FERA Will Give Labor For
Tennis Courts And
Gym Floor

With the national government paying for all labor through the FERA, the school will have complete by July 15 a graded and fenced playground and stands in prospect of having a new gymnasium floor and two tennis courts soon.

Purchased in 1928, the lot at the south of the school has always caused school and village officials much trouble. It had a decided slope to the south, causing water to carry away dirt and flood Cedar street. Now it has been entirely leveled off.

The playground, which will be 200 feet square, extends from Cedar street to 120 feet from Main street. It is about four feet lower than Main street a stone wall built in the side holding the dirt in place. It is the plan according to Goodwin Crumby, construction engineer in charge, to build a steel fence along the top of the wall, making a continuous fence around the playground except at the east where a terrace has been graded.

The high tension electric light wires which now run over the playground, are to be taken down and power supplied to the school underground from the east. School officials believe this to be a great improvement, rendering a potential danger to children.

The state FERA headquarters in the school gymnasium arranged for the gymnasium night of 6:30 to attend their annual banquet. Lee A. White of the Detroit News addressed conditions from long usage, can speaker and the Northville quartet, be replaced for nearly \$1500. The band director is the strain of Stevens FERA taking care of the labor, orchestra which will amount to \$1,000, and the band paying the cost of materials, about \$800. The school board soon decide whether or not it will soon have this project and expect to cooperate with the national relief agency.

The cost of the playground to the school, that of the material is only a little more than \$1,000. The far greater cost of the labor, paid by the FERA, according to Horace Boyden time clerk, amounts to \$7,000. Of this, \$3,25 was spent by the CWA up to March 31, the remaining \$4,55 being spent by the FERA. The National relief agencies spent upwards of \$1,300 for material.

Labor for the tennis courts will amount to approximately \$400. The cost of the gym floor, estimated, and if clay courts are put in, Mr. Crumby believes that he can obtain material free of charge. Cement courts, he said, will cost nearly \$1,000.

In addition to the playground, posed of Leslie G. Lee, Carl Bry, Pierre Kenyon, and Alfred GWA, which expired March 31, have been doing considerable work on the interior of the grade and high school buildings. Seats have been refinished, cupboards built, plumbing improved, painting done, and a sunroom constructed in the grade building. The entire electrical system of the school buildings has been improved, the meters being charged to a more advantageous position.

Only this week, Mr. Crumby announced the purchase of 2,000 bricks to build a partition in the grade school basement and for three manholes on the playground; a ton of plaster to be used in connection with the grade school partition; and enough paint for two coats on outside frame parts of the high school building.

With the Main street sidewalk in front of the school leveled and the cement drive up from West street rebuilt, together with the resodding of the lawns and other work already completed, the appearance of the school will be greatly improved.

MARIONETTE SHOW COMING JULY 17

The Methodist church will present of the Phoenix Pere Marquette company officials for the construction of a grade separation just north of the community on July 17 a company of school teachers from Detroit who will give a Marionette show. This will be of a high grade class. Every time they appear in Detroit right of way, under which the road is before a packed house, the road will pass. This is the first time they are showing outside of Detroit. Save the date.

THE OTHER DAY

By R. H. WHITE

Miss "19"

We have two apologies to make on items mentioned in The Record last week—entirely our fault. First, we forgot to mention that Stanley Tandy was best man at the wedding of his sister, Ruth Taylor and Forrest Lemmon. Second, Jack Watson informs us that he is not taking chemistry course as was told us by someone whom we supposed was good authority. Anyway, we beg the pardon of these two young men.

NORTHLVILLE BEATS TRENTON, PLAYS AAA TEAM HERE JULY 4

Scores of 21 to 6 and 14 to 7 and sixth, three in the seventh and one again in the ninth.

In the second game Northville scored one run in the first inning, three in the second, five in the fourth, two in the fifth, three in the sixth, and did not come to bat in the seventh. All double headers are nine innings for the first game and seven for the second.

Trenton scored five in the fourth, one in the fifth, and one in the seventh, of which 21 were converted into runs. The Wolverines drove Smith and Thompson from the mound and gave Nichols, the surviving White Star pitcher, plenty to worry about.

Mullross, of Northville, had a big day at bat, scoring two triples and a home run and driving in five runs. Hammond, Marvin and Norton had triples also, the latter getting two.

Northville scored one in the first inning, one in the second, two in the third, three in the fifth, one in the sixth, nine runs in the seventh and finished with four in the eighth. Trenton got one each in the ninth.

Northville plays its strongest

Ann Arbor team here and Wednesday, the Fourth of July, they play the Triple A team, Plymouth-Detroit in an exhibition game here in the fair grounds.

ami now than in Michigan.

Passers by on Main street ear-

this week were attracted by the bold

strokes of the brush of Joe Wright

of Belleville who painted a new scene

on the large bill board at the Hi-

Speed gas station. Spectators stood

aghast as a mother bear and cub ap-

peared on the edge of a steep gorge

produced by the dropping brush of

Joe who went on his way when his

job was done.

Ruth Mary Mills and Marie An-

Patients in Northville and sur-

rounding country have a little more

cheerful outlook than they did two

weeks ago, as the long severe

drought has been broken by several

small showers and things are look-

ing a little brighter.

The rain has helped hay, even at

this late date, and it is expected

that with the showers predicted for

the immediate future, the crops will

be in arrears on taxes world wide.

Those from the village of

Big Rock, at the time of the

funeral were Mrs. Ida Hendryx,

Mr. and Mrs. Frank Hartman, Mr.

Johnson and Mrs. Alex Liree.

Northville High School

Novi Methodist Church

Union Service

The church will be open for praise and worship at 9 o'clock. Come and help to create a worshipful atmosphere. Church school at 9:45. You need not afford to be without this relationship.

Christian Science Churches

Christian Science will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, July 1.

Among the Bible citations is this passage (Ps. 40:10): "I have not had thy righteousness within my heart." Paul declared thy faithfulness and thy salvation. I have not concealed thy loving-kindness and thy truth from the great congregation."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (P.110):

"In following these teachings of divine revelation, the Bible was my only textbook. The Scriptures were illumined; reason and revelation were reconciled, and afterwards the truth of Christian Science was demonstrated."

For the grace of God that brings salvation hath appeared to all men teaching us that dealing with godlessness and world lusts, we should rebirth, strengthen and Godify in this present world, looking for that blessed hope, and the glorious appearing of the great God and our Savior Jesus Christ, who gave himself for us, that we might be made fit for his presence, and perfect for the works of righteousness.

The Ladies Aid will meet on Tuesday of this week at the home of Mrs. J. A. Dorewater.

Rev. and Mrs. Charles J. Dorewater spent the first of the week at the home of Mr. and Mrs. Harry Doherty in Meade, Michigan, where they attended a homecoming.

Mrs. Warren Wiggin has been appointed teacher of the primary class. Mr. Charles Johnson gave a very interesting object lesson during the Sunday school part of Sunday morning.

Fifty-five pupils enrolled for vacation Bible school, July 1-10. Morning session is conducted for the older children, and afternoon for the younger. It will be open continuous for three weeks.

Enrollment is being held at the department with the following teachers—Mr. Leon A. Martin, Mr. Charles Johnson, Mr. Arthur P. Johnson, Mrs. John Johnson, and Rev. G. O. Williams.

Mrs. V. O. Williams, director of the music and Miss Dorothy Gagnon are also on the faculty. Miss Dorothy Francis, Bachelor and Medical Graduate, and Miss Dorothy Gagnon, are in charge of the Lindquist and piano periods. Several other pupils are assisting in transportation. It is anticipated that over one hundred pupils will be enrolled during the school period.

Rev. V. G. Williams has chosen the subject "A Father's Care" for the Sunday morning service. For the evening he has chosen the course "Molding History" in Salem.

Salem Congregational Church

Lucia M. Stroh, Minister

The Sunday school session begins at 9:30 a.m. sharply next Sunday.

The preaching service the usual time at 10:30 a.m. The Holy Sacrament of Communion will be commemorated at this service. All members kindly observe—Bake Sale on Saturday, July 7.

Prayer meeting Wednesday in the church.

The Light Bearers S. S. class will have a class party at the home of Mrs. R. W. Kehrlin in Salem Thursday afternoon from two to five o'clock.

This little class with its teacher, Miss Wittich, has presented the church with two lovely communion bread plates which will be dedicated and used at the Holy Communion service next Sunday.

The pastor and church gratefully acknowledge and appreciate this gift given by these dear boys and girls.

The Sunday school picnic held at Island Lake Park last Thursday was greatly enjoyed by a fine group of Sunday school teachers, scholars, friends and the pastor.

June is the perfect month of roses and fragrant days with lovely social affairs. The members and friends of P. T. A. of Salem gave Mrs. E. E. Curtis a pleasant surprise Wednesday evening June 20. Her acting as president of our P. T. A. for the past two years "of our school" with loving words and kind remembrances will be missed.

About 75 guests gathered at the pretty home east of town, giving her a complete surprise. After a social hour with visiting and playing games, a three course dinner was served to all. A special cake, tinted in pink roses and green leaves, was cut by Mrs. Curtis and served to all. At a late hour Mrs. Curtis was called to the living room where George Albinson, one of our teachers presented her with a little token of remembrance from all her students.
