

# THE NORTHLVILLE RECORD

VOL. LVI, No. 35

## NORTHLVILLE HAS LIBRARY THAT IS HARD TO EXCEL

Circulation of Books Has Grown Rapidly in Past Few Months

Northville's fastest growing institution is its public library. A little less than one year ago it had a membership of just a trifle over 200. Under the new organization it now has a membership of considerably over 500, and during the month of February it had a circulation in this community of nearly 1,000 books.

It is a record that is most remarkable, if not only is remarkable, but it is proof of what unselfish service to the organization by its officers will do.

A visit to the library, which is now open three afternoons and evenings each week, will prove to any doubting Thomas its worth to the community. Hundreds of books, large numbers of them gifts to the library, line the walls. Scores of publications, some of them but issued, can be found on the reading racks.

Circulation of books in the community is a pretty good index of public approval of the library and the class of reading selected. In December, 1932, books were withdrawn from the library, in January, 1933, and in February, 1933.

Mrs. Ernie S. Harmon, president of the Northville Ladies' Library Association, and one of its most enthusiastic workers in its behalf, is going to make an appeal to the April meeting of the township trustees for \$250 to continue the work during the new year. There is no doubt but what it will be granted, say those who know of the splendid work of the library.

Of such benefit has the library become to Northville and the surrounding community that a request for even larger sum would doubtless be granted but the ladies who are managing the affairs of the library by practicing the most rigid economy say they can get along during another year "of the sum that is to be requested."

A change in librarians has just been announced. Mrs. Jennie Coughlin taking the place made vacant by the resignation of Mr. William Forney, who expects to be away during a considerable portion of the coming summer. Mrs. Forney accepted the position in help out temporarily, and the change that is being made now is due to her desire to be away for some little time.

## CLUB MEMBERS HEAR ABOUT BIG CITIES IN CHINA

Mrs. C. R. Horton Gives Most Interesting Paper Before Club

The program of the Northville Woman's Club on Friday, March 11, was "Travel Day in China." After the usual order of business, Mrs. C. R. Horton gave an interesting paper on the principal cities in China, in which she told of their many beauties and characteristics. Peking, and Canton represents the great life of China today in miniature. Peking is surely the most distinctive city in the world.

This was followed by Mrs. E. A. Shafer, who in her usual charming manner, gave a paper on "Journeys Through Little Known China," saying that China is one great religious symbol and its "splendid monuments are all built upon a mystical idea." The governments were originally one great religious symbolism crystallized into political forms.

White China is rich in beauty wrought by her builders and artists of the past, her mountains are rich in changeless glories, which no man has made. They stand as times' eternal sentinels. Their wooded heights, for centuries have been the silent shelter places of the priests, and sometimes the weary emperors or officials seeking relief from the stress of worldly life.

A paper on "Travel in China from an American's Viewpoint," followed. This was written by Mrs. E. L. Miller, who could not be present on account of illness. This paper was read by Mrs. M. H. Sloan. An interesting discussion followed the reading of these papers.

An invitation was read from the Plymouth Woman's Club inviting the Northville Woman's Club to a meeting to be held in Plymouth, March 18th, at which time Jessie Bonstell would be present and give a talk.

The next meeting of the Northville Woman's Club members are suspended for the present, no more meetings will be held until further notice.

## No Wonder Army Officers Resign

## SUPPORT PUBLIC OFFICIALS PLEA MADE TO ROTARY

### ARMSTRONG BUYS STAGE STORE ON WEST MAIN STREET

He Proposes to Enlarge Scope of Business he Has Taken Over

#### Monday's Program one of More than Ordinary Interest to Members

Monday's meeting of the Rotary Club proved one of the most interesting to the members present at any meeting held in some time. It was "public affairs" day, and the club executive and committee had prepared two of the public officials most discussed—and otherwise far from

closed—and otherwise far from talks.

The program was directly in charge of C. H. Chapman who called upon Dr. Armstrong to give a brief talk. The doctor declared that he didn't think it over and to give him about information that didn't just suit one. He believed that it would be much better if all tried to assist any worthy project.

"We should try to help the officials of the town. We should show more interest in our club and its activities.

All ought to do a certain share. What our club, or any other club like it does is generally for the benefit of the whole community. Rotary has the good of everyone at heart, and when we practice the precepts of our organization, we can not help but benefit someone," he said.

Mr. Armstrong proposes to not only conduct the tire and repair shop but has in mind the handling of an automobile-repair service in connection with his store. He stated that he would make known more definitely his plans at a later date.

Future plans of Mr. Stage have not yet been announced but his friends know that he will again resume business in this place.

### ILL MANY MONTHS, POPULAR SINGER DIES MARCH 3RD

#### Alfred Cowperthwaite is Taken East for Burial by his Brothers

The death of Alfred Cowperthwaite at the age of 40 years, came as a surprise to all who knew him. A man of striking personality and a genius in the musical realm, he will be missed.

He came to Northville from Detroit because of his health, and went to the East Lawn Sanitarium. After leaving there improved he entered a vocation as salesman, which became too much for his strength, and later entered the William Marbury Sanatorium, the municipal institution for Detroit, where he passed away on Thursday, March 3rd.

Mr. Cowperthwaite was a man of great ability. He served in the Hudson Male Quartette for many years. He was at one time secretary to William Chapman the world famous evangelist.

His assistance in the choir of the local Methodist Episcopal church was of great value to the singers, who were present in a body at the funeral held in the Schrader funeral home on Sunday afternoon at 3:00 o'clock. Rev. Milton L. Hinckley, candidate for county auditor, would have had a walkaway in his contest if the rest of the county had voted as they did here in Northville. He received 37 votes, and his nearest opponent 51.

The results were shipped to Pittsfield, which was the only place in Wayne County or Detroit where Hinckley made his home. A review of the election shows him with an aged mother in Omaha, Nebraska. Pittsfield is the native home of Mr. Hinckley.

## SCHRADER WILL ERECT HIGH TYPE BUSINESS BLOCK

To Start Work April First on One of Northville's Best Buildings

What promises to be one of the finest business blocks in this section will be under construction within another month on North Center street, according to information given out this week by Nelson C. Schrader, who has already erected one of the most attractive buildings in Northville.

His new venture will be a two-story structure adjoining his furniture store building on the south. Plans that have been prepared by the architect are most pleasing structure. It will be a thirty-two and a half foot frontage on the street, and will run back seventy feet. It will be divided into two business places, one twenty-five feet wide, used by the Woodworth Bazaar, and the other twenty-five, the Economy Electric Service store, and operated by W. T. Jones.

Basement space under the structure will be utilized by these two stores.

The front of the building will be constructed with a marble base, white granite corners and with white cut stone surrounding each window. Red brick will be used in the construction of the walls. The building will be one of the prettiest in any of the outlying Wayne county communities.

It was Mr. Schrader who started the enterprising element that has taken place on North Center street, as well as in Northville. In the twenty years he has been in business in this community he has invested his money in buildings in the town, making it possible a North Center Street through his activity will be one of the most attractive blocks in the city, that can be found anywhere.

Off the west side of the street will be found a high roofed new business block by the end of this present summer. All of the old frame structure will be out.

He is one of the business men who believes it pays a good dividend to put catalogues back into the community where you live. The fact that he has already spent many thousands of dollars in the business section of the city, as well as helping one of the original "Home Lumber" in Orchard Height to gather a great part of his wealth in Northville, makes it desirable to help make this one of the most attractive places in the state.

Mr. Schrader has always been a booster for every civic project which has for its object the betterment of Northville.

His new building project is just additional proof of his devotion to his home community.

The removal of the old frame structure that now occupies the site where the new building will be located will start within the next three weeks.

This announcement makes the third one within the past month of improvements contemplated for North Center street. Floyd Sharer and Dr. Schuyler have previously announced their intentions of putting up new buildings on the same side of the street. All of the work will be carried on at the same time.

### NORTHLVILLE LADIES AT PASADENA PARTY

The following item from the Pasadena, California Post, will be of interest to Northville residents, as all the guests mentioned with one exception are from this place:

Mrs. George W. Fowle of Detroit, Mich., was a charming hostess recently at a luncheon and five hundred people, at the same time.

Mrs. Charles Paul of Dayton, Ohio; Mrs. Charles Blackburn and Mrs. Alton D. Orvis of Northville, Mich.; Miss Lillian Park of Detroit; Mrs. Norene Merritt, Mrs. Evelyn Clarkson, Mrs. William H. Ambler, Mrs. Roy T. Ambler, Mrs. David E. Clarkson, Mrs. Ernest F. Crocher and the hostess, Mrs. Fowle.

His assistance in the choir of the local Methodist Episcopal church was of great value to the singers, who were present in a body at the funeral held in the Schrader funeral home on Sunday afternoon at 3:00 o'clock. Rev. Milton L. Hinckley, candidate for county auditor, would have had a walkaway in his contest if the rest of the county had voted as they did here in Northville. He received 37 votes, and his nearest opponent 51.

The results were shipped to Pittsfield, which was the only place in Wayne County or Detroit where Hinckley made his home. A review of the election shows him with an aged mother in Omaha, Nebraska. Pittsfield is the native home of Mr. Hinckley.

## CANTONESE LEADER

Portrait of Eugene Cheah, minister for foreign affairs of the Chinese Nationalist Movement, came to Northville Monday forenoon and went over the situation carefully with Supervisor William Yerkes of Northville township, Mayor Elmer Smith of Northville, Supervisor Frank Durfee of Novi township, and Ernest Miller, representative of the Rotary Club.

It was just one week before when Mr. Miller called the attention of the Rotary Club to the dangerous situation existing at this corner, and recommended that it be given consideration. He took it upon himself to immediately find out about the situation.

It developed that Supervisor Durfee of Novi had been working on the same project for some time, and as a result the conference this week was arranged.

Mr. Belknap requested the long committee to send a delegation to the Gordon Hotel in Dearborn to locate a suitable place to be used for the first meeting.

The course of the creek is to be slightly changed bridge will be located north of the original road from the present site. The creek will run straight under the new bridge, which will be somewhat wider than the present one.

It developed that the Oakwood Improvement Commission had already voted \$6,000 for its improvement at the meeting of the rotary of Monday night, and that just with the Oakwood officials were given a vote of thanks upon the recommendation of President Langford for having brought success quickly to this project.

**TO AID HILLCREST BUYERS TO PLANT LOTS IN BEST WAY**

Propose to Give Careful Thought to Landscaping

"In accord with our policies of furthering beauty in properties handled by us we have arranged to furnish sketches of landscape plantings to chose of our clients who purchase homes in Hillcrest Manor," stated J. L. Scott, secretary of Real Estate Inc. These

"proper planting arrangements of shrubbery groups, hedges ornamental and shade trees, and flower gardens, which is beautiful property and has an unquestionable influence toward increased values."

A property so beautifully planned and with such a park-like setting and resources and advantages as Hillcrest Manor lends itself to very artistic and unusual landscaping effects.

The picturesque, rolling character of the ground itself is perfectly adapted to informal and graceful arrangement. Sunken gardens and terraces may be easily had here.

Rock gardens may be constructed at Hillcrest and such gardens are especially suited to the rugged character of the land itself.

"I will be on the spot Sunday with three or four of our salesmen to show what lots there are left. There are many good lots left and we are anxious for Northville people to have them. We especially invite all of our local friends to come up to Hillcrest Sunday and inspect the property."

### EXCHANGE MEMBERS HAVE GOOD SPEAKER

"Financial Humanism" will be the subject of an address to be delivered Wednesday, March 16th, before the members of the Northville Exchange Club, by Dr. Arthur G. Walker, special representative of the Union Trust Company, Detroit.

Dr. Walker has spoken on this subject before numerous organizations over the state. He has been engaged in lecture work for many years. His talk will cover the importance of making the most of the advantages of these trust companies, a speaker and trustee of an estate.

HARRY KIPKE TO TALK AT EXCHANGE MEETING MARCH 30

Harry Kipke, famous Michigan football player in the seasons of '24 and '25, will be a speaker before members of the Northville Exchange Club on March 30th. At that time, upon the suggestion of President Don Yerkes, Jr., the basket ball players of the Northville high school will be guests of the club. The invitation will be extended to both the first and second teams, as well as the girls' team.

Arrangements are being made to entertain nearly one hundred at that time. The meeting will be held in the Methodist church and what the former football star, who is now on

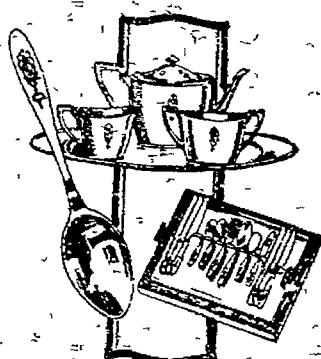

the coaching staff of the Michigan University, will have to say will be of

more than ordinary interest to not only the visitors but members as well.

Wednesday's meeting of the Exchange Club was given over largely to consideration of business matters.

## N. H. S. STUDENT NEWS

On Wednesday night, March 1, the total of oratorical contest was held. The winners chosen are to appear in the district contest. The winner of the oratorical contest was Russell M. Atkinson. The declamation contest winner was Margaret L. Safford. They are sure to make a brilliant showing in the district contest. Northville has been prominent this year in all branches of athletics and debating.

Northville's winning debate team lost its first debate this year to Oakridge, last Friday afternoon, by a two to one decision. The judges were Mr. Moody from Central high school; Detroit; Miss Cilly of Fordson, and Mr. Sawyer of Bedford. As two of the members of the team will be with us next year, we are looking forward to a fine team. Carlyle Lovewell, the third member was in his last high school debate, Friday.

The eighth grade honor roll for February is: Yvonne Phillips, Frances Cousins, Francis Springer, Wynne Preston and Ned Junior. The judges chose Lilian Bassett and Yvonne Phillips, relay maps as the best. Miss Marsden's class has been the first to have won their athletic meets.

The following awards were given in the commercial department: Virginia Taylor has earned an Underwood 30-word honor pin, James Ely and Edward Horton beginning typists, will receive 25-word Woodstock pins.

In the final league basket ball game of the season, Northville's first team suffered defeat at the hands of Dearborn. The defeat, which did not have so bad a record, Northville not beaten them by a score of 20-12 earlier in the year. The final game in the league was 18-12 in favor of Dearborn. The girls' basketball team, however, won their game 18-12.

## NORTHVILLE Twenty-Five Years Ago

It is taken from The Record files of 1892, for the week ending January 26th, 1892.

Rosie Lorraine has secured a position as cook and maid in the home of the Rev. Dr. W. H. Thompson.

Charles Thornton left Friday for California where he will take charge of a new high school there.

Horace French has moved with his family into the Cannings house, corner of Main and Market streets.

Frank and Charles H. H. Thompson bought thirty acres of the Main Hill estate including the buildings.

The B. P. & F. have now made a regular bi-monthly rate in telephone connection between Wayne and Northville.

Harris Wood has returned from the Philippines, where he has been serving in the 6th regiment of the U. S. Army.

George Stanley has leased the Exchange Hotel of George Rutherford, and will take possession about May 1st.

Work has begun on the Plymouth-

Northville telephone line, which is to connect the local companies of each place.

Each company has more than 100 subscribers and the connection will give a great convenience.

At the more than 60,000 employees of the New York Telephone Company, which operates throughout New York state and northern New Jersey, about one-half, or 30,000, are switchboard operators.

## LOCAL HATCHERY MEASURE KILLED IN SENATE FIGHT

Selfishness of One Senator  
Brings Death to Many  
Good Bills

Although the appropriation bill had passed the house, and no one had expected it to get caught in the senate jam, the measure introduced by Congressman Grant Hudson, which provided funds for extensive improvements at the Northville fish hatchery, was one of the many bills that met its death in the last few days of the senate fight.

To Senator Ashurst, representing the interests of Arizona, can't be laid directly the responsibility for killing this measure. In his fight to collect ransom from the people of California if the Boulder dam should be constructed, everything else was sidetracked, and many important and worthy measures met their doom.

It is understood that there is a sufficient sum in one of the general appropriation bills which will permit some work being done at the hatchery this year, but there will be no extensive improvements such as Congressman Hudson had planned.

A total of 44,760 patents on inventions were issued by the United States last year. This is a decrease of 1,700 from the figures for 1925 which was a record year.

When sermons are empty, the pews follow suit.

### N. H. S. STUDENT NEWS.

On Wednesday night, March 2nd, the local oratorical contest was held. The winners chosen are to appear in the district contest. The winner of the oratorical contest was Russell V. Archison. The declamation contest winner was Margaret L. Safore.

They are sure to make a brilliant showing in the district contest. Northville has been prominent this year in all branches of athletics and debating.

Northville's winning debate team

lost its first debate this year to O'Keeffe, last Friday afternoon, by a two to one decision.

The judges were Mr.

Moore from Central high school, De-

troit; Miss Cilly of Fordson, and Mr.

Sawyer of Redford.

As two of the mem bers of the team will be with us

next year we are looking forward to a

fine team.

Carrie Lowell, the

third member was in his last high

school debate, Friday.

The eighth and final roll for

Festival Day—Yvonne Phillips,

Grace Cousins, Francis Springer,

Wayne Preston, and Ned Major.

The judges chose Lillian Passies, and

Yvonne Phillips, best maps as the

best in Miss Moore's class has been

the first to perform their athletic fees.

The following students have won

the news:

A total of 41,750 patents of inven-

tions were issued by the United States

Patent Office this year. This is a de-

crease of 1,700 from the figures for 1925, which was

the highest ever recorded.

**BOTTLE FLOATS TO  
COAST OF ORIENT**

A few days ago there appeared in many of the large daily newspapers a dispatch from Milton Junction, Wisconsin which follows: "A bottle thrown into a creek in southern Illinois eight years ago, has been found on the coast of the Philippine Islands according to information received here by A. A. Whitford. The bottle contained the name of Miss Leora Smith, with her address, and was broken in the creek at Faribault, Minn." Miss Smith has received word from Maurice Evans a soldier in the Pacific Islands, that he picked up the bottle on the shore over there December 29, 1926. Miss Smith is a cousin of Mrs. Esty Nander, who with her husband and family, came to Northville from Peoria, Illinois, in 1902.

**SOLVITE**

## MASON FROM NEW ZEALAND ATTENDS LOCAL MEETING

Royal Arch Lodge Hears Many Excellent Speakers About Masonry in the Distant Country

At the last meeting of the Northville Royal Arch Masons, it was the pleasure of the lodge to have as a speaker Mr. G. C. McDonald, from New Zealand. He school system. The banquet will be given at 6:30 and from present indications is expected to be a large success. The dinner will be on the program. Mr. McDonald was made a member of the Blue Lodge as well as the Chapter Way over in the Southern Pacific ocean islands. He declared that it was quite remarkable as to the exact similarity of the work in the two countries, although pointing out how and then some slight difference.

The last chapter meeting was well attended, a baked ham supper being served by Illinois that could not be excelled. Lodge officials are predicting a busy year, as there are many Blue Lodge members who have expressed a desire to advanced Mason work.

## DETROIT AMUSEMENTS

### HELP HATES TO COME

### TO DETROIT, MARCH 19TH

Helen Hayes enters her third and last week at the Cass Theatre, Detroit, next week in "What Every Woman Knows," the best comedy ever written by Sir James M. Barrie. "Child's Highest Paid Playwright." Needless to say this is a record for musical shows of this kind, and proves that a show can be good, an original, yet yet be popular.

Miss Hayes has never bettered again in this comp'ly' comedy of manners, and the cast of Detroit has received the approval of New York Boston and Philadelphia.

It is decided to have a box office in the hall of the theater.

**REPUBLICAN CACTUS**

Notice is hereby given that a Republican caucus for the township of Northville in Wayne County, Michigan, will be held in the village, Council room on Saturday at noon, March 12th, 1927 at 2:00 o'clock for the purpose of placing in nomination candidates for the various township offices for the ensuing year.

Dated, Friday, 21st, 1927.

J. T. GRISWOLD,

J. W. PERIN,

J. W. BERTHA NEALE,

J. W. R. DOLPH,

J. W. STUART,

### LOCAL

Fred Oldenburg of Detroit, was in town on business, Monday. Mr. Oldenburg was a former Northville grocer, being located on Center street about ten years ago.

There is a prospect of another party of Northville people leaving next Friday night for Texas and Mexico. Some who made the trip two weeks ago are contemplating another visit. A car load of church pars in silver, quarters, and gold destined for the Central Presbyterian church at Houston, Texas, was shipped by the Close Publishing & Manufacturing Co. Tuesday of this week.

The next regular meeting of the King's Daughters will be held at the home of Rev. and Mrs. Richards, next Tuesday evening, March 15th, at 7:30. Let all members endeavor to be present, as business of importance will come up for discussion.

### CHURCH NEWS

#### BAPTIST

The pastor will preach his farewell sermon the last Sunday of the month, and at the close of the morning service the sacrament of the Lord's Supper will be observed. The farewell sermon will be delivered that evening. There was a small drop in Sunday school attendance last Sunday. Let us hope that make it up next Sunday and put a broad grin on Superintendent Turnbull's face.

Glad to report that our sick folks are improving.

The pastor's subjects for next Sunday will be "The Magnificence of Jesus" at the morning service, and "The Far Country" at the evening service.

R. H. MacRae will assist his father at the morning service.

#### METHODIST

The men's meeting that was scheduled for this week will be postponed for this month, and plans will be made for April 7th, when we will have our usual wind-up dinner at 6:30 for \$1.00. We all remember the less one voter lately.

Let me remind the members that we will have our annual meeting in the morning on April 7th, and the following at 12:45 noon. The young people will be invited to sing, the "Methodist and friends" of the First Free Church of Northville, part of whom are the members of the First Methodist Church of Northville, and the First Methodist Church of Northville, will be invited to sing, and we will have a W. P. B. meeting until the time of the meeting.

Everybody profits by the lesson reading. A little bit of time and devotion by anyone in our local groups will then double up and not hinder him. The Christian people of our congregation should be like that. Let me do it again.

#### PATRIOT FRIENDS

Grandpa's table is so much more interesting than others.

Oh no, Ma. They are really alike.

"Well," replied the obstinate little girl, "I really think that Grandpa's Bible must be more interesting than yours, he reads it so much more."

Sunday morning worship at 10:45. Sermon theme, "From Vessel to Vessel."

Sunday school at noon. Lesson, "Making the World Christian."

Again this week the piano services are in our church. Young people at 6:30 p. m. Topic, "How to Conquer Circumstances." Evening service at 7:30. Sermon by Rev. Wilbur Richards.

The Auxiliary will meet on Monday evening at the home of Mrs. D. B. Dunn.

Mid-week service on Thursday evening at 7:30. Study, "The Active Side of the Blessed Life."

Tune in for Lenten services every noon, except Saturday, 270 meters. Dr. S. Parkes Cadman, speaker for March 14-18.

#### ST. PAUL'S LUTHERAN

The Lutheran church is not built upon Martin Luther nor any personal or private teachings of Martin Luther, but upon the Word of God as revealed in the Bible. Luther did not found or create a new religion, but restored to its purity the Gospel of Jesus Christ. Luther announced no new doctrine nor teaching, but stressed the old Bible truths, especially, the supremacy and authority of the Scriptures and justification by faith.

If you want to hear the old Bible truths preached in plain language, you will not be disappointed in attending our services. Sunday morning's sermon subject: "Granted That There is a Hell, What Would Every Sensible Man Expect of a Good and Merciful God?" Services in the English language at 10:30 a. m.

Lenten services on Wednesday evening at 8:00 o'clock. Text, "Woman Behold Thy Son! Behold Thy Mother!" John 3:26, 27. Everybody welcome.

Sunday school classes meet on Sunday morning at 10:00 o'clock.

You are always welcome at St. Paul's.

### YOUTH PLANS FOR HIS BEST GARDEN

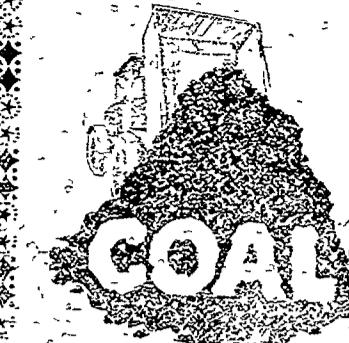

Maitland Campbell, son of Mr. and Mrs. A. B. Campbell, who lives on Oakland street, is already making plans for his garden this year. The lad during the past few summers has shown exceptional ability in producing delicious fruits in a carefully utilized garden plot. He plans this summer to have a larger and more productive garden than ever before. Although just past 12 years of age, he has made as high as 50 bushels from a small garden space.

Finland laid 651 miles of metal-circuit telephone lines, 32 miles of single-wire line and a little over 100 miles of phantom circuits last year.

#### NOTICE

I will not be responsible for any debts contracted by anyone except myself.

## THE VOCATIONAL ENTERPRISE

The "Vocational Enterprise" is the name of a monthly publication issued by the boys who have been committed to the Vocational School for Boys at Lansing. This institution was at one time known as the "Reform school" and it was about as bad a place as the old name implied. It was no good to the state or to the boys except possibly to help along the wayward career of the youngsters committed.

Each month a copy of the Vocational Enterprise is sent to all the newspapers of the state. In contains a report written by one of the boys from each one of the cottages at the school. That the readers of the Record might have a glimpse into the transformation that has taken place at this institution during the past four or five years, the following regular report written by one of the youngsters and published in the February number gives just a slight indication of how the boys are treated now in comparison to the former brutal treatment meted out to the youngsters:

From Cottage A.

"Well folks, here we are again with twenty-six healthy boys with four in the hospital—that is all. Ogeot our best boy's web with a talmer the first of the month Laurne Prentice. The boys all wish him the best of luck. Some of our b's have had visits since they last wrote and by the way, we are up to see the sure ladie. It was a real pleasure to see her. We boys received her with open arms and we appreciate the visit.

We are busy getting a room of our own, so we can do what we want to do. Now we are getting along well, and we are doing our best to make things better for the boys. We are trying to make things better for the boys, and we are doing our best to make things better for the boys. Now to tell you something about our athletic games, in which every

boy is interested. We play basketball for a free silver cup which goes to the cottage which wins the most games. Our cottage was last year's Class B-champions, and this year we expect that championship to retain that cap. We have some good players in our cottage and have piled up some big scores in the games we have played. Our first team has played six games and only lost one.

Fred K. Hedge will appreciate the support of his friends in his candidacy for township treasurer. The caucus will be held at the town hall next Saturday afternoon.

Everybody, welcome to the card party to be given by Wahjamea Council at Forester's hall Wednesday evening, March 16th. A quilt will be given away.

Moving pictures were first presented at Koster and Bal's music hall in New York city, when Edison's vitascope was used to throw pictures on the screen.

Light which produces no shadows and gives out but little heat has been invented by an engineer in France. The discovery makes possible the reproduction of daylight.

Fred K. Hedge will appreciate the support of his friends in his candidacy for township treasurer. The caucus will be held at the town hall next Saturday afternoon.

Everybody, welcome to the card party to be given by Wahjamea Council at Forester's hall Wednesday evening, March 16th. A quilt will be given away.

To THE PEOPLE OF NOVI TOWNSHIP

I desire to announce to the electors of Novi township that I will seek the nomination for the office of highway commissioner on the Republican ticket at the caucus March 12, 1927. At 2 o'clock, I will greatly appreciate your assistance or support that may be given by the voters of the township, promising if successful, efficient management serving the discharge of the duties of the office.

## THE WORLD IS NOW ONE BIG NEIGHBORHOOD

Your morning paper gives you details of what happened on the other side of the globe while you were sleeping. You find China abame with the spirit of the new age, and America is rightly concerned as to what is to be done over in that ancient empire. You read that Mexico is seeking about various national questions. They want education and when they get it they wish to be equal to their American brothers. Japan is aroused by the call of western civilization. What will they do with their new freedom is a question that keeps America alert. The new Japanese emperor has broken many precedents already and is western framed.

The world is a unit. Anything that happens anywhere is important to America. Our expansion of territory and ideas makes Uncle Sam a world force. The church is a vital power in making America a good influence in the world.

## TO THE VOTERS OF NORTHVILLE

There is published on another page in this week's issue of the Record a complete statement of the work of the present administration during the past year.

The report shows in detail all the money that has been collected and how it has been spent.

I am calling it to your special attention, as it directly reflects the work that we have been trying to do for this community during the past year.

At the end of the present fiscal year there are no unpaid bills, and we have no outstanding claims. There is also a nice little balance in the village treasury. That is something we are all pleased over.

In addition to paying all our bills we have added considerably over \$5,000 to additional property owned by the village. This is represented in such articles as new fire hose, etc.

We must all realize that Northville is a very fast growing community; that in order to keep step with our growth we must necessarily enlarge the scope of our village work.

I appreciate the support which has been given to me during the past year, and I realize that much that has been accomplished has been through the public co-operation offered.

If you approve of what has been accomplished during the past year, I will be glad to have your support at the polls, Monday. If re-elected to the village presidency I will continue to work for the best interests of Northville, and to keep the tax rate as low as consistent with our rapid growth.

ELMER L. SMITH

Village President

### LOCAL.

Mrs. E. R. Eaton was down from Lansing for a short visit last week. Mr. and Mrs. S. A. Lovewell arrived home Sunday from their western trip.

Mrs. E. V. Smith of Detroit, was a caller on Northville friends during the latter part of last week.

Mr. and Mrs. Gary Deal and family have moved into what is known as the Boose house on East Main street.

Mrs. Sarah E. Parsons has returned to her home in Northville after spending the winter in Detroit and Royal Oak.

Members of the American Legion had an interesting meeting Tuesday night.

There was a fairly good attendance.

Mrs. Margaret Yerkes, who had been visiting relatives here for about three weeks, returned to Columbus, Ohio,

last Friday.

S. P. Moase has opened up a meat market in Epsom. He plans on giving most of his time and attention to the Northville market, however.

Mrs. Carrie Womack of Kalamazoo, was a guest Sunday at the home of Mr. and Mrs. G. W. Brown. Miss Womack is dietician at the Kalamazoo State Hospital.

It is possible that Paul King of Detroit, will be the speaker at the next meeting of the Rotary Club. He has advised the committee in charge of the meeting that he will endeavor to be present if possible.

Harold G. White was in Detroit Tuesday on matters connected with the American Legion. He also attended the better merchandising conference which is being held at the Masonic temple this week.

Dr. and Mrs. Robert H. Haskell of the Wayne County Training Schools entertained about ten couples from Northville last Friday evening at a maple sugar and hot bread luncheon.

Dancing was also enjoyed during the evening.

Mr. and Mrs. L. A. Babbitt have gone to Paris Christian, Mississippi, where they will spend the next six weeks. The man is the proud

one of the many speakers the club has invited about the middle of June, and will be in New Orleans and return to the city to spend their vacation there.

Mr. W. H. Elliott and F. J. Haskett, co-owners of the Rexall Drug Store, are in town, and Mr. Doug Lepke of South Lyon is here to take care of business.

COMMANDERY IS  
HOST TO LADIES  
ON TUESDAY EVE

Pleasing Program Arranged  
for Guests—Many are  
Present at Event

Alm was on Northville Commandery and their ladies Tuesday evening, enjoyed one of the most pleasing ladies' nights that has been arranged by the organization in some time. There were nearly 100 present. Commander J. N. VanDyne introduced Charles A. Dolph as toastmaster of the evening. A program of special merit, consisting of brief talks and musical numbers, as well as reading numbers, greatly pleased those present.

Toaster Dolph handled the program especially well. Solos by C. R. VanValkenburg and Wayne VanDyne were excellent. Readings were given by Oliver Goldsmith of Plymouth. A talk by Miss Katherine and Benj. Stewart was well received. Brief talks by Superintendent Gordon of the Northville public schools, Rev Frank Knowles of the Presbyterian church and Superintendent George A. Smith of the Plymouth schools, were of more than ordinary interest.

#### SALEM

Mr. and Mrs. Merrill Penwick and baby and G. Foreman and son, Hugh, were in Ann Arbor, Wednesday.

Mrs. Irving Johnson's Home Management class met with Mrs. Harry Atchison, March 3rd. Seventeen members were present and a delicious pot-luck dinner was served. Immediately following the dinner, the March lesson on "The Living Room," was exceptionally well presented by our two substitute teachers, Mrs. Coda Saver and Mrs. Nelson Bender, the members showing much interest in the subject. The April meeting will be held at the home of Mrs. Nelson Bender.

Mrs. Eliza Brock returned home from the Penn Bush Inn where she had been putting up with her son.

Mr. and Mrs. E. V. Kohl and Mrs. Estelle Kohl, of Ireland, are

Mr. and Mrs. Harry D. Cox and Mr. and Mrs. H. R. Cook and Mr. Merritt H. D. Cox, all of Plymouth, were guests at the playhouse, Saturday evening, and were entertained by the local theater group throughout the week.

Mr. and Mrs. Josephine Klotz and son were Sunday dinner guests of Mr. and Mrs. Lydie Weller, of Northville. A small gift basket was presented to the young couple. Mr. and Mrs. John Scavone, of Northville, were Sunday dinner guests of Mr. and Mrs. John Scavone.

Mrs. Nellie Bird and daughter, of Plymouth, were Sunday guests of Mr. and Mrs. John Scavone.

Mr. and Mrs. Harmon Gale were in Ann Arbor, Tuesday.

Mr. and Mrs. Arch Kear and Mr. and Mrs. Fredk. Hege of Northville were Saturday dinner guests of Mr. and Mrs. C. Scanlon.

Mr. and Mrs. John Herrick were Sunday dinner guests at the J. McCullough home.

Mr. and Mrs. Frank Biers and family were Detroit visitors Sunday.

Mrs. James Dixie and Mrs. Howard Whipple of South Lyon, were Saturday callers at the home of the former's parents.

Mr. Simson went to Lansing, Sunday for a visit with his father. The midget show from Brightmoor, presented in the town hall Saturday evening, met with a well-filled house and appreciative audience.

#### Facts for Automobile Owners

"Anti-knock" is a magic adjective when applied to gasoline. It describes fuel that won't cause your engine to knock or "ping" under load. It means full power when you need full power most.

"Anti-knock" describes Indian Gas, scientifically blended to give fullest anti-knock qualities. Yet Indian is sold at the regular prices—no premiums.

### LIGHT PETITIONS RAPIDLY SIGNED SAYS PRESIDENT

Northville Folks Seem to  
Favor Lighting Highway  
to Plymouth

Elmer Smith, village president, has announced that he has secured a sufficient number of signers to cause to be submitted at the coming township election, the question of lighting the highway between this place and Plymouth, to the township line.

He stated yesterday that he was surprised over the favorable reception that the petitions had received, and that he believed the matter would be carried by a good vote when submitted to the electorate next month. "Plymouth township has already acted favorably upon the question, and as that townships lights about half the way, I do not believe there will be much objection on the part of the citizens of our own township," he said.

It will be something less than 25 cents per thousand of valuation, and I do not believe there will be many who will object to this small amount for so important a public matter."

It is stated that this is the beginning of a movement to secure not only better lighting for the surrounding territory, but for the community as well.

### PHONE COMPANY TO START WORK ON NEW TOLL CABLE

Growth of Northville Makes  
Additional Line a  
Necessity

Because of the rapid growth of this community and the additional demand for telephone service construction of the new telephone toll cable to carry the circuits between Plymouth and Northville will no doubt be undertaken by the present construction crews of the Michigan Bell Telephone Company according to an announcement made this week by R. E. Strong, telephone manager to the Plymouth and Northville area. Work on the new cable "is in full swing."

This is one of the largest toll line construction projects ever undertaken in this district, Mr. Strong says. The addition of 138 new poles 10,710 feet of aerial cable, 2,197 feet of underground cable, 1,316 feet of conduit and the building of the necessary manholes represents only a portion of the work included in the project. Following the placing of the aerial and underground cables, the work of splicing the hundreds of individual wires will be finished with the purpose of putting the new circuit into service by early September.

Because of the increasing industrial importance of Northville and Plymouth and their proximity to Detroit, Ann Arbor and Ypsilanti, the business and social use of the telephone between these two points and to the larger cities has grown enormously.

### CHEVROLET BREAKS ALL OLD RECORDS

Responding to an unprecedented and enthusiastic demand on the part of the public for the most beautiful Chevrolet in Chevrolet history, with its numerous refinements or lowered prices, the Chevrolet Motor Company during February again smashed all previous monthly production records by producing 85,821 cars.

February production this year showed an increase of 34,518 cars or more than 67 per cent, over the total of 51,303 Chevrolets built in February, 1926.

Despite greatly enlarged facilities provided under the \$10,000,000 expansion program completed December 1, 1926, the Chevrolet Motor Company was forced to extend its operations by working overtime, day and night, to meet the nation-wide demand for Chevrolet cars—a demand marking the rise of this company to its position as the largest manufacturer of gear-shift cars in the world.

"There is only one reason for the phenomenal growth in popularity of the Chevrolet car," said W. S. Knudsen, president of the Chevrolet Motor Company, "and that is—it has pleased the public. It has met the desire of the public for a high grade car of exceptional quality and performance, at a reasonable price. It is this constantly growing approval of the Chevrolet car that is causing the company to extend its production to meet the increasing demand."

In the first two months of 1927, the Chevrolet Motor Company built 46,375 cars; in the same period in 1926, it built 47,740 and, in January and February of this year, it totaled 159,437 cars—an increase in two years for this period of 213,124 cars!

## Rainbow Gold

They say that at the end of the rainbow you will find a pot of gold.

Many seek this treasure, wasting time vainly in visions of good fortune. No one has ever reached the rainbow's end.

The pot of gold is real only to those who attain their object by sound, practical plans.

Good fortune becomes a fact when you open a bank account and start regular deposits.

For steady financial progress, an easy and successful method is to make a deposit of one, two, three dollars or more every week.

In addition to these low prices  
Chevrolet adds extra price and  
financing charges available.

Never was the supremacy of Fisher craftsmanship so evident as in the new Fisher bodies on the Most Beautiful Chevrolet. Panelled, beaded and finished in striking tones of Duco—graced by distinctive, new, full-crown, one-piece fenders and bullet-type lamps, they represent an order of style, beauty and luxury unique in the low price field.

Chevrolet has long been famous for powerful, smooth performance, rugged dependability, long-life and economical operation. Yet, in the Most Beautiful Chevrolet these qualities have been enhanced as the result of numerous mechanical improvements. AC oil filter, AC air cleaner, improved transmission, larger radiator, sturdier frame,

new tire carrier and gasoline gauge—these are typical of the highly modern design which is winning the world to the Most Beautiful Chevrolet.

Because it provides elements of style, quality and performance comparable to the costliest cars, and because it is offered at amazingly reduced prices—the Most Beautiful Chevrolet is everywhere acclaimed as the greatest sensation of America's greatest industry.

Come in! See and drive this greatest triumph of the world's largest builder of gearshift automobiles. Learn for yourself what amazing value is offered in the Most Beautiful Chevrolet—how closely, in style, quality and performance, it compares with the costliest cars.

## FRANK PERRIN IN LETTER TELLS OF FLORIDA WINTER

Northville Resident Says  
That Country Cannot be  
Held Back

Frank N. Perrin, well-known Northville resident who is spending the winter in Florida has sent the following letter from Daytona Beach, for publication in the Record so that his many friends may know something of the pleasures of a winter in Florida. I have been thinking recently of the old Adirondack Ocean, so I have had a very pleasant stay while here. The weather here is just my custom. The Sunshine is wonderful. I have never had my overcoat on since I came. The ladies go without wraps.

The old Adirondack Ocean is wonderful and mysterious—always coming and going but never still. It is so wonderfully blue and clear; sometimes so very quiet.

I had a trip down the east coast to Palm Beach and Hollywood by the Sea, to Miami and Coral Gables. A wonderful trip. The crowds of the storm are all cleared away. You would never know there had been such a disaster. They put everything back in tip-top shape. Florida cannot be forgotten when you have to take off your hat to Florida, when it comes to doing things.

Palm Beach is the most beautiful city in the world—indeed—so far as natural beauty is concerned, palm trees, and the most beau-

tiful palm there is. In there is Hollywood. Two years ago when

you there I had a good time there, and I had a good time again. There is a population of 20,000.

The old buildings have been removed, and new ones are being built.

There is a large amount of new

construction, and the new buildings are very good.

There is a large amount of new

construction, and the new buildings are very good.

There is a large amount of new

construction, and the new buildings are very good.

There is a large amount of new

## STINSON AIRCRAFT ELECTS OFFICERS FOR ENSUING YEAR

Strong Financial Men of Detroit on Board of Company

At a recent stockholders' meeting of the Stinson Aircraft Corporation, Northville, the following were elected to the board of directors: Frank W. Elam, president of the Union Trust Co.; George E. Buchanan, president of the Buchanan & Hill Coal Co.; Edward S. Evans, president of E. S. Evans & Co.; James V. Evans, president of Evans-Winner-Hubbard Inc.; Richard Fitter-Gerald, partner in the firm of Lebrand, Ross Bros. & Montgomery; Harry R. Graham, president of Owen & Graham; George M. Holler, president of the Holler Carburetor Co.; Harvey J. Campbell, vice president of the Board of Commerce; J. K. Livingston, president of McNaughton, Livingston & Griffin; Luther D. Thomas, president Fidelity Trust Co.; Newton S. Skulman, president of the O. & S. Bearing Co.; William E. Metzger, Edward A. Stinson, William A. Mara, secretary, and Richard Fitter-Gerald, treasurer.

A subsequent meeting of the directors, J. K. Livingston was elected chairman of the board, and the following officers were elected: Edward A. Stinson, president; Henry E. Hurd, vice president; William A. Mara, secretary, and Richard Fitter-Gerald, treasurer.

The Stinson Corporation, which

months has been growing by leaps and bounds, new employees are being added each day according to Manager William Mara. It is necessary for the employees to work overtime frequently and, if business keeps on growing as it is, it will be necessary that a regular night office shall be added.

At the time are there less than 1000 men employed in the factory and it was upon the strength of the workers that the company could be

able to expand so rapidly throughout the world.

As far as the company is concerned, the Dodge Brothers are the best.

They are the best in the world.

**DODGE BROTHERS**  
*LATEST IMPROVEMENTS*

Study these improvements carefully. Notice how basic they are—how each definitely contributes to the value and desirability of Dodge Brothers Motor Car. And remember—they are IN ADDITION to the new chrome vanadium five-bearing crankshaft, excellent new starting and lighting system and many other improvements recently announced:

A New Clutch—Simple, Prompt, Sure and Silent.  
Softer Pedal Action  
Easier Gear Shifting  
Greater Steering Ease  
New Body Lines—Smart and Graceful  
New Color Combinations of Striking Beauty  
Still Sturdier Bodies  
Seat Re-designed for even greater comfort  
New Silent-Type Muffler  
More Rigid Engine Mounting—providing still smoother motor performance  
Improved Propeller Shaft, Differential and Axle Shaft—creating greater sturdiness and dependability  
And many Other Smart New Refinements of Detail

The effect of these improvements is striking and definite. Investigate at the earliest opportunity.

**NORTHLAKE CLUB IS READY TO HELP LOCAL CAR OWNERS**

President of Organization Calls Attention to the Many Advantages

According to N. C. Schrader, president of the Northlake Automobile Club, the local organization has already started on its long work for the present year securing data on highway conditions, to Florida and Canada. President Schrader urges local residents who are not members of the club to get in touch with Secretary William Richards and join the membership, fee being only \$3.50. This not only gives to the members all the data needed for their plan, but it also provides them with emergency service in co-operation with all other A. A. clubs throughout the United States.

He also calls attention to the necessity of knowing all the numbers that are imprinted upon your car, as well as different marks that are better than numerals in case of theft. He explains: "Possession of detailed facts about your car will aid the club in its recovery in case it is stolen," he points out.

Secretary William Richards will attend the national automobile convention in Washington next week.

**DEATH CLAIMS A FORMER PROMINENT LOCAL RESIDENT**

Rev. Judson Vradenburg dies in East where he Lived

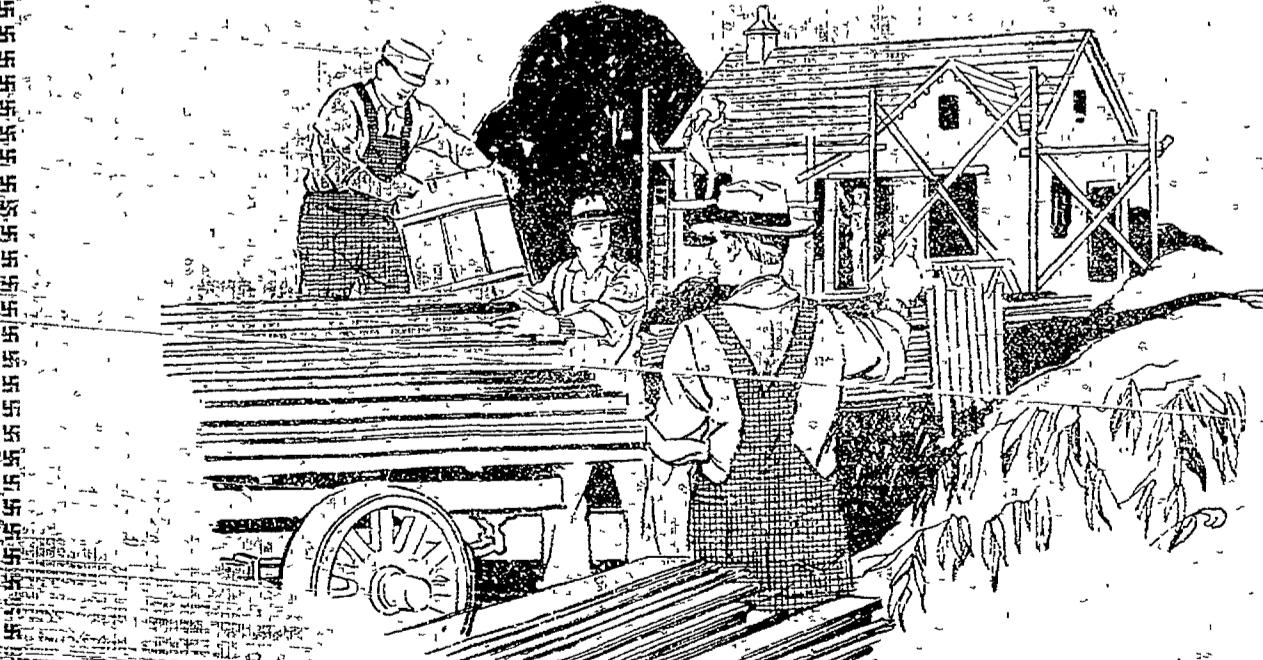

The Rev. Judson Vradenburg, 52 years of age and for many years pastor of the Baptist church at East Penobscot, New York, a brother of Albert Vradenburg of Northville, suddenly on Friday, 9th at his home in Buffalo, New York, Mr. Julian Lowden of Detroit said. Mrs. Alice Danner, of Alpena, Okla., wife, died January 10.

Mr. Vradenburg was born in New Township, Norwell, Pa., his parents being among the early settlers in this part of the state. During their entire residence in this section the family always occupied a transient position in community life.

He spent much of his early life on the farm near Lodi, then went to Gannett State Normal College, where he graduated. Later he entered the Marion college, a Well-known Baptist school, and graduate of regular institution. He entered the Theological Seminary, New York Theological Seminary, and upon completion of hisaching work there in 1878, he was ordained into the ministry at Big Rapids, Michigan. He was in the Baptist ministry for fifty-five years continuously, and besides holding many pastorates he did a large amount of evangelistic work. Burial took place in Buffalo. Many of the older residents remember Mr. Vradenburg well.

More than 1,800 miles of new cable were added to the Bell System during 1926.

Ohio has more telephones than all of Asia.

**Lumber Better Than Specifications**

Lumber ordered from us according to specifications, is always better than the specified quality. If no specifications are given, we deliver the same high standard, satisfying quality Lumber. Yet you will find our prices are no higher.

**Ahead in Refinements As in Smooth Performance**

See the Hupmobile Eight today, if you would know the greater value made possible by the world's largest straight-eight production.

Augmented in beauty and luxurious appointments, refined mechanically, this Eight alone explains the new and growing interest in multiple cylinder cars.

Especially to those accustomed to paying more for purely individual appearance, the striking lines of Hupmobile Eight closed models will have instant appeal.

Wheels are smaller, and the roomy bodies lower, graceful, compact lines have been attained without sacrifice of passenger comfort; equipment fea-

tures inside and out reflect the highest standards of custom-built cars.

To distinguished Beauty is added new ease and perfection of control. All dials are grouped on a single plate under glass and indirectly lighted. An improved heat control is operated from the dash. Headlight switch is located at top of steering wheel.

When you examine the many new features of the latest series Hupmobile Eight, when you add to them the superiority of Hupmobile smoothness, performance, and low maintenance cost, you will realize why thousands are turning to this car as the final expression of motoring luxury.

Fourteen Distinguished Body Types—priced from \$1945 to \$3725 f. o. b. Detroit, plus revenue tax.  
Custom Bodies designed and built by Dietrich.

SENIOR CLASS AT  
WALLED LAKE TO  
PRESENT A PLAY

Event to Take Place on the Evening of March 17th at Walled Lake

Members of the Senior class of the Walled Lake high school will for the evening of March 17th, at 8:00 o'clock at the Walled Lake Consolidated school, present a play entitled "The End of the Line."

In brief, the story of the play follows:

"In a last hopeful effort, Jim Denver, a penniless wanderer, determines to secure a home and happiness. So aided by Bessie, he secures his needed material and carries out his plan, posing as a long lost son of a supposed to be wealthy farmer. In his new found home he finds adventure galore. Meeting old friends, finding the wealthy home poor, falling in love with his sister—all strengthen into knotty situations. Woe to Ellen Seabright at the jealous hand of Coral and Martha Elizabeth Ann.

"Gables and eables, or Aumdf and a good laugh induced by the entire cast, more especially sample 'Bad,' the country bumpkin, and the lady of his dreams, beautiful 'Marty,' whose aspirations to become an 'opera' singer prevent her from eating more than a few mouthfuls of Bad's precious sandwiches.

The outcome? Oh, no better way of knowing than seeing! Let the Senior class of Walled Lake high school answer the above questions on March 17th, at 8:00 o'clock, at the Walled Lake Consolidated school."

## LOCAL

There will be a Democratic caucus at the Nevitt town hall, Monday afternoon.

Mrs I. J. Ulrich has been taken to Grace hospital in Detroit for an operation.

Twenty relatives and friends of Mr and Mrs V. D. Taylor surprised them Saturday evening the occasion being their twenty-fifth wedding anniversary. A polka-dash dinner was served.

## NOTICE

Friends have suggested that I run on a sticker ticket for Village Asst. Mayor. Therefore I have decided that it is my duty to give Charlie a race as he first died the excitement for the election last year.

Please use the sticker or write my name in and put it in the square in front of me.

FRED E. VANATTI

We Want  
Your Business!

And we are going to get it if fair treatment and right prices have anything to do with it.

We guarantee our goods—and we guarantee to sell Furniture as cheap as any concern in Michigan, quality considered.

We own our buildings, and that helps us to sell cheaper. We buy for two big furniture stores, and we buy for cash. Our buying power at the factories under these conditions is another big thing in your favor. If helps us to keep the prices down. And that is what you want.

No store or concern of any kind selling furniture can compete with us in prices, when quality is taken into consideration.

Come in and look around and see for yourself.
