UNION CHAPTER HOLDS BANQUET ON ANNIVERSARY

Nearly 200 Present at Affair Given in Northville High School

Nearly 200 members of Union Chapter and their wives and friends attended the banquet last Friday evening given on the sixtieth anniversary of the organization of that lodge in the high school gym. One of the oldest in Michigan, as well as one of the strongest in a community of this size in the state, Union Lodge has for over half a century been one of the chief centers of fraternal activity in Northville.

Its membership comprises residents of not only Northville, but Plymouth and Farmington as well.

It was shortly before 7:00 o'clock when Ray VanValkenburgh, who presided as toastmaster, opened the program of the evening. The dinner served by the ladies of the Methodist church was a most delicious one.

During the serving, members of the Plymouth high school orchestra provided a very pleasing program. The young players were introduced to the guests of the evening by Karl W. Hillmer of Plymouth, a past high priest of the chapter and one of its most active members over a long period of years.

Mr. Hillmer stated that he was indeed proud to be able to bring the young players to Northville. He declared that he was especially pleased with the progress that had been made by the young people in a musical way, and that he was sure the visitors of the evening would be delighted with the music provided. The selections they played were excellent.

In fact, the entire musical program of the evening was above par. The vocal numbers were provided by the Hudson Ladies' quartette from Detroit. So incident were the guests in the applause that many extra numbers were given.

preceding the illustrated talk on a trip to the Holy Land by George W. Leedle, grand lecturer of the grand chapter in Michigan, Mr. Hillmer gave a brief history of Union chapter, which was of more than ordinary interest to the members present. Following are the members of the organization: Spencer Clark, Alex B. McCullough, Herman E. Lake, Barton A. Wheeler, Charles A. Sessions, Dean F. Griswold, Charles Booth, Frank N. Perrin, Wm. W. Thayer, Lewis C. Sherwood, Louie A. Bablitt, Stephen W. Carrington, Marion A. Porter, John M. Shank, Delos Leavenworth, Edward C. Leach, Herbert D. Dean.

The Union chapter has a large number of living past High Priests, several of them being present. Following are the names of living past High Priests:

1899 - - - - - Alex B. McCullough
1902 - - - - - Lewis P. VanValkenburgh
1903-1904 - - - - - Spencer Clark

1905 - - - - - Charles Booth

1906 - - - - - Dean F. Griswold

1907-1908-1910-1911 - - - Harry A. Stoeve

1909 - - - - - Mark R. Ladd

1912-1913-1914 - - - Wallace Grace

1915-1917 - - - Thomas R. Carrington

1918 1919-1920 - - - Kari W. Hillmer

1921 - - - - - James N. VanDyne

1922 - - - - - William D. McCullough

1923 - - - - - Joseph Grace

1924 - - - - - Charles R. VanValkenburgh

1925 - - - - - Daniel F. Murray

1926 - - - - - Osmond D. Yerkes

The talk given by Mr. Leedle was interesting. He displayed some excellent colored pictures of historic places in the Holy Lands and told of their connection with early Masonic history.

ANNUAL MAY POLE FESTIVAL BRINGS OUT GREAT CROWD

Hundreds Visit Our Lady of Victory Church Last Tuesday Evening

Over 500 people were present Tuesday evening at the annual May pole festival of Our Lady of Victory church on Orchard Drive. So big was the crowd that nearly four hours were required to serve all who came.

The May pole dance, under the direction of Mrs. J. M. McLaughlin and Mrs. Edward Miller, delighted the hundreds that witnessed it. The little singing, dancing fairies did especially well.

It was his honor, Major Charles Fulkins, who presided at the church. No the church did not contain cream or buttermilk.

There were thousands of tickets in the charm. But that is about as far as a newspaper dare do with the matter.

Anyway, Miss Hattie Pagel of Northville, walked home with one of the prettiest love chests which was filled with beautiful handwork.

BEECH NORTHROP SERIOUSLY HURT IN AUTO ACCIDENT

Prominent Citizen Injured Sunday—Now at Home of His Son

Beech A. Northrop, aged 73, father of Floyd Northrop, was painfully injured in an automobile accident Sunday afternoon when a car being driven by a new driver collided with the machine he was in at the corner of Center street and the Five Mile road.

The Northrop car, a Buick, was hit directly in the middle and turned over on its side. Mr. Northrop was seriously injured about the head, and will probably be sometime before he will be able to be out. Fred Root of Detroit was in the car with him, but escaped with less serious injuries.

Mr. Northrop was taken to the home of his son west of town where he is being cared for. The driver of the car that hit him was just learning to drive and instead of stepping on the brake, he stepped on the gas throttle and drove his car ahead at terrific speed. He resided in Plymouth.

RULES FOR BIRD HOUSE CONTEST ARE ANNOUNCED

Boys Here is Chance to Win Cash Prize Offered by Legion

Officials of the American Legion who have charge of the details of the bird house contest, have worked out the rules as well as the prizes for the contest.

Every boy in Northville or within the Northville territory has a chance to not only enter the contest, but to win one of the cash prizes that has been offered.

It is strongly urged that the boys go the following information so that they may know just what to do. The contest will close on May 25th, nearly a month being left for you to build your bird house and submit it for the judges to look over. But do not wait until the last minute. Build the bird house in the next few days and submit it as soon as possible. That will prevent a big rush at the last minute. The entries will be judged according to the following scale of points:

First—Originality - - - - - 20 points
Second—Workmanship - - - - - 40 points
Third—Attractiveness - - - - - 25 points
Fourth—Suitability for particular type of bird - - - - 15 points

Total - - - - - 100 points
The prizes will be awarded as follows, so that every boy, no matter what his age, may have an equal chance to win:

Boys from 13 to 16 years of age:

First prize - - - - - \$5.00
Second prize - - - - - 3.00
Third prize - - - - - 2.00

Boys up to 13 years of age:

First prize - - - - - \$4.00
Second prize - - - - - 2.00
Third prize - - - - - 1.00

Total - - - - - 100 points

The prizes will be awarded as follows, so that every boy, no matter what his age, may have an equal chance to win:

Boys from 13 to 16 years of age:

First prize - - - - - \$5.00
Second prize - - - - - 3.00
Third prize - - - - - 2.00

Boys up to 13 years of age:

First prize - - - - - \$4.00
Second prize - - - - - 2.00
Third prize - - - - - 1.00

Entries as soon as they are completed should be FIRST submitted to the manual training teacher of the Northville public schools. It is necessary that you be a student of the Northville schools to enter this contest, although you should be a resident within the vicinity of Northville.

After the entries have been turned over to the manual training instructor, they will be placed on exhibition in the big window of Bunn's Ford garage on West Main street and the prizes will be awarded on May 20th. The exact time and place will be announced later.

The one rule of this contest that must be strictly followed is that ALL work on the entry must be done by the entrant without assistance from anyone else, except advise and suggestions.

The Legion in sponsoring this move believes that it will be of assistance to the boys in many ways. The contest will not only create an interest in the construction of bird houses, but it will also cause the boys to study the habits of birds and to know more about them.

It is hoped that many hundreds will enter—as it is known that Northville has an exceptionally large number of boys who are interested in bird house construction, as well as the birds themselves.

The many friends of Robert H. MacRae, son of Rev. and Mrs. MacRae, former residents of Northville but now residing at Walled Lake, will be pleased to know that the young man has been selected as one of the honor students at the University of Michigan.

Of the entire student body, only 348 won academic honors the local lad being one.

DR. BURKHART IS MADE PRESIDENT OF ROTARY CLUB

Other Officers Selected to Serve During the New Year

Dr. Howard H. Burkhart was Monday noon elected president of the Northville Rotary club for the ensuing year. Dr. Burkhart has acted as vice-president during the past year. He was one of the charter members of the club and since its organization he has given much of his time and attention to its affairs.

He succeeds Don Yerkes, Sr., who has most efficiently conducted the affairs of the organization during the past year. Through "Rotary law," the retiring president becomes a member of the board of directors for the next year.

Dr. Richard Salyer was elected vice-president. Edward Mills, who had also been nominated for the place, declaring that he did not desire to contest the election of Dr. Salyer and that he did not have time to give to the place this year.

Frank Harmon was re-elected treasurer; E. R. Eaton was named secretary, and Ernest Miller and Ray VanValkenburgh were elected members of the board of directors. Joseph Schuler was made sergeant-at-arms.

The new officials will assume charge of the club affairs next Monday, and it will be their purpose to try and conduct it as well as it has been in the past, stated Dr. Burkhart after the meeting.

PARENT-TEACHERS ASSN. WILL MEET NEXT THURSDAY

Interesting Program Has Been Prepared—Session in Afternoon

Members of the newly organized Parent-Teachers Association will hold a meeting next Thursday afternoon, May 10th, at 3:00 o'clock, at the Public Library. An interesting program has been prepared, and it is especially urged that everyone interested, in school work be present at this session. Both mothers and fathers are urged to attend. While the association will have some afternoon sessions, there will be some evening meetings as well.

Two speakers will be on the program. Ernest Miller, president of the school board, will tell how he thinks that the members of the organization can be of assistance to the school board members. Mr. Miller gives much of his time and attention to school matters, and what he says will be of special interest to those in attendance.

The other speaker will be Supt. W. H. Gordon. Mr. Gordon will discuss the relationship that should exist between parents and teachers. Those backing the new organization are sure that both of these talks will be of more than special interest just at this time, and it is their hope that there will be a good turnout of fathers and mothers who are interested in school affairs.

The Methodist Ladies Aid society will meet at the home of Mrs. Edith Flaherty on Main street Tuesday, May 8th, for their regular meeting at 2:30 o'clock.

LET'S MAKE CLEAN-UP WEEK PAY!

Next week is clean-up week. Have everything ready—your tin cans, rubbish and all the refuse you can find about your home or your neighborhood.

Get it in a big pile at some place convenient for the truck that Health Officer Randal Schuyler is going to send around after it.

Everyone is anxious and willing to make Northville the cleanest town in Michigan. And they figure that Clean-Up Week is a good time to begin.

The alleys as well as the backyards are going to be visited. So do your part.

The city is more than doing its part. It is quite impossible for the city to do everything unless you co-operate.

Now is a good time to get your refuse boxes cleaned out—and when they are cleaned out, put them in some place so they cannot be seen from the street.

Dr. Schuyler declares that he wants the town the cleanest it has ever been. It can be made so—providing you help—and once it is cleaned up, let's keep it that way all summer.

COPLAND HOME BADLY DAMAGED BY FIRE SUNDAY

Flames Starting from Furnace Cause Serious Loss to Family

Fire discovered about four o'clock Sunday morning, nearly destroyed the residence of Mr. and Mrs. James Copland on York Avenue, and caused a loss of practically all the contents of the house. Members of the household were aroused by smoke in the rooms and because the fire had not progressed to a very great extent when they were awakened, they had no difficulty in getting out.

The fire department was called and the members responded quickly. When the doors of the house were opened, it seemed to create a draft and the flames, which had worked their way up from the basement through the partitions to the second floor, broke out in several different places. The men were able to confine the blaze almost entirely to the second floor, although smoke and water did much damage to the rooms below.

It is believed that the fire started from the furnace. It was something like 14 years ago when the same house caught fire, but at that time it was put out quickly, as it had made no headway. A canary bird was in the house during the entire fire, and when the smoke cleared away it was found apparently uninjured by the smoke or water.

SUPT. GORDON IS GIVEN CONTRACT FOR ANOTHER YEAR

School Board Announces Its Decision—Few Faculty Changes

An announcement has been made by President Ernest Miller of the Northville public schools that Supt. Willard H. Gordon, who has served the schools so well during the past two years, has been engaged for another year, at an increase of salary over the preceding year. Mr. Gordon has accepted the contract offered him and will have charge of the school work of this rapidly growing community for another twelve months.

He will spend his summer vacation at Columbia University where he is studying for his doctor's degree. In another year he will complete his work in the east. He has already secured from Michigan State Normal at Ypsilanti his A.B. degree and his Master's degree from the University of Michigan.

Mr. Gordon is regarded in educational circles as one of the most progressive among the younger school officials of the state.

For many years he was in educational work in the Upper Peninsula, and he has also been in school work in Florida. Since coming to Northville the schools, while conducted in an economical way, have progressed, and are regarded as among the best in the state. There has been no friction, and all associated with the schools have given its work their entire attention.

As a result there is an excellent school spirit, and there will be exceedingly few faculty changes this summer.

STARR ROOT DIES AT ADVANCED AGE; WAS PIONEER HERE

Funeral Will be Held in Redford Friday—Burial Here

Starr Root, 86 years of age and one of the best known of the older residents of western Wayne county, died Tuesday afternoon at his home on the Five Mile road east of town after an illness of sometime. Over a long period of years Mr. Root was employed at the federal fish hatchery in this place, but a number of years ago he went to live with his son, Fred.

He was a veteran of the Civil war and had scores of friends in this section. It was one of his great pleasures to go to Florida each winter, and spend the time among his old Northville friends.

The funeral will be held Friday afternoon at 2:00 o'clock from the R. B. Northrop funeral home in Redford. Burial will take place in Rural Hill cemetery.

Conrad Langfield is confined to his home with a severe attack of the flu.

NO TAX INCREASE

There will be no increase in the village tax rate over the preceding year.

At the last meeting of the village commission, Mayor Charles Fulkins and members of the commission went over the proposed budget carefully.

Trey, trimmed out everything they thought unnecessary. "We want to keep the tax rate where it is. We have done a lot of improvement work, but I believe we can get along on the same rate that we have been," said Mayor Fulkins.

The fire department was called and the members responded quickly. When the doors of the house were opened, it seemed to create a draft and the flames, which had worked their way up from the basement through the partitions to the second floor, broke out in several different places. The men were able to confine the blaze almost entirely to the second floor, although smoke and water did much damage to the rooms below.

It is believed that the fire started from the furnace. It was something like 14 years ago when the same house caught fire, but at that time it was put out quickly, as it had made no headway.

A canary bird was in the house during the entire fire, and when the smoke cleared away it was found apparently uninjured by the smoke or water.

ROTARIANS USE SHOVEL AND RAKE AT SPRINGS PARK

New Civic Beauty Spot is Created by Workers During Week

From a mass of jumbled tin cans, broken boards, ash pits and other refuse, the grounds surrounding Fairbrook Springs have been transformed

NEXT MEETING OF
WIXOM FARMERS'
CLUB ON MAY 9TH

Interesting Program Has
Been Prepared for Next
Session

The May meeting of the Wixom Farmers' Club will be entertained by Mr. and Mrs. Charles Bennett at their home on Wednesday, May 9th. Following is the program:

Song by the Club

Prayer

Quotations

Secretary's Report

Business

Reading—Mrs. J. W. Clapp

Instrumental Solo—Katherine Bush

Reading—Mrs. Melbourne Herriott

Vocal Solo—Miss Eleanor Phillips

Character Selections—Mrs. J. W. Hopkins

Vocal Duets—Mrs. Ben Phillips, Miss

Eleanor Phillips

Question, "Crusade for Cause," led

by Philip Johnson

Question Box, conducted by Porter

Bennett.

Closing Song

MRS. R. D. STEPHENS,

Sec. Wixom Farmers Club.

T. M. B. HOLDS CANDY
SALE TUESDAY, MAY 1ST

The T. M. B. Club held a candy sale Tuesday morning, May 1st. It was held to make up a deficit in the treasury.

Place, freshly-laundered towels, sheets and pillow cases at the bottom of the pile on the shelves and thus prevent the repeated use of the same articles week after week.

RECORD LINERS PAY TRY ONE

Church Notices

Lutheran

Sunday school and Bible class, 10:00 a.m.; German services, 11:00 a.m.; important meeting of voting members, Monday evening at 8:00 o'clock; Ladies' Aid next Thursday afternoon.

Baptist

Sunday morning service, 10:30 a.m.; sermon, "A Worth-While Life"; The Lord's Supper will be Observed.

Sunday school, 11:45 a.m.; B. Y. P. U meeting at 6:30 p.m.; Topic, "Planning a Profitable Summer."

Evening service at 7:30 p.m.; "Causing Others to Sin."

Church prayer meeting, Wednesday night at 7:30.

Catholic

May devotions this Friday evening at 8:00 p.m. Attend tonight as an act of thanksgiving to the Lord for giving us such good weather last Tuesday.

Catechism, Saturday at 9:30 a.m. We feel very appreciative towards Northville and the surrounding territory for the wonderful turnout at our May Pole festival, Tuesday.

We wonder how many housewives here cooked dinner, Tuesday? Not many, seeing the crowd that attended our supper.

We feel that the number of children who received communion last Sunday had much to do with the success of our May pole—the dinner and theHope chest.

Our basement was entirely too small to handle the crowd that really swamped us Tuesday. However, some future day we expect to have a larger

and more imposing hall and auditorium.

Some of us did not get our dinner Tuesday, but we must lay this to the unexpected.

Methodist

The church of Jesus Christ is everybody's business. It is the gathering together of men and women to stand for good things in a community. Because of its influence the church is safer, business is more successful.

Children have a better education, and a better chance. Come and witness for it by your presence at 10:30 next Sabbath. The pastor will have a message for your needs.

The church school will welcome you at 12:00 noon.

The young people will meet in the evening service at 7:30 when a good program will be furnished of music with old gospel songs.

We will hear from our new District President of the Ann Arbor District, and a good time is assured for the public.

Mid-week service at 7:30 Wednesday.

Presbyterian

Sunday morning worship at 10:30 a.m.; Sermon theme, "The Secret of Character."

Sunday school at noon. Lesson, "Greatness Through Service."

Y. P. S. C. E. at 6:30 p.m. Topic

"How to Choose a Life Work."

Evening service at 7:30, when the pastor will speak upon "The Look that Lightened and Does Not Make Ashamed."

The Woman's Union will meet on Wednesday at 2:30 p.m. Subject, "Africa and the Negro in the United States."

Mid-week service Wednesday, 7:30 p.m. Study, "The Dreamer and His Dream."

The Auxiliary Mother and Daughter banquet will be held on Friday, May 11th in the parlors of the church.

Too much beating makes cakes crack on top when they are baking. After all of the ingredients are in, one minute of beating is about right.

The church school will welcome you at 12:00 noon.

The young people will meet in the evening service at 7:30 when a good program will be furnished of music with old gospel songs.

We will hear from our new District President of the Ann Arbor District, and a good time is assured for the public.

Mid-week service at 7:30 Wednesday.

RESOLUTIONS OF RESPECT

Com. Northville, No. 55, F. of A.
WHEREAS, Our Heavenly Father, in His wise providence, has seen fit to remove from our midst our dear brother, George Baker, and

WHEREAS, his family has experienced a great loss and sorrow, therefore be it resolved,

RESOLVED, That Com. Northville extends heartfelt sympathy to the Baker family, and be it further

RESOLVED, that a copy of these resolutions be recorded in the minutes of the Court.

Respectfully submitted,

CHARLES L'EVEQUE,

L. D. STAGE,

AMBROSE FRITZ.

WHY NOT TRY A 25¢ LINER IN THE RECORD?

**FIRE THREATENED
A LARGE SECTION
SUNDAY FORECON****Grass Fire Gets Beyond
Control and Sweeps
Over Hillcrest**

A grass fire starting early Sunday afternoon just west of the residence of Mr. and Mrs. Charles Bloom on West Main street, swept over the eastern end of the Hillcrest addition, then on to the land to the north and east and for a time threatened the destruction of several buildings to the east of the woods.

The members of the Northville fire department were called out and succeeded in checking the flames before they got into the woods where the ground was covered with leaves and dry grass. It was no easy battle and for nearly an hour they fought the fast spreading flames.

Because of the high winds that prevail, the firemen have issued a special appeal, that great care be taken in starting fires. They especially request that some one should be at the fire so as to prevent a general spread of the flames.

Fortunately there have been no serious losses from grass fires in and about Northville this spring.

**GARAGE OWNERS
MUST REPORT ALL
ACCIDENT CASES****New Law Makes it Necess-
ary That They Give
Aid to Police**

Northville garage owners, as well as all others in the state have been reminded of the fact that a new state law makes it mandatory for them to report to Chief William Sifford or the sheriff's office any automobile brought in for repairs which in any way indicates that it might have been in an accident.

The law was passed at the 1927 session of the state legislature and reads as follows:

"The person in charge of any garage or repair shop to which is brought any motor vehicle which shows evidence of having been involved in a serious accident or struck by any vehicle shall report to the nearest police station or sheriff's office immediately after such motor vehicle is received, giving the engine number, registration number and name and address of the owner or operator of such vehicle."

"Penalty for the failure to report such accident. First offense—not more than \$100 fine or ten days in jail or both; second offense—not more than \$200 fine or twenty days in jail or both. Upon the trial or subsequent conviction such person shall be given a fine of not more than \$500 or six months in jail or both."

It is believed that the passing and enforcing of this law will be very effective in tracing accidents which are of a serious nature and there will be fewer "hit and run" drivers.

**TWO SERIOUSLY HURT
IN AUTO-SMASH NEAR
NOVI SUNDAY NIGHT**

Miss Harriet Stonehouse of 821 Logan Street, Grand Rapids, and John Van Faroe of 832 Logan street, Grand Rapids, were both seriously hurt early Sunday evening, when their car collided with a car driven by Arthur Mish of Detroit.

The car driven by Van Faroe was west bound and just coming to the top of a hill, when the Mish car swung out of line on the crest of the hill, and was unable to get back in line to avert the oncoming Van Faroe car. In the Mish car were Mrs. Mish and their two children, who all reside at 3243 Helen street, Detroit. None of

the occupants of the Detroit car were injured.

Both of the cars were badly demolished. Schrader's ambulance was called to take the couple to Grand Rapids.

**CARL SHEAR MADE
PRESIDENT OF THE
PLYMOUTH ROTARY****Allan Horton Made Vice
President and William
Wood Secretary**

The Plymouth Rotary Club had the pleasure of hearing a splendid talk by Attorney George Gullen of Detroit, at the luncheon hour of the club last Friday. Mr. Gullen was at one time a Methodist minister and pastor of the West Grand Boulevard Methodist church of Detroit, and is a forcible speaker. He brought a splendid message to the club, and his remarks made a deep impression upon all present.

He forced upon the Rotary code of ethics and what they should mean to every Rotarian, especially emphasizing the Rotary motto, "He Profits Most

Who Serves Best."

Doris Parkinson, violin, and Scott Montgomery, piano, rendered two selections that added a great deal of pleasure to the program.

The newly elected board of directors of the Rotary club has elected the following officers for the ensuing year, to take office on July 1st:

President—Carl G. Shear
Vice-President—Allan Horton
Secretary—William Wood
Treasurer—E. F. Bennett—Plymouth
Mail.

**TREE PLANTING
REQUIRES CARE
TO GET RESULTS**

How Best to Secure Growth
Told by Expert on Tree
Planting

By Arthur N Pack

President American Nature Association

Spring showers bring the May flowers, as the poet says, but it may be well to insert a little warning after the word showers.

Take planting trees for example. There are 14 points in the planting of a tree that we should do well to consider and follow.

They are:

1. A piece of burlap or canvas should be spread over the grass, so that the dirt from the holes may be thrown upon it.

2. Holes must be large enough so that roots may spread out naturally without cramping.

3. Be sure the holes are well drained, especially when dug into a clay subsoil.

4. Good, fertile top soil must be used about the roots.

5. Plant the tree about the same depth it stood at the nursery.

6. Lay the roots out naturally and cut off smoothly all broken or bruised parts.

7. Press the earth down firmly, embedding all parts of roots and working it in under the crown.

8. With small trees the dirt will settle about the roots if the plant is moved gently up and down and the earth firmed as the hole is filled. Be careful not to break the rootlets. With large trees use tampon sticks.

9. Pour in water to top of hole after filling three-quarters full with earth. When this settles, complete filling process leaving top soil loose. Do not fill up the earth about the base of the tree.

10. Trim broken or bruised branches.

back to the next largest stem.

11. Do not cut back the leared or central stem, as a forked tree may result.

12. Large trees or trees in exposed places should be staked. To prevent shading, protect tree with old rubber hose or burlap. Until the tree becomes firmly established see that the earth is closely packed about the trunk.

13. After planting, it is better to leave a cultivated area about the tree than to soil close to it.

14. Fertilizer or well-rotted manure or compost may be used either thoroughly mixed with the soil in the bottom of the hole or as a surface mulch, or both.

**PLYMOUTH RESIDENT SEEKS
HER MANY FRIENDS ON HER
SIST BIRTHDAY ANNIVERSARY**

Mrs L. H. Bennett, one of Plymouth's oldest residents, celebrated her 91st birthday at her home on Main street on Saturday, April 28th. Mrs. Bennett received all friends between the hours of 2:00 and 5:00 p.m. Mrs. Bennett came to Michigan from New York state with her parents, the late Mr. and Mrs. Samuel Baker, when she was seven years old, and the family settled at Cooper's Corners, west of Plymouth. She has resided in Plymouth and vicinity for 84 years, and during that long period she has seen many changes take place in the village. Aside from poor eyesight, Mrs. Bennett enjoys good health and takes a keen interest in the affairs of the day. Plymouth Mail.

Try painting the wall behind the kitchen stove with three coats of waterproof varnish. Spots may be removed easily from this with soap and water.

Seedlings of all kinds need plenty of fresh air. When sown in the house or a frame they should be given more and more air as the spring advances.

Bright figured materials make attractive curtains for a room with plain doors and walls.

A lot bowl of fruit is an attractive centerpiece for the dining room table.

The wise mother runs her child on candy only as a dessert.

**New Silk Neckties
for 10¢ a Dozen!**

Look at these ties you were going to throw away! They are just as good as new now! I cleaned them with Solvite dry cleaning soap and saved the cost of a dozen new ties.

Women find it easy to care for ten dollars' worth of dry cleaning things around the house which would be ruined by ordinary soap and water. Solvite is an amazing new dry cleaning soap. Dissolved in gasoline, it cleans hats, slippers, dress neckties, sport coats, and many other articles and makes them look like new. Nothing fades, shrinks or wrinkles. Get Solvite and save many dollars.

**Man So Nervous Gets
Sore When Spoken To**

"It actually irritated me to have anyone talk to me. I was so nervous Vinol ended this and I feel wonderful now." - Wm. Fahy.

Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very FIRST bottle makes you sleep better and have a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious. Northville Drug Company.

Good Things For Breakfast

Grapefruit apple sauce is particularly appetizing at breakfast time. Cut the skin of one grapefruit into narrow strips of convenient length and soak over night in cold water to cover. Drain, cover with cold water, bring to the boiling point, drain again, and cover with fresh water. Cook gently for one hour. Pare core and quarter enough apples to fill a two-quart dish and add these to the grapefruit peel with two cupfuls of boiling water. Boil 15 minutes, then add 2 1/2 cups of sugar and one-half teaspoonful of salt and simmer gently for 30 minutes.

APRICOT MARMALADE

which is delicious to serve at breakfast time. Wash one pound of dried apricots carefully and soak two days in four cupfuls of water. At the end of this time add one cupful of canned pineapple liquor and cook gently for one hour. Then add eight cupfuls of sugar and one cupful of canned pineapple cut in dice. Simmer gently for one-half hour or until the mixture will "jell" when tried on a cold plate.

Bring one cupful of milk to the scalding point, and into it carefully break one egg, poaching as though in water. As soon as the egg is done remove it to one large slice of toast and add to the milk one-fourth teaspoonful of sugar, one-fourth teaspoonful of salt, one-eighth teaspoonful of pepper and one teaspoonful of butter. Pour this over the egg and toast and, if desired, sprinkle a little grated cheese or minced parsley over the egg.

FIG BREAKFAST SAUCE

Two cupfuls of dried figs, one slice orange, rind and pulp, four cupfuls of hot water, one-fourth cupful of sugar. Add the hot water to the figs and bring to the boiling point. Add the orange slice and after 20 minutes of gentle boiling add the sugar. Continue to cook slowly for 10 minutes longer and pour into serving dish.

ORANGE OMELET

On eggs, few gratings orange rind one tablespoon orange juice, one orange two teaspoons powdered sugar, few grains salt, two teaspoons butter.

Beat the egg slightly, adding the orange rind and juice and the salt. Peel the orange removing all the white membrane, and cut into very thin slices. Sprinkle with one tablespoon of the powdered sugar. Melt the butter in hot individual skillet or frying pan. Dip the pan in hot water and bottom are well greased. Pour in the egg mixture and cook over a low heat, shaking the pan and picking the mixture with a fork, until all the mixture is cooked. Roll or fold and turn out on a serving dish. Sprinkle with remainder of sugar and surround with slices of orange. Serve immediately.

Serve one.

Don't throw that extra egg yolk away. If it is not broken it may be kept for future use by covering with cold water.

Graphite is a conductor of electricity, and if used in excess will cause misfiring of the plug, upon which it is used.

**CHARLES PRESTON
DIES IN OWOSO
WELL KNOWN HERE**

Many Friends and Relatives
in Northville Mourn
His Passing

The following article taken from an Owosso newspaper tells of the death of a well known Northville resident in that city.

Charles H. Preston, 71 a resident of Owosso for the past three months, died at the home of his daughter, Mrs. Richard Monks, 703 North Washington street, yesterday afternoon. He had been ill for 14 years from Bright's disease and a combination of ailments.

The funeral services are to be held Friday afternoon at 3:00 o'clock from the daughters home. Rev. T. B. McGee will officiate. Interment will be made in Hill Crest Memorial cemetery.

Mr. Preston was born in August 1837. He was married in Oakland county to Miss Cora Place on May 18, 1860, and lived for 21 years in Northville, from where he came to make his home with his daughter here.

He leaves his widow, four sons, William Preston of Owosso, Roland Preston of Plymouth, Floyd Preston of Northville and Clyde Preston of Detroit; two daughters, Mrs. Ruth Squibb of Battle Creek and Mrs. Monks of this city, and a brother, J. Preston of Ypsilanti.

Richard Place, brother of the widow, and his wife of Columbus, Ohio, are in Owosso. Other friends and relatives are expected from Northville to attend the funeral.

**Rotary Speaker Gives a
Glimpse of Greatness of
Rich Peninsula**

Paul R. Washka, member of the University of Michigan faculty, was Monday's speaker at the meeting of the Rotary Club. He was the guest of Coach Doelzen of the local schools, who had charge of Monday's meeting. His talk dealt with Alaska and of the interesting places in that part of America.

"So many people going to Alaska only see the southeastern section of that country. You can realize how big it is when you travel for seven days by water to reach the western tip of the country from the southern end. Alaska is of vast size," he declared.

"I have been up there in connection with boys and young men who are engaged to work during the summer months in the fishing industry. These young people are hired to work for three months out of the year. Their living is provided as well as transportation. The pay is \$60 per month. As there is no way for them to spend money, the entire sum is saved. Many students find this is an excellent way to make money during the summer months."

is spending a few days at J. O. Munro's.

Holcomb Tierian of Detroit, a former pupil here, visited the school last Friday.

Mr. and Mrs. Roy Leonard of Detroit were callers at the C. C. Rix home Sunday.

The family of George Killing has been afflicted with the mumps the past week.

Mr. and Mrs. Chas. Paulsen spent Sunday at the home of Mr. and Mrs. Wm. Holmes.

Mrs. P. R. Cuddaback of Flint visited her sister, Mrs. Phil Taylor and family Sunday.

Mrs. J. Wines returned from Ann Arbor, Saturday where she underwent an operation.

Mr. and Mrs. Decatur Coleman, of Alma, were week-end guests of Mr. and Mrs. George Coleman.

Mr. and Mrs. Cardin of Detroit have taken light housekeeping rooms at J. O. Munro's for the summer.

Mr. and Mrs. W. D. Flint and Aldria King visited the former's mother at Ypsilanti Saturday afternoon.

Mr. and Mrs. Cardin of Detroit were guests at the home of J. O. Munro Wednesday and Thursday of last week.

Mr. and Mrs. McCrum of Flint who are soon to move to their new home in Texas were visitors at P. G. Gaffney's

Sunday.

Louis Gambosy had the misfortune to get his lip cut on a nail, while at school. He was taken to the doctor for attention.

Mrs. C. C. Rix who has been quite ill the past week is slowly improving. Miss Geneva Fueston of Lansing is caring for her.

Floyd Biery and Mr. Lambert are adding to the attractiveness of their homes on Grand River by grading and otherwise beautifying their yards.

Mrs. John Kindt of Detroit was a week-end guest of her sister, Mrs. Herman Smith. The latter accompanied her home for a two days visit.

Mr. and Mrs. Earl had as dinner guests Sunday, Miss Rose Pastor.

Gustus Westerfeld, Edward Layton and Mr. and Mrs. Rex Anderson of Detroit.

Mrs. Gibbs and son Jack Quinn, of Detroit, Floyd and Lloyd Shetterly of Marcellus, and Miss Nina McWilliams of Detroit were Sunday visitors at Rev. R. O. Thompson's.

Miss Lenore Lindsay, who has been confined to her room by illness, is improving. Her little brother Edward was also sufficiently recovered so as to be brought home from the hospital Saturday evening.

Mr. and Mrs. Robt. Hunt entertained as Sunday guests, the former's mother

Mrs. Mary Hunt, and sister and husband, Mr. and Mrs. Wm. Wilke of Detroit. Mrs. Hunt who is suffering with erysipelas will remain for a few weeks.

Mr. and Mrs. Claude Hinckman of Northville, were inducted into Walled Lake Rebekah Lodge No. 482 located at Novi, last Thursday evening, April 26, in the presence of about 120 members and guests.

Floyd Biery and Mr. Lambert are adding to the attractiveness of their homes on Grand River by grading and otherwise beautifying their yards.

Mrs. John Kindt of Detroit was a business session, a banquet consisting of roast pork, mashed potatoes, salad, pickles, apple pie and mode rolls and coffee were served. Guests were pres-

ent.

home demonstration work of the Extension Department of Michigan State College will be held on Tuesday, May 15th.

The place of meeting will be announced later. Dr. Caroline Hedger of the Elizabeth McCormick Memorial Fund of Chicago will be the principal speaker of the day.

Oakland county is very fortunate, indeed, in being able to secure the services of such a nationally known speaker, and anyone unable to hear her will miss one of the finest lectures ever given in Oakland county.

Dr. Hedger was a school physician under the Chicago

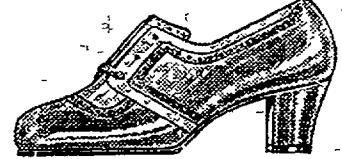

Health Department, and in that capacity, and also as a member of the Board of Infant Welfare society, was influential in putting on the Baby Saving Campaign in Chicago some years ago. In the early years of the World war, Dr. Hedger was sent by the Chicago Woman's club to Belgium to assist in the fight against the terrible typhoid epidemic which was ravaging the country. This work proved to be, to a large extent, among the children.

NORTHVILLE, MICHIGAN, FRIDAY, MAY 4, 1928.

MICHIGAN, TOO!

Senator Fatman, a Democrat from Nevada, is seeking to have the Senate amend the Boulder Dam bill in such a way that both Arizona and Nevada will receive something like 15 per cent each of the excess revenues collected from power above the requirements of the government.

It seems that the Colorado river, which will be dammed up if the Boulder bill passes, is a run-off for some of the melting snow up in Nevada. The river courses down over the cactus fields of Arizona, then runs into Mexico and on to the gulf of Mexico.

Neither Colorado nor Arizona have ever spent a cent in the development of the Colorado, and as far as known there isn't a bit of water from the Colorado used by Arizona for irrigation or other purposes.

Now that some of the more progressive officials of Washington, aided by the builders of that wonderful state of California, have worked out a plan to conserve and utilize the waters of the Colorado, some of the public office holders of Arizona and Utah have hit upon the idea of having Boulder Dam revenues support their state governments.

The bill as it stands at present provides for the return of the funds to the federal government, where they rightly belong.

If congress in its great wisdom thinks that Arizona and Utah are entitled to some of this money, we want some up in Michigan, too. We have just as much right to claim it as either of those states. Some of the riots from the Great Lakes might have blown over to the Rockies and have fallen into the Colorado in the form of little raindrops? That establishes our perfect right; with Arizona and Utah to demand this ransom from congress.

Seriously however, the rank and file of people throughout the country believe that congress should pass the border bill at the present session of congress. The demands of Arizona and Utah are generally regarded in the public mind in the same light as the demands of Mexican bandits upon legitimate industry.

In view of the fact that the proposed legislation provides for the return to the federal government of every cent used for this protective development, and that so much benefit will be derived from it, taxpayers of the eastern and northern states are with California heart and soul on this issue.

No one has ever profited a cent from the construction of the Roosevelt dam outside the state of Arizona. And no one from California or anywhere else objected to the development. Because the building of the Boulder dam will be of as much aid to Arizona as any other state, the attitude of some of the officials of that state of waste land causes one to question the sincerity of the position they take in the matter. Can it be possible that the same influences which have been seeking to influence public opinion in the east on this question have anything to do with the attitude of some of the state officials and representatives in congress from Arizona and Utah?

In all fairness to California and the rest of the country, congress should act favorably upon the Boulder dam bill at once, irrespective of the demand for ransom from Arizona and Utah.

It is about time that a certain class of public officials from the west feel the same kind of anger that has justly fallen so heavily in Illinois.

ISN'T IT TRUE

Barry Musselwhite, publisher of the Manistee News-Advocate, a few days ago in speaking before the Michigan Safety Congress told the police officers present that the public was sick and tired of having some "low-salaried mentality" yell, "Hey, who the hell do you think YOU are?" He declared that the public hires a traffic police officer to be a servant and not a boss.

Fortunately Northville is blessed with a traffic officer possessing brains. But you do not have to go very far away from here to run into traffic officers possessing nothing but a vacuum, where brains ought to be.

One of the unfortunate things in connection with the law enforcement branch of our government is the fact that men aspiring to appointment as deputy sheriffs and other minor

HARRY E. WOOD

113 Base Line, Northville

A Drab Imagination Induces a Drab Religion

Those who think shallow and whose imagination never flares high, will get little fun out of their religious life. James and John were disciples of Christ, and they thought it was an earthly kingdom that He was to set up. They wanted to grab a pair of thrones before the other fellows woke up. Their narrow thoughts were wrong—they had no imagination as to the future which Christ had been preaching to them. The world would be a much happier place if we had not forgotten our childhood ability to people our surroundings with fairies or Indians or goblins and thus create a new world. God is a Creator of many new things—He is vivid—colorful—attractive. We may use the same powers.

At-Home Frocks

As Cheerful as Though a Ray of Sunshine Was Sewn in Every One

\$1.95

A Wealth of Materials, Colors, Trimmings, and Patterns Makes Selection a Pleasure

Every At-Home Frock is made of material produced by Marshall Field & Company, Wholesale. Such well-known quality fabrics as "Scotch Dundee" Dinty, "Crystal" Batiste, and "Briarion" Cambric were printed in cheerful, summery designs and colors exclusively for this plan.

They have smart, individual touches in the girdles, dotted Swiss, and broad pockets. Many have gay ribbons and contrasting colored piping.

This Combination XX Plan brings you another quality item at a great saving. All-Home Frocks were produced for us and the dealers by merchants cooperating on the plan.

Local News

A. M. Whitehead was in Brighton on business a few days ago.

Born, Saturday, April 28th, to Mr. and Mrs. John Lutzenberger, a daughter, Jean Ruth.

Mrs. Margaret Yerkes has returned from Columbus, Ohio, where she has been for some time past.

Mrs. John Boyd, who has been ill for some time, is considerably improved and is now able to be about.

Mrs. Eural Clark and Mrs. Eva Johnson entertained at luncheon the Neighborhood Bridge club, last Friday.

Warner Neal, who has been confined to his home by illness for several days, is able to be back in school again.

F. W. Sykes of the Meadowbrook hotel, over on the South Lyon road at Meadowbrook avenue, was in town Monday on business.

The Flower Acre Nursery has just received a big supply of golden spirea that is being offered to Northville residents at attractive prices.

Mr. and Mrs. Elmer Leslie and family of Ypsilanti, Mr. and Mrs. Nelson Leslie and family of Windsor, Ontario, were guests Sunday at the home of Mr. and Mrs. John C. Bauman of this place.

The foundation has been completed for the new residence of Mr. and Mrs. Otis Tewksbury on Eaton Drive. The new home will be a very pleasing one. They expect that it will be finished about the first of July.

Orient Chapter, No. 77, G. E. S., will hold a special meeting for installation of officers on Friday evening, May 4th, at 7:30 o'clock. Each member will be allowed to bring one guest to the meeting this evening.

Lloyd Clark, son of Mr. and Mrs. Roy Clark, who recently recovered from an attack of the mumps, is now suffering from scarlet fever. He is getting along nicely, but it will be some little time before he will be able to be about.

Many from Northville went to Lansing last Friday to attend the final rites for Mrs. Leo Paul, who died last week after an illness of several months. Brief services were held in Northville before the body was removed to Lansing.

The wife of Dr. and Mr. Richard Saley, who have been ill for some time, reported improving. They are now living at 237 Wing street, the residence occupied by them at the Maybury sanatorium, having been torn down to make room for a new hospital unit.

The many friends of Mrs. Elmer Beach of West Point Park, will be glad to know that she is able to be around again. Sometime ago she injured one of her ankles and a few days later when in Northville it was again painfully hurt, keeping her indoors for over two weeks.

Carl Ely has started making more presentable his vacant property on North Center street. It is being leveled off and all old rubbish covered up. He plans to seed it over if possible to some quick growing flowers, which will entirely cover up all the unsightly spots that exist.

Penniman Allen theatre for many weeks past has been having record attendance at its various shows. It has noticed that Salem, South Lyon, Wyoming and Novi residents are coming here regularly in recent months, as well as people from Walled Lake and to the south of the town.

Excellent progress is being made on the new home of Mr. and Mrs. Earl Montgomery, on Thayer boulevard. The home when completed will be an exceedingly attractive one. The new bungalows that are being put up by Ray Richardson just to the west of the Montgomery place are also attractive structures.

John Enright of the William H. Maybury Sanatorium, has been elected a delegate from Northville township to the state convention to be held by Michigan Democrats at Port Huron. Mr. Enright is one of Michigan's best known Democrats. He was postmaster at Detroit under the Grover Cleveland administration. The Democratic county convention was held in Detroit last week.

Mr. and Mrs. A. Larned have sold their place out on Fishery road to the House of Good Shepherd, and will move in about six weeks to Ann Arbor, where they have purchased a piece of property five miles out on the Northville-Fenton road. Mr. and Mrs. Larned have lived here for the past seven years, and during that time they have made many friends, who will regret to see them leave this locality. The House of Good Shepherd through the purchase of this piece of property, have now secured a very large section, the three and a half acres possessed by this couple being surrounded on three sides by previous holdings of the religious group.

Cornelius Potter is confined to his bed, suffering from a severe case of the grippe.

Mrs. Will Dingman and son visited her son and daughter and families in Pontiac over the week-end.

Young Fred Casterline, son of Mr. and Mrs. Ray Casterline is confined at his home with the mumps.

Miss Minnie Kreager is confined to the home of Ray Casterline where she is convalescing from a serious operation.

The regular meeting of Trinity Shrine of Jerusalem will be held Thursday evening, May 10th, at 7:30 p.m.

The ladies of the Baptist Missionary circle will meet with Mrs. Geo. Starr on Wednesday, May 9th, at 119 Cadieux Street.

William Yerkes and William Thayer left Wednesday afternoon for the north, where they will spend a few days at a popular resort.

Mr. and Mrs. S. Armstrong entertained over the week-end, Miss Ona Lee Oimstead and Earl Schermerhorn of Kalamazoo college.

The many friends of Mr. and Mrs. Mark Robinson will be glad to know that they have moved back to their home at 311 Beal avenue, from Fenton, where they have resided for a number of years.

Workmen have started remodeling the store formerly occupied by Harold White. The building, one of the oldest but especially well built business blocks in Northville, is being made into one of the most attractive business blocks in town. Not only will an entire front be put in, but the basement floor will be concreted, new floors installed and the structure decorated and painted.

Mr. and Mrs. Paul Dawson of Lowell were given a reception at the home of Mr. and Mrs. John Dawson parents of the groom, Thursday, April 18th. There were about 80 guests present. A very delightful lunch was served. The young married couple were showered with many gifts by their host of friends present at the reception. Mrs. Dawson was formerly Miss Vera Hicks of Northville. They will make their future home in Lowell.

Miss John Roberts has been elected president of the Ann Arbor district of Epworth Leagues. The election of Mrs. Roberts is an honor to her, and the work that she has been doing in connection with Epworth League work, she has been president of the Epworth League of the Northville Methodist church for several years and it was due to her success in the local organization that won this district distinction. The convention at which the election took place was held in Pontiac. It is interesting to note that the Northville church leads the entire district in young peoples' work.

Carry Ely has started making more presentable his vacant property on North Center street. It is being leveled off and all old rubbish covered up. He plans to seed it over if possible to some quick growing flowers, which will entirely cover up all the unsightly spots that exist.

Penniman Allen theatre for many weeks past has been having record attendance at its various shows. It has noticed that Salem, South Lyon, Wyoming and Novi residents are coming here regularly in recent months, as well as people from Walled Lake and to the south of the town.

**COUNTRY CLUB AT
BRIGHTON SCENE
OF MUCH ACTIVITY**

New Green Keeper on Job and Decorating Has Been Started

Among other improvements taking place in and near the rapidly growing little city of Brighton, with the opening activities of spring, is the Brighton Country Club, which can boast of one of the largest and best golf courses in the state of Michigan.

The Brighton Country Club is located one-half mile east of Brighton, and is composed of 297 acres of rolling land, on which is built an 18-hole golf course, which faces Grand River avenue on one side with 100 foot drive through the grounds, being one of the most ideally located courses in the country.

This course has all underground piping installed about year ago, and a deep well with an eight-inch casting, a large pumping outfit with two large pressure tanks to supply water for green. Two small artificial ponds will be filled with water this spring to give plenty of golf hazards, which are necessary on an up-to-date course.

Work on painting and decorating the green-keeper's house is under way and plans are now being drawn for the exterior of a one-story building to adjoin the same. The latter building will be used for a club house, and will house a dance floor, dining room service, lockers and shower baths, all to be completed within the next two months.

Thomas S. Leith, president and founder of the club has been very fortunate in securing the services of an experienced green keeper, Eric Pauly, who for many years has had charge of the greens of C. O. Shaw of Huntsville, Ontario, founder of the largest summer resort hotel in Canada on Big Win Island, Muskoka Lakes. Mr. Pauly comes to the Brighton Country Club with the very best recommendations and will have complete charge of the club.

Workmen are busy on the grounds and every effort is being put forth to have the Brighton Country Club golf links ready for play on the date of May 15th.

One of the best top-dressings for lawns in spring is good garden loam with which a liberal quantity of bone-meal have been mixed. Scatter it evenly.

If you have any pussy-willow sprays in vases indoors, it will be worth while to plant them out in damp soil where they will root and eventually form bushes.

The ashes from last night's general clean-up fires should not be left in piles. Scatter them broadcast over the lawn and they will be of real benefit.

Waxed linoleum does not require scrubbing. Brush it with a dry mop and wipe up small spots of grease or mud with a damp cloth.

RADIOTIC

white, the national colors of the service club. The feature of this circle will be the large K in the center made up of foliage plants.

The work on this park is under the direction of the public affairs committee of the Kiwanis club, which is headed by Rev. Walter B. Heyre. The upkeep and continual improvement of the new project will be done by the Kiwanis club, and it is the aim of the organization to exemplify to the residents of the village what can be done to beautify Wayne if only a little effort and time is given towards this end.

Through the summer committees will be selected by the organization each week to see that the park is kept in perfect condition and such improvements made as suggested each week. The completion of the improvement will mean much to the Village of Wayne, which will have a westerly entrance that will carry a lasting impression among tourists—Wayne Dispatch.

**SALEM FARMERS' CLUB
HAS RECORD MEETING AT
THE WORDEN CHURCH**

One hundred and five people attended the banquet and meeting that the Salem Farmers' club gave the boys and girls in their area last week Tuesday evening, in the Worden church. The meeting was in charge of a committee composed of Frank Geiger, Mrs. Foster Smith, Mrs. Warren Smith and Mrs. Edwin Fallot.

After the supper the boys and girls organized a general community 4-H club as a junior organization to the Salem Farmers' club. Following officers were elected:

President, Olive Ann Soper; Vice president, Henry Wagner; secretary, Doris Cole; assistant secretary, Dale Sibley; treasurer, Russell Wallenmaier; news reporter, Clarice Redmond; leaders—livestock, Frank Geiger; assistant, Herman Manzel; canning, Vera Proctor with Mrs. Ira Soper as assistant; crops, I. R. Johnson; assistant, Clark Worley; poultry, Mrs. Coda Savery with Victor Sieflof as assistant.

It was voted to hold regular meetings the third Wednesday evening of every month, but the May meeting was postponed from May 16 to May 23, because of the seventh and eighth grade examinations being held May 17 and 18. The club will meet on May 23 at the home of Mr. and Mrs. Ira Soper. The program for that meeting is being arranged by Frank Geiger and Vera Proctor.

Members who have already enrolled are: Carrington, Mary Rentschler, Beatrice Etulmon, Norma L. Soper, Dorothy Smith, Ruth Margaret Smith, Helen Manzel, Dairy Fall, Myrtle Fallot and Henry Wagner; Poultry—Felice Redmond, Louis Bohling, Dorothy Fallot, Potatoes—Edward Blubie, Albert Lockwood, Norman Wagner, Russell Lockwood, Gardening—James Bulbie, Edward Blubie, Myrtle Fallot, Albert Lockwood, Russell Lockwood, Norma Lane Soper—South Lyon

SONS OF MASON

AND DeMOLAYS TO

HAVE LAKE CAMP

Northville Members Have a Chance to Go North This Summer

adopted by various Masonic bodies over the state.

There is a splendid camp site with conveniences for auto tourists, and there is no charge for its use. Application must be made to the camp director.

Michigan as a state that is rapidly gaining fame as the summer playgrounds for the whole country now offers an added feature for the vacation season that is the first of its nature in any state in the union. This refers to Camp Rademaker the DeMolays a wonderful camp and boys' work located at Bear Lake in Manistee county which through a recent action of the governing board has broadened its scope to include sons of Masons. The new title is "Camp Rademaker for DeMolays and Mason's Sons". The story of the development and future possibilities at Camp Rademaker is one that will not only interest the 150,000 Masons of Michigan but also their families and the whole citizenry of the commonwealth.

About six years ago John H. Rademaker, mayor of the city of Manistee and one of the most prominent men of northern Michigan, one who has always had the interest of boys close to his heart, donated a tract of 15 acres of land ideally located on Bear Lake. His magnanimous offer had only one stipulation that the land be converted into a camp for DeMolays and as time progressed that it include Masons' sons and a tourist park for Masons. Incidentally the value of the lake front and site of the camp conservatively estimated at \$50,000. The property as deeded to the Grand Chapter Peacemakers Masons of Michigan and its organization controls the permanent camp movement.

The sum needed to date has been rapid and over \$10,000 has been invested in the camp up to the present time. There is an administrative building, a mess hall, a double concrete tennis court, athletic fields, stored tents and other improvements. The property also includes two modern cottages. This season will see several lodges built for sleeping quarters the main plan being

W. A. Parmenter**Trapped by Her Past!**

RECENTLY an actress who a few years ago was popular on Broadway, submitted to True Story Magazine a most startling story. It told why she had left the stage at the height of her career never to be seen upon the boards again.

It was a tale of dread and terror each night she sprayed her thousands to smiles or tears, her eyes, masking the agony in her soul, were seeking, always seeking among the audience, the one man in the world who had the power to drag her down from the pinnacle of success to the ignominy of defeat. Deep in her heart she knew that some day he would come, and that when he did her career would end.

Out Now!**GOLD PRIZES ARE SOUGHT BY MANY COUNTY STUDENTS****High School Workers Are Anxious to Win Road Prize**

Intense interest in the study of the Master Plan of Superhighways on the part of students in 50 high schools within the Detroit metropolitan area is apparent in the enrollment in the prize essay contest being conducted by the Detroit Automobile club, according to a statement issued by officials

The contest, open to seniors in high schools within a twenty mile radius of Detroit, will close the week of May 15th, and it is planned to conduct the competing students in tours over the

established superhighways some time before the contest ends. Prizes amounting to \$250 in gold are the substantial objectives in the contest, but the interest and study and the discussion in the homes of the students will be of inestimable value in the development of the master plan, it is pointed out.

Descriptive literature, reports of interested commissions and other material pertinent to the subject has been in the school libraries and teachers of English and school principals are operating.

It is hoped that 500 essays will be submitted and reports already turned in indicate that that number may be reached.

To give taste meat a novel and delicious flavor, base it with the juice left from spiced peaches or pears

KID BROTHERS'

There is a species known in the vulgar language of the unselect as "kid brothers." They are characterized by a temperament especially inclined to torture agonized big sisters. They may be recognized by a marked tendency to meddle in other people's business, especially that of their annoyed female relatives (also friends (masculine) of said relatives). Their appetite for unsavory gossip concerning their sisters is appeased only by quarters or in some cases with an extremely choice bit of scandal, half dollars are more effective; these are usually obtainable from sis's boy friends.

Chastisement in the form of the well-known implement obtainable from birch tree is seldom forthcoming when needed (according to sister) and is needed most of the time.

They have a habit, heightened by long experience of overhearing everything which they shouldn't. The knowledge gained in this way is often used to their great advantage and to sister's embarrassment. Assistance from the parents of these unspeakables is rarely to be expected. They have a slight capacity for understanding the trials and tribulations which a sister must undergo, in fact, they express a desire, in no uncertain terms, that sister would be a little more patient, and not act so absurd over Junior's childish pranks."

So what can a suffering big sister do? I ask you. Won't someone come to our assistance? Can't we expect a little co-operation and understanding?

"OVERLOADING"

Don't put too much on one horse because he's good" is an old saying, and can be applied to N. H. S. easily enough.

Because there are some students who are overloaded with outside activities while others have nothing to hold their interest in high school affairs. Is per and ability coordinated in our school that a dozen or two must do everything or is it because the other fellow doesn't set a chance or doesn't want it?

It isn't fair to the one who is overloaded because he is kept too busy to do anything as efficiently as he otherwise would, and it isn't fair to the other fellow because he isn't getting all there is to get of the high school, and his loss interested in the high school during it. If everybody would get into it, then there would be fun for everybody and work for nobody.

Our school as a whole is being overloaded, or maybe just crowded. The last semester as far as it has gone has had two plays, an operetta, the J-kep and carnival. This is too much for a small school in three months time. It would be far better to have less such affair, but make a real success of those we do have.

Each student who belongs to more than one club is being overloaded. He can't be loyal to more than one club and his class. It seems as though there are about two clubs for every five people. If they were all disbanded and the classes were the only organizations, then everybody would be better off, because the class ties are the strongest after all.

No person should hold more than one office in the school organization. There are enough students so that it isn't necessary to double up. It would make everybody feel better and everything would run more smoothly. Perhaps those who seem uninterested would be different then. Let's try it next year. Let's make this school more democratic.

CAMPFIRE GIRLS HELD

MEETING WEDNESDAY
The Campfire Girls held a short business meeting Wednesday afternoon, April 25th. There was a general discussion concerning the contest of last week.

GRADE NOTES

Fourth Grade
The 4th grade is having a spelling contest starting April 30th. The person who receives 100 every day for one month will receive a prize.

The 4B section started using readers this week.

Several students are absent on account of illness.

Second Grade
Lindsey McCandlish is a new student in the second grade. This brings the number enrolled in the second grade to 44.

First Grade
Miss Christ's section of the first grade hasn't had any tardy marks during the month of April.

SCHOOL GOLF TEAM
TO BE PICKED SOON

On account of School Masters' convention, last Friday, seven students of Northville high answered the call for golf players, and with Coach Doeksen went out to qualify for the team.

Northville played base ball at Farmington in the afternoon, some of students that play on the base ball

heavily.

PAUL K. WASHKE TALKS

IN ASSEMBLY MEETING
Paul K. Washke, of the Physical Education Department of the University of Michigan, spoke in assembly Monday afternoon, April 30th. He told of his trip into Alaska with 20 high school and college boys who went there to work in the salmon canneries. Mr. Washke had many pictures and other interesting articles to illustrate his talk. The description of the trip and Alaska was very greatly enjoyed by the students.

TEACHERS' MEETING IS**HELD ON MONDAY**

A discussion meeting for the high school in Mrs. Kinney's room. Mr. Afmernan president. The tardiness and absence of students was discussed.

SENIORS PLAN MUCH AT

CLASS MEETING THURSDAY
COMMENCEMENT, AND OTHER PLANS ARE
COMPLETED.—From May 18th.

The Senior class held an important meeting Tuesday afternoon, May 1st, to make arrangements for commencement, the baccalaureate sermon and the senior prom.

Commencement exercises will be

held at the Penniman Allen theatre on Wednesday evening, June 20th. The plans for the students part of the program have been completed, although some may be added. The program is as follows:

Numbers by the Northville High School Band.

Salutatory—Russell Atchison

Class Proprietary—James Ely

Class History—Marie Scholz

Class Will—Margaret Safford

Guitarist—Clausen Murdoch

Valedictorian—Geraldine Huff

Presentation of Class by Supt. W. H. Gordon

Diplomas presented by a member of the school board.

The baccalaureate sermon will be delivered in the Presbyterian church, Sunday evening, June 17th, by Rev. Knowles.

On May 18th, the Senior prom will be given in the high school gym.

A decoration committee of Margaret Safford, chairman, Ellen Sutton and Esther Lockman, and orchestra-advertising committee of Terry Thompson, chairman, and Clausen Murdoch, were appointed by the class president.

Mr. and Mrs. H. J. Lanning of Detroit, were guests Saturday at the home of Mrs. Rosetta Lanning.

DOMESTIC SCIENCE CLASS**VISITS 1928 MODEL HOUSE**

The Domestic Science class went to Plymouth last Thursday, April 26th, to see the 1928 Model House. Mrs. Stamm and Mrs. Fleischman took loads. The girls had only a short time to go through the house, but they all agreed that it was a very pretty building.

HIGH SCHOOL CLOSES**FOR SCHOOLMASTERS' CLUB**

Northville high school closed Friday, April 27th, so that the Junior and Senior high school teachers could attend the Schoolmasters' convention held in Ann Arbor.

There were general meetings and group meetings where each teacher could learn of new projects worked out in her particular field.

NORTHLVILLE IS DEFLATED**BY FARMINGTON NINE**

The Northville baseball nine played their first league game of the year, last Friday, at the Farmington nine's home diamond.

The Northville boys made too many errors, while the Farmington team played good ball. The outcome was Farmington scored sixteen runs to the Northville boys' two.

Picky Otic and Howard Middlewood from Farmington both made home runs, while Charles LeFevre from Northville made a home run, scoring Howard Goodale. This accounts for the Northville nine's two runs.

Two of the Northville boys tried pitching, but because of the lack of backing, the Farmington team scored

Which Seed Will Produce the Most Potatoes?

Compare the results of the new Instantaneous Dip—DIPDUST—in the old-fashioned "two-hour soak" treatment. Above is a photograph taken on the farm of A. Schlechtweg, Freeland, N. J.

White vines were still green, 25 consecutive DIPDUST and corrosive sublimate treated hills were dug. Dipdust hills had 23 sound and only 2 decayed seed pieces. Corrosive sublimate hills had only 4 sound and 22 decayed seed pieces.

DIPDUST is much more effective than the old-fashioned way of treating seed potatoes. Besides, you can treat your seed potatoes as fast as you can scoop them up. Just dip them in Dipdust solution and out again and your seed is all ready to plant. One man can easily treat from 200 to 400 bushels of potatoes per day.

There is not the slightest danger of injuring the sprouts or even cut seed. DIPDUST controls surface-borne diseases, such as Rhizoctonia, scab and black-leg, and protects cut surfaces from seed rotting organisms in the soil. It insures sturdy profitable plants that will increase your yield from 15 to 25 bushels per acre.

HARRY O. DICKY, Elk River, Minn.—"It was easy to see the difference between the treated and untreated parts of the field during the growing season (Early Ohio seed potatoes). The DIPDUST treated plants came up better and appeared healthier and sturdier than the untreated plants. At digging time, I compared the yields and found that the DIPDUST treated rows ran 165 bushels while the untreated rows gave me only 140 bushels per acre."

One pound treats 15 to 20 bushels of seed potatoes.

Treat your Corn and Vegetable Seeds too

You can now also disinfect your seed corn and vegetable seeds with DIPDUST and increase your yield by preventing many of the diseases which cause poor germination, weak, spindly plants, and poor quality crop. Simply use as a dust treatment. It is easily and quickly applied and costs but a few cents per acre. One pound of DIPDUST will treat six bushels of seed corn, or from six to eight bushels of vegetable seed.

The Bayer Company, Inc., Agricultural Dept., 117 Hudson Street, New York, N.Y.

LOCALS DEFEAT SALINE FOR THIRD STRAIGHT WIN

Saline was the third opponent of the local business men's baseball team to meet defeat this year. Although the game had some close minutes, the locals managed to come through with a 6 to 5 good game. The game will be at 3:00 pm. This game marks the third straight victory for the local team this year, and as yet no team has had the class to oustep the speedy work of the Northville boys.

Captain Deshler and Beafish in the box have proved to be just a little better than each week than the opponent's best and indications are that these two boys will hold their own this season. Story

Mrs. S. Armstrong entertained eleven little guests at her home on Friday, April 27th, in honor of Betty and Donald Armstrong sixth and eighth birthdays.

WILLIAM PRESTON DIES FROM BULLET WOUND

Owosso, May 2—William Preston, 46, took his own life Tuesday, with a bullet through the breast from his 32 calibre revolver. He died almost immediately. His wife instituted suit for divorce a short time ago, and it is believed that this fact constituted motive for his act. He was the father of two children.

On another page of the Record this week is an account of the death of Mr. Preston's father. He was born in Milan and had many acquaintances about here who are grieved to learn of his unfortunate death.

HERE IS HOW YOU CAN FIND OUT IF YOU HAVE PERFECT FEET

How many people in Northville have good feet? How many people within a radius of fifty miles have good feet? These questions may seem odd, but according to authorities on the feet, only three out of ten persons have really normal feet. All the rest are either pestered with corns, annoyed by callouses, suffer from tired, aching feet, weak ankles, sharp shooting pains in the legs, or they endure often for hours, agony with bunions. Yet all of this suffering is unnecessary, declares Mr. Jammers, a foot expert of Chicago who is coming to Willoughby's shoe store in Plymouth on Friday, May 11th. While there Mr. Jammers, who is representative of Dr. William M. Scholl, the famous foot authority, will give a free demonstration of Dr. Scholl's method of foot correction at the store.

Willoughby's have issued an invitation to all foot sufferers to come and let Mr. Jammers look at their feet. He will then declare "please to show them how easily they can be rid, forever, of their aches and pains by simply being correctly fitted with shoes or perhaps with light appliances, which are worn in the shoes."

Some unknown auto driver had a narrow escape from serious injury Sunday night when rounding the curve in the Northville road at the Globe factory. Apparently unaware that the street turned he drove straight ahead. Fortunately, his machine ran directly onto the railroad bridge when it came to a stop he was right over the middle of the stream, passing autoists discovered his plight and pushed his car across to safety.

COMMISSIONER'S NOTICE
In the Matter of the Estate of
JANE LE-SESSIONS, Deceased.
We, the undersigned, having been
appointed by the Probate Court for the
County of Wayne, State of Michigan
Commissioners to recollect, examine and
adjust all claims and demands of all
persons against said deceased do hereby
give notice that we will meet at our
office in Northville, Michigan, in said
County on Saturday, the 30th day of
June, A.D. 1928, and on Saturday, the
1st day of September, A.D. 1928, at 10
o'clock A.M. of each of said days for
the purpose of examining and allowing
said claims and that four months
from the 1st day of May, A.D. 1928,
were allowed by said Court for credit-
ors to present their claims to us for
examination and allowance.
