## WORK OF KING'S DAUGHTERS IS VERY HELPFUL

Non-Sectarian Group Carries Out Real Program of Comfort and Cheer

Back of the community announcement that the King's Daughters held a meeting last Tuesday afternoon, lies a background full of deep interest to the community. The group, having among its members organizations one which is created solely for the purpose of helping others. Reaching out broadly, there are no barriers to its membership. It embraces every creed and color and the good it does is immeasurable.

Looking back over the past year, at its recent annual meeting the local King's Daughters realized that they had accomplished more this past year than in any previous year. There was more to do and they arose to the emergency.

Belonging to the Detroit chapter, the King's Daughters of Northville have four distinct outlets for their charity.

(1) The Home for the aged in Detroit which is the only old people's home where husband and wife may spend their declining years unseparated.

(2) The children in the University hospital who come under the head of "State cases."

(3) A camp in northern Michigan where three mothers and children may enjoy a bit of out-of-doors.

(4) Local charity.

At the meeting Tuesday these women were still meeting bills for supplies furnished at the needy in this locality. Reaching out beyond local needs, they assembled a large bundle of clothing and food to be sent to the hospital. The only reward which comes to these King's Daughters are the signs of appreciation for their work. Last Tuesday a letter from the University hospital was read aloud describing the for which the Christmas box had brought to the little ones in hospital beds or on crutches.

In Northville not a case of sickness, that flowers from the King's Daughters do not cheer, not a loss in death that is not comforted by their touch of sympathy and many there are here who owe the comforts of a warm bed and food to their generosity.

And how do they finance these burdens? They work. Whenever their funds become low, they bake pies and cakes and make dozens of aprons, putting on a bazaar. Last Tuesday they realized \$200 from their efforts in such an enterprise. Hand in hand work the members of the sister churches in their common interest and of them it may be said "They do the little things that most folks leave undone."

**JACK LA-RUE HURT**

While playing with a number of other children in front of his home at 416 Randolph street, little seven-year old Jack La Rue fell from a bicycle and struck his head on the cement curb, becoming unconscious for some time. In the fall the handle bar hit the child's eye. His mother, Mrs. Mildred La Rue, is an assistant nurse at the Maybury sanatorium.

**NEWLY-WEDS GIVEN SURPRISE SHOWER**

**Seven Hundred Boys And Girls At Wayne County Training School See Chaplin Film, "City Lights"**

**WOMAN'S CLUB NOTES**

Club members and their guests had an unusual treat on Friday, February 27, when two students from the Merrill School of Expression contributed to the program by giving two one-act plays.

The first was a melodrama of Cromwell's time entitled, "For Lack of Evidence," and the second a low English comedy, "Widows." The young ladies taking part were Miss Agnes Park, Miss Evelyn Smith and Miss Phyllis Fox. Miss Fox being a granddaughter of our much-esteemed club woman, Mrs. Emma Fox.

The plays were under the personal supervision of Mrs. Theresa Mae Merrill who has been for three years, state chairman of the drama section of the State Federation of Women's clubs.

Mrs. Merrill also contributed several readings which were very cordially received.

The musical numbers of the program were given by Mrs. Maurice Hammett-Jones with a group of three songs.

This (Friday) afternoon, March 6, the club will enjoy a luncheon at the Women's League building at Ann Arbor at one o'clock. Cars will leave Northville at 12 o'clock, the transportation being under the direction of the program committee.

## ONE HUNDRED WORLD WAR VETERANS OF NORTHVILLE TO GET BENEFIT OF BONUS

Joseph G. Blake, Welfare Representative of Lloyd Green Post Here, Gives Details of Plan for Securing Money from Government

After years of effort, bitter fighting, and endless struggle the American Legion has succeeded in having the Soldiers' bonus bill passed over President Hoover's veto and applications for loans from veterans all over the state and country are flooding the mails.

Joseph G. Blake, welfare representative of the Lloyd Green post here in Northville, states that over one hundred veterans from this town would make immediate application for loans.

The bonus, said Mr. Blake, does not fall due until 1945 and this present bill allows for only a 50% maximum loan on that bonus. The veteran borrowing money on that bonus must pay it back with 4% interest and he may not receive his installment until he has paid back the loan.

The bonus gives the soldier one dollar for every day he was in the service during the war and this is increased if he was overseas, by twenty-five cents per day for the time he spent overseas.

Up until this time, according to Mr. Blake, a veteran could borrow from the bank on his bonus as collateral but he had to pay a higher interest charge.

If a veteran has borrowed money on his bonus from Washington, all he has to do to receive the balance of his 50% loan is to fill out an application and attach the red slip that Washington has sent him in receipt of his policy and mail it to the Veterans Bureau, 415 East Capitol Street, Detroit.

The bank is in possession of the soldier's policy, then in filling out his application, he must put down the bank's address instead of his own so that the check will go to the bank and they will give it to the veteran.

In case of borrowing money for the first time, the veteran must fill out his application, have it notarized, and then send the application together with his policy into the Veterans Bureau in Detroit.

Application blanks may be had at The Record office, Laplante State Bank, the Northville post office from Charles A. Schmitt, Commander of the Lloyd Green post, or from Joseph Blake, Welfare representative of the post.

**WOOD FROM ROADS GOES TO NEEDY**

"We have had just one day of snow fighting this winter," said Herman C. Kiegele, highway commissioner of Northville township, as he started out Monday on grading and snowing of the roads of his township. He is a close friend of the local post.

Mr. and Mrs. W. A. Parmenter sent a box of the fruit grown from the trees that Mr. Richards planted with his own hands. In the box were oranges, lemons and limes. Along with the fruit came another, summer agave, from the South, some beautiful bougainvillea, a beautiful blue flower that often covers whole sides of a house.

This winter has seen one strange sight on the roads of the township. This has been the cutting of wood to help needy families. When there was no snow to battle, Commissioner Kiegele has had men busy cutting up the roads. From the back road along the roads were cut and this all went to help worthy families to whom the fuel problem was pressing one.

**DINNER PARTIES**

The Royal Ann Cafe was the scene of two groups of dinner parties Monday evening. At one long table sat the officers of the Masonic lodge who, previous to their conferring the first degree in their hall had an enjoyable get-together around the festive board.

Somewhat later in the evening the members of the election board gathered around tables reserved for them. The delectable menu served fortified them well for their later tasks.

**BOYD-MORAN NUPTIALS**

The marriage of James Boyd, an employee of the Ford company of Northville, and Miss Emma Moran, formerly of Detroit, occurred at the home of the former's brother, Forney Boyd, in northern Indiana. For the present the young couple will make their home with the groom's parents, Mr. and Mrs. John Boyd on the Base Line road.

**ROSE TAX IS HIGH**

A. J. Stahelin premier rose production, pays \$10.00 yearly taxes on his Grand River-Fankel avenue, Redford, property it is reported.

## GERMAN AND DOLPH ARE CANDIDATES FOR MAYOR

Judge Glenn E. Warner, Rules in Circuit Court at Detroit Tuesday, that Petitions of Former President Must Be Accepted

Northville Will Also Pick Five Commissioners at Election on Monday

Northville will choose Monday, March 9, between Harry S. German and Charles A. Dolph for village mayor, and will select from a list of ten names five as members of the village commission.

A writ of mandamus ruling that Frederick Hedges, village clerk, must accept the nomination of Mr. German, was handed down by Judge Glenn E. Warner in Wayne circuit court Tuesday afternoon.

The case came up as a result of the situation in which Mr. German resigned as president on January 24, two days before a scheduled hearing of the village commission in which Mr. German was to be the defendant. Subsequently all members of the commission submitted resignations to take effect when new commissioners were elected.

When Mr. German took his petition nominating him as a candidate for president to the village clerk, the latter was at first reluctant to accept it, but after a hearing, he decided to accept it. I think that good must come of good, and ill of evil, surely unto all, in every place or time, seeing sweet things first groweth fine wholesome roots, or bitter things from poison sticks; yea, seeing too, how spite breeds hate and kindness friends or patience peace.

"I'm glad I saw the ELECTROCHEF electric range before I bought my new stove"

My, but I'm glad I discovered ELECTROCHEF electric cooking! I never realized that an electric range could make cooking so much cleaner and pleasanter and better-tasting. There isn't a bit of smoke or soot to deposit on my kitchen walls and curtains, and pots and pans stay bright and shiny for a long time. It's such a modern stove that all my friends admire it. I wouldn't be without my ELECTROCHEF!

CASH PRICE \$105 INSTALLED including all necessary wiring. \$10 down, \$6 a month, small carrying charge.

\*A study of one thousand families using the ELECTROCHEF electric range showed a cooking cost of less than one cent a meal a person.

Returning to her car which she had parked in front of Stewart's drug store Wednesday morning, Mrs. Shipley missed her three-year-old child whom she had left in the car while she was trading. Fortunately the mother searched in vain for the little girl and finally called Deputy Sheriff Barne to assist her. Suggesting that Mrs. Shipley go east on Main street to search, he took the western direction, following the street to its intersection with Rogers where he found the little toddler safely making her way westward. The Shipleys are newcomers to Northville having moved here recently from Salem.

## BELLEVILLE TAKES THE LAST GAME

In the final League game of the 1931 season last Friday night, Northville put forth an exhibition of basketball superior to any this season. With fifteen seconds to play and the score tied at thirteen, the Belleville right guard fouled the ball. Play resumed, and Belleville held the ball for seven or eight of the remaining seconds, and Northville on getting the ball missed five hurried shots before the gun.

In the first quarter both sides played conservative basketball. Not a score was made and there was not one personal foul. Shortly after the opening of the second period, we opened an attack and led 3-2 at the end of the half. Belleville met our challenge at the opening of the third period and with three brilliant passes from the guards and shots by the right forward they brought their score up six points. The two teams were very even in the fourth quarter. The Belleville defense with its fast doubling, took the ball down to Rittenburg and Dusenbury and played a fine defensive game. Dusenbury took real advantage of all opportunities. With seconds to play he received two foul shots. The score was 11-13 in favor of Belleville. He made two clean shots and brought the score to the tie.

The game showed clever basketball and real teamwork. With the season over in the League, the boys flew away for the tournament. The game by quarters follows:

First Quarter—This quarter was very conservative. Few attempts were made, but these were fast when they occurred. The teams seemed even.  
Second Quarter—Dusenbury made the first score of the game when he was fouled by Willet. Ellward made up for it with a basket. Grenee taking the length of the floor regained our lead. He took it down again and passed to Dusenbury, who sank one of his pretty side shots. Belleville called a time out. Cayell fouled Seitz who missed his shot.

Northville—5 Belleville—2  
Third Quarter—Space came up and made a basket. He was fouled by Cayell but missed his shot. Johnson came in for Cayell. Seitz took a long pass in one corner and made his shot. Ciesteski made a very pretty shot but the whistle had blown. Beech was fouled but missed his shot. Grenee passed to Rittenburg who dropped it in.

Northville—7 Belleville—4  
Fourth Quarter—Willett took the lead for Belleville. Beech regained it with a clean long shot. Spees came up again and scored. A time was called with four minutes to play. Grenee fouled Spees and he made his shot. Johnson came up fast from guard and tied the score at eleven. Willett made a basket with less than a minute to play. On the next play, Rittenburg was fouled and Dusenbury followed him up making a basket. Dusenbury's basket was ruled out. Rittenburg was given two shots and missed them both. Dusenbury was fouled and made both of two shots.

With the score tied at thirteen, Rittenburg fouled Willett who made only two attempts in the few seconds left. Line up:

## SENIOR WHO'S WHO

The members of the Senior Class who receive the honor of Who's Who this week are: Florence Balko and Maryellen Barbour.

Florence Balko was born near Clarencville, Mich. in 1912. She attended a country school while she was in the grades.

Her four years of High School were spent at Northville High. Florence has become well known through her athletic career. She has been a member of the Girls' Basketball Team for four years and of the baseball team for three.

She became a star player on the basketball team and it was not complete without Florence at guard.

She is planning on following an athletic career.

It is indeed a pleasure to graduate a member of the class who has been so outstanding in athletics.

Maryellen Barbour was born in Russell, Iowa in 1912. After residing there 12 years, she moved to Rio Grande, Ohio, and two years later to Van Wert, Ohio.

At Van Wert she spent the first three years of her high school career. While there she held several offices, among them being, Freshman Rep. for Girls Reserve, Sophomore Sec. to same organization and Junior year Sec. to same.

She was a member of the Van Wert High School Annual staff and of the cast for the Junior Play.

Her Senior year is being spent at Northville High where she has become a very valuable addition to the class. We hope that Maryellen has enjoyed her last year at "Good Old Northville" and we feel it is an honor to graduate a new member of the class.

## COMMERCIAL NOTES

Friday afternoon ten business training students are planning to go to Ann Arbor to interview Mr. Gregory of the Michigan Bell telephone company.

Mr. Gregory is giving each student a special interview and helpful suggestions to what further training they need.

It will give the students an idea of how well qualified a person must be to hold a position in the business world.

Mrs. Taylor is accompanying them.

## DID YOU NOTICE?

That Monroe Weston can now dance? That Don Robinson was in the office one day and a visitor came in and addressed him as Mr. American? Since then Don has been acting like a man. Have you noticed any change?

That Charles Dusenbury is wearing a wine colored sweater to school, and Charles Meininger has a new suit? We are wondering why.

That Alex Johnson has originated a color scheme? It's blue and orange and black. The sweater's orange and black and the shirt's blue; we think he is very patriotic.

OUR SECOND TEAM BEATS BELLEVILLE

The second team game with Belleville last Friday was perhaps a bit one sided. The final score was 26 to 8. The second team was playing at its best and although the game was a walk-away the Belleville substitutes might have beat them a month ago. Before the end of the half, Lemmon, Campbell, and Robinson had run up a score of nineteen to one. Robinson played the best game that he has this season.

After the half Belleville made an occasional basket. At no time did they offer any real threat however. The teamwork was splendid. Campbell and Lemmon took the ball down after with fast passing. Beasley played a good game at guard. Belleville tired fast. They had used all of their time out before the end of the quarter and could

### Coming Attractions At Penniman-Allen

#### "CAUGHT CHEATING"

The Penniman-Allen theatre Sunday, March 8, is specializing in laughter, for Charlie Murray and George Sidney are there in "Caught Cheating," a Tiffany feature made for thrill-and-laughter purposes only.

With Nita Martin and Dorothy Christy for playmates, Murray and Sidney step out to a masked ball for high jinks and high heels. But Sidney is being pursued by a jinx and that's where the excitement comes in. Sidney is believed by a certain bold, bad gunman to be the man his wife has been cheating with, and he has declared he'll put the cheating snick on the spot in 24 hours—and he dares the police to protect him.

Now Sidney hasn't the nerve to look sideways at a woman, but give a dog a bad name and it's easier for him to get rid of fleas! He doesn't want to go to the party, but Murray drags him into it and drags them both into a hotbed of excitement!

W. Scott Darling wrote, "Caught Cheating," which Frank Strayer directed and RCA-Photophone recorded. The cast also includes Robert Ellis, Bertha Mann, Fred Malatesta, George Regis and others.

#### "THE COMMAND PERFORMANCE"

"The Command Performance," the James Cruze production, showing at the Penniman-Allen theatre Wednesday, February 11, is the story of an ultra-modern princess. Her ideas and ideals were different than any flapper, but the Princess is the leading figure in a political intrigue and that is where her story differs from other flappers.

Una Merkel portrays the Princess in this adaptation of the stage play by C. Stanford Dickens and Neil Hamilton plays the dual role of a Prince and an actor who so strongly resembles the Prince that he is commanded to woo and win the Princess for her because her ideas are too modern for him.

Albert Gran plays a King and Helen Ware and Vera Lewis are a pair of Queens. Other important roles are portrayed by Lawrence Grant, Thelma Todd, Mischa Auer, Burr McIntosh, William von Brincken and Muriel MacQuarrie. Walter Lang directed "The Command Performance" for Tiffany.

### The BEST Gray Hair Remedy is Home Made

To half pint of water add one ounce bay rum, small box of Barbo Compound and one-fourth ounce of glycerine. Any detergent can put this up or you can mix it at home at very little cost. Apply to the hair twice a week until the desired shade is obtained. It will gradually streaked, faded or gray hair and make it soft and glossy. Barbo will not color the scalp, is not sticky or greasy and does not rub off.

### Announcement

On account of certain conditions having arisen over which I have no control, and feeling that my entire time should, at present, be devoted to the business in which we are engaged, I have therefore withdrawn my candidacy for president of the village of Northville, petitions for which were filed without solicitation on my part.

I wish to hereby acknowledge my personal appreciation of the interest which prompted my friends in the filling and signing of the petitions in my behalf.

## Church News

### Baptist Church Notes

Beginning Sunday, March 8, the pastor, Rev. Wm. Roscoe Barbour, will preach a series of morning sermons, leading up to Easter and the Sunday after, April 12.

These sermons will be related one to the other and are intended to deepen our knowledge and love of the Savior. The sermon for next Sunday is, "Jesus Washes the Disciples Feet." At the evening hour the subject will be, "The Judgment of Victory."

The hours of service are: Morning worship at 10:30 a. m.; Bible school at 11:45 a. m.; B. Y. P. U. at 6:30 and evening service at 7:30 o'clock. If you are a stranger in town, we cordially invite you to worship with us.

### Our Lady of Victory Church

Next Sunday is Holy Name day. This society is for the men and boys. Faithful membership tends to make the perfect gentleman. Tentative places are being formulated by the March group of the Altar society for a St. Patrick's card party.

Catholic churches are always open to the public. On church nights they are open until after 9 o'clock. The public is welcome to our Wednesday and Friday night Lenten devotions which begin at eight o'clock.

Catholics themselves are much to blame for the prejudice against and misunderstanding of their religion. Their bad example and sinful habits have been a scandal in the eyes of Protestants. Their childish and unadmitted answers to questions have created false and misleading impressions. Too many Catholics live by faith alone without being able to give an account of the faith that is in them.

Missing Mass on Sunday and getting mad at Protestants. We wish to warn Protestants from placing much confidence in Catholics who are hard to get along with.

### Presbyterian Church Notes

On Sunday, March 8, at the hour of 10:30 service will be held in the First Presbyterian church. We are hoping that the entire membership will eagerly respond and earnestly endeavor to make the most of our worship seasons. The members of the Day-day fraternal organization will attend in the hall.

The union service in the evening will be held in the Presbyterian church with Rev. Wm. Richards preaching. Let each person recognize his responsibility, for without the support of all, these services will lack.

On Monday afternoon the Junior Christian Endeavor will meet at the hour of 3:15 in the church house. This is very worthwhile for the boys and girls. Plan to be here.

On Tuesday evening, the second of our Young Men's Fellowship Banquets will be held in the church house. The last one was attended by some forty-five young men and we hope to have that number increased. The auxiliary girls are preparing and serving the dinner so we are assured of a good meal. Every one of our number is to give us one of his interesting talks along the line in which he is an expert. The following four young men: Messrs. Hansen, Hauser, Bloom and Dr. Walter Johnson, will be leaders in a debate and discussion the subject of which is "Resolved that 'Capital Punishment' be made law." Let every member come prepared to take a part in the discussion.

On Wednesday, March 11 at 2:30 in the afternoon, in the church parlors, the Woman's Union will hold its meeting. As this is the annual meeting it is urgent that all the members be present. Mrs. H. B. Clark is the hostess for the occasion.

The regular weekly meeting of the Young People's society will be held in the church house Thursday evening, March 12 at 7:30 sharp.

### Methodist Church Notes

Our message for the coming Sabbath morning will be, "The Mount of God." Let us keep up our evangelical spirit these days in precious memory of our Lord.

We were greatly blessed with the power of song in last Sunday's service. The male quartet's gospel songs are doing our hearts good. Sing again boys!

Come on you older folk and make your hearts youthful by remaining at the Sabbath school at 12:30 noon. Let our adult Bible classes be filled with studious people in the Word of God.

Our young people's devotional service will be at 6:30. We were thankful for the good report in leadership last Sabbath when our young people led the Plymouth Epworth League in their devotional exercises.

The evening service will be a united service in the Presbyterian church at 7:30. It did our hearts good to see the people of our church in such a quantity last Sunday evening. Let us be no less this coming Sabbath. These united services should mean much to us.

Our people are asked to remember the self-denial offering during these days of Lent—some sacrifice each day placing the coins in the Lenten self-denial boxes up to Palm Sunday. Then tithes the Passion Week's income bringing your boxes on Easter Sunday placing them in the Tithes Box. Remember all church bills paid up by Easter.

Novie Bethlehem Methodist Church Services next Sabbath at 2:30 Rev. Wm. Richards will preach on "The Kingship of Christ."

Milton Baker has received a copy of a St. Louis, Mo. diary in which a full account is given of a bank robbery in which is brother Edg. Baker is an employee. During the process of moving the bank to another location the heavy door of the vault, weighing 19 tons, was being removed to the other building and a great vase placed before the entrance. It was during this time that the robbers fell upon the contents of the vault and made away with \$22,000 in bonds. A reward of \$14,000 was offered for their return. Eugene Baker is employed in the real estate department in the bank.
