# LOW TIDE

It certainly was "low tide" in the store on February first. It has been many a month since we had as empty shelves. Our big holiday business and January Sale was a stock reducer. We needed every foot of space we could acquire however, to accommodate the new lines on the way. Nor did we accumulate space a day too quickly as the new lines are now arriving.

### NORTHVILLE'S NEW THEATRE WILL OPEN NEXT TUESDAY NIGHT.

Northville's handsome new Penniman-Allyn theatre will be formally opened to the public on Tuesday and Wednesday evenings of next week the decision to hold the opening for the two nights having been reached by the management because of the great demand for tickets from the people of this section. There will be two shows each night—at 7:00 and 9:00—add for the opening that very popular feature picture, "Mary Pickford in 'Little Annie Rooney'" will be presented. Preceding the presentation of the picture there will be an organ recital when the handsome new organ will be played by Sidney F. Harris. Donal Patterson will also contribute violin numbers and Eddie McGrath, one of Detroit's most popular vocalists, and who is well known here, will render vocal selections. There will also be an added feature in a color reel, "The Voice of the Nightingale," and an exceptional musical novelty act.

On the Saturday night following an all star cast will be seen in "Exchange of Wives," with "Live Cowards" as the comedy. On Sunday and Monday nights "Norma Shearer" will be seen in "His Secretary." The comedy will be "Yes, Yes, Babeth" with a news reel to follow.

The admission prices will be 35c for adults and 15c for children under 12 years of age.

It is needless to say that the new Theatre, which will be known as the Penniman-Allyn Theatre of Northville, will present pictures that all will enjoy because the new play houses will be under the management of the gentlemen who have made such a remarkable success of the Penniman-Allyn Theatre at Plymouth. It has been their policy to present the best shows first so far as it has been possible to do so and their policy will prevail here.

As a community Northville is to be congratulated upon the completion and the opening of this commodious and up-to-date theatre. Since the Aladdin Theatre was destroyed last spring Northville has suffered because of that loss and all will welcome the opening of the new house. On Tuesday and Wednesday evenings of next week let us show our appreciation by filling the new theatre to its capacity at all four shows.

### MANY HOMELESS WILL ATTEND COUNTRY TOURNAMENT HERE.

More than fifty five-man teams have already signified their intention of taking part in the 6th annual country bowling tournament which will open at the new Jamaica Allys Friday today. Teams will be here from Detroit, Flint, Jackson, Royal Oak, Monroe, Carleton, Plymouth, Center Line, Milford and Farmington. Northville bowlers will also take part in the tournament and will be represented by five teams.

The Allys is a first-class condition the two new ones and the two in the old location having been placed and refinished. The new recreation hall is large enough to accommodate all who desire to witness the bowling contests and seats will be provided for the ladies and the v. are especially invited to attend. The tournament will continue to and including February 24th.

### NEW SWEET SHOP OPENED SAT. MORN.

The new Theatre Sweet Shop opened its doors to the public on Saturday and a great many people called to inspect the new place and to regale themselves with ice cream, beverages and choice candies. The new shop is a very attractive place and is equipped with the very newest and best in fixtures, show cases, tables, etc. The new firm will make a specialty of home made candies, having rented rooms over F. W. Lyke's store for their candy making. Contributions were given away freely and the children were treated to ice cream cones.

### NORTHVILLE TO HAVE ANOTHER NEW BUSINESS BLOCK.

H. R. Richardson has purchased the Nyom residence property on Main street and in the spring he will tear down the old house and erect on the lot a new building 36x50, two stories in height. He is now preparing his plans and the new block will be modern in every way and will be an ornament to our business section. There will be two stores on the first floor and offices or shops on the second.

R. R. Brown has been confined to his home during the past week with a bad cold and for a few days he was threatened with pneumonia. He returned from Mt. Clemens on Thursday and for a couple of days his condition was quite alarming to his family and friends.

### OBITUARY.

Mrs. Lucy Diana Ambler:  
Lucy Diana Ambler, second of five children of Mr. and Mrs. L. W. Hutton, was born at Farmington and came to Northville while a young child and had lived here continuously until her death. She was married to F. King Ambler and to this union was born one child, Mrs. Nina D. Somerville, whose home, 871 Euclid avenue, West Detroit, she departed this life on Monday, January 25th.

Mrs. Ambler was a life member of the Methodist Episcopal church and sang in the church choir for many years. She was well known and was loved by all who shared her acquaintance for her sterling character and quiet manner. She was always ready to respond to any call or need or to an act of kindness. She leaves to mourn her departure her daughter, Mrs. Nina D. Somerville of Detroit, and a brother, William H. Hutton of Walled Lake and one granddaughter. Funeral services were held Wednesday, January 27th, Rev. Ralph M. Pierce of Grand River M. E. church, Detroit, officiating.

### FORMER NORTHVILLE PEOPLE MARRIED AT PLYMOUTH.

Northville friends of Miss Alice Yerkes and Abraham V. Barber will be pleased to learn of their marriage which took place at the home of the bride's parents, Mr. and Mrs. H. M. Yerkes, in Plymouth, last Saturday evening in the presence of only the members of the immediate families of the bride and groom. They will reside in Plymouth, where Mr. Barber is engaged in the draying and trucking business. Miss Yerkes was a teacher in the village schools for a few years. Mr. Barber was employed in the office of the Pere Marquette rail road at that place. They are friends in this community and extend hearty congratulations.

The ceremony was performed by Rev. William Edwards and the beautiful ceremony was made. The bridal party was attended by Mr. and Mrs. H. C. White. The bride was adorned in blue crepe de chine and carried a bouquet of roses and maidenhair fern. After the ceremony all partook of a wedding breakfast very delightfully prepared for the occasion.

### NORTHVILLE MAN SIGNALLY BOX-ORLE.

Dr. R. Schuyler returned the first of the week from New York City where he spent ten days in a most enjoyable manner. His purpose in visiting the city at this particular time was to attend the annual meeting of the International Association of Ocean Surgeons, of which organization he has been a member for many years. The visitors were entertained in a most dignified manner by the membership committees, and they were honored by being served luncheon and dinner on board the S. S. America, the largest ship in the world and in the evening a superb banquet was given at the New York Yacht Club. Dr. Schuyler was given a number of places of interest about the city. Dr. Schuyler was elected a member of the association for the coming year. The next meeting will be held at Melbourne, Australia.

### NOTOR BUS SHOULD BE PARKED FURTHER WEST.

When the Motorbus Company asked permission to park its cars on Main street it was agreed with the village council that all busses should be parked to the west of the Main street entrance—side entrance—to the Park Hotel, but of late the drivers of the cars have been crowding eastward until now the busses are parked right at the very corner and very often east of the intersection line of Main and South Center streets. When the busses are parked so far to the east people desiring to cross the street cannot see cars that may be coming from the west, as with the result that there have been some pretty close calls there. A little caution may prevent a serious accident.

### PLYMOUTH MAN MET WITH SERIOUS ACCIDENT.

I. W. Hummel of this place, who is employed at the Globe Furniture Co. plant at Northville, met with a serious accident while working at the factory Monday afternoon. Mr. Hummel, who was operating a planing machine, was struck by a board in such a manner as to break his left leg between the knee and the hip. The force of the impact threw Mr. Hummel about ten feet. He was taken to St. Joseph's hospital, Ann Arbor, Wednesday. Mr. Hummel's many friends hope for his speedy recovery.—Plymouth Mail.

Mr. and Mrs. C. J. Kysor returned home Sunday from a few weeks' visit with their children and other relatives in Detroit, where they had a very enjoyable time.

## PROMINENT IN HOUSE

Mr. Dickson, Representative from Michigan, is prominent in the House.

## CO-OP BILL PASSES BY VOTE OF 357-3

### Measure to Aid Farm Products Marketing Wins in House.

Washington—The Haugen bill, designed to aid co-operative marketing of farm products, was passed by the House by a vote of 357 to 3. Those who voted against the measure were Representatives Tidings, Democrat of Maryland; Tucker, Democrat of Virginia; and Andrew, Republican of Massachusetts.

The bill establishes a co-operative marketing division in the Department of Agriculture and gives the department wider powers in the support of organization and the supply of information and other services to farmers' co-operative marketing bodies.

The bill has the support of President Coolidge and Secretary of Agriculture Jardine as well as of farmers' organizations. It now goes to the Senate, where it is expected to pass without difficulty. All amendments offered were defeated by the House.

The chief criticism made by Democrats of the bill, which embodies the administration's plan of the need for farm relief, were chiefly to the effect that it does not go far enough.

Representative Haugen, Republican of Iowa, came to the defense of the measure with the assertion that the measure is not intended as emergency relief but for the beginning of a long-time program for development of new marketing methods among the farmers. He added that within a few weeks the committee expected to report further bills for agricultural relief.

The Dickson bill to regulate the sale of farm surpluses through a government board was attacked by John W. O'Leary, president of the Chamber of Commerce of the United States.

Mr. O'Leary declared that the bill, in fact, is a fixing measure and just as objectionable as the McNary-Haugen bill which the organization opposed in the last session.

He asserted that in the event of benefiting farmers it would prove disastrous to them. He told the committee that business men were opposed to being brought to the farmers because the bill would give them a monopoly of the sale of farm products. He said that the bill would give the government a monopoly of the sale of farm products and that it would be a great loss to the farmer.

## Rail Employees Will Demand Pay Increase

New York—Railway conductors and trainmen on all the lines in the country will file applications for pay increases by the end of the month. The demands come on the eve of a report from the railroads of the largest year's earnings to date, a net income of \$1,100,000,000 for 1925 being estimated. This is 100 per cent more than the net income of \$550,000,000 reported for 1924. The increase is a fair return.

The increases for conductors and trainmen will be 10 per cent and 12 per cent respectively. The increase for yardmen will be 10 per cent.

The railroads have refused to grant the increases and the union leaders are determined to fight for them.

The railroads have refused to grant the increases and the union leaders are determined to fight for them.

## Small Village Mother of City of Baltimore

Fall to the north on the southern coast of Newfoundland is a little village called Ferryland, says a writer in the Baltimore Sun. This small, wild place, a town of about five hundred inhabitants is in a way the mother of a modern city. Ferryland is the birthplace of the city of Baltimore.

The village was founded in 1632 by a group of English settlers who came to the area to establish a colony.

The village was destroyed by a fire in 1675 and was rebuilt on a new site.

The village was again destroyed by a fire in 1702 and was rebuilt on a new site.

## Bahamas Fear Smallpox Prohibit Florida Ships

Miami Fla.—Smallpox which recently assumed epidemic proportions in Tampa, has become prevalent on the Florida coast. To Miami alone health authorities admit there are many cases, while it is unofficially reported that numerous cases are scattered throughout towns and villages in the Florida keys between here and Key West.

Fear lest the disease be communicated to the Bahama Islands has caused the British government to notify Lewis A. Bates, vice consul here, that pending further orders all communication between the Bahamas and Florida ports is prohibited.

Los Angeles, Cal.—One hundred and seventy-seven cases of smallpox and eighteen deaths occurred in Los Angeles during the past month according to figures from City Health Commissioner George Parrish.

Chicago—The National Live Stock Producers' association, meeting at the Great Northern hotel discussed plans for nationwide shipment of live stock direct to the packers by the individual producers, eliminating all intermediaries.

Washington—President Coolidge gave his approval to the newspaper campaign to permit the immediate return to this country of several thousand alien veterans of the American army who were detained abroad by the immigration laws.

President Coolidge said he has read with interest accounts of their plight, the mere statement of which convinces the government of the merit of their cause. He thinks congress should deal quickly and with extreme leniency in behalf of any veterans.

Des Moines, Iowa.—Land banks cancelled \$10,000,000 in loans to Iowa farmers because of a recent ruling of the federal farm loan board. L. A. Andrews, state commissioner of banking, announced.

Chicago—Twenty-seven Chicago lawyers were cited by Federal Judge Carpenter for failure to appear in court for a hearing on a petition for the removal of a professional conductor.

Washington—Representative Little, Democrat of Kansas, advocated in the house that the government purchase wheat at a price between \$1.50 and \$2 as a means of preventing speculative buying.

Washington—Mildred John Moore, an employee of the patent office since her youth, was named assistant commissioner of patents by President Coolidge.

## REGISTRATION NOTICE.

To the Qualified Electors of the Village of Northville, (Precinct No. 1), State of Michigan.

Notice is hereby given that in conformity with Act 226, Public Acts of 1917, I the undersigned Village Clerk, will, upon any day except Sunday and a legal holiday, or the day of any regular or special election or official primary election, receive for registration on the names of legal voters, in said Village, persons who are registered who may apply to me personally for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, except that I can receive no names for registration during the time intervening between the Second Saturday, before any general or special election or official primary election and the day of such election, February 27, 1926, Last Day for General Registration for Election.

March 5th. All electors not already registered and intending to vote at said election, should make application to me on or before the 27th day of February, A. D. 1926.

Notice is further hereby given that I will be at the Council Room, Northville, state of Michigan, on FEBRUARY 12, and FEBRUARY 20, 1926, from 8:00 o'clock a. m. to 5:00 o'clock p. m. on each of said days for the purpose of reviewing the Registration and Registering, such of the qualified electors in said Village as shall appear and apply therefor.

REGISTRATION OF ABSENTEE BY OATH. Any person whose name is not registered shall appear and claim his right to vote at any election, and shall under oath state that he or she is a resident of such precinct and has resided in the Village TWENTY DAYS next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that, owing to the sickness or disability of himself or herself, or some member of his or her family, or owing to his or her absence from the village on public or business of his or her own business, and without intention to avoid or delay his or her registration he or she was unable to make application for registration on the 12th day provided by law for the registration of electors preceding such election, then the name of such person shall be registered and he or she shall then be permitted to vote at such election. If such a finding shall be made, the person will make any late application for the same and upon approval by the board of the same shall be entitled to vote.

Registration by Mail or Messenger. Under Act No. 7, Public Acts of 1919, by authority of Albert W. Bates, in compliance with the provisions of the constitution and without prejudice to any other law, and subject to the following conditions: That the elector shall be duly sworn to before any this . . . A. D. 1926.

Notary of Justice by mail or messenger is the same as before. Personal application is made in writing to the Village Clerk or an elector must be received by the Village Clerk not later than the SECOND DAY next preceding the election.

Notice is hereby given that the Village Clerk will be at the Village Clerk's office, Northville, Michigan, on the 12th and 20th days of February, 1926, from 8:00 a. m. to 5:00 p. m. for the purpose of receiving applications for registration.

Another Provisions in Case of Petition to Revoke Registration. Any person who has been registered and qualified to vote in a Village to another election, provided the same Village shall have been a legal voter, and who is not a legal voter at the time of the election, shall be entitled to have his or her name removed from the registration book of the precinct, from which he or she has been registered, if such elector shall have been registered as an elector on the 12th day of February, 1926, by obtaining from the board of inspectors of elections of the precinct from which he or she has removed a Certificate of Transfer and presenting the said certificate to the Board of Election Inspectors of the Precinct in which he or she then resides.

Dated, February 5th, 1926. THOMAS M. MURDOCK, Village Clerk.

STATE OF MICHIGAN, County of Wayne, ss.: A session of the Probate Court for said county of Wayne held the probate court room in the City of Detroit, on the twenty-eighth day of January in the year one thousand nine hundred and twenty-six.

Present—Henry S. Hubert, Judge of Probate.

In the matter of the estate of HENRY H. CLAY CALKINS deceased.

On reading and filing the petition of M. Lucile Calkins praying that administration of said estate be granted to her or some other suitable person.

It is ordered that the eleventh day of March next, at ten o'clock in the forenoon of said court room be appointed for hearing said petition.

And it is further ordered that a copy of this order be published three successive weeks previous to said time of hearing, in the Northville Record, a newspaper printed and circulating in said county of Wayne.

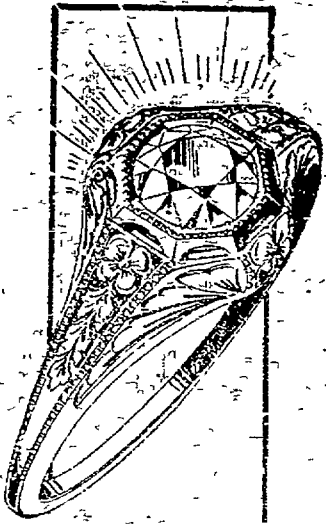

At the City of Detroit, Michigan, this 28th day of January, 1926.

HENRY S. HUBERT, Judge of Probate.

EDMOND L. DOWDNEY, Deputy Probate Register.

Jim Fry Editor Phone, Northville, 269.

If you want to build this spring and need financial assistance, see us. Arrangements have been made whereby a home can be built on your lot, to your specifications, at a reasonable figure, and your lot taken as down-payment. No further cash required.

A happy, cheerful disposition is like the air in an automobile tire. There doesn't seem to be much to it, but it makes the going easier and more pleasant for everybody and the rougher the going the more you need it.

Nothing is easier than fault finding—no talent—no self denial—no brains no character are required to set up up the grumbling business.

Learn to distinguish the difference between troubles and difficulties. Quickly forget the troubles but buckle down and conquer the difficulties.

Here's an old one for you. A rooster by a person named called an ostrich in the chicken yard. He called the hens and said, "Now, I'm not casting any insinuations or reproaching any of you hens but I just want you to see what is being done in other places."

Drop in when you're down this way and see our brand new built up brick display of all of the latest type face

brick. Our display will show you just how any of these bricks would look laid up in a wall.

The ladder of life is full of splinters, but we never realize it until we begin to slide down. Moral: Keep on climbing.

Here's another egg-story. A lady who lives near Northville told us the other day that her hens laid such large eggs that it took only eight to make a dozen.

Be it ever so humble there's no place like home. Start that home this spring—if it be only a garage house. Stop paying rent and be your own boss. Let us help you. We have the lumber and can give you financial assistance. Call us for an appointment.

We know a man in Northville who is already making plans for his garden.

We've believed a lot of these rabbit stories. But Floyd Shaffer tells us that he got a male rabbit the other night and with his set he was able to tune out all but the noise of a car and head that car.

Don't time for some more? We have it.

THE JUDSON LUMBER CO.

FURNITURE: All sort of \$15 and under, cash sale that amount 5 months time will be given, an approved bankable notes bearing 7% interest.

F. M. SIMMONS, Prop C. R. BRADY, Clk. J. J. SMITH, Non Clerk

STATE NEWS IN BRIEF

Mt. Clemens—Agitation has been begun in Macomb county for the erection of a new county building that will also house the city offices of Mt. Clemens. The present quarters are so cramped that it is no longer possible to provide room for valuable court records.

Mt. Pleasant—The maximum civil war veteran's pension of \$72 per month has been allowed William Robinson, of Mt. Pleasant. According to word received from the bureau of pensions by Representative Roy O. Woodruff, Robinson served in Company H, Ninth Regular Michigan Cavalry.

Lansing—A permit to operate passenger-carrying motor busses between Detroit and the Ohio line, via Fort road, Ecorse road, Telegraph road, Flat Rock and Monroe, was granted the Detroit & Toledo-Trackless Coach company by the state public utilities commission. The company will operate four 29-passenger vehicles.

Albion—The Grand Trunk station here burned recently. Fire from an unknown cause completely destroyed the small frame structure, with a loss of about \$3,000. The building was heated by a stove. Large grain elevator and buildings owned by the railroad, situated nearby, were not damaged, as they are south of the station, while the heavy wind was from the southwest.

Cadillac—Reports reaching the Michigan Potato Growers' Association say that the potato market is weak and the demand slow in Chicago and Eastern cities, due to the dumping of shipments by Western growers. According to George Wapner, the manager, the exchange sold stock from \$3.99 to \$4 per hundred weight, but Cadillac had sales were falling off.

Pontiac—The village of Pontiac will hold a primary convention on Monday, Feb. 15, at 10 o'clock, at which time a committee will be organized for the election of Mayor, councilmen, judges of the peace, a local justice and 76 aldermen. Pontiac is expected to be added to the city of Detroit in connection with a pending ordinance, which will be held in the city hall on Monday, Feb. 15.

Lapeer—Fire of unknown origin destroyed the Hotel Motelle at North Branch recently. The burning of this hotel marks the end of the early days of North Branch to many of the older residents. Tom Melrose, who died about ten years ago, built the hotel more than 40 years ago and it was known far and wide as one of the best taverns in the state. This was before the passing of the eighteenth amendment. A dance hall was run in connection with the hotel and was well patronized.

Lansing—Cities and towns in the Saginaw River basin have pledged themselves to prepare plans for disposing of their sewage and submit them to the state for approval within six months. Saginaw, Bay City and Owosso expressed a willingness to co-operate with the state in its effort to half-stream pollution. Some of the smaller towns expressed apprehension at the financial burden the disposal plants might bring, but promised to act in accordance with the "best public interests."

Owosso—To protect thousands of bass planted in the lakes and streams of Shiawassee County during the past year, the Shiawassee County Sportsmen's Association will ask the State Conservation Commission to close all waters in the county to fishermen from April 1 to June 15. A similar order is now in effect in Genesee and Oakland counties. The association also will work for a closed season the year around on fox squirrels. Members desire the animals are becoming extinct in the state.

Alma—The Alma Chamber of Commerce and the St. Louis Exchange club, at a joint public meeting, authorized the appointing of a committee to appraise all residence property offered for sale and asked real estate dealers not to list unappraised property for a period of six months. The action was taken to prevent excessive increase in prices of homes because of the moving to Alma of several hundred workers of the American Wood Rim Co. coming here from Onaway, following the fire which destroyed the company's plant there.

Battle Creek—In one of the biggest real estate transactions made here in several months, the Weickgenant building on West Main street has been sold to Edward W. Large. The consideration is reported to be in the neighborhood of \$125,000. Jacob Weickgenant, prominent Battle Creek business man who owned the block, announced that his portion of the business in the building known as the Weickgenant company will be discontinued. He will however continue to operate his original store at

Milan—The bonds for the new school at Milan for \$135,000, have been sold to Bumpus & Co., of Detroit. It was announced. The contract for the building will be let next Monday.

Ironia—Edgar A. Guest, popular Detroit Free Press poet, made a big hit in this city when he spoke before 1,000 persons at a public gathering at the Methodist church, and more than 100 at a luncheon meeting of the Young Men's Club. He was the guest of Mayor Fred W. Green while in the city.

Monroe—The proposition to annex Freeborn and Monroe to the city of Monroe was defeated in the two districts affected. The vote was: Freeborn, yes, 632 vs. 91; Monroe, yes, 71 vs. 135. In the city of Monroe the vote was reversed. Freeborn, yes, 768, no, 122; Monroe, yes, 632, no, 120.

Pontiac—Advancement of E. H. Wilkinson, vice-president and general manager of the Jewett Radio and Phonograph company, to the presidency was announced by E. H. Jewett, former president, who will become chairman of the board of directors and continue in a general charge of affairs here. No other changes in the personnel of the company were made and the policy will be as heretofore.

Ann Arbor—Students of the University of Michigan have deferred action on the building of a new football stadium until the February meeting. The board, however, passed a resolution expressing their sympathy with the report made to them by the university senate, in which the senate recommended the building of a new stadium, to cost in the neighborhood of \$5 million dollars and to seat not less than 50,000 spectators.

Detroit—With a continuance of the features which made them so entertaining and of such instructive value last year, the "Michigan Night" programs will again be broadcast regularly from WCX, The Detroit Free Press radio station and WJLB, the Jewett Radio and Phonograph company of Pontiac. The 1926 programs will go on the air at 9 o'clock in the evening. Speeches and musical selections from university representatives will be made on four of great interest to the radio public.

Jackson—Jackson industries gained 150 employed persons during the past week according to the labor bureau report issued by the employers' association. In total number, it played was 712 compared to 598 for the week preceding. Change of 114 added during week. Automobile industries 163 gain, rubber 7 gain, metal 1 gain, food building trade 3 gain, miscellaneous 14 gain, 3 loss. The rubber industry last week was 111 over the six days preceding that time.

Lansing—An agreement was made that construction of a new modern five-story W. C. A. building will be started here in the spring. The new building will be located at 217 Taylor street, adjoining the property of the Plymouth Congregational church, and will have a frontage on Townsend street of 99 feet. At the north side the building will be 150 feet deep and at the south side 75 feet. The front of the building will be five stories in height, cropping to three stories at the rear.

Lansing—Michigan's public and prison stenographers, an extensive organization, has elected a new president. The new president will be inaugurated by a joint committee of the house and senate during the special session of the legislature if one is called by the governor in the near future, it was announced here. The committee is to investigate all phases of crime prevention and the effectiveness of the present laws intended to curtail it. It will recommend what ever revision of the laws it may find necessary.

Pontiac—The program for the annual meeting of the State Association of Supervisors at Lansing, Feb. 2, 3 and 4, has been prepared by Willis M. Brewer, of Pontiac, chairman of the program committee. The morning of Feb. 2 will be given over to registration and in the afternoon there will be a program with addresses by Mayor Alfred Doughty, of Lansing; J. R. Dratz, of Muskegon; F. G. Ely, of Pontiac; Gov. Alex. Groesbeck and Atty. Gen. Andrew B. Dougherty. Wednesday will be given over to round table discussions.

Flint—A radical step to check the spending of city funds for public improvements was taken by the city finance board when it voted to recommend to the city council that no more public improvements such as paving, sewers and sidewalks be undertaken unless the taxpayers petitioning for them agreed to pay the entire cost in a lump sum. That there is a chance of such measure being adopted by the council is indicated by a recent discussion of city finances by that body when the throwing of the entire burden of public improvements on the taxpayers was suggested.

Onaway—Optimism is the keynote of Onaway today as it feels itself recovering from the disaster of January 14, when the major part of the plant of the American Wood Rim Company was destroyed by fire, throwing about 800 men and women out of employment. The community is already engaged in its reconstructive program, supported by the statement from the American Wood Rim company that it would continue to operate its bicycle rim plant and employ about 100 men.

Why Not Muzzle 'Em? We feed in an exchange that if worms attack chairs they should be rubbed with paraffin, but for our part we'd want somebody else to hold the worms.—Boston Transcript.

### NORTHVILLE Twenty-Five Years Ago

Items taken from The Record files of 1900, for the week corresponding to this week.

Ernest Kohler is taking a course at Northness business college, Detroit. Hoy W. Godman has been assigned a position in the office of the Auditor General at the state capital. A. T. Stewart was among the Northville people who enjoyed getting home from Milford during Sunday night's blizzard. Miss Eva Boyce has nearly recovered from her severe attack of grip. She was obliged to close her store for nearly a week. Mrs. Anna Gibson of Wixom, has been here for about a week caring for her sister-in-law, Mrs. Carpenter, during her recent illness. Mrs. George Hueston and Mrs. C. C. Smith entertained twenty-five friends at six o'clock dinner on Wednesday evening. A delightful time was enjoyed.

The King's Daughters officers for the present year are as follows: Leader, Mrs. Belle Long; second leader, Mrs. B. G. Filkins; secretary, Miss Mary Starkweather; treasurer, Mrs. M. N. Johnson. Miss Agnes Smith entertained twenty-four of her friends at cards last Monday night. Miss Carrie Boyce and Arthur Briggs captured the first prize and Miss Grace Brigham and Miss Corwin, the consolation prizes. The football party at the rink last Friday night demonstrated beyond a doubt that the rink is not the only place where the boys are capable of distinction as themselves. The decorations were especially pretty and appropriate and the supper all that could be desired.

It has been suggested by a number of people that the library should have its name placed on the front of the building so that when any kind of public affair is being held there, people not familiar with the location can find the place more easily, and strangers visiting the town may have their attention called to one of the most valuable features.

The story Monday night was the most of it and several Northville girls who happened to be up the line and were in a setting home last Sunday night, and an experience they do not care to repeat. The evening trip from the north succeeded in reaching Northville at 11:00 a. m. and the unfortunate passengers had to wait various distances through the streets from one station to the next to reach their homes.

### HELD WATERS LAKE ICE 1 MONTH TWO WEEKS

The tournament planned for the Exchange club of Walled Lake has been postponed until January 15, at the request of the Michigan Skating Association. The races will start at 3 o'clock. Races for the public are the mile race and half mile race for women. All participants will be furnished by Exchange club members. Glen Bunker, president; Cameron B. Rose, secretary. Prizes will be furnished by Walled Lake business men.

A few fancy skaters from the international tournament on Lake St. Clair the preceding Sunday will appear here.

### DeLONG NOT SATISFIED

Rev. Frank F. DeLong, Orionville Baptist minister, who was an unsuccessful candidate for the Republican nomination for the state legislature, in the second district of Oakland county in 1924, has petitioned Circuit Court to reopen the divorce case in which his wife, Mrs. Blanche DeLong, was granted a decree on Sept. 21, 1923. Rev. DeLong has retained Walter M. Nelson of Detroit to represent him and has asked that his motion be heard by the court on February 5.

The minister takes exception to the inclusion in his former wife's decree of temporary alimony of \$100; an attorney fee of \$50; and a provision that he should not re-marry for two years. He says these provisions were not in accord with his agreement with his wife's counsel in consideration of which he withdrew his contest and allowed her to take a decree without a contest. He is dissatisfied with the manner in which the suit was handled and wishes an opportunity to have it re-opened so he can file a bill and cross-bill. Pontiac Press.

### MILFORD MAN DIES FROM INJURIES

Bert J. Mendham, 50 years old, member of the Oakland County Fair association, died last week Wednesday at 4 p. m. at Milford hospital of a fractured skull received January 20 when a ladder in his barn broke and he fell, striking his head on the floor.

### State Rich in Feldspar

One-third of this country's supply of feldspar is produced in North Carolina.

### RED AND BLUE BILLS MAY LINE POCKETS

#### Seek to Take "Bad Luck" Out of \$2 Certificates.

Washington.—Since the recent announcement that a special committee has been appointed to investigate the advisability of making certain changes in the paper currency of the United States, many have been the suggestions offered by the public at large. One of the greatest problems confronting the government along this line is that of keeping the public supplied with \$1 bills. These appear to be the most popular of all bills in circulation. It would appear that most persons would rather count a large roll of \$1 bills than have a smaller roll of larger denomination. Of course this applies only to those who are fortunate enough to have rolls of any kind.

The government has found that the \$1 bills are not wearing as well as they should, and it is consequently put to the expense of constantly replacing them. This is attributed largely to the fact that they must be manufactured with such speed. Before the war it took three months to make a \$1 bill, whereas now a bill is turned out in three weeks. Also the bills must be put into circulation so soon after manufacture that they cannot be aged. Probably it is not generally realized that money, like cheese and wine, improves with age.

Other Silver Dollars.—The government has tried several plans to offset this growing demand for ones, but so far has met with no success. One solution offered was the use of silver dollars. The public was urged to replace some of their bills with silver. The idea did not meet with favor, even in the South, where prior to the war silver was customary. The only place where the government had any luck with its suggestion was on the Pacific coast.

Another suggestion was that instead of carrying large rolls of one-dollar bills, people, where it did not incur venience, then carry bills of larger denomination. The two-dollar bill was urged upon the public, but the public put "thumbs down" on this, bringing forth the old superstition about two-dollar bills being unlucky.

There have been many suggestions as to where the superstition arose, some saying that the two-dollar bill closely resembles a one-dollar bill, it may be easily mistaken. Officials of the Treasury department take issue with this, saying that the bills of the two denominations are totally unlike. Many citizens have suggested that the color of the two-dollar bill be changed, perhaps to a distinctive blue or a brilliant red. Officials say that such a change would be very easy to accomplish, the public would have much more protection than it now has under the present system. The photographs on the note are considered the greatest obstacle to counterfeiters.

#### Suggest Three-Dollar Bills.

There have also been suggestions of making two and a half-dollar, and three-dollar bills. This brings up the question of why these wouldn't be equally as confusing or bad luck as the two-dollar bill.

The members of the committee plan to make a thorough study of the situation and listen with open minds to all suggestions. It may also be found advisable to make a change in the color of the red bills as well as the size and composition. The study of fitting designs for paper currency has been under consideration, and while it has been felt that the present ones are excellent, it may be found after this investigation that something better may be substituted. It is said that a great many people advocate that the size of the paper currency be reduced one-third. Mail order firms seem particularly in favor of this.

In the meantime it would be a tremendous help and saving to the government, and in the end to the people themselves, if they would consent to co-operate with the government by carrying bills of larger denomination than one dollar whenever they can do so without great inconvenience. Another great help would be if the people as a whole would arise and refute the superstition of two-dollar bills being bad luck, which might be done by being as careful of them as of five and ten-dollar bills.

Must Strut Charleston on Ground Floor Only Indianapolis.—The Charleston is scheduled to receive a severe setback if complaints from ballroom owners and managers amount to anything. At several downtown dance halls the Charleston has been barred as a safeguard to the plastering on floors below. "Why, this building is 100 per cent safe, but when 110 Charlestons cut loose above I thought the plastering was coming down," said one dance hall manager. "As a safeguard I consulted the city engineer, who sent a man to our next dance. It was then decided that the dance was unsafe. Where the dance floor is on the level the Charleston will continue to reign here, at least until supplanted by some other fad."

## Groceries You'll Enjoy

We are very sure you will enjoy the Groceries and other Foodstuffs you select at this store. We take a great deal of pains in buying our Goods. If, at any time, some item is not up to standard, kindly tell us about it.

### Go Slower and Live Longer

The American housewife has been timed. She travels from five to fifteen miles a day in her daily tasks, according to the quantity of time and labor saving electric appliances she uses.

The miles walked in the endless tasks of the home can mostly be saved—and are saved by thousands of wise women. Every electrical appliance used cuts down indoor mileage and adds to health and long living.

## You Need Coal? We Have It

"As the days lengthen the cold strengthens" has been an adage for many, many years and it is just as true today as ever.

Happily, we have Coal to fill your bins, and while the situation is now most peculiar we do not anticipate any serious tie up.

It is better to be safe, however, and so we advise you to keep your bins pretty well supplied.

Tell us your needs and we will endeavor to supply them promptly.

### LOCAL

C. H. Coldren is very ill at his home in this village.

Mrs. George White of Detroit is a guest at the Will H. White home.

Basket ball tonight. Birmingham boys and girls teams are coming for a return game.

Northville's new theatre will be formally opened next Tuesday and Wednesday nights.

Mike Reiser, an employe at the Grennan farm, died Wednesday at the Sessions hospital.

Saturday and Sunday were spring days. Sunday night snow came to cover ground again.

Village caucuses will be held on Tuesday and Wednesday evenings, February 16th and 17th.

Mrs. James A. Black left Tuesday for California, where she will visit a brother for several weeks.

Mrs. Lloyd Morse of Carson City is visiting at the home of her parents, Mr. and Mrs. W. H. White.

Mr. and Mrs. J. J. Helfrich and Doris spent the week-end with Mr. and Mrs. Daniel Wynn at Clarkston.

Mr. and Mrs. E. H. Rider of East Lansing spent a few days this week at the home of Mr. and Mrs. C. H. Coldren.

George Rittenbury has opened a new meat market at Plymouth, thus adding another market to his "chain."

The Knights Templar dancing party given at the High school gym on Wednesday night was a very enjoyable affair.

J. C. Clark goes to Ann Arbor to take charge of the Jackson division of the D. U. R. for the present.

Farmington Enterprise.

Hugh K. Bahbit returned home from Detroit the first of the week.

He underwent a serious operation for appendicitis and a double rupture.

Messrs. N. C. and M. L. Schrader and Ray Castellino attended the funeral of a relative, Mrs. Charles DeLuff, at Plymouth, Wednesday afternoon.

Mr. and Mrs. R. Brooks were in Detroit a few days this week in attendance at the annual meeting of the Lumber Dealers' Association of Michigan.

Village dog and pony show attracted a large crowd on Sunday afternoon.

The spring like weather made a few enjoyable and the children were out in large numbers.

Remember the old time dance given at the High school gym. There will be an old time dance on Friday and old time music on Saturday.

John A. and Mrs. J. W. Miller of Detroit are expected to visit here on Saturday night of last week.

John A. Miller of Detroit, a fatherly looking man, weighing nine pounds, is expected to visit here on Saturday night.

During the winter months there has been a great demand for houses to rent in Northville. A number of houses have been built in the city in recent years.

The annual meeting of the Ladies' Aid Society of the W. M. Church will be held at the home of Mrs. L. C. Clark on Tuesday afternoon, February 5th.

The ladies are cordially invited to come and assist in the social afternoon.

Those who are unable to attend the social afternoon are invited to send their contributions.

The Northville Fire Department has moved to the corner of Randolph and Wing streets. The property was recently purchased by the department of No. 1.

From four below zero to strong weather is moving pretty fast for Michigan weather conditions, but that's what we've got.

Friday morning at eight o'clock and Saturday at the same hour. Saturday has an ideal day and the afternoon has like late spring.

At the Methodist parsonage, Wednesday evening, January 20th, Roland Moore of Detroit, and Miss Margaret H. Shaw of Northville were united in marriage. They were attended by Mr. and Mrs. C. R. Clark of Northville. The young couple will reside in Detroit—Plymouth Mall.

The installation of two new compressors by the Plymouth & Northville Gas Co. has enabled the company to provide storage for about 30,000 feet of gas for this territory, as against 5,000 feet formerly. This increased storage will practically insure Northville gas users a good steady pressure and a bountiful supply at all times.

Extensive plans are being made for the meeting at which the Northville Rotary Club will receive its charter, Monday evening, February 15th, being the date selected. District Governor W. J. Vendell of London, Ont., will present the charter. Hon. Paul King of Detroit will officiate as toastmaster and there will be visiting delegations from Rotary clubs in many of the surrounding towns.

Sometime Monday night thieves gained entrance to A. J. Gotts' garage on Randolph street and made their getaway with five Ford tires and four Plys. They removed the tires and rims from all the wheels of a Ford coupe and then, not being satisfied, decided to take the spare also. The garage is located very close to the house and how the fellows unlocked the door and did their work without being seen is a mystery.

George Hotaling was confined to his home a few days during the past week with an attack of tonsillitis. He was able to be in the shop again Monday morning.

There will be a fish supper served at the Salem Federated church on Wednesday evening, February 10th. Walter Hastings of South Lyon will give a talk on birds following the supper. The public is cordially invited.

Dr. J. H. Todd, dentist, has opened an office in the Lovell block, Main street. He moved here from Detroit where he conducted an office for a few years. His telephone number is 398. He has a very pleasant suite of offices.

R. W. McDonald is now farm manager for F. B. Aigner, Jr., who purchased the Butler farm last year. Mr. McDonald is an experienced dairy man and a graduate of the Iowa Agricultural College. He has promised to prepare an article for The Record, telling the people of this community something of the Aigner herds of Holstein and Guernsey cattle, among which are some of the best animals to be found in the United States.

There will be a hearse on the old time dance to be given by the W. M. Girls of Northville at the High school gym next Friday night. Admission will be 50 cents for each person. There will be old time music and old time dances directed by an old time prompter.

Mrs. Dollie Hosmer enjoyed a very pleasant surprise Wednesday, when sixteen guests, including her brother from Windsor, gathered together to celebrate her 74th birthday. A beautiful dinner was served. Mrs. Hosmer has been confined to her bed for some time and the day proved to be a ray of sunshine, very much enjoyed by her and all present.

L. O. T. M. NOTES.

Monday afternoon, February 5th. George McNeil, L. O. T. M., will hold a pedro party and pot-luck supper for members only at Foresters' hall. Regular meeting at 7:30. All members are requested to be present.

Press 417

OLD TIME DANCE NEXT FRIDAY NIGHT.

Old time dance next, February 10th, the W. M. Girls of Northville will give an old time dance at the High school gym. Mr. and Mrs. J. B. Tolman, owner of the Church and Hayes Hotel of Detroit, will furnish music and a program of old time songs. The place will be open only, this orchestra can play them. The best admission will be 50 cents and a lunch will be served. The public is cordially invited to attend and it may be a most very enjoyable evening. Starting from 8:30 to 12:30.

### LOCAL KING'S DAUGHTERS' OBSERVED ANNIVERSARY OF THE ORDER

The local chapter of The King's Daughters held a very enjoyable meeting at the home of Mrs. E. C. Hinkley on Tuesday afternoon and at the national organization was formed forty years ago in January, the meeting was given over to songs and plays of the trip. The entertainment features Mrs. B. C. Hinkley presiding, Mrs. Hinkley presiding over which we are permitted to take the following:

The King's Daughters' was formed on January 13th 1886. The organization was originally a club for women, and especially included Mrs. Bottomo, Mrs. Dickinson, Mrs. Irving and Mrs. Davis. Mrs. Bottomo was greatly interested in the "people of her husband's parish." Mrs. Irving was head of a New York school for girls. Mrs. Davis had been on the foreign mission field and was much interested in social reform. Mrs. Dickinson was an educator, journalist, novelist and poet, supremely interested in young people and with a profound belief in their powers and possibilities for good. After much consultation, between these friends a meeting was called at Mrs. Bottomo's home (18 Washington Place N. Y. City), and the order was born.

Mrs. Bottomo was elected president and retained that office until her death in 1906.

Mrs. Irving gave the order its name--The King's Daughters (which she has been in the habit of giving to her pupils at graduation). She died a few years after the order was founded.

Mrs. Davis was for many years corresponding secretary; for a time business manager. She was a gifted speaker and traveled throughout the United States and Canada organizing circles, and later, state branches.

Mrs. Dickinson was general secretary from the beginning until her death in 1914. In 1888 she produced the first number of The Silver Cross magazine and was its editor until her death.

The new society grew apace. One of the facts it emphasized was that every person--young or old, rich or poor, wise or ignorant--had been given by God a place and a part in the establishment of His Kingdom on earth. Each member was urged to do the work nearest at hand, to "lead a hand whenever the Master calls."

Not to be mentioned unto, but to

### PRISON WALLS CHANGED HIS MIND

Two days in the noise of correction caused Charles Scudder to draw \$1,500 from the bank to be turned over immediately to Mrs. Rose Scudder, his wife, for the support of their son Walter, 11 years old, who lives at Walled Lake. The money is \$5 a week (which the court had instructed Scudder to pay) and he had been sentenced to a year in the house of correction for contempt of court.

Mrs. Scudder had been granted a divorce on February 16 last. In May, Scudder left town and did not pay alimony.

### Thrift Not Mere Saving

It is well to understand that thrift means more than the mere saving of money. Thrift Magazine, it is unfortunate that so much of our current-thrift educational effort is directed solely along lines of money saving. Many people, through great patience and self-denial, are able to lay by a comfortable sum, only to lose it in the end through ill-advised investment. Thrift education should be conducted along broad lines. How to spend and invest is as important as how to save.

### Many-Sided Mule

Those who are supporters of the mule say, in comparison with the horse, he lives longer, endures more work and hardship, requires less attention and feed, is less liable to digestive disorders, lameness and disease. The difficulty is to know how to handle the mule because of the fact of a combination of stubbornness and willingness, anger and silliness, slyness and docility, thriftiness and waywardness. The mule must be understood, and gently but firmly persuaded to do things out of the ordinary.

### Quick Thinking

A famous automobile racer was speeding at night through a town that was in darkness owing to an electricians' strike. Something went wrong with his batteries, and the lights of his car went out. He was accosted by a policeman, who, pointing to his larkened lamps, asked his name and address. The racer did some quick thinking, and said, "Of course my lights are out. They're out all over town." "That's right, I forgot," stammered the policeman. "Go ahead."

Trade at home

### Zero Hours of Automobile Accidents, 4, 5 and 8 P. M.

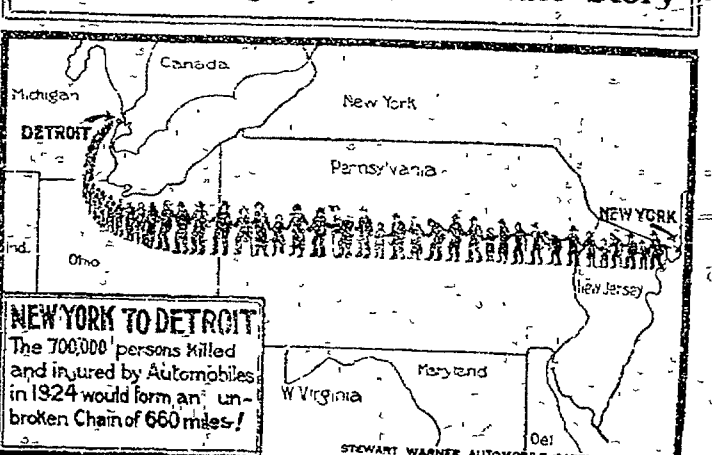

ONE thousand and thirty of Chicago's 1,000 auto accidents last year, according to the Stewart-Warner Safety Council for the prevention of automobile accidents, occurred between the and six o'clock, P. M. when congestion is at its worst in the home-going rush. Only 27 of these 1,030 accidents were fatal.

For school children were here. Thirty-three of the 182 children killed by autos in Chicago last year came to grief at four o'clock, playing in the streets after school.

Seven to nine is the dangerous time for adult auto fatalities, according to Chicago's 1924 record. Eighty-six of 553 such deaths occurred around the theater-going hours.

### Caravan of Death 660 Miles Long Is Nation's Auto Story

NEW YORK TO DETROIT. The 700,000 persons killed and injured by Automobiles in 1924 would form an unbroken chain of 660 miles!

A CARAVAN of death, and suffering 300 miles long is what the annual automobile casualties of the United States would form if placed in one continuous line. From New York to Detroit, painful mile on painful mile, this ghastly and pathetic human chain would reach. This graphic picture, prepared by the Stewart-Warner Safety Council for the prevention of automobile accidents, tells its own story. Twenty-two thousand killed annually by automobiles and 680,000 injured is the present toll, caused by thoughtless drivers and careless pedestrians. Only a small per cent of the accidents are due to defects in the cars or can rightly be called unavoidable.
