STINSON ASKS SKY PILOTS TO VISIT THE SKIES

Extends an Invitation to Pastors as They Visit Plant

Northville's three famous sky pilots, Eddie Stinson, Rev. William Richards and Rev. Frank P. Knowles met Monday morning for the first time—and the three talked of matters higher up.

The meeting was purely accidental. The two pastors had business that took them to the busy aircraft factory operated by Eddie Stinson and his associate, Wm. A. Mara. Mara had conducted the pastors through the institution and finally they met the famous aviator at the work shop where he was directing the assembling of a new craft.

"Glad to take you up, any time," said Eddie.

Rev. Richards hesitated about accepting the invitation to visit the sky before he had talked about it.

"The aviator looked at the popular Methodist parson a minute.

"That makes me think of a story I once heard," said Eddie.

"I'm game, what is it?" said the Methodist preacher.

"I once heard a colored pastor say," said Eddie, "that if a man was afraid to die he wasn't fit to live. But of course Pastor that story just doesn't apply to this occasion. I am simply giving you a little philosophy of the colored."

"And that is how most a colored pastor would agree with the statement," he declared that he wouldn't be afraid to die about the time he was in the sky. Stinson was looking at the pastor a minute or so.

HEAVY FALL OF SNOW IS DELAY TO AUTO TRAVEL

Last Week Witnessed the First Big Storm of Winter

Northville residents spent the greater part of Friday and Saturday of last week digging out from the heavy snow that fell Wednesday night and Thursday of that week. It snowed almost constantly for forty-eight hours and when it was through a fairly heavy wind aided in piling up the snow in some places to a considerable depth. Many drove down to the Penton Allen theater for the evening show, and when they started home considerable difficulty was experienced in getting their machines from the parking place into the partially broken roadway.

Village authorities Friday and Saturday cleared away considerable of the snow from crosswalks, and it was not long before one could easily get about town. It was the heaviest fall of snow up to this time during the present winter. Some of the country roads were almost impassable, but county road commission put the big snow plows in operation, and the main trunk lines were quickly cleared.

40 STITCHES ARE NEEDED TO CLOSE WOUNDS IN FACE

Representative Johnson in Accident Reported Improving

One hour and thirty minutes on the operating table while forty stitches were taken in his face, without the use of anesthetics of any kind was the frightful experience late last Thursday night of Representative Lawrence Johnson, of this district in the state legislature.

Returning to his home in Plymouth from Lansing in an automobile owned and driven by Representative Lawson of Royal Oak Mr. Johnson was hurled through the windshield of the car when it was crowded to the side of the road and hit a concrete abutment over a bridge. Representative Johnson was slightly bruised by the accident.

Representative Johnson was hurried to a hospital in Howell, where his injuries were given immediate attention, but because of the fact that nothing was used to deaden the pain while the wounds were being dressed, he is still suffering considerably from shock. Reports from his home yesterday stated that he was getting along as nicely as could be expected, but it will be some little time before he will be able to about his duties.

SCHRADER BACK FROM FURNITURE SHOW IN CHICAGO

Northville Dealer Says This Year Will Be One of the Best

N. C. Schrader of this place, and F. D. Schrader of Plymouth, have returned from the big furniture shows at Chicago and Grand Rapids, spending the last two days in the Furniture City.

In order to take care of the furniture trade for this vicinity during the next few months, they purchased four carloads of the newest offerings of the furniture market.

"We found a general feeling among the furniture dealers from all parts of the country that the present year promises to be an especially good one in a business way. They backed up their statements with big orders for furniture," said Mr. Schrader upon his return to Northville.

"In fact, most everyone present at the shows in Chicago and Grand Rapids thought this year would be the best we have ever had. There seems to be a better spirit among the dealers than existed in past years and it is for that reason we bought as heavily as we did. Of course, business in this part of the country is most always good, and from all that we can hear it is going to be even better this year if such a thing is possible."

The new goods and rugs will probably arrive in the next few days. In fact some of the shipments are expected any time by Mr. Schrader.

CELEBRATE 59TH ANNIVERSARY AT NORTHVILLE HOME

Relatives Honor Highly Respected Couple January 16th

The old Mr. and Mrs. McCullough celebrated their 59th anniversary, 1927, by being taken to the city of Chicago, where they took part of the day at the McMillan Hotel and the afternoon at the home of Mr. and Mrs. J. J. Murphy, of Plymouth, and their wife and mother, Mr. and Mrs. Norman Hays.

A sumptuous dinner was served and a musical program rendered, which all enjoyed very much.

Mr. and Mrs. McCullough have made their home in Northville for past thirty-nine years and have many friends in this community, who will join in wishing them many happy returns of the day.

Not only does the circle of friends include nearly everyone living in Northville, but there are hundreds of acquaintances who know Mr. and Mrs. McCullough living elsewhere, who join in extending to them most cordial greetings. During their entire residence in this place, they have been held in the highest esteem by the entire community. Their hundreds of friends will be glad to know that both are in comparatively good health.

NEW PLAT WEST OF TOWN TO BE IDEAL PROJECT

Owner to Give Northville a Subdivision of High Merit

Surveys have just been started for one of the finest subdivisions ever opened in western Wayne county, and according to the announcements expected within the next week or so the property, which is owned by Charles Bloom and lies just at the end of West Main street, will be placed on the market early in the spring.

Mr. Bloom, who is president of the Michigan Fire & Marine Insurance company, with offices in Detroit, but whose home is on a part of the proposed subdivision plans to make the section one of the ideal residential places of Michigan. According to those acquainted with preliminary plans, it will equal or excel the real estate development around Birmingham.

There are fifty-three acres in the plat. There will be no lots of less than half an acre, and all of the drives will be winding. The lots will be laid out in such a way that every home will command a splendid view. It is believed the property, which is hilly, is the highest above sea level in Wayne county, the highest point being 935 feet. Wellington Roberts is making the survey, and the sale will be conducted by J. D. Dyer of Northville.

SATURDAY IS A GOOD DAY TO MAKE A VISIT

F. A. SECORD

42 North Center St. NORTHVILLE

N. H. S. STUDENT NEWS.

Wednesday evening, January 12th, the Senior Prom, took place in the gym. It was an evening of pleasure and entertainment for all who attended. The gym was prettily decorated with the Senior class colors, which are red and white. The music was furnished by Sinclair's orchestra. Mr. White gave an exceptionally interesting and educational talk on the Hawaiian Islands, Friday afternoon, in the high school auditorium. Mr. White is a graduate of the N. H. S. class of 1911, and for the past two years and a half, Mr. White has been in the Hawaiian Islands, engaged in journalistic work. He has attended two Pan-American conferences, which is in the promotion of good will among the nations bordering on the Pacific. Mr. White told of the life and customs of Hawaiians, and of the climate and geographic features of the islands. He also favored us with three Hawaiian songs, which he sang in the native tongue.

Following Mr. White's talk a pep meeting was held. The purpose of this meeting was to choose a yell leader. This year the yell leader will be given a letter for his work. The try-out was held, and each contestant was given two chances. A vote was taken, but it proved unsuccessful, because it was done improperly. Therefore, a vote was taken Monday afternoon, and the following were chosen: Edward Norton, Louis Tiffin and Ford Brainerd.

This is the first appearance of the Northville school notes in new form. It is edited and arranged by H. Vor Hallorath, editor, Emery Ogilvie, assistant editor, and Richard Smith, sports editor.

LOCAL TEAM WINS FROM FARMINGTON

Not by the high school students and friends who are celebrating the victory won last Friday evening over the basket ball team from Farmington, the score being the remarkably close one of 14 to 12 in favor of the local team. It was the first victory in many years of the Northville high school team. The game was held at Farmington and the local team was victorious.

Northville's Walter and Wood played the game. The local team was victorious. The game was held at Farmington and the local team was victorious.

The players are to be commended on their clean sportsmanship and their fighting spirit, which was evident throughout the struggle. The coaches of both teams deserve credit for having trained their squads to do such efficient work in a sportsmanlike way.

Next week the boys journey to Ypsilanti and it is hoped they play a game like this, played last Friday. The management wishes to thank the townspeople for their cooperation, and hope they will all be out to root for Northville when they play Dearborn on the 28th.

Sixty one student tickets were sold, and fifty-four of the holders of these tickets turned out.

The second team easily defeated the Farmington boys on 29 to 6 in the afternoon. The Farmington boys fought hard but were outplayed by the Northville boys.

The girls game was a tight game until later in the half when the local girls ran away from their opponents. The final score was 31 to 13.

NORTHVILLE GIRLS WIN FIRST GAMES

A suburban league for girls basketball has been formed in a few schools in the Northville district. The Northville girls have won their first two games, one from Royal Oak on January 17 and the second from Farmington on Friday. Score Farmington 14, Northville 35. Line-up: Geraldine Hull, Helon Mackin, L. C. Jessie, Austin S. C. Vera Austin, Ernestine Weller, Mary Jordan, Vivian Taylor, Madeline Cole, Edna Martens. The girls and the coach appreciate the support the team is receiving from the townspeople. EURETA OLDAKER, Physical Training Director.

The L. L. Ball Studio ad will be found on the bottom of local page.

ACCIDENT SHOWS GREAT STRENGTH OF A CHEVROLET

Great Steel Frames Fall Five Stories on Top of Automobile

The strength and sturdiness built into the Chevrolet closed-bodies was strikingly revealed recently when 5000 pounds of steel frames fell five floors from the roof of the Great Western freight depot in Minneapolis, Minnesota, to the top of a Chevrolet sedan. The body of the car was uninjured.

The radiator, however, was smashed in one place, and the springs of the car broken, while the body was not scratched. The steel frames, five feet long, twenty-five feet wide and ten feet in height, were hoisted to the top of the building by a derrick when a strong blast of wind tipped the mass of steel downward with several tons of bricks.

Large crowds, assembled at the scene of the accident, were strongly impressed with the strength of the Chevrolet body. Had anyone been in the car at the time, they would have escaped uninjured, experts said. Another car standing a few feet away was brushed by one of the steel girders and completely demolished its whole side being torn off.

Lightning Blow

The familiar saying that lightning never strikes twice in the same place has little interest for the guy who happened to be where the first stroke hit—Tusculum (Aia) Times.

Remarkable Accuracy

Professor Perrin, the French authority on atoms, has measured a film of oil on water that was a fifty millionth of an inch in thickness.

The Greater and Lesser

The guy who said the lesser cannot contain the greater and never worked in a women's shoe store—Advertiser Star.

Its Shell Valuable

These shells are valuable for ornamental purposes.

Engineered to Provide Lowest Maintenance and Operation Cost

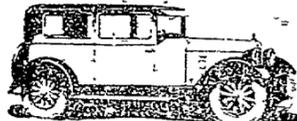

The New ESSEX SUPER-SIX

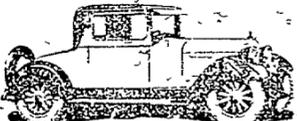

Entirely new in Appearance and Performance with New Bodies in a variety of Color

SEDAN \$735

COACH \$735

COUPE \$735

4-PASS. SPEEDSTER \$750

In performance, as well as appearance, the Essex Super-Six is an entirely new car.

It reveals the capacity of the Super-Six principle. It attains an engineering triumph in low maintenance and operating cost.

It possesses such stamina that 50 miles an hour all day long is an easy accomplishment. And so nimble and alert is its action that no car will surpass the quickness with which it may be driven through traffic or in touring, whether the trip is one of a few city blocks or hundreds of miles. To both driver and passengers, there is rare comfort in any kind of going.

Unusual accessibility means big savings in replacement, service and all shop work. Economy in fuel and oil is also a notable feature of the new Essex Super-Six.

With four beautiful new bodies—all smart in line, finish and upholstery, it is easily the paramount value of Essex history.

All prices f. o. b. Detroit, plus war excise tax

FARMERS' CLUB OF WIXOM HOLDS A BIG MEETING

Mr. and Mrs. Chas. Wedow Entertained for Last Session

The Wixom Farmers' Club, an organization more than forty years old, now in its most thriving condition, met last week Thursday at the home of Mrs. and Mrs. Charles Wedow of Walled Lake. Nearly seventy-five members were present.

Early in the forenoon members began arriving at the attractive home bringing with them baskets laden with delicious foods of all kinds. In his write-up sent the Record, Mr. Wedow says there were "pies, pies, pies, besides cakes and all the other substantial foods that Wixom ladies are noted for preparing."

The dinner was one of the best ever served, according to the reporter, due to the assistance given by ladies from Walled Lake, Novi and South Lyon, as well as Wixom. Mrs. Wedow directed the serving and it required but a brief time to take care of the great crowd that had gathered.

Early in the afternoon, President Fred Beasly called the meeting to order, "Michigan, My Michigan" being the first song on the program. Miss Ruth Bradley, Mr. and Mrs. Frank Rice of Novi, and others gave pleasing musical numbers.

The co-operative system of marketing was the subject for general discussion. A splendid talk on this subject was given by Harry Neisman, agriculture instructor of the Walled Lake school.

Charles Wedow gave his views on the subject, and a number of others entered into the discussion.

Mr. White talked of the Hawaiian Islands.

The next meeting will be held at the home of Mr. and Mrs. F. J. Chapman, where the same subject will again be discussed.

The question brought the last meeting was conducted by Judu Furman of Wixom, and it proved to be one of the most interesting parts of the whole program.

ARE YOUR HENS LAYING?—ENTER WINTER CONTEST

Record Readers Tell of Big Number of Eggs Hens Are Now Laying

The egg contest is well under way. A couple of weeks ago the Record told of a poultry fad that is in the path who is having pretty good luck in getting his hens to lay in the winter time. He has something like 15 hens and in a day passes but what he gets a dozen or more eggs.

Now comes our correspondent from Wixom, who says that Mrs. Frank McDonald of Wixom, is keeping 32 hens this winter, and gets a dozen eggs every day from the 12 chicks. That's a pretty good record and a hard one to beat.

In last week's record, one of Northville's big chicken raisers, Mrs. Ella VanSickle, who is wintering 250 hens, reported that her flock is averaging from 115 to 135 eggs per day. That's a big average.

Now the question is are there other poultry raisers about here who can equal or excel these averages? If so, let the Record know. It might be well to send in the breed of chickens you have. The Record was not informed as to the kind of chickens Mrs. McDonald and Mrs. VanSickle specialize in.

BIG RATTLER KILLED BY LOCAL TOURIST

According to a letter just received here, on Christmas day, while on the road to DeSoto Beach, Florida, Mr. and Mrs. George Hicks of this place saw a large snake crossing the road. Mr. Hicks succeeded in running over it and upon getting out and investigating discovered it to be a diamond back rattlesnake. They finally killed the snake and wired it to the car and on their return to their camp found it to be 6 feet 2 inches in length.

Mr. Hicks is having it mounted and expects to bring it home with him in the spring. This snake is a very large one, and the diamond back rattlesnake is the largest of the species and very poisonous. They were fortunate in securing such a rare specimen.

Nothing pleases a man with a well-developed sense of humor so much as setting two chronic bores to boring each other.

A man thinks that he is practicing economy when he denies himself something he can't raise the money to buy.

SAYS MEXICAN REDS PLOT FALL OF U. S.
Secretary Kellogg Declares Calles Republic Approves of the Movement.

Washington.—Charging that Communist leaders are using Mexico as a base for activity aimed toward undermining the United States government, Secretary of State Kellogg submitted a statement to the senate foreign relations committee. It was made public by Chairman Borah.
"Destructive of what they term American interests," the avowed objective of Bolshevistic forces, Mr. Kellogg declares, "the Red leaders have very definite plans as to the role which Mexico and Latin America are to play in their general program of world revolution. Overthrow of the government of this country, they conceive, must be the first step to attain their goal."
To prove his contention, the secretary quoted a resolution passed by the Communist party in 1923, which called for the overthrow of the United States government and the establishment of a dictatorship of the proletariat in all countries of Latin America, in Mexico, and among radicals of the United States.
"Mexico must be the center of this union of workers," the resolution declared, "to carry on the struggle for the overthrow of the United States government and the establishment of a dictatorship of the proletariat in all countries of Latin America."
Secretary Kellogg asserted that the propagation of Communist ideas and principles in the various countries of Latin America is considered by directors of the Red movement in Russia as secondary to carrying on propaganda against the aims and policies of the United States.
"It is because of this that the world is divided into two camps," he declared, "the United States and Mexico as a suitable base of operations for the struggle against the aims and policies of the United States."
Secretary Kellogg declared that the United States government has received instructions from the United States congress to carry out a policy of non-interference in the internal affairs of Mexico, but that the United States government will not tolerate any attempt to overthrow the government of Mexico by force or fraud.

EXCHANGE CLUB OFFER CUP FOR DEBATING TEAMS
Will Also Sponsor Father and Sons Banquet Next Month.

Members of the Northville Exchange club Wednesday noon after hearing a splendid talk by Superintendent Gordon of the public school of this place, decided to provide a cup for the debating teams of the Northville school. Superintendent Gordon told of the debating contest and of the good that is accomplished through them. The club decided immediately to assist in the good work by offering a worthwhile prize.
The club also decided to sponsor a father and son banquet sometime next month and will invite members of the club to take part in the event. The date has not been definitely fixed. Efforts will be made to secure an outstanding speaker for the banquet.
Members present were presented with a box of cigars by John Starnes, the club secretary, Wednesday being his fortieth wedding anniversary. He received the congratulations of every one present. Delegates were also invited to the state convention of the Exchange clubs to be held at Grand Rapids, January 30-31.

First Newspaper
The first newspaper ever published in the Roman Catholic Diocese of Detroit, appeared in 1857. It is not known whether it was of the Catholic or Protestant faith. The first daily newspaper was published in Germany, and the first advertisement of a newspaper in the United States appeared in a London newspaper in the sixteenth century, according to the "Detroit Independent."

Merits of the Fuchsia
The fuchsia is one of the most beautiful of our garden plants. It is a native of the tropics and is now cultivated in all parts of the world. It is a very hardy plant and will grow in any soil. It is a very beautiful plant and is well adapted for the garden.

Making Artificial Ice
The first artificial ice was made in 1851. It was made by a process called "ice-making." The process is very simple and can be done in any kitchen. It is a very useful invention and is well adapted for the home.

First Solid Trainload of Flour Since the War
Chicago.—From the Onawa Flour Mills elevators enroute to all the New England breadbasket, the first solid trainload of flour to be shipped since the war, left Chicago Junction a few days ago consisting of 40 brand new cars with enough flour in them to put a loaf in each of more than 2,500,000 New England homes or to make up one huge single loaf 2,100 feet high, and 1,900 feet wide or twice as high as the Eiffel tower in Paris.
Officials of the various roads, according to W. A. Kittermaster, general western freight agent of the Canadian Pacific railway over which the train passed, were as anxious about the fast schedule of the train as if it were the private train of Queen Marie. From Chicago through Canada, the train made record time, arriving in Boston on the fourth day, with another flour special to follow on January 25. The flour will be distributed among 26 New England cities and towns.

House Committee O. K.'s McNary-Haugen Farm Bill
Washington.—Following failure of a move to substitute the Curtis Crisp farm relief bill for the McNary-Haugen measure, the house agricultural committee approved the latter bill by a vote of 13 to 8. The Curtis-Crisp proposal was lost 16 votes to 5. The committee's action terminated a three-day fight centering about application of the equalization fee provision, included in the McNary-Haugen bill.

Woman Dies at 122
Pomona, Calif.—Memories of almost a century and a quarter of California history were sealed here as Dona Petra Mora, one hundred and twenty-two years old, lay in death. Church records revealed her age.

Famous Actor Burned to Death
New York.—In the fire swept ruin of his studio apartment in West Fifty-first street, Bremen, found a charred body identified as that of Arnold Daly, the one famous actor.

The Home Restful Electric Servants
quick, efficient, economical, ever on-the-job, give modern housewives the comfort and leisure denied to the women of an older generation—preserve health and strength and lend opportunity for enjoyment of life.
At small cost and with great satisfaction your washing, your ironing, your sweeping, and various other of your household tasks are quickly done by electricity. There is an electric appliance for practically every household need.
Come in and let us show you how quickly, easily and economically your housework can be done.

NORTHVILLE, MICHIGAN, FRIDAY, JANUARY 21, 1927

MORE TAXES

The editor doesn't smoke. He doesn't like long cut or fine cut, therefore, he doesn't chew. Because of these facts, no one can accuse him of having any personal interest in the proposed bill that Senator Pete Lennon from Genesee county proposes to introduce into the legislature, imposing a tax upon the sale of tobacco in Michigan.

Of all the silly proposals for additional tax burdens this is about the limit. Senator Pete has heard somewhere that some state, which is short on natural resources and industries has seen fit to impose a tax upon tobacco as a means of raising additional revenues.

His one excuse for introducing such a bill is found in his assertion that Michigan should tax the use of tobacco. It would relieve real estate taxes. The senator is one of these farmer-estate dabblers, and he says that he has figured it out that this is the one and only way to relieve the man who owns property other than personal from paying taxes.

There is no disputing the fact that taxes are high. But the demands of modern civilization and advancement have to be met, and nothing is to be done about it. Some states and some cities and some counties have found ways to raise money. It is not the business of the legislature to make laws that are not in the best interest of the state.

Many more should be. The future development of these two, especially favored communities is going to be rapid, and the closer the two towns can work together the better it will be for both.

The Fowlerville Review in its last issue said something about winter being just around the corner. We reckon it's been around the corner for quite some time up there. Maybe someone is just kidding the town.

There is nothing else for the cops to do over in Wayne, so they have started a round up of stray dogs. Come on over, cops, we've got one or two over here you can have.

Herb Baker, the "bearcat" of Cheboygan, who has been made into a tame old alley cat by the voters, has landed a state job under Fred Green. When Green ran for office he said he wasn't going to appoint any politicians. Well, no one can rightly accuse him of appointing one when he gave Herb a job.

CAP AND BELLS

ALL WORN OUT

When you are all worn out, you should go to bed. It is not the business of the legislature to make laws that are not in the best interest of the state.

NEVER TOO LATE

It is never too late to start a new habit. It is not the business of the legislature to make laws that are not in the best interest of the state.

MONKEY

A monkey was seen in the streets of Northville. It is not the business of the legislature to make laws that are not in the best interest of the state.

STUDENT DEBTORS

Students who have borrowed money from the school should pay it back. It is not the business of the legislature to make laws that are not in the best interest of the state.

Something Broke Loose

Something broke loose in the streets of Northville. It is not the business of the legislature to make laws that are not in the best interest of the state.

Catty

Jack-Dois is as crafty as some birds. He is not the business of the legislature to make laws that are not in the best interest of the state.

A Perennial One

Pe, what's a valetictorian? A valetictorian, my son, is the one who speaks last. It is not the business of the legislature to make laws that are not in the best interest of the state.

Small Loss

A respected citizen of Kennebunk, Maine, has suffered a small loss. It is not the business of the legislature to make laws that are not in the best interest of the state.

ST. PAUL'S LUTHERAN CHURCH

We should fear and love God that we may despise preaching and His Word, but hold it sacred, and gladly hear and learn it. In spite of the inclement weather, a goodly number of people attended our services last Sunday. Now it is all those who did not attend and all those who found it impossible to do so will come next Sunday, the result will be an attendance which will gladden the hearts of all.

Sunday's sermon will be one of special importance. It will be based on the remarkable words of our Savior: "The Kingdom of God Cometh not with observation, neither shall they say, Lo here! or Lo there! For, behold, the Kingdom of God is within you." Services begin at 10:30 o'clock and will be in the English language.

The Sunday school classes will meet as usual at 10:00 o'clock. The Centurion of Capernaum will be the lesson for next Sunday. Remember, you are always welcome at St. Paul's.

PRBYTERIAN CHURCH NOTES

The greatest specific task before our church this year, says Dr. Thompson, moderator, is the Service Pension Fund campaign now under way in this Presbytery.

Sunday morning worship with sermon, "The Guest of God."

Sunday school at 10:00. Lesson: Prayer in the Christian Life.

Union Young Peoples meeting at 6:30. Topic: How Can We Train for Service?

Union evening service at 7:30. Sermon by Rev. Wm. Richards. We are looking for a hall house. Will you be there?

The Nellie Yerkes Auxiliary will meet on Monday evening with Mrs. Claude Ely for a practical supper at 8 o'clock.

The all-day study of the Woman's Union will be held in the parlors of the church Wednesday, Saturday, and Sunday. Mrs. J. H. Thompson, president, will be in charge.

METHODIST CHURCH NOTES

The church will be closed for services on Friday, January 21, in honor of the late Mrs. J. H. Thompson.

Sunday morning worship with sermon, "The Guest of God."

Sunday school at 10:00. Lesson: Prayer in the Christian Life.

Union Young Peoples meeting at 6:30. Topic: How Can We Train for Service?

Union evening service at 7:30. Sermon by Rev. Wm. Richards. We are looking for a hall house. Will you be there?

PARK HOTEL IS

SOLD—OWNER TO IMPROVE PLACE

Northville Assured of a High Class Place by Detroit

Louis Caras of Detroit, has purchased the lease and the furnishings of the Park Hotel, and expects to take possession of the property about February 1st. Mr. Caras comes to Northville highly recommended as a successful restaurant man, having a fine place in the city, and his neighbors all about his place speak in highest terms of him. He contemplates making extensive improvements and alterations to the building and refurbishing the house throughout, having had estimates made of the expense, which will run into a good many thousand dollars. Mr. Caras will be cordially welcomed to Northville, and his efforts to improve our hotel situation will be heartily approved by all our people.

The sale was brought about through the untiring efforts of F. J. Cochran, trustee under the receivership, and he is deserving a great deal of credit for having consummated the deal.

IS IT WORTH WHILE TO PRAY?

You may ask also, is it of any use to eat—to sleep—to play—to work? You think these queries are useless—well so is the heading?

Proper eating supplies the body with new energy. Sleep restores the nerve force that has been used up in previous hours. Play relaxes the mind and body and relieves the tension we are under.

Prayer is to the soul life what these other recuperative agencies are to the body. Prayer through many avenues gives access to that limitless power house of Almighty God.

Everyone does pray—some as a habit others only when they get into a tight place. The one who makes it a regular practice is richly rewarded.

Altogether too many prayers are of the "gimme" sort—an effort to wheedle the Creator into helping them in preference to some other fellow. Companionship prayers—adoring prayers—praise prayers—are the ones greatly needed.

Mrs. A. G. Newman entertained the Fleur-de-lis 500 club, last Monday evening.

The spring stock of new wall paper has just been received by the White store.

Mrs. Ralph Simons, of Armada, spent Saturday and Sunday with her parents, Mr. and Mrs. Ed. Sessions.

Mrs. Roy VanValkenburg of Fowlerville was a recent visitor at the home of Mr. and Mrs. R. M. Pickell.

After ten days' illness, Miss Iris Balch resumed her duties as teacher in the Burgess school, Detroit, last Monday.

The Walled Lake Senior Agricultural Club has been re-organized and will meet in the future during the early part of each month.

Mrs. C. S. McBride and sister, Miss Agnes Ballentine, left this week for Saginaw where they will spend some time with friends and relatives.

Weather fans report that it was anywhere from nine to twelve below last Saturday morning. The mercury held around zero all day last Saturday.

The regular monthly baby clinic, conducted by the Red Cross, will be held as usual on Tuesday, January 25th, at 3 p. m. in the high school building.

Mrs. J. R. Walker and Mrs. E. E. Cavell delightfully entertained six tables at a bridge luncheon, at the home of Mrs. Walker, last week Thursday.

Miss Genevieve Graham and Miss Helen Rowlander of Coorse old school friends of Mrs. H. G. White, were week-end visitors at the home of Mr. and Mrs. H. G. White.

It is reported that a part of the W. C. Hall farm lying about one and a fourth mile west of Walled Lake, has been sold for something like \$500 per acre for sub-division purposes.

Dr. and Mrs. H. H. Bonbrant, visited a family again, in a visit to the former's home in New Jersey. They went east for Christmas, and spent the holidays with relatives and old friends.

Tom Kraft of Farmington, who is a member of the home of Dr. and Mrs. M. J. Douglas, of York, spent his week-end at the home of Dr. and Mrs. H. H. Bonbrant, in a visit to the former's home in New Jersey.

Fred Cooper, who is a member of the home of Dr. and Mrs. M. J. Douglas, of York, spent his week-end at the home of Dr. and Mrs. H. H. Bonbrant, in a visit to the former's home in New Jersey.

Dr. Stark and family, including his wife and children, spent the week-end at the home of Dr. and Mrs. H. H. Bonbrant, in a visit to the former's home in New Jersey.

Bruce Knowles of Northville, has again been chosen as a member of Men's Glee Club of Alma College. At present the club is preparing a concert for its annual spring tour. Knowles is a junior and a member of Zeta Sigma Literary Society.

Carl Ely, who has been spending the past two weeks at Hot Springs, Arkansas, has returned to his home in Northville. He enjoyed his brief visit in the southland and stated that the weather had been most delightful. Mr. Ely is feeling much better than he did when he went away.

J. R. Chifford Durant, son of the noted wizard of automobile finances, has decided to discard the product of one of his father's factories, and will in the future travel in one of Eddie Stinson's cabin-type aircrafts. Instead of the orders received at the Stinson Aircraft corporation this week was one from Mr. Durant, Jr. The young man expects to do most of his future traveling by airplane instead of automobile.

One of the outstanding events of last week was on Friday evening, when over sixty members of the Old Time Dancing Club journeyed over to the auditorium of the Wayne County Training School, as guests of Dr. and Mrs. Haskell. Dancing was the feature of the evening and lunch was served at midnight. Music was furnished by Sid and Mrs. John Timham and was the best. The next regular assembly will be January 28th at the library, at 8 o'clock.

News comes from Detroit that the home of Mr. and Mrs. A. C. Harmon and their son and family at 517 14th avenue, recently caught fire, and the entire third floor of the house was practically destroyed. The damage from the flames smoke and water is estimated at from \$1,500 to \$1,800. The loss on the building is covered by insurance, but the contents of the third floor were not insured. The fire was caused by the carelessness of tenants in that part of the house. Fortunately, no one was injured, though two little children narrowly escaped.

This is National Thrift Week

Rev. A. K. MacRae addressed the Walled Lake Exchange Club on Tuesday noon.

Mr. and Mrs. Alton D. Orvis expect to leave soon for a several weeks' western trip.

Mr. and Mrs. Ed. Millis were dinner guests, last Saturday evening, of friends in Birmingham.

Miss Ida Pratt, who has been spending some time at Walled Lake, was a Northville visitor Monday.

Twelve ladies were entertained at bridge at the home of Mrs. Eva Johnson last Tuesday afternoon.

Milford's postoffice is now in the second class, having made a fine showing in increased receipts during 1926.

Mr. and Mrs. Harry Barnes of Plymouth, were Friday evening callers at the residence of Mr. and Mrs. D. J. Stark.

Mrs. E. C. Hinckley entertained the members of the Sewing Club, last Wednesday, when another of their delightful luncheons was served.

Radiator Protection

GLYCERINE

Glycerine and water is undoubtedly the best solution to prevent freezing of automobile radiators in low temperatures, and while comparatively new to the general public, it has been used with marked success and satisfaction for a number of years.

Some of the Proved Advantages are:

1. Glycerine will not evaporate at maximum radiator temperatures, therefore the solution will remain at full strength throughout the winter.

2. Glycerine is practically odorless and non-volatile, therefore in using this solution there are no disagreeable odors or unpleasant volatile vapors. \$3.00 per Gallon.

ALCOHOL

Denatured (188 Proof) Highest Test

Contains no benzol or other injurious ingredients. Beware of denatured alcohol containing benzol which tends to injure rubber connections.

Prices in Quantities, 75c and \$1.00 per Gallon.

Northville Chemical Co., Inc.

NORTHVILLITES HAVING PLEASANT VISIT IN TEXAS

Mr. and Mrs. Charles Welsh Enjoying the Winter Amid Flowers

While residents of Northville and sections of Michigan were shivering in subzero weather during the past week, Mr. and Mrs. Charles Welsh of this place, who are spending the winter in the south, were enjoying the delights of a most pleasant southern winter.

"Roses of all kinds are in blossom. Flowers my mother had in her beds all summer are still in bloom. Boston ferns are on the porches and in the yards just like in the summertime," she writes to the Record from Houston, Texas.

"We arrived at New Orleans on December 29th. It was clear and cool, but not cold enough for a frost. The next day after our arrival at this great Gulf port, we left for Houston, Texas. We have enjoyed bright, clear days ever since we arrived down here. It seems good to have so much sunshine.

"Charles and my father are sitting out in the spring on the lawn visiting, as I write this letter. Today we are having a northwest wind, and it is getting cooler. I guess you must be having a snowstorm up there."

"Oleanders grow from six to eight feet tall here, and it is never necessary to cover them or put them aside to protect them from frost. We wish you could all enjoy the delightful summer weather we are experiencing."

A. C. BALDEN IS ON A PLEASURE TRIP INTO THE SOUTH

Will Visit Many Places of Interest Before He Returns Home

A. C. Balden, well known and popular business man of Northville left the early part of the week for a pleasure trip that will take him into the warmer climes during the next three months.

He will first go to Hot Springs, Arkansas, where he expects to spend the next month and then there he will go to New Orleans to attend the famous Mardi Gras. This even took for many years attracted thousands of people from all parts of the world. As soon as he is over, Mr. Balden is going from there to Galveston, Texas, and will take a boat from there across the Gulf of Mexico to Tampa, Florida. In that port he will take a short trip over to Havana, Cuba, and then so on around Florida, Florida where he will spend a few days, before returning to his home and business in Northville.

SALEM

(See late in last week)

Miss Frances Anderson was a week-end guest of relatives in Detroit.

George Roberts, wife and daughter were in Ypsilanti on business, Saturday.

Lee Stimpert of Northville has opened a barber shop in the J. Heirick store building.

Mr. and Mrs. R. Kehrl were Thursday supper guests at the A. G. Kehrl home in Plymouth.

Mrs. R. Kehrl, Miss Emma and Mrs. O. V. Dudley and Lesier were in Ann Arbor last Saturday.

Mrs. Mary Wheeler and brother, Ancil Cook of Howell, spent Tuesday with their parents Mr. and Mrs. O. Cook.

Mr. and Mrs. R. Kehrl and family were Sunday guests of the latter's brother, J. J. Mollgast and family of Plymouth.

Sunday guests at the E. Youngs home were: Mr. and Mrs. U. G. Huff, Mr. and Mrs. Howard Knibbs and Miss Anna Huff of Detroit.

Mrs. W. Renwick was in Plymouth and Ann Arbor, Monday, on business. Miss Mabel Hill was a Monday guest at the W. Pennock home.

Mrs. Amelia Perkins, who has been spending a few days with her grandson, W. Perkins and family, near Plymouth, returned home, Sunday.

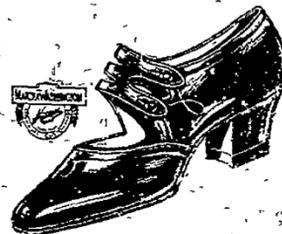

Mrs. Sarah Stanbro is spending some time at the Roy Locey home, near Dearborn, and will also visit the Norman Miller family, near Plymouth, before her return.

Everyone will be pleased to know that the Sunday-school at the Federated church is rapidly increasing. The attendance Sunday was 147 and the collection was \$10.24.

Harold Foreman and wife, Carl Olson, Dorothy Foreman and E. Weiss, all of Detroit, and Mr. and Mrs. Merrell Renwick and baby, Meredith, of South Lyon, were Sunday guests at the G. Foreman home.

You will always find the L. L. Ball studio at the bottom of the local page.

ANNUAL MEETING OF FAIR ASSN.—IN FINE CONDITION

Finances Reported Good—Plans Made for Next Fair

The annual meeting of the Northville Driving Club and the Northville Wayne County Fair Association was held at the village council rooms on Monday evening, with a considerably more than the required stock representation. The meeting was presided over by President N. C. Schradef, and the minutes of the last annual meeting were read by Secretary F. A. Northrop. Treasurer Miller submitted his report, which was accepted.

The stockholders then proceeded to elect the following ten members of the board of directors for the ensuing two-year term: C. A. Ponsford, T. C. Richardson, H. R. Richardson, Floyd A. Northrop, Mark R. Sealey, Glenn E. Richardson, Charles A. Altman, Fred W. Lyke and E. A. Fuller. These gentlemen together with Messrs. N. G. Schragger, James A. Hill, E. M. Starkweather, Thomas B. Murrell, B. B. Clark, F. S. Seal, V. H. Sloan, A. C. Balford and Stewart Montsonery, will compose the board of directors for the coming year.

As has served before, with the exception of Mr. Fuller, and his conduct of the poultry department has been of such an outstanding nature that he will make a valuable addition to this splendid group of men, who have given so freely of their time and efforts to promote the fair during all the years of its existence. The committee is most fortunate in being able to have these men in charge of its fairs.

It was moved and supported that the directors of the Northville Driving Club be declared the directors of the Northville Wayne County Fair Association, and the directors then elected officers as follows: President, N. C. Schradef; Vice-president, Thomas B. Murrell; Secretary, Floyd A. Northrop; Treasurer, Ernest Miller.

The last week in September, beginning on the 27th, was chosen as the time to hold the annual fair in 1927. It was laid when the board of directors and the committee and superintendents will be appointed at the next regular meeting of the association.

On account of the unfavorable weather conditions of last year, it was thought best to postpone the officers and directors to make the fair of 1927 successful in every respect. The officers and directors of the association attended the meeting of the Michigan Association of Fairs, in Detroit, on Wednesday and Thursday, when the fair attractions were selected.

The following report submitted by Treasurer Ernest Miller, showed the financial condition of the association on November 1st. Since that time a few hundred dollars have been expended in the dog show expense and other items. Deducting these items, the association made this last year the best of the permanent improvements, about \$2,000, and \$650 besides, which is a most remarkable showing for the unfavorable weather conditions which existed all the week.

ROYAL NEIGHBORS INSTALL OFFICERS

The annual installation of officers of Northville Camp, Royal Neighbors of America, held at Forester's hall on Monday evening, January 17, was a very enjoyable affair.

The members of the Camp enjoyed a fine six o'clock dinner. The installation work then followed. Mrs. Nellie Murray, district deputy of Detroit and Wayne county, performed the duties of installing officer, assisted by Mrs. Richardson. The work was done in a very pleasing manner. A short program and cards concluded the evening. The following are those who will have charge of the work for the coming year:

- Officer—Cora Stillwell.
- Past Officer—Zada Riley.
- Vice-Officer—Barbara Wade.
- Chancellor—Ida Hammond.
- Recorder—Ida Strautz.
- Receiver—Alice Warner.
- Marshal—Eva Mertz.
- Asst. Marshal—Rose Mulpop.
- Inner Sentinel—Annie Foid.
- Outer Sentinel—Mrs. VanAlta.
- Fifth—Katherine Pickett.
- Chorus—Mabel Ware.
- Vodette—Grace Galkins.
- Usefulness—Effie Crouch.
- Endurance—Lillian Fritz.
- Musician—Blanche Lyke.
- Physician—Dr. Spaulding.

Before marriage a man is willing to admit that he is unworthy of his wife, but after marriage he acts as though he married himself.

State News in Brief

Escanaba—A \$300,000 fire destroyed No. 1 mill of the I. Stephenson Company at Wells, near here. The mill was built in 1909.

Ishpeming—The Barnes-Hecker iron mine near here, where 31 men were entombed in a cave on Nov. 3 has been sealed. After more than a month's work, engineers were convinced of the impossibility of ever recovering the bodies.

Lansing—Insistence by farmers for reduction in the general property tax seems likely to result in an increase in the state corporation law. The farm organizations propose a tax on tobacco, but the Senate at least is more favorable to removal of the present \$5,000 limit on the corporation tax.

Lansing—The contracts for auditing all books of the State has been awarded to Peat, Marwick, Mitchell & Co. of Detroit, by Charles W. Foster, secretary of the State Administrative Board. The audit has already started in all departments. It was proposed by Gov. Fred W. Green and authorized by the board.

Battle Creek—Through the loss of the end of the little finger of his left hand, Frank Promise, 33 years old, has been identified as one of two bandits who recently attempted an oil filling station holdup here. One of the bandits lost the end of his finger during the attempted robbery, when the wife of the oil proprietor bit it off.

Lapeer—Though 95 years old, on New Year's Day, John Hoffman maintains that he has just nicely started on his life's path. As proof, he proudly displays four new teeth in his lower jaw, which he is just beginning to cut in his third set. Hoffman is the father of 14 children, 12 of whom are living. He has 22 grand children and five great grandchildren.

Lansing—Making another attempt to limit the sessions of the state legislature, Atty. Gen. C. G. R. Ladd introduced a joint resolution in the house of representatives. The resolution would limit the regular session to 90 days, unless the session of 1922 is a two-thirds vote to extend it. The resolution has become a personal echo of a law which was successfully introduced at every session for several years.

Lansing—Fred Knapp, a well known contractor, was injured in a fall from a building in the city. He was driving a car when it was struck by a truck. Knapp was taken to the hospital and is expected to recover.

Lansing—The Michigan State Fair, showing a net loss of \$918,58 for the year ending Nov. 30, 1921, Gov. Fred W. Green announced he will reorganize the State Fair board. Gov. Green declared the fair will be run by Fred A. Chapman, of Ionia, the governor's business partner. The loss showed for this year in the Green statement is compared with a net profit of \$2,376,21 for 1920.

Calumet—Underwriters are seeking means to salvage 200 automobiles in the hold of the Steamer City of Ban Zor, encircled in the ice of Keweenaw Point. The Bangor went around November 20 while en route to Detroit to Duluth. The cargo was consigned to Minneapolis automobile dealers. To salvage it would be necessary to break the ice from the ship and then build a road, three miles through heavy timber, wide enough to permit drawing the automobiles on sleds without overloading, tees damaging the paint on the automobile bodies.

Owosso—Two farmers are in Memorial hospital here with arms amputated as the result of their hands being caught in corn-shredders. They are Frank Kolarik, 55 years old, of Caledonia, and William Wagner, 47 of Chesaning. Kolarik's arm was taken off at the shoulder and Wagner's at the elbow. Despite the fact that the arm was cut to shreds to the shoulder and that it was 10 minutes before he was released from the machine, Kolarik walked to the house and then rode to the hospital without closing his eyes.

MARINES WILL STAY ON NICARAGUA JOB

Coolidge Firm in Latin Policy — President Reveals Plot by Mexico.

Washington—While Senator La Follette (Rep., Wis.) and other senators, continued the attack on the Coolidge policy of dealing with Nicaragua and Mexico, it was disclosed that the President is undeterred by the criticism leveled at him. There is to be no backing down in his attitude toward Mexico in respect either to the anti-American plotting of the Calles government in Central America or the threatened confiscation of American properties in Mexico. American marines are to stay in Nicaragua indefinitely to restore and maintain order. Reports from Admiral Latimer indicate that the Sacaesa revolution is on its last legs as a result of the vigorous action of the American forces in protecting the Diaz government recognized by the United States.

Washington—In a message to congress, President Coolidge announced the Mexican government of promoting the revolution which is menacing Americans and their properties and interests of the United States in Nicaragua. "Not less important was the enunciation by the President in his message of the doctrine of the peculiar responsibility of the United States in Central America arising from investments of our citizens and the necessity of protecting the Panama canal and the rights of the United States as acquired to the Nicaraguan canal route.

When disclaiming any desire of intervention in their internal affairs, the President declared that "the stability, prosperity and independence of the Central American republics can never be a matter of indifference to us, and served notice on President Calles of Mexico and all others concerned that the United States will not tolerate the jeopardizing of American interests and impairment of central government in that region.

"I have the most complete confidence," said President Coolidge in his message "that our aid and munitions in large quantities have been so far as possible sent to the United States to the revolutionists in Nicaragua. Goods carrying these munitions have been lifted in Mexican ports and some of the revolutionists are being captured and returned to the United States. I also announced that the ship was fitted out with the necessary equipment and in some cases with the necessary arms and munitions. I have no doubt that the revolutionists are being aided by the United States.

The situation in Nicaragua is growing worse, Admiral Latimer reported. American forces in Nicaragua waters are being reinforced with cruisers and more destroyers will be dispatched from the fleet which is maneuvering at Guantanamo, Cuba. If further reinforcements become necessary to protect the Diaz government from the Sacaesa forces.

With Calles proceeding to the dispossession of Americans from oil and farm lands they acquired before the present Mexican constitution was adopted in 1917 and with President Coolidge having threatened to withdraw recognition if the confiscation policy were consummated, the disclosure of Calles' anti-American plotting in Central America may touch the match to the powder magazine beyond the Rio Grande.

The situation in Nicaragua is growing worse, Admiral Latimer reported. American forces in Nicaragua waters are being reinforced with cruisers and more destroyers will be dispatched from the fleet which is maneuvering at Guantanamo, Cuba. If further reinforcements become necessary to protect the Diaz government from the Sacaesa forces.

Merger of 160 Sheet Steel Mills Planned

Yonkers, N. Y.—Negotiations are under way sponsored by a group of bankers for the amalgamation of steel rollers of the Middle West including for the most part non-interested interests together with some owners with the open steel mills. The proposed merger will affect about 160 mills.

School Head Held for Murder

Nashville, Tenn.—Prof. J. A. Woodward, principal of the Helena (Ark.) high school, whose secret bride of two weeks was convicted six weeks ago to an automobile wreck near Lawrenceburg, Tenn., is held in Florence, Ala., on a charge of murder.

Paganini's Descendant Dies

Milan, Italy.—The only great-grandson of Paganini, the famous violin virtuoso of the eighteenth century,

WOMEN VOTERS TO MEET JANUARY 26

Questions that are vital to Michigan's legislative program from a League of Women Voters point of view will be the subject of the bi-monthly luncheon of the Wayne County League of Women Voters, Wednesday noon, January 26, at which women from the entire county will be present. With the state legislature in session, and pending legislation in the line of the program will direct attention to those issues that are of particular interest to women, and those that have been on the league's study program. A number of Northville ladies expect to attend.

The new Wardell apartment, at Keby and Woodward, in Detroit, will be the place of the luncheon at 12:00 p. m. Wednesday noon, January 26 and all women who are interested are invited to attend. Mrs. Harry Adams of Birmingham who is the state chairman of efficiency in government, and Mrs. John Hornbrook, treasurer of the Michigan league will be the speakers, discussing prospects of legislative measures. The program also includes a speech by Miss Grace Brown of Detroit, who has just completed an interesting and unusual study of women in jury service.

All women who are interested are invited to attend and may make reservations at the Wayne county office, 296 Women's City Club, Cadillac 8680.

NOVI

Kenneth Alvanson and Edna Butler were married at Pontiac Monday. They have the best wishes of their many friends.

Mr. Thompson took a load of young people for a sleigh-ride, Tuesday evening.

John and Doris Leavenworth are able to be out again.

Mrs. John Sabo was a Detroit caller Monday.

The Rebeckahs gave a dancing party, last Friday evening. Lucy Banks of Detroit, called on Novi friends over the week-end. Mrs. Bert Hicks is visiting in Detroit this week. Mrs. Fisher is on the sick list. Little Dawn-Granzow has been very ill with throat trouble, but is better now.

George Gleason is carrying a fine stock in the meat line in his new market, which the Novi people greatly appreciate. His prices are reasonable, and he is going to do a good business. Mrs. Jack Schaley and little son are visiting her aunt, Mrs. Murphy.

LEGION AUXILIARY INSTALLS OFFICERS

The American Legion Auxiliary unit of Lloyd H. Green Post No. 147, was held at Foresters' hall January 13. The American Legion Post and W. R. C. were guests. The installing officer was Mrs. Ruby Brewer, past district committee woman of Pontiac. She was accompanied by Miss S. Ogden, president of Pontiac Auxiliary, Mrs. Evans, treasurer, Mr. Brewer, 1st vice-commander of Michigan, Mr. E. C. Ogden, commander American Legion Post, Pontiac, and Mr. B. F. Evans, vice-commander.

After several short speeches were given, Mr. Brewer gave a very interesting talk on the American Legion hospital at Battle Creek and the children's ballet at Otter Lake. A musical program by our own American Legion quartet, and Miss Katherine Stewart and Ben Stewart was given, after which a lunch was served and officers elected for the following year are:

President—Hilda Peters
1st Vice pres.—Velma Freyde
2nd Vice pres.—Heleen R. von
Secretary—Helen White
Treasurer—Bessie Blosser
Chaplain—Louise Safford
Sergeant at Arms—Lida Murphy

FREEDOM AND INDEPENDENCE

It's the substantial farmer and the thrifty townsman that build and own their own homes. It's that instinct of freedom and independence—the desire and satisfaction of owning a patch of ground and a house to live in that has made Americans the greatest people, and this country the most powerful nation on earth today.

We've always encouraged the home builder, and whenever you feel that you can make the start, we want you to come and talk with us.

GROWTH IN THIS SECTION TO BE GREAT SAYS HOUGH

Rotary Speaker Says the Development Has Just Started

President E. C. Hough of the Dairy Manufacturing Company of Plymouth, in a brief talk before members of the Northville and Plymouth clubs here Monday, predicted that within the immediate future this section of Wayne county would experience the greatest development in its history.

"The two places have always been closely associated together. The interests of one are the interests of the other. The rivalry that started something like a century ago is now a pleasant one, one that is working for the best interests of Northville and Plymouth," he said.

"There is no question but what the places will in a very short time be the finest residential section of Wayne county, and both places are and will work together with that aim in view. You know there are a lot of people who believe that Northville is the only community in this part of Wayne county, but we do want to feel over in Plymouth as though we are at least a little part of it."

The visitors were given a most cordial welcome by President E. C. Langfield. After expressing the good wishes of the Northville club, he turned the meeting over to Dr. Champé, president of the visiting club.

"It is meetings of this kind which have brought about such a splendid feeling between Northville and Plymouth. Conditions are entirely different now than they were a number of years ago," said the visiting Rotary executive.

Secretary of Artes Edward Gamble of Plymouth declared it wasn't only 60 years ago that a road was built that then didn't lead to come to Northville at all.

General Smith, superintendent of the road, said that the road was built in 1867 and that it was the first road built in this section of the county. It was built by the state and was the first road built in this section of the county.

He said that the road was built in 1867 and that it was the first road built in this section of the county. It was built by the state and was the first road built in this section of the county.

MANY PRESENT AT MEETING OF CLUB

The Northville Woman's Club met at the library, Friday, January 14th, with sixteen members present, a goodly number, considering the inclement weather, and impassible roads.

Three excellent papers told of the "Social Customs in China"

The first, "Chinese Formalities," was given by Mrs. H. A. Borden. She said in part: "Everything seemed upside down in China. A meal begins with dessert and ends with soup. When they build a house the roof is built first. The book or letter is written and read from right to left. A man shakes hands with himself instead of with his friend and, so on through an amusing list of seeming incongruities."

Mrs. Cass Chase gave us "Glimpses of Home Life in China" describing betrothals, weddings, christenings and funerals. Girls are not of much account in China, but when a boy baby is born there is great rejoicing in the family. When the baby is four months old he is fed pig meat to make him walk early.

Mrs. Robert Gibson told of amusements and festivities. The New Year is the great festival of the year in that country, lasting for ten days, and is attended with great interest and ceremony—family gatherings, and merry makings of all sorts. Flowers and confetti are everywhere, and the festival resembles one of the great carnivals. The Chinese are great dancers.

children's stories are like our Mother Goose rymes.

Top roll call each member gave the name of some book published in 1926. After discussion the club adjourned for one week.

EDDIE STINSON WILL BE SPEAKER AT MEN'S BANQUET

Methodist Men To Hear World Famed Flyer Next Week

Eddie Stinson, one of the most famous aviators of the world and head of the Stinson Aircraft Corporation of this place, will be a speaker at the men's banquet of the First Methodist church, next Thursday evening.

He advised Rev. William Richards, Thursday, that he would be present, unless some unforeseen condition should develop.

In addition to this interesting talk, Rev. Richards has arranged to have Prof. Gordon give a most interesting talk on "Astronomy." These two speakers are sure to provide a most interesting program. The dinner will start promptly at 6:30 and it is suggested that all those expecting to attend to be on time.

LOCAL

Regular meeting of Orient Chapter, No. 77, this Friday evening.

A daughter was born to Mr. and Mrs. R. A. Brooks, Saturday, January 15th.

Tom Raymond, owner of the Maple restaurant, is recovering after a severe operation at the Sessions hospital.

Mr. and Mrs. Fred Hoyer, Mr. and Mrs. George Hoyer and Mr. and Mrs. Charles Hoyer, all of Detroit, were visitors here at the home of Mr. and Mrs. J. L. Bueck here last week.

A number of members of the O. E. S. lodge, Northville Chapter, No. 1012, were in town on Wednesday, January 19th, for a session of the lodge.

The Northville chapter of the O. E. S. lodge, Northville Chapter, No. 1012, will hold a session on Thursday, January 20th, at 7:30 p. m.

Funeral for Mr. J. L. Bueck, Monday, January 23rd, at 10:30 a. m.

bees will hold a public installation of officers at Foresters' hall, Monday evening, January 24th. Officers are requested to meet at the hall prior to the afternoon. A six o'clock dinner will be served to members only. At the conclusion of the work a short program and cards will close the evening's entertainment.

The following directors of the Northville Fair Association attended the annual meeting of the State Fair Association in Detroit, Wednesday evening, N. C. Schrader, Floyd Northrop, Elmer Smith, James Huff, Harry Clark, Ray Richardson, Glenn Richardson, Ed Fuller, Ed Starkweather

and F. S. Neal. Besides a vaudeville program that was given, several addresses were made by public officials.

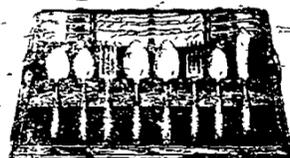

Statistics seem to be principally employed to prove what isn't so.
