### SCHOOL TUITION NOT TO BE RAISED BOARD DECIDES

#### Outside Students Will Be Admitted at Same Rate as Year Ago

School board officials have decided that the tuition rate for the Northville public schools will remain the same for the coming year as it has been during the past year. This action has been taken notwithstanding the fact that Farmington and some of the other nearby school districts have fixed new rates which are almost twice those of the Northville schools.

The tuition rates for next year for non-resident students from the first to eighth grade, will be \$30 for each semester, or \$60 for the entire school year. In the four higher grades, from the ninth to the twelfth, inclusive, the tuition rate for the school year of ten months is only \$85.

School will open for classification and class work on Tuesday, September 6th. A teachers' meeting has been called for 7:00 o'clock, Monday, September 5th, in the science room of the high school.

The course of study which follows will show that the Northville schools are especially well prepared to equip students for college and university courses as well as preparing them for commercial and vocational lines. The course of study follows:

#### JUNIOR HIGH SCHOOL

- Seventh Grade—Required—English, Arithmetic, History, Grammar, Geography, Physiology, Penmanship, Physical Training, Elective—Music, Art, Domestic Science.

The American Legion Auxiliary will meet Tuesday evening, August 23rd, at the home of Mrs. Helen White. There is important business to come up, and it is urged that every member be present.

### LEAVE CONTRIBUTIONS AT EITHER BANK

The committee raising funds to defray the expenses of the Centennial celebration has not had an opportunity to call upon everyone. It is therefore requested that if you desire to make a contribution to the cause that you call at either one of the banks, and leave what you desire to give at the bank.

Both will receive contributions. The committee necessarily has much expense to meet, and it will take quite a sum of money to take care of the obligations that will have to be met. Leave at either bank any amount you desire to give.

### BARN AND CROPS OF SEASON WIPED OUT BY FLAMES

#### Heavy Loss is Suffered by Herbert Wuschack on South Lyon Road

Fire which started from unknown causes, completely destroyed the barn on the Herbert Wuschack farm on the South Lyon road, northwest of Northville, Monday noon. The loss will run between \$12,000 and \$15,000, and the insurance covers only a very small part of it.

The residences and buildings on the Frank Hamilton farm would have been destroyed if it had not been for the timely assistance given by neighbors, who hurried to the place, when the alarm was given over the telephone.

The fire started during the noon hour, when Mr. Wuschack was in the house. The barn, which happened to be out in the yard and loaded with crops, was the first to burn. By the time he could get up to his barn, the whole structure, except the front and back, had been burned. Mr. Wuschack was returning to his home from Northville and saw the first signs of smoke at 12:30 p. m. He immediately called the fire department and the firemen arrived at 1:30 p. m. The wind was blowing big gusts directly across the road onto the barn buildings. Fire was his concern on the roof of the house and barn. Both structures caught fire several times and would have burned if it had not been for the assistance given by neighboring farmers. Several holes were cut through the roof of the house in an effort to locate burning places.

All of the crops harvested on the Wuschack farm were in the big barn and were destroyed. There were over a thousand bushels of grain, all of this year's hay crop, as well as his wheat and oat straw. Most of his farm implements were also stored in the structure.

The barn, which was a comparatively new one, could not be built for less than \$8,000. The loss is a big one, especially coming at this time of the year.

Twenty little friends helped Joyce Schaupeter celebrate her fifth birthday at Benton Park, Tuesday afternoon. Games and a picnic dinner were enjoyed.

Mrs. Harry Elliott and son, Raymond, and Miss Bessie Mae Pardee are spending the week in Chicago, as guests of the former's son and wife, Mr. and Mrs. Edward Elliott.

Mr. and Mrs. Norman Deane and family made a trip to Niagara Falls, stopping a few days at Cleveland with relatives.

Misses, Elsie, Brasso and Viola Brown returned last Friday from a delightful boat trip to Duluth.

Mrs. Walker Pettit of Zrahford, Ontario, has returned home after visiting her friend Mrs. Minnie Delaire.

Mrs. E. J. Workman and Miss Dorothy Workman of Detroit, were guests Thursday at the Lapham-Fry home.

Mr. and Mrs. Hugh Schaupeter and John Regal of Farmington, motored to Toledo, last Sunday.

Mr. and Mrs. R. S. Sackett of Detroit, visited his mother, Mrs. Florence Sackett, over the week-end.

Mr. and Mrs. S. A. Lowell are on a motor trip through Canada.

### FORD BAND WILL BE IN PARADE ON SATURDAY, AUG. 27

#### Manufacturer Personally Directs that His Band Come Here

Charles Newark, Harry Clark, M. J. Johnson and Postmaster Neal have been successful this week in securing for the big centennial parade that will take place on the last day of the centennial celebration the big Ford band, regarded as one of the finest musical organizations in the country.

The band, in addition to all the other features that Mr. Ford will send to Northville, will make a parade along this street, worth going hundreds of miles to see.

The committee, that called upon Mr. Ford, were able Monday to get in direct contact with him there was not the slightest hesitation on the part of the manufacturer in giving his consent to send to Northville this wonderful musical organization, as well as his historical transportation collection.

### DEATH REMOVES ACTIVE CITIZEN OF COMMUNITY

#### Samuel E. Cranson Expires Following Vacation Trip to North

Northville this week is mourning the death of Samuel E. Cranson, who for many years has been one of its prominent business men. Stricken with illness a few days after his return to a vacation trip in northern Michigan, he was removed to the hospital in Detroit a few days previous to his death but could not be revived. He died Saturday evening. Typical pneumonia was the cause of death.

Mr. Cranson was born in the town of Northville, Michigan, on August 15, 1862. He was married on August 15, 1884, and had three children: Mrs. C. M. Cranson, Mrs. M. J. Cranson and Mrs. M. J. Cranson. He was a member of the First Presbyterian church of Northville, and was active in many community enterprises. His passing is a general loss to the village.

The funeral was held from the Schrader chapel, Wednesday afternoon, the Rev. William Richards of the First Methodist church officiating. The body was laid to rest in the Rural Hill mausoleum.

At one time he was in the shoe business in Northville, and during the past four or five years he has been bookkeeper for the Fred W. Lyke hardware store.

Everyone was his friend, and he had the admiration of the entire community. He was a member of the First Presbyterian church of Northville, and was active in many community enterprises. His passing is a general loss to the village.

The funeral was held from the Schrader chapel, Wednesday afternoon, the Rev. William Richards of the First Methodist church officiating. The body was laid to rest in the Rural Hill mausoleum.

### CALL ONE OF THESE FOR INFORMATION

If you desire information about the parade or the decorating that should be done for the centennial celebration, it is requested that you get in touch with H. R. Richardson, chairman of the committee, Harry Clark or Stuart Montgomery.

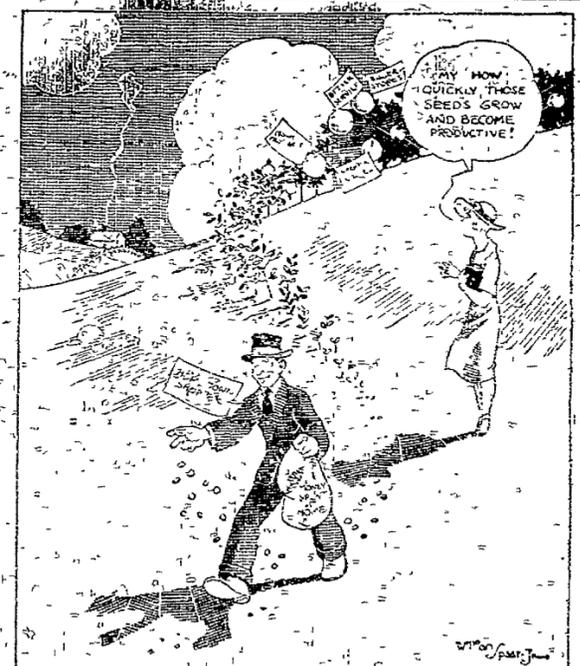

If you cannot reach one call one of the others, and they can take up with the committee whatever you have in mind.

It is urged that every business house in Northville be decorated for the event.

#### W. C. T. U. Notes

The W. C. T. U. will hold its next meeting at the home of Mrs. Jane Sessions on Thursday, August 25th, at 2:00 p. m. We solicit a full attendance of all active and honorary members. We also invite the general public. The drink evil is a menace to every home in the land. We should hold no compromise with it.

### SEEDS WORTH SOWING

### PROCLAMATION

Village of Northville, Michigan

Citizens of Northville have decided that it is proper and fitting that the 100th anniversary of the creation of this place be celebrated in a general way. For that purpose the community has set aside Friday and Saturday, August 26th and 27th, as the time for such an event.

I am pleased as president of the Village of Northville to declare a general holiday for that period, and to urge every person to participate and make the celebration one that will never be forgotten. Northville has much to be proud of. During its 100 years of existence the community has always been regarded as one of the substantial villages of Michigan. Many of its citizens have played an important part in the development not only of Northville, but of the great city of Detroit and the State of Michigan. We should not only celebrate 100 years of progress, but we should honor the members of the men who bore the burdens that necessarily go with pioneering.

We are expecting to entertain many of our former residents. We extend to them a cordial welcome upon their return to their former homes. In view of the fact that we are expecting so many to be our guests, I especially urge every property holder to clean up any vacant lots he may possess, to make our homes and lawns attractive, and to generally decorate business places in the village.

Let us all join in one great effort to make our celebration the greatest event in the history of Northville.

Signed, August 18, 1927.  
ELMER L. SMITH,  
Village President.

Attested,  
THOMAS E. MURDOCK,  
Village Clerk.

Lieut. R. G. DesAutels, Northville flying man ordered to Selfridge Field for training, Sunday morning drove eight aviators to Dearborn. They were shown all through the Ford airplane plant. From there they came on to Northville, where they met Edward Stinson, greatest of all fliers, and William Brock. The visitors were shown through the Sunson plane, William Brock, who is here preparing in a Sunson plane for a round the world flight, was the first stunt instructor at Kelly Field, Texas, that Lieutenant DesAutels was, under. After a short visit with his parents and grandmother, he returned to Selfridge Field.

Mr. and Mrs. Norman Deane and family and Mr. and Mrs. Regula and family spent last week at the Hart Lake Country Club, north of Houghton lake.

Dr. Truesdell of Orion was a caller on Rev. William Richards this week.

Miss Fern Schrader is enjoying an extended trip through Canada.

### PARADES, DANCES, BARBECUE AND BALL GAMES, MUSIC TOO

#### Northville to Show Visitors That it is Royal Entertainer

Northville is ready to entertain the largest number of visitors that ever accepted the hospitality of the community, who are expected to come to assist in celebrating the 100th birthday anniversary of the place, next Friday and Saturday.

Invitations sent out two weeks ago by members of the invitation committee has resulted in a flood of letters being received by local residents, advising them of intended visits by former residents.

The program has been worked out in detail so that everyone may know just what each event will take place, the following schedule of events has been worked out by the program committee:

Friday, August 26  
10 to 12 o'clock—Registration of visitors at the village hall on West Main street. Members of the registration committee and of the reception committee will be stationed here most of the time during the celebration.

Friday Afternoon  
1 o'clock—Street sports, on living street, just north of Main. This part of the program is in charge of Harry Gorman and his committee, and he has worked out a number of stunts that are bound to please.

2 o'clock—Band concert in Village park, and address of welcome by President Elmer Smith. Talks by old time residents of early Northville history.

4:15—Ball game at Fair ground. Three veterans over 50 and young players. Show if Ed Stein and a number of former baseballers have been started in their country to take part in the contest. It will be a game worth watching.

Friday Evening  
7:30—Ball game between the Northville and Dearborn teams. Special features by the former's football team. The game will be held at the Northville school building. The game will be a game worth watching.

Saturday Forenoon  
10 to 12 o'clock—Reception at Village hall. Ball game in the park.

11:30—Old time ball game in city park just back of city hall.

Saturday Afternoon  
1:30—Address by James Schierhorn, world-famous humorist. Music and singing by the well known Hudson quartet of Detroit.

3:00—Parade, featured by floats, and many of the valuable possessions of Henry Ford, showing various methods of transportation during the past 100 years. Start of parade will be announced by red alarm siren, so no one will have to leave park before proper time.

4:00—Ball game, transferred regular series contest between De-Ho-Co team and the Belleville Sluggers.

Saturday Evening  
7:30—Old time and new time dancing in the streets.

### WILL CELEBRATE OWN ANNIVERSARY

While Northville is celebrating its 100th birthday anniversary, James A. Cavell, father of Dr. E. R. Cavell, is also going to celebrate an anniversary.

While it is not his 100th anniversary, it is not a great ways from it, for he will be 90 years old on August 26th the day that the community starts its celebration.

Mr. Cavell was born in New York, but has spent the greater part of his life in this part of the country. He was a veteran of the Civil war, having served in the Fifth and Eleventh Michigan Cavalry. During the past twenty years he has made his home in Northville. His many friends are pleased to extend congratulations.

He is in perfect health and enjoys greatly working in the garden and raising flowers. His garden spot is one of the most attractive about the town.

There will be a home coming of the Northside circle of the Salem Federated church, Tuesday, at the church. The event will continue all day, a dinner being served at noon. A special invitation is extended everyone to come and enjoy the day.

## FARMER VICTORY SPECTACULAR ONE

(Contributed)  
We have had quite a number of important people out to our ball games from time to time. Some of them came as guests of the state, and some of them paid admission, but Saturday we had the famous brothers, Nip and Tuck, with us. In other words, if you didn't see last Saturday's game between De-Ho-Co and the Belle Isle Tigers, you missed one of the very best Saturday afternoon games we have had out here in a long time.

It was one of those games wherein neither side was willing to give an inch without paying up a desperate fight, the Farmers winning 7 to 2. Now for the benefit of those who do not know or realize the significance of the game Belle Isle Tigers, we will tell you that it is the member of one of the highest J.H. teams that ever crossed De-Ho-Co's timonola. We mention this because one of the attendants at the park overheard a little boy asking his daddy if he elephants were here, too. No, indeed, the Tigers, we had out here were and are in no way connected with the zoological enterprise on that famous island.

Quite true, they were fast and furious, but not enough to show the Farmer boys anything. Arthur Cousineau pitched a game that Whitehall and Carroll might have justly felt proud of. He was opposed by Myers and Keyeska, both of whom knew their business. Credit for the winning of this game does not rest on the shoulders of anyone in particular, for it was a hard fought battle in which everyone had to do their utmost.

Sunday, August 21st, De-Ho-Co will meet the Detroit Fire Department at De-Ho-Co park. This is the game you have been waiting for. The Farmers will do their part toward defeating the Fire Fighters of the Daters, whichever you choose to call them, if you will buy some outfield land, put moral symbols. Of course, the admission will be the same—Grandstand seats, 35c; bleacher seats, 25c. Let's make it a big day, folks!

## TUBERCULOSIS IS CAUSE OF DEATH

There passed away at East Lawn Sanatorium, Ernest Menzel, Wednesday, August 10th, after an illness of several months with tuberculosis. The funeral services were held in the Snyder Bros. Chapel on Saturday, August 13th. Rev. William Richards officiated.

The deceased was born in Germany, May 20th, 1857, and died at the age of 70 years. The body was laid to rest in the Goodrich cemetery. He leaves a widow, Marie, two small children, his father-in-law, two brothers, Edward and Walter, of Detroit. He was employed with the B. & N. in Detroit, and a number of corporations. He had the funeral services of the modern type in his own home.

## PRESBYTERIANS SO FAR IN LEAD PLACE IS SECURE

Four Teams Tied in Twilight League—Monday to Decide

It's all over but the shouting and the passing out of the gold medals. No matter what the results of the games at next Monday night in the Twilight Baseball League series, the Presbyterians have won, spiked shoes for the spiked shoes. The championship is theirs, and it has been won by really playing good baseball. All that the next games will do is decide which team is in second place. The Exchange and Independents are tied. The Baptists and Salem are tied for third place so Monday's games will be important from the standpoint of these two places. Gold baseballs will be passed out Monday to the winners.

The results of August 15th contests follow:

Lutherans	10	Methodists	5
Independents	18	Exchange	10
Salem	24	Rotary	6
Presbyterians	14	Baptists	1

## MASTICK TELLS WHY NEW DODGE BURNS LESS GAS

Points Out the Numerous Changes That Have Been Made in New Car

One of the most important problems of the automotive engineer today, is to design motors which will permit greater gasoline economy. Experiments along this line are constantly being made and remarkable successes are being attained.

The latest claim of unusual economy is made by Dodge Brothers for their new four cylinder cars which are being introduced as a group of about 100 models at 25 miles on a gallon of gasoline at a speed of 25 miles per hour. Carl Mastick, of Plymouth Dodge Brothers, Inc., for this reason, states that since the new cars were introduced, a great many people who had examined them had commented upon their economy. Several factors, he says, are responsible for this economy and he pointed out the following: One of the most important is the higher weight of the cars. Naturally with less weight on the engine to move, a considerable saving in gasoline is accomplished.

Another contribution to economy is made by the gear ratio, which is lower than on former Dodge Brothers cars. This means that the engine makes fewer revolutions in driving the car a mile than were formerly required, thereby bringing about another saving.

Improvements in carburetor, better manifolding, a redesigned cylinder head and faster entry of the gas into the combustion chamber, announced earlier in the summer as important characteristics of this Dodge Brothers motor, also result in the achievement of operating economy.

The design of the carburetor was improved when the new motor was introduced and its location changed so that the gas has a shorter distance to travel from the carburetor to the combustion chamber. The gas goes from the carburetor through the intake manifold, which is heated by the exhaust, and all liquid fuel which passes over this "hot-spot" is completely vaporized.

The cylinder head for the new motor was re-designed and is now of such shape that more power is obtained from each explosion than was possible with the old head.

These factors, in addition to contributing to greater gasoline economy, are responsible for a very large increase in power and acceleration.

## BROTHER OF MRS. ULRICH EXPIRES

Mrs. I. J. Ulrich received word Saturday, August 13th of the sudden death of her brother Eldon H. Tiffin of Detroit.

Mr. Tiffin was born and raised on a farm south and west of town. He received his education in the public schools of his place. His death came suddenly following an operation, which was preformed at Harper hospital Detroit. Besides his widow and three sons he leaves many distant relatives and friends, to mourn their loss.

## "YOUR FAIR" SAYS FLOYD NORTHROP IN PREMIUM BOOK

Excellent Foreword Printed by the Association in Publication

Your Fair is the foreword of the Northville Wayne County Fair Book, which has been mailed out by Secretary Floyd Northrop. Because of its general interest the Record is pleased to publish it. It follows:

The Board of Directors of the Northville Wayne County Fair, takes pleasure in announcing the Cleveland Anna Northville Wayne County Fair—September 27th to October 1, 1927. We have a proud record of past accomplishments, and it is our desire to make each succeeding Fair better than the last, and this can be done only by the co-operation and interest of every member of the community.

In presenting our eleventh annual premium list to our friends, we do so with the hope that you will again exhibit at the 1927 Fair. Please keep in mind the fact that this is "Your Fair" and its success or failure depends upon your co-operation. There will be a five day Fair, and we are endeavoring to fill each one of them with special events. The free attractions are numerous, and of high class line, and a program of entertainment, each afternoon and evening.

The fair will be of interest to all horse lovers, and the grandstand liberal. The horse show will be held on Saturday this year and it is expected we will hold to our success of previous years. There will also be special saddle classes on Thursday and Friday afternoons.

A baby show, fireworks and ball games will also add to our many amusements.

Begin now to plan your exhibit at the 1927 Fair.

May we count on you?

Certain kinds of trees like the locust and acacias, build up poor soil through the nitrogen-gathering bacteria in the root nodules.

### A New Silk Dress

—for only 17¢  
I quit wearing this dress because it was so old and faded. I had a new one made for me about a week ago. It is made of the finest silk and is so bright and new, and the thing that cost only seventeen cents.

Silk is an amazing material. It is soft and smooth and it is so strong. It is also very beautiful. It is a material that is so easy to care for. It is a material that is so easy to wear. It is a material that is so easy to love.

### STORE OPENINGS BROUGHT LARGE CROWDS TO TOWN

Elliott's and Horton are Pleased With the Results

Does it pay to advertise—at least in Northville and vicinity? The people of Northville and vicinity know the answer. We appreciate the splendid business they gave us on our opening day. It far exceeded our expectations. There were hundreds of new faces in the store, and we had one of the biggest sales that day that we have had in a long time. stated William H. Elliott this week, in speaking of his remarkable opening in his new location last Saturday.

From early morning until late at night his store was filled. The grocery department, now one of the largest and most complete about here, as well as the bakery department, were washed during the entire day. His bakery, now located in the rear of the store, is as modern as a bakery can be. Everything is new and up-to-date.

The formal opening of the Horton Drug store in its new location on the corner of Center and Main streets, also took place Saturday. This place was a busy one too. In fact, the store was jammed Saturday evening for a time.

Mr. Horton also wishes to express his appreciation to the many hundreds who came to his place of business on the opening day. Both of these openings were advertised only in the Record, no billboards or letters being sent out. This is simply mentioned to show the results from newspaper advertising.

### NEW RECORDS MADE BY GRENNAN COWS

The American Cow Club of New York City has sent out the following information pertaining to the new records of production which are of especially local interest.

Elizabeth Dolly, Vardian, 1926, a Lincoln Jersey cow, owned by P. H. Grennan of Northville, Mich., has completed an official 765 day test in which she produced 5724 lbs. of fat and 2731 lbs. of milk. In her best month she produced 657 lbs. of fat, while for four other months her production reached 750 lbs. of fat per month. With the record she qualified for the title of "Miss of Michigan" for 1926.

Paula Kopp, 1925-26, and her husband, Fred Kopp, of Northville, Mich., have completed an official 765 day test in which she produced 5724 lbs. of fat and 2731 lbs. of milk. In her best month she produced 657 lbs. of fat, while for four other months her production reached 750 lbs. of fat per month. With the record she qualified for the title of "Miss of Michigan" for 1926.

### Novi News

Mrs. Earl Banks has critically having suffered another severe heart attack.

The local Rebekahs held their regular monthly meeting last week on Thursday evening.

Mr. and Mrs. Charles Holmes and son, Albert, were guests, Sunday, of cousins residing at Batu.

Mrs. Nancy Jones arrived Saturday to spend a week or two with her daughter, Mrs. Maud Newboard.

On Monday, Mrs. Henry Stillwell entertained two of her sisters, Mrs. Clyde Putnam of Northville, and Mrs. John Phelps of Straits Lake.

Mr. and Mrs. Elmer Thompson and son, Richard, expect shortly to move to Detroit where Mr. Thompson is employed. They have spent the spring and summer months in our midst.

The Mission Band will hold a bake sale at the Belle Waiters' grocery store, Saturday, August 20th. The ladies who contribute the goodies are urged to bring them in no later than ten o'clock. Mrs. B. C. Cummins and Mrs. Johnson will be in charge.

L. J. Putnam, one of the enterprising young men of our community and a carpenter of note, has recently completed a modern new home on the Mairs subdivision. With the baby daughter, Lenore, Mr. and Mrs. Putnam are this week taking up occupancy of their domicile.

Mrs. Tyler formerly of Novi and lately of Cedar Island Lake, is in a Detroit hospital, having undergone a complicated operation. To lighten her hours of convalescence, the ladies of the Mission Band, in which Mrs. Tyler retains her membership, are sending her daily postal cards with cheerful greetings.

Mrs. George Woodworth and daughter, Helen, Grace and Ruth, of Lincoln Park, were callers on relatives in and around Novi, Monday. They

made final arrangements for a reunion of the Rev. Woodworth descendants, to be held Sunday, August 21st, at Mrs. Woodworth's summer home at Snow Point on Lake Erie. Mr. and Mrs. Walter Park are back in Novi after a ten-night trip through the eastern and southern states. Although they visit at Washington, D. C., they didn't shake hands with the President, but nevertheless, they returned well satisfied with their outing. Mrs. Park's parents, Mr. and Mrs. Bush of Milford, enjoyed the vacation with them.

The Oakland county road commission has placed signs on the South Lyon road, notifying motorists to stop as they are approaching a "thin highway," which is the Northville-Nowi thoroughfare. "Cross Road Ahead," notice is posted conspicuously on the Northville road to further safeguard the motorists. We commend this precautionary step at this otherwise dangerous junction.

At the union picnic of the W. C. T. U. organizations of Novi, South Lyon, New Hudson and Walled Lake, but not was represented by an attendance of ninety. The ladies met at the state park at Island Lake, last week Thursday, and after a social hour a basket luncheon was partaken of. An excellent program filled the afternoon, and some of the delegations, numbering seventy-five, dispersed, having derived much benefit from their get-together day. Mrs. and Mrs. Fred Ferguson, of Ann Arbor spent Sunday with the late's parents, Mr. and Mrs. F. J. Chapman. They were accompanied by their son, Allen, who remained for a few days' enjoyment on his grandparents' farm. Mr. and Mrs. Ferguson left Monday on an extended trip through Quebec and upper Canada as far north as Georgian Bay. Prof. Ferguson will be remembered as superintendent of the Northville schools about twenty years ago.

Mr. and Mrs. Nicholas Johnson, together with the former's brother and wife of Detroit left this week for an eastern trip. They expect to tour via auto and will stop at all points of interest along the coast, including a visit to the national capital returning to Novi around the first of September. As this is the first vacation in three years, the Mr. Johnson has taken from his duties a local agent of the P. M. R. W. just that he might enjoy the fullest measure of pleasure and relaxation.

Work on the Taylor Mill road is progressing rapidly with 2 1/2 miles completed. The remainder will be completed by the end of the month. The road will be a great benefit to the community and will greatly assist in the development of the area. The road will be a great benefit to the community and will greatly assist in the development of the area.

Many a young man and Mrs. (Miss) Putnam but they did not make a scene among which they have been traveling during the summer months, and with their children, Zedek, Mae, Clayton, Edward and Donald, left for the return trip to their recently chosen home in Huntington Park, California. With a complete camping outfit attached to their Buick touring car, they will make their journey expeditiously and with every comfort, stopping enroute at the roughest camps that each city strives to locate for the attraction of the transient comers. Mrs. Putnam says that the comforts and conveniences afforded by the camps, coupled with the excellent roads and courteous treatment accorded one make traveling through any state in the Union a supreme joy. Doesn't such a revelation make you rejoice in the knowledge that you are a substantial citizen of the good old U. S. A. and are sheltered by the folds of the glorious Red, White and Blue?

Maybe the farmer works hard, but in this day and age, he is ably assisted by every conceivable machine that human ingenuity is capable of devising. Although the plow and the mowing machine and the sun cures it as in days of yore, the task of cutting and storing this crop does not call for the arduous and toilsome effort as it did thirty or forty years ago. Weary, sweat beaded horses no longer drag a mower over the endless field, for they have been supplanted by a tireless tractor pulling a simply devised and easily attached mower, which hungrily and with no seeming effort lays the grasses in neat swaths, while the farmer sits sheltered from the heat beneath a spreading umbrella and guides the mowing power. The large barn on the Milo Chapman farm is filled to the peak with hay cut by a tractor mower the first to be operated in this vicinity. In a short space of time, fifty acres were laid low by a valiant Fordson and this new attachment, and Mr. Chapman avers that "old Dobbin" and his sidekick can henceforth browse clover tops during the haying period.

## You can't look at a tire and tell how far it will run

YOU CAN'T SEE a tire carcass because it is covered by the tread. Yet the way this carcass is built tells how far the tire will run.

Dunlop has had 39 years to learn all the hidden points where tires wear. Dunlop carcasses are built from the best long fibre cotton, spun in Dunlop's own mills into the famous Dunlop cable-twist cord.

These cords are elastic, so they give and take as your tire runs; strong, so they resist constant load and pounding. They build the best possible foundation for the Dunlop tread—the toughest rubber development known.

Thus Dunlop's extra years of experience build added value into every vital tire part. That is why, not one Dunlop—but every Dunlop—gives you more service than you can reasonably expect.

We recommend that you put Dunlops on your car.

The annual reunion of the Briggs school will be held on the school grounds, Saturday afternoon, August 27th. Everybody welcome.

Misses Helen and Bertha Budalet, of Memphis, Illinois, and Miss Ethel Burke of Cadillac, are guests at the home of Mrs. C. H. Young.

Mrs. Alice Flaherty, who has been visiting at the home of her son, E. M. Flaherty, has gone to Pittsburg, where she will visit for a few weeks.

George Battenhart, Jr. is taking a short vacation and during his leisure time he is driving some of his fast steppers at some of the nearby races.

Mrs. Lizzie Wherry and daughter Mrs. Lewis of Detroit, were callers here at the home of Mrs. Lester Cook. Mrs. Wherry is a cousin of Mrs. Cook.

Miss Margaret White of Detroit, has been the guest of Mrs. Albert Stockman. Mr. and Mrs. Harvey White of Detroit have also been the guests of Mrs. Stockman.

Mrs. Gerald Taggart, who has been called for to the home of her mother, Mrs. Sam Pickard, was able to be removed to her home. She is getting along as well as can be expected.

Miss Lillian Cassin, a Northville girl, won a gold dancing prize at Grove City, Pennsylvania a few days ago. She was also called to represent the South in the musical carnival in Detroit.

Mr. and Mrs. Carl McCullough left Wednesday morning for a trip down to Bath, Michigan, where they will spend the week. Mr. and Mrs. John Darling, formerly Northville residents, they also were returned to Kalamazoo and other places.

Mr. and Mrs. Harold White, Mr. and Mrs. Frank Power, Mr. and Mrs. P. Murphy, William Doss, Paul Foster, Oscar Hummel and Harry Bolton were in Jackson this week, as delegates to the state convention of the American Legion and Auxiliary.

Mrs. Ida Rose Croft, last Friday, delightfully entertained at a bridge breakfast of four tables, in honor of Mrs. Annally, whose marriage at 11:00 A. M. took place next month in her own home was beautifully decorated with flowers for the affair.

Mrs. Charles Hart, nee Burt Bird Fane was very much surprised last Saturday night when about twenty of her friends and relatives walked in unannounced with their baskets to remind her it was her birthday. Cakes and dancing was the passtime, and all made her good night at the wee hours of morning, saying they had a most delightful time. Mrs. Hart was the recipient of many beautiful and useful gifts.

Announcement is made in this week's issue of the Record, of the opening in Northville of a \$1 shoe store, being store number 32 of the \$100,000,000 Stores of Detroit. It is located at 104 East Main street, the former location of the Horton Drug store. T. L. Lange, who has had many years of experience in the shoe business, will be in charge of the Northville store. Shoes for women, children and men will be carried, the Bostonian being featured for the men, although there will be other makes as well. For the opening day, Saturday August 26th, special souveniers are offered and sweets for the kiddies.

The annual reunion of the high school or class of 1916, was held at Commerce lake, last Sunday. Mrs. Paul Becker (Elizabeth Olm) was the hostess at a cottage on the lake front and as a hostess to her classmates in preparing a fine time she is second to none. Several a hie,c activities were held along with the bathing and boating excursions, and a bountiful pot-luck dinner and supper were served that met the requirements of the big crowd. At 9:00 p. m. the picnic broke up and all went home tired but happy and every one gave expressions of a fine time, looking ahead for the big time again next year. This class boasts of being the only class of the N. H. S. that holds an annual reunion, at which practically all of the class within driving distance are present.

## LET'S BEGIN NOW

Under the new charter, which has been adopted by the voters of Northville, considerable additional power has been conferred upon the village commission. There is much that they can do that, previous to its adoption, was difficult to accomplish.

There is something that easily can be done, and will benefit everyone in Northville. Because of the closeness of this place, Detroit, it is overgrown with agents selling everything from fish-hooks to land in Siam. Every thing used by the ordinary individual is sold by these agents. They not only pest the homes, but invade the stores as well.

Just yesterday there was a fellow running around town trying to sell hosiery. The other day a fellow was through here taking orders for coffee and spices.

To buy from them does not in any way benefit the buyer, as you pay a high price, if not higher, and get much less inferior product. If you don't believe this assertion, write to any concern seeking agents, and find out something about the "BIG PROFIT" they offer you, to sell their goods.

It is absolutely wrong that Northville business men paying taxes and supporting the various institutions and enterprises of the city should be forced to compete with these outside money grabbers. But they will be forced to do so just as long as there is no protective ordinance against it.

It lies within the power of the village commission to pass an ordinance making it necessary for anyone "taking orders" to secure a license before doing business in Northville. The license fee can be fixed at any amount. It would be well to put the fee at something like \$100 per day and anyone found peddling with out a license subjected to a heavy fine or imprisonment.

In this way, if these agents wanted to do business in Northville, they would be required to put some of the expense of maintaining the community at their own expense, which is required to do.

As it is now these outsiders are reaping a rich harvest of Northville folk, and the community is a whole is forced to bear the burden of their greediness. Let's stop it!

## STREET PAVING LEGAL NOTICES

RESOLVED That the Commission of the Village of Northville determine and hereby determines to make the following public improvement in the Village of Northville, namely:

To pave with two and one-half (2 1/2) inch sheet asphalt on a six (6) inch concrete base, or with an eight (8) inch concrete roadway, or other permanent types of pavements as the Commission may select, together with the necessary grading, curbing and drainage, 26 feet wide ROGERS STREET within the Village from Main Street to Dunlap Street.

## A King Day Dreaming By An Open Fire

Where do ideas come from—who presents them to us—what is the process that ticks within the brain to make ideas?

A falling apple excited Newton's imagination and the question of why it fell led to the law of gravitation and its uses to society.

A clattering teakettle-top that Stephenson saw in his mother's kitchen opened a door that led to the modern steam engine and the era of improvements to which it gave rise.

A swinging chandelier in the cathedral struck the keen mind of Galileo and he figured out that it would swing by itself on its own axis.

A fire in an open heater in the King's living room in the palace started the thought that God was worthy of a better dwelling place than the brazen house of cedar in which David himself lived. What he did about that is our study next Sunday.

Many friends in the neighborhood gathered at the home for the funeral, Monday, the 15th, and placed many floral wreaths with their sympathy. Funeral services were held by Rev. William Roberts, and the casket was laid to rest in Rural Hill cemetery.

YOU NEVER FIND—

A chorus girl who owns an alarm clock.

A doorman who ever watches the show.

A comedian that looks happy in the wings.

A deaf actor who couldn't hear applause.

An actor who feels that anyone could play his part.

A woman patron with a new wrap who arrives in time.

A dressing maid who doesn't think her mistress is crazy.

A box office man who never forgets to charge war tax.

A patron who ever laughs or applauds from a post seat.

A woman star who wouldn't rather be one of the chorus girls.

A wardrobe mistress who says she wasn't a beauty in her day.

An actor whose jumbo never stopped him from taking bows.

A girlusher who doesn't think the chorus is getting away with murder.

A star who hasn't been signed up for five years via the press agent.

A dramatic critic who ever forgot himself and cried "Speech!"—Detroit News.

BRIEFS FROM BILLVILLE

It's all right to run for office—if you get tired in time to quit before you have to.

It isn't exactly a devil of a world just because some folks say they have a h-l of a time in it.

Man has succeeded in conquering the cold air, but he's still as helpless as ever against the heat.

We try to never quarrel with Trouble, but when on the way like we don't know he was around.

A Touch of Elegance

SURELY it is with a feeling of great satisfaction that the housewife, at table, hands to waiting husband or child a cup of coffee drawn fresh and fragrant from the electric percolator before her; or a slice of toast lifted hot and crisp from the toaster at her elbow. And then the touch of elegance lent the table by a handsome electric appliance! The eye is not less pleased than the palate.

Economical, also! Not only are time and trouble and labor saved, but expense as well. For one cent's worth of current a percolator will make six cups of coffee, a toaster will make ten to twelve slices of toast, a waffle iron will make five waffles, a grill will cook cereal and bacon for two.

You can buy these appliances on convenient terms

**FORMER LOCAL PASTOR DIES AT HOME IN PONTIAC**

**Rev. William S. Jerome Preached in Northville for Twelve Years**

Rev. William S. Jerome, pas-  
 tor of the Northville Presbyterian Church  
 from 1900 to 1912 who numbered hun-  
 dreds of residents of this section as  
 friends, died Sunday morning at his  
 home, 49 Duane street, Pontiac, be-  
 ing 73 years of age at the time of his  
 death. During the 12 years he was  
 pastor of the local church, he was  
 active in all community affairs and  
 as a result his acquaintance extended  
 into a very wide circle.

Rev. Jerome was born in Fairfax  
 county, Virginia, May 16, 1854. After  
 receiving his early education in Bur-  
 lington and Rochester, New York he  
 published a weekly newspaper at  
 Geneva, New York, and entered  
 Auburn Theological Seminary to  
 study for the ministry in 1883.

Ordained and installed by the Pres-  
 bytery of Cayuga, New York, he ac-  
 cepted his first pastorate at Kings-  
 Ferry, New York, October 3, 1883.  
 Seven years later he moved to Buffalo,  
 where he served as pastor of Olive  
 chapel for one year. In 1893,  
 he went to Pontiac as pastor of the  
 First Presbyterian church.  
 In 1897 he became affiliated with  
 the Westminster church, Detroit.  
 From 1900 to 1912, he was pastor of  
 the First Presbyterian church of this  
 place, and followed that with four  
 years in the University of Michigan  
 library at Ann Arbor. After hold-  
 ing a pastorate at White Pigeon,  
 Mich., from 1917 to 1923, and some  
 mission work at Keego Harbor the  
 same year, he retired.

He was married to Miss Mary Alice  
 Warner of Orleans, New York, in  
 1883. Mrs. Jerome died in Ann Arbor,  
 June 2, 1915. In June, 1919, Mr.  
 Jerome was married to Mrs. Thelma  
 Anderson of Pontiac. His widow  
 one daughter, Mrs. N. D. Shaw of  
 Hartford, Mich. and one brother, Ed-  
 ward S. Jerome of Cincinnati, sur-  
 vive.

From the year he entered the min-  
 istry until 1911 Rev. Jerome was con-  
 nected with the church press being  
 the author of numerous articles in  
 theological subjects.

Funeral services will be held in the  
 First Presbyterian church, Pontiac,  
 Wednesday at 3:00 p. m. conducted  
 by Rev. Paul Arnold of Pontiac, inter-  
 ment in the Woodlawn cemetery.

Walter Leonard, for many years a  
 well known resident of Northville,  
 died Sunday at the home of his  
 daughter, Mrs. Joseph Herron in  
 Berkeley, near Detroit, where he had  
 lived for about the past twenty years.

At the time of his residence in this  
 county, he was a farmer. He had  
 been ill for nearly a year. The  
 funeral was held from the home in  
 Berkeley, burial taking place at Rural  
 Hill.

 business college in Ypsilanti. His  
 father is a family doctor for him. He  
 will accept in the line of work he  
 has decided to follow. Mrs. Lyke has  
 later than her husband. She will be re-  
 turned September 1st.

**ROTARY CLUB TO MEET MONDAY EVE**

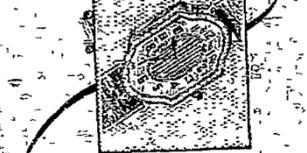

Next Monday evening at 7:00 o'clock  
 members of the Rotary Club and their  
 wives will meet at the Meadowbrook  
 Country Club for an evening session,  
 which will be featured by the report  
 of the world Rotary convention held  
 at Ostend to be given by Edward G.  
 Langfield, delegate from the North-  
 ville club to that meeting.

This was the session announced a  
 week ago, but which was delayed until  
 this time because of the conflicting  
 dates at the club.

President Don Yerkes, Sr., at the  
 meeting of the Rotary club Monday  
 noon advised the members that all  
 arrangements for the affair had been  
 completed, except the fixing of the  
 time, and that he had been advised  
 that either next Monday night or  
 Tuesday would be satisfactory.

Members voted to have the meeting  
 Monday evening.

At the session Monday noon, Wal-  
 ter Leonard, for many years a well  
 known resident of Northville, died  
 Sunday at the home of his daughter,  
 Mrs. Joseph Herron in Berkeley, near  
 Detroit, where he had lived for about  
 the past twenty years.

## DETROIT POLICE BAND WILL PLAY AT CENTENNIAL

To Stop on Friday on Way Back from Maybury Sanatorium

One of the big features of the Centennial celebration to be held next week Friday and Saturday will be the first appearance of the Wayne county outside of Detroit of the Detroit Police Band. The band, which is directed by the late Sgt. J. J. Neill, will be the first to appear in the Wayne county, outside of Detroit, of the Detroit Police Band. The band, which is directed by the late Sgt. J. J. Neill, will be the first to appear in the Wayne county, outside of Detroit, of the Detroit Police Band.

A hurried trip was made to Detroit, and the police commissioner gave permission for the band to stop on in Northville on its way back to Detroit, and give a brief concert Friday afternoon in the city park directly back of the city hall on West Main street.

The concert is scheduled for the program to begin about 2:00 o'clock, and will probably continue for one hour and thirty minutes.

The Detroit police band is regarded as one of the finest musical organizations in that city, and the fact that it will be in Northville for a concert for one afternoon is pleasing news. Dr. Douglas of the Sanatorium had much to do with assisting local officials in bringing about favorable action on the request.

### Growing Plants in a Sponge

The sponge makes an excellent soil in which to grow certain decorative plants. For a very effective window display soak a large piece of coarse sponge in water, squeeze it half dry, let sprouts of the openings and clove seeds, etc., barley, burn grass, clove, etc. Hang this in the window where the sun shines a portion of the day and sprouts will grow.

The sponge does not take a mass of lime green vegetation very attractive to the eye.

The seeds used may be varied according to fancy, but the above named seeds in a hanging sponge are practical.

than a sponge set in a dish or plate, though excellent results may also be obtained by planting other seeds, grapefruit seeds, carrots, etc.

The seeds which produce delicate feathery leaves are the prettiest for indoor plants. Golden millet brings a surprisingly quick result in leaves and decorative "fruit". Sweet clover seed also brings quick results and has a hardness not so easily affected by change in temperature as many seeds have. Creeping bent grass seed produces a dense growth and is also very hardy.

## A Woman Pays by Check —If She Is Wise

In ages deep in the past, payments were made in any commodity you would accept. Not so many centuries ago a transaction could be made with anything tradable. It was at that time "I promise to pay upon demand" originated. The defenseless were "demanded to pay" often being beaten into a paying mood. In these days of an advanced, wise people pay by check. The most convenient, safest, cheapest, and most sensible way to transact affairs involving the transfer of money. Employers should pay their employees by check. That's safest. Employees in turn should pay all bills by check.

Come in and let us explain how a checking account is the ideal modern way to handle money.

## NFW YORKER TELLS HOW TO PACK TOWN— FULL OF PEOPLE

Former Village Resident Sends  
Message to Edward Lapham

Clarence D. Clark, former Northville resident, now of the general counsel staff of the New York Central lines in New York City, has suggested a way to pack Northville with people during the centennial and home coming celebration. Publication of his letter to Edward H. Lapham of the Lapham State Savings bank, is the best way to tell his ideas. It follows:

My Dear Eddie:  
"I would like to make a suggestion that might possibly increase the attendance at your centennial. We will have the 'Record' publish each week a list of the strays—wild cats, mavericks and homing pigeons that from time to time during the next two or three weeks signify their intention of 'being there.' If might bring Bill, if he knew that Jake and Hank were planning the trip.

"I expect to be in Washington in the midst of the trial of our valuation case, which we have had in preparation since 1917, but bright and early Friday morning, if it is humanly possible, I expect to be in Northville. In fact, I have laid all my plans to pay all the expense of the trip from my winnings in the tennis match. Many years ago, on a glorious Fourth of the early '90's, Mark Ambler and I played B. A. Wheeler played S. W. Knapp on a tennis court having a frontage on Center Street, just north of the old Cady place. Mark and I split the five-back prize, thereby becoming professionals, and thenceforth and forever barring us, much to our combined regret and chagrin, from ever getting a cack at William J. Hiden and the Davis cap. The two former rival grocery dispensers and green-kolds men are hereby and herein challenged. I know the lads are on deck, having cleaned up at baseball last week on you and diverse and sundry other picknicking and cake-baked husbands. During the last Christmas holidays I saw Margo and learned from him that Mark had picked on, so I am just naturally obliged to pay 'em all alone.

"I shall glad under the auspices of The Independence Order of Explorers and Adventurers, please enter the event and collect the entry fee from either Brano Freydl, Wiley Tobbin, Butch Baker, 'Skip' Wilber, Ed. Sizer or Ray Murbach. The other boys, I guess, are dead, so they owe me an Obit.

Don't pity de souads 'n' de val today, but de P is too much for de bl. rest of de world is de swider.

If you knows what de best when is come' from, in '96's let a place ter sleep tonight get in de t' place ter.

It don't do some folks any harm to think dey owns de earth fer de world don't turn round ter dispute de ques tion wid 'em.

When joy comes ter sea you, you better be at home, an' don't try ter climb up de chimney, thinkin' he's a bill collector.

When you got Trouble in yo' power dat's de time fer finish him, an' not turn him loose so's you'll have ter hgt him again.

De man wid de bank account don't sleep easier than de po' man wid nothin'. Ten ter oua, de bank man is 'fraild his wife will git ter it fast.—Atlanta Constitution

## WHY YOU SHOULD BUY MILK FROM ULRICH'S CREAMERY.

FIRST. Because it comes from tuberculin tested cows, that are kept in spotlessly clean stables.

SECOND. Because all milk is instantly cooled over corrugated aerators.

LASTLY. Because it is bottled and cared for in our modern creamery where the milk is not touched by the hand of man, but is bottled and capped by automatic machinery.

Courteous Treatment—Prompt Delivery.
