

COUNTY-FACING GREATEST GROWTH IN ITS HISTORY

Business Men at a Big Plymouth Mass Meeting Tell of Future

Don't talk. Do things. That is what T. Glenn Phillips, noted American city planner, of Northville, told 300 enthusiastic western Wayne county boosters at a mass meeting in Plymouth, Thursday night.

Mr Phillips was the chief speaker of the evening and while he was speaking to a group called together especially for the purpose of creating a Greater Plymouth organization his remarks applied just as much to Northville, Wayne and Dearborn as to Plymouth.

The greatest accomplishment is through co-operation and not through law. If you really want to do something for the good of your community, do it. Have faith in the place where you live. It is the easiest thing in the world to tear down. Anyone can do that. But it takes a different spirit to build, he declared.

This whole region is just one big community. Traffic conditions have brought about a complete change in living conditions, and as a result these places are bound to grow. Don't make the mistake Detroit did some hundred years ago. Don't plan for a small community. That is what some of those people did in Detroit. Plan in a big way. Plan for big communities. Plan so you will not have to do it over again.

Growth of urban population has created an entirely new situation. It is just as easy to live in Northville and work in Detroit as it is to work in Detroit and live in Northville. You can get down town just as quickly from here as you can there.

Frankly, if I had my way, I would have thought of life. You need light and air. We have it out here.

When we are planning for community development, do not overlook the parks. And we are going to have one out here that will be a park with trees in it. There is one thing you should never forget in all that you do, remember that you are planning for the future and that the future is going to bring every community in this part of Wayne county nearer population.

The meeting in Plymouth was one of a series being held there for the creation of an interest in the development of that particular community. Representatives of other communities have been invited in because of the fact that the interests of all are so nearly allied.

C. R. Livengood, chairman of the evening, told the crowd of the steps being taken in Northville along similar lines. M. J. Murphy of the Globe Furniture Company of Northville, was called upon by Mr. Livengood to speak in behalf of this community.

Mr. Murphy declared that it was all right to talk about what we wanted, to do and all of that but there is only one way to get anywhere, he declared, and that is through co-operation.

Organize as we should, then demand what is coming to us. If we don't get it by demanding, then go get it. More and better thoroughfares, parks and all of those things which make life more happy are ours if we co-operate. There should be a willingness to assist on the part of everyone in the community, he said.

There were other speakers on the program, a number representing business interests of Detroit, who declared that western Wayne county would within a few years be one great community.

It is interesting to note that there has been raised something like \$15,000 for the purpose of advertising and improving Plymouth. About \$2,000 was pledged at the meeting Thursday night.

J-HOP WILL TAKE PLACE THIS EVE

Members of the Junior class of the Northville High school will tonight, stage the annual J-Hop of the school at the gymnasium, the event to begin at 9:00 o'clock. There has been an excellent ticket sale, and the affair promises to be one of the big events of the present school year.

Jean Goldkette will present the Nightingales, the music for the party being the best that could be secured. The students have worked for a number of weeks preparing for the party, and it is sure to be a more than ordinary work.

WILLIAM JONES IN NEW LOCATION

William T. Jones of the Economy Electric Service, has secured a lease on the vacant Ely store space formerly occupied by the Northville Fashion shop on North Center street, for his electric store as temporary quarters, while the new Schrader building is being erected.

He will open there Saturday morning, so that all of his customers will be able to have uninterrupted service. It is probable that he will remain in this location for something like three months.

The new Schrader building will be started within the next two or three weeks, and when completed it will provide Mr. Jones an ideal place for his business. He expects to be able to greatly enlarge his stock when he moves back into his new quarters.

MEMORIAL DAY SPEAKER NAMED BY THE LEGION

Rev. Halliday to Give the Talk—Memory Expert Amazes Crowd

Rev. H. H. Halliday, pastor of the Federated church of Salem, has been secured as the speaker for the Memorial day services to be conducted by the American Legion organization. The announcement was made Tuesday night at one of the most enthusiastic meetings held in many months by this organization.

In order to make the Memorial day observance one of the best ever held in Northville, Commander James D. Larson also announced the appointment of the following to act as a committee to make all arrangements for the program to be carried out: Fred Langley, Benjamin Siefert and George Simmons.

Legion members who were present at the Tuesday night session had the pleasure of hearing William Orr at Detroit give one of his remarkable talks on memory training. For nearly two hours he held the strict attention of his audience, and he didn't have the slightest difficulty in explaining those present that his own memory was something most remarkable.

It's all a question of concentration. Pay attention, and if you want to remember something just make up your mind to remember it. It's easy to remember, if you know how and want to, he declared.

To convince the veterans that he knew what he was talking about he caused to be placed on a black-board two rows of figures by one of the legion members, figures that were given by any one in the room. Without ever having looked at the board, he repeated the numbers in both rows just as they were given.

You can do the same thing if you want. It's just a case of making up your mind that you will do it. It takes work but you can't get anywhere without working. Look at the book boys in Detroit. They are at their desks at 7 o'clock every morning and at 7 o'clock a social function in the evening no matter where it is, they leave promptly at 10 o'clock.

It's all easy, to do it you want to. Edison and Henry Ford both have good memories, but you can have just as good a memory as they have if you make up your mind to remember things. It's easy enough to wish for something but in order to get it you have got to do something and do it energetically.

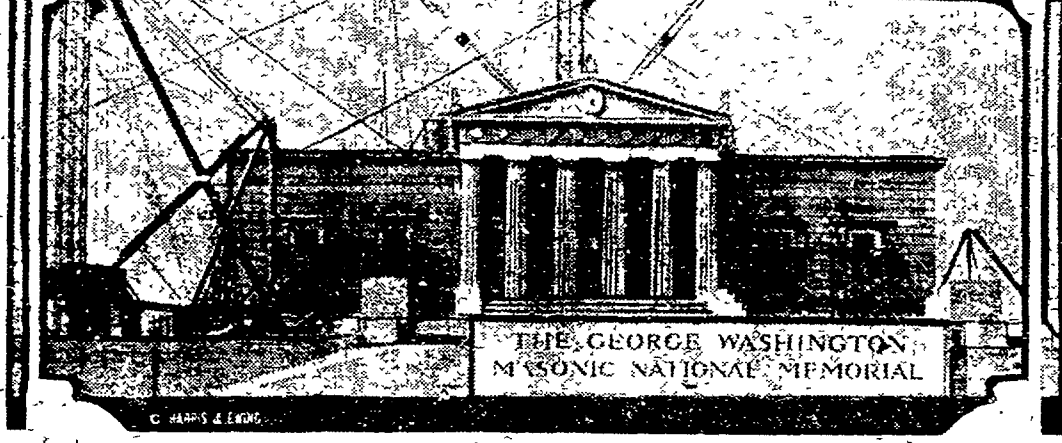

LOCAL FAMILY IS BACK FROM SWEDEN

Mr. and Mrs. Alex Jonsson and children returned to Northville, Wednesday forenoon after spending the winter at their old home in Sweden. The entire family is in perfect health and enjoyed a most pleasant trip, both going and coming.

While it was a great pleasure to them to spend a brief time back home and among childhood friends, both Mr. and Mrs. Johnson are delighted to be back in their home.

Monday evening the Senior class selected the following to have a part in the commencement exercises: Valedictorian, Erwin Sibley; salutatorian, Irene Götts; president's address, Tom Woodbury; class prophecy, Emery Ogilvie; class will, Carlyle Lovewell; class history, Marguerite Warner; class epitaph, Edward Horton. The valedictorian will have his name on the valedictorian cap, which was presented by Mr. Blake.

Masonic Memorial Nears Completion

The national memorial being erected to George Washington, Master Mason, by American Masons, is nearing completion at Alexandria, Va.

SEEKS ANNULMENT

Alleging that she was married in a big, expensive ceremony while in high school, she has just started an under appeal in the Circuit Court in order to annul her marriage to Benjamin Siefert, a Northville resident, by filing suit for the annulment of her marriage to Siefert, husband of the late Mrs. Siefert.

LIBERTY BOND OF 75 FOUND IN OLD TAVERN AT NOVI

Owner of Building Has Given Valuable Document to Henry Ford

Henry Ford, collector of historical articles, is the possessor of probably one of the rarest finds made in this section in a some year. Workmen tearing down the old hotel at Novi a few days ago, found a number of old papers that had dropped down between the walls.

One of the articles discovered was a Revolutionary war bond dated August 16, 1778, and issued by the state of Massachusetts. Except for bearing the seal of the commonwealth at that time, and the date, it contained the statement, "Issue of the defense of American Liberty, for the amount of 21 shillings."

Not only has Patrick Gaffney, owner of the hotel, turned this old liberty bond over to Mr. Ford, but he has given to him a number of old wooden fixtures about the building that are almost priceless in value.

SEE WHAT IS DUE TO APRIL FOOL'S DAY

April 1st, will be Fools Day when it comes to getting bills.

There are a few extra this time, besides the regulars, for in addition to some subscriptions to the Record which are due there are the usual store bills and these:

Postoffice box rentals, water bills, telephone bills, electric light bills. After all it's not so bad because there are no taxes due for at least three months yet anyhow.

Rev. and Mrs. A. K. MacRae have moved to Waterford. Miss Ida Rose Cavel is home from the State Normal for the spring vacation.

The Altar Society of Our Lady of Victory church held the regular monthly meeting at the home of Mrs. H. G. Margurter, last Thursday. Dinner was served and those assisting were Mrs. Mundy, Mrs. Campbell and Mrs. Alger.

A. C. Baiden has returned to Northville after spending nearly three months traveling through the south. He took trip to Hot Springs, Arkansas, then to New Orleans, Cuba and back to Florida, where he spent the most of the time away from Northville.

True love doesn't thrive well in a public garden.

MANY ISSUES ARE UP BEFORE VOTERS NEXT MONDAY

Northville Township to Vote on Several Issues of Importance

At the spring election to be held Monday in Northville township, there are a number of questions of more than ordinary interest to the voters. Outside of electing two or three state officials, two county officials and the township officers a number of important questions are up for decision.

There is the matter of voting \$5,000 towards the payment of costs for the Joppe road on the base line road the county, which state has begun the rest of the expense. Action on this matter is more or less of a novelty as the representatives of the township officers are not as they could the proper officials of the county that the matter would be carried through. This will be an important question and will be decided as soon as possible.

The \$1,000 will also be up for a vote of \$1,000 for the town. Under the arrangements explained this will be a difficult one to carry out. The library open for public use. The library in the past year has grown at a remarkable rate, and is being patronized by hundreds of local residents.

The matter of lighting the Northville-Plymouth road has apparently been relegated. The petition that were circulated calling for the submission of this question are said to have been defective in some way and the township board has nothing to act upon. It is possible that the lighting question may be presented at the township meeting. However, those backing the proposed lighting move have not definitely decided on just what they will do. The light portions were originally circulated by Mayor Elmer Smith.

Wayne county must also vote upon the question of bonding for half a million dollars for an addition to Eloise hospital. The number of patients the county is taking care of has increased at such a rapid rate that officials are finding it difficult to take care of the large numbers that require county assistance.

There is also a state constitutional amendment that provides for the creation of metropolitan districts. This will enable unincorporated places to provide such public improvements as are deemed essential for the welfare of the district.

It is probable that because of these many issues the vote will be larger than usual, although there is no contest for township offices.

DEATH TAKES YOUNG MOTHER OF FOUR

The passing of Flossie Mosher Zerlak, wife of Anthony Zerlak, who at one time were residents of Northville, came as a surprise to the many friends of the family. Funeral services were held on Trumbull avenue, Detroit, March 28th. Rev. William Richards officiating and burial took place in Rural Hill cemetery, Northville.

She was born October, 1898, and died at the age of 28, March 25th, 1927, leaving four small children, two boys and two girls, with her young husband to mourn their loss; also her parents, Mr. and Mrs. Wm. Mosher of Detroit; a brother, Don, and one sister, Mrs. Gordon Barley.

Mr. Zerlak is well known in Novi, where he lived in the home of Mrs. Reka Salow on the farm. His many friends extend to him and the entire family their heartfelt sympathy.

KIPKE PLEASES LARGE CROWD BY NOON-DAY TALK

Famous Football Player is Guest at the Exchange Club Wednesday

Harry Kipke, famed Michigan football player and captain of the team during his last year in school, now a member of the coaching staff of the University of Michigan, spoke to nearly 100 members of the Exchange Club and guests at the meeting Wednesday noon. The guests included members of the various basketball teams of the city.

During the month in Northville Kipke has been very popular, many outside speakers, but not one of them pleased the business as well as the former captain of the University of Michigan. There were many things that he had to say about what he talked about were things that were interesting and the older ones were interested in. Harry did it well for he has everything.

He told of the things that he had seen in Michigan and in the East. It is worth about three years of any one's life to be in the front house and hear him talk to the boys. Just before he got on the football field coach Yost does a talk, but he has a way that gets right into your heart. It makes you want to win. You and again I have seen the boys go out onto the field so determined to win after his talk to them that there would be tears in their eyes. It is his wonderful ability to get the players to put every last ounce of their strength into the game that counts to a very great degree for the long string of victories won by Michigan, said Kipke.

He highly praised the Exchange members for the interest shown in the activities of the students. They like it. Any young person is pleased when they see the father interested in what they are doing.

They say that Michigan's team is a lucky one. Well there isn't any such thing as luck. We get the breaks because Coach Yost has taught us how to get them. It's the same way with the individual. If you are prepared things seem to come your way. If you are not, the better prepared person reaps the reward. It wasn't luck that won the Minnesota game or the Ohio game last year for Michigan. Our team won because our coach had taught the players just what to do when conditions developed such as the Michigan players faced in these games.

The big crowd was delighted with the talk given by the speaker from the university, and he especially invited the high school students and others present to visit any of the athletic events at any time. The meeting was one of the largest luncheon club affairs held in Northville in some time.

LOCAL LIBRARY HAS NEW BOOKS

The following books have been out in the library this week: Adult, Shell; Darwin, by Gamaliel Bradford, Abraham Lincoln, The Prairie Years, by Carl Sandburg; Shot Towers, by John T. McIntyre; Chip of the Flying U, by Charles M. Russell; Juvenile, Shell; David goes to Greenland, by David B. Putnam; The Birds' Christmas Carol, by Kate Douglas Wiggin.

The two pieces of Mrs. W. H. Yerkes, Misses Ruth and Mary Elizabeth Frost of Boston, have been visiting at her home for the past few days.

MISSION WORK IS OBJECT OF MEETING HERE

Large Number Expected to be Present Next Week at Sessions

The eighth annual meeting of the Women's Presbyterian Society for Missions of the Presbytery of Detroit, will be held at the First Presbyterian church in Northville, April 5th and 6th. Rev. Frank P. Knowles expects a large number to be present from this section of the state for the two day meeting.

A most interesting program has been prepared for the event, and many excellent speakers have been secured.

The Tuesday morning session will start at 9:30 and will be presided over by Mrs. H. W. Crosswell. Mrs. F. P. Knowles will lead the devotional service. Mrs. W. H. Yerkes will make the address of welcome and greetings will be extended by Mrs. Alfred G. Wilson, Miss Lucy M. Schaffer and Mrs. James Duguid, Jr., field secretary of the Board of Foreign Missions. Others on the forenoon program are Mrs. J. K. Kitchell, Mrs. Bruce Wallace and Mrs. D. D. Walker.

Rev. Frank P. Knowles will extend greetings at the afternoon meeting. Mrs. Nellie Thompson, Mrs. James Crawford, Mrs. W. O. Benjamin are on the afternoon program. A play by the children of the church will be presented under the direction of Mrs. Yerkes and Mrs. Hauve Ewing.

There is an evening program arranged Wednesday forenoon session will be held over entirely to consideration of mission questions. Among those on the program for the Wednesday forenoon session are Mrs. H. M. Bishop, Mrs. George Torgny, Mrs. A. H. Harlow, Mrs. W. E. Murray, Mrs. D. P. Yerkes, Mrs. A. G. Wilson, Mrs. W. H. Brennan, Mrs. H. G. Morrison, Mrs. Robert Pollock, Mrs. G. R. Hoop, Mrs. G. E. Tappan, Mrs. I. K. Mitchell and Mrs. Lois Stewart.

Wednesday afternoon Miss Marie Rogh, Miss Lily M. Marquette, Mrs. J. K. Mitchell, Mrs. J. M. T. Murphy, Miss Lyle Brinker, Mrs. R. S. DeWain, Mrs. George A. Brown, and Mrs. James B. McDonald will be among those taking part in the program.

REV. RICHARDS IS BACK FROM AUTO CLUB SESSIONS

Washington Conference a Most Interesting One He Reports

Rev. William Richards, secretary of the Northville Automobile Club has returned to Northville after attending the annual convention of the American Automobile Association of Washington D. C.

According to Rev. Richards the convention was one of the greatest events of the kind ever held. Outside of boasting Northville at every opportunity offered, he told members of the national organization that this community of some 3,000 people had a club that had made a gain of over 50 per cent during the past year in membership, and that it was endeavoring to give just as great a service as many of the larger cities.

Speaking of the convention, Mr. Richards said, "Secretary of Commerce Hoover was present at the convention held at the Hotel Willard, and commended the uniform traffic law, which has been adopted by many states, with the hope of all ultimately. The safety of the public by the clubs will help to reduce the fatalities that happen every year. Twenty thousand people were killed last year in accidents and 500,000 injured, but in the light of growing numbers in automobiles and greater mileage in highway construction there is a reduction of accidents to the previous year.

Secretary Hoover it was made known by Manager Smith of the A. A. A. has been a great factor in reducing the price of rubber for the nation, reducing the nation's bill from \$300,000,000 to \$175,000,000 that was paid by the public to European industries in the last year.

Most of the leading clubs had their leaders to speak of the various departments and the help given club members in touring and map information, food service and legal service, where illegal speed traps have been set for motorists, were extremely interesting. Every automobile owner ought to carry an A. A. A. card and emblem. Free service is granted by all the larger clubs, and a minimum charge of \$1.00 with a maximum of \$2.00 by smaller clubs.

ANNOUNCEMENT.

ROTARY PROGRAM PROVES TO BE MOST INTERESTING ONE

Monday's Meeting Different Than Those Usually Held by Club

Ray VanValkenburgh, chairman of the special committee that had in charge the Rotary club meeting, Monday, provided a program somewhat different than those that have been given during past weeks. It was different and it was interesting. After the transaction of routine business, Wayne VanDyne sang two selections that greatly pleased the Rotarians. Mr. VanDyne is a singer of unusual ability, and he was called upon to sing the second time, before the meeting was over.

Mr. VanValkenburgh stated that he had often wondered why they joined so many organizations.

"This seems to be a joining age. Northville has a large number of organizations and I guess practically everyone in town belongs to one or more of these clubs or something else. I have tried to check our list, why we join this or that club and to find the reason back of it. In order to do so, I am going to ask each member to tell me in one minute just why he joined the Rotary Club," stated Mr. VanValkenburgh.

Time did not permit all of the members to respond, but most of those who did expressed excellent reasons for taking out a membership in Rotary.

It is interesting to note that all of those responding stated they were glad to be members of Rotary, because of the opportunity it provided for unselfish public service, that it provided them with pleasant associations and that it brought them into closer contact with men of the community they would ordinarily meet.

ANNUAL MEETING OF THE WOMAN'S CLUB WILL BE HELD FRIDAY AFTERNOON

The annual meeting of the Woman's Club will be held Friday afternoon at 2 o'clock in the club room. The subject will be "Progressive Moments."

Mrs. John Chaver, acting chairman of the committee, spoke upon the subject, "The Club and the Community."

Mrs. John Christensen and Mrs. B. Cook, interested in the subject of the subject of the day, "Progressive Moments."

Mrs. F. S. Hutton radiated much enthusiasm as she spoke upon the subject that is so near to her heart, "The League Movement."

Mrs. Cass Burton caused one to wonder and marvel at the great mysterious forces of the universe and man's increasing ability to bring them into manifestation as she enumerated the many advantages of the radio.

Mrs. E. H. Lapham graciously celebrated Beethoven's anniversary for the club. Mrs. T. H. Elting gave a history of the University of Michigan at its twentieth birthday, and Mrs. Will Spink told of the new suspension bridge across the Hudson river.

A very pleasing feature of the afternoon was the arrival of a guest who was a member of the club from 1898-1920—Mrs. Della Harmon of Detroit. As she addressed her old associates the atmosphere was reminiscent of early club days, and there was a note of pathos for each one's thoughts flew backward to other days when Mrs. Harmon inspired and belted all who contacted her in both library and club work.

The meeting was a most successful one and the club members were glad to have had such a fine afternoon.

The next meeting of the King's Daughters will be held at the home of Mrs. Marburger 234 Main street East, next Tuesday afternoon, April 5th, at 2:00 o'clock. Several very important matters will come up for discussion so please be on hand.

Workers have been busy during the past few days in beautifying the corner lot just across from the Northville Chemical Company. The acre lot is owned by C. Langford and he is making it into a fine park. The trees on the place have been trimmed, and the whole acre is going to be converted into a beautiful lawn. It will greatly add to the attractiveness of the entrance into Northville from the southwest.

HUPP EXPECTS RECORD SPRING

A demand throughout America for Hupmobile Eights and Sixes during the next several months that will materially surpass all previous records is seen by R. S. Cole, general sales manager of the Hupp Motor Car Corporation.

In its plans to meet it, that company announces the completion of rearrangement of its plant facilities, permitting an increase of 50 per cent more cars than its previous capacity.

Mr. Cole announces that indications show the sales of cars for March will be the largest of any single month in the company's entire history.

"Our recent delivery of 75 eight-cylinder cars to our Chicago distributor in one drive-away consignment which is believed to be the largest single shipment of eights ever delivered to one company," he said. "This is an indication of the increasing volume of eight cylinder business."

A STATEMENT ABOUT OUR HIGHWAYS

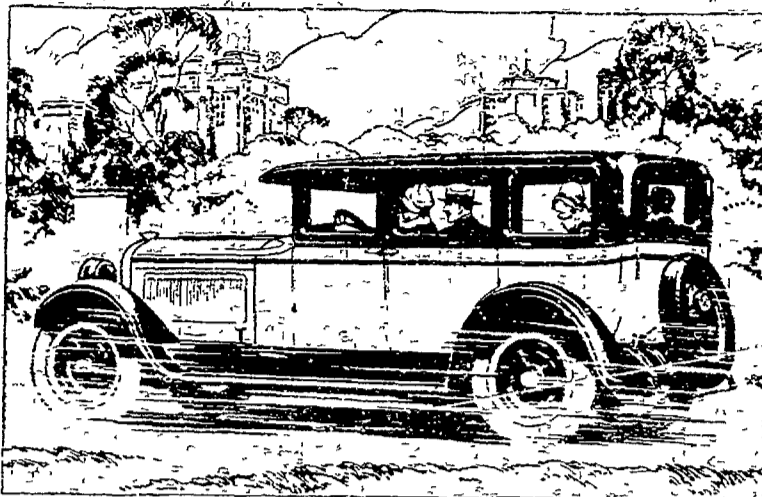

Northville township is one of the most attractive in Wayne county from the views of beautiful hills. No place in the surrounding country will soon find scenery more pleasing to the eye, and let us all work together to make it one of the most up to the minute townships in the state.

We have good roads, but let us have them still better, at less cost. All business concerns, whether large or small have adopted the quicker methods of transportation and find that they are covering more ground in less time than in former years.

If I am elected to the duties of highway commissioner for the coming year, I will do my best to prove to the taxpayers that more can be accomplished at less expense by the use of trucks.

GOOD JUDGMENT

The two committees representing the Rotary and Exchange Clubs, appointed for the purpose of working out a plan for better and more rapid development of this community, have had pretty good judgment. They have a meeting and a free out-leave plan but before finally deciding just what will be done, the combined committee thought best to call into conference the entire community. The members stated that the matter they were working on was a community affair, and that everyone in the town must necessarily be interested in it, therefore it was believed best that a mass meeting should be called and expressions heard from everyone in Northville and the immediate vicinity relative to steps that should be taken first.

The action is most commendable for two reasons. First, it gives everyone a chance to have a part in what promises to be one of the biggest moves ever started in the interests of Northwestern Wayne and southern Oakland county. Second, it goes away with any charge that just a certain few are trying to run things. There is no prospect of any such feeling, but the committee acted wisely in forestalling any criticism that might develop. The members have made it commendable for everyone to be interested and to have a part in it. The committee is to be congratulated for its wisdom and for its foresight.

RECORD LINERS—THE BEST RESULT GETTERS.

Capitalize Your Personality For God's Kingdom. You never know what change fate may have up her sleeve to meet your life. Peter was a good fisherman and Lake Galilee lost him one day when Christ came that way and challenged him to follow. Peter obeyed and as a result has become a mighty force in the lives of each generation. He dared to throw his life away for God. Take your old experience into a new field, and the result may be surprising in every way. C. A. DOLPH BIBLE CLASS. METHODIST SUNDAY SCHOOL.

First Presbyterian Church NORTHVILLE, MICHIGAN. Your Appointment. "I have a rendezvous with death," said Alan Seeger as he went forth in the service of France. It was a colored soldier, boy, who wanted to live so as to keep his rendezvous with life and doing that I shall have no fear of my appointment with death for it will be out the smile of my Savior as He bids me welcome to my rendezvous with Him. You have an appointment at church this Sunday. Somebody will be disappointed if you do not keep it. 10:30 a. m. 7:30 p. m. Sunday school at 12 noon. By the end of another week workmen will be able to start the foundation work on the new building being erected by Dr. Grand of Kempter on North Center street. Considerable earth had to be removed to bring the place down to the sidewalk grade.

Mrs. E. C. Langfield has been taken to Mt. Clemens by Dr. Langfield, where she will spend the next three weeks taking treatments. Mrs. Langfield has not been in the best of health for some weeks past, and it is believed that the baths at Mt. Clemens will be of benefit.

Members of the Rotary Club will hold their next meeting at the Northville Hotel and Cafe. The club is very grateful to the ladies of the Presbyterian church for the splendid service given the organization during the past two months. Exceptionally fine menus have been served.

R. G. Meyers and son, Raig, of Redford, were visitors in Northville, Saturday. Mr. Meyers Sr. has been an officer in the Pythian lodge of that city for many years, and he was present in Northville a few years ago when the lodge was revived. The son is associated with the Portland Cement Association.

Mr. and Mrs. Fred Reiger were very pleasantly surprised Saturday evening by a number of their friends. Cards furnished one of the amusements of the evening. A buffet lunch was served. The guests present were: Mr. and Mrs. Orin Casterline, Mr. and Mrs. Clifford Casterline, Dr. and Mrs. Holcomb, Mr. and Mrs. Ed. Keeney, Mr. and Mrs. H. Blowers, Mr. and Mrs. C. Tibbles and Mr. and Mrs. H. Marburger of this place, and Mr. and Mrs. Boulet of Detroit.

Members of Orient Chapter, O. E. S. are planning on a very pleasant time next Friday afternoon and evening, April 8th, when the Past Masters of Pontiac chapter will conduct the initiatory work as it was done in 1867. One of the features of the event will be the fact that those taking part will wear the styles prevailing at that time. The afternoon meeting will begin at 4:30; dinner at 6:30, and the evening session will start at 7:30. It is expected that a large number will be present.

Mrs. Dorá Dates spent several days last week in Royal Oak.

Isn't This A Sensible View Of Transportation?

When we own the home we'd really like to own—can we wear the clothes we'd really like to wear—have fully provided for our children's education and our own old age, then probably we can afford a more expensive car.

Meanwhile, how wise you are to stick to the Ford! You have the warmth and comfort of a closed Ford for less than the price of any other open car—and a substantial yearly saving in operating costs.

There will be an all day meeting in the Plymouth Congregational church of Jackson Mich. for members and pastors. The congregation and pastor will go to South Lyon Presby. church to unite with them in the prayer meeting Friday April 8th and on this date the Salem Ladies Auxiliary will give their annual Easter bazaar in the town hall afternoon and evening. A good supper will be served beginning at 6:00 p.m. All in the community and neighboring towns are cordially invited. Last week the prayer service was very well attended by a goodly number from Salem and a group coming from South Lyon and the splendid message given by Rev. Mrs. Hachenber was greatly enjoyed by all.

FRANK PERRIN BACK FROM SOUTH BUT ILL AT HOME

Well Known Resident is
Confined to Residence--
Reported Improved

Frank Perrin, well known North-
ville resident who returned about ten
days ago from Florida, where he has
been spending the winter, has been
confined to his home by illness during
the past week. His condition has not
been at all serious, but doctor believed
that it would be best for him to keep
inside for a few days.

Mr. Perrin has enjoyed a most pleas-
ant winter. While he spent most of
the time at Daytona Beach, he trav-
eled to other sections of the state,
and is well versed on conditions ex-
isting in that part of the country.

He met a number of Northville resi-
dents while away. All of them have
been enjoying a most delightful win-
ter in the south, he says.

The weather has been most pleas-
ant and healthy all of the time. In
fact, he had our coldest day along
about the first of March. There it
was necessary to light a fire in the
fireplace. But it seems good to go
back to Northville and meet my many
friends, says Mr. Perrin.

WIXOM ORGANIZES FOR EXPANSION

Wixom business men and residents
interested in the future developments
of that fast growing little community
have organized the Wixom Business
Men's League. The object of the or-
ganization is to promote and develop
the village.

D. W. Hickey has been elected
president, Frank McDonald, secre-
tary and Mrs. P. A. Johnson as treas-
urer. The board of directors is
composed of J. W. Farnum, W. S. Si-
mon and Mr. Miller.

It was decided to hold a meeting
of the league at the school house
this afternoon at 7:30 p. m. at
which can be held for the betterment
of the village and the good of the
community. The meeting will be
held in the school house and the
business meeting will be held at
the school house.

A dinner will be held in honor of
the organization at the school house
at 7:30 p. m. and the meeting will
be held at 8:00 p. m.

How Much Do You Want to Pay?

There are two ways to buy a tire. You can squint your eyes and read only
the price. Or you can insist upon the very best tire and pay just exactly
what it is worth--no more and no less.

Either way, we have a tire at the price you want to pay. You need not
close your eyes to the low-priced tires we offer, because they are genuine Good-
year built tires--Pathfinders--made by Goodyear for the man who must con-
sider first cost.

And if you want the very best tire Goodyear
knows how to build, we'll show you Goodyear
All-Weather Tires, made with Supertwist, the
wonderful new cord fabric.

And along with Goodyears or Pathfinders
goes our Service, made possible by our large
volume of business and the most complete, mod-
ern repair department in this part of the state.

MOTION PICTURES SHOWN HERE AHEAD OF LARGER CENTERS

Northville Fans Able to See Many Features Weeks in Advance

Northville motion picture fans are more or less fortunate in seeing many of the pictures shown in Michigan ahead of some of the big city theaters in the state. During the past few weeks a number of pictures have been shown in the Penman Allen theater in Northville, several weeks ahead of the showing of the same pictures in Lansing, Kalamazoo, Battle Creek and other of the larger places.

In fact a number of the pictures shown on the screen here have been advertised two or three weeks later as big features at Col. Butterfield's bigges house in the central part of the state.

If one should follow newspaper advertising of pictures carefully, it will be noted that most of the pictures at the Penman Allen are from two to four weeks ahead of the same showing in larger centers, an advantage that is greatly appreciated by local picture fans.

"THE NIGHTINGALE"

"The Nightingale" starring Eleanor Painter, which the Messrs. Shubert are presenting at the Cass Theatre and which begins its final week on Sunday night, turns back the clock to the days of Jenny Lind, Castle Garden, P. T. Barnum and bustles and hoop skirts and a quaint naïve musical romance it is, reflecting admirably the atmosphere of a decade that will long remain dear to the hearts and imaginations of Americans.

"The Nightingale" is to three acts and the actress takes place first at West Point and later in the city of New York. The story is a true one and the actress is a true one. The story is a true one and the actress is a true one. The story is a true one and the actress is a true one.

Large Number Mourn the Death of Mary C. Boyle at Ann Arbor

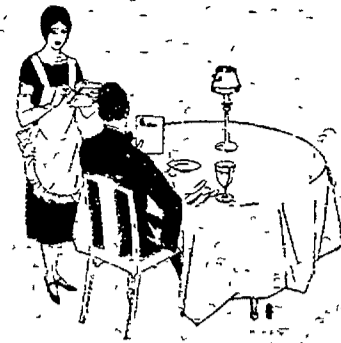

Mary C. Boyle, a much loved resident of Salem township passed away Thursday, March 24, 1927, at a hospital in Ann Arbor, after a short illness.

The deceased was born in Superior township, Washtenaw County, February 12, 1873, and was united in marriage to Frank J. Boyle, June 25, 1912. She leaves to mourn their loss, a husband, Frank J. Boyle, four sisters, two brothers and several nieces and nephews.

She was a loyal wife and the highest esteem of her many friends was shown by the many floral offerings.

The funeral services were conducted by Fr. Peek, assisted by Fr. Lefebvre, Plymouth and St. Scholastic of Northville, at St. Patrick's church, Northfield, Monday morning at 10 o'clock.

WATER SUPPLY OF NORTHVILLE IS A VALUABLE ASSET

Hillcrest Promoter Tells of Importance of Having Good Water

Few people are privileged to enjoy the daily satisfaction of having sparkling spring water available in their homes," says DeWitt C. Smith, sales manager of Rex Dye, Inc., a sincere booster of Northville. "And there is certainly a lot of difference, between the cold, clear water coming from deep wells or springs and that which municipal water systems such as we have in Detroit furnish."

"Whether it is due to the fact that city water must stand so long in pipes or whether it is because of the difficulty of keeping the pipes clean, fresh and clear, I do not know, but it certainly loses the delicious freshness and satisfying flavor which characterize the spring water available at Silver Springs or that which Mr. Bloom the owner of Hillcrest Manor, secures from one of the springs upon his property."

Residents of Hillcrest Manor will be fortunate indeed in having such fine and clear drinking water available from their own wells. This property is gravelly in nature and fine water may be obtained here. And due to the fact that excellent electric systems are available, it is a simple and inexpensive matter to pipe the water throughout your home and enjoy every convenience made possible through a city system.

One has, too, the added advantage of controlling his own water supply, which is a point of further economy in the saving on water bills and taxes.

It is remarkable how efficiently these pumping systems operate. The automatic and require practically no attention. When you turn on the faucet the water starts pouring out and continues until you close the faucet and satisfaction is yours.

It is one of the most desirable features of modern scientific water supply systems.

It is a feature which is not only desirable but also one which is becoming more and more popular. It is a feature which is not only desirable but also one which is becoming more and more popular.

OTIS TEWKSBURY EXPECTS TO BE IN NORTHVILLE SOON

Writes About Enjoyable Winter Spent out on Pacific Coast

In a letter received a few days ago from Northville, Otis Tewksbury, who has been spending the winter in Los Angeles and vicinity states that he will be home about the middle of April, possibly before. He and his family went to California last fall to spend the winter and from his letter he apparently has enjoyed the change greatly.

"We are enjoying the beautiful weather," he writes for the first few weeks. "I'm glad about the weather one afternoon during January and February there was considerable rain and a lot of damage was done, but it was not so near as bad as some of the winter papers stated. There were a few bridges washed out at the foot of the mountains. No one hurt or scared out here, he writes."

"The thermometer registered 62 on the sun at 3:59 this afternoon. That would be about 7:50 in Northville. I just came back from the ocean and people were bathing and lying on the sand. Of course, the sun shines all winter out here."

"We have seen the snow in the mountains a number of times. Can see the snow on Mt. Baldy most any day. It takes a little over two hours to drive up where there is snow. We were out driving one day when people drove down from the mountains with snow on their cars, and those walking about the streets were in their shirt sleeves. There are some automobiles in California, about 1,777,764 or more. Sometimes when you look out on the streets in Los Angeles, you would think there were more than that."

A hypothermic man who has lived in California for some time is a very interesting person.

ORDINANCE.
Whereas it is the policy of the Village of Northville to provide for the health, safety and general welfare of its inhabitants by providing for the establishment and maintenance of a sanitary sewer system and storm water system, and whereas the Village of Northville is authorized to do so by Chapter 100 of the Village Charter, and whereas the Village Board of Northville has adopted the following ordinance, be it enacted by the Village Board of Northville that the following ordinance be and the same shall be the law of the Village of Northville:

SECTION 1. The Sanitary Sewer System and the Storm Water Sewer System of the Village of Northville consists of two separate and distinct systems of Main and Lateral conduits with the necessary accessories. The Sanitary Sewer System is designated to carry off all liquid house waste, such as toilet, urine, the necessary water, toilet paper, liquid house or mill slop. No roof water, surface water, storm water of any sort or drainage from any garage, other private or public building or any dump located in or about any private or public garage, or any sort shall be connected with the Sanitary Sewer System.

The Storm Water Sewer System is designated for drainage purposes to carry off surface water, sub-surface drainage water, roof water and storm water. No house waste or sewerage, no garage waste or sewerage, or any spring or outlet in any way, either private or public shall be connected to the Storm Water Sewer System. The sewers in the streets or alleys passing the various lots are called main or lateral sewers, the sewers leading from the main or lateral sewers to the property on either side are called house drains, but all other parts and sections of said ordinance shall be and remain as ordained and adopted November 7th, 1922.

This Ordinance shall take immediate effect insofar as the regulations therein contained are concerned but no penalty for violation thereof shall be imposed for a period of thirty days from its passage and publication.

"When The Day Is Young"

Life is exacting—but life is consistent. Through all nature, natural laws sometimes seem hard—but only when we try to violate or evade them. Observation of them pays peaceful rewards. This major rule is no better proved than in this message to you about your business—and our business. When the day is young, the day of life, it is the time to be up and about. He who starts early to build constructively is he who knows that the younger years are the productive years, and that they must be made to take care of later years—when earning powers are lessened—and peace and rest should be enjoyed. Our savings department is the first stepping stone to such building. Decide now to save a part of your income EVERY WEEK—then watch it grow.

Once you are on our SAVING way you will never regret the start.
