ANNUAL ALUMNI BANQUET WAS WELL ATTENDED.

It was a merry company that gathered at the High school gym last Friday night to attend the annual alumni banquet and many of the former pupils of the school were there to meet, suffer, and greet old friends. Among the guests were a number who had not been up to date since the annual gathering. During her long illness and suffering she was kindly cared for and nothing could be done that could not be done for her recovery or some years and of course there were her comfort. The end came peacefully and she fell asleep secure in the assurance that she should meet the loved ones who had preceded her to that upper and better kingdom.

Caroline Elizabeth Croxton was born in Scio township, Washtenaw county, March 9th, 1845, and she grew young womanhood in that community.

In 1867 she was united in marriage to August W. Baldwin and this happy union is survived by six children: William H. Baldwin of Northfield township; Joseph H. Baldwin of Paawell; Frank E.; Fred A. and Adolph C. of this place and Mrs. Clara Spofford of Endicott, N.Y. She was a devoted wife and mother and the sweet influences of her life will always be a benediction to members of her family.

Mr. and Mrs. Baldwin came to Northville to reside 21 years ago and soon after their arrival here she turned with the M.E. church and she was faithful to the services of her church as long as her health would permit.

She possessed a fine Christian character and all who knew her held her in high esteem.

Funeral services were held on Monday afternoon and were conducted by Rev. William Richards. Interment took place in the Bethlehem cemetery at Ann Arbor beside the husband and father who died only a few months ago.

FATHER SCHUYLER GIVES A REAL SURPRISE.

Blue D. Farnum, the husband of Mr. and Mrs. Hart, was the scene of a surprise during a recent visit a few months ago.

He was a young man of 20 years old, and he often delighted his friends with his wit and humor.

He was a student at the University of Michigan and was introduced to the whole company.

He was deeply attached to his mother, and when she presented him with a welcome gift among his old friends, he was deeply moved. No matter what others may say, that boy has always been loyal and interested in Northville people and the one thing that he has consistently manifested throughout his brief stay in this town is his desire to do his best for his mother.

He did not disclose the subject of his visit, but it is possible he suggested that it be informed before he left.

The Age of "Wild Oats"

Someone has aptly described the years from 20 to 30 in a man's life as the "wild oat" years where he has everything to gain and nothing to lose. If a man from 20 to 30 would just realize that this period in his life is the best of all times to start accumulating a surplus, he would in later life have fewer regrets, attain success more rapidly and be able to enjoy life sooner.

Instead of sowing the "wild oats" in the twenty to thirty period save it pays big dividends.

Come to Northville Next Monday To Celebrate

COMING ATTRACTIONS.

Thomas Meighan will be seen Saturday night in "The New Klondike," a story of the Fjords land boom. It's sunny and you will enjoy it.

Many Beauties in "Mlle. Modiste."

Lillian Knight (Miss Los Angeles) heads a list of Hollywood beauties who act as mannequins in the fashion episode featured in Cormac Griffith's latest First National picture, "Mlle. Modiste." The film is an adaptation of the well known Victor Herbert opera, coming to Sunday and Monday evenings.

Sherman featured in "Reckless Lady." Lowell Sherman, noted stage star, has a featured role in the new Robert Kane-First National picture, "The Reckless Lady," to be shown on Thursday night, July 3.

Collier, the girl seen in "The Gambler" on Saturday night, will be shown again on Monday night.

Those who visit Northville for the celebration on Monday will find the theatre a delightful place to spend an hour or so. Monday night, "Mlle. Modiste" will be the picture shown.

PLANE INDUSTRY EXPANDING RAPIDLY IN DETROIT.

An article in Sunday's Detroit Free Press regarding the growth and expansion of the airplane industry in Detroit contained the following reference to the Stinson factory at Northville:

"Stinson is located at Northville where there are five of the Stinson Detroiters on the floor in various stages of completion. The test shop has been moved to a field near Northville and most of the workers in the factory including Stinson and W. A. Maya, secretary of the company have moved to Northville. The company, however, is still Detroit concern."

Some changes will be made in the old Detroiters. The building will be put up the 12th of June and completed and occupied from the nose to the tail within two weeks. The new plant will be different in that it will be a single large factory instead of the present one which has been split up into six separate buildings.

The Stinson plant will be built in sections and the first section will be on a platform, intended for the temporary storage of materials and tools of the expanding plant in addition to the original plant of which the cost of \$100,000 is to be increased to \$150,000. The new plant will be equipped in a factory scale capacity. The old plant has been sold by the Stinson Shop to a local lumber dealer, to care for and prosecute.

U. OF D. WILL STAGE GREAT HISTORY SHOW

Pageant of "1776" Will Reproduce Stirring Scenes of Revolution.

The pageant of "1776," which is being produced by the University of Detroit Alumni Association, will open in Detroit July 3 at the University of Detroit Stadium, Evergreen Avenue at Six Mile Road. Those who are seeking a meaningful entertainment appropriate to the significance of the Fourth of July holidays will find the pageant is what they are looking for.

Vividly and accurately, "1776" commemorates the one hundred and fiftieth anniversary of the signing of the Declaration of Independence in pantomime, fireworks and vaudeville. The University of Detroit has purchased nine six-cylinder automobiles, completely equipped, one of which will be given away every night to holders of lucky ticket stubs.

Patriotic, Educational.

The story of the early struggles of our forefathers for the liberty which is now our national heritage is told in "1776." Many of the most stirring episodes, such as the Boston Tea Party, the Ride of Paul Revere, the Signing of the Declaration of Independence and the Battle of Yorktown will be reproduced in real life, presenting not only one of the greatest spectacles but also one of the most inspiring presentations ever offered.

This gigantic spectacle is the greatest historical masterpiece ever presented in pageant form and will be given in glowing jets of fire with 1600 people taking part, 15 acts interspersed throughout the intermission and \$40,000 being exploded in fireworks.

RECORD ADVS. HELP CHURCH AT TENDANCE.

The Northville Lutheran is the name of a neat appearing four page bulletin issued by St Paul's Lutheran church or this place under the editorial direction of the pastor, Rev. G. L. Riess. From its pages we are pleased to take the following intimation that Record advs. helps church attendance.

Under the caption of "Church Attendance" appears the following:

May 16, 1926.

May 23, 1926.

May 30, 1926.

June 6, 1926.

June 13, 1926.

These figures tell a story.

Look them over again! Do you see that sudden jump from 64 to 117? And do you know what caused it?

A large advertisement (\$3) in our local paper.

However, since we know that it takes continued advertising to bring real results, we shall now put an advertisement (\$3) into the newspaper every week.

Money dare not be afraid of us when God gives us an opportunity to bring the saving Gospel to the attention of immortal souls for whom the Savior shed His life-blood.

The Northville Lutheran will be published once each month.

PRESBYTERIAN CHURCH THE SCENE OF A PRETTY WEDDING FRIDAY.

A very pretty marriage ceremony was celebrated at the Presbyterian church in this village last Friday at 12:30, when Miss Catherine Knowles, daughter of Rev. and Mrs. F. P. Knowles, was married in marriage to Mr. A. U. Cole, son of Mr. and Mrs. Cole, of New York, in the presence of a large company of relatives and friends. The wedding service was performed by Rev. Dr. Schaefer and Rev. Dr. Cole of Northville.

The bride and groom were seated in the front of the church, while the minister and his wife sat in the pulpit.

At the appointed time for the exchange of the wedding rings, the minister announced to the congregation,

"The bride and groom are now man and wife."

The bride and groom exchanged their rings, and the minister said,

"The bride and groom are now man and wife."

The minister then said,

HAS NEW PLANS TO STOP BEER MAKING

Rum Off Market by Christmas, Andrews' Program.

Washington.—Controlling city or state officials their alcohol plans and cheating breweries are to be special targets of a new three-phase prohibition enforcement drive with next Christmas as a deadline beyond which "real beer and hard liquor will be almost, if not actually, impossible to obtain." It is revealed in the deficiency appropriation bill reported to the house.

The program referred to the appropriations committee by Brig. Gen. L. G. Andrews, assistant secretary of the treasury in charge of prohibition enforcement, contemplates the creation of three to a head-quarters squads along of 50 to 100 men each "agents to secure evidence sufficient to indicate state or municipal officials winkling at violations," starting with violations of the law in a second to half the states. It is further planned to hold the other 25 states in strict quarantine against all forms of illegal liquor and general brewing.

The plan is an approach taken up recently by Brig. Gen. Andrews against the enforcement of禁酒令, and it is more effective than ever before, because the chief guard against known rum runners is paid off.

According to General Andrews, in only 10 years the committee has its plan to meet five of three highly paid investigators to each district administrator to check on the activities of city and state officials in connection with dry law enforcement.

In the new plan, he told the appropriate committee, General Andrews again aims to make prohibition enforcement not only more effective than ever, but also more popular throughout the country and less costly.

Another Miracle of Chrysler Quality

The New Lighter Six

CHRYSLER 60

Now comes the new lighter six, Chrysler "60"—one more accomplishment added to the roll of Chrysler achievements.

All the superiority of Chrysler quality has upset prior standards in the lower priced six-cylinder field and has established in effect another new standard for the whole industry to follow.

60 miles—and more—per hour (Chrysler model numbers mean miles per hour); lightning acceleration; Chrysler symmetry of line—in all its striking beauty; Chrysler phenomenal riding ease; the coveted safety

of Chrysler hydraulic four-wheel brakes; double neutralizer oil filter and air cleaner; seven-bearing crankshaft; full pressure lubrication; roomy, luxurious bodies; and that sound substantial engineering construction which in every Chrysler car insures long life. Never before in the history of the industry have you been offered so much value for your money.

We are eager to prove this to you. See the new lighter six, Chrysler "60"; drive it—and you won't be satisfied with anything less than it.

Everybody Loses When Timber Burns

Six Rules For Preventing Fire In The Forests

1. **Matches**—Be sure your match is out. Break it in two before you throw it away.

2. **Tobacco**—Be sure that pipes, ash, cigarette or cigarette sticks are not left burning them away. Never throw them into brush, leaves, or needles.

3. **Making Camp**—Before building a fire, scrape away all inflammable material from a spot 5 feet around the hole. Dig a hole in the center and let it hold water to put out the fire. Keep your fire small. Never build it against trees or logs or near brush.

4. **Breaking Camp**—Never break camp until your fire is out.

5. **Brush Burning**—Never burn brush or brush ta'stly weather or while there is the slightest danger that the fire will get away.

6. **How to Put Out a Camp Fire**—Put the coals while soaking them with water. Use small sticks and drench both sides. Water must spread on the fire. If you can't get water stir in dirt and tread it down until packed tight over and around the fire. Be sure the last spark is dead.

Michigan is the nation's playground. Last year 2,500,000 vacationists enjoyed Michigan's natural beauty. And summer visitors spent \$200,000,000 last year in Michigan.

For here are giant forests . . . wooded wilderness rich in primitive attraction . . . wildlife . . . an ideal vacation land.

It is the duty of each resident of Michigan to preserve this natural beauty. For each resident benefits by Michigan's resources.

Last year forest fires burned over 725,928 acres. These fires in addition destroyed a proportionate amount of property and the cost to suppress them alone amounted to \$125,042.88.

Extinguish camp fires . . . break your match . . . "Heel In" your lighted cigar, cigarette or pipe ashes. Don't scatter refuse. For EVERYBODY loses—when timber burns.

CHICAGO WELCOMES CATHOLIC PRELATES

Immense Demonstration in
Coliseum—Coolidge Sends
Message.

Chicago.—Chicago extended a great welcome to the twenty-eighth International Eucharistic Congress with an immense demonstration in the Coliseum.

Welcome by nation, state and city. John Cardinal Bonzano stood clearly before 12,000 persons while for fully two minutes the great throng paid him tribute with cheers and applause. The papal legate, personal representative of the pope at the twenty-eighth Eucharistic congress, heard cordial welcome extended to him by Catholic and Protestant leaders.

Mayor Dever, speaking for the city; Governor Small, representing the commonwealth; Secretary of Labor Davis, with the message from President Coolidge and his own addenda; Robert M. Sweitzer, for the Catholic charities; Samuel Insull for Catholicity and the commerce and financial interests of the municipality; the telegram from Senator Charles S. Denen, and finally Cardinal Bonzano, accepting the welcome, piled up the program into a great dramatic unity.

In his message to Cardinal Mundelein, read by Secretary Davis, President Coolidge regretted that he was unable to accept the invitation to attend the meeting in person and then dwelt briefly on the need for and value of religion in the life of a nation.

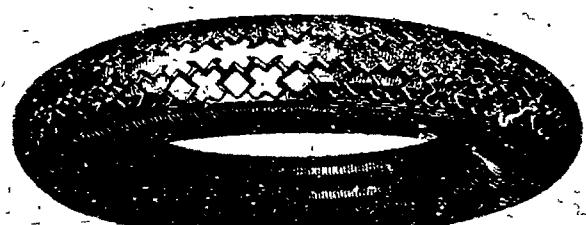

"Material prosperity cannot be secured unless it rests on spiritual realities," he said.

Replying specifically to President Coolidge's declaration for religious freedom, Cardinal Bonzano said:

"It is plain from the words of your distinguished President that he believes religion and morality, as well as knowledge, to be essential to good government."

Official announcement has been made that the 1928 meeting of the congress will be held in Indiana, Indianapolis.

Auto Breaks Records,

New York to Frisco

San Joaquin, Calif.—A trans-continent record was shattered by a motorist and his dog, which left New York at 2:07 a.m. on Aug. 14, 1924, and, at 12:27 three days later, reached San Joaquin.

At 10:30 a.m. Aug. 17, San Joaquin, Calif., he and his dog made the 3,000-mile trip. They traveled the fastest passenger train, one between the two men by 12 hours, 13 minutes and 20 minutes, making 1,170 and 2,000 miles from the previous day. The single record set Aug. 14, 1924, was made in an average of 49.17 miles an hour.

To Show Opposition to Debt Settlement

Paris.—Crippled war veterans holding parades, blind veterans led by dogs and invalids in wheelchairs will lead a parade of 50,000 French war veterans up the Champs Elysees mid-around the Arc de Triomphe July 4 in a protest against the debt settlement, according to plans of the veterans' executive council.

It is stated that the demonstration is not against America, the U.S. and France will participate in the procession, according to the 200,000 representing the 100,000.

COOLIDGE FOR FESS PLAN FOR FARM AID

President Issues Statement Urging Passage of Sound Relief Measures.

Washington.—President Coolidge has appealed to the American people over the heads of farm bloc leaders in behalf of agricultural relief.

His appeal was issued within a few hours after the corn belt senators, at a meeting presided over by Senator Watson of Indiana, had decided to throw all agricultural legislation overboard.

Following is the text of the President's statement:

"One of the perplexing questions before the congress is to determine what will be most helpful in arriving at an agreement. The congress has already rejected certain definite proposals, but that does not give us the opportunity of attempting to secure constructive legislation."

"Since the war the country and the administration have devoted particular efforts to strengthen the agricultural situation. During the post-war stampede disparity arose between prices of agricultural commodities and those of industrial commodities which the farmer must buy. This is still true in certain sections and certain commodities."

"Much legislation has been enacted and much administrative action has been taken which has already resulted in improving the farm purchasing power. But all the legislations helpful though they are, are not sufficient to cover all branches of the industry. The former has suffered greatly and no doubt disproportionately from the effects of deflation. He is entitled to relief if it can possibly be given on a sound basis by the government."

"I know the committees of agriculture and the congress and the President have all given the most careful thought and spent much time in seeking remedies to afford relief. I want the best method adopted which provides relief along these lines. Certainly the largest charge that the problem has been delaying is that the

constructive plan has been repeatedly proposed from various sections of the agricultural community. These proposals provide for the creation of a strong board which can bring about a better adjustment of agricultural production, the larger development of a consideration of surplus marketing issues under a central control and the creation of a fund of 100,000,000 dollars for the purchase of surplus products, farmers' cooperatives marketing as well as through such organizations as the Bureau of Agricultural Economics, the Department of Agriculture, the market, the farm bureau, the state, the local and the West, to bring about a very particular regulation or regulation."

"In my favor of this type of body there is no question that the immediate action along such lines is urgent. We must, however, be sure that the farmers should be educated in these dynamics. It seems to me that such a proposal is good in that it is to benefit Seneca Falls on June 18 and which has caused us to take up a resolution to aid in the operation of the school which is now before the Senate."

Lowden Studies Denmark System to Help Farmers

Copenhagen, Denmark.—Clark Lowden, former governor of Illinois, here trying to find out if it is feasible to use Danish agricultural methods to help the American farmer.

Mr. Lowden, accompanied by a leader of the Danish Agricultural Association's superior council, left the rural districts to study the different experimental farms established by the Co-operative Agricultural Association and supported by the state for the purpose of finding better methods that will be beneficial to Danish farming.

President Coolidge Has O. K.'d Aviation Measure

Washington.—President Coolidge has signed the naval aviation bill authorizing the construction within five years of 1,800 airplanes, two superdridges and one smaller dirigible for experimental purposes at an estimated cost of \$85,000,000. It is estimated that at the end of the five-year period 600 planes will have been discarded as obsolete and the navy will have 1,000 of the most modern type.

EARLY PATRIOTS A BAND OF IMMORTALS

None of Signers of Declaration Betrayed Trust.

On the 150th birthday of the nation hundreds of orators throughout the land will place before their audiences pictures of those 56 men who on July 4, 1776, affixed their names to the Declaration of Independence and thus laid the foundation stone of a state which commands the admiration and respect of the world.

That giant of eloquence, Daniel Webster, perhaps has preserved their characters in his movements more

with those of the country generally.

The various budgets which may be considered exclusively as of Michigan are as follows:

Michigan Central \$11,532,150

Grand Trunk 1,500,000

Detroit & Mackinac 1,000,000

Michigan & St. Paul 1,000,000

St. Louis & San Joaquin 1,000,000

Wabash 1,000,000

Detroit, Toledo & Milwaukee 1,000,000

Duluth, Sault Ste. Marie & Northern 1,000,000

Alpena 1,000,000

Detroit & Mackinac 1,000,000

Total \$24,383,157

"These several budgets should go far towards buoying up the labor others who had not missed a single industry are tapering off in production and conditions tend towards dullness in employment," continued Mr. Vandercrook. "The effect will be necessarily to make for better conditions generally in this state. By the time that fall rolls round with its peak load demands on the transportation machine of the state, the railroads will be geared up to a point of efficiency never before attained. As these improvements are distributed the entire state, the benefits will reach into the most remote corners

of the state.

BASE BALL NOTES.

The Northville ball team was defeated again last Sunday by the Detroit Frenchmen to four. The visitors deserved to win as they played much better ball than the local club. In fact, they made no errors while the Northvillites were getting many out of their system. The local boys are certainly in a bad situation both fielding and hitting. With practically the same players as last season, yet the local boys are far from their regular standard. Only two players seem to be going as they should, yet all are trying to pull themselves out of the ruts. Perhaps a change in form will come soon and then watch out, for our local team has the material if they can only produce the goods. Next Sunday there will be two games, the first starting at 1:30 p.m. between Bob Bulman's Wonder team and Ike Robbins Shoreman Park Club. Then at three o'clock Northville will take on the winners of the first game.

Cut Your Fuel Bill

"Our fuel bill was entirely too high so we bought a Nesco Oil Cook Stove. Since then our fuel bills have been cut in half."

That's what one owner wrote about her Nesco, because one gallon of oil will supply one burner for twenty-five hours. A few cents a day is all it costs to prepare three meals. Uses kerosene—but burns gas.

You really cannot afford to deny yourself the economy and pleasure this stove will bring to you.

POPULAR YOUNG PEOPLE MARRIED AT CLINTON SATURDAY.

Last Saturday, June 26th, was the occasion of a very charming wedding when Miss Ruth Dorothy Taylor, daughter of Mr. and Mrs. George E. Taylor, became the bride of Wendell Simmons Miller, only son of Mr. and Mrs. Ernest Miller, of the residence of the bride's parents near Clinton, Mich.

Promptly at four o'clock, to the trains of Lulu's "Love's Dream," six friends of the bride, Misses Austria Whipple of Plymouth, the Misses Anna Fabhaber and Ruth Joseph of Clinton, the Misses Jane Elder and Lyle Moore of Northville and Miss Gwen Read of Detroit, appeared and formed an aisleway of bridal ribbons and flowers. As the music changed to Mendelssohn's wedding march, played by Miss Edna Taylor, the bride's sister, Miss Pauline Taylor, who was maid of honor, appeared followed by the flower girl, little Jane Elizabeth Woods of Redford, cousin of the bride, and the bride herself.

Following the singing of "Because" by Miss Maud Lancaster, the ceremony was performed under a bower of white and yellow marigueras laced with "tern" roses and peonies, the Rev. S. N. Oliver, pastor of the First Congregational church of Northville officiating. Mr. Ernest Whipple of Plymouth assisted the bridegroom as best he could.

A profusion of peacock feathers decorated the rooms and tall white cathedral candles with yellow tulip bows confirmed to the general color scheme of white and yellow.

The bride was charming in a gown of white crepe satin and tulle, fastened with a tight bodice and flowing skirt. Yellow and white spray hand-maid flowers furnished the only contrast to an attractive simplicity. Her blossom headband was decorated with 5 white tulip roses and streamers and the sprayer bouquet was of Kilkenny roses, bridal wreath and Aldenham fern.

Her hand of honor was attire in a green gown with yellow tulip blossoms, and a green sash. The bride's maid of honor was in a white dress with a yellow tulip sash and a green sash. The flower girl was in a white dress with a yellow tulip sash.

Mr. and Mrs. Hiram and Mrs. Arthur Whipple.

Other guests of honor included Misses Mabel Miller, Mrs. Ada Adams, Mrs. M. H. Riddell, Mr. and Mrs. E. C. Tamm, Mr. and Mrs. F. H. and Mrs. G. C. Gandy, Mr. and Mrs. John Miller, the Misses Bang and Carter, Misses Alice Moore and Estelle Moore, Mr. and Mrs. Alan Whitehead and Mr. and Mrs. William W. and Mr. and Mrs. Northrup, and Dr. and Mrs. Frank B. Wood, and Misses June Smith, Mrs. Ruth Miller, Mr. and Mrs. J. D. Miller.
