The Year 1931 Is One of Most Eventful Years in the History of the Village of Northville

In that year a misfortune befell the In short, in many respects, Northcommunity which temporarily crip- ville has had a good year pled its business life and threatened to_cause even greater damage The fect of the year was the improve-closing of the Northville banks tied ment of the water supply up the funds of "butcher and baker and candlestick maker," putting hundreds in financial distress from which many have not yet recovered Northville has had-its share of deaths, fires, accidents, robberies and other adversiones, but the closit to the fine program giv- ing of the banks was the big disaster of the year.

Northville kept a cool head in view of the bank situation. No unone-half miles west of due behavior marked the closing of town and is successfully taught by either institution, the people leaving the situation entirely in the hands A tree was the center of attractof the men whom they regarded with respect for their personal being star which was the theme of the havior and their business ability. program, The Magic Star of Beth- The year 1932 may see the best solehem." An of the children of the lution of this great problem, a soschool tog part in the play in lution that will prove advantageous

Northville may well offer a prayer they learned that the of thanks that no great tragedies, Christmas was being no serious epidemics, no crime kind to all he children took their waves, have come to injure and depiete its ranks Fires have been few and none of them were serious; most of the serious accidents have n the tree exchanged occured outside the city limits; the nd pupils. WINTER

Look at those sharp-edged blocks of rubber on the most famous tire tread in the world. They're there to save you trouble; to pull you through slippery ruts; to keep your car-under control during the most dangerous driving months of the year. But they can't do this unless you put them on your car now. Come in-trade your old tires for safe, new GOODYEAR ALL-WEATHERS.

Chas. Schoultz Garage 618 E. 8 Mile Rd. Phone 173-J LANGFIELD TRACES HISTORY OF ROTARY

With his unusual background of life and travel abread, E. C. Lang-field entertained Northville Rotarians and guests. Monday noon with i vivid talk on "Rotary Around the World." He told of how Rotary international is now found in 67 counhistory of how Rotary was estab

ished in each.

Mr. Langfield has attended Inernational Retary meets and visited clubs in eight countries where are carrying out the club's and good-will. It was a unique experience said the Northville Labratories head, to see the King of Belgium, himself a member of the clui, mingling democratically with his fellow Rotarians A true Rotar-lan, said Mr. Langfield, can find much of benefit in finding the good points of those of other countries ind races, instead of seeking to em-

phasize their faults. A stirring part of the program as the singing by the club of the national anthems of England and anada and of France after Mr. sangfield had told the history of Rotary in those countries. With Leslie G. Les at the piano and C.

Van Valkenburgh leading, the company sang God Save the Rips, and La Marsellase, with great fervore Tar. Langueld closed his address

with an eloquent appeal to the mbers to carry out the club's all of "Service Above Self" and ideal of "Service Above Self" and "He Profits Most Who Serves Best. In the absence of the president Father Jos. G. Schuler, Prof Percy angove, vice president of the meeting. Three Plymouth Ro tarians were welcomed, Bob Wil-loughby, John Dayton and Roy Woodman The club members will be the guests of the Northville Exhange club next Wednesday, Janu-

Supervisor Willard A. Ely, his nany friends-will be glad to know was able to be down town Saturday for the first time after a week's old self

We extend sincere apprecia more than repaid by the joy which tion for our pleasant business associations of the past year and we hope to have the pleasure of serving you during the coming year.
