\$1,000 IN PRIZES OFFERED FOR FAIR BALL TOURNAMENT

One of Big Features Will be Series of Games for Five Days.

One of the big features at the fair here next week will be the annual big eight team ball tournament. The teams to contest for the \$1,000.00 prize money offered by the Fair Ass'n are Ringers Polish News, Pontiac, DeToGoC6 Belleville, Plymouth, West Pointe and Brightmoor.

It means a battle each day from Tuesday afternoon until Saturday night. There will be a forenoon game on Wednesday and Friday in this tournament. This is the biggest tourney in the state and means much to base ball fans. The ball grounds have been put in excellent condition and will be used Sunday afternoon for the double header.

HIGH SCHOOL FOOTBALL TEAM READY FOR ITS FIRST BIG GAME TODAY

Moleskins have again been taken from their boxes and the Northville high school football team, aspirants under the tutelage of Coach Doeksen and Assistant Coach Colvin, are rapidly rounding into shape for today's first tilt with Plymouth. The eleven men have reported for practice with only eleven having any previous experience. Although the local boys looked a little ragged, the coaches expected to round them in shape by Friday, by long hours of practice and drudgery.

Coach Doeksen's biggest proposition has been the finding of a strong backfield. It is his hope that every man behind the line can be used as a triple threat man thus giving the team an advantage over their opponents that may carry the local boys away with the color this season. One of the hardest schedules a Northville team has ever encountered confronts the new reaches this year.

Friday's game to be played here at 4:15 P.M. on the fair grounds will find a line-up for the Northville team similar to this: the ends will be taken care of by Murdock and Leinenweber, both experienced men, who will be strong supports on the flanks this year. Tackle positions will be taken by Boyd, Ware and Goodell, the three having previous experience. Guards will be Wofrom and Atchison, with the last of the LeFevre's as center. This trio well experienced will make the bulk of the line. The backfield is slowly being drawn into shape with the following results: McCordle and Watt, as halfbacks; Thompson as quarter and Tully as full back. The quartet may prove to be one of the hardest hitting and fastest running bunch of backs in their division.

Friday's game will give the boys this first real test, win or lose, it will not dampen their spirit, although the same their biggest game they have ever had of winning. The referee for the game will be either Durbin or Mifflin.

Northville Commandery, No. 29, will observe Hospital Sunday at the First Pontop Park church, October 1st, instead of September 23rd, Rev. George E. Gault will be the speaker.

Bible Thoughts for the Week

Sunday.
Cast away from you all your transgressions whereby ye have transgressed; and make you a new heart, and a new spirit, for why will ye die? O house of Israel? For I have no pleasure in the death of him that dieth saith the Lord God: wherefore turn yourself and live ye.—Ezek. 18:31, 32.

Monday.
Be kindly affectioned one to another with brotherly love; in honor preferring one another; recompense to no man evil for evil. Provide things honest in the sight of all men. Be not overcome of evil but overcome evil with good.—Rom. 12:10, 17, 21.

Tuesday.
Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee, yea, I will uphold thee with the right hand of my righteousness!—Isa. 41:10.

Wednesday.
Withhold not Thou Thy tender mercies from me, O Lord; let Thy lovingkindness and Thy truth continually preserve me.—Ps. 10:11.

Thursday.
Fear the Lord, and serve Him in truth with all your heart; for consider how great things He hath done for you.—I Sam. 12:24.

Friday.
He that passeth by, and meleath with strife, leisong; not to him, is like ones that taketh a dog by the ears.—Prov. 26:17.

Saturday.
Commit thy way unto the Lord; trust also in Him; He shall bring it to pass.—Ps. 37:5.

DAILY HELPS

Sunday—The Son of Man came not to be ministered unto!

Monday—He is kind unto the unthankful and evil.

Tuesday—Counsel not and ye shall not be condemned.

Wednesday—Every tree is known by its own fruit.

Thursday—Nothing is secret that shall not be revealed.

Friday—To whom little is forgiven the same loveth little.

Saturday—Now, O Lord, Thou art our Father; we all are the work of Thy hand.

TOASTMASTER

Here is a toaster you do not have to watch. All you have to do is drop the bread into the oven slot, press down two levers and forget it.

POP!—when the toast is done, up it comes all by itself, and the current is turned off automatically.

The Toast CAN'T Burn

There is no guess work—no more burned toast! Perfect, golden brown slices every time. Crisp, piping hot all the way thru, and the taste is so decidedly improved, that you wonder how there can be such a difference.

It is a beauty. High class in every way. A Christmas Gift of Distinction.

W. R. C. NOTES
There will be an regular meeting of W. R. C. Wednesday, September 28th, owing to Fair on that date.

The American Legion will have their refreshment stand on the Fair grounds as usual. The W. R. C. members have been requested to help them out by furnishing pies and baked beans. Kindly call Comrade White when your baking is ready, and he will see it is called for.

Members hold in mind the First District convention, which will be held at River Rouge, Wednesday and Thursday, October 16 and 20. Let as many go from here as possible.

Salt and sweet, judiciously used, is a good combination of flavors. Sweet potatoes go well with ham, tongue and other smoked meats. Many sweet pickles are brined before they are made into pickles. Jelly and spiced preserves are good with ham or corned beef. Some people like both sugar and salt on a cantaloupe. Serve saltine crackers with a fruit salad.

Beets need not always be served cold in vinegar. The new young summer beets are especially good hot, with butter and salt and pepper. Cook them in their skins and peel them when done by plunging quickly into cold water.

They Are Comfortable

The springs under all Paige cars are unusually long, and they are matched to the type of body they are to carry. Snubbing devices further cushion the cars. Chassis are carefully balanced with deep, well-braced frames.

Diligent care has been used in providing ample leg room. The seats are wide and buoyant, built with deep cushion springs.

The driver will appreciate the restfulness of the easy acting clutch and gear-shift levers, the ball-bearing spindles, the steering gear specially designed for balloon tires, and the sense of balance and security evident at all speeds.

We invite you to enjoy a ride in one of the Paige sixes or eights, noting particularly the comfort of the cars. Lower prices now are in effect, including a Paige six for the first time for less than a thousand dollars. The complete line includes twenty body types on four chassis, in sixes and eights, from \$995 to \$2665, f. o. b. Detroit.

THE CURE
There is a lot of talk about ways to prevent crime. There is a lot of energy wasted, and a lot of money spent in useless efforts to turn the activities of gamblers and other crooks. The new crime code that was prepared by a special commission appointed by former Governor Groesbeck, and adopted by the last session of the state legislature with numerous modifications, will help some.

But there is one honest-to-God way to prevent a lot of killings, to reduce the slaughter of people and to get rid of most of the gamblers.

If some legislature should some day be elected possessed of sufficient number of members with enough backbone to pass a bill making it a life penalty for anyone to be found carrying a concealed weapon, and if some governor had sand enough to sign such a bill, gamblers wouldn't stay long in Michigan. No man ever goes out with a gun tucked away in his pocket without the thought of killing in his mind, if necessary. In other words every gun-toter is a potential murderer. He will shoot you or somebody else if he has to, in order to save his own neck.

If these gamblers knew that should they be arrested while carrying a gun, it meant life in prison, what an excuse there would be to more fertile minds and it has aided in giving to the

One of the shames of present day justice is the release on "probation" by some of the judges of men arrested for carrying concealed weapons. The legislature should take out of the control of judges the sentencing in connection with gun-toting. They should make the statute just like the one for murder, make it mandatory for the judges to inflict it.

Of course the trouble with such a proposal would be the activities of gun manufacturers' lobby that would be immediately put to work to kill off such a bill.

WE'RE ALL GLAD
The Methodist conference has seen fit to return the Rev. William Richards to the First Methodist Church of Northville for another year. In doing so the conference has broken one of its practices in not permitting a pastor to remain longer than five years in one pastorate. In the case of Mr. Richards he has been in Northville for two years, the new assignment making his term a six year administration of affairs of local Methodists.

The entire community is pleased over the action taken. During all the years that he has been in Northville, Rev. Richards has taken a very active part in all the affairs of the community. His work has extended

Local News

Mr. and Mrs. C. F. Knight and children spent Sunday with relatives near Tecumseh.

Dr. W. H. Johnson of Northville attended a banquet and legislative meeting of the Central Michigan Osteopathic Association in Lansing on September 14th.

Many from Northville enjoyed their Sunday dinner at The Tressachs on Seven Mile road. Mrs. Atchison will, without question, make a success of the venture.

A number of the members of Orient Chapter of E. S. attended the Wayne County Association meeting, which was entertained by Ionic chapter in Detroit, Wednesday.

Look out about a frost. During the next three or four nights there might be a frost. Cover your plants so that you will have some excellent displays for the fair next week. The floral show at the Northville Wayne County fair has always been one of the best, and those sponsoring it this year are especially anxious for a big display of flowers. Be sure and cover them if it looks like a frost.

Harold S. Clark, herdsman for the Graham farms, has left for Alpena, where some of the high grade Jersey cattle from the Graham farms will be exhibited. He will return in time to bring to the Northville fair the stock that will be exhibited here. Mr. Clark is regarded as one of the best young herdsmen in the state, and under his care some of the cows at the Graham farms have been making new production records.

Mr. and Mrs. G. S. Rowe of Milford were very pleasant callers at the Record office, Saturday evening. Mr. Rowe has been publisher of the Milford Times for over 35 years. The paper was established by Mr. Rowe's father, T. P. Jackson, back in 1871, and during all the intervening years it has been a very successful publication. Mr. and Mrs. Rowe took over the publication of the paper after the retirement of Mr. Jackson. The Milford Times is an excellent newspaper and a credit to the community in which it is published.

Northville business men will recall that at the banquet held at the Maple Ridge Country club in honor of Eddie Stinson and William Marz, John Borsig, adjutant general of the state, in his talk, declared that the planes being used by the Michigan unit would not be put out of commission. They were of the old unsatisfactory army type and were not suitable for use. Those who heard the speech will be interested to know that these four planes have been condemned by the war department and will be burned after the engines have been removed.

Mr. and Mrs. Thomas Murdock have returned from a very delightful trip through the east, the tour having been made with Mr. and Mrs. William Murdock of Ypsilanti. From here the party drove direct to Niagara Falls then on to Auburn, New York, where the Murdocks formerly came from. There they visited numerous relatives before going on to New York City. From New York they drove down to Philadelphia, West Virginia and Ohio. The trip required a little longer than two weeks, but during their entire absence, most pleasant weather prevailed.

Charles Hall, who lives out on the Seven Mile road, may not be one of the most expert poultry raisers in the world, but there is no question but what he knows something about how eggs are hatched. Recently he had a goose hide its nest just before time for the bird to come off with its brood something happened and it left its nest. He took one of the eggs, removed the shell, but not the lining and discovered the young goose was alive. He covered the egg with a sort of cement and paper covering, placed it in the right temperature, and in a day or so hatched out the gosling. It is living, and Mr. Hall thinks it will develop normally.

Mrs. T. H. Turner entertained the Clover Leaf 500 Club last Monday evening.

E. E. Brown of Ann Arbor, was over Wednesday to attend a meeting of the Exchange club.

Edgar Freydl is home for a visit from California, where he has been for some time.

John Kalbfleisch entertained a number of lawn bowlers at his home Wednesday afternoon.

The Foresters will meet Friday evening next week. It is urged that all members be present.

Mr. and Mrs. Don McLean and children of Detroit visited relatives and friends in town over Sunday.

Mr. and Mrs. Harry Shafer spent the week-end as guests of Mr. and Mrs. J. T. Litsenberger at Marshall.

Mr. and Mrs. Claude Ely are rejoicing over the birth of a daughter, Margaret Louise, last week Thursday.

The Masonic Lodge will Monday evening at 7:30 work the second degree. It is urged that every member be present.

Mrs. W. Armes and daughter and Mr. and Mrs. John Webb and children of Windsor, Canada, were Sunday guests at the Denton home.

Mr. and Mrs. George Stamp spent the week-end at the cottage of Mr. and Mrs. W. Ellis on Grosse Pointe, boulevard along the St. Clair river.

Mr. and Mrs. Earl Montgomery are the proud parents of an 11-pound daughter, Joann Elaine, born September 14th. Both mother and baby are doing nicely.

Mr. and Mrs. J. W. Barnhart, who have been spending the summer at the Randolph home, left Tuesday for a visit in Grand Rapids before returning to Florida.

Joseph Denton, manager of the Graham farms with Mrs. Denton and children, spent their vacation visiting the Toronto fair, Niagara Falls, Buffalo, and Cleveland.

Don P. Yerkes Sr., E. S. Beard, Ray Van Valkenburg and Rev. Frank F. Knowles attended a meeting of the Presbytery at Andersonville, Monday evening and Tuesday.

Mrs. A. M. Whitehead had as guests from Detroit Tuesday Mrs. Harry Barker and James Thomas, who spent the day with her. Mrs. Barker is a niece of Mrs. Whitehead.

Mr. and Mrs. C. E. Pardee and Bessie Mae and Mrs. L. W. Marshall of Detroit returned this week from a trip through northern Michigan, Minnesota, Wisconsin and Illinois.

George Hicks, who has managed a hotel in Northville Northville many years, says that the attendance for the double-header, Sunday, will be an indication to him whether or not Northville wants a team next season.

While Northville regales to see S. L. Braden go out of business, his sale is progressing most remarkably well. The first three days found his stock reduced over half but Sam says he has lots of good horses left.

Workers are repairing the curbings along Main street. Trucks from the grain store house have wrecked a good portion of the sidewalk. The city is going to send the bill for the work to these Detroit business houses.

Alex Johnson expects to start the construction of a home for himself in the next few days in Hulbert, Man. The structure will be of the old English type. The home will be ready for occupancy before the first of the year.

School district No. 3 is confronted with the question of locating a new site for a school building. A special election has been called to settle the question. Members of the school board are Fred Ferencan, Glenn S. Angel and Bert Angel.

Saturday and Sunday evening dancing is announced by the management of the New Casino at Waller Lake for the fall and early winter season.

Usually good music has been provided for the series of dances that will take place from now on.

Mrs. Carrie E. Taft, who has been assistant cashier of the Northville State Savings bank for the past eight years, has resigned her position in the bank. Mrs. Taft thinks that she has had plenty of commercial life, and will from now no devote her time to her home. The position was recently filled by the appointment of Mr. Lyons to a place in the bank.

Marvin Bogart, who lives near Novi was a guest of Mr. and Mrs. Henry Ford at their home last Sunday. The Fords motored from Dearborn to the home of Mr. Bogart and took him to their residence to spend the day, this being the first time they had seen their cousin in three years. On a previous call they made him a present of a Lincoln automobile.

The De-Ho-Co ball club, having three good pitchers on their team, will do without the services of our local pitcher, Harry German, Sr., who has won all his games, except one, with the House of Correction. He will pitch for the Polish News in the ball tournament at the fair, and will also twin here at the fair grounds Sunday for the Detroit team in the double-header.

Mrs. Philip Bolt, aged 58 years, a well and favorably known resident of Salem, died at the University hospital in Ann Arbor Sunday. The funeral was held Wednesday afternoon, burial taking place in Plymouth. Rev. Stron of Salem officiated. The funeral service conducted by Schrader Brothers of Northville. Two daughters survive. Mrs. Bolt had been in ill health for some time. She had a wide circle of friends who will be grieved to learn of her death.

Horace B. Rose, well known northmen, Michigan 2026 man who for a number of years conducted one of the largest places in Petoskey, has leased the Lathrop hotel on the South Lyon road, just east of the Novi road and will conduct that new hotel. He plans to have the opening in the next few days. Mr. Lathrop expects to spend many thousands of dollars on improvements in that section, and by the time the summer season for next year arrives he will have a most attractive place. There is no question but what Mr. Rose will make a success of the venture. Very elaborate furnishings have been purchased for the hotel.

You can't look at a tire and tell how far it will run

YOU CAN'T SEE a tire carcass because it is covered by the tread. Yet the way this carcass is built tells how far the tire will run.

Dunlop has had 39 years to learn all the hidden points where tires wear. Dunlop carcasses are built from the best long fiber cotton cloth in Dunlop's own mills into the famous Dunlop cable-twist cord.

These cords are elastic, so they give and take as your tire runs; strong, so they resist constant load and pounding. They build the best possible foundation for the Dunlop tread—the toughest rubber development known.

Thus Dunlop's extra years of experience build added value into every vital tire part. That is why, not one Dunlop—but every Dunlop—gives you more service than you can reasonably expect.

We recommend that you put Dunlops on your car.

ROTARIANS HEAR DETROIT EDITOR TELL OF PROGRESS

Many Nearby Publishers are Guests of Local Club at Meeting

Northville Rotarians Monday entertained the newspaper publishers of this section of Michigan at one of the usually interesting meetings conducted by that organization. The members and their guests had the pleasure of hearing Lee White, one of the Detroit News editorial staff, tell something of the history of printing, of the growth of the newspaper business, of the efforts of papers to rightfully serve the community in which they exist, and of the decline of such party organs that were so numerous a few years ago.

Lee White, regarded as one of the leading newspaper editors of Michigan, a former instructor in the department of journalism of the University of Washington, in Seattle, is an excellent speaker, and in a most forcible way he impressed upon the large number of Rotarians and editors present that the general object of the present day newspaper was to serve the best interests of the public, and that the paper that was not published with a policy of this kind no longer flourished.

There were six editors from nearby communities present. Lawrence Samson, editor of the Plymouth Mail; H. W. Klemmer, editor of the Dearborn Press; F. W. O'Brien, editor of the Brighton Argus; Lincoln Smith, editor of the South Lyon Herald; Hyman Levinson, editor of the Farmington Enterprise; and G. S. Rowe, editor of the Milford Times. Were the guests of the club.

Fred Smith and several others from Plymouth were present. President Don Yerkes, Sr., extended to the visitors a cordial welcome, and in order to give Mr. White plenty of time for his address, called a club business meeting over for the week.

Mr. White stated that many believed the printing business to be of modern creation. He related historical facts which showed that back in the beginning of civilization the art of printing was known; the Chinese having a general knowledge of it.

"Not so many years ago, we all remember that there flourished over a period of time the party organ of the paper that was sponsored by some socialist interests. In nearly every state these have died out with the possible exception of down in Indiana. And look at the condition there, with political parties having two or three papers in every town and city. The community suffers as a result and business does not benefit from such a condition."

The community that prospers is the community which possesses a newspaper that is not published in the interest of a certain faction, but is published for the benefit of the best things in the place, and for the interest of all educational projects.

A good newspaper in any town is one of its highest prized possessions," stated Mr. White.

He told briefly of the wonderful system of collecting news for the larger papers, of the remarkable mechanical equipments of big publications, and of the constant efforts on the part of every paper to give to the public accurate facts pertaining to the events of the day.

The next meeting of the Rotary club will be devoted to Rotary educational matters.

SOUTH LYON FACTORY IS STARTING OPERATIONS—NEW SIDETRACK IS COMPLETED

The side-track at the Michigan Seamless Tube company plant is now completed, and has been accepted by the Grand Trunk Railroad.

The first car load of steel was unloaded yesterday according to the South Lyon Herald.

The side track enters the Tube company's property from the west and runs to the northeast corner of the main factory building.

Orders for tubes are being received and the prospects are good for increased production at less cost with the new side track, a great saving in freight and cartage charges and lower prices in larger quantity buying.

Is Your Iron Growing Old?

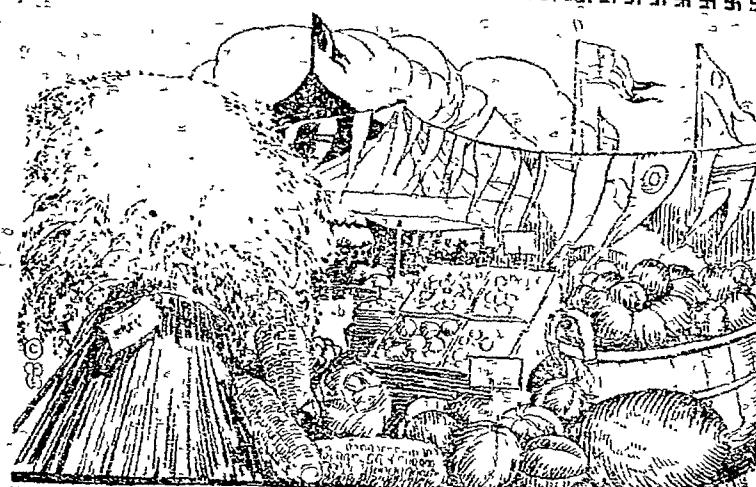

EVERY housewife uses an Electric Iron and blesses the inventor. But don't forget that the electric iron, in spite of its virtues, doesn't possess eternal life. It wears out in the course of time, like everything else.

A worn-out iron naturally fails to do the satisfactory work of its prime. It should be retired from service. But don't imagine it is a dead loss on that account. It has a "turn-in" value. You get one dollar for it when you buy your new iron. The stuff that's in it is worth a dollar to us and you are welcome to its value.

Don't keep on using a worn out iron. It doesn't pay. Bring it in and buy a new one. It's as good as a dollar bill to you on your purchase.

FORMER RESIDENT MAKES "WHO'S WHO" IN WASHINGTON

Fred G. Coldren, Born Here, Wins Success in Nation's Capital

Fred G. Coldren, one of the "6,000" whose names and histories appear in the 1926-27 edition of "Who's Who" in the Nation's Capital, was born in Northville.

Mr. Coldren's name so listed is a distinction for Washington is replete with notable persons and only 6,000 of the city's half-million persons appear in the 700-page volume, which is published every two years. The book contains the names and biographies to date of a carefully selected group, including the president, his cabinet, important executives, scientists, authors, newspaper men, educators and professional men and women.

Mr. Coldren's biography, as it appears in Who's Who in the Nation's Capital, and as furnished to Ransdell Inc., publishers, is as follows:

"Coldren, Fred G., lawyer, counsel and secretary of National Capital Park and Planning committee; born December 2, 1889, Northville, Michigan; son of George and Betsy Pamela (Babbitt) Coldren. RACING PROGRAM FOR FAIR ONE OF BEST SAY BACKERS

Horse Lovers to Have Real Sport Next Week at the Fair

Malvin H. Sloan is highly pleased over the prospects for some good racing at the Northville Wayne County fair next week. Mr. Sloan, who is in charge of the racing program, expects that there will be many more entries than there were last year, if ideal weather conditions continue to prevail. Northville will see some of the finest racing in many a year.

There is no racing scheduled for the opening day of the fair on Tuesday next week. But there will be racing on Wednesday, Thursday and Friday. E. M. Starkweather, H. J. Hamilton and John Timham, who are working with Mr. Sloan on the race program, look for some of the best half mile track events held anywhere in the state this year.

The racing program for the three days follows:

Wednesday, September 28—

2:15 Trot-Purse \$325

2:15 Pace-Purse \$325

Colt Race, 3-year or under, Trot (2 in 3 heats)—Purse \$225.

Thursday, September 29—

2:24 Trot-Purse \$300

2:24 Pace-Purse \$300

Colt Race, 3-year or under, Trot (2 in 3 heats)—Purse \$225.

Friday, September 30—

2:18 Trot-Purse \$325

2:17 Pace-Purse \$325

Free-for-all, Trot or Pace-Purse \$300.

WRITER TELLS OF NORTHVILLE FOLKS AT THE BIG FIGHT

Sporting Editor has His Pass Stolen—Tells of Home Folks

By William Ellington
(Northville's Greatest Sporting Editor)

Gary, Indiana via Chicago, Illinois

Sept. 22.—Everything is all

to here. I never saw such an affair

in my life—remember last week,

told you about a fellow trying to hook

onto my ticket from the "Northville

Record?" Well, he or someone else

got at and saw the fight from where

I had planned to see it right down

next to the bell ringer.

I think I was robbed while I was

asleep because you can bet during

I was awake no one would ever

have stolen that ring-side from me.

It was yesterday morning when

the discovery was made and you

couldn't get a Chicago policeman to

do a thing. I think possibly they

might have had something to do with

it. Anyway I met Frank Neal down

there. I told him my hard luck story

and he slipped me a five without being asked to do so.

He said he was anxious to see an unbiased report of

the fight in some paper, and was glad

to know that it was going to be in

his home town paper and that I was

going to tell the author.

Well, I took my coat down and

bought me a ticket. That's how I

happened to be over here in Gary.

When I got up to the place where

my seat was, I found that I was sitting

right over the top of Gary, Indiana.

I didn't have one of those long dis-

tance periscopes so I was out of luck

as to seeing things. That's the way

they do when it comes to big fight.

They don't want the actual truth to

get out.

But even if I can't tell you about

the fight in detail until sometime

later, I am going to tell the folks

back home about some of our North-

ville fight sports. You recollect, I

said something last week about Harry

German being over here trying to

put up a bill-game? Well, when I got the

low down of it, that wasn't it at all.

As a matter of fact he was trying to

get the winner of the fight to come

to Northville to sell automobile for

him. Harry thinks there are one or

two prospects around there that a

good fighter might land for him.

John McCullough dropped off the Wor-

verne flyer just as it left Pullman

the other day. He said he was

going up town to get mixed up with

a lot of hicks from New York and

Chicago. Anyway, you remember

John one time had a monopoly on the

laundry business up in Rochester.

He started the laundry trust at that

time and its possible he has some fear

that a Chicago laundry tycoon might

still be on his trail. That's the way

they do in the laundry business. If

you put aighter fellow out of business

they show you up.

Just before I started for Gary, I

saw Dale Burns roll in town with

some hicks. I took to be Henry Ford

I think they were riding in one of

those new Fords, that was all done

up to look like a big top.

Henry Ford has a son, Dempsey and

Tommy had a million miles when it

comes to being mystified. Who'd

tell these ad's in the Record Wait

for the New Ford? I wonder if they

want to wait until Judgment Day.

He'd been waiting for two long years.

Now they come on and want us

to wait longer.

Well, that's just what we are going

to do. There's nothing else to do.

Henry is the boy that gives the word

about the new Fords, not the sporting

editor of the Record. I did hear a

fellow from Fairbanks, Alaska, say

that he knew all about the new Ford

and that it was blinder.

Fred W. Green, manager of Michigan

and his campaign manager for precon

number one, Northville, Michigan.

William Safford, and Ernie

Lyke of Ward 2, Belding, seemed to

have some sort of a drag. I guess it

must be those poaching big stars they

wear on their chest to keep the cold

out. The Governor was all smiles as

usual. I couldn't tell whether it was

either Safford, Ernie or Tom Biggs

carrying the grip. I would like to be

governor and sport around the way

he does.

First there was a great canoodling

of motorcycles. It seemed there were

7000 or 8000 of them. All from the

Michigan State police. I thought

there must be another battle from an

the dust and noise.

Just after this army of motorcycle

cops rolled by, there was "Smythe," Fred

and Bill and "Ernie."

Next came more motor cops, but

there wasn't one left in Michigan.

When Fred Green told some of the

interested parties down in Detroit that

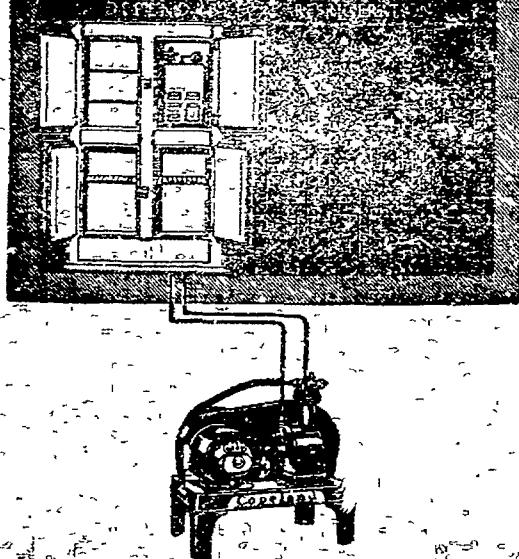

he was going to abolish the state

police, I bet he never thought how

nice it would be to have a lot of them

riding ahead of him and back of him

CAKES AND TOAST FOR YOU DOWN AT THE FAIR GROUNDS

Detroit Edison Company
Going to Put on a Real
Demonstration

Down at the fair next week the Detroit Edison company has arranged one of the most complete exhibits ever planned for a similar event. Not only will the display be of interest to visitors, but to housewives of the city as well as the country.

And there will be goodies for everyone. You know when the Detroit Edison company does anything, it is just as it should be. So when one of those remarkable electric cook-stoves is demonstrated, the demonstrators will bake cakes and cookies and everything else you like to eat.

Now somebody is going to eat some of those cookies and cakes. So if you go down to the fair be sure and see the Edison exhibit, for there may be a piece of cake waiting for you.

But that isn't all. If you do not happen to like cake, District Manager Edward Miller says you may like toasted sandwiches. To be sure and have something good for everyone, he is going to have some toasted sandwiches made on the Toastmaster Toaster. And he says no one ever ate better toast than is made by the Toastmaster. And the best part of it is that everything is free, including the coffee.

Now there is going to be things of interest to the farmers, too. You will be surprised at the many electrical ways he can do things on the farm. Between Secretary Floyd Northrop and Manager Edward Miller, it looks like a pretty big week for the thousands of folks who are going to come from everywhere to attend the Northville fair.

Miss Marjorie Atkinson sustained

an injury in her neck when in the tumbling class in her gym work at school and which is hoped will not prove serious. A physician attended her at once.

Mrs. Hammond, Mrs. Lou Hicks, Mrs. Susie Mairs and Mrs. Frances Dafford attended the annual Walled Lake homecoming Saturday, the 16th. Mrs. Mairs was elected president for the coming year.

J. Snodgrass Wilson, Alvin Cannon of Ossego, Bertrand Blakeman of Paw Paw, and Misses Glendale Blakeman and Gertrude Adriance of Romeo were visitors at the church services Sunday.

Mr. and Mrs. Wilson, who were recently married, are occupying an apartment in the Robinson House.

Wilson is managing Mr. Steiner on his new property buildings in the

Novi Manor subdivision.

The concrete work on the Twelve Mile road was finished Tuesday of last week. The work of grading the sides commenced Thursday. This road is 20 feet wide, with 10 foot sides at Grand River junction, so as to permit widening of Grand River to a 40 foot road if future needs demand. No doubt this new road will take care of considerable traffic which is heavy at times on Grand River. Work is being done by the Handside Construction Co. of Detroit.

The Home Economics club met at the town hall, Wednesday, September 19th, and organized in work for the coming year. Mrs. Eva Rice presided. The work for the year was explained. There will be two classes,

one on nutrition and one home management, with special emphasis on

the kitchen. It was explained that this was regular college work, and any lady in the community who is interested is eligible. Credits are given for work done. Mrs. Septi Verdun was elected nutrition leader, and Mrs. Susie Mairs and Mrs. Esther Muhr leaders for the class on home management. The training center is to be in Novi, and these leaders, with others from this district will receive their instructions from the county leaders. The September meeting of the class on nutrition will meet with the leader, Mrs. Verdun, and the October meeting with Mrs. Muhr.

**A New Silk Dress
—for only 17¢**

I quit wearing this dress weeks ago thinking it could not be cleaned. A neighbor told me about a wonderful dry cleaning soap called Solvite so I tried it on this dress and here it is, bright as new, and the whole thing cost only seventeen cents."

Solvite is an amazing new kind of dry cleaning soap. Dissolve it in warm water and you can save many dollars by dry cleaning dresses, suits, coats, gloves, slippers, curtains—everything that would be ruined by ordinary soap and water. Get a large jar of Solvite from any drug store—you'll never be without it after.

**HORSE SHOW WILL
BE BIG FEATURE
AT FAIR TWO DAYS**

Many Entries are Being Received—Thursday, Saturday are Days

Under the direction of Harry Clark as superintendent, and Charles H. Newark, details have been completed for what promises to be the most interesting horse show ever held in Wayne county. Instead of only one day of events, the committee has arranged two days.

The first will be Thursday afternoon, September 29th, and the next will be Saturday afternoon, October 1st.

The annual horse show from the very first, beginning of the Northville Wayne county fair, has been one of the big events in connection with it. Entries, which are being mailed direct to Harry Newark at his home in Dearborn, are coming in rapidly, and there is not the slightest doubt but what the number this year will far exceed that of any previous year, if present interest is an indication.

The horse show events will start Thursday afternoon of next week at 2:30 o'clock. Open jumps, walks, trot, canter for light weight hunters; heavy weight hunters, high jumpers, long jumpers, polo pony races and pony races for children all feature the program.

Cash prizes, trophies and ribbons are offered for nearly every event. The program will be ended on Saturday with a race for the polo ponies.

**NATIONAL BROADCASTERS
HOLD MEETING OVER AT
WAYNE GOOD SPEAKERS**

(Wayne Weekly)

Through the efforts of the National Broadcasters of America, the local organization bearing the name, according to Harry Ryckley, Secretary, were able to listen to Hon. John E. Sosnowski, former Congressman from Detroit. This meeting was held at the Wayne High school auditorium, and although the hall was not filled to capacity, an appreciative audience made the meeting quite successful.

Dr. Samuel Rice of Detroit, opened the meeting and acted as chairman, assisted by A. S. Browne, extension secretary of the Broadcasters. Introducing Mr. Sosnowski, Mr. Rice gave a brief statement of the purposes of the Broadcasters, and its members.

A trio of young musicians diversified the evening's entertainment by rendering several popular hits of popular music. Their ability to sing and play equally as well made them very popular with the audience who called them back for several encores.

Ex-Representative Sosnowski, the first speaker of the evening, presented an explanation of the organization, its purpose and its interests in Wayne. Explained that the Broadcasters has been established for the purpose of glorifying the automobile, dynamism, Mr. Sosnowski pointed out what he planned to be one of the greatest interests to the country and its youthful population. Using as the basis for his talk, his speech given in the House last February, Mr. Sosnowski described the movement of the "ited," especially in the city of Detroit.

Key Mr. Leo Robarge, of Saint Paul, Minn., was next called upon to show why Wayne should be vitally interested in a movement of this kind. Especially did the Wayne ruler em-

phasize that color or creed had nothing to do with the organization, but that it was simply for the purpose of preventing the tearing down of the social organization of the nation as designated by the Constitution of the United States.

Rev. Fr. Leo Robarge in closing stated that he was very sorry that such a small attendance was present to greet so eminent a citizen as Mr. Sosnowski, who is devoting a good portion of his time for the purpose of extending this movement within the metropolitan area of Detroit. Fr. Robarge closed with an eloquent appeal to the residents of Wayne to back this movement to the utmost and that he was pledging his services as much as possible to the cause.

**NEW CATHOLIC CHURCH WILL
BE BUILT IN FARMINGTON
DURING THE PRESENT YEAR**

Within two months a temporary church building will be erected by the Catholics of Farmington and vicinity, which will be used pending the construction of a new church building in Farmington. The new church will be located in what is known as the Farmington Woods subdivision, and Rev. E. J. O'Mahoney will be its pastor. It is stated that the survey for the new church has already been made.

The Bureau of Plant Industry, which has been conducting experiments to develop disease-resistant sugar cane in Louisiana, has issued a preliminary report showing that large increases in yields can be obtained by substituting harder varieties for the sugar canes formerly grown there.

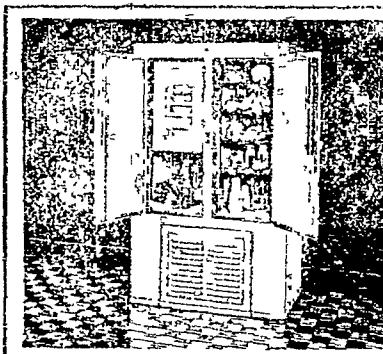

Tin darkens with use, and thus tarnish protects the tin. Therefore tin utensils should not be scoured simply for the sake of making them bright. When food dries or burns on tin utensils, it may be removed by heating a weak soda solution in the pan and then washing it thoroughly.

THE DETROIT EDISON COMPANY

DE-HO-CO WINS THE CHAMPIONSHIP OF COUNTY LEAGUE

Beats Detroit Fire Department in Decisive Battle Last Sunday

Sunday afternoon, September 18th, the DeHoCo baseball team became undisputed champions of the Inter-County League, by decisively trouncing the Detroit Fire Department, 17 to 11. The Fire Department used three hurlers—Boile, Burrell and Hayes; and DeHoCo used two—Rowland and Costineau. Both teams hit freely and often of the opposing offerings, the Fire boys getting the jump on DeHoCo in the first inning by putting three around the circuit. The second and fourth went to DeHoCo with two and three, but in the fifth the Detroiters rallied and touched DeHoCo for six. In the seventh the local boys got vicious in turn, drove Boile and Burrell to the showers in rapid succession and were checked by Hayes only after nine had passed over the plate.

The Fire Department, although nearly demoralized by an attack for three more in the next frame, succeeded in annexing two circuits before the game ended and died fighting.

The game was a fitting climax to an eventful and close league race comprising in its roster besides DeHoCo and Detroit Fire Department teams from Belleville, Redford, Grosse Pointe, Fordson, Wayne and Wren-Dotte and another Detroit entry—the Municipal Employees' Club.

Next Sunday, September 25th, at 2 p.m. Navin Park, Detroit, DeHoCo will play Detroit Municipal Club in an exhibition game starting at 3 p.m.

per, the Ladies Auxiliary of the Congregational church convened at the home of Mrs. John Nelson in South Lyon. After the business session, the third quarterly missionary meeting was held.

Aaron Vanatta Tyler, aged 71 years, whose funeral was held Sunday, was born August 20, 1856, near Haslett Park, Ingham county, and departed this life September 16, 1927, at his farm west of Worden. He was one of a family of eight children; his father dying when he was three years old. When in his teens, he came to live with his uncle, Aaron Vanatta, who resided in Northfield. Around this community he lived practically all his life. On February 27, 1878, he was married to Clarissa Ann Croman. Had he lived until next February, it would have been their golden wedding anniversary. His life was one of honesty and sincerity, ever ready to lend a helping hand. In 1917 he fell from a tree, and had been in failing health since, although he was not confined to his bed. He leaves to mourn his wife and two daughters, Mrs. William Duncan of Rushmore, and Mrs. H. Peebles of Northville; three grandchildren, two sisters, Mrs. Kennedy of Lansing, and Mrs. Clauson of Lansing, besides several nieces and nephews. Funeral services were held Sunday afternoon at 2:00 o'clock from his late residence in Worden. Rev. Lucia M. Stroh, pastor of the Congregational church officiated. Mrs. H. S. Gunn and Mrs. Iva Spears sang two appropriate hymns. This was one of the largest funerals held in the community. Interment was made in South Lyon cemetery.
