'TWAS THE BEST FAIR HELD HERE

That is what all fair visitors declared—Good Attendance, Large Exhibits, Everybody Pleased.

The North Alfred Northville Wayne County Fair concluded its program Saturday night less than an hour before the severe rain storm visited this section, flooding the grounds and soaking everything. The weather for the week had been somewhat threatening and at times very cool, but each noon the clouds would disappear and the days and evenings were enjoyable. From point of attendance the fair was not up to last year excepting Thursday, which was one of the fairest days of the fair, judging from the number of exhibitors and the attractiveness and quality of the exhibits. It far exceeded any previous effort. Every department was well filled some of them to overflowing and the displays were all very creditable.

The officers and directors of the association and all who assisted them are entitled to a great deal of credit and praise for the manner in which the annual show was presented and for the universal good feeling which prevailed throughout the six days.

Plymouth Day Good Showings.

Our good neighbors over at Plymouth observed Plymouth Day in large numbers and more than 100 automobiles bearing neatly printed cards from Plymouth to Northville passed through the gates. A long pipe band accompanied the visitors and added a color and dash to the procession. The cars, bearing the Plymouth people, were parked on the west side of the roundabout as they paraded around the track; they were greeted with generous applause. Northville people, appreciating the cooperation of their neighbors over Plymouth in their efforts to make the fair a success and the fair management in especially grateful for the large number of Plymouth people who joined in the proportion.

Poultry Show Larger Than Ever.

If any one thought it would be impossible to fill the enlarged poultry building, he was wrong, because they have another guess coming, because the poultry was the largest in the history of the fair, more than 500 birds before completed to "honor" all the birds and not to mention

Mr. and Mrs. Riddle.

Mere Sound and Fury

There are two sides to every question, and some of the questions now being widely debated in this happy land are the two brass-drums, of which it may not be far from you to say, intend to both sides crest top have had a lead much in the last few days.

TWENTY-FIVE YEARS AGO

Items taken from the Record files of 1895, for the week corresponding to this week.

Mrs. Della Harmon spent Tuesday with friends at Wixom.

J. N. Estabrook of Detroit spent Saturday and Sunday at Dr. Wallin's. Prof. J. Henry Smith is now choir director and organist at the Presbyterian church.

Mrs. E. C. Stark, who has been visiting daughter home in Adrian for two weeks, is expected home today.

Carl Capell was home for a few days this week enroute to Bay City where he has a position in one of the job printing offices of that town.

President Hartfield of the Bell Foundry company has lately secured some big contracts from western parties for bells and other castings. The company is also about to go extensively into the manufacture of furnace castings.

A very pretty home wedding occurred at the residence of Mr. and Mrs. C. P. Angell, west of town when their daughter, Bertha, was united in marriage to John H. Merritt, Rev. Mr. Hayne of Salem officiating. About sixty guests were present.

The next apportionment of primary school money will be a big one. The heavy rainfall, however, has left a big lump of money in the treasury and \$1,170,000 will be distributed in the November apportionment. The rates per capita will be \$1.65 making a total of \$2.15 per capita for the year.

Cass Murdock got tangled up with the liveliest kind of a runaway on Sunday. His horse went around the corner at Hirsch's blacksmith shop at a 2 1/4 mph. when the carriage collided with the iron hitching post throwing Cass out under the wheels with tragic force. Then a dive was made to Dr. Henry's residence where the whole outfit including buggy and harness was left while the horse quietly meandered down the street. Cass was severely shaken up but except for a cut on the forehead, was but slightly injured.

The races at the Belmont fair last week were especially good and Rattemeyer, Stanley Miller, Hamilton and other Northville horsemen were winners in one or more events. During the race, Billy Cuff of Detroit and George Stanley of the place, got into a hot altercation on the track and a wild and encounter ensued in a regular "go-round" style until the crowd broke into the ring and the two contestants went down in a bunch. When they were finally pulled and hauled to their feet again both very badly maimed up around the face and head and in addition Cuff had bitten out a piece of skin on his ear and others who injured him in his rage said he is now told up to bed indefinitely ill.

BRACE TEST DAYS TO BE OBSERVED HERE.

Along with other cities and towns in Michigan October 7th and 8th will be observed in Northville as "brace test days."

All owners of autos and trucks are expected to come to Franklin and North Center streets and have their brakes tested. The license numbers will be taken and checked throughout the county and state so that any accidents which may occur after the tests are completed it may be determined whether brakes were at fault.

The brace test duty is a good thing for all concerned as it is part of the safety campaign which the Detroit Automobile Club and similar organizations are keeping up through the country.

The test in Northville will be conducted by Marshall Ernest Like and helpers from 2:00 p.m. to 4:00 p.m. of the two days named.

Do your self and be on hand. There is no cost except your time and it may prove a very great credit to you personally.

G. A. DOLPH, Pres.

THE KING'S DAUGHTERS TO GIVE SHOWER.

The King's Daughters will meet with Mrs. Lizzie Harger on Tuesday next, October 8th, at 3:00 p.m. Please remember to bring jam and jelly for the shower to be given at this time. Let every member make a special effort to be there. Also, please remember the state convention of The King's Daughters and Sons, to be held at Flint October 7th to 9th. Plan to attend if possible—Secretary.

Natural Advantage

Medical scientists say that red-haired women suffer less from serious diseases than darker women. This is put down to the fact that the skin of red-haired people is usually quicker to function than that of other folk. In other words, it sheds poison more rapidly than dark skin.

OPPOSED FLIGHT OF SHENANDOAH

Lansdowne Protested in Vain to Admiral Eberle, Files Reveal.

Baltimore, Md.—The confidential files of the Navy department containing almost all of the correspondence relative to the last trip of the great dirigible Shenandoah were placed in evidence before the court of inquiry investigating the airship disaster and an amazing series of documents derive in Admiral E. W.李, chief of naval operations, in Letter Com. 1, issued 11 days ago, it is revealed.

The confidential files showed that orders had been modified in several instances at protests by Lansdowne that had been overruled in other instances of that the chief of naval operations had held that airships of the Shenandoah type were useless and a waste of money. If Lansdowne and other flying officers would protest in their best life of weather, birds,

The interchange of letters telegram at a time between the chief of naval operations, Admiral Eberle and Lieutenant Commander Lansdowne showed that almost to the time the Shenandoah had soared from the Lakehurst field on her fatal trip, Lansdowne had attempted to have the trip delayed until the second week in September, citing weather perils and the condition of landing fields in support of his contentions, and that he had finally been overruled.

Pittsburgh Team Wins National League Flag

Pittsburgh, Pa.—The National League pennant, emblematic of supremacy in the senior baseball circuit, was clinched by the Pittsburgh Pirates when they won from the Phillies, 2 to 1.

The fans swarmed on the playing field to congratulate the men who fought so valiantly and who brought to the fans the realization of their dream of 17 long years.

Their enthusiasm unbounded, the Pirates crowd about Bill McKechnie, their manager, and the veteran Fred Clarke, owner of the franchise of the men who failed to the veterans. The day after the game, the team refused to leave town until John Hough, a sergeant of the levee stepped in to subdue them. Shaking hands with the men and McKechnie, the League executive said:

"There never was a team that should not be permitted to go out and win the national pennant."

Walled Lake Warbles.

Walled Lake is to have a new physician, Dr. E. A. Martindale having rented the Robert Barnes house where he has opened an office.

The W. C. T. U. held a meeting at the Baptist church Monday evening to honor the memory of Miss Frances Willard.

Mrs. Arthur Beagle is credited with having frustrated early Monday morning an attempted robbery of the Pioneer Market located across the street from her home. The robbers made a hasty getaway when they discerned that their presence had been discovered by the Beagle household. When Mrs. Beagle arose a touring car was parked in front of the store, one man was working at the front door and two others seemed to be on guard. The doors showed signs of having been tampered with.

HUDSON FIGHTING EXCISE AUTO TAX.

Congressman Grant M. Hudson is making a determined fight against the excise automobile tax, and he will appear before the Ways and Means committee of congress within a few days and ask for its repeal. Mr. Hudson declares there is no longer need to collect this tax from the public. He said he believed his bill would meet approval of the committee and receive speedy passage by congress.

With the current treasury surplus nearly half a billion dollars, automobile owners ought to be relieved of this unjust tax which now brings in some \$180,000,000 a year, Hudson said. "The automobile is no longer a luxury but a business necessity."

TIPSILANT CHILD KILLED BY LIGHTNING.

Funeral services were held Tuesday afternoon for Little Margaret Harcourt, five months old daughter of Mr. and Mrs. Guy Harcourt, 523 Mauss Avenue, who died early Sunday morning. Interment took place at Northville.

The child was found dead by her parents when they awoke Sunday morning. At midnight when the mother gave her the bottle she was all right.

Little Margaret slept in a crib which had been covered by copper wire to guard her against flies. When she was found in the morning there were three spots on the screening which, together with a dark spot on the child's head, led her parents to the belief she had been struck by lightning during the thunder storm between 2 and 3 o'clock that morning. They believe the bolt also stunned both of them, as they awoke with severe headaches. Besides her parents there are two sisters surviving, Frances and Mabel. —*Pennant Daily Press*

PRIMARY SCHOOL FUND REACHES LARGE FIGURES.

Northville's share of the primary school money under the terms of the John Primary School Fund Law will be increased when the next primary apportionment is made, according to Thomas E. Johnson, superintendent of public instruction. Had the 1923 legislature passed the law Northville's share of the increase would have been \$513.90. Northville's increase will be in the neighborhood of that figure unless the population materially decreases.

Work of compiling the 1925 census under which the new apportionment will be made is now under way in Johnson's office. Private and parochial school enrollment figures are considered in the rearrangement of the fund.

The new school census for Wayne county shows a total of 352,291 pupils in that county. The total primary school money available for Wayne county this year is \$4,837,866.70.

DETROIT POLICE WON SATURDAY.

Detroit police, of the Chene Street Station Saturday afternoon at the farm grounds, trounced the Detroit House of Correction officers, 12 to 4.

Determined to avenge themselves on the farmers for the defeat inflicted on them August 29th, the police used the heavy artillery on Roman, the farm twirler. Wurm, Bach and Martin were the chief offenders, pinging out 10 hits between them for six circuits. Curtis and Pasco also hit two clean ones apiece on Roman, who seemed unable to do his regular stuff.

The cops used Guin on the mound for six innings and switched to Hurley, as Guin seemed to weaken. Hurley held the farmers scoreless the balance of the trip.

BRIGHTMOOR DEFEATED.

Sunday afternoon the Detroit House of Correction officers, with Kuhn on the hurling end, held Brightmoor to five hits, shutting the suburban boys out 10 to 0.

Kris for Brightmoor failed to fool the officers with his delivery, allowing 10 hits for as many runs.

Lazor for the officers, came across for three hits out of three up and contributed two runs to the total.

Firestone

Double the Mileage at Half the Cost

Only a few years ago a 32 x 4 cord tire listed over \$50.00. Today you can buy the highest quality 32 x 4 tire—a Firestone Gum-Dipped Cord—for about \$26.00.

Last spring crude rubber cost tire makers around 40 cents a pound. Today, it is over 90 cents a pound.

It was not so long ago that 7,500 miles represented the average life of a cord tire, while today, 15,000 miles—and more—is only the usual performance for a Firestone Gum-Dipped Cord.

Due to large, concentrated production, specialized machinery and simplified factory methods, together with economical distribution, Firestone is able to keep tire prices low—no matter where the price of crude rubber goes.

And because of special Firestone processes, chief among which is Gum-Dipping, motorists are today getting thousands of extra "The Mark of Quality".

Late Sunday night William Carey of 1929 Elmhurst avenue, Detroit, while motorizing alone drove into the side of a Pere Marquette freight train, receiving injuries from which he died at Grace hospital Monday. COMING TO THE SHUBERT-DETROIT OPERA HOUSE.

As mischievous as its name and as charming as its stars, "The Man with a Load of Mischief" by Ashley Dukes comes to the Shubert-Detroit opera house on Sunday night, October 4th for a week with Ruth Chatterton and Robert Lorraine co-starred.

Miss Chatterton has not been seen in Detroit since she appeared there in the all-star cast of "The Changeling" and her reappearance here on Sunday will be delightful news to the many admirers of this talented and charming star. Mr. Lorraine has gained an enviable position on both the English and American stage for his portrayal of Shaw's roles, in fact it was he who introduced Shaw to America.

"The Man with a Load of Mischief" is a current London success where it has played to capacity audiences since it opened June 1. In fact, it is one outstanding hit of the London season about which all travelers are talking.

Charmingly written in a whimsical and satirical strain, the situations lend themselves to delicate comedy, which altho verging on the risque at times are so cleverly handled that the audience may or may not be accepted. "The Man with a Load of Mischief" tells the story of a spoiled beauty of the late eighteenth century who runs away from her lover only to find she has run into love. The whole action takes place within twenty-four hours, in a wayside inn where the lady has been forced to take refuge when her carriage is wrecked.

The cast also includes Ralph Forbes as a serving man with the soul and ideals of a gentleman, Bertha Mann as my lady's maid who aspires to higher places; and A. G. Andrews and Jesse Raft as the Innkeeper and his wife.

Audrey Hammond of London designed the quaint costumes and Miss Chatterton sings one of the songs she sings during the play. The other song was written by Norman O'Neill.

PLAN EXTENSIVE HIGHWAY IN FUTURE YEARS 1926-1928.

The Wayne County highway commission will lay out the road and save \$100,000,000 for highway purposes in 1926. The first 1000 program calls for the completion of major details. The attention will be especially directed to the work of widening an entire already constructed and now unnecessary or new cement will be used. The stretch between Northville and Plymouth will be re-paved and laid with concrete the Canton Center road will be widened from Warren avenue pavement to the village roads at Plymouth.

The commissioners recommend that a tax of \$1.00 on each \$1,000 of assessed valuation be raised for highway purposes.

During the past year two new parks have been deeded to the county without cost. One is the generous gift of the late Cass R. Benton, who served with Edward N. Hines and Harry Ford as one of the original board of county road commissioners. It is a beautiful site on the Northville road between Plymouth and Northville. Steps are being taken to properly improve this gift.

At the junction of the Huron River with Belleville and Sampter roads another park site, known as Victory park also has been deeded to the county. A public comfort station has been erected at this point to take care of the public in a proper sanitary way.

Kenneth Rocker of Wyom had the honor of receiving the second prize at the state fair for physical perfection. The first prize was taken by Glen Macomber of Plymouth.

THE BEST FAIR YET HELD

(Continued from page 1)

The Community Clubs.

There is keen, good-natured rivalry between the Canton Center club and the Plymouth Grange and the honors have been about equally divided thus far. This year the Grange won first premium and the Agie club of the Plymouth High school second, with the Canton Center club third. The Desbork Garden club made a very attractive display of flowers and were awarded fourth premium.

In the display made by the institutions the Wayne County Poor Farm was awarded first premium and the Detroit House of Correction Farm second. Both of these displays were very attractive and attracted a great deal of attention from fair visitors. The county farm display was given to the Walled Lake Reberah Lodge, and with Frank J. Boyle as auctioneer, the fine assortment of vegetables was soon disposed of at good prices.

The Dog Show.

No display on the grounds attracted more people or created greater interest than did the dog show on Thursday, Friday and Saturday. The show was well "staged" under the direction of Dr. E. B. Cavell, superintendent, and there were 175 entries, and to the surprise of a great many not a few of the entries came from this immediate vicinity. There were dogs of every size and color imaginable and the exhibition was enjoyed by many dog fanciers from Detroit and surrounding cities and towns.

The Races.

The races were exceptionally good and all classes were well filled. In a number of the events some pretty fast miles were stepped off, one mile being turned in 17 1/2. M. H. Sloan and H. H. Hamilton worked hard to make this feature of the fair a success and their efforts were well rewarded. A little better program for Saturday, no doubt, have increased the audience. There was a running race each afternoon and the saddle horses and their riders presented a very interesting and entertaining program each evening, in which numerous games were played greatly to the delight of the large crowds that filled the grand-stand.

The Display of Sheep.

Alfred Ehlers, Superintendent of the sheep department, presented a very attractive display of sheep, many of the best breeds in this section being represented. Mr. Ehlers had his display attractively arranged and kept the pens in a clean condition.

Good Showing of Sheep.

Carroll Benton, who was chosen superintendent of the sheep department two years ago, seems to be just the man for the place because he had a very attractive display in spite of the fact that this section is not noted for its flocks. He still has fine flocks and his department attracted many visitors.

Horses and Little Mammals Good Showing.

The display of small flocks was not so large as in former years, but a visit to the cattle barns disclosed the absence of some well known herds that have exhibited in former years. The Wayne County Fair and the Detroit House of Corrections Farm made good exhibits of Holsteins and C. F. Angus cattle. This herd of Guernseys present led the way and attracted a good deal of attention. The boy's calf class of the cattle made a fine display of calves, some of whom are some animals of very exceptional quality. H. B. Clark had charge of the horse show, and he had about the best task of the fair. A day or two of riding horses were held here and many of them were general in their origin or the new barn. The horse show was something entirely different than is usually seen at a country fair, the features being an interesting one. Mr. Clark is to be commended for the manner in which he conducted his department.

Boys and Girls' Work.

Mrs. Louis Corbett, county demonstration agent, had charge of this feature of the fair and showed a very attractive display of canned goods, garments made by the girls and sewing help and suggestions from the women's sewing clubs of the county.

The Free Acts.

The free acts were not regarded as good as some shown at former fairs but the programs presented each afternoon and night were enjoyed and every number received hearty applause. Some of the features were exceptionally good, however. The Robbins Family could have appeared to better advantage had their act been properly staged and presented in a more attractive manner.

The fireworks displays were good and the numerous set pieces delighted the large crowds present.

The Better Baby Contest.

While the new woman's rest room was greatly appreciated by those who had charge of the Better Baby Contest, the room was much too small to accommodate all who desired to see this very interesting feature of our fair.

Mrs. Flora Larkins is in charge of this department and she has been very successful in her plans with the result that the contest has become one of the most interesting features of the fair. The official report of the clinic will appear next week.

The Women's Department.

As in former years the Woman's department was filled to overflowing in each of the departments represented and the several displays were arranged in a very attractive manner. The exhibition of needle work, flowers, canned and baked goods and the antiques were the center of attraction for great crowds of fair visitors. The ladies in charge of these departments deserve much praise for the manner in which they arranged and displayed the exhibits.

The Horse Show.

Northville's first annual horse show which took place on Tuesday and Wednesday proved one of the most enjoyable features of fair week and all the events were well filled. The show brought together the finest showing of saddle horses ever seen here and many Detroiters were here to enjoy the festivities. The horses taking part in the several events represented some of the finest specimens of horse flesh in Wayne County and that is saying a lot for Wayne County horsemen own some of the best mounts in the country. The Detroit Riding & Hunt Club, the Bloomfield Open Hunt Club, the Aviation Country Club, the Cass Benton Park Stock Farm stables and the Northville Hills stables were well represented besides the private stables of P. H. Crennan, C. T. Fisher, J. A. Braun and Mrs. J. A. Blackwood.

Among the well known Detroit people who were observed in the boxes Wednesday were Mr. and Mrs. E. S. Nichols, Mr. and Mrs. Frank J. Bayley, Mr. and Mrs. P. H. Grennan, Mrs. Charles T. Fisher, Mr. and Mrs. J. A. McDonald, Mr. and Mrs. W. D. McCullough, Mr. and Mrs. D. J. Crowley, Mr. and Mrs. P. H. Crennan, Mr. and Mrs. F. G. Palmer, Mr. and Mrs. E. G. Fuller, Mr. and Mrs. Nicholds, Mrs. J. Bourne, H. B. Blommer, the R. A. Grahams, Mrs. C. Walter J. Add, Mrs. J. Warfcke, Mrs. Frank Nevin.

Mr. and Mrs. P. H. Grennan entertained in their box Mrs. F. G. Crennan, Mr. and Mrs. D. E. Grady and H. Lorber of Chicago and Mr. and Mrs. K. L. Crennan of Cleveland, who were all their guests last week over the horse show.

Mr. Louis G. Palmer gave a luncheon for the Grennan guests Thursday at the Detroit Golf Club.

Other festivities contingent on the horse show were the bridge breakfast which Mrs. H. W. Nicholds gave before the events opened Wednesday and Mrs. E. G. Fuller's theater party Friday evening.

Mrs. R. O. Robinson, the H. W. Bray, Mrs. Louis G. Palmer, Mr. and Mrs. E. G. Fuller, Mr. and Mrs. Nicholds, Mrs. J. Bourne, H. B. Blommer, the R. A. Grahams, Mrs. C. Walter J. Add, Mrs. J. Warfcke, Mrs. Frank Nevin.

Mr. and Mrs. P. H. Grennan entered in their box Mrs. F. G. Crennan, Mr. and Mrs. D. E. Grady and H. Lorber of Chicago and Mr. and Mrs. K. L. Crennan of Cleveland, who were all their guests last week over the horse show.

Mr. Louis G. Palmer gave a luncheon for the Grennan guests Thursday at the Detroit Golf Club.

Other festivities contingent on the horse show were the bridge breakfast which Mrs. H. W. Nicholds gave before the events opened Wednesday and Mrs. E. G. Fuller's theater party Friday evening.

The Baby Show.

The twins to whom was awarded the prize of \$10 offered by Mrs. P. H. Grennan, were May and Maxine Coe, children of Mr. and Mrs. Lou Coe of this village.

The child coming from the longest distance, came from Florida, its mother, Mrs. Graham, being a visitor in this section.

All who are holding prize tickets are requested to present them to Mrs. Larkins just as soon as possible.
