

THE NORTHVILLE RECORD

VOL. LVI, NO. 10.

NORTHVILLE, MICH., FRIDAY, SEPTEMBER 18th, 1925.

\$1.50 PER YEAR, IN ADVANCE.

THIS question of TRAFFIC regulation is A BIG problem and the ENFORCEMENT of the 18th AMENDMENT is another, and SOMETIMES we wonder if THE REDS are not going TO MAKE a lot of grief FOR this country in FUTURE years, and we'd LIKE to see higher PRICES for farm products AND lower freight rates IF WE can get 'em, and WE stand haftsood for PRISON reform and the DAYLIGHT saving, but ALL these, including the GREAT fight between CAPITAL and labor, are REALLY minor matters FOR what this country NEEDS more than ANYTHING else just now IS more space AND some convenient PLACE to park our CARS.

Visit Us at the Fair Next Week

EVERYTHING IS READY FOR OUR ANNUAL FAIR

The Ninth Annual Fair Will Be The Best And Biggest Yet Held. Many Entries Being Made.

If the weather man will do his best the ninth annual fair to be held by the Northville Wayne County Fair Association will be the best and most interesting exhibition yet given by the society. Entries have been pouring into all departments for the past two weeks and when the gates are thrown open next Tuesday there will be a grand rush for space. In fact practically all the exhibition space in the main hall and upon the grounds outside has been sold and many requests for room have been refused.

The new addition to the grandstand will provide seats for a good many people and the number of private boxes has also been increased. The new horse barn is a very attractive structure and will provide stall room for a lot of horses, something that has been needed for years. The new addition to the poultry building will provide ample room for the fine display of net stock expected and two large tents will be erected to care for the dog show. The automobile tents will be filled to capacity and it is expected there will also be a good display of farm machinery and implements.

A new building has been erected just east of the woman's building and the new structure will be used for the better babies clinic on Wednesday and for the remainder of the week will be available for a rest room. Comfortable chairs will be provided and tired mothers will find a suitable place for rest and to care for their little ones.

There will be plenty of eating stands so no one will have to go hungry. Beside the Baptist ladies who will operate the dining room under the grandstand there will be numerous booths where good food can be obtained. Northville people have in feeding their guests well. The better baby contest and slide will attract a good many people on Wednesday afternoon and the large tent will provide suitable room for this popular attraction.

The horse show for Tuesday afternoon will require hauling of its kind ever attempted by any county fair in the state. A commodious show ring has been provided and this will be encircled with box seats to accommodate those who are especially interested in this very attractive feature of fair weeks. There will be horses coming from the very best studs in Wayne county and Detroit and when that is said it means the best horses in the state will be here. Besides the show the horsemen will enter numerous amusing and interesting features on the track during the week.

Thursday will be Plymouth day and our neighbors, coming over in large numbers. The Plymouth parade will move at the east gate at one o'clock. Immediately following the arrival of the Plymouth people there will be a football game between teams representing the Plymouth and Northville high schools.

Friday will be Redford and Farmington day and among the other attractions to be offered will be the Cass Tech band of Detroit and the boys and of Redford.

Saturday, of course, will be homecoming and Detroit day and the Ford Motor Company's band of Highland Park will be present to enliven the program.

Beginning Wednesday afternoon there will be three free acts given on the amusement platform directly in front of the grandstand every afternoon and evening. These acts are only appearing at the best fairs in the state this year.

The fireworks display for four nights will surpass anything ever seen here and Northville has had some wonderful displays.

This is a community fair. To make it a success all must help in some way. Plan to make an exhibit in some one or more of the various departments and thus make the show a creditable one for this community.

There will be three days of racing with a number of running races as added features. On Thursday there will be three events and an equal number for Friday. On Saturday there will be but two events, but a number of other races will, doubtless, be added to the program.

Thursday's program will consist of a 2 1/4 trot and a 2 3/4 pace, and a 2 1/4 pace. Friday's card will be a 2 1/8 trot, 2 1/7 pace and a 2 2/2 trot, and for Saturday there will be a 2 2/2 pace and a free-for-all pace or trot. Harry C. Johnson will be starting judge.

MRS. JAMES CLARK DIED SUNDAY MORNING.

Northville people were greatly shocked when the news of the sudden death of Mrs. James Clark became current about the village Sunday. She was taken ill early Sunday morning and before aid could be summoned her condition became so critical that death resulted soon after. The neighbors had been informed of her condition having lived in and about Northville for more than 28 years she was well and favorably known by the people of this section who extend to the bereaved husband and children their sympathy.

Mary Louise Burgess was born at Brooklyn Michigan May 11th, 1865,

and on December 20th, 1887, she was united in marriage to James Clark.

To the union three children were born—her Clark of Detroit, Miss.

Blanche Clark of Royal Oak and Mrs.

James Sessions of Detroit.

Besides her husband and children

she is survived by a number of brothers and sisters, Mrs. Jean Morey, Luther, Mrs. Amy McAfee, Farwell, Frank Burgess, Ann Arbor, Jesse Burgess, Farwell, Marcella Burgess, Farwell, Mark Burgess, Traverse City.

Funeral services were held at her late home on Tuesday afternoon at 2:00 and were conducted by her pastor, Rev. William Richards.

Burial took place in Riverside Cemetery at Plymouth.

She was a devoted wife and mother

and her noble kindly deeds endeared herself to those who enjoyed her acquaintance.

NORTHVILLE FAIR LINE TO HAVE NEW CAR.

Do not be surprised but it is rumored that a commanding new car will soon be placed in commission on the Northville, MI route Wayne line by the U. R. The change will be welcomed by the traveling public and the company is to be commended for its enterprise in modernizing the change.

The smoking department is located at the rear of the car thus doing away with the necessity of passing through it to reach the main compartment when the girl is seated by one man as is the case on this division. There is a rear door opening and closing of which is controlled by the car operator from the front seature. The seats are comfortable and neatly upholstered.

The car has both steam and electric heating devices. During moderate cold weather electric heat will suffice and in severe weather both can be used if necessary.

An automatic attachment to the coupling prevents the car being started with a jerk. The current is thrown on slowly at first. When the motor-man's hand is off the control lever the car breaks and automatically sets. The car can not be started by the motor-man while the door or doors of the car are open.

FORMER "CONGRESSMAN" KELLEY DIED IN WASHINGTON, D. C.

The remains of Hon. Patrick F. Kelley who died in Washington, D. C. last week were brought to his home in Lansing for burial and funeral services paid by his home community on Saturday afternoon. Funeral services were held at the Central Methodist church in that city and many friends gathered to pay their respects. Louis Commandeur Knights Templar provided an escort for the funeral cortage.

The death of Mr. Kelley will be mourned by many Michigan people who enjoyed his acquaintance and by whom he was held in high esteem. He served this district in Congress for a number of years and was lieutenant governor under the administration of the late Fred M. Warner.

OAKLAND COUNTY BOYS DID WELL AT STATE FAIR.

Oakland county boys and girls clubs won signal honors at the state fair last week. Second place was won by the clothing judging team and second place went to the boys in the dairy stock judging. Prizes were won in the entries of sheep and hogs. Results of the potato judging have not been learned, but a place there is almost certain.

Oakland county boys exhibiting at the county and state fairs this year have won a total of \$500 in prizes—Pontiac Press.

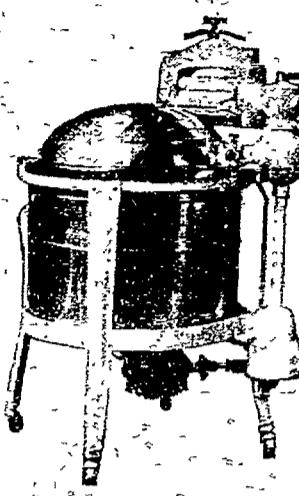

BANKS WILL CLOSE AFTERNOONS DURING FAIR WEEK.

Following their usual custom the banks of Northville will close at one o'clock each day during fair week

commencing on Wednesday afternoon.

People having banking business to tend to will please adjust their arrangements to these hours.

The Handclasp of Friendship

This is a friendly town because it is made up of friendly people. As you become better acquainted with the folks here you will recognize and appreciate the full meaning of this friendliness. As business men we welcome you to our stores. Make free use of the conveniences we have for your use. Through this printed word we exhibit the handclasp of friendship with the hope that we may be able to see you soon in person and shake you by the hand.

Attend The Fair

Come to Northville Fair Week. Bring your family and your friends and let's enjoy a few days of real fellowship.

The stores of the village will close at noon on Wednesday, Thursday, Friday and Saturday and will open again after the afternoon's programs to accommodate those who need to do some shopping.

Anticipate your wants as much as possible during the forenoons so we can serve you well. In the afternoons let us all go to the Fair and have a real merry time together. A few days recreation will do us all good.

The Business Men of Northville

They Had Been Buddies

By HERBERT L. MCNARY

© 1925 Western Newspaper Union

THE sweat-bathed road horse and his tanned, lean-isaged rider slipped through the seemingly trackless woods as skilfully as any tire-bearing prowler. Suddenly horse and rider debouched upon a clearing and as suddenly the horse came to an abrupt halt.

With scarcely a perceptible motion the khaki-clad rider's steel-gray eyes were fastened on the small cabin in the clearing. Then horse and rider moved off as silently as they had come and soon the rider returned alone.

He approached the cabin from the rear. Carefully he peered in the window, and he became aware of the slight movement in the corner bunk. Then he heard a muffled groan followed by incoherent muttering. The man in the bunk turned, rolling off a blanket and exposing a dirty, blood-stained and crudely bandaged leg. His staring eyes of a raving man. On the flannel shirt of the man, in the bunk gleamed a picketed badge. The other went low and read: "Internal Revenue." He pulled.

The newcomer first removed a heavy forty-four from the belt of the Internal Revenue officer and placed it in his own belt. He took the last cigarette from a package and lit it. Now he broke the officer's revolver and put the cartridges into the cigarette package and crossing to the cupboard hid the package behind some tins.

"Get that Silver Fox," he heard. "I'll get him." "The lone gunner, is he?" "Won't this war ever end? I'm sick of the trenches. Get those Germans. Get that Silver Fox."

"Guess you haven't eaten for some time," grumbled the cook as he prepared to feed his patient, "but if you was in the trenches like you say, then you know what it means to be hungry so do I. Some of them places you named I seen myself, buddy."

"Who are you?" asked the revenue man.

"At the George," replied this one.

"My name's Tom Lloyd," he said in a low voice.

"What's your rank?"

"Oh, I work where I am."

"What's your pay?"

"I don't know, but I guess it's not much."

"I must have told you a lot. One of the rounds got me in the leg. Won't be long, though, that was."

"How about a week? I found you raving and poisoned, but I pulled you through."

"Upon I owe you all life," declared the other quietly.

"Don't mention it. Most of the time you're trying that pieces in a fence. I was there, too. That's where my hair turned gray. I was with the Third."

"Mine was the First."

"If you told me all there's few things I want to do. Take it easy and I'll be back in time to get supper."

When the buddy with the just-arrived graced her returned late that afternoon it was to find the revenue man sunning himself outside the cabin.

"I guess I can be leaving soon," said the officer with a smile.

"Dang, hurry, there's plenty of food."

"Thanks, but I have to track the Silver Fox."

The other removed his hat and rubbed his hand reflectively over his gray hair. "I guess he's hard to locate from what I hear."

"So I understand—by the way, you didn't find revolver did you?"

"Yes, I thought you might hurt yourself in your raving so I took it away. Here it is."

"Guess I had better get a pad of water," said he who called himself George.

While he was away the revenue officer entered the cabin and crossed to the cupboard. From it he removed the package that contained the cartridges. When he pried the package back again it was empty.

After supper the two sat outside watching the sun sink behind the tall trees.

"What do you think of my chances of getting the Silver Fox?" asked the officer, breaking a long silence.

"You have to see him first."

"I have seen him," was the quiet rejoinder.

The gray-eyed man never moved. He finished his cigarette and then rose leisurely.

"Over in those woods is my horse. I had intended to leave in the morning, but I guess I'll go now."

"Why the hurry?"

"You're right. It's the Silver Fox. Maybe you'd want to give me a start because of the favor I did you in pulling you through because you was a buddy—well, don't let your conscience bother you 'cause you can't help yourself."

"I have my revolver," answered the officer. "You gave it back to me."

"I know, but I took the pills out. Maybe if you look hard enough, you'll find 'em. Well, so long buddy."

The Silver Fox turned and moved off to where the sun was dropping behind the taller trees. The officer watched him disappear into the silent woods and then he arose. He smiled a bit sadly and drew his revolver. He broke it and gazed a bit reflectively at the cartridges he had inserted while the Silver Fox had gone for water. He smiled and entered the cabin.

Novi News.

Rev. R. O. Thompson and family entertained friends from West Branch over Sunday.

Mrs. W. D. Flint returned last Friday from Frankfort, Michigan, where she has been for a few weeks.

E. J. Verduin, who underwent an operation in the Northville Hospital last week Wednesday is improving.

The illustrated lecture on Italy given by Rev. Wm. Richards at the Methodist church here Monday evening was very instructive and the pictures very interesting, showing some of the work done there by the Methodists regardless of it being the home of the Pope.

The "Kings' Messengers," Mrs. Coates' class in the Baptist Sunday school, will hold their class meeting in the church Saturday at noon. There will be election of officers and some plans made for future work in and by the class and is desired that all the girls be present.

Waterford News.

T. E. MURDOCK, Clerk.

troit has purchased one of those beautiful lots of W. H. McKernihan at "Cherry Houghs." They will erect a home there in the near-future.

DETROIT'S NEW THEATRE OPENS.

Unquestionably the most brilliant as well as the most important event in the musical and theatrical annals of Detroit occurred on Monday of this week, when the new Shubert-Lafayette, now the most beautiful of that city's down-town playhouses, opened its doors to an expectant public.

Splendidly located for the convenience of pleasers, both from in and out of the city, this theatre, located at Lafayette Boulevard and Shelby, is accessible from all lines of transportation, directly opposite the post office building.

The premier offering at the Shubert-Fafa-ette constituted the most beautiful and spectacular musical

play ever staged, according to the reviewers.

"The Student Prince in

Heidelberg," the latest and biggest of all Shubert offerings.

"LOOK OUT FOR THESE."

Detroit has been flooded with counterfeit five and twenty dollar bills, Postmaster Charles C. Kellogg of Detroit said Tuesday night in a warning issued to banks, business houses and individuals.

The bogus bills are of two series and one of the counterfeits is nearly perfect, the postmaster said.

Federal authorities said they had no clues to the identity of the counterfeiter.

**STATE NEWS
IN BRIEF**

Petoskey—Announcement made by Jacob Cohn and Harry Schweit, Chicago capitalists, that they will erect a 60-room fireproof hotel on a site on which the Clark Tavern, now is located and on adjoining property. Construction will begin next April.

Lansing—Unification of the Methodist Episcopal Church with the Methodist Church South was approved, 179 to 8, by the Michigan Methodist Episcopal conference here. The conference rejected a proposed amendment providing for the admission of laymen to the ministerial conferences.

Jackson—I had a headache and was passing the a.m. Harry Uteff, 38, of Utica, Michigan State Prison inmate, got grous when he returned to the barracks at the west farm after a posse had searched several hours for him. Uteff was sentenced from Detroit for from 2 to 14 years for forgery.

Morristown—After meeting of the county road commission here the Thompson Paving Construction company, of Toledo, was awarded the contract for the construction of Saline Street in the village of Petersburg bidding \$12,695.45. Carl Kibbey of Monroe was awarded the contract for the purchase of \$105,000 bonds on the Heilie road, and \$10,000 on the Utica road.

Escanaba—Chased by a bull, she was endeavoring to drive out of her orchard, knocked down and gored. Mrs. William Good, 54, of Harris, escaped death only as the result of presence of mind. She crawled under the fence as the bull charged for the second time and escaped with a dislocated shoulder and severe burns about the face and body.

Kuskegon—Mrs. Florence Prince, 21 years old, Grand Rapids balloonist, narrowly escaped death when she substituted for Mrs. Frank Stevens, a local balloonist, killed in a flight over White Cloud recently. The balloon became entangled when it left the ground and Miss Prince fell 500 ft. during the first 10 minutes, and Dr. Sam E. Lusk and W. W. Lusk, physicians, Dr. John L. Nequin, president of Albion College, provided the equipment used as safety devices. The doctor's son, a large crowd, Dr. D. Martin and R. T. Baldwin, director of the dairymen, and Dr. Sam E. Lusk and W. W. Lusk, physicians.

Ann Arbor—During the religious requirements of the legislature in Michigan, consideration of a state building program outlined by late P. G. McDonald, Burton, estimated the college students will be supplied by Dr. Clarence Cook Little, new president of the university, when he receives his office on September 23, he stated in an interview.

Michigan miners received \$10,000 in a donation from Walter Johnson, 21 years old, of Plymouth, who died at Hackley hospital. Johnson was directing the link between the engine and tiller when a steel bar hit the motor, striking his head. Lacque Farmers believe the explosion resulted from accumulation of gas that wrecked the mine.

Ann Arbor—The new George road in Washtenaw County built at a cost of \$140,000 by the state highway construction department's state prison forces was opened to traffic Sept. 12. The new road was made with the Scars road in Wayne, right at the county line and will provide a direct paved route from Ypsilanti to Detroit only nine-tenths of a mile longer than the Michigan state route.

Marshall—Wilmot Jones, 22 years old, son of a broker, held in connection with the death of John Blachey Vielhoff, cook for a Grand Trunk Railway construction crew at Barle Creek, was tried by Justice Pascal Hughes, after preliminary examination. Vielhoff's body, riddled with six bullets, was found on a lonely road between Bellevue and Marshall August 19.

Lansing—Dr. Lynn Harold Hough, pastor of the Central M. E. church of Detroit, won an indirect approval of his belief and utterances on evolution when a committee investigating similar beliefs of Rev. William H. Phelps, editor of the Michigan Christian Advocate, cleared him of heresy charges. The clearing of Phelps, who printed Rev. Mr. Hough's sermons in his publication, is taken generally by Methodists as assurance that Hough also will be cleared when Detroit conference meets.

Lansing—Representative Republican women from various sections of the state met here and completed organization of the Republican Women's Federation of Michigan. The first step toward such an organization was taken at the Republican State Convention at Grand Rapids in May, 1924. Then at Port Huron last June at a meeting advertised as a reception to Mrs. A. T. Hirt, vice-chairman of the Republican National Committee, a tentative constitution was adopted and officers were elected.

Houghton—Dr. William O. Hotchkiss, chairman of the Wisconsin state highway commission, has accepted the presidency of the Michigan College of Mines here, according to an announcement by the college board. He has returned to his home in Madison to wind up his business, preparatory to returning here to assume his new duties when the college fall term opens. Dr. Hotchkiss succeeds Dr. F. W. McNair, who was killed in a railroad accident in Illinois a year ago. Dr. Hotchkiss conferred with the board of control.

Port Huron—Miss Detroit VIII, Ger. Wood's sweepstakes' contender, which was to race in Detroit, cap-sized just east of the north end of Walpole Island, J. H. Stoneham whose home is in Detroit, was drowned.

Port Huron—According to a mortgage document filed with the register of deeds, the steamer Tashmoo and Tashmoo Park have been mortgaged to the Detroit Trust Co. The steamer and park belong to the White Star Navigation Co. and the purpose of the mortgage is to protect a bond issue.

Owosso—Plans have been drawn for a children's ward to be added to Memorial hospital here at a cost of between \$6,000 and \$8,000. It will be one of the most modern in the United States. Private donations will finance it. A contagious disease building, just completed will be opened September 17.

Lansing—Surplus and assets of the Ford Motor company without subsidiaries have reached \$644,624,68, according to the corporation tax report made public by the department of state. Other Michigan properties of Henry Ford will bring his total wealth at least to the billion dollar mark. Corporation diversion attaches expect.

East Lansing—The proportion of girls to men students at the Michigan State College which has been steadily increasing for the last few years will probably take a big jump this year, according to H. H. Hall, director. To care for the increased enrollment expected three new dormitories are being fitted out at the college.

Iron Mountain—The mining of low sulphur may become a profitable industry in Dickinson County. John Jacobson and George Nygard, farmers of Metropolitan, have started working it on their farms. Sharts are being sunk and if the enterprise proves satisfactory, it is planned to obtain capital to fully develop the industry. Yellow ochre now is bringing about \$40 a ton. It is used in the manufacture of paint.

Allerton—The Methodists of Allerton, Ill., voted to the satisfaction of all concerned the question of lay representation in the annual conference when four preachers of churchmen debated for 10 years before a large crowd. Dr. D. Martin and R. T. Baldwin, director of the dairymen, and Dr. Sam E. Lusk and W. W. Lusk, physicians.

Albion—The Methodists of Albion College decided to the satisfaction of all concerned the question of lay representation in the annual conference when four preachers of churchmen debated for 10 years before a large crowd. Dr. D. Martin and R. T. Baldwin, director of the dairymen, and Dr. Sam E. Lusk and W. W. Lusk, physicians.

Waukegan—Mrs. George Stoeber, 40 years old, of Waukegan, Illinois, blind invalid of 10 years, died during the several years she has lived her life of balloons at a rate of 1000 per month, provided her last 10 years, when she dropped more than 7000 to her death before a total of 2000. Magicians and farmers gathered for the annual rodeo at crimson and homecoming. Mrs. Stewart's daughter, 16, and her son, 12 years old, witnessed the tragedy.

Lapeer—Two new offices are planned for Detroit by Secretary of State Charles J. Ireland, in order to handle the increasing business of his department. For the sale of auto licensees next January 1, 1926, will be opened in convention, which will have sufficient capacity to take care of the bulk of the licensing transactions. In addition, he will open an office at once at 17th and Brush building to handle the general business of his department.

Jackson—The first units of Michigan's new taxicabs prior to be the largest state revenue unit in the country, larger than Indianapolis, will be completed this fall, and work soon will be in progress on the first of the huge buildings designed to accommodate 500 operators. These units, Harry L. Hubert, former warden, and now superintendent of construction, explained will be the new dye plant and the towering concrete wall that will surround the entire unit within the prison.

Grand Rapids—Legal, noiseless street cars which can be operated at half the cost of regular equipment and have the same carrying capacity are being experimented with here in an effort to meet motor bus competition. The experiments are closely followed by the American Electric Railway Association. It is contended that if the cars prove practical, street railways will be able to operate more profitably than buses, and will provide more rapid and comfortable transportation.

Pontiac—Stealing automobiles became passe here with the first report of a stolen airplane turned in to Sheriff Frank Schram. Harry Brooks, youthful aviator, reported the theft, the plane belonging to his friend Hoyt Brown, of Birmingham. The plane had been taken to a flying field near here for repairs. In order to fly away with the plane, Brooks told the sheriff, it was necessary for the thief to replace certain parts of the magneto and to fill the tanks with gasoline, oil and water.

Detroit—The Packard Motor company has filed suit against the city of Detroit in circuit court seeking the return of \$74,497.87, declared to be due because of excess taxes levied against the company. The motor concern paid a tax of \$265,609.83 under protest, alleging that the law under which the assessment was levied is unconstitutional, and that the difference, \$74,497.87, between the old tax rate and the present one, should be returned. Under 1915 tax regulations the company would have been taxed a total of \$191,111.98.

THE RECORD : NORTHVILLE, MICH., FRIDAY, SEPTEMBER 18, 1925

Next Week Will Be

FAIR WEEK

In NORTHVILLE

Tuesday-Wednesday-Thursday-Friday-Saturday

5-BIG DAYS AND NIGHTS-5

Better Buildings, More Exhibit Space, Bigger Displays, Larger Purises and Premiums, More Interesting Attractions, Many Added Features Are Promised This Year.

Better Baby Contest Wednesday, September the 27th

MRS. FLORA LARKINS Superintendent.

To be held in a Tent Especially Provided, beginning at 1:30 p.m. No Entrance Fee is required, aside from the regular admission at the gate.

THE WEEK'S BIG PROGRAM

TUESDAY, SEPTEMBER 22

Receipt and arranging Exhibits.

Band Concert.

All Exhibits in place by noon.

Horse Show.

Pipe Rig Rides.

Ball Game—Clyde vs. Northville.

Free Attractions during Afternoon.

Three Racing Events.

Night Fair.

Big Fireworks at Night.

Cass Tech Band.

FRIDAY, SEPTEMBER 25

Redford and Farmington Day.

Band Concert.

Awarding Premiums.

Ball Game—Winners of two previous games.

Free Attractions.

Five Big Rides.

Three Racing Events.

Fireworks at Night.

SATURDAY, SEPTEMBER 26

Band Concert.

Detroit and Home-Coming Day.

Three Racing Events.

Ford-Motor Band.

Grand Calypso Prize Winning Stock.

Fun for Everybody.

Ball Game—Championship, Blues vs. Reds.

Five Big Rides.

Night Fair.

Magnificent Fireworks Display.

WEDNESDAY, SEPTEMBER 23

Band Concert.

Better Baby Contest in Tent.

Ball Game—Pontiac vs. Milford.

Horse Show.

Free Attractions.

Five Big Rides.

Night Fair.

THURSDAY, SEPTEMBER 24

Plymouth Day.

Band Concert.

Judging Exhibits.

Five Big Rides.

Free Attractions.

Ball Game—Daniel Sales vs. Good Roads.

Women's Work, Art and Educational Display; Fruit, Vegetables and Cereals; Farm Machinery and Automobiles; Live Stock and Poultry; Dogs and Pet Stock.

3-Big Free Attractions Twice Daily-3

Four American Aces and a Queen in Spectacular Aerial Acts.

The Robbins Family—Father, Mother and Five Children—all Contortionists, will present many acrobatic feats.

Happy Harrison's Animals—a happy Family of Trained Animals—a Baboon that rides a bicycle; a Pony that waltzes; Dogs that perform, and a Mule that "bucks."

SPECIAL DAYS

Tuesday and Wednesday, Horsemen's Days; Thursday, Plymouth Day; Friday, Redford and Farmington Day; Saturday, Detroit and Home-Coming Day.

Rides, Concessions, Amusements, Ferris Wheel, Merry-Go-Round

The Horse Show for Tuesday and Wednesday will excel anything of its kind ever presented at a county fair. Michigan's best stables will be represented.

Cass Tech Band Thursday. Redford Boys' Band Friday. Ford Motor Band Saturday. Northville Band Five Days.

EVERY DAY AND NIGHT CROWDED FULL

Going to the Devil'

The Devil was originally the name of a noted public house located at 2 Fleet street, near Temple bar, in London. When the lawyers in the neighborhood went to dinner they were accustomed to hang out a sign on their doors, "Gone to the Devil," so that those who wanted them might know where to find them.

Making Out a Case

Letter said to have been received by a lawyer: "Dear Sir—My boy got struck by an automobile, number 457-264. If the owner is rich, sue him at once. The boy wasn't bruised any, but on your notifying me that you have brought suit, I will pay him in two or three places with a bumper. Yours truly, etc."—Boston Transcript.

Aviation Sense

Through the force of gravity an aviator can tell when he is at altitude too great to see his surroundings. If he is flying upside down, he brings native of New Jersey, who, in 1816, as in his belt, and if he is flying on the side, he will be pulled by his force to the side. He will be pulled by his force to the side.

Gave Name to Town
Scherer, La., was named in honor of Henry Miller (1785-1852), a native of New Jersey, who, in 1816, as he crossed the Mississippi and Ohio rivers, he will be pulled by his force to the side.

Pays For Itself In Fuel Saved!

Other heating devices must be paid for, but the Arcola costs you nothing. Why? Because it soon saves its cost in the smaller consumption of coal, coke, oil, gas or wood. Moreover, the Arcola distributes its cozy warmth uniformly into and through every room, instead of sending it up the chimney.

The new low price and our easy payment plan will soon add a half-million to the 100,000 homes already Arcola equipped. Ask us today for names of neighbor Arcola owners. A postal request brings you the free book.

R. G. Lang,...Phone 12-M

In These Days

Of so many sudden and unlooked-for accidents can you afford to be without some Life Insurance?

The cost, compared with the benefits, are very small.

Let us explain to you how easily you may carry a policy in the Peoria Life.

You need this protection today.

Let's Talk It Over.

E. A. KEENEY

Peoria Life Agent
Northville, Michigan

U.S. REPORTS YIELD OF CORN IS REDUCED

Forecast Indicates Crop of 2,885,000,000 Bu.—Wheat, Oats Show Gain.

Washington.—The indicated corn yield has been reduced by 15,000,000 bushels in the last month as a result of drought and continued heat, according to the government report, made here. While placed the probable crop at 2,885,000,000 bushels, the estimate was 2,955,000,000 the previous month and 2,427,000,000 in the same month of 1923.

The crop is extremely spotted, with a reduction of 42,000,000 bushels in South Dakota and 19,000,000 bushels each in Minnesota and Illinois. In Illinois the total of 2,885,000,000 was a surprise in view of recent pessimistic reports. The low crop was actually unchanged, while the Ohio estimate was raised 9,600,000 bushels, indicating a record yield for that state.

Yields of 21,000,000 bushels in spring wheat, 13,000,000 bushels in oats, and 8,000,000 bushels in barley were reported, with the gain for the five leading grains at 37,000,000 bushels over August, raising the total to 5,321,000,000. This is an increase of 473,000,000 bushels as compared with 1923.

Estimated prices prevailing for September delivery of wheat, oats, barley and barley at Chicago and December delivery on the five leading grain have a quotation of \$4.30,000,000 as of September 1.

The winter wheat crop is 418,000,000 bushels and the total of all wheat 700,000,000 bushels, compared with 873,000,000 bushels harvested last year, which is also the five-year average. Late oats are yielding much better than was expected, and the estimated crop is now 1,402,000,000 bushels, an increase of 73,000,000 bushels. This crop figure has been exceeded only four times in the country's history. The harvest last year was 1,542,000,000.

Mellon to Ask Heavy Reduction of Surtaxes

Washington.—Secretary of the Treasury Mellon, who has just returned from a vacation at Southampton, indicated that he was ready to place himself at the service of the House Ways and Means Committee, which will soon begin framing the tax reduction bill for the six-month congress.

Sufficient features which will be included in the secretary's recommendation when he is called upon by Chairman Green for a statement of his views are the following:

Heavy reduction of surtaxes on large incomes.

Repeal of the publicity section of the revenue act.

Reduction of federal estate taxes with a view to final elimination of such taxes which the secretary believes should be left to the states.

More People but Less Money in United States

Washington.—A Treasury department estimate made public here puts the population of the United States on September 1 at 121,340,000, against 121,000,000 on September 3, 1924. The sum of funds held by the treasury and Federal Reserve banks, money in circulation, the first of the month was \$4,754,024,000, an increase for twelve months of \$10,146,000. The per capita circulation, however, showed a decline of being only \$41.84, as compared with \$42.28 a year ago.

Coolidge End Vacation; President and Wife Tanned

Washington.—Washington people who saw President Coolidge upon his return from eleven weeks at Swampscott were impressed by his trim physical appearance.

He had acquired just a bit of tan. He walked with a springy gait. He seemed healthy and happy.

But he didn't put on a pound at Swampscott! He tipped the scales at 162.

Miss Coolidge was as brown as a berry.

Negroes Kill White Man

in Race Riot at Detroit

Detroit, Mich.—Leon Bremer was shot and killed, and Eric Houghberg was shot and seriously injured in a riot in the residential section. The trouble started when a negro family moved into a section previously inhabited only by white persons. The men shot were white.

Several thousand persons gathered around the house, but made no attempt to injure the property. The negroes, seeing the persons outside, opened fire, witnesses stated.

Ship Rescues Sailors

Washington.—The schooner Bowdoin MacMillan's flagship, has reached the steamer Petry at Godthaab, after passing through an 80-mile gale in which she rescued sailors from a Danish naval vessel.

End Daylight Savings Sept. 27

Chicago.—Daylight savings will end September 27, as the last Sunday of the month, it was announced here.

Further attempts to knock out the orange are planned.

Kalamazoo.—Approximately 25 sheep raisers of Kalamazoo county have pooled their wool, 16,000 pounds. This has been loaded and shipped to Columbus, Ohio, where it will be sold some time prior to September 1, subject to market conditions.

Owosso.—The safe in the grocery store of Chris Soto on Main street here, within a stone's throw of police headquarters, was robbed of approximately \$1,000 in broad daylight. Burglars entered by forcing a rear door and breaking the safe locks.

Marshall.—The Marshall Fire Department in the past year had 165 most successful fires since its organization in 1917. A dividend of 10 percent was paid to the stockholders at the annual meeting as a gesture of appreciation.

Am. Arbor.—Michigan will be represented by a ship of a girl from Old Japan at Oxford next fall, the first woman of a foreign land, to take the class or the local school to England's noted home of learning. The girl is Fumi Kinao, of Kyoto, a graduate of the University of Michigan this year.

Geneva.—Those Genesee County supervisors who want the new court house built within a \$750,000 appropriation saved in interior materials must be in a hurry to get in touch with those who want the size of the building, the location and the best material used, so that the building will be credit to the county.

Monroe.—At a meeting of the Board of Education it was decided to hold an annual school election on July 18 for the purpose of selecting the members of the board. G. T. Southworth, president, and John Eber are the outgoing members. The former has served 25 years on the board, a number of years as president and secretary.

Port Huron.—The city of Port Huron has adopted an agreement with the Detroit United Railway giving a day-night franchise within the city, on which franchises have existed for over half a century. The franchise in the city is both local and interurban lines. The agreement calls for a 5.5% rate and uniform fares.

Alpena.—The first motor driven passenger car, due to be seen in Alpena, arrived at the B. C. G. Building, a railway terminal station recently, with executives and guests aboard. The road has just drawn plans for the purchase of the car, which will be used in the city, at Alpena, Mich., as a mobile laboratory.

Highland Park.—Harold, the State Normal College Alumni Association at the annual meeting held attended by about 100 former students of the college. The association endorsed the present movement to raise \$150,000 for the erection of the first unit of a \$200,000 annual mortal building on the campus.

Grande Prairie.—Water in the Grande River from the head of the river to the delta here is rather impeded by lake inlets difficult this summer, according to harbor officials. Flotilla report many illegal signs along the edge of the channel. The condition is blamed to lack of precipitation last spring. Many tributaries to the Grande are practically dry this year.

Monroe.—Sheriff Joseph Kinsey and Coroner Fred C. Nadeau, while investigating additional charred bodies at the spot where a straw stack was set afire by two young men. The coroner believes the bodies are those of the members of a human body which were carried to the top of the stack in a gunny sack saturated with kerosene and then set fire. Two young fellows were seen running from the stack.

Mr. Clemens, Maj. Gen. Henry C. Hale, commander of the Sixth Corps Area, has presented to the First Pursuit Group at Selfridge Field the standards ever awarded an aerial unit of the Army. The event was the observance of the group's eighth anniversary. The presentation was made following review of the field personnel of 350 men and was followed by the air review in which 20 officers participated. As commander of the group, Maj. Thomas G. Lamphier, received the standards.

East Lansing.—When 293 graduates of Michigan State College received their diplomas here the event was historic because the class was the largest that has ever graduated from the school and because it was the first time that the diplomas bore the new name of the college. Former Governor Frank O. Lowden, of Illinois, delivered the commencement address, acting as its subject "The Need of Agricultural Education." He was introduced by President Kenyon L. Butterfield of the college.

Detroit.—Two aviators, one a World War ace and the other a student friend, fell 200 feet to instant death when the airplane in which they were taking a pleasure spin caught fire, went into a nose dive and finally crashed to the earth. The dead are Frank Goddell, pilot of the machine, who has been a commercial aviation instructor at Detroit and nearby fields for the last eight years, and Charles Boffey, a novice at the air game, said to be a close friend of Goddell, who was to receive a plane of his own within a few weeks.

These Cool Evenings

Suggest one of our Heating Stoves, or a Perfected Oil Heater—just to take the chill off the room.

These heaters will burn any kind of fuel, give out lots of heat and will save you coal until colder weather.

The Perfection Oil Heaters are just the thing to take the chill off the bath room or bedroom, the dining room or kitchen.

Fifteen Bushels of Dirt!

Taste indicate that not less than fifteen bushels of dirt come into the ordinary house in the course of a year. A large part of it is disposed of by broom and dustpan—but not all, by any means.

Here is a proof: Sweep a carpet thoroughly, sweep it until not a speck of dirt appears or an ounce of strength remains in the arms. Then let an electric vacuum cleaner pass over it and look at the bag. You will see dirt aplenty.

Broom and dust cloth may make a house look clean; the electric vacuum cleaner makes it truly clean and sanitary. Come in and see how conveniently you can acquire one of these labor-saving, health-promoting devices.

LOCAL

The Ladies' Aid will be in session Saturday evening. Mrs. C. R. Benton, visiting relatives and friends in Detroit, will close Saturday, September 26th, on account of the fair.

Jacob Crommer, who has been very ill, is now much better and is able to be about his home again.

Mr. and Mrs. Burt C. Stark will be their guests this week, Mr. and Mrs. Harry Grandy and Mrs. Adele Dean of Detroit.

W. H. White, Sr., visited his cousin Charles White, at Howell Sunday. Charles White, who had been visiting there for two weeks, returned home with him.

The Michigan University women and the October circle of the Presbyterian Church will hold a rummage sale early in October. Save your rummage and watch for further notice.

Bruce Knowles returned to Alma Monday where he will attend Alma College for the coming year. His second year at that well known institution. Rev. F. P. Knowles accompanied him returning home in the afternoon.

Rev. William Richards left the first of the week for the meeting of the annual conference which is being held at Flint. He will return home the first of next week and it is sincerely hoped he will be returned to Northville as pastor for the ensuing year.

Walled Lake will have a sports day on Saturday tomorrow afternoon when an interesting program will be given.

Walled Lake and North Farmington will play a game of ball to be followed by a game between Clyde and Franklin. There will be street sports of various kinds.

Little June Marlene, infant daughter of Mr. and Mrs. Harry Austin, died at their home near South Lyon, aged three months. Besides her parents she leaves five sisters and two brothers to mourn her loss. Mrs. Richard Radtke, daughter-in-law, Messrs. Lena, Jessie, Hazel and Vernon and Masters Charles and Harold at home.

That morning at the Northville Exchange Club a memorial dinner at Hotel Stevens, Detroit on Tuesday evening, 500 ladies from St. Louis, San Fran, Calif., and Bakersfield, Calif., who gave a talk before the talk on the subject of education which was urged all to adopt a plan for a gradual leveling of our tax rates national state and local.

Mr. and Mrs. A. D. Dohle, B. B. Brownson and Paul Alexander attended the gathering of Exchange Club of Detroit the first of the week. The first Exchange Club was organized in 1881, one hundred years ago by a group of business and professional men who were in the habit of gathering at night in public places for their mutual benefit. From that beginning the Exchange idea has grown until to-day there are 100 affiliated clubs in the United States. The people of Detroit were gratified in their efforts to make this the righting Exchange and the convention was a decided success.

BAKL SAUZ SUNDAY. The 50th number of the Presbyterian church will hold a bazaar sale at the Palace Market on Sunday, September 29th, commencing at 10 o'clock.

AUTO PARKING. Auto parking stands for 50¢ each on South Center street just beyond the fair ground gates of the VanBickle place.

WOMEN! DRY CLEAN THINGS AT HOME

Try it! For a few cents you can dry clean everything.

Save five to ten dollars quickly by dry cleaning everything in the home with gasoline, that would be ruined by soap and water—suits, coats, waists, silks, laces, gloves, shoes, furs, draperies, rugs—everything!

Place a gallon or more of gasoline in a dishpan or washboiler, then put in the things to be dry cleaned, then wash them with Solvite soap.

Shorty—everything comes out looking like new. Nothing fades, shrinks, or wrinkles. Do not attempt to dry clean without Solvite soap. This gasoline soap is the secret of all dry cleaning.

A package of Solvite soap containing directions for home dry cleaning, costs little at any drug store.

The big event of the year in Northville will take place next week when the Ninth Annual Fair will be held.

Fair week has come to be recognized as a community holiday season and everybody will want to attend.

Come here and fit yourself out with New Furnishings, Clothes, Overcoats, Sweaters, Caps, Hats, etc.

Men, Young Men and Boys can be fitted out here to their entire satisfaction.

KILGOUR'S

Cleaning — Pressing — Dyeing
Men's and Women's Clothing.

Better than stocks and bonds is a tasty Bungalow logically built and conveniently arranged, because it's both a good investment and a good speculation.

There's a lot of satisfaction in owning your home and being free from the landlord and the greed of the big corporations.

That's the investment feature, and it's a good speculation, for if you wish, you can easily rent a good bungalow, or sell it at a profit, because you'll never build one any cheaper than you can now; let's talk it over?

SUNDAY'S BALL GAME GOES TWELVE INNINGS.

About seven hundred spectators missed the twelve inning ball-game last Sunday and the other one hundred were there. Those present saw one of the best games of the season and also witnessed another little record made by the local team's pitcher Harry S. German.

The Detroit Independents, so-called comprising mostly the semi-pro Polish Records and including such players as Brinkert, Orkie, Gaines, Hayden and others well known in base ball, selected four runs in the first two innings. The runs were obtained by some loose base ball but after that was over, the Northville boys played good ball. Through their work and the consistent pitching of our local pitcher, he was able to blank the Detroiters for the next ten innings. This gave him a new record for himself having pitched ten consecutive innings (an overtime game) without allowing a run. While the visitors were getting their four runs in the first two innings, our local club tallied two runs and again in the sixth two more, tying the score which remained tie to the end of the twelfth inning. The game was called on account of darkness at the time the Independents having surrendered and gladly accepted by the local team, as it was becoming dangerous to the players upon the diamond.

A result of ball game four, just after battling for twelve innings, indicates the evenly matched teams and the low score shows that good playing on both clubs must have prevailed. To enlighten fans in the future it might be said that the diamond was in good condition without water on it, whatever, and is one of the quickest rain absorbing playing fields in the state. The fans who were not present no doubt carried the idea that the game could not be played after the rain of the night before and through the day. Thus the explanation for the future where it might be thought that a game is recalled.

Sunday, the New Hudson team will be in Northville for their long expected game with the local team whom they have been anxious to meet. New Hudson has a pitcher of good reputation and has brought them materials to victory this summer. They will be able to stop their opponents from scoring and at the same time with hopes of securing enough runs with their better batters to win the game. Time will tell. Then we will be at 10:30 at the big Wayne County Fair tournament at Northville.

SCHOOL CHILDREN TO PRESENT PAGEANT AT FAIR.

One of the most attractive of the many interesting sights to attract the youngsters' attention on children's day at the Northville fair will be the "Modern Crusade to Health," presented by the Northville Primary grades. Given its coming on the 10th of October, come on Wednesdays, it will soon be appeal to young and old alike and no one should miss seeing this. Dr. Ray, organizer

of the pageant, will begin in the form of a parade with the Cho, the health visitor leading at the front and queen of Healthland wearing a crown made to be the queen of health, including the angels Sir Milk, Valentine Tomato, Mr. Brown Bread, Mrs. Peter and all the other important personages of Healthland.

As a special favor to the children the Sunshine and Fresh Air Fairies will dance for them at the show when they let the girls as well as little boys and girls go. The Tooth-brush Army will drill and the White Fairies of Cleanliness will play the dance of good health.

The entertainment will include 150 beautifully costumed children appropriately dressed to represent the various characters. They are being trained under the direction of Miss Dorothy Taylor, assisted by several other teachers in our public schools. The pageant will take place at 1:30 p.m. in front of the grandstand.

RESOLUTIONS.

In the death of Mrs. Ascension Lovewell August 18th, 1925, Mizpah Circle of The King's Daughters has lost a most earnest worker. Through years of service as a Daughter of The King she has gone forth, "In His Name" to a better home, where there is no suffering or sorrow.

We wish therefore, as a Circle of The King's Daughters, to express our appreciation for the services which he rendered and our keen sense of the loss we have sustained in her death.

We wish to express to the loved ones who mourn her death our appreciation of her life with us and our deep sympathy in their sorrow.

Having gone she yet speaks and inspires to noble endeavors. May we all catch that inspiration and strive to make our lives a blessing in the name of Him whose servants we are whom we serve. Therefore, be it

RESOLVED, That a copy of these resolutions be placed upon the records of Mizpah Circle, a copy printed in the local paper, and a copy given to the bereaved family.

MRS. ALICE HINKLEY,
MRS. MABEL HILLS,
Committee

RECORD LINERS PAY TRY ONE

FAIR NOTES.

Northville people are urged to remember that the members of the Senior class will have a booth at the fair located just east of the main building, where they will serve lunches and all kinds of good things to eat. They have taken this means, as in former years, to earn some money for their Washington trip and they will appreciate any assistance that may be given.

If any one would like to furnish something for the booth their kindness will be greatly appreciated.

It is proposed to have an exhibit from the rural schools of Wayne county this year—a new feature of the educational department. Owing to lack of space in the main hall, this exhibit

may be placed in an overflow tent which will be erected just west of the main hall, but you will want to see it.

Entry blanks for the all-breed dog show may be obtained at the secretary's office in The Record building or

from Dr. E. B. Cavell, superintendent.

The Wixom Baptist church ladies

will have an eating booth during fair week, where they will serve lunches, and good ones, too.

Patronize the Seniors at their booth near the main building.

The American Legion will have a booth near the woman's building at which they will serve lunches, soft drinks, cigars, etc. Just bear this in mind when you are hungry and thirsty.

Covetous

We never envy another man his money. It is the guy whose fountain pen infections successfully that we are indebted to for our green complexion.

-Houston Post-Dispatch

Varying Power of Light

A writer in the Illuminating Engineer gives the following table showing the brightness or intrinsic brilliancy of various sources of light: Sun; \$00,000 candles per square inch; modern searchlight, 400,000; open electric arc, 50,000; moon, 2; blue sky, 2.

ARMSTRONG LINOLEUMS

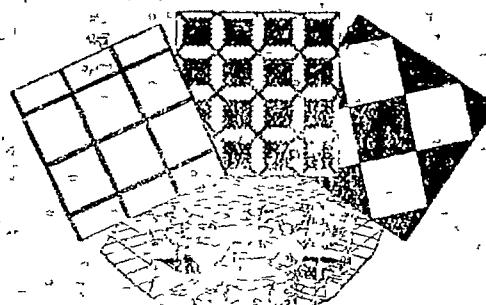

WE HAVE THEM!

The well known and popular Armstrong Linoleums are being featured in the big city stores this week—stores that desire to display the best quality of Floor Coverings.

We have a good assortment of them and we shall be glad to have you call and look them over. If we do not have in stock just the design or pattern you desire we shall be glad to secure it for you.

There are patterns in this new Armstrong's Linoleum that will bring joy to any housewife's heart. Cheerful colors. Simple, yet intriguing designs in correct motifs—some find their inspiration in rare old Italian floors!

Pretty designs printed in heavy, enduring oil paints on a "cork-tough" linoleum body—that's Armstrong's Printed Linoleum. Designed for the bedroom, for the kitchen, for the bathroom—or for any room where beauty and long wear are wanted at a price to fit a modest purse.

Armstrong's—the linoleum of over a hundred laboratory tests—costs no more than commonplace kinds. And it comes in inlays, plains, prints, or genuine linoleum rugs.

You will also find these Congoleum Art Squares of great service in any room where a durable, long-wearing covering is desired. We have them in a variety of patterns and colors and in various sizes.
