

FAIR OVER, ONE OF BEST EVER
HELD IN THIS PART OF STATE

ALREADY START PLANS FOR NEXT YEAR'S PROGRAM

Exhibits and Features Are Better Than in Past Years

The twelfth annual fair of the Northville Wayne County Fair association is over. It was the first free fair ever held in southeastern Michigan.

The fair was one of the best ever held in this section, although it was not producing, of great financial returns to the association as when a gate admission was charged. It had been hoped that the returns from the grandstand would equal the gate receipts. Possibly if the weather had not been so cold, the anticipations would have come true.

The exhibits were numerous and extensive. The horse racing, as the spectators seen in Norwalk. In fact, the third best record of the state was made here this year. The horse show related endless favorable comment, especially the part of the program devoted to the youngsters. The poultry show was the largest the association had ever had. The livestock exhibits were also more numerous, and the grandstand entertainment features and fireworks were declared better than those of other years.

= Association officials state, that they are not discouraged over the free, fair plan. It was new to them this year—and next year many of the little things that didn't just suit, will be ironed out to the satisfaction of everyone.

Already steps are being taken to plan for next year's fair. President Schrader, Secretary Northrop and directors of the association are now working on details for the 1929 event, and when it is held, it will be a triumph.

One of the pleasant features of Saturday afternoon sport was the visit of the Wotton Hunt to Deddington. The hounds will be found on another

AGAIN "WRECKING" GRAVE STONES IN THE OLD CEMETERY

City Officials Decide to Prosecute Guilty

Mayor Charles F. Adams has instructed Chief of Police Sanford to locate and arrest the person or persons who during the past year made his appearance.

The mayor, like others who know of

The village has gone to considerable expense and trouble in firing up the

expense and trouble in fixing up the old cemetery during the present summer. All the grave stones have been set up straight and the ground cleared of brush and weeds.

Now that the work has been completed some person has knocked some of the stones over and rolled them down next to a fence. It is possible

that some boys have been doing the damage but officials feel that even boys should know better and if evidence can be secured there will be some prosecutions started

WEATHER OF WEEK

Weather—there has been plenty of it during the past week.

Sunshine, rain, wind, hail, frosts—and wasn't there a bit of snow Tuesday afternoon?

This locality has been treated to all there is in the almanac since Monday. Some of the mornings have been wonderful. On other mornings the

Tuesday the sun shone brightly for a time. Then it rained and the wind howled. In the afternoon it hailed.

STATE WILD TRAP WILD DUCKS TO TRY LOCAL BREEDING

One Place in Northern Part
of State Where All Kinds
Are Found

State Conservation department employees have started live trapping of ducks at the Munuscong Game Refuge, which is a part of the Munuscong state park on the St. Mary's river in the Upper Peninsula.

The St. Mary's river is one of the main highways for waterfowl, bred in the far north, as well as being the breeding ground for many Michigan ducks, especially the black mallards. Untold thousands of ducks reared in Canadian marshes, presumably from Hudson Bay to the Peace River district, come down this Michigan river to Lake Huron, and there the light presumably splits, one branch following the north shore of the Great Lakes and the other the south shore. The latter stream passes down to Saginaw Bay through the Detroit river and here again the ducks divide, one portion presumably working eastward along Lakes Erie and Ontario to the Susquehanna river and Atlantic coast, while the other division goes up the Kalamazoo river, to the Ohio and thence down the Mississippi to Louisiana and the Gulf coast.

Very little is known with certainty about the details of this wild-fowl migration. In order to do a good job of planning state-fowl refuges, propagation work, and so on, it is important to know the details of the flights of ducks that pass through the state, and it is essential to know who is to get the benefits from operation involving wild-fowl.

It may be for instance, that a percentage of black ducks hatched along the St. Mary's river marshes, start moving south and east in August or early September, and are out of the state before the Michigan season opens. Again it may be that a considerable percentage of deep water ducks, such as the blue bills, red heads and canvas backs, on the way south make only one or two stops in Michigan. Of the ducks which escape Michigan hunters it may be true that only a few return.

On the other hand, it may be that many of the ducks raised in or migrating through Michigan would make long stops if they could find safe and good breeding grounds en route.

It is possible, that a great many more would rest in Michigan and come down before the guns of Wolverine sportsmen, if local breeding stocks were planted in marshes badly "burned out" by spring shooting and years past.

The best and only way of getting dependable information on which to base and practice is through the banding and release of hundreds of ducks. Aluminum leg bands supplied by the United States Biological Survey are being used. It is expected that a fair percentage of these banded ducks will be shot and reported from other states, so as to let the department chart details of migration and find out what may best be done to help water-fowl increase and at the same time help Michigan hunters to get their fair share of the birds.

If the girls made a practice of asking the advice of their swain's employer before accepting a proposal, a lot of marriages would be postponed indefinitely.

RADIOTIC

WEST POINT PARK

Mrs. C. Wolfe, Correspondent
Sunday, October 7th, is rally day in our church. In the morning at 10:30, the DeMolay of Farmington, are to attend divine worship. At 11:30 the Sunday school is planning a splendid rally day program, and at 7:30 the Christian Endeavor have invited the school children, teachers and the board of education to attend the services. A great evening will be enjoyed, when all day pictures will be shown.

The young people of West Point Park have planned a big rally day for Saturday, October 13th. It is expected that the school band from Northville will furnish music. It will be a great day for everyone who comes. Further notice next week.

Last Sunday morning at West Point Park church, the pastor spoke on the topic, "The Gospel of Picket." In the evening, the song books for the Christian Endeavor were dedicated. They are the same as those used in the great world C. E. convention at Cleveland a year ago. Mrs. Jett Scruton and Mrs. Gertrude Smith gave the book to the C. E. group.

At the recent annual meeting of the

board of governors of the church, Mrs. Charlotte Wolfe was elected chairman of the house committee, having full charge of the building. Alice Gullen was elected president of the Senior C. E., Mrs. Harrison, superintendent, Mrs. Jean Scruton, assistant superintendent. Mr. Mansfield was appointed general chairman of the ushers' committee.

The Municipal Club ball team of Detroit, and West Point Park team played their last game of the season on the home diamond last Sunday. The game was snappy, and West Point won by the score of 10 to 8. Carl Goers, pitcher, had the confidence of the team, and John Jowaski, catcher, was in good form.

The chairman of the board of education says all are perfectly satisfied that we are going to have a good school year. Our teachers are efficient and have control. New pupils are coming in. Sylvia Sheets from Pennsylvania, started her school year Monday morning. The chairs are filled.

The Belleville and West Point Park base ball teams met on the Northville fair grounds, Wednesday as scheduled for a ball game. The team from Belleville are a husky lot of men, and for a few innings it looked as if they had won the game, but West Point Park rallied and won by the score of 5 to 3. Battery—Carl Goers and Clint Treadway.

General Motors, champions of the Oakland County fair at Milford, and West Point Park of the Inter-County League met at the Northville fair diamond, last Friday. West Point led the score from start to the end of the game. They made three scores in the first inning, two in the second, and won by the final score of 9 to 3. Battery was Pont and Wagerson. Credits are due to them for the skilled way they played the game. West Point fans gave expression of their appreciation of the victory of their favorite team.

Mrs. Harry Wagenschultz of Northville called on her former pupil, Harry Edgar Wolfe, who has been confined to his bed for nine weeks and is only sitting up for a few minutes each day. Mrs. Elmer Middlewood and daughters Esther and Barbara, Mrs. Carl Harrison, Miss Edwards and Miss Schrandt attended the Wayne County Council meeting at Oxford school building, Monday evening. Mrs. Fred Gerge broke a bottle she was filling Monday, and cut her hand quite badly.

Mr. and Mrs. Donald Boyce and son, Robert, will move next Monday to Detroit, where they will spend the winter.

Alvin Meyers has been nursing the mumps, and was not in condition to help all his sibs.

Mrs. J. Sheets, who has spent a few days with her daughters, Mrs. Homer Coolman and Mrs. Russell Ault, has returned to her home in Fort Wayne, Indiana.

Dr. and Mrs. Thomas and two nieces, Demetra Margaret, who recently moved from this district to Williamsport, have returned to Redford and taken up their residence there.

Our base ball pitcher and wife, Mr. and Mrs. Carl Goers, are the proud parents of a baby girl. We wish them happiness with this new addition.

The North End Circle No. 4 met at the home of Mrs. Austin Ault, Wednesday, to commence work after the holidays. Mrs. John Meier, president of the Ladies' Community club, was a visitor. The next meeting will be held Wednesday, September 26th, at Mrs. Lucien Gilbert's.

Mr. and Mrs. Marvin Addis and family and Mr. and Mrs. Emerson Ault were Sunday visitors at the home of Mrs. Addis' father in Howell.

Mrs. Grimm of Seven Mile road, was a guest of Mrs. Fred Gerge on Zanda avenue, Tuesday.

DeHoCo and West Point Park ball teams met on the diamond at the Northville fair, the object of the game being the championship of the fair. DeHoCo won the game, eight to four. Battery for West Point, William James pitcher, and Wagerson, catcher.

Mr. and Mrs. Byron Hudson of Milford were visitors Tuesday at the home of the lady's mother, Mrs. Charlotte Wolfe.

Mrs. Charlotte Wolfe was a Wednesday caller at the home of her grand-daughter, Mrs. Charles Wilson of North Farmington.

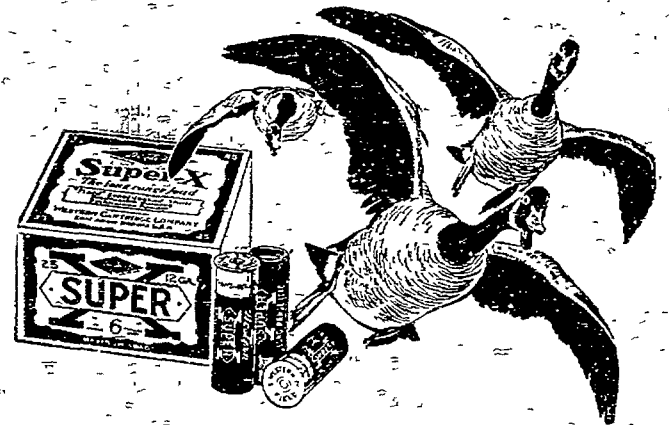

If a business man expects to hold his job he must please his customers just as a congressman must satisfy his constituents. I do hope to be returned to office.

NORTHVILLE

GRANDFATHER AND FATHER TO CONFERR MASONIC DEGREE

Son to Receive Unusual Honor Next Monday Evening

It is seldom that a lodge can boast of three living generations from one family among its membership. It is especially when two of those generations are past masters of their lodge.

For these reasons, Northville lodge is expecting a large attendance next Monday evening, when Beach, A. Northrop, master in 1906 and 1907, and Floyd A. Northrop, master in 1908, confer the Master Mason degree on the third generation of their family to join Starr Northrop.

A special program has been arranged in keeping with the significance of this event, and as many of the old officers who served at that time as possible will be asked to help. The Worshipful Master extends a cordial invitation to all Masons who possibly can do so, to attend and watch Brother Beach and Brother Floyd raise their grandson and son respectively, to the Master Mason degree.

It is expected that four other candidates will receive their third degree at the same time, Brother Charles M. Young, Gordon Crouch, Sterling Eaton and A. W. Ackerman. In order to handle this large class, work will commence promptly at 4:00 o'clock, the dinner being served at 6:30 p. m.

Other interesting events which have been arranged for the fall season, the dates of which should be kept open, are as follows: October 23rd, Northville journey to Ypsilanti to confer the third degree; October 25th, Highland Park comes to Northville with an all-star team, which recently had the honor of conferring the third degree at Perkasie, Mich.; therefore the Grand Lodge officers and nearly two thousand Masons of upper Michigan, Friday evening November 23rd is the date set for the third annual Blue Lodge ball; and at a date to be determined later, but probably the middle of November, Brother Fred Fry will confer the Master Mason degree on his son.

From these dates marked on the threefold board it is evident that Northville Blue Lodge will be very busy until its annual communication on December 10th.

NORTHVILLE Twenty-five Years Ago

The annual school meeting Monday night brought out an especially large attendance. Dr. Blanchard and E. H. Lapham were re-elected trustees on the first ballot. The report of Director Dublar was accepted, and the recommendation that \$1,500 incidental money be raised was adopted. The board reported that a new school building would be needed at once to meet the demands made by the constant increase of pupils, and they gave as their judgment that a new building was absolutely necessary, and would recommend a two-story, four-room brick structure to cost about \$4,000. The recommendation was adopted and the board instructed to make necessary arrangements for submitting the question to a vote of the people.

Supt. Carpenter of the waterworks system, reports broken crocks in the water mains near the springs, and thinks 400 feet will have to be replaced with iron pipe.

The Northville company has recently placed the following new telephones: Bert Phillips' residence, R. H. Porter's residence, C. E. Pardee, C. E. Ryder, John Thompson and I. E. Vanatta.

The members of the Ladies' winter club perpetrated a complete and delightful surprise on Mrs. E. C. Hinkley, Saturday. About 15 of them appeared at her home to help her celebrate her birthday.

Mr. Ambler killed 68 sparrows at three shots one day last week, and he is now mourning to think there is no more bounty on them.

Mayor Johnson has called the council's attention to an unsightly spot on Center street. The gutter is not paved and horses hipped to post at Friday evening November 23rd is the date set for the third annual Blue Lodge ball; and at a date to be determined later, but probably the middle of November, Brother Fred Fry will confer the Master Mason degree on his son.

Editorial for September 29, 30 and October 1 and 2.

Caterpillar caterpillar, herring, torpedoes, have been made more attractive by the humming of the blades of the electric fan.

M. A. Porter's sub-registration as undertaker under the new state law is Number 1, he having received from Secretary of State Fred Warner's office this week, the first one to be issued.

Pretty wet weather for the fair associations now holding their fairs. Better roof all the grounds over.

Corn cutting is now the order of the day.

Where poultry are annoyed by chicken ticks, a simple and inexpensive way of protecting them from the attacks of these pests is to provide readily demountable roosts direct from the floor and not touching the walls. These should be painted occasionally with anthracene oil or petroleum. When ticks have once been eradicated from the premises, no chickens should be added to the flock until they have been quarantined for ten days in temporary coops.

If it weren't for women some men would never enjoy a sense of superiority, and other men would never suffer from a sense of inferiority.

JOHN KALBFLEISH GIVEN SURPRISE ON HIS BIRTHDAY

Nearly 100 of His Friends from Detroit Come Out to See Him

John Kalbfleish, one of Northville's most prominent citizens and a booster for the community, was given a real surprise Sunday. The date happened to be his birthday. With Mrs. Kalbfleish they had been out for dinner. Soon after their return home, some old friends from Grosse Pointe drove in. Then some others came from Detroit.

It was not until about 9:00 of his old business associates and friends had crowded into his attractive home that it dawned upon him that he was being given a real surprise on his birthday.

After the entire group had arrived, it developed that plans for the surprise on Mr. Kalbfleish had all been worked out in advance, with sandwiches for the luncheon all prepared. Needless to say the late afternoon and evening was spent in a most enjoyable way.

An exclusive club, like an exclusive church reminds us of seats.

As an aid in controlling wheat scab in sections where this disease is prevalent—the central states and eastward—winter wheat should be sown when the ground is cool, on the latest safe date in the fall.

Leftover spaghetti makes a delicious salad when mixed with pickles and served with catsup.

Do not crowd flowers into tight containers, even for a short time.

COMPANY

WINNERS IN THE BABY SHOW—LARGE NUMBER ENTERED

Mrs. Flora Larkins Gives Out List of the Victors

Following are the results of the baby show contest held at the Northville Wayne County Fair, last week, the entries being much larger than ever before:

- Class 1**
Youngest Baby—Coralie Pickard, Northville.
Child with Most Hair—Mrs. Russell Dething, Plymouth.
Fattest Child—Harold Willis, Northville, R. No. 4.
Child with Darkest Hair—Mrs. Milton VanDunoff, Birmingham.
Girl with Largest, Bluest Eyes—Mrs. Charles Asfbley, Plymouth.
Child with Blackest Eyes—Mrs. M. VanDunoff, Plymouth.
Child that Creeps Fastest—Ruth Averth, Plymouth, R. No. 4.
Prettiest Girl—Mrs. A. H. Bronson, Northville.
Child from Longest Distance—Mrs. Bernice Overy, Flint.
Laughing Baby—Mrs. Harry Musolf, South Lyon.
The youngest baby was 13 days old.
The Youngest Mother—Mrs. Eunice Stansell, Northville.
- Class 2**
Girl with Bluest Eyes and Deepest Dimples—Mrs. Wilma Britten, South Lyon.
Prettiest Girl—Mrs. Joseph Fox Inkster.
Prettiest Boy—Mrs. Peter Karlson, Northville.
Child with Brownest Eyes and Darkest Hair—Mrs. Josephine Freeman, Ann Arbor.
Girl with Reddest Hair—Mrs. Elmer Potter, Detroit.
Child with Smallest Feet—Mrs. H. Crozier, Plymouth.
Child Best Behaved—Mrs. S. E. Lauslager, Wayne.
Girl with Prettiest Smile—Mrs. Viola Laney, Northville.
- Class 3**
Girl with Blackest Eyes and Darkest Hair—Mrs. C. W. Ford, Fordson.
Girl with Bluest Eyes and Brown

Hair—Mrs. A. McKinney, Plymouth.
Girl with Prettiest Dimples—Mrs. Edwin Witt, West Point Park.
Tallest Boy—Mrs. M. McKelley, Northville.
Child with Heaviest, Darkest Eyebrows—Mrs. R. McKinney, Plymouth.
Girl with Lightest, Curliest Hair—Mrs. Raymond Harrison, Plymouth.
Girl with Heaviest Hair, light or dark—Mrs. Harry Pelkey, Plymouth.
Shortest Boy—Mrs. Chas. Crausman, Northville.

Class 1—Over 9 months under 1 year
Kenneth Delano—Willis Delano, R. F. D. No. 2, Northville—98%
Keith Alton McKinney—Mrs. Rosby McKinney, R. F. D. 2, Wayne—98%

SCHOOL OFFICIAL SUPPORTS PLAN FOR IMPROVEMENT Tells How Rotary Can Best Serve Interests of Community

Superintendent William H. Gordon to the Northville schools, Monday in a brief talk to members of the Rotary club, declared that it was his belief that Rotarians could serve the community in no better way than by giving much of its attention to civic improvement problems. He mentioned many things that could be done which would in a general way benefit the whole community.

His talk was in general support of the effort being put forth to make Northville one of the cleanest and neatest little towns in Michigan.

There was no set program at Monday's meeting of Rotary.

NOTICE OF A MEETING OF THE BOARD OF REVIEW OF THE VILLAGE OF NORTHVILLE.

Resolved, that the Board of Review meet on Saturday, October 6, 1928, at the Village Hall in the Village of Northville, when and where the special assessments for the paving and improving of certain streets from Main street to Dunlap street, West street from Main street to Dunlap street, High street from Main street to Randolph street, Wing street from Gary street to Randolph street, and also for the widening of Gary street from Main street to Eight Mile road, and the widening of Rogers street from Main street to Seven Mile road, and for the paving of Fairbrook avenue from Rogers street to Cemetery drive, and constructing sewers thereon, will be reviewed, and that any objections to the special assessments may then be heard.

Further resolved, that the Village Commission meet on Monday, the 8th day of October, 1928, at two o'clock p. m., Eastern Standard time, at the Village Hall in the Village of Northville for the purpose of receiving and considering the report of the Board of Review.

Resolved further, that a copy of this resolution be published in the Northville Record, a newspaper of general circulation in the Village of Northville for the issues of September 28th and October 5th.

Signed, THOMAS E. MURDOCK, Village Clerk.

To remove a grass stain from a white linen skirt, if the material is washable use hot water and soap as in ordinary laundering. You'll have to rub the stain quite vigorously. If traces of the grass stain remain they may be bleached out with Javelle water.

Don't go into closets with lighted matches or candles.

Every open fireplace should have a screen.

YOU WILL BE SATISFIED

When you put up a building, it is a most important thing to the average person. You want to be sure that it is going to satisfy you when it is completed. I make it my business to satisfy those I am building for. Bids furnished on homes, garages, business blocks, etc.

Local News

R. A. Brooks expects to soon move his family to Fenton.

Joe Weston has been taken to Anichson hospital for an operation.

Not a single theft or accident was reported in Northville during fair week.

Miss Rose Abing, of Detroit, spent Sunday at the home of Mrs. Lucy E. Chubb.

Mrs. Myrtle Ford entertained friends from Battle Creek Sunday afternoon and Monday.

Conrad Langfeld, who has been in Chicago on business for some time has returned home.

John McCully has been visiting relatives and friends for a few days in Toronto, Ontario.

Mrs. Minnie Parker had as her guest during fair week her sister, Mrs. Belle Adams, of Detroit.

Mrs. Della F. Harmon of Detroit, was a guest of Mrs. Ardella Brooks, several days last week.

Mrs. George Stamp, of Detroit, caring for her sister, Mrs. Cora Cunningham, who is seriously ill.

Miss Alice Human, who fell last Saturday, and broke both bones in one of her ankles, is getting along nicely at Anichson hospital.

Frost, cold rains, hail, biting winds—all sure signs of fall—have prevailed for the past week. And the cost of a few autumn smiles.

Mr. and Mrs. W. G. Edwards, of Sebewaing, were guests during the fair of Mr. and Mrs. Frederick Hodge and Mr. and Mrs. L. W. Salow.

Mr. and Mrs. T. J. Turler and family, who recently moved to Norwood Park, Chicago, are spending a two week vacation with friends and relatives in town.

Norman Copland, a graduate of the class of 1927, who is now employed in Cleveland, spent the week-end with relatives and friends in this place.

Mr. and Mrs. Raymond Wheeler, of Lansing, Joseph Clavien and William Schjelt, of the same city, were guests of friends in Northville over Sunday.

Mr. William Leavelle, of Algonquin, and Mr. J. A. Smith, of Northville, were guests of Mr. and Mrs. A. L. Vredenburg during the fair.

Mr. and Mrs. J. H. Brown, of Northville, were guests of Mr. and Mrs. J. H. Brown, of Northville, during the fair.

The fair, which was well attended at the home of Mr. and Mrs. J. H. Brown, on Monday evening, was the most successful yet held in Northville.

The regular afternoon meeting of the King's Daughters will be held at the home of Mr. and Mrs. J. H. Brown, on Tuesday at 2 o'clock.

Flova Showalter, of South Bend, who has come to Northville to be associated with the Strassen Aircraft corporation, has taken Mrs. A. L. Vredenburg home for the winter.

Mr. and Mrs. Fred Casterline are happy to announce the birth of a little grandson, Duane, Burton, born September 25th to Mr. and Mrs. Dana Briggs of Farmington.

Mrs. E. W. Brown and daughter, of Pontiac, spent last week-end in Northville as guests at the N. C. Schrader home and at the Dr. Moulton residence at the Training school.

G. W. Carson in his Gold Ridge gardens has produced some of the biggest tomatoes seen around here this fall. He brought in a basket the other day, all weighing over 20 ounces.

Mr. and Mrs. Louis Yocum and James Hefferman of Franklin, Pennsylvania, and Mr. and Mrs. Werner Wyss of Redford, were guests of Mr. and Mrs. William Safford, Monday.

Several luncheons and theater parties have been given during the last few days in honor of Mrs. A. L. Vredenburg who is leaving soon to spend the winter in Missouri and California.

Ross Dixon is in town repairing and putting into shape the Dixon property on Yerkes street, preparatory to moving his family down from San Soaci. This place has long been vacant and residents of that neighborhood will be glad to have it occupied once more.

Construction of the foundation for the new residence of Mr. and Mrs. Ray Richardson in Hilecrest Manor started Monday. The house will occupy two large lots that because of their rolling nature can be beautifully landscaped. Mr. Richardson plans to devote considerable attention to the landscaping of his place among one of the features he has planned being a stone bridge on the drive leading to his garage. The house will be of the old English style.

Mr. and Mrs. Walter Seyfang returned Sunday from a motor trip to Clarence, New York, where they visited relatives. John Seyfang of Clarence, returned with them, and is a guest at their home for a few days.

Mr. and Mrs. Alton Peters have moved from their home on Fairbrook avenue, to the Dr. Schuyler residence on North Center street. Mr. and Mrs. Harold White have moved from First street to the Peters residence on Fairbrook.

Mrs. A. L. Vredenburg will leave the first of next week for Hamilton, Mo., where she will spend the winter with her daughter, Mrs. A. J. Livingston. Before the winter is over Mrs. Vredenburg and Mrs. Livingston expect to go to West Hollywood, California, where they will visit with Mrs. Vredenburg's other daughter, Mrs. Merion Fish.

Frank Perlin and Louis Salow are back from Denver, where they attended the national encampment of the G. A. R. Both state the visitors were royally entertained by the mountain city. They are members of the famous G. A. R. life and drum corps. Mr. Perlin stated that because of the high altitude of Denver it made a considerable difference with his talking and walking.

SHOCK ABSORBERS ON NEW PACKARD

Shock absorbers for the first time have become an integral part of a motor, in the new Packard Eight. Packard has lifted them from among automobile accessories and has made them as much a built-in part of the car as the engine itself.

While the new Packard shock absorbers are only a part of the Packard shock absorbing system, they are one of its most important elements, and have a number of features which have attracted considerable attention since the new cars first made their appearance. They were designed by Packard engineers to fit into the general design of the car, and to work with the rest of the shock absorber system in eliminating road shocks from both car and the steering.

But the deflection of the car body and rebound is checked by the new two-way acting shock absorber. The deflection of the car body is checked by the front and rear shock absorbers, which are connected by a link. The rebound is checked by the front and rear shock absorbers, which are connected by a link.

These shock absorbers are not only a part of the Packard shock absorbing system, but they are also a part of the Packard suspension system. They are designed to fit into the general design of the car, and to work with the rest of the suspension system in eliminating road shocks from both car and the steering.

These shock absorbers are not only a part of the Packard shock absorbing system, but they are also a part of the Packard suspension system. They are designed to fit into the general design of the car, and to work with the rest of the suspension system in eliminating road shocks from both car and the steering.

Don't hang electric light cords on nails.

HARVEST FESTIVAL OF SALEM CHURCH BRINGS CROWD

Services—Continue for Two Days—Ends with Sale of Produce

Harvest Festival services held at the Salem Federated church on Sunday last proved quite an interesting event. A large collection of harvest gifts were very beautifully displayed in the front of the church and bore evidence of the kindness and generosity of many friends. The preacher for the day was the Rev. A. J. Parker, who took for his text both morning and evening the words: "Neither is he that planteth anything, neither he that watereth, but God that giveth the increase" and the last verse of Tertius's poem "Amphion".

And I will work through months of toil,
And years of cultivation
Upon my proper patch of soil
To grow my own plantation
I will not vex my bosom:
Enough if at the end of all
A little garden blossom

Mildew stains in white material come out when soaked overnight with sour milk.

WEDDED COUPLES HONORED GUESTS

On Sunday, September 16th, Albert Fullmer gave a reception dinner at the Park House, to his son, Clarence Fullmer and bride, and his granddaughter, Miss J. Dahms, and husband, Clarence Fullmer. Mr. Fullmer was married August 25th, and is now home from a trip to "Lover's Paradise"—the Falls, Toronto, and relatives in Canada. Mrs. Dahms, who was married August 1st, is the daughter of Clarence Fullmer, and has just settled in Detroit after an extended trip to New York, Pennsylvania, Niagara Falls, Hamilton and other points in Canada.

The twenty-four relatives met at the hotel, where a sumptuous repast was partaken of. The table was beautifully decorated with flowers and sprays and the place cards were from A. Fullmer was seated at the center of the table with a bride and groom on each side. After the dinner Mr. Fullmer made an appropriate speech, after which they all assembled at the home of Mrs. J. Pollock, where a miscellaneous shower was held for the brides. Heart good-wishes were extended, and a vote of thanks to A. Fullmer closed an enjoyable day.

MODERN PLAYGROUND IS

PLANNED BY SCHOOL BOARD
The school board, having purchased the three lots west of the school house, which extend from Main to Cady streets, have now elected to build a very modern playground.

A recent interview with Mr. Gordon has revealed the fact that the kindergarten is now occupying the Smith house next to the school. The children are very comfortable in their new quarters, which consists of four large rooms; one is the cloak room, another the activity room and the remaining two are study rooms.

It is the intention of the school board to have the barns now standing back of the Smith house, torn down and to have the portable building formerly occupied by the kindergarten moved where the barns are and to be exclusively used for the band.

This is necessary because the lots in southwest corner of the playground and the hole in which the portable building now stands will be leveled off so as to even up the new playground.

The swings, now very close to the high school, are to be moved as soon as possible so that it will not be so noisy around and under the windows of the faculty's classrooms in the south side of the building.

On the new playground there will be room enough to play football, or basketball, volleyball and all kinds of games with hard ball courts will be built against the side of the portable building after it is moved.

A new track for the new playground is being planned. The new playground will further necessitate more playground equipment.

At present no one is working on the improvement of this new playground but it is hoped that the work will soon be started so that its appearance and use will be of greater satisfaction to everyone interested in school affairs.

GRAPES NOTES

Mr. Wilson's room the second grade is making a collection of seeds for their future study. They have found several different kinds so far.

Miss Patterson's third grade has started the health work furnished by

Journalism Staff

The Detroit Tuberculosis Society Jack Stubbs has returned to school, making thirty-four in fifth grade.

Fifth grade has started Health Crusade. Charles Strautz was chosen by Mrs. Jones to keep the chart.

Kenneth Porter, who has been ill for two weeks, is again in the sixth grade.

The sixth grade Safety Patrol Boys on duty are: Dayton Deal, William Duguid, Henry Hoffman, Melvin Kaken, Russell Knight, Jack McLaughlin, Eddie Bender, William Dundas, Adeline Boyd and Henry Budd. Russell Knight is captain of patrol, and William Dundas is his tenth.

The seventh grade pupils in section one have organized a paper, which they have named the Seventh Grade Page. It is edited and Ruth Apple, assistant editor. The Seventh grade page will be published Monday morning by Miss Briggs' typing class.

MR. COHN ANNOUNCES

THE NATIONAL CHEMICAL

ESSAY CONTEST

A C. L. N. essay contest announcement for the year 1928-1929. The National Chemical essay contest, which is held each year for all the high schools in the United States at the present time.

He pointed out that no knowledge of chemistry was needed to enter the contest. There are six different titles to be chosen from as follows:

The Relation of Chemistry to Health and Disease; The Relation of Chemistry to the Enrichment of Life; The Relation of Chemistry to Agriculture or Forestry; The Relation of Chemistry to the National Defense; The Relation of Chemistry to the Home; The Relation of Chemistry to the Development of an Industry or a Resource of the United States.

Prizes of money and also scholarships will be awarded.

For further information on entering this subject the student is asked to interview Mr. Cohn.

PEP MEETING IS PLANNED

OF SINGING PERIOD
The high school held the first pep meeting of the year last Thursday night during the evening period.

After a few songs had been sung, Al Smith, the only one who ever got up on the stage and led in singing, yelled "I'm in." The student body called upon John Leavenworth, captain of this year's team. He did not yell, but he said that he was glad that the students could yell for him.

Mr. Jones coach for this year, said he wished to see everybody out to the game so Northville could win.

MR. AMERMAN LEADS

MUSIC HOUR

Perhaps you wonder why it is that after the first twenty minutes of every Tuesday afternoon, Mr. Amerman looks so happy and proud, and the student body so downcast. The answer is that Mr. Amerman is now conducting a singing period for N. H. S.

Our principal sang in a boys' quartette at Hillsdale, so he is well qualified for his new position. That explains Mr. Amerman's pride.

The students are delighted to learn of this accomplishment, never suspected before. But they are afraid of losing Mr. Amerman, because from previous indications, he will soon resign his position and become conductor of the Chicago Opera company.

HELP YOUR TEAM WIN

ANOTHER CHAMPIONSHIP

The Northville high school eleven have never before met the team from Chelsea, whom they are to play next Friday afternoon, September 28th, at Chelsea and consequently they know nothing of their ability, although it is reported that they have a very strong team having played together for the last three years.

After playing such a game as they played last Friday, it looks as though the team had little fight, or pep of any kind. Playing against a team like Milford, the score should have been doubled or even more, instead of 37-0.

If the team is to come through and retain the championship, which it won last year it will have to be a team of fighters and go-getters, and not such a slow and peppy team as appeared on the field last Friday. But why should they fight with all their pep and win when you their local sup-

porters, and when you, the students of the high school, fail to come out and cheer for them? Those same faithful few that go to all the games were there, and they didn't mind the weather. If the team could play in it they could stand it.

If anyone wants to go and cannot find a way, please turn your name in to our student manager, Alfred Smith, and he will try and find a way for you to go. By doing this you will show some spirit towards your school that it may uphold its name in loyalty as well as in scholarship.

Not only the team and the people who should support this team work harder, and together, the Suburban League championship may be kept in Northville for another year. Let's try, anyway.

Show that you really mean it by coming to every game you possibly can.

SCHOOL CLOSURE FOR THE FAIR

School closed last Thursday at noon so the teachers and students could attend the Northville Wayne County Fair, Thursday afternoon and Friday.

It has always been customary to do this every year but not, however, for more than a day. When the day and a half vacation was announced in the assembly room, it was wildly cheered by the students. Mr. Amerman said that it was children's day and that, we believe, was the main reason for letting us out Thursday afternoon.

The Northville school band was out of school all the week, but not on a vacation, however. They played for the tree acts to help pay for their suits that were given to them this year. Every student did as best, and the usages after the fair complimented them on the way they played.

GUM CHEWERS STAY

AFTER SCHOOL

Miss Westphal, the junior high school principal, made a new rule for gum chewing students of high school. All students that are caught chewing gum during class period will have the chance of chewing gum from 3:45 to 4:15, which will give the gum chewers exactly 30 minutes to exercise their jaws.

THE MANUAL TRAINING CLASS

WIN FIRST PRIZE AT FAIR

Mr. Thompson's manual training class took the blue ribbon and a silver cup for the first prize at the fair last week. Among the exhibits were two sewing machines, five tables, tool sets, coal racks and other useful things for the home. The students were from Spauld and Junior High school.

Plymouth took second prize with a red ribbon and a silver cup.

MR. AMERMAN ANNOUNCES

THE THIRD DEGREE

Mr. Amerman's announcement last Thursday about the third degree was very important. The main thing is not to gossip or crowd others because this will cause dangers.

The pupils in the first ten seconds to go out the front door and the five minutes out the back door must be ready for a fire drill.

FACULTY CUTS CHILDISH CAPERS

Have you ever been in such a position that you could tell something about someone that you shouldn't? But what if you just couldn't resist the temptation? Seeing that nothing but the truth will be published, they won't mind so we're taking the liberty of telling you all about the childish capers the teachers cut up at the fair.

To begin with I was told by the teachers that they absolutely could not attend the fair, because they wouldn't lower themselves to that level.

Ha! As we entered the fair grounds, the very first thing we saw were three of our most dignified high school teachers spending their hard-earned money trying to win a bunny and various other useful articles. We don't wish to mention any names, but we honestly believe that you would like to know who those adventuresome teachers are. Miss Parks happened to be one, and we just know that she coaxed the rest on because Miss Noble and Miss Matthews are such shy little things that they wouldn't think of such a thing, and being new teachers couldn't easily be led on by Miss Parks.

Passing down the midway we could not help but see Mr. Gordon buying tickets for the Ferris wheel, because he was in such a hurry to get his tickets. The children were all, but Mr. Gordon nearly forgot them in the mad rush to get a seat. Now isn't that just like him to rush the concessions like that and use his children as a blind? And that isn't the only place he visited either—the merry-go-round and who received several dimes from him before he was satisfied.

Along towards evening and consequently supper time, we happened to meet Mr. Cohn, who said that he had visited every hot dog stand on the grounds and had but one cent left. This one cent, we figured out, was the only difference between Mr. Cohn and the rest of the little boys, who usually manage to spend every cent.

Not having anything definite to tell about Mr. Amerman, we interviewed him Monday morning. He told us that he just simply enjoyed the fair. Now isn't that just too original?

NORTHVILLE HIGH FOOTBALL

TEAM WINS FROM MILFORD

Northville football fans are few in number if one can judge by the attendance at the first game of the season, last Friday afternoon. Nevertheless, the Northville team won an easy victory 37-0.

During the first three minutes of play, Cavell dropped on a fumble made by Milford, and in the next play McCordle scored the first touchdown. The try for extra point failed. In the last few minutes of the first quarter, McCordle again crossed the line for the second touchdown. Tiffin in the last of the second quarter scored the third time for Northville, ending the half 18-0.

Northville kicked off starting the second half and as from the starting of the game, could gain ground as well.

Watts scored the fourth time for Northville early in the third quarter. On the kick off McCordle received the ball and made the longest run of the day. He lacked only a few feet from scoring and on the next play carried the ball for the score. In trying for extra point was successful when Capt. Leavenworth caught a pass over the line.

Alex Johnson was substituted for Preston, who was forced out of the play when he was knocked unconscious. Though Preston was able to walk off the field, he was kept out the rest of the game. Huff, who was substituted for Cavell did excellent work for the first time he was in.

In the last minutes of play, Tiffin scored the final touchdown for Northville, ending the game 37-0.

WHIMSICAL WHISPERS

Estes VanAlta, who was trying for an airplane ride, said to the pilot who was strapped the parachute to him, "What are you strapping this thing on for?"

Pilot: "Well, if anything should go wrong with the plane, you should jump and don't forget to pull the string."

Forster: "Well, what if it doesn't open?"

Elig: "Take it back and get a new one."

Ned: "Who, in the swimming?"

Ted: "I don't know. Who did?"

Ned: "Two Scotchmen who came to a toll bridge."

COMMISSIONERS' NOTICE
In the Matter of the Estate of SARAH LANNING, Deceased.
We, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the Lapham State Saving Bank, Northville, Michigan, in said County, on Tuesday, the 20th day of November, A. D. 1928, and on Saturday, the 15th day of December, 1928, at 10 o'clock P. M. of each of said days, for the purpose of examining and allowing said claims, and that four months from the 20th day of September, A. D. 1928, were allowed by said Court for creditors to present their claims to us for examination and allowance.
Dated September 20, 1928.
ERNEST E. MILLER,
Commissioners.
