## NORTHVILLE'S NEW ROTARY CLUB RECEIVED ITS CHARTER

In the presence of nearly four hundred men, Northville's new Rotary Club received its charter at the High school gym on Monday evening, delegates of Rotarians being present from Detroit, Windsor, Ann Arbor, Adrian, Monroe, Howell, Ypsilanti, Algonac, Plymouth, Pontiac, Highland Park, Wayne, Dearborn, Ferndale and Ohio. It was a merry company and the spirit of good fellowship flowed freely. The guests gathered in the auditorium and promptly at seven o'clock the great concourse of men moved toward the gym where the members of the Senior class, assisted by the teachers and their mothers, served an appetizing dinner. The tables presented a variety of foods and throughout the world could be seen and heard and nations would learn to live together in peace and harmony rendering to each other helpful inspiring services.

The presentation of the charter was made by William R. Kendall of London, Ontario, and he made an eloquent plea for those ideals of service which are the inspiration of the great Rotary movement throughout the world. His message made a strong appeal to all who were privileged to be present, and with such leadership International Rotary will continue to grow, to expand and enlarge its efforts. He presented the charter with the expression that the new club would be mindful of its great opportunity and its obligation, remembering at all times it was a link in a great chain of International Rotary. President Brooks of the local club accepted the charter and assured all that the great organization from which it had been received would never "pay a session to regret the fact that Northville had been received into the Rotary family." The audience rose and sang "The Star Spangled Banner," and the ceremonies of the evening were brought to a close.

During the serving of the meal Josh Billings of Adrian, sergeant-at-arms,

acted as judge and jury and imposed fines without pity. He at

first fined the whole company ten cents for not standing a "sentinel"

while singing the national anthem, and

of course, bore his fine.

Then he imposed fines upon various Rotarians,

two members of the Northville club

being compelled to contribute a quarter

for having put a pear in the plate

instead of the required ten cents.

Other fines were imposed amounting

to from 25 cents to \$1.00 for certain

"offenses" which did not meet with

the approval of the returning judge.

Josh was loved by the crowd for having referred to the crowd as "gentlemen."

After having paid his fine he

admitted his "mistake" and expressed

his regret for having committed such an offense.

The guest of honor was William R. Kendall of London, Ont., writer known in Rotary circles as Bill, governor of the twenty-third district International Rotary, and at the speakers' table the stars and stripes and the Union Jack added their color and their greeting to the distinguished guest. Ross A. Brooks, president of the Northville Club, extended a cordial welcome to the fine company of men, who had gathered to welcome Northville into the Rotary family, and before concluding his very fitting remarks introduced Paul King of Detroit as toastmaster. A better selection could not have been made, because Paul, as everybody calls him, is heart and soul in the great work the Rotary is doing and his remarks brought forth generous applause. Hugo Van De Walker, past district governor of Ypsilanti, responded to the words of welcome and expressed his delight that Northville was now a part of the great Rotary movement. A roll call of visiting clubs followed and the members of the various clubs responded with their name and classification and this feature of the program created a great deal of merriment.

The Ferndale club brought along a quartet of eighteen voices and they sang a song especially dedicated to Northville, the baby in the Rotary family.

Who's that coming down the street?

Who's that looking so petite?

Who's that coming down to meet us here?

It's the Rotary club of Northville.

And we'll say that they're a mouthful,

We could tell them many miles from here.

Yes, Sir. They're our baby

No, Sir. don't mean maybe.

Yes, Sir. they're our baby now

Yes, Sir. we decided.

When we got invited.

To run out and see you now,

By the way, by the way.

Even though we cannot longer stay.

We want you to know that

We are with you old chap.

Though we cannot stay all day.

The Windsor Club sang "God Save the King" while the great crowd

stood at attention, and various other

clubs and groups entertained with

songs during the evening; the guests

little knowing where the spirit of good

fellowship would next break forth.

President Paul R. Alexander of the

Northville Exchange Club, extended

greetings and a cordial welcome to the

new club and expressed the hope that

the members of the two clubs would

get together in a harmonious manner for

the extension of the spirit of co-

operation and good will among the

people of this community.

President Charles McKenney of the

Ypsilanti Normal College was in-

duced and he responded to the sub-

jects "Rotary in Action" with an ad-

dress full of uplifting and inspiring

thoughts. He said he could not con-

ceive the great Rotary movement in

any other manner than in action, be-

cause its symbol, the wheel, denoted

movement, action, life, and he ex-

pressed the belief and hope that as a

result of the exemplification of the

principles for which the Rotary stands

that much of the misunderstanding

and distrust which is so prevalent

in the world could be re-

versed and that nations would

learn to live together in peace and

harmony rendering to each other

helpful, inspiring services.

The presentation of the charter was

made by William R. Kendall of Lon-

don, Ontario, and he made an eloquent

plea for those ideals of service which

are the inspiration of the great Rotary

movement throughout the world.

His message made a strong appeal to all

who were privileged to be present, and

with such leadership International

Rotary will continue to grow, to ex-

pand and enlarge its efforts. He

presented the charter with the ex-

pression that the new club would

be mindful of its great opportunity

and its obligation, remembering at all

times it was a link in a great chain

of International Rotary. President

Brooks of the local club accepted the

charter and assured all that the great

organization from which it had been

received would never "pay a session

to regret the fact that Northville had

been received into the Rotary family.

The audience rose and sang "The

Star Spangled Banner," and the cere-

mories of the evening were brought

to a close.

**CAR + RENT = A HOME****Being a Story of What Might Have Been**

John Jones was an ordinary good citizen. He had a happy home (rented at \$100 per month), a good wife and two healthy, bustling young sons. Each month John paid the landlord \$50.00, a moderate rental, and the Jones family was happy.

One time while John fell for the polished patter of the automobile salesman, \$200.00 down and \$40.00 a month he paid for his new "Four in Line" sedan.

For two years the Jones family enjoyed their new plaything. Then the Browns and the Grays flashed by in their "latest motor masterpieces" and the Joneses lagged for more "pep," more speed, more cylinders, and four-wheel brakes. Getting a new car was the answer.

That same time Jones happened to meet up with a real estate salesman. He talked Jones listening learned much and received a hard job. Translated into dollars and cents:

### A Bishop on Honeymoons

A bishop once said: "Honeymoons are a forced homage to false ideas, a waste of money and a loss of time which soon comes to be dreary and weary. Most of all, they are a risk for love, which ought not so soon to be unpleasantly tested by the inevitable pell-mell of a secret sin. Six days, if you must, and then go straight home."

### Honey Bath for Pearls

Baths of newly gathered honey are recommended by an European gem expert to restore the luster to pearls that have grown dull, says Report Mechanics Magazine. Treatments of 48 hours at two-week intervals for a period of about six months, are said to produce the most satisfactory results and the honey should be removed with alcohol instead of water.

### THIEVES ROB MAIL SACKS AT NOVI

Bags of envelopes, newspapers and catalogues were the only trace found of several bags of mail stolen from the railway station at Novi between 2:15 and 3:00 a.m. Wednesday. The locks on the door of the waiting room had been forced to gain entrance.

The mail had been left in the station by the mail clerk on the 12:15 train through Novi and was locked inside the waiting room. There were no locks on mail to be sent out and those left by the train in the station. They were missing when the station master, A. J. Atkinson, came to the station Thursday morning.

Deputy Claude Wilson was immediately called and trailed the bandits to Walled Lake where it was found they had stopped the dogs. Out of the mail sacks and several torn bits of letters were found Catalogues, newspapers and a pair of slippers from some package were discovered in the snow. No trace has been found of the responsible.

According to word from Mr. Atkinson at Novi, tracks were found outside the viaduct near the station which would indicate that the bandits had left their car there and climbed down to the station.

The waiting room is hidden from view by the viaduct. Mr. Atkinson said: "None one saw the robbery."

According to Mr. Atkinson the station office had been broken into two weeks previously and over \$300 worth of express goods stolen. It is believed that persons had ordered the goods under a false name, and had then stolen them when they arrived at the station, thus evading payment. At that time they had been seen working in the office and an alarm given, but they escaped after a long chase. Federal authorities are investigating the mail robbery as well as deputies, Mr. Atkinson said.—Pontiac Press.

Some of the mail was found scattered along the Commerce road.

### FAIR AND BUSINESS JOIN AT CONVENTION

Representatives of labor, agriculture and industry met in Detroit a common ground of agreement during the special conference held at the B. F. T. L. Club, on all of state officials.

While a showy display of the general agricultural prosperity as there were speakers here, presented an almost accord on certain fundamental principles. That the farmers in industry needed immediate aid and justly deserved this aid, was freely admitted by business men and public officials, as well as by the local delegates themselves.

Practically every speaker at the conference expressed approval of the general philosophy of the "Dickinson" bill. That further development of co-operation among farmers and development by the farmers themselves of their own methods of handling the surplus problem, would be best.

In the planning of its present conditions, was the general sentiment. No formal resolutions were passed at the marksmen conference, which was largely a follow-up of the conference of eleven states held recently at Des Moines, Iowa. The way was cleared, however, for further cooperation of the marketing problems of Michigan farmers with all agencies in the state joining in the conference. It was considered likely, at other meetings to be held

at Kalamazoo, in the personal symposium from the income tax from \$1,000 to \$1,500 for single persons and from \$2,000 to \$3,000 for married persons, which will relieve 2,500,000 individuals of all taxes.

Reduction of the normal income tax rates from 2 to 1% per cent on the first \$4,000 of taxable income, from 4 to 8 per cent on the next \$4,000, and 12 to 14 per cent on the remainder.

Reduction of the maximum surtax rate to 10 per cent applying on amounts of income in excess of \$100,000, to 20 per cent on the amounts of income in excess of \$100,000, with corresponding reductions on the lower rates of the graduated surtax schedule, which now starts at 1 per cent at \$100,000.

An increase from \$10,000 to \$20,000 in the amount of income which the 25 per cent reduction on account of married in one may be applied.

Repeal of virtually all of the miscellaneous excise and participation taxes.

### NEW TAX BILL IS PASSED BY SENATE

Reductions \$125,000,000 Over Mellon Limit—Now Up to Joint Conference.

Washington. The Senate passed the tax reduction bill providing a saving of \$125,000,000 in taxes this year to federal taxpayers, and sent it to conference for adjustment of differences with the House.

Passage of the bill, which came suddenly and somewhat as a surprise even to Senate leaders, is expected to assure passage of the proposed tax cut in the payment of first income tax installments on March 15.

The vote was 53 to 9.

Senators opposing the bill were: Frazer, North Dakota; LaViolette, Wisconsin; McMaster and Norbeck, South Dakota; Norris, Nebraska, and Nye, North Dakota, Republicans; and Shipstead, Farmer-Labor, Minnesota; and Reed, Missouri; and Wheeler, Montana, Democratic.

The Senate accepted all reductions voted by the House, and in addition slashed taxes by another \$125,000,000.

The administration has declared the extent of reduction provided by the bill excessive, but confidence was expressed at the White House that the measure, as finally drafted by the conference committee, would lower the total cuts to within limits acceptable to President Coolidge.

No more than a week is expected to be taken by the conferees in reaching a compromise, after which the Senate and House must ratify the agreement before the bill is sent to the White House for the signature of the President.

Thirty-four Republicans and 24 Democrats voted for the measure, while six Republicans and two Democrats and the one Farmer-Labor member opposed it.

The main changes made by the Senate in the House bill were: repeal of the inheritance tax.

Repeal of the taxes on automobiles, diamonds and dogs.

Increased reduction in the general rate applicable on incomes between \$2,000 and \$4,000, involving an additional saving of \$25,000,000 in those taxes.

Repeal of the capital stock and the personal income in the present 12½ per cent corporation tax.

Increased relief was in the shop payroll taxes.

Repeal of the housekeeping tax on the following general provisions which are set by the income law.

Report of the law allowing publication of the amounts of income tax payable.

An increase in the personal exemption from the income tax from \$1,000 to \$1,500 for single persons and from \$2,000 to \$3,000 for married persons, which will relieve 2,500,000 individuals of all taxes.

Reduction of the normal income tax rates from 2 to 1% per cent on the first \$4,000 of taxable income, from 4 to 8 per cent on the next \$4,000, and 12 to 14 per cent on the remainder.

Reduction of the maximum surtax rate to 10 per cent applying on amounts of income in excess of \$100,000, to 20 per cent on the amounts of income in excess of \$100,000, with corresponding reductions on the lower rates of the graduated surtax schedule, which now starts at 1 per cent at \$100,000.

An increase from \$10,000 to \$20,000 in the amount of income which the 25 per cent reduction on account of married in one may be applied.

Repeal of virtually all of the miscellaneous excise and participation taxes.

### Northwestern May Soon Take Over Omaha Line

New York—Decision on the application of the Chicago & Northwestern Railway company to acquire control of the Chicago, St. Paul, Minneapolis & Omaha railway will be made public by the Interstate Commerce Commission within the next few days.

It is expected the application will be approved. It will form one of the first railroad consolidations to be authorized by the commission. A total of 10,212 miles and a capitalization of \$502,768,030 is involved.

The offer by the Chicago & Northwestern management to exchange its stock for that of the Omaha on the basis of three shares of Northwestern common for two shares of Omaha preferred, and five shares of Northwestern common for seven shares of Omaha common was made January 13, 1925.

The Omaha gives the Northwestern a majority interest in Minneapolis, St. Paul and Duluth, and will furnish important traffic in coal and iron ore.

## CHICKEN THIEVES CAUGHT AT LAST.

During the past few months a number of farmers in this section have missed from time to time chickens from their poultry houses. So well did the thieves cover their tracks that they were hard to catch, but as time passed, they became a little more bold and careless, and finally, as usually the case, they came to grief. Last week, Ross C. Bush appeared before Justice Elv. and caused a warrant to be issued for the arrest of Ralph VanSickle and Chee Crum, charging them with stealing chickens. When arraigned in court the fellows pleaded guilty and they were fined \$50 each or 30 days at the works. They paid.

A few days afterwards Herman Kreager, who has missed some chickens from his farm on the Baseline road, surmised that these fellows knew something about his chickens and he started proceedings. The matter was finally settled upon payment of \$75. Then Mr. Bush, from whose place two Ford truck wheels were stolen last summer, concluded that the fellows knew about their disappearance because VanSickle had sold the wheels to Robert Thomas. Bush asked a warrant, but that matter was also settled in some way so the case did not come into court.

It is believed that these are the fellas who have been committing a lot of the property taking that has been done about Northville during the past few months. If they are, this little will may have the effect of straightening them up a bit.

## BAPTIST MEN GIVE THEIR FRIENDS A GOOD TIME.

On Valentine's Day, the First Baptist men gave an entertainment that was a decided success and notwithstanding the rainy weather and bad traveling the church was well filled. It was a poverty, social and an old fashion school. The audience were many and varied and poverty seemed to reign but none minded being asked for some evidence of wealth. A Turnout was teacher of the old time school and he had a big task to keep his "children" quiet during the public meetin.

## BAPTIST WOMEN NOTES.

The year to be on "daughters" is that known how high-spirited old school girls you missed by those who had been home and there years ago. Every one enjoyed the slate and it never failed to judge by laughter and applause this was a great success.

## ANNUAL G. F. S. BALL FRIDAY EVENING.

On this Friday evening, the 19th Orient Chapter, G. F. S., will give its annual ball at the High school gym. Korzen's orchestra of Detroit will be engaged for the occasion and all who attend will be assured a good time. Tickets will be \$2.00 a couple and a buffet lunch will be served along with the meal.

No invitations will be sent to members of the chapter. This date is also the regular meeting of Orient Chapter.

## BETRUE COMMANDERY COMING TO NORTHLVILLE.

On Tuesday evening next there will be a great gathering of Knights Templar in this village when Detroit Commandery No. 1, comes to Northville to confer the Temple degree. The visiting knights will come in two special cars, leaving the city at 5 p.m. After partaking of a chicken dinner with the members of Northville Commandery the work of conferring the degree will be taken up.

## TO OBSERVE WASHINGTON'S BIRTHDAY.

On Monday evening next the members of Northville Lodge, F. & A. M., with their families and friends, will observe Washington's birthday anniversary with an interesting program. Besides musical numbers there will be pictures showing "Masonic Patriots of the Revolution."

Members are urged to attend and to bring their families and friends.

## POSTOFFICE CLOSED ON MONDAY.

On Monday next being Washington's birthday, and a legal holiday, post offices throughout the United States will be closed in observance of the occasion. There will be no carrier delivery. The general delivery window will open until 9:30 for the accommodation of the public. Money order department closed all day.

## L. O. T. M. NOTES.

Forget-Me-Not Hive L. O. T. M. will hold a card party and pot-luck supper Monday afternoon, February 22nd (members only). Regular meeting at 7:30 p.m.

## METHODIST CHURCH NOTES.

Our morning worship at 10:30 will have a message on "The Splendors of The Other World".

It was a better showing of adults in the Sabbath school last Sunday. Let us make it better by staying at 12 noon.

Our last for awhile of pictures will be at 7:30 when another beautiful set on "The Light of God" will be presented, commencing with Holman Hunt's famous painting "The Light of the World" with other revelations of beauty in seascapes, landscapes, and other works of nature.

This week has brought us into Lent. Let us be ready for self-denial for each day during the forty days, putting aside each day something and bringing our offering of Lent in, the Easter Week income to the end place it on God's altar.

Owing to the father and son banquet this week the Men's Community meeting will be held over until March 1st.

p.m. Lesson: Hebrews.

The services sponsored by the men's

club last Sunday night were enjoyed

by a good sized audience.

Mrs. Harry Blake contributed violin num-

bers. Avis Brown gave two piano

selections. E. S. Beard read the scrip-

tural lesson and the pastor offered

a prayer. Fred Zeihardt Marks gave a

very interesting talk on the subject of

"The needs of co-operation between

parents and schools" in which she

pointed out the value and the need of

co-operation—the need for parents to

know what is going on in the school

and to assist the wholesome influence

of the efforts of the teachers.

Lyon's influence on the youth of

today was the subject discussed by

Thomas Woodbury in a very interest-

ing and creditable manner. Brief

remarks and the benediction by the

pastor closed a very interesting ser-

vice.

Mrs. V. V. Phelps is pastor.

The attendance at both Sunday

services was splendid last Sunday but

there was a drop in Sunday school.

Lets keep up the record and improve

The ladies' class entertained the men's class last Monday evening at the home of Mr. and Mrs. Arthur Simmons. Of course, they had a fine time.

Special missionary prayer meeting will be held at the parsonage this afternoon.

You will like Mr. Carr and his daughter, Vivian. Hear them at the revival meetings.

The pastor's subject for Sunday morning will be "What Jesus did with the Hypocrites."

### FORD MOTOR CO. TO BUY 300,000 TONS OF ORE.

Ford Motor Company is asking shippers to name a price on about 300,000 tons of ore for 1926 delivery, f. o. b. shipping ports, which means the ore will be delivered at River Rouge plant by Ford vessels. This is the first inquiry for ore for next season—Michigan Manufacturer.

### FAST GROWTH OF MICHIGAN BILL

"Fifty years ago," says C. W. Hinselwood, of the Michigan Bell Telephone Co., "there was not a single telephone in Michigan." Forty-five years ago, a pair of telephones was brought to this state and connected at Detroit, by W. A. Jackson. It was an interesting experiment, one of historical note—because the experiment was a success. And on December 30th, 1925, the 500,000th telephone was placed in service and was immediately connected with our toll lines at Iron Mountain, the first call, flashing through the administration offices of the Ford Company's enormous plant at River Rouge. That was not an experiment—it was a development. And it marked progress. It also was an occasion of historical note. We have passed the half million station mark and are advancing toward the million here in Michigan—Michigan Investors

### PICKARD COMPANY BUYS LAND NEAR MILFORD.

The Packard Motor Car Co. has purchased more than 500 acres of land for an automobile proving ground. The tract which lies two miles south of Milford is one of the few spots in Southern Michigan which is built in character. There is however, a large flat expanse on which it is planned to build a two-mile speedway.

Engineers are at work laying out a number of trials besides the two-mile course. Some of them will have steep grades so that cars can be driven at great speed or at a standstill. Actual work on the road, this testing plant will be started as soon as the first leaves the ground in the spring. The speedway will be only one-half mile shorter than the Indianapolis motor race track, will have all turns so banked that it is safe for speeds up to 100 miles an hour. The track will make possible some hill climbing, just as in an air line, in high-speed testing on hillsides, will be provided.

It is the Pickard Company's plan to make the ground available for other racing trials.

### WAYNE COUNTY TO HAVE NIGHT TIME SAFETY PARADE.

Wayne County will hold a night safety parade on April 1st, starting at 8 p.m. at the intersection of Woodward and Cass Avenues, Detroit. The parade will be followed by a march of 10,000 persons, mostly school children, from Cass to Woodward Avenue, where they will be entertained at a dance hall.

Local police departments, fire departments, and the Detroit Automobile Club will be present.

It is only by educating people in general that accidents can be decreased," declared Capt. Gailbraith, and in this campaign we are asking the co-operation of the officials in every city and village in the county as well as in the city of Detroit.

Detroit is to have a special Safety Parade starting Sunday, April 1st, with a big safety parade and closing April 2nd. Detroit Safety Week is under the joint direction of Supt. H. O. Powers, supervisor of the Local Public Safety of the Police Department, and E. J. VanSchick manager of the Safety and Traffic Section of the Automobile Club—Detroit News.

It is only by educating people in general that accidents can be decreased," declared Capt. Gailbraith, and in this campaign we are asking the co-operation of the officials in every city and village in the county as well as in the city of Detroit.

Mrs. Gilgen came out to christian parents who were in their church.

For many years she was associated with the First Methodist Church. When she was in Melville she taught in the Methodist church. She was a fanatical Christian and a loyal church member and worked all her life. She never lost her interest in the church and spiritual things. She has given a lot of splendid services to her Master.

Funeral services were held Wednesday afternoon at 2:00 o'clock at the Methodist church after a memorial service at her home at 1:00. Rev.

R. C. Farrell conducted the services and paid a fitting tribute to her life and devotion to her church—Minneapolis Iowa Record.

The remains of Mrs. Gilgen were interred in the cemetery in Northville, Thursday afternoon and were taken to Farmington for burial. Rev. William Richards had charge of the services at the grave and C. R. VonKlebenburg sang "Lead Kindly Light" a favorite hymn of the deceased Charles E. Burton of Forest Hill Gardens L. I. accompanied the remains to this village.

Mr. Edwin Sulkowski, brother of the bride, performed the duties of best man.

Mr. and Mrs. Sulkowski will make their home in Farmington. Farmington Enterprise.

The bride was attractively gowned in tan satin crepe and wore a corsage of sweet peas. Her sister, Miss Emma Witt, wore a frock of white and pink, sweet peas made up her corsage.

The courageous men and boys gathered at the High school gym last night for the annual curtain raiser dinner and banquet. It was a happy crowd and the dinner and program was greatly enjoyed.

Mr. and Mrs. Earl L. Soperates are now residents of Ann Arbor, having recently purchased a home in that city at 512 Pontiac street. Mr. Soperates is now a licensed physician having recently completed a course of instruction.

Plymouth came back at Northville last Friday night and defeated our boys and girls, holding ball teams by small margins. The boys' second team from this gym defeated their opponents by Plymouth, however, in a happy game.

Mr. and Mrs. C. F. Starkey have returned home from a trip with Mr. and Mrs. T. G. Richardson at Fremont, Ohio. While to the south they visited a number of points of interest and they reported that the people well and happy.

On old time dance will be held at the High school gym late Friday night by the L. M. Girls of Northville as a social. It was a happy crowd and all had a good time.

Guests were present from Highland Park, Detroit and Farmington.

There will be an old-time dance at the Masonic Temple in Plymouth on Wednesday evening next, the 24th.

Mr. and Mrs. John Tisham of this place, will furnish music and Northville people are cordially invited to attend.

If you have not already made the village registration book, you will do well to attend to the matter Saturday.

Or if you have moved from one precinct to another during the past year you will do well to have your name changed on the poll books.

After an unusual week owing to the opening, Northville's new theatre is attracting good size crowds each night and the pictures shown are being appreciated.

Some especially good ones are billed for this week with a special feature for Thursday night only. Read the announcement in The Record.

On Tuesday evening of next week the degree team of Olympic Lodge of Detroit will pay a fraternal visit to Northville and will confer the rank of Knight for Mystic Lodge, K. of P. A lunch will follow the work. On Tuesday afternoon at 3:30 Mystic Lodge will confer the second rank upon a number of candidates who will receive the Knight rank in the evening.

Last Sunday was the anniversary of Mrs. W. J. Cowell's birthday and a number of relatives gathered at the Cowell House to assist her in celebrating the happy event. Relatives were present from Flint, Lansing, Websterville and Detroit and they enjoyed one of those wonderful dinners for which the Cowell House is noted.

The afternoon was spent with visiting and renewing acquaintances. Mrs. Cowell was kindly remembered with numerous gifts.

## VILLAGE CAUCUSES WERE WELL ATTENDED

Not in recent years have the village caucuses attracted the attention or aroused the interest they did this year.

The workingmen's caucus was called to meet at the village council room on Tuesday night, but the room was so small that an adjournment was taken to the Perrin block on Main street.

N. C. Schrader called the caucus to order and read the call. T. Carrington was elected chairman and E. E. Brown, secretary. Elmer Perrin and D. J. Stark were appointed tellers.

For the office of president there were just over one hundred votes cast of which number Elmer Smith received 59.

The contest for trustee was spirited one and it required three ballots to determine who should have the honor of being designated first trustee. C. R. VanValkenburgh finally won the honor, receiving 66 votes out of 100.

For the second trustee Conrad Langford, who had given Mr. VanValkenburgh a good race, was nominated under suspension of the rules.

John R. Walker was nominated for the third place on the list of trustees, receiving 58 out of a total of 97 votes.

Of course, T. E. Murdoch was nominated to succeed himself as clerk without opposition.

Miss Marion A. Johnston was nominated for treasurer under suspension of the rules.

For the office of assessor H. R. Richardson received 53 votes to 48 for Chas. A. Sessions, and was declared the nominee.

The village committee for the ensuing year will be E. E. Brown, F. W. Lyke, Mrs. Ed. Sessions and Mrs. F. S. Neal.

About 25 electors gathered at the people's caucus held at the council room on Wednesday night.

S. W. Knapp called the meeting to order and stated its purpose.

R. A. Brooks was chosen chairman and Mr. Zerlind Perkins was appointed secretary.

John McCullough and Merril S. St. Peter were appointed tellers.

For the nomination for president there were 26 votes cast and they were all for R. A. Brooks and he was declared the unanimous choice of the caucus.

Ed. Carpenter, John S. Shouley and Lewis S. S. were nominated for trustees.

It was moved and carried that the committee of the ticket be left blank as no candidate in this election had been a man on the workingmen's ticket.

S. W. Knapp, George McCullough, John McCullough and Mrs. George McCullough were elected members of the committee for the ensuing year.

FARMINGTON TO BECOME A CITY

Farmington will become a fifth class city instead of a village, separate from Farmington Township, next month under provisions of the new charter which was favorably voted upon Monday by the public as the culmination of a lively campaign.

The vote was 106 for a fifth class city and 102 against the change.

The charter committee, consisting of S. W. Knapp, George McCullough, John McCullough and Mrs. George McCullough, will expedite the results of the election and prepare for the conversion of the village government into the city form by March.

BAKE SALE SATURDAY.

The Senior Home Guards of the M. E. church will hold a bake sale at F. W. Lyke's store on Saturday, tomorrow, from 10:30 a.m. to 3:30 p.m.

ARD OF THANKS: We desire to express our thanks to Rev. Wm. Richardson for his words of comfort and C. R. VanValkenburgh for engaging Ed. Sherman and Sisters.

## WASHINGTON'S BIRTHDAY

February 22nd

### A Nation's Tribute

WASHINGTON AND LINCOLN LIVED FOR THE AGES. THE WORLD JOINS THE NATION IN PAYING TRIBUTE TO THE MEMORY OF THESE MEN WHO GAVE UNRESERVEDLY OF THEMSELVES THAT CERTAIN IDEALS OF RIGHT, MIGHT PREVAIL AND THAT THIS COUNTRY MIGHT LIVE AND FIND A PLACE OF HIGH ESTEEM AMONG OTHER NATIONS OF THE WORLD.

GREAT AS WERE THESE MEN THE HONEST VIRTUE OF GOOD COMMON SENSE WAS AT THE BOTTOM OF THE POWER THAT ENABLED THEM TO CARRY THE COUNTRY SUCCESSFULLY THROUGH ONE CRISIS AFTER ANOTHER. THE PRACTICE OF THRIFT IN THE BROAD SENSE OF THE TERM WAS WIDELY ADVOCATED BY BOTH WASHINGTON AND LINCOLN, AND SURELY IF THESE TWO MEN FOUND THRIFT A PRACTICE TO BE COMMENDED ALIKE WILL FIND IT EQUALLY GOOD TO FOLLOW.

Save Your Strength

Housework—the hard, heavy, never-ending work of the home—need no longer rob a woman of her strength and shorten her life. Electricity, the modern domestic help, does the work and does it quickly and well, and cheaply. Do you realize that 2 cents an hour will run a vacuum cleaner? That 3 cents an hour will operate a washing machine? That a room can be beautifully lighted for 5 cents an hour?

Come in today and let us show you.

**To The Public**

I desire to announce to the people of Northville that I have purchased the Elliott Hardware stock and business and that I will continue to conduct the store. Having spent so many years in a hardware store I feel more at home here than in any other business in which I might engage and I shall be glad to meet all the old friends and customers with whom I have been associated for so many years.

I shall add such lines to the store as the trade demands and shall strive to serve the public in a manner that will prove mutually satisfactory.

A very cordial welcome will await you here at any time.

Very truly yours,

James A. Huff

**Northville School Notes****A Great Event**

Next Wednesday, the 24th, will be a day of opportunity for all High school students. The 24th is the day to buy Palladium. Everyone likes to be known as a good fellow. Here is your chance to show your school spirit. To buy an annual is to give not only your financial support to your school, but also moral support. The Annual is the very essence of school life. It is the object of your devoirs. The Annual stands for the best in everything.

The Palladium is your best friend in school for it has the activities of your friends within its pages. They are all there, not a one is left out. The annual for 1928 has as added features, space for autographs, alumni department and the leather cover. Besides these new features there is the class of 1928, class history, class will, class iteration, statutory, valentine, class prophecy, athletics, debate classes, school calendar, school humor, advertising and organizations.

An enterprise that makes its way in the world must have financial backing, and by purchasing an annual you are doing your share in building an enterprise.

The Palladium for 1928 is alive with interest from cover to cover. The goal is to sell an annual to every High school student. Will you help us reach that goal? Let us say then, "Buy an annual." Show your school spirit.

**Plymouth Evens Up Score**

After so many of the Northville people missed the exciting girl's game of basket ball last Friday night at Plymouth, our girls went over there with the idea of winning, but they were not over-confident.

When Plymouth was here they did not show as good a standing as they did on their own floor. Of course Plymouth had one more at home on their own floor. Our girls fought home on Plymouth's floor and gave them a hard fight. The game was fast and very exciting. At the end of the ball to people stood 14 to 14 at the half. When a half hour was up on the floor for the second half there were people than ever determined to win. Each girl played as hard as she could and it was not long before we in Plymouth on the verge of collapsing. The score seemed to settle from one side to the other. First Jonathan would make a basket and then Plymouth would. Every one yelled and cheered so loudly that the Plymouth girls were unable to hear the referee's whistle. In the end two, two-point baskets finished this very odd game. But the referee announced it, that was the way it will be. No matter how many times Plymouth made up girls still hung on and the game ended with a score of 22 to 20 in favor of Plymouth.

**Northville Defeats Lincoln Park**

On Friday afternoon, February 12th, Northville went to Lincoln Park for the final game of the season. If Northville were victorious in this decision, it would make us eligible to enter the final series. The team was composed of Margaret Stanford, Lila Prichard and Russell Atchison. Northville went over with a determination to win this debate but not with over confidence. Northville had the negative side of the question. The conclusive speech of Northville together with the speech delivered helped us toward our victory. Northville's rebuttal speech absolutely refuted Lincoln Park's argument and left them without a stand. At the end of the debate the chairman called the votes and the score was a 2 to 1 decision in favor of Northville.

**ANOTHER BOOTLEGGING JOINT RAIDED**

Deputy Sheriff W. H. Safford and Elmer Lyke motored out to the Johnson farm late Wednesday night and made a raid on the house which was occupied by Robert Denton. They found a gallon of "white mule," a quantity of home made beer, a lot of bottles and some jugs. Denton had two customers in his place when the officers called.

The raid was made on information and belief and Denton was brought to town and pleaded guilty to disorderly conduct and was fined \$50 which he paid. Thursday morning Denton was given to understand that if any more bootlegging was carried on at the farm he would have to move and to move quickly.

**THE MONITOR COMPANY HELD ANNUAL MEETING**

Last year's officers of the Monitor Insurance Company were all re-elected without opposition at Monday's annual meeting of the county's oldest and largest mutual fire insurance company held at the Armory on Water street.

Frank J. Malcomb of Commerce was re-elected president; William H. Williamson of Waterford, vice-president; Harry M. Bogart, Pontiac, secretary and treasurer; and A. L. Ross, Avon township, director for three years.

The annual report of Secretary Harry M. Bogart revealed the com-

pany closed the year with a balance with \$14,683.535 worth of property on hand of \$30,298.00, as compared with \$55,552.53 the year before. This year there was but one annual obligation has been paid. The assessment on the membership and its total income for the year was \$75,000 to \$4.75 for each \$1,000 of insurance. The 1924 fire losses were \$6—Pontiac Press \$54,000. The company closed the year with 3,322 policy holders and
