Township Treasurer's Post Brings Contest for Primary, March 6

Mrs. O. L. Bauman Opposes Mrs. Leo Lawrence; Salem Has First Competition Since Primary System Was Adopted

SATURDAY LAST REGISTRATION DAY

The Northville township treasurer's post is the only office to be contested in the primary, Mar. 6. Mrs. O. L. Bauman has filed a petition seeking the office held by Mrs. Leo Lawrence. Contests are to be waged in both Salem and Livonia townships.

Northville incumbents, Supervisor Willard A. Ely and Clerk John Litsenberger, have no opposition this year. Dean F. Griswold seeks the full term of the justice of the peace and Harold M. Parmentier is the only candidate for the short term.

Starr E. Herrick enters the political picture for the first time this year, wanting a constable post along with incumbents Ward Masters Roy C. Rew and Cile A. Tibbits.

Unlike last year, when no one filed for the member of the board of Review post, T. R. Carrington has placed his name for election. The name of Charles Dubuar was written in the ballots last March.

Name Final Registration Day Mr. Litsenberger will accept registrations for the primary election Mar. 6 between 9 a.m. and 5 p.m. Saturday Feb. 25 the final day for registration. He stresses the fact that electors who did not register at the last general election must register in person as required for permanent registration.

For the first time since the primary plan was adopted three years ago, Salem township's offices are to be contested.

For the first band concert of the winter season Mr. Lee will direct the group in a varied program ranging from the works of Tschakowsky and Bach down to some of the more popular numbers.

Special features on the program will be concert diets by Allen Goff and Jack Taggart, Lucille Lauman will play a piano solo.

A collection will be taken to pay for the recently purchased uniforms but there will be no admission charge.

The program includes: Stein's School Song, Bach's Come Sweet Death, Meyer's Debutante, Schubert's and Romberg's Song of Love, Teike's Old Comrades, Berry's arrangement of Operatic Mingle; Sullivan's H. M. S. Pinafore; Yradier's LaPaloma; Paul Yoder's arrangements of Tschakowsky's selections; Holmes' Zayda; Hayes' Inspiration; Southwell's arrangement of Old Ireland; Skaggs' Bandmen's Delight; and Alfred's Colonel Bogey.

Allen and Jack will play Bach's Numa Nia and Kiefer's Elena. Polka Lucile's selection will be given by the Rev. Herman Kuehn and Raymond Head.

The "Yearling" was the basis for the talk given by Mr. Amerman principal speaker on this occasion.

"Farmer Blitz" a Detroit who sang humorous songs to his own piano accompaniment "went over with a bang," according to the Rev. E. Rossow, pastor of St. Paul's Lutheran church house.

Toastmaster for the evening was the Rev. Edwin Mossner of the Redford Lutheran church. Toasts were given by the Rev. Herman Kuehn and Raymond Head.

As is customary recognition was given to the oldest father present. This honor went for the second consecutive year to 79-year-old Fred Foss. The father present with the most sons was Fred Head, who sat with his sons Harold, Frederick, Arnold, Wilfred and Raymond.

Three-year-old Elvin Richard Newton was the youngest son present. He was there with his father J. Vernon Newton.

Twelve boxing bouts and two wrestling matches made up the program this week. Highlight of the evening came when Ralph Bogart and Chuck Bishop met in what was scheduled to be "just another fight," preceding the main go between Eber Ward Lester, Jr., and Al Boines.

Bogart knocked Bishop to the floor in the second, bringing blood to Chuck's nose. Bishop went down again in the final round for a count of nine. Bogart punched cleanly and fought aggressively and received praise for a good initial showing.

Several bouts carried almost equal interest for the spectators. A rematch of Jim Reed and Wally Whipple in a "grudge fight" resulted in a decision for the latter. Better defense and consistent punching would have turned the tide for the

12 BOUTS, 2 MATCHES MARK SECOND BOYS' SPORT EXHIBITION

Another thrilling program of boxing and wrestling contests between hard-fighting boys and youths was the reward enjoyed by some 400 fans who packed the high school gymnasium Monday night for the second benefit show staged by boys groups Arthur Carlson and Dick Loomis direct the shows, the next of which they have announced for Monday, Mar. 13.

Mrs. Sarah Brown Begins Law Suit Against Village

Mrs. Sarah Brown through her attorney Max Hulett of Farmington, has filed suit against the village for \$106.33, which she claims is the amount of the tax refund due her on her property at 119 North Rogers street.

The suit is scheduled to come up in the circuit court next Tuesday, Feb. 28. The court-action by Mrs. Brown follows the second denial by the village to grant a refund to Mrs. Brown for excessive taxes.

EXCHANGITES HEAR ABOUT WASHINGTON

Acceptance of the principals which guided George Washington the man and leader of a young nation, were urged by the Rev. Dr. T. W. Smith in a talk before Exchange club Wednesday noon. Dr. Smith cited Washington's acknowledgement of higher authority and his obedience to conscience as traits that marked this great character.

Harold Church was elected second vice-president, following Tom Edmondson who became first vice-president. Guests of the day included Cameron Lodge, Charles H. Bloom and John Coggins. Mr. Coggins represented the Redford Exchange club in a matter of business.

SANS PIED PIPER, CAMPAIGN AGAINST RATS IS APPROVED

The rats which have made the village their place of residence, are to be no more.

A Pied Piper of charm will lure them from their stamping ground — farther, the village fathers have bought biscuits, very special biscuits, which will be tasty additions to the diet offered by the dump. Rats, pausing to nibble from the choice delicacies, will not live long enough to warn any Brother Rat about the hidden poison in the biscuit.

This bait method is being adopted by councilmen of surrounding cities where rats are also a problem. In fact, an attempt is to be made throughout the State to exterminate the pests — long known as disease carriers and menaces to public health.

Mayor Arthur S. Nichols hopes that the use of the fatal biscuit will bring an end to the sport of shooting the rats by persons who have found recently that rats make more interesting targets than tin cans.

F. J. Cochran To Prepare Rigid Dog Ordinance for Northville

Northville's council took steps Monday evening toward adopting a dog ordinance for the protection of the village.

Following the showing of a film by Dr. R. M. Atchison, health officer, which placed stress on the necessity of such protection for children, the councilmen instructed Attorney F. J. Cochran to draw up a dog ordinance which would be satisfactory with Dr. Atchison's requests.

Mayor Favors It

We want an ordinance with teeth in it so that dogs that have not been vaccinated can be killed before they injure the lives of citizens," asserted Mayor Arthur S. Nichols.

High School Catholics, Protestants Begin Religion Study

With Protestant and Catholic students starting their second semester schedules in the high school religion classes have again been added to the curriculum. Some 55 students, 12 Protestants and 43 Catholics, are enrolled for this instruction.

Protestants are taught by the Rev. Dr. T. W. Smith of the First Presbyterian church. The basis for his study is a syllabus drawn up by the State department of education.

Although the ordinance will not make provisions for the licensing of dogs, it will specify that each vaccination tag be numbered so as to serve the same purpose as the license as far as police and health checks are concerned.

Finds Oakwood Section Too Low; To Make Second Survey

Street Commissioner Earl Montgomery reported Monday evening to the members of the bridge council that a large portion of the Oakland division was to be set aside for the construction of sewer line.

After receiving the appointments made by Secretary of State Harry F. Kelly, to head the Northville branch of the secretary's office, Elmer L. Smith gave assurance Monday that the last minute rush for license plates would be handled with little delay.

Following a week end down pour, when 1.49 inches of rain was recorded by the weather bureau, Elmer L. Smith as Branch Manager arrived with snow flurries. Monday and Tuesday the thermometer gradually lowered and Wednesday morning dawned clear and cold with the mercury standing at about 15 degrees below zero.

LEEE'S SCHOOL BAND WILL GIVE CONCERT

Methodist and Lutheran Churches Are Open for Annual Events

Fathers and sons to the number of 250 broke bread together in the village last week. Banquets were served in the Methodist church where Mrs. T. W. Smith will preside, with Mrs. Harry J. Lord and Miss Lotte Livingston assisting.

During the program, which will close in time for the Woman's club meeting at 3 o'clock, Mrs. H. S. Atchison urged immediate passing of an ordinance, citing the large number of rabid dogs found here and the proportionately large number of persons who have been victims of rabid dogs within the last two years. Two years ago, 14 persons were bitten in Northville and all had to take the Pasteur treatment. Last year, there were four such victims. This number is way out of proportion to the population of Northville, he affirmed.

CLOSE SCHOOLS TO STOP SPREAD OF INFLUENZA

To prevent the further spread of influenza in the community, the Northville schools were closed Wednesday, to re-open again Monday Feb. 27. The action was taken by the school board administration heads and health authorities as a cautionary measure.

Northville, it is pointed out, is fortunate in not having so wide a spread of the flu epidemic as has been raging over some parts of the State. Contrary to rumor, a scarlet fever epidemic has not taken hold here.

Dr. R. M. Atchison, health officer, does not want the closing of the schools to mean that the students are to be free to spend their time in public places. He urges that they stay home as much as possible.

A Lenten Message

By the Rev. Fr. Joseph S. Schramm, Pastor of Our Lady of Victory Church

We must learn to understand the Passion of Christ. Christ opens the eyes of the blind man — so likewise does He desire to open our eyes during the time of Lent, for the comprehension of the Passion.

According to the plan of God — Christ must suffer. His great immeasurable Passion points out to us the greatness of divine justice and the greatness of man's sins — the greatness of divine love and the greatness of human perfidy.

We must learn to understand the depth of the foundation of the Passion of Christ — the love of Christ — and also to awaken in our lives a perfect love and contrition, as the Epistle I Cor., c.13 announces in a marvelous hymn of love.

Merry-Go-Round Members
Have Luncheon, Wednesday

By Mrs. B. W. Hewitt

After a long vacation, the Merry-Go-Round members met Wednesday, Feb. 22, in the Methodist church parlors where they were entertained by Mrs. Archie Morris and Mrs. Olde. The women of the church served the dinner.

In keeping with Washington's birthday miniature hatchets were given as favors. Just like old times, we certainly enjoyed the good things to eat, then sat around visiting and working. The only cloud in our sky was the absence of six of our members. Best wishes and letters came from the following: Mrs. W. Ambler, Mrs. H. B. Clark, Mrs. C. C. Chadwick, Mrs. Minnie Parker, Mrs. C. E. Rogers in Texas, and Mrs. H. D. Dean in Florida.

No one wanted to be the first to break up this circle of old friends, but as all good things must come to an end, so it was with us, we bade our hostesses good by and departed each going our various ways looking forward to the March meeting which will be taken care of by Mrs. Scott Olmsted, who is the national organization secretary from Washington. She has recently returned from Geneva where she attended the meetings of the International Council Committee in Geneva, Switzerland, and a mission to Africa to help the refugees.

N.H.S. LOSES LAST

HOME GAME 39-30

Superior Melvindale Team again Defeats Orange and Black

By SPECK

Showing a superiority in height and in passing skill, Melvindale combined these two factors and gained a 39-30 victory over Northville last Friday night in the home gymnasium.

The first quarter started as if both teams were going to give everything they had; but they soon found themselves a little bewildered at the calling of steps out of bound, and of foul. Melvindale was the first to score with Northville兢兢地 trying to prevent them. The first quarter ended with Melvindale in the lead, 7-5.

The second quarter started out a nip and tuck affair until the last two minutes of the first half, when Melvindale scored three quick, consecutive baskets to hold a lead of 16-8 at the half.

During the third quarter there was much roughness with fouls being called on both teams. Northville's passing attack was broken up by alertness of Melvindale's part and quickly turned into scores when they sneaked a man down under Northville's basket to feed him the ball for the scoring.

The fourth quarter saw two players from Melvindale and three from Northville leave the game because of too many fouls. Captain Duguid, Cabbie Myers and George Houghton were put out of the game on account of fouls for Northville.

This period also saw Northville pull up within six points of Melvindale only to see the score pile up again when they broke up passes and sneaked pen down under the N.H.S. basket.

Seniors playing their last home game for Northville were B. Duguid, Walter and Clayton Myers, Dale Bray, Dick Larkins and Warren Bogaart.

Next week the boys will go to Van Dyke for the last league game of this year before going to the tournament at Ypsilanti to compete with schools.

The line up consisted of G. Myers, F. Fritz, B. Duguid, J. Houghton, W. Hartner, R. Sub, Holcomb, F. Hartman, W. Myers &

Jack McLoughlin of Detroit formerly of Northville, was called Friday in the village.

Editor's Note . . .

The high school students don't seem to accomplish this together. It is a very favorable example for our students when it comes to the crossings around school. While safety patrol boys try their best to keep people away from the rushing cars, the younger boys back on the side walk away from the rushing cars to prevent a dog from becoming mad and rabid. Usually they do nothing.

People do not stop and consider by a bare inch or two, scared the vast amount of damage a mad dog can inflict upon a person. Not and make the small children, who until you have seen the effects of happen to be standing along the curb waiting to be told when to cross, try to do the same thing with much less success. Why shouldn't the safety rules of the grade school apply to the high school as well? It wouldn't hurt any of us to wait a second and perhaps in this way, bad injury will be averted. After all children do learn by mimicing others and this may help to prevent the reoccurrence of a tragedy such as took place in Farmington last week.

The girl's N-Club held their first money-making venture, a bake sale, last week end. The cooperation was noticeable and it proved to the extent of six dollars that the public

is always ready to back a worthy thing. The club is now planning one dance to be held the last part of March and various other things to help them achieve their goal of helping to buy an electric

score board and having their banquet at the end of their athletic season. Any support given this organization will be helping in a very worth-while cause as a new score board could be used to great advantage in the Northville gymnasium.

Let's back this as well as the this curse which takes so many other organizations which are trying

The local team got off to a good start in the first quarter with Mary Frances Batt scoring eight points. Brooks Williams of Paducah, Ky., is a new pupil in Mr. K. H. Babcock's fourth grade.

NEW ARRIVALS ROUSE
— MASCULINE INTEREST

"All the male population in N.H.S. is asking about the Prices. No, they don't want to buy anything."

It's about a couple of new girls from Mackenzie High who've moved across from Jones' on Dubuque and have the fellows all in a dither.

Dick Ambier asked to be taken off the front row so his neck won't be so lame from turning around and Cecil Nordin wants his English 12 period changed to the fourth hour so he can make more headway if it is heart's desire.

Just lots of lollows were treated for bruises when they bumped into the wall or other foreign objects as they eyed the new girls.

The street commissioner says there will be a lot higher too on Linden with the extra impound on the street, from old Johnson and Bob Rembowski who say I stop for blondes but not up for but polites like these.

Well here's hoping fellas, they can get under their windows when the weather gets a little warmer so you can serenade.

"More abundant use" means cheaper electricity — in Michigan as elsewhere. As your use of electricity goes UP, the average price goes DOWN. And ONE CENT acquires tremendous buying power as you use more electricity!

For example, most residence customers can add additional electric appliances to their existing uses without greatly increasing their bill. It is wise economy to use more of these thrifty electric servants: ONE CENT will furnish soothing comfort from an electric heating pad for 10 hours . . . or brew 24 cups of coffee . . . or burn a "night light" in your bathroom or hallway every night for one week . . . or do most of the family wash on Monday . . . or cook a tempting meal in the electric casserole.

Electricity is cheap! You can make free and unstinted use of lighting and appliances and not add much to your bill. Prove this by using all the electricity you need.
