### MICHIGAN IS HONORED

A splendid distinction came to Detroit and to Michigan last week in the appointment of Roy D. Chapin, the noted automotive genius, as the new Secretary of Commerce in the president's cabinet.

Again is demonstrated the marvelous thing about this country of ours, viz, there is always room at the top for the man who carves out his own success. President Hoover picked Mr. Chapin for his cabinet because the lat- sons: Quality work at fair-prices by the best printers in continuing patronage for the stater has made his own two in-life and has naid the price. ## Rob't G. Yerkes and M. J. Murphy of Northville Are Two of the 27 Congressional Candidates in 17th

Voters of the newly organized 17th congressional - district of which Northville and Plymouth are a part, will have no difficulty in finding some one to vote for in the forth-

coming election. There are 14 candidates, on the Republican ticket and 13 are seeking the Democratic nomination. Two of the number, Robert G. Yerkes and M. J. Murphy, are from Northville.

Some of the candidates have been campaigning for months and others say they will spend only the last two weeks getting acquainted with

the voters of the district. Because of the fact that this district comprises a part of Wayne county and all of Oakland county, candidates are required to file their petitions in Lansing. Where a congressional district is entirely within Wayne county, petitions are filed with the county clerk.

Following is the list of candidates eeking the Republican and Democratic nominations in the newly or ganized 17th district. Republicans

## Tell them to VISIT MICHIGAN

F your out-of-state relatives and friends like to picnic beside sparkling streams . . . wander along old Indian trails ... or camp on the shores of picturesque lakes, tell them to vacation in Michigan.

The millions of dollars spent each year by Michigan's thousands of visitors add to the prosperity-of the state. Let us also spend our own vacations in Michigan this year, thereby contributing still further to its prosperity.

And wherever you go, dispel worry by telephoning home and office frequently. Call friends to tell them when you will arrive. Telephone ahead for hotel accommodations. Long Distance rates are low.

Have you a manufacturing process using a small amount of

Such jobs can often be done cheaper with electric heat because it can be confined nearly 100 per cent to its job-just as in large electric melting and heat treating furnaces. It isn't the heat you payfor but the efficiency of use that determines comparative economy. With electric heat there is no waste in heating up the surrounding atmosphere and it doesn't go "up the flue."

The cost of small electric industrial heating units is low. For example a small cartridge supplying a "spot" of heat costs only \$2. A "strip" heater which has a multitude of uses may be purchased for \$1.50. A liquid-heating unit that is adaptable to any number of jobs is priced at \$10. And these are only some of the more common devices. There are countless electric heating units designed exactly to suit your own particular needs.

It will pay you to investigate this subject. Our engineers will gladly discuss with you any heating problem you may have (no matter how small) and submit recommendations. There is no obligation-we do not sell this equipment. Simply call the nearest Detroit Edison office.

## Wake Up Your Liver Bile -Without Calomel

And You'll Jamp Out of Bed in the Morning Rarin to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative, candy or chewing guin and expect them to make you suddenly sweet and buogant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down and out feeling is your liver. It should pour out two pounds of liquid bile into your bowels

If this bile is not flowing freely, your food sm't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, had taste and your breath is foul, skin aches and you feel down and out. Your whole

system is poisoned.
It takes those good old CARTER SLITTELE LIVER PILLS to get these two pounds of bile lowing freely and make you feel "up and up." They contain wonderful, harmless, gentia vegetable extracts, amazing when it covers to making the bile flow freely.

### NORTHVILLE SENDS OUT SIX PITCHERS TO PLAY ON SUNDAY

Those who say that base ball as our national game, has seen its best days, are wrong or to be less harsh, misinformed as far es Northville is concerned.

Here, we have six base ball pitchers, all of whom pitched Sunday. -They are, perhaps, not all stars, but at least, above the average. They pitch consistently good base ball and are all with winning teams.

These local hurlers are Roland who pitches for the Detroit Fire men, Harry German, Sr., and Hartner of the Chiefs, Moore of Dearborn, Harry German, Jr., of Plymouth and Alex Johnson, Jr. of the Northville Braves. Roland and, Johnson were the only members of the sextet to be defeated Sunday. The other four, being more fortunate ,held their opponents to few hits.
