PONSFORD'S

The "EASY"

Any electric washer, if it is given time enough, will wash clothes thoroughly clean. But only a washer that boils the clothes can remove the grayness as well as the dirt.

You can easily prove this to your own satisfaction by washing and boiling a tubful of white clothes in the EASY after they have been thoroughly washed in another machine. The grayness of the water will be positive proof of what the EASY accomplishes.

WORK TO START SOON ON NEW
SCHRADER BLOCK.

During the past few weeks plans and specifications have been in preparation for the new Schrader block on North Center street, adjoining the present Schrader building on the north. The ground to be occupied by the new building is now covered with a building in which the Second Bakery is located. This building will be moved from the premises.

The new structure will contain a commodious funeral chapel, a work room, storage and a large warehouse. The front of the new building will be constructed of cut stone giving it a distinct and individual appearance. There will be an elevator in the new building where merchandise may be moved from one floor to another with ease. In the rear of the present building there will be an addition in which an office will be located. The front of the room now occupied with the funeral chapel will be remodeled to conform in architectural design to the one in the store proper and the two windows will afford a wonderful display space. The brick partition walls now in the store will be removed and four steel posts will support the upper floors.

Everything about the new building will be as modern and as up-to-date as possible, and that will mean the very last word in furniture-store equipment. It is expected the new building will be completed by the first of the New Year and when that task is accomplished, workmen will be turned loose on the present store which will be remodeled and improved. It is the desire and ambition of Mr. Schrader to have a furniture store and funeral chapel second to none in Michigan and with present plans perfected no town can boast of a more up-to-the-minute establishment.

TEACHERS TENDERED A RECEPTION FRIDAY NIGHT.

The teachers of the village schools were tendered a reception at the Presbyterian church parlor on Friday night and the gathering was one of great enjoyment. The affair was planned by the young people's class of the Sunday school and in all its appointments the reception was all that could have been desired. After the guests had been presented to the teachers a program followed. A. J. Heitrich officiating as master of ceremonies and his keep thing moving lively. Miss Thomas rendered a piano solo and G. R. VanValkenburgh gave a vocal solo, both numbers being received with hearty applause. Games followed and all enjoyed the festivities. Refreshments consisting of ice cream and cake and coffee were served.

MAKING A FINE IMPROVEMENT.

Under the direction of the village council, a fine improvement has been made about the springs in the west part of the village, just off the Fishery road. A cement retaining wall has been constructed and the basin into which the water from the springs flows has been dredged to a considerable depth providing storage capacity for a large amount of water. Steel posts have been set in the wall and a suitable fence will be erected to protect the basin. In the spring shrubs and other improvements will be added, making this a particularly attractive one.

LEGION ELECT OFFICERS.

The following officers were elected by Lloyd H. Green Post, to act during the coming year: Commander—H. G. White. First Vice Commander—Merrill S. Sweet. Second Vice-Commander—Paul Ross. Adjutant and Finance Officer—L. H. Alexander. Chaplain—Luther Exham. Historian—A. V. Barber. Sergeant-at-Arms—Orrin Casterline. Trustee—Ray Baker.

SOMETHING VERY UNUSUAL.

Something very unusual will occur in this village Sunday morning. The Detroit Edison company will cut off its current from 9:00 to 10:30 to make some needed changes at the local substation—the longest period that anybody can remember of the local plant being shut down. The Edison company not only gives efficient service, but it also gives constant service, hence this statement that something unusual will occur on Sunday morning.

W. C. T. U. NOTES.

The W. C. T. U. will meet at the home of Mrs. E. H. Baker on East Main street on Thursday next at 2:30 p.m. A large attendance is desired as important business will be transacted.

SLUICEWAY COMPLETED THE
FIRST OF THE WEEK.

The new sluiceway for the Ford factory at Waterford was completed Tuesday. The trench will be filled and the ground adjoining the water course will be leveled off and put in an attractive condition, because the Fords never leave a job half done.

The machines are being installed in the new factory building and it is expected that active operations will begin there soon after November first. Everything about the plant and premises adjoining, are being put in fine condition with a broad expanse of lawn laid out under the direction of a landscape gardener who understands his business. When all contemplated improvements have been completed the grounds about the building and sluiceway will be as attractive as a park.

NORTHVILLE DEFEATED LEAMINGTON'S FAST TEAM.

The Northville ball team headed by Manager George Hicks, made their way through rain and mud to the Leamington, Ontario, fair on October 2nd. With the down pour of rain in Michigan that day, when the ball boys reached Leamington no rain had fallen. It did rain some in the afternoon but soon cleared away in the Canadian village, and Northville was soon piling up scores in base ball. After eight runs were made by our Michiganers in one inning they looked around and could not see any Leamingtonites near by, concluded they had enough runs and let up. Our boys won fifteen to two and took down the big end of the fair prize money.

MAN HAS ARM CRUSHED ON
SPROCKET WHEEL.

A fellow by the name of Stewart, an iron worker whose home is in Detroit, had his left arm crushed at the wrist Wednesday morning while engaged in operating the hoist with which a steel beam was being raised at the new theatre building. The beam had run between the chains while the machine was in operation to remove some obstruction and the chain caught his glove carrying his arm over the sprocket wheel, cutting and crushing his arm badly. He was rushed to Dr. Sparling's office where his injuries were treated and he was taken to Detroit by Schrader Brothers' ambulance.

MASON TO OBSERVE FAMILY
NIGHT NEXT MONDAY.

The members of Northville Lodge, F. & A. M., with their families and friends, will observe family night at the Masonic temple on Monday evening next. The following very interesting program has been arranged for the event and all members of the order are urged to attend.

Solo—Wayne Vandyne.

Address—"Our Neighbors," Bro. B. Whitlock.

Quartet—Masonic Quartet.

Remarks—Bro. Mark Gardner, trustee, Masonic Temple Ass'n, Detroit.

Quartet—"Selections," Masonic Quartet.

Ad—Bro. Frank Knowles.

Scotch—Miss Lillian Castle.

Address—"Spit on Your Hands,"

Bro. Frank T. Lodge, 33d deg P. G. M.

Refreshments—Buffet lunch.

Closing Song—"Auld Lang Syne."

COMMANDERY TO ATTEND SERVICES AT SOUTH LYON SUNDAY.

Acting upon orders from the grand commander of the Michigan Grand Commandery, Knights Templar, the members of Northville Commandery will attend services at the M. B. church at South Lyon next Sunday morning at 10:30. All members are urged to attend and thus assist in making the service an inspiring and helpful one.

SAFETY MEETING TO-NIGHT, AT HIGH SCHOOL BUILDING.

This evening at the High school auditorium there will be a safety meeting when an interesting program will be presented. There will be moving pictures, music and addresses on the subject of safety and the public is cordially invited to attend.

Admission will be free, and there will be a welcome and a comfortable seat for all.

RISDONS, CITY CHAMPIONS, COMING SUNDAY.

The Northville ball team will close its season here Sunday by playing the Risdons of Detroit. By our local boys defeating the Grennan cakies last Sunday Manager Hicks will set them against the Detroit city champions for the final game of year. Northville has won 12 games out of 22 and may add another against the Risdons.

How About Your Heating Plants?

Are They In Shape?

This is the time of the year when we should begin preparing for the long winter that is just around the corner. HOW ABOUT YOUR HEATING PLANTS, ARE THEY IN SHAPE? To do the work that you will expect them to do this winter? If in doubt, call us in for a consultation and we will give you our expert advice on the best and cleanest method of putting the same in good working condition. A suggestion to those who don't have a heating system. Let us estimate on putting an Arcola in your home and make a "Fairly Fair" of winter, or maybe you plan to put a new plumbing fixture in, or changing your old ones for something better.

We will give you the best prices on repairing, remodeling and new work.

Charles Bingham and family have moved to Pontiac after a couple of years' residence here. He was manager of the Pioneer Inn, which is now in charge of Mr. and Mrs. Potter.

The Walled Lake school will hold a fair at the school house on October 28th. Watch for further announcement.

Walled Lake Warbles.

Charles Bingham and family have moved to Pontiac after a couple of years' residence here. He was manager of the Pioneer Inn, which is now in charge of Mr. and Mrs. Potter.

Mr. and Mrs. Paul McKibbin returned home the first of the week from their honeymoon trip to Indiana.

A Bible conference is being held in the Baptist church at this place. The conference opened Wednesday and will close to-day, with afternoon and evening sessions. Rev. G. H. North of Fort Huron was in charge.

NORTHVILLE DRUG COMPANY

Wixom Whispersings.

Mr. and Mrs. Wm. Groves were Pontiac visitors last Thursday.

Mrs. Henry Perry has returned home from the U. of M. hospital.

The Church Helpers were entertained at the home of Mrs. B. A. Kitson last Wednesday.

The Farmers' Club was entertained Wednesday at the home of Mr. and Mrs. Charles Sturman.

Mrs. William Groves entertained the Walled Lake W.C.T.U. at her home last week Wednesday.

Mr. and Mrs. Herman Kennedy of Flushing are visiting their niece, Mrs. Richard Bamfield and family.

Mrs. Cora McLean of Detroit was an over-Sunday guest of Mrs. Martha Furness and daughter, Hindah.

Mr. and Mrs. John Ruggles and son and Mr. and Mrs. Perry Decker were week-end visitors at W. M. Chambers.

Mr. and Mrs. Thomas Spa-Fe Herbert Sparks and family and Mr. and Mrs. Joe Sparks spent Sunday with relatives at Flint.

Mrs. Sissie Goodmiller of Rochester, N. Y., and Mrs. Emma Douglass of New York City are spending some time visiting their sister, Mrs. Alice Bennett and brother, Frank Erwin.

Mrs. Richard Bamfield had the misfortune last week to run a needle in her finger, which required the assistance of a physician to remove it, and a day or so later while coming out of Chambers Bros' hardware store she sprained her ankle.

Novi News.

Mrs. E. M. Root is in very poor health.

Mrs. Flora Bloomer has her Grand River property listed for sale with the Lovewell Farms Co.

Mrs. E. R. Earhart of Akron, Ohio is visiting her sister-in-law Mrs. Dora Donelson for a few weeks.

F. C. Rice and family and Mrs. Dora Rice of Detroit visited the former's brother and family in Lansing Sunday afternoon, Saturday October 10th to Mr. and Mrs. Russell Holcomb and their home in Detroit, a 10 room bungalow.

Out of the 25 cars at the arrival at the beginning of the September term of Circuit Court at Pontiac there were yet more than 400 cars to be tried.

The W.C.T.U. met yesterday at Bushy Park and W. K. Woddyard and made plans for an evenhanded entertainment in the near future. Further particulars will be given later.

At the annual business meeting of the Baptist church Monday evening, Lorraine Root and Frank Rice were elected trustees in place of Earl Parker and Frank Clark. Miss Frank Rice was elected president and W. D. Ulmer, choirleader. Frank Rice to look after the seal and F. O. Moore to secure the banner. Mr. and Mrs. W. D. Elkin were chosen to be delegates to the Baptist State Convention to be held in Lansing next week.

A very pleasant and happy event occurred on October 1st, the occasion being the 80th birthday of Mrs. Louise Hammond also the 20th birthday of her grandson, Glenn Hammond of Northville. The evening was to have been a surprise but Mrs. Hammond "got wise" and invited some friends herself and made many plans unknown to the family - "swung and garnished" her house and waited with expectation.

Beside the families of two daughters and three sons, eight grandchildren and one great grandchild there were guests present from Detroit, Plymouth, Walled Lake, Commerce and Plymouth. A bountiful dinner was served at 6 o'clock to which all did justice. The table was decorated with bouquets of beautiful flowers in the center being a large pyramid cake elaborately decorated. Mrs. Hammond was the recipient of many useful gifts including sums of money and checks. Very few people reach the 80th milestone in life who are as alert, active and in full possession of their mental faculties as she and she enjoys relating incidents of her girlhood and young womanhood.

Mrs. Hammond was born at Walled Lake in 1845, the daughter of Leff Tatke and has spent nearly all her life around Walled Lake and Novi. At this gathering in her home none enjoyed the time more than she and after a late hour and a pleasant time playing cards the guests departed wishing the hostess many happy returns of the day.

Charles Bingham and family have moved to Pontiac after a couple of years' residence here. He was manager of the Pioneer Inn, which is now in charge of Mr. and Mrs. Potter.

The Walled Lake school will hold a fair at the school house on October 28th. Watch for further announcement.

Mr. and Mrs. Paul McKibbin returned home the first of the week from their honeymoon trip to Indiana.

A Bible conference is being held in the Baptist church at this place. The conference opened Wednesday and will close to-day, with afternoon and evening sessions. Rev. G. H. North of Fort Huron was in charge.

ANOTHER ANNOUNCEMENT!

The announcements are coming fast and thick aren't they?

THAT'S THE WAY WE DO BUSINESS

With One Subdivision to Our Credit We Now Offer For Sale

BUILDER'S PARK

Corner Division Street and Fendt Road, Farmington

To those who know Farmington, and the possibilities here in the next five years, this is just a notice to come into our office and pick out a lot. To those who do not know this is one of the roadsigns to one of the best investments in this section of the country.

In Builder's Park

We offer large residence lots, with all improvements, at a price that is too cheap to sound reasonable, but it is not unreasonable. As has been our method in the past, we do not wish to have a part in any undertaking in which the investor cannot realize an immediate profit on his purchase, while you have a large number of lots to choose from, pick out yours today.

Builder's Park is the fastest growing town on Grand River Avenue, and the money that you invest here is bound to pay good returns

(We are pleased to announce that we have added to our sales force Mr. Charles G. Taylor of Farmington. Mr. Taylor is well known in and about Farmington. We feel that he is a man we can depend on and one you can place confidence in all your dealings with him.)

The Northville Record
E. BROWN, Publisher

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as "Second-Class matter."

Subscription Price \$1.50 per year
NORTHLVILLE, MICH., OCT. 16, 1925.

LEGION ENDOWMENT FUND IS GROWING.

Thirty-two men in Michigan have gone over the top with their subscriptions for the American Legion Endowment fund, being raised throughout the United States for the care of the War Orphans of this country. Seven cities have raised more than the quota allotted to them. Several have failed to get their quota. Detroit and Grand Rapids campaigns are on. In Detroit it is expected the entire quota allotted, \$100,000 will be raised by the end of the week.

Northville's drive will be inaugurated within a few weeks. Committees are now being selected.

FORMER RESIDENTS VISITING HERE.

Fifteen years ago to-day Mr. and Mrs. John McLaren left Northville for North Star up in Gratiot county to leave out for themselves a new home. In those days Gratiot county was considered "up north" and for many years the early settlers there had pretty hard picking. But by industry and the exercise of prudence Mr. and Mrs. McLaren were able to accumulate a nice property and they are now enjoying the rewards of their industry.

They are now visiting at the home of Mrs. McLaren's brother, Jerris Palmer and wife of this village. If nothing happens they will have the pleasure of celebrating the 80th anniversary of their marriage next May and relatives are already planning for the big event.

SPECIAL SCHOOL MEETING NEXT TUESDAY NIGHT.

As announced in last week's Record there will be a special meeting of the electors of school dist. No. 2 fraternal at the High School Auditorium next Tuesday night, seven o'clock. The meeting has been called by the board of education to the purpose of giving the people an opportunity to vote upon the proposal to let the district in the fall of additional land for school purposes.

It has not been determined whether the meeting will cost that much but the amount of the board rep. sufficient if enough additional land is taken for the purpose for which it is needed.

I recently chanced to hear Mrs. Cox say on Sunday morning the afternoon service held for women and girls only.

Our church greatly appreciated the new crosswalk being put in on the corner of Main and Dunlap. We will appreciate it more this winter.

EDWARD S. WOLFE FOR PARTNERSHIP FOR REAL ESTATE BUSINESS.

Edward S. Wolfe, the owner and developer of Garden Grove Subdivision, who has opened an office in Farmington for the purpose of conducting general real estate business, informs us that in order to take care

of his volume of business that is coming his way, it has been necessary to form a partnership for that purpose.

The member of the partnership is Harry S. Wolf, George Zeigler, and Charles L. Wilson, all of Farmington. The firm will be known as the Harry S. Wolfe Realty Company, with temporary offices under the Central Pharmacy in the Farmington State Savings Bank building.

Different departments are now being organized, and along with the different departments of the real estate business they will do a general insurance business.

Since these men have sold Garden Grove they have had numerous offers to subdivide large pieces of land and the first that they are announcing is Builders Park subdivision at the corner of Division Street and Fendt Road, Farmington. In the future they expect to develop an organization in this business that is second to none.

LOCAL.

Rev. Father Dolan of Notre Dame University is conducting mission services at Our Lady of Victory church in this village this week and the public is cordially invited to attend. Father Dolan is a pleasing speaker and brings a real message. He is jokingly referred to by his friends as "Jack Dempsey's double."

All members of Northville Lodge F. & A. M. are urged not to forget the family night entertainment to be given at the Masonic temple next Monday night. Frank T. Lodge, who will give an address is one of the foremost speakers in Michigan and all will enjoy hearing him and the other very interesting numbers on the program.

Miss Caroline Witt and J. Vernon Newton were quietly united in marriage at the German Lutheran parsonage on Saturday afternoon by Rev. Eissfeldt. The happy couple will take up their residence in their new home on First avenue. They have the best wishes of all their friends in this vicinity.

METHODIST CHURCH NOTES.

Our next Sabbath will bring us two messages by the pastor. In the morning at 10:30 there will be our meditation on "The Church Endued With Power," and in the evening at 7:30 the "Church Distributing That Power."

Our Bible school has a place for all. Why not the congregation stay as was the case last Sabbath? We welcome you at 12 noon.

The Epworth League will meet at 6:30 when Samuel Stalter will lead on "An Epworthian's Good Time." In His Play. Duane Dubar will lead the devotions.

PRIVESTYERIAN CHURCH NOTES.

Solomon said "There is nothing new under the sun." Rally Day with a fine program and a good time will be worth your while on Sunday, but that is not the new thing. It is two new Sunday school classes—one for men with Mr. Cochran as teacher and one for women. A place for everybody in Sabbath school. You come.

At the morning worship the subject will be "Scientific Methods in Religion."

Y. P. S. C. E. at 6:30.

Union evening service at the Baptist church at 7:30.

Mid-week service on Thursday evening at 7:30.

BAPTIST CHURCH NOTES.

Attendance at all services continues to grow altho our people continue to leave for the south and elsewhere.

Two more families plan to leave in the very near future. These two families go west. This will make about twenty-five of our church and congregation away this winter and longer.

Are we discouraged? No.

We are only going to work harder than ever.

Encourage us by being present as much as possible.

The "Num" service held last Sunday evening was a success. We plan to observe on a come time in the future.

Our next special service will be conducted by the L. of M. gospel band.

There will be six young men in the band and they will come to town Saturday afternoon and evening will give a social

church for the young folks and a program of all the services of the day.

Hear more about this later on our special speaker. He has been used for the writer our slogan

"The L. of M. gospel band.

We invite to the church all who

want to sing a solo or sing in

the choir.

For further meetings see of the num

or the bulletin.

Our church greatly appreciates the new crosswalk being put in on the corner of Main and Dunlap. We will appreciate it more this winter.

EDWARD S. WOLFE FOR PARTNERSHIP FOR REAL ESTATE BUSINESS.

Edward S. Wolfe, the owner and developer of Garden Grove Subdivision, who has opened an office in Farmington for the purpose of conducting general real estate business, informs us that in order to take care

of his volume of business that is coming his way, it has been necessary to form a partnership for that purpose.

The member of the partnership is

Harry S. Wolf, George Zeigler, and Charles L. Wilson, all of Farmington.

The firm will be known as the Harry S. Wolfe Realty Company, with

temporary offices under the Central Pharmacy in the Farmington State Savings Bank building.

Different departments are now being organized, and along with the different departments of the real estate business they will do a general insurance business.

Since these men have sold Garden

Grove they have had numerous offers

to subdivide large pieces of land and the first that they are announcing is

Builders Park subdivision at the

corner of Division Street and Fendt

Road, Farmington. In the future

they expect to develop an organization

in this business that is second to none.

The residences when remodeled

will meet the needs of the school for some time.

Taxpayers and all who are interested in the growth and development of Northville are urged to attend this meeting.

THE ANNUAL FALL SPREAD.

The fall spread of The King's Daughters will be held at the home of Mrs. Fred Simonds on Tuesday next, October 20th. Members to meet at 2:30 p.m. prepared to finish the sewing on hand. Don't forget to bring the usual dishes for the supper, also an extra dollar for the floral and charity fund.

The Salvation Army drive sponsored by the Exchange club has met with good success and as a result of this united effort more than \$150 will be raised.

This simply proves the value of having some organization in a community that is willing and ready to render a distinct community service.

Usually what is everybody's business is not looked after very carefully or thoroughly.

B

BACK OF A GOOD NAME

Rarely in manufacturing history has a name entrenched itself so firmly in the confidence of the entire world as the name Dodge Brothers.

Everywhere and to everyone this name means but one thing: a product built honestly of the best available materials and sold at a just price.

Behind this product, this price and this enviable reputation lie certain impressive and fundamental facts.

So important is a knowledge of these facts to the motor car buyer that Dodge Brothers, Inc., have determined to publish them, from time to time, until every newspaper reader in America may be presumed to have read them:

Dodge Brothers, during the past eleven years, have built and sold more than one million four hundred thousand motor cars—and more than 90% of these cars are still in service. This record requires no comment. It stands impressively alone in motor car history.

It has never been Dodge Brothers policy to build yearly models. When an improvement, that is really an improvement, is discovered, it is made at once. Their slogan, "Constantly Improved But No Yearly Models" is familiar the world over.

Dodge Brothers build one chassis and only one. This policy materially lowers manufacturing cost. It also enables Dodge Brothers engineers to concentrate their entire time and thought on the betterment of this one type.

Dodge Brothers have never had an "off year" or an "off car." This is because they have never used the public as a testing ground for "new models" or lowered the quality of their product in the slightest degree. Every change has been an improvement on the original design.

Dodge Brothers pioneered in building the first all-steel open car and the first all-steel closed car. These epochal develop-

ments have saved Dodge Brothers owners many millions of dollars by materially prolonging motor car life and by effecting marked economies in manufacture. This construction has also reduced incalculably the danger from accident and fire.

Dodge Brothers sell directly through their dealers to the purchaser. There are no sectional distributing agencies to increase the cost of distribution and the cost of the car.

Dodge Brothers have never given so-called "free service." The car is sold at a fair and honest price. Nothing is added to this original purchase price to pay for service that the owner may never need.

Dodge Brothers Dealers were pioneers in unanimously adopting the flat-rate service system. By this system, the owner knows in advance what any service job will cost. There are no unpleasant surprises in his bills.

The sturdiness and long-life of Dodge Brothers Motor Car is reflected in its resale value. Comparatively few Dodge Brothers Motor Cars are advertised in the resale columns of the newspapers. The values they bring testify unanswerably to their goodness—and the public's belief in their goodness.

The time has passed when transient novelties can lead a thoughtful buyer to overlook the great essentials of motor car worth. A few of these essentials, outlined above, go far to explain why Dodge Brothers name is accepted, the world over, as the hall mark of dollar-for-dollar value.

**DODGE BROTHERS, INC.
DETROIT**

TWENTY-FIVE YEARS AGO

Items taken from The Record
of 1899, for the week cor-
responding to this week.

Mr. and Mrs. D. P. Yerkes and family of Milford visited here a part of last week.

Rev Frank Bradley, formerly of this place, is now stationed at Orion where he was sent by the Detroit conference. Frank Cody of Springwells has again been re-elected county school examiner by the board of supervisors. The selection is a good one.

About forty young friends gathered at the home of Royal Larkins last Saturday evening for a social visit and a very pleasant time was enjoyed.

Mrs. Sarah Harrington and daughter, Mrs. Emma Strong of Vernon, were guests at the home of their cousin, George Clark, a couple of days this week.

N. D. Taylor for some time assistant agent at Monroe for the Pere Marquette, has been transferred to this place where he will take the position of telegraph operator.

A meeting of the members of the Pontiac Symphony Society was held in the society's new quarters in the Masonic temple last week. J. Henry Smith has been chosen as director of the orchestra and also of the chorus.

The gross receipts of a Northville chicken pie supper were so large that it is plainly evident it was all gone. We've had some of Northville's chicken pies around this section, but we wouldn't like to say that they were members of that church—Delfay Times.

At a session of the board of supervisors in Detroit Tuesday, Supervisor Burton of this place was honored and Northville at the same time, in being elected chairman of the sub-committee on equalization between the townships with power to appoint eight members to sit with him.

The center of attraction and the delight of the ubiquitous small boy for a short time was the automobile that made its appearance on our streets Monday afternoon, the first time one of these exponents of the future general mode of locomotion has ever traveled the pavements of Northville. Representatives of the company who make the animal were here with the machine looking over the ground for a new location.

GREENWICH VILLAGE FOLLIES AT SHUBERT-Detroit

One of the most eagerly anticipated events of any theatrical season is the engagement of the Greenwich Village Follies. The all-new sixth yearly edition of this famous revue will come to the Shubert Detroit Opera House for a two week's engagement beginning Sunday night, October 18th.

In this latest and greatest edition of the "Follies" A. L. Jones and Morphie Managing Directors of the Bohemians, Inc. are said to have surpassed in loveliness and charm all the magic creations of the preceding follies. This revue, which has never before been seen in Detroit, enjoyed amazing success and popularity when presented in New York last season. The entire production was devised and staged by John Murray Anderson.

This most recent edition lays particular stress upon comedy and the beautiful. In addition to beauty and artistry of scene and customs, all of the artist's models and chorus girls were personally selected by John Murray Anderson, with particular regard to ability, loveliness, grace and culture. At least 16 of the 22 elaborate scenes in the great review are dedicated to the commendable cause of laughter. Rubbing elbows throughout in numerous episodes are burlesque pantomime, comic song, travesty, caricature and buffoonery.

The horde of stage notables included in the gay exercises of the "Follies" include Moran and Mack, comical in their droll conversations; Toro, the great clown, Fred Allen, clever exponent of the ludicrous; Anna Trudella, captivating premiere danseuse; Lyra Belair, prima donna; the agile Deuel Sisters, alert of tongue and toe; Tierney and Donelly, Rosalie Claire, George Christie, Lew Seymour, Jessie Howard, James Naulty, Terrence Kennedy, David D. Morris, Billie Weston and a multitude of others.

Outstanding features of this memorable revue are "Hobohemia," "Guys that Pass in the Night," "The Hall of Mirrors," "Normandy" and "The Happy Prince."

Swedish Wedding Customs

In Sweden, weddings formerly took place at night. One wedding superstition is that a bride, on leaving home, must step into the carriage with her right foot first, and do the same when she first enters her new home.

Mental Ills Destructive

Whether you work by brain or hand, you need health and strength. But more than these you need moral courage. Men fail not through bodily failure, but because of mental ill-health.

Waterford News.

Mr. and Mrs. Herb Moe motored to Wolf Lake Sunday.

A chaarivari was given Mr. and Mrs. Claude H. Waterman Thursday.

Mrs. Ida Hughes spent from Wednesday until Sunday in Detroit.

Mr. and Mrs. Charles Waterman called on Mrs. Wm. Smith at Warden, Sunday.

Mr. and Mrs. Percy H. Gray were Sunday guests of Mr. and Mrs. W. H. McKerrigan.

Mr. and Mrs. Roy Cavell of Plymouth spent Wednesday evening at the Edward Watson home.

Mr. and Mrs. Robert Bechtel of Detroit were supper guests Sunday of Mr. and Mrs. Art Gots.

Mr. and Mrs. Harry Crowe motored out from Detroit and spent Sunday afternoon and evening with Mr. and Mrs. Edward Watson and Miss Ira Jackson called on the Wm.

unsginalous shower Tuesday evening.

Charles Gots & Sons are rushing the work on W. H. McKerrigan's two bungalows at Cherry Heights.

Miss Helene Meinhardt will give a fitting for Mr. and Mrs. Claude H. Water-

man.

Mr. and Mrs. Harry Crowe motored out from Detroit and spent Sunday afternoon and evening with Mr. and Mrs. Edward Watson and Miss Ira Jackson called on the Wm.

Mr. W. M. Rowland.

New machinery is being installed every day at the Ford factory and it is expected the factory will be running the last of the month.

Claude H. Waterman and Miss Laura M. Rowland both of Northville, were married Wednesday afternoon at the Methodist parsonage by Rev. Wm. Richards. Miss Letitia Rowland, at

acted as best man. They left for Niagara Falls for the weekend.

Not Infallible

It was formerly believed that several species of eucalyptus, the castor oil plant, the Chinaberry tree and others, would keep mosquitoes away. However, observations made by scientific men in different parts of the world negative their value.

FROM OFFICE BOY TO GENERAL MGR.

Salary Increase Comes With Promotion

Chicago, Sept. 30.—After a careful survey of the entire labor situation extending from office boy to president, indications are that positions showing increases in salaries require experienced help.

Consulting the president of one of our largest industries, the writer inquired regarding the rapid success of a certain young man who had become general manager and who a few years ago was but office boy. His answer was Brown started as office boy, the lowest satisfied position in our office; he was ambitious and managed to purchase a typewriter on small monthly payments and after three weeks of practice at home he was promoted to bill clerk, which position gave him knowledge of the selling price of all merchandise. His next advance was that of typist, which taught him the numerous forms of letter writing and enabled him to hold a stenographic position giving him complete knowledge of letter writing. He was then made secretary, bringing him into contact with all business details, which qualified him for the general manager's office at ten thousand per year.

The same opportunity awaits every young man and woman. Education or age have nothing to do with operating so simple a machine as the typewriter. We are informed that a great piece of benevolent work is being carried on by a large Chicago mail-order house in furnishing typewriters to people worthy of credit, by selling on small monthly installments, so low as to average about eight cents per day and readily teaching their customers how to use and operate any typewriter in about three weeks' time. You can get other information by writing the International Permanent Exchange, 141 W. Lake St., Chicago, Illinois.

WAYNE COUNTY SCHOOL NEWS

The Detroit meeting of the M. S. T. A. will be held October 29th, and 30th. Every Wayne county teacher should enroll and attend these meetings. As this is an Institute, schools may be closed without loss of time or salary.

For rural teachers we particularly recommend the following:

Thursday, October 29th, 10:00 a.m. general meeting Cass Technical High School.

Speakers: E. E. Bell, president of M. S. T. A.; Dr. Glenn Frank, president of Wisconsin University.

Friday, noon—Rural teachers luncheon, Eastern Star Restaurant, Grand River Avenue, opposite Northwestern High school. (Get reservations of Miss Weisler, \$1.25 per plate.)

Thursday, 2:00 p.m.—Rural division meeting Northwestern High School and auditorium.

Speakers: E. E. Bell, president of M. S. T. A.; Dr. Glenn Frank, president of Wisconsin University.

Friday, 2:00 p.m.—Zone D at Taylor Center school, Zone F at South Road school, Zone A at Patchen school.

November 1st—Zone E at New Boston school, Zone C at Freeman school, Zone B at Stark school.

Special Programs.

The school law provides for special programs in schools on the following days this month:

October 12th—Columbus Day.

October 21st—Will Carleton Day.

October 27th—Roosevelt's Birthday.

The office can provide a copy of wear through the fence.

Cheering Up the Boy

There's nothing quite so cheering to the boy—or the girl—a way from home as the voices of Dad and Mother. No written word can take the place of the voices of the loved ones back home.

Tuberculosis Developing From Gas in War, Fatal.

Syracuse, N.Y.—Christy Mathewson is dead. His death from tuberculosis, "Big Six" lost his fight against tuberculosis.

More than five years ago the pitcher, "loved and honored" when he came to play, began what was to be a long struggle. Basted in the World War in France where he served with distinction, Mathewson returned from overseas to coach with the club with which he had been signed by the "Bills" when he was 18. He had been forced to give up his coaching in 1920.

In the fall of 1921, beginning with the 1921-22 season, Mathewson

Use Long Distances Its Cost is Low

STATE NEWS IN BRIEF

Lansing—A permit to operate a motor bus freight line from Benton Harbor to the Indiana state line was granted Manning Bros. Motor Express by the public utilities commission. The line will also operate in Indiana to South Bend.

Saginaw—The contracting firm of L. A. Davidson Company, Flint, was low bidder with an estimate of \$18,465 for the construction of the bridge on the east side Bay City road across the Chippewa River, the county road commission announced.

Lansing—An old employee of the Fisher Body Company piano plant here suffered a fractured neck when a box fell on his head at the plant. He was removed to the St. Lawrence Hospital, where it was reported his condition was extremely critical.

Grand Rapids—Indictments against Gerrit and Jacob Visser, brothers, charging them with having failed to file income tax returns, were among the 27 true bills reported by the district court grand jury. It is the first time such action has been taken here against delinquents.

Ann Arbor—In memory of the late Charlotte Blagdon of Jackson, who died last August shortly after completing her term of office as president of the University of Michigan League of Women, a scholarship fund, to be called the "Blagdon Memorial Fund," will be established by the league.

Lansing—The state will complete the pavement between Ispellant and Saltine, on M-24, this year, if possible, the state administrative board directed recently. The board also directed the highway department to complete 2.65 miles on the same route in Hillsdale County, from M-14 east to the county line, when no bids were received.

Lansing—Fears that continued rains will cause damage to stocks stored in basements near the Grand River, which is at its highest level since last spring, has caused a number of business men to consider their merchandise to higher ground. The river has risen several feet in the last few days and has over flowed its banks at several points.

Lansing—Regarding traffic delays on traffic offices stations along, Captain John Rapel, he found to have saved the life of his 2-year-old son, Otto, by pulling him out of the car his home to safety without moving the child had crawled to a point of danger, probably by climbing up the upholstered window seat. The child would have drowned if the child's death, his father added, is valid.

Mandeville—Ground was broken recently for Mandeville, a new high school on the northeast hill of Hills Park. The new building will be completed in about two weeks, preferable to building the foundation. Actual construction will be started this fall. It is to be a three-story building capable of fitting the needs of this city through years of many years, and will be completed in time for occupancy in 1926.

Battle Creek—Decorating their city market, "piano" across, and the space provided for it to be inadequate, the redecorated clubs "congratulated" practically all women's organizations in Battle Creek and with a membership running into the thousands has petitioned the city commission to investigate existing conditions and provide adequate space for the park of wagons and trucks and to provide shelter for the same during inclement weather.

Last Lansing—Representatives of Michigan scientific and agricultural interests will hold a meeting in Detroit October 27 to plan a campaign against the cornborer, following an inspection trip which has just been completed through southeastern Michigan, northern Ohio and Ontario. The cornborer, which originally came from Europe, started its depredations in the eastern part of the United States, reached Michigan three years ago and now has advanced as far as Livingston County.

Grand Rapids—The attitude which many citizens have assumed toward the federal prohibition law has created "a terribly menacing situation" in this country, declared District Judge C. W. Sessions in his charge to the grand jury. Discussing the point that there is a prevailing opinion that the prohibition act should be repealed or modified, Judge Sessions said, "It requires a two-thirds vote of both houses of congress and the affirmative vote of 36 states to repeal a constitutional amendment. Do you imagine for one moment enough votes could be mustered to repeal the prohibition amendment?"

Saginaw—Although the Consumers Power Company declares it has the right to put into effect lighting rates submitted a week ago to the council and which are materially higher than the present schedule, effective for the last 10 years the company is willing, according to John K. Samson, district manager, to follow the state rates. These are considerably lower than those offered. The council which received this statement has asked the city attorney to prepare a statement defining the city's rights in the matter.

St. Joseph—A turtle upon whose shell H. P. Rentfrow carved his initials and the date 18 years ago was found near here by E. C. Geipel. Geipel carved the date "1925" on the shell and allowed the turtle to return to its natural haunts.

Adrian—Adrian adopted a school building plan when at a special election it voted to bond for \$300,000, for the erection of ward schools. Only 606 taxpayers voted and the project carried, 213 to 293. The proposition has been before the city for the last three years.

Holland—Holland changed to Eastern Standard time Saturday night, October 16. The council, for some time, was undecided as to what action to take since Grand Rapids retained fast time. The spring election will decide whether fast time shall be permanent or not.

Holland—Freda Feltzma, of Holland, who was on at the Detroit house of correction probation as a result of a forgery charge, was sentenced to six months and she pleaded guilty to another forgery charge. She recently was married and her honeymoon will be cut short in order to serve the sentence.

Birmingham—According to a survey just completed by the board of education of Birmingham, 260 dwelling houses are under construction here and will be completed within a few months. The survey was made to determine the extent of the next year's building program for the school system.

Pontiac—Official notification has been received by Oakland County officials that the state tax commission will come here October 26 to review the valuation of Oakland County, as favored by the board of supervisors. They come on petition of three supervisors who were dissatisfied with valuations set for their townships.

Lansing—Dr. Clarence Cook, former president of the University of Michigan, is to address U. of M. Alumni club here December 2, according to an announcement made by club officials. The announcement came as a surprise as it had been understood Dr. Cook had refused previous invitations and did not plan to come here until next spring.

Grand Rapids—Officers of the Southern Michigan Telephone company, serving rural districts and a number of towns in Barry and St. Joseph counties, Indiana, the in far more sales factory or a large than 16 months ago when taken by the river, John W. Coffey, according to the latter's first name, had died in district court here.

Alpena—Wheeler, a born of the "mobile army" and made the charge of the light troops at Pravilava, October 26, 1914, in the Chinese manner, killed by Alvin Karpis. He is James Doolan, Jr., who went to the United States instead of rather than accepting the 1914 award of Canada "bravery" due to him by government official him a reward for his service in the field.

Grand Rapids—After hearing before the Interstate Commerce Commission, examiner at Chicago, Grand Rapids furniture manufacturers will request that the proposed increase in freight rates to the western market would be unwarranted. Because of increased and keen competition, con their advance in these rates would bring up the industry, especially among the manufacturers, said.

Negaunee—Winter is leading on the heels of autumn in the Upper Peninsula. Snow fell in Negaunee, although the trees still are robust. The gorgeous colors of early fall, public buildings, houses and automobile presented a Christmas picture for early risers. Negaunee welcomed the snow, since a heavy fall thus the winter is necessary for the success of the ski tournament to be held here Feb. 22.

Ashland—Captain Roald Amundsen, Arctic explorer, will address the students of the University of Michigan in the opening program of the Oratorical association, October 24, it was announced by the officers of the association. His address is entitled "Our Airplane Dash for the North Pole." Captain Amundsen will be the first of a list of nationally prominent men who will address the students during the coming year.

Lansing—Acting with Elmesky, law officers in every state in the union to stop fraudulent sales of Florida real estate, H. N. Duff, executive officer of the state securities commission, is withholding approval from wholesale batches of real estate licenses sought from the commission in the last 10 days. Duff plans to investigate all properties offered and to prohibit all promotions not approved by Florida "Better Business" agencies. He was emphatic in his warning to investors to refrain from buying unknown properties until the commission has had a chance to get its investigating machinery into working order.

Grand Rapids—A city's appearance typifies the character of its residents and Grand Rapids has a continuous and important duty of upholding its reputation as a beauty spot, according to A. E. Davidson, director of the department of public welfare. This city, said Director Davidson, is recognized as one of the most beautiful municipalities in the United States and the reason, he added, is because the minds of more than half its householders are concerned with improvement of the aesthetic appearance of their own homes and consequently the city.

Firestone

Safety and Mileage For Rough Winter Driving

OPERATORS of large truck, bus and cab fleets must have rugged, long-mileage tires if they are to make money. That is why so many of them have standardized on Firestone. Experienced race drivers, almost to a man, equip with Firestone. Car owners can have this same extra safety and economy—by using Gum-Dipped Cords.

Gum-Dipping, the Firestone extra process, impregnates and insulates every fiber of every cord with rubber—insures greater safety and comfort over rough winter roads—builds extra strength and flexibility into the sidewalls—an exclusive feature that adds thousands of miles to the life of a tire.

Come in—let us save you money by equipping your car with a set of these wonderful tires—prices are still low.

NORTHVILLE, MICHIGAN.

AMERICANS SHOULD PRODUCE THEIR OWN RUBBER.

L. G. MACOMBER TO COME TO DETROIT.

From a recent issue of the Toledo Blade we take the following article which will be read with interest and pride by many Northville people:

From telegraph operator in a little Michigan town to commissioner of one of the largest and most important traffic departments in the country is the story of the rise of L. G. Macomber, traffic commissioner of the Toledo Chamber of Commerce.

He announced Tuesday that he will leave Toledo November 1 to become traffic commissioner of the Detroit Board of Commerce.

The announcement, although it was received with regret by officials of the Toledo chamber, nevertheless carried with it the satisfaction that Mr. Macomber has received a deserved promotion. Few men ever associated with the Toledo chamber have advanced so rapidly.

Mr. Macomber has been a resident of Toledo nearly 22 years. He has an enviable record as traffic head of the Chamber of Commerce and has taken high place in both state and national activities. At the present time he is president of the Great Lakes Regional Advisory Board, a co-operative body of railroad men and shippers, regional vice-president and chairman of the board of directors of the National Industry Traffic League, and president of the Ohio Industrial Traffic League, which positions he has held for two terms. Mr. Macomber also served two terms as president of the Toledo Transportation Club.

Because of his wide range of activities he is probably one of the best known traffic officials in the country. Probably his greatest accomplishment as head of the Chamber of Commerce traffic bureau and state and national organizations has been the bringing of important rate and other adjustments in round-table discussions with railroad officials and shippers without appealing to the Interstate Commerce Commission or other public bodies of this character.

Through co-operation, all industrial switching rates in Toledo were put on a joint rate basis, an advantage no other city in the country enjoys. He has brought about the readjustment of transit absorption charges for the Toledo Produce Exchange and has established a merchandise service out of Toledo, with a service built-in that has brought inquiry from all parts of the country.

Mr. Macomber began his railroad career in Northville, Mich., when after learning the rudiments of telegraphy in a boy about the little Michigan station, he was made telegraph operator there for the Pere Marquette railroad. Later he went to Detroit, serving for Michigan Central and Lake Michigan at different times.

In 1904 he came to Toledo to take charge of Cherry street terminals for the Pere Marquette. In 1905 he joined the Woolson Spice Co. in the capacity of assistant traffic manager, being promoted to traffic manager in 1908.

In 1918 he left the Woolson company to become traffic manager of the Chamber of Commerce and has been with the organization since. Mr. Macomber will move his family to Detroit.

LIONS CLUB IN HEALTH CRUSADE. To spur the school children of Michigan to greater achievement and health education work, a bronze hon. to be awarded at the close of each semester, is being offered as a trophy by the Lions Club of Lansing to the school room in the state whose record of accomplishment of such work is greatest. Should any room win the trophy three times in succession, it will become the permanent possession of that room.

This is the first time in Michigan, it is stated, that a group of men organized solely for social and business purposes, has entered the health crusade field with an offer of a trophy of this nature. The Lions Clubs are organized for the double purpose of bringing business and professional men together at regular intervals for social enjoyment and to render some service to society.

It has long been recognized by the National and State Associations that children must be stimulated to form health habits. It was for this purpose that the health crusade was organized. The offer of the trophy by the Lions Club comes as a recognition of the good being accomplished through the Health Crusade Department of the Michigan Tuberculosis Association.

PLANNING HOME COMING AT ALBION COLLEGE.

Complete charge of the third annual homecoming of Albion College November 7 is in the hands of Thomas L. Starr of Royal Oak senior, as general chairman. His assistant is Kenneth G. Barlett of Plymouth.

The new \$175,000 gymnasium, a gift of Sebastian S. Kresge of Detroit, will be dedicated during the festivities. The structure was donated in honor of Mr. Kresge's son Stan, one of Albion's most honored athletes.

REXALL 1c SALE OCT. 22-23-24

C. R. HORTON

The Rexall Store

NORTHVILLE,

MICHIGAN

LOCAL

Tag day tomorrow for the benefit of the Salvation Army.

Mrs. J. G. Alexander attended the annual convention of King's Daughters and Sons at Flint last week.

Mrs. Ada Johnson entertained her nephew Harry Simmons and wife of Cincinnati, Ohio, Saturday afternoon.

Mr. and Mrs. Leyde German were at Sidney, Ohio, the fore part of the week. They journeyed by automobile.

Rev. S. Conger Hathaway of Plymouth has been called to the pastorate of the Presbyterian church at Ypsilanti.

Born to Mr. and Mrs. Thomas Gleason last Saturday a little daughter. Both mother and daughter are doing nicely.

Mrs. Martha Simmons of Newburg, starting for Little Josie Littleerville, Mrs. Wm. Greer is visiting her brother at Ohio.

Schrader Brothers took two truck loads of furniture to Ann Arbor Monday for delivery to parties residing in that city.

Harry Cassie was called to Toledo on account of the illness of his brother, William, who passed away Saturday morning.

Mrs. Oliver Sloan suffered a stroke at her home on South Center Street a few days ago. Her condition, of course, is critical.

Mesdames J. B. Watts, Lester Cook and Abe Myers were at Pontiac this week in attendance at the W. R. C. district convention.

Regular meetings of E. S. this Friday evening. Following there will be a Halloween entertainment for members and families.

W. H. Catterline has purchased the building now occupied by Scord's Bakery and will move it to his vacant property on Duval street.

The Northville ball team easily defeated the Greenan Cakes at the home grounds Sunday. "Every bite was a delight," so the fans declared.

Dr. A. A. Holcomb is at the Sessions Hospital recovering from the effects of an operation he underwent some days ago. He is getting along nicely.

Shayrell W. Ambler has accepted a position with the Bell Furnace & Manufacturing Co. and will soon move his family from Detroit to the village.

A. C. Newman of Northville was in Northville this week at the home of his daughter, Mrs. Harry Bush. He may build a residence and make his home here again.

A member of the members of Orion Chapter O. F. S. have been in Detroit this week in attendance at the annual meeting of the Grand Chapter of Michigan O. F. S.

Mr. and Mrs. Thomas McCafferty of Spring Grove, Ill., visited the Robert McCullough home Monday night and Tuesday, leaving to visit friends in Detroit, Ohio and Canada before returning home.

Mrs. Clara Macomber Clark will have an auction sale of household goods on the lawn at the Vogell home on Saturday afternoon, commencing at 2:00 P. M. All will have charge of the sale as auctioneer.

Mr. and Mrs. H. B. Penn entertained a company of about thirty relatives and friends Saturday evening, in honor of the thirty-fifth wedding anniversary of the latter's parents, Mr. and Mrs. H. J. Smith of South Lyon.

Mrs. T. J. Cousins and children are not going to Florida, as was announced last week. Mr. Cousins has been trying to get the housing conditions down there at the present time. It was best to leave the family here for a while.

W. E. Scott left the first of the week to join his family in California. Mrs. Scott and the children are now residing at Pasadena, where they have been for the past few years. The best wishes of many Northville friends will accompany him to his new home.

Mrs. W. T. Johnson left the first of the week to attend the annual convention of the Michigan Federation of Woman's Clubs which is being held in Benton Harbor this week. She will spend Sunday with Mr. Johnson in Chicago, returning home the first of next week.

Funeral services for Miss Ellen Jackson, who died at the home of her sister, Mrs. William Roberts, in Northville Sunday, were held from the Schrader Bros. funeral home, Tuesday afternoon at 2:00 o'clock. Rev. Harper of Dixboro officiating. Interment in Geer Cemetery, Plymouth.

The brick work on the new theatre building is going forward rapidly. A large force of men being employed. The steel will all be in place this week. It may be of interest to know that the steel for the new building was furnished by the General Machine & Iron Company of Plymouth and that it was manufactured in the company's modern new plant located in our neighboring city.

The new service gas stations at the foot of Main street operated by Messrs. Ellington and Casterline is about the brightest and neatest looking place along the avenue. At night the building and drives are brilliantly lighted and everything about the station is arranged for quick service. The new station is enjoying a splendid patronage, and the fellows in charge deserve to succeed.

NOTICE!

Owing to the necessity of making some changes at our Sub-Station the current will be off Sunday, October 18, from 9 a. m. to 10:30 a. m.

JOHN McCULLY

NORTHLVILLE, MICH.

FUGITIVE "CON MAN" RETURNS HOME TO DIE

John W. Worthington of Chi-
cago Wills \$2,000,000 to
Daughters.

Chicago.—John W. Worthington, facing death in a tiny hotel room here, calmly told how he had disposed of his fortune to more than \$2,000,000 in a will made a few hours before, with every detail an apparent surprise and a doctor signing by to administer Louis' statements to keep alive the "final spark of life," the "Will of La Salle Street" detailed his bequests.

To Alice, the twenty-one-year-old daughter who raised him from under the nose of rotten agents from Los Angeles and took him to California, he gave \$1,000,000 of his \$2,000,000 in first mortgages and bonds.

He left \$500,000 more to another daughter, Mrs. John Rogers, New York City, wife of a New York banker. She, he said, had never "persecuted her father."

At least one granddaughter, Helen, the daughter of Mrs. Rogers, will get \$200,000.

Worthington slipped back into Chicago after an absence of two years, much of which was spent in his self-imposed exile in Mexico, with federal agents always on the alert to recapture him. He's under a two-year federal sentence.

For nearly 10 years Worthington labored in a "con" cell, but in 1923 Judge Samuel A. Bowers sentenced him to serve 10 years at Alcatraz on a charge of using the mails to defraud.

Col. Mitchell Refuses to
Testify Before Board

Washington.—"I've been under torture ever since I was ordered to Washington. Threats of re-trial and martial law hanging over me while I was testifying before the President's air craft board. In you, think I'd give the Army a chance to get statements from me that the War Department would use against me. Not on your life."

This is the statement of Col. William A. Mitchell after he last night returned to the Naval Court of Inquiry investigating the Steinmetz case.

At first it failed to testify, but Col. Mitchell said, "My lawyer did his duty in giving the general of the Air Corps, Charles G. Stone, in the room with a stenographer prepared the deposition testimony."

"And in justice which I would hope will be done, my lawyer would have to sign it, if he signed off in a bad light."

"At 10 o'clock we were brought into court room, then all the judges took the floor, and nothing else."

Racing Plane Falls at New York Meet; 1 Killed

New York.—A perfect machine for the New York air race at Mitchel Field, L. I., with the highest quality of military and civilian planes ever brought together in this country, was marred by a tragedy in the first race which killed one man and badly injured another.

The gallant plane piloted by Charles E. Pugh, in this contest for civilian champion, was falling headlong, body injuries, but was fortunately hitting less than a Ferguson, his passenger.

The race in which Pugh was killed was won by Fast Rags, in a Thomas Morse with a speed of 162.9 miles an hour.

Three Killed, Forty Hurt in Ammonia Tank Blast

St. Louis.—Three known deaths occurred in a terrible explosion that enveloped the ten story Adele Gas Light building in the downtown business district here.

The list of injured who received hospital treatment stood at forty! The dead are Mrs. Anna Stoll, clerk; Carl T. Brewer, engineer; Armand Margardt, maintenance man.

Company officials said the explosion apparently was caused by an expansion of ammonia fumes in pipes leading to a refrigerating plant in the basement of the building.

Noel Confessed Kidnapper, to Be Tried for Murder

Newark, N. J.—Harrison W. Noel, confessed kidnapper and slayer of six-year-old Mary Daly of Montclair, N. J., and murderer of Raymond Pierce, negro taxi driver, whose car was used in kidnapping the child, is sane and must stand trial on a charge of murder in the first degree for the killing of Pierce. Judge Edwin O'Caiffe in the Court of Common Pleas made the ruling.

Heads M. E. Mission Body

Louise Clancy, Wm. Mrs. Austin T. Webb of Chicago, was re-elected president of the north-western branch of the Woman's Foreign Missionary Society of the Methodist Episcopal church here.

To Borrow \$727,500,000

Brussels.—Albert Janssen, Belgian finance minister, sailed for the United States to discuss loans of \$727,500,000 for the Belgian rehabilitation program with American bankers.

NEED COW TESTERS FOR STATE GROUPS AGAIN.

With 198 cow testing associations now active in Michigan, there is again a shortage of trained testers to handle the work of the association, according to A. C. Baltzer, extension specialist at M. S. C. Young, men with agricultural training and a knowledge of dairying are being urged to get in touch with Mr. Baltzer in regard to the association work.

New associations just starting up in the state include Cheboygan, Cass, and Muskegon counties. The cow test associations are organized to promote more efficient caring throughout the state.

Our Two Bibles

There are two versions of the Bible in use today, and the one used principally dates back to the year 1611. This is known as the Authorized Version, but a much later Revised Version was issued in 1885. The later version is more correct, but the other version is preferred.

MET AT LANSING.

Sixty-four delegates representing the states of the Mississippi Valley, California, New York and Washington, D. C., met in Lansing the past week for the Mississippi Valley conference on a tuberculosis program.

Theodore J. White of Lansing, executive secretary of the Michigan Tuberculosis Association, was elected president of the Mississippi Valley conference for the ensuing year. Chicago was named as the next meeting place.

Dr. H. D. Dearholt, of Milwaukee, the retiring president, presented the conference with a trophy to be awarded next year to the state or local association presenting the best exhibit at the Chicago conference.

WALED LAKE SCHOOL GETS WHITE SWAN.

Walter Osmun of Detroit was arrested Sunday by Deputy State Game Warden A. C. Wilkinson for shooting a white swan on Waled Lake. The bird weighed 21 pounds and measured seven feet 11 inches from tip to tip. The hunter has not been arraigned in court at this writing.

The swan stopped at the lake while migrating from the north to the south. It will be mounted and put on display in Waled Lake Consolidated School.

THE EARLY HISTORY OF GRAND RIVER.

Many of our readers will be interested in the following account relating to the early history of Grand River which recently appeared in the Detroit Free Press from the pen of George B. Cattin.

In 1833 settlers began straggling across Michigan and establishing settlements along the course of the Grand river and its tributaries. The little Indian trading post of Louis Campau at Grand River began to develop into a village about the nucleus of "Grab Corners" which is now the heart of Michigan's second city. These settlers wanted mail delivered to them from Detroit.

There was nothing but a series of Indian trails across the state at this time and these were meandering and divergent. The government offered a modest price for the carrying of mail to Grand Rapids, and the only man who was reckless enough to undertake the contract was Benjamin Fox, who lived at Redford, Wayne county.

"On July 4, 1834, Mr. Fox induced a group of adventurous men to go over the route with him on horseback. They carried the first mail, but none of them cared to repeat the experience. Fox hired several men, one after another, but one trip was generally enough for any of them. Matters went on in this way for two years with very uncertain mail delivery, and the government authorities threatened to proceed against the bondsmen.

At this time Augustus C. Fox, 17 years old, a nephew of the contractor, undertook the carrying of the mail, after a long interval of no service, and attempted a series of short cuts to save some of the distance involved in following the Indian trails. He carried a hatchet and blazed trees as he passed to mark his route for the return trip. He started July 6 and got along very well until he came to a great marsh northwest of the present site of Fowlerville, where he fell into a deep bog and had great difficulty in getting his horse back to solid ground.

"On his way back to Detroit, young Fox found a better way across the swamp, and gradually made his way along the trail, which afterward became Grand River road and Grand River avenue into Detroit."

SALEM BOY BECOMES CHAMPION RAT KILLER.

This is a tale of a rat—several of them. A rat may be the curse of a farmer's life, but the tail of rat is worth ten cents and the tails of 224 rats, will, if taken to the office of the county clerk be worth to the owner or finder \$22.40.

The 224 rats, in question, were caught by Merlette Borabacher, who lives on the township line between Salem and Superior Townships. He caught the rats in the barn of Henry Brinkman.

Upon producing the evidence Merlette was given a check, Friday, at the office of the county clerk for the sum of \$22.40, the county paid by Westenaw County for his work.

If anybody has a better record for killing rats, let them step forward.

WENT TO NOVI

Van Allen is spending some time at J. O. Muird.

Mrs. Lena Rice is visiting at Frank Rice's this week.

James LaVell is visiting at his brothers Tom LaVell.

Mrs. Cummings has begun grading for her new addition to her house on Grand River.

Mr. and Mrs. Burton Marro and Mrs. John Huffman were business callers at Farmington Saturday.

Mr. and Mrs. Frank Rice and son Warren, Mrs. Bert Rice and Marietta Huffman spent Sunday at Lansing.

Blessings Unappreciated

We are but so soon as on the greater health as of the least sickness—Benjamin Franklin.

FREDERICK WORTH WHITE.

Life is troubous—most of us are apportioned to bitterness for those that are responsible and to the shortcomings. But it is as rewarding as great as its sorrows.

NOTICE OF A SPECIAL MEETING OF THE QUALIFIED ELECTORS OF DISTRICT NO. 2, FOR TOWNSHIPS OF NORTHLILLE AND NOVI, WAYNE COUNTY, AND STATE OF MICHIGAN.

TO THE QUALIFIED VOTERS OF SAID SCHOOL DISTRICT:

Please take Notice that a Special Meeting of the qualified electors of said district will be held in Northlille High school in said district on the twentieth day of October, 1924, at seven o'clock p.m., for the purpose of submitting the proposition of whether or not said school district shall borrow the sum not to exceed sixty thousand dollars (\$60,000.00) and issue the bonds of said school district therefor, for the purposes of enlarging the present school site by the purchase of adjoining property in said district, said bonds to mature and be payable on successive or dates and bear such rate of interest per annum as the qualified electors of said district shall determine by their vote at said special election.

The polls of said district meeting will be open from 5 o'clock P. M. until 9 o'clock P. M. on said twentieth day of October, 1924.

Takes notice that the Board of Education of said school district No. 2, of Northlille and Novi has estimated the expense of enlarging the present school site by the purchase of adjoining property not to exceed sixty thousand (\$60,000.00).

This notice is given by the order of the Board of Education of said school district No. 2, Townships of Northlille and Novi, Wayne County, Michigan.

Dated, this 8th day of October, A. D. 1924.

D. P. YERKES, President.

C. H. BRYAN, Secretary.

THE NOVI ELEVATOR

A. L. HILL

Northville School Notes.

The officers of the Student Council are President, Delbert Campbell; business manager, Marie Schauz; boys' athletic manager, Richard Smith; girls' athletic manager, Luella Riley; boys' commissioner buildings and grounds, Carlyle Lovewell; girls' commissioner buildings and grounds, Ruth Sessions.

Last Friday's game at Wayne was a tie—0 to 0.

The game to be played here today is between Farmington High school

and Northville High school. A debating club is being organized for the purpose of selecting the two teams for this year and preparing the material for future teams. The club will meet one evening each week at the High school.

The manual training equipment is all installed and work is going in full swing in that department.

The Boy Scout troop committee met Monday to perfect plans for the carrying on of the Boy Scout work for the present year. Scout Master Miller reports thirty Boy Scouts.

Mr. Brain is between Farmington High school

and is assistant scouter master. Many useful articles are being made in the manual training department for the various departments of the school.

Grade Notes. The lighting system in the old building is being completely changed. The rooms are being wired so that the lantern shades may be used. The new model lighting system is replacing the old drop cord.

The Sixth grade is still on half-day sessions.

The pictures for the annual are being taken by the Camp Publishing Co. of Ypsilanti.

All legal business in the Rec. Club for members, such as licenses, titles, etc., can be done by the secretary; notary and officially free.

WM RICHARDS, Secretary.

Means Borderland

The word "Ukraine" translated as borderland or marchland, is applied to a great region in Europe embracing most of the southern part of Russia, East Galicia, Northwest Bukovina and East Czechoslovakia.

RESOLUTIONS.

Ave, the members of the Methodist Episcopal Church in Northville at our recent meeting on Tuesday, October 13th, in the year of our Lord 1925, resolved, that a memorial of our late and beloved sister, Mrs. James Clarke, should be added to our minutes in sacred memory of her Godly living and her untiring zeal as a worker among us in the Kingdom of God.

Also our sympathetic expression for her devoted husband and family who still linger in the Church militant in Christian hope of a reunion in the Church Triumphant, where she awaits our coming.

Signed
JEAN BUCKLEY,
JENNIE RICHARDS,
Committee on Memoirs.

WILLIAM CASSIE DIED IN TOLEDO

William Cassie, 32, who died Saturday morning, will be buried this afternoon in Lake View cemetery. Funeral services will be from the home of Mr. and Mrs. George Gerrie, 8305 Meridian Avenue, at 3:30.

He leaves his mother, Elizabeth Cassie, and his sisters, Margaret and Whithelmina in Scotland, and his brothers, Robert, Alexander Harris and Charles in Detroit, Mich.—Toledo Times.

The deceased was a brother of Harry Cassie of this village.

NORTHVILLE AUTO CLUB NOTES.

Four books are now ready for the members who are on the way to Florida through the southern states. Ask the secretary for them.

Be careful of your driving after leaves these days. Accidents are happening due to moisture beneath by skidding.

Five have been helped during the past week on their tour north, south, east and west.

The year is flying fast and it is necessary for all dues to be paid to pay the association dues at the Washington office.

When you become a member of the Northville Auto Club you are linked with 713 clubs throughout the country.

The only thing this club cannot do is to give road service, that some clubs are doing. We can refer autoists to a garage, but with only \$3.00 as membership the above is im-

possible.

All legal business in the Rec. Club for members, such as licenses, titles, etc., can be done by the secretary; notary and officially free.

WM RICHARDS, Secretary.

South Side Main Street.

NORTHVILLE

UP IN THE AIR

Visible lubrication. You see every part oiled and greased. This is the new Rotary Lift. The fast work in service station equipment. Lifts cars to working height in 40 seconds. Platform can be turned in any direction. Eliminates back-breaking maneuvering.

Come and see it.

Drive in and have your Battery Tested before cold weather starts in. Batteries Tested Repaired, Recharged and Exchanged. Plenty of room off the street for parking. No delays.

FOR THE FIRST TIME IN NORTHVILLE
Complete Car Lubrication, at a Low, Flat Rate.

With modern equipment to speed up the job and lubricants as good as money can buy—all Havoline. New and different! Look at the pictures of the Rotary Lift. Where have you ever been offered such service before?

That's what we mean by "Motor-n-All"—a system of lubricating that includes crank case refill. Alternating everything right down to your wheel hubs—all in one sitting. No longer need you stop huffy and you're buying piece-meal jobs and trusting to luck. And you pay one flat price based on the make of the car you own—a price you know in advance.

"Motor-n-All" is a big step forward in filling station service. A new word today, tomorrow people will use it, as a matter of course. We believe car buyers are anxious to give their cars proper care. In the past, proper lubrication has not been easy to buy. Now that's changed. Here is all the lubrication your car needs—offered in one "package."

"Motor-n-All" sweeps away every objection—every alibi. Service is quick, the work thorough. Havoline is a topnotch quality product. And the whole job costs but little more than you've been used to paying for crank case filling.

"MOTOR-n-ALL"
Flat-Rate Lubrication System

WHEELS—Caps removed and hubs thoroughly greased by hand.

SPRINGS—Car jacked up to open leaves and light oil forced in by-pressure spray which is part of Rotary Lite special equipment. This service alone adds noticeably to driving comfort.

HOW YOU GET IT

We call for and deliver your car if you're unable to bring it. Quick action whenever you phone. "Motor-n-All" service takes only 20 to 40 minutes according to make or car. Convenient to have done while in shop, attend the theatre or carry on your business.

"Motor-n-All" station easy to reach from all parts of the city. Drive around any time. Or make an appointment and we'll be ready for you when you arrive.

These service stations want your business—and we are trying to deserve it! Here you get Havoline—the power oil so widely demanded. Our gas pumps are quick, clean and accurate—and our name is a synonym for topnotch motor fuel in all parts of the city. To top it all off, we offer "Motor-n-All" Drive in and give us a try!
