FOUR INJURED IN ACCIDENTS HERE SUNDAY

Cars Collide on Salem Road; Other Wreck on Seven Mile

Two serious automobile accidents happened in the Northville vicinity Sunday night, resulting in four people being confined for a brief time in the hospitals of this place. Mr. and Mrs. Harry Begole of Ann Arbor were the first injured. They were driving towards Northville on the Seven Mile road near the Northland Country Club when the car in front of them stopped. They brought their car to a stop but apparently the driver following them could not stop his machine. It crashed into the Begole car causing injuries to both Mr. and Mrs. Begole. They were brought to Michigan hospital, where their injuries were given immediate attention. They were able to leave for home later Sunday night, although their car was badly damaged. The second accident happened on the Salem road in front of the Northville Airport. This was later in the evening. Two Ford's, of older models, collided. Head-on. Albert Shute of Detroit and Miss Alice White of the same city were being driven by Miss White was the most severely injured. She suffered an injury to the back besides being badly cut about the head. They were brought to Sessions hospital. Miss White, who was 20 years of age, was able to be removed to her home in Detroit Monday.

The driver of the car that collided with the Shute machine disappeared and a search by Chief of Police William Safford resulted in the discovery that he had left a road construction camp where he had been working. Both cars were badly demolished.

CONDITION IS CRITICAL

LOUIS A. BABBITT

Following a sudden attack of appendicitis which developed Tuesday, surgeons of the University of Michigan hospital in Ann Arbor, were Tuesday night forced to perform an operation upon Louis A. Babbitt, president of the Northville State Savings Bank, who has been confined in the hospital for the past three weeks receiving treatment for stomach trouble. A blood transfusion followed Wednesday. Mr. Babbitt was taken ill about a month ago his condition for a time regarded as critical, but he improved slightly and was removed to Ann Arbor. Up until Tuesday he had made excellent progress, and it had been hoped to bring him home within a few days.

It was not until Thursday forenoon that any discouraging reports from attending physicians were received. It was shortly after 8:30 o'clock when attendants asked that members of the family come to Ann Arbor.

CITIZENSHIP HONORS VOTED BY STUDENTS

Select Winners in Grades; Soon to Name the Cup Holders

Citizenship honors for the six school grades that take part in the contest have been voted by the students. From this group will be selected by the entire school the cup winners one for some boy and one for a girl.

To win a certificate of citizenship award the following 13 points are considered: Trustworthiness, helpfulness, friendliness, courtesy, kindness, obedience, cheerfulness, thriftiness, bravery, cleanliness, reverence and average scholarship.

The various grade winners follow: Grade 7—Ruth Angel, Catherine Duguid, Alfred Farmer, Tommy Holman. Grade 8—Gertrude Deal, Wilma Satterbury, John Greenlee, Richard Shipley. Grade 9—Irene Evert, Jane Lawrence, Marvin Tibble, Ward Van Atta. Grade 10—Helen Strachan, Miriam Richards, Francis Sprenger, Robert Lisenberger. Grade 11—Esther Lawrence, Grace Angel, Dave McManiger, Foster Vanatta. Grade 12—Ethel Sterner, Catherine Lisenberger, Allen Beard, Robert McCardie.

YARD AND GARDEN CONTEST ENTRIES TURNED OVER TO JUDGES FOR INSPECTION

Each of 25 entries in the Northville yard and garden contest were turned over to Mrs. Agnes Shafer, who heads the committee of judges. The contest was held on the grounds of the Northville Country Club this week. Mr. Gordon was head of the committee and had in charge the securing of entries for the contest. The judges, Mrs. Shafer, John Kallbrenner and Mrs. Dayton Shum will now work out the details of their part of the work. The number of entries is larger than had been anticipated.

It is probable that one inspection of all the entries will be made in the next week or so. This will be for the purpose of securing information as to just how much improvement there has been made. On each entry made the judges will probably make notations of conditions as they found them at present and during the summer two or three inspection trips will be made, immediately following the final trip of inspection. The middle of last of August they will announce the winners of the \$100 cash prizes that have been offered by the Rotary club.

One of the first duties of the judges will be the classification of the entries by streets so that the work of the judges will be greatly simplified.

Following are the list of entries in the contest:

Wm. Adams, 405 North Center St. Irene Weeks, 218 1/2 East Main St. Mrs. J. J. Phelps, 109 Eaton Drive. Mrs. W. H. Hubbert, 515 Dunlap St. Mrs. M. E. Montgomery, 219 Yerkes St. J. D. Kimmel, 1321 Dunlap St. Mrs. F. E. Manning, 23 Church. Jud Green, 202 Orchard Drive. Mrs. P. E. Vanatta, 210 Orchard Drive. Frank R. Brown, 138 West Gady St. Cecil R. Clark, 514 East Harper St. Mrs. T. R. Carrington, 204 Rogers St. A. Lovell, 507 Grace Ave. Alex. Satterbury, 109 Eaton Ave. Claude N. Ely, 282 Cassin Ave. Mrs. Charles W. Hills, 111 North Wing St. Jean Marburger, 223 Main St. Mrs. J. W. McLaughlin, 132 Powers St. G. W. Carson, 48 Elm St. A. Bender, 149 Duway St. Mrs. D. Charles, 124 Elm St. Mr. F. Alford Farmer, 132 Orchard Drive. Mrs. Budd, 246 Church St.

About The Ford-- Savage Collision

James Savage, and a high powered Ford collided the other day at the intersection of Center street and the Record alley, with damages to both automobiles.

It happened thus way-- Jim Savage as he is best known about town, was standing facing south west across the corner looking at the setting sun.

There was a roar up the alley, but so many roars have followed in the alley he paid no attention to it.

There was a crash, the rattles and the bank custodian roared over on the sidewalk.

Get up and get out of the way" yelled Charles Lefevre, the heavy set chauffeur of the Ford.

Get your old automobile off my foot and I will get up yelled back Jim.

The Elliot chauffeur backed up into the alley. Jim brushed off his clothes and looked at his shoe. There was a gash in the right toe. Charles looked over his automobile and there was a dent in the left front fender.

DECORATION DAY PROGRAM IS OUTLINED

Legion to Direct Observance of Memorial Day in Northville

Members of the American Legion have already started plans for the annual observance of Memorial Day, which this year falls on the last Thursday in May. It is the expectation of the members to prepare a program which will be in keeping with the program of previous years.

At the last meeting of the Legion, Commodore, Abe Barber, appointed Charles Murphy as general chairman of the Memorial Day committee. Chairman Murphy is now busy trying to secure some outstanding speakers for the occasion. Arrangements have already been made for the Northville Community school band, to provide music for the occasion. The usual program will be followed. Legion officials. There will be a parade from the Legion hall on West Main street to the Penman-Allen theater where the Memorial services will be held.

Following the program in the theater the various groups consisting of the Legion, the Legion Auxiliary, the W. R. C., the P. H. H., the Knights Templar, Boy Scouts, school children and other organizations will march from the theater to the cemeteries where the graves of veterans of all wars will be decorated. The village commission has already purchased the flags for the Legion.

It is hoped that the complete program can be announced within the next week or so.

PARENTS ARE BLAMED FOR WRONG DOING

Rotary Club Speaker Tells of Welfare Work in Michigan

It is not so much the fault of the children as it is the parents of the youngsters get into trouble, declared E. C. Nicholson, of Lansing, Secretary of the Michigan Welfare Commission in a talk Monday night before members of the Northville Rotary club at their home.

The speaker was the guest of honor of the present Rotary luncheon and was an exceptional talker.

Ray Van Valkenburgh, chairman of the entertainment committee for the evening, called attention to the present social conditions in the world and to the need for welfare work.

Mr. Nicholson, who is a member of the Michigan Welfare Commission, said that the welfare work in Michigan is being carried on by the Michigan Welfare Commission, which is a non-profit organization.

He said that the welfare work in Michigan is being carried on by the Michigan Welfare Commission, which is a non-profit organization.

HENRY E. GERMAN SON OF PIONEERS, DIES IN DETROIT

Funeral of Former Well Known Resident is Held Here

A funeral service for Henry German, son of pioneers, was held at the Northville Methodist church, Monday afternoon, May 13, 1929. The service was held at 2 o'clock. Rev. William T. Jenkins, of Detroit, officiated at the funeral. The deceased was 77 years of age. He was born in the North Farmington cemetery.

Mr. German was 77 years of age. He is survived by one sister, Mrs. M. German, of Pontiac, a daughter, Mrs. C. German, of Detroit, and a son, Harry S. German, of Northville. He was a member of the Northville Methodist church, of Northville, and an old friend of the family.

He was born in the North Farmington cemetery. He was a member of the Northville Methodist church, of Northville, and an old friend of the family.

TELLS WAY FOR PARENTS TO PLAY WITH CHILDREN

Presbyterian Banqueters Hear Many Excellent Suggestions

An affair, unparaleled for its charm during the present season, was the occasion of the Mothers' Daughter Banquet held at the Presbyterian church last Friday night. One hundred and fourteen guests many of them in groups representing three generations, were summoned and delightfully served college and high school work, but not only did they part well, but looked it in their becoming white coats. The color scheme of pink was carried out in apple blossoms, tapers, nut baskets, and gorgeous Marthas Washington Geraniums furnished by Jones Floral company.

The banquet furnished not only physical sustenance, but also mental, moral and spiritual food. Frances Yerkes Larson, who very ably officiated as toastmaster, called upon Mrs. Griswold for the invocation. At several intervals during the course of the dinner, the whole group joined in singing mother, daughter songs. Helen Cunningham, president of the Nellie Yerkes Auxiliary, sponsoring the banquet, opened the program with a hearty welcome. Frances Alexander, honored the mothers with a toast, to which Mrs. Ralph Hay responded. Then as a delightful surprise, Mrs. D. Yerkes St. Little Jane Holder, gave a clever roast. Cherishing the memory of departed mothers, Gertrude Farmer lectured, "An Old Faded Letter." Ida Rose Cavell, offered enjoyment as usual with a solo, "Mother O' Mine." Mrs. S. H. Mallory, president, Michigan Child Study association, and popular writer on child psychology, played in the "Nurses' gratitude." The guests' most eager expectations, by her splendid address, the main feature of the evening. Mrs. Mallory said in part:

The time arrives in every family when the mother must lose the reins and allow her daughter to make some of her own decisions for the sake of her development. The perplexing question today is, How can we in this complex age obtain familial solidarity? It is not upon common ground, if they are to find joy in universal interests, we must seek a medium of expression which no one is more proficient than any other of the group for real communion must be based upon equality. The mother cannot find the common ground by assisting the daughter with her school tasks, for she soon learns that's not the way to do it. But parents and children can enjoy adventure together, such as camping and motor-trips, searching the woods for flowers, boating and like pursuits. Beauty in art, literature and in science also lends itself admirably to the general scheme of family harmony and companionship.

The program was concluded with open discussion in which mothers had an opportunity to "clear the air" as it were, of some of their trying problems.

COMMANDERY IN RECORD GROWTH SINCE ITS START

200th Member Taken into the Organization in 13 Years

During the period from April 1, 1916, to last Tuesday evening Northville Commandery, No. 39 had gained two hundred men. These new members are from the various towns in the jurisdiction of the local Commandery. The first one who had been members long ago was Edmund J. Robinson, July 16, 1886; Dean F. Crisold, July 27, 1886; Barton A. Wheeler, January 11, 1887; Charles Booth, May 3, 1887; Edward C. Leach, April 17, 1888; William W. Thayer, June 12, 1888; Delos Leavenworth, March 19, 1889; Charles A. Sessions, October 1, 1889; Louis A. Babbitt, December 27, 1889; Wallace Grace, December 30, 1890; George Francis February 10, 1891; Frank N. Pettin, June 2, 1891.

The late William Harlan was the man responsible for getting a Commandery in Northville, and it cost him many hard days' work driving to Detroit, Pontiac and Ann Arbor to gain the consent of these to favor the new Commandery.

The late Edward S. Horton, former postmaster, was the first man to be knighted after the charter was received in June, 1886. Then followed Francis R. Bear, Charles V. Joshi, Edmund J. Robinson, John E. Wilcox, Lorenza Peterson and Dean Griswold.

NORTHVILLE SCHOOLS ARE RATED HIGH

Again Win Approval of The North Central Association

Northville public schools have been continued on the approved list of the North Central Association of Colleges and Secondary Schools for another year, according to information which has been received by Superintendent William H. Gordon. He was advised of the favorable action taken by the association by J. B. Edmondson, dean of education at the University of Michigan and secretary of the North Central Association during the early part of the present week.

The Northville schools have for many years past had the approval of this association which includes all of the colleges in the North Central States, excepting the universities and the Northville schools are on the approved list of the Michigan State University for some time to come.

FORD PLANT NOW RUNNING AT ITS HIGHEST RECORD

World's Largest Industrial Plant Working At Top Speed

With production of the Ford Motor company in full swing the Rouge plant at Dearborn, the largest manufacturing establishment in the world has become the center of the greatest activity in its history.

Reports covering a month's operations, shows the receipt of 9,809 carloads of material and the shipment of 8,797 carloads of products from the plant.

Incoming shipments consist largely of coal, iron ore and the latter being unloaded from lake vessels at the Ford docks on the River Rouge, limestone, and sand, with numerous quantities of materials used in smaller quantities, and the Rouge plant sends out for sale not only automobiles and automobile parts, but also coke, cement, scrap and various other by-products saved through manufacturing efficiency.

Within the Rouge factory enclosure are 92 miles of railway, over which an average of 2,000 cars are handled daily, including those used for intra-factory movements. Approximately 350 passenger cars carry products from this factory each day.

The bulk of these shipments is composed of automobile parts consigned to 32 other assembly plants in the United States and to foreign plants. Model A Ford automobiles assembled at the Rouge plant are delivered to dealers under their own power, as the plant assembles automobiles only for the Detroit area.

For the Rouge and Highland Park plants combined, 11,234 carloads of material were received in the month and 11,199 carloads of products went out from these factories.

The volume of spring orders and the addition of new body types to the line of Model A Ford cars has caused a general stimulation to production throughout the organization, and the output of passenger cars and commercial vehicles is now averaging approximately 8,100 daily. There has been a consistent forward movement in both production and sales since the Model A car was developed.

HAS MAP MADE OF SILK THREADS IN 1786 IN ENGLAND

Clarenceville Resident is Possessor of Rare Piece of Work

Mrs. Arthur Williams of Clarenceville, a sister of E. A. Fuller of Northville, has in her possession one of the rarest old maps in the country. It is a map of England and Wales that has been made by hand on a fibrous cloth with various colored silk threads showing the border lines of the various places in England.

A minute inspection of the map, which Mrs. Williams regards as worth many hundreds of dollars, shows that years must have been required to complete it. In making the border lines with silk thread in order to get different colors necessary, various combinations of colored threads were used.

The map which was made in 1786 according to the date worked on it, is in an ideal state of preservation and no part of it has faded. The colored silks all made from silk thread, are as distinct as they were the day they were sewed into the map.

The work was being inspected at the museum and declared to be a valuable possession. It was given to Mrs. Williams by her son-in-law, George Carter, one of the custom officials at Windsor.

The other day she came to Northville and showed the map to Mr. and Mrs. William Richards, who were both born in England. Of course, both were greatly interested in the work, and they had not the slightest difficulty in picking out their birthplaces on the ancient map.

The birthplaces of the two are way down in the southwest point of England.

We never had freezing weather there. A violet bloomed all winter, and there were many things that we could grow," said Mrs. Richards.

"And how did you happen to leave such a delightful place, with warm winter weather, to come here where it's winter most of the time?" asked an inquisitive bystander.

"Why, he had to come over here to try and convert some of you heathens," and she was looking right at the individual who asked the question.

Thus ended the questioning.

The house rat has the unenviable reputation of being the most destructive animal in the world, and new poisons are constantly being tried on it. So far, red squill has been found to be one of the most efficient, economical and safe rat poisons. It's chief value lies in the fact that it is practically a poison specific for rats, and seldom harms domestic livestock if eaten by them. Red squill, a perennial plant that grows wild in the Mediterranean coast, is dried, powdered and used in baits in concentrations ranging from 5 to 10 per cent.

LITTLE GIRL DIES AFTER OPERATION

Following an emergency operation performed in the hopes of relieving her suffering, June, the little two-year-old daughter of Mr. and Mrs. Joseph Lisenberger, died in Grace hospital in Detroit last Friday night. The little girl had not been in the best of health for some time, and in spite of the best medical attention that could be secured her condition had for some time caused apprehension on the part of the parents.

The body was brought to the home at the corner of Main and Rogers street, where the funeral was held Monday. A large number of sorrowing relatives and friends were in attendance. Especially numerous and beautiful were the floral tributes. Services were conducted by Rev. William Richards, pastor of the Methodist church. Burial took place in Woodlawn cemetery at Detroit.

Start cooking green peas in boiling unsalted water. Then, as soon as they come to the boil, lower the heat and simmer them. Peas actually cook more quickly at the simmering point, are more tender, and keep their fresh sweet flavor and bright green color than when boiled. Use no more water than necessary so that the valuable liquid need not be drained off. Add salt when the peas are about half cooked. Young peas will simmer tender in about 15 minutes. Season with melted butter or cream.

FIRST BALL GAME OF SEASON SUNDAY

Northville's newly organized baseball club will play its first game Sunday afternoon at 4:00 o'clock on the grounds at 3:00 o'clock. The first Plymouth team having been booked for the contest. Manager Roy Booth, who is looking after the interests of the club, declares that the team, composed of give Northville a series of good baseball during the summer and he is hoping for strong local backing of the team.

The team will go to Pontiac Saturday afternoon for a contest at that place that was previously scheduled, but canceled because of rain.

The players of the Northville team are among some of the best in this section. McGills has been signed up for short stop, Oliver for third base, Kelsey for short stop, Schwartz for second base, Pink for first base, Stack for outfield, Hoppe for outfield, Schubert for outfield, Sellegan for catcher, Hammer-Schmidt for catcher, Shields and Garxay for pitchers and Harry German and Loyle for pitchers.

LEST WE FORGET

Each year during the week of Memorial Day, the American Legion Auxiliary conducts a national poppy sale, to provide funds for the veterans' welfare work. This is truly honoring the dead through service to their comrades the disabled. These poppies are made by the disabled veterans in the hospitals.

Mr. and Mrs. Wilbur H. Johnston drove to Chicago Sunday, with Dr. Johnston's parents, who have been visiting here for the past week or so. They went from Chicago to their home in Warsaw, Illinois, by train.

Calves raised to be fattened as yearlings should be taught to eat grain before they are weaned, so they can be weaned with only a slight interruption of growth and loss of milk fat. Less feed will be needed to put them in good condition and they can be finished for market earlier.

DECLARES HOME IS SAFETY ZONE

The Mothers' Day program at the Methodist church Sunday morning, was the attraction for nearly two hundred people. The topic for the day was "The Queen of the Home," and here was a splendid solo by Miss June Fikans appropriate to the day. Taking one of Paul's trenchant sentences, "Our whole family in heaven and on earth," Rev. William Richards pictured his own early ambitions and what he learned from happy home associations. From his text Mr. Richards pointed out lessons of the influence of mothers in building character, of the home as a refuge, as a safety zone, as a school and a heavenly spot.

Mr. and Mrs. F. A. Hauer, son, Nelson and Miss Christ thoroughly enjoyed their guests in his presentation of Mothers' Day poems at the Woodward Avenue Baptist church Sunday night.

CHAPTER PLANS ROYAL OAK VISIT

Plans have been completed by officers of Union chapter for return visit to the Royal Arch Masons of Royal Oak, next week Thursday, May 23rd. Secretary Frederick Hedge is expecting that there will be an exceptionally large turnout for this event. The local members will plan to leave the Northville temple about 4:30, driving direct to the Masonic temple in Royal Oak, where dinner will be served.

Following the banquet, the Royal Arch degree will be conferred. Some months ago the Royal Oak chapter members visited Northville and they were given such an enjoyable time here that they have extended a most urgent invitation for every member of the local chapter to be sure and visit Royal Oak on May 23rd.

NORTHVILLE, MICHIGAN, FRIDAY, MAY 17, 1929

PIFFLE

Marked copies of the Adrian Daily Telegram containing an editorial pertaining to the conduct of the parole office, have flooded the streets during the past few days. The editorial is as might be expected a condemnation of the work of the present commissioner and a commendation of everything that has gone before.

The Telegram, for political reasons, unknown, would have it appear that THE TELEGRAM had brought about a great reform in the parole system of the state and that there was nothing good in the department up until the time Commissioner Wood assumed charge of the office. We do not know Commissioner Wood and what we have to say is not in condemnation of him personally, but we do know that the Telegram, editorial about the parole system in the parole system as all piffle. The one great difference as far as we are concerned is the fact that the Telegram and some of the other supporters of the new parole administration are not trying to inject the parole office into politics as they did a few years back.

The editorial writer in the Telegram is basing his words of praise entirely upon the reports issued by the parole commission. Naturally when one forms his judgment upon the propaganda issued by some public official he might be inclined to think everything is about as it should be.

The Telegram was the many papers brought up in the newspaper of a few years ago. Like a big, gawking sub-buster, it fell for the tricky worded political stories sent out, or landing about parolés and politics. The Telegram like a number of other political organs, tried to make it appear that the parole system under the previous parole commissioner was a total failure, and that murderers, gamblers and thugs were being turned loose by the hundreds.

That was all hollow hokum, of the most deceptive kind. There were no more "bad-men" turned loose than there had been before. The Telegram had been to see about men being freed before a trial of their short term sentences on other words the Telegram did not believe that men serving time should be granted any time as provided within the law for good behavior and reformation within prison.

With Commissioner Fred Gavette and Governor Crossbeck out of office, this "terrible" thing would be stopped, said the Telegram.

We are wondering if Mother Free Press made a fatal mistake last Monday morning. It will be recalled that the Free Press was the originator of the deceptive parole propaganda campaign. The Adrian Telegram fell for the name of "shield" banded on the Free Press Monday that had been captured after robbing a half hundred places in Detroit, shooting policemen and victims alike, was this paragraph, "Harry Keaton, aged 19, paroled in December from Iowa after serving 10 months of us one to five year term."

There must be a serious mistake about this matter because the Free Press and the Adrian Telegram have led us to believe right along that these hard-boiled gunmen were being kept in prison for the full length of their prison terms, and then when released the commission has been seen to it that they were all "profitably" employed.

There was no more of an outstanding crime of the previous administration than Editor George Averill of the Birmingham Eclectic and he has been pronounced indeed in his support of the present administration up until recently.

It was Ed. Averill who not long ago in a talk before the Michigan Press Association branded the present parole administration as a complete failure. The home-town paper in the Upper Peninsula where Commissioner Wood built from camp to the defense of the parole office. In reply Editor Averill wrote in his column that "Mr. Wood is able to do much better if he would consent to a plan for long assistance on his job. As long as he continues, alone on this job, Mr. Wood is, we believe, the most competent public official in Michigan."

Mr. Averill secured his information about the collapse of the parole system under the new commission not by propaganda issued from the office of the parole commission as did the Telegram but by visiting the prison, and securing first hand information from those in a position to know.

The ratio of parole is just a great job as it ever was. The law says when a man has served his term he shall be released under a parole condition and that is just what Commissioner Wood and Governor Green are doing. It is nothing different than has been before, except that according to the law who have made in investigation into it, there is less efficiency in the conduct of the department now than previously.

The question in our mind is just what is back of the "hor" of the Adrian Telegram to bring up a state department that isn't measured up to public expectations?

SIRIUS'S BUSINESS

If proper state official charges made by Representative Milton Palmer of Detroit, in the legislature a few days before the final adjournment to go without fullest investigation and prosecution, true there is something rotten in Denmark. The following paragraphs are taken from a Lansing news dispatch that was published in a Detroit newspaper a few days before the legislature closed up its business and started home.

The representative said that expense vouchers showed Brock had collected money he swore he had paid to a hotel which does not exist had approved an expense account for one of his gentlemen for a trip which never was taken and had completely cashed vouchers for expenses which are not authorized by other state departments.

A house resolution ordered the appointment of an investigating committee to look into Brock's record, but the committee never was appointed because the resolution, in the opinion of Speaker Fred R. King of Cheboygan was unworkable.

Elmer Brock is one of the labor commissioners. The place for Representative Palmer's charges were not in the House. They should be made to the prosecuting attorney of Ingham county. It is not conceivable that charges of this nature can appear in a newspaper unless they are true. If they are true, Mr. Brock should not only be kicked out of office but he should face the proper police officials of Lansing. If they are untrue, then Mr. Palmer should know what a serious business it is to make accusations of this nature that are not true.

WHY CITIES GO AHEAD

If one analyzes the reasons why some cities and towns go ahead, while many remain stationary, two leading causes appear for such progress.

Some cities have gone ahead because they had exceptionally able business men who pushed new enterprises on to success. They developed new ideas they organized large industries, they drew in many workers, and the whole town profited.

The average run of people can't do those things. They lack the capital, the training, the initiative. But there are many communities where that average type of people have pushed their town ahead, simply by the high standards they maintain in everything they do.

In such communities, people do not approve of disorder, decadence, or shabbiness. If a man owns a business building, he looks it over critically. If not up to a reasonable standard, he has it improved, or he builds a new one. He considers it poor judgment to try to do business with inferior equipment.

The householders have their standards. You can see them out on their grounds in these bright spring days, raking up the winter's litter, planting, flowers and shrubs, improving their dwellings, making their home spots of brightness and beauty.

Such a town may have no great wealth, but it is going ahead. The homes will look tasteful and attractive. The business center will look neat and efficient. The streets will look clean. People who pass through will say they would like to live there.

Now Is The Time To Plan That New Building!

Early Spring is a good time to build. I make it my business to satisfy you.

Estimates for business blocks, homes and garages gladly furnished

ALEX JOHNSON

Jazz Age

Older folks keep livin' over
All their yesterdays and some—
Middle-aged tomorrow dreamers—
Live just for the days to come.
Young folks tackle every minute
Pack each second full of play,
They live NOW for all that's in it,
The "jazz babies" of today.

Throw away your musty wisdom,
Let the Jazz Age show you how
To be living while you're living—
Live and "get your future now!"
Young folks make mistakes (Who doesn't?)
But they know enough to give
Life a chance. Just let the young folks
Teach you how to laugh and live!

and the place will acquire a reputation as an attractive home town. It will then draw a fine type of people, and gain in public aid, amusements and business prosperity. — E. K. F. in Town Progress.

BEAUTIFUL NORTHVILLE

A number of days ago a letter came to the Northville Record office from Harry R. Graham, one of the largest owners of industrial property within the village limits, the largest in fact outside of Henry Ford. He stated in his letter that it was not for publication or publicity, but simply to let the "committee" know that it was doing a splendid work in the clean-up and beautification of Northville.

Since receiving the letter we have read it over several times. It is true that a few made a point to uree along the clean-up and fix-up campaign of the present spring. But in thinking the matter over we have come to the conclusion that everyone in Northville is a member of that committee—because everyone in town has done something towards cleaning up and beautifying their surroundings.

Therefore to every member of the committee know that a prominent local business man thinks of the efforts of the "committee" to make Northville the cleanest and neatest little city in Michigan, it has been found necessary to publish his splendid letter, which follows:

"Dear Editor:

I have followed with much interest the campaign which Northville has always carried through to make it the cleanest little city in the state. I have driven all over town, frequently and think you are succeeding most beautifully, with two or three exceptions, of which no doubt my property at the bridge is the worst offender.

"I am writing this letter to let you know that had it not been for the quite extensive improvements which I am making at the plant, such as a new roof, new heating, plant, floors, etc., the cleaning up would have been taken care of before this. It has always been a hobby of mine to keep things neat and clean and I can assure you that when I have finished, Northville will have nothing to be ashamed of around my plant."

I think that all my work will be finished within thirty days, at which time I am going to have a real housecleaning.

It has always been my desire to place all contract and material work for that plant in Northville and I have arranged with your local people to do everything that it was possible for them to handle.

I am leaving today to be gone for about ten days, hoping to catch a few trout. On my return I will get in touch with you and have you refer me to someone who can furnish a truck and three or four men to do all this cleaning. I will appreciate it very much if you will get a line from someone who could do this work, as I do not know who to go to for a thing like this.

As I stated before it will probably be about thirty days before they finish up the work at the plant, which will necessarily mean that a lot of rubbish will accumulate outside as a result of the work.

My congratulations to you and your friends on the success you are having with this campaign.

Will close with kindest regards,
Respectfully yours,
"Harry R. Graham"

INSURANCE

Fire, Windstorm, Fidelity and Burglary

This agency has represented America's leading companies for a long period of years. Loss adjustments have been prompt and satisfactory. We will be pleased to discuss your insurance problems.

My Favorite Stories

by Irvin S. Cobb

STICKLER FOR THE DETAILS

THIS particular yarn I had from a district attorney of a neighboring state who was present when the thing happened and who, to me, sounded for its authenticity.

The grand jury of his county was in session in a certain court room in a certain case, and he had been sitting on the previous term. The clerk read a complaint and the sergeant at arms brought in a badly battered pole as the chief complaining witness against a fellow countryman.

Through an interpreter the witness told a remarkable story. In effect, he said this: That he and the defendant had been friends for years in this county and before that in England, and that they had met frequently, and that about a year before the defendant, who was married, confided to the witness, who was single, that he hated his wife and that some day he was going to invite her to go boating with him, and when he got her out in the middle of the river he meant to knock her in the head with an oar and throw her overboard. The witness stated that personally, he had not looked with favor upon this plan and at the earliest opportunity had sent a private messenger to his friend's wife advising her not to go on any skating trips with her husband.

In view of subsequent developments he now was constrained to believe that the husband, so far as he was concerned, had issued this threat of confidence. Through the interpreter the Pole in the witness chair continued his story somewhat after the following fashion:

"Six weeks ago when spring had come this man came to me and suggested that we go fishing. We went up the river several miles. After we'd been fishing a little while he pulled out a bottle and invited me to have a few drinks. I only took four or five drinks, but somehow it made me sleepy. So we landed and I laid down on the grass. Pretty soon I was waked up by being hammered over the head with a club. Before I lost my senses I realized that he had pulled me over on my back, my head and feet up, then he tied my hands and feet with a piece of rope, hit me several times more on the head and threw me in the water. But some fellows on the upper floor of a barn at the bank saw me and took me to the hospital where I've been ever since."

His evidence having been completed the foreman excused the bandaged victim, but before he could get to his feet the grand jurors, who had been listening with the utmost interest to the story, halted him and informed the interpreter that, in the interests of justice to all, he desired to put one question.

"What do you wish me to ask him?" inquired the interpreter.

"You ask this man whether, when he went fishing with the defendant, did he have a license to fish?"

WIND AND SLEET STORMS DO GREAT DAMAGE TO PHONES

Past Year the Worst in State Since 1922 Says Roy Crowe

Telephone lines in Michigan have been hardest hit by wind and sleet storms this spring than any year since 1922, it is stated by Roy E. Crowe, manager of the Michigan Bell Telephone Company in this area. Three unusually severe storms, occurring March 6, March 31 and May 12, broke and displaced more than 12,000 poles and a thousand miles of circuits of the Michigan Bell company, causing total damage estimated at over a million dollars. Many of the smaller companies and rural co-operative lines, also were hit but it is stated. The last storm struck before damage caused by that of March 31st had been repaired, and it may be two weeks before service can be restored fully to normal.

The circuits were broken and poles were toppled under the weight of heavy wind and sleet. Ice formed on the wires from the time the snows melted during these storms.

The district most affected in last week's storm was within an area bounded roughly by lines drawn from Grand Rapids to Owosso, on the north, and from Lansing to Niles, on the east, and south telephone plant was damaged, most seriously in Gratiot, Emmet, Alcona, Cheboygan, Crawford, Benoni, Rosal, Greenville, Long, Sarawak, Woodland, Lake, Ogemaw, Prescott, Muliken, Caladonia, Middleville, Hastings, Nashville, Vermontville, Scott, Garen, Alamo, Paw, Paw, Lawton, Lawrence, Dowagiac, Marcellus, Cassopolis and Decatur.

Service in other sections of the state was affected to a lesser degree by the storm. Twenty miles Detroit long distance circuits and several important telephone arteries in the Thumb area were broken. Principal among the latter were the Saginaw-Bay Area, Reese-Etobicoke and Bay Area-Harbor. Long distance service in that area was completely cut off temporarily. East Tawas and communities to the north also were isolated. Service to East Tawas was restored very shortly after the storm, and circuits to points farther north have been re-established. Deep snows hampered the work to some extent. Ten emergency repair crews are working in the Thumb area.

Those towns that suffered the greatest damage in the March 31st storm, and where repairs are about completed were Cheboygan, Bay City, Auburn, Prescott, Ulyb, Bad Axe, Midland, West Branch, St. Charles, Clare, Standish, Lamoco, Birch Run, Rosebush, Coleman, Saganaw, Alameda, Peck, Crosswell, Port Huron, Grand Rapids, Grandville, Byron, Centerville, Clarksville, Rockford, Ionia, Belting, Lowell, Greenville, Saranac, Big Rapids, Grant, Cedar, Springs, Cassopolis, Sand Lake, Leosau, Cicoma, Kalamazoo, Ada, Maric, Dutton, Juddstown and Gattop.

The Michigan Bell has had 100 crews of telephone repairmen working on an emergency basis night and day to restore the service both long distance and local. Ohio Bell, Indiana Bell and American Telephone & Telegraph company crews are assisting. President Birch Forkner of the Michigan Bell company visited the affected districts, and inspected the damage and directed the beginning of general restoration work, following the May 2nd storm.

Restoration of service after each storm was gotten under way before the storm was more than a few hours old, and carloads of poles, wire, cable and other equipment were being headed toward the affected districts. Temporary circuits were established at all points, and arrangements made to handle emergency calls were completed within a few hours.

Officials of the Michigan Bell announced that an adjustment of telephone bills would be made, as soon as possible, in cases of service interruption over its lines due to the storm, and requested that customers affected who do not receive such adjustment notify the company.

Quackgrass is an undesirable visitor on the farm and should be kept out, but it is usually a waste of time to attack it in wet weather or in spring when the rootstocks are growing. The best plan is to allow it to form a sod and then plow it in midsummer during the hot, dry weather, the U. S. Department of Agriculture says. After plowing the field, harrow it frequently until winter, and plant it the following year to some crop that needs very thorough cultivation.

Novi News

Miss Beula Lattimer spent the week-end in Detroit.

Mr. and Mrs. J. B. Flint were guests of the former's mother and sister in Ypsilanti, Sunday.

Miss Marian Shum spent Saturday night with Miss Ruby Lawrence of Northville.

Miss Joy Thompson was a guest of Miss Ada Burton, Sunday.

Mr. and Mrs. Jay Graham of Orchard Lake visited their daughter and family, Mr. and Mrs. Edwin Grace, Sunday.

C. C. R. visited to Williamston, Sunday. His sister, Mrs. Hattie Sims, returned with him.

Russell Taylor of Flint, is spending the week-end at his home here.

Mrs. Earl Tyler and Mrs. Earl Bowman motored to Saginaw, Friday with their mother, Mrs. Young, who has been visiting them.

Mrs. Ora Harndon and daughter, Esther, have returned to their home here, after spending the winter in Philadelphia.

Mr. and Mrs. Martin Lale of Northville, spent Tuesday evening with her parents, Mr. and Mrs. J. VerDuy.

Mr. and Mrs. F. C. Rice and son, Warren, visited the former's brother, Charles Rice, and family in Alma Wednesday night and Thursday.

Mrs. Albert Smith has been quite ill, but is much better at this writing.

Young Leavenworth was brought home from school, Tuesday by Ted Watts, with what was feared might be an attack of appendicitis, but the attending physician believed it to be a strained muscle.

Little Aldra King spent the week-end in Detroit with her mother.

Mr. and Mrs. Cuckback of Piquette and Mrs. Ford of Northville, spent Monday's Day at the home of the latter's daughter, Mrs. Phil Taylor.

The pupil of the Baptist church will be filled by W. A. Gutreath of Washington, D. C. next Sunday.

He comes from the Inter-Collegiate Prohibition association and is doing work among the colleges of this state to further the cause of prohibition.

Mrs. Belle Walter is on the sick list.

Mrs. Clyde Johnston, who has been quite ill, is improving.

Mr. and Mrs. Harry Voohtes and Mr. and Mrs. Emil Schenck of Detroit, were dinner guests of Mrs. Gertrude Smith, Wednesday evening.

George Thompson and nephew, Berl VanPool, of Grand Rapids, were guests of the former's brother, Rev. R. O. Thompson Tuesday.

Mr. and Mrs. G. R. Culver spent Sunday in Milan, as guests of the former's parents.

The ball team of the school played the Wixom team at Wixom last Thursday. They are to play Clarenceville, this week, Thursday.

Novi down-pipe is again free from an epidemic, the health officer, E. J. VerDuy, reports. All smallpox quarantines are lifted and the dread of catching your fellowman is past.

Dorothy Kent, Edward Bakky, Matthew Gaffney and Ernestine Grace in company with Supt. and Mrs. G. R. Culver, attended the Metropolitan Spelling Bee last Friday. This is the first time in three years Novi has not been represented in the Detroit contest.

Mr. and Mrs. Chas Nelson, of Jackson visited their son, Lawrence at the Earl Bowman and Earl Tyler home, Sunday. Mr. Nelson

returned home, and Mrs. Nelson will remain for a week's visit.

Rev. and Mrs. Harry E. Lang and children, Bob and Grace are visiting the former's mother, Mrs. S. H. Andrews, Rev. and Mrs. Lang reached Detroit last week from Wuchow, South China, where they have spent seven years in mission work.

Mr. and Mrs. E. J. VerDuy left Wednesday morning for Milwaukee where they will make a ten day visit with their daughter and husband, Dr. and Mrs. L. A. Grant.

Mr. and Mrs. Earl Betz, Mr. and Mrs. Rex Anderson, and John Tyler of Detroit, and I. L. Tyler of Cedar Island Lake, were Sunday visitors at the home of the former's son, Earl Tyler.

The day meeting of the Women's Missionary Society of the Wayne Association held its annual meeting in Ann Arbor last Thursday. Novi was represented by Mrs. V. Huff, Mrs. Sussie Mairs, Mrs. Lizzie Coates, Mrs. Jessie Clark, Mrs. Grace Shinn, and Rev. and Mrs. R. O. Thompson.

On Saturday four H. clubs met in county achievement meeting at the Shipp's farm, ten miles north of Pontiac. A delegation of twelve represented the Novi school. Evelyn Baker was the sewing champion of this school, Margueta Huffman, the cooking champion and Mary Munro the health champion. Evelyn Baker was our representative in the style show which was conducted by Lola Belle Greeng of the M. S. C.

The exhibits were on display in the farm house on the estate. Among other interesting things was

the boys handwork exhibit. A music appreciation contest was held. The boys played a game of ball. Rex Smith being the captain on the winning side. A spot dance was served in the hall to which Mr. Scripp added cocoa, cake and ice cream.

Following the luncheon the gathering of about 200 boys and girls with their elder companions enjoyed a talk by Mr. Scripp and were personally conducted around the grounds of his 3500 acre estate, after which they returned to the barn for the programme and roll call of each club.

The pleasant and profitable day was closed by a health contest in the Scripp school. Mrs. Naomi Wilson is visiting her daughter, Mrs. Floyd Bieff.

Mrs. Edwene Palmer, aged 63 years, died Saturday night at her home, 116 Novi avenue, after an illness of many years' duration. Born in this vicinity, she had spent her entire life in and around Northville. She was a daughter of pioneer settlers, the mother, Mrs. Hake still living on the old family homestead out on the South Lyon road.

Besides the husband and the mother two sisters, Mrs. Sadie Long and Miss Foye Hake and three brothers, Fred Hake of Pontiac, Clarence Hake who lives with the brother and Anthony Hake of Highland Park, survive.

The funeral was held from the home Tuesday afternoon, the services being conducted by her pastor, Rev. J. W. Priest, assisted by Rev. O. M. Thrasher, a former pastor, who came from Mt. Morris to take part in the service.

She had a wide circle of friends who are pained to know of her death. During her long illness, she had been a patient and cheerful sufferer. She was always active in church work up until the time of her illness, but even then she did not lose interest in affairs of her church.

Funeral services were members of the Knights of Pythias lodge of which, Mr. Palmer is a member. Burial took place in the family lot in the Novi cemetery.

METROPOLITAN SPELLING BEE ATTRACTS MANY NORTHVILLE STUDENTS

Approximately thirty students from the Northville Junior High School witnessed the spelling bee held at Detroit this year.

Miss Westberg had prepared so that everyone has a way to go and several people drove the students to Detroit.

The students heard the orchestra play and they saw former spelling champions. Among the champions who were present was a silver-haired woman who won the championship forty years ago.

Most of the students went home early.

LOCAL SCOUT TROUPE VISITS PLYMOUTH
The local Boy Scout Troop visited Plymouth, Wednesday, May 15, accompanied by their leader Mr. Thompson.

At Plymouth they competed against the local team in scout work. The things they did were: knot tying, signaling, compass, first aid, obstacle race, and a question contest.

Then a camp of honor was held giving away prizes. First and second places were given to the local team.

The final score of the day was Plymouth 24 points, Northville 16 points.

EIGHTH GRADE CLASS HOLD SPELLING BEE
The eighth grade spelling classes of Miss Hays held a spelling bee in the gymnasium on Tuesday, May 14, at 8 o'clock.

The first prize was given to the team who won down to the last word.

MEMBER MEETING FOR CITIZENSHIP HONORS
The members of the Northville Citizens' League met on Tuesday, May 14, at 8 o'clock.

The meeting was held in the school building.

MEMBERSHIP OF YOUTH CLUB IS RAPIDLY INCREASING
The membership of the Youth Club is rapidly increasing.

The club has many members.

DEBATE IS HELD IN BUSINESS TRAINING CLASS
The ninth grade Business Training Class held a debate in the commercial room last Friday, May 10.

The question for debate was resolved that Mr. Adams who wishes to organize a business should organize a corporation instead of a partnership.

The affirmative side was upheld by Irene Evert, William Springer and Jane Lawrence.

CLUB PRESIDENT TELLS OF PARKS AND DATES OPEN

Where Northville Motorists Can Plan to Take New Trips

With several of the major national parks already open and others preparing to open their gates to the annual flow of motorists, one of the largest motor caravans in history will visit these public-owned domains this year, says Nelson Schrader, president of the Northville Automobile Club which is affiliated with the American Automobile association.

According to Mr. Schrader between two and a half and three million car owners are expected to visit the national parks during 1929. He announced the schedule of opening and closing dates as follows:

- Crater Lake Oregon July 1 to September 29
- General Grant California May 15 to October 1
- Glacier Montana June 15 to September 15
- Grand Canyon Arizona open all the year
- Hawaii Hawaiian Islands open all the year
- Lafayette Maine open all the year (Summer season June 15 to October 15)
- Lassen Volcanic California June 1 to September 15
- Mesa Verde Colorado May 15 to November 1
- Mount McKinley Alaska June 1 to September 15
- Meune Harrier Washington June 15 to September 15
- Platt Oklahoma open all the year
- Rocky Mountain Colorado open all the year (Summer season June 15 to September 20)
- Sequoia California May 15 to October 1
- Sully Hill North Dakota June 1 to September 30
- Wind Cave South Dakota open all the year (Summer season June 15 to September 30)
- Yellowstone Wyoming June 20 to September 19 (Open June 1 to October 15 for motorists)

Timely Tips For Northville Gardeners

Strawberries may be cultivated until the flower opens, then discontinue this work and spread straw or grass under the leaves and flowers. The dust from cultivation often destroys the fertilization of the flower, resulting in a poor crop.

Apple trees should be inspected often this month. Be sure to spray at proper periods.

Hothouses must be carefully watched. On still, clear nights give some slight protection from frost as long as necessary. Also avoid scalding the plants in the hot sun by adjusting the glass carefully. Harvest of the young plants before setting them out.

Watering the lawn is an important work, but unless it is properly done the results are likely to prove detrimental. Let the water run in a steady stream around the roots of plants or in one spot on the lawn until the ground is thoroughly soaked. Use a fine spray over the foliage. The best time to do this work is in early morning or late afternoon—never in the heat of the day. Any one of the good sprinkling systems on the market will prove a real boon to the gardener.

Holes in the perennial border can well be filled this season, with annuals and later be replanted to perennials. A few long blooming annuals will, in many cases, improve the looks of the border, due to their fine flowering qualities.

Make successive plantings of radishes, onions, peas and the like every two weeks to provide for plenty of green stuff throughout the early summer.

Asparagus beds must be fertilized well each year and now is good time to do the work. A top dressing of commercial fertilizer will do as well as manure and has the added advantage of being free from weed seed.

Prune shade trees sparingly, if they must be pruned at all. Any old treatment is not good enough for flowers.

Many roses are injured each year by improper pruning. A good rule to remember is that most climbing roses bear the best blooms on growth of the previous summer and that other roses yield best bloom on growth still to be made.

Prune small seeds with dry and careful care to sow evenly.

In planning the annual flower garden, to avoid the bloom all in the fall include some that bear the annual such as purple, multi-colored, California poppy.

gilia, stock, pinks, ageratum, phlox and geranium.

Cold nights are sure to occur even after the garden is up. Have on hand a quantity of tin cans and fruit jars for just such an occasion. Newspapers weighted down by clods also afford adequate protection.

A word of advice to the man planning a home. The coal chute should be so located that lawn need not be mowed by wheelbarrows, rakes or trucks. The logical location is one accessible from the side drive and near the front of the house.

The highest grade fertilizer which meets the individual requirements is the most economical to buy since a greater percentage of the purchase price goes to pay for plant food.

RECORD LINERS PAY—TRY ONE

NORTHVILLE 25 years ago

The Ball residence on Center St. is being newly painted.

Two to four degrees below the freezing point was the record for Wednesday night.

Roy Terrell has recovered from the measles and has resumed his work at VanAken & Ryders.

Mr. and Mrs. J. R. Trufant have gone to Lansing, where they will reside.

A reliable Northville man who has been working on the old Hathorn farm in Novi township reports a "crawley" snake story. In and around a hole near the house where a well was formerly located, over thirty "streaked" snakes of all sorts and sizes have already been killed, and there is no reason to suppose that the supply is yet exhausted.

Will Guhr has been in Ypsil and other parts of this week.

E. O. Webster and wife came home from Cassiowick yesterday where he has been in charge of one of the U. S. sub fish stations.

New Country Phones for Northville on fishery and base line road include Chas. Coldren, M. H. Sloan, E. M. Starkweather, Geo. Clark and Tope Bradley.

Carpenter & Hart have built an addition at rear of their store which enables them to have their "tinny" on ground floor.

COMMISSIONERS' NOTICE
In the Matter of the Estate of WILLIAM BEYER, Deceased.

We, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the office of F. J. Cochran in the Lapham Bank Bldg. at the Village of Northville in said County, on Wednesday, the 19th day of June, A. D. 1929, and on Friday, the 30th day of August, A. D. 1929, at 10:00 o'clock A. M. of each of said days for the purpose of examining and allowing said claims, and that four months from the 30th day of April, A. D. 1929, were allowed of their claims of us for examination and allowance.

Dated April 20, 1929.
MILO N. JOHNSON,
M. B. JEVIGEN,
Commissioners.

The dairy cow fed half a bushel of null feed is apt to eat the sharp pointed wires or nails along with her feed. Such material is collected and held in one compartment of her stomach, where it often does no harm. It is not uncommon, however, for a piece of wire or nail to penetrate the wall of the stomach and reach a vital organ with fatal result. It is well to use pliers for cutting the wire on baled hay, instead of a hook or axe, as there is less danger of short pieces of wire being broken off with the hay. Some farmers use magnets over which all ground feed is passed.

Check Value for Value Price for Price!

the COACH \$595

If you are considering the purchase of an automobile, you owe it to yourself to check the new Chevrolet Six against any other car—value for value and price for price!

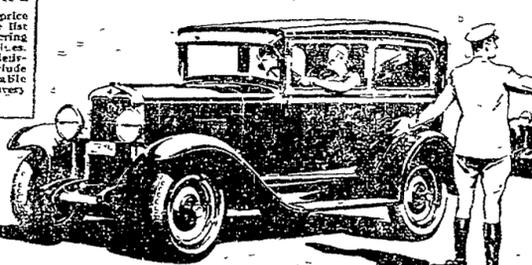

Here, in the price range of the four, is offered a smooth, powerful, six-cylinder, valve-in-head motor—which delivers better than 20 miles to the gallon of gasoline—and whose smooth, quiet, velvety operation, with its complete lack of drumming and vibration, is a revelation. Here are beautiful bodies by Fisher—with fittings by Ternstedt—rich, deep-tufted upholstery and adjustable driver's seat. And throughout the entire chassis are found numerous examples of advanced engineering—such as quiet, non-locking 4-wheel brakes... ball bearing steering mechanism... and automatic acceleration pump.

But no mere recital of features can give you any conception of Chevrolet's value leadership. So we urge you to come in and see for yourself why over 500,000 people have chosen the new Chevrolet Six since January 1st!

It costs very little to recondition a MODEL T FORD

THE Ford Motor Company is making a new car, but it is still proud of the Model T. It wants every owner of one of these cars to run it as long as possible at a minimum of trouble and expense.

Because of this policy and because of the investment that millions of motorists have in Model T cars, the Ford Motor Company will continue to supply parts as long as they are needed by Ford owners.

So that you may get the greatest use from your Model T, we suggest that you take it to the nearest Ford dealer and have him estimate on the cost of any replacement parts that may be necessary.

You will find this the economical thing to do because a small expenditure now will help to prevent costlier repairs later on, increase the value of the car, and give you thousands of miles of additional service.

For a labor charge of only \$2.50 you can have your generator put in first-class condition. A new universal joint will be installed for a labor cost of \$3. Overhauling the carburetor costs \$1.50; steering gear, \$3.50; radiator, \$7.50. A complete overhauling of the rear axle assembly runs between \$5.75 and \$7 for labor. An average price of \$22.50 covers the overhauling of the motor and transmission.

These prices are for labor only because the need and number of new parts depend on the condition of each car. The cost of these parts is low, however, because of the Ford policy of manufacturing and selling at a small margin of profit.

Local News

T. G. Richardson was confined to his home by illness a part of last week.

Miss Rose Blundell is in Brighton for a two week's visit with relatives and friends.

Mrs. G. W. Carlson spent the week-end in Detroit with her son, Percy and family.

Miss Lorraine Westcott was removed from Sessions hospital to her home on Saturday and is improving nicely.

Mr. and Mrs. Onas Johnson and daughter Beatrice spent the week-end with Mr. and Mrs. Forace Boyd at Grand Rapids.

Mr. and Mrs. Henry Perry and daughter Geraldine, and George Mattson, all of Detroit, visited friends here on Saturday.

Dan Leiby, who has been seriously ill in Hurley hospital at Flint, has so far recovered as to be taken to the home of his sister in that city.

Chief of Police William Safford was in Detroit, Monday, called there by circuit court officials relative to the robbery case of the White Service station.

Mr. and Mrs. H. J. Blowers had as guests from out of the city, Sunday, Mr. and Mrs. Walter French of Farmington, and Mr. and Mrs. William French of New Hudson.

Miss Elenora Sinton, who is training in St. Joseph's Mercy hospital, Ann Arbor, spent a few days over the week-end with her father, J. Sinton, and other relatives in Northville.

Mr. and Mrs. B. A. Grant and daughter, Lenore of Jackson, and Mrs. Charles Ellis of Hillsdale, called on Mr. and Mrs. F. I. Perkins, and other Northville friends, Sunday.

The King's Daughters will hold their pot-luck dinner and business meeting at the home of Mrs. Nelson Schrader, Tuesday, May 21st, at six o'clock. Bring your usual dishes.

Mrs. Hedding of Detroit, will be a guest.

The Richardson store on West Main street is being altered considerably preparatory to the removal of the Elliott bakery from its present location on East Main street. The change will be made within the next week or so.

Charles Dubuar left Wednesday for Seattle, Washington, where he will spend a few weeks visiting with his son, Mrs. Dubuar is now in Seattle, where she has been for several weeks past. This is the first trip of Mr. Dubuar to the Pacific northwest.

Members of the Northville Knights Templar plan to attend church services in Farmington, Sunday, in a body. They will meet at the Masonic temple in Farmington at 10:20, and march from there to the church, Rev. Elmer Palmer having invited the local Masonic organization to be his guests for Ascension Day services.

The interests of Harrison Johnson in the New Supply company has been purchased by John R. Walters, who has been manager of the concern for the past two years. The business is now owned by Mr. Walters, and L. F. Gildemeister and will continue to operate as in the past. The company serves a large territory and does an excellent business.

On Friday, May 24 through arrangements made by the McCordle & Wilson plumbing shop, the Crane traveling exhibit of plumbing and heating fixtures will be in Northville for the day. In the big motor display there will be shown every convenience for the home and according to Mr. Wilson every one will be welcome to visit the exhibit and see the many ideal fixtures for home comfort that are displayed.

Always doing something to help bring business to Northville, the Schrader Bros furniture store, has recently started a new way of attracting business. Each week Mr. Schrader places in one of his big display windows some special bargain of household furniture. Possibly this week it is a bed. Maybe next week it is a kitchen cabinet. Every week it is something different—and the price on it is placed at cost. The plan so far is working out very successfully, and it is interesting people to watch the big windows for specially marked bargains.

Church Notices

The Baptist Ladies Aid society will meet at the home of Mrs. Wm. Coffin, Wednesday, May 22nd, at 2:30 p. m.

Wilbur J. Werve, successor to Irving J. Ulrich in the dairy business, was elected a member of the Exchange club, Wednesday.

The regular meeting of the W. C. T. U. will be held Thursday afternoon, May 23rd, at 2:30 o'clock at the home of Mrs. Ida Starr on Cady street.

Ray and Mrs. Frank P. Knowles have returned from Tryon, North Carolina, where they have been for the past two weeks on a brief vacation trip.

Mrs. Ed. Gow and daughter, Mary Hester, attended a mother and daughter banquet at Farmington, Wednesday evening, with their mother, Mrs. Charles F. Gow, Sr.

William Malone of Highland Park, gave a talk at the school Wednesday morning, and also before the Exchange club at noon, on the necessity of having some ideal in life to aspire to.

Mr. and Mrs. I. W. Barnhart have arrived from Florida, where they have been spending the winter and are spending a few days at the home of Mrs. John Tinham, a sister of Mrs. Barnhart.

At Wednesday's meeting of the Exchange Club, Dayton Bunn and Clifford Castorine were elected delegates to the state convention of Exchange clubs, which will be held at Fort Huron next month. About a dozen other members expect to go to the convention.

The Para Marguerite Square club of Detroit, will Monday evening conduct the degree work for the Northville Masonic lodge. Work will begin at 5 o'clock in the afternoon with a supper at 6:30 o'clock. Members of the Eastern Star have for the present taken over the serving of meals for the lodge.

Numerous complaints have been made to Chief of Police William Safford lately of groceries being stolen from automobiles left parked on the streets. Saturday nights last Saturday night two thefts took place from cars that had been parked on South Center street. Chief Safford urges car owners to be sure and lock their cars when placing packages within them.

Northville folks are back from their "Trip to Paris," delighted with their experiences on "the other side." Members of the American Legion are also highly pleased because they have in their bank account many good American dollars that they gathered from the tourists who took the trip. The two-night home talent show given by the Legion was a success in every way and provided plenty of real entertainment.

Miss Helen Westfall was united in marriage to Edward Meinung last Thursday May 9th, by the Rev. Wilbur Richards at the Methodist parsonage. They were accompanied by the groom's sister and her husband, Roy and Edith Romancher of Plymouth. The young couple were attended by the ring service. Their home is on the Farmington road, where the bridal pair will live after their honeymoon. A goodly company of friends assembled after the ceremony, giving the happy pair a pleasant farewell on their wedding trip.

ROY CLARK

ANNOUNCEMENT:
After having handled the Grand Rapids Paint & Enamel Co's products for several years and wishing to handle orders in as short a time as possible, I am to leave for Flint and glass, inside and outside paints, enamel and varnishes, roof paints and porch paints.

This paint has a wonderful covering body and will stand thinning from one-third to one-half, making it an economical paint to buy.

I also carry pure linseed oil and turpentine. I am prepared to give you estimates on your house painting by the hour, labor and material guaranteed satisfactory.

Call at 223 Linden or phone 343 for prices. Orders solicited.

NOTICE

At a meeting of the Western Old A. Gas Distributing Agency of Farmington and Novt held Friday, May 10th, the resignation of Harrison Johnson was received and accepted. The business will continue under the management of Mark W. Winton, 310 Warner avenue, Farmington. Beginning Monday, May 25 phone all orders to 243 Farmington or Northville 3743.

NORTHVILLE

MICHIGAN

FREDMING TORUN FOR GOVERNOR IS LANSING RUMOR

Ending of Legislative Session Brings Out Host of Candidates

Michigan Press Association, Lansing Bureau, May 9, 1929.

Providing in the closing hours of the hospital building and rehabilitation program which has been a bone of controversy all during the session, the legislature of 1929 wound up its affairs Wednesday night at 9:30 and adjourned sine die. Appropriation bills will create a new record of high taxes for Michigan. Members of the legislature as well as all the people of the state fully realize that it is imperative that state hospitals have more buildings and that old buildings must be repaired and made usable. With every such institution in the state seriously overworked and with hundreds of patients on the waiting list, the present condition is nearly if not all of these institutions is a disgrace to Michigan. The program, as outlined will cover four years of building and preparing the most pressing needs to be taken care of first and the others to follow as rapidly as is financially possible. Members realize that in making appropriations for this purpose for a longer period than 10 years they were going beyond their present term of office but realizing that the legislature of 1931 may change the program they felt that were right in instituting the program and getting it under way without further delay.

The final action of Senate and house removed the proposition for a mill tax as proposed in the Hartman bill, changing it to direct appropriations. The bill as passed by both houses calls for an instructional tax of \$5,040,000 for 1930-31, \$3,880,000 for 1931-32, for hospital purposes, and the 1931 figures total \$5,717,300 of which \$4,287,800 is for hospital purposes. The figures for 1932 and 1933 are still higher being \$7,429,500 for 1932 and \$7,840,500 for 1933, but of course these figures may be changed by the next legislature.

The only call of the House for this session was made on this bill, on the demand of Representative Gus Hartman author of the bill. The call brought in however not more than half a dozen members who were outside the bar of the House when the measure came up for final action. It is on this bill that the House has made its decision. The members who were present by the vote of 10-10. The members who were present by the vote of 10-10. The members who were present by the vote of 10-10.

wing, Hall, Harnly, Holland, Kasper, MacDonald, Miller, Snow, Watson, Williams and Wilson.

Among the last hour activities were the passing of the malt tax bill and the killing of the medical "basic science" bill, both of which were been the subject of much controversy. The osteopath bill, however, saving the osteoc last year examining board went through both houses and is in the hands of the governor.

Another last minute measure saw the passing of the so-called "punishment" bill, which has been so extensively lobbied for and against. The bill as finally passed does not change the provisions of the present law, except to provide that the plaintiff must furnish the address for the stop number of the defendant which will enable the large employer of labor to identify the particular John Jones or Sam Smith from among the dozen of that name in his employ, which is fair enough.

The capital punishment measure was called back this week to correct a defect in the law which might let murderers escape any penalty prior to this law going into effect. While this is being corrected a demand for a new effort was made in both houses to attach the referendum clause which had been removed on its way through the bill but these attempts failed miserably and the bill is in the hands of the governor.

The conservation department's new and game bills finally went through both houses, but so changed and mangled that they could not have been recognized by their authors. A provision which would have controlled the conservation department to spend about \$300,000 for game refuges was finally stricken from the game bill after a battle

fight on the floor of the House. The Howell bill, which would have required all drivers of automobiles to undergo an examination on a test of their drivers' licenses, was killed in the transportation committee of the House.

The Cuthbertson bill for the sterilization of mentally incompetent or insane persons, was approved by the Senate, where it had been held in committee until it was thought among the dead issues.

Among the more important bills to be passed during the session are: a new election code providing for permanent registrations in cities of 5000 or over.

The cabinet plan bill important amendments to the criminal code.

Strenuous penalties for infringement of the liquor laws.

Establishing a state police radio broadcasting station.

Prohibiting sale and use of fireworks except by special permit.

The cigarette tax.

Michigan's first budget bill.

Regulation of oil and gas industry.

Re-enactment of the teachers' retirement law.

Preventing carrier of automobile from liability of damages for injury to passenger.

Amending income tax laws.

Establishing council to study court procedure with a view of simplifying court practice.

Creating state board of aeronautics.

More stringent narcotics restrictions.

Providing \$2,000,000 to aid poorer school districts.

Tax commission to study methods of taxation and recommend possible changes to next legislature.

Political brows began to raise their appearance during the closing days of the session. Among the

many were those for possible candidates for governor, lieutenant governor, state treasurer, attorney general, congress and other important places.

Governor Green remains silent as to his plans for the future, but it is not thought likely he will stand for a third term.

Fred Ming of Cheboygan, the most efficient speaker of the House for many years, is spoken of as a most likely aspirant for gubernatorial honors. He would have many warm supporters from among the members of the legislature. Other possible candidates are Charles DeLand, John S. Riggerty, William Brucker, and of course Luren Dickenson.

Senator Charles S. Smith of Ann Arbor, as seriously mentioned as a candidate for lieutenant governor. He has had many years of legislative experience in both houses and has many friends in political circles.

Senator William E. Turner of Monticello is prominently mentioned as a candidate for state treasurer.

Representative George C. Watson of Caspaz who has been a most efficient chairman of the judiciary committee of the House for several years will very likely be a candidate for attorney general.

Representative Gus Hartman of Saginaw is apparently away on leave for the position of speaker of the next House. He is an outstanding member of the House and hard worker, and has many friends. And these are but a few from among the many.

OUR PRESIDENTS.

JAMES K. FOLK
(Lawyer, Democrat)

Born in Pingville, N. C., November 1, 1795. Married Sarah Childress, 1824. Was inaugurated in 1843 and served four years. Died June 15, 1849.

The boundary line between Texas and Mexico was in dispute. Both the U. S. and Mexico claimed territory into the disputed area. There was a clash in which some of the United States soldiers were killed. A two years war followed which resulted in the complete defeat of Mexico. The United States, however, paid Mexico \$15,000,000 for the disputed territory, which comprised California, Utah, Nevada, parts of Wyoming, Colorado, New Mexico and nearly all of Arizona.

The Slave States have been accused of bringing on the Mexican war in the hope that the territory acquired would become slave territory. The North was never in complete sympathy with this war and undoubtedly the feeling engendered increased the friction between Free and Slave States.

Waffles served with crushed strawberries make a good dessert for this time of year. Add cream if you like plain or whipped. And sweeten the waffles batter a little more than usual.

Buy Furniture as you buy a Bond

Thrift in saving is no more important than thrift in buying. The war showed us how to buy bonds—paying a little at a time. And once people owned bonds than any one in this country would have believed possible. Furniture dealers of the better sort realized the tremendous waste caused by people buying poorly constructed, poorly styled furniture which lasted only a short time—the remedy was in making it possible for them to own the finest furniture, paying for it out of income.

Today that is the accepted way of buying furniture. Almost 80% of the furniture sold in the United States is sold on deferred payments. Don't waste money—buy good furniture. Pay for it conveniently. Come in now and make your selection from these huge August Sale stocks. Let us tell you more about the ease of ownership under our plan. And particularly let us show you the new Simmons Beds—just received.

Society Girl a Big Game Hunter

Miss Gertrude Sanford, New York society girl, athlete and big game hunter, shown with one of the five lions which she shot on a recent hunting trip to Tanzania. Miss Sanford is now in Abyssinia heading the Sanford-Legendre expedition of the American Museum of Natural History in search of specimens of the Nyala, a very rare species of antelope.

MANY NEW LAWS AFFECTING USE OF AUTOMOBILES

Northville Car Owners Will Be Interested in These Bills

Northville automobile owners will be interested in the many new laws that have been passed by the legislature during the past winter pertaining to the ownership, operation and responsibility of cars. Altogether there were 102 bills passed, affecting the use and ownership of motor vehicles in some way.

All of these bills do not affect the operation of motor vehicles, as many of them have to do with the building and regulation of roads, but they are classed as "automobile bills" for the reason that the road program in its entirety is so far as the State is concerned, is financed by levies on the motor vehicle owner and operator.

Out of the more than 100 bills, 16 which were passed by both branches of the Legislature will directly affect the car owning public. From a Detroit standpoint the most important of these is the one introduced by Rep. Oscar C. Hall, amending the act creating the Recorder's Court to establish a traffic tribunal with two judges handling this type of offenses. This is House Bill 47 introduced January 24 and concurred in by the Senate in the closing days of the session.

House Bill No. 2, introduced by Rep. Joseph E. Warner, of Ypsilanti, was one of the bills to first pass both houses and provides that the owner of a vehicle shall not be liable for damage in the event of an injury to a guest passenger, except in the event of gross negligence.

House Bill 101 was also introduced by Rep. Warner, to regulate automobile trunk lids by requiring that, with the idea that these unsightly encumbrances would not be permitted to locate on main trunk line roads and near the landscape.

House Bill 107, introduced by Rep. Fred F. McEachron of Hudsonville, provides that the Secretary of State shall establish a branch office for the sale of license plates in every county seat if it does not apply for continuous credit, however, as this would mean 11 or more offices in Wayne County.

House Bill 167 introduced by Rep. Harry E. Barnard, of Jackson, provides for the protection of the holder of a lien on a conveyance, seized in violation of the prohibition law. The holder of the lien must bring action within 60 days after the order of confiscation has been entered to establish his rights. A companion bill to this is No. 236, introduced by Rep. Vernon J. Brown, of Mason, which provides that cars seized for such violations can not be used by the officers having them in custody and that after the 60-day period the State Administrative Board must not sell the vehicles without due notice to all parties and that an assembly record of all cars seized must be kept and open for public inspection at all times.

House Bill 207, introduced by Rep. H. Earl McNitt of Cadillac, provides that the State Highway Commissioner and the Commissioner of Public Safety shall have jurisdiction over the location and erection of traffic light signals on main highways. This is to provide for a more even flow of traffic and prevent indiscriminate erection of stop lights. Rep. McNitt also introduced House Bill 208, which makes it a felony to have a motor vehicle equipped with any device capable of producing a smoke screen, thus having been resorted to by operators anxious to prevent pursuit by peace officers.

House Bill 225, introduced by Rep. Wilbur B. Snow, of Conistota, provides for the marking of "deceitful" highway construction as in progress.

House Bill 409, introduced by Rep. Dewey C. Cook, of Lowell, enables the county supervisors to light the highways outside of the incorporated cities and villages.

Senate Bill 19, introduced by Senator Chester A. Howell, of Saginaw, increases the State Highway Trunk Line system by 300 miles. Senator Howell also introduced Bill No. 159, providing the means for proceeding in civil suits against non-resident motor vehicle operators. A third was his Bill No. 272, which amended an old law requiring all gasoline containers be painted a bright red. Under this law every automobile owner, driving a car in which the gasoline tank was not painted red was subject to a fine. It also legalizes the painting of pumps at filling stations other colors than red.

Senate Bill 227, introduced by Senator Calvin A. Campbell, of Eastland, amends the law regulating the operation of commercial motor vehicles on the highways, with particular regard to equipment. The outstanding safety measure handled in the bill was the requirement of bumpers on certain trailers and trunk. In the event the body of the vehicle is 42 inches or more above the roadway, the rear of the vehicle must be equipped with a bumper extending to a point not more than 30 inches above the roadway. This was directed chiefly at the trailers for hauling automobile bodies, which are rather high above the roadway and in some instances car owners have driven their cars under the rear of the trailer body and serious accidents have resulted.

Do you know the leaflet issued by the United States Department of Agriculture on cooking lamb? It is called "Lamb As You Like It" and contains a number of good receipts, to be had by simply writing to the department for a copy.

HAS TAKEN RECORD FOR OVER 39 YEARS

Forty years ago I came to Northville to live and the next spring after I moved here I subscribed for the Northville Record," said A. B. McCullough, one of Northville's well known citizens recently. When he came into the office to pay his subscription for the 39th time, "I started taking the Record the next year after I came here and I have never missed a copy of it since. I moved to Northville from Cass City, up in the Thumb country, where I had lived quite a few years. I went to work for John Hirsch in his old carriage shop, and for 18 years I was employed there," added Mr. McCullough. "I have seen a lot of things since I moved to Northville and I expect to see it grow considerably more in the next few years."

Northville Develops into One of the Most Progressive Little Communities in Wayne County

Northville develops into one of the most progressive little communities in Wayne county and he says he expects to see it grow considerably more in the next few years.

If possible, have your winter garments and furs dry cleaned before storing them over the summer. Then pack them away carefully in tight packages or boxes which can not be entered by moths, in search for the repellants such as naphthalene balls or flakes, or crystals of paradichlorobenzene, may be enclosed with garments, but when they have been dry cleaned and packed immediately they are not likely to harbor any moth eggs. Hat boxes may be sealed around the edges with gummed paper.

man devoted to the ideal of quality and service. He stands ready to give you the most in value and is equipped to help you get "Most Miles Per Dollar." He will mount these tires properly, inspect your rims and wheels without charge.

CASTERLINE SERVICE STATION

FOOT OF MAIN STREET

NORTHVILLE, MICH.

Salem Events

Mrs. Sarah Stanbro entertained Mr. and Mrs. A. C. Vansickle and Laura Smith for supper last Monday.

Mr. and Mrs. Ed Youngs and Sarah Stanbro were Brighton visitors on Wednesday, at the home of Mr. and Mrs. Will Thompson.

One hundred and fifty people sat down to the Mother's Day banquet, which was given by the Federated Aid last Friday evening. Guests were present from Ann Arbor, Ypsilanti, Plymouth, Deford, Northville, South Lyon and Wixom. The dining room was attractively decorated with lavender and purple crepe paper streamers covering the entire ceiling and favors of the same color. Roses in baskets and vases adorned the tables. During the serving songs were sung by all.

After supper a very interesting program was given. Mrs. Walter Torabacher of Ann Arbor acted as toastmaster, which was filled in a very able manner. Mrs. R. E. Geraghty gave a talk to the daughters, which was very interesting. Several songs were sung by some of the daughters. Mrs. Means gave several readings which we all enjoy. Mrs. Sarah Stanbro, one of the oldest mothers responded with her usual wit and humor. Miss Olive Ann Soper gave a talk in behalf of the daughters. A young woman speaker of Ann Arbor then gave a talk which all enjoyed. The program then closed with presiding roses to the oldest and youngest mothers who were Mrs. Ovenshire of Wixom for the oldest and Mrs. Walter Facer of Plymouth for the youngest.

Mr. and Mrs. John Youngs of Ypsilanti spent Thursday and Friday with Mr. and Mrs. Ed Youngs.

Mr. and Mrs. L. S. Lacey and son of Dearborn were Sunday visitors with Mrs. Sarah Stanbro.

Mr. and Mrs. C. J. Stanbro entertained for dinner Sunday, Mr. and Mrs. R. E. Geraghty and children and Mr. and Mrs. E. E. Mower of Ypsilanti.

Mr. and Mrs. E. Youngs visited friends in Ypsilanti Sunday.

Mrs. E. E. Mower of Ypsilanti spent several days last week with her sister, Mrs. C. Stanbro.

Mr. and Mrs. McKnight of Walled Lake were Sunday visitors at the home of Mr. and Mrs. Bert Stanbro.

Mrs. Carl Sage of Plymouth spent Sunday with her parents, Mr. and Mrs. N. Barkaw.

Misses Hazel and Beulah Merritt of Detroit spent the week-end with their parents, Mr. and Mrs. A. M. Merritt.

Mrs. E. Geraghty received word Monday of the serious injury of her cousin, Carl Packard, son of Donald Packard of Island Lake, completely demolishing his new LaSalle car and injuring the young man very seriously, one side of his face being cut and several teeth knocked out and possibly fracture of one leg.

Mr. and Mrs. E. F. Schroeder were Saturday business callers in Northville.

Mrs. H. Tousey spent Sunday with their son, Harold, in Ann Arbor, whose wife has been very ill the past week. Mrs. Tousey expects to remain with them for several days.

Will Groth and wife of Dearborn were Sunday supper guests at his parental home.

Sunday guests at the Congregational parsonage were Mr. and Mrs. L. J. Kahler and family and Mr. and Mrs. Earl Speers of Detroit were guests of their parents, W. A. Kahler and wife on Mother's Day.

Mrs. C. W. Payne, Dr. and Mrs. A. Holcomb and son of Northville, A. Sunday afternoon, callers at the on Mother's Day.

Albert Groth home were A. C. Groth and family and Mr. Tracy and family of Plymouth.

Mr. and Mrs. Frank Buers were entertained Sunday with dinner by Dr. and Mrs. Carl Squary, in Plymouth.

The Ladies' Auxiliary society of the Congregational church held its May meeting and supper in the church parlors and the supper was enjoyed by a goodly number of men and women.

Friday evening the Exterior class meeting also took place in the church parlors. After the business session games were played and Mrs.

Health Returns Quickly Through Use of Konjola

It's that Defied Every Treatment for 15 Years Yield to Modern Medicine

Mrs. Hazel Styers

More words cannot express my appreciation for what Konjola did for me, said Mrs. Hazel Styers 525 Cherry street, Ann Arbor. Stomach and kidney troubles were the source of my suffering. Indigestion, gas pains and bloating followed every meal. As my condition grew worse, my nerves weakened, and I was bothered by a very nervous condition.

Two bottles of Konjola made me feel better than I had felt for the last fifteen years. Every one of my old health troubles were swept away. I gained in weight and strength and feel better all over. No wonder Konjola is such a famous medicine.

Konjola is sold in Northville by the Northville Drug Co., and by all the best druggists in all towns throughout this entire section—Adv.

"YOUR GAS COMPANY"

Hillcrest Orchards

Main Street, Northville, is soon to be opened beyond Clement Avenue which will bring Hillcrest Orchards to the corner of which ultimately will be the choicest bit of ground in the district. Water, gas, electricity, all will be on call for use of home owners of Hillcrest Orchards.

Look the location over. The acres are all staked out which enables the prospective buyer to select his little farm which every one of the 17 lots actually will be. And behold the location, the landscape, the height of all above Northville.

H. Schroeder kindly acted as hostess serving the refreshments.

The Irvin E. Lonsberry family entertained relatives and friends last Sunday.

On Mother's Day Mrs. Louis Schroeder gathered all her family around the dinner table. The Defords from Grosse Pointe Park, A. Schroeder and wife of Detroit, Mr. and Mrs. G. H. of Wayne, Herman Schroeder and family and August Schroeder and family and the Led Dudley family.

Mrs. Glenn Burnham and Mrs. Frank Ebers motored Saturday evening to South Lyon.

Lester Kehrl spent Sunday in his parental home.

Mr. and Mrs. R. E. Pennell arranged a delightful birthday party for their little son, James Roy, whose birthday occurred this week. Mr. Pennell took his family and guests to Belle Isle for an outing and supper.

Mrs. Lucia M. Stron being ill and under the doctor's care, since Friday, was not able to deliver her address on Saturday night at the Mothers' and Daughters' banquet held under the auspices of the M. E. church and Dixboro and Mrs. Cora May Pennell kindly took her place. Those from here attending were Mrs. L. W. Smith, Mrs. J. Clark, Mrs. E. Wilson, Mrs. E. Lyke and daughter, Doris.

Mr. and Mrs. O. Dudley and Mr. and Mrs. Clifford Clark of Redford spent Sunday evening in the R. W. Kehrl home.

Mr. and Mrs. Glenn Burnham, accompanied by Mrs. Frank Buers were in Detroit Thursday.

Mrs. Marjory of Northville was a guest of her daughter, Mrs. C. W. Payne, on Mother's Day.

Mr. and Mrs. R. E. Pennell were Sunday callers at the Charles Manning home, at the Salem Inn.

Mr. and Mrs. C. W. Lewis and Mr. and Mrs. Pickard of Northville, were dinner guests Sunday in the C. W. Payne home.

Salem Congregational Church

Rev. Lucy M. Stron, Pastor

Rev. Cora May Pennell filled the pulpit for Mrs. Stron Sunday, as the pastor is confined to her home by illness.

The church was filled for the Mothers' Day service with parents, children and mothers coming from distant towns. Everyone enjoyed the splendid message of Mrs. Pennell, the lovely solo by Mrs. J. Speers and duet by Mr. and Mrs. Fred Foreman and the two beautiful songs by the choir and the wonderful tribute given their mother.

Mrs. Harry Clark and Mrs. Frank Buers had a recitation by Marian Schroeder.

Friday evening the Ladies' Auxiliary society will give the annual C. W. Sney supper in the town hall, beginning at 5:30, and until all are served. All our friends are cordially invited.

The Excelsior class will give its supper and play sometime at the end of the month. Watch for the announcement.

Service next Sunday at 10:30 a. m. The pastor expects to be present and bring a message, and would like to see all members present. All Sunday school at 11:45 a. m. All are welcome.

Too late for last week.

Mrs. N. G. Currie, and Eleanor Berner, attended the style show at

Electric Cookery tastes better

ONCE you have enjoyed electric cookery, you will never again agree to cook with fuels. Only with an Electric Range can you secure the rich, natural flavor and melting tenderness of meats and vegetables—because the natural flavors are sealed in. Even cheaper cuts of meat cook tender in an electric oven. Consistent baking results are easy to secure because the controls and automatic features eliminate guesswork.

You can enjoy electric cookery in YOUR kitchen NOW. Convenient time payments and a liberal allowance for your present cooking equipment make it unusually easy for you to install a MODERN electric range. Come in and inspect the new models.

THE
DETROIT EDISON COMPANY

CONGRESS FROM WITHIN

By
GRANT M. HUDSON, Congressman
Michigan, Sixth District

A tariff bill which has been in the making for the past four months was brought out of committee and placed before the House on Tuesday, May 7. The Ways and Means committee held hearings for months and was in executive session for weeks attempting to bring out a bill that would agree with the ideas set forth by the President for a limited revision of the present law and at the same time satisfy the farmers, manufacturers and exporters.

Copies of the bill which is 484 pages in length were placed in the hands of the members of the House and the Press at noon Tuesday. The Representatives had until Saturday when a Republican Caucus was called and the general debate started Monday.

As a party stance at some of the items on which the farmers are especially interested may be of interest. No increase is made in the rate of wheat, oats or potatoes, and there is an increase on beef here is none, on cattle five cents an increase of \$3.00 per head on sheep, milk is increased from 2 1/2 cents to 3 cents per gallon and cream from 20 cents to 48 cents.

There is a feeling on the part of some of the House agricultural leaders that the increases on the whole are not sufficient and the air is filled with uncertainty as to whether the bill will have the support of the farm block without considerable amendment.

The Democrats may be expected to lead an attack on the measure of their own. It will be a difficult task however, for the Democratic leadership to keep the party in line when it comes to the outcome of the scheduled tariff.

The tariff is a matter of national importance and the tariff is a matter of national importance and the tariff is a matter of national importance.

briefs and legal papers for the Supreme Court. He is in short, the lawyer for the entire government. Mr. Hughes, it is thought, is capable of filling this important position not only because of the high statesmanship of his father, Charles Evans Hughes but also because of his record as a successful lawyer in New York.

WEST POINT PARK

A ball game between Farmington grade team and West Point Park on the home ground Monday evening resulted in a score of 10-0 in favor of the home team.

Mr. and Mrs. Isaac Borg spent Friday evening with her mother, Mrs. C. Wolfe.

On their annual picnic for mothers and daughters Friday was successful. The occasion was beautiful. The supper was well prepared and the food excellent. Mrs. Haddock's address was the best we have had. Mrs. Mansfield received a bouquet of the class mother presented Mrs. Austin Ault the youngest and Vivian Ault as she was born the first Mothers Day.

Grandma Daves, mother of Mrs. William Zwickler, has been very ill and is under the doctor's care.

The monthly business and social meeting of the Adult Bible class was held Wednesday evening at the home of Mr. and Mrs. Austin Ault.

Austin Ault expects to make a business trip to Washington, Pa. He will take his family with him.

Miss Edna Ault has been called to Washington, Pa. where she will have charge of the home of her brother Rev. Lester Ault whose wife is in poor health. She will be accompanied by her mother Mrs. J. W. Ault who will spend the summer visiting relatives and friends.

Little Virginia Ault, the youngest child of Mr. and Mrs. J. W. Ault, is now in the hospital at the University of Michigan.

Mr. and Mrs. J. W. Ault will be in the city for a few days.

afternoon. The ball game between Pontiac Auto Supply company and West Point Park was played on the diamond here. At first it looked as if this team was going to get the worst of the game but at the end of the game, West Point had a score of 23 to 6 for Pontiac Johnson pitched for this team, Treadway was catcher.

Harry Houghland and his bride have moved into their home on Farmington road. Mr. and Mrs. Russell Ault are taking over the home formerly owned by his father and mother.

Mr. and Mrs. Baker and family of Detroit visited her sister Mrs. John Mercer and family last Sunday.

Mr. and Mrs. Richard Vance's daughter and baby have just recovered from scarlet fever.

Mrs. Esther Coelman and sister Mrs. Russell Ault returned Sunday from a visit to her mother at Ft. Wayne, Indiana.

The Senior class will give a box social in Community Hall, next Saturday night. An entertainment will be given by local and other talent at 8 o'clock; will give readings and a band will be there.

Mr. and Mrs. Sidney Rowe and family of Windsor, Ontario, were guests of the former's sister, Mrs. Austin Ault, Thursday.

Mrs. Rowe who has been visiting at the home of her daughter Mrs. Albert Owen, the past two weeks, returned to her home in Detroit Saturday.

The mother and daughter banquet was well attended Friday evening and was enjoyed by all. The following program was given: Involucron, Charlotte Wolfe, toastmaster; Annie Gullen, community.

Mr. and Mrs. J. W. Ault will be in the city for a few days.

Mr. and Mrs. J. W. Ault will be in the city for a few days.

Plenty of room in the NEW SUPERIOR Whippet

THE larger bodies of the new Superior Whippet Four and Six afford more spacious interiors, with extra head room, leg room and elbow room.

The beautiful and ultra-modern design of the new Superior Whippet makes it the style authority in both the Four and light Six classes. Many tasteful refinements include longer lines, higher radiator and hood, chromium-plate, and sweeping one-piece full-crown fenders.

The faster speed and pick-up of the new Superior Whippet result from a higher compression engine, giving more than 20% added horsepower. Low consumption of gasoline and oil, and dependable performance insure exceptional operating economy and minimum service costs.
