VOL. LVI, NO. 8

NORTHVILLE, MICH., FRIDAY, SEPTEMBER 4, 1925

\$1.50 PER YEAR IN ADVANCE

CHEER UP! Things could BE A lot worse than THEY ARE. What if we HAD to burn coal in OUR automobiles, and WHAT if we had to LATHER the lawn before WE could cut the grass— OF course, we realize, THAT we all have our TWEED and our Downs BUT if you will sit DOWN and figure it ALL out, we'll wager YOU'LL find that you HAVE a lot more "ups" THAN you have "downs" AND that just leads US to remark that you WILL always find that OUR Fly Sprays will fit RIGHT into the bright SIDE of your life and WILL make you HOME HAPPIER—Just try it AND see.

RACES AT THE FAIR.

There will be three days of racing at the Northville, Wayne County Fair this year. Besides the two harness horse events which will take place on Thursday, Friday and Saturday afternoons there will be introduced this year some running races and some novelty races which will be different than have ever been offered local fair visitors. On Thursday there will be a 2:30 trot and a 2:30 pace. Friday's program will consist of a 2:18 trot and a 2:17 pace and for Saturday there will be a 2:22 pace and a free-for-all trot or pace. In all these events the purse offered is \$300.00. All races are to be run on the three heat plan and each heat will be a mile. Under this plan in order to win a race a horse must come in first in two heats and the purses will be divided 50, 25, 15 and 10 per cent. The indications are that all classes will be well filled and that the three days racing will be a very interesting feature of the fair. The racing program is under the direction of M. H. Sloan, superintendent and a committee composed of E. M. Starkweather, H. H. Hamilton and John Tatham. F. E. VanAlta will be clerk of the course and Harry C. Robinson of Plymouth will officiate as starting judge.

EX-CONGRESSMAN KELLEY VERY ILL IN WASHINGTON, D. C.

Reports from Washington, D. C. state that Patrick H. Kelley, former Congressman from the Sixth district, is ill in a hospital in that city and that the attending physicians have abandoned hope of his recovery. He has been in Washington for several months past receiving special treatment for a bad heart condition made his appearance a few days ago. Members of Mr. Kelley's family are with him.

FAIR SECRETARY AT RECORD OFFICE.

Beginning next week Secretary F. A. Northrop of the Northville Wayne County Fair Association will establish his office in The Record building where he can be reached readily by all who may desire to confer with him regarding matters pertaining to the fair.

The phone number will be 260 and all who desire to confer with Mr. Northrop will find him here each day until fair week.

LOCAL.

NORTHVILLE WINS ONE AND LOSES ONE.

The Northville ball boys had the pleasure of participating in a ball game against Holly at the Brighton home, coming last week. Before about 5000 spectators our team defeated their opponents rather handily 5 to 3. It was another pitchers' battle, between the two veteran pitchers, Hartner and German, but the latter was stung, allowing hits. Only six were granted Holly so they could not defeat Northville. Our village boys did play a good game and had the crowd with them.

Last Sunday playing against the Windsor colored club found things altogether different. It took the visitors eleven innings however to do the job and they did it 12 to 9. It was a bad day of playing for the local team, but a very interesting one for the spectators. The game was tied three times and loose playing at intervals spoiled Northville's chance to win.

Detroit, Fremont home Sunday for a game here.

FOOTBALL SCHEDULE FOR NORTHVILLE HIGH SCHOOL.

The following is the schedule for the Northville High school. A number of last year's team graduated in June and just how strong an aggregation Coach Miller can get together at the opening of school remains to be determined. A good game schedule has been arranged and is as follows:

- Sept. 15—Grosse Pointe here.
- Sept. 24—Plymouth, here.
- Oct. 2—Ferndale, there.
- Oct. 9—Waukegan, there.
- Oct. 16—Farmington, here.
- Oct. 23—Belleville, here.
- Oct. 30—Opea, here.
- Nov. 6—Redford, there.
- Nov. 13—Holly, here.
- Nov. 20—Eatonville, here.

IMPROVEMENTS AT THE COWELL HOUSE.

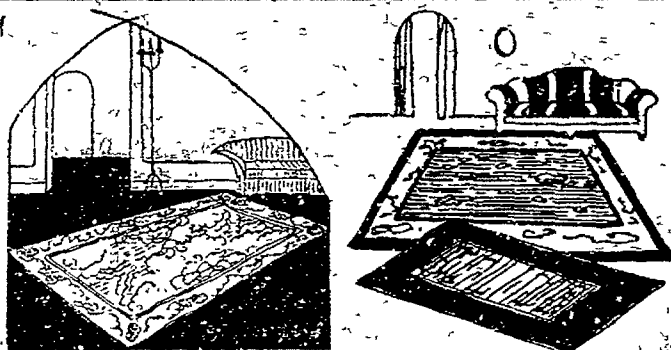

W. J. Cowell of the Cowell House is never quite so happy as when he is making some improvements about his place of business. This week painters and paper hangers have been busily painting the front of the building and putting new paper and paint on the walls in the office, dining room and bedrooms. The new paint and paper gives the building a neat and attractive appearance, making the hotel a very home-like place for the weary traveler.

LEGION STATE CONVENTION AT BAY CITY NEXT WEEK.

The annual convention of the Michigan American Legion will be held at Bay City next week beginning Sunday. Besides National Commander James A. Drain, a number of prominent men will address the convention. Gov. Alex. J. Groesbeck and Hon. Joseph Fordney have promised to attend. Plans are being made by the citizens of that city to give the boys a good time. It is expected that a number will attend from Northville.

CLUB MEETING POSTPONED.

The September meeting of the Wixom Farmers' Club has been postponed for one week. On September 16th the club will have a rally day at Wixom. The program will be announced later. All members are urged to make note of this change in date.

BASEBALL AT THE PRISON FARM.

On Sunday, August 29th the officers of the Detroit House of Correction, farm defeated the Detroit police department. Seventh Precinct baseball team 7 to 5. The Seventh precinct cops came loaded for beer, peaches and a suit to at the defects offered by their contractors of the Ham Street Station, the Bethune Station and the Third Precinct Station, on the farm grounds. The men the sure was willing the best we with and the pick of the precinct went home sadder but wiser than Sunday. August 29th, the Detroit independent, who some time ago secured a 1 to 0 defeat in the eighth diamond, came out and arranged in a series of the House of Correction officers by defeating them 11 to 9 in a game replete with thrills.
Next Saturday the officers will play Brighton. Sunday at 2 p. m. in the Standard Oil of Detroit and Monday Day the Army and Navy club of Detroit.
Sunday afternoon Northville band will give a band concert before the game.
All baseball fans are cordially invited to attend any or all the games on the farm grounds.

DETROIT HONORED TY COBB LAST SATURDAY.

At a suitable recognition of his twenty years of base ball service with the Detroit Tigers the citizens of that city joined in celebrating the event last Saturday afternoon when a great crowd gathered at Navin Field to witness the game between Detroit and the Athletics. Detroit won the honors of the afternoon and during the game Cobb made three hits in five times at bat, drove in two runs and scored a base. He was thrown out for a two bagger on his drive left in the second and in the eighth he missed a fourth hit on the closest kind of a decision at first. A pretty good day's work for a fellow who has played the game for 20 years with one team.
In the evening a complimentary dinner was tendered the veteran ball player and he was presented with a clock costing \$1,000 which was a gift from the city and a check for \$10,000 from Manager Frank J. Navin of the Tigers.

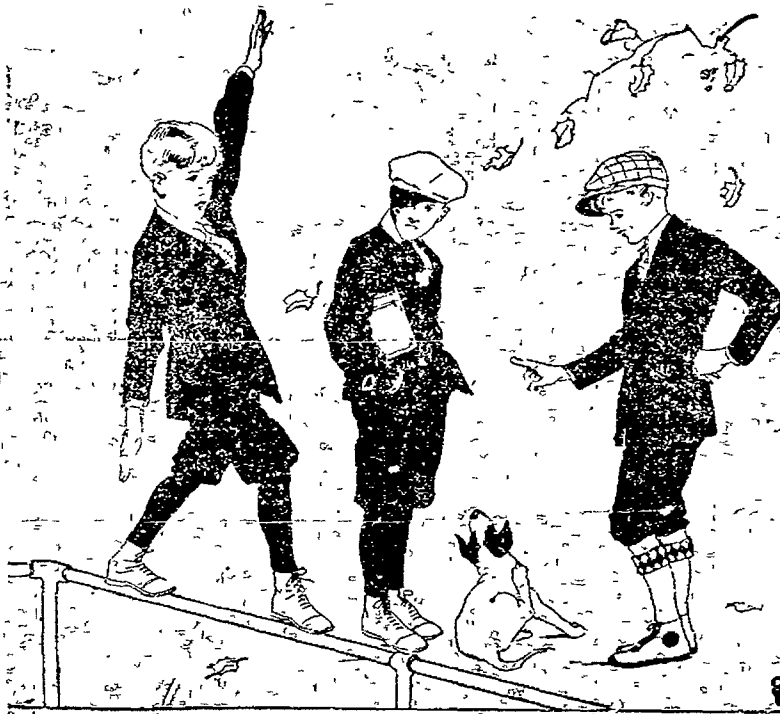

FORD EXPORTS AT RECORD.

Foreign shipments of Ford tractors of 1924 for the seven months ended July 21st set a new high record, exceeding those of the 1924 period by 72%.

Foreign deliveries of Ford cars and trucks, as well as Lincoln cars, also set a new record in the first seven months. Ford car and truck sales totaled 124,345, or 22,000 more than were delivered in foreign countries in same period last year, not including foreign and domestic sales of Ford of Canada which totaled 52,300 in the same month this year.—Michigan Manufacturer.

GARDEN GROVE

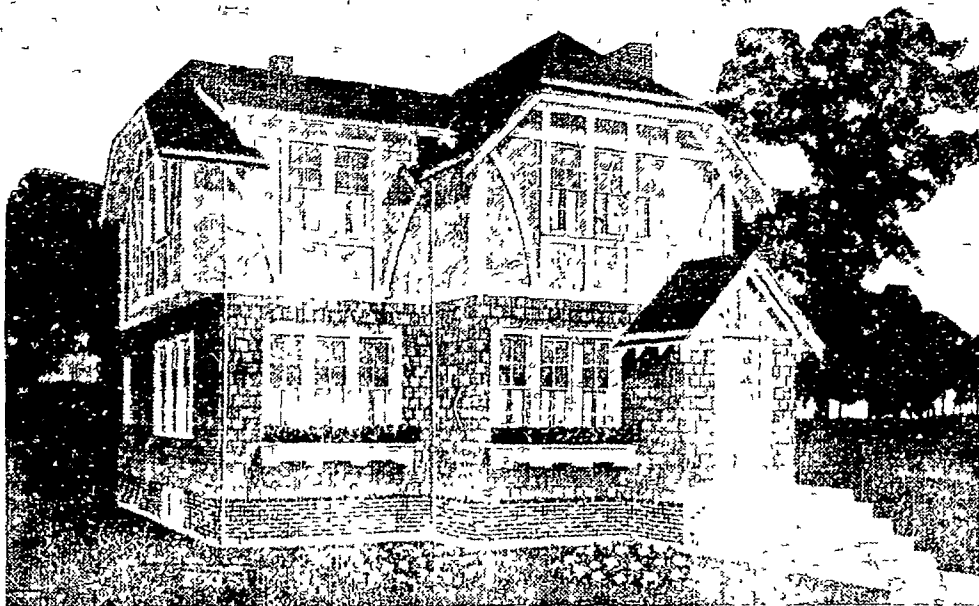

"OUR RESTRICTIONS ARE YOUR PROTECTION"

Why Take Four Per Cent When You Can Get More Per Cent?

This is not intended to discourage anybody from building up a Bank Account. A Bank Account is the corner stone to the foundation of success. Bank Accounts are the foundation of the nation's business. But there is a limit to everything. A Bank Account enables a person to take advantage of an opportunity when it presents itself. As a rule it takes quite a sum of money to invest in a proposition that will pay large returns on the money spent. But not so in Garden Grove. Here is a place where you can invest as little as Ten Dollars, the balance in easy payments that are within the reach of all; and the returns on the money invested will by far exceed even our expectations.

Every person who has bought real estate in or near Detroit in the last twenty years has realized a profit of from five to five hundred percent, and in many cases much more. If you had invested as much money as we are asking for our lots now, in the Joy road district ten years ago you could sell your property today for two to five thousand dollars.

If buying Real Estate you are not taking a "chance." You are investing in a good, sane, proposition; one in which every investor is winner.

Any real estate is a good investment, but in Garden Grove your chance of realizing a handsome profit are doubly assured.

The reasons for that are:

- 1.—The location on two great highways (the Saginaw and Farmington Road) is one that cannot be duplicated in this section.
- 2.—The price on the lots is below the average. This is possible because this is a direct to you proposition. The owner of Garden Grove has lived on it for twenty-five years. The property has not been sold as acreage three or four times to give somebody else the profit. That profit is being passed on to the purchasers.
- 3.—The restrictions in Garden Grove assure you of a high-class community, one in which you would like to live.
- 4.—In all the advantages in Garden Grove make it the most profitable subdivision in this vicinity.

Don't take our word for it. Come and see the property, its location, and the class of homes going up here. You too will want to buy here, as many other wise investors have done.

A FRIENDLY WARNING.

The Northville Fair Association has always been generous in giving the use of their grounds to the citizens of Northville and especially as a playground for the boys and girls, and hope to continue their generosity in the future, but of late there have been a number of depredations committed on the grounds. The lock on the secretary's office has been broken, the office entered and papers, etc. destroyed. Windows, lights and electric lights have been broken and many disorderly acts committed. If this continues it will be necessary for the Fair Association to take serious action in the matter.

Parents will please co-operate with us to this extent. The Northville Fair Association. FLOYD A. NORTROP, Secy.

BAPTIST CHURCH NOTES.

Mrs. J. J. Payne, the wife of our friend Joe, is very sick and Joe has requested the prayers of his Northville friends.

In the near future we will have a special service. There will be a sermon without a spoken word and songs without a voice raised in singing. Move about this later.

Rev. S. F. Dimmock was a visitor at the parsonage last Tuesday. Mr. Dimmock seems to be the most popular pastor our church has had. His pastor's subject for Sunday morning will be "Jesus' Last Command" and the evening subject will be "What We Mean by Coming to Jesus." We have our prayer meeting last Thursday.

METHODIST CHURCH NOTES.

Next Sunday will commence our exciting career with the great opportunity to hear the Rev. Hon. William Jennings Bryan at the address "Back to God." This means a lot in churches and organizations. Sunday school will be the most important service in the church and the public is invited to attend. The service will be held at the usual hour, 10:30, and the pastor will have a special message for us. Our Bible school will meet at 12:00 noon.

Prayer service at 6:30. Dorothy Dunbar and Naomi Colburn are our leaders. Topic: "The Tragedy of Getting By."

PREBYTERIAN CHURCH NOTES.

They were all with one accord in one place, and the spirit of God came upon them to might blessing. Let us in like manner seek God's favor on Sunday.

Morning worship at 9:15. Theme: "The Modern Saint," a man among men for men.

Sunday school at noon. Pre-teacher and scholar should be in their place.

Y. P. S. C. E. at 6:30 p. m. All the young people are urged to be on hand for the opening service.

Evening service at 7:30. Subject: "Our Task."

Mid-week service Thursday evening at 7:30. Do not be a "Thomas," be at the meeting. Stop, look, listen, something unique, interesting, enjoyable. Full particulars published next week.—September Circle.

ST. PAUL'S LUTHERAN CHURCH.

Next Sunday service in German at 10:30. Theme of sermon: "The Healing of the Deaf Mute." Holy communion will also be celebrated. Cotestational service at 10:00 a. m.

The Ladies' Aid combined a birthday party in honor of Mrs. Ferd Kreger with their monthly meeting last Tuesday at the residence of the birthday child.

THE JOY OF REAL BARGAIN

When you get a chance to avail yourself of a bargain—one that is a real—honest to goodness—hundred percent bargain—you are downright glad.

Ben Franklin found that there are transactions which seem like bargains but are not—you remember his story of "Paying too much for a whistle."

When Paul came to discover Christ—and take Him into his life—fully he made no secret that he had secured a great bargain.

Paul went out and spread the good news of the bargain he had found and a church was started in Philippi as a result of that visit.

Ten years later when Paul was in prison in Rome he wrote a letter to the folks at Philippi and retold the story of his great find—his bargain—its a thrilling story

PLANES CRASH IN AIR; TWO KILLED

Army Flyers Crushed to Death When Machines Collide Near Chicago.

Chicago.—Two United States army airplanes, piloted by officers who had won prizes at Camp Grant earlier in the day for superb handling of their machines, crashed 300 feet above the government flying field at Mowbray. Lieut. T. E. Smith, pilot of one, and his passenger, William I. Page, a wealthy Board of Trade member, were killed when their plane became unmanageable and plunged, burning to the ground. Both leaped, striving to open their parachutes, but the distance was too short to allow of the parachutes opening.

The two men's bodies struck the earth and were crushed to a few unrecognizable fragments. The bodies were recovered from Edward Hines Memorial hospital, and with war veterans' patients. Being was president of the Illinois chapter of the National Aeronautical Society, and was in the reserve corps and was in the ground brokerage firm of William L. Heppner & Co. Lieutenant Smith was attached to the United States Army corps of Chanute field, Hamilton, Ill.

Lieut. Robert W. Douglas, of Selfridge Field, Mount Clemens, Mich., pilot of the other machine, managed to keep control of it and to coast in safely to the landing field although the propeller had been broken off in the collapse.

Gov. Small Reviews 33rd Division at Camp Grant

Camp Grant, Ill.—The air service was the feature of the Governor's day visit to Camp Grant which made up the program of activities arranged for the solemnity of a representation.

Seven planes furnished through the chief of the 33rd force of the state corps, and Maj. L. H. Dierman were a special element which first into the state the sports of the entire Thirty-third division, although the flying program did not begin until field maneuvers to welcome the governor to camp.

With Governor Small, ten in all, were the 33rd troops in formation, were Capt. J. H. Dierman, Adj. Gen. Charles Back, and Gen. C. H. Hammond of the 33rd division, who had come from Washington for the day.

Hammond Police Capture 3 Alleged Counterfeiters

Chicago.—Chicago police arrested leaders in the \$20,000 plot to flood the country with bogus \$20 bills, were captured by police in connection with automobiles. The world's largest illegal car before it was brought to a halt. One thousand dollars in \$20 bills and \$200 in cash were found under the floor mat in the car. The men are alleged to have attempted to flee. Arresting officers during the roundup of counterfeiters in Chicago, turned over to federal agents and were taken to Indianapolis. They are identified as Sam Mirabile, thirty-eight, of Chicago; twenty-two, and Louis J. Janna, eighteen, of Chicago, who were taken to the arresting officers, a Chicago real estate broker.

Last Tribute Paid to Ambassador Bancroft

Chicago.—Funeral services were held over the body of Edwin A. Bancroft, late American ambassador to Japan, in the Fourth Presbyterian church.

Prominent Chicago business men who had known Mr. Bancroft for 40 years and his long and honorable career in Chicago, diplomatic and state departments, professional men and others, gathered in the auditorium as Mr. James C. McChesney, president of the Commercial and Industrial League, began the services. Among the notables present were Vice President Dawes, the Japanese ambassador and his staff, and Walter Wright, assistant secretary of state, who acted as the representative of President Coolidge; Chief Justice Taft and Secretary Kellogg.

Pat Powers, Former Head of Old League, Is Dead

Belmar, N. J.—Dr. Patrick Thomas Powers of Jersey City, a former president of the Eastern Baseball League, which later became the International organization, died of diabetes here. He was sixty-three years old. Powers organized the first six-day bicycle race in Madison Square Garden and promoted those events for years. He also organized the old Eastern League, and in 1914, when the "outlets" Federal league was formed, he headed the Newark team of that organization.

Air Base Planned

Atlanta, Ga.—Cornelius Vanderbilt Jr. and his associates are reported here to have purchased or to have under option 1,000 acres of land on the outskirts of the city on which the third largest commercial air base in the country is to be established.

Mexico to Begin Payment

San Antonio, Tex.—Mexico will begin paying her \$500,000,000 national debt to the United States about September 1, according to A. M. Elias.

STANDARD GRADES TO HELP STATE POTATOES.

That Michigan's new standard grades for potatoes will result in a marked boost for the crop in the state, particularly in regard to the reputation of the wolverine tubers in out-of-state markets, is the general opinion of men who have studied the situation in recent weeks.

By act of the last legislature, standard grades were adopted to regulate the sale of potatoes, with inspection and penalties provided. This law became effective August 27th and is now in operation throughout the state.

Potato grading is not new for the state. Federal grades having been adopted in 1921 by order of the state commissioner of agriculture. The new law, however, gives Michigan her own grading law, and places the work upon a definite and permanent basis.

"Potato grading has already done much for the Michigan crop," says J. W. Weston, specialist with the crops department at the Michigan State College. "Poorly graded stock before 1923 hurt the reputation

of the Michigan tubers on markets such as Pittsburg, Cleveland Toledo and Detroit. The result was apparent in sales and lower prices than those by growers from other states.

The grading work during the last two years is estimated to have resulted in great financial gain to the state growers, and the definite Michigan grades now in effect should be of far-reaching benefit in re-establishing Michigan's reputation on the country's markets."

...Probably Not Your Eyes...

Many people think their eyes are failing when the only trouble is with the lamps they use.

You should realize that lamps slowly and gradually lose candlepower. Small particles are constantly thrown off by the highly heated filament and accumulate on the lamp walls. In time, this will produce eyestrain, dimness and anxiety.

You can tell this condition easily. Examine your lamps. Are they blackened? If they are, bring them back and exchange for new ones. Costs you nothing.

THE DETROIT EDISON COMPANY

TWENTY-SECOND MICHIGAN MEMBERS HELD ANNUAL REUNION AT PONTIAC.

The surviving members of the Twenty-second Michigan volunteer infantry, and there are not many of them left, held their annual reunion at Pontiac last Tuesday and Friday. The first day was given over to visiting and renewing acquaintances and in the evening a very enjoyable campfire was held in the Assembly Room at the Court House. The old regimental flags were brought out from their confinement in the vault of the Court House and the old cow bell was in evidence throughout the proceedings, calling the assembly to order; a service which the cow-bell has performed for many years.

At Friday's session the regiment adopted a daughter in the person of Miss Marian Collins, daughter of A. E. Collins of Detroit, who is secretary-treasurer of the association.

Business occupied the entire morning and at noon the veterans and their wives, together with a number of other old soldiers, widows of veterans and wives of Civil War fighters were guests of the Daughters of Veterans at a dinner in Central Methodist church, held in their honor. A program of music and readings following the dinner and some of the old soldiers were heard in brief talks about experiences in the struggle of 1861-1865.

Charles Eassey of Marine City was elected president for the ensuing year. Other officers include:

Vice-president—N. B. Babcock, of Pontiac.

Captain—David Paton of Almont.

Secretary-treasurer—A. E. Collins, of Detroit.

Several additional members of the regiment came in Friday, some who have not attended the reunions of late years. One of these was Linus Bookman of Company B, living near Royal Oak. Oscar Keiff, of Grand River road and M. Eassey reported Thursday afternoon, bringing the total registration to 18, one more than a year ago.

Practically all the afternoon Thursday was spent in discussion of business matters including the appointment of a resolution committee, consisting of W. H. Hays and L. J. L. G. McNamee and J. J. Whittier, and the nomination of committees, with W. H. Hays and J. J. Whittier, George Goodell of Northville and Charles Eassey of Marine City. Reports of these committees were made Friday.

Resolutions were adopted expressing regret at the passing of a number of comrades, extending the thanks of the organization to the committee in charge of Thursday night's campfire and to the Daughters of Veterans in their entertainment. Letters of regret to those unable to attend the reunion.

Those answering the last call during the past year or two included the names of Edwin Laird, Matthew Scott, Thomas Newton, W. M. Elliott, W. F. Andrews, John Hazleton and John D. Paton.

Under the direction of Mrs. W. W. Howell, a program of interesting features was given for the veterans Thursday night in the Assembly Room of the Court House. A musical reading and talk on the old soldiers.

The company song, "The Old Soldier's Story," was sung by the veterans. An "Annie May" was played by seven other veterans during the evening.

Mrs. L. E. Loggins read "Katie's Ghost" and later played a piano selection, "Old Dick Jones' March."

Traps and steel guitar numbers were given by the Misses Sara and Margaret Pollock and they sang "Santa Lucia."

Edna E. Glackson's songs, "Sword of Bunker Hill," "The Little Irish Girl" and "Land of Mine" were much enjoyed as were the solo songs by George Westcott.

Bernice McGregor read "How It Served" and "How They Cry." Other readings, "The Scramptions Wedding" and "Sister's Best Friend" by Florence Watchpocket were well received.

Lost of Flag-Bearers Present. Among those attending the annual reunion of the Twenty-second Michigan Infantry in the last of six women, whose bands fashioned from the old "Old Battle Flag" that went with the regiment through the war of 63 are Mrs. Julia Howard of Pine Lake.

In several places the once shining silk is shredded and torn by the flight of Confederate bullets through it, and by the ripping blows of sharpnel. On its folds may still be seen the stains that members of the regiment insist are from the blood of its gallant bearers. The first color-bearer to go according to A. E. Collins, secretary of the regiment, was Philo G. Durkee, captured at Chickamauga, the old flag was taken to Richmond and later returned to Michigan and its former owners. It is treasured and revered now as nothing else in the possession of the organization. Its condition precludes any use of it in parade or similar activity.—Pontiac Press.

George Goodell of this place is cus-

todian of the old battle flags and when the association disbands for lack of numbers they will be turned over to the State and taken to Lansing to safe-keeping.

LICENSE PLATES FOR 1926.

Michigan motor car license plates for 1925 will be black and white, black background and white letters and numerals. The plates as for the past several years, will be manufactured at Jackson prison. Secretary of State Charles J. DeLoard has placed an order for 650,000, which it is certain will have to be supplemented with a second order.

In 1924 there were issued in round numbers 500,000 license plates. So far, this year there has been ordered 1,000,000 more than 500,000. This number will be materially increased before the end of the present year.

In 1926 there will be issued for the first time two styles of license plates, one for 12-cent cars, one for 15-cent cars. By comparison to most states, Michigan, Illinois and other states of a higher and lower type of license plates are issued. The plates for 1926 will be except as to color, the same as the 1925 plates. Commercial car plates will be plain in color, while the passenger car plates will be plain in color, and in addition, to the number and the motor car of the State and year will be at the bottom in letters large enough to be readily seen by motorists on the road.

The number of commercial cars will be about 20,000 and run to 150,000. When these 100,000 plates have been issued, more probably will be needed inasmuch as in 1924 there were 150,000 plates to about 150,000 commercial cars and the increase in applications are increasing by tens of thousands annually.

HALF THE YEARLY RATE NOW ON AUTOMOBILE LICENSES.

The new motor vehicle law provides that on September 1st and for the remainder of the calendar year the tax on motor vehicle license plates shall be reduced 50 per cent. Therefore, beginning on September 1st a license can be procured for the remainder of 1925 at one-half the yearly rate.

However when the applicant presents his certificate of title for license plates under the one-half rate the certificate must show that the title was issued by the State Department before September 1st, 1925. The branch manager, who in Eaton county is County Clerk Bryan, must also demand that the applicant procure an affidavit from the marshal of this city or from Sheriff Boone to the effect that the motor vehicle, for which he desires a license, has not been operated on the public highways of Michigan during the year 1925. Such branch manager must know that such affidavits are actually made and signed by the sheriff or marshal. When his affidavit is presented license plates may be issued at the reduced rate as provided by the above law.

THE FORDS PAY LARGEST INCOME TAX.

Henry Ford and Edsel Ford, his son together with the Ford Motor company paid the largest income tax on 1924 earnings in the First Michigan district, figures recently made public revealed.

Henry Ford paid \$2,668,508.85 and Edsel Ford paid \$2,158,055.99, and the Ford Motor company paid \$16,493,160.91.

CANADIANS DISAPPOINTED IN FOUR-FOR-BEER DECLARATIONS CONGRESSMAN HUDSON

All Canadians who are disappointed in the four-for-beer declaration of Congressman Hudson. He has been a member of the liquor committee of the sixteenth congress. Congressman Hudson was chairman of the sub-committee which made a general investigation of the enforcement of the Eighteenth amendment and recommended methods of curtailing bootlegging in this country.

Most of the police chiefs and mayors to whom I talked informed me that illicit sale of intoxicants has increased in the last three months, he declared. "Nearly everywhere," officials said, home-brewing has increased. In some places a four-fold increase was reported. The government's policy really encourages use of brewed liquor in the home, for permits for home manufacture do not limit the alcoholic content.

Profits Light: Also "Kick." "Four-disappoint-four" is becoming a popular phrase in the province. Owners of beverage rooms connected with hotels told me that after the first few days sales slumped. "There was not enough 'kick' in the stuff and the price was too high for the public.

The expense to which proprietors went in providing rooms and equipment was considerable in most cities and the trade has not yielded a satisfactory return.

Congressman Hudson admitted both drunkenness and bootlegging had fallen off in districts, but denied that 44 per cent beer was responsible. What discouraged bootleggers was the mandatory jail sentence for wrongful sales of liquor, he said.

The government expected a revenue of \$480,000 a year from the beer, but officials admit they made a bad guess," he continued. "My survey indicates the revenue will not run to more than one-fifth of the amount and may be only one-tenth."—Detroit Free Press

EVERY TAX REACTION HELPS.

About 9,000,000 persons make income tax returns. But 100,000,000 more Americans help make the money the 9,000,000 pay. None escape the tax. The government spends \$19,000,000 a day. The people have to earn that money and pay it to the government. If federal economy caused a saving of \$1,500,000 a day, the money saved will not be piled up to make a treasury surplus, but left in the hands of the people. Unfortunately, to a large extent, national government economies are offset by local government extravagances or bad management. But the fact that there is saving anywhere is cause for rejoicing. A cut in the income tax at least will save money to help pay local taxes until they also may be reduced.

Burglars gained entrance to the oil station of Fluelling & Lang at Plymouth a few nights ago and made away with \$305.00. The visitors pried open a window and then broke the combination off the safe.

STOP SIGNS MAY BE PUT ON R. R. CROSSINGS.

Plans for locating official "stop" signs at all dangerous railroad crossings on state trunk highways in the state will be presented to the administrative board soon, it was announced. Highway department engineers have been surveying state roads to determine which crossings should be included under the stop law enacted by the 1925 legislature.

The law provides a penalty for failure to stop at railroad crossings marked as dangerous by highway engineers. Crossings unprotected by either automatic or automatic signal are to be considered "stop" crossings.
