WORLD PEACE IS AIDED BY ROTARY SAYS EDUCATOR

President Chas. McKenney
Makes Excellent Talk to
Local Club

Members of the Rotary Club were fortunate in having as their speaker, Monday night, President Charles McKenney of the Ypsilanti State Normal School. The program in the hands of Father Schuler, dealt with Rotary education and the educational committee did well in bringing this excellent speaker to Northville.

President McKenney in his brief talk touched upon the necessity of fellowship in the business world of today. He told of the changes in business conditions that have taken place in the last thirty years, and pointed this out by describing the time when Michigan farmers were practically isolated from the outside world. News of other states would be months coming to them and declines in other countries might never reach them until it was history.

Today, people are brought into direct contact with each other and foreign countries by railroad, steamship lines, telegraph and radio. These changes have also broadened the minds of business men and today they are friends even though competitors in business.

Through this friendship that business has brought about can come the only sure prevention of war, said President McKenney. When men come to know each other and find a mutual feeling of friendship around the world, then history will not repeat itself and there will be no more wars.

FATHER OF WELL KNOWN RESIDENT DIES, AGE OF 86

R. G. Lang Loses Father—
Wife Also Seriously Ill
at Home

Having just returned home from a Detroit hospital with his wife who has been seriously ill for some time, R. G. Lang, Monday, was advised of the death of his father, John S. Lang, in Ypsilanti. While his father had been in ill health for some time, his condition was not regarded as critical until a few days before his death.

Mr. Lang was 86 years of age and for eleven years was a resident of Northville. He conducted a fruit farm on what is now known as the Blackwell farm, west of town. He was about seventy years ago when advancing age retarded his living up to the work he was doing and he moved back to his old home in Ypsilanti.

Mr. Lang was born in Germany and came to Canada where a lad of eleven years. He remained in Canada until he was 83 years of age, when he moved to Grosse Pointe, soon after going to Ypsilanti where he spent the remainder of his life, except the eleven years in Northville.

The funeral was held Wednesday in Ypsilanti, Michigan, taking place in Rural Hill cemetery at Northville. Mrs. Lang and a daughter, as well as the son, survive.

OLD WATER TANK BEING REMOVED AT STINSON PLANT

Village Officials Take Down
Tower that Provided
Protection

Village officials have let a contract for the removal of the old village emergency water tower at the Stinson Aircraft Corporation plant, which was erected over 20 years ago. For the past six years, since the completion of the new water system, the tank has not been in use and in recent months it has become more of a hazard.

Mayor Charles Filkins stated yesterday that the village had received a very good offer for the removal of the wooden part of the structure and that it had been accepted. The steel frame will be taken down later.

"When the tower was put up by the village we saved enough in six years on the fire insurance premiums to pay for it. In fact, the company that put up the tower took its pay from the difference in the old rate and the new. It was badly needed at that time as that was our factory district, and we didn't have much fire protection without the tank," stated Mayor Filkins.

The steel frame will probably not be taken down for the next few months.

WEST MAIN STREET MAY BE OPENED SOON

Continuation of West Main Street through to the Beck road directly west, is again being agitated and there is a strong possibility that the township board during the coming spring or summer will be requested to take formal action on the project. It has been suggested that the road from its present end, follow a winding course around the foot of the hills, instead of cutting over the top of them.

Those who would like to have the road extended said that it would be less expensive to have it follow the land lying at the foot of the hills and that it could be done without making any sharp turns anywhere. The one slight turn that would be necessary would be a long winding one, barely noticed by an auto driver.

The growth of the town is to the west and north at present and the opening of any new street or highway is a benefit to the entire community.

To Make A Plane A Day

Officials of the Stinson Aircraft Corporation are making preparations so that by July first it will be possible to produce one airplane a day. Last year when the company reached a point where it was putting out a plane a week, it was generally thought a big thing had been accomplished. Now the jump is to be made to a plane a day—and bear this prediction in mind—five years from today the Stinson Aircraft Corporation will be making fifty planes a day.

OPERATION FAILS, VILLAGE MOURNS LOSS OF CITIZEN

Stewart Montgomery Expires First Day After
Return Home

Stewart Montgomery, for years one of Northville's best known and most prominent citizens, died Tuesday morning in Grace hospital at Detroit following an operation performed Monday evening. Mr. Montgomery had spent the winter in Florida, and when he reached Northville Monday morning his condition was such that attending physicians concluded that the only hope would be from an operation. For several weeks past he had failed rapidly and last week it was decided to return home in a final hope that an operation would be of benefit.

Mr. and Mrs. Montgomery left Florida, accompanied by Mr. and Mrs. Harry Clark who had been down there for the past few weeks. He stood the trip fairly well. It was Monday evening when he was removed to Grace hospital. Last fall Mr. Montgomery went over to the University hospital at Ann Arbor for an operation, but physicians at that time advised him that he might get along without surgical treatment. He felt some better for a time but after the first of the year, his decline had been rapid.

Mr. Montgomery was born in Com-

STEWART MONTGOMERY

merce township, near Milford but when a mere babe his parents moved to the vicinity around Northville and he spent practically his entire life in this place. He was sixty years of age last August. He attended the Bass Line road school and during his early life was a farmer. Later he went into the trucking business in Northville.

Over a period of many years he served as township highway commissioner. As an indication of the high regard he was generally held in he was the first Democrat ever elected to office in Northville township. He was a director of the Northville Wayne County Fair association. Not only that, but for 14 years he was at various times a member of the Northville village council.

Often he was affectionately referred to as one of the "daddies of the town." He took a very keen interest in everything which was regarded as beneficial to Northville.

Mr. Montgomery was married 33 years ago, Mrs. Montgomery and a son, Scott, surviving. Two brothers, William and Joseph, also survive.

It is at his own request that the funeral will be held Friday afternoon from the beautiful Schrader funeral home on North Center street, and that Rev. William Richards of the First Methodist church, will officiate. Rev. Richards, who has been in Washington, has been advised of the request and will be home Friday. The burial will take place in the family lot in Rural Hill. Bearers will be intimate friends of many years.

TO THE HIGH SCHOOL BOYS

Splendid buildings are invariably built from carefully prepared blue prints. There must be plans and specifications if there is to be safety, durability and usability. Shacks and sheds are built without plans. The world is full of them. They are in jails and penitentiaries. They are in the bread lines and almshouses. They are a great menace to society.

Spent a great deal of time in planning wisely. Do not be afraid to plan in big terms and keep in mind always that great structures demand adequate foundations. Go to school, study, read, converse with men of accomplishment and keep yourself ever teachable.

These are just a few suggestions from a busy life. E. C. L.

HALF MILLION TO BE SPENT ON NEW MAYBURY UNITS

Sanatorium Will be One of
the Most Complete in
the Country

Plans are being prepared for new buildings costing half a million dollars at the William H. Maybury Sanatorium in Northville during the present summer. Some of the preliminary work has already been started and during the next six months one of the largest building programs will be carried on since the completion of the first unit of the sanatorium.

Mr. Maybury is personally directing all of the details of the extensive improvements, and when the new buildings are completed it will be one of the largest of its kind in the country, as well as one of the most up-to-date.

The brick work on some of the buildings in the children's unit is already under way and will be completed early in the summer.

The two main new structures to be erected will be the use of patients' dining hall and the city of Detroit. Up to the present time the Sanatorium has been confined almost exclusively to the use of Detroit residents.

Some weeks ago it was decided that provision should be made for the care of patients outside the city limits. The first structure to be erected will be large enough to provide beds for 125 adult patients. The other structure will not be as large and will be used exclusively for children. It will have 40 beds.

Outside of the two new structures to be erected and the improvements on some of the other buildings much will be done to beautify the grounds. Mr. Maybury has already done much to make the grounds beautiful, and he is going to do more. One of the possibilities is a small golf course for the use of a large number of employees. There are many excellent locations about the place for a course. In fact it would be possible to make it as large as desired as there is plenty of ground for one.

The erection of the new buildings means more population for Northville, as many of the new employees must find living quarters in this place.

SPRING ARRIVES RIGHT ON TIME

Spring has arrived in Northville! It was right on time and there wasn't much about it. Old Sol was out in full glory.

Chief of Police William Safford pushed up the buttons on his uniform. Postmaster Neal announced regular carrier service.

Milo Johnson took Fido out for an airing. Fred Cochran said it beat California all to pieces.

Fred Lyke said he liked it. Nelson Schrader sang "My Wild Irish Rose."

Elmer Smith took off his neck scarf. Ralph Horton scraped last year's mud off his old garden hose.

Dayton Dunn picked dandelions. Charles Bunn made some more notations.

Edward Lapham said it looked like any other day to him. Floyd Northrop said it made him think of fair time.

Doc Schuyler said the dogs were just as mad as ever. Ed Keeney was disappointed. He wanted rain so it would wash the windows of his automobile.

Louis Blake said the clocks ticked just the same. And that is about all there is to the arrival of spring.

A delightful party was given at the home of Mr. and Mrs. Charles Hamilton last Friday evening, the event being in honor of the sixteenth birthday of their daughter, Marion. At 6 o'clock, a beautiful three-course dinner was served. The decorations were of green and white. John Leavenworth, whose birthday anniversary was that day, was also a guest of honor.

Dreaming of good times is pleasant, but the man who has his hand ticks for them is usually the first to enjoy them.

If we don't discipline ourselves the world will do it for us.

NEW TRUNK LINE MAY GO TO WEST SIDE OF VILLAGE

Local Delegation Calls To
Thank High Official
For Interest

Through the efforts of the Northville Automobile Club, a delegation of eighteen business men called upon Frank Rogers, Commissioner of the State Highway Department in Lansing, Thursday, Nov. 15, Plymouth and Northville, were represented in the delegation that called to commend him for the action that the highway department had taken in the planning of a new road to connect Michigan avenue to Grand River.

No definite information could be obtained as to the exact location of the new road but it was definitely decided that there would be a road, and it would be built sometime during the summer months of 1929. Commissioner Rogers explained that the state found it necessary to extend the pavement of Center street, and in so doing he hoped to build a road that would run from Michigan avenue through Northville, Northville, Nov. 15, Grand River and into Pontiac.

Although no definite route had been surveyed the highway engineers had anticipated in building the proposed road just in the western outskirts of the town that it would pass near the six dangerous grade crossings between Northville and Pontiac. It was the hope of the delegation that they would be able to give the commissioner the idea that the road should follow Center street from Plymouth to Northville.

Although they were given no definite answer Mr. Rogers stated that the department liked the idea of passing through the center of town where traffic was usually slowed up or stopped completely by a stop light.

The delegation was informed that before construction of the road was undertaken, first the engineers would look the situation over carefully, and if it was possible, adhere to the wishes of the town that would be affected. It is known that the road wherever it goes will run through Grand River and west of the new Northville bridge and around the west side of Walled Lake into Pontiac.

WILL AGAIN SEEK PLACE IN STATE LEGISLATIVE HALL

Lawrence Johnson of Plym-
outh Has Decided to
Make Another Run

Announcement has been made by Representative Lawrence Johnson of Plymouth, that he will be a candidate to succeed himself in the state legislature from this district.

Mr. Johnson has been re-elected, but he said the district well and he will take the place without opposition from what can be heard at present.

In fact there have been no rumors of even a Democratic candidate to oppose him. During the time he has been in the legislature, he has won the respect of the other members of the house and senate and has been one of the influential members of that body. His committee assignments during the last session, even though he was a Wayne county member, were good ones.

Wayne county, as a usual thing, does not share so well in the house organization, but Representative Johnson did much better than the average representative from this part of the state.

He has the backing of practically everyone in Northville, as well as the rest of the district. There is a general feeling about here that as long as the district is so well represented that it is to the advantage of the voters to not make a change at this time. His support of various measures that were of benefit to this part of the state, as well as of general aid to Michigan, was uniform.

CHEMICAL PLANT ADDITION READY FOR OCCUPANCY

Job Rushed To Finish—
Room Badly Needed
By Company

So rapid has been the progress made on the new addition to the Northville Chemical company plant, that the company will be able during week to move into the additional room that has been provided by the two-story structure.

The company's business has been growing by leaps and bounds, and following the recent consolidation with the Dot Chemical company of Detroit, it was necessary that some action be taken immediately towards providing additional room.

Alex Johnson was given the contract for the structure, and he was instructed to finish the job within sixty days. He is going to do so ahead of time.

DR. SNOW, NEWEST MEMBER OF LOCAL CASTORIA CLUB

Dr. and Mrs. L. W. Snow are the proud parents of a new baby son, Linwood, Jr. The baby was born Thursday morning and weighs 7½ pounds. Both Mrs. Snow and the baby are doing fine, according to the latest member of the Castoria Club.

If we didn't have to work what a lot of bother it would be to think up something to do with our time.

Nominee For Supervisor

CHARLES W. HAMILTON

Charles W. Hamilton, prominent young Northville farmer, is the Republican nominee for supervisor in that township. That he will be elected seems to be a foregone conclusion, as he has the support of nearly all parts of the township. Mr. Hamilton was born in Nov. and has lived in that township all his life, and his acquaintance is extensive. He has a good word to say for him and he has announced his candidacy. It was generally better he would make an excellent job. Mr. Hamilton is one of the fastest growing in Castoria county, and a very large part of a boy's taken over for supervision purposes, especially in the eastern end. To be supervisor of Northville is an important and responsible task and Mr. Hamilton many friends believe that he will serve most efficiently. Mr. and Mrs. Hamilton live on their farm in western Nov. and have two children. The Hamilton family has for many years been one of the best known in this part of Michigan.

CENTER STREET TO BE TAKEN OVER BY WAYNE COUNTY

Commission Asks Village to
Pass Resolution Provid-
ing for Change

Regardless of whether the state highway department decides to take over Center street and make it a main line road, or if a new road through a mile or so west of town, Center street is going to be made into a paved highway.

In a letter received from Harry W. Butler, secretary of the Wayne County Road Commission, he advised Mayor Charles Filkins that the commission had decided to take over the Center street from Plymouth to Northville, and requested that the village commission pass the proper resolution for the proposed destination.

That will be done at the next meeting of the commission. The road passes along the west side of Plymouth, and through that village is known as Moreland avenue. It connects with the Ann Arbor road just west of Plymouth and is a part of the highway that Northville has been urging the state to designate as a trunk line road.

While the county is taking over the road does not state that it will be paved this summer, it will probably be made ready for improvement in the next year, or so.

Within the village of Northville, about property holders will be required to pay some curbing and that portion of the paving that would run up to the street to be built by the county. It is not the practice of the highway commission to build only 20-foot roads, except on superhighways. That would leave about 15 or 20 feet of paving to be paid for by the abutting property.

BABY CLINIC TO BE HELD MARCH 28

Mothers of babes in this vicinity will be interested in knowing that another baby clinic will be held at the city hall on Wednesday, March 28th, beginning at 2:00 o'clock in the afternoon. This is a change of date from that previously announced, and it is specially urged that everyone keep in mind the exact date.

Dr. Brady will be here to conduct the work. At the last clinic there was an especially good attendance. 24 mothers bringing their babies for the tests. It is expected that the attendance will even be larger this time.

If there are any mothers who have no way of getting down to the clinic, call telephone 156, and transportation will be provided without cost.

Both Northville and Novi townships will vote on light questions at the coming spring election. Novi township will vote on the question of entering into a contract with the Detroit Edison company for the lighting of all paved highways in that township, and Northville will vote on the question of lighting the Seven Mile road from the Ridge road to Plymouth road. Seven Mile road is lighted all the way from Detroit to the Northville township line and there seems to be a general feeling that the highway should be lighted all the way into town. When one is driving from Detroit into Northville at night there is a difference in the lighting very noticeable.

STINSON TO START NEW BUILDING AT AIRPORT IN APRIL

Present Factory Not Large
Enough to Take Care of
New Business

Officials at the Stinson Aircraft Corporation announced this week that plans are under way for the construction of a new building at the airport. Preparations are being made to erect a building about 50 by 50, that will accommodate all service work at the field. The new addition will also be used as a paint shop for the factory, and for painting reconducted ships.

Work has grown to such an extent that the factory in Northville cannot accommodate airplanes that need service or painting jobs and officials find that the only outlet to this situation is by the construction of a paint shop at the field, where all ships will be given their final touching up. Ship owners will find that the new addition will enable them to get one-day service in having their planes painted. All service on ships will be given at the field, which will eliminate the bringing of them by truck back to the factory in town.

President Edward A. Stinson says that the work will begin the early part of April. He expects to have the job rushed to completion so that the paint shop at the factory can be moved immediately. A service department will be created at the field with Bruce Braun at the head to handle all work at that point. Between 13 and 15 men will be added to the payroll to handle the increasing service situation. The new department will relieve the pressure that has been put upon new production by the interference of service work.

REV. RICHARDS TO TALK ABOUT BROOKS

Have visited the spot where Harry Brooks went down. I have talked with the people on the coast that saw him drop into the sea. This will be my sermon this Sunday morning, when I get back to Northville. I am a card from Rev. William Richards who will be here tonight or tomorrow morning from the southland. When he left Northville to go to Washington to attend the annual automobile convention, he said if he had time he might go a little farther—and he did. He went down to Florida and saw the place where one of the promising young aviators lost his life.

MAYOR FILKINS TO RECEIVE FIRST DELIVERED MAIL

Mayor Charles Filkins will this morning receive the first piece of mail delivered in Northville by city carrier. The Northville Record will be the first mail that will be delivered direct to Northville residents.

Besides Mayor Filkins, members of the village commission and the two presidents of the luncheon clubs will be honored by first delivery of the Northville Record.

Postmaster Neal states that the mail will be made the first daily morning delivery, after the start is made to the business houses and then to the residential district.

The two districts will be Center street and all west of that in charge of Carrier No. 3 Harry German Jr., and west of Center street will be in charge of Harold Sonnenberg. Fred Wendt has been appointed substitute for both carriers.

Two deliveries will be made daily, but of course there will be some delay to start with, until the situation is perfected. And in this connection it is up to the patrons themselves to see that their mail is addressed to their street and number.

"Carriers will accept mail for forwarding when handed to them with stamps affixed. They will not sell stamps nor will they accept money for postage to be placed on letters at the postoffice. Later on public mail boxes will be placed at various places about the village for the convenience of people in mailing their letters, and two pick-ups will then be made daily thereafter.

"There will be no more drop letters at one cent. All letters will require at least two cents, either for Northville or London England."

Northville will now certainly be on the map as far as mail facilities are concerned. No city or village in the United States has better mail facilities either as regards incoming or outgoing mail. There are not four mails out and in daily, and Northville is on the air mail line-up in just as good a position as is Detroit or any other city. Air mail leaving here at 9:50 catches the big mail ship at Ford airport at 3:15, and lands in Chicago at 5:00 p. m., and in San Francisco at 4:30 p. m. the next day. For the southwest a letter leaving here at 2:00 p. m. will arrive down in Texas by air the next morning at 8:00 or 7:00 a. m., depending on where it is going.

The postmaster says that he almost forgot to say "that where door bells are located conveniently to the mail boxes the carrier will give two short rings after placing mail in the receptacles. This is not a rule, but will be done as an accommodation so that patrons may know that letters have been placed in the box. We shall probably think of a lot more things to tell our patrons next week."

"For a while, the postmaster says, 'large and bulky parcels will have to be called for at the postoffice but the carriers will leave a notice of their arrival. And that's that."

ON THE FIRING LINE IN GREAT STRUGGLE AT BRAE BURN CLUB

Detroit Pastime Gun Club
Members Do Some Great
Shooting

(By Howard Hall)

The Detroit Pastime Gun Club was the scene of a great struggle March 18th. The scenario incorporated a five-man team race, which was the lodestone that drew a large gallery, eleven teams and more than one hundred entries. Individual honors went to James Barlow of Rockwood. Jim broke in front with a 50 straight and stayed there over the full distance, scoring 95.100. Dick Boze and E. V. Burroughs tied for second place with 93. Frank Hills, Joe McLaughlin, Karl Maest and J. Braddock split third money with a 92—Other high spots on the bulwark were 91 by Dr. M. A. Warr, Fred Ford and Fred Schaffer, Jim Hartwick outgunned 90 fast ones, which tied him with Roy

Boyer

In the first half of the team race, Pastime No. 1 made up the big defense men of that premier organization, and the Brae Burn Club of Northville were in the lead, with Pontiac and Wolverine aggressively close. The race was not conclusively settled until the last squad finished the second half of the century, and a total found Pastime No. 1, sitting in first place, with a score of 449x500; Pontiac second with 442, and Brae Burn third with 441. The personnel and scores of each team follows.

Pastime No. 1—Burroughs, 93, Maest, 92, Ford, 91, Pearce, 88, Trimmer, 85 Total 449.

Brae Burn—McLaughlin, 92, Hills, 92, Dr. Ward, 91, Fred Schaffer, 91, Estes, 75 Total 441.

Pontiac—Boke, 93, J. Braddock, 92, E. Boyer, 90, Alexander, 88, E. H. Taylor, 81, Total 442.

Wolverine—Wegandke—Barrow, 94, Tieser, 81, Al. Daluka, 87, Barnosky, 81, Gudersteve, 81, Total 424.

Willow Grove—Mullenbach, 85, Heikes, 87, Cavers, 77, Chesterfield, 83, Urquhart, 85, Total 416.

Flint Trapshooters Association—Wesner, 83, House, 89, Schrim, 84, Morningstar, 80, Foss, 71, Total 412.

Goddard Road Club—Murphy, 85, E. Schaffer, 79, A. Schaffer, 71, Moss, 76, Sutherland, 69, Total 380.

Birmingham—J. W. Potter, 80, Holz-nagle, 79, Porritt, 75, H. W. Potter, 77.

Daniels, 78, Total 389.

Shawnee Club of Ontario—Sutton, 84, Mayrand, 83, Dr. Perdue, 79, Mer-necki, 69, Vigneaux, 69, Total 384.

Pastime Club No. 2—Dr. Wray, 87, Anderson, 61, O'Dell, 72, Jim Hartwick, 90, Watson, 71, Total 381.

COMING ATTRACTIONS at the PENNIMAN ALLEN

FAMOUS NOVELIST

PREACHED GOSPEL

Harold Bell Wright, author of that

memorably popular literary success,

The Shepherd of the Hills, pictured

by First National and which comes to

the Penniman Allen theatre, Saturday,

March 31st, was a traveling pastor in

the Ozarks when he began writing.

He now lives on his ranch near

Tuscon, Arizona. His chief hobby is

the collection and culture of all va-

rieties of desert cacti.

WALLACE DIRECTS

"A TEXAS STEER"

Richard Wallace, the directed Will

Rogers in the Sam E. Fork production,

"A Texas Steer," has to his credit such

comedies as "Syncopeing Sue," "Mc-

Fadden Flats," and "The Poor Nut."

"A Texas Steer," starring Will Rog-

ers and featuring Louise Fazenda, tops the list as a First National super-spec-ial. This hilarious comedy hit is at the Penniman Allen theatre March 29.

PARIS FASHIONS SHOWN IN

FLORENCE VIDOR'S LATEST

Among the latest Parisian fashions

to be displayed by Florence Vidor in

her new Paramount picture, "Honey-

moon Hate," when it reaches the Pen-

niman Allen theatre, Tuesday, March

27th, will be a smart traveling

costume for black crepe pleated skirt,

white crepe jumper and tweed coat.

The costume was designed by Travis

Hutton, Paramount's head fashion de-

signer, who recently returned to Holly-

wood from a style studying sojourn in

Paris.

The black crepe skirt has small

knife pleats. The coat worn over the

costume is almost three quarters length,

longer than the usual jacket worn with

a traveling suit. It has been made

perfectly straight to hold snugly. A

pointed design on the coat ranges from

the palest shade of gray to black and

a big wolf collar sets off the garment.

A small black felt hat, nude hose,

black patent slippers and natural color

chamois pull-on gloves complete the

costume.

Have you ever noticed how a man

when he has done something foolish

looks around for facts to justify his

actions.

NEW INSURANCE COMPANY READY TO DO BUSINESS

Backed By Some of Michigan's Leading Men—Take Over Title Co.

The license granted the Michigan Life Insurance Company by Charles D. Livingston, state insurance commissioner, today, places that organization among the leading insurance companies of the state.

With the opening of the company's books today with \$2,500,000 worth of insurance business already pledged to be written thereon, a record amount of insurance for a new company in this district, and perhaps in the United States, the Michigan Life Insurance Company looks forward to a rapid growth and expansion.

Headed by former Governor Alex. J. Groesbeck as president, the officer and director personnel of the new company includes such figures in financial, legal and political affairs as Leonard T. Hands, vice president and general manager; A. J. Crawford, vice president; Wesley G. Beaumont, secretary; L. Whitney Watkins, treasurer; Edgar A. Cline, Judge Clyde I. Webster, George W. Auch, George J. Burke, Mark Merriman, Hon. O. L. Smith, Hon. Clark Detan, Scott E. Lamb, Senator G. A. Sink, Colonel Samuel D. Peppel and others.

The company has secured Walter W. Tait, who has been prominently connected with insurance company development of the state for the past 20 years, as organized director. The Michigan Life Insurance Company will write general life policies, as well as accident and health policies. Agreements have been reached, it was announced today by Leonard T. Hands, whereby the new company will take over the Title Guaranty and Casualty Company. This merger, subject to the approval of the insurance commissioner, will take place immediately, and will add a premium income of \$500,000 a year to the business of the new company.

Negotiations have also been entered into with several other insurance companies, and when these mergers have been effected it will give the Michigan Life a great volume of business to start.

"Our agency plant is all set with agents in the field and ready to start writing business," declared Mr. Hands today. "With the present organization, we are capable of producing at least \$7,500,000 worth of business in 1928. Our Detroit agencies have already secured pledges for \$2,500,000 worth of insurance."

RADIOTIC

Here's a good menu made from materials nearly everyone can get: Roast stuffed shoulder of lamb, baked cabbage with apples, string beans (canned or fresh), currant jelly, canned pear salad, chocolate pie. With bread, stuffing and pie for dessert and potatoes are needed, but if you are accustomed to having them, they can be boiled whole and browned with the meat.

TROUT FISHERMEN MUST PAY LICENSE IN THE FUTURE

Can't Try Out Luck This Year Without Paying Out Real Cash

Northville trout fishermen will be interested in knowing that before they can drop their lines into the trout streams this spring that a state license will be necessary. While the last legislature didn't tax the air, sunshine and mud there is a prospect that this will be taken care of at the next session.

Following is the new state law taxing the fellow who likes to go trout fishing once in a while. It is No. 350, and provides:

"No male person over 21 years of age who is a resident of the state of Michigan shall take a catch, or attempt to take or catch in any of the lakes or streams of the state of Michigan any species of trout, either rainbow, German brown, brook trout or any other species of trout except Mackinaw trout, without first having procured a license therefor as provided in this act."

The fee for the license is fixed at \$1.00.

While the present law applies only to trout fishing and it is at the best more or less of an experiment, it halts the ushering in of a form of taxation which some of the alleged sportsmen have endorsed for several years. It has been attempted to secure support for the passage of a general fishing rod license in Michigan, and the attempts have met with failure.

For the dairy herd hay may be fed in the manger or in a feed rack. It is usually given after milking in order to prevent dust in the stable during milking. Since it is not practicable to weigh it every day weigh a bunch occasionally in order to estimate pretty closely how much each cow is getting.

WHERE THEY DID THEIR FISHING WHILE IN FLORIDA

Staff Correspondent of The
Record Sends Home
Real News

(By Staff Correspondent)

Miami, Florida, March 21.—I presume by this time that Edward Lapham and Milo Johnson have returned home with numerous stories about the great things they did while down here in Florida. I think it was a pretty wise thing on the part of the Record to send me down as a special writer, so the folks back home might know just what does go on away from home.

WHERE ED AND MILO FISHED

There are two classes of Florida folks in Northville. The first and most predominant class consists of those who come here yearly like myself, Frank Ferrin, Harry Clark, T. G. Richardson, Fred Simmons, and lots of others. We know and really appreciate Florida and its life-sustaining

orange juice—and further we know HOW to fish and HOW to act when in surf bathing.

The other class consists of the so-called fly by night tourist. He is here today and gone tomorrow. We understand that a certain Northville editor is of this class. Now these fellows have no way of knowing anything about the country where they have been. They come in the morning and go by night. Most of them, in fact all of them, return home packed full of what they believe is knowledge about the place. They go fishing, get nothing and go home and tell whoppers that presumably Northville is filled with just at present.

Now about that fishing trip our Bank Cashier and new lieutenant governor have been talking so much about. It happened that the photographer from the Record secured a pretty good picture of the place, these fellows fished. The place is so filled with fish that they will even jump out of water at bait you hold in your hand. It was a game refuge—and the truth of the matter is that neither Milo Johnson or Edward Lapham caught any fish whatever. There were so many fish that it frightened the fishermen and therefore they had no luck.

I am sending this information home because I have already heard that both these gentlemen are telling Florida fish stories that we do not approve of down here.

Have been talking to Mr. Barnhart, W. H. Corrin, J. M. Hall, W. N. Osborne, T. G. Richardson and a lot of other folks who have both Northville and Florida at heart. T. G. tells me that all he knows about these fellows being in Florida is the fact that one day an

auto whizzed up, a couple of goggles bedecked fellows asked for "some oranges, and away they went, calling back that they would see him soon in Northville. He thinks the two were Mr. Lapham and his legislative friend. I went over to the coast to look up some reports that had been trickling around the Northville camp pertaining to the antics of two new bathers who showed up one afternoon on the beach, but there were so many conflicting reports that it will hardly do to send them back home. Suffice it to say that additional "patrolmen" were added to the beach patrol.

No one should be fooled by a lot of photographs they might be showing. These are used simply as a "spoke" to cover up some actual pictures that I have been able to secure of the two. There is a possibility of a continuation of this report in the future, although it is my desire to check over some of the rumors I have been hearing before sending back to Northville additional information.

A diet that supplies sufficient vitamins includes plenty of milk, eggs, butter, fruits, tomatoes and green leafy vegetables. In winter time it is sometimes difficult to get enough fruits and vegetables to be on the safe side. Some of the canned vegetables, especially canned tomatoes, are good sources of vitamins, but it is very necessary to serve the family with plenty of other vitamin-rich foods. The citrus fruits—lemons and grapefruit—are excellent sources of vitamins and are available almost everywhere the year around.

Copied, carbonized, which has proved convenient and effective in disinfecting seed, wheat affected by flag smut, and striking smut is not effective when the grain is infected with loose smut. The hot water treatment is required to penetrate the grain and kill the fungus inside the kernel. Directions for the hot water treatment as well as other methods of disinfection are printed in Farmers' Bulletin 1549, obtainable upon application to the United States Department of Agriculture, Washington, D. C.

No matter what the loss was, and no matter how much the insurance was, no man will ever admit after a fire that he was fully covered.

If a man will talk you can size him up quickly.

Send up a pair of discarded shoes and be prepared for a pleasant surprise. You'll be glad to wear them and you'll tell your intimate friends that you're repair-wise.

OPERATTA WILL BE PRESENTED BY SCHOOL MARCH 28

Musical Director Preparing
Students For First
Public Effort

"Bits of Blarney" is the title of the two-act operetta to be presented at the Pentameter Allen theatre on the evening of Wednesday, March 28th, by Miss Bach, music supervisor, who will be assisted by the high school orchestra. The members of the cast have been in practice for sometime, and there is not the slightest doubt but what the effort will be well worth seeing.

Following is the program and story in brief, as well as the members of the cast.

Time—The present.

Act I—Exterior representing road-way, leading into private estate, with caretaker's cottage.

A group of Irish girls go on a picnic, as they approached Mike O'Noole's cottage they are frightened by a loud noise (later discovering it was Mike O'Noole snoring). After bidding good morning, they play a game of blind man's buff, with Mike taking part. The little bit of blarney, whom Patrick loves, has stolen the hearts of all the boys and has broken all the girls' hearts.

See what clever scheming Mike O'Noole, the typical Irishman, does. How Patrick, the leading Irish youth, and Peggy, his "bit of blarney," win each others love after many heart-breaking scenes.

CAST

Peggy—much admired Irish girl, Marion Hamilton
Patrick—much in love with Peggy, Russell Archison
Robert—also in love with Peggy, Ted Watts
Mary—in love with Robert, Ruth Sessions

Mike O'Noole—caretaker of private estate, Alex. Johnson
Agnes, Doris Tishla
Rose, Gladys Ludwig
Irish Gulls leaders of chorus, Chorus of girls, Chorus of boys.

Soil erosion carries away 20 times as much plant food as is removed by crops. The real soil miner is not so much the one who grows crop after crop of the same kind without replacing plant food but rather the one who allows his precious soil to be washed away by land to be gullied and destroyed and the top soil to be washed away by sheet erosion. Failure to terrace lands that are subject to rushing water is responsible for much loss that might be avoided.

Armed with a never picked up the Edin Daily News on Monday morning to find Adam had been injured in an auto accident while on joy riding the night before.

BETTER HOMES IS CAMPAIGN NOW ON OVER IN PLYMOUTH

Mrs. G. N. Bentley is Chairman of Committee to Direct Effort

Preliminary plans for a better homes campaign to be held in the suburban communities of Wayne county during the week of April 22-28 were mapped out Saturday at Plymouth by a committee headed by Mrs. G. N. Bentley, president of the Wayne County Council of Parent-Teacher Association.

A house now under construction by Crumie & Wood will be furnished and landscaped under the direction of the committee, and will be used as a demonstration center during the week.

General meetings at which various phases of home improvements will be discussed will be held in the high school auditorium during the afternoons and evenings.

Mrs. Bentley was appointed by Her-

bert Hoover, secretary of commerce, who is president of Better Homes in America, an organization with headquarters in Washington, which sponsors Better Homes Week as an annual event.

A novel feature of the week will be a home night Monday, April 23, when families will be urged to remain in their homes, to talk over their family problems and to participate in family games and other recreation. The radio stations of Detroit will be asked to cooperate with special programs on that night.

The annual achievement day of the Wayne County home-economics extension groups will also be held at Plymouth during the week.

The county will be divided into zones and the people of each zone will be urged to visit the demonstration house on a particular day. Arrangements will be made for women from the various zones to act as hostesses.

Home problems in finance, child health, parent-teacher relations, art in every-day life and home recreation are some of the subjects that will be covered in the addresses to be given in the

high school. Our purposes are well stated in the self-rating scale for homes prepared by the National Education Association," Mrs. Bentley said. "This scale asks the following questions:

"Does the home maintain an atmosphere of mutual love and respect?" "Is there sufficient income to maintain a reasonable standard of well-being for all members of the family?" "Is the family housed in a way that takes care of the needs of each of its members?"

"Is there a proper amount of wholesome food attractively served to meet individual needs?"

"Does the family have a common social and recreational life that appeals to all members?"

"Does the family have an intelligent daily routine that safeguards the energy and time of its members?"

"Are the duties and responsibilities of the family fairly divided among its members according to their strength?"

"Does the family have a growing library and a common intellectual life?"

"Does the family have an intelligent attitude on important moral, civic and spiritual problems?"

"Does the home promote the maximum happiness and growth of its members?"—Plymouth Mail.

Keep an old-time spirit of warmth and good cheer radiating in your home. Keep the coal bin full

Makes Life Sweet

For seven generations the National Household Remedy of Holland, for kidney, liver and bowel troubles has helped make life brighter for suffering men and women. Begin taking them today and notice how quickly your troubles will vanish. At all druggists in 3 sizes.

Try These

FRIED CHEESE SANDWICHES

Grind in food chopper one pound American cheese. Add one-half cup butter, pinch salt, paprika. Spread on thin slices bread, form into sandwiches of any shape, and fry in butter a delicate brown. Serve hot.

BUTTERSCOTCH PIE

Beat yolk of one egg and add two-thirds cup milk. Make a thickening with a heaping tablespoon flour and two-thirds cup milk. Brown one tablespoon butter, add one cup brown sugar and brown. Add flour and milk, cook a while and then add the egg and milk. Put white on top.

NOT SANDWICH FILLING

Blend one cup of almonds, one cup peanuts, one cup of filberts, add one cup pecans, grind three times through meat grinder, last time adding one-half cup of water and beating thoroughly, adding a little salt. Put and keep cool. The day you make the sandwiches beat in one quart heavy cream and add one cup sugar. This will make one hundred sandwiches.

STUFFED PORK CHOPS

Six chops, 2 cups bread crumbs, toaster, 2 tablespoons butter, 1 shallot onion, cream enough to moisten dressing, salt, 1/2 green pepper. Be sure chops are one-inch thick. Slice in middle to bone. Fill with dressing made from other ingredients. Bake slowly until golden brown.

CARROT CAKE

One-half pound carrots, 1 pound almonds, 4 eggs, 1 cup sugar, 1 teaspoon cinnamon, 1 teaspoon baking powder. Grind carrots and nuts very fine, then add sugar, cinnamon and baking powder, blended. Add beaten egg yolks and fold in stiffly beaten whites. Bake in shallow pan in slow oven about 30 minutes. Spread with whipped cream.

FUNCH

Three lemons, 2 oranges, 2 teaspoons orange Pekoe tea, fresh fruit, sugar and ice. Squeeze and strain all fruit. Crush fresh mint leaves with 1 cup sugar, add 1 cup boiling water, mix and strain when cold. Stir in tea, the ordinary way and allow it to cool. Combine these ingredients, and add enough water to make one gallon. This is nice to serve at a summer luncheon, instead of iced tea.

PRIMARY ELECTION NOTICE

Notice is hereby given that there will be a primary nominating election held in Wayne county Monday, April 2, 1928, to provide for the expression by the qualified voters of the several political parties of their choice for the nomination by their party for President of the United States as prescribed by Act No. 351 Public Acts of 1925.

ERNEST MILLER, Township Clerk

Live in Your Own Home

There is no Need to pay Rent

I have made arrangements whereby it will be possible for me to finance the construction of homes in Northville. Anything from a bungalow to a mansion.

The plans, specifications—in fact the entire completed job, is executed to your satisfaction.

It is so much more satisfactory to live in your own home. The money you put into rent might just as well be used in paying for the roof that shelters you.

Come in and I will be glad to provide you with all information.

STUDENTS GIVEN CHANCE TO ENTER IN ESSAY CONTEST

Cash Prizes Offered For Best Efforts of Students In High School

Hundreds of students in high school within a twenty-mile radius of Detroit will compete in an essay contest on the Master Plan of Highways, starting Monday. In an effort to interest the thousands of students in the problem of traffic and road building, the Detroit Automobile Club announced today that prizes totaling two hundred and fifty dollars in gold will be given for the best essays.

This contest is being sponsored by the Road Commission of Wayne, Oakland and Macomb counties, together with County School Commissioners, high school principals, and English teachers. The board of judges for the contest is composed of Major John P. Hallahan, engineer for the Rapid Transit commission, Edward N. Hines, Wayne County Road Commissioner, Richard Harist, manager of the Detroit Automobile Club, Paul Rhemus, principal of the Mc Clellens High School, and George Averill, editor of the Birmingham Evening Post.

The prizes to be given will consist of: first, fifty dollars in gold donated by Col. Stanley E. Waldon, president of the Detroit Rapid Transit Commission; for the best essay submitted from any boy in the entire district, next, fifty dollars in gold contributed by the Detroit Automobile Club for the best essay submitted by any girl in the entire district; John S. Baggett, Secretary of State and a member of the Wayne County Road Commission, has donated a prize of fifty dollars in gold to be divided twenty-five dollars to the second best essay from either a boy or girl in the entire district and twenty-five dollars to the best essay from either a boy or girl from Wayne County to be awarded after the first three prizes have been judged. The Macomb County Road Commission is also giving a twenty-five dollar prize for the best essay produced in Macomb county and the Oakland County Road Commission is giving another twenty-five dollar prize for the best essay from Oakland County. These last two are to be awarded later prize winners from the entire district have been picked.

School libraries have been supplied with copies of all reports bearing on this subject and such other printed matter as is a source of interest in the contest. Teachers will continue to give their pupils and will in the next few weeks return to the contest for the participants who are now preparing for the contest. In order that they may be able to write more freely and without any other hindrance.

According to Mr. Hallahan, chairman of the board of judges, the purpose of this contest is to educate the school children who will in the future be the main factor in the value of good roads and what they are to a community, as well as to afford an incentive whereby they will study on the Master Plan of highway building.

At the annual meeting of the National Association of Marketing Officials, held recently in Chicago, the committee on legislation among other recommendations included the following: "We recommend specifically that the respective states pass laws authorizing the State Department of Agriculture, or other administrative authority concerned with marketing, to adopt and promulgate such grades and standards for the state as have been established by the United States Department of Agriculture."

Novi News

(Phone items to Mrs. R. O. Thompson 7134-F2)

B. H. Leavenworth is on the sick list. Miss Patricia Gaffney is on the sick list.

J. O. Munro is reported improving slowly.

Mrs. Stella Miller is confined to her home by illness.

The West Novi school is closed on account of scarlet fever.

Mrs. Earl Tyler made a business trip to Pontiac, Tuesday.

Mrs. O. H. Harnden is quarantined at her home with diphtheria.

Miss Royena Root has been confined to her home by illness for a week.

Mrs. George Duart spent Sunday with her daughter, Mrs. L. L. Gratzow.

Mrs. Mary Tuck of Wyom, visited at the home of her son, Walter Tuck, Saturday.

Miss Ethel O'Connor, the helping teacher, visited our school, last Wednesday.

Mr. Davy and George Gullen were dinner guests of Mrs. C. H. Smith, Tuesday.

Misses Mabel Chamberlain and Mabel Root made a trip to Ann Arbor, Saturday.

William Martin of the U. of M., spent the week-end with his mother, Mrs. L. L. Gratzow.

Mr. and Mrs. Carl Rix of Detroit, were callers at the home of his uncle, C. O. Clark, Sunday.

Mr. and Mrs. Walter Tuck visited the latter's parents, Mr. and Mrs. J. Bush, in Mulford, Sunday.

Mrs. Doris Donelson returned Sunday from Florida, where she has been spending the winter.

Misses Patricia and Jean Gaffney visited their aunt Mrs. Louise Murphy, in Detroit, last Saturday.

Earl Tyler has discontinued his work in the city for a short time and is decorating his home here.

The Misses Irene and Mildred Preston of Verona, called on Miss Joy Thompson Friday evening.

On account of her ill health, Mrs. Albert Smith is spending some time at the home of her son, Fred.

Mr. and Mrs. Frank Clark motored to Memphis, Saturday, to visit an aged aunt. They returned Sunday.

Mrs. I. B. Flint was a guest of her sister Mrs. W. B. Shaw of Plymouth, Thursday, and Friday of last week.

Children people from here attended the evangelistic services at the Reformed Baptist church last Wednesday evening.

Miss Christine Huston spent last week in Lansing returning to the Reformed home Monday, where she is caring for her sister.

Mr. and Mrs. Charles Davis and daughter and husband Mr. and Mrs. Bert Co. of Lapeer visited Mr. Simpson at 1150 Home, Sunday.

L. L. Co. group excavation on road which has been the subject for a location of the New Elmer factory here on the south Tuesday morning.

The Novi Bridge club was entertained last Thursday by Mrs. Frank Martin. Mrs. Maudie Drouillard and Mrs. Helen Moore won prizes, and Miss Steve Tuck was consoled.

A good delegation from here attended the meeting of the proposed Novi Stovak corporation, which was held at the office of Gullen & Gullen in Detroit, last Thursday evening.

Mr. and Mrs. C. A. Watson, who have been spending a part of the winter with her sister at Fenwick, have returned home, and he is now ready for work as plumbing and heating engineer.

While driving on the Twelve Mile road Sunday, in an unguarded moment

Mrs. C. H. Smith's car went into the ditch. A fender was broken and help secured to get the car in running position.

The play, Nancy Anna Brown's Folks, which was given here by the Rebekah lodge a short time ago, was repeated last Thursday evening, for the benefit of a number who could not attend the first time.

The box social given by the B. Y. P. U. last Friday evening, was a success in points of fun and enthusiasm. Although not a large crowd attended the evening passed pleasantly and the older people present seemed to enjoy the games as well as the young.

Seventeen boys met at the call of Carl Leavenworth on Monday evening at the town hall, and organized a Boy Scout troop. R. O. Thompson is acting scoutmaster, with Carl Leavenworth as assistant.

Homer Kent was acting secretary. After the business meeting, wrestling and games were enjoyed by the boys.

Laura Bjarre, eleven-year-old daughter of Mr. Bjarre of West Novi, passed away Monday morning. She was taken ill with scarlet fever last week Wednesday. Soon after pneumonia developed, which caused her untimely death. The funeral was held from the Schrader Brothers' funeral parlors in Northville, Wednesday afternoon.

The Southern section of the Wayne Baptist Association, B. Y. P. U. are planning a rally to be held here Friday evening, the 30th. Delegates from all churches in this section are expected. A supper for delegates will be furnished by the entertaining B. Y. P. U. Song fellows, and a business meeting will follow.

Rev. R. A. Riley of the Plymouth church, will give the address of the evening. All who desire to attend are welcome to the rally, and the young people are hoping a large crowd will greet the delegates from the visiting unions.

The contest for championship in the grade spelling bee was held Friday afternoon at the school. After some practice tests the spelling began with the eighth grade. As in all spelling bees some were soon down.

The seventh grade held the floor the longest, and for a time it seemed as if four of them were equally good spellers. The winner in the sixth grade seemed to be surprised at herself. The fifth grade with five pupils was soon down.

After being in the fourth grade only about six weeks. Quite a number of good spellers in the second and third grades were not able to spell the word correct, but because of some irregularities in the contest which the judge observed as spelling of a similar word, and in the end had no defined winner, so that they were not allowed to contest.

Those who have been in the contest in previous years were better acquainted with the rules than the older contestants, quite the same difficulty.

The champions were George Loefer, eighth grade with Patricia Gaffney, runner up, O. G. Holter, fifth grade with Kent B. of fourth grade.

Grade, such as spelling, and other things up in the fourth grade. The Camp Fire crew met at the school last Monday evening and it was opened into the band.

The pupils of the older group in Mrs. Irene Moore and Miss Orla Blank is her assistant. Miss Billie Lottimer is guardian to the younger group with Mrs. Leona Gifford as her assistant.

The following officers were elected for the older group: President, Joy Thompson, Vice president, Ethel Fischer, Treasurer, Ruth Hammond, Secretary, Patricia Gaffney. They will meet next Monday evening with their guardian, Mrs. Moore.

Someone had an auto accident Sunday on the Walled Lake road. Someone must have not noticed it was gravel and not cement.

Someone was reported hurt and seemed to be spirited away.

Someone ordered a wrecker to remove the topless Ford from the highway. Someone must know whose car was damaged, but no one seemed to know.

The Mexican census of 1921 has just been completed and it shows enough people left down there for several more revolutions.

What has become of the old-fashioned husbands who used to get "bawled out" for turning up the wick so high that it smoked the lamp chimney?

AUTOMOBILE TRIP TO FLORIDA WAS A PLEASANT ONE

Mr. and Mrs. E. A. Kohler Back After Spending The Winter In South

After spending a most delightful winter in Florida, Mr. and Mrs. E. A. Kohler and son, Edward Leo, have returned home. They spent most of their time while away in touring the south, going down the west coast of Florida as far as Ft. Meyers where Thomas Edison and Henry Ford have their winter homes, and over here were Royal palms more beautiful, then as far south as Coral Gables.

We drove to Pensacola, Florida, in four and a half days not fast driving either. Where we spent three weeks. We also spent three weeks at West Palm Beach with Fred Fry and family, who have been there three years; two weeks at Daytona Beach with Mrs. H. Baldwin, who has been there four years; and the rest of the time at Miami.

Says Mr. Kohler, "places of interest were visited. The climate was wonderful, mostly 75 or 80, and nowhere were the flowers more beautiful than at West Palm Beach, especially the hibiscus, but most wonderful of all was the ocean bathing and we seldom missed a day, especially at West Palm Beach and Daytona Beach. We saw the famous Gar Wood race on Lake Worth, and the Lockhart, Campbell auto races at Daytona Beach, the most famous beach in the world."

And when we left Daytona, Mr. and Mrs. Kohler and son, Edward Leo, have returned home. They spent most of their time while away in touring the south, going down the west coast of Florida as far as Ft. Meyers where Thomas Edison and Henry Ford have their winter homes, and over here were Royal palms more beautiful, then as far south as Coral Gables.

Mrs. Harry Clark, Mr. and Mrs. Ed Lapham, Mr. and Mrs. M. Johnson from here, and Mr. and Mrs. John Patterson and son, Daniel, of Plymouth, were still there.

We drove home from Washington in two days. Altogether we drove over 5,000 miles—a wonderful trip but we are glad to be home.

We visited Mr. and Mrs. T. G. Richardson and Mr. and Mrs. Fred Summons at Oremont, and still have some of the grapefruit and tangerines T. G. gave us, which were grown on his own place.

Retiring Mayor Has Been Most Active For His City

Elmer L. Smith, who has just retired as mayor, at a plans to devote all of his time to personal business, is doing so with the satisfaction that during his two years as mayor of Northville, he accomplished much in behalf of the village of which he presided as mayor.

But there is this about it. In whatever he tried to do, he had the full co-operation of every member of the village commission and the citizens as well. Of course, on some of the things he did there was some difference of opinion, but he was able to get the things done, and as to whether the town was right to take certain actions or not, we worked them all out satisfactorily, and went ahead, and I think the village as a whole is proud of the action that he took, stated the retiring mayor, when discussing the work of the past two years.

ELMER L. SMITH

A lot of the things he accomplished in his time as mayor were in the line of the village.

The water works was extended, and the village had nearly 50 new fire hydrants installed in various parts of the town and all of them made of a standard size so that the regular fire equipment can be used in case of emergency. About 3,000 feet of new fire hose has been purchased as well as one of the most modern fire trucks.

There was purchase of Main and Wing streets, giving to the village one of the most attractive little parks in the state, as well as a ball field. The old residence of the property has been made over into an attractive place for the enjoyment of city business.

Adjacent to the city hall there has been erected a new fire hall, which adds much to the appearance of West Main street. It will take care of the needs of the city fire apparatus for many years to come. And there is no indebtedness on the property.

The sewer system has been completed in the past two years. Northville being one of the few communities in Michigan with a system that will take care of a population three times as great as the place now has.

A storm sewer was constructed to take care of the surface water that has always caused more or less difficulty on the west end of the city and a new boulevard lighting system has been installed.

During the past year the village started its paving program and a big step taken towards having the main thoroughfares of the town paved. Cady and Dunlap streets were paved the full length. Church and Hilltop streets, two short connecting streets were paved and Rogers, Eaton Drive and Thayer boulevard were paved.

The paving on West Main street was widened the full length of the street and a curb put in on all paved thoroughfares.

Naturally the retiring executive and his friends feel that much was accomplished for the good of the town during the time he directed its affairs, and there is reason for him returning to private life with a feeling that he had been of assistance to the community in which he lives.

Maintaining the farm work horse in a healthy condition during the winter is the first start in fitting for spring work. The horse should not be so fed in the winter that it becomes fat and fatigued, and it is not in condition for spring work, and often its resistance is so lowered as to invite disease. The liberal use of roughage supplemented with the right amount and kind of a horse properly fed will maintain a healthy condition during the winter.

On the other hand poor care during the winter resulting in loss of weight and vitality so weakens the horse that it is not in condition for spring work, and often its resistance is so lowered as to invite disease. The liberal use of roughage supplemented with the right amount and kind of a horse properly fed will maintain a healthy condition during the winter.

Information gathered by the U. S. Department of Agriculture indicates that from 1915 to 1925 the number of co-operative associations in the United States has practically doubled, that the membership increased more than 300 per cent and the business about 275 per cent.

There are certain shades of gray in the color harmonies as you can see them for background when you must have a rather muted wardrobe. Black too can be worn with almost any combination of colors. Think of your wardrobe as a whole and by mixing the colors you can get a very effective effect.

REACHES 100 YEARS OF AGE—PRESENTED 100 RED CARNATIONS Mrs. Beulah Gibson Noble of Switzer Road in Perfect Health

A huge bouquet of 100 red carnations marked the one-hundredth birthday of Farmington's first centenarian on Tuesday. So far as is known, Mrs. Beulah Gibson Noble of Switzer road, is the first resident of this section to attain 100 years of age. N. H. Power, a personal friend of Mrs. Noble, talked with her on her birthday and after Mrs. Noble had said she hoped he would call and see her on her next hundredth birthday.

N. H. Power, of Farmington, wrote the following impression of his visit with the venerable woman.

On March 8, 1924, Farmington celebrated its first centennial. Just one hundred years before or March 8, 1824, the first settlers arrived from New York State. During all these years many of our citizens have attained to a good old age, but Mrs. Chauncey Noble was the first to reach the century mark.

On Tuesday, March 13, she was 100 years old. Her long life has been an interesting one. Beulah Gibson was her maiden name. She was one of ten children that came with her parents from New York State when she was seven years old and settled on a farm north of Oxford.

Two years after their arrival, her father died. Her youngest brother was born a few weeks after the death of his father, and died about ten months ago at the age of 87.

In her young girlhood, she married Chauncey Noble, who died fifteen years ago, the 17th of January.

In 1890 she moved to her present home on Switzer road with her family and has resided ever since, a period of nearly thirty years. Three children were born to her of which two, Lucille and Harold, are still living.

Her health and faculties are fairly good. When asked the secret of her old age she said it was hard work. She is cheerful and takes in the mood can be a very full-time housewife.

Her memory goes back to the time when she took the trail and the pioneer life and made possible the comforts and privileges that we now enjoy.

Two of her daughters, the Misses Harriet and Carrie Noble are with her, and her mother, Mrs. Noble, is an advanced age for they have been unusual with her in her declining years.

When Mrs. Noble and her parents came from New York they crossed in a stage with a team of oxen and a covered wagon and crossing into the United States, and at Detroit. She remembers the old Farmington road and the Indian trail on which were often seen Indian and bears. The country

hereabouts was beautiful with wild game and many of the streams now devoid of any fish were plentifully stocked at that time. Farmington Enterprise.

When children say they do not like milk or eggs, they will often take them in other forms and not pay any attention to the fact that they are eating the food they have objected to. Custards, of course, are made of both milk and eggs. Milk-vegetable soups, white sauces served with these foods, and cocoa as a beverage, are all ways of finding the milk children need. Eggs in such desserts as whips, Spanish cream, souffles, meringues and even in cake, are valuable addition to the diet, and may be given in those ways when eggs are plentiful. Best of all, however, is the method of gradually showing the children why they need certain foods, and so persuading them to eat what is set before them.

COMMISSIONER'S NOTICE

In the matter of the estate of ELLSWORTH BROWN, deceased.

We, the undersigned, having been appointed by the probate court for the county of Wayne, state of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the Northville State Savings Bank, Northville, Mich., in said county, on Tuesday, the 13th day of May, A. D. 1928, and on Saturday, the 14th day of July, A. D. 1928, at 10 o'clock a. m. of each of said days, for the purpose of examining and allowing said claims, and that four months from the 14th day of March, A. D. 1928, were allowed by said court for creditors to present their claims to us for examination and allowance.

Dated, March 15th, 1928.
LOUIE A. BABBITT,
JOHN CLEAVER,
Commissioners

PRESIDENTIAL PRIMARY ELECTION

Notice is hereby given that a Presidential Primary Election will be held on

MONDAY, APRIL 2, A. D. 1928

at the place of holding the Annual Township Election in the Township of Novi, County of Oakland, State of Michigan, due legal notice of which place of holding said Annual Township Election, has been given.

At which election the qualified voters of the several political parties shall have the opportunity on separate ballots provided for that purpose to express their preference for the office of President of the United States.

The name of any candidate for the office of President of the United States shall be printed on the official primary ballot solely upon the petition of their political supporters in Michigan, which petition shall be signed by not less than five thousand of the qualified voters of such political party, and said petition shall be filed with the Secretary of State on or before twelve o'clock noon March first, nineteen hundred and twenty-eight.

Separate Ballots for Each Political Party are to be provided. The Candidate receiving the highest number of votes in this state at said election shall be declared to be the candidate and the choice of such political party for this state.

The polls of said Primary Election hereinabove designated will be open at 7 o'clock a. m. and will remain open until 5 o'clock p. m. of said day of election, unless the Board of Primary Election Inspectors shall in their discretion adjourn the polls at 12 o'clock noon, for one hour.

Dated February 20, 1928.

SOUSA'S BAND TO OPEN STATE FAIR SUNDAY, SEPT 2

Fair Board Has Already Started Plans For Great Show

Featuring two daily concerts by Lieutenant-Commander John Philip Sousa, and his famous band of 70 internationally known musicians, and soloists, the Michigan State Fair will open its 79th annual exhibition Sunday, September 2, continuing through Saturday, September 8.

Sousa's band, noted for the playing of its famous director's march compositions, will be heard by the public at a 25-cent admission charge, which includes entrance to the grounds and many of its attractions. Ordinarily, Sousa's concerts range in admission price as high as four dollars.

On Sunday afternoon Sousa will give a sacred concert, followed in the evening by a patriotic program, assisted by Boy Scout and Campfire Girl organizations and units of the Michigan National Guard. No midway shows or amusements will be open on Sunday.

The remaining six days of the week Sousa will give concerts in the Grove daily in the afternoon, and in the coliseum in conjunction with the horse show in the evenings. No charge will be made at the coliseum entrance in the evening. The interior layout of the coliseum will give the public ample opportunity to hear the concert, although for those who desire seats will be available at 25, 50 and 75 cents.

Eighteen of the most expensive and highest type of vaudeville acts ever engaged by a State Fair will appear daily, both afternoon and evening, in front of the grandstand with the exception of Sunday. As Sousa and his famous band from Chicago, will appear with the vaudeville entertainers. This is the most elaborate and expensive entertainment program in the State Fair's history.

In the evening the majestic fireworks "A Night in Bagdad" a super-production of the Theatre D'Amel, Fireworks Co., will appear nightly, in addition to the impressive vaudeville program of 18 acts. This Oriental fantasy—the most striking display of fireworks and set pieces ever produced to date—will portray the streets, walls and buildings of the ancient city of Bagdad in all its mysterious and beautiful splendor. A specially trained ballet, much enlarged over the previous year, will be seen during the presentation of night life in Bagdad, lending exotic charm to the scene.

Three business races will be in front of the grandstand on the afternoon during the week, from Monday to Friday inclusive. A spectacular automobile race with some of the best drivers in the country, will be staged on Saturday afternoon under official sanction of the American Automobile Association. All these events will be in addition to the daily vaudeville features.

Rubin and Cherey's Carnival Co., a 40-car midway show, will supply the attractions for the afternoon and evening sessions of the midway—tires and more extensive than ever before. These features will be of the highest calibre with absolutely no features that would be objectionable.

Exhibits of farm products, machinery, home economic displays and various departments of the state industries, will be housed in more completely equipped and better lighted buildings than in any preceding fair. Daily live stock judging will be held in the coliseum, scores of Detroit's most noted society leaders and millionaires will put their hunters and jumpers through their paces for the coveted ribbons. A different class of horse will be featured each night and the jumping exhibit will bring many noted horses from other states.

Admission to the fair remains the same as last year—25 cents. Children under 10 will be admitted free. Automobiles will be charged 25 cents at the special automobile entrance with free and practically unlimited parking space.

The fair this year will set a new record for both the quality and number of its amusement offerings, according to Manager Fred A. Chapman. With Sousa's world famous band the stellar attraction of the week's entertainment.

MORTGAGE SALE

WHEREAS, default has been made in the payment of the money secured by a mortgage dated the 20th day of August, 1924, executed by William Scott and Anne Scott, his wife, of Northville, Wayne County, Michigan, to the American Bell & Foundry Company, a Michigan corporation, of the same place, which said mortgage was recorded in the office of the register of deeds of the County of Wayne, in Liber 1331 of Mortgages, on page 508, on the 22nd day of September, in the year 1924, at 11:15 o'clock A. M., and WHEREAS, the said mortgage has been duly assigned by the said American Bell & Foundry Company, a Michigan corporation, to Frank S. Harmon, Frank S. Neal and Charles S. Filkins, Trustees, by assignment bearing the date of the 20th day of August, in the year 1924, and recorded in the office of the register of deeds of the said County of Wayne, on the 24th day of January, in the year 1928, at 12:15 o'clock P. M., in Liber 177 of assignments of mortgages on page 500, and the same is now owned by them.

AND WHEREAS, the amount due on said mortgage at the date of this notice is the sum of \$2,871.69 of principal and interest, and the further sum of Thirty dollars as an attorney fee stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceeding having been instituted at law to recover the debt now remaining unpaid by said mortgagor, or any part thereof, and the power of sale contained in said mortgage has become operative, now therefore, notice is hereby given that by virtue of the said power of sale, and in pursuance of the statute in that behalf made and provided, the said mortgage will be foreclosed by a sale of the premises therein described at public auction, to the highest bidder, at the Stables on Campbell Street, adjacent to the Wayne County Building, in the City of Detroit, that being the place where the Circuit Court for the County of Wayne is held on Saturday the 31st day of April in the year 1928, at 12 o'clock noon eastern standard time of that day, which said premises are described in said mortgage as follows, to wit:

1/4 of Section 3, T. 1, S. R. 35, village of Northville, County of Wayne, State of Michigan, described as follows: Beginning at a point said point being S 88 degrees 18 minutes W. along E. & W. 1/2 line of said Section 3, 812.60 feet and S. 9 degrees 40 minutes E. 305.50 feet and S. 15 degrees 45 minutes E. 86.80 feet from the E. 1/4 corner of said Section 3, as above described, thence S. 44 degrees 57 minutes E. 109.00 feet to a point, thence S. 53 degrees 38 minutes W. 64.00 feet to a point, thence W. 49 degrees 09 minutes 30 seconds N. 70.90 feet, thence N. 27 degrees 43 minutes 30 seconds 39.80 feet to a point, thence N. 45 degrees 40 minutes 36 seconds E. 24.50 feet, to point of beginning.

Also, the use of alley between buildings on above described property and Poultry building opposite, and to Cady Street, is hereby granted by party of first part to be used in common by each for ingress and egress.

Assignees: FRANK S. HARMON, FRANK S. NEAL, CHAS. S. FILKINS, Trustees.

F. J. COCHRAN, Attorney
Lapham Bank Bldg.,
Northville, Michigan.
Dated January 27, 1928.

Unsterile dairy utensils is one of the chief means by which fresh milk is contaminated by bacteria. For this reason, each piece of apparatus with which milk comes in contact may be an additional source of contamination. If dairy utensils are washed and sterilized properly, all well and good, but those not properly cared for are the direct cause of large numbers of bacteria in milk.

SPECIAL ELECTION

Notice is hereby given that a special election will be held Monday, April 2, 1928, to submit to a vote of the Electors of the County of Wayne, the question of contracting an indebtedness in the sum of \$500,000.00 and issuing bonds therefor, the proceeds of said bond issue to be used for the construction of a hospital and infirmary at the Eloise hospital and infirmary.

H-Y CLUB NO.

LONGER TEMPORARY
The H-Y Club of Northville, is no longer a temporary organization. On Wednesday evening, March 14th, the Highway Park H-Y Club initiated eleven members into the affiliated H-Y clubs of Detroit.

THE FOURTH LAP HAS ENDED
The fourth lap has been finished, two more to go before this year's race is over. Some of the weaker have already dropped from the race, the fittest have survived, as in any game. Although some are barely holding in and may yet desert before the final lap. We hope not.

For the seniors it is, win or lose, while students of other classes can make up what they lost in the year, although it is always better to do your work first and play afterwards. It's better not to put off till next year what you can do this year for it will be just as hard the next time.

How much harder it is for those seniors who are in suspense. Who are not sure. They cannot enjoy the senior year like those who have the race clinched by the end of the third lap. For a fit in the track will lose this race for them.

Two more laps are left. If you are behind, spur your horse and you can make it yet. If you are ahead keep on going for you can lose that race within these two remaining six weeks periods of your studying because you do think you have it clinched.

The Campaign Girls have charge of the assembly to be given Friday, March 30th.

UNFORTUNATE SOPHOMORES

ENTERTAINED BY TEACHER
Eight of our sophomore students were entertained in the science room by Mr. Cobb last Thursday afternoon. It was a very interesting and enjoyable party. A couple of weeks ago they were entertained by the same teacher in the same room.

They were all very happy and enjoyed the party very much. They were all very happy and enjoyed the party very much. They were all very happy and enjoyed the party very much.

"BITS OF BLANKET" TO BE

STAGED ON MARCH 28TH
"Bits of Blanket," a two-act play, will be staged on the stage of the Northville high school on March 28th by the students of Northville high school.

They are a much improved team and played very well. They were all very happy and enjoyed the party very much. They were all very happy and enjoyed the party very much.

MR. GAGE SPEAKS

TO HISTORY CLASS
Mrs. Chapman's eighth hour history class had a visitor, last Thursday, Mr. David Gage, who is a gentleman with much knowledge of history. Mrs. Chapman turned over the class for the last few minutes to him. Mr. Gage said he would like to ask a few questions. The first, "What is history?"

Someone after much coaxing volunteered that it was a "related story of the time gone by." "That is right," said Mr. Gage, "but did you ever hear of a woman writing history?" Everyone basily shook their heads, and Mr. Gage said "Of course not if a woman wrote it they wouldn't call it history it would be 'her story'."

"SPRING FEVER" COMING

Local News

John Boyd is driving an attractive new car.

Mr. and Mrs. Fred Hodge were visitors in Pontiac last Friday.

Delos Deaverworth has been confined to the Ford hospital for sometime.

Mr. and Mrs. Alton Peters attended the Flower Show in Detroit, Monday.

Mrs. James Heenev was hostess to her bridge club on Tuesday of this week.

Fred Cochran has been in Milwaukee, Wisconsin during the past few days on legal business.

R. R. Brown has been seriously ill at the University hospital in Ann Arbor for sometime past.

Mrs. Maude Bennett is spending a few weeks at the home of Mr. and Mrs. Bert H. Rea in Kenton, Ohio.

Mrs. Riley Wolfstrom, who resides over near Farmington, was a caller in Northville Saturday afternoon.

Mr. and Mrs. John Boyd spent last Friday evening at the home of their daughter, Mrs. Gallagher in Dexter.

Mrs. J. B. Cook, who has been quite ill with the grip and neuritis for the past four weeks, is again able to be out.

Mr. and Mrs. Norman Miller and Mr. and Mrs. Harry Miller of Plymouth were callers, Sunday of Mr. and Mrs. E. E. Whipple.

Dr. Kestell, who has not been feeling the best for some time past, is in about the same condition, although able to be about town.

The Chapter was hosts Wednesday night to members of the DeMolay. A banquet was enjoyed and a very pleasant evening spent.

The baby clinic will take place on Wednesday, March 26, at the city hall instead of on the date previously announced. It will start at 2 o'clock.

Earl Montgomery is building a very attractive residence on Thayer boulevard near Eaton Drive. The home will be ready for occupancy early in the spring.

Jay Bennett, who lives just north of Novi, was a Saturday caller in Northville. He states that there isn't much activity just at present in real estate in that section.

Mr. and Mrs. Adolph Steinhilber of the Seven Mile road, moved Tuesday to Bloomfield Hills where Mr. Steinhilber has taken the position as superintendent at Kennon.

Mr. and Mrs. Martin Pott, have left Florida and are driving home. It is the plan to make a few short visits along the way so it will doubtless be a week or so before they reach Northville.

Northville friends have received announcements of the marriage of Miss Helen Bullis of Detroit to William G. Allard, also of Detroit. Mrs. Allard will be remembered as a teacher in the local high school a few years ago.

Mr. and Mrs. Harry Clark have returned from Florida, where they have been spending the past few weeks. They accompanied Mr. and Mrs. Stewart, Montgomery home, leaving Mrs. Montgomery to care for her husband on the train.

Joseph F. Berger of Fordson was in Northville last Saturday. Mr. Berger states that business is picking up over that way, and that the Ford industries are just about as busy as they can be at present. Hundreds of new men are being added each week.

Announcement was made Monday of the marriage of Miss Dorothy Balko daughter of Mr. and Mrs. Louis Balko of Northville, to Carol Robson of Milford. The young couple were married in Toledo, Ohio, Saturday, March 17th, and expect to make their home in Northville.

The Union Chapter, Bulletin in its issue for the present month, has issued a special memorial edition for Wallace E. Ross. The tribute to Mr. Ross, written by Ray VanValkenburgh, is an especially good one and will be read with interest by every Mason who knew Mr. Ross.

At the home of Mayor and Mrs. Charles Filkins, last Saturday evening, a very pleasant birthday party was celebrated. The date was the birth anniversary of Guy Filkins, the son and of Mrs. Carl Welwood of Detroit, nee Hazel Bovee. Guy Filkins, Mr. and Mrs. Welwood and other members of the Filkins family were present to take part in the happy event.

Chief of Police William Safford recovered for the National Bond company of Detroit, an automobile that was stolen from Northville last fall. Information secured by Chief Safford showed that the car had been driven to El Paso and at the first of the year it had been placed under a Nebraska license. It was an Oakland roadster and was sold by Charles Hills—the car being one he took in on a trade.

Roy C. Rew, former manager of one of the local grocery stores, in a card for the Record from Burns, Kentucky, states that he is enjoying the mild weather that prevails at that place and that each Saturday morning he goes down to the postoffice and gets the Northville Record. "It never misses, and if the train is on time, it reaches me at exactly the same hour every week," he writes. "I like to read about the new things there and of the many friends we made."

A note from J. M. Hall who has been spending the winter in Florida, states that they have left Daytona Beach and will be at Miami Beach for the next few weeks. "We are enjoying regular good old summertime weather, July temperature. We will probably stay here another month and by that time it will be near enough spring for us to start home. There are the biggest number of people here since the storm. Last Sunday we had a very pleasant surprise. Mr. and Mrs. S. L. Braderling upon us. They are at Orlando at the moment. It will be about the 15th of April when we start home," he writes.

Carl Ely has driven to Florida to bring his parents back to Michigan.

Mrs. Eural Clark visited at the home of her brother, Spencer Heenev, in Farmington, Thursday.

Roy Clark, one of the rural mail carriers, is confined to his home by an attack of tonsillitis.

The Record congratulates Paul Beard on his long swim in Florida. He is traveling all over the state.

Mrs. Leo Lawrence and Mrs. E. R. Eaton motored to Lansing Thursday afternoon and returned Friday.

Members of the DeMolay are to be given a supper by the R. A. M. in the Masonic hall, Wednesday evening, the 26th of March.

The Baptist Ladies Aid society will meet on Wednesday afternoon, March 26th at the home of Mrs. Will White on North Center street.

Mr. and Mrs. George Stamp spent the weekend in Detroit, and while there they attended the North America Flower show out at convention hall.

The R. N. of A. will hold their regular meeting at Forester hall, Monday evening, March 26th. All officers are especially urged to be present for drill work.

Members of the Northville Fire Department were entertained Wednesday night at the Wayne County Training School by Dr. Haskell. The evening was very pleasantly spent.

Joseph Trombly, violin instructor in Northville will spend the next two months vacationing at Lake Oregon. During his absence he expects to have a teacher from Detroit take his classes.

The W. R. C. will meet at Forester hall, Wednesday, March 26th, at 2.30, to be comfortable. All members please come prepared to work. Potluck supper at 6.30. Regular meeting, 7.30.

Dr. Robert Haskell of the Wayne County Training School was host to members of the old time dancing club Thursday night at the school. About forty couples were present at the affair and from all reports the guests had a fine time.

The many friends of Robert R. Brown, former Detroit Edison manager in Northville, will be pleased to know that he is showing steady improvement in health. He has been in the University hospital in Ann Arbor for the past week or so.

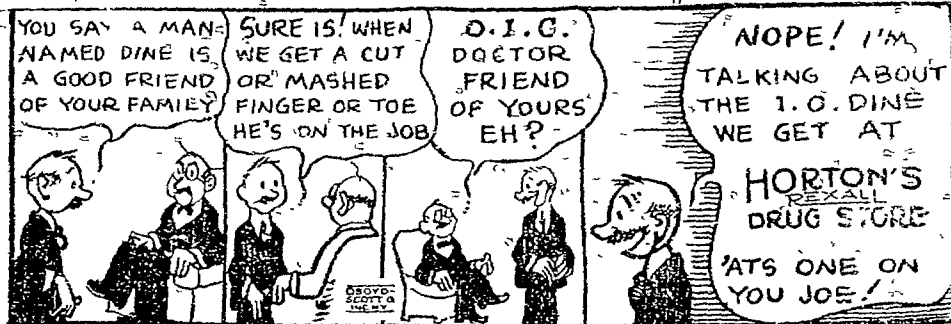

Stanley Hancoc, an employee of the Meadowbrook Golf club, had his Chrysler roadster stolen from West Main street. The day, evening about 10 o'clock. Chief Safford received a report of the theft at 11 o'clock. The car has not yet been recovered.

Wellington Roberts confined to his home by illness. The daughter of Mr. and Mrs. Roberts is a very dear child but is now confined to her bed. Mr. Roberts had been out in a few days. He was hurt in a bus accident on the Seven Mile road about four weeks ago.

Mrs. M. L. Sney and daughter, Mrs. J. D. L. Rue celebrated a birthday. Mrs. Rue celebrated at a birthday party at the home of Mrs. L. A. Sney. The guests were all for thirty years. The green color scheme throughout the home was very attractive and green tapers, tied with white tulle, adorned the tables. A surprise feature was the presentation of a birthday cake, honoring Mrs. Ernest Murre, the cake being offered by her little nephew, Robert Lallue, dressed in St. Patrick's costume.

RECORD LINERS—THE BEST RESULT GETTERS

MIAMI HERALD SAYS NORTHVILLE FOLKS LIKE PLACE

Publishes Names of Many Local Visitors in the Southland

After visiting the prominent cities of the entire state, as well as exploring the smaller communities and their attractions offered to the winter-tourist, more than 35 visitors from Northville, Michigan, have made the decision that Daytona Beach is the "sacred spot" of the state and are located here for the remainder of the winter. All of the party have expressed their delight with the "Hawkeye country" and, expect to make their winter homes here in the future. Recreation facilities with the added attraction of the world famous beach are given as their chief reasons for becoming Daytona Beach boosters.

In the party are Mr. and Mrs. Harry Clark, Mr. and Mrs. R. W. Brown, Mrs. F. Hill, Mr. and Mrs. Hall, Mr. and Mrs. Stewart, Montgomery and son, Scott, Mrs. Judd Chapman and daughter, Gladys, Mr. and Mrs. Ed. Lapham, Mr. and Mrs. E. S. Beard and son, Paul, Mr. and Mrs. E. A. Kohler and son, Edward, Mr. and Mrs. Scott Love, well, Mrs. Margaret, Curtis, Mr. and Mrs. Milo Johnson, Starr, Roger, Frank Perrin, Mr. and Mrs. Elie McDonald, Mrs. Kate Kestell, Mr. and Mrs. Fred Simmons, Mr. and Mrs. S. Brader. Miami (Fla.) Herald.

Give the new born calf attention as soon as it arrives. Sometimes a shiny membrane covers its nose. If this is the case, remove it so that the calf can breathe more easily. Usually the calf will dry the calf by licking it. If she does not do this, dry it with straw or some other material. The calf should have the first milk or colostrum, which is very beneficial to the calf, for cleaning out its system and in aiding the organs to start functioning properly.

Emotion has its price and if we want to enjoy it we must pay for it.

AUCTION!

HARRY C. ROBINSON Auctioneer

STUDENT FORCES IN HOT BATTLE

The navy, the army, the marines, the cavalry and the aviators have been fighting it out at school. These various forces consist of basket ball, tappers, and this is now they stand up to date—the game having been played after school and on Saturday.

Team	Played	Won	Pct
Navy	8	4	.500
Marines	8	3	.375
Army	8	3	.375
Cavalry	8	3	.375
Aviators	8	4	.500

Championship Game—
Army, J. McLaughlin, C. F. Decina, L. D. Riley, F. J. Coffey, Richard Feigener, F. Dayton Deal, Gerald Teshka, F. Harry Tinson, Don Keeney, G. Merle Fraser, J. McLaughlin, Capt. G. F. Decina, Capt. C. F. Budd, G. Herzig.

ELLIOTT MAKES IMPROVEMENTS

Numerous improvements have been made during the past few days in the Elliott & Son's big independent grocery store and bakery on East Main street. A complete rearrangement of counters has been made which permits a better display of stock and a speedier service to customers.
Our business during recent weeks has been increasing rapidly and we find it necessary to take steps to care for the increased business. We have also considerably enlarged our stock. Northville is growing and our business is growing with the town, stated Mr. Elliott yesterday.
Our bake shop has never been as busy as it is now. As you know we have one of the cleanest and most sanitary shops in the state and our baked goods are the best. Prices are also low.
Recently another clerk was added to the staff to help in taking care of the increasing business.

NORTHVILLE WOMAN'S CLUB NOTES

The members of the Northville Woman's Club are having a St. Patrick's Day party on March 16th. Mrs. L. C. Cook, in Irish costume, read "Mel to Save the Pack" and "Clay in Ireland" and responded to each speech with "Pat Maio." Mrs. W. H. Johnson, charmingly, sang "Humpty" and "In the Time of the Day" and gave a very interesting paper on "Irish History and Customs." Mrs. Cook had charge of

Salem Events

Fred Rider is at present confined at his home and under a doctor's care.

Mrs. L. M. Stroh and Mrs. George Carey were in Northville on business Monday.

Herschel Munn of Lansing was a Tuesday night guest of Mr. and Mrs. Glenn Lyke.

Lawrence Miller and family, of Plymouth, spent Thursday evening in the C. Payne home.

Ralph Pickard and family of Northville, spent Sunday afternoon in the Frank Buers home.

Mrs. Ida Starkweather of Detroit, was a Sunday guest of her brother, W. H. Touney, and wife.

Mr. and Mrs. C. D. Crockett of Ann Arbor, were week-end guests of the Henry Whittaker family.

Mr. and Mrs. C. W. Lewis, Mr. and Mrs. LaVern Lewis were Sunday-dinner guests at C. Payne's.

Mr. and Mrs. Charles Payne were Monday evening visitors of the Freeman Lincoln family near Saline.

Mr. and Mrs. Glenn Lyke and family were Sunday visitors of Mrs. Lyke's mother, Mrs. Mertie Murray of Plymouth.

Charles Manlin and brother, Harry, attended the funeral of an uncle in Sturgis, last Tuesday, returning a few days later.

Andrew Keller, wife and baby, Audrey Jean, of Northville, were dinner guests of their cousin, Mrs. C. Manlin, and family.

Mr. and Mrs. Edwin Smith of Ann Arbor, and Mr. and Mrs. John Taylor of Pontiac, were callers on Mrs. Laura Smith this week.

Mr. and Mrs. Fred Nollar from near

Ann Arbor, were Monday evening callers on Mr. and Mrs. Frank Ryder, Mrs. Laura Smith and Mrs. Mary Dake.

Mr. A. Kahler motored Sunday morning to Manistee to join his wife, who has been for several weeks with their daughter, Mrs. H. C. Richmond and family.

Mr. and Mrs. George Carey and daughter and husband, Thad Peer and wife of South Lyon, were Sunday dinner guests of Cecil Carey and wife of Redford.

Mr. and Mrs. J. W. White and son, Jack, of Detroit, and Mr. and Mrs. L. E. Hollis and Junior, of Northville, were supper guests at the B. F. Shoenberger home, Wednesday.

Mrs. Laura Smith, who has been seriously ill at the home of Mr. and Mrs. George Roberts, is much improved at this writing. Miss Vera Proctor has been caring for her.

Mr. A. Fisher and family, of near Plymouth, moved last Tuesday on the Herschell Munn farm, and H. Munn left Saturday for East Lansing, the home of his parents.

Mrs. A. Smith returned last week to her home in South Lyon, accompanied by her grandson, John, who will attend the Salem school until the end of the school year, coming here daily with his teacher, Don Phillips of South Lyon.

Remember the chop suey supper, to be given by the Ladies' Auxiliary society of the Congregational church on Tuesday evening, March 27th, in the town hall. Hot roast beef, rice, potatoes, jelly, cake and coffee will also be served. All welcome.

Rev. Lucia M. Stroh, Mrs. R. W. Kehrl and Miss W. W. W. were guests at the Women's Aid dinner, Thursday, at the home of the president, Mrs. Gilbert Thompson. A number of friends from Ann Arbor, Ypsilanti and South Lyon were present.

Last Friday evening the Biddies of the Excelsior class entertained the

Pat's of the class in a most delightful way, in the hospitable R. E. Pennell home. It was a real St. Patrick's shindig. New games of a different kind were first on the program. Then came the surprise of the evening when a number of girls presented very cleverly two playlets, "Katie's New Hat" and "Patrick's Matrimonial Venture". Mrs. L. M. Stroh sang a solo, "My Wild Irish Rose". All was greatly enjoyed by the audience. The supper menu was carried out in green and white—potato salad, meat sandwiches, green candy, coffee and lemonade—all

relished by the 34 guests, who voted Mr. and Mrs. Pennell and Kathryn royal entertainers.

A very impressive silver wedding was held Saturday evening at the Helmuta Kings home. After a sumptuous duck supper, relatives and friends gathered in the spacious living room. After a selection of music, the bride and groom, Helmuta Rungie and wife, marched in together, preceded by the minister, Rev. Lucia M. Stroh, followed by their three sons and two daughters. The services proceeded as follows after prayer by Rev. Cora Pennell, the pastor gave a short and impressive address on the sacredness of the marriage tie and heard the renewal of their marriage vows made each other 25 years ago to show the sacred significance of the marriage ceremony. This touching and inspiring service closed by the benediction and a song. Many beautiful silver gifts were received by the silver bride and groom. Those present were Mr. and Mrs. Rungie, Mrs. Edith Price and two sons, Floyd Sallow, all of Farmington, Mr. and Mrs. Fred Schweitzer, Mr. and Mrs. Charles Rungie and family of Detroit, Mr. and Mrs. B. F. Shoenberger and daughter Eva and Mr. and Mrs. Ray E. Pennell, Rev. Lucia M. Stroh of Salem, Mr. and Mrs. Edd Keehey and family of Northville. Including the family thirty-two were present.

Federated Church Services Sunday, March 25th—Lent—on service Sunday morning at 10:30. Music by the choir. Sunday school at 11:45. Still and motion picture service Sunday evening at 7:30. Subject: "With Christ Through the Last Days of His Ministry on Earth." Collection.

Public Lent service in the church on Wednesday evening at 7:30.

Church Night, Friday, March 23rd. Roast-pork supper at 6:15. Price, 50c. Instrumental and vocal items, to be followed by a screen lecture given by Hackley Butler on "Scene in Foreign Travel". The Whipple boys' quartette will sing.

District gathering of Sunday Schools in connection with the Washtenaw County Council of Religious Education will be held in Salem Federated church on Friday evening, March 23rd. Entertainment at 6:15. Price, 35c. Business meeting and musical program. Then the great public meeting, to be addressed by Prof. W. D. Henderson on "Modern Science and the Bible". Everybody invited to the banquet, musical program and evening meeting. Salem orchestra will be in attendance.

Special service Good Friday evening at 7:30. Solo music and exercises in both morning and evening service on Easter Sunday.

Salem and Worden Congregational Churches Thursday evening and week prayer service at the parsonage at 7:45 p.m. Everybody invited. Prayers for all the Sunday school scholars Saturday

afternoon at 2 o'clock. The Easter program is in charge of Mrs. Don VanSickle and Mrs. LaVern Lewis. Easter music in charge of Mrs. Ivan Spears and Mr. S. K. Hartman. Special Easter service in the morning with baptism, reception of members and Holy Sacrament of the Lord's Supper. In the evening the Sunday school will present a very pleasing program. Divine worship in Salem 10 a.m. Sunday school in Salem 11:30 a.m. Divine worship in Worden 11:30 a.m. Evening service in Salem, 7:30 p.m. Mr. C. W. Lewis in charge. Rev. Cora May Pennell assisting. Emma Hale, leader of the C. E. Song "What Is My Share in the Missionary Enterprise?" There will be the annual Good Friday services from the hour of 2 o'clock to 3:30 p.m. This is for the entire community.

Chop suey supper Tuesday, March 27, at 5:30 p.m., in town hall.

There will be no Easter bazaar this year, but special supper with an enjoyable program. After Easter announcements will be given later.

We are glad for the increased attendance in the church, and new members being added to the Sunday school, and trust this may continue.

Obituary

Mrs. A. F. Vanatta died Saturday, March 17th, 1928, at 11:25 a.m. in the home of her daughter, Mrs. Ben Solonky, at Detroit, Mich., where she had been residing since the death of her husband, Mr. A. F. Vanatta, preceded his wife in death August 19th of last year. Ever since Mr. Vanatta's homegoing, Mrs. Vanatta had been very weak and feeble, and almost eight weeks ago she was taken seriously ill with pneumonia. She rallied wonderfully from this, but the poison had penetrated her entire system, resulting in her death.

Maria A. Walker was born in Salem, September 7, 1842, and attained the age of 85 years, 7 months, and 10 days.

Mrs. Vanatta lived her entire life in Salem, and was one of the best known and most highly beloved of all citizens. On May 1, 1862, she was united in marriage to A. F. Vanatta, also of Salem and vicinity. Here they resided for over 65 years, having last year celebrated this remarkably high record wedding anniversary.

Mrs. Vanatta was one of the charter members of the Congregational church of Salem, and remembered when the church was founded and incorporated. She was always very active, faithful, loyal, staunch and liberal in the work of the church and the Kingdom of God, whom she loved and served, so well.

Mrs. Vanatta was a very devoted mother and wife and a good neighbor. Even the school children spoke of her hospitality and kindness to them. She was a woman of strong faith and a rich beautiful, benign character.

She is survived by her four children—T. F. Vanatta of Seattle, Washington; Mrs. Charles Orleman, Worden, Vanatta and Mrs. Ben Solonky all of Detroit, and her grandchildren. A host of relatives and friends mourn their loss.

The funeral services were conducted at the late residence, west of Salem, Tuesday, March 20th, at 2:30 o'clock. Rev. Lucia M. Stroh, pastor of the Congregational church of Salem, officiated. Mrs. Van Speer and Mrs. Ruth Wilson sang two touching hymns. Interment was made in the Salem-Walker cemetery. Mrs. Vanatta was laid to rest beside her husband.

State highway officials were in session Monday to secure

the right of way through the village of Northville for Grand River

place plan to build Grand River

from the bridge at the point about

one mile west of Five Points at present.

At a meeting of the town administration board in Lansing, Monday, it was

granted to widen the Plymouth road from the highway to the Plymouth

road to go to the town of Northville.

The road has been widened from Detroit to the telegraph

to the north and the construction will be completed this year to the point where the highway turns off to

Ann Arbor.

SIDEWALK SALLIES

When a girl goes out she is unwilling to give her up.

A girl goes out, dresses in a certain way, and a boy who finds her attractive, she is not so much as she is.

There is something in the air that even the poorest in imagination can respond to.

There is probably nothing more than the motive of a man who finds money to another when he never expects to get it back.

PENCIL POINTS

Many a jack who leads high diamonds to winning spades at the night club refuses to lead a two spot to the queen of hearts at home.

Wise young lady refuses to marry her artist friend because she says she wants a model husband around the house but not a husband's model.

Most police forces must be like fishermen because when some poor fish rob a bank and the police throw out a dragnet the big ones always get away.

New York philosopher says that "petting is mock love." Always knew it was mockery of some kind but heretofore believed it to be mock turtle soup.

Another awkward thing about living in the village is the necessity of apologizing to the postmaster when a fellow gets a letter in a strange feminine hand.

Spends a lunch hour, who figures on spending 30 cents at noon, orders noodles, and fails to correct the item of expense by adding on 92 for a new necktie.

Girl friend says she was much surprised when she met a fine roach from Stanford at the beach. She had expected to see an eight-cylinder gas wagon with two doors.

INVENTIONS

Motor-driven manicure implements have been invented with time saving in view.

The shafts of surgical instruments invented by a German carry tiny electric lamps to illuminate their work.

A French inventor claims to run an automobile with acetylene gas generated as a car is running, at half the cost of gasoline.
