FOOTBALL TEAM IS OUT FOR NEW 1928 VICTORIES

First Practice Brings Out Six Men from Old Team

On Wednesday afternoon Coach Harmon Jones called the football squad together for the first meeting of the year. Suits were issued to men and a talk was given on actual work-outs beginning on Thursday.

But six letter men are available from last year's championship team, five having been lost by graduation. The six left are Capt. Leavensworth, Levine, McCardele, Watts and Tiffin. Much hard work will have to be done, not only by the veterans but also by the newcomers, if a creditable showing is to be made. Some of the likely-looking men are Rankin, Huff, Hinchman, Cavel, Schultz, Preston, Johnson, Teshka, Kerr, Wesphal and a few others.

It is no secret that every team in the Suburban League will "point" for Northville and it is up to the entire student body as well as each individual player to do his or her best in aiding Coach Jones to keep Northville at the top.

FRIENDS REJOICE AT SAFETY OF "FISH" HASSELL IN FLIGHT

Local Flight Followers Were Sure He Was Safe

All of Northville was intensely interested in the finding of "Fish" Hassell up in Greenland after his flight across the Atlantic in a Stinson-Detroiter. Previous to making his hop over the ocean, he spent many weeks in Northville preparing his aircraft for the flight.

It was Hassell who gave his countryman, Alex Johnson, the first airplane ride Alex ever took. When news of Hassell's disappearance first came out his many acquaintances at the Stinson factory and out in the field learned that he doubtless had landed in Greenland at some isolated spot and that he would eventually be heard from.

According to a statement sent here from Greenland, Hassell and his companion were blown way off their course by the terrible storm that prevailed over the ocean just before they reached Greenland. In fighting the storm and in trying to get back to their course their gas supply ran out and they had to land. News dispatches say that the plane which according to Hassell is in perfect condition, will be left where it landed, due to the isolation of the place and the difficulty in returning to it.

BACK HOME AFTER WEDDING TOUR OF WESTERN STATES

Mr. and Mrs. Harry Rackham Will Make Home in Detroit

Mr. and Mrs. Harry Rackham have returned to Northville after an extensive wedding tour through the western states where they visited a large number of interesting and historic spots.

Mrs. Rackham will be remembered as Miss Hattie Pagel, the daughter of Mr. and Mrs. Robert Pagel of Plymouth, although for years she has made her home in Northville with her sister, Mrs. Floyd Shafer.

The young couple were married in Bowling Green, Ohio, August 28th and the news of the event will come as a surprise to their hosts of friends both in Northville and Plymouth.

The bride is a graduate of the Northville high school in the class of 1913. For a number of years she has been employed in the Pere Marquette railway offices of Detroit, where she was chief manifest clerk in the operating department.

Mr. Rackham formerly lived on the Base Line road, but since selling his farm he has made his home in Detroit with his mother. He has been active in fair work in Northville for a number of years, due to his knowledge of fruit and his ability to arrange exhibits.

Many beautiful gifts will grace their home in Detroit, which will be opened for the reception of friends after October 15th. The best wishes of a wide circle of acquaintances in this community are extended to the happy couple.

Miss Eleanor Sutton has entered St. Joseph's Mercy hospital at Ann Arbor, where she will train for a nurse.

NORTHVILLE GIRL WINS CHARLESTON DANCING CONTEST

Hundreds from Here Attend Farmington Gala Day Events

Many thousands from all over southeastern Michigan were present Monday at the Farmington gala day, the biggest and most successful one ever held in the neighboring community. The Northville Community School Band provided the music for the event and little Ida Altman, snare drummer of the band and daughter of Mr. and Mrs. Charles Altman, won a \$5 bill for being the best Charleston dancer that appeared in the Charleston contest.

But not only did the band please the big crowds. The youthful musicians brought a little additional sunshine into the life of Mrs. Ely, the 84-year-old mother of Carl Ely of this place, who is an invalid in her home during one of the lulls in the program of the day's program, the band marched up to the home of Mr. Ely's mother, where it played a number of pieces for her, much to her great delight.

A large delegation from Northville was present at the gala event. Every detail that was by far one of the best ever staged in the neighboring community. It is sponsored by the American Legion of Farmington.

EXCHANGE CLUB MEMBERS TURN TO BARN BUILDERS

Erect New Home for John Scipio's High-Bred Thoroughbred

Northville Exchange club members, Wednesday, started the construction of a new barn for John Scipio, at his place near the Cass Benton park, and by the end of the present week there will be a new home for John's steed. The old barn will have been cleared away and the torn on the highway at this point made much more presentable.

Wednesday morning under the direction of President Scott Lovewell, Master of Finance Harry German, acting in place of M. J. Murphy, who is confined to his bed by illness, and Alex Johnson, local builder, a dozen Exchange club members and sons helped.

My noon the frame had been completed, by night the roof was almost on. By Saturday the job will have been completed, says President Lovewell.

At Wednesday's meeting of the club numerous cash donations were announced. First came a donation from Howard Woodman of Lansing, who had read of the project. When in Northville the other day, he gave his cash to Nelson Salvador to give to the club.

It was also announced by G. B. Turner that Jesse Haas of Plymouth, wanted to do something for the project. In fact, he said he would give what nails would be needed, but as Postmaster Neal had already donated \$5 for nails instead of \$5 worth of labor his cash substitute was accepted.

Supervisor Willard Ely, a guest at the meeting, thought the effort so commendable that he gave the club a donation of \$5.

The cash will be used in purchasing lattice work and rose bushes that will be used to cover the west and south side of the barn.

The regular meeting of the Woman's Relief Corps will be held September 12th, at 7:30 o'clock. The Silver Anniversary pot-luck dinner will be given on Friday, September 14th, at the Graywold cottage at Walled Lake. This is in honor of those who have been members of the Woman's Relief Corps for 25 years or more. Cars will be at the postoffice at 10:30 a.m. It is requested that members bring only cups and plates, but no silver. It is believed there will be an especially good turnout.

The Wayne County Association of Lady Maccabees will hold a meeting at Flat Rock on Thursday, September 13th. It is requested that all Northville members who are planning on going to this meeting advise their commander, Mrs. Claude Moffitt.

Mr. and Mrs. Frank L. Thompson and daughter, Alene, motored north over the week-end, stopping at Northport, Traverse City, Ludington and Muskegon.

Mrs. C. C. Verkes and son, Edmund, returned Tuesday evening from an eastern trip. While in Boston they visited at the E. J. Frost home.

NOVI DEDICATES NEW SCHOOL, ONE OF STATE'S BEST

Big Crowd Fills Structure Prominent Men are Speakers

In the presence of a crowd so large that even standing room was at a premium, Novi school district residents last Friday evening formally dedicated its modern new school structure—one of the most complete and up-to-date buildings of its kind in Michigan.

Long before the hour for the program to start, practically every seat in the big gymnasium was filled. When E. B. Flint opened the meeting, the big crowd even filled the two ante rooms off the combination gym-auditorium.

The entire building was open for inspection during the evening, and mothers and fathers of the boys and girls who are attending the Novi school were highly delighted with the careful attention that had been given to every detail. Sanitary provisions are far superior to the average school and various other conveniences for the children are about as perfect as they could be. The building is practically fire proof. An automatic pump provides an excellent water supply.

Probably one of the most noticeable things about the building is the perfect lighting arrangement for each room. At no time during the day will there be any dark corners in any of the rooms.

In the basement just off the gymnasium is a kitchen with complete equipment. This can be used for not only school events, but many community endeavors of Novi, it is pointed out.

The grounds are well laid out, with nearly two acres in the rear of the building, for playground purposes.

G. R. Culver, who made an excellent record at Clarendonville, has been engaged to act as superintendent for the ensuing year, and was present at the dedication to meet the patrons of the school. His assistant, Miss Margaret Fischer, who came from St. Clair Shores was also present. Both are regarded as teachers of more than ordinary merit and will doubtless give Novi an excellent school year.

Mr. Flint, in opening the dedication program, stated that the entire district was proud of its accomplishment, and that it was generally believed the benefits of the school would be worth the cost.

He then introduced members of the board under whose administration the school had been erected.

A. C. Atkinson, moderator; William Mairs, director; and Fred Brooks, treasurer are the board members. These names are inscribed on a plate that has been suitably placed in the entrance to the school.

Mr. Atkinson stated that the board had put forth its best efforts to provide the district with the kind of school thought best for the needs of the community. In behalf of the board he expressed appreciation for the splendid co-operation that had been given the school officials at all times and he expressed a hope that the same co-operation would be continued in the future.

Miss Lulu Becker now an instructor in the Detroit public schools, but a former Novi girl of 30 years ago, rejoiced with her old schoolmates at the completion of a modern school structure between Mexico City and Laredo, Texas.

"I have always been interested in the public schools, but you know that there hasn't been much change since the beginning of our school system. Records show that the first Novi class was held in 1825. It was in 1827 when our first school was held over on the Base Line road, and it was in 1833 when first school house was built. In those days our school was maintained by private subscription," she stated.

"Our public schools and our churches have kept pace the least, with the time, but our schools are the best preventative of crime," she contended. "The man who knows is the man who wins."

Two songs that greatly pleased the audience were sung by Miss Mary Finn of Ypsilanti.

Among the other speakers of the evening were Rev. G. E. Gulien of West Point Park; Dean Pittman of Ypsilanti, who declared the district had already discovered that it had not built too big a school; Congressman Grant Hudson and C. Lloyd Goodrich, deputy superintendent of public instruction, were other speakers on the program.

Members of the Walled Lake school board were guests of the Novi board.

DR. FISHER WINS NOMINATION FOR THE LEGISLATURE

Lawrence Johnson Loses by Small Vote—Murchie Poor Third

Lawrence Johnson, the Northville-Plymouth candidate for renomination as representative from this legislative district, was defeated in the primary Tuesday, by Dr. Edward F. Fisher of Dearborn, by nearly 400 votes.

While Northville and Plymouth stood evenly by Representative Johnson, he was unable to overcome the tremendous vote that Dr. Fisher piled up in his own constituency.

Northville and Plymouth stood evenly by Representative Johnson, he was unable to overcome the tremendous vote that Dr. Fisher piled up in his own constituency.

Roger Murchie of Redford, another contestant in the race, was a poor third.

When sixteen of her friends gave a bridge dinner in her honor, Mr. and Mrs. Boyd are soon moving to Grand Rapids to make their future home, and the party took in the nature of a farewell event. She was presented with a green rabbitoh and a pair of white gloves.

Dr. Fisher, winner of the contest, is regarded as a very suitable successor to Representative Johnson. In the townships where Mr. Johnson did not win he was run up in every case, except in Redford.

Following are the results by townships:

ATTENDANCE AT SCHOOL JUMPS

Northville's public schools opened for the new school year Wednesday morning with another record enrollment. The high school attendance is more than 30 greater than last year on the opening day and there is always an increase during the fall term.

The grade attendance has not yet been checked, but teachers report in every class a much larger attendance than last year.

Supt. W. H. Gordon stated Thursday that it would not be surprising if the increase this year over last year would be more than 75.

Mrs. Forace Boyd was given a delightful surprise Tuesday evening at the home of Mrs. Thuria Masters, when sixteen of her friends gave a bridge dinner in her honor.

Mr. and Mrs. Boyd are soon moving to Grand Rapids to make their future home, and the party took in the nature of a farewell event. She was presented with a green rabbitoh and a pair of white gloves.

Mr. and Mrs. Thomas McCarron and family motored to Niagara Falls and Buffalo New York over Labor Day.

BABBITT WINNER OF FIRSTS ON HIS POULTRY ENTRIES

Local Exhibitor Takes Many Prizes at the State Fair

Hugh Babbitt, one of Northville's many popular lads, has returned from Detroit with more poultry prizes than were ever before hauled away from the Michigan State fair by any one individual. His entries were white crested black Polish birds.

On the cockerel entry he took first, second, third and fourth places. The same for the cock entry and all four places were won by his pullet entries.

He took first, third and fourth places in his hen entries and first place for his pen of old birds and first place in his pen of young birds.

Someday he may even enter in the poultry entry at the state fair.

He was advised by one of the judges that his pen had been entered at the Toronto or Madison Square New York pens he would be in the first place in these contests. Everyone was interested in the perfect condition that he presented at the state fair from Northville.

**LOCAL SPORTSMEN
TURNING THOUGHTS
TO DUCK HUNTING**

Season Will Open September
16th—Report Ducks
Plentiful

Now that the primary election is over, Northville sportsmen are turning thoughts to hunting. Taken as a whole, the fishermen have little complaint to offer with fishing conditions this year. Trout fishing has been above normal in case of a bad start. The inland lakes have given the casters, trappers and still fishermen good sport with pike, walleyes and bass, while perch fishing off the piers around the Great Lakes has been the best in years. But the rod will soon be packed away, and the outdoorsman will turn to field and marsh spots.

The first of the hunting season will open on wild owl and shore birds, September 16th.

Although a number of new Federal regulations have been laid down since the close of the season last year, none of them affects Michigan. Ducks, geese, brant, rails, coots and jack-saps may be hunted from the opening day until December 31st, and the big limits remain the same as in previous years: 15 ducks, 15 snipe, 5 geese and brant, 25 rails and 25 coots constitutes the daily limit.

From all reports mallards have bred in fair numbers in most duck marshes. The young birds are moving about and at nightfall can be seen migrating from open water to secluded marshes. Conservation officers report a fine showing of black-ducks well distributed throughout the inland lakes and the coves of the Great Lakes. Very few teal and pintails have been noticed, but there is an assurance of plenty of birds for the opening days.

Fortunately, Michigan does not have to depend upon home-bred ducks for all the early migration flight that brings us plenty of good shooting around October 1st and later the fall ducks come down with the canvas-backs, redheads and blues. The Federal bag limit still remains at 25 in one day, but efforts will be made this year to reduce this to 10 or 15. If it should not go down to be 10 this is the time for Federal regulations take precedence over state laws.

The season opens Saturday morning and goes on through Sunday evening.

means closed, although there is a seven-day open season on woodcock in Michigan, from October 1, which is permissible under the Federal law.

Following the duck season comes the short open season on pheasants, beginning October 25th and running until October 31. Rabbits come in also at this time, but the season excludes ruffed grouse, prairie chicken or

tends to December 31. There will be quail hunting this year. These three species are protected. Squirrel hunting is tabooed until 1932.

The deer and bear season follow on November 15, and continues to the end of the month. No changes have been made in the buck law and the one deer and bear limit remains in force.

**NEW COUNTY PARK
FOR PLYMOUTH IS
BEING CONSIDERED**

County Would Take Over Tourist Camp for Improvement

For some considerable time past the Commission, Village Attorney John S. Dayton and Village Manager A. J. Koenig, accordingly met with the County Board of Park trustees at the appointed time at their offices in Detroit. A frank and open discussion of the entire proposal in all of its phases was gone into at this meeting, and all questions raised by the members of the committee representing the village were answered in full and without reservation.

The members of the county board disclosed their plan to construct a wide paved parking or drive from the vicinity of Northville to the mouth of the River Rouge, following in a general way the route of the river. In conjunction with this project it is planned to develop public parks at various points along the drive. It was pointed out that the location of the Plymouth tourist camp property

with a view of gaining a more complete understanding of the aims and plans of the county park board concerning the proposed development, a communication was addressed to the board some little time back, requesting precisely upon the route of the pro-

posed county parkway supplied the one reason for the county's interest in developing the site as a public park. Had it been located at any considerable distance from the river route the park board would not have been interested in developing the property.

A committee consisting of Commissioners Nutting and Shear of the Commission, Village Attorney John S. Dayton and Village Manager A. J. Koenig, accordingly met with the County Board of Park trustees at the appointed time at their offices in Detroit. A frank and open discussion of the entire proposal in all of its phases was gone into at this meeting, and all questions raised by the members of the committee representing the village were answered in full and without reservation.

The members of the county board disclosed their plan to construct a wide paved parking or drive from the vicinity of Northville to the mouth of the River Rouge, following in a general way the route of the river. In

conjunction with this project it is planned to develop public parks at various points along the drive. It was pointed out that the location of the Plymouth tourist camp property

would be the finest kind of an asset to the community. Though no estimate of the probably amount of money to be spent in developing the property could be given at this time, the point was made that money was no object; that whatever funds would be needed to improve the property would be made available, and that the total might reasonably be expected to run into the hundreds or thousands of dollars — Plymouth Mail.

Assurance was given that the board contemplated making immediate improvements after taking over control of the property. Removal of weeds, brush and dead trees and the planting of new trees in desirable locations would be done for this fall. It was made clear that the real future would see a laying out of the above mentioned park drive, the spanning of the river, with a splendid modern bridge and a number of foot bridges for the convenience of picnickers, the building of a fine, up-to-date comfort station at a probable cost of \$25,000 or over, and the installation of camp stoves, playground equipment and recreational conveniences that will be of the best to be secured. The board emphasized their intention to develop upon the Plymouth site a public park that would rank with the best to be

had. Reservation.

When a recipe calls for browned buttered bread crumbs on top of any dish melt the butter in a pan and mix the crumbs in before spreading them in the food to be cooked. Earl Bowmen was pleasantly surprised last Saturday, the occasion being his birthday. Games were played, prizes being awarded to Mrs. Earl Betz, Mrs. Rex Anderson, Mrs. Ralph Winn, I. L. Tyler, Paul Orwick and Lou Thomas. The concession was won by Ralph Winn. Mr. Bougues was the recipient of many useful gifts. A buffet lunch was served to the members of the party.

Mr. and Mrs. Ernest Root and son Lee and Eliza of Flint were guests of Mr. and Mrs. Eugene Root Sunday. On Monday they all spent the day at Elizabeth lake.

Miss Caroline Leavenworth of Royal Oak, is a guest of her cousin Miss Doris Leavenworth.

Jay Leavenworth and family of Royal Oak were dinner guests at Mr. and Mrs. John Humanus' Wednesday evening.

Mrs. Lizzie Coates spent the weekend in Detroit and attended the funeral of her uncle Philip Underwood who was crushed while trimm

for burial.

Mr. and Mrs. Edwin Scott and children were Sunday guests of Mr. and Mrs. John Huffman, a week ago.

The W. C. T. U. held a short business session in the Baptist church Sunday afternoon. On account of the early date of the state convention in Lansing a special meeting was necessary. Mrs. John Huffman and Mrs. Effie Root were elected delegates to the convention.

The B. Y. P. U. were pleasantly surprised by a visit from the association's president, Fletcher Campbell of Plymouth, Sunday evening. He congratulated the society for its enthusiasm and attendance for the summer months. He gave a very helpful and inspirational talk at the request of the president, Ronald Burton. The society had just closed an efficiency contest in which the winning side are to be entertained by the losers.

Mr. and Mrs. Earl Tyler and children and Mr. and Mrs. Earl Bowmen of Novi, also Mr. and Mrs. Earl Betz, Miss Ethel Bailey, Miss Lulu Harper, Mr. and Mrs. Dan Tyler, Mr. and Mrs. Ralph Orwick and family of Detroit, spent Labor Day with I. L. Tyler at Cedar Island lake.

L. E. Granzow, who has the contract for trading and graveling on the Novi Manor subdivision, began work in earnest, Tuesday morning. The streets are to be graded and improvements necessary to the development of the property are to go on at once.

Mrs. Hattie Huffman and son, William and daughter and family, Mr.

and Mrs. Carl Miller of Lester, who

have been visiting Mr. and Mrs. John

Huffman and Mr. and Mrs. F. C. Rice,

Kopman of Cadillac were callers at

all visited the new zoological park at Detroit, last Thursday.

Miss Rowena Root entertained about 25 of her young friends, Tuesday evening, in honor of her sixteenth birthday. Games and music were the diversions of the evening. Miss Rowena received kindly remembrances of the happy occasion from her many friends. Ice cream and cake were served by her parents, Mr. and Mrs. Eugene Root.

The new school began Tuesday morning in the new school building with great expectancy and enthusiasm on the part of the pupils and a serious earnestness of the teachers. About 90 pupils are enrolled in the ten grades. Miss Beula Latimer, a former teacher, has the first three grades. Mrs. A. L. Full, the fourth, fifth and sixth. The other grades are taught by Mrs. Mae Camberlain, a former teacher, Miss Margaret Rachel and the Superintendent, Gorham Culver. Novi should have a fine year of school work with the right co-operation of all the parents with the school board and teachers, who have and are using unstintingly of their time and energy to make it a success.

Mr. and Mrs. Sam Good, who have operated the White House Lunch the past four months, have returned to Detroit.

Mr. and Mrs. Ross Lapnam, who have charge of the branch of the Farmington bakery here, are now prepared to serve lunches.

Mr. and Mrs. H. A. Seibalds and Mrs. Ed Kocher of Detroit, Mrs. Lizzie Kelley, Mrs. Winnie Kelley, Mrs. H. P. Morrison of Lansing and Mrs. H.

Huffman and Mr. and Mrs. F. C. Rice, Kopman of Cadillac were callers at

Archie Kent's, Sunday.

Mr. and Mrs. Russell Holcomb and children of Grosse Pointe Park, spent Friday night and Saturday with their aunt, Mrs. Lizzie Coates, who returned to Detroit with them and came home Sunday afternoon.

John Moseley, son-in-law of G. H. Taylor of Wauchula, Florida, is visiting among Novi friends. He accompanied the body of an uncle, Phil Underwood, who passed away in their home last week Wednesday, to Detroit, for burial.

The many friends of G. H. Taylor will be sorry to learn of his ill health. For several months he has been unable to work, and now has for weeks been confined to his home and unable to walk or even sit up but a few moments at a time. His physician has been treating him for rheumatism, but has not seemed to relieve him of the intense pain in his hip which he suffers constantly.

Mrs. Lizzie Kelley, who came from Lansing last week Monday for an indefinite stay among relatives here, was summoned to McSau, Michigan, two days later by the death of a daughter-in-law. Perry Taylor, accompanied by his aunt, Mrs. Lizzie Coates,

took her to Lansing, Wednesday night, leaving here at 11:25. At Williamsburg they were held up an hour by a very severe electrical storm. A telegram after their return the following morning, a message came of the death of an uncle, Philip Underwood.

Mr. and Mrs. H. A. Seibalds and Mrs. Ed Kocher of Detroit, Mrs. Lizzie Kelley, Mrs. Winnie Kelley, Mrs. H. P. Morrison of Lansing and Mrs. H. Huffman and Mr. and Mrs. F. C. Rice, Kopman of Cadillac were callers at

His silence spelled His Guilt, and yet...

Her face was deathly white. Her heart seemed to stop between hope and despair, between faith and disillusionment. She searched her breaking heart with the letter clutched in her trembling hand. A letter to Dave, her husband, from a strange woman—

she had loved and lived forced to lay in crumpling ball at her feet. God knew she loved Dave, no matter what he had done. And yet—

And yet—who was this woman? Why had she written Dave this letter? Was there, after all, some romantic episode in her husband's life that he had kept hidden from her? Surely there had been some terrible mistake. Surely Dave could explain.

But that night, when she quietly handed him the letter, Dave sat with bowed head, in stony silence—his face a mask, to hide what?

**TWELVE CHILDREN
GIVE THIS MOTHER
MUCH HAPPINESS**

Mrs. Hannah M. Smith of Novi Lives to Enjoy Their Success

Just one mile west of Novi on a small farm resides Mrs. Hannah M. Smith, widow of Albert Smith, pioneer resident of Novi township, who died three years ago. The interesting part of it is the fact that Mrs. Smith is the mother of 12 children; and every one of the twelve have a good trade and hold responsible positions.

Mrs. Smith's maiden name was Hannah Mathew Hammond. She came to Michigan with her parents from Hollensburg, New York, and settled on a farm on the east side of Walled Lake. The farm is now own-

ed by L. E. Miller.

They lived on this farm about 20 years. When 21 years of age she was married to Albert Smith. Immediately after their marriage they moved to the farm just west of Novi, which has always been home since, a period of 58 years on one place. In this home 18 children were born, there being three twins.

Of the twelve still living there are three girls and nine boys and all in perfect health. The first born was Benjamin Smith, who is now 57 years of age, and resides at home with his mother.

Hattie lives in Plymouth, Hub in Saginaw, Louis in New Jersey, William in Redwing, Minnesota.

Cleveland in Lansing; Charles in Northville; Fred in Novi; Ernest in Pontiac; Ralph and Ralzy (twins) in Walled Lake and Sarah of Plymouth.

Albert Smith, the father, until his death three years ago, was one of the best known and most prominent farm-

ers in Novi. Mrs. Smith is now 78 years old and is active for one of that age.

Studebaker's ERSKINE SIX

New Beauty—New Comfort —and Stock-car Champion of its Class!

STUDEBAKER'S new Erskine Six is a beautiful car—a comfortable car—a fast and sturdy car. Larger, roomier bodies, charming in lines and colors. Longer wheelbase. Hydraulic shock absorbers to control long, pliant springs. All these to please your eye and ease your ride, and more—

A chassis of true Studebaker engineering, which has proved its speed and endurance by traveling 1000 miles in 934 consecutive minutes—a feat no other stock car under \$1000 has ever equaled. The Erskine Six holds 11 undisputed official records for cars in its class.

Because it is precision-built to Studebaker standards, you can drive your new Erskine Six 40 miles an hour the very first day—62-mile speed later. Motor oil need be changed

but once every 2500 miles. Amplified-action 4-wheel brakes stop you in less than half the distance prescribed as standard.

Come in—drive a new Erskine Six! Studebaker's background of 76 years' experience is rapidly putting the Erskine Six in the foreground of popularity—sales for the first 6 months of 1928 more than equaled the entire 12 months of last year. Drive it and you will know why.

Gives Representative Miller
Big Vote Helps
Sink Too

Now township in Tuesday's primary election was emphatic as was Northville in its approval of state affairs but not quite so energetic in its display of support for the regulars over in Oakland county.

It gave Clarence L. Smith candidate for prosecutor, 83 votes, and only 58 for Norman C. Orr, the successful contestant. Smith has many active backers in Novi, who account for his big vote.

Governor Green led the ticket with 106 votes, with only 39 for Welsh.

It is not generally realized that dry skim milk has desirable food values and has some advantages over fluid milk. A considerable portion of the energy value of milk is contained in the skim milk and the almost completely digestible and assimilable milk proteins in the dry skim milk make it especially valuable for children, adults and growing animals.

A meat thermometer may be used in roasting leg of lamb so as to get the meat just the desired stage of done ness. It should be placed in the thickest part of the meat. Some people like lamb cooked to 150 degrees F. Others prefer it well done (180 degrees F.). The time required to reach these temperatures depends on the temperature of the oven, to a large extent. High temperatures increase shrinkage. After the meat is browned on the outside it is better to reduce the oven heat and take longer to cook it removing the meat from the oven when the thermometer registers the desired degree of doneness.

Mr. and Mrs. George Neal of Orion, spent Labor Day in Northville. Mr. Neal publishes the Orion Review, one of the most progressive papers in Oakland county. They were guests at the home of Mr. and Mrs. F. S. Neal.

Miss Edith Miriam Hawkins of Bozeman, Montana, was married August 15th to High Dudley Smith of Conrad, Montana. Mr. Smith spent his boyhood days in Northville, and has many friends here who will be interested in knowing of his marriage.

The Novi road, which has been closed for the past five weeks due to the construction of a new concrete bridge just north of town is now open to traffic, and it is no longer necessary to detour over some of Oakland county's poor roads in order to reach Novi.

Two beautiful trees that stood in front of Dr. Schuyler's residence on North Center street just outside the edge of the sidewalk were felled last week to make ready for the widening of the paving at that place. It was hoped that they might be spared, but officials decided that with concrete entirely surrounding the roots, that they would soon die and rather than go to that expense later, it was thought best to remove them at once although it takes from the street trees that have long provided shade for the Schuyler residence.

Regular meeting of Trinity Shrine No. 44, Thursday evening, September 12th. Practice after regular meeting.

Mr. and Mrs. Fred F. Stoffer and family of Grand Rapids, were guests at the home of the former's aunt, Mrs. Lucy E. Gillis, from Friday until Monday.

Mrs. Morgan and daughter Eva, have returned from Grand Rapids, where they had been visiting the former's children, Mrs. John Heier, and Genevieve and Vernon Morgan.

William Marra, secretary of the Stinson Aircraft corporation left Tuesday in a Stinson plane for California where he will spend the next few days. He expects to make several stops in his flight across the country.

The old house that Wayne VanDyne purchased from Mark Seelye, and moved to First street is being made into two residence by Alex Johnson. Mr. VanDyne plans to have them built over into modern small residences.

Mr. and Mrs. C. E. Rogers gave a dinner party last Friday night at their residence on Thornton road, in honor of Mrs. Edgar Brown and son, Raymond, of North Dakota, and John Rogers and family of Sandusky, Mich.

Supt. W. H. Gordon, Monday, had

as his guests at the Rotary club luncheon the four men members of the faculty of the Northville high school. Members of the club were glad of an opportunity to meet their instructors, two of them being new additions to the teaching force of the school.

Roy Richardson, who recently purchased two big lots in Hillcrest Manor, has decided to start the construction of his new home this fall. He has already staked it out and expects to have the basement completed before the fair starts. The home will be of a beautiful old English design.

Among the interesting visitors in Northville on Labor Day was M. A. Cadie, a resident of Northville over three-quarters of a century ago.

Mr. Cadie's first visit back to his old home town in over 40 years, and he was amazed at the remarkable progress that had been made since he last left. Mr. Cadie is now a resident of Mt. Pleasant. His friend, Mr. Daniel L. Cady, who died in 1911, is buried in the park of Michigan City, Indiana, and it is expected that the Cady family will be represented at the 75th anniversary of the death of Mr. Cadie.

**WM. H. WHITE, SR.
IS MADE PRESIDENT
OF FAMILY GROUP**

Large Number Attend the Gathering Held Monday at Fleming

The Isaac and Hortense White reunion was held Monday, September 3, 1928, at the pleasant home of Mr. and Mrs. Delmer Burner of Fleming. Although the sun and rain were mixed in order to see which should have supremacy over the other, the day proved to be an enjoyable one for those present.

At the noon hour a bounteous dinner was served to which all did ample justice.

The president, William H. White of Northville, called the meeting to order and a program consisting of musical recitations and readings was well received.

The following officers were elected: President, Mr. H. White, Sr.; vice-president, George White; secretary and treasurer, Mrs. Delmer Burner; chairman of entertainment committee, Mrs. L. D. Sage; program committee, Mrs. Lloyd Morse and Mrs. William White, Jr.

A memorial was read by Mrs. Burner in remembrance of Mrs. Andre White, wife of George White of Flushing who during the year was removed by death from the family circle.

During the year there was one birth son born to Mr. and Mrs. Robert Stoeckel of Northville.

After the officers and their spouses had been elected, Mr. and Mrs. L. D. Sage and their daughter, and wife of George White, were presented.

Miss Catherine Lorien returned home Sunday after two weeks spent with her uncle and aunt, Mr. and Mrs. A. Minch, in Detroit.

Mr. Fred Strassberger and his son, a second class engineer, a holiday at Edgewater Park.

Mr. Bond, grandson of Mrs. L. D. Sage, and wife were present.

Mr. and Mrs. C. G. Gardner, such as father, sons, daughters, brothers and sisters, may be made more durable by preserving treatment with coal-tar creosote. Good results can be obtained by heating the wood in the creosote oil in an open tank and allowing the wood oil out to cool together. This treatment will enable wood to last three to five times as long as untreated wood.

WEST POINT PARK

Mrs. C. Wolfe, Correspondent

The church was well attended Sunday morning. Rev. Guillet preached a very impressive sermon for young and old. Mrs. Fred Warner and Mrs. Byron Pierce from Farmington were visitors. Next Sunday will commence a new year, and everyone is welcome. About twenty-five children will start school this week for the first time. Boys and girls alike are glad to be back in school, and there will be a number of high school students.

Mrs. Fred Gerse and daughter, Dorothy, Mrs. Berchem and daughter, Alice, were Redford visitors last week.

The ball game between Plymouth and West Point Park teams Saturday was played on the Five Mile road before a large crowd. West Point Park led the score from the start, and go fourteen runs to Plymouth's four.

The world's champion horse shoe pitcher did some very wonderful stunts when he performed at the Old Red Mill on the Five Mile road. It seemed like a miracle what he did with horse shoes.

**CASTERLINE TIRE
SALE IS BIGGEST

**Trade-In Plan Enables Car
Owners to Get New
Tires**

A local event of no little importance is the unique Tire Trade-in-Sale inaugurated this week at the Casterline Service Station, the well known local Firestone dealer.

Under this new plan your old tires are worth money for every mile of unused service remaining in them. In other words, this progressive dealer is making a generous allowance, thus week on the unused mileage in your tires.

It is conceded that this event is being held at just the right time because the forward-looking motorist is already thinking whether the tires he has run all this hot, blistering summer, and

months before, are the best fitted for safety and comfort during the fall and winter driving near at hand, states Clifford Casterline.

The motorist figures that he is money ahead in, in exchange for the unused mileage in his present tires and the difference in cash, he can get a complete new set and have all his needs taken care of just when the series of Firestone Gum-Dipped Tires, Oldfields and Couriers are at their lowest.

The great opportunities offered in this Trade-in-Sale are additional reasons for the growing popularity of the Buy at Home movement, as naturally the trade-in plan is only feasible where tire service is available. More and more, the public is coming to see that inasmuch as Northville's welfare is identical with that of its merchants, buying one's requirements at home is the logical thing to do.

It is announced that the well known tire dealers' real friends,

More than handsome... more than luxurious... a wonderful new type of motor car beauty... a thrilling turning point in body design

It will be imitated, of course! The new, the fine and the beautiful always inspire emulation. But so great is the cost of building the magnificent new Fisher bodies for the Silver Anniversary Buick that imitation will be possible only to much costlier cars; and even these will find difficulty in following where Buick leads!

\$1,500,000 has been expended in manufacturing the dies alone for the new Buick bodies; and the gracefully curving side panels which form one of their distinguishing characteristics represent the most expensive steel paneling work employed on any automobile in the world!

But it is not in the matchless grace and beauty of exterior design alone that the Silver Anniversary Buick eclipses other cars. The velvet mo-hair upholstery in the closed models—the

hardware and fittings—the many appointments of luxury and convenience—are all of the richest quality; and the bracing of the bodies, which imparts strength and durability and freedom from squeaks and rattles, is the most efficient and effective known to motor car practice.

In dashing beauty—as in fleet, powerful performance—the world holds no equal for the Silver Anniversary Buick with Masterpiece Bodies by Fisher.

It is more than handsome, more than luxurious—it marks a thrilling turning point in body design.

And the motoring public, buying in such tremendous volume as to force the great Buick factories to work day and night to supply the demand, is elevating it to the prominence of a vogue!

HARRY GERMAN IN OLD FORM TRIMS FAST OXFORDITES

Victory Sends Prison Farmers Up Another Notch in League

Sunday, September 2nd, at DeHoCo Park, the Farmers strengthened their hold on first place in the Inter-County League by downing Oxford 8 to 1.

The game started out to be a pitchers' duel between H. German for DeHoCo and Gunther for Oxford. The first three innings were scoreless; then each tallied one run in the fourth. Coming into the last half of the sixth inning, the score was tied at one each, but in this frame DeHoCo took advantage of Oxford's ship-ups and counted two more. In the seventh, Gunther's support completely failed him, and he

the time the Oxford boys had kept the ball in their hands long enough to retire the necessary three men, four more runs had crossed the plate. The veteran German pitched a nice game, letting Oxford down with four scattered hits.

Martin, with a home and single, Smith with a home run, did the heavy clouting for DeHoCo.

Monday's scheduled game between Boyce Bros. of Pontiac, and DeHoCo was postponed on account of rain.

Next Sunday, September 9th, the Farmers will clash with Rochester at DeHoCo park. Rochester has an aggressive bunch of ball-tossers, and DeHoCo will have to display their best brand of baseball in order to emerge victorious. An interesting game is promised the fans.

Mr. and Mrs. Frank Shields of Rochester, New York, were recent visitors at the home of James Savage.

PENNIMAN ALLEN**

**STELLAR CAST SUPPORTS
EMIL JANNINGS IN LATEST**

Emil Jannings' latest American-made picture, "The Last Command," comes to the Penniman Allen Theatre, Sunday, September 9th, with the great European actor surrounded by the most imposing supporting cast assembled for any of this season's pictures.

Evelyn Brent, the heroine of "Underworld," Paramount's melodrama sensation, is cast as Jannings' leading woman, while William Powell, arch-villain of the screen is seen as a scheming and sinister revolutionist in a role that gives him unusual scope for his admitted ability.

The picture is said to be distinguished by not only the remarkable performance of Jannings, as a Russian general who is caught in the vortex of revolution and swept to oblivion, but by the outstanding story and direction of Josef von Sternberg, the young director whose dramatic touches and camera effects in "Underworld" established him as one of the screen's elect.

Playing the role of Jannings' adjutant is Nicholas Souzenes, the Russian actor, who leaped into front-rank popularity by his performances as the writer who wept in the Adolph Menjou picture "Simpic For Ladies." The cast also includes Michael Av喆off, another sex-actor of the Imperial legacies of Russia, who plays Jannings' valet, and Fritz Feld, director of Max Reinhardt's "Berlin who came to America" in the cast of "The Miracle."

PRINCE TO DAREDEVIL IS TRYING TRANSFORMATION

Neil Hamilton, Paramount leading man, had to undergo a change of temperament and mood from one extreme to another in such a short space of time that he was almost dizzy.

One day Hamilton was playing the role of the quiet, dignified young Crown Prince in "The Patriot," the Ernst Lubitsch production starring Emil Jannings. Two days later he was dashing madly around the countryside with a carabiner—as the conceited, talkative and depraved new reel photographer in Bebe Daniels' starring picture, "Hot News" which will show at the Penniman Allen theatre Wednesday, September 12th.

The sudden change of characters was almost too much for him. Hamilton admits for so-called bad behavior with the personality of the imperial Russian prince under the skillful direction of Lubitsch that he was not easy to immediately plunge into the role of the reckless young American cameraman.

However, his natural talent for characterization plus the guidance of George Cukor who directed the Daniels picture made Hamilton's transformation complete in a short while.

Bebe Daniels plays a new reel comic in "Hot News."

MUSTACHE TYPES REVEAL INDIVIDUAL PREFERENCE

Divergent types of mustaches indicate the personality of Paramount's team comedians W. C. Fields and Chester Conklin and each of this comedy pair is particularly partial to his own form of facial adornment. Fields and Conklin have just completed work on a new Paramount comedy "Fools for Luck" the picture which will be shown at the Penniman Allen theatre Saturday, September 15th, and are resting preparatory to starting another picture.

"My mustache denotes comedy and at the same time, it helps a lot in expressing pathos," Conklin asserts. "Being just a slight model, built low on the ground, the big mustache gets many a laugh. But then again, it is realistic. One sees many a sympathetic little fellow with such a growth." Getting a mustache that is applicable to both comedy and drama was a hard task and it took me years to work it out. Now I believe I have it down to perfection. At least Paramount has me and my mustache under contract."

Fields differs slightly from Conklin according to his own estimate. "I can get just as many heart-throbs and laughs out of the bit on my upper lip as Chester can get with his 'great, blooming home-grown whiskers.' I think the tiny, misplaced eyebrow helps to stir an audience's sympathy."

"Furthermore it's easy to put on. Just a dab of spirit gum and it's there for all day long." It's not uncomfortable and hot. It is economical and it has personality. I'm just as loyal to mine as Chester is to his."

Mrs. J. R. Trufant entertained Wednesday evening in honor of Mrs. Edgar Brown and son, Raymond, who are visiting relatives and friends in Northville.
