HORSE SHOW PROMISES TO BE BEST EVER

More Entries Being Received This Year; Boxes Are Going Fast

With the entries coming in much better this year than ever before and more boxes sold already than usually are disposed of right up to the last day before the show begins, there is "every indication that the coming Northville horse show will be the best one ever held here."

This was the sentiment expressed Wednesday by John L. Nelson, chairman of the committee, which he said was echoed by all the rest. "There is more interest being displayed in the show this year than the committee ever had any idea there would be," Mr. Nelson said, "and from every standpoint too."

Already 40 boxes have been sold. Several boxes are being reserved this year for the benefit of people who may wish to see the horse show and who do not wish to reserve an entire box for all three days of the fair.

Robert S. Moore of Nashville, Tenn., one of the best known judges of saddle horses in the country, will be the judge of the show.

Included in the late entries is one which will be sent in by D. E. Hopper, of the Bloomfield Open Hunt club, who advised Mr. Nelson that he wanted to bring a stable of hunters here to enter the show, but declined to give out the name of the owner of the horses.

Senator Couzens has entered four horses in the show, Mr. Nelson said, also Frank Eddy of Detroit three horses, and Dr. H. E. Moore of Birmingham, who will bring four horses.

One of Dr. Moore's horses, which will compete in the show, will be Ilderton II, a full brother of Ilderton I, who won honors for his owner, Philip H. Grennan not only at the Northville show but also all over the country. Ilderton II is reputed to be fully as fine a horse as his famous brother, Mr. Nelson said.

The trophies to be given to the horse show winners will be on display during the early part of next week in the window of the Schrader furniture store.

Although he was not certain where the next meeting of the horse show committee will be held, Mr. Nelson said Wednesday it would probably be held at Philip H. Grennan's Farm Crest home on the Six Mile road either on Friday or Saturday evening, and that possibly it would be held at his home on the Ridge road near Plymouth. The junior horse show committee will hold its last meeting before the show this afternoon at the home of Mrs. Wm. Rawle Brown, Arrowhead farm, on the Nine Mile road.

Pictures of the junior horse show committee were taken Wednesday by Detroit News photographers. They will appear in the Sunday edition.

Among those who have reserved boxes for the horse show are Thomas Trainor, Detroit; Dr. H. E. Moore, Birmingham; Mrs. Earl Benton, Detroit; Mrs. H. E. Curtis; John L. Nelson; Philip H. Grennan; H. G. Marburger; Edmund P. Yerkes; the Rev. Joseph E. Schiller; E. L. Millis; T. Glenn Phillips; Mrs. Wm. Rawle Brown; L. L. Lindsey; George Gardham, Detroit; J. J. Hotchin; Mrs. Edith Lapham; Harry B. Clark; Theodore N. Kamps, Jr.; E. C. Langfield; Leo Davis; Robert G. Yerkes; E. L. Smith.

DR., MRS. HANDORF ENJOY VACATION IN ISLE ROYALE 'WILDS'

Dr. and Mrs. H. H. Handorf and their children, Milton and Barbara, returned Sunday from a two weeks' vacation at Isle Royale in Lake Superior, in what Dr. Handorf termed really wild country.

The fishing up there is excellent, Dr. Handorf said. His record catch, made one day last week in one of the inland lakes on Isle Royale, was a 36-inch Northern Pike.

They were away from all civilization there, he said, and when they went fishing in this lake, which was literally filled with fish, there were no other people there at any time.

STUDENTS ASKED TO REGISTER ON AUGUST 26th, 27th

All Those Entering High School Should See Thompson

All Northville high school students—those who will be in the upper four grades during the coming year—are asked to report for registration on Monday or Tuesday, August 26 or 27, to Paul B. Thompson, assistant principal, at his office in school building, it was announced this week.

Superintendent of Schools R. H. Amerman, in making the announcement, explained that getting the students registered early enables the school to be much better organized to take care of them when it opens on September 3.

"Any students who happen to be away from town on the registration days may register when school opens," he said, "but we would like to have all the rest come August 26 or 27."

The school bookstore will also be open on these days, Leslie G. Lee announced. Used books may be returned there at that time and students may purchase new or used books.

All used books which the students wish to turn in at the bookstore must be brought there on either of these days, however, Mr. Lee emphasized, because they will not be accepted after school begins. At that time, he said, the only business being conducted will be the selling of new books and supplies.

OWENS BEAT ELY IN HARD-FOUGHT GAME

Increase Lead in Softball League; Ford Wins Over Maybury

In one of the closest games of the season, the Owens edged out a 4-3 victory Tuesday evening over the scrappy Ely team and strengthened their hold on first place in the recreation softball league here.

They have a record of nine games won and only one lost. The Johnsons team, in second place, has won seven and lost two.

No score was made until the sixth inning of the game. Ted Watts, pitching for the Owens, held the Ely team down to three hits. Don Smith, Ely hurler, allowed seven hits. The game had originally been scheduled for Thursday, August 8.

The Ely team was expected to clash with the Infants Thursday evening in what was expected to be a hard game. The Johnsons will play the Orioles tonight, Maybury is scheduled to play Edison Monday, and the Orioles will meet the Infants Tuesday. It is expected that the games scheduled for the week of the fair will be played on other days so the players may attend the fair.

The Infants hit the ball hard to score 11 hits against Ford Friday, winning 9-1, behind the good pitching of Don Bray. The Ford team reversed its form on Monday however, scoring one of the upsets of the season in defeating Maybury, 9-5. They were beaten again Monday, however, by the Owens, 7-2, Ted Watts holding them to two hits.

OAKLAND COUNTY PICNIC TO BE HELD AT WALLED LAKE

The annual Oakland county picnic will be held Wednesday at Walled Lake amusement park, and will be an all-day affair, it was announced this week.

Merchants in all municipalities including Pontiac will close their stores in honor of the day, according to W. B. Duncan of Berkley, chairman of the picnic committee.

Included in the activities for the day will be a baseball game, amusements, swimming and boating. Prizes will be given to the winners in the track and field events which will be held during the day. Amusement tickets, with a value of 50 cents to be used on the various amusement rides of the park, will be sold to those attending the picnic for 30 cents.

The committee includes Frank D. Clark of Novi, Albert Gale of Waterford, F. G. Beardsley of Addison, Clayton Lilley of Ferndale and Hugh Taylor of Brandon.

YOUR NEXT PARTY will be a great success if you serve Fry's delicious home-made ice cream. Economical, pleasingly different, and a real treat. No extra charge for cutting and wrapping. Royal Ann Cafe, Northville. 46tfc

WORK BEGINS ON BASEMENT OF FACTORY

Plans on Balance of Building To Go Out for Bids This Week

The contract for building the substructure and main floor of the new Ford plant in Northville has been let to the Cooper-Little company, Detroit contractors, and work has already begun on the project, it was announced this week at the Ford Motor company offices.

This is the first contract that has been let for the new factory. Plans on the balance of the building, which will be a one-story structure of brick and steel, 200 feet long and 100 feet wide, are being rushed to completion, Ford officials said, and will be sent out for bids this week. They expect to award the contract for the upper structure in about ten days or less.

The reason for letting the two separate contracts for the construction, the officials explained, was because it is the desire of the company to get actual construction under way in order to get the building finished as quickly as possible.

Rough excavation work for the plant was finished last week by a force of Ford men, and the Cooper-Little men were already on the site this week. During the past few days they have been completing the foundation excavation and have started to excavate for the column piers, or "footings" which are to be sunk five feet below the level of the basement.

E. B. Cooper, of the Cooper-Little company, announced Tuesday that sometime during the coming week he will be ready to hire some local men to work on the construction of the basement. Just how many men he will need, he did not disclose.

The cost of the new plant, including both construction and machinery installation, will be $750,000, Ford officials said.

The beauty of the new factory site will be enhanced by an artificial pond and by an overshot waterwheel, which will be at the east end of the plant. It will also serve as a part of the power equipment of the factory.

The new plant, expected to be ready for occupancy by January 1, will replace the present building, which is scheduled to be torn down as soon as the new one goes into operation.

The new plant will not employ 1,000 men and make all the Ford V-8 valves, as was first expected, but rather will only replace the present plant and employ about 325 men.

EXCHANGE, ROTARY SEE DETROIT TIGERS DEFEAT WHITE SOX

A total of 55 baseball fans of the Northville Rotary and Exchange clubs went to Navin field in Detroit Thursday, August 8, to watch the Detroit Tigers beat the Chicago White Sox, 5-2.

According to Charles A. Dodd, secretary of the Exchange club, all but three of the Exchangites were present at the game. The Rotary club was also well represented, and in addition there were guests of the clubs. The men sat all together in one block of seats.

Some of them voiced disappointment because Hank Greenberg did not connect for a home run during the game, but many declared later that it was a whale of a game anyway. General Crowder pitched a fine game for Detroit, they said.

Included in the guests of the clubs that attended the game were a number of boys the members took along with them. Other guests of the clubs who attended were the Rev. William Richards of Belleville, former pastor of the Northville Methodist church, John Walker, L. M. Eaton, Dr. Wilbur H. Johnston, Floyd R. Lanning, Arthur S. Nichols, Harry B. Clark, E. C. Hinkley, Mrs. Thelma Schultz and Don R. Miller.

FOOTBALL GAMES TO BE PLAYED AT PARK

Only Four Regulars Did Not Graduate; Backfield Is "Green"

When the Northville high school football team lines up for its first home game of the season in September it will play on the new athletic field at Cass Benton park rather than at the fair grounds.

This fact became evident this week as it was announced by the Board of Wayne county road commissioners that they had decided to let Northville high school play its football games, during the coming season at least, on the Cass Benton field, which was at first planned and is now being used as a baseball diamond exclusively.

J. M. Bennett of Plymouth, superintendent of Wayne county parks, said that football would be tried as an experiment this fall for the benefit of Northville. The county will erect temporary goal posts for the gridiron and mark the yard lines on it," he said, "but the county does not want it to interfere with baseball being played there." He expressed the opinion that the temporary goal posts could be erected and taken down as was necessary when baseball games were played.

Both Mr. Bennett and Leroy Smith, engineer-manager of the road commission, assured W. A. Ely, Northville township supervisor, several weeks ago that they believed the high school could secure the use of the field. Mr. Ely made a special trip to the office of the road com-

FARM UNION'S HEAD ASSAILS AAA POLICY

Adjusting of Production To Consumption Is Wrong, He Declares

Criticism of the New Deal policy of adjusting production to consumption was voiced Saturday afternoon by E. H. Eberson, president of the National Farmers' Union, before a state-wide gathering of Michigan members of the union at Cass Benton park.

"We are only dieing with starvation," Mr. Eberson declared, "when we ever destroy surpluses of anything. No one can deny that!

"President Roosevelt said in a meeting of the AAA in Constitution Hall in Washington, D. C., last month," the Farmers' Union chief continued, "that it is high time we are telling everyone that we have not destroyed human food in any form, but in the face of this statement, cold statistics tell us that more than 5,000,000 pigs have been boiled down into fertilizer in the Chicago stockyards.

"That is the reason," he asserted, "why you and I are paying such high prices for pork today. The farmers have no more to sell. It is the direct result of government bungling.

"Our real problem is not to adjust production to consumption," Mr. Eberson continued, "but rather to bring about a fair exchange for prices and labor. And our greatest safeguard for this is an organized people.

"Never in the history of the world has a single reform of any kind been brought about by the higher classes," he declared, "and that is why it is so necessary for us—the farmers and the producers—to make ourselves heard in the nation's capital. We are the class from which all reform comes.

"Not until we organize and cooperate will we find the solution to this problem," he said. "Let's work together."

Congressman William Lemke of North Dakota was also scheduled to address the meeting, but was unable to attend because of pressing business in Washington.

A baseball game between the Schrader-Haggerty team of Plymouth and Skryzcki was played after the addresses, which were given by Mr. Eberson and local officers of the Union. It was won by Skryzcki, 11-0.

FORNEY TO DISPLAY NEW STOKER AT FAIR

A model of the automatic stokers sold by William E. Forney here will be on display in the main building of the Northville fair, Mr. Forney announced this week. It does away with all labor connected with heating plants and saves fuel, he said.

ALL PROJECTS HERE TO STOP ON THURSDAY

All Workers, 54 in Northville And Nine at Hatchery To Be Laid Off

Work will stop on all the work relief projects in Northville Thursday, which are in progress now under the Wayne County Emergency Relief administration, and the 54 men employed will be laid off as well as nine more men working at the U. S. Fish Hatchery here, it was announced this week.

Horace Borden, who is in charge of the work in Northville, was notified by the Detroit office a few days ago that the men will all have to be laid off at that time.

The order came, Dr. H. H. Burkart, village president, explained, because of the new federal work relief administration setup in Washington. All approved projects of under $25,000 will be handled by the Works Progress administration, or WPA. Projects costing over that amount will be under the jurisdiction of the Public Works administration, or PWA.

The new reservoir, recently approved by President Roosevelt, will come under neither of these groups, Dr Burkart said, but will be a contract job. Village officials were still awaiting the receipt of the loan and grant agreement of the reservoir this week on that it could be signed and returned to PWA authorities. They were in hopes that the necessary negotiations could be completed soon so that work can be commenced on the job before the cold weather sets in.

One of the projects that of completing the construction of the new Boy Scout building at the corner of East Dunlap and Hutton streets, cannot possibly be finished by the time the men finish work here, Mr. Borden said. This fact all that has been accomplished on the job has been digging the excavation, building the foundation, and excavating the old structure, which stood on the school grounds.

There was some doubt this week as to whether several of the other projects can be completed in time, but village officials were of the opinion that at least the work on the school buildings will be finished.

The constructing of the new brick chimney on the grade building is nearly finished, and there still remains some redecorating of the rooms in the building, which were affected by the work, to be done Mr. Borden said. The new chimney is being built as a protective measure to insure that the children will not be in danger of any coal gas fumes which leaked out several days during February, causing the school to be temporarily closed.

In the high school the balcony of the gymnasium is being painted.

ACHIEVEMENT TAKES SACRIFICE, AMERMAN TELLS W. C. T. S. BOYS

R. H. Amerman, superintendent of Northville schools, was the guest speaker before an assembly of about 50 of the older boys at the Wayne county training school Sunday morning, citing to them the experiences of Walter Reed, who became famous for his work combatting yellow fever in Cuba.

"Anything that is worthwhile in life," he told them, "takes sacrifice," and related how Mr. Reid had risked his life in the tropics against this dread disease so that thousands of other men there could be saved from it.

MORE EXHIBIT ENTRIES BEING RECEIVED THAN IN ANY PREVIOUS YEARS

Stock Barn Space All Sold, Main Building, Midway Also Nearly Full; Honest Concessions Engaged

OFFER LARGEST RACE PURSES EVER

With the public wedding of a local couple as the opening feature, the biggest Northville fair ever held" will open here Wednesday, and will continue four days until Saturday night.

The public wedding, scheduled for 8 o'clock Wednesday evening, promises to be an outstanding attraction, fair officials declared this week. The identity of the people, and even of the minister who will marry them, will be kept a secret until the ceremony begins.

"It really will be the biggest fair ever held here," Nelson C. Schrader, president of the fair board, declared Tuesday. "We will have more and larger exhibits than in any previous years, and that we know because the entries in every department are heavier than ever before."

The drawings for the three free fairs will also prove a big attraction, fair officials predicted. A car will be given away on Thursday, Friday and Saturday at 5 p. m. The tickets from which the winning ones will be selected have been given with each 50 cents worth of merchandise purchased in communities throughout the county. Many people from all of these towns will come, officials believe.

Thursday of the fair will be Plymouth day. The Plymouth chamber of commerce has made arrangements to close all stores there that day, Clifford of the operation, Floyd A. Northrop, fair secretary, said. The parade of motor cars will leave there at 10 o'clock noon and come to the fair grounds in a body. All cars carrying the band, Gendron, they are a part of the procession will be admitted to the parking space free. Included in the parade will be a hot band. The Northville community band will also be on the grounds Thursday to play between events of the junior horse show.

Friday will be Farmington day, and is being planned by the Farmington Exchange club. The Farmington band will be on hand and will play at various times during the day. The Chamber from this town will also come in a big parade Mr. Northrop said.

Saturday, the final day of the fair will be homecoming day, when all the old residents of Northville are expected to come back to renew their friendships and see the fair. Many people from Detroit are expected to attend then, he said, although Detroiters will be present on every one of the four days.

Space Is Problem

"We are facing a real problem to find space for all the exhibitors," Mr. Northrop reported. "The space in the stock barns has all been sold for a week now and entries were closed in this department on Monday.

"The space in the main building which will house the poultry, fruit and women's divisions, is also practically filled, although Detroiters will be present on every one of the four days.

SCHOOL ADDITION IS FIGURED AT $25,000

Will Apply For PWA Grant; Architect Preparing Specifications

The proposed addition to Northville high school, to be built with the aid of Works Progress administration funds, will cost $25,000, $3,500 or $4,000 of which will have to be supplied by the village, according to the "rough figures" of Eberle M. Smith, Detroit architect.

Mr. Smith looked over the school grounds here Friday to get information to help him in preparing a sketch of the addition together with the necessary specifications of cost and materials. As soon as the board of education has approved the drawings and specifications, application will be made to the WPA, Merritt W. Ambler, secretary of the board of education, was of the opinion that Mr. Smith will return the drawing and specifications within a week.

It had already been decided last week to go to the WPA for a direct grant for the new school building, when they learned that it would be easier to obtain a grant there than through the Public Works administration. The original grant was for $110,000 to construct an entire fireproof building. The WPA take, however, only as high as $25,000, but school officials believe the building can be erected in units.

The proposed addition will be built on to the high school building at the west end, and will have facilities for five class rooms.

PUBLICIS SELECTIONS FOR ALL-STAR TEAMS MUST BE SENT NOW

A special plea to the fans who attend the softball games here to send in their choices for the all-star Northville team which will oppose an all-star team from Plymouth at 1 p. m. Thursday at the fair, Plymouth day, went out this week.

All selections for the team should come to The Record office, addressed to the all-star editor, and should be received within the next couple of days in order to be of any value. On the basis of these, the team will be selected. Every fan is asked to draw up his line-up and send it in, placing the players from the eight teams in the recreation softball league here.

If the fans fail to co-operate properly, the managers of the teams will have to meet and select a team themselves, fair officials said Wednesday, but they would much rather that the choice would be that of the general public.

RE-SURFACING WORK TO FINISH THIS WEEK

The black-topping of South Center street from Cady street to the parkway drive was expected to be finished this week, according to engineers of the Wayne county road commission.

During the earlier part of the week the street was graded.

All of the other black-topping jobs on streets in Northville for the summer are finished, according to the engineers. The resurfacing of Randolph street, from North Center street to the Tait road, was completed last week. The Base Line road, from North Center street to the Novi road, was resurfaced two weeks ago.

This will the black-topping of Oakland county of the Novi road from Northville to Novi, many of the heavily travelled gravel roads here have been given a smooth hard surface.

FAIR OFFICIALS URGE BRINGING MANY EXHIBITS

All those who have any goods which they feel might be worth displaying are urged by the management of the Northville Wayne County fair to bring their exhibits to the fair, Floyd A. Northrop, secretary, emphasized this week.

His sentiment was also expressed by the heads of the various departments of the fair, including E. A. Fuller, in charge of the poultry, who said that "the fair needs everyone and they need the fair. Exhibitors will greatly benefit from the impression their display makes on the public," he said, "and the more and better exhibits we have, the better the fair will be."

Mr. Northrop asks that exhibitors remember that every exhibitor will be given special tickets which will admit them through the fair gates, which will be sold to them for the special rate of one dollar.

THE ONLY CERTAIN THING

In another city a very fine friend of the writer of this column is facing death. He knows that his days on this good earth are numbered yet he faces the passing into eternity with courage and a smile. He has "set his house in order" and awaits with the spirit of a true soldier the coming of the final summons.

The only certain thing about life is its uncertainty. As some one has said, "the only changeless thing about life is its continual change." We lived in Albion, Mich., eleven years and while in newspaper work there, knew every one in the business section, practically all of the industrial leaders of several large factories and hundreds of other people. We also were well acquainted with the fifty or more members of the Albion college faculty.

Today we go back to Albion and the Albion we left in 1928 is gone. The only "changeless thing about life" has made a new Main street and lonely we walk among the business places and long in vain for the old familiar faces. Should we go back to our old editorial desk on the daily paper, we should have to get acquainted "all over" with the business people of the city. We think of the "old home town" standing still but no home town does. For five years, while a boy, the writer lived in Addison, Mich. Today we go back to that Lenawee county village and probably know three or four people who were there when we went to grade school. Many have gone to the Eternal City and the changing currents of life have taken away the many others we knew. Life does not stand still.

Northville is not the same as it was five years ago. Several of the finest men we ever knew have passed from life in the few short years we have been here. You knew them well and every once in a while speak their names. Scarcely a month passes that The Record does not chronicle some business or civic change that shows again that the "only changeless thing about life is its continual change."

Our friend whom we mentioned above has lived well, although he still is in the prime of life. The legacy he leaves will be that of years well spent and of genuine service given to his fellow men. What is said of him can be said of many who have lived all too few years here in Northville before their death. Short or long, we all can live life to the full each and every day.

CRITICISING THE EDITORIALS

"Brickbats and bouquets" for any editorial column in any worth while newspaper are plentiful. The Northville Record editor gets his share of the knocks and boosts—and expects to get them. Most of the rougher forms of criticism come through the "grapevine telegraph"—and sometimes these are a little slow in getting to us but get them finally we do.

Recently a good friend of ours said that we had altogether too high a percentage of editorials on drinking and cigarettes. Maybe so. Yet we wish that all our critics knew the motive that is back of all such editorials. We are not in the crusading business—perhaps not enough so, we sometimes think to ourselves—but after some pretty full years of living, we hope we know a little about life. And we know this: Among the worst enemies of young people are inordinate drinking and smoking. It is none of our business what grown men and women do (up to certain limits) but it is our business to try to help young people form habits that will make them successes in life. And we submit that any reasonable minded person will agree that excessive smoking and drinking take a terrible toll from human life. We are thinking this very minute of a young man whom we know well who is wrecking his career on the rock of liquor. We told him so but he answered that "I can take it." He can take it for a while, but ultimately it will take him and any keen observer of life will tell you the same thing.

There is already a distinctive swing-back against liquor—and in some ways against cigarette smoking, especially by women—and the young man or woman who keeps out of the clutch of the smoking and drinking habits can, in years to come, be profoundly grateful. And 20 years from now, he or she will not be the one who will throw many rocks at The Record for the plain words it has written about these two habits.

WANTED: A HOUSE TO RENT

The problem of where to rent a house continues to worry many folks who would like to live in Northville.

That is a good sign of a good town. It indicates an "up and doing community" and that is just what Northville is. It also goes to show that people look upon our community as a good place in which to bring up children. Northville is a good place for fathers and mothers and children to live. We have what manufacturers of some automobiles claim, viz., "Everything." We have the advantages of the open country and the big city. These advantages are going to bring people here more and more.

Who will give Northville some neat, modern homes for rent?

THE CLUTCH OF A HABIT

Passing by a signboard the other day, we saw a picture of an alluring girl, put out by a tobacco company with this slogan coming from the lips of the young woman: "I'd walk a mile for a ——— cigarette."

She would. We know of no habit that has a firmer grasp on its followers than that of smoking cigarettes. The devotees of them have to smoke them before breakfast, in bed, between courses of a meal and even at funerals. No wonder the sales of cigarettes mount year after year.

HOW NOT TO BE CRITICIZED

Eating breakfast at Gibson City, Ill., while on a trip to Minneapolis a month ago, we noticed the following sign on the restaurant wall:

"TO AVOID CRITICISM: 'Do Nothing; Say Nothing; Be Nothing.'"

The person who is never criticized doesn't "cut much of a swath" in civic affairs. Or, to put it another way: "You find the most sticks under the best apple tree."

The double drive on the Northville-Plymouth road, just south of the P. M. station, is going to make another show spot for Northville. And incidentally, how long will it be before we get a wider Main street in Northville? It takes good driving to get through the automobiles that congest the street now. What do outsiders who drive through town think of it?

YOU DON'T HAVE TO "BREAK IN" THE FORD V-8

You can drive it 50 miles an hour the day you buy it

THE FORD V-8 is ready for normal driving when you buy it. There is no tedious period of breaking-in for 500 or 1000 miles. You can drive it up to 50 miles an hour the first day. And after the first hundred miles you can drive it as fast as you desire.

That means greater motoring enjoyment for every motorist. It is especially important to motorists who are thinking about a new car for a vacation trip — to physicians, salesmen and all those who use a car for business. Instead of dragging along at slow speeds for days, you can make good time from the start.

The reason for this is as important as the result. The Ford V-8 needs no breaking-in because of unusual accuracy in the manufacture of moving parts and the smoothness of bearing surfaces. Clearances are correct when you buy the car. It is not necessary to depend on a long wearing-in period to eliminate tightness and insure smooth running. Longer life, greater economy and better performance are bound to result from such precision methods. The Ford V-8 gives you fine-car construction, along with fine-car performance, comfort, safety and beauty.

SUPPLEMENT TO
THE NORTHVILLE RECORD

Vol. 65, No. 7 — Northville, Michigan, Friday, August 16, 1935 — $1.50 Per Year in Advance

'Vagabond King' Continues For Second Week in Opera Under the Stars Season; 'Naughty Marietta' Will Open Monday

For the second time during the Opera Under the Stars season this summer, a production has been held over for a second week. "The Vagabond King," which opened its engagement at Navin Field Monday night, August 5, continues to hold sway for a second week.

The opening of Friml's "Firefly," which was scheduled for Monday, August 12, has been postponed Monday, August 19, will see the opening of "Naughty Marietta" which will be presented due to the demands of Opera-goers.

"The Vagabond King" has proven itself to be more popular than any other production presented this summer, even surpassing "Rose Marie" which was the other show to enjoy a two weeks' engagement. The stirring "Song of the Vagabonds," and the beautiful "Only a Rose" are naturally the outstanding hit songs of the show. The large colorful mob scenes as well as the highly comic moments interspersed in the great story based on McCarthy's "If I Were King," all combined to make a spectacular presentation of this thrilling favorite on the outdoor stage.

A brilliant cast is to be seen in this musical show. The leading role that of the gay poet, educated murderer and thief—Francois Villon is played by Paul Keast, who has starred in this show many, many times. The lovely voice of Gladys Baxter is heard in the role of Lady Katherine. Others in the cast are Leonard Ceeley, Bartlett Simmons, Nancy Walford, Robert Long, Hope Emerson, Barnett Parker and Sandra Ward.

"Naughty Marietta" which will open Monday, contains some of Herbert's loveliest music. Among the songs which are outstanding in this romantic story of the 1870's are "Naughty Marietta," "Sweet Mystery of Life," "Neath the Southern Moon," Italian Street Song" and "Tramp, Tramp, Tramp."

Ilse Marvenga, well known favorite, who has appeared both in this country and abroad in "Student Prince" and "Naughty Marietta," plays the colorful role of Marietta. It is the story of a young girl from a Paris convent who to escape a loveless marriage skips to America with the "Casquette Girls" to become wives of colonists. On arrival, to escape marriage, she disguises herself as a boy. She has many adventures on the streets of New Orleans and winds up with Pirates; she again assumes feminine garb and she finds Romance with the young captain who helped her to escape from the ship.

Appearing in "Naughty Marietta" with Ilse Marvenga are Roy Cropper, Leonard Ceeley, Bartlett Simmons, Paul Keast, Harry K. Morton, Nancy Welford, Sandra Ward, Hope Emerson and Mary Ris.

The last musical production to be presented in the twelve weeks' summer program will be the gay musical comedy revue "The Street Singer" and it will follow "Naughty Marietta." Undoubtedly this last show will be the gayest and liveliest of all the shows presented. Brimming over with fast comedy, the latest songs and colorful dance and specialty numbers, this show will top everything in the way of a revue that Detroit has seen.

CORN RACE IS NEAR END WITH BANKS IN LEAD

Claims Record With Stalk 12 Feet, 11 Inches In Height

The corn race around Northville and vicinity goes merrily on!

Earl Banks, Novi farmer, one of the main participants, claims the honors this week. "Has Clyde Putnam brought in any corn that is higher than his corn stalk last week, which measured 12 feet, one inch?" he asked.

When informed that no such claim had been made recently by Mr. Putnam he answered. "Well, that's not very nigh corn. I have some out here now that is 12 feet, 11 inches high, and lots more that is at least 12 feet, nine inches."

Mr. Putnam claimed the record last week and brought the actual corn stalk to The Record office to back up his statement. He had claimed seven foot corn two weeks previous to that, only to be answered by Mr. Banks the following week with corn measuring nine feet, six inches.

When asked about the future of the corn race, Mr. Banks replied "I don't think the race will last much longer because the corn has just about reached its full growth now."

None of the farmers around Northville have begun their threshing yet, it was reported, due to the heavy rains that have fallen recently. Most farmers were of the opinion this week, however, that if the present dry weather continued that the wheat would dry out.

The oats are sprouting out in the stacks that have been cut, several said. Although one farmer reported that the ground was so wet that his potatoes were rotting most of those heard from said the rain has not harmed them.

LILA LEE, SILENT FILM STAR, IN 'PEOPLE'S ENEMY,' TO BE SHOWN AT LOCAL THEATRE

She played in a number of Paramount successes, and by the time she was thirteen years old, appeared in her first "leading lady" role. She deserted the screen temporarily when she was sixteen years of age, and when talking pictures were introduced, Lila's voice was hailed as one of the finest for film purposes. Now she is seen in "The People's Enemy," playing with Preston Foster, Melvyn Douglas, Roscoe Ates and William Collier, Jr. in this Select Production released by RKO-Radio.

"The People's Enemy" will show at the Penniman-Allen Saturday.

Christian Science Churches

"Soul" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, August 18.

Among the Bible citations is this passage (Ps.43.5): "Why art thou cast down, O my soul? and why art thou disquieted within me? hope in God: for I shall yet praise him, who is the health of my countenance, and my God."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.120): "Soul, or Spirit, is God, unchangeable and eternal, and man coexists with and reflects Soul, God, for man is God's image."

THE ONLY CERTAIN THING

In another city a very fine friend of the writer of this column is facing death. He knows that his days on this good earth are numbered yet he faces the passing into eternity with courage and a smile. He has "set his house in order" and awaits with the spirit of a true soldier the coming of the final summons.

The only certain thing about life is its uncertainty. As some one has said, "the only changeless thing about life is its continual change." We lived in Albion, Mich., eleven years and while in newspaper work there, knew every one in the business section, practically all of the industrial leaders of several large factories and hundreds of other people. We also were well acquainted with the fifty or more members of the Albion college faculty.

Today we go back to Albion and the Albion we left in 1928 is gone. The only "changeless thing about life" has made a new Main street and lonely we walk among the business places and long in vain for the old familiar faces. Should we go back to our old editorial desk on the daily paper, we should have to get acquainted "all over" with the business people of the city. We think of the "old home town" standing still but no home town does. For five years, while a boy, the writer lived in Addison, Mich. Today we go back to that Lenawee county village and probably know three or four people who were there when we went to grade school. Many have gone to the Eternal City and the changing currents of life have taken away the many others we knew. Life does not stand still.

Northville is not the same as it was five years ago. Several of the finest men we ever knew have passed from life in the few short years we have been here. You knew them well and every once in a while speak their names. Scarcely a month passes that The Record does not chronicle some business or civic change that shows again that the "only changeless thing about life is its continual change."

Our friend whom we mentioned above has lived well, although he still is in the prime of life. The legacy he leaves will be that of years well spent and of genuine service given to his fellow men. What is said of him can be said of many who have lived all too few years here in Northville before their death. Short or long, we all can live life to the full each and every day.

CRITICISING THE EDITORIALS

"Brickbats and bouquets" for any editorial column in any worth while newspaper are plentiful. The Northville Record editor gets his share of the knocks and boosts—and expects to get them. Most of the rougher forms of criticism come through the "grapevine telegraph"—and sometimes these are a little slow in getting to us but get them finally we do.

Recently a good friend of ours said that we had altogether too high a percentage of editorials on drinking and cigarettes. Maybe so. Yet we wish that all our critics knew the motive that is back of all such editorials. We are not in the crusading business—perhaps not enough so, we sometimes think to ourselves—but after some pretty full years of living, we hope we know a little about life. And we know this: Among the worst enemies of young people are inordinate drinking and smoking. It is none of our business what grown men and women do (up to certain limits) but it is our business to try to help young people form habits that will make them successes in life. And we submit that any reasonable minded person will agree that excessive smoking and drinking take a terrible toll from human life. We are thinking this very minute of a young man whom we know well who is wrecking his career on the rock of liquor. We told him so but he answered that "I can take it." He can take it for a while, but ultimately it will take him and any keen observer of life will tell you the same thing.

There is already a distinctive swing-back against liquor—and in some ways against cigarette smoking, especially by women—and the young man or woman who keeps out of the clutch of the smoking and drinking habits can, in years to come, be profoundly grateful. And 20 years from now, he or she will not be the one who will throw many rocks at The Record for the plain words it has written about these two habits.

WANTED: A HOUSE TO RENT

The problem of where to rent a house continues to worry many folks who would like to live in Northville.

That is a good sign of a good town. It indicates an "up and doing community" and that is just what Northville is. It also goes to show that people look upon our community as a good place in which to bring up children. Northville is a good place for fathers and mothers and children to live. We have what manufacturers of some automobiles claim, viz., "Everything." We have the advantages of the open country and the big city. These advantages are going to bring people here more and more.

Who will give Northville some neat, modern homes for rent?

"I have prayed for thee, that thy faith fail not." Luke 22:32.

It is wonderful to have someone praying for us. "Son, remember, your mother is praying for you all the time while you are gone," said a mother as she kissed her grown son good-bye. The son never went wrong, for that mother was not only a praying mother, but she was a believing mother. Jesus was the greatest example of prayer. He knew that Peter would deny Him and yet He prayed for him. That was a close call for Peter, and had it not been for Jesus' prayer no one can tell what would have happened.

But can we pray for those who despitefully use us? Jesus did, and did it with great earnestness and with great love. Yes, it costs something to be a Christian but it pays big in the interest of better lives and happy souls.

"We are both praying now," said a little girl when her mother joined in praying for father to give himself to the Lord. The father came. Sometimes our requests are not granted. God has better things in mind for us than what we have asked for. Sometimes God takes away what we have had, but He always gives the strength to bear the loss.

When he leads through some valley of trouble.
His omnipotent hand we can trace;
For His trials and sorrows He sends us
Are part of His lessons in grace.
So we'll follow wherever He leadeth,
Let the path be dreary or bright;
For we've proved that God can give comfort,
Our God can give songs in the night."

The hour for worship every Sunday morning is 10 o'clock. The pastor will preach.

A cordial invitation is extended to all to worship with us!

We hope to have a real treat in store for all our members and friends in the near future. At present we are trying to make arrangements with the "Cotton Blossom Singers," a negro quartet from our Lutheran mission at Piney Woods, Mississippi, to give an entertainment of sacred and secular songs in the near future. Watch the next issue of the Record for complete details.

"Both young men and maidens; old men and children; Let them praise the name of the Lord; for His name alone is excellent; His glory is above the earth and heaven." Psalm 148:12-13.

THE RECORD SHOPPER

By ELEANOR BLUM

Colonial bouquet is the enticing name given to the new jewelry on display in a local shop, and that's just what the articles look like—dainty colonial nosegays.

Smart with almost any type of costume, these accessories will look particularly well with late summer chiffons, for they come in so many interesting colors.

Made of beads, these unique pieces come in combinations that will give you almost any type of set that you could desire—rings, pins, earrings, both the drop and button, hair clips, dress clips, straight bracelets, and gypsy bracelets, the type of bracelet that can be bent to fit your wrist. Dainty and fragile in appearance, this novelty is paradoxically strung on stout wire to prevent breakage.

One smart shopper ordered a set of a special color combination to harmonize with her dainty chiffon handkerchief, and got an exact match. Many will be able to find colors to blend with their costumes without even that small bother, for they come not only in the dainty all-pearl sets but in the fall reds, jade greens, blues, and all of the lighter, bouquet or flower shades. One combination that will please the eye and go well with your new fall clothes is the navy and delft blue, and another, softer combination, the delft blue and dusty pink.

While you're in the store looking at the jewelry, glance at the old-new version of water sets. For a long time considered old-fashioned, these useful sets have come back in style in full swing recently. They've taken a little different turn though, being shown now in luster. The almost petal shaped glasses and gracefully curved pitcher come in lovely hues, the nicest being the iridescent, blue or amber. The latter is our favorite for "it gives a lovely light." Less expensive, and very attractive too are the sets with the design of stripes, and even stars stand blasted on, to give a frosted effect.

Finding smart gift suggestions coming so easily, we think shopping in Northville is worth-while.

The pastor returned last Saturday, after a few days' visit with her cousins from Chicago and Toledo to their birthplace in Southern Ohio. She will be eager to greet everyone in church next Sunday.

There will be a splash party at the Jay Clark cottage in Island Lake park on Thursday for all our people and young people to be held in the afternoon. In the evening a cooperative supper will be served. All are invited. Prayer meeting every Wednesday evening in the parsonage. The monthly bake sale will be Saturday, August 31. Mrs. Fred Lewis is the chairman this month. This sale is held in the Keyser-Bartlett store in Plymouth.

Christian Science Churches

"Soul" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, August 18.

Among the Bible citations is this passage (Ps 43:5): "Why art thou cast down, O my soul? and why art thou disquieted within me? hope in God: for I shall yet praise him, who is the health of my countenance, and my God."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.129): "Soul or Spirit is God, unchangeable and eternal; and man coexists with and reflects Soul, God, for man is God's image."

What gasoline do you usually use when you demonstrate your cars?

On the basis of this survey, the ratio of gasoline preference per 1000 Chevrolet salesmen is as follows:

STANDARD'S LIVE POWER GASOLINE	218
Second Brand	98
Third Brand	85
Fourth Brand	81
Fifth Brand	71
Sixth Brand	67

One quick 'getaway'

can use up a whole 'mile' of gasoline

Today's constant starting, shifting and accelerating waste your money unless your gasoline has these Three Kinds of Power . . .

YOU often start up from a full stop over 30 times a day. And a single zooming getaway, engineers and car manufacturers will tell you, can use 33% more gasoline than normal driving.

And so you need a gasoline with power for HARD PULLING.

But one kind of power alone can't save you money in today's stop-and-go driving. You also need power for INSTANT STARTS.

And your gasoline must be economical in STEADY RUNNING as well!

It's one thing to put these three kinds of power into a gasoline, but it's an even bigger engineering job to have them in the right proportion . . . in perfect BALANCE. But that is the feat Shell engineers accomplished in creating Super-Shell—the FIRST truly balanced gasoline . . . the gasoline that saves you money in 3 WAYS!

Fill your tank with Super-Shell at our neighborly service station. Start today to save money these 3 ways.

SAVES in 3 ways—

STARTING—With its even volatility, Super-Shell can save up to a cupful of gasoline on every "cold" start.

PULLING—Super-Shell can save up to a cupful in every ten minutes of hard pulling.

RUNNING—With extra heat units in every gallon, Super-Shell can save up to a cupful of gasoline in an hour's steady running.

Remember, when you save 16 cupfuls you save a whole gallon of gasoline!

The Second Reading

Just because it lay within easy reach and because the day was lazily hot we picked up the book turning the pages idly.

"Want a chapter?" we asked our companion who was loitering over a lunch. And then we went on chapter after chapter, a book we had both read before.

No racing ahead hurriedly this time to follow the plot. It was like going back to look again at a beautiful scene. New beauties were discovered in the diction; characters stepped out like old friends to greet us again, the better understood now because we knew how the story "came out."

No doubt the reading aloud had much to do with the greater joy in the book, so much more pleasure is it to chuckle together over the humorous parts or to blow our noses in feeling unison when the story touched a tender spot in our common experience.

(What fun would there be in viewing the grand Niagara without someone to exclaim, "Oh, isn't it wonderful!")

"Just one more chapter," and then just one more, until the book was finally closed and laid aside as one of our treasures because it had become a very part of our lives. It is so fine to own the book you love.

I read so many books that I can't remember any of them" said a friend. Inwardly we replied, "Well, then why take the time to read them?" Better a few books well digested than many of the "best sellers" hastily read just so we can say knowingly, "Yes, I've read it" (but don't ask me anything about it, for goodness sake.")

In these days of making many books there is no end until we are almost staggered in our choice of reading and envy Abraham Lincoln who had hours to lie before the open fire and browse over the one precious book he had walked miles to borrow. Staunch old books they were, meaty, nourishing, and with a pointed moral. Often Pilgrim's Progress scorned by modern youth as "dry" and the Bible stood alone on the mantel of those pioneer homes but, because there was nothing else to read and the winter evenings closed down early and there were no radios nor movies, they were read and re-read.

Because it was all they had to read, they read these strong books and were fed spiritually just as their bodies grew strong on the plain porridge they ate from the big iron kettle instead of each child clamoring for a different kind of prepared cereal put up in a cellophane-wrapped box as they do now.

Oh no, we wouldn't want to go back to the days of few books but better far, we believe it is to own, read, mark and absorb a few choice books than a host of them raced through and forgotten.

Tomatoes

Tomatoes, once considered poisonous, are now recognized as most valuable foods. They are at their best when ripened on the vines rather than picked green and shipped afar. They are one of our richest sources of the necessary vitamin C, ranking with oranges as baby's daily food.

Would that every child in the nation might have his daily portion of protective tomato juice, to keep him from growing up with the multitude of ills which flesh is heir to: scurvy, rickets, poor teeth, arthritis, tuberculosis, gall stones and the like.

While the vitamins of most foods are destroyed by long applied of intense heat, as in cooking, the acid in tomatoes prevents this loss, and tomatoes are almost as vitamin-rich when cooked as raw. This is a blessed feature for the poor family who can get their daily vitamin C from inexpensive canned tomatoes. It is not only the baby who needs his daily tomato juice; but grandmother needs it, too, to postpone the evils of old age. Fill every spare can in the house with canned tomatoes this year, and serve them daily in one of their many attractive guises.

Tomatoes may be eaten raw, in salads, soups, as clear juice for breakfast or tomato cocktail for dinner. They may be boiled, broiled, baked, stuffed, fried, served with toast, escalloped with rice, combined with meats or cheese or made into jelly or preserves.

Canning

Combine two kinds of fruits or two kinds of vegetables in your jelly making and canning. Currants and raspberries go well together. Apples and grapes are favorites. Apples may accompany most other fruits, supply extra pectin for jelling, and extend more expensive fruits.

Mix diced carrots with peas or string beans; and corn with tomatoes.

A Thoughtful Legislature has made an earnest effort to lighten your tax burden

EVER since the immortal Gettysburg Address, the accepted standard for American government has been *"of the People, by the People, for the People."*

This applies to the matter of taxation no less than to other functions of government.

So it is entirely natural that the Legislature of Michigan has had the People of this great state in mind when it has taken certain measures *to lighten the tax-burden of our citizens.*

It is now the part of *good, loyal, co-operative* citizenship for the tax-payers of Michigan to take *fullest advantage* of the provisions that have been passed *for their benefit.*

Not only has the Legislature made *generous concessions* in the matter of interest and penalties, but it has also provided a *convenient plan* whereby taxes for 1932 and prior years may be paid over a period of time. *There are indeed few tax-payers who can not now protect their homes by paying their taxes!*

You can now pay up this *important obligation* just as you pay for a home or an automobile or furniture; putting aside a little each week or month, and then making an *annual payment* equal to one-tenth of the amount of your delinquent tax. On the ten-year plan you pay *only a small carrying charge* for this privilege.

Get in touch with your County Treasurer right away. He is prepared to accept payment of your back taxes *either in full or on the ten-year plan.* Bring him your old tax bills or the legal description of your property. But don't wait until the last-minute! *Act now and avoid the last-minute crowds.*

Little Dorothy Helen, daughter of Dr. and Mrs. Chas. R. Smith of the Beck road, was hostess to a group of children who came to celebrate her fourth birthday Thursday, August 8.

During the morning hours the children played happily directed by Mrs. Smith, then at noon they were invited to the dining room where a bib was tied under each chin and a very satisfying lunch was served. A large white cake with four pink candles lighted inside the childrens' eyes dance.

Each child nodded sleepily when the party was over and was carried home for the usual nap.

Those enjoying the party with Dorothy Helen were: her little sister, Mary Alice, May Isabelle Thompson, Dickie Coolman, Betty Halene Whitfield, Barton Connors, Donna Jean Schnute, Mary Louise Lee, John Willis, Patty Lapham and John Busby. Several of the mothers accompanied their children.

Farm Crest Party Announces Marriage of Evelyn Grennan—

At a party at her Farm Crest home Saturday evening, the marriage of Miss Evelyn Grennan, daughter of Phil H. Grennan, to Charles W. Gauger, son of Charles L. Gauger of Oak Park, Ill., was announced. The marriage took place Aug. 3 in Oak Park, where the couple will make their home. The Grennans have been residents of Northville for approximately twelve years.

Miss Grennan attended school at Erskine College in Boston, and previously was a student at Ogontz near Philadelphia.

Rotarians and Wives Picnic in Park Tuesday—

Instead of their regular luncheon meeting at noon Tuesday the Rotary club included their wives and families in a good old-fashioned picnic in Cass Benton park that evening.

The place of gathering was in the new part adjoining the tennis courts. A table that looked as long as a city block was spread with the bountiful picnic supper. Coffee simmered appetizingly on an open fire.

Sixty-five numbered the company of old and young who sat down to the feast while an efficient committee served hot coffee, lemonade, baked beans, salads, and all kinds of cakes. The committee in charge was comprised of Mesdames W. E. Forner, Floyd Northrop, Chas. T. Thornton, E. M. Bogart and Chas. Schultz with some of the husbands lending a helping hand.

After the supper many of the party engaged in active games. While the ladies played the gentler game of shuffle board the men and their sons played baseball.

A number of visitors added interest to the gathering, among whom were Dr. W. Frederick Davey of Daytona Beach, Fla., Mr. and Mrs. Alec M. Rennie and Don Rogers of Detroit, and Mr. and Mrs. Dayton B. Bann and Mrs. Wm. Rawle Brown and Mrs. W. F. Chapman of Northville.

500 People Attend Street Dance Here On Friday Evening

With a crowd of more than 500 people of Northville and the surrounding towns dancing and looking on from the sidewalks, Northville's Dollar Day street dance Friday evening was called a successful party by its sponsors, the business men.

Corn meal was spread over the street, which was blocked to traffic from Main to Dunlap streets, and although rough concrete can hardly be likened to a polished hardwood floor, the dancers found this surface surprisingly satisfactory to dance on.

Strassen's six-piece orchestra of Plymouth furnished the music, playing from 9 to 12 p. m. No charge for dancing was made, the merchants of the village making up the fund to pay for the orchestra.

500 EXPECTED TO ATTEND CARNIVAL AT MEADOWBROOK

With a crowd of between 400 and 500 people expected, the "Carnival Day," being celebrated today at the Meadowbrook country club promises to be a really big affair, according to August Robert, club manager.

Prizes totalling $1,000 will be awarded, Mr. Robert said, 60 percent of which will be door prizes the remainder going to the winners of the tournament, which is open to all.

Luncheon will be served all afternoon, Mr. Robert said, and a full course dinner between the hours of 6 and 9 p. m. There will be dancing during the dinner hours.

The cost of the whole affair will be three dollars, including golf and the two meals. Members will be privileged to bring as many guests as they desire, and on this particular day no greens fees will be charged for the guests.

Horse Enthusiasts To Entertain Show Guests Next Week

Horse enthusiasts will again this year fete the horse show committee and exhibitors with a round of parties. Dinners, teas, receptions will follow one after another during the three days of the show.

"A trunch" will be the form of entertainment chosen by Mr. and Mrs. John L. Nelson of Plymouth who will honor the horse show committee and other guests from 10:30 a. m. to 1 p. m. Friday, the second day of the show.

Farm Crest will be the scene of a large party Friday evening at which time Phil Grennan and his daughter, Mrs. Charles W. Gauger, will receive the equestrians.

Next Saturday morning another horse show luncheon will be given by Mrs. Wm. Rawle Brown at Arrowhead farm. In the evening, Mr. and Mrs. L. R. Lindsey will hold open house at their home on North Rogers. The round of social events will probably be concluded in Detroit the last night of the show.

and some bleachers being installed along one side. The ceiling of the auditorium is also being painted.

Other projects include the laying of portions of sidewalk at various locations in the village, including two strips on Carpenter street and in front of the Northville laundry on North Center street. These should be finished in time, Mr. Boyden said.

Whether the unfinished and new projects here will be approved and taken over by the WPA was unknown to village officials this week. "We have no idea when they will make any decision in the matter, or what their attitude is," Dr. Burtart said.

PUBLIC WEDDING TO FEATURE OPENING OF FAIR ON WEDNESDAY

(Continued from page 1)

tically sold out," Mr. Northrop said. The fruit exhibit alone will be worth the price of admission. In many previous fairs it has been called as good as any other fruit exhibit in the state," Ralph Foreman is in charge of this department.

The tropical fish exhibit will also be of interest to all, Mr. Northrop said. There will be 20 tanks of these unique fish, and the exhibit will also have a rock garden with tropical lilies. It will be found in the poultry department, which is in charge of A. E. Fuller.

Mr. Fuller is a nationally known authority on poultry, Mr. Northrop said, and has himself won prizes throughout United States with his own specimens. Mr. Fuller reported that he has already made reservations for some big exhibitors and that his department will again be well worth while seeing.

The Women's division, which includes fancy work, baked goods, flowers, canned fruit and antiques, will also be a large one this year, Mr. Northrop said. Mrs. F. S. Harmon, who is in charge of this department, has already asked for extra equipment in order to take care of the many entries. All entries for the Women's division must be in at 1 p. m. Wednesday, and the committee reports that it will greatly appreciate getting them all Tuesday afternoon or evening. Agricultural and horticultural entries must all be in by 9 p. m. on Wednesday. These include fruit, poultry and live stock.

Races To Be Fast

The races and the horse show promise to be excellent this year, too, according to Mr. Northrop. "Never before in the history of the fair have such high purses been offered for the races," he said. "The biggest ever offered before was $300, and this year we have two purses of $370 and none as low even as $300. The two high ones are the Plymouth Merchants' purse and the Northville Merchants' purse. Money like this will bring faster horses." Marvin Sloan, superintendent of speed, will be in charge of the races.

The highlight of the free acts of the fair will be a trapeze act on a high tower in front of the grandstand, according to Elmer L. Smith, who is in charge of the free acts, and all other entertainment. It is reputed to be the highest act of its kind, Mr. Smith said, and will be shown every night.

Clever Entertainers

The other free acts will be completely changed after Thursday evening's performance, two groups of acts being used. They include two Japanese foot jugglers, a pretty acrobatic dancer, an adagio act, six Arab acrobats, a man and girl dance combination, and an ensemble of dancing girls are some of the acts, which are much better than those presented here in the past, according to fair officials.

There will be fireworks on Thursday, Friday and Saturday evening, Mr. Smith said, along with the free acts.

There will be baseball games on Thursday, Friday and Saturday. The Schrader-Haggerty team of Plymouth will meet Garden City on Thursday. Farmington will play Plymouth park on Friday, the winners of the two games meeting on Saturday. In addition to these games, an all-star softball game is being planned by the fair board for Thursday, the players to be picked from the teams in the twilight league here.

Space in the midway is also practically sold out, William E. Forney, who is in charge of this division, announced. "All the concessions will be absolutely honest," he declared. One man in Detroit alone has purchased 300 feet of space under the guarantee that all his concessions will be "honest."

mission in the interest of the school.

"The Cass Benton field will be an improvement in every way over the field at the fair grounds," Ted Watts, high school athletic coach, said. "Its grass surface is much smoother than the other field, and the clay soil will stand up under the hard playing."

Asked about Northville's chances for a good team again this year, the coach was not very certain. "The line should be strong again with four of the regular linemen coming back this season," he said, "but we will have a 'green' backfield to work with."

All of the regular backfield men were lost to the team by graduation last June, he said, as well as some of the linemen. Four of last year's first string linemen will return, however, including Charles Strautz, tackle; Captain Essie Nitrider, end; Bill McGee, guard; and Herman Toussaint, tackle. Alvin Bauman, another lineman, who played in some of the games last season will also be back in school, Mr. Watts said.

Northville's fast backfield of last season, which was entirely broken up by graduation, included Dayton Deal and Eddie Bender, halfbacks; Irvin Marburger, quarterback; and Nick Reecnko, fullback. Other backs who graduated were Bill Duguid and Bill Gwen.

In the line, Cloyce Myers, tackle; adelma Boyd, guard; Don Bray, center; and Kenneth Porter, end, also graduated.

Included in the backfield material that Coach Watts expects to answer the first call for practice are Gerald Trotter, Jack Moffett, Arthur Mitchell, Jack Junod, Lawrence Parmenter, Keene Bolton and Bob Bray. The latter will be trying out for his brother's former position at center.

Dorothy Helen Smith Celebrates Birthday with Young Guests—

Little Dorothy Helen, daughter of Dr. and Mrs. Chas. R. Smith of the Beck road, was hostess to a group of children who came to celebrate her fourth birthday Thursday, August 8.

During the morning hours the children played happily directed by Mrs. Smith, then at noon they were invited to the dining room where a bib was tied under each chin and a very satisfying lunch was served. A large white cake with four pink candles lighted made the childrens' eyes dance.

Each child paddled sleepily when the party was over and was carried home for the usual nap.

Those enjoying the party with Dorothy Helen were her little sister, Mary Alice, May Isabelle Thompson, Dickie Coolman, Betty Halene Whitfield, Barton Connors, Donna Jean Schmute, Mary Louise Lee, John Wilbur, Patty Lapham and Joan Busby. Several of the mothers accompanied their children.

Farm Crest Party Announces Marriage of Evelyn Grennan—

At a party at her Farm Crest home Saturday evening, the marriage of Miss Evelyn Grennan, daughter of Phil H. Grennan, to Charles W. Gauger, son of Charles L. Gauger of Oak Park, Ill., was announced. The marriage took place Aug. 3 in Oak Park, where the couple will make their home. The Grennans have been residents of Northville for approximately twelve years.

Miss Grennan attended school at Erskine College in Boston, and previously was a student at Ogontz, near Philadelphia.

Rotarians and Wives Picnic in Park Tuesday—

Instead of their regular luncheon meeting at noon Tuesday the Rotary club included their wives and families in a good old-fashioned picnic in Cass Benton park that evening.

The place of gathering was in the new part adjoining the tennis courts. A table that looked as long as a city block was spread with the bountiful picnic supper. Coffee simmered appetizingly on an open fire.

Sixty-five numbered the company of old and young who sat down to the feast while an efficient committee served hot coffee, lemonade, baked beans, salads, and all kinds of cakes. The committee in charge was comprised of Mesdames W. E. Turner, Floyd Northrop, Chas. T. Thornton, E. M. Bogart and Chas. Schultz with some of the husbands lending a helping hand.

After the supper many of the party engaged in active games. While the ladies played the gentler game of shuffle board the men and their sons played baseball.

A number of visitors added interest to the gathering among whom were Dr. W. Frederick Davey of Daytona Beach, Fla., Mr. and Mrs. Alec M. Rennie and Don Rogers of Detroit, and Mr. and Mrs. Dayton B. Bunn and Mrs. Wm. Rawle Brown and Mrs. W. F. Chapman of Northville.

YOUR NEXT PARTY will be a great success if you serve Fry's delicious home-made ice cream. Economical, pleasingly different and a real treat. No extra charge for cutting and wrapping. Royal Ann Cafe, Northville. 46tfc

500 People Attend Street Dance Here On Friday Evening

With a crowd of more than 500 people of Northville and the surrounding towns dancing and looking on from the sidewalks, Northville's Dollar Day street dance Friday evening was called a successful party by its sponsors, the business men.

Corn meal was spread over the street, which was blocked to traffic from Main to Dunlap streets, and although rough concrete can hardly be likened to a polished hardwood floor, the dancers found this surface surprisingly satisfactory for dance on.

Strassen's six-piece orchestra of Plymouth furnished the music playing from 9 to 12 p. m. No charge for dancing was made, the merchants of the village making up the fund to pay for the orchestra.

500 EXPECTED TO ATTEND CARNIVAL AT MEADOWBROOK

With a crowd of between 400 and 500 people expected, the "Carnival Day," being celebrated today at the Meadowbrook country club promises to be a really big affair, according to August Robert, club manager.

Prizes totaling $1,000 will be awarded, Mr. Robert said, 60 per cent of which will be door prizes, the remainder going to the winners of the tournament which is open to all.

Luncheon will be served all afternoon, Mr. Robert said, and a full course dinner between the hours of 6 and 9 p. m. There will be dancing during the dinner hours.

The cost of the whole affair will be three dollars, including golf and the two meals. Members will be privileged to bring as many guests as they desire, and on this particular day no greens fees will be charged for the guests.

Horse Enthusiasts To Entertain Show Guests Next Week

Horse enthusiasts will again this year fete the horse show committee and exhibitors with a round of parties. Dinners, teas, receptions will follow one after another during the three days of the show.

"A brunch" will be the form of entertainment chosen by Mr. and Mrs. John L. Nelson of Plymouth who will honor the horse show committee and other guests from 10:30 a. m. to 1 p. m. Friday, the second day of the show.

Farm Crest will be the scene of a large party Friday evening at which time Phil Grennan and his daughter, Mrs. Charles W. Gauger, will receive the equestrians.

Next Saturday morning, another horse show luncheon will be given by Mrs. Wm. Rawle Brown at Arrowhead farm. In the evening, Mr. and Mrs. L. L. Lindsey will hold open house at their home on North Rogers. The round of social events will probably be concluded in Detroit the last night of the show.

and some bleachers being installed along one side. The ceiling of the auditorium is also being painted.

Other projects include the laying of portions of sidewalk at various locations in the village, including two strips on Carpenter street and in front of the Northville laundry on North Center street. These should be finished in time, Mr. Boyden said.

Whether the unfinished and new projects here will be approved and taken over by the WPA was unknown to village officials this week. "We have no idea when they will make any decision in the matter, or what their attitude is," Dr. Burkart said.

PUBLIC WEDDING TO FEATURE OPENING OF FAIR ON WEDNESDAY

(Continued from page 1)

usually sold out," Mr. Northrop said. "The fruit exhibit alone will be worth the price of admission. In many previous fairs it has been called as good as any other fruit exhibit in the state." Ralph Foreman is in charge of this department.

The tropical fish exhibit will also be of interest to all, Mr. Northrop said. There will be 20 tanks of these unique fish, and the exhibit will also have a rock garden with tropical lilies. It will be found in the poultry department, which is in charge of A. E. Fuller.

"Mr. Fuller is a nationally known authority on poultry," Mr. Northrop said, "and has himself won prizes throughout United States with his own specimens." Mr. Fuller reported that he has already made reservations for some big exhibitors and that his department will again be well worth while seeing.

The Women's division, which includes fancy work, baked goods, flowers, canned fruit and antiques, will also be a large one this year, Mr. Northrop said. Mrs. P. S. Harmon, who is in charge of this department, has already asked for extra equipment in order to take care of the many entries. All entries for the Women's division must be in at 1 p. m. Wednesday, and the committee reports that it will greatly appreciate getting them all Tuesday afternoon or evening. Agricultural and horticultural entries must all be in by 9 p. m. on Wednesday. These include fruit, poultry and live stock.

Races To Be Fast

The races and the horse show promise to be excellent this year too, according to Mr. Northrop. "Never before in the history of the fair have such high purses been offered for the races," he said. "The biggest ever offered before was $300, and this year we have two purses of $370 and none as low even as $300. The two high ones are the Plymouth Merchants' purse and the Northville Merchants' purse. Money like this will bring faster horses." Marvin Sloan, superintendent of speed, will be in charge of the races.

The highlight of the free acts of the fair will be a trapeze act on a high tower in front of the grandstand, according to Elmer L. Smith, who is in charge of the free acts, and all other entertainment. It is reputed to be the highest act of its kind, Mr. Smith said, and will be shown every night.

Clever Entertainers

The other free acts will be completely changed after Thursday evening's performance, two groups of acts being used. They include two Japanese foot jugglers, a pretty acrobatic dancer, an adagio act, six Arab acrobats, a man and girl dance combination, and an ensemble of dancing girls are some of the acts, which are much better than those presented here in the past, according to fair officials.

There will be fireworks on Thursday, Friday and Saturday evening, Mr. Smith said, along with the free acts.

There will be baseball games on Thursday, Friday and Saturday. The Schrader-Haggerty team of Plymouth will meet Garden City on Thursday. Farmington will play Plymouth park on Friday, the winners of the two games meeting on Saturday. In addition to these games, an all-star softball game is being planned by the fair board for Thursday, the players to be picked from the teams in the twilight league here.

Space in the midway is also practically sold out, William E. Forney, who is in charge of this division, announced. "All the concessions will be absolutely honest," he declared. One man in Detroit alone has purchased 300 feet of space under the guarantee that all his concessions will be "honest."

mission in the interest of the school.

"The Cass Benton field will be an improvement in every way over the field at the fair grounds," Ted Watts, high school athletic coach, said. "Its grass surface is much smoother than the other field, and the clay soil will stand up under the hard playing."

Asked about Northville's chances for a good team again this year, the coach was not very certain. "The line should be strong again with four of the regular linemen coming back this season," he said, "but we will have a 'green' backfield to work with."

All of the regular backfield men were lost to the team by graduation last June, he said, as well as some of the linemen. Four of last year's first string linemen will return, however, including Charles Strautz, tackle; Captain Essie Nirider, end; Bill McGee, guard; and Herman Toussaint, tackle. Alvin Bauman, another lineman, who played in some of the games last season will also be back in school, Mr. Watts said.

Northville's fast backfield of last season, which was entirely broken up by graduation, included Dayton Deal and Eddie Bender, halfbacks; Irvin Marburger, quarterback; and Nick Recchio, fullback. Other backs who graduated were Bill Dugud and Bill Oren.

In the line, Cloyce Myers, tackle; Adelma Boyd, guard; Don Bray, center; and Kenneth Porter, end, also graduated.

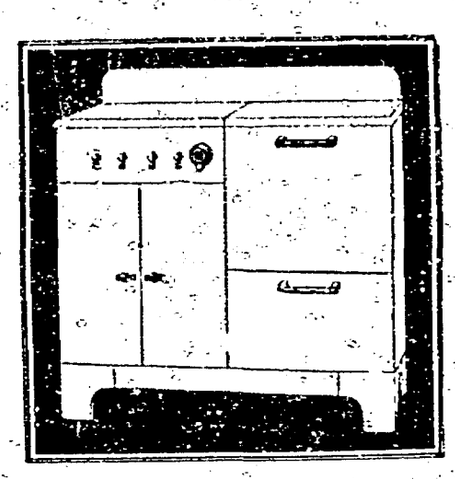

Included in the backfield material that Coach Watts expects to answer the first call for practice are Gerald Trotter, Jack Moffett, Arthur Mitchell, Jack Junod, Lawrence Parmenter, Keene Bolton and Bob Bray. The latter will be trying out for his brother's former position at center.
