NORTHVILLE, MICH., FRIDAY, AUGUST 21, 1923.

\$1.50 PER YEAR, IN ADVANCE

WE don't believe THAT every fisherman IS a natural-born LIAR and neither do WE believe that the AVERAGE bride is a BUM cook and can't MAKE good biscuits. AND furthermore we BELIEVE that lots of MEN stay at home NIGHTS and that once IN a long while you DO meet with a CAREFUL auto driver. AND the point of this WHOLE matter is that WE have in our store AT the present writing SOME Eaton's Highland Linen THAT certainly is ENTITLED to your DEEPEST confidence and RESPECT and they are JUST waiting for an INVITATION out to your HOUSE to serve you HONESTLY and faithfully

Sound Advice
About Buying
An Electric Washer

In buying an Electric Washer, make sure to select the one that will save the most work—for, of course, the saving of work is the only reason why you want an electric washer at all. Investigate carefully the size of the washer, because size has an important bearing upon the time it will take for you to do your washing. See to it also that the washer you buy has a gas heater, because this feature eliminates the work of boiling the white clothes in the washbowl. And do not overlook the fact that, if a washer is to be easily kept clean, it must be simple in its construction, free from corners and corrugated requiring painstaking cleaning. In all of these respects you will find that the EASY possesses marked advantages. See it before you make your final choice of a washer.

THE NEW ELLIOTT FOOD STORE TO OPEN SATURDAY.

W. H. Elliott & Son will open their new food and grocery store in the room recently vacated by C. R. Horton, in the Masonic temple block, on Saturday, tomorrow, and they cordially invite the public and all their old patrons to attend. The store has been fitted out with very attractive counters, shelves and display cases, and it would be difficult to find a more attractive looking store in any city. The shelves and counters are well stocked with quality food stuffs for which the Elliott store has long enjoyed an enviable reputation. They have always striven to offer their patrons the very best goods to be obtained and an inspection of the new store will convince any one that they have decided to continue that policy.

It will be remembered that Messrs. Elliott suffered a heavy loss by fire at the time of the Foresters' hall and the Alseum theatre were destroyed. After their loss had been adjusted they purchased the Wright & Parker store at Redford which they continued to operate until last week. Feeling that Northville was home they decided, when the opportunity was offered to secure the new location, to put all their efforts and energy behind the local store and to give the people of this section a first-class food store. Northville people will be glad that they decided to re-establish themselves in business here, and all will join The Record in wishing them success.

THE BENEDICT GREEN HOUSE TO CONTINUE OPERATIONS.

The friends and patrons of the F. A. Benedict Sons Company will be pleased to learn that the business is to continue under the same name home by the firm since the establishment of the business here a number of years ago. Messrs. Clyde and Claude Benedict have purchased the interest of F. A. Benedict in the business and will continue to associate themselves with their father, F. A. Benedict, in the conduct of the business. The firm has established an enviable reputation in this community for the production of rare floral pieces and designs and the artistic work done by the Messrs. Benedict has elicited a great deal of favorable comment.

They produce many of their own flowers and plants and with the enlarged equipment now being installed expect to be able to care for their trade in a bigger and better manner than heretofore. During the past few months considerable space has been added to the greenhouse and a new heating plant is now being installed for winter use.

Messrs. Clyde and Claude Benedict are courteous, hard working young men who deserve to succeed and The Record wishes them unbounded success in their undertaking.

MRS. S. A. LOVEWELL DIED TUESDAY NIGHT.

Mrs. S. A. Lovewell, who had been seriously ill for the past four months, passed away at Eastlawn Sanatorium Tuesday night, to which institution she was taken the first of the week and where she underwent an operation Monday. From the first her illness seemed to baffle the best medical skill and though she displayed great courage and patience all efforts to relieve her condition proved unavailing.

Funeral services will be held at her late home this afternoon and will be private. Friends desiring to pay their respects may call at the house any time this forenoon.

A suitable obituary will be published next week.

POPULAR RADIO ARTIST TO SING AT THE FAIR.

Through the efforts of T. G. Richardson and C. B. Barr, state representative of the Detroit Creamery company, Eddie McGrath, the popular radio artist, will sing at the Northville fair. Mr. McGrath has gained a wide circle of admirers among the radio fans of the country who delight to call him "the Detroit Creamery Velvet Brand of ice cream singer," and Northville fair visitors will certainly enjoy his presence here.

Mr. McGrath sang at the Milford fair last week and was given a great ovation.

CLARK SENT TO ASYLUM.

John Clark, recluse, has been committed to a state institution for the insane by Judge Edward Command, after a sanity commission, appointed by Judge Adolph F. Marschner, had reported him mentally unbalanced.

Brightmoor is soon to have a new Masonic Lodge.

NORTHVILLE SCHOOLS TO OPEN TUESDAY, SEPTEMBER 8TH.

The Northville schools will open on Tuesday, September 8th, this year, and everything about the grounds and buildings is in readiness for the opening day. Janitors Van Valkenburg and Palmer have been busy all summer making improvements, cleanings and painting the interior of the rooms and putting things in first-class condition.

A strong corps of teachers have been engaged to direct the affairs of our schools and everything points to a very successful year. There will be a few new teachers, but most all of last year's teaching force will greet the pupils again this year. The following is the list of teachers engaged:

A. Z. Helfrich, Supt.
Mrs. Roy Perkins, Principal
Miss Frances Yerkes, History
Miss N. Aletha Yerkes, English
Miss Evelyn Harr, Latin-French
Miss E. Lyle Moore, Commercial
A. K. Miller, Physical Training
Director
Miss Euneta Oldaker, Physical Training (Girls)
Miss Irene Olson, Music and Drawing

A. Mills Wilber, Science and Mathematics
Glenn Brannard, Manual Training
Miss Carolyn Watson, Household Arts

Miss Lillian Lyke, Junior High
Miss Irene Hoag, Junior High
Miss Martha VanCamp, Junior High
Miss Susan Marsden, Sixth Grade
Miss Mabel Miller, Fifth and Sixth Grades
Miss Frances Stewart, Fifth Grade
Miss Jane Elder, Third and Fourth Grades

Miss Dorothy Dubuar, Fourth Grade
Miss Hazel Parmelee, Third Grade
Miss Opha Ann Bird, Second Grade
Miss Myrtle Olson, Second Grade
Miss Fay Christ, First Grade
Miss Dorothy Taylor, Kindergarten and Music Assistant

Miss Dorothy Alban will again give violin lessons if enough pupils are interested.

MARRIED AT ROYAL OAK SATURDAY NIGHT.

Last Saturday night Miss Carrie E. Litsenberger and Gerald F. Taft of this place were united in marriage by Rev. J. E. Webber at Royal Oak, a former Northville pastor. They left immediately after the ceremony for Grand Rapids on their way to Crystal Lake near Frankfort, where they will spend a few days. Mr. Taft is the son of Mr. and Mrs. William Taft of the Base Line Road and has a position with the Highway Bus Company of Detroit, while the bride is well and favorably known to the people of this section. For the past few years she has had a responsible position with the Northville State Savings Bank having been advanced to the position of assistant cashier. She is now serving her second term as village treasurer and many friends in this section will extend congratulations. Upon their return to Northville, Mrs. Taft will take up her duties at the bank and remain until late in the fall.

SCHOOL BOARD MADE A WISE CHOICE.

Dr. A. B. Wickham, having moved from Northville to Detroit, presented his resignation as a member of the board of education at a recent meeting and while regretting his removal from the district members of the board voted unanimously to accept the same. Mr. Wickham was secretary of the board and the position is an important one and while a resident of the district he discharged the duties of the office in a very capable manner. Members of the board of education were able to secure the consent of C. H. Bryan to accept the position and he was elected without opposition. Mr. Bryan has served as secretary and is familiar with the duties and responsibilities of the office and in appointing him to fill the vacancy the board made a very wise choice. The district is to be congratulated that Mr. Bryan is willing to serve in that very important office.

REDFORD FOLKS TOURING ALASKA.

Mr. and Mrs. Ross B. Northrop, who were recently in Seattle attending the national convocation of Knights Templar, left that port August 6th for Alaska to view the wonders of that far northern possession of Uncle Sam's. After a few weeks touring there they plan to return to Redford, arriving home about the first of September.—Redford Record.

Ancient Marine Fule

Rhodian law is an early system of marine law, the only rule of which that survives being the principle of general average: "If a cargo be jettisoned to lighten the ship, all contribute to make good the loss incurred for the benefit of all."

First Safety Razor

Razors were in use at a very early period, and known to the people of Egypt. They used a primitive form of razor, in many cases merely a sharpened flint. The first instance of the safety razor was that made by Michael Hunter of Sheffield, England, in 1875.

Countries Once United

During the Roman period Spain and Portugal were united, the territory being known as Hispania. The Greek name was Iberia. Portugal was conquered by Spain and lost its independence in 1580. It recovered its independence by the revolution of 1820.

Wixom Whisperings.

John Porter has been visiting his daughters at Fenwick.

Nearly every one from Wixom attended the Milford fair.

Born, August 2nd, to Mr. and Mrs. Roy Boynton of Pontiac a son.

Miss Grace Hendryx spent the week-end at her home near Howell.

Mrs. Louise Oldenburg of Grand Rapids is visiting her two sons and their families.

Rev. and Mrs. H. J. Thibault and Pauline of Milington were Wixom callers, Monday.

Mr. and Mrs. Carr of Kalamazoo have been visiting their son Rev. O. W. Carr and family.

Mr. and Mrs. Frank Hamill and daughter Doris of Plymouth attended church services here Sunday evening. Mrs. Howard Johnson has returned from Grand Rapids, she was accompanied by Mr. Johnson's brother and family.

Mr. Lossee has sold out his grocery and meat market to Mr. Carpenter of South Lyon who is conducting the business.

Mr. and Mrs. William Groves in company with four relatives spent last week on a motor trip to North Branch.

E. A. Mowry and family are spending a two weeks vacation at Syracuse, N. Y., visiting the former's brother and family.

Mr. and Mrs. Nevin Sturman have been enjoying a week's vacation, visiting Niagara Falls and other points of interest.

R. D. Stephens was at the Milford fair with his sheep and earned home a goodly number of the premiums. Most of them being the first. The Farmers' Club met Wednesday at the home of E. E. Peersall's was well attended and a good program was given. David Gage of Northville was present to enjoy the day with them.

Mrs. Alice Bennett and daughter, Mrs. Susie Bennett Miller, went last Wednesday to Pontiac to visit their daughter and sister, Mrs. Roy Boynton and on Friday Mrs. Miller started for her home in Aberdeen, Washington.

Mr. and Mrs. LaRue Bogart and son, and three daughters have been enjoying camping for a couple of weeks at Chas. Sturman's cottage on Saginaw Bay. They returned home for a few days and now are making another motor trip farther north accompanied by their two daughters Lucile and Lyella.

The Wixom-Sunday school classes known as the Baraga and Philathea classes, had a stand at the Milford fair, from which they sold home made baked goods and ice cream. When expenses are paid the society expects to have about one hundred dollars to add to the treasury, which is to be used toward finishing the church basement.

MAKE LICENSE FEE HIGH.

Many Michigan communities are becoming tired of the pedaler nuisance and are passing ordinances calculated to put a curb on this class of gent, whose doorbell ringing has been like a funeral knell to legitimate business enterprises. Not only as a rule, do they insist on selling inferior merchandise at high prices but of late many of them are getting so bold they have no hesitancy in insulting the woman of the household who refuses to purchase their wares. Signs, "Peddlers Not Wanted," seem to have no deterrent effect and the only way to lessen their tribe is a high license fee rigidly enforced. In this way they can be made to pay a part at least of the cost of municipal government.

GARDEN GROVE TO HAVE NEW SCHOOL HOUSE.

A new \$50,000 school building will be built in the Pierson school district No. 2, Livonia township, in the near future. This school is located on the Seven Mile road near the Farmington road, and adjoins the Garden Grove subdivision, which is one of the most desirable subdivisions in that locality. The school board has purchased two buses for transporting pupils to and from school. The new building will not be completed in time for the opening of the school year, so the board has leased a house of Harry Wolfe, in which they will hold school for the first four grades, and the four higher grades will be in the old school house.

INCREASED PHONE RATE ASKED.

The Michigan Bell Telephone company has made application to the Michigan Utilities Commission for permission to raise phone rate rentals. The rates per month at present are for business phones: One party \$2.58, four party \$2.30, extension \$1.00. Residence: One party \$2.00; four party \$1.75; extension 50c. Rural service within six miles: Business \$2.25; residence \$1.75. Beyond six miles: Business \$2.50, residence \$2.00.

If the request is granted the new rates will be: Business, one party, \$3.50; four party, \$3.00; extension \$1.00. Residence: One party \$2.50; four party \$2.00; extension 65c. Rural business: \$2.25; residence \$1.75.

**HELD SERVICES AT OAKLAND
COUNTY'S PIONEER CHAPEL.**

Eighty-five years of service to Oakland County residents of Catholic belief was fittingly celebrated at the White Lake Chapel, built in 1840 as the first house of worship for Catholics of the county.

Wednesday morning at 10:30 o'clock the gathering, including persons from every corner of Oakland County, was called to celebrate solemn high field mass, conducted by Rev. Fathers M. E. Halfpenny of Detroit, John Fariell of Emmett and M. J. Crowley of Pontiac. Rev. Father J. P. Thornton of Pontiac preached the sermon.

During the rest of the day a picnic dinner, an impromptu program of many features and an old-fashioned dance in the Oxbow hall provided entertainment. Oldtime fiddlers furnished the music for the dance.

The chapel is unique among religious edifices in Oakland County in that it still stands on the site where it was erected 85 years ago. It was the first and for many years the only Catholic meeting place in Oakland County. It was also the only Catholic church between Detroit and Saginaw at the time of its erection and its site was on an old Indian trail near Oxbow Lake.

Despite the long period through which it has served, the old chapel is still in excellent condition. It was repaired in recent years and bids fair to weather many more years—Pontiac Press

**LUEDKE FAMILY HELD REUNION
SATURDAY.**

The ninth annual Luedke reunion was held Saturday, August 15 at the home of Gustav Luedke, Salem township. Members of the family were present from Plymouth, Birmingham, Detroit, Scottville and Trenton as well as Ypsilanti.

The presence of George Luedke and Herman Luedke and his family who live at Scottville was one of the pleasantest features of the occasion as they had been unable to attend the reunions for a number of years. George Luedke who had never been able to attend a reunion as he has been in Montana the past nine years came back last February for a visit here. A bountiful dinner was served to about sixty, and the afternoon was occupied in visiting and playing games. Officers for the coming year were elected as follows: President, Mrs. M. Richter; vice-president, Gustav Luedke; secretary, Miss Marie Richter; treasurer, George Luedke. One marriage was reported for the past year, and two births and one death. The next reunion will take place at the home of Gustav Luedke on the third Saturday in August, 1926.

GRANGERS TO ENJOY A TOUR.

Members of the Michigan State Grange will participate in their annual tour next week, starting Monday from the Michigan State College and finishing at Grand Haven according to A. B. Cook state-master.

There will be a program at the college, Saturday night. Church services will be held Sunday morning. On Monday the Grangers will leave and follow the following itinerary:

Monday noon, Saginaw; Monday night, State Park at Bay City; Tuesday, Hubbard Lake; Wednesday, Snowflake on Central Lake; Antrim County; Thursday Coemist; Friday, Saint Saturday Grand Haven.

Dr. Kenyon L. Butterfield, president of the college will speak at Coemist. At Grand Haven a lake passenger steamer will be at the disposal of the Grangers.

ADVERTISING DID IT.

Wingley the chewing gum man has explained how he built up a business of millions of packages a day.

He has done it by sticking to his one line and advertising it. He spends over a million dollars a year in buying newspaper space to tell the world about 5 cent chewing gum. He has educated people to chew gum and to chew Wingley's. He did not stop shouting as soon as he attracted attention.

He says you must keep it up or the buyers will forget you. Whether yours is a 5 cent or a \$50,000 business, keep telling about it.

HELP KEEP TOWN CLEAN.

The village marshal requests that the citizens assist him in his effort to keep the town clean of papers and rubbish. Many thoughtlessly throw waste paper and refuse on the streets all of which tend to give the village a dirty and slovenly appearance. A little care exercised in this direction will help to keep our town clean and attractive.

FARMINGTON FARMS IN GOOD DEMAND.

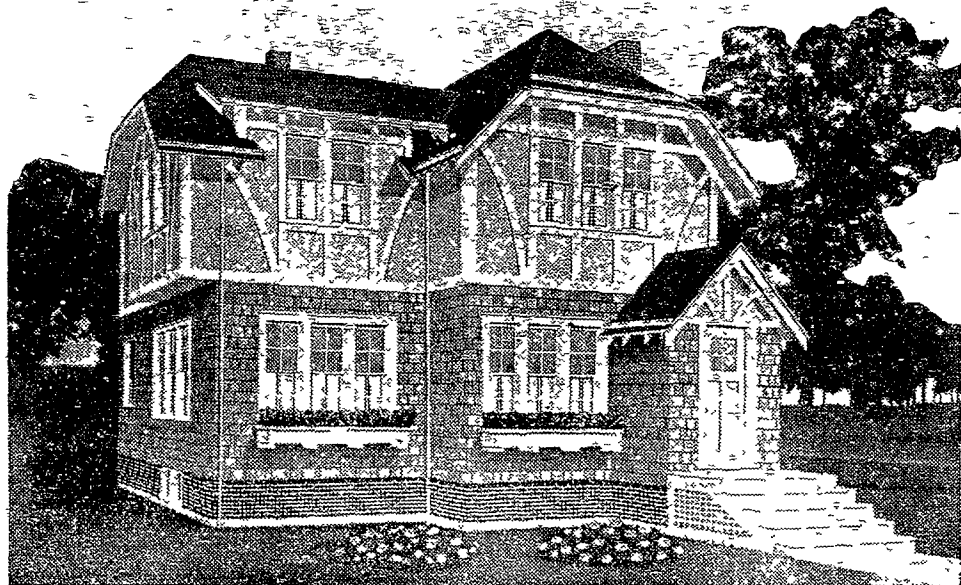

Sale to Detroit parties of the Chas. Pettibone farm, just north of Farmington village is reported. The consideration is said to be over \$100,000. BIG TIME EXPECTED AT BRIGHTON.

There is every reason to believe that next week Wednesday and Thursday, August 26th and 27th, will be red-letter days for Brighton. The stage is all set for a grand old celebration. Hundreds of former residents have signified their intention of being present and it is expected there will be many thousands in attendance from near-by towns. Williamston and Stockbridge will play ball on Wednesday and Northville and Holly on Thursday. In addition to this there is a long list of street sports and other amusements to entertain the visitors both day and evening. An old time square dance will be held on the payment Thursday night and the Legion is also putting on a dance both nights. The Red Cross water safety camp will give a two-hour demonstration of swimming, diving and life saving Thursday forenoon. The street parade will come the first day and there will be airplane flights and stunts both days. The Brighton band will furnish music.

REUNION OF CLASS OF 1916.

On Sunday afternoon, August 16th, the class which was graduated from the local high school in 1916, held a reunion at the home of Mr. and Mrs. Philip Anderson, on Fishery road. There were twelve members of the class present together with their families which formed a large, interesting group. The afternoon was spent in renewing old acquaintances and in talking over old times. A letter from Walter Walker expressing his regrets and extending a greeting to his classmates was read.

At six o'clock a bountiful picnic supper was served. Before the party dispersed, it was decided to make the reunion an annual affair. Mr. and Mrs. Clifford Buckley very kindly invited the class to meet at their cottage at Cooley Lake next year. Charles Freydl, D. J. Stark and Flora Lansing were selected as a committee to take charge of next year's reunion. The following members of the class were present: Viola Miller Anderson, Hazel Parmelee, Martha I. Horton, Elizabeth Olm Becker, Elida Somers Barnes, Clifford Buckley, Floyd Lansing, D. J. Stark, Rene Angell, Eural Clark, Charles Freydl, Howard Fuller.

LOCAL ENTERPRISE BECOMES A CORPORATION.

The Northville Chemical company, which has been successfully conducted in this village for the past few years by Messrs E. C. and C. E. Langfield is now a corporation articles of incorporation having just recently been filed with the secretary of state at Lansing. This action was made necessary because of the constantly expanding business of the company and because it was deemed advisable to have some one join the company who could share some of the duties and responsibilities of its direction and management.

Arthur R. Mendenhall of Detroit who for more than 26 years has been associated with Parke, Davis & Company of that city, has taken an interest in the newly formed corporation and has become a resident of Northville, having recently purchased a residence in Orchard Heights. Mr. Mendenhall has had a wide experience as a manufacturing chemist and he came to Northville highly endorsed by those who know him well. The officers chosen by the new company are as follows:

President—E. C. Langfield.
Vice-Pres—Arthur R. Mendenhall.
Sec-Treas—C. E. Langfield.
The business of the Northville Chemical company has shown a steady and constant growth since the establishment of the concern here and its products are now on sale throughout a wide territory. The quality of the company's products have gained an enviable reputation among the dealers of the state and each month shows an increase of sales. Messrs Langfield have built their business upon the basis of fair dealing and reliable merchandise and it is a source of very great pleasure for Northville people to know that the business is expanding in all of the many lines represented.

W. R. C. NOTES.

Our regular meetings will be taken up again after our vacation, the next regular coming Wednesday, August 26th.

If any members are planning on attending the National Convention at Grand Rapids beginning August 30th, please confer with the president for further particulars. Committee

Try Northville first.

LOCAL.

Mrs. John A. Neal of Orion is spending the week with relatives here—the Bakers and the Neale.

Mrs. Mary Beard left Tuesday for West Virginia where she will visit relatives and friends for a few weeks.

Mrs. Fred Casterline was brought home from Ann Arbor yesterday forenoon and her condition is very encouraging.

George F. Goodell expects to attend the National G. A. R. encampment to be held at Grand Rapids the last of this month.

EXPERT BARBER (MAN)

THOSE OUTSTRETCHED HANDS TOWARD YOU

Out of the mass of opportunities which come to every one stretch the hands of some special case where help is needed.

The busy man or woman seizes the best opportunity to render help—to respond to the outstretched hands which their vision brings into focus.

Paul was busy helping the churches in Asia Minor which he had started. Out of his dream appeared the inspiring hand of Macedonia.

At once Paul sought to answer the appeal of folks who wanted light—and more light and were eager for help.

What shall be done with the cry "Come and help us." It issues from every neighborhood—it is broadcast from every land—it is a universal call.

TWO FOUND GUILTY IN PICKFORD PLOT

Convicted of Conspiring to
Kidnap Movie Actress.

Los Angeles, Cal.—Claude Holcomb and C. S. Stephens were convicted in Superior court of conspiring to kidnap Mary Pickford and hold her for \$200,000 ransom.

A third defendant, Adrian Wood, was acquitted.

Stephens, Holcomb and Wood were arrested last May after what police declare was a series of conferences at which they discussed the possibility of kidnaping some motion picture celebrity or the children of some wealthy and nationally known person.

Jackie Coogan, Baby Peggy, the grandchildren of E. L. Doheny, Pola Negri, and others were mentioned, but finally Mary Pickford was agreed on, "because she had \$2,000,000 in her own name."

Scott Divorce Case Ends; Both Sides Deny Charges

Alpena, Mich.—The sensational divorce trial of Congressman Frank D. Scott and his wife, Edna James Scott, was terminated here suddenly, when Circuit Judge Frank Eberick stopped the closing argument of Irvin S. Canfield, counsel for Scott, and gave him 20 days in which to submit further pleas in the form of a written brief of the mass of testimony.

The lawyers, in their final pleas, went briefly over the testimony which brought the names of dry congressmen and their wives into drinking parties in Washington's fashionable hotels and on a yachter on the steamer Cristobal to Panama.

Attorney Canfield declared that, under the law, Congressman Scott is entitled to a divorce on the grounds of cruelty.

Mrs. Scott's lawyer denied all the allegations of the congressman.

Duchess, Former U. S. Girl, Fights Annulment Suit

London.—Solicitors for the duchess of Manchester said that she would defend herself against an action filed recently by the duke of Manchester in France, to annul his marriage. The duchess before her marriage in 1900 was Miss Helena Zimmerman of Cincinnati, Ohio. The duke of Manchester's divorce action, alleging desertion and incompatibility, was filed last month at Nice, France. Papers were served upon the duchess in Paris about a month ago. The duchess in 1915 inherited the \$10,000,000 estate of her father, Dr. George Zimmerman.

Cinderella's Romance at End; Adoption Is Void

New York.—The meteoric rise of Mary Sue, daughter of Bohemian immigrants, from a humble home in Astoria, N. Y., to the luxuries of New York life ended when her adoption by Edward W. Browning, wealthy realtor of this city, was declared null and void by surrogate Daniel Noble.

After the proceedings Mary left the court accompanied by her parents and Mr. Browning, who chatted pleasantly with her.

Rumors that he planned to wed his late Cinderella were met with stormy denial.

Score Injured as Mob Battles Ku Klux Klan

Reading, Mass.—The arrival of a strong force of state troopers abruptly ended a riot between 400 Ku Klux klansmen and an equal number of anti-klansmen here in which a score of men were injured when rocks and clubs were used and tear gas bombs were hurled into the Klan's meeting field. The fighting started when the Klan gathering began to break up. Klansmen who attempted to leave the field were stoned. A score of persons were injured.

Marshal Pétain to Head French Army in Morocco

Paris.—Marshal Pétain will be sent to Morocco. The French army of 200,000 men there is being reorganized and the newspapers announce Marshal Pétain will direct the offensive against Abd-el-Krim, which will open in September.

Marshal Pétain, who is commander in chief of the French army, will be in supreme command.

Consuelo Vanderbilt Will Wed in January

New York.—Miss Consuelo Vanderbilt, daughter of Mr. and Mrs. William K. Vanderbilt, will be married to Earl E. T. Smith, a Yale student, son of Sydney J. Smith and Mrs. C. Whitney Carpenter, Jr., early next January, it was learned. It is said the wedding will take place at St. Patrick's cathedral.

14 Die in French Wreck

Paris.—The boat-train for Boulogne was derailed while passing through Amiens station at 60 miles an hour in the evening, killing 14 persons and injuring 160, of whom 70 were hurt seriously. All were French, except two or three English.

Hackworth Named Solicitor

Swampscott, Mass.—The appointment of Green H. Hackworth as solicitor for the State department was announced here.

COOLIDGE WILL FIX BELGIAN DEBT PLAN

Secretary Mellon to Ask President to End Funding Deadlock.

Washington.—After another conference between the Belgians and American negotiations for funding the Belgian war debt were halted temporarily while the visiting plenipotentiaries appealed to their home government for further instructions.

The request of the Belgians for time to get authority from Brussels to meet demands laid down by the American commissioners was regarded here as a most optimistic sign that the negotiations are to be ended successfully and quickly.

Secretary Mellon, chairman of the American commission, arranged a conference with President Coolidge.

It is expected that the President will be called on to decide the final terms of settlement that can be offered to Belgium. If greater concessions than those already made are to be proposed it will be necessary for Mr. Coolidge to assume the responsibility. It was reported, since Secretary Mellon feels that the commission has gone as far as it can without obtaining the President's sanction.

When the two commissions met, the Belgians asked leave to withdraw temporarily while they communicated with their government. This was agreed to by the Americans.

The communication addressed by the delegation to its government, it was indicated, dealt with certain terms proposed by the American commission. No details were made public. It was believed, however, that the note referred to the length of a possible moratorium on principal and interest, as well as to the rate of interest and length of time for payment.

Brussels.—The Belgian debt funding commission called the government from Washington, demanding an increase in Belgian taxes by \$300,000,000 francs to pay interest on the debt.

President of Turkey Divorces His Wife

Constantinople.—Mustapha Kemal Pasha, President of the Turkish republic, has divorced his wife, Latife Hanım.

An official statement says that the President having decided to separate from his wife, has issued a decree pronouncing a divorce effective from August 5.

The divorce is attributed in some quarters to a tendency to misbehavior on the part of Mme. Latife and to her desire to mix in matters which her husband considered outside her sphere.

Mustapha Kemal Pasha was married January 29, 1923, to Latife Hanım, daughter of Mouramerou Chak Bey, a wealthy merchant of Smyrna. The marriage is said to have brought him a dowry of 1,000,000 Turkish lire (about \$500,000 at that time).

Four-Cornered Fight for Senator in Wisconsin

Oshkosh, Wis.—Roy P. Wilcox of Eau Claire was selected on the fourth ballot to lead the Republican "southwinds" fight on the LaFollette forces in the special senatorial primary election.

Wilcox was named after Dean Harry L. Russel of the School of Agriculture at Wisconsin university had declined the honor, and after George W. Blackard of Edgerton, chairman of the convention, also had stopped a stampede to him.

Former Gov. Francis E. McGovern and Arthur R. Barry, both of Menasha, also will make the race in the primary, making it a four-cornered battle, with the field against Bob LaFollette, Jr. The primary probably will be held in the latter part of September.

New High Records Are Made By Many Stocks

New York.—Aided by easier money, as reflected in four per cent call funds, the stock market swung upward in a broad advance. Ralls attracted the greatest attention as a group, their average price running up to a new high level for the year early in the session. Almost all groups of stocks participated in the advance except oils and majors. Even here there were a few gains and the momentum of the general market was such that losses were moderate.

Pola-Negri Pays \$57,000 Fine, Duties on Jewels

New York.—The sum of \$57,000 was deposited with the customs authorities by Pola Negri, screen actress, in full payment of the fines, penalties and duties imposed on undeclared jewelry, which was seized when Miss Negri arrived on the Berengaria on May 2.

Berlin Police Kill Red

Berlin.—One Communist was killed and several were wounded during a clash with the police. The Communists were demonstrating against the new tariff law plan when the police took a hand to restore order.

Mount Desert Inn Burns

Bar Harbor, Maine.—The Mount Desert Inn, oldest hotel in Bar Harbor, was destroyed by fire. All the guests escaped, but much of their valuables was lost.

STATE NEWS
IN BRIEF

Marquette—Vance Hardy, escaped Marquette Branch Prison lifer, is back in a cell. In company with two members of the State Police, Hardy was returned here and immediately was placed in a detention cell after being outfitted with prison clothes.

Monroe—That Henry Ford intends to complete a double track spur connecting the Detroit, Toledo & Ironton railroad, three miles south of Maybee this year, was shown when 150 men arrived and are now quartered on a farm east of the village of Petersburg, 20 miles west of Monroe. Many of these will be engaged in erecting culverts, bridges, and laying rails.

Owosso—A delegation of Corunna avenue residents has notified the city commission that they would tear up the tracks of the Michigan Electric Railway company, on Corunna avenue, if something was not done to abate the nuisance created by dust from between the tracks. The street is paved, but not between the tracks. The commission could promise no relief.

Muskegon—The State Administrative Board has approved plans for a double highway project over Muskegon River. It became known here that local civic bodies have been working on the plan for several months. The estimated cost is \$249,527.65. The present highway, a portion of the West Michigan Pike, is too narrow to carry the increasing traffic. The new highway will be 40 feet in width.

Grand Rapids—An allowance of 2 per cent for collection of the gasoline tax is said to be desired by the Independent Oil Men's association to provide for shrinkage, and this proposal will be placed before Secretary of State Charles J. DeLoach. The oil men it is stated, desire to establish definitely the plan of collecting taxes on receipts, that the checking of invoices by auditors may be facilitated.

Flint—A report charging that Glen Williams, sheriff of Genesee County, since Jan. 1, has been guilty of immoral and improper conduct in office by his associations with prisoners in his charge and by padding his expense accounts, has been signed by Circuit Judge James S. Parker, who for the last month has been sitting as a grand jury to hear charges against Williams. The report was sent to Gov. Alex J. Groesbeck.

Manistee—The Federal Government is investigating the practicability of establishing a national forest of 40,000 to 150,000 acres between the Big and Little Manistee Rivers in southeast Manistee and southwest Wexford counties, according to Charles J. Dovel, secretary of the Isaac Walton League here. An inspector recently visited this region with a view to acquiring the cut-over lands for reforestation, it is said.

Lansing—Notice of a hearing before the Interstate commerce commission to untangle the rate mix-up on freight between Toledo and Detroit has been filed before the public utility commission. The Hanna Furnace company, a Detroit concern operating on Zug Island, is the complainant. State freight traffic men believe the suit is an attempt to block rate decreases recently put into effect by Henry Ford on his Detroit Toledo & Ironton railroad.

Negaunee—Following the recent strike of employees of the Mary Charlotte mine, workmen at the Rolling Mill Mine, south of here, walked out asking for a return of the wage scale which was in effect when the mine was shut down late last year. At the resumption of operations on May 2, a 15 per cent reduction in wages was put into effect, but the property was worked six instead of five days, a schedule now in effect at the other mines in the district.

Mt. Clemens—A proposal to increase the local tax rate from 50 a thousand to a sum adequate to discontinue the necessity for small bond issues to take care of public improvements, is being considered by the local business men's association, which plans to have the project submitted to the voters at a special election. A resolution was adopted by the association urging the Grand Trunk railroad to put on a sleeping car service between Mt. Clemens and New York and Chicago.

Port Huron—Officials of the Detroit United Railway, which owns the City Electric Railway Co., has requested permission of the city commission to increase street car fares here to meet the existing deficit. The railway officials said that they would improve the service and repair streets between the rails if granted a temporary fare increase of seven cents for straight fares, four tickets for 25 cents and 17 tickets for \$1, and 10 cent straight fares on buses. The city commission took the request under advisement.

Manistee—Mrs. Mary Labraeur, of this city, was picking berries on the plains north of the city when she became tired and looked about for a stump on which to sit and rest. A short distance away she saw what appeared to be a good sized stump. Looking at it more closely she found that she had almost sat down on a live bear, just awakening from its slumbers. With a shriek she leaped from her seat. The bear raised itself, blinked its eyes, stretched out its paws, and then lumbered rapidly away in the opposite direction.

Caro—William Ward, 65 years old, a pioneer of Tuscola county, is dead at his farm home near Millington from injuries suffered when he was gored by a bull which he was leading. He leaves his widow and five children.

Port Huron—Many farmers in the Thumb district, warned by recent hail storms, which have done thousands of dollars of damage in a limited area, are hastening to take out hail insurance on their crops, especially beans.

Allegan—The Allegan Postoffice was robbed and approximately \$800 was taken from one of the safes. Entrance was effected through a basement window and two other doors were pried before the main floor was reached.

Albion—The Calhoun County Highway Commission at its regular weekly meeting decided to purchase gas oil in the wholesale market. It is estimated that a saving of 3-1/2 cents a gallon will be the result, with a saving of about \$210 a month.

Grand Rapids—At a recent election by village of East Grand Rapids an added 155 acres of Paris Township lying south of the present village limits. Although the township voted 55-18 against the annexation, the favorable majority in the village overcame the township vote.

Marcellus—The life of James Stevens, a farmer of Volusia township, Cass county, was saved by his dog, which gave battle to a bull that had attacked Stevens, buried him to the ground and was going him Stevens was injured severely. Neighbors, who owned the bull, shot the animal.

Grand Rapids—County jail prisoners will be employed by City Manager Fred H. Locke to remove shrubs and weeds growing luxuriously in the bed of Grand River north of the Bridge street bridge. The low water period a month ago permitted the weeds to virtually cover the river bed.

Mt. Pleasant—A log cabin will soon be placed on the campus of the Central Michigan Normal college as a memorial to the early settlers of central Michigan. Funds for the project have been raised by student entertainments and faculty. A cabin near Mt. Pleasant will be torn down and rebuilt on the campus in a cluster of trees.

Graville—The state of Michigan is to receive a gift valued at more than \$500,000 in the form of World War trophies to be distributed to the various legion posts, military and patriotic organizations throughout the state. Lieutenant Colonel Leroy Pearson, United States property officer and quartermaster general for the state, announced here.

Ann Arbor—The Mack Trucks, Inc., of New York City, has established a fellowship in highway transport to be devoted to investigations during 1925 under the direction of the director of highway engineering and highway transport at the University of Michigan, covering an approved subject relative to highway transport.

Jackson—The raid made by State Police on the home of Henry Hayden, a gentleman farmer, seven miles northeast of Jackson, has created a sensation in Jackson County. Hayden is a former mayor of Jackson, a former police commissioner and twice a deputy United States marshal. He is one of the wealthiest men in central Michigan and 20 years ago had one of the finest racing stables of trotters and pacers in the country.

Battle Creek—When Mrs. M. J. Jones, 57 years old, watched the casket of her husband being lowered into a grave in the Marengo Township cemetery, Sheriff George Colby stepped forward and informed her that she was under arrest for the murder of the man she was mourning. William Jones, former wealthy Marengo farmer died under suspicious circumstances. An analysis of his stomach showed traces of arsenic.

Detroit—Leo Sauerman, recently pardoned by Gov. Alex J. Groesbeck after serving two years of a life sentence for the murder of Alex Domkowski in a hijacking raid, is in the toils again. He is accused with "Whitey" Hayes of robbing the near-beer saloon of "Buck" Porter at 2012 West Fort street. At police headquarters Sauerman gave the name of Albert Gordon, but he afterwards was recognized by a detective. He abused the officer for revealing his identity.

Ann Arbor—Gains in liberal arts, pharmacy, education and the graduate school of the summer session of the University of Michigan offset losses in the engineering, medical and law schools to allow the present school to record the highest attendance of any summer session, a total of 3,295. Liberal arts had a gain of 83 and the graduate school 72 to offset losses of 71 and 73 in the engineering and medical schools. The previous high record, set at year ago, was 3,147.

McKegon—William R. Rumler, member of the Chicago Yacht club, his wife, three sons and two daughters were rescued here when their 30-foot yawl, Seacall, went ashore in heavy seas on Lake Michigan beach 7 miles south of here. Hugo Kanitz, Jr., star Muskegon High school football player for the last three years aided the Coast Guards by swimming from the stranded ship and retrieving a line when the Coast Guards, due to the heavy seas, were unable to get it aboard.

AMERICAN LEGION DRIVE UNDER WAY.

Hon. Joseph W. Fordney, of Saginaw, former member of congress, who is the state chairman in the Legion endowment fund drive, will have his executive committee selected and working by the end of this week. The committee is composed of some of Michigan's foremost citizens, one member being named from each of the thirteen congressional districts, and with Fordney at the head, it is expected to complete its drive by September 30th, the date set by National headquarters of the Legion, when the endowment fund drive shall close.

Home, love and happiness have been found at the American Legion Billiet at Otter Lake, Mich., by more than 50 little sons and daughters of World War veterans who were either killed in action or who died or are suffering from disabilities incurred while in service. They are the foster children of the American Legion, and all of them faced the life of children of the stumps.

STATE UTILITIES PLANNING FOR THE FUTURE.

The public utilities of Michigan will complete \$60,000,000 worth of new construction work in the state this year, according to the Public Utility Information Bureau at Ann Arbor. This work includes the erection of hydro and steam power plants, sub-stations, telephone exchanges, gas plant extensions and the like.

The Michigan State Telephone company, seven months ago, adopted a program calling for the expenditure of \$16,782,000 in the entire year of that amount, \$7,568,000 was to be spent in Detroit. Something more than \$2,000,000 has been added to the Detroit program, making the year's program approximately \$10,000,000 in this city or almost as much as was spent in the entire state last year. Announced expenditure of \$18,000,000 by the Detroit Edison company, \$5,000,000 by the Detroit City Gas company, and \$24,000,000 by other utilities in the state with the \$10,000,000 program of the telephone company, brings the state utilities' 1925 expenditure to \$60,000,000—Michigan Manufacturer.

PATENTS MOVED INTO UNIVERSITY HOSPITAL FROM OLD BUILDINGS.

All but three of the regular patents of the Michigan state hospital at the University of Michigan, who have been in the old building were moved into the new structure Friday. Moving of the 300 patents was the final step in occupying the new building.

Two ambulances including the new ambulance purchased by the hospital and a long string of taxicabs worked most of the day moving the patients who now occupy the first two floors of the new building.

The second floor is occupied by medical and dermatology patients, the men in the west wing and the women in the east. Men surgical patients are on the third floor, women on the fourth. Crippled children are at present on the fifth but will soon be moved to the sixth.

NOT YET BACK NUMBERS.

On a general showing of facts, as they are leaking out in many cities it doesn't look as if the street car was a back number.

Questionnaires have been sent out in a number of cities like Philadelphia, Buffalo, Baltimore, Boston and Washington, showing that quite the contrary is the case.

Reliable statistics show that 99 to 95% of all the people who live in the larger cities use street cars regularly.

Inquiries in 21 principal cities, over 25,000 busy people taking the trouble to report, show that 80% of motor users ride on the street cars regularly.

In the large cities named 75% of the owners of high class automobiles used street cars on an average of 28 times a month.

HENRY FORD TRYING FOR MINES.

Henry Ford has secured an option for a lease of some 2,000 acres of land a few miles west of the city of Ishpeming, and is now preparing to diamond drill portions of it. The Palms-Book company, of Detroit, which has been considerably interested in iron ore mining properties on the Gogebic range for many years, had a lease of this property from the Baines Ore company—Michigan Investor.

Concerning Patents

"Patent pending" on a manufactured article means the same thing as "patent applied for." It means that the inventor of the article has applied for a patent but that the patent office has not yet granted it. If the patent office has reported favorably on an application for a patent, but has not yet issued it, "patent allowed" is put on the manufactured article—Lathrop Magazine.

Nickname of Charles II

Charles II of England was nicknamed Old Rowley from a goat that was kept in the king's garden. The king's favorite race horse, which gives its name to a famous race, was also called Rowley.

Mr. McIntosh is finishing his new residence on the Seven Mile road. James Ironsides of Redford, is the contractor.

Shady parking places these days are at a premium.

You've been waiting a long time to build that new home. And there's no better time to build than right now. See us and let us help you plan it.

Detroit city water is now within 10 miles of Northville.

We do not know of anything quite so hot as an automobile cushion that's been exposed to this August sun.

Our White Fir products will save you many hours of carpenter time. Mr. Contractor. Try them once and see.

The excessively heavy rains of late has damaged the oat crop and is liable to cause considerable damage to the late potatoes, say the farmers. See what we have to cut down on the spuds.

Several new subdivisions are being opened up on the Five Mile road.

You ladies want a permanent wave. What we'd like is a permanent shave.

Fair time is coming. It will be bigger and better than ever before. We will be there ready to offer suggestions to you—to assist you in planning that new home of yours. Also see our building exhibit there.

"Spare the ice and spoil the milk," says Carl.

We see that work has commenced on Northville's new theatre. It won't be long now folks.

About the most inexpensive amusement we can think of right now is fighting mosquitoes.

Opening Saturday TOMORROW Elliott & Son's New Food Store

We are pleased to announce the opening of our New Food Store and Grocery in the Masonic temple building, corner of Main and Center streets, to-morrow—Saturday—and we cordially invite the public to attend and to inspect our new quarters.

We are proud of our new equipment and furnishings, as we feel we have a right to be, and we desire to assure all our old patrons that they will find upon our counters and shelves the same high quality merchandise for which our old store had become the recognized headquarters. Our stock is larger, newer and better than we could carry in our old location, and the high quality of all we offer the public has been maintained.

All the lines that won the favor and the patronage of the public in the old store will be found here displayed upon attractive shelves and counters and you will find a visit here will prove both interesting and beneficial.

For all past favors and for the many assurances of good will and helpfulness which we have received since our fire of last spring we are very grateful and these expressions of friendly interest will prompt us to do our very best in our efforts to make the New Food Store a popular trading center.

Come in Saturday and look around. Make this store your meeting place, and be assured that a cordial welcome will always await you here.

Jackson will have auto races Sunday. Dearborn is soon to have a new Methodist church.

The Northville schools will open on Tuesday, September 8th.

Miss Bernice Sterling of Mt. Pleasant is the guest of her sister Mrs. H. G. White.

Guy C. Elkins is enjoying an outing at Epworth Heights, Ludington, with some Detroit friends.

Dr. Paul R. Alexander is at the fishing grounds somewhere up-state, where he will remain for a few weeks.

The Briggs school reunion will be held at the school house in Livonia township on Saturday of next week, the 29th.

Wellington Roberts has resigned his position as instructor at the Detroit University and will devote all his time to surveying.

Mr. and Mrs. J. L. Calkins and Mr. and Mrs. S. B. Stevens attended the funeral of their nephew at Saginaw Wednesday.

F. L. Newton, who is now living at Buffalo, N. Y., spent a few days in Northville this week attending to some business matters.

The Northville ball club goes to Milan Saturday (tomorrow) for a game and Sunday will be home here for the big game with Holly.

Mr. and Mrs. J. H. Baldeh and children returned to their home in Plainwell Monday, after having spent several days with relatives here.

There are a lot of weeds on the streets of this village outside the sidewalk lines—that ought to be cut by some one in charge of our streets.

The Northville ball club won at Wayne last Friday and were defeated the following day. The first game was a good one, but the next was not so interesting.

Lewis Salow has purchased the Henry German residence property on South Center street and is making some extensive alterations and repairs to the house, which he will occupy soon.

Harry White, who has been stationed at Honolulu, arrived in San Francisco, Calif., last Friday on his way back to the states. He does not know just where he will be stationed.

Mr. and Mrs. Roy Clark and children are enjoying a vacation motor trip through New York and Pennsylvania to Washington, D. C., this week.

James Wood is taking Mr. Clark's place as carrier on the rural route.

Mr. and Mrs. R. B. Thompson of Walled Lake and Mr. and Mrs. John Mynham of Howell have returned from a tour of the upper peninsula. R. B. says that is the only place to catch real fish.

Mr. and Mrs. J. D. Thompson and daughter Barbara Ann of Detroit are visiting relatives here. Mr. Thompson has been employed for some years at the Kelsey Wheel Co., where he is chief draftsman.

The Record received a "bag of Kansas wheat" in the mails Monday morning from L. H. School, who is at Dodge City, Kansas. At a state Kansas produces more wheat than any other state in the union.

C. A. Bonstorf and daughter, Beth, returned home Friday night from a delightful motor trip through Canada and the east, going as far as Portland, Maine. They found the roads in fine condition and enjoyed the outing greatly.

Hunters who go into the woods and fields on Sunday or other days should be very careful about the manner in which they shoot. Last Sunday someone shot through the windshield of an auto passing the woods near the Tignor farm, nearly missing the occupants of the car.

Miss Marion Johnston has accepted a position with the Northville State Savings Bank and entered upon her duties Monday morning. Miss Johnston is a very capable and agreeable young woman and her many friends will be pleased to learn that she has been employed by this well known bank.

The worthy matrons of the Wayne County O. E. S. association and the Grand Chapter officers were guests of Winifred Watkins, matron of the Trenton Chapter at Elizabeth Park on Tuesday and Charlotte Hitchins, matron of Keystone Chapter, at her home at Stoney Point, Canada, on Friday. Mrs. E. A. Kohler attended from here.

Mr. and Mrs. Edward Roxbury and little daughter of Ann Arbor, were guests of Mrs. Jane Sessions last Friday. In the afternoon they motored over to the Detroit polo grounds.

E. M. Bogart of Grand Rapids spent the week-end with his mother here. Mrs. Bogart and children, who have been visiting in Northville for a few weeks, returned home with him Monday afternoon.

Mr. and Mrs. Roy E. Crowe returned home Friday from their motor trip to the upper peninsula. While at St. Ignace Mr. Crowe had the unusual experience of spending two days on a fishing tug where all the big ones did not get away. He returned home very much improved in health, a fact many friends will be pleased to learn, because he had not been feeling well for some weeks before leaving on his vacation.

Miss Ruth Bauman, from Ohio, is spending the week with Mr. and Mrs. Earl Bauman and family.

Miss Muriel Hutton and Marion Hallstead of London, Ont., spent last week with Mrs. Jean Musolf.

The L. O. T. M. will hold a regular meeting Monday evening. Refreshments will be served by the committee.

Miss Anna Hudson, who is employed at the Truett Hair Shop, is spending a couple of weeks at her home at Marlette.

Mr. and Mrs. A. G. Newman of Pontiac were guests of their daughter, Mrs. Harry Blake and family the first of the week.

Dr. Geo. K. Tolford and family and Mrs. N. M. Spencer of Lima, Ohio, are guests at the home of Mr. and Mrs. B. C. Stark.

Northville mothers are urged to attend the baby clinic to be held at the kindergarten room next Tuesday afternoon at 1:30.

Mrs. F. P. Simmons is enjoying a visit with her friend, Mrs. E. J. Hunt of Minneola, Florida, who is spending the heated term in Michigan.

Mr. and Mrs. Ray VanValkenburgh and family are spending the week with Mr. and Mrs. Roy VanValkenburgh at their farm near Webberville.

Mrs. C. R. Ely and children, Adah, Charles and Ivan, are enjoying a motor trip through northern Michigan, visiting the principal cities and places of interest.

George Bragg was called home last Saturday by the illness of his father at Toronto, Ont. Word has been received that he found his father much improved.

Mr. and Mrs. Harry Elliott were guests of Detroit friends Sunday.

Mr. and Mrs. Albert Flint of Detroit were guests of Mr. and Mrs. A. L. Vadenburg Tuesday.

Miss Elizabeth VanValkenburgh spent Friday night and Saturday with Ann Arbor friends. Miss VanValkenburgh will be a senior at the University of Michigan when the institution opens in September.

Orient Chapter O. E. S. will hold a regular meeting this evening. At the close of the regular order of business a card party will be enjoyed and a pleasant social time is assured all who attend.

B. J. Thompson, the stacker and fence builder of Base Line road "built" the largest straw stack of the season for E. M. Starkweather—cently putting the straw from forty acres of oats in one stack.

Miss D. P. Yeakes is at Grace Hospital in Detroit, where she underwent an operation last week. She is getting along nicely and fact her many acquaintances and friends in this community will be pleased to learn. The little son of Mr. and Mrs. Richard Radtke of Center Line died Wednesday morning, aged six months. Mrs. Radtke was formerly Miss Vina Austin of this place. Burial took place at Clarenceville Thursday afternoon.

Mr. and Mrs. W. H. White, Sr. motored to Fleming last Saturday where they attended the reunion of the Coleman family. They met relatives and friends they had not seen for more than 25 years at the gathering. They remained until Sunday afternoon.

Merritt Young, Carlton Hall, Gordon Crouch and Frank Perkins, returned from their trip to the upper peninsula last Friday afternoon. While at St. Ignace they visited Mr. and Mrs. Milton Hall and found them pleasantly situated. Mr. Hall has a good position in that city.

Ray Casterline has purchased the Katharine Strong residence on Dunlap street and will soon move his family there, offering his home on Rogers street for sale. The Strong home is one of the most pleasantly situated residences in Northville and with some improvements which Mr. Casterline contemplates making will be a very attractive home.

Mr. and Mrs. Judson L. Flint of Hominy, Oklahoma, were guests of Mr. and Mrs. A. L. Vadenburg during the week. Mr. Flint is Mrs. Vadenburg's brother and this is his first visit to this section in 43 years. He was born on the old Flint homestead in Novi township and during his stay here he visited many old familiar places in this section. Mr. Flint is a banker in his home town. Mr. and Mrs. Flint are making an extensive tour of the east.

Attend the opening of the new Elliott Food Store Saturday.

FAIR NOTES.

Demand for space is greater so far this year than it has been at any previous fair and everything indicates that every foot of space will be occupied. This will insure some wonderful exhibits again this year and each superintendent is striving to make his department better than it has ever been.

The horse show for Tuesday and Wednesday will be something very unusual for a county fair and the Northville Wayne County Fair will be the only one in the state with such an attraction. A large space within the enclosure opposite the grandstand has been leveled off and it will be properly fenced and inside the fence will be erected a sufficient number of box seats to encircle the exhibition ring.

Base ball fans may expect some excellent sport again this year because some of the best teams in this section will take part in the base ball tournament to open on Tuesday and to continue until Saturday.

The race program, which will consist of two racing events each day, will be supplemented with running races, a feature that will please a great many fair visitors, and a new departure for the local fair.

These are great days for corn and potatoes. Remember there is to be a real corn and potato show at the fair again this fall. Liberal prizes are being offered to stimulate interest in corn and potato growing in this section.

More silver cups will be presented to prize winners at the fair this fall than at any previous exhibition.

The premium lists are ready for distribution. If you have not received a copy you may procure one at this office or from Secretary F. A. Northrop.

Three tickets of admission will be sold again this year for \$1.00 to all who make application up to and including Monday night, September 22nd. Here is a chance to save some money.

Thursday has been designated Plymouth Day again this year. Friday Farmington and Redford Day and Saturday Detroit Day. On Saturday it is expected that the members of the Detroit city council and the members of the Wayne county board of supervisors will be the guests of the fair management.

The free attractions to be presented this year will appear only at the largest and best fairs in the state this fall. Four American Aces and a Queen, acrobats of nation-wide fame will appear in a thrilling act. The Robbins Family, consisting of father, mother and five children, all of whom are contortionists will present a program that will delight all while Happy Harrison's animals will delight both old and young. A hoopee rides a bicycle, a pony waltzes and dogs and a "bucking" mule perform and create great fun.

An all-bred dog show is to be one of the attractions this year and will be in charge of Dr. E. B. Cavell. The show will take place on Thursday, Friday and Saturday and competition will be for ribbons, cash prizes, championship points and trophies. It is not necessary that our dog be of pedigree stock in order to compete neither does the dog have to be registered.

SIXTH DISTRICT AMERICAN LEGION MET AT MILFORD.

The local American Legion boys feel well pleased with the attendance and all the details which made the convention of the American Legion here last Friday a notable success.

About one hundred delegates representing fourteen posts were present. The business session was held in the afternoon at the Legion hall. The Ladies' Auxiliary met at the same hour at the Presbyterian church.

Business included the endorsement of Willis M. Beyer of Pontiac as vice-commander of the Michigan department, election of officers to be confirmed at the state convention resulting in choice of Paul Eger of Lansing as commander, senior alternate, and Harold White of Northville, junior commander. Harry Hazel of Farmington, district adjutant, C. A. Rule of Lansing, state chaplain, Dr. L. S. Brookes of Milford. The name of Frank Vincent of Milford will be recommended to the state convention as delegate to the national convention with Edwin Boyle of Milford as alternate. Lansing was chosen for the 1926 convention.

Following the banquet at the Methodist church Frank Vincent welcomed the company and introduced Frank L. Dow of Pontiac as toastmaster for the after-dinner program.

Speakers were Col. August Gansser of Bay City, Paul Eger of Lansing, Capt. Brackett, national field secretary of the endowment fund, George Yoeman, superintendent of the Children's Billet at Otter Lake, Miss Anna Cross, billet service officer, and Miss Florence Schuster, recreational director at the Otter Lake Billet—Milford Times.

BETTER PUT SOME COAL IN YOUR BIN.

From present indications the coal situation will become serious before the coming winter is over. For some reason people are not filling their bins, or even putting in a part of their fuel supply with the result that local dealers have then yards full and are making but few deliveries. The wise householder will put a portion of his supply of coal in the bins while fuel is plentiful and thus protect himself and relieve the situation with the local dealers.

DETROIT PUTS CLAMP ON AUTO HORN MISUSE.

Blowing of automobile horns when machines are not in motion is made a misdemeanor by an ordinance adopted by the Council Monday. Violation of the ordinance which was introduced by Councilman William P. Bradley is punishable by a sentence not to exceed 90 days or a fine of not more than \$500.—Detroit News.

How's Your Electric Iron?

Every housewife uses an electric iron and blesses the inventor. Nevertheless, the electric iron, in spite of its virtues, does not possess everlasting life. It wears out in the course of time, like everything else.

An electric iron when old and decrepit naturally fails to do the satisfactory work of its prime. It should be retired from service. But it is not to be considered a dead loss on that account. You can get a full dollar for it whenever you decide to buy a new one. The stuff in it is worth that much to us; and you are welcome to its value.

Don't keep on using a worn-out iron. It doesn't pay. Bring it in and buy a new one. It's as good as a dollar bill to you.

FARMERS CAN BUY FORDSON ON EASY TERMS.

As a means of assisting farmers to modernize their farms, a new financing plan has been developed through which farmers may procure a Fordson tractor and other necessary equipment with only a small initial outlay and conveniently timed deferred payments.

The heretofore heavy initial expense of motorizing the American farm, according to the United States Department of Agriculture, has retarded to a large degree the development of agriculture. The new finance plan circumvents this obstacle and puts motorized equipment within the easy reach of every farmer, and permits him to operate his farm along the same lines of efficiency as the modern factory, a thing which Secretary of Agriculture Jardine urges upon the farmers of the country.

Although agreeing that the tractor is a means toward greater crop returns, the lack of sufficient capital to meet the initial cost has for years prevented many farmers from taking the step toward modern methods. This situation is relieved through the new arrangement and the farmer, without embarrassing himself financially, can begin at once to enjoy the advantages of Fordson powered farm equipment.

HONOR MICHIGAN HORT MEN IN NEW BUILDING.

When the Michigan State College horticultural department occupies its new building at the beginning of fall term next September, ten bronze tablets will be placed in the corridors commemorating ten men who have done most for the development of horticulture in the state.

The men who have been elected to this honor by 75 prominent horticulturists are the following: Charles W. Garfield, Grand Rapids, former president of the horticultural society; Robert D. Graham, Grand Rapids, founder of the Graham experimental station; Eugene Davies, Grand Rapids, originator of the Grand Rapids lettuce; John Breitmeyer, Detroit, father of the greenhouse industry; Elmer D. Smith-Adrian, noted florist; F. A. Farrand, Easton Rapids, state horticultural leader; Charles J. Monroe, South Haven, noted fruit grower; T. E. Lyon, Allegan, authority on fruit varieties; Judge J. G. Ramsdell, Traverse City, who stimulated the great fruit industry in Northern Michigan.

The \$400,000 horticulture building said to be the best equipped in the country has a frontage of 132 feet and a depth of 104. It is of the Gothic architectural design conforming with the type of other new buildings on the campus.

MAY STOP, LOOK AND LISTEN.

August 28th, the new marriage law in Michigan becomes effective which means that couples desiring to marry must make application for a marriage license five days before the county clerk is empowered to grant it. This means that after that date county clerks cannot issue a marriage license as in the past when it was only necessary to fill out the regular blank and be given a license immediately. The purpose of the law is to prevent hasty marriages. During the past five years there have been innumerable cases of where couples went to dances, became intoxicated, routed a county clerk out of bed and were married within an hour after they made up their minds to do so. Also it enables parents to at least make an attempt to prevent unwise marriages.

OPENING FAIR DAY FOR BOYS AND GIRLS.

Washtenaw County School Commissioner, Miss Florence Essery, has informed teachers throughout Washtenaw county that all schools will be closed September 1st, opening day of Washtenaw county fair so that children may have the opportunity of visiting the fair on their day and partake in the activities which will include the dedication of the new boys' and girls' building.

All children under 15 years are admitted free to the grounds and grandstand on the opening day of the fair.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week

Mr. and Mrs. Harvey White of Elmore, Livingston county, were in town last week.

Hoyt Woodman, Charles Blackburn, Arthur Johnson and Floyd Northrop are enjoying camp life at Union Lake this week.

The Northville male quartet, Messrs. VanValkenburg, Cornwell, Catkins and Clark are camping at Walled Lake this week. Henry Kator spent a part of the week with them.

During the electrical storm Tuesday evening, a ground detector was burned off at the electric light power house, causing a complete shut down of lights for the night. Engineer Wilkinson happened to be near by when the burn off took place, else the plant might have been seriously damaged or possibly destroyed.

Mr. and Mrs. Henry Fry will again take up their residence in Northville and have moved into their own home again on Rodgers street. Mr. and Mrs. Robt. Cameron have also moved back to Northville. Mr. Cameron's eyes troubling him to such an extent that he and Mr. Fry were obliged to dispose of their laundry business in Flint.

A special meeting of the Improvement Association was held last night and the following new board of eleven directors or executive committee, was elected: B. A. Wheeler, W. T. Cuff, E. H. Merrill, W. H. Cattermole, C. M. Joslin, S. E. Cranston, Dr. A. L. Blanchard, Charles Yerkes, Spencer Clark, E. H. Latham, W. J. Lanning. There is said to be about \$6,500 bonus money set aside and with it the directors will go after a new factory or two.

Wm. Creiger a farmer near Northville, is a human barometer. He has a wart on his face which during dry weather is nothing but a common every day wart, but 24 hours before a storm, the wart begins to enlarge until it is nearly as large as a silver dollar, and Creiger knows that a storm is coming. He doesn't have to do any guessing and when he blows his storm whistle at storms, Uncle Sam should hire the man to prognosticate the weather.

MODEL HOME DISPLAY.

One of the new residences being erected in Ypsilanti by J. O. LaRue and F. S. Harmon will be opened for inspection Monday, August 24th, for one week. The merchants of Ypsilanti are furnishing one of these houses, complete with all modern appliances and equipment as a model home and extend an invitation to the public to visit the display anytime during the coming week. They promise something worth seeing. A special invitation is extended by Messrs. LaRue and Harmon to Northville people. Location, N. W. corner Sherman and Elm streets, three blocks from the state normal.

NORTHVILLE 5, DANIELS 2.

One of the best ball games of the season and possibly the best in years at Northville, took place here last Sunday. The final score was five to two in favor of the Northville team but several features in the game made it a most interesting affair. To begin with when our local boys tackled the Daniels Sales nine they were facing one of the best semi-pro base ball clubs in Michigan.

Each team had on the pitching mound a man who had had much experience both being above the average pitching age of 30 years. Michaelson for the Sales has been a member of the International league and German for Northville was at one time with the American Association. It too, proved a pitcher's battle with the local pitcher handicapped from the second inning. Two errors in this inning gave the Detroit boys two runs. The battle was from then on two to nothing for eight innings and only two shifts were made off either pitcher until the sixth.

The Daniels team played errorless ball and Northville had but one player that made a slip. This is regarded a big feature in amateur or semi-pro base ball.

Neither pitcher hit a man, gave but two passes on balls and the number of hits off either pitcher were but six. While the Detroit nine was waiting for the Northville slabman to weaken in the later part of the game, their own representative pitcher gave way in the eighth inning when five runs were made. It was the beginning of the end, for no more runs for either team were made.

This same club has asked for a berth in the big eight team tournament here at the fair. Holly who just nosed out our team at Holly two weeks ago will be at Northville Sunday for a game. This means another live game of ball and these rare games that are scheduled from now on are for the interest of base ball fans and are appreciated by those that attend.

BASE BALL AT PRISON FARM.

Saturday, August 15th the D. H. of C. farm officers were defeated by the St. Stanislaus A. C. team of Detroit to the tune of 9 to 6. Hall, the Saints hurler, had the officers entirely at his mercy after the fourth inning, allowing only eleven hits, most of which came in the first half. Roman who started for the officers had his offering snapped up eagerly by the Saints and Jaska, who replaced him, could not overcome the opposition.

Sunday, August 16th, Godfredson Truck of Wayne, walloped the farm boys in a hard fought contest, featuring a pitchers' duel between Kuhn for the Farmers and Conners for the Waynites. This was the third game of a three game series with Godfredson and with Sunday's defeat the farmers lost two of the triple set with the Wayne boys.

Balls delivered by Conner for the farmers' consumption had extraordinary freakish tendencies, fooling the farmers time after time into wild lunges. Kuhn hurled a consistent game distributing his offerings into scattered hits but the farmers' wail clubs failed to get him the customary balance of power to stave off defeat. Score 5 to 3.

Saturday, August 22, the officers will play the Detroit Police Department (Hunt Street Station), and Sunday, August 23, the Windsor Beavers will compete on the farm ground.

All baseball fans in the community are cordially invited to attend these games.

SHERIFF WALTERS STATES THE FACTS.

In commenting the position taken by the Detroit Times for a codification and simplifying the penal laws of the state in order to secure surer and swifter justice for things, Sheriff Geo. A. Walters made the following statement, which will be heartily applauded by all who have given the matter any consideration.

"The ability of the lawyers defending men charged with serious crimes, to obtain countless delays frequently makes a travesty of the administration of justice."

"Their game is to tire out the people's witnesses, so that when the case goes to trial the chances of convicting a guilty person will be diminished, if not completely destroyed."

"The Times is perfectly right when it says that the 'multiplicity' of our laws give the criminal lawyer his opportunity to get repeated postponements."

"The criminal is aware of this situation, and he takes advantage of it. He knows that if he has enough money to hire a clever lawyer, should he be arrested for his crime, the chances of escaping punishment will be all in his favor."

"This guarantee of comparative safety makes the violent criminal bolder. I believe that he ordinarily would be, and the risk to the lives and property of honest citizens, is."

"I would in no manner change our laws so as to deprive a person charged with crime of any of the vital, fundamental rights which are his, such as jury trial, the presumption of innocence or the right to refuse to take the witness stand. Those things must be preserved for the safety of all men."

"But our laws have become cluttered up with a host of needless and foolish technicalities, that preserve no sound right of anyone, that merely serve to obstruct and delay the courts in meting out speedy and adequate punishment to the guilty. The same laws that protect the thug and hijacker also offers protection to the bootlegger and the rum runner, with the result that justice is very often defeated and the guilty rascals escape punishment. Let's have a codification and simplification of all our criminal laws."

Walled Lake Warbles.

A number of Walled Lake citizens are enjoying their annual vacation this week. Mr. and Mrs. Frank Nook are visiting in Wisconsin, Ray Riley

and family and Dan L. Bentley and family have gone on a motor trip through northern Michigan. Mr. and Mrs. William Chafy, Mrs. Julia Chafy and Mr. and Mrs. Fred Pommerville of Detroit started for a camping trip to the Soo on Saturday.

Charles Hutton, rural mail carrier, has been confined to his home by illness.

Equable Temperature

The climate at the equator varies with the altitude above the sea level and nearness to the sea. At Quito, on the equator, 9,350 feet above sea level, the morning temperature is 47 degrees—the midday temperature is 66 degrees. This varies very little with the season.

To Mend Umbrellas

If your umbrella gets torn, catch the edges together with a needle and thread. Open the umbrella so as to stretch the cloth and put a piece of mending tissue underneath, then press down with something warm enough to cause it to adhere but not hot enough to destroy it. Over this put a piece of court plaster. This mending is waterproof.
