POPULAR YOUNG PEOPLE MARRIED SATURDAY AFTERNOON.

A delightful home wedding was solemnized on Saturday afternoon October 30, when Miss Frances E. Verkes, daughter of Mrs. William G. Verkes, became the bride of Mr. Bertie E. Larsen. Dr. Wm. T. Jaques, who married the bride's mother and father, performed the ceremony, assisted by Rev. F. F. Knowles. Preceded by the little flower girls, Pearl Willis and Arlene Blake, in dainty yellow dresses and bearing baskets of yellow roses, the bridal party entered to the familiar strains of the "Lohengrin" wedding march. They took their places before a great bank of palms and yellow and bronze chrysanthemums, with cathedral candles on either side. The rich autumn colorings were continued through the room in masses of oak leaves and baskets of chrysanthemums.

The bride was very lovely in an ivory-satin gown made with a basque and full skirt with uneven hem, the only trimming being an elaborate Dutch lace collar worn by her aunt, Mrs. Ross E. Dusenbury at her wedding. The conventional veil of silk, confined by a dozen blossoms was arranged most becomingly; and the bridal bouquet was of Pegeon roses and valley lilies. Miss Verkes chose as her matron of honor Mrs. James A. Congo, who was gowned in light green satin and carried Buttercup roses. Mr. Larsen was attended by Mr. John Battlet of Chicago, a college friend. Following the ceremony, a wedding supper was served which in its appointments still carried out the golden shades of autumn.

The bride who is one of Northville's loveliest and most loved young women, and the groom, who as a former insurance agent, though not well known in our community, were the recipients of many beautiful gifts and the hearty good wishes of a host of friends. Mr. and Mrs. Larsen will at present reside in Portage until the opening of the Dearborn Independent where Mr. Larsen is employed but it is to be hoped that some fortunate circumstances will may make them again members of our community.

YOUNG WOMAN KILLED AT PHOENIX CROSSING.

Sunday night a Ford touring car in which there were five young people, four of whom were residents of Rochester and one a resident of Spring Bluff, was driven head on into a passing freight train at the Phoenix crossing of the Lake Michigan railway on the Plymouth road. One of the residents of the car, Miss Blanche Johnson of Grand Blanc, reached in the Rochester section, was killed and one other member of the party was badly injured while the other three escaped without any serious injury. The body of the unfortunate young woman was taken to Schrader Brothers' funeral home at Plymouth and the other members of the party were also taken there for examination and care.

The car was badly wrecked, the front and back being crumpled up like a jackknife. There is a signal light at the crossing flashing red all the time day and night and it is difficult to understand how such an accident could happen.

Besides Miss Johnson the occupants of the car were Ben DeMasi, Amy Alaboush, Nathan Griffith and Floyd Niles of Rochester.

CREDIT BUREAU MEMBERS TO ENJOY BANQUET.

On Wednesday evening, November 17th, the members of the Plymouth and Northville Credit Bureau will enjoy a banquet at the Park Hotel in this village, dinner being served at 6:30. Last year the Northville members went over to Plymouth for the banquet and this year the Plymouth members are coming over here and it is expected there will be a large attendance.

The bureau is growing and is accomplishing a great deal of good in the communities in which it is operating. All Northville members are requested to keep this date open Wednesday night, November 17th.

An out-of-town speaker is being secured to talk on the various phases of credit granting also several members will be asked to give their experience with the bureau and in what ways bureau service has been beneficial to them.

The banquet is not limited to bureau members only. All business and professional men interested in "credit" are invited to attend. Just get your ticket in advance from one of the committee. Tickets may be procured from E. H. Partridge, Lucas Blake and Elkgington & Casterline at \$1.00 each.

Mrs. C. E. Burgess of Kalamazoo came to Northville to care for her sister, Mrs. Lucy Eccles, during her recent illness.

ERY LIGHT VOTE WAS TOLLED TUESDAY.

Out of a possible twelve hundred voters in Northville township only 375 took time to go to the polls on Tuesday to cast their ballots. This is an unfortunate condition but lack of interest was general all over the state. In precinct No. 1 there were 236 votes polled, of that number the republicans had but 95 straight tickets to 37 for the democrats. In precinct No. 2 there were a total of 137 ballots cast with 52 straight republican and fifteen straight democratic. In precinct No. 1 Green, for governor, received 166 to 79 for Comstock, while in precinct No. 2 the republican candidate for governor received 95 votes to 37 for the democratic candidate. The republican state, congressional, senatorial, representative, and county tickets received good majorities here. Some of the amendments received a favorable vote in Northville but as a rule the voters did not understand them, some even declaring they did not know any amendments were to be submitted.

Thomas Farrel candidate for county clerk led the ticket here, receiving a total of 296 votes. Congressman Grant M. Hudson came in with a total of 283 votes.

NEW BANK BUILDING TO BE OPENED SATURDAY.

To-morrow, Saturday, the new building just completed for the Northville State Savings Bank will be formally opened and the public is cordially invited to visit the new banking offices on the opening day.

As the visitors enter the building there will be many exclamations of delight because the interior of the building is most attractive. White, the front is of Indiana granite, and cost considerable more than one made of the same substance yet in view of the new building had been slightly reduced. It adds from first to last the equipment and fixtures are of the best and latest making.

The Record does not want to tell the public all about the new banking house until after they have an opportunity to see the institution for themselves. It will be a great pleasure to all to accept the very cordial invitation that has been extended by the officers and directors of the bank to pay a visit on Saturday afternoon.

OLD ALBION THEATRE BUILDING BEING TORN DOWN.

Albion have torn down the old building in clearing down the "ruins" of the old Albion Theatre building on Main street. The structure was destroyed by fire and the ruins have remained as an unsightly object ever since. C. R. Hinton, who owns the property, has had a number of plans under consideration and he finally decided to tear down the old building, clean up the lot and to erect in its place a commodious business block upon which the expected work will start soon after the debris has been removed.

This is a good location for a business block and the erection of a new store building there will add materially to the appearance of the street. The work of erecting the second story on the Penniman Allen Theatre building which has been delayed is expected to be started soon. With the handsome new building of the Northville State Savings Bank and the new theatre the building of the Horton block will cause Main Street to take an advanced step as a business street.

WOMAN'S CLUB HELD REGULAR MEETING FRIDAY AFTERNOON.

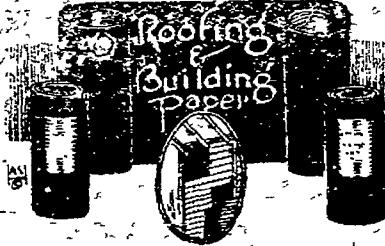

The regular meeting of the Northville Woman's Club on Friday afternoon last was called to order with 26 members present. The president, Mrs. W. T. Johnson, and the secretary, Mrs. B. C. Stark, were in their seats.

After the reading of the secretary's report the treasurer Mrs. F. J. Chapman, reported \$74.83 on hand.

Mrs. D. B. Bunn, delegate to the State Federation of Women's Clubs, which was held in Ann Arbor October 19th to 22nd, gave an interesting and most satisfying report of that meeting in all its details. She said that the theme of the meeting was "Home, Citizenship and Education". Mrs. E. H. Lapsham, Mrs. B. C. Stark and Mrs. F. J. Chapman, delegates to the meeting of the southern district held at Pontiac, May 4th, gave very interesting reports of the subjects discussed at that meeting.

At the next regular meeting November 5th, the study of China will again be taken up, also roll call.

On Sunday afternoon the Park Clothes football team of Detroit will come to Northville for a game with the Wolverine Athletic Club's eleven. The visitors have not been defeated in three years so the fans may expect a pretty lively game. Game to be played at 3 p.m.

FRED W. LYKE
You Can Get It At Lyke's

ARMISTICE DAY NEXT THURSDAY.—On Thursday, November 11th, this nation will observe the eighth Armistice Day since the signing of that historic document on the blood-soaked fields of Flanders. Men and nations forsooth. Wounds that were deep, festered and rubbed with the dust of hate, have healed in the sunshine of a new day; scars that were thought ineffaceable are vanishing as the years pass on. Once more men and women travel the seas where sailed the grim destroyers, and the glow seems ever deeper the buried hatreds of the greatest war which is well over.

WIXON CLUB TO GIVE ANNUAL DINNER.

An annual dinner and entertainment under auspices of the Wixon Farmers' Club will be held Friday evening in the basement of the Methodist church, beginning at 6 o'clock. The dinner will be of the old New England type.

A program of interesting features has been arranged and there will also be an apron sale according to plans announced by Mrs. R. D. Stephens, secretary of the club.

COMMISSIONER'S NOTICE

In the matter of the estate of

ANGELINA SIMMONS, deceased.

We, the undersigned, having been appointed by the Probate Court for the county of Wayne, state of Michigan, commissioners, to receive, examine and adjust all claims and demands of all persons against said estate, do hereby give notice that we will meet at the Lapham State Savings Bank, Northville, Mich. in said County, on Thursday the 23rd day of December A. D. 1926 and on Wednesday, the 29th day of February A. D. 1927, at 10 o'clock a. m. of each of said days, for the purpose of examining and allowing said claims, and that four months from the 23rd day of October A. D. 1926, were allowed by said court for creditors to present their claims to us for examination and adjustment.

Dated October 23d, 1926.

MICHIGAN BELL TELEPHONE CO.

FIRST DISTRICT CONVENTION WAS LARGELY ATTENDED.

The First District Convention of the Woman's Relief Corps held in Northville on Wednesday and Thursday of last week was attended by a large body of women, there being nearly 200 ladies present. The meeting was called to order by the president of Allen M. Harmon Corps, Mary Cook by introducing the district officers. This was followed by an address of welcome to Northville by E. E. Brown. Mr. Brown said in his remarks that he did not know until Monday that the Corps had a "goat" but he found out that day they really had as he was in. "We hardly agree with Mr. Brown in this but if it's true, we're truly proud of our goat."

Dinner and supper was served by Methodist ladies on Wednesday and by the Baptist ladies on Thursday, and judging by remarks heard, Northville can be proud of her corps.

Wednesday evening after some delightful music by Mrs. Harry Wood and her stringed orchestra, the Northville Corps went thru their work of inspection, Mrs. Lizzie Coady of Detroit acting as inspector.

Thursday the convention was held in the Methodist church and after addresses of welcome by Rev. S. Seal, Rev. Wm. Richards, Harold White, member of the Legion, and Mrs. Welsh for the Auxiliary, the following officers were elected and installed for 1927: President, Edella McNeil of Detroit; Sr. Vice—Maud Parmenter, Northville.

Jt. Vice—Lizzie Coady, Detroit; Chaplain—Ica Buck, Detroit.

Treasurer—Jessie Hubbard, Detroit.

Secretary—Jane Kelly, Detroit.

Press Corr—Elle Murray, Pontiac.

Pal. Instructor—Blanche Sebold, Ann Arbor.

Musician—Lizzie Smithingall, Holly.

Asst. Cond.—Leila Poet, Northville.

Guard—Mrs. Welsh, Port Huron.

Northville School Notes.

Students of Northville High School are to be admitted to the Auditorium on the 10th and 11th of November. The auditorium is open to students of Southville High School.

The Student party is a affair. Let them on, it's up to us. Students to help student and help us along, with all their efforts. The 10th, 11th, 12th and 13th hours the report hour of another does not run up on own." JOHN ITAA ORSON

In behalf of the Student Party

On Tuesday, after a very spirited election, the following officers were elected to direct the affairs of the Student Council: President, E. H. Shiley, vice-president, Geraldine Huff, secretary-treasurer, Norman Cope, and representatives from each of the classes will be chosen later. The campaign was very exciting and some real political work was done.

Eighth Grade.

Ned Junod spelled down his division of the Eighth grade last Tuesday. Neg. team 1 yea, team 2. Doesn't that sound familiar? The first basketball game of this year was held in the gym last night. Oh! We don't mean a "big" game, so you didn't miss much. The "fifth" hour boys and the "first" hour boys met last night to see who could play basketball the better. The "fifth" hour boys won.

Commercial Department.

Victor Taylor wrote 48 words per minute for 15 minutes on the October Woodstock typewriting test.

A telegram was received by the department from the Underwood Typewriter Company saying George Hossfeld won the world's international typewriting championship writing 132 words per minute for one hour.

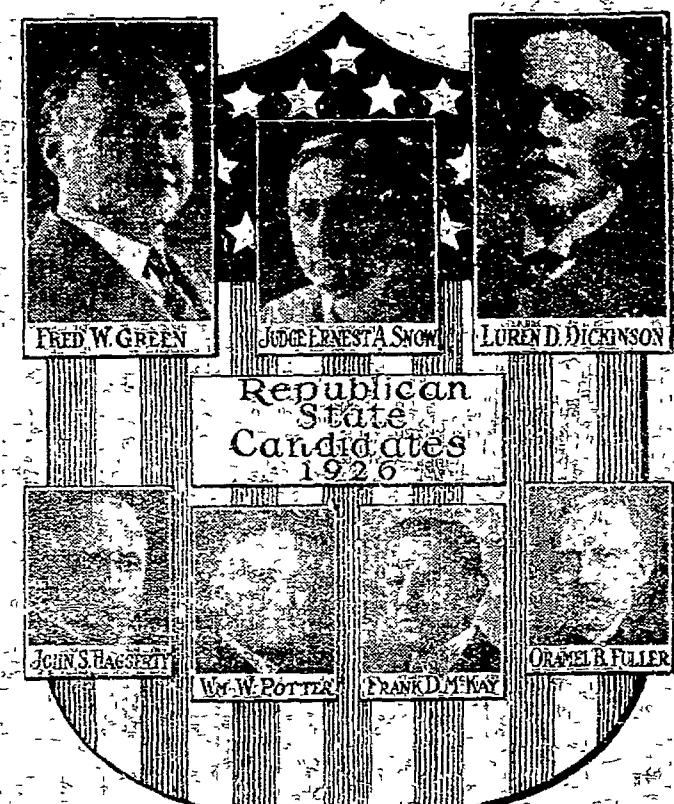

Gregg Shorthand Class is having 90% word and 100% word sign tests this week, over the first seven lessons.

THE "VAGABOND KING" WELL RECEIVED.

Perhaps, not before in Detroit's theatrical annals, has a production been received with such splendid acclaim as was "The Vagabond King," the big musical play which opened a limited engagement at the Cass Theatre on Monday evening last. A large and cultural audience gathered at the city's newest legitimate downtown playhouse for the mid-west premiere of the operetta and applauded long and often from the rise of the first to the fall of the final curtain.

THE FAMILY BUDGET.

Our nation, state, and political subdivisions have been making a budget of expenditures which has helped solve many problems of administration. Every family should also begin to make a budget covering its principal items of expenditure, and among these, the support of some religious organization should not be omitted.

Every family would find a stimulating effect from being connected with some church organization if only one member of the family belongs and attends.

In the same way, the family institution should carry in its budget a fixed appropriation for church support. The family needs the church; most families still require marriages, morality, funerals and baptism.

DODGE BROTHERS SALES GROWING.

Domestic and foreign shipments of motor cars and trucks from the factories of Dodge Brothers, Inc., including Canadian output, during the first nine months of 1926 totaled 293,312 units, a gain of 86,211 or 41.5% over the output for the corresponding months last year.

Total shipments of Graham Brothers' trucks and motor coaches from all factories, totaling 28,336 during the first three quarters of this year, a gain of 12,886 or 58.4% over the total for the same months of 1925.

**REVITZER SAYS:**

"A Man Can't Be On Guard If His Brains and Feet Are Asleep."

and what?

Revitzer Says Is So

If you order your brain to take care of your feet they'll run some mighty profitable errands for you. Trot in here and step into a pair of shoes that were built to help you make your way in the world.

**Methodist Episcopal Church**

A Church Serving The Community

Next Tuesday, November 9th, the annual bazaar with booths for everything will be in the parlors for the afternoon.

In the evening at 5:30, until all are served, the public is invited to the good old-time Chicken Pie Dinner served by the ladies of the church.

On Sunday morning Dr. Womer will assist the pastor in the service at 10:30, speaking on the Christian Sabbath.

In the evening the pastor will give his Edificials on "Church Denominations" leading off with the apostolic church in the early centuries. The Roman Catholic church, The Greek Orthodox church, The Lutheran church, The Presbyterian, Anglican, Baptist, Congregational, Disciples, Mormons with other minor bodies.

The history and movements of these bodies will be interesting knowledge for the public each Sunday evening. These edificials will precede the sermon.

Time: 7:30 to which the public is invited.

Good music by the choir with chants of the early church, representing their worship.

You save 55% of ordinary interest charges, and 19 months' time. Before you invest—Investigate!

Short and Sweet

A suit tried by the late Sir Francis Jeune in the English divorce courts is said to be one of the briefest on record. Sir Francis summed up the case as follows: "If the husband were the brute the wife says he is, she is well rid of him. If, on the other hand, he is the saint he makes himself out, he is far too good for any woman. Consider your verdict gentlemen."

American Farmer in any way, so that American Farmer in any way so that funds are maintained for transporting to his native province any man who dies away from home, another organization provides coffins for poor children, and another society sets up "drinking fountains" of tea or water for the thirsty coolies who are lowest in the scale of Chinese labor.

Chinese Philanthropy Odd

Quaint forms of philanthropy are evident in almost every part of China.

Funds are maintained for transporting

to his native province any man

who dies away from home, another

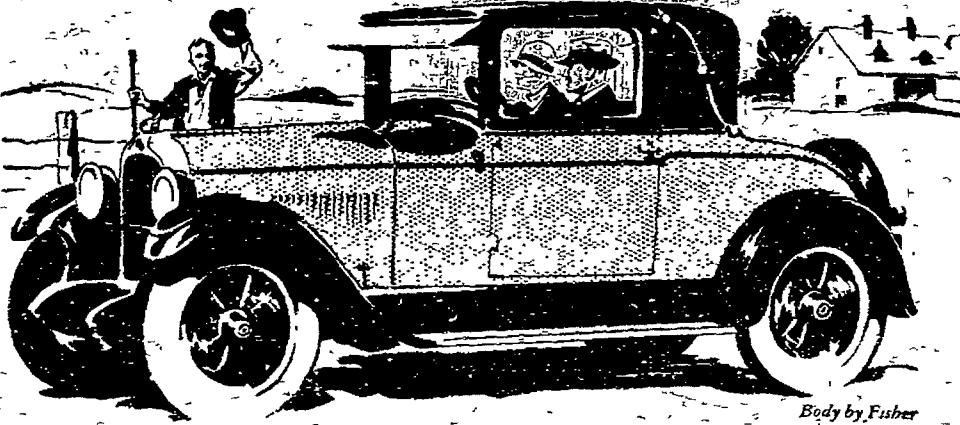

organization provides coffins for poor

children, and another society sets up

"drinking fountains" of tea or water

for the thirsty coolies who are lowest

in the scale of Chinese labor.

NORTHVILLE, MICH., NOV. 5, 1926

WASHTENAW DEMOCRATS ELECT SHERIFF.

Washtenaw county republicans elected their entire ticket with the exception of sheriff. Ernest M. Wurster of Ann Arbor, former mayor, defeated Dick Elliott of Ypsilanti.

More in Oakland county the republicans made a clean sweep. Frank Schtan was reelected sheriff. Buron P. Pouzette was named a second term as county clerk. Floyd H. Loece was chosen to serve his fourth term as treasurer. Mrs. Mabel D. Bondage was elected register of deeds to succeed Mrs. Eddie Avery. Whitehead served four years and was the first woman ever to hold one of the major county offices and Clyde D. Underwood was elected prosecutor for second term.

George D. Harrick and Ralph T. Keeling were re-elected circuit court commissioners and Ora C. Hammer and Earl Gordon coroners. Arthur W. Spencer was again commissioner. Thomas Lytle for road commission and Maurice E. Baldwin for surveyor were without Democratic opposition.

James L. Johnson of Plymouth was elected representative by a large majority.

URGED NORTHVILLE TO FORM IMPROVEMENT ASSOCIATION.

At the meeting of the Exchange Club on Wednesday a number of citizens of Farmington were guests. They were members of the Greater Farmington Improvement Association and they urged the Exchange members to form a similar organization. In so doing the growth and development of this section could be properly directed and conducted. Arthur Smith whose home is on the Blue Line road and who is a local property owner in this section planned in detail the benefits to be derived from such an organization.

The author would like to suggest that it is important that it is in the interest of all concerned that we do not adjourn to some other place as soon as the discussion is over. This would certainly be useful in furthering our cause.

WATERBURY BOUNDS BOASTS OF FARMER FRIENDS.

On the Fourth of October the Waterbury bounds were visited by the party of the local residents around Northville and Plymouth in a friendly manner.

This party was invited for the benefit of the farmers and their families who had been invited by the Waterbury bounds for hunting as well as those whose lands had been selected to use within the next year or so.

A large tent was pitched on the clubhouses grounds and Jules Klein's orchestra did itself proud with snap music for old and new dances. Refreshments were served throughout the evening.

At late hour the farmers happy thoughts left for their homes pronouncing the party a huge success.

ORIENT CHAPTER ENTERTAINS VISITING MATRONS AND PATRONS.

Orient Chapter No. 770 F. & S. was host to the matrons and patrons and associate matrons of Wayne county last Friday evening. About one hundred and seventy-five guests and members of this chapter enjoyed the usual six o'clock dinner, the tables being decorated in Halloween colors and favors. Degrees of the order were exemplified by the associate matrons in the afternoon and by the matrons in the evening for ten candidates.

Two past worthy grand officers, twenty-four matrons and fifteen associate matrons besides a number of patrons, past matrons and patrons and members represented the various chapters in Wayne county.

AMERICAN LEGION TO GIVE ARMISTICE DAY BALL.

In Friday evening of next week the officers and members of Lloyd H. Green Post of this place will give their annual Armistice Day ball at the High school gym. Lorena orchestra has been engaged to furnish music which insures a good program. These annual affairs are not planned as money-making enterprises, but rather to afford the people of this community an opportunity to gather and to enjoy an evening of real pleasure and good fellowship.

The public is cordially invited to attend the affair this year.

Rev. and Mrs. Wm. Richards were

ST. PAUL'S LUTHERAN CHURCH.

If you want to hear pure gospel sermons, you will never be disappointed at St. Paul's.

"Only by Grace" will be the pastor's topic on Sunday morning, at 11:00 o'clock. This will be the second of a series of sermons on "The Three Principles of the Reformation."

Our Sunday school classes meet at 10:00 o'clock in the parish hall.

Your child is welcome.

Services in the German language will be conducted next Sunday at 10:00 o'clock.

The Ladies Aid will meet next Thursday afternoon at the home of Mrs. William Kreager.

Remember you are always welcome at St. Paul's.

METHODIST CHURCH NOTES.

On Sunday morning Dr. Womersley, one of the most notable speakers in the interest of the Christian Sabbath, will be in the service with the pastor at 10:30. No person ought to fail to be present.

The Sabbath school will meet at 12 noon. Every scholar bring someone interested in Bible school life. Earth League school will meet at 10:30, to which all are invited.

In the evening at 7:30 the pastor will preach on "The Children of Light and the Children of Darkness." Mid-week service on Thursday to which all are invited.

Don't forget the chicken pie supper and bazaar next Tuesday, November 9th.

PRESBYTERIAN CHURCH NOTES.

The days of chivalry are yet upon us. Christianity is heroic in that it challenges to the most difficult in life. We must go the hard way, the hardest, if we are to overcome the hardest obstacles. Christians rally to a challenge.

Sunday morning service at 10:30, when the pastor will speak on "The Key Note of American Life Today." Sunday school at noon. Lesson "The Fall of Jericho."

Mr. P. F. C. U. at 4:30 p.m. Topic "How War Against War." Executive level at 7:30. Sermon topic "The Kingdom of Christ." World War.

Mid-week evening at 7:30. What to do to help the world. The Fall of Jericho.

Wednesday evening at 7:30. The Fall of Jericho.

Friday evening at 7:30. The Fall of Jericho.

BAPTIST CHURCH NOTES.

On the Fourth of October the Waterbury bounds were invited to the church with their wives.

This party was invited for the benefit of the farmers and their families who had been invited by the Waterbury bounds for hunting as well as those whose lands had been selected to use within the next year or so.

We are glad to report a good increase in prayer meetings attendance this week.

Men did you ever wish to attend a class of fellows where Bible subjects are discussed in a man-to-man way? We have such a class! It meets after church service Sunday morning.

Don't forget choir practice Friday evening.

C. R. Oberholser, our Sunday school superintendent, is making a big effort to build up the Sunday school attendance and his efforts are being rewarded. Show him that you appreciate his work by attending Sunday school next Sunday.

You will enjoy the Bible study class conducted by Mrs. Dunbar, which meets Sunday afternoon at three. Revelation is the subject being studied.

LOCAL.

Brick are on the ground for the second story to be added to the Peacock Alley Theatre building.

Rev. Mr. Richards attended the group ministers' meeting of Wayne county last Friday of which he is chairman of evangelism.

Mrs. Wm. Richards has been appointed chairman on stewardship of the Woman's Home Missionary Society of the Ann Arbor district and is attending the convention at Detroit Trinity church this week.

On Thursday evening, October 28th, Vera R. Repwick and Esther L. Knox were united in marriage at the Methodist parsonage by Rev. Wm. Richards. Both young people were from Plymouth.

A very active program is offered in connection with a silver tea which will be held on November 13th in the beautiful home of Mr. and Mrs. H. B. Clark on the Base Line. The Misses Warren of Detroit will tell of their experiences in Alaska. Miss Wheeler, Northville, has been

LINER COLUMN.

WHO UNDERSTANDS THE FORCES THAT RULE THE WORLD

Great strides have been made by the human race in understanding the laws and agencies used by the Creator in running the universe.

Radio is one of the latest developments of modern days. Who knows very much about the whys and wherefores of how it is all done? Present knowledge is elementary.

Psychology, the newest method of analyzing human action and forecasting what individuals or crowds will do under any given circumstances. What we really know, or each other, that is small indeed.

What the weather will be a month or a year hence can be told with startling exactness. When all predictions are made there is still a gap in our knowledge regarding that which makes our human fate look foolish.

The biggest percentage of anyone's life has to be taken on faith. We cannot forecast our future with accuracy. We step out without knowing just what will happen. The Hebrew people were to possess the land of Canaan. They had to conquer the country of the country. Jehovah directed the method to be used. They learned a great lesson of faith.

C. A. DOLPH BIBLE CLASS

METHODIST SUNDAY SCHOOL

First Presbyterian Church

NORTHVILLE, MICHIGAN.

What Is The Key-note of American Life To-day?

The pastor will discuss his theme Sunday morning at the usual hour of worship. You will enjoy the discussion.

The choir will render good music.

Sunday school at 12:00 with a class of every one.

Is the world disappointed with Christ? You will hear that subject discussed if you attend the evening services.

THE FRIENDLY CHURCH

Would You

Like to live in a town where there are no churches? Of course not.

Then why not patronize the churches in your own town? They need you and you need them. Form the church-going habit and you will not want to break it.

D. O. Barbour from Woodstock, Ont., has purchased the photograph gallery formerly owned by H. B. Brown on Center street and is establishing business on record as "Opposition".

The American delegation scores

no new concession that may

over the final development of the

subcommittee's labors, and in the

opinion of the Americans and other

delegations, this last decision makes

the incentive for calling a plenary

disarmament conference, virtually in-

since it represents the official view of

majority of the governments.

By unanimous approval the prepara-

tory committee, after long discus-

sions last summer, decided that war

potentials were not limitable because

they included economic resources,

military power and other factors impos-

sible to limit. But the decision of the

delegation that trained reserves

and war surplus belong in the same

category leaves only actual soldiers

armen and equipment being regular-

ized as disarmable and limitable.

While the French bloc, reinforced

by Argentina and Japan, submitted

the above declaration to the other delega-

tions—Great Britain, the United States, Spain, Chile, Germany, Fin-

land, Sweden and Holland—voted

to limit the opposite delegation

and voted to accept the plenary

disarmament conference, in a statement

made only by the delegations of the

United States.

The recommendations of the French

delegation were accepted by the delega-

tions of Argentina, Japan and Holland.

Both delegations will be met again in the

disarmament conference, to the plenary pre-

paratory committee, which is expected

to meet in February of 1927.

The four days' record of discussion

of the French bloc ascription to

the plenary conference, in a statement

made only by the delegations of the

United States.

President Taft for U. S.

1925-26 Oct. 1830

Three days earlier, the United States

delegation in the plenary conference

had voted to accept the plenary

disarmament conference, in a statement

made only by the delegations of the

United States.

Other delegations in addition to the

United States include Great Britain,

Switzerland and Uruguay. This year

the latter country will receive 1,000

gold pesos and \$6,000 in 1927

and \$25 each.

The French ambassador to Wash-

ington, M. Bertrand announced after

the termination of a conference with

Foreign Minister Briand and mem-

bers of the cabinet that he would re-

turn to the United States shortly.

Wide Power Is Given

President in Ruling

Washington—The President of the

U.S. may discharge executive appoint-

ees of all kinds, including postmasters,

from office without the consent of the

Senate. This was the ruling of the

United States Supreme court in writing

its decision in the famous case in which

President Wilson overruled Senator

Myers of Portland, Ore., Federal

statutes which have previously been

regarded as withholding such power

from the President are void, accord-

ing to the court's majority opinion

signed by Chief Justice Taft.

Tract for Naval Depot

Washington—The Interior depart-

ment announced that 100,000 acres

of land have been reserved in Mineral

county, N. Y., as a site for a naval

ammunition depot.

Ask Boost in Cheese Tariff

Washington—President Coolidge

has received petitions from cheese

manufacturers in Wisconsin asking

a 50 per cent increase in tariff on im-

ports of cheese.

American Horse Wins

Newmarket, England—Insight II

owned by the American A. K. Macom-

ber, won the Cambridgeshire stakes

one of the just big handicaps of the

English racing season, run here.

The race, over one mile and one furlong,

was for stakes of \$5,000 and extras

of \$1,000.

Bus and Plane Plan

Chicago—Organization of a new

midwestern bus and airplane transpor-

tation corporation, capitalized at \$10

00,000, has been formed.

Oppose Limitation

OF ARMY RESERVES

United States Hopes Wrecked

by Later League Powers

Joint Action

Geneva—Commercial fleets, trained

reserves of armies, navies and ser-

vices and war materials in reser-

ve to "war potentials" and therefore

are incapable of limitation or de-

limitation, according to a speech

of the League of Nations' representa-

tive to the Geneva Conference.

The League's position is that the

United States and other countries

should not be bound by the

League's proposal.

When FIRE Comes

Fire is something we cannot always guard

against, but we can provide protection against

material loss which it may cause. Our

policies protect in every possible way against

Fire Losses.

Leave Wayne for Northville at 6:00 p.m. daily except Sundays and half days. 8:00 a.m. and every two hours to 6:00 p.m.

Daily, except Sundays and holidays.

Lansing—Michigan's expenditures on highway construction last year were exceeded by only those of three other states, according to figures compiled by the Bureau of Public Roads. Michigan spent \$38,128,549 Pennsylvania topped the list with an expenditure of \$62,294,366. New York spent \$40,363,770 and Illinois \$26,375,963. The total expenditure by all state highway departments of the United States in 1925 was \$649,125,101.

Lansing—Cheese production decreased as shown by the report of the State Bureau of Dairying. There were 55 licensed cheese factories operating and they purchased 79,321,000 pounds of milk compared with 111,551,703 pounds in the previous year.

Michigan now ranks third among the states as a manufacturer of ice cream, producing 10,427,920 gallons,

compared with 9,127,000 in 1925.

There are 272 ice cream plants in the state.

Detroit—Figures compiled by the Detroit Civil Air corps show that Michigan aircraft carried 11 times as much freight as the aircraft of all other states, but that Michigan ranks ninth in commercial air strength. In 1925, Michigan's air freight totalled 1,223,900 pounds. There are, as far as can be learned, 12 owners of planes in Michigan, possessors of 29 planes. In the average miles flown per plane, Michigan also leads, with a mileage of 12,290.

Grand Rapids—Crushed beneath the two-ton "skip" on a cement mixer operation of which he was supervising, Louis Vanderveen, 51 years old, a member of a contracting firm received fatal injuries resulting in his death. At the time of the accident, the "skip" was raised by Fred Wessels, operator of the mixer, and Vanderveen crawled under the machine to aid in preparations for its removal. A cable slipped and the heavy container fell upon him.

East Lansing—With more than 1,100 cadets participating, final elections for co-ed sponsors of the Michigan State college's reserve officers' training corps were held recently, and Miss Ruth Norton, of Port Huron, was chosen "lady colonel" to head the entire regiment. Miss Catherine Hale Phillips, of Bay City, was chosen "lady major," while Miss Anna Pangburn of Bad Axe will head the cavalry. Artillery students voted for Miss Isabel Clegg of Grand Rapids, and selected Miss Margaret Phillips, of Saginaw, to lead the field artillery.

Everything that would be harmed by ordinary soap and water can be made to look like new by dry cleaning with Solvite. The mercerized new dry cleaning soap, dissolved in carbonated water, removes dirt from clothes, hats, coats, dresses, linens, curtains, and even stockings. Solvite leaves a stimulating, invigorating fragrance. Get Solvite for Five cents an ounce. Stores set aside ten dollars through a use of Solvite.

After Every Meal

SOLVITE

STATE NEWS IN BRIEF

Detroit—With 1926 the greatest convention year in its history, Detroit is fast becoming the ideal convention city of the United States. Approximately 500,000 persons will have visited the city before the close of 1926 attending the 800 conventions which will have been held here.

Grand Rapids—Albert, 8 years old, son of Ray Evans, died here recently as a result of playing with matches, which set his clothing on fire. The boy's father was out seeking employment when the child and four companions started to play in the living room. The mother was working.

Fenton—Annexation of the territory lying just north of the Pontiac city limits is sought by the General Motors interests and petitions to that effect will be circulated. The territory includes the site of the great new Pontiac automobile plant, the Fisher Body plant and other valuable properties.

Grand Rapids—Caught in the knot of a rope, which had become fastened in a crack on the stairs of his father's dry goods store, Jack Vidro, 14 years old, was killed here recently.

Young Vidro was working alone in the basement. When he did not return, his father went in search for him and found the body. The rope about his neck.

Muskegon—The Motor Transit Corporation, capitalized at \$10,000,000 and underwritten by Northern Minnesota and Michigan capitals, has been formed to operate bus lines in Minnesota, Michigan, Kentucky, Ohio, Illinois, Wisconsin and Texas. The plans also include airplane passenger service between Chicago and Benton Harbor, South Haven, Milwaukee and Muskegon. Airports will be maintained at Muskegon and Chicago.

Detroit—Detroit and Wayne county are headed toward motor car population of one car to every three persons. The present proportion is one to every 17. Last year Wayne county escaped the norm of 60 automobile—increased the number of cars by 52,159, which is 10% more a proportion of inhabitants 20% miles apart. At present Wayne county's total registration is 76,000, of which approximately 70,000 are used in the Detroit area.

Detroit—William Steinmetz, 57, was instantly killed recently while duck hunting at the flats. He was the first Detroit hunter to lose his life in the 1926 ducking season. Steinmetz and Rich McCoullie, also of Detroit, were hunting near the North Channel when Steinmetz was shot accidentally. He was lying down when McCoullie aimed at a duck and broke just as McCoullie fired and the entire charge struck him in the head.

Lansing—Michigan's expenditures on highway construction last year were exceeded by only those of three other states, according to figures compiled by the Bureau of Public Roads. Michigan spent \$38,128,549. Pennsylvania topped the list with an expenditure of \$62,294,366. New York spent \$40,363,770 and Illinois \$26,375,963. The total expenditure by all state highway departments of the United States in 1925 was \$649,125,101.

Lansing—Cheese production decreased as shown by the report of the State Bureau of Dairying. There were 55 licensed cheese factories operating and they purchased 79,321,000 pounds of milk compared with 111,551,703 pounds in the previous year.

Michigan now ranks third among the states as a manufacturer of ice cream, producing 10,427,920 gallons,

compared with 9,127,000 in 1925.

There are 272 ice cream plants in the state.

Detroit—Figures compiled by the

Detroit—As the result of crashing his automobile while in gear, Henry Eising, 47 years old, was run over and instantly killed here recently. His daughter, Irene, 9 years old, was in the automobile.

Pontiac—James Batley, drama inspector for the county on the Royal Oak drags at Southfield and Thirtieth and One-half Mile roads, was instantly killed near here recently when a big crane fell on him.

Albion—Albion College, according to its president, Dr. John E. Seltzer, now has on hand \$300,000 in securities for the erection of a new campus building, but will not take steps toward putting up the structure until the increase in student body demands it.

Lansing—Reading about 5,000 letters a day to ascertain which of 13 divisions each should go has been the work for 30 years of Clayton W. Loring, in charge of the mailing division of the Michigan Department of State. Mr. Loring, now 60 years old, retired here recently.

Detroit—For the first time in the history of the event, the National Flower Show will be held in Detroit next spring. The show is held biennially. The show never has been held in Detroit before because of the tradition that this was not a city interested in such things.

Spring—David Lakes, 77 years old, for 40 years an ardent hunter, set out with his gun at the opening of the squirrel season but shortly after tendered up with part of his shotgun as the result of an attempt to pull his gun through a fence after he had climbed over it.

Houghton—Improvement in the copper mining industry in Houghton County is shown by the report of Mine Inspector Alfred James for the fiscal year ending September 30. A total of 7,724 men were employed by the mining companies during the year, an increase of 670 over the preceding year.

Owosso—The first hunting accident of the season in this village happened here recently when Otto Wittenbauer, 26, 22½ years old, of Flint, was shot by Douglas Blair, of this city, while the two were hunting pheasants eight miles south of Owosso. Wittenbauer was found in full charge of shot in the shoulder and face.

Detroit—Within a year, practically Detroit has become a city of hotels. In that space of time 21 buildings have been completed or are in course of construction. This activity has added more than 5,000 rooms to the city's accommodations and the buildings represent an aggregate investment of approximately \$15,000,000.

An Arbor—According to Professor O. E. Grinnell of the Business Administration School of the University of Michigan, 27,000,000 automobiles will be in use in the United States by 1930. He is a recognized authority on the automobile industry. The present output of 4,000,000 cars each year would be necessary at this point merely to supply worn-out cars.

Detroit—Detroit is to have a nine-story skyscraper church that of the Boulevard Methodist Episcopal congregation. It will be erected near the General Motors Building. The building will cost approximately \$1,000,000 and as well as being a house of worship will have offices, and it is expected the gross income from the commercial part of the building will be approximately \$100,000 a year.

Bessemer—Playing with matches in the barn at her home at the Ironon Location, Lucy, 5-year-old daughter of Mr. and Mrs. Joe Martenich, received fatal burns resulting in her death. At the time of the tragedy, the screams of the child brought the mother to the rescue and while carrying the child out of the building the mother fell and broke her arm. The girl was in the bay left when the fire started.

Manistee—Transfer to the city of a 45-acre tract 14 blocks from the heart of the downtown district, for a flying field and airport has been completed. Believing that in a quarter of a century or so the city without an airport will be like the city without a railway depot today, the city commissioners recently took advantage of the opportunity to purchase the tract for \$1,500 from the estate of T. J. Ramsdell, banker and lumberman of Manistee's heyday.

Saginaw—Saginaw was shaken recently by an explosion of 300 quarts of nitroglycerine and a small quantity of dynamite fuse in the oil field northwest of the city. Five from a stove used to keep the explosives at a working temperature is believed to have caused the blast. Windows in the nearest farm house, a quarter of a mile from the magazine, were shattered and the report was heard for miles around. The magazine was blown to pieces and a large hole torn in the ground. No one was injured.

Lansing—Michigan's 4,000,000 inhabitants consumed at the rate of one and two-thirds pints of milk a day during the fiscal year ending July 1, the annual report of the State Bureau of Dairying reveals. The report also shows the 365 co-operative and independent creameries in the state increased their production of creamery butter to 400,000 pounds during the year, reaching the grand total of 35,399,653 pounds, while dairy butter largely made by the farmers' wives decreased to 300,000 pounds to 19,000,000 pounds.

OAKLAND HERDS TO BE TESTED.

That sum is believed to be sufficient to pay the county's share of the cost of the initial herd testing. Following several years of agitation, Federal and state appropriations are available where the county makes application and puts up part of the cost.

Pontiac—James Batley, drama inspector for the county on the Royal Oak drags at Southfield and Thirtieth and One-half Mile roads, was instantly killed near here recently when a big crane fell on him.

Albion—Albion College, according to its president, Dr. John E. Seltzer, now has on hand \$300,000 in securities for the erection of a new campus building, but will not take steps toward putting up the structure until the increase in student body demands it.

STATE NEWS

Jackson—Two Jackson county high schools are setting football records worthy of recognition: Vandercook Lake High, with only 12 boys, is making rapid strides in the race for the county high school title, while Michigan Center, with only 14 boys, has one of the fastest teams in the race.

Lansing—Contracts, amounting to \$2,500,000 for new roads and bridges has been approved by the state administrative board. The contracts already had been 10 informally. An additional 30 miles of road was included in the state trunk line system. The snow removal program was extended to 1,600 more miles of state highways, so 5,650 miles of road will be kept open.

Detroit—Purchase has been made by the Detroit Young Men's Christian association of the northeast corner of Garland and Jefferson avenues, for the purpose of erecting one of six half-million dollar "Y" buildings that are to be located in various sections of the city. Two other sites already have been purchased, one on the west side of Clark Park and one on the corner of Woodward and Wigona avenues.

Detroit—The steamer Lake Gaither, which left Detroit for South America with a million dollar cargo of automobiles, will be the first vessel this season to take a direct water route from this port to South America. The steamer was loaded with 539 boxed automobiles. It will require 33 days to make the trip of 7,000 miles. The Lake Gaither will return with coffee and other South American products.

Detroit—The Peninsular Stove Co. has acquired 184 acres at the north east corner of Huron road and the Pere Marquette Railroad, Brighton, on which it will erect the most modern and completely equipped stove works in the world, according to an announcement by the secretary of the company. On the new site will be erected two buildings of brick, steel and fenestra, each. The floor area of the two buildings will be 750,000 square feet. Construction will be started at once.

Washington—Luminous coal shipments are the largest this fall they have been at this time of year in the last five years, according to reports from the railroads with the exception division of the American Rail-

This heavy movement is being handled by the railroads without unusual difficulty, however. The railroads for a week ended October 26, 1926, had a daily average of 19,472 carloads of coal in fair condition. A few days ago shortages in isolated instances have been reported.

From September 1 to October 16 this year loading of bituminous coal totalled 1,413,315 cars, or 81,163,600 tons, an increase of 50,000 cars or 3,802,400 tons over the same period last year. For the week ended October 16, bituminous coal loadings amounted to 17,179 carloads, or 12,370,600 tons, which exceeded the corresponding week in any previous five years.

From September 1 to October 16 this year loading of anthracite coal totalled 23,229 cars, or 1,207,000 tons. For the week ended October 16, it amounted to 41,057 cars, or 2,003,000 tons, the highest loading week in any year since 1917.

Movement of coal by water to points on the Great Lakes has been especially heavy this year, bituminous coal dumped into vessels in Lakes Erie ports totalling 24,373,000 tons from January 1 to October 16. Bituminous coal dumping this year exceeds the corresponding period last year by more than 2,000,000 tons.

New England is the greatest in six years.

"MOVIE" ACTOR AT 61

COUNT BINYA TOLSTY,

Count Biny Tolsty, who will impersonate his dead father, Count Leo Tolstoy, author of many novels, including "Resurrection," in the prologue to the film version of that story soon to be produced at Hollywood. The count will celebrate his sixty-first birthday this week.

COAL-SHIPMENT IS LARGEST IN YEARS

Record Movement Is Handled Without Difficulty.

GERMAN GUNS READY AGAIN, FRANCE SAYS

International Commission Asserts Disarmament Pact Has Been Violated.

Paris.—The disarmament provisions of the treaty of Versailles are not being carried out by Germany, and the next conference of ambassadors will hear Marshal Foch of France, "who will have something to say on the subject," as well as a demand for some action from this body, according to information in Paris.

Foreign Minister Briand, recently received Doctor von Hirsch, the German ambassador, but not until after the ambassador had other foreign office officials been confronted with the latest report of the international commission which shows.

First, that Germany, in defiance of the treaty, has constructed 63 well-prepared and carefully camouflaged gun emplacements facing the Polish frontier.

Secondly, that at Kustrin, beyond the Polish line, some miles beyond the old fortress built by Frederick the Great, the control commission discovered an extensive fortified position.

Thirdly, that the reich government's promise to disband secret military associations, especially those known as "Vilings" and "Ligue Garcons," has not been complied with.

As a result, so far from Franco-German relations becoming closer, there is every indication that they will become more strained.

Leading Paris newspapers treated the Brandenburg interview as an effort on the part of the ambassador to restore the Thoiry negotiations upon some common ground, but the latest developments have led to some undisguised comments from official sources here that, until Germany is ready to arm out faithfully disarmament in accordance with the treaty, there can be neither a Franco-German rapprochement nor a complete evaluation of the situation.

Increase in Exports for Last Fiscal Year

Washington.—Though the United States has had to undergo a year of most trying gloom, it will still rank among the top three importers and exporters of products in the world, it has maintained substantial increases in its exports. Dr. James Kuhn, chief of the bureau of foreign and domestic commerce, cited up to his annual report.

Exports of manufactured products increased, particularly in the second year of the depression. In the first year of 1933, 24 reached \$1,000,000,000, while in 1934, \$1,000,000,000 was reached. This was followed in 1935, \$1,000,000,000, and in 1936, \$1,000,000,000.

That in 1937 and 1938, \$1,000,000,000 in the country's exportation of cotton goods was the result of the cotton market.

The expansion of these forces has increased our national efficiency to a degree which is Institute to express our stability, less we appear to exaggerate," he continued. "While we have increased our population of 10 per cent in a dozen years, we have swelled the productivity of the nation by something 10 to 30 or 35 per cent. This is why we are able to sell goods of high quality, produced under the highest legal wages in the world, in competition with goods produced under lower standards of living. These methods are not secret; they are rooted in social conceptions which not only promises greatly for the future in our standards of living at home, but provide basic assurances of our continuing growth in foreign trade."

Texas Cotton Pool Is Approved by Bankers

Dallas, Texas.—With arrival here of Eugene Merle, Jr., chairman of President Coolidge's special committee on cotton, a committee of the Texas Bankers' association adopted plans for the formation of a \$5,000,000 financial corporation to hold 1,250,000 bales of cotton from the market for 18 months or until normal conditions are restored.

As in other states the local corporation is to receive ten times the value of its capitalization in credit from the federal intermediate credit banks.

Accidents to Workers Cost Nation Millions

Detroit, Mich.—Industrial and automobile accidents to workers cost the nation millions of dollars and result in 1,000,000 persons being "cast on the scrap heap, as permanently disabled each year," Dr. Henry L. Mock of Chicago, told the National Safety Council here.

Mexico to Buy in Germany

San Antonio, Texas—Consul General Alejandro P. Carrillo announced that Mexico shortly will purchase arms and farm machinery, as well as other goods, from Germany, to the value of 1,300,000 pesos.

Red Cross Workers to Bahamian West Palm Beach, Fla.—Relief workers of the National Red Cross, including two doctors left here for Nassau, Bahamas, yesterday morning.

PRESIDENT COOLIDGE ON ADVERTISING

Advertising is the life of trade, in the opinion of President Coolidge, and aids extensively in the maintenance of the American scale of wages—the main support of the home market. In a recent address at the annual banquet of the American Association of Advertising Agencies, he gave expression to the following:

Estimate Too Low

"It seems to me probable that of all our economic life the element on which we are inclined to place too low an estimate is advertising. When we come in contact with our great manufacturing plants, our extensive system of transportation, our enormous breadth for agriculture or the imposing structures of commerce, and finance we are forced to gain a certain impression by their very magnitude, even though we do not stop to consider all their implications. By the very size and nature of their material form they make an appeal to the senses, even though their import does not reach the understanding. But as we turn the pages of the press and the periodicals, I doubt if we realize, at all, the impressive part that these displays are coming more and more to play in modern life."

MICHIGAN HENS WIN BY STRETCH SPRINT

High production in the closing weeks of the Michigan State College egg laying contest won the contest cup for a pen of Michigan White Leghorns, owned by J. Peter and Sons, Hudsonville.

Birds, owned by F. Hanson's White Leghorn Farm, Corvallis, Oregon, fed the production rate for forty-nine weeks but faltered in the home stretch and finished third. The pen of White Leghorns owned by George S. Stoton, Aurora, Indiana, came up from behind to secure second place.

The previous record for production of individual hens was broken by hen number 4 in Hanson's pen. This bird laid 300 eggs in 353 days. The best previous record was 308 eggs in 355 days.

White Leghorns won the first four places in individual production and tied tenth with a barred Rock owned by W. E. Peale of Thompsonville for tenth in the count of a bird to lay 293 eggs in 354 days.

Russia World in Itself

The areas controlled by Russia, president nearly 1500, ruled in absolute despotism, but still did not escape the fate of all others, because of the terrible poverty of the people, the terrible exploitation of labor, the terrible waste of food, the terrible want of clothing, the terrible want of shelter, the terrible want of medical care, the terrible want of education, the terrible want of opportunity for the individual.

The program will be up the m. at 6:15 p.m.

Eastern Standard time, every other Friday starting November 11.

Origin of the Franc

The franc once disappeared altogether. First coined by John II in 1360, its issue ceased with the reign of Charles VI. Its place was taken by the livre. It was not until 1785 that this was converted back into the franc, which became the unit of the French monetary system.

Fine Furniture made right in your neighborhood

Rev. and Mrs. A. R. MacRae made a business trip to Ann Arbor and Dexter last Monday.

John R. Walker underwent a serious operation at the Atchison hospital in this village on Monday.

Mrs. Ralph Simons of Armada spent a few days during the past week with her parents, Mr. and Mrs. Ed. Sessions.

The house bowling league opened last Monday night with twenty bowlers on the alleys, and another twenty reported on Tuesday night.

A number of local hunters were pheasant shooting near Williamson last week and all came home with the bird limit. Pheasants are reported very plentiful.

Mr. and Mrs. Wm. Melius and their young son of Detroit and Mr. and Mrs. Rex Gulhus and baby boy of Highland Park were visitors at the Bechtel residence last Sunday.

Mr. and Mrs. Alred Hyde of Pontiac came to Northville Sunday and took Mr. and Mrs. John Hanna to Dundee where the day was spent pleasureing with Mr. and Mrs. Clayton Nogar.

Mailed at Plymouth, by Rev. S. Monday, October 16th, Harold E. Wood, formerly of Northville, and Miss Dora M. Lare of Walled Lake. Mr. and Mrs. Wood are making their home at Walled Lake for the present.

Harlo S. German, Harry German, Jr., E. C. Maywell, of Carleton and their wives spent a week at Pratt's Lake, near Gladwin. Hunting and fishing were their vocation and fish, ducks, partridges, pheasants and rabbits fell to their prey. They reported rabbits were plenty but as scarcely of partridge.

Last Thursday officers and committees of the Pere Marquette railway system completed their annual inspection of the lines, by making an inspection of the Bay City-Toledo division, passing through Northville in the forenoon. The inspectors traveled nine days over the various divisions and the members of the party were very enthusiastic over the manner in which they found general conditions affecting the company's affairs, equipment, etc.

ANNUAL CHICKEN PIE DINNER AND BAZAAR.

The annual chicken pie dinner and bazaar will be given at the U. C. church next Tuesday afternoon, and evening the 1st. Many prizes will be offered in the bazaar in the dinner and the drawings.

COMMERCE METHODISTS HONOR NATIVE SON.

Dr. A. W. Stalker of Ann Arbor, native of Commerce, returned Tuesday night as honor guest at a benefit program held in the Methodist church at Commerce.

"Dr. Stalker was born in the Methodist parsonage there, 50 years ago

the son of a Methodist minister, who

was in charge of the Commerce

church at that time. He recalled

memories of those early days in that

community much to the entertainment

of the large company which par-

took of a fine chicken dinner pre-

ceding the program at which the Ann

Arbor man was chief speaker. Dr.

Stalker has been sought for this meet-

ing for over a year.

Women of Commerce Aid society

served the supper to 146 persons.

Other speakers included Dr. John

Martin of Ann Arbor who discussed

church matters.

Features of the program included

sketches and poems by Miss Sociedad

THREE STINSON PLANES GO INTO SERVICE.

Three cabin planes made by the Stinson Aircraft Corporation of this place were completed last week and on Sunday they "hopped off" to Milwaukee where they will be used for major airways service. The planes were delivered to Northwest Airways for use on the Chicago-Milwaukee air mail route.

Harold Ermund, attorney and president of the Northwest Airways, Inc.; William B. Stout, president of the Stout Metal Plane Co.; Ernest Greenwood, of the U. S. Department of Commerce, and William Mara, of the Stinson Co., were invited to make the flight in the Stinson planes. One of the machines was piloted by Edward Stinson, whose name the company bears.

A 12-passenger three motored all metal plane made by the Stout Metal Plane division of the Ford Motor Company was also completed last week and delivered to the National Air Transport Co. at Chicago, for use between Chicago and Dallas, Texas. It is the largest type built by the Stout company, and was the twelfth to be delivered during the company's operations of less than a year, sealing a record for airplane manufacture in Detroit.

ENLIGHTENED PUBLIC SAFETY GUARDS NATION.

American home, labor, industrial and business life today is upon the highest plane it has ever been and is the envy of all the rest of the world.

Our young people are satisfied to remain in their own country. Old laboring men have turned down fatty plots of Russian agitators to encourage or extend the Russian system of demoralization to the United States. Our corporations, our churches and our newspapers are rendering great service to the public. Toleration for all has never before been equalled. Our people are well informed by public question, and for that reason, the less educated, by natural instincts, are reaching the document of enlightenment about

WOLVERINES LOSE AND WIN.

The Wolverine football team lost to Jack Dunn's team a week ago last Sunday. It was a good fight throughout the game and both teams showed good form. However, the visitors outplayed the Wolverine boys in the long run. Passes featured the game for both teams, when the visitors, by means of their passes came within striking distance of the goal, they were strong enough to plunge the ball across. Twice they crossed the Wolverine's goal line for touchdowns but were unable to make ten points for goal.

The Wolverines demonstrated a very strong passing attack and came within striking distance, but were unable to get the ball across the goal line. On one of these occasions Ralph Wood, quarter back for the Wolverines, secured a field goal by means of a long drop-kick. This made the final score 12 to 3 in favor of the visitors.

The visiting team was not as represented to the public. The team was represented as Company I, 125th Infantry from Ann Arbor, but there was only three players on the team who really belonged to the team when they played here before—the rest were Yostland Normal men and some from the U. of M. Fresh team.

Last Saturday, the Wolverine foot-

ball team drove 90 miles north to meet the Elsie team, Elsie being the home

of the famous Elsie Giants' team ten years ago. Elsie is also the home of Mr. Brahma's martial train-

ing teacher of Northville High school. Mr. Brahma plays left end for the Wolverines and received a lot of goodnatured bartering from his former northpeople.

The game was very fast from start to finish, the Wolverines completely out-classing their opponents in the first two minutes of play. Box Justice right-halfback for the Wolverines ran forty yards around Elsie's left end for a touchdown. Before the end of the first quarter, Brahma left end for the Wolverines, received a pass and ran 30 yards for the second touch-

down. In the second quarter Triffle recov-

ered a pass and scored the third touch-

down in the first quarter. Ralph Wood recovered a pass and started the fourth and final touch down, score 25 to 0 in the Wolverines' favor.

The final point was made when

Ralph Wood, quarter back, again re-

covered a goal after the touchdown,

Wailed Lake Waffles.

The fair at the Wailed Lake ground last week Thursday and Friday was a great success. The entire exhibit was fine and some fine exhibits were also shown. The needlework attracted much attention, especially the second of none.

Charles Wedow, 111 Main on R. 1, Rodger's, first on 1 and took platter and covered and served a meal. His Northern Spy was so late he was not classified. This gave him a number of blue ribbons from both Northville and Wailed Lake fairs.

Warren Wixson, justist, E. V. Miller, electrician and Telephone Proprietor, had quite an exhibition of farm tools, farm buildings, real estate office, notary and coffee stands directly in front of their places of business. Sunday morning, tourists would halt and gaze at the pretty things and well arranged exhibit arrangements. Mr. Shea did not need to obliterate the wagon from the roof of his station before it will have its usual neat appearance.

Mr. Root will need to go to probate court and have his original name reinstated and returned to him.

Charles Wedow, manager of Tep-

lano last Saturday to attend the com-

mencement exercises and annual ban-

quet of the Cleary Business College.

Mr. Wedow was a student at the col-

lege in 1895-96. Mr. Wedow was one

of the speakers and fittingly presented

the girls to the president of the col-

lege. R. R. Cleary three hundred and

duo diplomas granted at this time.

Atlanta and Atlantic.

Atlanta, Ga., was named to designate its relationship to the Atlantic ocean by means of a railway running to the coast. The Atlantic ocean was named from the Greek word ατλαντις, meaning the "sea beyond Mount Atlas."

COMMISSIONER'S NOTICE.

In the matter of the estate of PERMELIAN D. KOHLER deceased.

We the undersigned having been appointed by the Probate court for the county of Wayne, state of Michigan, commissioners to receive, examine and adjust all claims and demands of all persons against said deceased do hereby give notice that we will meet at the Lapham State Savings Bank, Northville, Mich., in said county, on Tuesday, the 21st day of December A.D. 1926 and on Monday, the 21st day of February A.D. 1927, at 10 o'clock a.m. of each of said days for the purpose of examining and allowing said claims and that four months from the 21st day of October A.D. 1926, were allowed by said court for creditors to present their claims to us for examination and allowance.

Dated: October 21st, 1926.

| T. G. Richardson. | |
| L. B. Flint. | |
| Bruno Freydl. | |
| C. W. Wilber. | |
| A. C. Balden. | |
| George B. Yerkes, Attorney. | |

THE people of this community are cordially invited to attend the formal opening of our new Bank Building on the above date, when an opportunity will be given all to make a personal inspection of our new and larger banking quarters.

Naturally, we are proud of the new structure and we are especially anxious that the people of this section visit us on that day. No formal invitations will be issued, so please accept this announcement as meaning you and all your friends.

The new building is complete in every detail. It will offer every banking convenience to depositors and their friends. It has just as modern equipment and furnishings as any city bank and its facilities will be extended to meet the needs of the people of this community.

In the new building we shall be better able to render a banking service in keeping with every day needs and we shall give to that service the same personal interest that has made the erection of this beautiful new structure possible.

Permit us to extend to you a cordial welcome on the opening day—a welcome that will be continued as the months and years go by.

L. A. Babbitt, President.
C. W. Wilber, Cashier.

WOLVERINE ATHLETIC CLUB ELECTS OFFICERS

A meeting was held last Tuesday evening by the Wolverine Athletic Club in their new club room in the Woolworth Building, and the following officers were elected: President, Harold Stevens; vice president, Lee Andell; secretary, Clifford Cline; treasurer, Douglas Cartwright; manager of spirits, James Wood; gas tender or equipment, Glen Arnold; Plymouth Mail.

THANKSGIVING PROCLAMATION

(By the President)
As a nation and as individuals we have passed another 12 months in the favor of the Almighty. He has smiled upon our fields and they have brought forth plentifully; business has prospered, industries have flourished and labor has been well-employed. While sections of the country have been visited by disaster, we have been spared any great national calamity or pestilential visitation. We are blessed among the nations of the earth.

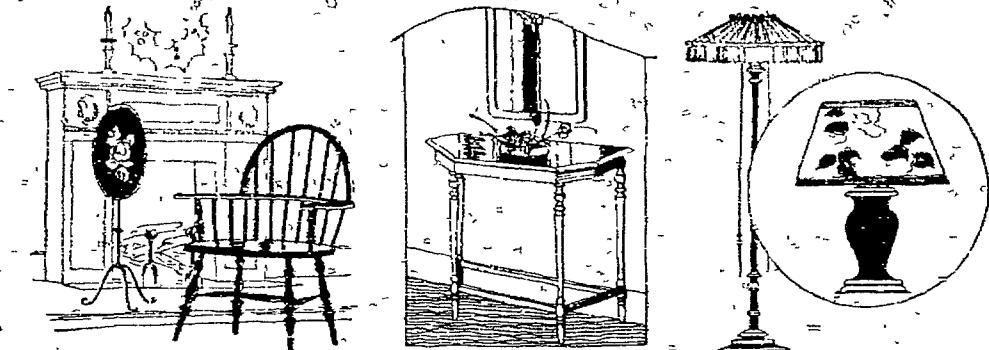

Our moral and spiritual life has kept measure with our material prosperity. We are not unmindful of the gratitude we owe to God for His watchful care which has pointed out to us the ways of peace and happiness; we should not fail in our acknowledgement of His divine favor which has bestowed upon us so many blessings.

Neither should we be forgetful of those among us who through stress of circumstances are less fortunately placed but by deeds of charity make our acknowledgment more acceptable in His sight.

Therefore I Calvin Coolidge, president of the United States, do hereby set apart Thursday the twenty-sixth day of November as a day of general thanksgiving and prayer and I recommend that on that day the people shall cease from their daily work and in their homes or accustomed places of worship devoutly give thanks to the Almighty for the many and great blessings they have received, and seek His guidance that through good deeds we may deserve a continuance of His favor.

FOOTBALL SUNDAY AFTERNOON

The Wolverine football team will meet the independent Park Clothes team from Detroit Sunday, November 7th, at 3:00 o'clock on the home field, the Northville fair grounds. This will be a good game and the Wolverines will try hard to give the visitors their first setback in season. Don't miss the come and support your team.

Odd Pieces of Furniture

In nearly every room in the house there are places where you would like to place some particular single piece of Furniture—perhaps a Chair, a Stand or Table, a Kitchen Cabinet, a Dining Table, a Buffet, a Simmons Cot, a Floor Lamp, Writing Desk, Rocking Chair, a Couch, Upholstered Chair.

We have these Separate Pieces and you will find our assortment of them varied and interesting. They are marked in plain figures and are priced reasonable. Just step in and let us show you through this department of our store.
