## The Betsy Ross Trio

ETIENNE ROSS, violinist and character actress; EDNA GUTHRIE, soprano and contralto; MISS GORHAM, soprano and pianist.

The Betsy Ross Trio offers new idea in Lycée entertainment, a program that is unique and fascinating, and at the same time one of charm and refinement.

Etienni Ross is a student and artist with years of exhaustive study, research and training, and with a reputation as a foremost dramatist, producer and musician. She is a graduate of the Cleveland School of Music, and has also received a degree of Bachelor of Law from Baldwin Wallace. Edna Greer is one of Florida's most accomplished musicians and teachers of the violin with two degrees from the Florida State Woman's College. Ross Gorham, sister of Mrs. Ross is an artist at the piano and is gifted with a very fine soprano voice.

All three members of this gifted group have had special training in aesthetic dancing, and the quaint costumed folk dances add much to their program.

The Betsy Ross Trio program is built around one of the most dramatic moments in American history—the making of the Betsy Ross flag—and this story is given in appropriate costume and musical accompaniment by Etienni Ross. The program is divided into three parts: "The March of 1776," "The Immigrants," and "A French Salon," with costume changes for each part. Features include: "Old Glory's Recruit," "A Group of Flower Songs," acted as well as sung; "The Gypsies—Coquette," Italian Melodies; "The French Colonial Suite," a piano ensemble of four hands and violin, and Miss Gorham's group of old French songs.

In the Italian group, the songs are given in appropriate costuming and a pretty story is woven throughout this part of the program. The three artists close this group with a rendition of these songs with guitar and violin accompaniment. It is not only the finished technique of this group, but the individual artistry and charm that makes it such an unusual and pleasing combination.

Admission: Adults, 35c. Children, 25c.

### OBITUARY

Mrs. Abbie B. Clark.

The passing of Mrs. Abbie Clark last Wednesday morning caused universal sorrow in the community where she had spent so many years and was so generally loved and respected by all who knew her.

Although of a retiring disposition she possessed the rare virtues of charity, generosity and hospitality which have endeared her to a large circle of friends, and her life will be an inspiration to those who remain to mourn her passing. Old and young were her friends, and during her entire life-time, she was always interested in the welfare of others, giving unselfishly of her time and strength, never thinking of self.

She was active in the work of the Presbyterian church and a charter member of Orient Chapter O.E.S. of this place.

Abbie Brodie was born in Pittsfield, Mass., January 21st, 1842, the daughter of Mr. and Mrs. Joseph Brodie. She was married to George Clark February 20th, 1863, in Pittsfield. Mr. and Mrs. Clark moved to this vicinity in 1876, settling on what is known as the John Gardner farm on the Bass Line. Mrs. Gardner was Mrs. Clark's aunt on the maternal side. It will be remembered that Uncle John Gardner was the donor of the town clock.

Mr. and Mrs. Clark resided on the farm for thirty-five years, and after their son's marriage took up their residence in this village, where Mrs. Clark died in 1915.

She is survived by sons, Bob, Harry, two brothers, G. H. Brodie of Missouri, Mont., and Charlie of this place, and two sisters, Mrs. C. E. Merrill and Mrs. Wm. Noble of Pittsfield, Mass.

Funeral services were held at the late home on Saturday afternoon, and were conducted by Rev. F. P. Knowles, assisted by Rev. F. T. Wright of Royal Oak.

Interment was in the family lot in Bush Hill cemetery.

A HAPPY FAMILY CELEBRATES NEW YEARS DAY.

A very happy family can be seen holding New Year's Day in the home of Mrs. and Mr. Henry P. Roark, when Mrs. Roark's mother, right, celebrated their fortieth anniversary. Henry and his wife and children to the number of 11 gathered to greet Mr. and Mrs. Roark in celebrating their twelfth wedding anniversary.

A three course dinner was served at the Roarks' home of four courses each, the table being handsomely decorated in red and green. The decorations were arranged by the F. A. Hoedel Sons Company and were all that could have been desired.

PLACE CARDS AND NUMBER OF SILVER AND ROSE LEADS were used at the adult tables, and blue, yellow, and girls' novelties graced the childrens' table. Music was a feature of the gathering, there being five violinists in the company. The gathering proved a most happy one and will never be forgotten by those in attendance.

D. B. BROWN SHOWING NEW FORD MODELS.

D. B. Brown, local Ford dealer, is showing three new models of Ford cars this week at his salons on Main street. He has the two-door sedan, the coupe and the run-about, and each job is very attractive.

The public is cordially invited to attend this advanced showing and to avail themselves of this opportunity to become familiar with the new Ford equipment.

TEMPLARS TO ENJOY A TREAT.

A rare treat is in store for the members of Northville Commandery, Knights Templar, and their ladies on Tuesday evening next, when a dinner will be given at the Masonic temple in this village at 7:00. The company will be addressed by Rev. Chester E. Emerson of Detroit, one of Detroit's most gifted and brilliant preachers. The dinner is being planned as a benefit for the commandery's hospital committee and the charge will be 75 cents for each person attending.

MRS. KATE L. GREEN DIES FRIDAY.

Mrs. Kate L. Green, widow of George B. Green, and mother of Frank Green, died at the home of her son in this village last Friday, aged 80 years and ten months. She was born in Sturgis, Mich., and for a number of years before coming to Northville about a year ago she resided at Scottville, Mason county.

The remains were taken to Scottville for burial, being accompanied by Mr. and Mrs. Green and two daughters who were called here from Chicago.

Rev. F. P. Knowles and Dr. P. R. Alexander, president of the Exchange Club, attended a meeting at the Hotel Statler on Thursday noon at which the following course of action of the commandery was discussed: Northville will observe the Sabbath.

### LOCAL BANKS HOLD ANNUAL MEETINGS.

The annual meeting of Northville's two banks were held on Tuesday afternoon, as required by law. The past year was a very prosperous one for our two strong financial institutions and the steady growth of the several departments reflects credit upon this community, and indicates that the people of this section are thrifty and industrious.

Lapham State Savings Bank.

The same officers and directors who have served this bank so faithfully and efficiently for a number of years past were re-elected and the meeting was marked with harmony and good feeling. The election of directors resulted as follows: F. S. Harmon, Frank S. Neal, F. E. Bradley, R. M. Terrill, M. N. Johnson, Alex Christensen and E. H. Lapham. The directors in turn elected the following officers: President, F. S. Harmon; vice-president, F. S. Neal and F. E. Bradley; cashier, E. H. Lapham; assistant cashier, Ernest Miller; F. R. Lanning and John Lisenberger.

Northville State Savings Bank.

The meeting of this bank was one more than ordinary importance. It was voted to increase the capital stock of the bank from \$50,000 to \$100,000, giving the present stockholders preference in the purchase of the additional stock. The plans for the new building were presented and the contract for its erection having been signed it is expected active work will start about March 1st. During the building operations the bank will occupy the east room in the new theatre building and the room on the second floor. The new building will be a very handsome and imposing one, planned especially for banking purposes. The iron will be Minnesota polished granite and when completed will make a decided improvement to the appearance of the business section of the village. There were no changes made in the board of directors. The directors are: J. A. Bullock, C. H. Collier, D. L. Verkeer, Jr., T. G. Rich, and G. L. Flinn, C. W. Wilber and John Franklin. The officers chosen are: President, F. A. P. Lapham; vice-president, D. P. Verkeer; cashier, G. W. Walker, treasurer, G. H. East.

ENJOYABLE ZONE MEETING HELD AT NOVIA SATURDAY.

The boys of Novia held a community meeting in Novia Saturday afternoon at the schoolroom, where the topic was had an opportunity to discuss the problems common to all and exchange helpful suggestions for the betterment of the schools.

The Novia Parent Teacher Association served dinner at the Baptist church which was thoroughly enjoyed by all.

An afternoon session was held at the church. The meeting was called to order by the president, Miss Oberlein. The program was in celebration of Michigan Day, which comes January 26th, and the birthday of our state. Rev. R. O. Thompson gave the invocation. A welcome was extended to those present by Frank Hamilton, president of the Novia school board. Music was furnished by Mrs. Frank Gute and John Hoffmann. The presentation of a Michigan across by the zone teachers was especially interesting. Rev. Thompson spoke of his early experiences in Michigan. E. J. Lederle, county school commissioner, gave an address on "Zone Schools."

Mrs. Ethel O'Connor, helping teacher in zone, commented on the happy spirit and general good feeling present in zone communities and asked for co-operation between home and school. In closing all joined in the Oakland county song.

The next zone meeting will be held at the Bassett school February 17th.

RED CROSS ROLL CALL COMPLETED THIS WEEK.

The Red Cross roll call for Northville was completed the first of this week and the result of the campaign is very gratifying. During the drive the sum of \$513 was collected, and of that amount the employees of the Ford Motor company, under the direction of C. W. Bryan, contributed \$261. The members of the local committee are very grateful to all who assisted in this very worthy cause. The following ladies very kindly assisted the committee in the roll call: Mrs. Fred Hedge, Mrs. Claude Ely, Mrs. J. B. Cook, Mrs. Abi Myers, Mrs. H. D. Rhodes, Mrs. George Milne, Mrs. J. H. Hendry, Mrs. Roy Terrell, Mrs. A. L. Hull, Mrs. George Hotaling, Mrs. D. P. Verkeer, Jr., Mrs. E. A. Keeney, Mrs. W. L. Smith, Miss Bertha White and Miss Anna Hall.

One-fourth of this amount remains with the local committee and the sum will be used as needed.

## NORTHVILLE PEOPLE VISIT THE GRAND CANYON.

San Diego, Calif.

Jan. 4, 1926

Editor, Northville Record.

Dear Sir: I thank you very much for sending me the Northville Record and hope you will continue to send it and please send it to Redondo Beach, general delivery.

Mr. Brown, I thought I would write you a little about our trip to this wonderland, particularly about the Grand Canyon. After a wonderfully pleasant trip from Northville via the Santa Fe, we arrived at Grand Canyon December 5th. It is no misnomer to call it grand canyon—no other word would have fit the scene and even that can never convey to mortal mind the wonder of it all. Time did not permit us going down into its marvelous depths, by standing on the rim, and gazing over 958 square miles was awesome enough, and better than no "peep" at all at this masterpiece of God's creation. If one has never seen it, imagination cannot picture it. In places it is 10 to 18 miles wide from rim to rim and more than 200 miles long in its windings, and more than a mile deep. No river except the great and mighty Colorado, could have chiseled out the inner gorge of granite by tiers, one upon another, of carved mountains, all painted in dazzling colors of the rainbow. Looking down from the rim of the canyon, this river, so gifted in art and so mighty and powerful, lies 3,000 and 4,000 feet below the observer, one cannot believe the distance to be more than a mile as the crow flies before descending the path downward. Spectacular. From the rim of the canyon, the river looks like a shining silver ribbon winding its way at the bottom of the canyon up to the rim there for safety.

My pen can never fully describe this mystery, the immensity and the beauty of it all, but we left feeling inspired, and can never do tragic justice.

In our home town our paper, the Northville Record, you just those newspaper people a "placard" now in your vocabulary.

## SENIOR CLASS BENEFIT.

On Friday evening at the High School auditorium, the Senior Class will appear in an unique and interesting program as a benefit for the members of the Senior Club Washington fund. The program highly recommended by press and people and they will present a program that will please all.

The seniors invite the public to attend with the assurance that all will be shared in the entertainment.

Read the program which appears elsewhere in to day's Record.

## W. H. COOK NOTES.

After a delightful time last summer to which about 250, we present along with the American Legion without fail, the boys rushed in and help was on the right hand almost before we knew it were ready for the institution of the officers of the women's auxiliaries. The following officers being put in for the coming year:

Mary Cook, President; Nellie Frede, Vice; Eliza Johnson, Jr. Vice; Louise Saiford, Treasurer; Anna Wagner, Chaplain; Sadie Birch, Conductor; Abi Meyers, guard; Ida Rasmussen, Secretary; Grace Wats, Correspondent; Barbara Wade, Pat. Ins.; Liddle Lake musician; Minnie Holting, Past. Com.; Mrs. Minnie guard; Elvina Elliott, Maid; Nellie, Mary Alexander and Leah Green, color bearers.

After the work was over the new president, Mary Cook, in a very pleasing manner presented the installing officer, Mrs. Van Tassel, and the conductor, Lizzie Cook, with twin bouquets. Harold White, commander of the Post, and Mrs. Welch, president of the auxiliary being called on, responded with well chosen words. Another guest was a sister of Mrs. Meyers, Mrs. Quirk of Rainy River, Canada.

The only draw-back to a perfect night was not one of our "Boys in Blue" were there, Mr. Goodell not being able to come. They were missed but not forgotten and we hope when warm weather comes to have him with us again.

## METHODIST CHURCH NOTES.

We had a blessed service last Sabbath. Confessions at the close of the morning service revealed this. Come next Sabbath at 10:30, there will be a message to suit every need.

Let every teacher be a teacher of the essential things of the Spirit and we will see young life dedicated and no question will need to be asked that Sheriff Walters speaks on next Thursday at the men's meeting "Criminals: what makes them." See that your child is in some Sabbath school next Sunday at 12:00. If this school is your choice, welcome.

In the evening Union service with the Presbyterian church at 7:30.

## BAPTIST CHURCH NOTES.

The pastor's subject for next Saturday will be at the morning service "The Two Sons of God's Character" and at the evening service, "The Four Most Important Things to Know."

I went to be present at the Northside P. I. meeting and turned at the Southside last Tuesday.

For the next five weeks, the prayer meetings will be Evangelistic in nature seeking to make every member an Evangelist. Remember these meetings are open to all.

At the church parlor at 7:30.

The pastor will preach at the Detroit Sanatorium Sunday morning. The men's class will have a business and social meeting in the church parlor tonight. This class has about thirty members. Let's have a full attendance. Something important on hand.

## PRESBYTERIAN CHURCH NOTES.

"Don't make excuses! Make good. Every Presbyterian in church cart right."

Morning worship at 10:30. Sermon theme, "Ways and Paths." Sunday school at noon. Lesson, "Jesus and Nicodemus" John 3:5-17.

Y. P. S. C. E. at 6:30 p.m. Our young people are having fine meetings. You cannot afford to miss them.

At the evening service, at 7:30 we will have as our guest the Martin家庭. Everyone will be welcome.

Mid-week Service Thursday, 7:30. Lenten studies. Come along!

Our boys expected a good meal with Trinity Park at 7:30 every evening. Brewer of 31st Street, Plymouth, will be there. Watch for the announcement tomorrow.

At the church parlor at 7:30 we will have as our guest the Martin家庭. Everyone will be welcome.

## NORTHVILLE SCHOOL NOTES.

The regular Sunday classes are now well started in their programs. Some very fine work is being done. Some of the less have just completed books, etc., while others are making a fast start. The school is two inches in height and the top is studded with holes, and covered with Spanish moss—yellow. There

will be many proud parents when they receive these useful articles made by their children in the migration department of this school.

As soon as several projects have been completed a exhibit will be held in one of the downtown stores, so that the four people may be acquainted

for the high-class of work being done by this department. The next project will involve the use of the table, etc. The boys are anxious to look forward to the opening of the school.

Our school lunch room continues to be well patronized. About seventy-five pupils are being served daily by this department. Under the direction of Miss Watson, and the nuns, the following officers being put in for the coming year:

Mary Cook, President; Nellie Frede, Vice; Eliza Johnson, Jr. Vice; Louise Saiford, Treasurer; Anna Wagner, Chaplain; Sadie Birch, Conductor; Abi Meyers, guard; Ida Rasmussen, Secretary; Grace Wats, Correspondent; Barbara Wade, Pat. Ins.; Liddle Lake musician; Minnie Holting, Past. Com.; Mrs. Minnie guard; Elvina Elliott, Maid; Nellie, Mary Alexander and Leah Green, color bearers.

AMALGAM

THE NEW FUEL

AMALGAM is a new fuel, a combination of coal and lignite. There was never anything like it before. It is a refined and cleaned fuel that burns completely. There are no clinkers, only a hand full of powder like ashes. All foreign non-burning matter has been removed from AMALGAM. It is clean in handling, clean in burning, and clean to ash.

AMALGAM is delivered in paper packages of an average uniform weight. It is stacked in your cellar like cord wood. There is no dust or dirt in handling into your house or in lighting. A package of AMALGAM is as neat as a sack of flour.

AMALGAM IS CLEAN, CONVENIENT AND ECONOMICAL. It will save you real money on your coal bills, it requires less attention and gives a more uniform heat than coal or coke. It burns in stoves, grates and furnaces and is the ideal domestic fuel.

We have a sufficient quantity of AMALGAM in our yard and are fully prepared to serve this entire territory efficiently. Order a trial half ton now. You'll like it.

The burner of an automobile reminds us of a chorus girls costume. It protects the property but does not obstruct the view.

Mr. and Mrs. Clarence Hicks moved into their new home last week. We know a man that talks so much about his business that he does not give us time to talk about ours.

A very dainty dancing frock can be made by cutting down a one piece bathing suit.

Storm doors and sash are a mighty good investment. Let us quote you.

Lest you forget, order your AMALGAM now. Call Plymouth, 301 F., or Northville 52.

## ANNOUNCE SPEAKERS FOR FARMERS WEEK.

With leaders in agriculture from all parts of the United States included, and with an Michigan delegation, or speakers headed by Governor Alex Groves and other state officials, the program for Farmers' Week, M. S. C. this year is said to be the strongest ever lined up for the annual conference.

A special agricultural fair program is scheduled for Wednesday afternoon, February 21, and at this time Governor Groves and L. Whitney Watkins, state commissioner of agriculture and chairman of the Michigan State Fair Board, and President K. L. Butterfield and Dean R. S. Shaw of M. S. C., will lead discussions. Both state and county fairs will come in for consideration.

On Wednesday evening, James Schermerhorn, former editor of the Detroit Times, and J. D. Willard, director of extension work at the Massachusetts Agricultural College, will head the program.

Among the prominent men from outside the state who are listed for addresses or other of the general programs of the week are Dr. Liberty Hyde Bailey, former dean of agriculture at Minnesota University; L. P. Wornell, U. S. Department of Agriculture (who will discuss the European corn borer); Dean F. B. Mumford of Missouri University; and Miss Grace Frysinger, U. S. Department of Agriculture.

The livestock program is listed for Tuesday afternoon, February 21, with an athletic program that evening.

Thursday is Horticultural Day, in honor of the opening of the new horticultural building at M. S. C.

The mornings of the week will be given over to meetings of more than 30 agricultural associations and groups, with the general programs booked for the "afternoons and evenings."

## PROWL IN DAY SHOP.

Michigan fathers and mothers who are sending their sons and boys to the University of Michigan are again requested by the Board of Junior Chaplains to be alert for their sons, February 11, when the annual "Prowl in Day Shop" will be held. ## WOMAN VICTIM OF ODD INJURY SETTLES CLAIM.

Mrs. Myrtle Huddy, Pontiac woman, has settled with the Oakland County Board of Superintendents for an injury a year ago, for which she claimed \$4,000. Settlement was made for \$1,200 by the county and \$500 from Deputy Wiley Coe. Mrs. Huddy was visiting her husband in the county jail when a revolver in Coe's holster slipped from its fastening and was discharged as it struck the door. The bullet penetrated Mrs. Huddy's hand and lodged in her side. The county has, in addition, paid hospital and medical bills for the woman.

### "How Long Should A Wife Live?"

There's humor of a grim sort in the query put before an electrical convention awhile ago. "How long should a wife live?"—a lot of seriousness too.

Another way of putting the question is "the hard and tired work of the home done by hand or electricity?

Electrical appliances, reasonable in price, easy of payment, and costing little to operate, are taking the toil out of housework and undoubtedly adding years to the life of the housewife.

You can inspect them at our office. Come in today.

## You Need Coal? We Have It

"As the days lengthen the cold strengthens" has been an adage for many, many years and it is just as true today as ever.

Happily, we have Coal to fill your bins, and while the situation is now most peculiar we do not anticipate any serious tie up.

It is better to be safe, however, and so we advise you to keep your bins pretty well supplied.

Tell us your needs and we will endeavor to supply them promptly.

### NORTHVILLE Twenty-Five Years Ago

Items taken from The Record files of 1900, for the week corresponding to this week.

Mr. Ely banqueted the football team at the Park Hotel, eighteen guests being present. After the feast, manager Chadwick, in behalf of the team, presented Mr. Ely with a silk umbrella, the entire company later in the evening enjoying the Lyric exhibition of Miss Bovee at the Opera House. The team was the champion for Wayne County in the season just past.

Harry German arrived; Grace Maxwell spent last Sunday at Northville; Harry German's parents—Carleton

and Mrs. L. A. Bell—arrived for Wednesday, where she will join her husband who is superintendent of the new refrigerator factory at the place.

Mr. Ely was born to Prof. and Mrs. L. A. Bell on New Year's Day last week.

At the Wayne County exhibition held at Plymouth two weeks ago, Mr. H. Taylor carried off honors on white Plymouth Rocks, and E. H. Chapman and J. E. Hoar took several blue ribbons on East Cogins' farm. Mr. Hoar also took a first premium for breeding hens in addition to the seven prizes on his birds.

Mr. and Mrs. George Clark narrowly escaped death by asphyxiation Saturday from coal gas escaping from their furnace. The condition of things was fortunately discovered in time to prevent fatal consequences.

Several Northville young people enjoyed a very pleasant dance at the home of Mr. and Mrs. Fred Ward on the A. J. Welch farm last week Thursday night.

Things are beginning to look busy.

### U. S. TO BACK CROP BOARD WITH CREDIT

Dickinson and Jardine Agree on Terms of Relief—Iowa Calls Meeting.

Washington.—Agreement on a definite legislative program to establish a government system for marketing surplus crops to aid the farmers of the West was reached by representatives of the Coolidge administration and the farm bloc.

For the first time since the Iowa corn surplus problem centered the attention of Washington on the farmers' distress, Secretary Jardine and Representative L. J. Dakin (Rep.) from Iowa, agreed to complete understandings.

The first agreement follows the terms of the bill introduced by Mr. Dakin.

It provides for creation by Congress of a national farm board having power to create some agency to handle the surplus and crop. The agency proposed would serve as a co-operative society to dispose of the surplus by export, any loss to be met by the farmers, who join in the plan, and whose surplus is thus disposed of.

The program does not require any expenditure of government money, nor does it intend that the government shall either buy or sell the surplus, it is said.

The only financial help the government offers is to permit the agency, designed by the proposed farm board to borrow money from the intermediate credit banks. The money to be collected by the member farmers will be security for the loans.

In Michigan, Iowa's committee, recently called a conference of eleven corn belt states for late this month to harmonize the demand to Congress for farm relief legislation. The conference will concentrate on a plan for a federal crop control program.

**FORD MOTOR COMPANY DEFEATS THE EMBARGO**

When the railroad embargo descended upon Florida, deliveries of automobiles into that state were seriously curtailed. As far as Ford cars were concerned, however, the famine was short-lived for two Ford freighters were pressed into service and shiploads of cars rushed to the two principal centers of population for distribution.

The Oneida now operates a regular

schedule between the New Orleans Branch of the Ford Motor Company and Tampa, carrying about 250 cars at a load and completing a round trip every five days. On the east coast another ship, delivers cars from the Jacksonville Branch to Miami at about the same rate.

Cars are completely assembled at the Branches before loading and when the ships arrived at the Florida ports, the cars are hoisted from the hold and swing over to the dock where they

are ready for delivery to dealers

**Queer Post Office**

In the Glacier National Park there is one of the queerest post offices in the United States. The mail is brought by auto from the railroad some 30 miles away to a certain log cabin. There it is hung in weatherproof bags on the outside of the cabin. The people who live within a radius of five miles of the cabin come to the bags and sort out their own mail.

**STATE NEWS IN BRIEF**

Detroit—Completion of the designs for the largest metal-clad airship in the world, two and one-half times the size of the Shenandoah, to be built by the Aircraft Development Corporation at the Ford Airport, Dearborn, Mich., was announced by G. L. Feltz, general manager of the corporation.

Renton—The St. Paul Timberland trout brook road, spanning a mile of timberland in Lumber counties surrounding cities in St. Louis, Minn., was the site of the meeting to be held Saturday and evening with state's officers, members of the legislature and the press.

Madison—The Great Lakes of Michigan

is the subject of a bill introduced in the Senate by Senator George S. Smith, of Detroit, to be effective January 1, 1927.

Michigan—The State Tax Commission has announced its new tax rates for 1926 will be \$37 per thousand lower than it was in 1925. It was announced by W. S. Amiot, mayor of the city. The city tax is \$11.50 in places of \$15, and the school tax is \$125 instead of \$15. The reduction is made possible by the increased valuation of the city and the annexation of considerable territory.

Detroit—In a letter to the Wayne County Board of Auditors Dr. Robert C. Haskell, superintendent of the Wayne State Hospital, accepted the appointment of the new Wayne State Hospital School at Northville.

Dr. Haskell was forced to resign as a result of the recent school

strike.

DR. GERTRUDE BINKS DIED IN DETROIT.

Dr. Gertrude Binks, who was well known to many Northville people, died suddenly at her home in Detroit Sunday last, aged 87 years. Her early life was spent at Walled Lake and she never forgot the early associations of the old home and she was instrumental in organizing the Homeowners' Association of that place and was usually present at the annual meetings of the organization.

She enjoyed the distinction of being a member of the first medical class to graduate from the University of Michigan. She had practiced her profession in Detroit for many years.

## O. P. S. NOTES

A large crowd enjoyed the exemplification of the work by the matrons of the various chapters in Wayne county at the hall of Orient Chapter in this village last Friday evening. Twenty-six local past worthy matrons and grand chaplain Margaret Foley, several matrons and many visitors were in attendance. The short programs given during the evening by local and visiting talent. The regular officers of Orient Chapter had previously initiated four candidates and the usual delicious six o'clock dinner was served.

This Friday is the date set for the Wayne County association meeting at Wyandotte. A business session in the afternoon and exemplification of work in the evening are scheduled. Our Worthy Matron, Celeste Kohler

and Past Worthy Matron, Georgia Hubbard, now chaplain of the association, are to take part in the latter. In order that accommodation may be made for all desirous of attending, it will be necessary for each person planning to drive their car and also all those who wish to go, to notify the worthy matron at once. Hours for leaving Northville will be 12:30 a.m. and 5:00 p.m.

By special dispensation the regular meetings of Orient Chapter will be held this month on Friday, January 22nd.

Messrs. A. C. Schrader, H. R. Richardson, E. L. Smith and F. A. Northrop attended the meeting of the Michigan Association of Drays held in Detroit Wednesday and Thursday. Attractions were signed up for next fall's fair.

## WHO WANTS A COMMUNITY BASEBALL LEAGUE?

There has been some talk of forming a community basket ball league in Northville for this winter, the plan being prompted because of the pleasure the base ball league afforded last summer. It is hoped to secure at least eight teams ten would be better, and all who are interested are requested to select their teams and communicate with Coach A. K. Miller of the High school staff.

Douglas Baker has moved from East Lansing to Williamson, where he will engage in the electrical business.

## THERE IS NEED OF AN ORGANIZATION HERE.

An effort is being made among the business firms of Northville to organize a Credit Bureau for the protection of those who have merchandise or other commodities for sale. Northville, like every other community, has some people who will pay their account only when they are compelled to do so, but who very often move away and leave behind a lot of unpaid claims. It is to protect the business firms against such people that the bureau will find its place in the business life of the community. The organization of the bureau will not in any way affect those who pay their accounts when due, nor is it a movement to stop a credit. Our merchants and business people lose a lot of money every year, because they have been through so much trouble to only to have their business scored.

when they ask for a settlement of the account.

Some people make a practice of going from one store to another, trade at one place until they have been refused credit and then go to some other place and start another account. Then there is others who will trade at the chain stores until their money is gone and then go to the other stores and ask to be carried until next pay day. It is to discourage that kind of unfair dealing of the settlers and as a contribution to the valuable work of the County Pioneer Society.

At a recent meeting of the American Legion in Brighton, the Jessie B. Coker Building Association was formed for the purpose of building a new Legion hall. Officers and a board of directors were elected and plans decided upon for a new hall to be constructed that a second floor could be added as occasion demands.

Sophie, the dog, is still doing well. Mrs. Claude East of Holly has passed her tail to Sophie greeting to a far friend for the last time. Well known to Holly citizens for years, she became nearly blind and almost deaf, and when an abscess formed under her eye, it was deemed necessary to put an end to her existence.

Detroit men, who incorporated the Cherry Hill Country Club near Plymouth, are planning to invest \$2,000,000 in the building of five 18-hole golf courses, a half mile race course, polo field, bridge path, tennis courts, outdoor swimming pool and dancing pavilion, stables, garage and club house.

Since the organization of the Plymouth Home Building Association five years ago, the association has financed seventy-nine homes.

Because of rapid growth in the New Hudson school, they have added an assistant teacher in the primary department and started a real school bus.

During a meeting of the Miller Exchange Club, plans were pursued whereby the club would take joint charge of the Chamber of Commerce rooms, assuming 250 hundred per cent membership of the business in the board of commerce. A feature of the meeting was the speech given by James Curran, former commanding man of all aircraft crews.

The more friends and popularity Bob Weyant, auto mechanic, will receive, the more of the bulk of his income he will contribute to his home town of Northville, Michigan.

**REPUBLICAN SAYS MOTORISTS WILL DISPLAY TWO HEADLIGHTS.**

The quality of light which is going to be used in the two headlights of the car will be made up in the head lights according to Sherman E. Strode. According to Sherman Strode, a 35-year-old engineer recently installed in the city, many motorists were using low headlights.

Many motorists have come to no notice of motorists driving on the highway in Oakland County with only one light, but the chairman of the county in this event in the near future I will issue a schedule wherein speeds on express roads will be regulated so certain areas in the west and the all along the lake region, a headlight and a red rear light. The law was recently imposed in the state of Illinois, where the motorist is to drive the car in the center of the road. The car is to be driven in the center of the road as well as in the left lane to the right of the road.

**GRAND TRAIL AT REAGF BRINGS GOOD PRIZES.**

Fred W. Durfee, who resides on Grand River avenue in Northville, recently sold his farm to Detroit parties for a handsome sum. For the 65 acres he received \$75,000.00—a figure that makes the land too valuable to farm.

Mr. Durfee reserved an acre from the old home place and he will build a new residence and other needed buildings in the spring. He will have an auction sale of his stock and farm tools on Monday January 25th, the sale to start promptly at 12:30. L. W. Lovewell, of South Lyon will have charge of the sale.

**LATHER AND DAUGHTER DIED OF PNEUMONIA.**

Pneumonia claimed two victims in the same family at Clarkston, Sunday, when Thomas Irish and his daughter, Edith Avis, passed away within two hours of each other, the father going first. They had been ill a little over one week.

## AMONG OUR NEIGHBORS.

Friends of Mrs. Winifred E. Francis of Bowieville, have kindly clumbed together and given her a radio to help pass away the lonely hours. Milford's Monday Literary Club elected a committee for the purpose of assembling as much as possible of the early history of the township in view of the approaching centennial of the settlement and as a contribution to the valuable work of the County Pioneer Society.

At a recent meeting of the American Legion in Brighton, the Jessie B. Coker Building Association was formed for the purpose of building a new Legion hall. Officers and a board of directors were elected and plans decided upon for a new hall to be constructed that a second floor could be added as occasion demands.

He comes highly recommended by both the extension department of Michigan State College and the Farm Bureau.

C. Cook held that position.

## NEW OAKLAND COUNTY AGENT APPOINTED.

Harold Vaughn, county agent of Manistee County for the past three years, was selected for the same position in this county by the board of directors of the Oakland County Farm Bureau at a meeting Saturday afternoon. Mr. Vaughn will resign his present position and take office here about February 1.

Mr. Vaughn graduated from Michigan State College in 1920 and was engaged as a Smith-Hughes school agricultural teacher training his present position.

He comes highly recommended by both the extension department of Michigan State College and the Farm Bureau.

B. Vaughn is the first Ontario

Corn farm agent since 1922 when

C. Cook held that position.

The election by the Farm Bureau directors follows authority given them for this function last week by the committee made up of three members of the Board of County Supervisors and three members of the Farm Bureau, who were recently selected by members of different organizations in the county interested in agriculture projects to hire the new agent. This committee, unable to decide on any one, dissolved.

The new agent was made possible by an appropriation granted by the Board of Supervisors at its October meeting, which along with money provided by the state and federal governments, which totals \$4,800.00 will cover the expenses entailed by this office. The salary and expenses

of the new agent are to be paid directly to him upon receipt of his contract.
