCH NOTES.

William Jennings Bryan said, "The Glory of America is not the extent of its territory, its wealth, its Army or Navy, but the men and women who have left home to gird the earth with the light of life—as it is in Jesus Christ."

See the Presbyterian part of that glory, shown by a set of beautiful pictures. Sunday at 10:30 a. m. Special offering for the work of Foreign Missions.

There will be pictures each Sabbath in August at 10:30, instead of the Sunday school lesson.

METHODIST CHURCH NOTES.

Our morning worship will be more helpful for the day if all the membership would join in fellowship. Why plan anything for the morning outside of worshipping God? This only calls for a small portion of time and how fragrant the remaining part of the day becomes.

Our meditation will be "God's Revelation To You and Me." This will be helpful to all and we trust as it has been our inspiration to study it. Time 10:30.

The Sunday school will meet at 12:00 noon. No evening service until September.

BAPTIST CHURCH NOTES.

The pastor and wife will be away from home most of the month of August. They can be reached through the Northville Electric Shop.

Services will be held every Sunday morning and evening, as usual. Chas. E. Mason will preach the first three Sundays and F. L. Spring the following Sunday. Mr. Mason will have charge of the prayer meetings.

The girls' drill squad had a fine time at the home of Thomas Cousins' last Monday evening.

Of course the picnic on Wednesday was a success.

Encourage the new preachers by your presence at every service.

The Mission Circle will hold its annual picnic at Walled Lake with Mrs. O'Donnell and Miss Lockwood on Wednesday, August 5th.

A. PAUL'S LUTHERAN CHURCH.

Next Sunday service in English. Sermon will be delivered by Walter Eissfeldt, student of theology. Holy communion will be celebrated; confessional service at 10 a. m. The newly confirmed will take their first communion.

The congregation picnic, which was to be held tomorrow, will be held a week from tomorrow Saturday August 8th, in Ford Kreegers grove. A special committee will make all necessary arrangements.

Walter Eissfeldt, who during the last 12 months has been doing supply work in Western Canada with headquarters at Winnipeg, has returned home this week and in September he will again take up his studies at the Springfield Theological Seminary.

Henry Schnute and family last Sunday attended the "Old Peoples Home Anniversary" at Monroe, where the Lutheran Old Peoples Home is located. They report an attendance of over 5,000.

UNCLE TOM'S CABIN HERE SATURDAY.

Generations of playgoers have enjoyed "Uncle Tom's Cabin" the play that moved the world and made history. While the text of Harriet Beecher Stowe's masterpiece is preserved in its entirety in the Stowe production that will come here in their big waterproof tent Saturday night there are other features introduced that makes the entertainment a novelty even to those who have laughed with Topsy and went with Eva years ago.

FARM BEREAVED TO ENJOY CAMP LIFE.

The farm boys' section of Camp Boyville will this year combine with neighboring counties on Mitchell Lake in Lapeer county, August 19 to 28. This camp is being promoted by the agricultural agents, teachers and secretaries in Lapeer St. Clair, Genesee, Oakland, Sanilac, Tuscola and Macomb counties.

OAKLAND COUNTY TEACHERS' EXAMINATION.

Examination of applicants for first second and third grade teachers' county certificates will be held in Pontiac, Michigan, August 13th 14th and 15th, 1925. For full particulars communicate with County Commissioner of Schools, Pontiac, Michigan.

SORORITY HONORS MISS BUTTERFIELD.

Miss Emily Butterfield was made editor of the sorority quarterly at the biennial convention of the Alpha Gamma Delta, held in Seattle, Wash., last week.

The convention next year will be at Ann Arbor.—Farmington Enterprise.

Mr. and Mrs. E. E. Bradley and daughter, Mrs. Jay Alderman, returned Tuesday from a visit with relatives at St. Thomas, London and Alymer, Ontario.—Farmington Enterprise.

JOHN PATTERSON GETS CONTRACT FOR NEW THEATRE.

Northville people will be pleased to learn that John Patterson of Plymouth was awarded the contract for the erection of Northville's new picture theatre Wednesday night and that he expects to begin operations within a few days. Mr. Patterson is well and favorably known to Northville people and he will, doubtless, give employment to home labor so far as possible.

STONE SCHOOL REUNION.

The annual reunion of the Stone school, Novi and Lyons townships, will be held this year on Friday, August 14th, in the school yard. A pot-luck dinner will be served at noon and all former pupils and teachers are cordially invited to be present. Guests are requested to bring cups and forks. Spoons and plates will be furnished. Committee 3w1c.

VILLAGE TAXES! HAVE YOU PAID?

Village taxes must be paid not later than Saturday night, August 1st. To accommodate the taxpayers I will be at the Northville State Savings bank Saturday night from 6:30 to 7:30.

Beginning with Monday, August 3rd, four per cent will be added to all tax accounts.

A great many taxpayers have evidently forgotten to pay the amounts assessed against them for taxes, and it is to be hoped they will give the matter their immediate attention.

RELIGION IS NOT A ONE WAY STREET

The highway of life is heavy with traffic and religion is one of the things all men must think about and take action on whether they will or not.

The first requisite on this journey is be a good hearer and an equally good doer. The one is a compliment of the other.

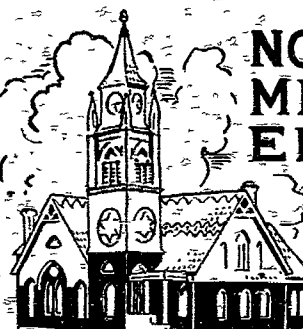

Purity and service are the stop and go signals on this highway of life and religion. The pure in heart hear well and prompted to serve well.

It takes time and attention to get acquainted with God. As one learns they go out to serve—to expose their knowledge to commonplace tests.

James said that the tongue had a great deal to do with what folk's religion amounted to. Talking without hearing and without serving struck as representing a worthless brand of religion.

ANNUAL FINANCIAL STATEMENT SCHOOL DISTRICT NO. 2, FRACTIONAL, NORTHVILLE AND NOVI TOWNSHIPS.

MINUTES OF ANNUAL MEETING OF SCHOOL DISTRICT NO. 2, FRACTIONAL, NORTHVILLE AND NOVI TOWNSHIPS, WAYNE AND OAKLAND COUNTIES, MICHIGAN, HELD AT THE SCHOOL BUILDING, IN THE VILLAGE OF NORTHVILLE, PURSUANT TO PUBLIC NOTICE JULY 13, 1925.

Present: D. P. Yerkes, L. A. Babbitt, C. L. Dubuar, Thomas J. Cousins, members of the Board of Education, and forty-two (42) other residents. Meeting called to order by President Yerkes and owing to the absence of Dr. Wickham, secretary, Mr. Cousins was appointed secretary pro tem. Minutes of the last annual meeting were read and approved. On account of the absence of the secretary and the illness of Superintendent Helfrich, who was to have prepared the secretary's report, the same items were read from the official report and on motion of Mr. Roberts, the reading of the balance of the report was waived, and on motion of C. A. Dolph, seconded by Mr. Roberts, the official report was adopted. The next item of business was the election of a trustee to fill the expired term of L. A. Babbitt.

C. A. Dolph and B. A. Wheeler were appointed tellers. Motion made by Mr. Wheeler and seconded by Charles Blackburn that Mr. Babbitt succeed himself, there being no other nominations, ballots were cast as follows: Total, 46, of which

Mr. Babbitt received	39
Mr. Alexander	2
Mr. Cullen	1
Mr. Lanning	1
Blank	3

Mr. Babbitt receiving a majority of the votes cast was declared elected. Mr. Yerkes took up the subject of Manual Training, which resulted in a very interesting discussion of the part of several present as to the general purposes of education and some of the so-called innovations now being instituted in our educational system.

Mr. Yerkes then made a general survey of the school situation in regard to enlarged sites and buildings, with the result that motion was made by Mr. Wheeler and seconded by Mr. Roberts that the Board of Trustees take immediate action to present the proposition to the voters by securing land on the west side of the present school site. Motion carried.

After the suggestion by Mr. Dolph that we should purchase property on the east rather than on the west, quite a lively discussion was had as to the proper site to secure.

There being no further business, the meeting was adjourned.

T. J. COUSINS, Secretary Pro Tem

Court Writ Saves Russell Scott From Gallows For Second Time.

Chicago—After all hope had been given up for the second time, the life of Russell Scott, condemned to hang for the murder of Joseph Maurer, has been spared from the gallows. Judge Joseph B. David conferred a special session of court and issued a writ of habeas corpus staying the execution until time had been given to inquire into his sanity.

Scott escaped the gallows, by an even narrower margin than the previous week, when Governor Small issued a week's reprieve upon receipt of a telegram purporting to be from Scott's brother, Robert, stating that he was the guilty one and that he was on his way to Chicago to give himself up. The brother has not been located.

Last minute efforts to save Russell Scott came to a head four hours before the hour fixed for the execution, when attorneys and friends of the condemned man started a hunt for a judge who could be persuaded to issue a writ of habeas corpus staying the execution.

Judge David agreed to sign the petition. The writ was drawn up by Scott Stewart, one of Scott's attorneys. It contained an affidavit from Scott's father, saying that Scott had become insane since he has been in jail.

Governor Small and the state board of pardons and paroles had refused further clemency.

America's Death Stirs U. S.

Washington—America's demands for a responsible central Chinese government strong enough to protect foreign lives and property will be made more severe following the killing of the American, Morgan Palmer, in the Shanghai river district and the seizure of Dr. Harvey Howard.

Officials see in the Palmer case added necessity for bringing about a strong Peking government, capable of maintaining order throughout China, as the present provisional regime is not.

This demand will be included in the answer which the United States and the powers are about to make to the recent Chinese note asking for abolition of extra-territoriality and satisfaction for the Shanghai killings.

New Evolution Suit Filed

Washington—The question of evolution was thrown into the Supreme Court of the District of Columbia in an injunction suit against public school officials and Frank White, treasurer of the United States.

Loren H. Wittmer, an employee of the Internal Revenue Bureau, precipitated the issue, charging that the teachings in the schools violated a provision of the District of Columbia appropriation bill which stipulated that no funds be expended for salaries of those teaching "disrespect for the Holy Bible."

Wittmer says he is on the side of science.

Indians Sue United States

Washington—A suit for \$68,707, 243 47 against the United States has been filed in the United States court of claims here by Indian tribes of Montana, Wyoming, Idaho and Washington, for land alleged to have been taken from them by the government.

It was announced by the department of justice. The Blackfoot, Blood, Piegan and Gros Ventre Indians of Montana and the Nez Perce tribe of Idaho and Washington charge that the government took their hunting grounds from them without their consent and without compensation, in violation of treaties.

Australia Greets U. S. Fleet

Sydney, New South Wales—With huge crowds lining the piers and manning every point of vantage to extend welcome, a detachment of the United States fleet reached Australian waters here.

Domestic and municipal authorities joined in the official greetings, a feature of which was a welcome by government airplanes, who met American fliers from the ships and acted as honorary escort into the harbor.

Cable Rates Cut

Gothenburg, Sweden—Wireless transmission of messages has so developed in Sweden that the government's station at Grimeton now sends about 95 per cent of all telegrams from Sweden to the United States. The receiving station, on the other hand, gets only about 40 per cent of the telegrams coming from the United States. In order to meet the new competition the cable companies have reduced their rates.

Admiralty Wins In Cabinet

London—The cabinet crisis over the cruiser program is seemingly settled with a partial victory for the admiralty. In best informed circles it was thought the resignations of the first lord of the admiralty and Earl Beatty were inevitable, but the navy men won.

The admiralty laid down as an irreducible minimum four big cruisers, to be commenced in the present fiscal year.

COUNTY AUDITORS ORDER PIPE LINE BOULEVARD.

The Wayne Board of County Auditors passed a resolution Friday ordering the laying out of a 120-foot boulevard through the western part of the county to follow the route of the cross-state oil tube owned and operated by the Imperial Pipe Line Co. of Toronto, Canada. The pipe line lies a mile west of the villages of Wayne and Redford and coincides with Golden Gate drive near Southfield road.

The action taken by the Wayne auditors followed a conference of officials of the five counties last Monday in the offices of the Wayne Board of County Road Commissioners, 1103 Real Estate Exchange Building, at which concerted action was agreed upon to protect Michigan citizens and enable the Imperial company, a subsidiary of the Standard Oil Co., to accommodate its pipe line for all time in a 20-foot easement between two 50-foot streets, thus saving considerable litigation in the future.

The growth of the Detroit Metropolitan Area in the 15 years since the pipe was laid has recently led to the platting of subdivisions which took in the pipe line territory and conflicted with the company's alleged legal rights. Citizens who attempted to build on these lots found themselves threatened by the company. To protect the citizens, county officials several months ago conceived the plan for the 120-foot boulevard.

Though the Imperial company, after once reaching favorably to the

plan, has now refused to have anything to do with the highway, we decided to go ahead anyway to protect our citizens and also to provide a needed highway for cross-state traffic," said William Gutman, chairman of the Wayne Board of County Auditors. "Now if the company wants to fight it will have to fight the counties, and not the individual citizens."—Detroit News.

Let Nature Be Your Guide

You will never know the true beauty of Nature if you keep always to the main travelled highways. Her real delights lie far from the beaten paths—in the fragrant woods; in quiet flower-decked valleys; by the side of joyous, sparkling streams. Only dirt trails lead to these spots; trails hard to travel—save in a Ford. To the Ford they are all open. Be-

cause a Ford Car, light yet powerful, comes easily through the hardest going.

Let your Ford take you away from the crowds this summer—into peaceful solitudes, where you can take your fill of beauty undisturbed. Venture without fear—it will carry you where you will, safely, easily and comfortably.

WHY NOT TRY A 25c LINER IN THE RECORD?

STATE NEWS IN BRIEF

Day City—Fire starting in the shop of the Defoe boat works, threatened destruction of the entire plant. In the shops are many cabins and other wood parts, as well as engines for the rum chasers now under construction for the government.

Jackson—Gambling devices of all kinds will be barred at the Jackson County Fair this year and Chief of Police Vandebogart will be instructed to arrest any concessionaires who attempt to operate such devices. This was the assurance given a representative of the W. C. T. U.

Flint—In an effort to stimulate patronage and increase revenues, the Detroit United Railway will not take advantage of the 3 cents-a-mile fare rate granted recently by the State Utilities Commission, as far as the Flint division is concerned, but instead a reduction is planned.

Portage—After a discussion between the city manager and the city commission, a decision was reached to widen the plan to widen East Main street. The heavy cost for property in this district made it inadvisable to proceed with the work. The fact that the street is in the downtown section and carries heavy traffic.

Little Creek—Five persons were in Nicholas hospital and several others in jail as the result of the race riots here. Soldiers and civilians formed great mobs and invaded the negro district, and later went to a carnival grounds where several clashes occurred. All available police and sheriff's officers were called out in an effort to halt the riots.

Jackson—Indications that the merchant's bureau of the chamber of commerce does not intend to drop its fight against projecting signs on the principal streets, despite the protests of several merchants, were given when Charles G. Mackiehan, president of the bureau, announced the appointment of a committee to plan for the removal of the signs.

Albion—Believing that many fish were killed by a quantity of acid dumped into the Kalamazoo river at the plant of the Albion Bolt company, Deputy State Game Warden Daniel O'Leary of Marshall, analyzed samples of water from the river above and below the sewer from the plant. Prosecution under the state law on pollution of streams is expected.

Lansing—The assessment of property in Michigan will be boosted half a billion dollars this year according to preliminary figures compiled by George Lord, head of the state tax department. The assessment will be completed by August 3 for service on the municipalities. The board of equalization will meet August 17 to hear protests and comments from the various counties.

Flint—Clemens—A reorganization of personnel and the institution of a policy of rigid economy by the state department of Public Safety was announced here by Alan G. Straight, commissioner. The charges involve the establishment in both the upper and lower penitentiaries of state troops and a reorganized organization of the Lansing company.

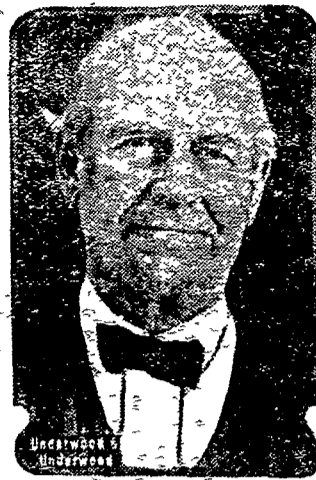

Lansing—Announcement was made by the M. C. A. here that the camp under management of the M. C. A. will be held at the Boy Scout camp at Clear Lake near Jackson and will be held from June 22 to 28. About 65 boys will be in attendance.

Lansing—The state of Michigan has a deficit of at least \$1,100,000 as reported in figures given members of the administrative board by the state auditor. The deficit is due to the fact that the state has not received the federal money for the fiscal year ended June 30, 1925, and the show when the accounting is completed a paper surplus of \$1,500,000. This paper surplus, however, is based on the basis of considering the large sums owed the general fund by the prison fund and the highway department.

Lansing—Distribution of the prison school fund for the present year will be made on the basis of the number of children in the state. Thomas E. Johnson, president of the public institutions, announced this is 30 cents a child less than last year, due principally to the abnormal increase in the number of school children in Michigan last year. The recent school census shows the increase to be approximately 25,000, or double the increase of recent years. The number of school children in the state is 1,241,000.

Lansing—Secretary of State Charles J. DeLand acted to put into force regulations aimed to eliminate fraudulent dealings by building and loan associations. The new regulations were drawn following an examination of the books of some 40 associations, many of which were found to be violating the law passed by the 1925 legislature. The rules place the building and loan salesmen exactly in the class of the stock salesman, in that he must be registered and approved by the department before he is permitted to do business.

BRYAN SUDDENLY TAKEN BY DEATH

WILLIAM JENNINGS BRYAN

Dayton, Tenn.—William Jennings Bryan, three times presidential nominee of the Democratic party, and known the world over for his eloquence, died here July 26.

The end came while the great orator was asleep and was attributed by physicians to apoplexy. He had retired to his room shortly after eating a heavy dinner to take a short rest. Mrs. Bryan sent the family chauffeur, Jim McCartney, to wake him about 1:45 and he was learned then that he was dead.

Despite the strenuous program Mr. Bryan had been following as a member of the prosecution staff in the Scopes case, and as leader of the fundamentalists, he appeared in excellent health. Shortly before Mr. Bryan entered his room to rest, he told his wife he had never felt better in his life and was ready to go before the country to wage his fight in behalf of fundamentalism.

Virtually dominant in the Democratic party for nearly 16 years, William J. Bryan was three times nominated, and defeated for the presidency. But although his leadership of the Democratic party was broken definitely at the national convention in San Francisco in 1920, when he was defeated in his effort to have a dry plank included in the platform, he continued to wield an enormous influence in the political thought of many thousands of voters and to party oracles of political spell-binder of anything approaching his calibre appears on the Democratic horizon to succeed him.

Flood Sweeps Colorado City—Trinidad, Colo.—Trinidad was swept by the roaring waters of Pickett's river July 22. Hundreds of lowland homes were flooded, bridges wrecked, railroad tracks washed out and heavy property damage was done following a cloud burst. No loss of life was reported.

The cloud burst occurred in two sections. Retaining walls of the river broke under the impact of the torrent and hundreds of residents in the bottom lands were driven from their homes.

The Santa Fe railroad station and the Harvey hotel were surrounded by water. Much wreckage in the railroad yards and along right-of-ways into the city was washed out.

Maccabees Hold Convention—Washington—The Maccabees fraternal order in quadrennial convention here elected officers for the ensuing term and adopted a resolution designed to bring about more complete centralization of the organization's management. A. W. Frye, of Detroit, was re-elected supreme commander.

The resolution provides for placing "all affairs of the order except those purely local in character" under direction of the supreme office or the Maccabees in Detroit.

Hoover Backs Aviation—Washington—Secretary Hoover, in his annual report to Congress, is expected to recommend comprehensive legislation that will take aerial transportation out of its present uncertainty.

While feeling that this country is not keeping pace with foreign nations in the development of commercial aeronautics, Hoover holds that properly backed with governmental sanction, the United States will take the lead as it has in other industrial and commercial pursuits.

Maine Ousts Billboards—Augusta, Maine—While state troops and highway employees sallied forth armed with ax and paint brush to give battle to billboards and other advertising signs on all public highways the state of Maine was adding another "first" to its already enviable record of leadership. The state which launched the first ship of the American navy and introduced prohibition, has now legislated all highway advertising out of existence.

Ruhr Almost Evacuated—Essen, Germany—The French general in command here has advised the authorities that the municipality of Essen would be completely evacuated by midnight July 31. The city council has decided to refrain from all celebration of the withdrawal until the entire area of occupation, including the sanction cities, are freed from foreign rule.

A number of our exchanges have announced the recent marriage of Mrs. Clara Riggs, widow of the late E. L. Riggs, who was a merchant at Plymouth and Northville for a number of years, to a Los Angeles gentleman. Many friends in this section will join The Record in extending hearty congratulations with the wish that news of the happy event is true.

A new Hoffman steam press has been added to the equipment of Kilgour's Clothing Store to enable them to care for their increasing trade in pressing, repairing and cleaning. The Hoffman is regarded as the very latest and best press in its class and is much faster and does better work than the one that has been used in the store heretofore.

The village flag was placed at half mast this week out of respect to the late Hon. William Jennings Bryan, who died while asleep at Dayton, Tenn. Sunday. Strange that the last days of his life should be devoted to a cause that he held to be most dear and most important. Fearless, honest, he spent his last days fighting for a principle and a cause to which he had given careful study and deep thought. The world has never produced another just such character, and his memory will always be cherished by those who believe in honesty and sobriety and in the sacred things of life.

Dr. L. A. Kelcham returned last week from her visit to Montana. When the earthquakes were shaking up the west she was near Yellowstone National Park upon one occasion and the buildings were shaken.

EXPLAINING THE "WATER TAX"

Taxpayers have noticed on their receipts a water tax column and have inquired the meaning of it.

Making the roll out with this water tax was a mistake and the explanation of it is as follows. When the budget for the year is made out it has three funds—general, electric light and highway.

When the general fund is arrived at this fund is again sub-divided into general, water, interest and sewer funds.

When the total amount for spreading on tax roll was ready the estimated water expenses were in a separate amount instead of combined into the general fund where it belonged.

The error was not corrected and hence the receipts as issued.

The taxpayer has paid no more than called for by the council resolution and this explanation should clear the matter for every one.

C. A. DOLPH, President.

Soft Water Is One Of The Greatest Aids To Beauty

In our establishment, all water used in the softening process is of the purest quality. All the elements of hard water, which are so harmful to a fine complexion, are entirely removed.

If you could catch rain water from the clouds before it became contaminated in any way, it would not be pure, and softer and more delicate than the water we employ.

We will even show you, if you desire, just how we soften the water. Nothing is added—only the hardness is taken away.

We use the Warner Rapid-Rate Water Softener, which we have installed so that our patrons may enjoy the advantage of a natural and beautiful water, which takes rank in importance with fresh air.

Women who have tried it are literally amazed at the improvement our soft water makes in the feel of the scalp and in the appearance of the hair.

Our New HOFFMAN PRESS

We have installed in our Cleaning and Pressing Department a new Hoffman Steam Press with which to do our pressing of ladies' and gentlemen's garments.

With the new machine we can do our work much faster and better and it will enable us to turn out work more promptly.

The Hoffman is regarded as the very last word in Steam Press construction—it is fast and does the work exceedingly well.

We shall be glad to do your work for you at any time, promising you prompt service and no long waits.

We clean, repair and press ladies' and gentlemen's garments of every description and we do the work in a manner that satisfies.

Give us a chance to demonstrate what we can do.

MINES TO DRAFT NEW HIGHWAY COMMISSION PLAN

A joint Super-highway Commission is being formed with headquarters in Detroit to plan the super-highway system shown in the Master Plan for the Detroit Metropolitan Area. The organization is being effected as provided in the Darin Act passed at the last session of the State Legislature, and which will go into effect as a law August 28. The commission will handle the 120-foot as well as 204-foot highways in the suburban regions within Detroit's 15-mile circle.

At a meeting of representatives of three counties last Monday in the office of the Wayne Board of County Road Commissioners, Edward N. Hines, chairman of the Wayne board, was designated to work out a plan of procedure. The three counties are Wayne, Oakland and Macomb.—Detroit News.

ANNUAL REPORT OF NOVI CONSOLIDATED SCHOOL

As prescribed by law the minutes of annual meeting and statement of receipts and expenditures of Novi Consolidated School are as follows:

July 13th, 1925, at the Town Hall at 10:00 o'clock a. m.: Meeting called to order by President Hamilton and organized as prescribed by law as follows:

Frank Hamilton, Chairman; F. J. Chapman and Grant Putnam, Inspectors; J. Hazen and O. S. Hiltet, Clerks; Henry Goers and Gus Gtre, gatekeepers. The Board was sworn by Mrs. Samuel Spencer and being duly organized the chairman declared the polls open. Alex Christensen being the candidate for whom petitions had been filed according to law, was the only name on the ballot. At 3:00 o'clock p. m. the business meeting took place. The secretary and treasurer's reports were read and accepted, the treasurer's report being read in detail. At 4:35 voting was resumed and at 5:00 o'clock p. m. the president declared the polls closed and the ballots were duly counted. There were 48 votes cast. There being no further business the chairman declared the meeting adjourned.

TWENTY-FIVE YEARS AGO.

Items taken from The Record files of 1899, for the week corresponding to this week.

Miss Alice Duart of Detroit, is now the guest of her aunt, Mrs. Judd Lansing.

C. A. Sessions was delegate to the state democratic convention in Detroit Wednesday.

Mrs. J. Simmons and son of Lansing are visiting her sister, Mrs. A. K. Dolph and other relatives here.

Miss McRobert entertained Mr. John and Miss Katherine Trufant of Ingleside, Mt. Clemens, on Sunday.

Miss Millie Hitchcock of Milan, who has been the guest of Mrs. E. C. Hinkley for a week, returned home yesterday.

Mrs. A. K. Carpenter and Mrs. C. M. Joslin attended a meeting of the Farmington Chapter, O. E. S., on Wednesday night.

Mrs. J. B. Watts and little daughter, Marion, of Brownwood, Texas, are

spending the summer with her parents, Mr. and Mrs. W. A. Wood.

The Modern Woodmen of Wayne county picnic at Wayne on Tuesday, August 14th. Preparations are being made for a big event and a large crowd. The D. P. & N. will put on extra cars for the occasion.

The Woman's club has just issued its 1900 year book. It is a 32-page elaborate affair, printed on heavy enameled paper, with a very pretty pink tinted antique cover. The book is tied with the club's color of green ribbon, the whole presenting a very neat and pretty appearance.

The Northville Bicycle and Driving club has Starkweather's park ready for a grand opening tomorrow, Saturday afternoon and preparations for handling the expected large crowd are complete. Omnibuses in sufficient quantities will leave the hotels at convenient intervals to convey to the grounds all those who do not come with private rigs.

Plymouth people were entertained one day last week by the signs of a commercial traveler going his rounds with an automobile as a means of transportation. In a few years we

will be wondering how we ever could have considered these machines anything of a sight. They will probably be cheap enough in some future generation so even newspaper folks can have 'em.

UNUSUAL HAPPENINGS
AND OTHER BRIEF NEWS

Jap Prince to Study Abroad.

Tokio—Prince Chichibu, second son of the emperor of Japan, has left for England aboard the warship Izumo for a two years' study abroad. He will leave the warship at Hong Kong whence he will travel by liner.

Morgan Makes Loan to Italy.

Rome—The government, through the finance minister, Prof. De Stefani, has announced that support for the dangerously topping lire had come as a privately arranged credit of \$50,000,000 from the American banking firm of J. P. Morgan & Co.

Caillaux Hits at Bankers.

Paris—Seeking to free the state from the grip of bankers who have exercised tremendous pressure on the government every time issuance of short-term bonds fall due, Finance Minister Joseph Caillaux has completed the draft of a scheme for making the finance minister independent.

France and Spain Co-operate.

Paris—France and Spain are still negotiating with a view to possible co-operation against the common enemy, the Rifis. Premier Painleve told the cabinet: "The morale of the French troops in Morocco is excellent," he said. "All the operations undertaken by the French have been carried out successfully."

Government Wins 'Vet' Case.

Minneapolis, Minn.—Arthur Frazier, Sioux Indian soldier, died in France, the victim of a German shell. A federal court jury held here in finding in favor of the government, which as defendant in the war compensation case, brought by Arthur Lopez Frazier, contended that Frazier was killed in action and that the plaintiff is a Mexican imposter.

Snakes and Birds.

Snakes do not charm birds in the understood sense of the word "charm." The instinctive fear that a small bird or animal, such as a rabbit, has for a snake paralyzes the muscles of the bird or the animal and prevents its escape from the strike.
