Phones: Res., 136. Shop, 137  
Floyd Shafer, Prop'r. Huff's Basement.

## BOTH PROPOSITIONS WERE APPROVED

**Northville People Vote to Purchase the Lapham Homestead and to Sell Property Now Owned by the Village.**

Both of the propositions submitted to the people of Northville at the special election on Monday were carried by overwhelming majorities. The proposition to bond in the sum of \$10,000 for the purpose of purchasing the Lapham homestead received a majority of 204, the total number of "yes" votes being 243, and there were but 39 votes cast against the proposition.

The proposition to sell the present village property was carried by a total of 251 votes polled by the supporters of the plan and but 34 against the project. In precinct No. 1 there were 212 votes cast and in precinct No. 2 there were 75. There were a few ballots thrown out on account of being properly marked.

The result of the election was very gratifying and demonstrated clearly that Northville people have a vision of the future and have faith in the growth and expansion of the village.

Nature has provided but few prettier spots in any community than the grounds surrounding the Lapham home and this property will provide an ideal park site for Northville.

**NORTHVILLE'S MARIE MARSH NEW HUDSON GIRL.**

An interesting wedding took place at New Hudson Saturday evening at six o'clock. It is the daughter of Mr. and Mrs. George Sheppard, of this village, now 20 years old, married P. W. Miller. It was performed in a quiet ceremony at the Methodist church.

The parents of the bride and groom and other immediate relatives witnessed the ceremony, Mr. and Mrs. George Sheppard being the officiating minister.

After the ceremony and the handing of the certificates the company who were in a hospitable mood, and later in the evening Mr. and Mrs. Cole left for Northville where they will make their future home. Many friends in New Hudson and Northville will extend hearty congratulations.

**NORTHVILLE WOMEN HONORED AT MEETING.**

At the High school the most recently held at Washington No. 130, invited all the ladies of the meeting to attend. It began at 15.15 for forty minutes and ended at 16.15. The chairman and the president of the club presided.

George D. Moore, president, who helped to organize the club, spoke at the meeting and gave a short talk to the boys.

He said that his purpose was to help the boys to realize that they could do much more than to go to Alaska for gold, and to earn just even one thousand dollars a month while gold is a one-hundred-dollar-a-ton metal.

Mr. Brothman, treasurer, announced that the young men would be sent to speak the truth about Alaska and under all circumstances.

**DIED IN NEW YORK CITY.**

On June 11, 1926, at the age of 81 years, died at his home in New York City, Mr. Elmer E. Richards, 400 Madison Avenue, New York City. He was a son of Mr. and Mrs. Charles E. Richards, of Northville, who died last Friday and left to rest in Oak Grove cemetery.

Mr. Richards' son, Mr. Fred W. Richards, having charge of the services. - The services were accompanied by a son and two brothers deceased. Many friends of husband and wife paid their respects to the deceased in his presence at the cemetery.

**TO HOLD PITHIAN MEMORIAL SERVICES.**

On Sunday, June 12th, members of Mystic Lodge No. 10, F. & A. M., will observe Pithian memorial day by attending services at the M. E. church at 10.30 a.m. Brother William Richardson will deliver the sermon. All members are urged to meet at the hall at 10.30 sharp. The boys will march to the church in a body.

**MILITARY TRAINING EXHIBIT NEXT WEEK.**

On Monday, Tuesday, and Wednesday of next week the military training department of the Northville school's will have an exhibit at D. B. Dunn's garage, where the work that has been done by the pupils will be on display. All are invited to visit the exhibit.

**TRACK MEET AT YPSILANTI TO-DAY.**

The Suburban League will hold a track meet at Ypsilanti today and the schools of Northville, Plymouth, Dearborn, Wayne, Farmington and Ypsilanti will take part. Northville will be represented in many of the events.

**Some of the members of the Rotary Club will leave Sunday for Denver, Colo., to attend the national convention.**

## NORTHLVILLE CELEBRATES MONDAY, JULY 5TH.

At a meeting of the officers and directors of the Northville Wayne County Fair Association last Thursday night, it was decided to have a celebration here on Monday, July 5th, the Fourth falling on Sunday this year. The fair management will arrange for a race meeting of three events and a base ball game between Northville and some other good team.

Communities representing the Rotary and Exchange Clubs will co-operate with the officers of the fair society and arrange for street sports during the forenoon and for a free, street dance and other entertainments at night.

The members of the committee are already at work perfecting plans for the celebration, and it is expected that the affair will fully maintain Northville's reputation as a generous host.

Tell your neighbors and friends and invite them to come to Northville on Monday, July 5th, for a good time.

The following are the members of the committees:

Rotary Club—Ernest Miller, Frank E. Hills, Joseph Schubert.

Exchange Club committee, John Walker, James A. Huff, Clifford Carter.

Former Northville Resident Died in California.

Corinella Bennett Blair was born in Bloomington, Ill., March 9th, 1848,

and died in Venice, Cal., May 29th, 1926.

She was married to Azel Blair in Northville, 1874, where they resided for many years.

To there was born one daughter, Marie, who became a graduate of Northville High School. After the death of Mr. Blair in 1901, in 1909, she moved to Bloomfield to take a home there and a year later her husband was a member of St. Paul's Methodist Church in Bloomfield.

She was a graduate of the University of the West Indies, Barbados.

She was married to a family and became a graduate of Barbados and friends.

On the 29th of October, 1925, she left Barbados for Boston, Mass.

NORTHLAKE INSURANCE AGENCY

## AUCTION!

L. W. LOVEWELL, Auctioneer.

On account of the death of my husband, I will have a Complete Disposal Sale on what is known as the Russell S. Angell farm, 3 miles West of Northlake, on the East Line road on

Thursday, June 17th

1926, Commencing at 12:30 Sharp the following:

### HORSES

- 1 Bay Horse, 9 yr old, weight, 1,200 Lbs.
- 2 Sets of Double Harness.
- 2 Light Single Harnesses.
- 1 Heavy Single Harness.
- Collars, Halters and Odd Harnesses.
- 1 Pair Horse Blankets.

### MILKING COWS

- 1 Guernsey Cow, 6 yr old, Calf by Side.
- 1 Jersey Cow, 3 yr old, Giving Milk.
- 1 Black Cow, 6 yr old, due September 10th.
- 1 Black Jersey Cow, 8 yr old, due August 1st.
- 1 Jersey Heifer, 3 Months old.

(All To Be Tested May 27, 1926)

### HOGS

- 1 Hampshire Boar.

### GOATS

- 1 Highland Goat.
- 1 Spring Lamb.
- 1 Kid.

### PIGEONS

- 1 Pigeon.

### POULTRY

- 1 Rhode Island Red Hen.

### DUCKS

- Quantity of Yellow Duck.

- Some Green Duck.

- About 50 Pintoles of Duck.

- Some Pekin and Pekin.

- Quantity of Geese.

### SWINE

- 1 Pig.

### FEED

- 1 Bag of Corn.

### STOCK

- 1 Set of Hay Rakes.

### HAY

- Hay Forked Rake.

### POWER CULTIVATOR

- 1 Power Cultivator.

### HAND FEED MILL

- 1 Hand Feed Mill.

### TAN KEEPER

- 1 Tan Keeper.

### BARREL SPRAY PUMP

- 1 Barrel Spray Pump.

### CALDRON KETTLE

- 1 Caldron Kettle.

### QUANTITY OF WIRE FENCE AND STEEL POSTS

- 1 Horse Clipper.

### SHEEP CLIPPING MACHINE

- 1 Sheep Racks.

### WOOL BOX

- 1 Wool Box.

### BLACKSMITH FORGE AND ANVIL

- 1 U. S. Cream Separator.

### HUMAN MILKER

- 1 Daisy Churn.

### MILK PAILS, CREAM CANS MILK CANS LADDERS

- Forks, Shovels, Chains and other Articles too numerous to mention.

### FORDSON TRACTOR, (New).

- 1 John Deere Tractor Plow, (New).

### FORD SEDAN (1921 Model).

- 1 Ford Truck, (1919 Model) and Trailer.

### JOHN DEERE RIDING PLOW

- 2 Walking Plows.

### SHOVEL PLOW

- 1 Dump Rake.

### KEYSTONE HAY LOADER

- 1 Weeder.

### SIDE-Delivery RAKE

- 1 Marker.

### MANURE SPREADER

- 1 Riding Cultivator.

### 2-HORSE CULTIVATORS

- 1 Mowing Machine.

### HOSEVER POTATO PLANTER

- 1 Corn Binder.

### EMPIRE GRAIN DRILL, WITH FERTILIZER ATTACHMENT

- 1 Cultipacker.

### CORN BINDER

- 2 Draggs.

TERMS.—All sums of \$25 and under, Cash; over that amount, 1 Year's Time will be given on Approved Bank Note bearing 7% interest.

### COMING ATTRACTIONS.

#### The Untamed Lady.

Fanny Hurst, one of the most widely read of American writers, is the author of "The Untamed Lady," the latest Gloria Swanson production. Miss Hurst has a hair-trigger mind, one that thinks in terms of thrills and she has used it to the limit in this story.

"The Untamed Lady" gives Gloria Swanson an opportunity to display her most beautiful gown, and there are plenty of them. This picture will be presented Saturday night at the Penniman-Allyn Theatre.

#### Hands Across The Border.

"Hands Across the Border," one of the most spectacular of all Fred Thompson's pictures, continues to play the Penniman-Allyn Theatre on Thursday, June 11. Fred Thompson writes a story of smuggling, of smuggling along the Mexican line, and the amazing girl who turns with a young American man becomes immersed in the various ridiculous rescue young Spanish ladies from girls' boarding schools. Along with the usual Thompson pageantry there is an unexpected number of thrills, in most of which Silver King plays a big part. That horse takes the palm as the best actor in Hollywood.

#### Acro Thrills in "Partners Again."

A surprise treat of romance and tragedy, generally spiced with laughter, will be the cinematic wish offered by the Penniman-Allyn Theatre on Sunday and Monday, when "Partners Again" with Potash & Perlman is presented with Abe and Mawruss as automobile distributors who never distributed a car.

"Partners Again" with Potash &

Perlman, in addition to dances

Marion of the famous Monroe Garage plays Salome Goldi, a spo-

sor of this program, as the kind of

a yearly series of tough comedians

1926, Merritt, in a

short, will be pre-

ferred to Friday, June 12.

1926, Marion Monroe Garage

## HIGH SCHOOL REUNION.

All old residents, teachers and pupils of the Hough school are invited to attend a reunion at the school grounds, corner of the Artley and Peninsville roads, Saturday, June 25th. Come early, bring your picnic basket and eat dinner with old schoolmates on the old school ground.

Trade at home

RECORD LINERS PAY TRY ONE. RECORD LINERS PAY TRY ONE.

## TO PAVE THE WALLED LAKE ROAD.

A meeting was held in DeGraaf Brothers' garage at Walled Lake last Friday to hear objections to the construction of a cement highway from the Orchard Lake to the Farmington road. It is proposed to build a 20 foot pavement with a 36 foot grade at a cost of \$124,742.32.

## Another Road to World Peace.

The Junior Red Cross is promoting the custom among school children of corresponding with those of similar age in foreign nations. It is regarded as an influence toward amity and understanding of future citizens.

## Summed Up.

English Magistrate—"Woman is a talking animal always; man is a striking animal sometimes."

# GUM-DIPPING

## the Extra Process for Extra Miles!

### Breaks all Tire Records

The 500-mile Speed Classic at Indianapolis has always been a Battle of Tires. In 1911, Firestone won with fabric tires at 74.59 miles per hour. In 1920, Firestone won with cord tires at 88.55 miles per hour. In 1925, Firestone won with Full-Size Gum-Dipped Balloons at the record breaking average speed of 101.13 miles per hour.

In 1926, Firestone again won with Full-Size Gum-Dipped Balloons. The ten cars to finish "in the money" were all Firestone-equipped. They wear the distance without a single blowout and with but two tire failures—one due to a puncture and the other to a leaky valve.

This performance is even more remarkable when you consider the terrific speeds at which the cars traveled over this fifteen-year-old, tough brick track.

Experienced race drivers will not risk their lives or chances of victory on any other tires. And in the commercial field, large truck, motorbus and taxicab fleet operators, who keep careful cost records are among the big users of Firestone Gum-Dipped Tires.

The City Transportation Co. of Tacoma, Wash., writes: "One of our drivers on Firestone Gum-Dipped Tires has gone over 40,000 miles and still looks good for many miles of extra service. For all around tire safety and mileage, Firestone cannot be beat." From Calumet Motor Coach Co., Hammond, Ind., the following:

"We operate 40 buses all equipped with Gum-Dipped Tires. The very low cost per mile on which these tires operate is considerably less than that of any other make." Hayes Bus Lines, Columbia, S.C., says: "We operate 19 buses equipped with Firestone Gum-Dipped Tires. A number of these tires have run over 45,000 miles without ever having been removed from the rim."

The largest taxicab companies in the world standardize on Firestone Gum-Dipped Tires. W. R. Rothwell, taxicab operator, Detroit, Mich., writes: "Two of my Firestone Gum-Dipped Tires have run 76,000 miles."

Hundreds of thousands of car owners voluntarily testify to the safety, comfort and economy of Full-Size Gum-Dipped Balloons. W. H. Peacock, Birmingham, Ala., testifies: "I have had Firestone Balloons for thirteen months and they have delivered in that time 24,469 miles." H. C. Staelke, Minneapolis, Minn., says: "My Firestone Balloons have gone 49,900 miles and are still in good condition."

These records of endurance, speed, safety and mileage could only have been made because of Firestone development of the Gum-Dipping process which insulates and saturates every fiber of every cord with rubber, reducing friction and heat and building greater strength and endurance in the cords—assuring you at all times—

AMERICANS SHOULD PRODUCE THEIR OWN RUBBER

# The High Cost of Excess Weight

Excess weight in motor trucks is expensive. It increases the purchase price and it costs as much to carry as an equal weight of pay load. Its cost is even greater, because it must be carried all the time.

Graham Brothers trucks have a larger proportion of pay load to chassis weight than is usually available in their respective capacities. Careful buyers are giving this due recognition, as their marked preference for Graham Brothers trucks indicates.

Built by the largest exclusive truck makers in the world—Dodge Brothers dependable engine—these trucks are capable of an exceptional amount of profitable work over a long period of life.

## TEN-WINNERS IN AUTO RACE ON FIRESTONES.

For Ninth Time Gum-Dipped Tires Lead in Indianapolis Speedway Classic.

Firestone full-size gum-dipped balloon tires again made a remarkable showing in the Indianapolis speedway classic on Decoration Day, when all ten winners participating "in the money" rode on these dependable tires.

This is the second time balloon tires were used in the great speedway event, the first being last year when Peter DePaolo on Firestone full-size gum-dipped balloons made a new world's record at an average speed of 101.13 miles per hour.

Smaller motors of 91½ cubic inch displacement compared to 122 cubic inches in 1925, combined with rainy weather and a slippery track slowed up the time of the 1926 winner, Frank Lockhart, who won this year's race at 88.88 miles per hour.

This year's grueling battle of tires was called at the end of 224 miles because of the downpour of rain. Lockhart, who captured the grand prize, drove the full distance without a single tire change and was able to gain the entire 500 miles on the same set of tires.

It is a noteworthy fact, too, that the 1926 Indianapolis race was the ninth on the Hoosier Speedway in which Firestone gum-dipped tires carried the winners to victory.

One of the Firestone full-size gum-dipped balloons that helped make racing history in the 500-mile Indianapolis race on Decoration Day, is on display at the local Firestone branch at Canfield and Woodward Avenue, Detroit, where it is creating unusual interest among motorists. This particular tire was won by Frank Lockhart, Miller Special, winner of fourteen-speed classics.

State's books open to all and understandable to all.

Appropriations to be used for the specific purposes for which they are made.

## The Northville Record

E. E. BROWN, Publisher

An independent newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as second-class matter.

Subscription Price \$1.50 per year.

NORTHVILLE, MICH., JUNE 11, 1926.

## AUTO CLUB HELD INTERESTING MEETING.

The Northville Auto Club held a very enjoyable meeting at the Park House Wednesday evening. President N. G. Schrader told of the benefits of the club which were available to all motorists and suggested that every auto owner in this section ought to be a member of the club. Secretary Richards had on display a great array of maps and kindly does for the convenience of those who come into making motor runs.

Chairs were passed and while the members enjoyed a smoke many discussed matters bearing to the welfare of the club and the community at large. There was considerable opposition to the plan to enforce one hour parking in the village and a committee was appointed to interview the business men and to report the result to the village council.

## MILFORD GIRL HOLDING FAMILY RECORD.

The valedictorian of the senior class of Milford High School comes from a family of honor students.

Her mother, four sisters and a brother have been graduated from the Milford school and she is the third one to receive the highest standing for her class room work. She is Miss Ruth Kovel, the fifth daughter of Mr. and Mrs. C. S. Rowe, publishers of Milford. Miss Rowe will deliver the valedictory address at the commencement exercises of the evening of June 24th. Miss Linda Hutchins will give the salutation.

**DAWES SEES SENATE  
KILL RULE REFORM**

Leaders Unite in Assail on  
Change Championed by  
Vice President.

Washington—A grim scowl settled on the features of Vice President Dawes, as he saw his campaign for Senate rules shattered under a smashing attack on the rule proposal.

The legislation was thrust aside for a day as senators joined in a fiery denunciation of the proposal by Senator Underwood of Alabama to apply cloture by majority vote to appropriation and revenue measures, one step in the Dawes rules revision plan.

The effect of an extended plea for the cloture rule made by Underwood and starting no fireworks, was nullified by reminders that he led the famous filibuster that killed the Overman banking bill.

The debate reached a climax when Senator Reed of Missouri assailed the cloture proposal as an attempt to turn the free speech of the "just resort of the legislature" sound.

Shaking his fist at the speaker, Senator Senator Reed of Indiana's Democratic leader declared:

"Nothing worse could happen to the American people than the adoption of the Underwood proposal. A majority rule would be an intolerable tyranny in the greatest legislature in the land."

Underwood challenged Underwood to bring his proposal to a vote, but the Alabama senator did not accept.

Underwood was "scathingly arraigned" of "Romney" for "desecrating his brilliant career in congress" with an attack on the integrity and efficiency of the senate.

Referring to the use of cloture by the administration forces to cut his debate on the world court, Senator Reed said:

"There isn't a senator here who

does not think he had the right

to speak on that question

but I do not believe that the

people of the country are

of the opinion that the

people of the country are

**EDDIE STINSON—THE MAN.**

By Arthur F. McCleal.

Floating through space, with hands and feet removed from all controls, the engine of his airplane cut off, smoking a cigarette and spinning like a three-year-old with a new toy—that is Eddie Stinson, the man who will some day rank with the leaders of our automobile industry, in wealth and power and who today stands at the top of the airplane world.

Eddie is 74 inches tall, about 35 years old, with the disposition of a happy boy and has spent more hours in the air than any other living man. He says he can fly anything that has wings and isn't nailed down.

I found him at Packard Field, and just as we drove into the field he started into the air with his latest plane. He piloted the plane to a height of about 700 feet, after circling the field and proceeded to cut off his engine.

But it didn't fall.

Rather, it floated through space with the motion of a bird soaring. Eddie Stinson had no more control of that plane than you have of a bird. His hands and feet were away from the controls entirely. It is inherently balanced and he says, can not fall or side or do a tail spin or perform any other antics that usually result in crash.

When Eddie came down, he asked the writer if he was a daredevil, and after witnessing the great demonstration, why could resist.

And so we went up again.

When Eddie had piloted the plane to a satisfactory height—that is to him—he asked for as much and proceeded to let go everything while he lighted up. When this operation was satisfactorily concluded the turned to writer with the ever-present grin on his face. "Here, you drive it."

Talk about your thrills! He might just as well have a 200-year-old baby to drive.

With that remark Eddie turned back to the engine and began to talk, with two fingers on the propeller, of the rest of the day. He said all the time he were flying he had been at 100 miles an hour. Eddie had every confidence in his plane. He said he had a good time and enjoyed it.

He then proceeded to demonstrate the absolute safety of the plane. He took me up and I witnessed him flying the plane from the cockpit to the landing field, to take about three minutes to get down 1,000 feet in his plane.

And so Eddie believes he has really got something in a airplane that the world is unable to realize now. It is managing roads & cities that will make it popular, he says, due to the fact that illuminated wood parts and explosive features of timber have been eliminated.

First of all it is a easily to find anything that has a vertical surface and we cannot find that in the sky. It is a lot to grin and it is a lot to look in his eyes.

—The New York Times

**EDDIE STINSON BURNS  
FAGIN PROGRESSING.**

At 300 hours and then another 100 hours counted for the death of Eddie Stinson, 71, and the 10th of Eddie's 100 flights in the last 38 days. Eddie has been flying since April 1st, 1925, and has not had a flight since April 1st, 1926.

He has been flying since April 1st, 1925, and has not had a flight since April 1st, 1926.

## POLICE BREAK UP TIRE THEFT GANG.

The breaking up of a gang of tire thieves in Brightmoor, with the arrest of eight local youths, recovering 35 stolen machines in Redford and Brightmoor and checking the speed of motorists on Grand River avenue are the leading accomplishments of police officers from sub-stations 14 in the past two months—Redford Record.

Brightmoor, the records show, was the dumping ground for cars, stripped by accessory thieves. It was not uncommon to find that three and five cars were stripped on the same street in a single evening, police say. Two localmen arrested for breaking and entering, two more apprehended for carrying concealed weapons and nine drunks, made up the rest of resident violators—Redford Record.

Coldness  
Without Ice

An Electric Refrigerator [everybody is buying them nowadays] takes your meats, your vegetables, your milk—in fact, anything that might spoil—and keeps them cold and fresh as long as you like.

No ice to bother about, no work to do.

An Electric Refrigerator in the kitchen makes it the easiest thing in the world to have delicious frozen dishes, salads cool and crisp, dainty little cubes of clearest ice for cold drinks or melons or fruit-cups, or to serve your butter on.

You can buy an electric refrigerator on very easy terms. Come in and let us tell you more about its great convenience, and the economies it makes in your housekeeping.

THE DETROIT EDISON COMPANY

STATE NEWS  
IN BRIEF

Grand Rapids—The Grand Rapids Railway company announces that insurance policies have been obtained by the company for its employees. The policies range from \$500 for those in service more than a year and less than 10 years, or \$1,500 for those in the company's employ 11 years or more.

Lansing—The thirty-third annual convention of Michigan grand council headquarters in the new Hotel Olds America, opened here June 13, with headquarters in the new Hotel Olds. Grand Rapids' looks as the probable meeting place of the Travellers next year. Saal Ste Marie also is making an effort to land the convention.

Lansing—The department of state has placed an order for 1,100,000 automobile plates for 1927. The plates next year will have an orange background and black letters and numerals. Michigan will be spelled out instead of abbreviated. The plates will be manufactured at Jackson prison and delivery will be made November 5.

Wayne—Immediate start on the \$30,000 paving program which will result in the improvement this year of practically every street in the corporate limits, has been announced by the village commissioners. The final action necessary to clear the way for the paving project was taken when the sale of the bond issue was placed with a Detroit concern.

Lansing—Encouraged by the cooperation given by manufacturers and municipalities in clearing streams of pollution in Southern Michigan, the State Department of Conservation, the Department of Health and the Attorney-General's office will hold a series of meetings in the Upper Peninsula beginning July 13 to request the same co-operation in stream pollution work in that section.

Imaly City—At the request of Representative Franklin an investigation was recently made in regard to a mail route from Imaly City to Cass City, and as a result an order has been issued by the postoffice department effective June 14, changing the service on this route so as to supply the postoffices at Wilmot and Bedford and to include also supply of the postoffices at Lumb and Kings Mills.

Jackson—The medical societies of Jackson and Washtenaw counties will join in an open air meeting at the Sylvan Estate Country club, east of Grass Lake, Thursday, June 24. It was decided at a meeting of committees from the two organizations it is planned to make the affair an annual one. A golf tournament, quoits and indoor baseball will be sports for the outing. After dinner each society will be expected to offer two entertainment features.

Mt Clemens—The first move to build two bridges over the Clinton River near Mt Clemens was taken here when Clinton township voted three to one to annex two plots of ground adjoining the river at the French Chain road and the proposed crossing of the new Goecksbeck highway. The bridges will open the two major highways northward from Mt Clemens. Both projects are included in the super highway plan of Wayne and Macomb counties.

Flint—Plans have been announced by a committee of Flint business and professional men for a civic demonstration June 27 to celebrate the advancement to the rank of major-general of Brig.-Gen. Guy M. Wilson, of Flint commander of the Michigan National Guard. Plans are being made to bring to Flint a number of units of the National Guard from surrounding states for a parade and military demonstration to be followed by a reception to Gen. Wilson.

Pontiac—The recent announcement by officers of the General Motors Corporation of their intention to build a new \$5,000,000 plant for the manufacture of Pontiac sixes was one of the biggest industrial surprises Pontiac has ever enjoyed. It came out of a clear sky and was known in advance to few persons outside of Oakland officials. The new plant will be built just outside the north limits of Pontiac, and will employ, it is estimated, about 3,500 men.

Ann Arbor—Three hundred and thirty-two business and professional men of Chicago, alumni of the University of Michigan, have registered with their association secretary their business addresses and telephone numbers, and have individually pledged themselves to "give kindly welcome" to any Michigan graduate or student calling upon them, to give such advice and help as they are able and to assist in finding positions for those desirous of obtaining them.

Ann Arbor—Members of the University of Michigan's new board in control of athletics at a 10-hour session here recently, completed plans for the purchase of a site for the new athletic stadium, but, according to Fielding H. Yost, director of inter-collegiate athletics, all announcements relative to location and construction are to be withheld until later. A style of stadium seating approximately 70,000 persons said with sufficient land adjoining to provide space for all manner of institutional activities will be recommended.

Mt Pleasant—Central Normal School's twenty-sixth annual summer school session will continue from Monday, June 28, to Friday, August 6, with a greatly enlarged faculty. At least 4,500 students are expected to attend. Many extra-curricular activities are being planned.

St. Joseph—A 125-pound sturgeon, the largest caught here in recent years, was brought in on a fishing boat by F. J. Molhagen, veteran local fisherman. The sturgeon was taken in Whitefish pond, about a mile south of here, near the shore of Lake Michigan.

Lansing—A closed season on "partidge until 1927 in the Upper Peninsula has been declared by the State Conservation Commission. The commission has also directed that the bass season, which opens elsewhere in the state June 15, shall remain closed in the Upper Peninsula until July 16.

Kalamazoo—Grand Rapids was chosen as the 1927 Masonic convention city by the grand lodge of Michigan in annual convention here. The convention was attended by more than 1,000 delegates and visitors and more business was transacted than at any meeting in several years, it is said.

Perlee—The largest commencement exercises ever held by high-grade graduates in Oakland county schools were held in the Oakland League, Saturday, May 19. A class of 325 received certificates. Dr. Lincoln Durham, state director of rural education, delivered the commencement address.

Kalamazoo—Peter Spiegel, 41 years old, manager of an exclusive woman's shop here, was accidentally drowned while taking a bath in his apartment, according to the Kalamazoo police, who have rejected early theories of foul play. Police believe he was overcome while bathing by the effects of medicine he had taken and the heat of the water.

Detroit—Boudin, 25 years old, a waiter, was performing at the Roosevelt Park, in a tub, here with some about this time when a strong wind blew gasoline into the tub and set the liquid afire, which he tried to extinguish. His right arm was severely burned.

Scarsdale—Scarcely more than 100 yards from the hotel entrance on the main Memphis day street, at the head of the most crowded section of the town, a young man, identified as a student, was found dead along Monroe Avenue, to the left of spectators.

Rubkin—State Finger-Curl Braids recently staged a 100-mile stunt which stood on the front fender of Sheriff Bates' car and leaped to the rear of a fleeing touring car on a rough country road while traveling 30 miles an hour. The lead car proved to contain four gallons of gasoline. Ernest McNeal, of Chase, the driver, was fined on charges of possessing and transporting liquor.

Owosso—Police here are holding W. J. Gilman, 28 years old, no home, who steals from a local radio receiver. He said in the morning he gets stations in Owosso and in the afternoon in Flint. He will be tried on June 13. He also claimed to be a mail reader but fell down when asked to read off names of houses. No charge has been made against him.

Marion—A 10-year-old boy, housed in Marion, Ohio, and son of the man in charge of the Marion Daily Star, Dr. Charles C. Little, Jr., a community leader recently returned from the Philippines, was shot in the head during a shooting match at the city's armory. The boy is in critical condition.

Erie, Pa.—A defendant in account and repayment of \$1,000 alleged to have been obtained by misrepresentation in the financing of the Fallon Coal Mines Co., is made in a suit filed here by 169 plaintiffs against the promoters of the coal company. The plaintiffs chiefly are miners and business men of Bay City, Saginaw, Tuscola and Midland counties with a few scattered throughout the state. Several live in Detroit.

Pontiac—After once offering the reward money whose bodies were found in other cities, it is now offered as \$100. Joseph LaFata, Detroit, was slain last year, his brothers of LaFata returned to Pontiac and buried the body in Oak Hill cemetery. They say they are now satisfied that the dismembered body found in gypsum blocks along the ditch on the John R. road was that of their brother, missing since last August. Oakland county deputies still are investigating the case.

Monroe—A meeting of about 50 of the descendants of the Navarre family was held here May 30. Colonel Francis Navarre was the first settler along the banks of the River Raisin, having been born at Detroit in 1767. In 1780 he bargained with the Potowatamie Indians for a great portion of the property now in the city of Monroe south of the river, which was called Nanet Cybi. The Navarre families are to take an important part in the pageant here June 23 and 24 and will provide a special exhibit of old relics.

## OUR NEW SPRING SHOWING.

**Scoring Lawn Tennis.**  
In the early days of lawn tennis two methods of scoring were used, almost indiscriminately. One of these was the scoring used in the game of "racquets" and the other the "tennis" scoring. In 1878, the "tennis" method of scoring was adopted and the "racquets" scoring abandoned. No material change in the method of scoring has been made since 1878.

**Site of Letchworth Park.**  
Letchworth Park is a tract of land of about 1,100 acres in the valley of the Genesee river in Wyoming and Livingston counties, New York. It was conveyed to the state in 1906 by the proprietor, William Pryor Letchworth, to be used as a public park.

## NORTHLVILLE Twenty-Five Years Ago

Items taken from The Record files of 1900; for the week corresponding to this week

The Dowel works is again in the hands of Alfred W. Ely.

Miss Edith Simmons has returned from Flint for the summer vacation.

Mrs. Harriet White, who reached her 90th birthday last week, was in church Sunday last.

Mrs. Florence Abbott, wife of Judge Abbott, of Ypsilanti, was a visitor to town Saturday.

The Northville council has bought a carload of cement and hereafter the lots can be paid down at a cost of only eight cents per foot.

The Presbyterians' bazaar in connection with Lake Tuesday proved to be a great success. Over 100 tickets were sold.

A pretty home wedding took place yesterday at the home of Mrs. Elizabeth Greer when her daughter, Mildred, became the bride of James A. Huff of this village. The ceremony was performed by Rev. O. M. Thresher of the Baptist church.

Miss Greer was stenographer for the Globe company for sometime and Mr. Huff is a member of the well known hardware firm of Carpenter & Son Brothers. About thirty guests were present.

### TO HOLLY FARM DAY AT M. S. C.

The annual summer Farmers' Day at Michigan State College will be held on Friday, July 30th, this year, and plans are being completed at East Lansing for the entertainment of one of the largest agricultural meetings in the history of the state.

Since the start of the Farmers' Days meetings in 1890, this composed summer conference and picnic has grown so rapidly that it has become the second largest meeting of kind in the state. In 1925 in spite of a record rain, there was an attendance of over 10,000 people.

Mr. H. E. Staggs, president of the Michigan Farm Bureau, said that the number of visitors to the fair will be larger than ever before.

There will be a large number of exhibits, including a large number of farm animals.

There will also be a large number of exhibits, including a large number of farm animals.
