Former House of Correction
Guard Succeeds the Late
W. H. Safford

Loy M. German has received the appointment made Tuesday evening by the members of the village council to succeed the late William H. Safford as Northville's chief of police.

Mr. German took over the duties of Northville's police head Thursday morning. With the acceptance of the appointment, he becomes the second member of his family to have served the village. Six years ago, his father, Harry S. German, who has gained a name for himself on base-

JACK AND JILL SHOP HOLDS ITS FORMAL OPENING

Children to Receive Gifts
Saturday If They Visit
Store With Parents

The Jack and Jill shop, in the Penniman-Allen theatre building is holding its formal opening Saturday, March 6.

A large advertisement in this issue carries the information that each child accompanied by one of his parents, who visits the shop Saturday, will be given a souvenir.

In this new store which has stocked a complete line of boys' and girls' garments, infants' sizes as well as for children up to 12 years of age) one of the most pleasing displays features dainty hand-made dresses fashioned of silk shantung, exquisitely embroidered in pastel colors.

Another section of the store is given over to two and three-piece boys' suits made up in lightweight wools for spring and summer wear.

One entire counter is given over to infants' garments which include various suggestions for gifts for the new baby.

Mrs. V. M. Pilgrim, proprietor, personally selects all styles and materials which are ready for customers' selection.

VILLAGE FIRE HOSE IS BELOW LAW STANDARD

Councilmen Buy 300 Feet
More as Recommendation
of Fire Chief Hicks

Village councilmen learned Tuesday evening when they met in regular session that their fire hose equipment was 300 feet under the amount required by the state.

This information, verified by Fire Chief Fred Hicks, led to the ordering of enough hose to bring the length to that requested by law.

When the returned Thursday morning from the D. & C. fire at Plymouth, we were forced to put wet hose back on the truck in order to comply with state standards," said Mr. Hicks.

Northville's firemen fought for more than two hours Feb. 25, to keep the flames, which burned all the merchandise in the D. & C. store.

John Litsenberger Wins Over Sherrill W. Ambler In Township Clerk's Race

Only One Office Is Contested in Northville
Township's First Primary Election Held
Here Monday; 425 Votes Are Cast

ARTHUR TRAPP, LIVONIA TREASURER, RECEIVES NOMINATION

In the only contest in Northville township's first primary election, March 1, John Litsenberger, former village treasurer, took the nomination for clerk away from Sherrill W. Ambler, republican incumbent.

Mr. Litsenberger won by 21 votes, taking 97 in the first precinct and 52 in the second precinct. Mr. Ambler was given 74 ballots in the first precinct and 54 in the second.

In the first precinct 251 ballots were cast, 214 of which were republican. Likewise in the second precinct, 111 of the 174 voters were republicans.

EASTER SEAL SALE STARTS HERE, MARCH 15

F. L. Mills Heads Village
Committee for Crippled
Children's Fund

Edward L. Mills, treasurer of the Wayne county chapter of the Michigan Society for Crippled Children, announces that the local committee, affiliated with the Michigan Society for Crippled Children, open the Fourth Annual Sale of Crippled Children's Easter Seals in this community on March 15.

Money realized from the campaign helps to further the organization's program of seeing that every crippled child receives the best medical, educational and vocational training possible.

The State Society, a branch of the International Society for Crippled Children, was organized in 1921. Among the Society's activities are the stimulation and encouragement of public and orthopedic and convalescent facilities, special schools and camps.

The society cooperates with all governmental and private agencies in the work for crippled children and adds in coordinating all activities in this field into a well-planned program.

Among the activities of the group can be listed the large show which is sponsored in behalf of the crippled child of this State. In 1933 a legislative act made possible the establishment of special orthopedic camps and clinics for the crippled children in the State. It sponsored and created the Michigan Crippled Children Commission in 1927 as a result of which thousands of misbegotten crippled children have been examined by approved orthopedic surgeons, hospitalized and corrected.

At the present time the organization is sponsoring new legislation to better protect the State program which is so necessary.

For the purpose of the campaign the State has been divided in 26 districts with the Society's 70 directors acting as co-district chairmen. Seals sell for a penny each, a dollar for a sheet of 100.

PLYMOUTH'S 3 DEBATERS TAKE 2-1 DECISION

Northville's Inexperienced
Team Makes Commendable
Come Back in League

It took Plymouth's experienced debate team to defeat the Northville debaters who have given the high school a splendid record in its comeback in the Outer Metropolitan League. With a 2-1 decision following the contest held here Wednesday evening Plymouth became eligible for the third elimination series in the Michigan High School Forensic meet.

Defending Northville Wednesday evening were Scott Cole, senior; Margaret VanHellemond, sophomore; and Nancy McLoughlin, junior. They are all inexperienced debaters as this is the first time in six years that the village has had a team.

On the other hand Plymouth's team is made up of seniors two of whom have debated for the school four years, and the third member has been a debater for two years. In this group are Jack Stark, weather editor; Mattel and Tom Brock.

The judges Wednesday evening were all members of the Wayne University faculty, including Dr. E. R. Shaffer, Dr. George A. Kopp and George Garrison.

FOSTER VAN ATTA MAKES CHECK OF FLOOD DAMAGES

WPA Worker Writes to Now
Woman Who Sent Clothing
To Stricken Area

In a letter to his parents, Mr. and Mrs. Fred E. Vanatta, Foster Vanatta gives a few human interest sidelights into the flood waters, which recently swept through the Ohio and Mississippi river regions.

Before the flood Mr. Vanatta was stationed at Paducah, Ky., with the TVA. At the time of the high waters he was sent to Farmington, Ky., and several days later was able to return to Paducah.

He writes: "I am back at the Oxford hotel again. My room is being used to cook for the colored help and it smells like a hog pen. All our stuff is moved out except a little in the closet and that is locked. Our clothes have been mixed with other members of the group."

"People are moving back into town fast and it is sad, a terrible mess. We the TVA are making a survey of the damage done to houses. We will at every house and inquire as to the damage suffered both to the house and its furnishings. I'm getting to be a cure-all estimator. Some places are really pitiful. I'll be glad when the job is done."

"This is a rather depressing and tiresome job. The average loss to each home runs a bit over \$1,000. Many are more and many are less. Most of those that are less, though, are poor people, and mean almost a total loss of personal property."

The following letter was written to Mrs. Ross Keener, Nov. 1, a sister of Perry P. Taylor of 601 Carpenter (Continued on page 3).

DAISY STRIKERS BEGIN MONDAY TO MAKE GUNS

Employees with Families to
Feed Halt 13-Day Sit-
Down in Plymouth

Employees of the Daisy Manufacturing company, Plymouth, returned to work Monday morning, bringing an end to the 13-day strike which halted all production of the world-famous air rifles.

It is understood that any compromises and wage increases which are agreed upon in a conference to be held upon the return of E. C. Huff who is in New York and William Conner who is in Florida, will be effective from the time that the employees resumed work in the factory.

Further, it is agreed that the union, which interfered with negotiations last week, will not be recognized in any way by the Daisy management.

The strike which was carried on by the workers who took turns "sitting down" in the factory in three eight-hour shifts at no time took on a violent nature and there was no destruction of property.

Factory workers who own homes and have families to feed were responsible for seeing that strikers went forward Monday morning. It was a committee representing this element that overruled the strikers' demand that young unionized men and set the manufacturing wheels at work again.

MRS. JEAN SAFFRAN IS DINNER SPEAKER

Show 'Dealers in Death' at
Mass Peace Meeting in
Village, March 18

The community Peace Mass Meeting to be held on the evening of March 18 promises to be an outstanding event of the season. With two very "snappy" features on the program following the dinner in the Presbyterian church house the occasion will be full of interest to all.

"Effective Ways of Keeping out of War" will be the theme of a talk by Mrs. Jean Saffran of Detroit, an active advocate of peace for a number of years. Mrs. Saffran will bring to her hearers some very constructive ideas.

Following this address Dr. Francis Onderdonk of Ann Arbor will throw upon the screen a four-reel talking movie, "Dealers in Death" which will be an eye-opener to those who are innocent of the motive of war promoters. This film is highly approved by Senator Nye of North Dakota.

A shorter film "Toward A Greater Unity" will also be shown which will illustrate the "essential oneness of mankind." This film had a popular run for nine weeks in New York City.

Much for the occasion will be furnished by the men's chorus led by Leslie G. Lee. Dr. H. S. Willis will be the master of ceremonies for the evening.

Mrs. Willis will have charge of the ticket sale and will be assisted by (Continued on page 5)

ball diamonds, was mayor of the village for two years and was a member of the council for three years.

The first of this year, Mr. German completed a six years' term as investigator for the State Department of Michigan. Previous to this he was a guard at the Detroit House of Correction.

At one time he was associated in business here with his father in the German and Son Garage.

Mr. German has lived in the village since he was a freshman in high school. Upon his graduation from the Northville school, he was enrolled for two terms at the Michigan State Normal at Ypsilanti.

JAMES W. HEENEY, 79, DIES HERE TUESDAY

Pneumonia Fatal to Pioneer
Resident; Funeral Saturday
at Catholic Church

Following a three-day illness of pneumonia, James W. Heene, 79, 235 High street, died Tuesday in Sessions hospital at the age of 79 years.

Mr. Heene, who was born in Northville township in 1858, the son of the late Mr. and Mrs. Thomas Heene, Salem, lived in this vicinity all his life, making related phases of agriculture his vocation as well as his avocation.

In 1882 he was united in marriage to Rose A. Spencer, who survives him, together with three of their children: William E. of Marlette, Spencer J. of Farmington, and Mrs. Pearl Clark of the village. Another daughter, Iva May, died in infancy. Mr. Heene is also survived by five grandchildren: Helene Ann and Madeline Jane of Marlette, Joyce Ellen and Jere Louise of Farmington, and Corrine K. Clark of Northville. A brother, Angus, lives in Plymouth.

The Rev. Fr. Joseph G. Schuler will sing mass for Mr. Heene in a service at 9 a. m. Saturday in the Our Lady of Victory church. Burial will be made in the Rural Hill cemetery.

EARLY REGISTRATION

Miss Ann Richards, kindergarten teacher, announced this week that registration for next year's pupils will be held early this spring. "We're doing this because we plan to have a series of visiting days for these children before school is out this year. It will give them an opportunity to see a group at work under instruction and give them an idea of what their first school days will be like," Miss Richards explained.

Plans are going forward this week to rebuild the Schrader block and the D. & C. management is making every effort to re-open its doors to the public by Easter.

from spreading to other buildings adjoining the Fred D. Schrader block. The fire started from an over-heated furnace.

"The Northville fire department arrived just 15 minutes after I placed the call," reported Eddie Knicker, who was working for the Plymouth store at that time. "It took the Plymouth firemen just two minutes to get there," he continued.

These two fire departments were aided by the truck from the Detroit House of Correction. William Simpson and Clair Mabon, both of Plymouth, served hot coffee to the firemen who worked to control the fire.

EASTERN STAR-MASONIC DANCE IS EVENT HERE

Tonight in the high school gymnasium will be held the outstanding social event of the year in the Eastern Star and Masonic circles of the village. The occasion will be the annual dance given by the two groups.

Dancing in the attractively decorated hall will begin at 9:30 a. m. and continue until 1 a. m. to music played by Fanzel's orchestra.

Miss Margaret Bryan, worthy Matron of the Eastern Star, reports that the committees are at work and everything is in readiness for tonight's party.

PAY TAXES

George R. Symmons, treasurer of North township, Oakland county, reported this week that 70 per cent of the taxes had been collected. "This year's return is better than it has been here for years," he affirmed.

At North there was no primary center in the republican and democratic tickets.

neighborship, won out here as in other townships in Wayne county, polling a total of 78 votes. While E. R. Williams took five votes in each of the precincts here and John Knoblock was given two votes at each of the balloting places in the village.

No Contest at Plymouth: In Plymouth where there was no contest at the primary in the republican and democratic tickets, E. H. Williams was given 127 votes, John Knoblock 2, and E. B. Williams 40.

Cavell Opposes Ely: At the April 5 general election, Supervisor Willard A. Ely will be contested by Dr. E. B. Cavell, democrat, for the supervisorship. Mrs. (Continued on page 8)

Sergeant Returns War Hero's Book

Left to right: Sergeant Walter Sehnke of Detroit, Judd Green, James F. Green and Dr. W. H. Johnston, commander of the Lloyd H. Green post of the American Legion. Mr. Sehnke presented Tuesday, Feb. 23, the members of the post with an identification book belonging to Lloyd H. Green of Northville, who was killed in a shell hole during the World War.

Mr. Green was the only young man registered from Northville to be killed in action during the war. However, the mothers of Joe Yerkes and James Roache are claimed by the Lloyd H. Green Post as their "Gold Star" Mothers.

POSTMASTER VAN ATTA TO AID BUSINESS MEN

Additional copies of the two report forms which every Michigan employer must file with the Michigan "Unemployment Compensation Commission" by March 6, were received today by Postmaster Fred E. Vanatta for distribution to local employers.

With the deadline March 6 for filing almost here, Frank A. Picard, chairman of the commission, has urged every employer to file his reports with the commission. Pay building, Detroit, immediately to avoid an interest penalty.

Employers who employed one or more persons at any time during 1936 must file an employer's registration report and employers who had a monthly payroll of \$50, or more in at least three months during 1936 must file an employer's contribution report with the commission.

Included in this category are thousands of small merchants, grocers, gas station proprietors, professional men and others.

Employers who fail to file their report forms with the commission by March 6 are subject to an interest penalty of three-quarters of one per cent per month or fraction thereof.

ROTARIANS WELCOME TWO NEW MEMBERS

Reception of Dr. Thomas W. Smith and Conrad E. Langfield as new members and the presentation of American Legion "Safety" films by Dr. W. H. Johnston, commander, and J. H. Bolton, chairman of the Americanism committee, made Tuesday's meeting of the Northville Rotary club an impressive one. President Wm. E. Forney was in charge.

Don Yerkes put the pun of membership on the lapel of Dr. Smith, the new Presbyterian minister, and in fitting words welcomed him to the organization. In welcoming Mr. Langfield to the club, E. H. Lapham said: (Continued on page 3)

SONS ARE GUESTS OF FATHERS AT BANQUET

Trenton Minister and Pontiac
Magician Are Features
at Thursday Program

One hundred and fifty children and boys had a ball with their fathers at the third annual community Father and Son Banquet at Thursday, Feb. 25, at the Northville church.

Probably the best reason for the exceptionally enjoyable and profitable evening was the well balanced program that the committee had provided. First the Ladies Aid Society and the Service League put on a substantial meal that put everyone in good humor. Then there was just the right mixture of singing, speaking and entertainment to hold the interest of all—even the small boys and the granddads.

Orlo G. Cavell put "pep" and politeness into the singing by the big company which sent rousing singing out from the banquet room into the nearby streets. The Rev. Harry J. Lord presented Superintendent Russell M. Amerman as the master of ceremonies of the evening and he was a good one.

An original "scat" staged by Boy Scouts from the Wayne County Training school was well done and thoroughly enjoyed by the crowd. The playlet was directed by Mrs. Helen Trail.

A clarinet quartet number by Bob Boyden, Louis Eaton, and Kenneth and Harold Martens was so good that the boys had to give an encore.

The only formal talk of the evening was by the Rev. Marshall Hoy of Trenton who gave both lads and ladies some splendid advice on "The Measure of a Man." Warning against the mistaken idea that money is the gauge of success, Mr. Hoy said: "The standard of tomorrow will not be money." The speaker spoke highly of the present day youth and said: "I am not worried about so-called revolt of youth—these young folks just want to be heard, that's all."

Following the address by Mr. Hoy, harmonica duets by the Rev. Kendall S. North and Dr. H. I. Spurling "brought down the house."

"I never knew that a preacher and a doctor could make such rousing music," was one comment that voiced the appreciation of the sons and fathers.

A program of magic by Captain Archie Allen of Pontiac was a fitting close to a most unusual evening. His array of stunts was mystifying and kept the boys and men on the edges of their chairs. Capt. Allen made a big hit with all and his coming was greatly appreciated.

The largest family delegation at the gathering was that headed by Sidney S. Litsenberger who brought with him his four sons, John, W. A., Marcus and Robert.

BOARD OF EDUCATION REDECORATES LEGION BUILDING IN VILLAGE

The American Legion and Legion auxiliary are very proud of their hall which has been redecorated throughout. The walls are fresh with new paper, the woodwork gleams white and the floors are smooth and polished.

No one would guess that for the past months the building had been used for school rooms after the destruction of the grade school building last winter. The work of redecoration was done by the Board of Education of the village.

The first social event in the beautiful building was held Feb. 23 when a burlesque company, known as the "Burlesque and Variety Company," entertained the community.

WALTER LIPPMANN INDICTS ROOSEVELT

In attempting to re-make a Supreme Court that will do his bidding, has President Roosevelt made the colossal mistake of his great career, in much the same way that President Wilson was broken and his party wrecked, back in 1920?

That is the question that Walter Lippmann, noted democrat and Washington correspondent, has been raising in his writing the past week or so.

Lippmann, a former supporter of the President, arraigns Roosevelt in terrific fashion. Analyzing his attempts to pack the Supreme Court, Mr. Lippmann says:

"He is in a hole in a 'no man's land' as no other president has every been before.

"He got there by losing touch with his own followers and imagining that he could rout all opposition forever by exploding one big bomb all by himself."

Lippmann then goes on to say that of all the recognized leaders of American progressives, only one, Senator LaFollette, is supporting the President's daring plan to wreck the Supreme Court. The opposition to the plan can't be laughed off, continues the correspondent. Instead, the people are aroused deeply and unless Roosevelt retreats, he will lose much prestige.

The President is certainly in for the biggest fight of his career. He has been most popular—President Wilson was the most popular man on earth in 1918 but what was his standing in his later years? Roosevelt has "exploded his big bomb" and the reverberations are something of which he had never dreamed. Will he retreat or go forward to defeat? He is being chastened right now in a most convincing way. Popularity is a very fleeting thing as both presidents and ball players find out. The public is as fickle as a March wind. Plenty of things can happen.

THE SMOKERS WERE CONSIDERATE

We have written before of the selfishness of smokers in public places, this time we speak of their unselfishness.

At the place of the 168 men and boys who attended the Community Father and Son banquet the other evening in Northville, there were placed signs suggesting that the boys might appreciate it if there were no smoking at the meeting. However, the decision was left to each individual. Result: Not a man in the big company smoked. Second result: A fine bunch of boys found out again that when it comes to the real good of themselves, the Dads have a lot of unselfishness and consideration. Third result: It was seen by many that the way to get a thing done is not to demand it but to suggest it politely. Courtesy goes a long way.

WE HAVE TO LIVE WITH THEM

Three kinds of people make us impatient. Lazy folks, cynical people and fault finders.

During the past two weeks we have bumped into all three kinds. Of course we have to live with them and maybe it is good for our training to learn to get along with all kinds of people.

A lot of students of government believe that we are cultivating quite a new crop of lazy folks by our "doing too much for them." Thrift, hard work and simple living are out of date in certain quarters, yet we are going to have to come back to these old-fashioned virtues.

The cynic has a superiority complex. He thinks he is smarter than folks around him, but as a rule, he is not as wise as his father was. He thinks that he is bizarre and above the ways of living that made his father a success. Luckily he grows up and finds that he is not as great as he imagined.

The fault finder is all right when he is constructively critical but a nuisance when he fails to look for the good. When we get too acid in our judgment of men we should remember the old saying: "There is so much bad in the best of us; and so much good in the worst of us that it behooves any of us to say anything about the rest of us."

RAMBLING THOUGHTS

A student of the coal business points out that if John L. Lewis insists on a 30 hour week and a raise in wages, that the end of the soft coal business might not be far off. He says that a constant raising of prices put anthracite coal off the market and brought in the use of oil and gas for heating. He adds: "It won't take much of an increase in the cost of soft coal to kill the remaining domestic heating market."

"We are in an old-fashioned business revival," Dr. David Friday, noted economist, told Detroit business men at a Board of Commerce meeting last week. The former Michigan State college president thinks that there will be a let-up to the boom for a year or a year and a half. Interest rates will continue low.

Says Editor W. H. Berkey in The Cassopolis Vigilant: Editor Dick Baldwin of the Northville Record commented last week on the fact that the Ten Commandments are the bed rock which has made America great, and then he published the Ten Commandments for the benefit of those who had forgotten about them. No doubt they were real news to many.

ments are the bed rock which has made America great, and then he published the Ten Commandments for the benefit of those who had forgotten about them. No doubt they were real news to many.

ANOTHER ONE IS KILLED

If you wonder why we get bitter at the havoc of human life caused by drunken drivers read this personal note, which just came in a letter from our daughter at Albion college.

"When we arrived here Sunday, (from a visit at Northville) we found that one of our college friends, a very fine young man, had been killed by a drunken driver Saturday night. It was very tragic as he had gone home to see his mother, who was to have an operation soon. Also he had just given his fraternity pin to his girl and was so happy. All of his fraternity brothers went to Detroit yesterday to the funeral."

Dead at 21! Twenty-one years spent in preparation for life and then to be dashed into eternity because a potential murderer on the highways became a real killer. A home saddened beyond words to describe because some man thought he could mix liquor and automobile driving! Suppose it were your home!

The man who drinks and then goes out to drive, may injure or kill someone. Why sane men will take this terrible risk is past our comprehension.

Who will be the next to be hurt or killed by a drunken driver?

A THOUGHT FOR MARCH

This is the month to plan for the garden and the flowers. March is the bluffer and despite its howling winds and cold, spring is riding just behind. He who gets next to the soil the coming spring and summer can find a panacea for a lot of grief. And by the way, did you ever see any finer flowers than grow around Northville?

NORTHVILLE'S YESTERDAYS

1 YEAR AGO

Northville high school has tied for first place basketball honors with Melvindale in the suburban league. Superintendent R. H. Amerman announced this week that the insurance company had settled \$30,000 on the grade school building which was destroyed by fire Jan. 13. This is \$10,439.50 less than the entire insurance coverage on the building.

Women of the Baptist Methodist and Presbyterian churches united on the World Day Prayer services Friday afternoon at the Methodist church.

Word has been received in the village that Elmer Perlin, son of Elmer E. Perlin, will attend the national convention of Phi Kappa Delta in Houston, Texas.

Unsanitary conditions and lack of necessary conveniences in the beer gardens in Northville were brought to light by Commissioner Wm. T. Gregory Monday evening when members of the village council considered the renewing of the licenses. Licenses were granted to R. L. Lee, John Norton, L. M. Coe, John Asimakopoulos and Clifford LeFevre.

5 YEARS AGO

Out of 300 high school debating teams in Michigan, only 32 have survived the contests and Northville high school has the high honor of belonging to the small group that is striving for forensic championship. The team is composed of Catherine Stalter, Wilma Rattenbury, John Stenchen and Robert Cousins. Coached by Mrs. Elizabeth Wright, the team has met and conquered Howell, Ypsilanti Central, Ypsilanti Roosevelt, Ann Arbor and Plymouth high schools.

At a special meeting of the Northville Village Council held Thursday, Feb. 25, the resignation of Dr. Linwood W. Snow as member of the council was handed in and accepted by the three commissioners. Besides Dr. Snow, who were present, Dr. Snow resigned because he will be a candidate for the presidency in the coming election to be held on Monday, March 14.

While going back to school Monday noon, seven-year-old Junior Ambler, son of Mr. and Mrs. Sherrill Ambler, ran out in front of a car at the corner of Cass and First streets. He was thrown to the pavement receiving a severe blow upon the head.

Of interest to Northville friends is the wedding of Miss Alice Meyers, daughter of Mr. and Mrs. Frank Meyers, to Jas. Goodale which was solemnized at the Methodist parsonage at Belleville.

An eight pound son, Gladwin Gilbert, was born Feb. 26, to Mr. and Mrs. P. L. Snipes.

15 YEARS AGO

Northville enjoys the proud distinction of being the smallest town in the good old U. S. A. to have a chapter of the order of DeMolay. The name chosen for our chapter is Fellowship and it was instituted last Thursday night by the officers of Ann Arbor chapter.

The residence of Mrs. Mary Wilkison in Bealton was the scene of a stubborn fire Wednesday noon. The building was badly damaged. Wendell S. Miller has accepted a responsible position with the First and Old National Bank, one of Detroit's strongest financial institutions.

Workmen are engaged in making extensive repairs and alterations in the building owned by Spannocola and Martino on Main street.

F. S. Neal has a position with the Federal Government, in and out of Detroit, for a month or two.

George Morris son of Mr. and Mrs. Frank Morris, and Miss Frances Boyd of Wixom, were united in marriage at the Presbyterian parsonage Feb. 22.

20 YEARS AGO

Joe Watts is ahead on the Student body cards in the eighth grade and Edgar Frey in the seventh. Myrtle Clark, Perry Carson, Howard Coe and Thelma Green of the sixth grade have received one hundred in spelling all month.

Mr. and Mrs. W. L. Tinsam will take up their residence in their new house next to the Baptist parsonage April 1.

C. E. Clarkson is suffering with a badly bruised and swollen arm as the result of a fall during the recent key time. Well it certainly "came in like a lamb," so look out for the "lion" later on. The boys commenced playing marbles on the downtown sidewalks several days ago. Great optimism, these young citizens.

During the "late unpleasantness" in the way of slippery walking a staid Northville business man, in reply to various surmises as to why an expected speaker had failed to appear, gravely remarked that "probably he fell and broke the engagement."

10 YEARS AGO

Stock for a new bank to the amount of \$25,000 has been subscribed and the organization will be completed Saturday. E. H. Lapham, for many years at the head of the J. S. Lapham and company bank here and for the last two years with the Union Trust company of Detroit, will move back here and assume the executive management of the new concern.

The Cause

The mournful wailing of the bagpipes came to a sudden end, and the Highland musician was examining the cause of this interruption of his solo.

A small boy noticed a small hole in the bag and exclaimed: "That's where the cat jumped from, Mister."

HOW DO WE RATE?

Intelligence tests are quite the thing these days. Folks like to find out if they rate high in their store of knowledge.

But how do we rate as wives?—we who look upon ourselves this most important job "for better, for worse"? The following questionnaires gave us some startling thoughts and we pass it on.

As a wife, do you refrain from criticizing your husband? Do you give him freedom in his associates, his hours and his dealings? Do you try to make the home as attractive as possible? Do you try to be interesting?

Do you vary the menu to give him pleasant surprises? Do you understand enough of your husband's business to discuss it with him intelligently and sympathetically?

Do you make an especial effort to get along pleasantly with his mother and other relatives?

Are you brave enough to meet

financial reverses with courage and cheer and help him make the best of what fortune you can get; or do you discourage him by comparing him unfavorably with more successful business men?

Do you try to dress to please your husband and keep yourself attractive in his eyes? Do you compromise on matters of different opinion and not insist on your way too much? Do you play with your husband, sharing the games he likes in his leisure hours?

Do you avoid habits which you know annoy him and the discussion of topics which you know are disagreeable to him? Do you keep abreast of the times that you may discuss the daily news with him?

Do you associate happily with the people he likes, so that you can enjoy the same companions and events? Do you welcome his friends into your home? Are you unsatisfyingly trying to be a real helpmeet?

Check up on yourself and see how you rate.

SWEET PICKLES

(Mrs. Ford Flaherty)

150 pickles—about 2 lbs. 1/2 cup salt, 1 gallon water. Pour boiling hot salt water over cucumbers and let stand 24 hours.

Wipe dry and pack in a crock. Add 4 tablespoons mustard, 4 tablespoons salt, 1/2 cup mixed pickle spice, 10 cents worth of saffron. Cover with cold vinegar. Then add 1/2 cup sugar each morning until 3 lbs. have been added. If you do not want them too sweet add only half this amount.

FISH TURBOT

(Alice C. Eaton)

1 qt. milk; 4 tablespoons flour; 4 tablespoons butter; 2 eggs; salt and pepper.

Remove bones and skin from fish and flake. Sprinkle with salt and pepper. Make white sauce with milk and butter and flour. Remove from fire and add eggs well beaten. Put layer of fish then layer of sauce in baking dish till full. Cover with buttered crumbs and bake until brown. Lemon juice helps.

DR. HAGGARD TALKS ON MEDICAL FADS

"The Medical Fads and Superstitions" will be discussed by Dr. Howard W. Haggard, noted medical historian of Yale University, before the Detroit Town Hall in the Fisher theatre at 11 a. m. Wednesday, March 10.

In his lecture Dr. Haggard will show how the modern medical fads, quackery and superstitions are all persistent forms of old and discarded practices. This is a fascinating study of human foibles from the spirit rites of primitive man to the "health appeal" of modern advertising, presenting a mode of analysis which the listener himself can apply to evaluate all medical fables.

Widely reputed in the medical profession as a distinguished scholar and scientist, Dr. Haggard has a following of millions through his national radio talks and his many books. His record on the platform has been brilliantly successful. After his appearance in Philadelphia last season, the "Philadelphia" Forum wrote, "We will definitely want Dr. Haggard next season for his first talk in Philadelphia." The nearly 2,500 members of the Forum who heard him were so captivated by him that I want to make certain no one else gets in ahead of us." He has made the same kind of a hit the country over.

Dr. Haggard's popular books include "Devils, Drugs and Doctors," "The Anatomy of Personality," "The Doctor in History," "Are You Intelligent?" "The Science of Health and Disease."

TAX THE CHURCH?

(Ionia County News)

It seems incredible that a preacher should favor a tax upon church property, but only recently a man in Rochester, N. Y., placed his stamp of approval on such a movement. Sincere in his opinion he believes the church should pay for fire and police protection as well as the household. He fails to recognize that churches give free services to their communities. Their doors are always open. Were it not for the church crum would have a broader sweep. Thus in its influence for good it saves the government many dollars. Surely it earns an exemption from tax.

together. This will be followed by roller skating and other entertainment.

Dr. Frank Bladen of Ford hospital is expected to speak Sunday evening, March 14.

Mid-week service will be held Wednesday evening at the parsonage.

First Presbyterian Church

Sunday Services

At the 10:30 a. m. worship, the pastor will preach upon "The Joy of Having a Good Backbone." The choir will give special numbers. The pastor will give a five minute sermon to the boys and girls in the congregation. The church school will meet at 12 o'clock promptly.

The Presbyterian Women's Union will hold a bake sale on Saturday, March 6, in the Shaver Electric shop, beginning at 10 a. m. and continuing until everything is sold. The ladies suggest that you buy your home-made goodies at this sale for the week end. Any donations from the members of the Union and their friends will be gratefully received by the committee in charge.

"The Union will hold its regular meeting in the church house on Wednesday, March 10. The luncheon will be served at 12:30 o'clock with a charge of 20 cents a plate. The annual reports will be given and the installation of the officers for the ensuing year will follow.

"The Intermediate Christian Endeavor Society next Sunday meets at 4 p. m. and will have for a theme: "What Does It Mean to Decide for Christ?" Luke 9:57-62. The leader will be Betty Barry.

The Senior C. E. Society next Sunday meets at 6:45 p. m. to consider for a subject: "What Does Christ Expect of Me?" Matt 8:18-22; 10:32-42; 16:24. Helen Harper will be the leader.

Next Sunday at 7:30 p. m. the teams of Conveyors for the Every-Member canvass will hold an important meeting at the manse. There will be a large attendance of loyal lovers of this church.

Christian Science Churches

"Men" will be the subject of the lesson sermon in all Christian Science churches throughout the world on Sunday, March 7.

Among the Bible citations is the following (Gen 12:6): "And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth."

Correlative passages to be read from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 516): "Man and woman as coexistent and eternal with God forever reflect, in glorified quality, the infinite Father-Mother God."

Church of Our Lady of Victory

We pray for God's special blessings upon the newly organized religious class that the Methodist, Baptist and Presbyterian churches have inaugurated in our school. Sad indeed is the handicap of a child whose education has missed the basic props of religious principles. If we need not recognize the authority of God, neither need we recognize the authority of anyone else.

The Catholic view point demands religious education for pupils of all grades. These classes are held every Saturday morning locally. All pupils of the first eight grades meet at 9:30 o'clock. Senior high school pupils gather together at 11 a. m.

Lenten daily Mass is held on school days at 7:15 a. m. Tuesday evening devotions are at 7:30. Topics of the day having a religious aspect are discussed. Devotions on Friday evenings at 7:30 consist in meditating on Christ's sorrowful journey to Calvary.

The fourth in our series of prize-winning games will be held next Tuesday night at 8:30 o'clock. Prizes for the twenty games will be articles of groceries that all can use.

The League of Catholic Women will have its monthly meeting to

Charles A. Sink Announces Solo Artists For Annual Music Festival To Be Heard at Hill Auditorium, Ann Arbor, Next May

Kirsten Flagstad and Elizabeth Rethberg, sopranos; Marion Tetva, contralto; Arthur Garrow and Lauritz Melchior, tenors; Carlos Morelli, baritone; and Eino Finna, bass; all stars of the Metropolitan Opera association; and Eugene List, spectacular young American pianist, and Joseph Knitzer, a young violinist of distinction, have been engaged as soloists for the 1937 May Festival, according to Charles A. Sink, president of the University Musical Society.

Mr. Sink stated that in order to represent fittingly the centennial of the founding of the University of Michigan in Ann Arbor, the Musical Society had exerted every effort in assembling a cast of soloists of first magnitude; and for that reason, only soloists of major ranking had been selected. As has been announced previously, the Philadelphia Orchestra of 100 players under the leadership of Conductors Eugene Ormandy and Jose Turbi, will participate in all six concerts which will be given on the evenings of May 12, 13, 14 and 15, and on the afternoons of May 14 and 15.

The University Choral Union under the direction of Dr. Earl V.

Moore will appear in miscellaneous choral numbers on Thursday evening, and will be heard in the closing festival concert Saturday night in a presentation of Verdi's "Aida." The Young People's Festival Chorus under Jura Rigbe will participate in the Friday afternoon program.

The general distribution of soloists provides that Madame Flagstad will be heard in miscellaneous operatic arias with orchestra at the opening concert Wednesday night.

Human Interest Briefs From Exchange Columns

Farmington—The threatened suit against the City of Farmington over 1923 taxes on the Ely farm has become a reality, with filing on Feb. 23, of a bill of complaint asking cancellation of the 1923 tax on what was then Farmington Woods subdivision. The plaintiff asks the Circuit Court at Pontiac to determine what would be a reasonable tax in place of the one levied and which is declared to be grossly excessive, and offers to pay a tax to be fixed by the court as fair and just.—The Farmington Enterprise.

Midford—Next Thursday, Friday and Saturday, Midford will become the mecca of high school students and townsmen fans when the annual basketball district tournament gets under way. For the first time, Midford will be hosts to Class B competition as well as to Classes C and D.

Entered in the tournament are: Class B: Farmington and Redford Union; Class C: Fenton, Holly, Kroyo Harbor, Brighton, Waldo Lake and Midford; Class D: Linden, Dayton Plains, New Hudson and Big Beaver.—The Midford Times.

Ann Arbor—A public hearing on the proposed locations of an East Side fire station on Granger avenue was demanded in petitions being circulated yesterday in the adjacent seventh ward neighborhood. The petitions do not state the reasons for opposing the fire station in this location, but it is thought that the traffic hazards to children

attending the Eberback and Tappan schools is the principal objection.—The Michigan Daily.

Dearborn—"I want to be a policeman," J. H. Slovick didn't say it exactly that way when he appeared at police headquarters in the wee small hours Tuesday morning and asked to be placed in a cell for the balance of the night. But since he had been drinking and wanted to have peace and quiet away from his wife, his request was granted. And now the commission of Public Safety will have to decide what is to be done with this 32 who has insisted the police take for his lodging.—The Dearborn Independent.

Holaa—Consideration of a local option vote in Gratiot county, beginning of a church attendance campaign and a request to close the Gratiot County Fair on Sunday were highlights of the meeting of the Gratiot County Ministers held Monday at the Alma Baptist church.—Gratiot County Herald.

Holly—Miss Margaret Helen Haddon, Holly, has entered the employment of American Airlines, Inc., as a stewardess. Miss Haddon, who was graduated from Hurley School, Flint, in 1933, and then served three years as a nurse in Flint, will be based at Dallas, Tex., and will fly on American Airlines' famous Flagship Sleeper planes between Dallas and Memphis and between Dallas and Los Angeles. Miss Haddon recently graduated from the training school in Chicago of American Airlines stewardesses all of whom have to be nurses. She is 23 years old, 5 feet 4 inches tall and weighs 115 pounds.—The Holly Herald.

Birmingham—City Commissioners voted favorably at their Monday evening meeting, Feb. 15, to join the Michigan division of the Cities Alliance, an organization designed to bring about the reduction of gas rates through the piping of natural gas into the cities comprising this group.

Birmingham becomes the twentieth municipality to enter the alliance, which includes the surrounding towns of Pontiac, Royal Oak, Ferndale, Berkley, Pleasant Ridge, Clawson and Highland Park; in addition to Ann Arbor, Mt. Clemens, Monroe, Ypsilanti, Dearborn, Adrian and others.—The Birmingham Economic.

Statistics show that a considerable part of the accidents of motor vehicle traffic can be avoided and that the mechanism of the standard drivers' license law, as sponsored by the National Conference on Street and Highway Safety, the National Safety Council and many national associations and groups, goes far in reducing the element of carelessness and recklessness.

The standard law which will come up for consideration before a number of state legislatures during the next few months provides for taking away the licenses of those who are not mentally or morally equipped to drive an automobile with safety or who, under its enforcement, are found later to be incompetent as drivers.

Some of the chief advantages of the law are:

1. Its effect has been to reduce accidents and injuries and save lives.

2. It puts a premium on competence and skill in driving and provides an effective means for removing the incompetent or dangerous drivers from the road.

3. It removes the menace of the person who is too lazy or too ignorant to learn the necessary English or become familiar with traffic rules, regulations and safety precautions.

4. It provides the police authorities with a check-up in case of accident and a permanent record of each holder of a license.

5. It assists in a scientific study of the causes of accidents, whether attributable to mechanical failure, engineering defects in streets and roads or human negligence or carelessness.

6. It promotes an orderly, statewide control of motor transportation and the uniform supervision of vehicle operators.

7. It is an effective method of educating all drivers on the basic precepts of driving and the fundamental laws of the highway.

The standard drivers' license law is a tried and proved safety measure. Where the law has "teeth" and is backed by rigid, impartial enforcement, it is now in many states,

Woman's Club Musical Tea Friday Is a Pleasant Occasion

The program of the musical tea given by the Northville Woman's club Friday afternoon at the home of Mrs. H. R. Richardson, was carried out very successfully as announced last week. Two numbers, however, were omitted from the account. Little Miss Marie Angove, daughter of Mr. and Mrs. Percy Angove, delighted her audience with the Prelude by Rachmaninoff and an encore "The Butterfly" by Greg.

The whole program was most delightful and a social hour during the serving of tea rounded out the afternoon.

The tea table, presided over by the president, Mrs. H. S. Willis, and Mrs. Clarence Davis, was bright with a large bowl of spring flowers in pastel shades with tall tapers on either side.

This afternoon the club will be guests of the Plymouth Woman's club at the Mayflower hotel when Dr. Vincent of the Merrill-Palmer school of Detroit will be the speaker.

The Northville high school choir, directed by Leslie G. Lee, has been invited to furnish the music for the event.

Those wishing transportation will call Mrs. D. H. Saley.

Mrs. I. E. Blowers Opens Home Tuesday to Service League

Forty members of the Service League of the Methodist church were guests Tuesday evening, March 2, at the home of Mrs. I. E. Blowers, 509 Gardner avenue. The hostess was assisted by Mrs. C. D. King and Mrs. L. R. Tiffin.

The members of E. L. Johnston's high school debate team, Munroe VanHellemond, Ira Davis, Scott Cole, Alfred Cozans and Nana McLoughlin presented the question which was the topic for debate in the Michigan forensics this year. Resolved: That electric utilities should be governmentally owned and operated.

Miss Selma Janki, co-spectator of the debate, presided.

Mrs. E. A. Isaacson was welcomed as a new member.

Beyers-Chapman Vows Pledged Saturday at Church Ceremony

Miss Blanche Chapman of South Lyon and Harold Beyers of this village were married at 7 p. m., Saturday, Feb. 20, in the local Baptist church with the Rev. K. S. North reading the ceremony.

The couple was attended by Mr. and Mrs. Chester Gardner.

Mrs. Beyers was dressed in light blue crepe and carried flowers of pink roses and sweet peas. Mrs. Gardner, who also wore blue, had a corsage of sweet peas.

A wedding luncheon was served at the home of the bridegroom's mother Mrs. O. Beyers, where Mr. and Mrs. Beyers are making their home.

Banquet at Plymouth Marks Auxiliary Birthday

Eleven years ago this week, the Northville Auxiliary had its first meeting.

To celebrate the anniversary, the hostesses for Tuesday evening's meeting, Mrs. Robert F. Goodman and Mrs. Clyde Schoutz, made arrangements for a banquet at the Hotel Mayflower.

Thirty-four members and friends of the organization accepted the opportunity to enjoy an evening of fellowship and entertainment. After the dinner a few words of welcome were extended by the retiring president, Miss Geraldine Huff. She then introduced Mrs. D. P. (Nellie) Yerkes who has been with the auxiliary since its birth.

Mrs. Yerkes gave a short talk on the history and aims of the organization. The last part of the program was devoted to an introduction of the new president, Mrs. Franklin VanValkenburg, who responded with a few words of greeting. Other newly elected officers for the ensuing year are: Mrs. Edward Wood, vice-president; and Mrs. E. A. Chapman, secretary.

Miss Lovell Will Give Talk Thursday at P. I. A.

Miss Nera Lovell, a teacher in the Plymouth school system, will be the speaker at the Parent Teacher association which will be held here March 11, in the high school. Her topic for the evening will be "The Approach to the Parent."

Villagers Report That Tremblor Rattled Their Dishes and Shook Their Beds—Shock More Severe in Jackson and Adrian

The tremblor which was general in the Detroit area and which was felt in the mid-west and south at 9:48 a. m. Tuesday, made itself known here.

Among the villagers who saw dishes shake on the table and beds of late risers move here, were Miss Jane VanAlta, Mrs. D. H. Saley and Mrs. Elmer E. Perrin.

The greatest activity in this state was reported at Jackson and Adrian where downtown buildings jarred and school students said that they could feel the building shake.

At Columbus, O., the quake was more severe, knocking off chimneys and breaking store windows at Wapakoneta.

The tremblor which was recorded on the seismograph at the University of Michigan was described by Prof. William H. Hobbs, geologist, as one of the local type, which seldom does much damage. The seismograph recorded the disturbance as one tremblor, lasting 30 seconds.

Beginning with the quake in 1663, eight others have been perceptible in Michigan in 1911, 1912, 1972, 1877, 1884, 1895, 1909 and 1935.

DR. JOHNSTON SHOWS ACCIDENT PICTURES

BY C. A. DOLPH

A comprehensive series of pictures of wrong and right automobile driving were shown to the Exchange club members Wednesday noon by Dr. Wilbur H. Johnston.

The pictures were prepared for the national committee of the American Legion as part of its program to promote better driving of cars by its members and friends. The series is entitled "The Other Fellow."

President Paul Thompson reported a visit to the charter presentation of the newest Exchange club—the Northwest Detroit club. The dinner and program was given Tuesday evening in the Grace Presbyterian church at Penkell and Myers road.

The program next week will feature a talk by a representative of the Michigan Mutual Liability company of Detroit.

MASONS HOLD SECOND BENEFIT PARTY HERE

The second in a series of benefit parties sponsored by the F. and A. M. 186, and the R. A. M. Union Chapter 55, will be held Wednesday evening March 24, in the Masonic hall where guests will play bingo.

This party, as well as the one held Feb. 26 is a project to raise funds to build a new bridge over the Northville river.

Tables for twenty tables of bridge were laid for the first party in the hall and entertainment sponsored by the group.

Boy Scout News

Philip Baldwin, Reporter

Harold White certainly keeps his Scouts on the jump. Saturday, a bunch of the lads helped him rig up a flag pole out of some old iron pipes, from Steve Armstrong's. They scoured and then painted the pipe and it made a swell flag pole.

The Scout building looks dandy but the grounds aren't so hot. Not right now. But what do you think? The Garden club—a lot of nice Northville ladies who love flowers—have promised to help fix up our lot this spring. They are supposed to have one "achievement"—something like the Boy Scout's "good turn," I suppose. So they have picked up for their good turn. And, as we tickled!

Of course they'll expect us kids to take rakes and shovels to get the ground all level first. And we want to it is our building and we are proud of it. Wait till you see it after the ladies and we fellows get after it! Every one will be driving their visitors around that way to show off.

FEDERATED CHURCH AID PRESENTS PLAY IN SALEM TOWN HALL

"Where's Grandma?" That's the name of the three-act comedy which will be presented to the public at 8 p. m. Friday, March 5, in the Salem Town Hall. The entertainment is sponsored by the Ladies' aid of the Salem Federated church.

Included in the cast are: Mrs. Asa Whipple, an old lady who first of all wanted to be young, but at last is quite contented to be her age; Kathryn Pennell, a young wife; Fred Bowers, the young husband; Richard Hale, Evelyn Clement, Irene Granger, Mrs. Myrlan Lyke, Mrs. Donald Clement and Doris Lyke, all in the supporting cast.

ANNOUNCE WORLD ADVENTURE SERIES

Lowell Thomas, famous author and radio commentator, Hon. Ruth Bryan Owen, former U. S. Minister to Denmark, and Julien Bryan, explorer and roving photographer for the "March of Time," are among the headlines in the Fall program of Sunday afternoon World Adventure Series illustrated lectures, just announced at the Detroit Institute of Arts.

Season tickets are now on sale at a one-third discount, and free illustrated folders describing the course may be obtained by writing or telephoning the World Adventure series at the Detroit Institute of Arts.

Lowell Thomas will open the Fall program on Sunday, Oct. 10, with a new lecture entitled "Into Far Corners of the World." He is the author of 22 books and has adventured on every continent. Mrs. Owen, daughter of the famous William Jennings Bryan will show her new Greenland motion pictures. Julien Bryan will take his audience on a colorful motion picture tour of the new and vigorous nation of 35,000,000 people—Poland. Another fall feature will be a motion picture talk on "On the Bottom" by Commander Edward Elsburg, in which he will tell how he recovered the sunken submarine S-51. Elsburg built and launched the super-dreadnaught "Tennessee."

The complete fall program: Oct. 10, Lowell Thomas, "Into Far Corners of the World." Oct. 17, Commander Edward Elsburg, "On the Bottom." Oct. 24, Robert Edson Fulton, Jr., "Across the Pacific in the China Clipper." Oct. 31, Hon. Ruth Bryan Owen, "My Travels in Greenland." Nov. 7, J. E. Williamson, "Into a New World Under the Sea." Eight counties in Michigan found rat campaigns to valuable in fighting farm losses that other counties in the state are planning these projects this year. Costs of the farm campaigns are so low that they are far outweighed by the savings in feed and money.

Baiting with canned red squid was used in Michigan last year with effective results. In eight counties there was 7,250 pounds of bait used on 4,800 farms.

Proofs that rats can consume enormous quantities of grain is found in facts offered by B. T. Ostenson of the zoology department at Michigan State college. Initial warning of the importance of fighting rats, says Ostenson, is in the fact that rat families can produce from 3 to 12 litters a year with from 6 to 20 rats in each litter. The average litter has about six rats which mature in three to four months.

"A rat not only can eat several bushels of grain in a year, but likely will spoil even more grain by spilling the feed out on floors. If you see a few rats around a building, that is a good indication," says Ostenson, "that there are a good many more rats there, or soon will be."

In one corn crib recently it was found that rats had either eaten or spoiled sufficient grain to have paid the taxes for a year on a 400 acre farm. They live between walls, under floors and foundations. Additional information on rat control through more permanent construction and on the use of poison bait can be obtained from the office of the county agricultural agent.

Results of the first farm tenancy conference to be held in Michigan are being studied by the state department of agriculture and leaders at Michigan State College. Although Michigan is not high in percentage of land operated by tenants, in comparison with other states, the percentage is increasing. From 20 per cent in 1925, the amount of land tenant operated in the state has risen to 27 per cent, says E. B. Hill, who presided during the meeting as head of the farm management department at the college. Dean E. L. Anthony and Agricultural Commissioner Burr Lincoln sponsored the meeting to determine a better basis for assuring soil conservation on tenant operated farms.

Beloved Radio Singing Star, Bobby Breen, Comes Sunday in Screen Film, "Rainbow on the River," Book Mystery Drama Friday

"CHARLIE CHAN AT THE OPERA"

The hobby of Warner Oland, who plays Charlie Chan in the new picture, "Rainbow on the River," is the hobby of the general public. The picture, which opens Friday at the Penniman-Allyn theatre, "Charlie Chan at the Opera," is a Chinese and Japanese art, declared by his numerous screen appearances as the Oriental detective.

Born Karlson, Oland is co-starring with Chan in this new Chan mystery, which is being hailed as the most exciting and nerve-jangling in the thrilling series. The cast also features Rene Luke, Charlotte Henry, Thomas Beck and Margaret Irving. The picture, which opens Friday at the Penniman-Allyn theatre, is a book mystery drama.

"THE 3 MESQUITEERS"

There is still modesty among the artists of Hollywood. Bobby Breen, who plays the lead in the new picture, "Rainbow on the River," is a young actor who has been in the business for more than two years. He is a young actor who has been in the business for more than two years.

EDITORS ENDORSE COLLEGE NEEDS

Editors of 200 of Michigan's country weekly and daily newspapers endorsed a resolution directed to the governor and the legislature to provide finances for the needs of Michigan State college and pledged editorial support in a tourist-vacation campaign to "sell Michigan to Michigan."

From left to right: Leo J. Nowicki, lieutenant governor; Philip T. Rich, Midland, retiring president of the Michigan Press association; and Robert S. Shaw, president of the college, discuss the resolutions at the recent annual convention in East Lansing.

THIN ICE
It may be too early to prophesy, but it seems safe enough to predict that there will be no more fish houses on ice south of the point this winter. And, incidentally, no more skating or ice boating. Which should be a source of some relief.

BARN DANCE "CLICKS"
The P. T. A. barn dance at the school Saturday night seemed to "click" in a big way with people of the community and many from distant places. There were at least a hundred couples "saccharine" around the floor in about every kind of old time dance one could imagine, as well as an occasional, up-to-the-minute "two-step," to which some of the young "bloods" flocked.

HOLD BANQUET
The Star Federation of Unions of the W. C. T. U. held a banquet and program at the school, Tuesday evening, which was well attended. The unions represented were those of Farmington, Nov. Plymouth, Bedford, South Lyon and Walled Lake. State, district and local officers were present.

GUEST PLAYS
The Civic Welfare club enjoyed a social afternoon Wednesday at the home of Mrs. Green Buffmeyer. In addition to the playing of cards, the club provided a surprise entertainment with Mrs. Hogan Opland, as guest of honor.

TIE FOR CHAMPIONSHIP
The basketball schedule of the Walled Lake high school team was concluded Friday night at Clarkston, where our lads defeated their hosts, 28 to 16, thereby holding their position with Keego Harbor for championship honors in the Southwestern Oakland County League.

TELEPHONE INCOME MAKES BIG INCREASE

Improvement in general conditions during 1936 was reflected in the telephone business with the result that the Michigan Bell Telephone company made substantial progress toward recovery from the depression.

Total net earnings of the company before deducting interest and dividends were \$10,100,000 in 1936, or 5.6 per cent on the cost of the plant and other assets. Total operating revenues were \$38,656,000, with total operating expenses of \$22,377,000.

Operating earnings after payment of taxes were \$9,947,000, and other earnings were \$153,000. Taxes amounted to \$4,332,000, requiring 11.8 per cent of the gross revenue, or \$7.74 per telephone in service. At the end of 1936 total assets of the company were \$186,884,000.

Net gain of telephones during the year was 60,647, compared with 32,763 in 1935, bringing the number of telephones in service at the end of 1936 up to 594,502, which was 96,000 short of the peak reached in May, 1930.

Business telephones at the end of the year were back to 85 per cent of the peak development, compared with 83 per cent for residence telephones. The average daily number of local calls during the year was 2,835,000, an increase of 1.6 per cent over 1935. Total number of long distance calls was 23,918,000, an increase of 15 per cent.

Telephone service never was better than in 1936, the report says, and Michigan has, in common with the rest of this nation, the best telephone service in the world. Overseas circuits were extended to a number of points, so that now telephone service is available from any point in Michigan to most of the civilized world.

At the end of the year the plant investment was \$178,077,000. At many points the company has sufficient margin of plant to care for anticipated increase of business, but at other points the margin in certain classes of plant is shrinking rapidly, requiring new construction. The report anticipates that 1937 will call for gross construction amounting to \$16,552,000, or \$5,216,000 more than was expended in 1936.

An additional \$14,000,000 of common stock was issued in September, bringing the amount outstanding to \$123,000,000. A like amount of notes was retired.

For the first time in a quarter century the company freed from all rate regulation when in July it accepted an order of the Michigan Public Utilities commission calling for a wide-spread reduction of telephone rates. During the year, also, the company established a reduced night rate on person-to-person long distance calls and reduced Sunday rate, equal to the night rates, on both station-to-station and person-to-person long distance calls.

The discounted night and Sunday rates were made effective on Christmas and New Year's days. Late in the year the company also announced another substantial reduction in interstate long distance rates, to become effective Jan. 15, 1937.

Since the establishment in 1929 of the Theodore N. Vail Memorial Fund, 55 Vail medals have been awarded for outstanding public service to employees of the company, and six to employees of smaller connecting companies in Michigan, the report says. During 1936, medals were awarded to two employees of the Michigan Bell Telephone company at Grand Rapids, for saving life, and one to an employee of the Tri-County Telephone company at South Haven, for prompt action which resulted in saving life. In addition, four other employees of the Michigan Bell were cited by the Vail Medal Committee of Award for unusual acts of public service.

HERMAN TESCH
Military funeral services were held for Herman Tesch at 2 p. m. Saturday, Feb. 20, in his home at 21121 Polkman avenue.

Mr. Tesch died Wednesday, Feb. 17, in the United States Marine hospital after a brief illness.

Burial was made in Roseland Park cemetery.

Mr. Tesch was born 60 years ago in Germany and came to the United States when he was six years old. He served two enlistments in the Army and in the Philippines and remained in Government service in the islands for several years after his honorable discharge.

In late years he had been a refrigerator engineer. He was a member of Duffield Camp No. 9, United Spanish War Veterans. He leaves his wife, Eva; two brothers, William Tesch of this village, and Martin of Danville, Ill.; four sisters, Hannah Greer of Northville; Mrs. William Miller of Novi; Mrs. Bertha Bishop and Mrs. Martha Bogner, Chicago.

GRADE SCHOOL GIVEN FLAGS

Woman's Relief Corps Will Donate American Flags To New Building

The Woman's Relief Corps is presenting every room in the new grade school building with an American flag at 1 p. m. today.

The presentation will be made by a committee from the corps, and headed by Mrs. Ida Hendry. The Woman's Auxiliary of the American Legion will be represented by Mrs. Wilbur Johnston, who will lead the room in salutes to the flag.

The school has purchased the staff for the flags and the manual training class of the high school made the bases.

The committee presenting the flags will go from room to room in the building.

ROOM IN GRADE SCHOOL MODERN AND COLORFUL

The new grade building which has been recently completed is full of modern gadgets and conveniences. And besides that it is much more easy on the eyes than one usually thinks schools are.

The building has a system which keeps the air clean and warm in winter, and also a system of fire bells, of course. The halls are particularly interesting, with lights in the ceiling and rows of small lockers, two children to a locker.

At stair-landings and other places the wall is made of glass bricks which one cannot easily see through, but which let in light, and there is not a wooden floor in the building, as far as we could see. In the basement are huge vaults where old records are stored, and a recreation room. In the front hall is a showcase which is now filled with exhibits from the seventh grade history class.

All the water fountains are low, and are a rather dark green. The furnishings of the class rooms are adapted to the use of small children—the first grade has rooey closets of their own and tables and chairs like the kindergarten. And we fell in love at first sight with the desks of the higher grades. The chairs are attached to the desks by a rod, and both may be adjusted up or down, and the chair is easily turned.

What delighted us most of all were the color schemes of the rooms. The halls are gray green with white above the reach of small hands; the vestibule is a brilliant blue and white; the offices are green and ivory; and the other class rooms are a warm brown and cream.

Altogether, the new grade building is utterly charming, and the small boys and girls who go to school there don't realize how very lucky they are.

??????

Have you noticed the "hang-dog" look one of our seniors is carrying around with him lately? What's the matter, Cy? Is she mad at you?

Did you see the shirt Albert Boelens wore Monday? You must have—how could you miss it? It was a brilliant green!

If you see Fred Johnson with a worried look on his face, and his shoulders bent under the strain of study—extend him your sympathy. He's confided to your columnist that he's carrying seven subjects, playing gym—and the poor boy is near collapse.

Have you noticed how quickly the day for book reports rolls around? We just got one off our mind when Mrs. F. W. Hawkins tips and announces that Monday is THE day again, so once more we rush around looking for a book that's interesting and yet not too long to read in a short time.

P. S.—We haven't found one, yet—have you?

Fred Scott is growing older, boys' n' girls. He's just reached the ripe old age of 16.

Can You Imagine?

"Cy" a midget?
Dorothy H. writing notes to Dear Ken?
Rose M. without her boyfriend?
Marj. Chase interested in a certain junior boy?
Finding a book to hang your coat on?
Mary Jane Gregory being called "Pansy"?
W. Wilson being violent?
J. Litsenburger and C. Burgess agreeing during typing practice?
The typing students' happy on Thursday? It's speed test day.

ROUND THE SCHOOL

Did you ever hear of getting your dates mixed? Probably you girls have—on purpose—and I suppose the boys know the caved-in feeling of arriving to take their S. P. out, only to find that she thought she was to go out with a couple of the fellows on the same night. You haven't anything on the girls' basketball team.

Last Friday that brave little group set out to battle elements and go to Berkley in order to defend the school's honor in what is commonly called a game. They pranced into the high school feeling as fit as a fiddle—only to find out that it was the wrong day! Somebody had changed the date, and had neglected

to inform Northville's team. Oh well, you might as well be philosophical and say—such is life!

We have been in a mental quandry this week trying to pick out a worthy recipient of the weekly orchid. It goes to the girls' basketball team and their fiery (if pettish) coach, Miss Gladys Ludwig. They placed second in their league with flying colors. Are we good!

P. S. I suppose you know that Dick Ambler is known as a "second Demosthenes"? He talks continually—even if E. L. Johnson doesn't think he says much.

BOYS SCORE VICTORY OVER REDFORD UNION

Home Team Defeats Rivals in Last League Game Final Score, 25-18

Northville won her last league game with Redford Union Friday night, 25-18.

A rough hard game was expected but to both teams' surprise they only played hard ball, not rough. Northville had just seven fouls while Redford Union had still less with four.

This game sort of took the bad taste out of our mouths after the dirty deal we received at Redford Union. Not because we won; but because both teams played 100 per cent cleaner ball.

Redford Union started off with a lot of power and height to forge ahead the first 5 minutes with a 3 point lead. Northville however came back with a good passing attack and swished 5 baskets and 2 fouls to lead Redford Union 12-8 at the half.

In the third quarter Redford Union's efforts only produced one basket. Northville gained a fair lead here getting 3 baskets and 1 foul. Redford Union could only get back 2 of 9 points Northville piled up on her in the third quarter.

By the victory, Northville ties with Redford Union for second place honors.

The second team won its game 29-21. During the season the second team has won 16 games, lost 2, and tied 1.

Lineup:
Redford Union: L. F. Northville, Lindburgh, E. F. Turnbull, Perry, R. F. Duguid, Burnett, C. Westphall, Robozewski, L. G. Hoelkins, Morgan, R. G. Scott

Did You Notice?

How lonesome Betty S. really is? Jean Saley's new hair style? Very becoming.

Bob B. always day-dreaming in first hour assembly?

Dick J. sleeping Tuesday morning? Don't keep him out so late, girls.

Harley B. back to school? That angry look on Carl's face until "she" took care of it?

How the students missed this column last week?

Scott actually writing notes to a girl one fourth hour?

Coach Elliott Barr being a student first hour?

How people are afraid of the cold, cold weather?

A certain sophomore's ring? Very surprising, but pretty.

A very sweet person not having patience with her pupils?

Helen J's sully grin at times?

All the water guns? Children must play.

Janet and his "spys"?

Ross B's cornet braid?

Don H. actually a gentleman? (At times.)

Girl Scout News

At the regular meeting of the Girl Scouts in the Domestic Science room, Feb. 24, Miss Doris Reber explained lineum book printing to the girls. She handed out outlines and helped them make their designs. She will help them at the next meeting also.

At the business meeting ways of making money were discussed. It was suggested that the girls get odd jobs for a month and hand in the money they earned for the coal and light for the Scout Building. The highest amount of money would get a prize.

The game even though the referee was blind and didn't know a foul when she saw one.

Betty Haystead was the star of the evening and scored 14 points. The score at the end of the first half was 10-0. In the second half Bruhanovsky and Haystead scored the points making a total score of 22.

The only points for Perkley were scored during this half. The game ended with the total score 22-2.

The second team score was 15-12 in favor of Northville.

Lineup:
Northville — Haystead (Capt.), Bruhanovsky, Alexander, VanSickle, Pitt, and Gregory, McLoughlin, sub. Berkley—Hahn, Johnson, Henry, Barker, Johnson (Capt.), and Perkins, Reed, Filscery, Brandy, subs.

The Observer

This charming person I am going to tell about this week is a junior in dear old N. H. S. She is of medium height and has pretty black hair. This is her first year in Northville high school. She lives in the country and it seems she drives a black Ford coupe to school each day. She is a very active girl in her class and she played a part in the junior play. She always attends the basketball games and dances at the Jitney dance afterwards. She also seems to be a good chum of Nan McLoughlin and Gwen Jones. If you still can't guess, you might look around and see her and Cy Westphall talking together.

MRS. A. R. BOLDEN TEACHES NEW CLASS

The new visual method piano instructions being taught in the new grade building by Mrs. A. R. Bolden of Plymouth, who instructs the same class there.

The class will meet on Mondays and Thursdays. Seventy students are taking the course. The class is planning to give a demonstration either at the dedication of the new school or at the next P. T. A. meeting.

Mrs. Bolden, who was graduated from the music department of the Michigan State Normal college, wishes to announce that anyone is welcome to visit the class whenever he wishes.

Miss Lottie Livingston, sister of Mrs. Earl Montgomery of the village, began a class in religious instruction last Tuesday. One day she will teach the fourth graders and the next day the fifth and sixth graders.

HOME TEAM DEBATES PLYMOUTH HERE

In a practice debate held last Friday, Northville met the Cass Technical team from Detroit.

The home team had the negative side of the debate question.

Both Cass Technical and Northville are in the eliminations for the State championship and the former team will meet McKendzie high school tonight, in an effort to retain its places in the final eliminations.

Debating for Cass Tech last Friday were Fred Broad, Leon Horn and A. E. Chadwick. These same three will be on the team that meets McKendzie today.

Although there was no decision given on last Friday's contest, both E. L. Johnson, Northville's coach, and Miss E. Smith, coach of Cass Tech, believed that the debate was very close.

FRENCH CLASS ATTENDS MOVIE
Miss Ione Palmer's first and second year French students attended a showing of the motion picture, "Carnival in Flanders," last week at the Uptown theatre.

The movie, which won the Grand Prize of 1936 as the best French movie, and which was selected by the New York Times as one of the best films of the year, was given completely in the French language.

SPORT FLASHES

BY ALBERT BOELENS

March 4, 5, 6—Tournament days for Northville. Yesterday the team played University high of Ann Arbor. Our team has played them first for the last 4 years. U. high will be one of the toughest teams in the tournament. Now this paper goes to press on Wednesday so we can't tell how the game ended but we are hoping for the best. But I think if we can beat U. high, we can go the rest of the way through the tournament.

The team has quite a goal to head for if they are trying for the same success the last year's team had. The team last year won its first 5 games and then lost, so that made them runners up for the regional.

It appeared that most of you saw the Redford Union game for there was one of the largest crowds at this game there had been all season. There was \$35.00 taken at the gate. The spectators got their money's worth of fast, hard and exciting basketball for this game brought out Northville's real strength and if they go as they did Friday in the tournament there is going to be a few more cups in our showcase.

Let's all find a ride over to Ypsilanti and support the team.

There has been shown quite an interest in interclass basketball this year, with some strong teams entered. The juniors are now in first place, with second place honors going to the sophomores. The seniors and the eighth grade are tied for third place. After the season is almost over this column will select an all star team. So if you think you have any ideas as to what would make an All-Star interclass team your correspondent will be glad to accept your ideas. It is not definite but maybe this team could play a game with this year's second team.

The team has been cut to 12 for the tournament. They are: Westphall, Hoelkins, Turnbull, Scott, Bishop, Duguid, Boelens, Schoutz, Hardesty, McCrumb, Myers and Wilber.

Bruce Turnbull will lead the team during the tournament. He was voted to this honor by the team last week in practice.

We see that Cecil Nirider has tired of wasting his efforts on the high school basketball team so he has joined the Twin Pine team, who play two games a week with teams from out of town. Cecil is doing very well for himself too, getting 12 points in one of their last games to capture high scoring honors.

Do you like your electric range? I certainly do.
What feature do you like best about it? Cleanliness.
Remarks or suggestions: It is also so quick—my own home instant heat and it's so uniform. Everything tastes better.

Do you like your electric range? yes
What feature do you like best about it? cleanliness.
Remarks or suggestions: It is almost impossible to point out one feature. My range is such a source of enjoyment it is hard for me not to eulogize. My husband bought the electrical range against my wishes. Now I wouldn't be without it.

*Cards were sent to users of electric ranges and these are some of the replies. Learn for yourself how many advantages you enjoy with an electric range... features no other stove will give you!

"Burn Witch Burn"
A thrilling, chilling, out-of-the-ordinary "mystery story" is "Burn Witch Burn," now running in the Detroit Times. A story with an amazing plot, "Burn Witch Burn," tells of a series of murders, which a brain surgeon and a modern racketeer attempted to solve. What had a white-faced woman to do with this mystery? What part did a doll play in it? You will find "Burn Witch Burn," by A. Merritt, one of the most exciting mystery tales ever written. 36p

CHARLES SESSIONS RECALLS TRAIN DAYS

Charles Sessions, the villager who goes all winter long without wearing an overcoat, stopped in the office this week to talk about early Northville days.

"I can give you the exact date when the railroad line connected Northville with neighboring communities. It wasn't 'around 1860' as was stated by a recent Rotary club speaker, but it was June 17, 1871," he affirmed.

"Dutch Fred was the engineer. Ed Keeler was fireman and Charles Day was the conductor. Charles boarded with Ed Horton who lives in the house just this side of the library," he concluded.

NORTHVILLE COLLEGE GIRLS APPEAR IN DEMONSTRATION

Four Northville girls, the Misses Marion Turnbull, Mary Louise Boyden, Gertrude Deal and Edith Barber, all students at the Michigan State Normal, Ypsilanti, are appearing in a physical education exhibition at 8 p. m., Tuesday and Wednesday, March 9, 10, in the West Gymnasium on the campus.

The demonstration, under the direction of Miss Harris of the Normal faculty, is to be a college circus, with ladder stunts, drills and dancing in costume.

JOHN LITENBERGER DEFEATS S.W. AMBLER

(Continued from page 1)
Zada R. Riley, democrat, will oppose the republican incumbent, Mrs. Mollie Lawrence for treasurer.

Charles A. Sessions, Jr., Fred Hicks and Louis V. Sonnenberg, democrats, will campaign against Ward Masters, Ute Tibbitts and Roy Rue, republicans, for constables' posts.

Trapp Leads in Livonia
In the one contested race in the Livonia township primary, Arthur Trapp, republican incumbent, defeated Raymond Levandowski, former township clerk, with a 150-ballot margin.

Harry Watkins of that township, who petitioned early in the spring for one of the constable positions, withdrew from the campaign, leaving the four incumbents, Edward Howard, Ray Owens, John Whitehead and Charles Canfield all unopposed.

The republican ticket is headed by Supervisor Jess Ziegler, incumbent; Township Clerk Harry S. Wolfe, Sr., incumbent; and Highway Commissioner Charles Wolfman, who was appointed several months ago upon the resignation of Henry Bradley.

There is no democratic ticket in Livonia township.

REP. EATON WOULD LET PENSIONERS KEEP PROPERTY
Rep. Edith P. Eaton, Plymouth, has a bill in the house at Lansing to do away with that provision in the Michigan Old Age pension law by which property has to be deeded over before pensions can start.
