Floyd Shafer, Proprietary Huff's Basement.

IT MAKES A DIFFERENCE, YOU KNOW.

When Senator Couzens consented to be the guest and speaker of the Charlotte (Mich.) Rotary Club, he was given a number of questions of political and semi-public nature to answer. One of the questions asked concerned the amount of income he had and his investments.

He answered this question by saying: "It's none of your business." He was right, and yet Jim has been clamoring for publicity of income tax returns. It is hard to reconcile his answer to the same, his present attitude, and his semi-public nature, to which he has agreed. Other people's answers to one of the questions asked

FATHERS AND SONS ENJOY AN EVENING OF FELLOWSHIP.

The Northville Commandery's tenth annual commanding father and son banquet was held at the High school gym last Thursday night and in spite of the terrible storm and the almost impossible condition of the roads and trails nearly three hundred men and boys gathered for the happy event. The company gathered in the parlor room and soon after 6:30 all moved toward the banqueting room, a few minutes delay being caused due to the fact that some members of the orchestra were snow-bound on the way from Detroit. The dinner was in charge of the members of the Senior class, who were ably assisted by their mothers and the teachers of the school, and the room presented a very attractive appearance. Flags were used in the decorations and streamers of crepe paper formed a canopy over the entire gym. The tables were nicely arranged and were made very attractive. As the men and boys found their places about the tables they presented as fine a group picture as one could hope to see and a fine spirit of fellowship prevailed. Rev. William Richards offered the invocation and then the guests were seated and partook of the following appetizing menu:

Beef Beef, Short Gravy
Baked Potatoes
Buttered Peas, Buttered Rolls
Pickles
Fruit Salad

Ice Cream, Assorted Cakes
Coffee

This affair this year was sponsored jointly by the Exchange and Rotary Clubs and at the conclusion of the dinner, Paul R. Alexander, president of the Exchange Club, in robed, R. A. Brooks, president of the Rotary Club, as the toastmaster of the evening, in his introductory remarks President Alexander said: "An original poem written some years ago by our fellowman, A. F. Fuller, expressing his feelings toward his sons, Russell and Howard, and which ascends especially appropriate for a father and son gathering at the temple tonight, displays a picture of the two boys enclosed in a frame with one of the little girls they love."

"THE BLUE JEANS,"

These days we speak of great things And of big things, which a' to be, But did you ever think one moment What those blue jeans meant to me?

Oh, it's grand to sit and ponder Over those "dang'rous days of yore, And old fashioned ways,

While Howard and Russell work,

We'll take Howard from the cradle

And we'll take Russell at our knee,

But they're not here at this time, What those blue jeans meant to me.

We've watched them grow to manhood And we've watched them leave our doors,

But we've always kept the ship of state,

While Howard and Russell were

Left home our sons and fathers,

And each boy can plainly see,

The very reason why,

The blue jeans, as dear to me,

Now the stuns have changed 'em,

We don't old fishion any more,

And their ladies never wear overalls,

Like Howard and Russell work,

As we grow old together,

Or the greatest joys of me,

Is to see both boys and their families come back home again to see,

Just mother and me,

In assuming his duties as toastmaster Mr. B. Cooks asked all to join in a few familiar songs and the great crowd just made the building ring. He expressed his appreciation of the honor shown him and in a few well-chosen words introduced the speaker of the evening, Lewis Reiman of Ann Arbor, who gave an interesting talk making no attempt at oratory, but just taking to the men and boys as he would to one or two of them. He told of his experience in foot ball and explained in detail the training and the efforts that are put forth to produce a winning team. He urged fathers to take an interest in what their boys are doing, to be pals with them and to set an example by right living and right acting. He declared that you cannot fool the boys—they very often know their fathers better than he knows himself.

An orchestra from Detroit rendered a number of selections during the setting of the dinner and Mrs. June Filkins contributed four vocal solos to the program. She appeared twice on the program and in each instance was compelled to sing an extra number. Guy C. Filkins presided at the piano. At the conclusion of Miss Filkins' last number the boys rose and standing at attention sang "America." Noise-makers supplied by the committee provided a whole lot of fun for the boys and for the men also, because some of our staid and dignified business men were seen blowing on a cucumber or a banana with as much vigor as the boys who sat beside them. The gathering was a success in every way and was a distinct credit to this community.

Wednesday night's train made the

BROTHERS TOOK PART IN COMMANDERY INITIATION TUESDAY NIGHT.

The hall of Northville Commandery Knights Templar, was the scene of rather an unusual incident on Tuesday night when the Otis brothers, Asa, of Farmington and Henry of Detroit, presided at the ceremonies of conferring the degree upon

Amos Guis, the present eminent commander of Northville Commandery and Henry Otis, past

eminent commander of Detroit Com-

mandery No. 1, whose orders had

been invited to visit Northville for the

purpose of conferring the degree.

Mr. Otis was accompanied from De-

troit by Albert R. Arbrey, eminent

commander of Detroit Commandery

and his staff composed of the follow-

ing: Generalissimo, John L. White-

head, captain general, Charles E.

Van Dusen, senior warden, Paul W.

Voorhees, junior warden, F. Eugene

Webb, treasurer, Archibald C. Carson

treasurer, John F. Gerschow, recorder

Henry A. Hathaway, standard bearer,

James D. Anderson, sword bearer, the

Rev. Chester B. Emerson, usher,

David P. Ireland, sentinel, Thomas R.

E. Conrad, herald, and the

Delegates from the Commandery of

Shoes That Give Service and Comfort

When you buy a pair of Shoes or Oxfords you want service and comfort. You will find these wonderfully combined in the offerings made at this store. We do not buy cheap footwear—either only the best—no seconds ever find their way into this store.

When you want a good fit, real comfort and wearing service, just drop in here and let us fit you out.

Bring the children.

John McCully

You Should Worry

Some good housewives—out of pure habit—are still brooming rugs and carpets; rubbing clothes to pieces on a board; standing on tired feet to make coffee and toast; treading away like a bicycle racer when they sew.

Other good housewives have found that the tiring tasks of the home can be done easily, cheaply and in quick time by electricity.

Come in and look at some of the electrical devices that lend rest and comfort to women folk.

THE DETROIT EDISON COMPANY

You Need Coal?

We Have It

"As the days lengthen the cold strengthens has been an age for many, many years and it is just as true today as ever."

Happily, we have "Coal to fill your bins," and while the situation is now most peculiar we do not anticipate any serious tie-up.

It is better to be safe, however, and so we advise you to keep your bins pretty well supplied.

Tell us your needs and we will endeavor to supply them promptly.

RECORD LINERS—THE BEST RESULT GETTERS.

NORTHVILLE

Twenty-five Years Ago

Items taken from The Record files of 1924, or the week preceding to this week.

A G A R post with sixteen members was organized last week at South Lyon.

Miss Gertrude German visited Mrs. C. Rauch in Plymouth the first of the week.

Mrs. Jones, editor of the Delray

Times, was the guest of Mr. Neal on Sunday.

George Blakesley, the well known aerobat of Farmington, will appear at the concert for the benefit of the band, with some of his finest work.

W. A. Carruthers, for some time station agent for the P. M. Company at this place, has been made yard master at Plymouth and will probably take up his residence there.

A conflagration was narrowly averted at the Baptist church Sunday morning. A block of pine which had been left under the register pipe caught fire and caused quite a scare for a few minutes.

Mrs. H. W. Clark gave a delightful progressive party on the night of Washington's birthday for eighteen couples. Miss Thompson and Mr. Johnson were first prize winners and the tail enders were Mrs. Hodgkins and Mr. Neal.

About a year ago the L. O. T. M. bought a piano for their ball and by all writing in persistent efforts secured giving five o'clock teas and a series of parties; they now have their instrument entirely paid for.

From the General Ohio Times, we learn that J. H. Webster, a former well known Northville boy, was married on February 17th to Miss Alta Kennedy at the home of the bride's parents in the former town. B. O. Webster of this village, a brother of the groom, acted as best man.

A charming wedding took place at the home of Mr. and Mrs. L. D. McRae. On Friday evening February 17th at 8 o'clock, when the daughter Alida, became the bride of Mr. John L. Jr. of Mt. Clemens. Rev. Mr. Johnson performed the ceremony. An elegant luncheon was served in the common room and Mr. and Mrs. Trouton left after a few weeks trip to St. Louis and Washington.

REPORTS BUT TRUE.

Recent conditions and the farm and toy industry are the influences making for agricultural prosperity or the lack of it. There is no sign of comin' or whatever trouble may fall to plague us.

No profit of shirt cuff to prosperity is within the power of government. Neither is poverty nor the adequacy of food in the world going to be increased by statute. San Francisco Chronicle.

WOLFF LAKE WARBLERS.

After a number of years the Wolff Lake Embroidery Club has decided to change its name to the Wolff Lake Women's Civic Welfare Club and will continue its efforts for community improvement. Just now they are holding a movement to spear a cement sidewalk leading from the town section to the High school building and of course, they will succeed. Nothing is impossible for a company or men who set their hands to task and stick to the job.

DON'T KILL THE BIRDS.

Department of agriculture estimates give 15 billion as the probable number of birds in the world, about 50 times the number of people. The estimate five billion birds in the United States alone.

Birds are mankind's best friends. Practically every bird is a costless, automatic, self-perpetuating bug and insect exterminator.

In other words, birds and the country would soon swarm with insects plagues like those of Egypt in the times of Pharaoh.

It is perhaps good business for the nation that gun and ammunition prices are so high that comparatively few people can buy them for bird-killing. There was a time when the household shotgun was desirable even necessary to fill the family larder; now the kitchen table is supplied best by the means of the means to kill the birds that save the crops.

Belated Assurance.

That there is no such thing as postumous fornication is probably utilitarian. But it came too late for a good many reasons. —Butterfield, N. Y.

Brave.

Pa said it was dangerous to eat peas with a knife, but he always was a man to take chances.—Oregon Orange Owl.

MANY KILLED, HURT IN UTAH SNOWSLIDE

Thirty-Nine Bodies Removed While Search Continues for Others.

Pineham, Utah.—Thirty-nine bodies of men, women and children have been removed from the mountain of snow which had been buried under the tons of snow since they may not be found until the spring thaw early in April.

Twelve injured persons caught in the trap buildings when they were struck by the thunderous mass of snow are confined to hospitals and some of them are not expected to recover.

Officials directing the search of the scrambled ruins of a score of buildings, one a three-story frame boarding place housing 50 persons, expressed the belief that in the neighborhood of 200 bodies might have been buried in the cabin in the snow.

Mr. Wardlaw, superintendent of the Colorado Mining Company, who is on rates the Highwood Mountain workers, made a list of 200 missing persons, which included only the owners of houses destroyed. He was unable to say how many of the persons might have been employed by the mining companies.

Only 18 of the known dead had been identified and there was the possibility that the 17 unidentified bodies were those of persons listed as missing and dead.

The rescue workers numbering more than fifty were snarled out in their attack upon the debris by 11 spring snow. The drivers of the snowplow, the owners of the boarding house, after more than four hours of effort, were brought out after all, as had been given up for those in the snow.

The rescue workers numbering more than fifty were snarled out in their attack upon the debris by 11 spring snow. The drivers of the snowplow, the owners of the boarding house, after more than four hours of effort, were brought out after all, as had been given up for those in the snow.

Two bodies were recovered in the snowdrifts of the mountain range. In his bath of more than 100 feet in the snowdrifts of the mountain range. In his bath of more than 100 feet in the snowdrifts of the mountain range. In his bath of more than 100 feet in the snowdrifts of the mountain range.

BUILD

WOOD

Lumber Specialists

Phone 301-E22

PLYMOUTH, MICH.

Dear Friend:

Wood—Mother Nature's building material.

Made in her great forests—seasoned by the elements—durable and long lasting. For centuries man has built of wood and it still serves him as his greatest aid in home construction.

Beauty, impossible in man made substitutes, adaptability to any architectural design or treatment, and economy, a minimum of waste because it is easily worked. Build your home of wood for that feeling of hospitality and cheerfulness that only a real home can have.

For years the men in our organization worked with it, lived with it and we understand its possibilities and also its limitations. We have had years of experience in home construction—in modern fashion. "We know our stuff."

Whenever you have a building problem, bring it to our office. Although we're specialists, there is no consulting fee and we are sure our advice will be of help to you.

Dies at Age of 111

Milwaukee—Mrs. Louise K. Thiers, one of the original Daughters of the American Revolution, is dead at her home here at the age of one hundred.

RECORD LINERS—THE BEST RESULT GETTERS.

Reward Money Will Be Paid.

Tentative Agreement Between Governor and Legislative Leaders Assures Satisfactory Settlement.

(By Ed. A. Nowack).

Michigan motorists need have no fear of an increased gas or weight tax or modification of either. Townships and counties will receive their delinquent reward money on definite dates and early enough each year so the money will be available for use with the beginning of the season. Not a cent of reward money is to be repudiated. The future highway program as envisioned by the special session of

the 53rd Michigan legislature sees a road building program of about 300 miles of improved roads annually.

That, in effect, is the program tentatively agreed to by house and senate leaders and Gov. Alex Groesbeck and which is on its way to enactment this week in the shape of a bill introduced by Rep. Eugene Kirby of Covert and Rep. John Gillett of Kalkaska.

Here is the program:

Solution of the highway problem started when Rep. Gillett introduced a bill asking delinquent reward money for townships. This was followed by the Kirby bill which incorporated the Gillett amendment following a conference between Gov. Groesbeck, Kirby

and Gillett. The Kirby-Gillett bill provide this schedule of payment for delinquent county rewards:

Townships to receive \$250,000 by April 1, 1926, which was not previously provided for and which is all that is owing them at this time, and to receive thereafter on that date each year all township reward money that falls due.

One million dollars county reward money to be paid June 1, 1926. One million dollars each on February 1 and April 1, 1927 and two millions annually thereafter on those dates until all present delinquent rewards are paid as well as all reward money now on application, filed and approved previous to the repeal of the reward law in April, 1925. This reward money totals over nine millions.

In accepting this schedule the legislature approves the temporary suspension of about one-and-one-half million dollars rewards for one year but makes immediate payment to townships rewards for which no previous provision existed. Townships in 18 counties will be affected.

Who Gets Tax Reduction?

The bills that are being put through congress to let off millions of federal taxes will benefit the great mass of taxpayers, including the large taxpayer, the small taxpayer and the non-taxpayer.

Tax reduction is inevitably a great stimulant in industry to investment and the inauguration of new enterprises, because it means a lowering of production costs.

Now, it is a fact that cost of production is almost inevitably passed on to the consumer, as much as raw material and labor costs, only the item of taxation is a permanent one liable to be increased by state and local authorities.

It is not easily controverted that the sale price of an article which must bear the total cost of production plus a profit and all cost of operation, finally taxed upon the consumer. And so it comes about that all are benefited by tax reduction.

Where It Really Thundered.

The Transatlantic noise of the fire and violence of the thunder storms.

STATE NEWS IN BRIEF

East Lansing—A fire started by an explosion during an acetone distillation experiment in one of the laboratories of the Michigan State College chemistry building resulted in damage to the building equipment estimated at \$1,000.

Lansing—Mr. Ezra C. Ferguson, 50 years a scientist in big companies, has been elected president of the Michigan section of the American Association for the Advancement of Science.

Owosso—James F. McBride, of Burton Progressive candidate in 1924 for Lt. Gov., has been elected his candidate for representative in the State Legislature from Shiawassee county. McBride was elected representative in the full House in 1922 and served one term. He was formerly state market director of the National Federation of Voluntary Reduction in the Detroit Edison Co. rates that mean a saving to the smallest domestic consumers of electricity of about 15 to 25 per cent was announced.

A letter to Mayor John W. Smith from Alex Dow, president of the company, to the approval of the Michigan Public Utilities Commission, has been asked.

Vicksburg—Several proposed changes to the city charter, including the election of a city assessor and the election of four supervisors instead of two as at present, have been acted upon favorably by the council. The amendments will be voted upon at the spring election if approved by Gov. Alex J. Groesbeck, to whom they will be submitted for approval.

Detroit—Detroit was torn apart and completely dislocated by airplane mail service with Chicago and Cleveland last Monday afternoon when planes flying from the neighboring metropolises landed at Dearborn each thus completing a round trip within a few hours and received the plaudits of the assembled crowd and congratulations of government officials.

Lansing—State prison commission will ask the special session of the legislature to appropriate \$1,700,000 for construction work on the new Michigan Jackson, W. H. Pratt, chair man, has announced. This amount, plus \$50,000, will be available next July from a regular appropriation made by the last legislature, will permit continuing construction until July, 1927, he said.

Kalamazoo—Convicted of killing his former step-mother, Mrs. Fred Muller, by a jury in Circuit Court, Leo L. Gonnell was sentenced to life imprisonment in the Michigan Branch prison by Justice George V. Williams. The verdict followed six hours deliberation. Mrs. Muller was shot to death five weeks ago on the porch of her brother's home, Kalamazoo, and Gonnell had quarreled with Gonnell's teenage son, an infant.

Lansing—Pending adjustment of the troubled-inated state of the House over road legislation, the Senate, according to present indications, will not attempt to settle officially on a plan for increasing road building. Such at least is the opinion of Senator Barney E. Brower of Jackson administration leaders; usually Brower's predictions indicate the sentiment of the Senate and the desire of the administration, which, in past sessions, have governed the actions of the Senate.

Lansing—Governor Alex Groesbeck is asked to include 12 subjects, most of them of minor importance, in his second message to the legislature in a concurrent resolution adopted by the house of representatives. Several of the suggestions are amendments to straighten bungled laws. Among these are the Darrin gun law, which requires permits to own or carry firearms; an amendment allowing fore closure notices to be served by posting them on the premises; and one relating to guardianship, bail bonds.

Grand Rapids—District court, in its decision in the case of John W. Duggins vs. Charles Holden, United States collector of internal revenue for the Fourth District of Michigan, declared the law unconstitutional so far as it affects gifts not made in contemplation of death.

Judge Fred M. Raymond, of the United States District Court, in a decision in

the case of John W. Duggins vs. Charles Holden, United States collector of internal revenue for the Fourth District of Michigan, declared the law unconstitutional so far as it affects gifts not made in contemplation of death.

JOHN McDOWELL KILLED ON FISHERY ROAD WEDNESDAY.

A distressing accident took place on the Fisher's road near the Sloan school house on Wednesday forenoon about eleven o'clock, when John McDowell, an employee of the Spring Hill Sanatorium, received injuries from which he died in about an hour. Mrs. Ma. Jacobs was driving along the road with her Ford car and in some manner she lost control of the machine and it went into the ditch. John Dunn, who is the driver of the sanatorium car truck, came along and offered his assistance. He hitched a chain to the Ford, but before attempting to pull the machine out of the ditch it was arranged to have Miss Viole Multaster, the teacher, get in the car and sit behind the wheel. The big truck had no trouble in pulling the Ford back into the highway and while Mr. McDowell was replacing the chain on the rear of the truck Miss Multaster started the Ford, which evidently was in gear, and the car lurched forward and before the young lady could apply the brakes had stopped the auto the machine struck Mr. McDowell in the back and he fell helpless across the fenders of the Ford. He was rushed to the sanatorium and died soon after he had reached the institution. The body was taken to the county morgue in Detroit.

It was one of those accidents for which no one can be blamed, though it was terrible in its consequences. All connected with the case were trying to render assistance and no blame can be attached and one

BIG FEAT IN PICHLER COMING.

Many stories and many pictures have dealt with the adventure of the stalwart men who crossed the Western plains and mountains in 1849 to seek gold in the California valley of California.

But The Splendid Road, a First National book which comes to the PicHLer-Alon The next Sunday and Monday night is a great idea having its original character, a woman in pioneer.

The story concerns the coming of a woman who came to the gold country by water from Canada who after adopting three motherless children proceeds to face the rigors of a rough mining life with a determined smile. Mrs. Nelson does a great work in the Iowayean woman planter. Co-starred with her are Robert Frazer and Lionel Barrymore.

Included in the supporting cast are Edwin Earle, Edward Davis, Pauline Karan, Gladys Brockwell, Marcelline Day, George Bonner and Snitz Edwards.

FRED F. VANATTA FOR ASSESSOR.

J. R. Richardson who was nominated for assessor at the Workingmen's caucus last week declined the honor and asked to have his name taken off the ticket. The committee was requested by great many people to place the name of Fred F. Vanatta on the ballot and vacate and he was asked if he would accept the place. Saturday night he informed the committee he would consent to have his name placed on the ballot and on Monday night the committee voted unanimously to do so.

Mr. Vanatta has served the village for the past few years as trustee and has been a faithful and efficient official. He is thorough in whatever task he undertakes and it is believed he will fill the office of assessor with credit to himself and to the village at large.

KNIGHTS OF CYTHIAS HAVE A BIG NIGHT.

Tuesday afternoon and night was a red letter occasion for Mystic Lodge, K. of P. of this place. In the afternoon the second rank was conferred upon a class of candidates and in the evening officers and members of Pontiac and Olympic lodges were present to assist in the work. Pontiac conferred the second rank and Olympic the rank of knight and the ceremonies of initiation were very impressive.

A lunch was served and it was long after midnight before the work had been concluded.

The lodge has just recently been organized and a great deal of interest is being shown by its officers and members.

Last week Thursday evening Mr. and Mrs. Gu. Shamos were pleasantly surprised by a number of their friends and neighbors dropping in on them, the occasion being Mrs. Shamos' birthday, and the guests presented her with a beautiful hand painted dish. Progressive Pedro was the entertainment for the evening.

ELECTION NOTICE.

Notice is hereby given that the regular annual election for the Village of Northville, county of Wayne, Michigan, will be held on Monday, March 8th, 1926, at which time the following officers are to be elected:

Village President, Three Trustees,

full term; Clerk, Treasurer and Assessor.

Notice is hereby given that the polling places in precinct No. 1 of said village which consists of all that part of the territory from said village being west of the center of Center street is located on D. B. Buon's Garage Main street, and that the polling place for precinct No. 2 of said village, which consists of all that part of the territory in said village lying east of the center of Center street in said village is located at the Village Community Room, South Center street.

The poll of said election will be opened at 7:30 o'clock in the forenoon of 8th instant thereafter as may be and will continue open until 5:00 o'clock in the afternoon unless the board chair in their discretion adjourns the polls at 12:30 o'clock noon, for one hour.

Dated Northville, Mich., February 25, 1926.

THOMAS E. MURDOCK,
Village Clerk.

**AGREE ON TAX CUT;
TO PASS THIS WEEK**

Slash O. K'd by Both Houses;
Totals \$381,000,000—in
Effect Soon.

Washington. The conference committee representing the Senate and House have reconciled their differences and reached an complete agreement on the tax reduction bill. Approval of the compromise by both houses and by President Coolidge is assured and the bill will become a law if and to give tax cuts in their reductions in taxes on 1925 income, the first installment of which is due March 10 next.

Hundreds of thousands of persons will be relieved of all income taxes under the new law and those who will continue to pay will receive reductions ranging from 25 to 50 per cent.

The new bill affords taxpayers a saving of \$12,000,000 for this year and \$40,000,000 for next year.

Outstanding features of the bill as it stands at present are:

It gives a 25 per cent tax on incomes up to \$10,000.

It grants a 50 per cent reduction of the tax on incomes up to \$20,000.

It provides a maximum rate of 20 per cent at \$10,000, a maximum rate of 20 per cent at \$10,000, as compared to the present law which ranges from 20 per cent to a maximum of 40 per cent at \$20,000 and over.

Those who earn up to 25 cents were made tax exempt. The limit in the present act was 20 cents.

Automobile taxes were cut from 5 to 2 per cent.

It places the corporation profits at 15 per cent of 1925 income.

Dividends on stocks will be taxed at 50 per cent.

Interest on debts will be taxed at 50 per cent.

Charitable contributions will be taxed at 50 per cent.

Employer contributions to pension funds will be taxed at 50 per cent.

Employer contributions to savings banks will be taxed at 50 per cent.

LOCAL

There will be a special meeting of Orient Chapter, O. E. S., this Friday, evening.

Mrs. Ruby West of Ypsilanti spent the week-end at the home of Mr. and Mrs. Horace Boyden.

Hereafter the hours at the Library will be from 3:00 to 5:00 in the afternoon and from 7:00 to 9:00 in the evening.

Mrs. Caroline Balde is visiting at the home of her son John H. Balde, at Plainwell, where she will remain until spring.

The regular meeting of the Baptist Missionary Circle will be held at the home of Miss C. B. Turnbull Wednesday, March 1st.

Geo. W. Henry, a former resident of this place, who moved to Ann Arbor last summer, is manager of one of the 5 & 10 stores in that city.

Miss Ruth Henry, formerly with the Northville State Savings Bank, has accepted a position with the State Savings Bank of Ann Arbor.

The dancing party given by Orient Chapter, O. E. S., last Friday night at the High school gav was a very enjoyable affair and was well attended.

Members of Music Lodge, K. of P.

and their ladies will enjoy a box social at their hall on Tuesday evening next.

There will be a good time for all who attend.

A chimney bursting out on the Alexander Building on east Main street Tuesday morning caused an alarm of fire to be turned in. No damage was done, however.

The annual Farm Boys Conference is to be held at Walled Lake at an early date this spring. The Walled Lake Junior Agricultural Club will have charge of the local arrangements.

A very handsome comfort station of Spanish design will be erected in Cass Benton park in the spring. Plans for the new building have been approved and work will start early in the spring.

The Detroit Symphony Orchestra will be the next attraction on the Choral Union concert series at Ann Arbor. The date for the appearance of this popular organization will be Sunday March 8th.

The King's Daughters will meet with Mrs. Louise Siford next Tuesday afternoon, March 2nd, at 7 o'clock. Let as many members endeavor to be present as possible and come prepared to do some sewing.

The Wayne County Association of the L. O. R. M. will convene at the I. O. O. F. temple in Detroit, Revner Bethune and Brush, at 10:00 on Thursday, March 3rd. A number of Northville ladies will attend the convention.

The name of W. H. Chapman should have appeared in the list of charter members of the Northville Rotary Club which was published last week in copying the names. Mr. Chapman's name was omitted from the membership roll.

Woodward's Bazaar will occupy the space in the basement of the Levee block formerly occupied by the bowling alley. The room has been painted and made very attractive and complete and shelves have been placed in entrance from the main store will lead to the basement.

E. L. Ball has engaged the services of T. M. Chapman of Ottumwa, Iowa, to assist him in his studies. Mr. Chapman is a graduate of Daddy Lively's School of Photography of McMinnville, Tenn., and comes highly recommended by the profession—Photograph.

Quite a delegation from Lloyd H. Green Post, American Legion, of this place attended the Sixth district convention which was held at Farmington last Friday afternoon and evening. A business meeting was held during the afternoon and a banquet was enjoyed at 6:30 with a dance to follow.

We are indebted to Ward Cook for a copy of the Duluth, Minn., Daily Herald giving an account of the annual winter frolic up there in the frozen north. A picture showed a bevy of bathing beauties, attired in bathing suits, frolicking in a snow drift. The Herald did not state where Ward was during the frolic, however.

Village election will occur one week from next Monday, the 8th.

Next Monday will be March 1st. Spring ought to be just around the corner, but it may be way down the street, or over on the next block.

Flord Lanning and L. J. Putnam of Novi are enjoying a few weeks out in Florida. They motored through, camping along the way after they got out of the land of snow drifts and freezing nights.

At the village election to be held March 1st, the people of South Lyon will vote upon the proposition of bonding the village for a water works system. The village has no bonded indebtedness and has a good cash balance in its treasury.

Thursday's snow storm was the heaviest that has visited this section for a number of years. The village snow plow was put to work Thursday night and on Friday morning all the main walks to the village were made passable.

Frank A. Jentgen has installed a Westinghouse electric plant in his home.

Miss Johnson of Plymouth spent Sunday with Miss Knowles at the Manse.

Mrs. John Laing of Essex, Ont., spent the week-end with her sister, Mrs. F. P. Knowles.

Thermometers about the village registered below zero Tuesday morning and but little above on Wednesday morning.

Northville's High school debating team has won a place in the state finals and will meet Clawson in debate within a short time.

H. G. White attended a meeting of the state council of the American Legion in Detroit Tuesday. He is a member of the council.

Monday night Messis Miller and Emeral, accompanied by 23 members of the local Big Scott Troop, went to Detroit, where they intended a Scott meeting. It was a real treat for the Northville boys.

Mr. and Mrs. A. D. Beeson left Monday night for the southwest where they will spend several weeks. They will stop at Hot Springs, Ark. for a few weeks and then proceed to Texas, where they will visit a number of places.

Mrs. H. B. Wuerstel of Chicago, daughter of Rev. Carl Eissfeldt, is spending the week here looking after the household goods. She will have an auction sale at the house in Bealeton, on Saturday afternoon tomorrow, commencing at one o'clock. E. H. Hall will conduct the sale.

An exchange says: "From the dawn of history, women have been the spinners and weavers of cloth, and to-day they are the operators in a large per cent of mills. Perhaps that is the reason why the women of to-day are using but little of the products of the mills in their garment."

D. B. Wurbeck of Plymouth, who is supervisor of Plymouth Township, paid a very fine tribute to Supervisor W. H. Verkes during his address at the Masonic hall on Monday evening. He stated Mr. Verkes was a member of the most important committee on the board of supervisors and was held in high esteem by all his fellow members in our chamber."

WANT MILLIONS FOR NAVAL AIR SERVICE

House Committee Puts On K.
on \$85,078,000 Program.

Washington.—The house naval committee has given its approval to a re-building program to cost \$85,078,000 for the naval air service. It could become operative in the fiscal year beginning June 30.

The program, as recommended to the house, includes high heavier naval and lighter-than-air craft, and by the end of the period will assure the service of 1,000 naval air planes and two dirigibles. It increases the size of the naval air force and adds. The total cost of the airship would amount to \$8,000,000 of the total.

The committee also recommends an appropriation of \$1,000,000 for the navy to contract with the Army Development Corporation, located in Ford interests, for an all-metal airship. This would be in addition to the total forecasted in the program.

The amount proposed in the program would be, in addition to the \$3,300,000 carried in the navy bill to provide for 78 new planes during the next fiscal year. Coupling this amount with the \$12,285,000 recommended in the program a total of \$15,385,000 would be available for the fiscal year 1927, to provide 313 new planes.

Thereafter the program would make the following apportionments:

1928—\$16,223,000, providing 318 planes
1929—\$17,382,000, providing 392 planes
1930—\$18,041,000, providing 377 planes
1931—\$20,040,000, providing 374 planes.

This would give a total of 1,630 planes, including the 78 already provided for. Concurring with the statement of Rear Admiral William G. Moffett, naval air chief, that the efficient life of a plane was about three years, the committee estimates the strength of the air service in planes at the end of the period at 1,100.

American Tennis Queen Loses to French Marvel.

London.—With Miss Suzanne Lenglen queen of the tennis world Miss Helen Wills had no sooner walked off the courts in defeat than she made plans to usurp the mighty Suzanne at Nice next month or Wimbledon, England, in June, when the two stars may meet again. Suzanne beat Helen before 5,000 thrilled spectators at the Carlton club courts here after the most dramatic, most grueling athletic contest ever played by two women. The score was 6-3, 8-6.

World's Highest Fire

New York.—The world's highest fire which shot up flames more than 500 feet above the street level, started in the Equitable building. It was subdued by the fire department and the \$31,000,000 structure, said to be the last word in fireproof construction, stood the test of flames so hot that they melted a fireproof glass door. Its 37 stories escaped with little damage.

Launch New British Cruiser

London.—The 36-knot, 16,000-ton

Suffolk, first new British cruiser built under the Washington agreement, has been launched at Portsmouth.

Three Trainmen Burned

Meadville, Pa.—Three trainmen were burned to death when an Erie freight train crashed into another twelve miles west of here. The men were pinned under a caboose, which took fire.

To Protest "Bread Trust"

Baltimore.—One thousand women are being organized here to march on Washington to protest against the alleged "bread trust," unstandardized loaves and increased prices.

Northville School Notes.

NORTHVILLE SCHOOL NOTES.

Plymouth Defeats Our Boys—Northville left here for Plymouth at 7:30 on February 12th, to play one of the hardest games of the season. The first half was not so rough as the last and ended with Northville 14 and Plymouth 8. In the last half it looked as though Plymouth was going to win no matter what kind of methods they had to use. The last half ended in a score of 19-19. Only three minutes was given to finish the game and Northville having two players out during the game Plymouth won 24-20.

Farmington Outplays Northville.

The Northville boys played Farmington Wednesday and came out at the wrong end of an 18-13 score. The team work of the Farmington team was very good, but the Northville defense was strong enough to combat it. This made the game very interesting. It was one of those games that keep standing on two legs, either two legs of the chair, or standing up. Neither team could get a lead that would mean sure victory, so that the game was exciting until the final whistle. Some of our people who think it is too cold outside, and would rather stay at home and absorb heat should come to the game and yell for your team, and if you aren't warm when you go home, it is no one's fault but your own.

Northville Wins from Wayne.

The N. H. S. boys won their seventh game from Wayne. The first half was not very well played by our team, and ended with the score 9 to 9. In the second half the N. H. S. team was determined to show Wayne how to play ball and the second half came to an end with Wayne 13 and N. H. S. 37. The boys had but five more games scheduled before the tournament which comes in the middle of March.

Le Cirque Francais.

Last Tuesday evening at eight o'clock in the domestic science room, the first and second year classes in French drama, social evenings. The room was spick and span, French songs, French games, French songs! At ten o'clock they adjourned to the science lecture room and heard a programme of Paris which was given over the radio by WJZ of New York. Refreshments added to the enjoyment of the evening. It is hoped that at the next meeting all those who are eligible will attend.

History in the Making.

This is Northville's tenth season in the Highland High School Debating League. But it is the first year that Northville has entered the semi-finals. The team eligible to enter this year chose why had beaten Glenelg twelve points. Our team made the points necessary to enter by defeating Belle Isle, Oak Ridge and Highland Park. The alternative schools are, and the negative ones. Besides these contests they have debated with the teams of the following schools: Highland and Highland Park. The debating squad consists of three seniors, one junior and senior Margaret Safford, Lynn Partridge, Russell Atchison, Emily Lovewell and Ruth Biery. Members of the team did not participate in public speaking before last October.

Next Tuesday, our affirmative team goes to Huron for a practice debate Friday or Thursday they visit Clayton here, opening the first debate of the semi-finals. The affirmative team consists of Lynn Partridge, Ruth Biery and Russell Atchison. The team is coached by Miss Alberta Verkes. They need your support, so attend all the debates.

Although Plymouth's team has won three debates, they did not have a sufficient number of points to enter the semi-finals.

Northville 10—Farmington 13.

Last Wednesday night, February 17th, the N. H. S. girls met the F. H. S. girls on the local floor, and the usual thing occurred—the N. H. S. girls walked away from their opponents.

It was like a game of hide and seek—Northville had the ball and Farmington was trying to find it.

The N. H. S. girls displayed their usual form in making baskets. The teamwork of the Northville girls was the chief attraction being about as smooth as the running of an Elgin as compared to the \$1.50 movement of the "Ingersoll."

Although the Farmington team has improved from the first of the season it will have to improve a great deal more before it can beat the Northville six.

DR. TUPPER'S MOTHER DIES.

Mrs. Edwin Horace Tupper, 75 years old, one of Redford's most esteemed residents, died of heart disease at the home of her son, Dr. L. N. Tupper, N. Lahser avenue, Tuesday morning.

Mrs. Tupper had been invalidized during the past two months, being confined to her bed most of that period. —Redford Record.

RECORD LINERS—THE BEST RESULT GETTERS

NORTHVILLE THE CENTER OF BASE LINE ROAD TO BE IMPROVED which divides Wayne County from Verner road section is to be 120 feet wide. This improvement will prove a big factor in relieving Grand River traffic congestion.

At a joint meeting of the Wayne, Oakland and Macomb counties it was decided to make a superhighway 100 feet wide. The Detroit Rapid Transit Commission at the two miles east of Farmington to Detroit recently, a road improvement project between Verner road and the section through which it passes. The Simpson tunnel through the hills 12½ miles in length is the longest railroad tunnel in the world.

W.H. Maybury is working on a project to have the Base Line road paved to the Washington County line and he usually accomplishes any task to which he gives his attention. This will mean the paving of Randolph street which will be an improvement that has long been needed.

Representatives of the township board have recently held conferences with the Wayne County Highway Commission and it was agreed that the commission would take over the Seeler road leading from the Fisher's paved highway to the Thayer school and that they would also look after the Beck road and keep it in good condition. The commission has already taken over South Center street and the road has been scraped during the winter months.

It is believed that the Griswold road and the Base Line road extending from the end of the pavement on North Center street will also be paved this season. The Base Line road receives more heavy traffic than any other street in the village and if that can be paved from North Center street to the Nori road it will make a wonderful improvement. Committees are at work on these projects and they are receiving cordial support and assistance from the townsmen citizens and it is not too much to expect that they will bring the project to a successful conclusion within a few weeks.

GRISWOLD CITY, Mich.—Clay R.C. Colburn, son of John and Mary Powers, was born near Springville, 23 March 1882, and departed this life February 10th, 1926, at the age of 43 years, 10 months and 24 days.

The son of Mr. and Mrs. Colburn, who died in 1907 and was married to Olga Goodard February 21st, 1908, by this son were born three children: a girl to mourn their loss a wife, one son, Glen Oliver; one daughter, Naomi Olive, two brothers, John G. of Detroit, Amund of Ohio, Frank of New York, and Grace of Oklahoma, one sister and his father having predeceased him to the field beyond. He also leaves an aged mother of New York.

The funeral was held at the Stader Brothers' funeral chapel here and the remains were taken to Milwaukee for burial. Rev. William Richards conducted the service. He was a loving husband, father, who has left us all alone. We shall miss him very badly. You know he's been called home. He was very dear and loving. He was always kind and true. He can never be forgotten.

Oh! dear daddy, we miss you. Life seems lonely, life seems empty. And it surely cannot be true. Life seems you should be with us. Oh! dear daddy, we miss you. But the maker of earth and mankind. The creator of heaven and hell. He has called you and we miss you. Dear, we know that all is well. You have gone and we shall follow. For as yours are days are few. But we're lonesome here dear husband. Oh! dear daddy, we miss you.

OBITUARY

Minnie Amelia Monrose, daughter of Mr. and Mrs. W. Wylie, was born at Kingston, Ont., in the year 1853, and departed this life on February 1st, 1926, at the home of her grandson, Gerald Taggart. She was well known and dearly loved, by all who shared her acquaintance. Although unable to get out very much she was a true Christian and a loving friend and neighbor to all who knew her. When the death messenger came she was ready to go home and there was no time lost to follow. She leaves a dear son, her son-in-law, son-in-law, Alfred Taggart and grandchildren, Claude Taggart, Cecil Taggart, and Flossie O'Connor, and also two great grandchildren, Kathleen Taggart and Bobby O'Connor, also one sister and a brother.

Funeral services were held Monday evening at K. MacRae's of the Baptist church officiating, and Richard Kilgour singing "Beautiful Isle of Somewhere" and "Safe in the Arms of Jesus." The flowers were many and beautiful showing how deeply she is missed.

Quaker Street Names
Many streets in London still retain their old names, known originally and uniformly. For instance, there are "Shoulder of Mutton Alley," "Lion-Pan Alley," "Pickle Row," "Hanging Stairs," and "Cook Lane."

PENNIMAN-ALLEN

NORTHVILLE THEATER MICHIGAN

Saturday, February 27

Charles Ray and Mae Bush, in

'BRIGHT LIGHTS'

A Real Good Picture—Lots of Pep.

Comedy—"Hot Heels."

Aesop's Fables

Sunday-Monday, Feby. 28, March 1st

Robt. Frazer and Anna Nilsson, in

"THE SPLENDID ROAD"

A Drama of the Gold Country, where men fought for gold—fought for love—fought for life itself; and the woman who played their game their own way and won.

Comedy—"The Fighting Dude."

News Real.

Wednesday-Thursday, March 3-4

Richard Dix, in

"WOMAN HANDLED"

This picture is just a scream. You'll laugh till you cry. Lots of action and comedy from start to finish.

Comedy—"Isn't Life Terrible."

Lester Levy's Amateurs Thursday—Both Shows

Saturday, March 6

A dandy Western Picture with this popular star and his famous horse, Silver King.

Comedy—"Water Wagon."

Aesop's Fables

ADMISSION PRICES FOR ALL SHOWS:

Adults 30 Cents. Children (under 12 years) 15 Cents

LUMBER BUILDERS' COAL SUPPLIES

Attention!

What about that porch that needs a few new boards, the roof that will leak with the spring rains, the extra cupboard that would be so convenient, partitioning the basement for fruit, laundry and furnace, or adding an extra window to make that living room more cheery? Isn't this the time to act on these things? Come in and we may have the answer to just the thing you were wondering about, or be able to supply you with some suggestion to help you.
