GOD'S IN HIS HEAVEN

A kindly Creator sends spring to both California and Michigan. (Some will doubt a California spring but none a Michigan one.)

Our sister Mary writes from California, Malibu Hills: "I am out on the porch in the sunshine—it is heavenly up here in the spring. The hills are so green and the flowers are beginning to bloom—lots of lovely wild lilacs, Indian paint brush and many other kinds."

Well, Sister Mary, let us tell you a story. We have just come back from a 30 mile ride on a windy April day, overcast clouds and chilly air. No flowers on the roadsides we passed but lots of mud on the car. Show flurries. And yet we came back with a thrill in our soul and new hope in our heart. Splashing through water and mud on the road, we saw the sun come out from the clouds for a brief moment and we could hear the songs of birds in the trees along the road. We passed a newly-plowed patch of ground and it smelled sweet to us. Here and there a touch of green showed in the fields. Winds whistling through the bare limbs—and yet the promise that in a few short days those limbs will be alive with bursting buds. A cold, dreary day in April—yes, but in another month, the leaves on the trees, the flowers in the making, the balm of the air, the kiss of a sturdy Michigan sun and the new life that spring alone can bring, will all be here, free and without price or money. Then let California come and compare her spring with ours. Ah, Mary it just can't be done.

THE JOB IS "FINISHED"

The democrats now control the state of Michigan's government—lock, stock and barrel. Last November the voters, with one exception, threw out of office the republican governor and every state officer that was up for re-election. Now in April the voters have "finished the job" as the democratic leaders called upon them to do. The republicans left are all ousted and democrats will take their places. The slogan of "Finish the Job" seems to have worked beautifully. From governor, legislature and on down to the janitors, as some one says, the democrats run the ship.

All right. The democrats have the government all in their reforming hands. They have promised much—and of them much will be required. Economy has been promised but so far the cuts have been few and far between—in fact one office at the capital has more desks than it is said, than under the republicans.

With the torch of government placed in their hands, the people of the state of Michigan will now look to the democrats to keep their promises. That is fair enough. There certainly is plenty to be done and it will take conscientious leadership to get even a tithe of the reforms promised.

The voters have "finished the job" of putting new hands at the handle of the state's plow. Those now running the state government will now have to "start the job" of tax reduction, daylight government and all the other reforms so fluently promised.

The people of Michigan have their eyes on the state capital. They have been promised a "new deal." Whatever that means, the voters are going to demand that it be given.

PROHIBITION IS FADING

A three-to-one vote of the wets of Michigan in their last battle with the dries leaves no room for argument that the people of this state want the 18th amendment taken from the constitution. Only the most rampant dries will deny that the vast majority of our citizens feel that prohibition has in its 13-year trial been a pretty complete failure.

Frankly, we did not expect such an overwhelming defeat for the dries. Why have the people of this state completely changed their stand on prohibition in the past few years? Several reasons can be given but probably the biggest factor in the changing of the opinion of thousands was the rise of the wretched bootlegger. Little by little we have seen in every city, in every hamlet, almost on every "four corners," the rise of the bootlegger with his rendezvous for unlawful sale of miserable liquor. In and around Northville the number of bootleggers is variously estimated from a dozen to 25 or more. And judging by the number of cars parked around such places, the bootlegger did a good business—often with bad liquor. "Anything to eliminate the bootlegger" became the thought of many people. "We are sick of him and his whole tribe."

Another reason for the crushing defeat of the dries was the fact that many fair-minded people felt that the 13 years of prohibition had shown that people will not submit to having their personal habits in eating and drinking controlled by law. All of us resent being told we cannot do certain things. With a complete knowledge of

what excessive liquor drinking will do to the most hardy man, it still should be admitted by fair-minded people that there are many folks who can drink liquor in moderation. Personally we all know men who can show real moderation in drinking beer or wine or even stronger liquor. With all the admitted evils of alcohol, there is apparently much sentiment that the law cannot tell a man that he must have no alcohol in what he drinks. This sentiment is one of the reasons that Michigan has turned its back so completely on prohibition.

Forgetting the reasons for the decision by Michigan to forsake prohibition, what of the future of liquor? Well, the defensive has changed—the dries are out and the wets will be on the defensive. Their position is going to be difficult. The confusion among the wet leaders at Lansing shows that. We are going to have beer and wine—and it is going to be intoxicating, let no one be fooled on that point. Where and how will it be sold? Both wets and dries agree fervently that the saloon must not come back but if we have public sale in restaurants and hotels and "beer gardens" what is that but a healthy substitute for the saloon?

The plain facts are that a lot of folks will be disillusioned in the results of the new beer era. The pendulum will swing back. If the new beer regime brings back the greediness of the old-time liquor barons then we shall surely see a revolt of the people, as we saw it against the domination of the saloon.

One of the brightest spots to many in the whole prohibition issue is that it is settled for awhile at least and we can talk about something else. And we can begin to elect our public officials on some other basis than that of how they feel about beer. (What a tragedy that has been!)

WANDERING THOUGHTS

Northville is proud of its schools.

We suggest a "conservator" for Northville public speech-making programs. Cut them all in two halves and then use just one of the halves.

If you spend less than you make you will get ahead. An Omaha man saved \$20,000, working for most of the time on \$13 a week. We know some "comfortably fixed" folks who got ahead that way.

Here is what Harry C. Robinson, Plymouth's hard and clean hitting auctioneer said to a gossip: "Next time you tell that story, just go into a room alone and tell the story to yourself." We'd like to hire a few rooms for some Northville gossips who wound hearts with their unkind words.

The other day we heard a speaker say that everyone should "brag" once in a while. "Brag" about business, his friends, his family, about the good times that are ahead. All right, we'll "brag" about these lines that just came in a letter from one of the best known newspaper men in the whole state. "You are getting out a fine paper and proving your worth as a home town publisher. When times revivify, you will be sitting on top of the world." All you Northvillians, "take a bow." You make this newspaper what it is.

WHAT OTHER EDITORS ARE THINKING ABOUT

WELL, THAT'S NICE

(Chet Howell in Chesaning Argus)
President Roosevelt is Member of Boy Scouts. For first time in history. Nation's executive is active leader of Boys' Group.

EXPENSIVE ADVERTISING

(Salt and Pepper Clinton County Republican)
Amos n Andy programs cost the sponsors of that program \$100,000 a month according to the announcement of the manager of station WJZ in Detroit. That figures up to \$1,200,000 a year to be paid out of the profits of one of a score of brands of tooth paste and mouth wash. The next time you use your tooth brush dope out if you can how much of that 50c went for goeey on the end of the brush and how much was spent to keep Madame Queen's beauty parlor running.

COMSTOCK AND O'BRIEN

(Crystal Falls Diamond Drill)
Tally for Governor Comstock. He has let it be known that he's not in favor of the schemes of Attorney General O'Brien to seize commercial industries from private hands to operate them under the control of the state. The proposal of Mr. O'Brien is one of the most radical ever made by a Michigan public official. Consider the state seizing copper mines of Houghton and Ontonagon county and starting work in them when copper is a drug on the market and selling below the cost of the labor to mine and mill it! Surely Michigan has fallen on strange ways. Governor Comstock is to be commended for his stand.

EASY TO MAKE THEM

(Galesburg Argus)
A few people criticize their local newspaper because they occasionally find an error therein. And these people scarcely ever take a thought of the mistakes they themselves commit. If one will consider for a moment how many chances of making mistakes the newspapers avoid, they will cease to be critics. A statistician has worked out a number of chances for mistakes in one column of print. The number is 70,000 to one. In an ordinary

failed to work. A new racket with a slick stranger working it. The salesman had a concealed tank in which was a supply of genuine gas.

TOO MUCH BALLYHOO

(Tuscola County Advertiser, Caro)
Is ballyhoo sounding the death knell of the radio as a profitable medium for the national advertiser? Evidently one large advertiser looks at it in that light, the Frigidaire corporation subsidiary of General Motors, having just announced that no part of its 1933 advertising appropriation will be spent in radio or billboard advertising. Instead it will confine its entire publicity campaign for the coming year to the use of newspapers and magazines.

THOSE WHO LOSE

(Geo. H. Neal in Orion Review)
The railroads are among the largest contributors to our national well being. The taxes they pay goes to the support of our educational systems. They employ thousands of workers at good wages, are liberal patrons of the coal mines for fuel, and in countless other ways furnish a ready market for the products of the manufacturer and producer. To subject the railroads to unfair competition by the buses is an economic mistake that brings injury to every citizen.

DEPRESSION HITS NORTHVILLE THEATRE

(Mrs. Lois Hisey in Wayne Dispatch)
The depression has hit the Penniman Allen theatre at Northville. At the present time, that village must find other means of entertainment from that of movie going.

Wayne experienced a partial closing of the local house last summer when Walter Shaffer, manager, was forced to close two days a week because of poor patronage. What a quiet and dead town this would be without a theatre!

There are but very few places in Wayne that are open to the public for recreation. The two most popular forms of entertainment are the local theatre and the library. We have been fortunate in having our theatre kept open. It is a necessary and integral part of our existence; and at the same time, extend to Northville our sympathy.

MICHIGAN IS WET

(V. J. Brown in Ingham County News)

There is no doubt about Michigan's wetness. Last fall the state prohibition act was repealed. This week the state voted overwhelmingly in favor of ratification of the 21st amendment and repeal of the 18th amendment.

But what will Michigan do two or three years from now? That is up to the wets. It is unthinkable that pre-prohibition conditions will be tolerated. The people have voted against prohibition but they have not voted in favor of license.

The dry forces have lost ground since national prohibition was enacted. The temperance movement has been set back 20 years. Back in 1913 it was becoming decidedly unpopular to drink. Drinking, even to excess, has been popularized because of prohibition. But by the time token, temperance will bring a return of prohibition in some form.

The liquor question and its solution are now on the doorsteps of the wets. They must plan carefully lest they meet the same fate as the prohibitionists.

Sweet Forgetfulness

"Now, girls," said the restaurant manager, "I want you all to look your best to-day. Add a little extra dab of powder to your cheeks and take a bit more care with your hair."

"Why, what's the matter?" asked the head waitress. "Butter bad again?"

"No," said the manager, "the beef's tough."

Harry C. Robinson, Plymouth's auctioneer, has declared that the raising and selling of horses is today one of the best paying businesses in the state, and now come authorities of Michigan State College with a similar statement. They state that the horse business is holding its own better than any other agricultural project, that even in these days of barter, horses are good trading stock.

with NuREXFORM

- 1 Because of its perfect suspension qualities, every ounce put in the tank reaches the tree. None settles to the bottom of tank to be scraped out as waste. Waste is costly. With NuREXFORM there is no waste, therefore it saves you money.
- 2 NuREXFORM spreads evenly over foliage and fruit and sticks, yet the spray residue may be easily removed at harvest time. It does not bunch up, leaving unprotected spaces where insects may attack. Tests have proven trees that are protected with NuREXFORM give a higher percentage of sound unblemished fruit.
- 3 NuREXFORM has a record of saving many hours of labor. It does not clog up nozzles and screens, thus preventing wasted time. Eliminates respraying, often necessary because of rain. NuREXFORM has extraordinary adhesive qualities.

Each can NuREXFORM will wear users and keeps old ones. The special processing produces fine minute particles with smooth surfaces. These stay in perfect suspension in liquid and give maximum even coverage on foliage and fruit.

Eleanor Grosvenor Entertains 12 Members of the L. L. L.

The L. L. L. met with one of their number, Miss Eleanor Grosvenor, on Friday evening, with Miss Geraldine Huff as sponsor. A pleasant tournament of bridge was concluded with a lunch served by the hostess.

Mrs. McLoughlin and Son, Jack, Have Double Entertainment

Jack McLoughlin was host to a company of ten young folks at his home Saturday evening. After a pleasant time with games and music in the recreation room a delicious lunch was served by Jack's mother.

Family Party of Mrs. Miller's Sisters and Mother Dine Together

Mr. and Mrs. E. E. Miller were hosts at a family dinner Thursday evening at the Lone Pine Tea Room to honor the birthday of a

sister of the latter. It was a veritable family gathering that sat down together with Mrs. Miller's mother, Mrs. Jennie Hoisington of Detroit, surrounded happily by five daughters, one daughter-in-law, one son-in-law, one grandson and one granddaughter. Among those present were Mr. and Mrs. Harry Bush and Mr. and Mrs. Wendell Miller and their child, all of Detroit.

Mr. and Mrs. Knapp Entertain Guests on Sunday

It seemed to be "open house" at the home of Supt. and Mrs. Thad J. Knapp Sunday when seventeen guests, by actual count, dropped in for visits. Among this number were several from Detroit and Highland Park, who were guests of the Knapps at the Lone Pine Tea Room. These guests were: Miss Esca Rodger, fiction editor of the American Boy Magazine, Miss Emma Wines and Miss Hazel Root, both teachers in the Highland Park schools, and Miss Ann Varden of the personnel department of the J. L. Hudson store.

Mrs. Neal Hostess to Ladies' Aid Who Report Finances Good

Mrs. Bertha Neal welcomed at her home Tuesday afternoon the Ladies' Aid society of which she is the president. Although the attendance was not up to par, a very good amount of business was transacted, most satisfactory being the complete settling of all bills to date. This feat was accomplished by the addition of a generous sum handed over by the April committee as the result of their extra amount of work done.

Former Northville Residents Return to The "Old-Town" for Dinner

To enjoy again a day in Northville where they lived about ten years ago, their home being in Beal-town, Mrs. Phillips and three members of her family came out from Detroit to spend Sunday. The late Mr. Phillips will be remembered as one of the organizers of the Bell Foundry, and an employee in the Globe Furniture Co.

Mrs. Ambler Is Honored by Family On Her Birthday

It is usually the mother who makes the celebration for the mem-

bers of the family but this time it was Mrs. Sherrill W. Ambler who was "honored" at a family dinner at her home on South Rogers street Saturday evening, April 8. Besides her three children, Evelyn, Dick and Junior, there were present her brother, Pierre Kenyon, who makes his home here, and best of all, her father, Marcellus L. Kenyon, who came from Plymouth to celebrate the birthday of a daughter who was a birthday present to her own mother.

As a happy reminder of childhood days, Mrs. Ambler was made happy with a bunch of lovely roses from her husband.

Mrs. Pettys Is Given Farewell By Friends Tuesday Evening

In honor of their friend Mrs. C. S. Pettys, who recently left this village for Wixom, a company of nearly 30 Northville friends made their way to Wixom Tuesday evening with the where-with-all for a good supper. Hot biscuits and maple syrup concluded the meal.

Jas. Savage Is Honored On His Birthday Sunday

Rounding out an even four score and two years, Jas. Savage celebrated his birthday Sunday in company

with a few relatives and friends at the home of Mrs. Bertha Neal. At the birthday dinner there were present two sister-in-laws of Mr. Savage, Mrs. Oscar H. Hesse and Mrs. Milton Brown and the latter's husband, all of Detroit. Mr. Savage returned the compliment to his hostess by presenting to her a beautiful basket of snapdragons and roses.

Mr. Savage is one of the familiar "landmarks" in Northville, having lived here the larger part of his life. For years he was a skillful molder at the Bell Foundry and when this work stopped, he became caretaker of the Lapham State Savings Bank building, which he has taken great pride in keeping "ship shape."

Mrs. Jennie White Feted by Nieces In Honor of Her Birthday

Three sisters, Mrs. Wm. H. Yerkes of Northville, Mrs. E. J. Frost of Boston, Mass., and Mrs. A. D. Galloway of Caro, together with Mr. Yerkes and Mr. Galloway and the great-aunt of the ladies, Mrs. Jennie White, enjoyed a happy family dinner together at the Lone Pine Tea room Saturday evening. This gathering honored the 93rd birthday of Mrs. White which occurs today (Friday) and these relatives took occasion to celebrate while they could be together.

An intimate visit of "days that used to be" was enjoyed with "Aunt Jennie" thoroughly entering into the spirit of the day. A fine ride about

familiar spots was an additional treat to this woman, who still is young at heart.

Further pleasures planned for the sisters from out of town were a dinner at the home of Mrs. C. C. Yerkes Sunday noon and lunch with Dr. and Mrs. Robert H. Haskell at the Wayne County Training School Sunday evening.

Woman's Union Learns "Capsule Friend" At Spring Luncheon

After a year of wondering who their "capsule friend" was the mystery was solved for the members of the Woman's Union Thursday afternoon at the annual spring luncheon.

Throughout the year the friend whose name each member found in her "capsule" was the subject of many little kind remembrances and greetings. In vain each tried to guess who she was.

At the close of a delightful luncheon when the spring colors, green and yellow, were in cheerful evidence, the secretary, Mrs. C. C. Yerkes, revealed the names of these unknown friends and an interesting time followed.

Woman's Club Hears About Birds From Prof. Van Loon

What though chilly winds were blowing without, it was spring at the meeting of the Northville Woman's club Friday afternoon when

Prof. Gordon E. VanLoon, head of the foreign language department of the Highland Park high school, spoke to the women on "Birds."

Prof. Van Loon was introduced by Mrs. C. C. Yerkes, who voiced the appreciation of the club to the speaker for his coming. He is a true lover of nature and has made this study of years as a side line to his school work. Birds are his particular "hobby" and through close observation of them he has learned many of their songs which he reproduced to his audience throughout his talk as the pictures were thrown upon the screen.

Prof. VanLoon's presentation was intensely interesting throughout and very surprising at times as he described the habits of various birds. It was with a greater appreciation of these little creatures of the air that the women left their meeting.

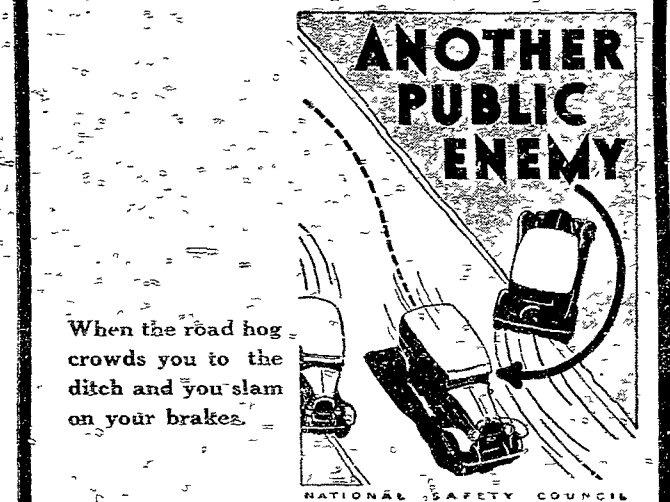

Very appropriate to the theme were the songs rendered very beau-

tifully by Mrs. Sterling Eaton, especially "A Little Brown Bird." Mrs. Eaton was accompanied by Miss Reva Schrader. A number of guests and school children were present.

Rev. H. G. Whitfield was the operator of the stereopticon. During the business session Mrs. Cass Benton reported the receipt of a letter from Dr. Mary Lapham, from St. Augustine, Fla., in which she stated that her purpose to give the Northville-Woman's club the use of the library as long as it remained a literary club still held good. This offer was made verbally about 50 years ago and Dr. Lapham thought it well for the club to have some written statement of her wish. The regular annual meeting of the club will be held following the Good Friday services at the Methodist church this afternoon.

LOCAL TALENT IS
WELL RECEIVED AT
BOY SCOUT BENEFIT

The Boy Scout benefit show, held in the high school auditorium Wednesday evening, was a success both in attendance and in that all present had an unusually good time.

Starting at 7:30 the show opened with selections from the "Footwarmers" orchestra and was followed by the popular Northville quartet, consisting of Pierre Kenyon, Leshe, G. Lee, Carl Bryan and Al Smith, and accompanied by Miss Barbara Eke of Plymouth. Then came a very short and humorous five-act play, "The Lean Dog," enacted by Robert G. Yerkes and Orlow Owen. Following this, Ad Schwenger, dressed in pink skirts and a green wig, convulsed the crowd with his version of a Russian interpretative dance. When he had finished and the audience recovered, Bob Dodge, who accompanied Mr. Schwenger, gave a piano solo.

The Drifters, the well known vocal trio, composed of Gertrude Deal, Florence Johnson, and Eleanor Grosvenor, came next and were called back twice by large orations from enthusiastic listeners. Then, winding up the performance, the farcical comedy, "What Love Can Do," was presented. This was played by Howard Latta, Pierre Kenyon, Harold White, Warner Neal, Margaret Ray, Gertrude Deal, Florence Johnson, Eleanor Grosvenor, and Madeline Haystead and was about the troubles of a young explorer who, engaged to only four girls, receives another "wife" from the King of Sopoloe. Her lover, Spraghat, follows her, and after narrowly missing killing Billy, the other fiances break in. The play ended happily, however, with the hero marrying his Sopoloean sweetheart.

Scoutmaster Orlow G. Owen who supervised the entertainment, and other Scout officials appeared much pleased with the results of the evening.

After the program all of those taking part on the program were invited to the home of Mr. and Mrs. Orlow G. Owen for a social hour. Mr. and Mrs. Stanley Hancock were included in the party.

THIS WEEK

By H. H. WHITE

In line with my view of what education the youth of today should seek in college I was quite interested to note the other day that Dean Glidesteele of Barnard College, informed her students that "Barnard college at least did not approve of surveys. She thought they were pernicious and superficial."

As an onlooker in the field of higher education distrust of surveys seems to me commendable. There are fashions in curricula just as there are in clothes or period furniture, and that faculties may sometimes change their minds is a very probable thing. It is hoped that they will not, but faculties are human and subject to change their educational fashion, if I may use such a term.

Surveys are usually done for the benefit of loose thinking individuals and the rank and file of the multitude who fail to have any constructive thought unless they are prepared for constructive work.

It has seemed to this writer so often that the average educated American is somewhat inexact in one's judgment by the sweeping statements made by the so-called intelligentsia. "He is quite apt to view with extensive survey man and from India to Argentine," and knew very little about it. Sweeping statements are like a little knowledge, very dangerous, because they lead to superficiality. One of the great faults of our American educational institutions today is the turning out of uneducated specialists who have no special training in any line.

By the weakening of the local pitcher and scored several times in the latter part of the game. They won the five inning game 6-3. The local diamond is still very muddy and practice is difficult. A game with Wixom will be played here Friday if the diamond is in condition.

Mr. Welch, the school janitor, has been in very poor health recently but is now feeling much better. The children are glad to see a return of his genial nature.

The Boys' Handicraft club placed several entries in the district exhibit at New Hudson last Friday. James Munro, Gordon Welch, Billy Hansot, and Lloyd Holmes had some work good enough to entitle them to show it at another club exhibit at Pontiac Saturday.

EXCHANGITES WILL HEAR TALK ON T. B. CAMPAIGN, APRIL 19

High points in the story of Michigan's campaign to control tuberculosis will be told to members of the Northville Exchange club at the regular meeting of the club on Wednesday, April 19, by C. W. Kammerer, representing the Michigan Tuberculosis Association.

To illustrate his talk, Mr. Kammerer will present by means of a viewing-box a group of selected X-ray films. Characteristic chest shadows by which the earliest cases of tuberculosis are now positively diagnosed among children and adults will be shown in some of the films. Others will picture the effect on the lungs and chest cavity of operations performed to help the body overcome tuberculosis.

The talk before the Exchange club is being given as a part of the "Early Diagnosis Campaign" sponsored during the months of April and May throughout Wayne county by the Detroit Tuberculosis Sanatorium society with funds from the annual sale of tuberculosis Christmas seals.

To this writer's mind the selection of major subjects should be put off as long as possible, and while a background of general education and culture is always advisable, an easy and unpretentious generalization is unfortunately a part of it.

It is quite safe to say that in America more than any other nation in the world we are given to wistful thinking.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

It takes those good old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't take for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Remotest a substitute. 25c at all stores. © 1931, C. M. Co.

N. H. S. TAKES ON PLYMOUTH IN FIRST GAME

Rivals Clash Here On Next Tuesday, April 18, In Baseball Contest

By Richard Shipley

The Northville high school baseball team will play its first game of 1933 season next Tuesday afternoon here with Plymouth. The game will start at 4:00 p. m.

It is unusual for a Northville team to start out its season by playing so large a school as Plymouth in the initial contest, as neither team has had much practice. Plymouth will perhaps slightly have the jump on Northville as they have a game with Fordson high school today and will get some valuable experience out of it. Northville, however, has had a week of intensive practice, and every player is "rarin' to go."

As in every athletic contest, between the two schools, this one promises to be well flavored, with good natured though spirited rivalry. Season tickets are being sold both to students and townspeople, and officials in charge of the sale say that they expect a large crowd to be present at the "Fangrounds" Tuesday. The adult season tickets are 40c and for students 25c. Admission at the gate is 15c for both adults and students. Children below the fifth grade will be admitted for five cents.

Coach Paul B. Thompson would give absolutely no indication as to the starting line-up.

In the box, there will be either Schrader, a left-hander, and out for the first time; Howard Latta, another southpaw; Bray, a right-hander; or Little, another right hander. None has had any experience to speak of, and only Latta has been out before. All show up well in practice.

The choice behind the plate is limited to Captain Kohler, a veteran of three seasons, and Herman Jarnes. Kohler will probably start, as he has had more experience than this younger rival.

At first base, Bender Ware, and Neal are "initial castings." The latter two "initial castings" both played last year. Raymond Westphall, perhaps one of the outstanding players on the team, is not contested for his second base position. Ray pitched some last year and also showed up very well in the box Dayton Deal, who played some last year, and Bobby Secord, are both out for third, and Dayton will probably start the game. Chrysler, Campbell, and Fosgate are contending for shortstop. Campbell played second base in 1932; Chrysler was out at the first of last season, and Fosgate, a junior, is making his debut. No indication was given as to which would be in the game when the team walks out on the field Tuesday.

There are not many boys contesting for outfield positions. The choice will be limited to Captain Darrell Bulfinch, who played outfield last year; John Steencken, a senior, and out for the first time; Irvin Mauter, also out for his initial attempt, and Norwood Dickinson, who is putting up a good fight.

The latter part of last week the diamond was raked and rolled and the team played on it whenever weather permitted during the week.

ORCHESTRA WILL GIVE CONCERT IN AUDITORIUM MAY 5

The Northville high school orchestra will make its Spring debut at eight o'clock Friday evening on May 5 in the high school auditorium. There will be no admission charge, but a collection will be taken.

During the intermissions there will be vocal solos by eight or ten members of the a cappella choir.

Leslie G. Lee, director, has organized the orchestra which consists of thirty pieces; the majority being string instruments. Under his expert supervision the group is certain to be as great a success as Mr. Lee's efforts have been with the vocal talent.

A CAPPELLA CHOIR SINGS AT SANATORIUM

The Northville high school a cappella choir gave an impromptu concert at the Maybury Sanatorium last Saturday evening.

In addition to the choir, the girls glee club and the boys' quartet both rendered selections and Ernest Racz played two "cello solos." The quartet is composed of Merle Fraser, Maurice Giles, Robert Cousins, and Ernest Racz. They were accompanied by Frances Alexander.

Latta, The Council and the Managership

The Orange and Black deeply regrets that it must proceed in the controversy with Howard Latta, senior alderman, and the student council, but we feel that it is our duty to do so.

To begin with, we wish to make certain facts clear. For instance, in Latta's so called "reply" to our editorial, he most emphatically did not, as he erroneously stated, represent the views of the student council; they were merely and only his own. Secondly in the impromptu student council meeting last Wednesday, called to consider the petitions, an unheard-of display of poor judgment was made, where the senior representative advised that we should "fear up" the petitions and forget the whole affair. We are afraid when he rephrased that statement really meant, Latta advised to absolutely ignore the right of petition, one of the most sacred and most effective rights in the hands of the people in every system of popular government. We are thankful that the Mayor enlightened the alderman.

Thirdly, Latta says in his article, "We have a plan whereby I act on the student council to remove the manager." I act on the Student Council? Who does this self-styled "kingfish" think he is; to act on and order the student council? If ever the ego of any person was publicly asserted, it was in that article, when, though he was not even talking for the council he says "I will act on the council." Yes, he will act on the council. But! Who would like to know in all seriousness, is running the Student Council, anyway the mayor and a majority of the members, or the "kingfish," Mr. Latta?

In his unfortunate article, representing his own views, he says that the seniors should not have the managership because they "are large enough and have the ability to earn their letters through their own athletic prowess." Now, we should like to ask, did Howard earn his own letter? It was by being manager of the football team. And he probably got it by "acting on" the council.

In his answer, the self-styled "kingfish" calls the bestowing of the managership, "an act of kindness." We should like to inform him that it is nothing of the sort. It is the duty of the student council, and of Howard Latta, since he "acts on" the council, to appoint to the important position of manager, someone who is capable, dependable, and energetic; someone who will know how to handle the expensive equipment, earned by the sweat of the student body in a careful and conservative manner; not someone whose dependability and capability is questionable to say the least. The manager appointments are not an

act of kindness, but on the contrary, something which calls for logical thinking and careful selection. The recent appointments, in part, were not carried on this; and now the council has a chance, through the petitions, before them, to exonerate themselves in their unfortunate choice, and appoint a capable and dependable senior to the important and responsible post of "baseball manager." The Orange and Black firmly urges that the council do this at the first opportunity.

And before we finish entirely, we will watch very closely next week to see Mr. Latta's answers to the pointed and straightforward questions of the senior president.

Vacation

We are glad that we have had vacation. It has given both students and faculty a rest and diversion. We shall expect to find, next Monday, the teachers bright and cheery. The teachers, no doubt, hope to find the students energetic, willing and obedient. We hope that neither will be disappointed.

Vacation should test the mind of the student, so that he will be able to work harder than ever, or may be just plain harder. By Monday afternoon, all students should be back again, earnestly trying to "get with" the faculty. And the faculty, we haven't the slightest doubt, will be just as hard to outwit as ever.

And so we shall struggle along, all of us probably just a little glad of course, we don't say so, that vacation is over and that we're going back, associating with each other and having something to do.

We were worried to notice how shocked and horrified Mr. Amerman was when he observed, before the assembly, that various students were passing notes. Right in school, too, can you imagine?

After reading the article on the N-club, banquet last week, we almost thought the date was late and the writer had gotten hold of a little 32.

We are unable to conceive how the Palladium can be successful if it does not contain the joke about the three Insultmen.

The more we think of Ludicrous, Leisurely Liabilities, the more we think that that's what "Triple L" really means.

Gertrude says she thinks it's comical to read all these answers in the O and B. So do we Gertrude, so do we.

Smile. As mixed-up as the Michigan legislature and several teachers' rooms.

In spite of itself, the faculty picture was pretty good.

RINCK SISTERS WIN IN STATE MUSICAL MEET

Kathleen and Yvonne Are Chosen Best Pianists At Flint Saturday

An unusual honor came to Northville last Saturday afternoon when Kathleen and Yvonne Rinck, daughters of Mr. and Mrs. A. C. Rinck of Easton Drive, each won first place in their respective classes in the final state piano solo contest sponsored by the Michigan Federation of Music Clubs. The contest was held in Flint.

This is the second time Kathleen has made her way to the final contest. Last year she placed third in the class composed of pupils of 14 and 15 years old, although she was only 13 at the time. It is of special interest to note that she won first place this year over five other district champions, among them last year's winner of first place.

Yvonne, better known to her friends as Bonnie, played in group "A," which includes pupils up to ten years. Yvonne is eight and has been studying only one and one half years yet she took first over three other district champions.

Before going to the final contest, in Flint the girls both won the district contest held in Ann Arbor two weeks previously, while Yvonne used a "Prelude" by Bach and "The Shepherd Song" by Powers.

Kathleen, a sophomore in high school, is already well known for her musical ability. She has been a pianist to the Girls Glee club and a Cappelletti choir and has, on various other occasions, entertained not only the students but townspeople as well with fine piano selections.

Much of the credit for the splendid progress made by these two young artists should go to their teacher, Mrs. Martha Lyons of Ann Arbor, and also to their mother who has patiently shown the right kind of cooperation and interest in their study.

DID YOU NOTICE

Any broken windows in the assembly? Why Peig?

How convincing Warner can be? Let him try and he'll succeed! How nice the senior girls looked in their dresses? Well done, girls! Howard Latta tearing up paper? What's wrong? Heard, didn't it sound so good?

That Paul Baldwin is now a member of the Orange and Black Staff? Like father like son?

The furtive looks that passed around the assembly when Mr. Amerman spoke about notes? Claude Hinchman taking sewing? We'll teach you not to tear Raymond's shirt won't we, Buck?

How tightly Mary B. clings to you know who? What's the matter Mary, are you afraid of competition? How reluctant some of our athletes were to have their hearts examined? What's wrong boys, have you given them away?

THE INQUIRING REPORTER

What action should the Student Council take on the question of the baseball managers?

Paul Baldwin—They should elect two senior managers.

Doris Sears—Since I can't have it, I think the student council should choose two seniors.

William Dundas—Because of his size, being a manager is the only way that Tony can get a letter.

Margaret Hay—I believe that the freshman appointee is not old enough nor responsible enough for the position.

Catherine Duguid—In view of the fact that Tony failed in managing the basketball team, I think that Dick Nash should get the position.

Art Cook—I think Dick Nash should be the manager. This is his last chance to earn a letter, and both of the others will have plenty of time to get theirs.

Eleanor Grosvenor—I think that it should be given to some senior who has not yet earned a letter because a freshman or a sophomore will have other chances.

Blanche Tomaszewski—The Council was right in its choice. The group is capable of doing its work properly and I don't think the student body should question its decisions.

Marie Humphries—Since Dick Nash has had four years in which to get his letter and has not done it, I believe that the Council's selection of Tony Bonjovanni should stand.

SENIORS HOLD LAST DANCE OF YEAR APRIL 22

Next Saturday, April 22, the senior class will hold what will probably be the last of its dances this year.

The seniors have again engaged the popular music of Don Patterson. The price is 20c before the dance and 30c at the gate. The dance will last until 12 o'clock.

The seniors are hoping that the students and townspeople will turn out for their last dance as they have for their previous ones, and they assure that everyone will have a fine time.

The chairman of the various committees are as follows: advertising, Mary Bennett; decorations, Robert Christensen; check room, Lynn Mathews; clean-up, Irvin Ware. The dance is to be supervised by Richard Lee Shipley, president of the senior class.

NEW BOOKS ADDED TO PUBLIC LIBRARY

New books recently added to the shelves of the Northville Public Library are the following: Hanson, Grace L. Hill, Boat of Longing, O. E. Rolvaag; Eric Waters, Walter D. Simmons; Pageant, G. B. Lancaster; Round Up, Clarence E. Mulford; Kennel Murder Case, S. S. Van Dine; Belinda Grove, Helen Ashton; Forgive Us Our Trespasses, Lloyd C. Douglas; Arabesque, Eleanor Mercein; Orient Express, Graham Greene; Meeting on the Bounty, Nordhoff and Norman; March of Democracy, James Truslow Adams; Poets Loose in the British Isles, Harriet A. Franck; Looking Forward, Franklin D. Roosevelt.

During the past few months a marked increase in the number of readers in the library has been noted with satisfaction. Lack of employment has driven many to seek reading as an outlet to their restlessness. "It is an ill wind that blows no good."

2 GIRLS WIN SPELLING BEE LAST FRIDAY

Lucille Lapham and Lucille Simmons To Spell In Plymouth April 28

Last Friday, April 7, two Lucilles, Lucille Lapham and Lucille Simmons, proved themselves to be the two best spellers in the fifth, sixth, seventh and eighth grades, and will represent Northville in the district bee in Plymouth, April 28.

The spelling bee between the fifth and sixth grades was held in the grade building and consisted of the ten finalists in each grade. The spell-down of the seventh and eighth grades took place in the gymnasium and the participants were the 20 finalists in both grades.

The spell-down was held in two separate parts. The fifth and sixth grade selected their ten best spellers and these clashed to decide one of the two Northville representatives. After an hour of elimination, the twenty were cut down to five: Evelyn Duguid and Richard Ambler, fifth graders, and Marian Coleman, Catherine Springer, and Lucille Lapham, sixth graders. Gradually they dropped out until only Catherine and Lucille remained. After a few minutes of spelling, Catherine had the misfortune to forget to capitalize "Pilgrim" which, under the rules of the contest, eliminated her, leaving Lucille Lapham the sole survivor of the battle of words.

The seventh and eighth grades also selected their ten best, and in the H. S. gym Mrs. Ida B. Cook, assisted by a few of the parents, literally threw words at the contestants.

At noon seven young students still remained and they disbanded for lunch and returned "hustling" at one o'clock.

Of the seven, Marjorie Chase was the first to fail by misspelling her vowels in "shriek." Mary Jane Gregory was the next to find her "Waterloo" in "probability." June Denne fell to "fiery," while August Card could have "sworn" that he spelled "sworn" correctly. Betty Haystead went down on "access" leaving Lillian Fritz and Lucille Simmons to fight until only one remained standing (or sitting). After almost four and a half hours of steady grueling, Lillian succumbed to "accomplish," putting in an extra "o" and spelling it "accomplish," leaving Lucille victorious.

This year the spellers were aided by a pad and pencil on which the words could be written and then spelled from the paper. This proved to be a benefit and eliminated nervous errors.

Now the two Lucilles, Lucille Lapham and Lucille Simmons, will enter the district tournament at Plymouth on the 28th where they will do their best.

are spending the week at Hillsdale visiting Mr. and Mrs. Comstock, the parents of Mrs. Amerman. The Amermans left Tuesday and expect to return tomorrow or the next day.

Leo Kohler visited his cousin, Jack Gathfield, in Detroit. He left Sunday and returned Tuesday. The Detroit schools have their vacation the following week so Leo spent some of his time attending school with his cousin.

GROUP PICTURES MUST BE ORDERED MONDAY, APRIL 17

The group pictures for the Palladium will be sent to the engravers next Tuesday and all persons wishing to order any individual group pictures must place their order on Monday, April 17.

The orders are to be placed in Mrs. Elizabeth Chapman's room immediately after school, Business Manager John Steencken said. Prices for the individual pictures is 50c. The business manager emphasized that all orders would have to be placed Monday, as the pictures must be sent the next day. He said a 25c deposit must be made to insure the order.

Other departments of the Palladium are progressing rapidly, Editor Neal said. An outline of the book has been formed and the other details are being completed. "All seniors must have their list of activities in by next Friday," Neal warned. He also said that information regarding the popularity contest would be given out at the assembly meeting next Wednesday.

FIRST TRACK MEET IS NOW ON APRIL 28

A change has been made in the track schedule and the first meet is now set for Friday, April 28, with Roosevelt high school of Ypsilanti Track coach Pierre Kenyon said however that he is trying to schedule a meet with the N. H. S. alumni sometime around April 21.

The team has been practicing once a week and Coach Kenyon seems very optimistic as to the chances for his team.

JUNIOR DANCE THURSDAY IS ATTENDED BY MANY

The dance given by the Juniors last night broke the "monotony" of the spring vacation and gave the students a chance to get together for an evening of dancing.

The dance was well attended by the students and townspeople. Patterson's orchestra supplied the music for the occasion. The gymnasium was decorated with crepe paper which removed to a great extent the bareness of the room. At 12 o'clock the last strains of music died away and the party ended.

SENIOR REVIEW TEST IN ENGLISH HELD NEXT WEEK

The last of the senior review tests is expected to be held sometime during the on-coming week, faculty officials in charge of the reviews said. The test is on English grammar and composition.

There have already been tests in algebra and arithmetic. The latter test, held Friday, March 31, proved disastrous for many seniors. It was not known when the classes for the students failing the tests would start.

HENRY HOFFMAN CONTRACTS SCARLET FEVER AT ANN ARBOR

Contrary to the expectations of doctors, Henry Hoffman who recently underwent an operation will not return home Saturday as he has contracted a case of scarlet fever.

COUNCIL WILL SETTLE FATE OF PETITIONS

To Meet Monday, April 17, And Make Decision On Manager Question

The question of the petitions on the baseball managership has raised much excitement and argument in the high school. It will be settled by the Student Council Monday.

There have been two distinct groups of sides formed. One is in sympathy with the petition requesting change of baseball managers. The second objects to any change and believes that both present appointees should be retained, saying that the student council decisions should not be questioned.

Faculty members are keeping entirely neutral and the majority of the council members will give no indication on how they will vote. The meeting is called for Monday afternoon, at which time the important "petition question" will be decided. The council will either have to comply with the wishes of the petitioners and appoint Richard Nash to one of the positions of the managership, or decide against the large petitioning group, and do nothing about a manager change. Howard Latta, senior alderman, is out and out in favor of Tony Bonjovanni and no change, while Bob Power, chief of police, appears to be leading the fight for a change.

In a statement to the students of Northville high school, Mayor Robert Christensen says, "It is unfortunate that vacation has caused a delay in the settling of this question. The council will however, meet Monday and decide on what course to follow in the matter of the petitions. I wish to assure everyone that the council will act fairly in this matter and their utmost to settle it in the most just manner possible."

Paper Wads And Notes Fly In The High School Assembly When The Teacher Steps Out of Room

By Florence Johnson

The assembly teacher leaves the room. Result, Paper wads, ink wells, chalk, erasers, etc. are soon whizzing through the air, causing all in the vicinity to duck their heads. Usually some innocent person is the unfortunate one to be hit. At the instructor's hurried reappearance, quiet is instantly restored, but it is amusing to watch the guilty flush on the faces of the culprits who are studiously buried in their text books.

Pliers are very handy to have around if you desire to take your desk apart, or better yet, if you wish to pinch the girl in front of you. (Thank heaven they don't bring revolvers to school—yet, anyway.)

Some girl hastily whispers to the one in front of her, remembering something she neglected to mention before and which cannot wait until after school. Before they know it they have begun a prolonged conversation. But this ceases rather abruptly when the guardian angel, who sits at the desk, toward the rear of the room, calls out one of the names, much to that person's embarrassment.

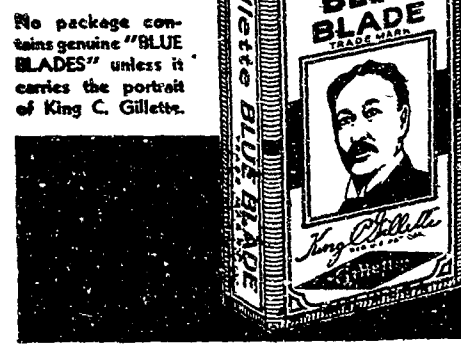

Another person has been painfully trying to send a note to some school mate across the room. (The contents are not necessarily important—

but, heck, you might as well tell her what is on your mind, if you can escape being detected by the "Dreaded One.") So, the note passes to the different people in the path, hand-to-hand, until there comes a place where there is no one to whom the said note can be passed very conveniently. Risking the—er, hovering guide's eagle eye, the person now in charge of the note casts it to the receiver, and it lights on the floor with a thud that can be heard all over the room. Quietly the instructor walks down the aisle and just as quietly takes the note into his possession, leaving all person's concerned feeling guilty and the original sender much fearful as to the contents being exposed to the ever-willing eyes of the public.

The period is nearly ended and the students begin to get restless. They stare around the room and whisper to their neighbors and in general cause a great disturbance. It is impossible to try and study in the hubbub (at least I have found it so and usually find myself joining the rest of the Merry Makers.) All sigh thankfully when the bell rings with a snarl, piercing peal and file out to their next class, hoping it will be shorter than the last.

Can this be our Assembly?

A chorus man out of a job was given a small part in a play. He merely had to walk on, sear himself and say, "Well, here I am." At rehearsal he did not give satisfaction.

"No," bellowed the director. "Try it again. Now come on like a man."

"My goodness," simpered the chorus man, "for \$15 a week he wants me to do character parts."

popular misconception, he said. With an army of 15,000 highly trained men commanding an air force, a navy, and a well equipped artillery division, he declared, revolution is impossible.

Headlines, he argued, are placed on the front pages of every American newspaper at the slightest shot or explosion helping to keep alive the myth that Cuba is in a constant state of unrest.

Cuba's sole difficulty now, explained Mr. Barriera, is the two cent tariff on sugar which is strangling its largest industry. After supplying the United States with a large amount of sugar throughout the war and for years afterward duty free, and then to have the duty placed on after the industry had grown to such large dimensions is cutting down Cuba's buying power from the United States, he said.

Mr. Barriera expressed the opinion that a trade agreement more favorable to Cuba than is the present situation would soon be drawn between the two countries.

The most friendly relations between the two countries have always existed, he said, and the common bond of friendship would be strengthening by such a treaty.

Mr. Barriera was introduced by his friend, Dr. H. I. Spaulding.

Exchange guests welcomed the return of Maurice Lapham back to club after an extended visit down south.

The afternoon session was devoted to a symposium on "Studies in Remedial Reading among Educable Mental Defectives" under the leadership of Dr. Hege, assisted by Dr. Sears and Mr. Kirk of the Training School staff, with the subdivisions of "The Diagnosis of Remedial Trainability" by Dr. Sears; "The Results of Training" by Dr. Hege and "The Techniques of Training" by Mr. Kirk.

The program was arranged by Dr. Manley M. Ellis, who is in charge of teacher training activities at the Kalamazoo State Normal of those who are preparing themselves to work with the mentally defective and other handicapped children in the public schools of the state.

Methodist Church

Rev. Frank N. Miner, Pastor

Good Friday service at 1:30 p. m. at the Methodist church.

Easter Sunday morning at 10:30 o'clock. The public service of worship and sermon. Those who desire may bring flowers for the church altar in memory of their departed friends. The special offering of Easter day goes for the missionary work of the church.

Sunday school at 12 noon.

In the evening at 7:30 at the Methodist church the three churches unite for the pageant, Golgotha. See notice elsewhere in this issue of the Record.

Church of Our Lady of Victory

The April meeting of the Altar society will be held at the home of Mrs. John Nelson, at 628 Fairbrook, next Tuesday, April 18. A penny postcard luncheon will be served at 12:30 noon, after which the regular business will be transacted.

Good Friday services are being held at the church both morning and afternoon, at 8 o'clock and from 12:00 noon until 3:00. The latter will be the "The Orem," depicting in prayer, song, and sermon the Seven Last Words of Christ.

On Holy Saturday morning the regular ceremonies of that day will start at 7:30. Holy Communion will not be distributed until Mass time.

Next Tuesday evening at 7:30 we shall close our June week novena of prayers for courage in and relief from the depression. Our last talk in this series on Catholic doctrine will be given that night. The subject will be, "The Conduct of Catholics." When Catholics heed their church they do not go wrong. Catholics invite trouble. When Catholics deliberately cast their faith aside people begin to mistrust.

WHAT DO YOU THINK OF CHRIST?

Alfred Tennyson, the great poet laureate of England, once entertained a Christian guest. After dinner both took a stroll into the beautiful garden when, suddenly, the guest very abruptly asked the poet, "My friend, what do you think of Christ? The great man must awhile as though he were in deep thought. Then he stooped and plucked a flower and holding it up in the sun said: "What the sunshine is to this flower, that Jesus Christ is to me in my life. All my wants I find in Him supplied. He is the joy of my heart. Without Him I would soon have to wither and die."

Two important services will be held in our church during holy week. The Good Friday service, commemorating the death of Jesus for the sins of the world, will be held at 7:30 p. m. The Easter service, commemorating the resurrection of Christ from the dead, will be held at the usual time, 10 o'clock. Let us make it a point to attend both services.

Lord Jesus, teach me by Thy Passion, As Thou dost live and die for me, That I in loving consecration May live and die alone in Thee.

Salem Federated Church

Remember the Good Friday service to be held at the Congregational church on Friday afternoon from two to three o'clock.

Our young people, with their friends, who wish to go to the Cranbrook Observatory at Bloomfield Hills, will please meet at the church, Friday evening at eight o'clock.

On Easter Sunday, worship will begin at the usual hour of 10:30. "Risen With Him" will be the theme for the entire service. The pastor urges that each of you who plan to be baptized on Easter morning, give to her before the service a paper bearing the day, month and year of your birth, and your name as you wish it to appear on your certificate of baptism. The Sunday school children are especially invited to attend the ten-thirty service.

In the evening at eight o'clock, the Sunday school scholars will give their Easter program under the direction of Mrs. Ruth Clay and Miss Nelson.

SESSIONS HOSPITAL

Lloyd McDonald is soon to return home after recovering from his recent encounter with a bull.

Ralph Frances has made good recovery from an operation, and will return to his home in Walled Lake very soon.

SALEM CONGREGATIONAL CHURCH

Rev. Lucia M. Stroh, Minister

There will be a "Good Friday Service" from 2:00 to 3:00 o'clock. The Federated church and Pastor Rev. Pennell will unite and take part. Also the Salem school will contribute a musical number, with the other schools and scholars participating.

Practice for the children Friday and Saturday afternoons.

Easter will be celebrated with a joyous and sacred service both morning and evening. In the morning beginning at 10:30 a. m., the beautiful Easter service will be held.

The pastor will bring the Easter message. Special music by the choir and others will be rendered, followed by reception of members and baptism of children. Then the Holy Sacrament of the Lord's Supper will be commemorated.

There will be no Sunday school after this service, but there will be an evening service at 7:30, when the Sunday school and Junior choir will render the annual glad Easter program of the children.

The Ladies' Auxiliary society meeting will be postponed until the Thursday after Easter on Thursday, April 20, Mrs. Fred Melow on Five Mile road, will be the hostess.

Prayer meeting each Wednesday evening in the home of Mr. and Mrs. R. W. Kehrl in Salem.

The Crusader class will be entertained by Mr. and Mrs. Garfield Smith, three miles west of Salem, on Saturday evening, April 22. A happy time is anticipated by all. Every member come and bring your friends.

May the Joy and Hope of Easter permeate and rekindle each heart with light and gladness from our risen Lord! Come and worship Him till blessed Easter!

GEO. RATTENBURY GOES

(Continued from page 1)

The reason for the new wording is that George, genial manager of the meat department of the A. and E. store here, has been promoted to a better position in the organization with headquarters in the University town, Ann Arbor. A raise in pay, states George, goes along with the excellent promotion.

Going on the new job Monday morning, George will spend his last Saturday behind the shuffling white counters of the meat department here tomorrow where he will greet his customers for the last time.

"I hope to see everyone while I'm behind the counter at the store Saturday, but if I don't get around to say 'goodby' to all of my friends and customers personally want to thank them for their patronage through the paper. I've enjoyed myself thoroughly during the years I worked here and I am sincerely sorry to leave. I'll be back often and if any of my friends or customers come to Ann Arbor I want them to visit me."

George has been prominent in the racing events at the annual Northville Wayne County fair and is known by horsemen throughout the state for the excellence of his entries and for his good sportsmanship. He has officiated as a judge and starter at several of the races.

THREE HUNDRED AT ARMY DAY BANQUET

(Continued from page 1)

There followed official motion pictures of the U. S. Signal corps showing the American army in the drives at St. Mihiel and Meuse-Argonne. These pictures were shown through the kindness of Mr. Yerkes.

After several numbers by the Northville quartette composed of Carl Bryan, Leslie G. Lee, Pierre Kenyon and Al. Smith, and accompanied by Miss Barbara Baker, a short talk on village problems and activities was given by Dr. Linwood W. Snow, president of Northville.

Dr. Snow revealed how the village has made a saving in water, light, and gas costs, and in wages, through strict economical measures. He said that these were too high, and that every effort must be made to lower them.

Dr. Snow called for the cooperation of the entire village, saying that he had enjoyed the splendid co-operation of the council.

The next speaker on the program was Major J. J. Shoemaker, of the U. S. Signal corps, who gave a brief talk on "Peace-time Preparations for National Defense." Major Shoemaker stated that the present army of the United States is less than four per cent of men needed in an emergency. He further stated that only eight cents out of every tax dollar is used for national defense. He urged that every citizen should do his part in remedying the neglect in military defense.

So like his radio voice is C. C. Bradner's "natural" voice that had he spoken behind a screen, unannounced, everyone at the banquet would have known it was "Brad" speaking. Rich, deep, vibrant, Brad's voice seemed entirely in keeping with the fine personality who has become a household word in homes having radios. Purposely choosing as his "talk" a sequence of humorous anecdotes about Scotchmen, lawyers, doctors, grandmothers, newspaper men, and even parrots, Mr. Bradner touched with mastery the sensibility of his listeners.

Mr. Bradner related a few incidents of his own boyhood, recalling that his father had spent his boyhood here in Northville. He spoke of his early acquaintance with a country newspaper, both at the type case and as a reporter, saying that it had long been his ambition to own the Northville Record. "I am always glad to see the hometown paper prosper," he said. "And I don't think much of the merchant who doesn't support it."

The past commanders of the Lloyd H. Green post named by Toastmaster Yerkes were: Charles F. Murphy, 1919-20; L. D. Stage, 1921-22; Lyle G. Alexander, 1923-24; Harold White,

1925-26; James Dickerson, 1927-28; A. D. Barbour, 1929-30; Chas. Smith, 1930-31; Charles Schoutz, 1931-32; Joseph R. Blake, 1932-33.

Past leaders of the Legion Ladies Auxiliary named were: Florence Alexander, 1924; Ina Welch, 1925; Bertha Peters, 1926; Laura Smith, 1927; Louise Safford, 1928; Helen Sweet, 1929; Lida Murphy, 1930; Catherine Todd, 1931; Lida Murphy, 1932.

Mrs. Chas. Dolph, chairman of the committee in charge of cooking and serving the banquet, and the Ladies Aid of the Methodist church, are deserving of much credit for the splendid banquet they served. Floral decorations were donated by the Jones Floral company.
