## BAND CONCERT BOOKED FOR NEXT FRIDAY

New Program Planned With Kenyon and Stewart as Vocalists

Northville music lovers have insistently demanded that the High School and Community band hold another concert and according to these requests, a program of new music will be staged at the Presbyterian church on Friday evening, April 23.

Vocalists will be Pierre Kenyon, of Northville, and Benjamin Stewart, formerly a resident here and now of Plymouth, who will be accompanied by the piano by Dorothy McKinley.

The band was recently augmented by 15 new musicians who have progressed rapidly to take their places with the veterans in the ranks. The band now has a total roll of 25 members and has become an imposing organization of no little fame and reputation.

Beside this engagement in Northville, the band is scheduled to appear at Highland Park on a date which will be announced later and they will also appear at the Walled Lake high school on Thursday, May 12.

Beginning shortly after Memorial Day, the band will give concerts each Saturday evening and will continue to do so throughout the summer as has been the custom during past years.

The concert next Friday night has been carefully arranged and in appreciation of the accord given them by those who are enthusiastic in their approval of the local organization, the band will put forth extra effort to make this concert the finest held this year.

## "MULLIGAN" SUPPER DRAWS THROG TO THE MASONIC HALL

It took a lot of Irish stew for the few score Masons who came to the dining room Monday evening prior to the conferring of the second degree.

When the hungry trowel men were fed, Robert Coolman, Master of the lodge, announced that the work of the evening would be conferred by officers from the lodges at Walled Lake, Commerce, Plymouth and others, represented. The lecture was given by Clifford Tapp of Plymouth.

At the conclusion of the dinner Orlow G. Owen led the company in a series of songs. The subject was greatly enjoyed.

It fell to the lot of Ben A. Baldwin of Detroit to give the fraternal plenty to think about as he presented his subject, "Step by Step."

The three, five and seven steps of life were amply illustrated and the truth of them sharply defined.

The whole evening was interesting and Robert Coolman did a good stroke of business in planning the "mulligan" supper and program.

## Rob't Yerkes Shows Exchangeites Motion Pictures of World War

Moving pictures of shot and shell, of men crumpling under the intensity of shrapnel barrages and gas on the battlefields, brought back graphically to some of the Exchangeites the grimness of war while to those who did not get "over there" during the World War, a new story was unfolded Wednesday noon when Robert G. Yerkes, Congressional candidate from the 17th district, displayed authentic motion pictures of the war, taken by the United States Signal Corps, before members of the Northville Exchange club at the Methodist church.

The pictures were actual battle front scenes showing some of the most bitter fighting in the Chateau-Thierry region, the Marne, the Argonne, Meuse and other spots made immortal by the bloodshed of American troops.

The American artillery forces, setting a record of firing 36 shells per minute as against the French record of 28 shells per minute, were shown laying down heavy barrages, clearing a pathway for doughboy advances. Direct kits by the German artillery as scored against English rolling caissons, an airplane battle climaxed by the dive toward death of the defeated plane, an airplane attack on an observation balloon, the occupants leaping for their lives as the huge balloon went up in flames; raiding parties, dawn charges into the teeth of devastating rifle and machine gun fire, all of these thrilling pictures flashed onto the screen as the reels unfolded.

## RECONSTRUCTION CORPORATION TO AID NEW BANK

One of the most encouraging events of the past week with regard to the banking situation was news from Detroit that "officials" of the Reconstruction Corporation, the new body authorized by Congress at the request of President Hoover, will aid in the opening of the new bank in Northville. These officials have assured both banks here that they will aid in every way possible to bring about the merger. They state that they are aiding banks much smaller than these here and expressed themselves as being well pleased with the progress of the new bank plan here.

The depositors' agreements, which will make possible the new bank, continue to draw many signatures. Up to Thursday morning, at the Lapham State Savings bank a total of \$506,179.81 had been signed by depositors. The total at the Northville State Savings bank was \$280,000.

Many business people and others are assisting in the work of securing signatures and in some cases the agreements are being sent in from distant states. It is probable that another meeting of workers will be held in the near future.

## LOCAL PIANIST WINS IN STATE CONTEST

New honors came to Kathleen Rinck, young Northville pianist, when she was successful in winning third place in the final stage contest sponsored by the Michigan Federation of Music Clubs held at Battle Creek Saturday, April 16.

There were fifteen players in the final contest, all winners of district contests. Kathleen, although only thirteen years of age, competed against pupils fourteen and fifteen years old in a higher class.

Not content with this, she and Betty Ann Chauby of Ann Arbor won first place in the piano contest. As a result, Kathleen is wearing a gold pin to prove it. Incidentally, Kathleen, accompanied by Richard Mann, a young violinist who also won first place.

One of the pleasing things about this is the time attitude shown by Kathleen. She does not boast about it (as well she might) but rather realizes that there is a great deal of work still to be done, and she is willing to continue this effort.

Kathleen's teacher is Mrs. Lyons of Ann Arbor.

METHODIST W. H. M. S.

The Methodist W. H. M. S. will meet Tuesday, April 26 with Mrs. Chas. Thornton, Nine Mile road. Pot luck dinner will be served at noon, met at Mrs. Neal's. Each lady bring dishes and be ready for nine o'clock opening.

## VILLAGE CUTS 32-33 BUDGET BY OVER \$1,000

Council Advertises for Bids On Proposed Springs Improvements

Despite the increased cost of improving Hill Springs and the contemplated construction work on Bernhardt spring, the Northville village budget for the year from March, 1932 to March, 1933, is \$1,000 lower than it was last year. The council requests \$55,000 to operate the local government, \$15,000 being allocated to the sinking fund, the highway and paving funds total \$17,500, and the general fund amounts to \$32,972, which was approved by the Northville village council Monday evening.

Following is an itemized account of the 1932-33 budget:

Sinking Fund, \$15,000.00; Highway Fund, \$17,500.00; General Fund, \$32,972.00. Total, \$65,472.00. Water, \$3,000.00; Sewer, \$2,500.00; Police, \$1,500.00; Fire, \$1,500.00; Nightwatch, \$750.00; Treasurer, \$900.00; Assessor, \$400.00; Commissioners (6), \$480.00; Clerk, \$200.00; Bookkeeper, \$675.00; Fire Department, \$2,000.00; Reports and Notices, \$500.00; Coal, \$450.00; Health Officer, \$420.00; Telephone, \$245.00; Insurance, \$637.00; Care of clock, \$30.00; Band, \$200.00; Gas and oil, \$500.00; Sewer extensions, \$250.00; Board of Review, \$50.00; Postage and stationery, \$125.00; Miscellaneous, \$3,019.00; Attorney, \$200.00. Total, \$32,972.00. Total expense, \$65,472.00.

Income: Water, \$7,500.00; Sewer, \$2,500.00; Water Taps, \$100.00; Taxes and Licenses, \$12,000.00; Return Tax, \$2,500.00. Total, \$10,472.00. The total cost of operating the village government is \$55,000 and the village income is \$10,472 which leaves the total tax at \$55,000.

Other business of the council included the passage of a motion to install meters on all Fair association water mains, the water to be paid for at the same rate as charged to other large consumers. It was moved by Commissioner Merrill Sweet and supported by Commissioner H. H. Burkart that the plans for the development of Bernhardt spring be accepted subject to the approval of the village attorney and sealed bids for construction be advertised. The motion carried unanimously.

The council also renewed the insurance on village automobiles, the rate being reduced 40 per cent largely owing to the fact that none of the village cars were in any accidents during the past year.

The next council meeting will be held on the evening of May 2.

SESSIONS HOSPITAL

Barney Finn has returned to his home in Detroit quite recovered from an auto accident. He has been a patient in the hospital since March 14.

Mrs. T. Dudley and infant daughter were discharged Tuesday and returned to their home.

Mrs. E. C. Maxwell of Carleton is a patient, suffering with pneumonia. Born to Mr. and Mrs. Eugene Patrick of Plymouth, a son, Saturday April 16.

Miss Reynolds of Detroit is assisting at the hospital.

REGARDING RECEIVERS

To the Public: When a banking institution closes its doors the law provides a remedy in the shape of a receivership.

In the case of the two banks in Northville, receivership is costing for receivers' salary and lawyers fees, at least \$130,000 per month. This amounts to \$15,000.00 a year. Do you wish to continue to pay this expense for receivership in the two Northville banks, or would you prefer to save that money for the depositors?

The depositors' agreement, which is being used for the reorganization of the two banks in Northville, will save you the above mentioned expense, which if the two banks do continue under the receivership will amount to more than \$75,000.00 for the period of five years.

It looks to me as though the question of signing the agreement should appeal to the depositor from the dollars and cents point of view. He may not like the people in the Northville State Savings bank, or the people in the Lapham State Savings bank, but the law of self preservation is such that we believe that the depositor should forget his likes and dislikes, and save his money by allowing the two banks to reorganize and consolidate.

## James Savage Reaches 81

James Savage, one of Northville's familiar characters, reached his 81st birthday last April 9. Honoring this old friend, Mrs. Bertha Neal invited in some of Mr. Savage's nearest of kin to celebrate at a dinner. Those present were Mr. and Mrs. Oscar Heffe and Mr. and Mrs. Milton Brown, all of Detroit.

Mr. Savage has lived in Northville most of his 81 years with the exception of a few years spent in the northern part of the state. Known in his earlier years as the fastest runner in this part of the country, Mr. Savage is still "going strong," not as a runner now but as one of the spryest of Northville's older citizens.

For over forty years James Savage was an expert molder at the first old Globe Furniture company, molding the metal parts of school and church furniture, and later, at the Bell Foundry. One of the swiftest workers, he made an enviable record for unusual ability and faithfulness.

After the burning of the factory Mr. Savage found other work, never returning to a life of ease. For the past eleven years he has been the reliable caretaker of the Lapham State Bank building where he takes the greatest pride in keeping the windows shining and the white stone trim polished white. At his cozy home on Randolph where he lives alone he spends his leisure in well earned contentment after years of good service to his community.

Many Northville friends join in wishing Mr. Savage continued health and activity.

METHODISTS IMPROVE CHURCH GROUNDS

By hard work and with the sweat of their brow a bee of faithful Methodists have been putting in many hours improving the grounds surrounding the church. To overcome the discomfort of having water cover the side walk during wet weather the whole walk was raised and replaced with a new cement walk reaching from the corner of Center street to the back door of the church. Earth was then filled in on a level with the walk. This was rolled, covered with top soil and seeded. On Tuesday evening an energetic bunch of fifteen men were to be seen raking and wheeling dirt. Men of all "walks" and ages they were. Even the preacher, Rev. Frank N. Miner, was among the overhauled "goats" and toiled as hard as the rest. In fact he has put

CLEAN UP WEEK BEGINS ON MAY 1

Annual Clean Up Week, May 1 to May 7 inclusive has been decreed by the Northville village council at their meeting Monday.

Owners of vacant lots which have become "eyesores" as far as civic beauty is concerned are urged to take the necessary steps toward clearing up. All rubbish put into receptacles and placed on street curbs will be carted up by the village workmen. Residents are especially requested not to put rubbish out before May 1. No ashes will be collected for disposal.

In many hours of labor on this during the past week.

The committee who were in charge of this enterprise were Roy Clark, Chas. E. Rogers and Howard Greer.

SOCIETY NOTES

Those of the teaching force who were married brought with them their husbands or wives.

Beside the pleasure of relaxing in recreation the teachers feel that the evening brought about a closer sympathy between them.

Mrs. Hay is Hostess to Officers of Eastern Star.

Mrs. Ralph L. Eay very delightfully entertained the officers of the Orient chapter of O. E. S. at her new home on North Rogers street last Thursday afternoon. Covers were laid for sixteen ladies at a luncheon at one o'clock was followed by a social afternoon playing bridge.

Mrs. Claude Ely and Mrs. Horace Boyden substituted for their husbands who hold the offices of patron and associate patron respectively. Mrs. Frederick Hedge, one of the "pillars" of the organization was also a guest.

Mrs. Montgomery Entertains New Card Club.

A new social club, organized three months ago, met with one of its members, Mrs. Earl Montgomery, last Thursday afternoon. A pleasant time was spent by these eight women playing five hundred, a desert luncheon was served.

This new club has called itself the "Neighborhood club" though it has branched out in taking in other friends. Those included in the membership are: Mrs. C. B. Turnbull, Mrs. Earl Montgomery, Mrs. Howard Atwood, Mrs. Harry Meyers, Mrs. Earl Grosvenor, Mrs. Allan Potter of Northville and Mrs. Gus Lundquist and Mrs. Chas. Seaton of Plymouth.

Mrs. Merithew Surprised By Neighbors Last Saturday Evening.

A party of friends and neighbors of Mrs. Eva Merithew dropped in at her home on the Base Line road last Saturday evening to surprise her and congratulate her on reaching her sixtieth birthday. The evening was most pleasantly spent with visiting and progressive pedro. A three-course luncheon was served.

Mrs. Merithew has been a resident of Northville for nearly thirty years and has been the kind of a neighbor those who have lived near her have appreciated. They were glad to take this occasion to express their esteem. A number of nice gifts were left with the hostess.

Mrs. Clarence Davis Entertains At Bridge Luncheon.

Mrs. Clarence Davis was at home to a group of friends at a bridge luncheon at her home east of the village Wednesday afternoon. The table was attractive with its centerpiece of yellow tulips and purple pansies with yellow tapers at each side. A three-course menu was served to the company of sixteen. Bridge and other games occupied the afternoon.

Guests present from Northville were Mrs. Harry Clark, Mrs. E. H. Lapham, Mrs. Margaret Yerkes, Mrs. W. H. Yerkes, Mrs. Flora Babbitt, Mrs. Sumner Power, Mrs. Sherwin Hill, Mrs. J. Raleigh Brown. Guests from Dearborn were Mrs. Cordell, Mrs. Dae and Mrs. Rudeman and her daughter.

Teachers' Club Take Dinner Together at High School.

The whole body of local school teachers enjoyed their outstanding evening of the year at their dinner party at the high school cafeteria. The affair was planned and carried out entirely by the staff of teachers. Mrs. Zimmerman was in charge of the committee who prepared the delicious menu and Miss McDowell and her assistants efficiently planned the entertainment of the evening.

## SCOUTS HOLD FIRST OUTDOOR RALLY APRIL 23

Fair Grounds to be Scene of Recreational Training Contests

Over 200 Boy Scouts of the Plymouth district will hold their first outdoor rally tomorrow afternoon at 3 o'clock at the Northville Fair grounds. Four troops from Plymouth, three from the Wayne County Training school, two from Northville, and one each from Rosedale Gardens and Newburg will be present. The exhibition will be under the direction of Commissioner Wm. Hodson, of Rosedale Gardens.

Scoutmasters in charge will be Orlow G. Owen, Northville; Sidney Strong, Ernest Henry, and Loren Ratenbury, Plymouth; L. B. Church, Rosedale Gardens; and a scoutmaster from Newburg.

A series of contests designed to show the value of Scout handicraft will be the chief feature of the afternoon and keen competition is expected between the rival teams.

The events are as follows: four man team from each troop in signaling contest; three man team for tracking; three two man packing teams from each troop; ten boys from each troop competing for knot tying honors; a two man tent pitching team; and the fire by friction contest followed by the string burning event will conclude the display of Scout activities.

Following this, each Scout will cook his own dinner over the campfires and the fair grounds will take on the appearance of an army in the field with the flickering fires and khaki-clad boys dotting the landscape.

A troop parent award will be bestowed upon the troop which attracts the greatest number of friends and relatives to the afternoon's display.

Northville troops one and two are deserving of the greatest support for their untiring efforts to make this event a success, and the honor of having Northville selected as the site for the first outdoor rally ever held in the Plymouth district.

Parents, relatives those interested in Scouting are urged to attend this affair and aid Northville's troops in their efforts to win the parent award.

## NORTHVILLE ROTARY CHANGES MEETING DAY TO TUESDAY

Northville Rotarians voted unanimously at their meeting on Monday to change the date of the weekly luncheon and program to Tuesday.

At noon, beginning next week, Les Lee of the faculty of the public schools will be in charge of the program next Tuesday.

"Going to Convention is the best spring tonic for one who is in the rut or discouraged," said E. L. Mills, treasurer of the club, as he held of the 23rd district meeting at Ann Arbor last week, at which he was the official delegate. In spite of depression, the gathering was very largely attended and an unusual spirit of optimism was shown, said Mr. Mills.

Chas. T. Thornton was in charge of the program and the Rotary quartet, Prof. Percy Angove, Leslie Lee, C. R. Van Valkenburgh and Don Yerkes, Sr., gave a couple of stirring numbers.

Guests were John Dayton and Cass Woff of Plymouth and Morten Noble of Ferndale.

## MRS. C. H. BRYAN GIVEN RECOGNITION BY GENEALOGISTS

Mrs. Carl H. Bryan, of 123 Thayer boulevard, who has won local recognition for her work in genealogical and historical research, has been honored by being included in the list of the leading active genealogical researchers in the United States, in The Handbook of American Genealogy recently issued by The Institute of American Genealogy of Chicago.

Recognition in this field affords access to the extensive image files of the National Clearing House for Genealogical Information, as well as professional contact with genealogists in 1,331 counties throughout the United States and in 16 foreign countries, which will enable her to expand the scope of her work very materially.

It will be of interest to the members and prospective members, and especially to the registrars of the Daughters of the American Revolution, Sons of the American Revolution, Colonial Dames and other hereditary-patriotic societies to learn that a local resident has formed these international contacts, be-

## VILLAGE FUNDS NOT PREFERRED RULES JUDGE

In a decision handed down Monday at Detroit, Circuit Judge Joseph A. Moynihan ruled against the claim of the Village of Northville that funds on deposit in the Lapham State Savings Bank of Northville should be regarded as a preferred claim.

Village funds to the amount of \$24,789 were deposited in the bank by the Village Treasurer prior to the bank's closing on June 30, 1931. It was claimed that the bank neglected to post a surety bond to protect these funds, and so changed the account from an ordinary deposit to a trust fund.

Judge Moynihan held that the deposit of the money was on the initiative of the treasurer and was not at the specific direction of the council. Accordingly, he held it was not necessary for the bank to post the bond and the claim against the bank must be regarded the same as the claim of any other private depositor.

ERNEST RACZ IS ACCORDED HONOR

A distinct honor has come to Northville as well as a splendid opportunity for one of its students, due the fact that Ernest Racz was recently chosen by Director Joseph Maddy as a member of the famous National High School Orchestra which meets each summer at Interlochen, Michigan.

Members of this orchestra are chosen from every state in the Union and other possessions of the United States. They must be expert players, and thorough musicians in order to be selected. In addition, they must be loyal members of local high school organizations.

The orchestra meets for eight weeks of intensive musical training and during this time numerous radio broadcasts are made. Many famous conductors visit this camp each summer.

Ernest has studied violin for eleven years with his father, Emil J. Racz, who is a violinist of note, and in addition he has studied piano for two years under the guidance of Eunice Cousins. He has also taken instruction with Emil Mikulas, concert cellist.

His teachers say that Ernest has that extremely rare gift of absolute pitch and a feeling for music that should send him a long way in the world of music. P. J. Cochran, local attorney and personal friend of Mr. Maddy, was instrumental in getting this appointment for Ernest.

SENIOR DANCE TONIGHT

Another "senior" dance is to be held this (Friday) evening from 8 to 12 o'clock in the high school gymnasium.

It is probable that these dances will not be held every other week as they have been for the past few months.

Music will be furnished by the Blue Senenaders and the seniors expect a large crowd.

Everybody come!

The Lady Maccabees will hold a Pedro and five hundred card party at the Forester hall Monday, April 25, at 8:30 p. m. Prizes will be given to the winners.

cause they will make possible the necessary genealogical research to qualify for membership without outside aid.

BAPTIST L. A. S.

The Baptist Ladies' Aid society will meet with Mrs. Ella Clark High street, Thursday, April 28, at 2:30 p. m.

"Help the Children Grow Up" Advises Mrs. Rasey at P. T. A.

The business of growing up is a very serious one," said Mrs. Marie Rasey, director of Parental Education under the Board of Education of Detroit, in addressing a group of parents and teachers at the meeting of the P. T. A. last Thursday evening. Our job is to help them grow up. Parenthood is too complicated a job to be right all the time so why fuss about it? It would be easier on all if mothers were a little calmer and quieter. Fathers are no one is smart enough to forestall all difficulties.

There were "no dull moments" in the talk of this keen woman who knows her subject. Together parents laughed over the true pictures given of the mental states of the first and second child. The first child is apt to be spoiled by having been the center of the family "universe" and becomes jealous, suspicious and disappointed with life when Number Two arrives. The second child develops more naturally because left alone more. He is more independent and aggressive.

For such an exceptionally fine program it was a regrettable fact that the attendance was far below expectations. The date of the next meeting, which is to be a home talent play, directed by Mrs. E. L. Mills, has been changed and will be announced later.

## DR. SPENCER SPEAKS HERE ON APRIL 27

Hillsdale College Head Is Coming to Baptist Church

Northville people will have the opportunity next Wednesday evening, April 27, of hearing Dr. Wm. Cecil Spencer, president of Hillsdale college, one of the most notable speakers in the Middle West. The widely known educator will be the guest of the local Baptist church, through the courtesy of the pastor, Rev. Wm. Roscoe Harbour. The meeting will open at 7:30 with the address booked for 8 o'clock.

Dr. Spencer is one of the highest paid small college presidents in the United States and is known in several states as a remarkably capable speaker. He received his Master's degree from Denison university and twice was honored with the degree of LL.D. from Franklin college and Denison. Prior to coming to Hillsdale college in 1922, Dr. Spencer was registrar and professor of classical languages in Franklin college. Although still a young man, he is one of the small number in Michigan whose names are listed in "Who's Who in America."

Northville is fortunate to have such an eminent educator and speaker come here.

While the Rev. Mr. Barbour, the Baptist pastor here, was in Van Wert, Ohio he introduced President Spencer to five very different audiences, beginning with a vespers service Sunday afternoon and closing with the Rotary club on Monday at noon. Some of the Rotarians told Mr. Barbour that it was the best address ever given to Rotary in Van Wert.

There will be no charge for the address of Dr. Spencer and all are invited to hear him next Wednesday evening.

## JUSTICES HASTEN PROSECUTION IN CRIMINAL CASES

Justices of Peace Joe Blake and Wellington Roberts quickly disposed of two criminal cases in court this week.

John J. Brady, of Detroit, was sentenced Monday to 30 days in the Detroit House of Correction for stopping little children on their way to the Methodist Sunday school Sunday morning and taking away their church money. Mrs. Frank N. Miner, wife of the Methodist pastor, phoned for Chief of Police Wm. Safford when she heard of the petty thefts and the thief was promptly taken to jail.

A jury trial was held at the Northville village hall Tuesday afternoon when David Toole was brought to court on the charge of conversion of mortgaged property. He was found guilty and immediately appealed for a hearing in the Wayne County Circuit court.

The complainant in the case was Clifford Castlerine, proprietor of One-Stop Service station, who charged that he placed a loaner battery in Toole's car two years ago and that Toole sold the car without paying for the battery or for the time that it was loaned.

BAPTIST L. A. S.

The Baptist Ladies' Aid society will meet with Mrs. Ella Clark High street, Thursday, April 28, at 2:30 p. m.

## "THERE'S THE GATE"

One of the greatest needs of our country is not a "good five cent cigar" but more folks with an open mind. Listen to a true story.

Talked the other day to a man from a town with a closed bank. For weeks business men and farmers have been working on the same kind of a plan to reorganize that Northville is using. Men walked up and down the streets and drove the country roads to get signatures to the depositors' agreements. They had 92 per cent signed the day we talked to the citizen from this town. One man, who should have had the interest of his community at heart, was utterly unreasonable. He was a farmer who would not let anyone even discuss the bank question with him. "If you have come to talk bank, there's the gate, get out of here," was his courteous (?) word to the good men who called to talk over the problem. Is it any wonder that men who are sacrificing for their community get discouraged sometimes over the unreasonable and unreasonable attitude of the man with a stubborn mind?

The best part of this story is that the bankers finally got the 95 per cent of signers and the town will have its bank.

## THE VOTE ON PROHIBITION

The Michigan wets win. That is, they win the chance to have an expression of prohibition by state voters. Following months of agitation and securing of signatures to petitions, the vote will be ordered for next fall.

This does not mean that Michigan has a chance to vote to abandon the Volstead act—it simply will give an expression of opinion as to whether our people favor a continuance of prohibition or not. We see no objection to such a vote, even though we shall vote dry, as we have always voted. A referendum is perfectly fair, if conducted in a fair manner. (Don't forget this reservation.)

The big question right now is not beer or wine, but bread and butter and it would be a tragic mistake to have a bitter campaign on the prohibition question when we all need to get together on bigger problems. We think that the average thinking person has his or her mind made up on prohibition and will be little changed by a campaign of personalities. Let's go to the voting next fall without the rancor and bitterness that has marked so many prohibition campaigns.

Prohibition is not perfect but many of us remember that the old liquor days were terrible. If there is a better way than the old or the new, it will be the part of wisdom to find it.

## THE VETERANS' BONUS

We are glad to note that the service men in and around Northville are not the ones who have been demanding of Congress that it appropriate two billions of dollars for the war veterans. No matter how this bonus were to be paid, by real cash, by bonds or with fiat money, the sum is so vast that it would simply stagger the credit of the United States. And right now, the problem of balancing the budget, even without soldier bonus of two billions is causing our national leaders great anxiety.

Strange as it may seem, a lot of people seem to think of our government as being an unfailing source of wealth that can be tapped at any and all times. The fact is, that every dollar of our national budget in the long run comes from the great mass of the people, scattered from Maine to California. If we have to raise another two billion dollars it would simply mean that two billions would have to come from the places where weary workers will turn in their share of the vast sum. As The Cleveland Plain Dealer points out, "Two billions of dollars cannot be picked from the cherry trees along the Potomac." All must pay.

As badly as many of the service men need the bonus right now, to pay this two billions would make matters worse for them and everyone else. And if these veterans will hold their certificates they will grow increasingly valuable with the years and some day in the future will be of untold good to them. This is the fine attitude that is being taken by the vast majority of our service men of this locality.

## WHO WANTS A SOFT JOB?

We heard Dr. M. S. Rice of Detroit say this in an address at Ann Arbor: "What right have you to ask for an easy job or a soft time?"

Then he went on to say: "You are strong men; lift up your heads; meet your task."

Isn't Dr. "Mike" Rice right?

We are coming out from one of the worse depressions in the history of our country. It has been tough going for just about everyone. All around us fortunes have melted away; on every side of us successful men have been leveled down until many have lost every dollar they had; all of us have been hit in one way or another. Yet we have lost nothing that cannot be replaced and—if we only knew it—we still have about everything that is worth while in life. As someone said the other day: "We are just learning to go without the things that our parents and grandparents never had." There haven't been any "soft jobs" the last two or three years for many folks. But there have been thousands of man-sized jobs—and right here in Northville there are even some women who have been meeting this kind of a job and meeting it like a true woman or a noble man would.

Count the days of your life that gave you the biggest thrill and what days were they? You know. Not the days when you had a soft job but the days when you tackled a real task and "came through". Then when night came you closed your eyes in honest sleep and dreamed that you have a real part in the world's work—which you did.

We are going through iron days and some iron men and women are being made. They are on every street in our little town and on every country highway around Northville, men and women who have not shirked these hard tasks. They are strong men and women who have

lifted up their heads when the lifting up was hard and who have met their task. Great will some day be their reward.

## WANDERING THOUGHTS

Times are looking up. Friday morning saw trucks from our two lumber yards running around town with materials for repair work. No better time to build or "fix up."

More folks will come to Northville as fast as we get modern homes and apartments for them. We know because some tell us so.

When you hear that gossip about some Northville person, consider the origin and you won't be sorry in not believing a word of it. Every few days we get an illustration of this fact: "You find the most sticks beneath the best apple tree."

"Watch Northville." Here we have in our midst two congressional candidates. "Atta boy." This high altitude is good for folks.

It was worth the money we spent last week to be one of the forty or fifty who made the "free show" possible, just to mingle with that good natured throng that packed the Penniman Allen. Reminded us of the "good old times" when there was no such thing as depression or closed banks. Guess we all need to laugh a little more and quit taking ourselves so seriously.

"You ought to get a hobby," someone said to us the other day. All right, what do you suggest? They do say the more interests you have in life, the longer you live.

"Wasn't that a wonderful demonstration of community spirit?" said a professional man to us after the business men's bank meeting the other night? Northville will win.

## THIS WEEK'S QUESTION

How many trees will you plant this year?

## WHAT OTHER EDITORS ARE THINKING ABOUT

## HOOVER LEADS

(Huron County Tribune)

Not so very long ago it was charged that Hoover lacked leadership. He could not control the republican congress had no influence and could not get anything done. No longer do we hear that criticism. The president has so much influence and leadership that he has the democratic majority and the republican minority both eating out of his hand. He is leading with a most remarkable tact and wisdom and getting real things done.

Hoover is a big man and a great president.

## HOOVER'S CHANCE

(Eaton Rapids Journal)

The birds fluttering around the country who claim Herbert Hoover has "not a chance" for re-election to the presidency should read as follows: "The Pathfinder, a non-partisan weekly magazine published in Washington, has been taking a presidential poll among its subscribers, and after receiving more than 235,000 ballots it finds Hoover so far ahead that 'no useful purpose is served in prolonging the count.' Ballots were received for 18 different candidates and the President received more votes than all the others put together. Votes for Mr. Hoover totaled 115,042. The next highest was Roosevelt, with 49,626 votes, and the third was Garner with 16,956 votes."

## THE EDITOR'S TO BLAME

(Hyman Levinson in The Farmington Enterprise)

Yes, "the Editor" is to blame. Often it is asked: "Who writes the editorials?" sometimes, we think, with a look of vengeance in the eye. As confession is good for the soul, it must be admitted here that for everything which appears in these columns of opinion, unless someone else is specifically accused thereof, "the Editor" is responsible. The inquiries and the scornful looks seem to have multiplied since these columns, a few weeks back, stooped even unto rhymes about elephants and donkeys.

Blame it on the Editor. He ought to know better, anyway—than to be an editor.

## STORES AND YOUR TOWN

(Senator Harry H. Whitely in The Dowagiac Daily News)

One way to a growing, prosperous community is through good stores.

What makes good stores? Are good stores ahead of the city or following it? Do stores come after a place gets its business established by means of factory payrolls and good farming country, or do good stores help make the money of industrial workers go farther, and bring in trade from longer distances by progressive methods. It is our contention that good stores build population and real estate values, and contribute greatly to local prosperity. Many stores of course will follow the growth of a city and never catch up but fundamentally, good stores help a city grow.

Good stores will receive the larger part of the local trade because they deserve it through their service, the quality of goods sold and the price at which they sell. They cannot expect it through sympathy. But one thing is certain, no community can be well rounded out nor reach sound prosperity unless it has good stores and folks can help

## MONEY IN CLOSED BANKS

(The Michigan Investor)

"Many bank depositors make the mistake of feeling, and saying, that the money they have in closed banks is lost, gone forever. Another fallacy is the saying, 'My money is locked up in a failed bank.' The truth is that if their money, and other depositors' money was 'locked up' in the bank, the bank would not have closed," says The Arkansas Banker. In most cases that money is out—used up in loans to customers who cannot pay, or frozen in heretofore good bonds or other investments that, because of world-wide depression, have temporarily depreciated in value and cannot be realized on fast enough to meet the demands for cash.

"As a matter of fact, it is going to turn out, indeed it is already turning out, that losses in closed banks are no greater than in many other investments. Here is the true story of a man who got scared and then did some hard thinking. 'I have come to believe,' said he, 'that I'm better off with my money tied up in that busted bank than in anything else. It has paid me five per cent dividends, since it busted, and I reckon I'll get it all in time. I don't know anything else that has paid as well as that.'

"Two years ago, one would have thought United States Steel the best investment in the country. Folks who put their money in United States Steel a few years ago are now holding paper that is worth only 15 cents on the dollar. And look at real estate; people who invested in real estate have seen their investments shrink to a third or fourth of their former value. I have just reached the conclusion that money even in a busted bank is worth more than money in stocks and bonds and real estate."

## ONE-PARTY MENACE

(M. H. DeFoe in Charlotte Republican-Tribune)

Michigan is paying a fabulous price for one party government. Very likely this is the situation everywhere, regardless of politics.

No opposition breeds waste and extravagance. The party label is degrading. It is not a political or a constitutional question, but chiefly concerns the individual not as a republican or a democrat but as a personality. Every new governor has his coterie of friends and wherever he can he crowds them in upon the various departments, the heads of which are creatures of executive authority.

We sat in Friday night at a newspaper meeting of publishers and editors of papers in about the same class as the Republican-Tribune. V. J. Brown, editor of the Ingham County (Mason) News and a member of the present legislature, as the representative of rural Ingham county, related many of his findings as a result of his recent investigation of state pay rolls.

"He told many instances where 'favorites' were drawing 'higher pay than long and faithful servants; where domestics employed in the state furnished homes of institutional heads were paid within a few dollars as much per year as the chief and housekeeper of the Hotel Olds, where one institution with fewer inmates today than in 1914 had increased its administration expense from \$6,000 to \$65,000. Almost every item related by Mr. Brown was a shock in its inconsistency."

If every voter in Michigan could have personally heard Mr. Brown's story the republican party in the state would be hopelessly beaten in November. Something must be done.

## HOMEMAKER'S CORNER

By MRS. EDITOR.

### "WE NEVER SEE WHEREON WE STAND"

A letter comes from a friend in a "hot" distant town saying, "Every one is so down hearted that it sort of casts a gloom over everything. We will all be so glad when the depression is over. Glad when it's over? So we all think, but will we? Time will bring about the change to normal conditions we hope, but with the passing of time will come other inevitable changes not so welcome and even with settled prosperity we may look back at these days and see how much of good we had then but did not see."

A wise old friend said recently, "We never see whereon we stand. We never know how good our present state is until we look back upon it. Did you ever appreciate the comforts of a certain home until you had moved into the next and missed them?"

We heard a mother say, "I never felt real light hearted and gay when my babies were little—I was always just a bit too tired to be enthusiastic. There were too many things to do and my rest was broken at night." And now that the children are grown and gone she looks back and sighs for the days when she rocked a wee baby.

Some of the biggest struggles these folks have in the home are growing boys and girls. What a lot of bread and butter they can consume! How fast they wear out their clothes! Music lessons, a party dress like the other girls have, school books, a bike or an old horse. Little do they guess the price parents pay that childhood may have the things that only childhood enjoys—but who would have children know depression?

"Oh, we'll be so glad when we are past this pinching and can live in a house where we're not so crowded," we sigh. Not so crowded? And then we remember with a start that all too soon there will be plenty of room. As the school year draws to an end the oddest of all flocks will step forth from the high school platform with a diploma and high hopes for a wider horizon away from home. The music of the past years will be stilled. Two years later Nimber Two will follow.

Depression now? With the circle still unbroken, with all their noise and laughter scurrying and loving? Surely, we do not "see whereon we stand." We know that when years of prosperity and ease come we shall look back and long for these "depression days."

### "AMATEUR DADDY"

In a role equally as romantic as his immortal screen characterization, "The Crick Kid," and as heart-stirring as his "Daddy Long Legs" portrayal, Warner Baxter will delight the audience at the Penumant Allen theatre Saturday, April 23, where his new picture, "Amateur Daddy" will be shown.

There is an intangible something about this sterling actor which makes him as fascinating in a dust-covered sombrero as in a silk topper and without the aid of either in his current production he gives a performance that will long be remembered.

His role is that of a construction engineer, who upon the death of a workman in an accident for which he is partly responsible, takes it upon himself to care for the man's family. The family consists of four waifs, the oldest, a girl of about 18, impersonated by the charming Marion Nixon.

John Blystone, the director, has successfully captured the rich humor and innate humanness of the story, which is based upon Mildred Cram's novel, "Scotch Valley," and Baxter is admirably supported by a cast, which in addition to Miss Nixon, includes Rita LaRoy, William Pawley, David Landau and Clarence Wilson, as well as four of Hollywood's most capable child players, Joe Hachey, Gail Kornfeld, Joan Breslav and Frankie Darro.

### NOTICE TO TAXPAYERS

### LEMON CHIFFON PIE

We were lucky guests at the lovely home of Mr. and Mrs. Chas. Rogers Sunday. For dessert we had this delicious pie made by Mrs. Laura Jerome.

Beat yolks of 3 eggs until lemon color. Add 1/2 cup of sugar and beat until creamy. Add juice of 1 lemon and cook in double boiler until thick. (Stir with wooden spoon about 15 minutes.) Fold in 2 stiffly beaten egg whites. Fill crust and cover with meringue made with 3 beaten egg whites and 4 tablespoons sugar. Put in moderate oven for about 15 minutes.

### HOW DOES YOUR GARDEN GROW?

Garden planning time is here. Seed catalogs are popular. The big trick in making a flower garden is to look upon it as the proper placing of the plants—tall ones behind shorter ones. The government sends along this information which will be a help to amateurs especially.

Over 4 feet high—castor bean, cosmos, sunflower, sorghum, lettuce, milo and Indian corn, over 3 feet.

Joseph's coat, love's bleeding, feathery cockscomb, orange scurf, feathered fern, spider flower and summer cypress, 30 inches.

cornflower, larkspur, verbena, scarlet sage, strawflower and zinnia, 24 inches.

bedstraw, calliopsis, China aster, summer chrysanthemum, cockscomb, coneflower, four o'clock, gaillardia, Aztec marigold, plantain, dog, poppy, salpiglossis, snapdragon and snow-on-the-mountain, 18 inches.

Jobs-tears, mignonette and stock, 12 inches.

calendula, California poppy, calliopsis candytuft, French marigold, petunia, Drummond phlox, pink and Iceland poppy under 12 inches, ageratum, cockscomb, lobelia, portulaca, sweet alyssum and verberna.

### "T'WAS FUR, FUR AWAY"

Buck was squirming in the hands of the company barber.

"Does it hurt?" asked the wielder of the razor.

"Well," said Buck, "it all depends. If you're skinning me it doesn't—but if you're shaving me, it does."

Mrs. Carrie E. McMillan

Mrs. Carrie E. McMillan, wife of  
William McMillan, died at her home  
on the Base Line road Monday  
morning after a long illness. Mrs.  
McMillan was a woman of quiet,  
retiring habits and was not widely  
known in the village. Beside her  
husband, two brothers survive her.  
The funeral service was held at the  
home on Wednesday afternoon in  
charge of her former pastor, Rev.  
Wm. Richards, now of Belleville.  
Interment was made in Rural Hill  
cemetery.

Mrs. Sophronia Wilkinson

Mrs. Sophronia Wilkinson was

# WHY?

## Lubrication Service

### Why?

Do owners of Lincolns, Cadillacs, Packards and other expensive cars bring them to Casterline's for OILING, GREASING AND SPRING-SPRAY?

### Because!

COMPLETELY EQUIPPED with electric lifts, grease guns, only the best quality HIGH-PRESSURE grease, Casterline's station can rid your car of its squeaks and rattles and keep it in good running order. Because Casterline's attendants have been with him for years and know their business thoroughly.

## Automobile Washing

### Why?

Is Casterline's a more desirable place to have your CAR WASHED than any of the so-called "cut-rate" auto laundries?

### Because!

MORE ATTENTION TO DETAILS gives your car a finer, sleeker appearance. Washed until it glistens, your car will undergo a thorough cleaning inside and out. Because no spot is too small to be erased and no streaks are permitted on any car leaving our wash racks.

## Battery Service

### Why?

Should your BATTERIES RECEIVE MORE PROMPT ATTENTION AND EFFICIENT CARE at Casterline's than anywhere else for the same amount of money?

### Because!

Only EXPERIENCED MEN working with COMPLETE EQUIPMENT can diagnose your battery's ills. FIRESTONE BATTERIES, bearing a world-wide reputation for excellence, are handled by Casterline, and instant, courteous service can be had on short notice.

## Premium Gasoline

### Why?

Should you use PHILLIP'S 66 PREMIUM GASOLINE in preference to any one of the numerous cheap gasolines that are today flooding the market?

### Because!

PHILLIP'S 66 is a PREMIUM GASOLINE THAT SELLS FOR THE SAME PRICE THAT REGULAR GAS DOES and gives as does high test gas at a lower cost. More Miles per Gallon will give you better service, fewer knocks and will make the "old bus" hit just like new.

## Tire Repairing

### Why?

Should your TIRES AND TUBES BE REPAIRED PROMPTLY AT CASTERLINE'S OR REPLACED WITH THE FINEST TIRES OBTAINABLE TODAY—FIRESTONE?

### Because!

CASTERLINE SELLS THE MAJORITY OF TIRES IN AND AROUND NORTHVILLE. There must be a reason—and there is. ADJUSTMENTS WITHOUT ANY ARGUMENT ON FIRESTONE TIRES insure customer satisfaction. Complete tire changing and repair equipment at Casterline's mean instant, satisfying service.

## FIRESTONE TIRES

The first ten race track drivers finishing in the 1931 Speedway Classics as rated by the A. A. A. Contest Board on the basis of points ALL USE FIRESTONE TIRES. They want maximum insurance against accident. THEY DON'T WANT TO BREAK THEIR NECKS! Neither do you. Nor

do you want any member of your family to become injured through an accident caused by a defective tire. Therefore, INSIST ON FIRESTONE TIRES FOR PROTECTION, SERVICE, GUARANTEED ADJUSTMENTS AND LONGER WEAR.

There's a reason why Casterline sells the bulk of the tires in and around Northville and that reason is—HE HANDLES FIRESTONE TIRES—ABSOLUTELY THE FINEST TIRE MANUFACTURED TODAY. Wise and Thrifty Motorists ask for Firestones. Ask them why.

If you haven't taken official cognizance of "Guppies" then you are as ignorant as I am. A "Guppy," for the benefit of the uninitiated, is an extremely small fish that is best seen with the aid of a magnifying glass. Society, as has taken them up in a big way and you can hardly enter a Detroit home without seeing therein a fishbowl, seaweed, and the few specks of life called Gups or Guppies. Gups, snails are placed in the aquarium for company or to hold the Gups' heads, or simply. The official name for Gups is—oh, well, you won't remember the darned thing and neither will I. The fad stories for a wide range of fish allows which neither time nor space will allow me to relate. Suffice it to say that the Gups are fascinating mostly because one can hardly see them. As I am fond of saying, I carry my distaste for fish a long way, and Guppies have not lessened that distaste in any shape. Imagining paying a whole dollar for a pair of infinitesimal specks that have actually bad manners. They eat their young (oh yes they do) they hide from company. I know a pair that have an affinity for nicotine, and there are other things about them equally as distasteful. With my usual good nature and merely wanting to be friends, I walked up to a bowl of Guppies and in a cooing voice, you know what I mean, I said, "Here, Guppy, Guppy, Guppy come boss. Come on out and let's get acquainted." Despite the minuteness of the Papa Gup, I seemed to detect a baleful gleam of rage in his eye. In honeyed accents I again sought to lure him from the depths of the seaweed but again I failed to elicit any response. Determined not to be thwarted in my piscatorial research, I looked for Mama Gup. Disregarding the old adage that "the female of the spe-

cies is more deadly than the male," I tried my wiles on her. No sale. She refused to give me a break and furiously bubbling her anger, she darted at me, stopped only by the glass barrier, in a frenzy of hate. Who am I that a Guppy should get so tough? I snapped my fingers nonchalantly while she poured anathema on my defenseless head. She turned to Papa G. and they bubbled for fully five minutes at the end of which they gave a flur to their tails and with a quivering shiver that would make Gilda Grey turn green with envy, they dived for the shadowy depths. No Gup, can scorn me and some time I'm going to drop a pinch of salt into their bowl and then we'll see what we'll see. I suspect too, that I was not born under the sign of Pisces, otherwise fish and I would be much more friendly than we are. However, I defy any fish to make a sucker out of me! A Schwenger never forgets and I'll have my day of revenge.

As the French say, "a chaque saut sa chandelle" to each saunt his candle; to each individual his due.

## This Week

By H. H. White

There are two books which have just been placed in circulation by our local library which I have been asked to review in my weekly column. One is by W. W. Depping entitled "The Challenge of Love" and the other is "Heat Lightning by H. H. White." The first is an assistant professor at Columbia University in English. Here at this university school she gives courses in fiction writing. W. W. Depping needs no introduction to the readers of this column; there are any but it is interesting to note that he was the only author who had two national best sellers for the year 1931. But in this book mentioned in this paragraph "The Challenge of Love" we find Mr. Depping writing with his inevitable style, taking characters of everyday life and weaving about them things of everyday occurrence and happening, such as you and I might find in our daily lives as we go about our own living. In this story John Wolfe, a young physician, comes to a little town to assist an old doctor by the name of Threadgold with his practice. Being young, he comes fresh from his internship with all the up-to-date ideas of medical practice. One morning on his rounds he attends a Mrs. Mascall, and there meets her

daughter, Jess. In the meeting of this maiden he begins to detect inevitable thing of falling in love. Thus he finds inspiration for his clean-up campaign and wrestlings with epidemics and the ignorant prejudices of the people of the town. Finally Dr. Threadgold throws young Wolfe out entirely. But another local citizen takes up the cudgel with the young doctor in his fight to clean up back alleys and keep the individual wells pure and clean. Unfortunately this little town has begun its reform of sanitation a little too late, and people succumb to the epidemic of typhoid as it sweeps its wide swath up and down the countryside, in great numbers. Wolfe keeps up the fight with a tireless and fearless energy and one day in the bitter struggle, Jess becomes a victim of this terrible holocaust of disease.

With Jess in the throes of typhoid Wolfe has the terrific challenge of dividing his attention between his professional duties to the sick at large, and the love that is the light of his life. Here is a situation for a master hand with his pen and Depping leaves nothing to be desired for he writes with a fine exquisite sense and also an intimate one, because Major Depping is a physician, having had an enviable record in the world war. I am sure the ardent admirers of Depping's "Sorrow and Son" will find an equally lovable and interesting character in John Wolfe.

In Miss Hall's "Heat Lightning" the events cover a summer that Miss Westover spent in the little Western city in flight away from her husband and the living snags of estrangement and misunderstanding. She comes back to the small town of her parents and her childhood, when this crisis into her married life, only to have her grandmother tell her that a lifetime too short a time to find your way about another's heart without the usual blunderings and misadventures. We find in the story a summer mood of quiet tension and heat, feelings of secrecy which illuminate the relations of this Westover clan, in their loyalty, kinship, and family tragedies and heartaches. To the readers who are for the first time reading anything written by Miss Hall, this novel is one of fine workmanship and excellent style. Her characterizations are keen, examples of word pictures. The novel is very superior for a love story. It is very enriching and valuable as an experience for any reader who may have such a one to face or know about such a one. I might go on and tell about the bitterness and tenderness of this

## FAT GIRLS! HERE'S A TIP FOR YOU

All over the world Kruschen Salts is appealing to girls and women who strive for an attractive, free from fat figure that cannot fail to win admiration. Here's the recipe that banishes fat and brings into bloom all the natural attractiveness that every woman possesses and does it SAFELY AND HARMLESSLY. In the morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar. It's the little daily dose that takes off the fat and brings that Kruschen feeling of energetic health and activity that is reflected in bright eyes, clear skin, cheerful vivacity and charming figure. But be sure for your health's sake that you get Kruschen. A bottle that lasts 4 weeks, costs but little. You can always get Kruschen at C. R. Horton's and money back if not satisfied with results after the first bottle.

beautiful story, I might say it is drama and not melodrama, but I shall leave you, my reader, to discover these things in this extraordinarily fine book.

WELL PAID. A well-known lawyer was always lecturing his office boy, whether he needed it or not. One day he chanced to hear the following conversation between the boy and the one employed next door. How much does he pay you, asked the latter. I get \$2,000 a year, replied the lawyer's boy, ten dollars a week vice.

## Wake Up Your Liver Bile Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks purk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to move you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

## Keeping Ahead of the Times

Is Our Policy. John Ruskin's now contain more Havana Tobacco than when they sold at 8c, making John Ruskin by far the greatest value and the best tasting cigar in America at 5c. John Ruskin Cigars are machine made and Cleartext wrapped to keep them sanitary and fresh.

WAS 8c SAME SIZE NOW 5c MORE HAVANA

Delightfully MILD John Ruskin COULD BE SMALLER BUT NOT BETTER

CHAS. F. BECKER Detroit, Mich.

It takes the old-fashioned CARTER'S LITTLE LIVER PILLS to get those two pounds of bile coming freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c at all stores. ©1931, C. M. C.

# CHURCH NEWS

**Our Lady of Victory Church**  
Next Sunday is the ladies' communion day. The 8 o'clock Mass is the official church society Mass.

At their meeting last Tuesday the women of the parish decided to give a public dinner for the benefit of the church on Sunday, May 1. It will be served from 2 to 5 o'clock. The price will be 50c. Come and save yourself that Sunday drudging! It will be a chicken-biscuit dinner.

In this diocese of Detroit next week will be given over to the Vincent de Paul society. Spiritual relief must be given along side of material relief. Neither must any "ballyhoo" accompany such work. Consideration for the feelings of sincere recipients must always be present. The sermons at both the 8 and 10 o'clock Masses will explain the work of this society. The 10 o'clock Mass will be offered for the distressed. Daily Mass next week at 7:30. Special services Friday night, April 29 at 7:30.

The bake sale at the Palace meat market tomorrow (Saturday) will be in charge of Messrs. Lake, Sprenger and Strenich.

**Presbyterian Church**  
On Sunday, April 24, services will be held at the First Presbyterian church at the following hours:

Morning service, at 10:30  
Church school at 12 noon  
Evening service at 7:30

The social half hour at the close of the evening service is proving a very pleasant feature. Increasing numbers are attending; sandwiches and coffee will be served.

Monday evening, April 25 is the dinner for the men's club. All the men of the congregation are urged to be present. Dinner is served at 6:45 with an interesting program following.

Do not forget the band concert to be given in the church house on Friday evening at 8:00 o'clock, April 29.

**Baptist Church**  
Services next Sunday will be somewhat preparatory to the Sunday following the first of the new denominational year and the communion will be observed. Those who contemplate uniting with this

Remond Werthenrath, the operatic tenor heard on NBC, went to Europe on his honeymoon and sang at the ship's concert. After one of his numbers, a lady sitting next to Mrs. Werthenrath and unaware of her identity declared in ecstasy: "I just love him. I could follow him to the ends of the earth, couldn't you?" And the young bride answered calmly: "Yes, that's just what I intend to do. He's my husband."

Reminding about Rector's famous Broadway resort of other days, George Rector, who broadcasts, "Our Daily Food," on NBC, referred to "Diamond Jim" Brady-Broadway gourmet, as "Rector's twelve best customers."

Vincent Lopez, NBC orchestra leader, began his career as a piano player with the vaudeville act of Pat Rooney and Marion Bent.

Phil Dewey, NBC baritone was born in Macy, Indiana, and is the son of a band director. Richardson Wright, NBC's horticultural expert, was literary editor of the New York Times for two years. Frank Munni, the NBC tenor, is the son of George Munni, a New York City policeman. Jacques Davery, the French tenor heard on NBC, is the son of a French manufacturer and came to America three years ago. June Fursell, the NBC ballad singer, never took a singing lesson in her life.

## ANNUAL MEETING OF PRESBYTERIANS IS ENCOURAGING

The annual meeting of the Presbyterian church was held last Friday evening at the church house. A dinner was served at 8:30 p. m. Reports were made by various church organizations which were pleasing to the listeners. The status of the church house building fund was particularly satisfactory, considering the present general situation.

Rev. Harold G. Whitfield presided at the church meeting and T. B. Carrington, at the congregational meeting. Edmund S. Beard and C. R. Van Valkenburgh were re-elected ruling elders. The pastor spoke regarding matters of special interest and noted the encouraging features in the religious life of the church.

## West Point Park

Mrs. Frank Gould is in Ann Arbor. She is still very sick. Friends and neighbors are anxious to see her home once more.

Mr. and Mrs. Byron Hudson, Mrs. Isaac Bond, Mrs. Fred Bond and Harry Wolfe will sing special songs in the Presbyterian church Sunday at 11:30. Everyone welcome.

Mrs. Fred M. Bond of South Bend, Washington, arrived Wednesday after hearing of her brother, Earl Wolfe's, severe illness and will visit with her mother, sisters and brothers for a few weeks.

Mr. and Mrs. Stoneburner have moved to Northville so that the former will be near his work. We are sorry to lose this couple and their young baby.

The Girl Scouts are gaining in membership under the leadership of Mrs. Woodruff.

A Silver Tea, given by the Women's Association, will be at the home of Mrs. Adams, mother of the pastor, on April 28.

Mrs. Emerson Aut attended the Council-School of Instruction at Livonia Center school Tuesday in company with Mrs. Marvin Addis, president of the P. T. A.

The Pedro club, comprising four couples, Mr. and Mrs. Albert Nacker, Mr. and Mrs. William Zwalen, Mr. and Mrs. Fred Gerge and Mr. and Mrs. James Eastman met at the home of the latter couple on Thursday evening. A canny lunch was served and all enjoyed the evening.

Mr. and Mrs. Byron Hudson of Milford were week-end visitors with the latter's mother, Mrs. C. Wolfe, and attended church Sunday morning.

The Base Line Pedro club met Thursday afternoon with Mrs. Thomas. Prizes were won by Mrs. Della Jones, Mrs. Heller Wagner and Mrs. Velma Witte. Mrs. Lee Wilcox will entertain the club at her home next Thursday.

Fred Gerge is serving on the jury this month.

### NORTHVILLE HAS FIRST GAME OF THE YEAR

Northville's nine showed up unusually well at Belleville last Friday, even though they lost the game, 6 to 4. Coach Ruggles is pleased with the results. Defeat was due to bad luck and inexperience.

In the first inning, Northville started out by obtaining 3 runs, while Belleville failed to score. The game was lost in the second inning when Belleville scored 5 runs. After that each team scored one run apiece, making the score 6 to 4 in favor of Belleville.

This Friday Northville meets Berkley here. This is the first League game. Let's have everyone turn out to watch Northville go through a successful base ball season.

### PUBLIC SPEAKING BANQUET

Last Thursday evening from 6:30 to 7:30 o'clock the public speaking classes held a banquet in the gymnasium.

Mrs. Zimmerman's eighth grade girls served a delicious dinner after which they listened to many delightful speeches from the following members:

George Beasley made a very acceptable chairman. Forrest Lemmon made the "Welcome" speech. He particularly welcomed Mr. Ruggles. The other speakers were as follows:

Charles Meuninger talked on his experience in New Jersey. Charles Ruffenburg expressed his views of the third hour class in public speaking.

Wanda Rattenburg spoke in a very delightful manner on a subject of her own choosing.

Donna Ferguson was very optimistic in her views of a high school girl's future.

Nelson Schrader was equally as sure of a high school boy's future. Warner Neal gave his views of the fourth hour class. He was accompanied by the usual three "Irishmen."

Mr. Amerman, in the closing speech, talked on "out public speaking classes. The guests at the banquet were Mrs. Wright, Mr. Amerman, Mr. and Mrs. Ruggles and Junior Dundas.

To Mrs. Wright, the teacher of this course, belongs great credit for the acceptable showing these pupils made in public. This has become a very popular course.

### COMMERCIAL NOTES

The altitude speed race is still on in the typewriting II class. Red and blue airplanes go up and down the chart to amazing heights and depths. Some pilots find great difficulty in keeping their machines in the same range for very long.

The pilots are not experts and need steady training in this line of work. Two planes are now near the dizzy top, running wing to wing or propeller to propeller—as you will. They are the Exclamation Mark, (1) and Lady Q, piloted by Wilma Rattenburg and George Ulrich. The Exclamation Mark is slightly in the lead. There are seventeen other planes in the endurance test which will last until the end of the semester. Who knows what will happen before then?

On the accuracy chart: Ward Van Atta, Leo Kohler and Mary Mascolo have only green lines which means having typed on speed tests with less than five errors for five words.

II class Elizabeth Miner, Wilma Rattenburg, Florence Johnson, and Marion Lewis have only green lines. Green lines are not dangerous, but red ones! Look Out! It shows inaccuracy and means poor positions. Richard Shipley is the first typing I student to type forty words per minute. That is an excellent record for a beginner, especially so since Richard typed with only two errors.

### GLEE CLUBS TO ATTEND DISTRICT CONTEST

May sixth and seventh the Boys' and Girls' Glee clubs of Northville high school will travel to Ypsilanti where they will compete against other class C schools in Ingham, Oakland, Livingston, Macomb, Jackson, Washtenaw, Wayne, Monroe, Hillsdale and Lenawee counties.

Although the girls won first place over eleven other clubs last year, it is expected that the competition will be even more keen this year. The Northville club is greatly improved, but the other clubs will also be better. The girls, although entered in class C, are singing class A music. The number the girls expect to use is, "The Lord is My Shepherd," written in four parts, by Franz Schubert.

This is the first time the newly-formed Boys' Glee club will enter a contest, but if they perform as well in public as they do at rehearsal,

much will be expected of them. They are also singing class A music—"Thy Beaming Eyes," by MacDowell.

A music festival in Ypsilanti is planned for the evening in which the winning clubs will perform as well as large massed groups.

### CAMP FIRE NOTES

The Nissika Camp Fire group under the direction of Mrs. Cooke gave a bake sale in the Palace meat market, Wednesday, April 20. The girls are raising money to go to camp this year, which will be in Rose Center, Michigan. Here is something no one wants to miss. They have other things planned to raise more money.

Mrs. Amherst's group went on a hike after school Wednesday, April 13. The girls were real ambitious and hiked about three or four miles out in the country. They are having their meetings every Wednesday but are not earning any money for camp.

### GRADE NOTES

The first grade pupils of Miss Leonardson's room have been studying about Arbor Day. They all made posters for a class project in art.

Loretta Nagel, a third grade pupil of Mrs. Congo, has been ill with whooping cough. She has now returned to school. The students have been making posters on "How people should travel on land, water and in the air."

One of the pupils of Miss Reichle's room has been out with supposed scarlet fever.

The fifth grade students of Miss MacDonold have been reading "Pinocchio Puppet Show," in class. The scenery was made by Jane Van Atta and Wanda Bender. The Puppets were furnished by Catherine Bery. The theatre was donated by Chas. Hills and Jack McCrumb.

### DID YOU NOTICE

Spencer Van Valkenburgh is high hating everybody? (He is the new base ball manager.)

The smiling faces on Marion Turnbull, Donna Ferguson, Catherine Duguid and Helen Christensen? Ask them what happened Saturday.

All the new "Joan Crawford" houses it's the fad to wear them. All of our prominent golf players? They sure like to play.

The senior girls are dressed up for the style show which is to be given soon.

### THE AMERICAN EXCLAMATION

(By Lisle Alexander in Legion News)

The second annual Community Banquet, held at the Presbyterian church house on April 6 proved to be a decided success and afforded much pleasure and entertainment to all who attended. A delicious dinner was served by the ladies of the church with dinner music provided by the ever-ready-to-help and efficient Chick Miller and his band.

The colors were advanced upon the proper bugle call, this part of the ceremony being conducted by the Boy Scouts, and the dinner was preceded by words of grace from Rev. H. G. Whitfield.

Jack Cann was introduced as toastmaster by Commander Blake and from that time on, Jack had the

situation well in hand. Many prominent people were introduced and the excellent array of speakers were humorously presented by story-telling Jack. A mechanical device which Jack holds a semi-patent on, and which was constructed by Comrade Harold White, served to provide a laugh at both expected and unexpected periods of the program, as well as to keep the speakers within their scheduled time.

Our thanks and appreciation are extended to all who in any way contributed to this affair and we want to especially thank the Auxiliary Unit, the Boy Scouts, Junior Cole and his mother, Rev. Mr. Whitfield, the Presbyterian ladies, Chick Miller and his boys, Jack Cann, Dave Addy, Herb McGinnis, Bill Pettit, Joe Gillis, Les Keffen and Editor Richard Baldwin of The Northville Record.

Commander Blake had his heart set on those particular programs which you found at your plate, but they were more expensive than we could allow, so Joe dug down and paid the shot himself. A financial statement cannot be made yet but I will guess that we will just about break even.

Those gumdrop trees which helped to make the tables so attractive are, I am told, a native of Michigan. Claude Ely and Bob Yerkes say that they have been buying gumdrops so cheap for so many years that they must be grown locally.

Our many friends from Detroit and Plymouth and Redford at this event were very welcome and we hope you enjoyed yourself and will come again.

Now let's put the banquet asleep until next year.

Next regular meeting will be April 26. We have 70 members paid up to date. If any of you fellows who have not been able to pay before and can now, let's get it done. We have a long way to go in membership.

I'm shut.
