

## PAVING PROGRAM TO BE DONE RIGHT DECLARES MAYOR

### Commission in Special Session Takes Final Action

"We are going to go slow and we are going to have everything right. This paving project is a very important thing and it means much to the future of our town, so we are going to have everything as it should be," stated Mayor Charles Filkins at a special meeting of the city commission Friday night, called for the purpose of securing a consulting engineer to work with Wellington Roberts on the project.

Members of the commission, acting upon the advice of Mr. Roberts, passed a resolution to secure someone to help in the vast detailed work that will be necessary in preparing the plans for the paving program that will be carried out this year.

The commission has definitely decided to pave Wing street, High street, West street and Linden avenue. These streets run north and south and lie between the business center of the town and Rogers street on the west. Center street will be widened from Main street to the village limits on the north. This may necessitate the removal of two trees in front of the Dr. Schuyler property; but before definite action is taken an effort will be made to see if the trees might be saved by building around them. The prospects are, however, that they will have to be taken out.

In the hollow on North Center street a big fill will be made on each side of the present paving and the sidewalks raised to conform to the level of the paving that is to be widened. This improvement will mean much to that part of town. It is known that Carl Ely has some plans in mind for the improvement of his property, which will do away with the present unsightly appearance. By the time snow flies, North Center street will be one of the active thoroughfares of the city.

Not only will North Center street be widened but Rogers street will be widened from Main street to the Langfield corners. A curbing will also be built along both Center and Rogers streets.

It was brought out at the meeting that the city officials hope to have the work under way by the first week of August. If this can be done the entire project will be completed in September and there will be plenty of time left to clean up the streets and grade the sections between the curbing and walks.

When this work is completed and Fairbrook avenue made presentable as well as passable, Northville will be one of the best paved little cities in the state, say those who have made an investigation into the subject.

## BAND CONCERT ON EAST MAIN STREET SATURDAY EVE

### Young Players Please Big Crowds in the First Concert

First of a series of band concerts, last Saturday evening, in front of the Schrader store on North Center street, delighted many hundreds, who stood about for nearly two hours listening to the music of the youngsters comprising the Northville Community School band.

Although there are several of the players away on a vacation, the band made a very acceptable appearance.

The program for the coming Saturday, states Manager E. C. Langfield of the band, will be given on East Main street in front of the Ponsford store. A slight change was made last week following the announcement as to where the band would play. It was stated in the first announcement that the concert would be on East Main street, but a change was made beginning the series on North Center street so the concert tomorrow night will be on East Main street.

## OHIO WIFE DESERTED FOUND HERE BY CHIEF WOL SAFFORD

Acting on information gained through the Detroit police department, Chief William Safford arrested Raymond Neiman, Saturday night, at the sanatorium. Neiman is wanted by Ohio authorities for wife desertion, and the Detroit police department had been notified of his presence here in Wayne county. He was held in the local jail over Sunday and turned over to Detroit police, Monday.

## THE LAND IN QUESTION

The property that the school board proposes to purchase providing the bond issue is acted upon favorably Monday night, comprises what is known as the Fowle property lying between Main and Cady streets, directly adjoining the school property. It is 134 feet wide from street to street. A big brick house is located on the Main street side that can be used for school purposes. For this property the school board has an option at \$16,000, about one-half of the former price asked. Adjoining this property on Cady street is lot known as the Ambler lot. This lot is 66x195 feet deep. The board has an option on this lot for \$1250. The other piece of property involved in the proposed transaction is owned by Mark Seeley and is located on West Main street next to the Fowle property. It is also 66x195. There is an old frame house on the place and it is probable that because of its condition it can never be used for school purposes. Mr. Seeley is asking \$5,000 for this property. Board members feel that they will be able to get it for less without resorting to condemnation proceedings. At a meeting of the Exchange club, Wednesday, Harry Germain, a member of the board, said the board expected to pay about \$4,000 for the Seeley property. Those in a position to know state that the price of the property under option are exceedingly reasonable and the belief of the board that the Seeley property can be secured for less than \$5,000 brings the total price for the entire property considerably within the small bond issue proposed.

President Miller of the school board states that it is possible for the entire bond issue to be paid off within three years without raising the school tax. So here is an opportunity for Northville to almost double the size of its school grounds, without paying any more taxes than we do at present.

## STINSON WILL GO AFTER ENDURANCE RECORD IN FALL

### Will Try to Regain Honors He Has Twice in the Past Held

Our own "Eddie Stinson," according to Associated Press dispatches from Texas, has announced that within the next few months he will make another effort to establish a new world's endurance record, broken twice since it was established by him last winter. First it was broken by two Italian fliers, and last week the new record of the Italians was broken by two German fliers.

Twice in his career Eddie Stinson has set new endurance records, and there is no question but what he will pass the sixty-five hours of the German fliers.

His record last winter was established in a stock monoplane produced in the Northville factory. Because of the fact that he will have to carry something like 120 gallons more of gasoline in his new trial, it is possible that he will be required to produce a larger model than he has used in the past. However, it was known last winter that he could have carried many more gallons of gasoline than he did. From what little information that can be gained pertaining to the two European endurance flights both ships used more gasoline per hour and per mile than did Stinson on his flight down in Florida.

It is known that if Stinson makes his flight during the winter, using the ice on Lake St. Clair for a runway, he could easily surpass the German record by using a regular stock plane from the factory. Gas consumption is much less in winter time.

Stinson stated, according to the Associated Press dispatch, that he would make his plans after he returned home from the present reliability race that he is now taking part in.

Elbridge Miles of Detroit son of Mrs. Belle O'Donnell of this place, underwent a serious operation at St. Mary's hospital in that city last week. Mr. Miles has been traffic manager in one of the leading department stores in Detroit for several years.

If the garden is to be kept neat, all old flowers and dead leaves must be picked off frequently.

## COMMISSION TO START BRIDGE IN NEXT FEW WEEKS

### Complete Plans for Important Highway Project in Town

After years of waiting, present indications are that Northville is about to see considerable activity on the part of the Wayne county road commission.

A visit to the office of Engineer-Manager LeRoy Smith by Mayor Charles Filkins and Commissioner Harry German, last week, brought out the information that besides the paving of Griswold road this year, which the road commission decided to do a year ago and which Mr. Smith recently stated would be paved late in the present summer, the commission has definitely decided to widen Elym-outh avenue from the Seven Mile road to Main street, and will this fall build a new and wide bridge across the River Rouge just north of the Globe factory.

Two sharp turns and the narrow bridge will be eliminated by this action. There is a big mill to be made before the paving can be had. The bridge will be built and the mill made during the present year, Mr. Smith advised the Mayor.

The time from the north and south sweeping one way through the small city park, has just to the east of the Elington & Castlerine property. The space between the present highway which skirts along the edge of the Stinson Aircraft Corporation factory and the new road will be filled where necessary so that it can be used for parking purposes for the cars of the factory employes in that part of town.

With the growth of the Stinson factory, the Globe and other concerns, the action of the city officials in providing a good-sized parking space is regarded as a very wise move. It will do away with the present congestion that exists in that part of town.

While the work will be started during the present fall it is doubted if it can be completed until spring as the mill across the alley will have to settle several months before a paving can be had on it.

The commission has other improvements in mind for this locality that it is not ready to reveal at this time state the city officials.

The marriage of Dave Booth of Pontiac and Loretta Lanning of Northville, took place at the Methodist parsonage, last Saturday evening, July 7th, at 6:30, the ceremony being performed by Rev. William Richards. The young couple were accompanied by Dorothy Lanning, sister of the bride, and Curtis R. Armstrong of Detroit. The ring ceremony bound the happy pair. They will make their home in Pontiac.

Mr. and Mrs. E. A. Kohler and sons, Albert and Leo, who are spending the summer at their cottage at Wolverine Lake and Miss Lutsenberger of Northville attended a reunion of the Merrill family on the the Merrill farm on the Huron river at New Boston, Sunday.

## DEVOTION TO GOLF LEADS TO DEATH OF CLUB CHIEF

Too great a love for the game of golf is believed to have been primarily the cause of the death of T. Frank Ferguson, president of the Meadowbrook Country club and one of Detroit's prominent business men, at the golf club Wednesday afternoon. In spite of the advice of his physicians, Ferguson was on the links playing in the afternoon. He had passed the ninth hole when he became violently ill.

He walked to the club house, where he collapsed in the locker room. Fortunately it was physicians' day on the links and almost immediately half a dozen of some of the best doctors in Detroit were trying to give him relief. He died in less than 30 minutes from the heart-attack.

The body was removed from the club house late in the evening to Detroit. He was president of the E. B. Gallagher & Co., large Detroit contractors, and also treasurer of the Detroit Chamber of Commerce.

Do not forget to collect seeds from all the annual plants for planting next year.

## Monday's Election Data

Polls open at 6:30 o'clock p. m. and will be open until 8:30 o'clock.

Voting place at high school.

Question to be voted up—issuance of bonds to purchase land west of school.

No increase in school tax necessary to pay off obligation, say officials.

School tax for present year to be reduced even though bonds are issued.

Mark (X) after Yes on your ballot. It will show your faith in Northville and its future.

## SCHOLARSHIP IS OFFERED TO LOCAL HIGH GRADUATES

The Michigan Federated Utilities is given an opportunity by the Central Public Service Corporation, its parent company to name candidates from the Northville high school for four scholarships offered by it in the Gas Engineering School of John Hopkins University at Baltimore, Maryland. John Hopkins University is the only university in America giving a full and complete gas engineering course on the same scale and plane as its courses in electrical, mechanical and civil engineering.

The scholarships offered are worth \$450 per year and cover tuition, laboratory fees and other incidental university charges.

The Central Public Service Corporation feels that there is great need for men scientifically trained in gas engineering and it has joined with other members of the Southern Gas association to establish such a school at John Hopkins University. The first course opened in September, 1924, and the School of Gas Engineering is now well developed and fully organized. It covers a four year course including the fundamental of all engineering courses, and specializing in such subjects as chemistry, and metal analysis, elements of electrical engineering and gas company engineering.

Although these scholarships are offered for the term of one year only, any holder who completes his work in a satisfactory manner will have the scholarship renewed year by year by the Central Public Service Corporation until the student graduates. The University itself is very anxious to have such students continue in research work after graduation, and offers four Graduate Scholarships available to those who will complete the various engineering courses and desire such scholarships.

The Michigan Federated Utilities would be glad to have any graduates of the local high school make immediate application for scholarships if interested in gas engineering courses. The Central Public Service Corporation operates approximately an equal number of gas and electric properties and believes that there is opportunity in both the gas and electric industries for ambitious young men. In the gas industry, particularly, there is urgent need for additional well-trained engineers, and it is to help meet this need that the John Hopkins scholarships are being offered.

## WED IN OHIO, WILL LIVE IN NORTHVILLE

A wedding of much interest locally took place recently at Chillicothe, Ohio where Miss Christobel Elenor Donald, eldest daughter of Mr. and Mrs. S. N. Donald of Beavensworth, Kansas, became the bride of Lee Clarence Fisher, well known Northville resident.

The ceremony took place in the Methodist church of the Ohio city. The bride was beautifully gowned in peacock blue and carried an arm bouquet of lilies of the valley and butterfly roses. They were accompanied by the bride's two sisters, who were gowned in mother goose-tan and wore corsages of roses.

The bride is a graduate of St. Mary's Academy at St. Mary, Kansas, and of the Gallzer Memorial hospital of Washington, D. C. Until recently she has been affiliated with the Chillicothe City hospital. Mr. Fisher has worked in Northville for some time, being associated with a Detroit company. Their many friends join in extending congratulations and best wishes for a happy and prosperous wedded life.

## SCHOOL DISTRICT TO VOTE ON BOND ISSUE MONDAY EVE

### Valuation of Township Up

A total increase of \$136,977 in the assessed valuation of Northville township over the previous year is announced by Supervisor William Ely. He states that most of the increase is made up of raises on sold property. The increase in personal property assessment amounts to \$15,727 and that of real estate is \$136,977.

The total personal property assessment for Northville township is \$1,642,779. There are 8,700 acres of land in Northville township of which considerably over 2,000 are owned by the city of Detroit and used by the city for municipal purposes. The total assessment for the township is \$588,432. His assessment of the township has been passed upon favorably by the board of assessors at its evening session Monday last.

## PYTHIANS WILL BE INVITED TO ATTEND CASTLE OPENING

### Plymouth Members Plan for Dedication of New Quarters

On Thursday evening, July 13th, members of the Plymouth Knights of Pythias lodge will formally dedicate their new hall located on East Ann Arbor street. It is one of the largest and most complete of any Pythian lodge in the entire Michigan occupying the entire second floor of the Jewell & Blanch building, which will be known as the Pythian Temple building. There is provided every convenience a lodge may desire.

L. L. Ball, who has been active in behalf of the Pythian organization of both Plymouth and Northville, has had much to do with the general arrangement of the lodge rooms. In fact, the ideal plan is entirely that of his suggestion.

Entering the building in a center hallway between two store rooms, you directly upstairs to a hallway that leads in front of a small ticket office. Passing the ticket office one enters a general lobby that will hold a good-sized crowd.

On the opposite side of the front of the building is the ladies' lobby with every convenience for comfort one may desire.

Directly back of the lobbies in front of the building is the lodge room 38x52. It can be used as a dance hall when desired. Exceptionally good ventilation is provided, there being windows on three sides of the lodge room.

The big dining room will be in the basement. It is sufficiently large to provide room for several hundred seated at the tables. The entire arrangement is a credit to the Plymouth Pythians, and on opening night the prospects are that there will be many hundreds present to see the excellent arrangement. A special invitation is going to be issued to the Northville lodge to attend.

The two stores to be located on the first floor are the Jewell & Blanch plumbing company and the J. R. McLeod electrical store. The building is the property of Roy Jewell and Carl Blanch and was built by them. It is a credit to Plymouth, and not only provides them with an excellent display room, but a big work shop in the rear. The McLeod electric shop also has a good-sized work room.

The officers of the Plymouth Pythian lodge are: Charles McConnell, chancellor; Russell Bingley, vice chancellor; Glen D. Davis, prelate; Charles Thorne, keeper of records and seal; Ed. Bolton, master of works; Jay Gebhardt, M. of E.; Harry Gebhardt, inner guard, and O. H. Williams, outer guard.

## OFFICIAL DID NOT FORGET THE PLAYERS

It was Village Commissioner John Schoutz who last Saturday night saw to it that the boys and girls of the Northville Community School Band had some cold refreshments during the intermission. The players had what every boy and girl likes when it comes to cream and sodas and pop etc.

## BOARD MEMBERS ARE SUCCESSFUL IN PRICE SLASH

### Big Section of Land Held Under Option

Electors of this school district have been called upon by members of the school board to express their approval Monday, July 16th, in a special election of a proposed bond issue of \$23,000, the money to be used for the purchase of three pieces of property lying west of the present school house.

Through negotiations the school officials have been able to have the amount for the land reduced nearly half from the original sum fixed. Offers have been obtained and if the electors give their approval, the land can be immediately taken over and prepared for school use.

In addition to the land there is one brick house on the property which can be used for class room purposes several years to come. It is pointed out that the valuation of this additional room will do away with the necessity of building for the next few years.

Another piece of property on the school site can be some repairing be made desirable for sometime to come. It is hoped that school board members.

President Ernest Miller of the school board has repeated, stated that the property can be purchased and paid for without raising the school tax a cent. The record of the school board heard out the assertions. New teachers have been added to the teaching staff, necessary purchases of supplies and other essentials have been made and the school kept up to a high standard during the past few years and each year the school board has been able to reduce the amount of school tax collected.

All this has been done in the face of a very substantial increase in the school population, states President Miller. There are nearly 100 more children in school now than there were two years ago. Statistics show during the school year 1927, there were 138 school children that removed out of the school district. In the year 1928 there were but forty. Since 1927 a total of 116 new children have entered the Northville schools, of this number 61 being girls and 55 boys. It can be readily seen from these figures that Northville is growing rapidly. In spite of the big removal during the school year of 1927 due largely to business changes there was a slight increase that year over the preceding one.

School officials and others interested in the betterment of educational facilities in Northville are anxious to have a good vote turn out Monday in support of this project. During the discussion about the streets in the past few days, there seems to be a general public support of the question, and it is believed that it will be carried by a big vote.

## PUBLIC OFFICIALS ARE CLUB SPEAKERS

Village President Charles Filkins, Commissioner Harry German, Secretary of the Board of Education, Edward C. Langfield and Village Commissioner Conrad Langfield were speakers Wednesday noon, before members of the Exchange club. All of these public officials told of what was being done in a public way and what they hoped to see accomplished for the good of the community in the future.

President Scott Lovewell assured them that the Exchange club would be very glad to co-operate in anything the school board or village commissioner might want to carry out for the benefit of the community.

The mayor discussed briefly the paving program and told of his recent visit with Commissioner German to the county highway department and pieces of assistance that had been received from these officials.

Nelson Lennon and family moved Wednesday from Fairbrook avenue to the E. A. Kohler house on Rouge and North avenues, which has just been decorated and painted inside and out.

**GEORGE MERRITT,  
PIONEER CITIZEN  
TAKEN BY DEATH**

**One of Best Known Residents in County is Buried**

George W. Merritt, for years one of the best known pioneer residents of western Wayne County, died last Thursday at the home of his daughter, Mrs. Hilda Rorabacher, in Plymouth, and was buried Sunday in the family lot in Rural Hill, the funeral being held from the home of another daughter, Mrs. Roy Larkins, on Eaton Drive.

Mr. Merritt was highly respected and will be remembered by everyone who knew him as kind-hearted and hospitable and one who loved to keep open house for his friends and ac-

quaintances. A son of William and Phoebe Merritt, he was born September 27, 1851 in Northville township and had lived his entire life on the old homestead. He was the youngest of nine children. Of this family only one, a brother Harrison, who lives on a farm in Salem township, remains.

In April, 1879 Mr. Merritt was united in marriage to Miss Ella Beebe of Plymouth. Nearly five years ago Mr. and Mrs. Merritt were injured in an automobile accident, Mrs. Merritt dying almost immediately from the injuries she received. Mr. Merritt never really recovered from his injuries and the shock of the loss over the death of his wife.

To Mr. and Mrs. Merritt were born three children who survive, Mrs. Roy Larkins of Northville, Mrs. Guy Rorabacher and Mrs. Ivan Dickinson. The funeral was one of the largest

held in Northville in sometime, Rev. J. W. Priest officiating, assisted by Rev. Frank P. Knowles of the Presbyterian church.

Plenty of foliage stalks should be left on the peonies all summer; it is necessary for their normal growth without it they will be seriously weakened.

**ROTARIANS HEAR SEVERAL TALKS BY OWN MEMBERS**

**Program Committee Provides Program by Club Members**

Classifications, or their vocational endeavors, constituted the basis of the talks made Monday at the meeting of the Rotary club by several of its members. The program was in charge of Mr. Richard Saley.

Charles Scholtz, the first speaker, told of the necessity of care in automobile driving.

"There are three essential things. First, you must see to it that your brakes are in good condition. The next important thing you should always watch is your steering gear. Then your lights should always be on during darkness. If your brakes are O. K. you are not going to damage some other fellow's car. If your steering gear is tight and stable you will stay in the road and if your lights are burning, especially your rear light, your chances of accidents are greatly lessened," stated Mr. Scholtz.

There is another thing which causes many auto mishaps. A car should never be driven 40 or 45 miles an hour that has tires on it over nine or ten months old. Rubber in automobile tires will deteriorate just like it will in rubber boots or other rubber articles. They will go to pieces even though not in use," he stated.

Attorney Fred Cochran and Ernest Miller both made brief talks along their lines of business.

Mr. Cochran stated that the old idea of going to law about every little misunderstanding was rapidly passing, and the tendency among lawyers today is to settle disputes without going to court.

Mr. Miller took occasion to say something in behalf of the school bonding question, which will be up for a vote next Monday. He urged that for the good of the schools everyone turn out and vote in favor of the project.

**Novi News**

(Phone items to Mrs. R. G. Thompson 7134-12)

William Mairs made a business trip to Toledo, Monday.

Mrs. B. H. Leavenworth, Ed. Halsled and L. I. Granzow visited at Sun Lake Monday.

Mr. and Mrs. Tom Lavelle sold their home on West Grand River last week to Mr. Bidwell of Farmington. At present they are seeking a new location.

Mr. and Mrs. C. C. Rice and T. H. Shuan and family were Fourth of July

guests of Mr. and Mrs. Roy Leonard at their cottage at Luna Lake.

Mr. and Mrs. Frank Martin left Friday morning for a week's visit at St. Johns.

Mr. and Mrs. W. W. McLean of Six Mile road, visited the latter's sister and family, Mr. and Mrs. Randall Kent here Sunday.

Miss Marian Shinn spent the Fourth with her friend, Miss Ruby Lawrence, of Northville.

Little Miss Aldria King left Monday to make an extended visit with friends and relatives in Canada.

Jack Cardin sustained a sprained ankle and Mrs. Cardin a broken rib and both were badly shaken up when their car overturned into the ditch east of Farmington, as they were forced to turn when a truck stopped abruptly in front of their car.

Mr. and Mrs. Frank Clark motored to Mason, Sunday, to visit their cousins, Mr. and Mrs. Robert Riggs.

Mr. and Mrs. L. L. Granzow entertained as Sunday guests, Mr. and Mrs. L. J. Lucas and family of Detroit, and Mr. Granzow's grandfather, William Balow, who is 83 years of age, also of Detroit.

Mr. and Mrs. Kenneth Forsythe and daughter, Gladys, of Wyandotte, were callers at the Baptist parsonage Tuesday.

On Saturday afternoon Catherine Thompson celebrated her fifth birthday by entertaining several of her little friends at a birthday party. The afternoon was happily given to games on the lawn, assisted by the sister, Miss Joy, and Miss Doris Leavenworth. Refreshments were served and each little maid left one little gift for one little girl as a reminder of the pleasant afternoon together.

The monthly Non Improvement Association met Thursday evening. The program opened with a piano solo

by Miss Joy Thompson. Little Jean Gulen of Farmington, recited "The Little Boy Who wanted the Moon," Miss Patricia gave a vocal solo with Mrs. Loren Leavenworth accompanying. Mr. Atkinson in the chair, said that Lloyd Gulen would introduce the speaker of the evening. In a few well chosen words, he introduced the Delco Light man, W. S. Power of Detroit. On account of the predominance of ladies present, for which he said he was glad, he changed his subject and used, "Times we are living in, and what they mean to me." He began by saying, "Nobody before ever lived in a world like this." One time Novi was farther from Detroit than San Francisco. Lincoln's inaugural was not known to many for months. News of it was carried from St. Louis to San Francisco in seven days by pony express, fastest means of communication at that time." He

spoke of the slow progress of inventions, the difficulty of getting Elias Howe's first sewing machine on the market, the utter impracticability of the telephone and futile use to argue in favor of a typewriter for business convenience. "Novi cannot do everything, but it can be one of the prettiest places in Michigan. Cooperation is the secret of success." Immediately at the close of his talk the committee proceeded to appoint a committee to beautify the grounds around the building. That committee planned at once to do a real improvement piece of work on Tuesday evening.

**YOU WILL BE SATISFIED**

When you put up a building, it is a most important thing to the average person. You want to be sure that it is going to satisfy you when it is completed. I make it my business to satisfy those I am building for. Bids furnished on homes, garages, business blocks, etc.

"Our Sole serving Purpose is Sole Satisfaction" and what

Revitzer Says Is So

We can solve all the shoe problems of thoughtful men and boys. Folks who fret about their feet should pay attention to their footwear needs. When a foot is snugly sheltered in a shoe that is properly built, it ceases worrying and goes to work for its owner. Make your feet "lucky in" with the proper amount of assistance—they will do their work properly if you boot them well.

## NORTHVILLE Twenty-five Years Ago

In its issue of July 10, 1903, the Northville Record told of the many "Victims of Patriotic Fervor" in Northville. Mac McMahon, an employe of the Ely factory, had one hand frightfully torn by a giant firecracker; "Little" Charlie Hutton was frightfully burned in the fact by powder; Raymond DesAutel tried to ram a dynamite firecracker down a cannon and as a result one end of the finger was blown off and the nail of another torn out by the explosion; Barney Roach was burned about the face by powder and numerous other minor accidents were reported. (No one in Northville suffered injury this year from fireworks accidents.)

A reunion of the class of '01 was attended by Edith Scott, Milton Wilkins, Vern Calkins, Sadie Hughes, Grace Sloan, Nora Rasco, Eda Anderson, Ruth Munn, Grace Tanner, Blanche Dunham, Lourine Gilmore, John Joslin and Harry Seelye.

Editor and Mrs. Neal were spending the week on a boat trip to Mackinac Island with the Michigan Press association.

Harry Nimmo, present publisher and editor of the Detroit Saturday Night, but 25 years ago a reporter on the old Detroit Tribune, in a write-up on Northville in the Tribune, called this place a "village of peace."

Farmers are complaining of the scarcity of help, and it is with some difficulty that they are getting their large crop of hay and grain properly harvested.

Postmaster Johnson is recovering from an attack of inflammatory rheumatism in his right shoulder. It was really Johnson's wrong shoulder though and prevented his doing more than

half a man's work. The huckleberry season is now open, and tickets can be had of D. S. Wilkinson of E. D. Whipple. All persons entering the swamp without permission will be prosecuted.—Adv.

With the help of 25 of his friends, Harry Kator celebrated his seventh birthday, July 3rd. Harry received many presents.

Sumner Power, Northville's well known cheese manufacturer, and farmer, was drawn yesterday as one of the grand jurors. Mr. Power will endeavor to be excused because of business matters at the factory.

Will H. Yerkes came up from Seville, Ohio, to celebrate the fourth with Mrs. Yerkes. Saturday night a score or more of friends congregated at the home in the way of a surprise and helped him enjoy things. Mr. Yerkes will shortly move his family to the scene of his labors.

Mr. and Mrs. James Vandyne and Mrs. H. H. Harmon were Ypsilanti visitors, Friday and Saturday.

Keep the dead flowers picked off of flowering plants, unless you are trying for seed. Much energy is drained from the plant in maturing seeds.

FRED J. COCHRAN, Attorney  
No. 148485

**COMMISSIONER'S NOTICE**  
In the matter of the Estate of WILLIAM F. LOCKWOOD, Deceased. We, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the Latham State Savings Bank, Northville, Michigan, in said County, on Tuesday, the 21st day of August, A. D. 1928, and on Saturday, the 30th day of October, A. D. 1928, at 11 o'clock A. M. of each of said days, for the purpose of examining and allowing said claims; and that four months from the 21st day of June, A. D. 1928 were allowed by said Court for creditors to present their claims to us for examination and allowance.

Dated June 21, 1928  
FLOYD LANNING,  
JOHN LITSENBARGER,  
Commissioners

## Well Kept Food

## YES

Dodge Brothers Standard Six is the fastest car, with the fastest pick-up, under a thousand dollars.

## HOWEVER

That is only HALF the story. The IMPORTANT point is that this exceptional speed is made practical by Dodge ruggedness of chassis and body construction.

## OTHERS

Might succeed in building a car at this price with equal SPEED, but to do so successfully they would also have to build a car with equal STURDINESS.

## AND

That is where Dodge Brothers, with years of experience in building a dependable low-cost product, are years ahead of the field.

## YOU

Can buy the Standard Six knowing that it is not only the fastest car in its class but the sturdiest—and the one is every bit as important as the other.

### LOCAL HORSEMEN GOING TO KAZOO FOR GRAND CIRCUIT

This Year's Program Regarded as Best One Ever Planned

To Marvin Sloan, E. K. Stark, George Rattenburg and every lover of horses and of horse racing in Northville the week before July 16th to 20th will be a red letter one, as on that week will be held the only Grand Circuit Race Meeting to be given in Michigan this year at Kalamazoo.

For twenty-one years Kalamazoo has been holding Grand Circuit Races and that city is now the oldest in point of continuous meetings of any of the "Big Ring."

Manager William P. Engelman has built up an enviable reputation among horsemen the country over for giving a meeting second to none in the country, and for fair and honorable dealing with the horsemen and public alike. They have won big purses at Kalamazoo, and the public is always treated to a real horse race.

This year the program consists of 21 races for purses totaling \$70,000.00, the headliner being the 5th renewal of the H. O. Reno Great American Fading Derby for a purse of \$25,000.00. This race has always been a hot one, with big fields and the entry to the event this year was a record breaker 53 horses being named. This assures a large field of starters and the horses eligible are the most evenly matched for of stake pacers that ever faced a starter. This great race will be contested on Tuesday.

The Kalamazoo Exchange Club 2 1/2 trot, to be raced on Wednesday, carries a purse of \$10,000.00 and also drew a big entry. This race was won last year by Walter Cox with Sam Williams in 2:02 1/4, and that horse was sold this spring for \$25,000.00. This is the 21st renewal of this stake and winning it carries not only a large amount of money, but high honor as well.

Thursday is Colt Day, and on that day will be raced the 2 year old, and 3 year old, trot and the 3 year old pace, as well as the Park-American Hotel Stake for 2 1/2 class pacers. The fastest baby trotters and pacers in the world are entered and fast time will surely be in evidence.

Friday will no doubt produce one of the greatest exhibitions of speed ever seen at Recreation Park as the card

for that day includes the Kalamazoo Ice & Fuel Company Stake for 2:06 class trotters, the Trotting Horse Club Stake for Free-for-all Trotters and the famous Free-for-all Pace.

Recreation Park is being put in fine shape, the painters are at work, and horse lovers will see a fine plant and will enjoy a wonderful week of sport.

### CHEVROLET CAR CUTS HARD INTO FOREIGN FIELDS

Barriers Against U. S. Cars are Being Broken Down

"Despite the desire of European automobile manufacturers to keep the business to themselves and regardless of the wish of European motor car buyers to support home industries, I feel that the great value of the American automobile at its price will break down those sentimental barriers and provide American manufacturers with a steadily expanding market abroad."

This is the home-coming statement of R. H. Grant, vice president of the Chevrolet Motor Company in charge of sales, who recently returned from a six-week tour of the leading business centers overseas.

"America's position in the European market has been made possible and

fortified by the advanced production methods employed in the industry on this side of the Atlantic," Mr. Grant pointed out. "Our manufacturing facilities are vastly superior to those of European companies."

"This is true, especially in the lower priced fields where Europe has only one manufacturer that has developed quantity production methods to any considerable extent. And as we know over here, volume manufacturing has been one of the foremost factors in permitting the industry to offer so much automobile at so low a price."

"By the very virtue of the speed required to attain volume, precision is constantly becoming more of an automat in the manufacturing of our automobiles. Parts must be machined to closer and more accurate limits to make this volume possible, and as a result of this precision we get a finer automobile and as a result of the quantity production which precision makes possible, American manufacturers are able to offer the public more automobiles per dollar than any other in the world."

Mr. Grant is keenly enthusiastic over the prospects for export sales, and points to an increasing European trade as an important factor in the development of the automobile business generally.

RECORD LINERS PAY TRY ONE

### COOL HIVES CONTROL SWARMING

Protecting the bee hives and supers from the direct rays of the sun during the hottest part of the day will help to control swarming. Hives should be protected from the sun's rays by shade boards of double covers. Painting the hives white also helps. Apiaries should be located where there is a good circulation of air in the yard; if placed in hot rooms with imperfect circulation of air, the discomfort to the bees will make them leave the supers during the heat of the day, thus increasing the tendency to swarm. The use of large entrances during the swarming season, if the weather is hot, and perhaps additional openings for ventilation, also aid in swarm control. The time of issuing of the swarm depends somewhat upon the weather and, in case of Italian bees especially, may be hastened by extremely hot weather. Swarming is more difficult to control in the cover region of the country than in any other region, and frequently about half the crop is lost in this way.

THE NORTHVILLE RECORD

ESTABLISHED 1869

Published every Friday morning and entered at the Northville, Michigan, postoffice as second-class matter.

ELTON R. EATON, Editor and Publisher.

Circulated in one of the most prosperous sections of Southern Michigan.

Price Per Year \$1.50 Six Months .75c Three Months .40c

Telephone 200

NORTHVILLE, MICHIGAN, FRIDAY, JULY 13, 1928

A FORWARD STEP

After months of negotiations members of the school board have been able to reach an agreement with the owners of the property lying adjacent to and west of the school house for the sale of the land to the district at what seems to be a fairly reasonable price. They have a price down to a point where it is about one-half the sum originally asked. It is possible that if the district officials took the matter into court through condemnation proceedings they might be able to force the price down even lower than the amount now asked for it, but in litigation there is always expense and delay and the sum that might be saved through such action would doubtless not be sufficient to warrant the action that was threatened a few weeks back.

For the purchase of the three lots lying west of the school, one of them possessing a brick building that can be used for several years to come for class room purposes, the district will Monday be asked to bond for the sum of \$23,000. For this amount the school board proposes to buy the lots that run from Main to Cady street next to the school, a house and lot belonging to Mark Seeley on Main street, which is west of the largest lot, and the Auhler property on Cady street giving to the school district nearly an entire block of property for future expansion and present playground facilities.

There is no question but what the school board has forced a good bargain and there is not the slightest doubt as to the wisdom of the step they are taking. Northville is a growing community. It is one of the best little places in all Michigan. It is prosperous and its schools are among the best around Detroit.

Because of the fact that our school ground facilities amounted to practi-

cally nothing, the community has been in the danger of losing some of its outside school affiliations. In fact, the State Department of Education a year ago instructed the school district to provide a suitable playground as soon as possible. It is to the advantage of our children that the property be purchased and properly equipped with playground facilities. Practically our entire effort is directed in behalf of our children and we should not hesitate to take another forward step in their behalf. Whatever is done for our children is done for the betterment of humanity. Let's see if we cannot make the vote unanimous, especially in view of the fact that school board officials have demonstrated that they can pay off the obligation without raising the school tax a cent. This they have promised to do.

SCHOOL MATTERS

In another part of this week's issue of the Northville Record will be found the annual report of the school district. The point we wish to call to your attention is that portion of the report which shows that the operating expenses of the school for the next year will be reduced several thousand dollars. This reduction is going to be made notwithstanding the fact that the growth of the school population has forced the hiring of three new teachers. The report shows that there is some one looking after the interests of the taxpayers of the school district. The work of the school is not being hampered in the slightest. Our schools stand high in classroom work. The fact that three new instructors are to be added to the faculty next year and the expenses cut under what they were a year ago, is sufficient proof of the business acumen of the board members. Accept our congratulations upon your splendid work.

A One Track Mind Collides With God in a Moodtide Flash

Saul—a Jew—well trained in that brand of thinking, hated all that were not orthodox. Saul thought the Christ was wrong. He wished to keep Jewry on the right track. He hunted and killed heretics. High-powered Saul saw Stephen stoned to death for his faith in the Christ ray of living and it affected Saul deeply. On a trip to Damascus to do more damage to the church, he heard God talking to him while a flashing light pelted his eyeballs and a storm raged within. He learned that he was fighting God—that he was wrong in thought—attitude—purpose. The revelation was blinding—astounding—crushing.

### Local News

Born, Saturday, July 7th, to Mr and Mrs. Ward Masters, a boy

Elmer Perrin was in Lansing on business, Tuesday afternoon

Mrs. John Martin is entertaining relatives from Iowa for a few days.

Mr. and Mrs. Day Lanning and family spent Sunday at the Irish Hills near Jackson.

Mr. and Mrs. Otis Tewksbury and family attended a reunion at Romeo on the Fourth

Mrs. F. W. VanZile of Detroit, is spending a few weeks in Northville with her old friends

Mr. and Mrs. Archie Morris returned Saturday from a week's visit in Lyons and St. Johns, Michigan

Mrs. Frank Thompson has returned from Lansing, where she spent the latter part of last week

Mr. and Mrs. Walter Schade of Novi, have moved to 234 Lake street, Northville, where they will make their future home.

Mr. and Mrs. John Tewksbury and Mrs. Bell of Cass City, spent Thursday with the former's brother, Otis Tewksbury and family.

W. M. Higgins of West street, is visiting his sister, Miss Kathryn Higgins, in Rochester, New York, where he expects to be for about two weeks

Mr. and Mrs. Frank Butler, and William Elliot and son, Waldo, spent the Fourth fishing at Buren lake. It was a case of the usual fisherman's luck.

Mrs. C. R. Ely, Mrs. Ed Sessions and Mrs. George Hills entertained a large group of their friends at a bridge luncheon at the Mayflower hotel on Saturday, June 28th

Cards are out announcing the marriage of Miss Nellie E. Hinman of Detroit, to Robert A. Marshall on Friday, July 6th. Mrs. Marshall was a former resident of this locality.

Dr. and Mrs. E. B. Cavell and children have gone to Mio, where they expect to spend a few days. Dr. Cavell states that he is going to return with some real fish stories if nothing else.

In honor of Mrs. Harold Turner who has gone to Chicago to reside, Mrs. Harry Blake entertained twelve ladies at a bridge party and handkerchief shower, Monday afternoon of last week.

Postmaster Neal has posted the following advertised letters: Mr. F. Howe; Mrs. John Johnson, Miss Eliza Green, Master Garnet Uptegrove, Master Carson Uptegrove, Mr. Ed Young

Corn "knee high July 4th" is an old saying, but George Carson has corn that is three times as high as the highest man's knee in Northville. It is growing in his Gold Ridge farm down on First street

Mrs. Fred Lyke and sons are up on the Port Huron coast for a brief vacation. Mr. Lyke drove his family up there, but business requires that he remain at home at present. He plans to spend the next week-end north.

Misses Alice and Beatrice Anderson, who have been guests at the home of Mr. and Mrs. Elmer Perrin for the past few months, have returned to their home in Halifax. It is possible that they may return to Northville in the fall.

The many friends of Edward Riley will be glad to know that he has accepted an excellent position with the Burroughs Adding Machine Company of Detroit. He starts on his new work Monday, being employed in the service department.

William Yerkes, who was injured about two weeks ago in an automobile accident in Detroit, will be confined to the hospital for a week or so longer. While he is recovering nicely, he suffered from shock greatly. His injured hand is healing rapidly

George Rattenbury, Jr., who operates one of the Main street Rattenbury meat markets, came home from Richmond the other day with the "bacon," his speedy pacer, Ramey Payne, having won the free-for-all race on the Fourth. The time was 2:13 and a quarter, and the victory was won in a field of five, all speedy steeds.

Among the 410 students in the University of Texas College of Arts and Sciences, who ranked in the highest ten per cent for efficient school work during the past year is James McInbry Bryan of this place. The student is a son of Frank Bryan, who lives just off the East Base Line road. The past year has been his sophomore year in the Texas University. He recently returned home from Texas, but does not plan to return there for his senior year. The University of Michigan or the University of California will be his selection of his final year's work.

Dr. and Mrs. E. B. Cavell and Mr. and Mrs. John Walker are up at Mio for a few days

Little Ruth Mary Mills returned the first of the week from a visit with her aunt at Birmingham.

Miss Mildred Baldwin of Detroit, has been spending several days with Mrs. John Litsenberger.

A marriage license has been issued to William Mafzham of this place, and Miss Hazel Herrick of Plymouth.

Mr. and Mrs. Carl Ely returned Tuesday night from a motor trip to Connersville, Indiana, where they visited friends.

Announcement has been made of the approaching marriage of Miss Luella M. Riley to Glenn O. Hammond, which will take place Saturday, July 14th.

Mr. and Mrs. Gerald Woodworth have returned from Grayling, where they spent a few days visiting with his parents, Mr. and Mrs. F. R. Woodworth, who are spending the summer in the north.

Mr. and Mrs. Edward Mills have returned from Mackinac Island, where Mr. Mills attended sessions of the public utility representatives of the state. Percy H. Deal of Plymouth was also present, Mr. Mills being associated with the public utility electrical service, and Mr. Deal the gas business.

Mrs. C. L. Snyder and Miss Beatrice Almond of Berkeley, California, stopped in Northville a few days last week to visit at the homes of Mr. and Mrs. James Black and Mr. and Mrs. Leo Lawrence. They are on their way to New York and other eastern places, where they will spend the summer.

Mr. and Mrs. Mark Seeley, J. D. LaRue and family, Mrs. Ross Northrop and son, Juffior, have returned after spending a week in a cottage on Town Line lake north of Greenville. Mr. and Mrs. Thomas Young and two sons of Peoria Illinois, spent a couple of days visiting them while they were at the lake

Mrs. Paul Parmenter and daughter, Virginia, of Grand Rapids, are guests at the home of Mrs. C. E. Riley for a few days. Mrs. Alva Ruthroff and son, Clara, of Detroit are also visitors at the Riley home. W. D. Parmenter of Plymouth, with his son, Paul C., of Grand Rapids and grandsons, Claude, Jr. and Billy are touring the Yellowstone Park. They expect to be gone about three weeks

Mr. and Mrs. Alex Iske entertained Tuesday evening in honor of her sister, Miss Alla L. Fisher, who left Wednesday for Los Angeles, California. Mrs. Fisher is coming through with a friend from Manchester. They are going the northern route, visiting Yellowstone Park and other points of interest along the way. Miss Fisher will spend some time with her sister Camilla who went to California a year ago

Fred Cochran is back from his fishing trip up in Canada with a badly sprained ankle. Fortunately he was accompanied in his fishing excursion by a physician, who was able to give him immediate attention. One of the smaller bones was also broken. The injury was received by falling off a rock the very first day they went out on a fishing trip. They remained for the rest of the week in spite of the injury, enjoying the remarkable scenery of the section where they were located

Mrs. T. Lang and daughter Catherine, returned on Sunday from a visit with relatives at South Bend, Ind.

Mr. and Mrs. Henry Perry and daughter of Detroit, and Mr. and Mrs. Peter Perlans and daughter, spent Sunday with Mr. and Mrs. Sam McLean and family at their cottage at Long-lake.

Mr. and Mrs. C. A. Withey and William R. Clapham of Boston spent the week-end at the homes of Mr. and Mrs. G. E. Richardson and Mr. and Mrs. T. G. Richardson. Mr. and Mrs. G. E. Richardson and family expect to spend the week-end in Grand Rapids attending the reunion of the Withey family.

Mr. and Mrs. Starr Herrick, who has been in Los Angeles, California, for the past 18 months, returned home last week Wednesday. He will remain here for three months before returning to the Pacific.

Mrs. Edward Mills suffered cuts in an automobile accident on the Seven Mile road a few days ago, when a truck stopped suddenly in front of her.

Mr. and Mrs. without the driver giving any indication of his intention to stop.

**ONE HUNDRED MILE AUTO RACE JULY 15TH IS SCHEDULED**

**State Fair Track Has Been Secured for This Big Event**

One of the big features of the entertainment program of the monster Knights Templar convention to be held in Detroit next week is the 100 mile auto race, sanctioned by the Contest Board of the American Automobile Association, which will be held Sunday, July 15th. Many of the best drivers in this section of the country have entered. Thirty-six cars have been entered, fourteen of which are to start. The qualifying trials, always a feature of the races, are to be held at 10 o'clock in the morning. Hon. Thomas P. Henry, just re-elected president of the American Automobile Association for his sixth term, is to referee the race, and W. D. Edenburn, who for 11 years has run the Indianapolis 500 mile event, is to run the century battle here as the representative of the A. A. A. Board. Tickets are on sale at the Detroit Automobile Club.

The vegetable garden should be kept absolutely weedless and well cultivated. A neat and well maintained garden of this kind can easily be one of the interesting features of the yard.

Remove the stalk-borer from dahlias by means of a copper wire or sharp knife. Spray these plants with Bordeaux mixture and dust with powdered sulphur for mildew.

**Save \$4.00 PER 100 CHICKS IN 8 WEEKS WITH LESS WORK WITH FEWER LOSSES**

**WHAT THIS MAN DID YOU CAN DO**

One Enthusiastic User of Globe All-Mash Starting Ration Writes:

"The most rapid developer I have ever had on any feed. I have 1 1/2 pound chicks that are 7 weeks old. I have saved over \$4.00 per 100 chicks in the feed cost to date. I have used every kind of feed on experiments in the past but Globe All-Mash beats them all."

**The GLOBE All-Mash Method Serves a 3-Fold Purpose:**

1. Chicks are healthier—they don't have to scratch in dirty litter for feed.
2. Labor is saved because feedings are fewer.
3. Less feed is wasted because none of it is fed on the floor.

Save Your Money! Save Your Chicks! Save Your Feed! Save Your Time! Try Globe All-Mash

**NOVI SUPPLY COMPANY**

WHY NOT TRY A 25c LINER IN THE RECORD?

**PENNIMAN-ALLEN**

**NORTHVILLE THEATRE MICHIGAN**

**Sunday, July 15**  
Tom Mix, in  
**"PAINTED POSTS"**

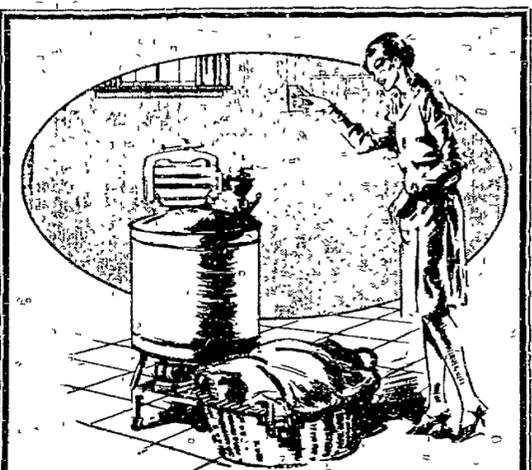

This is his latest picture and the story deals with a gang of thieves, which the sheriff cannot handle alone. Mix, however, steps in and rounds up the whole gang. Natalie Kingston plays opposite him.

**Wednesday, July 18**  
Barry Norton and Dorothy Janis, in  
**"FLEETWING"**

Dorothy Janis makes her first screen appearance in this picture. "Fleetwing" is the name of a horse, which plays an important part. A very good picture.

**Saturday, July 21**  
Gary Cooper, in  
**"BEAU SABREUR"**

This is a sequel to "Beau Geste," with an exceptional cast, including Mitchell Lewis, Arnold Kent, Noah Beery, Evelyn Brent and others of fame.

**Instead of Scrubbing Clothes PRESS a BUTTON!**

No Rubbing to pull and stretch fine pieces  
No Scrubbing to wear and tear good clothes  
An Electric Washer dissolves the dirt

There are two features of Electric Washing Machines:

- 1 Bending over a tub, with wet soapy hands all day, is reduced to a few minutes of attention while the washer works speedily.
- 2 The back-breaking toil of turning a hand wringer is reduced to guiding the clothing through motor-driven rolls—and the clothes are ready to hang to dry. In fact they are nearly dry enough to iron.

Electric washing machines may be purchased by small monthly payments at any office of

**THE DETROIT EDISON COMPANY**

**Salem Events**

Mrs. W. H. Tousey spent Tuesday with her sister, Mrs. Don Norton and family in Redford.

Salem Federated church annual Sunday school picnic will be held at Island Lake park on Thursday, August 16th. Scholars and friends to assemble at the church promptly at 9:00 a. m.

Friends desiring application forms for membership with the church are invited to apply to the pastor.

TO HOLDERS OF Third Liberty Loan Bonds

The Treasury offers a new 3 1/2 percent, 12 1/2 year Treasury bond in exchange for Third Liberty Loan Bonds.

The new bonds will bear interest from July 16, 1928. Interest on Third Liberty Loan Bonds surrendered for exchange will be paid in full to September 15, 1928.

Holders should consult their banks at once for further details of this offering.

Third Liberty Loan Bonds mature on September 15, 1928, and will cease to bear interest on that date.

A. W. MELLON, Secretary of the Treasury.

Washington, July 5, 1928.

**WEST POINT PARK**

Mrs. C. Wolfe, Correspondent

Evelyn Shafer of Lansing, was the week-end guest of Miss Barbara Middlewood.

Mr. and Mrs. August Peans and family of Cincinnati, Ohio, are visiting the former's brothers, Fred and Will Peans and families.

Mr. and Mrs. Audrey Jones and family have returned from their vacation at Gales, Michigan.

Mr. and Mrs. Bennett of Seven Mile road, were visitors of Nov. friends, Sunday.

Mr. and Mrs. Earl Meeke and daughter, Katherine Belle, and Frederick Burkall, have moved from Foxboro, Massachusetts, and are going to be residents of West Point Park.

Wedding bells will again be ringing in our community in the near future. Look for further notice.

Mr. and Mrs. Clifford Cochran invited a number of guests to a burco party Saturday evening. After the games a tasty luncheon was served by the hostess.

The Selfridge Filers and West Point Park will play ball on the diamond here, next Sunday.

The church in West Point Park was well attended Sunday morning. Rev. George Gullen and family arrived just in time from their vacation. He gave a wonderful talk. Everyone was pleased to see him and Jean looking better for their rest. Alice and Eleanor Gullen will remain in Berkley, Ontario, for two weeks with their grandparents.

The annual Sunday school picnic will be held July 29th, at Island Lake.

A social party was held at the home of Mr. and Mrs. Ed Loren on Zaida avenue Saturday evening. A large number of friends were present. A delicious luncheon served by the hostess, was enjoyed at 12:00 o'clock.

Mrs. C. M. underwent an operation at Harper hospital last week, and is improving slowly.

Miss Catherine Banfield was the guest of Shirley Zwahlen Monday and Tuesday of this week.

The Ladies Community Club met Wednesday July 11th at the home of Mr. George Gunn on Westmore avenue.

The Adult Bible class held its regular meeting at Middle Straits lake, July 10th. Mr. Emerson being the speaker. Sibyl Zwahlen spent the fourth at Middle Straits lake, as the guest of Ernestine and Lucile Wolfe.

There will be a pedro party next Saturday given by the North End Circle at the home of Mrs. William Zwahlen.

Mr. and Mrs. Harry Wolfe and family are living with the former's mother, Mrs. Charlotte Wolfe, while their house is being decorated.

Mr. and Mrs. Stas Galmor and baby Clarence of Detroit were Sunday guests of Mr. and Mrs. Irvin Bohmeyer on Westmoor avenue.

John Myers, Jr., of Detroit, was a

Sunday guest of William Zwahlen, Jr. Mrs. Margaret Davis is spending a few weeks in Detroit at the home of Mr. and Mrs. William Lovett.

Ernestine and Lucile Wolfe are enjoying their vacation with their grandparents, Mr. and Mrs. John Phelps, at their cottage at Middle Straits lake, for a couple of weeks.

June 17th Mr. and Mrs. Ernest Ash entertained the following relatives and friends: Rev. and Mrs. O. J. Peters, E. Langworthy and Mrs. Emma Cant of Wayne, Charles Ash, Sr., Fred Ash, Mr. and Mrs. William Ash and family, and Mr. and Mrs. Richard Gustand and family from Plymouth.

Mr. and Mrs. Ernest Ash were recent visitors at the home of the former's brother, William Ash, on the Ridge road, near Plymouth.

On Wednesday, July 4th, West Point Park and Rochester ball teams met in a friendly game on the Rochester diamond. West Point Park met defeat for the first time in weeks, the score being 8 to 6. Six errors in the first two innings before West Point Park became accustomed to the field and heat caused the defeat. George

Johnston pitched a good game in spite of poor support. West Point Park had men on bases in every inning, and in the ninth scored two runs in a rally that appeared likely to tie the score, with men on second and third and only one out. Then Rochester changed pitchers and the new hurler baffled the next two batters and the men on bases with the tying runs were left stranded.

Mr. and Mrs. James Eastman have moved into their new home on Zaida avenue, Garden Grove subdivision. We all welcome such residents as these to West Point Park. Mr. and Mrs. Eastman lived for many years in Farmington township.

Ernest Ash and two brothers have gone up north for a few days' vacation.

The DeHoCo and West Point Park base ball teams met on the diamond here last Sunday. DeHoCo is among the leading teams this year, but the home team last Sunday led from start to finish. In the last of the first inning, they brought in four scores. DeHoCo ran up one score an inning until they were close, but West Point Park at the end of the tenth inning

scored, making the final score 5 to 6 in favor of West Point Park. Knöch started by catching a fly ball and putting two men out at the needed time. When Harry Wolfe brought in that last run, West Point Park was overjoyed. Carl Goers pitched a splendid game.

Unusually quiet, roomy, economical

GENERAL ELECTRIC Refrigerator

THIS new-day refrigerator never needs oiling. It is unusually quiet. It is portable. It uses very little current. It has an all-in-one unit that is hermetically sealed to keep efficient, and trouble out.

Over a period of fifteen years, General Electric engineers worked toward this great electrical achievement. They have developed a simplified refrigerator that has no belts, pipes, drains or fans to get out of order.

Models for every home are now on display. Come in and see them. In the meanwhile, mail the coupon below for an interesting descriptive booklet.

Please send me your descriptive book on the simplified General Electric Refrigerator.

**PHONE COMPANY BOOSTS MICHIGAN AS VACATION LAND**

**Series of Ads Point Out Advantages of This Part of United States**

First of a series of advertisements in which the Michigan Bell Telephone company calls attention to the advantages of Michigan as a vacation land appears in this issue of the Northville Record. The second is scheduled for publication a week from today, and others will appear during the remainder of July and the first part of August.

The series is being published in more than 250 newspapers throughout Michigan. According to Roy Crowe, manager in this area for the Michigan Bell company, it is felt that no part of the continent offers so many advantages to the tourists and vacationists as does Michigan, with its excellent highways, myriad lakes and rivers, vast stretches of forests, hundreds of miles of coast line, unequalled opportunity for summer sports, its well equipped camp sites and its hotels, and its wonderful climate.

The first announcement is illustrated with an outline map of the Upper Peninsula, popularly known as Cloverland, showing the principal cities. Following announcements will carry similar maps advertising sections of the Lower Peninsula. The announcements also show long distance telephone rates to the principal cities in the section advertised, from each city in which the advertisement is published.

This advertising, Mr. Crowe says, is in line with other activity conducted by the Michigan Bell Company designed to create a better knowledge of the state and its cities. During the past year the telephone company has been showing a series of window displays in downtown Detroit, advertising the principal cities of the state and calling attention to their manufacturing and other advantages. These displays, which have been viewed by thousands of persons daily, have been assembled in co-operation with the local telephone managers and the chamber of commerce of the cities benefiting from the publicity.

**FRED J. COCHRAN, Attorney MORTGAGE SALE**

Default having been made in the conditions of a certain mortgage made by Fred E. VanAlta and Gertrude M. VanAlta, his wife of Northville Michigan to Carrie G. Benton of the same place, dated the 23rd day of November A. D. 1927 and recorded in the office of the register of deeds for the county of Wayne and State of Michigan on the 11th day of November A. D. 1927 in book 2841 of mortgages on page 117 and mortgage providing that the whole of said principal

sum shall become due and payable after default of more than thirty (30) days in the payment of any installment of principal or interest upon said indebtedness, or of any tax assessment or insurance premium, anything to the contrary thereto notwithstanding.

WHEREAS by reason of the above said default the entire principal sum together with all arrearages of interest thereon is hereby declared due, and there is claimed to be due, and is due and unpaid at the date of this notice for principal and interest, and insurance the sum of Five Thousand Eight Hundred and Two Dollars and Seventeen Cents (\$5,802.17) and no suit or proceeding in law or equity having been had or instituted to recover the debt secured by said mortgage of any part thereof notice is hereby given that by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided the undersigned will sell on Monday, the 8th day of October, 1928, at 2 o'clock in the afternoon Eastern Standard Time, at the south-

ernly of Congress Street entrance, in the Wayne County Building in the City of Detroit (that being the place where the Circuit Court for the County of Wayne is held) at public auction to the highest bidder, premises described in said mortgage, or so much thereof as may be necessary to realize the amount due thereon as aforesaid together with interest thereon to the date of sale, attorney fees and costs of sale as provided by law.

The said mortgage premises are described as follows: Laid out in the Village of Northville, County of Wayne and State of Michigan commencing at a point 89 feet south of a point where the section line from the west line of Section 32, Township 36 North Range 6 East intersects with the center of Rogers Street in said village, thence west parallel with said line 191 feet, thence southerly at right angles to said line 60 feet to the north line of land formerly owned by Thompson thence easterly along the line of said Thompson's land 191 feet to the center line of Rogers Street, thence north along the center

of Rogers street to the place of beginning.  
Dated at Northville, July 13, 1928.  
CARMEL G. BENTON,  
Mortgagee.

F. J. Cochran,  
Attorney for Mortgagee.  
Northville, Michigan  
July 13-20-27, August 3-10-17-24-31,  
September 7-14-21-28, October -

Shasta daisies bloom during May, June and July. Their flowering season may be prolonged if protected on cool nights. A location adjacent to a building affords considerable protection.

**Our Appreciation**

We wish to thank our friends and customers for their patronage, and to suggest that this is the time to think of your fall planting.

Next month, August, is the time to plant your Oriental Poppies and Madonna Lilies; all early flowering Bulbs and Plants should be planted this fall. Tulips, Narcissus, Phlox Sub Lata, Basket of Gold, Aquilegia, Coreopsis Delphinium, Sweet William and many others, if planted this fall will give you beautiful blooms in the spring.

**Beauty in the Spring**

Early flowering shrubs, such as the Spireas, Flowering Almonds, Forsythia, Lilacs, Syringa, Bush Honey-suckle and Barberry-Thunberg's. These are just a few of the long list of shrubs that may be planted this fall, and the result is well established roots and in the spring a beautiful shrub.

We would be glad to be of service to you in your fall planting.

**They called her a soulless "gold-digger" but...**

DO you remember the sensational breach of promise suit a few years ago, by a humble flower-girl against her young millionaire lover and his wealthy mother? At the trial many ugly charges were hurled at the girl. She was called a "gold-digger," a blackmailer, a shameless creature who loved only money and the luxury money could buy.

But when, in a voice broken by sobs, she told her pitiful story, men hardened to sorrow wiped the eyes furiously—women in the court-room wept aloud.

Then came that dramatic and unlooked-for conclusion. An unexpected witness was called to the stand—and in ten words hurled into the tense silence of the crowded court-room a bombshell that reverberated to the ends of the earth.

"Most people were stunned by the unexpected outcome of the trial. Even to-day few suspect the true history of events behind that tremendous drama of intrigue, suffering and deathless love.

But now the entire story has been told by the girl who was the central figure in that amazing drama. Told in words that will bring tears to your eyes—tears of joy, of sorrow, of understanding and sympathy.

"Don't miss this thrilling narrative from life, 'The No-Account Girl,' in the August issue of True Story Magazine."

**CARD OF APPRECIATION**—I wish to thank my friends, neighbors and the Lutheran Ladies for flowers sent me during my recent illness and Rev. Russ for his comforting calls. Mrs. Augusta Witt.

Begin planning for rearranging the shrubs or flowers next fall or spring. Relative locations for plants can be determined at the height of the growing season.

Delphiniums prefer a sunny exposure and a rich soil. The best flowers appear in June. If cut back after obtaining another crop of flowers may be produced in August.

**Church Notices**

**Baptist**

Sunday morning service at 10:30. The Rev. Hoasley will preach. Sunday school at 11:45. C. B. Turnbull superintendent.

B. Y. P. U. meeting 6:30.

Union service in the Methodist church at 7:30. Rev. Knowles will preach.

**Presbyterian**

Sunday morning worship 10:30. The pastor will speak upon the theme "Christ Fundamental."

Sunday school at noon. Lesson, "The Conversion of Saul."

Union evening service at the M. E. church at 7:30. Sermon subject, "A Spontaneous Impulse."

**Methodist**

The services for next Sunday at 10:30 will be conducted by the pastor. We were all glad for the able reports of our young people during their week at Albion College. God bless them.

The church school will meet at 12:00 noon.

The evening young people's meeting will be changed for out-of-door meetings during the summer months on week days. Look for announcements from your President Lela Roberts.

This coming evening the united services of all the church will be in full form with a welcome to all. Bro. Frank P. Knowles will have a good message for us at 7:30.

The 25th week services will be held until conference.

Those anxious about the closing business of our local church which will be next Monday at 7:30 have a conference. Bro. Martin will preside and all the presidents of the various departments kindly judge their reports ready which will be transferred to the August conference at South State June 29th. Less than eight weeks away.

The building committee for the church house gave a splendid report of the figures. The canvassers with only half of the constituency solicited are encouraged.

Come on Methodist folks keep up your work and your soul will prosper.
