HETTECHE, WIEDRICK BUY SHOW HORSES

Michigan Debut Will Occur
at Riding Club's Spring
Show, May 27 and 28

John J. Hetteche and Elmer I. Wiedrick, have returned from the annual spring sale of saddle horses at Lexington, Ky., with additions for their own stables.

Mr. Hetteche brought home a dapple grey yearling colt which was considered by buyers and horse lovers to be the finest animal of the sale.

Mr. Wiedrick found two horses to his special liking. One is a three-gaited show horse, Sunray. This horse is a 6-year-old chestnut gelding that stands 15 1/2 hands. Already this horse is a favorite in the show ring never having tied out of ribbons.

Beger-Buss Hoop

The other horse that came back to Michigan with Mr. Wiedrick is a chestnut gelding, 16 hands high, eight years old, named Boop. Since his arrival at the Northville Riding Club, managed by Mr. Wiedrick, the horse has been sold to Fred A. Beger of Detroit.

In addition to these horses, another one came to the Michigan territory from Kentucky: Jep Crutch, Jr., of Birmingham, bought the well known stallion, Kentucky Redbird who is five years old and stands 16 1/2 hands high. This horse has proven a success as a sure, having produced some splendid horseflesh in Kentucky.

Visitors Are Welcome

With the exception of Mr. Hetteche's horse, these horses are all stabled at the Northville Riding Club where they will be shown in the club's Spring Horse Show, May 27 and 28, at the time of their Michigan debut. The general public is invited to inspect the various horses at the club stables as well as witness the training which is carried on daily.

A Lenten Message True Easter Joy

By the REV. E. E. ROSSOW,
Pastor of St. Paul's Lutheran Church

In 1 Corinthians 15, 19 the Apostle Paul under inspiration of the Holy Ghost says: "If in this life only we have hope in Christ we are of all men most miserable." Our whole hope of heaven is built upon the deity of Christ and the effectiveness of His substitutionary sacrifice. When we assemble under the Cross on Good Friday, we gaze not upon the agonizing death of a mere human martyr or an unjustly-treated, moral leader but upon the death of the Lamb of God that taketh away the sin of the world. Unless Christ is that, our special visit to Calvary during Lent has no significance and our whole system of religion is built upon sand. Let us thank God, however, that our faith is founded on "A Changeless Christ for a Changing World." The resurrection of Christ from the dead is an established historical fact. The triumphant news rings through all Christendom: "The Lord is risen!" and millions of jubilant hearts greet the great Victor over death and the grave as the surety of our own everlasting life in heaven.

Edited by the Journalism Class of Northville High School

J-HOP WILL BE ONE WEEK FROM TONIGHT

The Sophis-To-Cats To Play from 9 'Till 1 in High School Gymnasium

The annual J-Hop sponsored by the Junior class will be held in the high school gymnasium next Friday, Apr. 14, from 9 until 1 p. m. The Sophis-To-Cats of radio fame have been engaged by the Class of '40 to furnish the music for the occasion.

President Arlene Blake and her escort, Mr. Keith Van Amburg of Plymouth, will lead the Grand

Editor's Note...

The student body is to be congratulated on the way they are supporting activities sponsored by the classes and organizations. All of the projects, such as the Senior Play and the N-Club dance, which have been tried out, have been at least partially successful. However, the interest in the Palladium has up to this time been very slight. Only about 50 books have been purchased so far this year. The book will not be on sale for very much longer so those who are interested should try

to get at least their down payment on as soon as possible. Most of you have been contacted in your rooms and if no one has seen you you should see Cecil Rindler or Johnny Angel about buying your Palladium.

It seems like a fine thing for the 13-Club and the Girl's N-Club to take it upon themselves to try to earn enough money to buy an electric scoreboard for the Northville high school gymnasium. These clubs intend to split the expense for the purchase and have the score-board installed before the basketball season next year. It will be a great improvement over the present system of scoring and will be of benefit to all those who like this sport. The organizations are sponsoring a formal dance the 5th of May and everyone who attends will be doing their part towards a worthy cause.

Although it was discovered that the decorations will carry out a summer theme, Chairman Pat Klein would disclose no further information pertaining to this subject.

No invitation is required for the purchasing of a ticket. The dance tickets may be obtained from any junior for \$1.50 per couple. It has also been announced that although corsages are not required no one's flowers will be confiscated if they prefer to wear them.

The chaperones for this dance will be as follows: Mr. and Mrs. R. E. American, Mr. and Mrs. G. V. Harrison, Mrs. Harry E. Blake, Mrs. Ida B. Cooke, Mr. and Mrs. William Henschel, Mr. and Mrs. George Stalder, and Dr. and Mrs. H. S. Willis.

First Grade

Miss Miller's first grade made a trip to the chase farm last week to watch the maple syrup being made. Letters thanking Mr. Chase for the privilege and stories about the trip were written. In art class scenes of the trip were drawn.

Henry Biddle brought in some pussy willows which were also drawn and stories were written. The scrapbooks will soon be completely filled.

Easter eggs were dyed on Wednesday and on Thursday the class had an Easter party luncheon.

Mrs. William Chizmar's first grade has also finished its store. Two clerks are chosen each day and the students take turns going to buy at the store. Each article costs one cent.

The pupils are busy drawing and coloring Easter pictures.

LUCILLE LAPHAM WINS LOCAL D. A. R. AWARD

Representing Northville high school as the senior chosen for the D. A. R. good citizenship award, Lucille Lapham was among approximately 135 other delegates to meet at the state D. A. R. convention at the Hotel Bancroft, Friday in Saginaw.

Local candidates considered for this honor by the senior class and the high school faculty were selected by the degree to which they excelled in dependability, leadership, patriotism, service and scholarship. Lucille was agreed by the voters to be outstanding in these qualities.

Lucille, chosen for the D. A. R. good citizenship award of the South Ann Arbor Chapter met at Plymouth recently where they were given the Good Citizenship Pilgrimage medal—a gold pin with blue lettering, with a center piece of books behind which is the torch of liberty surrounded by a laurel wreath.

To decide who should represent Michigan in the National D. A. R. Good Citizenship convention in Washington, D. C., a questionnaire was submitted to the 135 girls. Some of the points covered were such questions as: What school officers and honors have you had while in high school? What books and magazines do you read? Whom do you consider the most outstanding living woman in America? What has been her contribution to the United States? What is your idea of the best form of government any country could have?

The girls giving the best answers to these as well as many others, will be given a trip to Washington, D. C.

"They feared when I picked up the violin, but they didn't know I was from the finance company," says a bright young senior trying to be brighter.

MARY POTTER NAMED WINNER OF CONTEST

Northville High Student's Essay Is Judged Best by D. A. R.

By BETTY ARMSTRONG
Several weeks ago the D. A. R. sponsored their annual essay contest. The competition was held between students of Plymouth and Northville high schools and Mary Potter, a student from N. H. S., walked away with the first prize.

The essays were to be completed by March 30, and were to follow the set of rules handed to each of the contestants. The subject of the essay was "The American Flag." This contest is given annually to inspire the young people of America to help them become better citizens, and to impress upon them that they are Americans.

Mary Potter, a junior in N. H. S., won first prize which is a money award of \$3.50 to be given at the honor assembly this spring. Later Mary will submit her essay to a state contest.

"MIKADO" FILM ON RECOMMENDED LIST

With Leslie G. Lee's high school choir giving the "Mikado" in the very near future, the film version of this comic opera, by Gilbert and Sullivan, should receive considerable attention when shown in the local theatre.

Gilbert wrote the words, Sullivan the music, and together they have composed fourteen fine operettas which poke fun at everything from the "Emperor of Japan" to the "Ruler of the Queen's Nave." Although it is well-known and often given by amateur groups and travelling companies, this is the first time it has been given on the screen.

The finest of these groups, the London D'Olav Caffe company has just completed a successful tour of the country and New York has just seen the Chicago Federal Theatre's production of "The Swing Mikado" and a "Hot Mikado."

This picture has beautiful costumes, and settings, and is filmed in Technicolor.

SENIOR GIRLS TELL OF FASHION TRENDS

Miss Doris Kober's senior home-making class has been writing fashion reports. This one was written by Helen Brainer.

A man would say, "It's a pincushion with a fish net wrapped around it." Do you know what I'm talking about? Yes, you've guessed it. It's the new spring hats. If it isn't a pincushion, it's a flower pot upside down with the flowers growing out of the bottom.

Now that's just the last girls' wall until you see the dresses. Has your mother ever told you about the dresses she used to wear with the large bustles? Well, don't think it's out-fashioned any more, as they're really in style this year. That is, considering them from the standpoint of formals.

Now the dresses are with full skirts, blouses are with high necklines with a little collar and a pin of flowers to top it off. The skirts are cut on the bias or pleated. I'm afraid the pleats take the cake, though.

I haven't said much about the shoes but you just ask your Mom what kind she wore and there you have the latest fad. Of course they do wear those patent leathers without the heel or toe, but if you care to be different, you'll wear the old Dutch type.

Pardon me, folks, but I nearly forgot the coats. They're loose, straight and fitted. A dashing flower on the lapel or an ascot to break the chilly spring winds is very fashionable.

TWO FRENCH CLUBS MEET AT WHIPPLE'S

Monday, Apr. 3, the first and second year French clubs combined to have a meeting at the home of Natalie Whipple.

The business meeting was opened by Mary Frances Batt, president of the first year club. The two clubs voted to combine for the remainder of the year. They discussed a carny sale to raise money for pins and also a program to be given later in the year.

After playing games and singing French songs, refreshments were served. The meeting was then adjourned.

Second Grade

Mrs. O. F. Ren's second grade children completed their unit of study on cotton with a minstrel and cotton program given in the gymnasium on Monday and Tuesday of this week for their parents and for all the other children of the grade building. The banjoes used by the boys were made by themselves out of cigar boxes.

The program was as follows: The Story of Cotton given by Frederick Wenker, Duane Small, Joanne Rackham, Ida Rose Laney, Fred Wick, Corine Clark and Jack Doren.

A Cotton Style Show given by Pat Behen, Jean Freydl, Joan Cavell, Dawn Shoberidge, Norma Jean Calkins, Tammy Stalker, Diane Moore, Mary Louise Lee, Nancy Washburne, Sandra Smith, Elizabeth Defino, Shirley Hopkins, Dorothy Briggs, Barton Connors and John Popnam.
