• Come to the Fair The long heralded and ever expected Northville Fair is now open. Probably no one project in this community has carried the name of this fair village farther throughout the state and far flung regions than the reputation of the Northville Wayne County Fair.

That reputation has weathered depressions, local em barrasments, and other trials of kindred nature, and through it all the unflinching courtesy and friendliness of the village and the fair management has vied with the unusual and usual attractions of the fair to gain and hold a reputation envied by every fair management in Michigan.

Impressing the 1939 exposition to the fifty thousand fair goers, the whole community takes pride in the accomplishments of the board in presenting a bigger and better fair than ever before offered on the Northville grounds. Innovations in the program, unexcelled horse show, more fireworks, more exhibits the poultry show, and farm displays, the unsurpassed midway, the sanitary and physical improvements on the grounds, and above all the friendly spirit of the fair and the village as host and hostess to 50,000 people bespeaks the 1939 exhibit as "the fair of all fairs."

This week the village of Northville is host to 50,000 visitors. Courtesy, Kindness and Consideration play a large part in welcoming and entertaining our visitors Northville, on your toes.

The opening of the fair, the song of the cricket and the katiedid are all reminders that the summer is well spent, and that fall is just around the corner.

• The Intangibles-Tax Law

Michigan's new intangibles tax law scheduled to produce \$2,000,000 to \$5,000,000 of additional revenue annually, will not be generally operative until 1940, but some taxpayers will be affected within 90 days. Outstanding facts concerning this new law are as follows:

Intangibles owned by financial institutions will be exempt.

Mortgages and land contracts in the hands of private owners on which the mortgage tax is paid under the present law before it expires in late September will be exempt from the new special tax.

Such obligations have not been subject to the general personal property tax. It held by banks, trust companies, building and loan associations or credit unions. They will not be taxable.

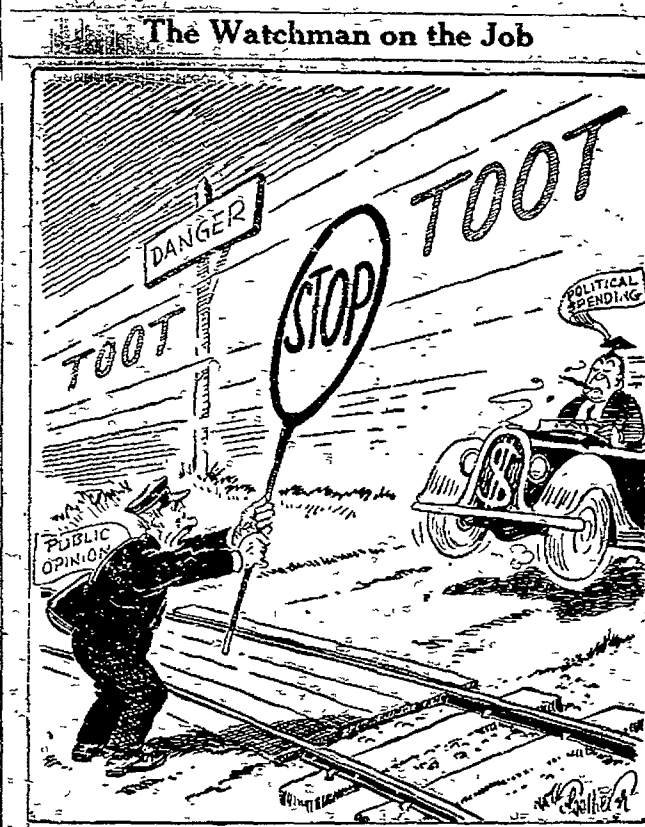

It is pointed out that the life-time mortgage tax rate is 1/2 of 1 per cent. The intangibles tax rate is the tenth of 1 per cent annually. Cumulatively it might amount to far more than the mortgage tax.

It is explained that the legislature's establishment of a new tax classification attempts to substitute for intangible personal property a more equitable tax rate than that to which it was formerly subjected identical with real property tax rates. Where enforced, the ad valorem levy was virtually confiscatory of income on intangibles.

Because the present personal property tax had been levied for 1939, it was decided to make the new tax operative for the 1940 calendar year, and it will be payable to the state tax commission within 60 days after the end of that calendar year unless an extension is granted or the fiscal year of the taxpayer varies. If the taxpayer arranges to pay according to his fiscal year and that ends before the 1939 calendar year, his report will be due within 60 days of its termination.

Intangibles owned by a non-resident but used in a Michigan business or in custody of a trustee, manager or agent for investment in Michigan are subject to tax, but intangibles owned by a person domiciled in Michigan but used in a business beyond the State and taxed in some other state are not subject to Michigan taxation.

Each taxpayer is allowed a \$7 base exemption from

levies computed at the above rates. Accounts payable and notes given may be deducted from accounts receivable and notes given in tax computations. If mortgage tax has been paid, mortgages and land contracts are exempt.

If specific taxes on bonds and other obligations secured by indentures under Act 42, of 1913, have been paid prior to the effective date of the act, they are exempt.

The State's bonds and obligations, those of political subdivisions, bonds of Federal agencies, those covering debts for Michigan armories and all United States pensions are exempt—Michigan Investor.

An Open Letter to the Citizens of this Community. DR. JOHN A. ROSS, OPTOMETRIST. PLYMOUTH MICHIGAN. Dear Citizen: I wonder if you would mind helping me out of a little difficulty? Up until this year I was always convinced that people who required double vision lenses (bifocals) wore them with much ease and comfort, and would never think of going back to two pairs of glasses—one for near work and one for distance. After much discussion with a manufacturer of bifocal lenses, I wonder now if I took too much for granted. He says that the average practitioner does not pay enough attention to the proper fitting of a pair of bifocal lenses. On the strength of this discussion I have retained the services of a doctor who has specialized in the fitting of bifocal lenses. This doctor is to be in my offices two nights a week. Now I must come to you to answer the question of whether or not I am justified in retaining his services. What I'd like you to do is to fill out the questionnaire printed below, check the answers and add any comments you wish to make. Needless to say, this will not obligate you in any way and I now leave it to you if you think people who wear bifocals are getting the proper attention. If you will do this I'll surely appreciate it and thank you for your kindness in giving me this information. Sincerely yours: JOHN A. ROSS, Optometrist. 1. Approximately how long did it take to get used to bifocals? 2. In your work, do you have any difficulty in going from the lower part of the lens to the upper? 3. The Housewife—Do your bifocals bother you for general housework? For ironing? 4. Do you have any trouble going up or down stairs or walking? Comments or Suggestions:— PLEASE MAIL TO JOHN A. Edgewater To Hold Valentines Another Week for Free Acts

Due to popular demand, Edgewater Park will hold the Three Flying Valentines or a second week. This sensational team of brothers, who are trapeze artists, have been thrilling their audiences nightly with their breath-taking feats at Edgewater Park.

The three Wizards of the Air — the Valentine Troupe — are making their first appearance in Detroit, starting Monday, Aug. 28 and continuing through Labor Day.

Edgewater Park will bring its season to a close featuring Adella, world's most famous trapeze artist. Adella, a really pretty girl, presents something new in a swinging trapeze act. She turns somersaults from the bar and catches on one heel in midair. Her heel and toe catches are more spectacular than ever seen at Ringling, Barnum, Hagenback or any of the larger circuses.

Walled Lake News
By C. E. Hutton

The Rev. William Wheeler Pixley will conduct union services of the Walled Lake Methodist and Baptist churches in the Methodist church for the remaining Sundays of this month, during the vacation of the Rev. Frank N. Miner. Services began at 10 a. m., followed by Sunday school, to be held in each church, as usual. Mr. Pixley will also preach at the Commerce Methodist church each Sunday at 11:30 o'clock.

Members of the Oakland County Fire Fighters Association, comprised

of fire departments of county towns and municipalities, including the Walled Lake department, and the nearby departments of Novi, New Hudson, South Lyon, Milford, Farmington, Westland and others, are planning a fire prevention week in October. Plans for the observation were started at a meeting of the executive committee in Birmingham, Wednesday night. Lieutenant George Cook of the Royal Oak department was named chairman of the committee, which consists of the chiefs of the 16 departments in the association.

The program preceding and during the October campaign will be of an educational nature designed to acquaint the public with methods of avoiding many of the usual types of fires. The educational program will

continue as a permanent activity of the association.

The next meeting of the executive committee will be Sept. 6. Public officials and others desiring information about fire prevention week may contact the secretary of the association, P. A. O'Brien of the Rochester department.

The tenth anniversary celebration of St. Williams chapel proved to be an outstanding success, both in attendance and proceeds, according to Frank Murray, chairman. He reports that dinner was served to more than a thousand persons, despite uncertain weather, which prevailed. Net proceeds amounted to \$450 from the affair.

The St. Williams choir will sponsor a dance, to be held the evening

of Aug. 22, at the Walled Lake Casino. The public is invited, but are advised to purchase tickets in advance from church and choir members. Admission paid to the Casino will not be credited to the church organization, according to Francis and Marion Murray, in charge of ticket sales. Proceeds will be applied to the fund being raised for a new church organ.

Frank Nook, local hardware merchant and Jake Taylor, dealer in automobiles, told of a 7-pound pike caught Tuesday while they were trolling. Frank Marsh exhibited a 3-pound well, 4 1/2-pound no less - large mouth bass he caught Monday evening. Said he also hooked two others, slightly smaller - 11 pounds in all. Even told where he caught 'em. Near the Casino bath house, using a number 10 hook, and minnows. Believe it or not.

Orley Benjamin had two more

hogs killed in the road, in front of his house, last week. "Wonder if ain't more that gets killed," said Walt Parks. "The way they run around. They eat one that was killed a while back. Weighed 15 pounds, dressed."

A hooked rug, designed after a rock garden at the Adirondack mountain lodge of Mrs. Charles B. Knox of the Knox Gelatin company, has been completed by Mrs. Charles Morgan of Benstein Road, wife of the nephew of Mrs. Knox. The pattern was drawn from a photograph of the garden by Mrs. Morgan's father, a Detroit artist. The rug will be given to Mrs. Knox, Knox summer camp, in the near Knox summer camp in the near future.

The seven-year-old daughter of Mr. and Mrs. Claude Lawrence of Twin Beach can probably win first prize in any freckle contest, be it for prize in any freckle contest, be it for she had so many and where she found them, her nimble answer was that she'd been out in a heavy rain storm. "I just rained on me, and rusted," said she.

The Bloomfield Subs have challenged the Walled Lake "B's" to another hotting match, scheduled for Friday evening. Syd Bloomfield's team is composed of kids who do their wood collecting down town, ordinarily. Rated just like down town too. They nevertheless lost by 9 pins to the local B squad, last week, and still figure it a mistake. Meby, meby.

Speaking about little girls, one I'd never see before climbed on the running board of my car, the other day while I was waiting for a house for something. She was very small, and most of her front baby teeth were missing. Studying me for about a minute, she suddenly opened the conversation in an impressive tone and convincing manner by hissing "Shtay! I'm justh crathy about lollypopsh - and pennieths!"

Twentieth wedding anniversary celebration to Mr. and Mrs. J. Moffitt, Aug. 22.

Snow Promises 'Bigger and Better' 1939 State Fair

Agricultural Exhibits To Be Prominent; Coliseum Features To Draw Thousands; Fair To Open Sept. 1

Plan Homecoming Dr. L. W. Snow, manager of the State Fair, promises that Michigan is to have a bigger and better State Fair in 1939 than any in its long history.

For the twentieth anniversary celebration of this event, he has gathered the greatest array of features—educational, industrial, entertainment and amusement—that have ever been presented on the State fairgrounds in Detroit during any one fair, Sept. 1 to 10.

Stresses Agriculture Dr. Snow, in discussing his plans for the fair, stresses the fact that the agricultural and livestock features are two outstanding factors, together with seven days of harness racing on the State Fair's one-mile track, a comprehensive display of modern farm machinery and the judging of the livestock in the coliseum, Tuesday, Wednesday and Thursday of fair week.

The premium book for the 1939 fair discloses that \$67,000 in prize

money is offered in 12 departments covering horses, beef cattle, sheep, swine, dairy cattle, poultry, pigeons, rabbits, canines, agriculture, horticulture, dairy, apary, women's arts and crafts and the "H boys" and girls activities.

Begins Sept. 1 The fair will be officially opened at 3 p. m. Friday, Sept. 1, by Gov. Ernest Lunden at 10 o'clock. All exhibits, livestock and poultry will be on hand when the gates are thrown open to admit the initial visitors.

In the coliseum the stage presentation will be known as "The Show of the Century" and will feature Phil Spitalny's "Hour of Charm" all-girl radio orchestra, Wayne King and his orchestra and Bob Crosby and his Bob-Cats. Tony Martin will be on hand to sing while Jack Benny's famed radio valet, Rochester, will also appear.

Hold Rodeo Contest Each night during the fair there will be presented on the race track in front of the grandstand, which seats 20,000 persons, a rodeo contest with the outstanding cowboy and cowgirl stars in thrilling events of riding and roping. During the afternoons, harness racing will hold forth on the track.

A special event that will appeal to all youngsters under 18 years of age, will be the search for amateur stage talent, the prizes for which will be free all-expense trips to the New York World's Fair and an opportunity to appear on a nationwide radio program from New York, Tuesday, Wednesday and Thursday, Sept. 5-7, are the days for the Michigan Homecoming celebration, with the notable sons of the State from all parts of the world attending.

Expect 500,000 General Manager Snow predicts that this year's fair will have a public attendance of more than 500,000 during the 30 days that the fair is in operation, and the rate of general admission for adults will remain at 25 cents, while that for children will again be 10 cents.

SCHOOL

(Continued from page 1)

The suggestion made by Eugene Elliott, State superintendent of public instruction, who asks that schools delay opening on the day following Labor Day.

The delay is urged in an effort to relieve heavy traffic which always follows a holiday week end. Registration for junior and senior high school students will be held Thursday and Friday, Aug. 31 and Sept. 1. The seventh and eighth graders will report to Mrs. Ida B. Cooke for registration between the hours of 9 and 11:30 a. m. and 4 p. m. During the same hours, the senior high school students will enroll under the supervision of Principal G. V. Harrison.

The grade school pupils will report to their class rooms at 8:30 a. m. Wednesday, Sept. 6. When Northville's schools open four new members of the faculty will begin their duties here. They are: Miss Jane Elizabeth Lentz, who will teach home economics; Neville Walker, who will teach history and government; Charles D. Yahn, who will have junior high English and social science; and Paul Carter, the grade school principal.

There will be a change in the grade school faculty. Miss Selma Jarvis, who has been on leave of absence for a year, so that she could study at Wayne University in Detroit, will return. She will teach the third grade. Filling the secretaryship vacancy in the office of Supt. R. H. Amerman caused by the resignation of Mrs. D. P. Yerkes Jr., Miss Ardis Crosby of St. Johns, has been hired. She is a graduate of the Cleary business college at Ypsilanti, and will begin her work in the office, Sept. 1.

intendent of activities judging started at noon on the baked and canned goods. The entries have totaled the \$300 mark set last year, when the premiums amounted to \$500. Mrs. B. W. Hewitt is the official tester. A job she's been doing for eight years now. Mrs. W. T. Jones started judging the floral displays today.

Games for Fans

At 3 p. m. the Detroit Country Oldtimers are scheduled to meet the Pontiac Oldtimers in a baseball classic of the fair Thursday, the game will be between the Schrader-Haggerty and the Allen Industry teams. Grand Old Time will play Northville Friday. Saturday, the fair champs will be determined.

At 2:30, the first of the running races got under way, marking a new venture for the fair. This is the first year that harness races have not been part of the activities.

Plymouthers To Be Guests A motorcade of cars from Plymouth will circle the race track car Thursday afternoon, celebrating traditional Plymouth Day. Friday is Farmington Day and Saturday has been reserved for the Detroiters.

One of the colorful events of Saturday afternoon is the stock parade which will be in front of the grandstand, displaying the blue bloods of the stock barns.

Amateurs Have a Chance Thursday night is amateur night on the grandstand stage. The interturbings will dance for prizes Friday night on the stage.

A midway, which Nelson Schrader says "will be kept clean" will attract the thousands of fairgoers who find that the midway is as much a part of the country fair as the exhibits are.

CLINIC

(Continued from page 1)

Mrs. Orlow G. Owen, Mrs. W. H. Johnston and Mrs. Starr Bray. Mrs. Cooke has given appointment hours to 18 children who are to be taken care of the first day of the clinic. Children from kindergarten age up through the eighth grade are eligible for treatment when their applications have been properly approved.

The clinic comes to Northville, directly from Plymouth, where some 65 children have been treated each week since the clinic opened June 28. Clinic aid for Northville will be withdrawn Sept. 16.

Whether or not the clinic will be possible for Northville and Plymouth next year, depends largely upon the cooperation which is received. Mr. Amerman has urged that every effort be made to keep all appointments promptly.

Northville Show, will assure fans of a well-balanced and outstanding show.

LOUIS

World championship bout with Bob Pastor, Sept. 20, in Briggs stadium, Detroit.

Louis, who has been "training for training" at Stevensville for the past three weeks, will have his first training bout at 2 p. m. Saturday Aug. 26, in the newly constructed ring at the fairgrounds.

Bouts will take place at 2 p. m. each Tuesday, Thursday, Saturday and Sunday until the date of the big battle with Pastor.

A special bout has been scheduled for 2 p. m. Monday, Sept. 4, which will bring to the village thousands of Labor Day pleasure seekers who want to witness Louis at work. Louis' staff of 20 assistants will include his sparring partners, his cook and camp attendants.

● Come to the Fair

The long-heralded and ever expected Northville Fair is now open. Probably no one project in the community has carried the name of this village farther throughout the state and far flung regions than the reputation of the Northville Wayne County Fair.

That reputation has weathered depressions, local, etc. embarrassments, and other trials of kindred nature, and through it all the unfailing courtesy and friendliness of the village and the fair management has yied with the unusual and usual attractions of the fair to gain and hold a reputation envied by every fair management in Michigan.

In presenting the 1939 exposition to the fifty thousand fair goers, the whole community takes pride in the accomplishments of the board in presenting a bigger and better fair than ever before offered on the Northville grounds. Innovations in the program, unexcelled horse show, more fireworks, more exhibits, the poultry show and farm displays, the unsurpassed midway, the sanitary and physical improvements on the grounds, and above all the friendly spirit of the fair and the village as host and hostess to 50,000 people bespeaks the 1939 exhibit as "the fair of all fairs."

This week the village of Northville is host to 50,000 visitors. Courtesy, Kindness and Consideration play a large part in welcoming and entertaining our visitors. Northville, on your toes

The opening of the fair, the song of the cricket and the katiedid are all reminders that the summer is well spent, and that fall is just around the corner.

● The Intangibles-Tax Law

Michigan's new intangibles-tax law, scheduled to produce \$2,000,000 to \$5,000,000 of additional revenue annually, will not be generally operative until 1940, but some taxpayers will be affected within 90 days. Outstanding facts concerning this new law are as follows:

Intangibles owned by financial institutions will be exempt.

Mortgages and land contracts in the hands of private owners on which the mortgage tax is paid under the present law before it expires in late September will be exempt from the new specific levy.

Such obligations have not been subject to the general personal property tax. If held by banks, trust companies, building and loan associations or credit unions, they will not be taxable.

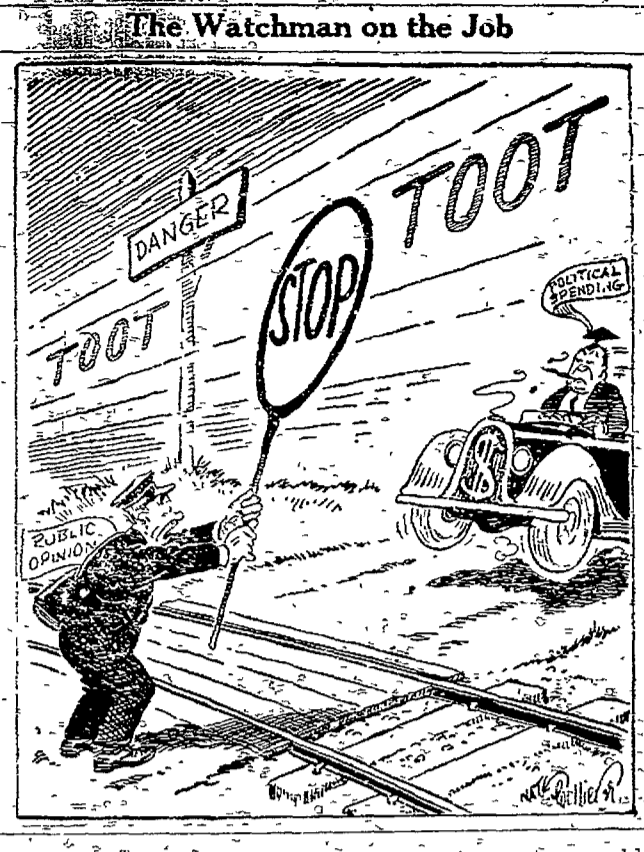

It is pointed out that the life-time mortgage tax rate is 1/2 of 1 per cent. The intangibles tax rate is three-tenths of 1 per cent annually. Cumulatively, it might amount to far more than the mortgage tax.

It is explained that the legislature's establishment of a new tax classification attempts to substitute for intangible personal property a more equitable tax rate than that to which it was formerly subjected, identical with real property tax rates. Where enforced, the ad valorem levy was virtually confiscatory of income on intangibles.

Because the present personal property tax had been levied for 1939, it was decided to make the new tax operative for the 1940 calendar year, and it will be payable to the state tax commission within 60 days after the end of that calendar year unless an extension is granted or the fiscal year of the taxpayer varies. If the taxpayer arranges to pay according to his fiscal year and that ends before the 1939 calendar year, his report will be due within 60 days of its termination.

Intangibles owned by a non-resident but used in a Michigan business or in custody of a trustee, manager or agent for investment in Michigan are subject to tax, but intangibles owned by a person domiciled in Michigan but used in a business beyond the State and taxed in some other state are not subject to Michigan taxation.

Each taxpayer is allowed a \$7 base exemption from

levies computed at the above rates. Accounts payable and notes given may be deducted from accounts receivable and notes given in tax computations.

If mortgage tax has been paid, mortgages and land contracts are exempt.

If specific taxes on bonds and other obligations secured by indentures under Act 42, of 1913, have been paid prior to the effective date of the act, they are exempt.

The State's bonds and obligations, those of political subdivisions, bonds of Federal agencies, those covering debts for Michigan armories and all United States pensions are exempt.—Michigan Investor.

NORTHVILLE'S YESTERDAYS

● One Year Ago

Following Tuesday's heavy down-pour which caused a delay in the placement of entries, Wednesday saw the largest number of exhibits ever to be entered in the history of the Northville Wayne County Fair when it opened its gates this noon for the twenty-second year.

Nineteen Boy Scouts rolled into Northville Sunday afternoon, sun-burned and tired after a trip of 176 miles from a week's camp at East Tawas.

Salem Union school district's bond issue was defeated Thursday evening Aug. 11 in a special election by a 37-14 vote.

Several interesting relics of the past including a New Testament that will bid for honors as the oldest book at the Northville fair this week were uncovered last week when workmen razed an old barn on the former William Meher place at 118 East Cady street.

● Fifteen Years Ago

There are some wonderful fields of oats in the vicinity of Northville this season and some large yields are looked for.

Hazel Wood, daughter of Mr. and Mrs. Harry Wood had the misfortune to fall from an apple tree Wednesday and fractured her arm in two places.

Corn and potatoes have been "jumping" during the past two or three weeks and if the season continues favorable there will be good crops of these necessities in spite of the backward season.

● Twenty Years Ago

The general opinion seems to be that taken as a whole, Northville's sixth successive Chataqua, which closed with Monday night's session, was the best of all.

When the Northville schools open Tuesday, Sept. 2, it will be with the best of prospects for a most successful and profitable year.

Two large grain and hay barns on the E. M. Starkweather stock farm were completely wiped out of existence Monday morning by fire, which started, it is supposed, from a hot box on a grain separator in operation for the annual threshing.

When the baby bawls, and daddy's bald head grows bald and mother gets things all balled up getting ready for the ball game next Saturday between Howell and Northville just remember that the game does not start until 5:30, so take your time.

● Thirty Years Ago

Mrs. Melissa Tubbs Dingham, a well known Northville woman, died Sunday afternoon at the age of 75 years.

Northville park is being liberally patronized by men, women and children in the afternoons and evenings. It is a charming little spot.

The people on Rutton avenue are asking for a sidewalk from Dunlap street to Yerkes street. There are a number of residents along that street and they are united in presenting their desires to the council. The street is a much traveled one and the residents believe they are entitled to consideration.

Roy Lanning, who has been in the service of the United States Navy for the past four years, has been discharged and returned home Saturday.

PENNIMAN STREET DR. JOHN A. ROSS OPTOMETRIST PLYMOUTH MICHIGAN PHONE 46

Dear Citizen:

I wonder if you would mind helping me out of a little difficulty?

Up until this year I was always convinced that people who required double vision lenses (bifocals) wore them with much ease and comfort, and would never think of going back to two pairs of glasses — one for near work and one for distance.

After much discussion with a manufacturer of bifocal lenses, I wonder now if I took too much for granted. He says that the average practitioner does not pay enough attention to the proper fitting of a pair of bifocal lenses.

On the strength of this discussion I have retained the services of a doctor who has specialized in the fitting of bifocal lenses. This doctor is to be in my offices two nights a week. Now I must come to you to answer the question of whether or not I am justified in retaining his services.

What I'd like you to do is to fill out the questionnaire printed below, check the answers and add any comments you wish to make.

Needless to say, this will not obligate you in any way and I now leave it to you if you think people who wear bifocals are getting the proper attention. If you will do this I'll surely appreciate it and thank you for your kindness in giving me this information.

Sincerely yours,

JOHN A. ROSS, Optometrist.

2. In your work, do you have any difficulty in going from the lower part of the lens to the upper?

Horse Show Courtesies Highlight Village's Social Activities

Everything this week, socially speaking, will center around the fair and the horse show. Party gatherings will be informal, both large and small.

Each afternoon around the horse show ring, many social courtesies will be extended to out-of-town folk who come to watch horses from prominent stables. They'll be guests in the boxes, then there will be luncheons and supper parties to attract the horse enthusiasts — even the very young are partying this year.

Thursday evening, the Junior Horse Show committee will have a supper-dance at the Parkside Inn. This, like all of the other affairs of this week, is to be invitational. The chaperons for the junior affair are to be Mr. and Mrs. Charles Newlark, Arthur Searle and Mrs. William Rawle Brown.

Friday evening, you will find the horse show crowd at the country home of Mr. and Mrs. Harry B. Clark, invitational of course.

The next day, Mrs. William Rawle Brown will be hostess at Arrowhead. She'll entertain at a luncheon at her home.

Saturday evening, there'll be a subscription dinner party at Huck's at Five Points.

Miss Lois Chapman will entertain a group of the college set Wednesday at a luncheon. She'll have covers for the Misses Bessie Jean Lawton of Ann Arbor, Eleanor Weidman of Detroit, Betty Schrader, Peg Walker, Nan McLoughlin of Detroit, Gwen Jones and Madeline Smith.

Heralding the week's festivities and at the same time honoring her college roommate, Miss Madeline Smith of Pontiac, Miss Gwen Jones will be a Thursday luncheon hostess. Her guests will be the Misses Pearl Wilbs, Betty VanHove, Peg Walker, Nan McLoughlin, Betty Betty Schrader, Barbara Phillips, Jane Kennen of Detroit, and Bessie Jean Lawton.

rangements for which prizes were given. Refreshments were served by the hostess on the lawn.

Mrs. Wagenschutz Entertains Thursday at Luncheon

Her guests will be Mrs. E. H. Wood, Mrs. Bayard Kurth, Mrs. Orlow G. Owen, Mrs. F. N. Kambf, Jr., Miss Reva Schrader, Miss Sally Grier of Detroit, Mrs. H. L. Grimshaw, Mrs. M. S. Ausan and Mrs. Harry C. Duerson.

Miss Burgess' Engagement Is Made Known
Mr. and Mrs. Christ Burgess of Northville, announce the engagement of their daughter, Constance Ellen, to Harold C. Thorne, son of Mr. and Mrs. Charles Thorne of Plymouth.

The date for the wedding has not been made known.

"Old age may be sweet, if it is made like youth; but youth is burdensome if it be like old age." — Chilon.

Austins Will Entertain Out-of-Town Guests
The villagers are entering just about all of their entertaining this week on guests who come out from the city to see the country fair.

Such will be the case at the home of Mr. and Mrs. Maxwell Austin. Their guests today at the horse show, with supper following are Mr. and Mrs. W. C. Austin, Miss Mary Jane Austin and Ted Maxwell, all of Detroit.

Mr. and Mrs. John A. Dodge of Detroit, will be out Friday to attend the event and visit with the Austins.

Luncheon guests Saturday at the Austin home will be Mr. and Mrs. E. B. Schwartz of Detroit. They'll be joined in the Austin horse show box in the afternoon by Mr. and Mrs. John Graham and son Jackie of Pleasant Ridge, Mr. and Mrs. Ward Tollzien of Birmingham, Mr. and Mrs. Steven Haight Judy and George of Detroit. They'll be the supper guests of the Austins, too.

Miss Joslin Is Honored Friday at Shower
Miss Verna Joslin, 2980 Nine Mile road, was the guest of honor Friday evening, Aug. 11 at a miscellaneous shower in the Baptist church parlor, where Miss Joslin is a teacher of the adult women's class.

Miss Lottie Livinston was assisted by Miss Margaret Nagy in planning the evening's entertainment. Thirty guests were present. Floral decorations, including a table centerpiece of Lycoris lilies, Delphinium and gypsophila were contributed by Mrs. Jessie Malmberg of Flower Acres.

Misses Betty Lou and Mary Hollis and Jean Montgomery assisted in serving refreshments after the honoree had displayed her many gifts.

Mrs. W. B. Walker Entertains Group at Lawn Party
Happy Acres, the country home of Mrs. W. B. Walker is on the "Fast Eight Mile road was the scene Monday afternoon of the meeting of the members of the Northville Branch of the National Farm and Garden Association.

Walled Lake News

By C. E. Hutton

The Rev. William Wheeler Pixley will conduct union services of the Walled Lake Methodist and Baptist churches in the Methodist church for the remaining Sundays of this month, during the vacation of the Rev. Frank N. Miner. Services begin at 10 a. m. followed by Sunday school, to be held in each church, as usual. Mr. Pixley will also preach at the Commerce Methodist church each Sunday at 11:30 o'clock.

Members of the Oakland County Fire Fighters Association, comprised

of fire departments of county townships and municipalities, including the Walled Lake department, and the nearby departments of Novi, New Hudson, South Lyon, Mill Ford, Farmington, Westland, and others, are planning a fire prevention week in October. Plans for the observation were started at a meeting of the executive committee in Birmingham, Wednesday night.

Lieutenant George Cook of the Royal Oak department, was named chairman of the committee, which consists of the chiefs of the 16 departments in the association.

The programs preceding and during the October campaign will be of an educational nature designed to acquaint the public with methods of avoiding many of the usual types of fires. The educational program will

continue as a permanent activity of the association.

The next meeting of the executive committee will be Sept. 6. Public officials and others desiring information about fire prevention, week may contact the secretary of the association, T. A. O'Brien of the Rochester department.

The tenth anniversary celebration of St. Williams chapel proved to be an outstanding success, both in attendance and proceeds, according to Frank Murray, chairman. He reports that dinner was served to more than a thousand persons, despite uncertain weather, which prevailed. Net proceeds amounted to \$450 from the affair.

The St. Williams choir will sponsor a dance, to be held the evening

of Aug. 22, at the Walled Lake Casino. The public is invited, but are advised to purchase tickets in advance, from church and choir members. Admission paid at the Casino will not be credited to the church organization, according to Frances and Marion Murray, in charge of ticket sales. Proceeds will be applied to the fund being raised for a new church organ.

An accident occurring several weeks ago when his car was struck by a west bound freight train at Bensten crossing, near here, proved fatal to Henry Ewins, 58 years old of Bensten road. He died at St. Joseph Mercy hospital, Pontiac, Tuesday, of injuries received at the time of accident.

Mr. Ewins came to this country in 1923, from Liverpool, England, his birthplace. He had lived in this vicinity since 1930. He was connected with a Detroit real estate and contracting firm. Burial services were held Friday, at Milford. He is survived by his wife, Mrs. Lily Ewins.

Northville Schools Will Open Wednesday, Sept. 6

"The Great One" is a loveliest man who claims to be a former English army major, has brought his epidermic art gallery to the United States, where he plans on exhibiting his "Great One" a New York visitor, is "dressed" from head to foot.

hogs killed in the road, in front of his house, last week. "Wonder it isn't more that gets killed," said Walt Parks. "The way they run around. They eat one that was killed, a whole pack. Weighed 15 pounds, dressed."

A hooked rug, designed after a rug given at the Adirondack mountain lodge of Mrs. Charles B. Knox of the Knox Gelatin company, has been completed by Mrs. Charles Morgan of Bensten road, wife of the nephew of Mrs. Knox. The pattern was drawn from a photograph of the garden by Mrs. Morgan's father, a Detroit artist. The rug will be given to Mrs. Knox. Knox summer camp, in the near future.

The seven-year-old daughter of Mr. and Mrs. Claude Lawrence of Itron Beach, can probably win first prize in any freckle contest, be it for prize in any freckle contest, be it for she had so many and where she found them, her humble answer was that she'd been out in a heavy rain storm. "It just rained on me, and rusted," said she.

The Bloomfield Subs have challenged the Walled Lake "B's" to another bowling match, scheduled for Friday evening. Syd Bloomfield's team is composed of lads who do their wood collecting down town, ordinarily. Rated just like down town, too. They nevertheless lost by 9 pins to the local B squad, last week, and still, figure it a mistake. Meby, meby.

Speaking about little girls. . . one I'd never seen before climbed on the running board of my car, the other day while I was waiting by a house for something. . . She was very small, and most of her front baby teeth were missing. Studying me for about a minute, she suddenly opened the conversation in an impressive tone and convincing manner by liping: "Shay! I'm justh cratty about lollypopsth — and pennileths!"

Your Legal Printing

The villagers of Northville would be favoring The Northville Record if they would send to The Record the legal printing required in the settlement of estates, etc. The rates are universal in such matters, and to have legal notices published in The Record, it is only necessary to ask the probate judge to send them to The Record.

I'll put this SHARE-THE-ROAD EMBLEM on your CAR FREE!

PULL into my station and let me sign you up as a new member of the Share-the-Road Club. It's a nation-wide crusade AGAINST "Screwdrivers" and their traffic boners. FOR common-sense driving. We can cut Stop-and-Go 25% right now, say leave traffic experts—if we all do our part. So let me attach the handsome Share-the-Road emblem to your car FREE. I'll also give you a free booklet showing how "Screwdrivers" and their traffic boners pile up needless Stop-and-Go.

Remember—for the Stop-and-Go you CAN'T avoid, you'll save with Super-Shell.

Snow Promises 'Bigger and Better' 1939 State Fair

Agricultural Exhibits To Be Prominent; Coliseum Features To Draw Thousands; Fair To Open Sept. 1

Plan Homecoming

Dr. L. W. Snow, manager of the State Fair, promises that Michigan is to have a bigger and better State Fair in 1939 than any in its long history.

For the ninetieth anniversary celebration of this event, he has gathered the greatest array of features—educational, industrial entertainment and amusement—that have ever been presented on the State fairgrounds in Detroit during any one fair, Sept. 1 to 10.

Stresses Agriculture Dr. Snow, in discussing his plans for the fair, stresses the fact that the agricultural and livestock features are two outstanding factors, together with seven days of harness racing on the State Fair's one-mile track, a comprehensive display of modern farm machinery and the judging of the livestock in the coliseum, Tuesday, Wednesday and Thursday of fair week.

The premium book for the 1939 fair discloses that \$97,000 in prizes

money is offered in 12 departments covering horses, beef cattle, sheep, swine, dairy cattle, poultry, pigeons, rabbits, caviar, agriculture, horticulture, dairy, apiary, women's arts and crafts and the 4-H boys' and girls' activities.

Begins Sept. 1 The fair will be officially opened at 5 p. m. Friday, Sept. 1, by Governor Luren D. Dickinson. All exhibits, livestock and poultry will be on hand when the gates are thrown open to admit the initial visitors.

In the coliseum the stage presentation will be known as "The Show of the Century" and will feature Phil Spitalny's "Hour of Charm" all girl radio orchestra, Wayne King and his orchestra and Bob Crosby and his Bob-Cats. Tony Marum will be on hand to sing, while Jack Benny's famed radio valet, "Rochester," will also appear.

Holy Rodeo Contest Each night during the fair there will be presented on the race track in front of the grandstand, which seats 20,000 persons, a rodeo contest with the outstanding cowboy and cowgirl stars in thrilling events of riding and roping. During the afternoons, harness racing will hold forth on the track.

A special event that will appeal to all youngsters under 18 years of age, will be the search for amateur stage talent, the prizes for which will be free all-expense trips to the New York World's Fair and an opportunity to appear on a nationwide radio program from New York.

Expect 500,000 General Manager Snow predicts that this year's fair will have a public attendance of more than 500,000 during the 10 days that the fair is in operation, and the price of general admission for adults will remain at 25 cents, while that for children will again be 10 cents.

SCHOOL

(Continued from page 1) The suggestion made by Eugene Elliott, State superintendent of public instruction, who asks that schools delay opening on the day following Labor Day.

The delay is urged in an effort to relieve heavy traffic which always follows a holiday week end. Registration for junior and senior high school students will be held Thursday and Friday, Aug. 31 and Sept. 1. The seventh and eighth graders will report to Mrs. Ida B. Cooke for registration between the hours of 9 and 11:30 a. m. and 1 and 4 p. m. During the same hours, the senior high school students will enroll under the supervision of Principal G. V. Harrison.

The grade school pupils will report to their class rooms at 8:30 a. m. Wednesday, Sept. 6. When Northville's school's open, four new members of the faculty will begin their duties here. They are: Miss Jane Elizabeth Lentz, who will teach home economics; Neville Walker, who will teach history and government; Charles D. Yahn, who will have junior high English and social science; and Paul Carter, the grade school principal.

There will be a change in the grade school faculty. Miss Selma Jarvis, who has been on leave of absence for a year so that she could study at Wayne University in Detroit, will return. She will teach the third grade.

Filling the secretaryship vacancy in the office of Superintendent E. H. American caused by the resignation of Mrs. D. P. Yerkes, Jr., Miss Ardis Crosby of St. Johns has been hired. She is a graduate of the Cleary business college at Ypsilanti, and will begin her work in the office, Sept. 1.

HORSE SHOW

(Continued from page 1) The Toronto Exhibition; Margie McNeil of the A. E. Reuben Hasty House Farms at Toledo, O., winner of the six-foot class at the Devon, Pa., show this year.

These, added together with Chief Brandt of the George H. Gardham stables, the show management believes will give one of the most outstanding jumper competitions which have developed in any show this year.

The hunter division of the show will embrace the entries of Walter O. Briggs, Mrs. James A. Blackwood of Metimora, James Vernon, Jr., of Acadia Ridge Farms, Mrs. Donald P. Ordway of Long Beach, Augusta, Miss Betty Joe Jarvis of Grand Rapids, W. J. Thuston of Stratford, the locally popular William D. McCullough and Mrs. A. E. Ruebens of Toledo.

From the McCullough stables will come Reagh Lee, who won the National.

Ribbons Hard to Get Horses from these stables have convinced followers of hunters, that it will be necessary for any entry to be going at peak form to capture a ribbon.

In the gaited division of the show, one of the most hotly contested classes will unquestionably be the five-gaited performance. This class has attracted 10 entries of quality. The entries as a whole in the gaited classes are not so numerous as last year's show, but it has been pointed out that the quality exceeds that of any show in 23 years' experience in a Northville ring.

Bring Only Top Horses Exhibitors have openly said that competition is too keen to bring anything but top horses to this show.

The three and five-gaited horses will be represented by the entries of Elmer L. Wiedrick of the Northville Riding club, Mrs. Carl Snyder of Detroit, George Schaberger of Saginaw, R. W. Freeman of Flint, H. G. Marburger of Northville, Thomas Blackett of Northville, Geo. H. Harrison of Foxcroft stables, Arthur Hickey of Saginaw, Louise Carter of Detroit, Marilyn Fisher of the Edward F. Fisher family of Detroit, Peggy and Sarah Ann Fisher of the Charles T. Fisher Dixiana stable fame, Shirley Cowling of Detroit, Robert H. Skillman of Winter Park, Fla.; Mace E. Crittenden of Flint, Roy Carroll of Detroit, Chantelhurst Stables of Detroit, Mrs. Morgan D. Douglas of Detroit, Clarence Ehmaltzredt of Detroit, Howard Dickey of the Seven Mile Fortunate Fields farm of Grand Rapids, Jimmy Casson of Jackson, and John C. Fritz of Ann Arbor.

The listed entries, added to the junior amateur classes of the

CLINIC

(Continued from page 1) Mrs. Orlow G. Owen, Mrs. W. H. Johnston and Mrs. Starr Bray. Mrs. Cooke has given appointment hours to 13 children who are to be taken care of the first day of the clinic. Children from kindergarten age up through the eighth grade are eligible for treatment when their applications have been properly approved.

The clinic comes to Northville, directly from Plymouth, where some 65 children have been treated each week since the clinic opened June 26. Clinic aid for Northville will be withdrawn Sept. 16.

Whether or not the clinic will be possible for Northville and Plymouth next year, depends largely upon the cooperation which is received.

Mr. Amerman has urged that every effort be made to keep all appointments promptly. Northville Show, will assure fans of a well-balanced and outstanding show.

Bouts will take place at 2 p. m. each Tuesday, Thursday, Saturday and Sunday until the date of the big battle with Pastor.

A special bout has been scheduled for 2 p. m. Monday, Sept. 4, which will bring to the village thousands of Labor Day pleasure seekers who want to witness Louis at work.
