Northville To Connect with Huge Sewer System When Papers Are Signed

In Exchange for Land, No Connection Charges Are To Be Made to the Village; Project Has Been Under Way Since January, 1938; Plymouth Also To Benefit

INSTITUTIONS TO BE SERVED

The signature of the proper village officials and members of the Wayne County Road Commissioners is all that keeps Northville from being connected with the sewer project which is to serve Northville, Plymouth, Maybury sanatorium, the Wayne County Training school and the Detroit House of Correction.

It is expected that the signatures will be placed on the legal paper within a few days and the village will automatically become a unit in the system.

Members of the village council approved the attachment Monday evening, Aug. 21, and have arranged to make the connection without cost to the village. No connection

START WATER MAIN

Digging started Tuesday on the eight-inch water main from Center street to the reservoir. This will go on out the Eight Mile road.

charges are to be paid by the village in lieu of the fact that it has exchanged for the service which is used for the septic tank near the fairgrounds.

The project has been under way since January, 1938. The unit which embraces Northville, also serves as an outfall for all of the existing toilet facilities of the seven and one-half mile parkway. Chlorination of the flow in the parkway sewer is done at a point near the outlet before discharging it into the Rouge River. It is proposed that in the future, as the parkway is extended westward, the interceptor will also be extended and will ultimately be connected to the Detroit or Dearborn sewers.

The sewage service will be charged upon the basis of the sewage disposal service rate as determined by the Wayne County Board of Supervisors.

Uniform rates to persons, firms, public bodies or private corporations using the system, determined by the Wayne County Board of Supervisors, will be collected by the village from all users and consumers of water receiving county sewage service.

Drum-Bugle Corps To Make Public Appearances

The Northville Drum and Bugle Corps has a full late summer schedule.

Today the group, under the leadership of Andrew Torok, is appearing at the South Lyon Homecoming festival.

The Tigers and Yanks will make their way to the State fairgrounds Saturday, Aug. 26, for an exhibition game. The Drum and Bugle Corps will be right there to perform, too.

When Farmington has its homecoming Saturday, Sept. 2, the Corps will be on hand to give the occasion a festive air.

And it may be that the Drum and Bugle Corps will be asked to play during the State Fair, Sept. 1-10.

Farm Patrons Guests of Twin Pines Aug. 23

Over 400 farm patrons, their families and friends, were guests of the Twin Pine Farm Dairy Wednesday afternoon at the farm on Base Line road.

Mr. Holmes, president of the company and M. J. Koldyze, vice-president and manager, were acclaimed royal hosts as the patrons enjoyed a bounteous dinner, ice cream, and all other dishes and drinks that go to make a real picnic. Following dinner, served at tables in the grove, the afternoon was spent in sports and games that appealed to all ages.

During the day's festivities, ample opportunity was accorded the patrons of Twin Pines Farm Dairy to inspect the new and enlarged facilities of the company, which only a few years ago had a humble building in a small building about 52 feet long, which is now almost lost in the large units that now represent the ever-increasing business of the company and the popularity of their quality dairy products.

WANT PICTURES OF NEW HOMES

The Northville Record desires to obtain a picture of every newly erected home in Northville or within a five-mile radius of the village for publication purposes.

Early in September, the Record desires to publish pictures of new homes built in this area. The Record wants to miss no one. Help in locating, and providing a picture of new home construction, will be appreciated.

Wednesday Was Best First Day at Fair; Running Races Create Grandstand Thrills

Marianne and Mickey Are Favorites

Marianne, eight-year-old daughter of Mr. and Mrs. Nate Shapero of Apple Creek farm on the Eight Mile road, made a splendid showing in the Junior Horse Show with Mickey. She was first in the saddle pony class and took first place again with Mickey in the local ponies class which was open to boys and girls living within a 10-mile radius of the village.

With the gates closed on the Twenty-Third Northville Wayne County Fair, President Elmer Smith and Secretary Dayton Bunn, along with the directors and superintendents, are commenting that the four-day educational and entertainment enterprise was "very nice."

A tabulation of the gate receipts reveals that Wednesday was the best first day the fair has ever known. And has almost become a tradition, Thursday was high day.

"It is the general opinion that the running races brought new blood to the fair, bringing to the grounds more young fairgoers than oldtimers, filling the grandstands almost to capacity during the entire four days.

The amateur contest, Thursday evening, brought winning honors to Betty Jane Gustafson of Novi. The high school team, under the direction of Leslie G. Lee, did much to set a gala pace for the program each day. Bands from Wayne and Plymouth gave the Wednesday evening stage show a performance that pleased music lovers.

The Saturday afternoon stock parade included the aristocrat of the livestock division, including the prize winning horses of the following owners: Boslin and Blackwell of Northville, William Ritchie of Plymouth, W. B. Chase of Chass, Mayor, Northville, Lawrence Hamilton and Mussell Bros. of South Lyon, Oran North of Fowlerville, Joe Hill, Northville. In the cattle section, the winners came from the farms owned by Graham S. Bodwell of Oxford (formerly belonging to Mickey Cochrane), S. Mead farms of Northville, Glenn Bancroft of Flint, Vern DeCamp of Stockbridge, Charles Bray of Williamston, Merley Dustin and John Carver, Jr., of Ann Arbor, Charles Graves of Milford, E. E. Wood of Wayne and Eloise hospital.

Sheep winners belonged to E. M. Moore of Okemos, Bruce Aiser of Ann Arbor, Lawrence and James Sobor of Fowlerville, Arthur Bortle of Brighton, Janet Mulreid of Ann Arbor, and Armstrong Bros. of Howell.

Rev. Fr. Joseph Schramm Gives 10 Rules for Fall Living in First Village Club Talk

SUGGESTS HOBBY

Speaking before the Northville Rotary club Tuesday noon, the Rev. Fr. Joseph Schramm, pastor of Our Lady of Victory Catholic church, outlined 10 rules for mental health.

1. Have a hobby; acquire pursuits which absorb your interest.
2. Develop a philosophy; adapt yourself to social and spiritual surroundings.
3. Share your thoughts; cultivate companionship in thought and in feeling. Confide, confess, consult.
4. Face your fears; analyze them; daylight dispenses ghosts.
5. Balance fantasy with fact; dream, but also do; wish, but fulfill; imagine, but ever face reality.
6. Beware alluring escapes; alcohol, opiates and barbitals may prove faithless friends.
7. Exercise; walk, swim, golf; muscles need activity.
8. Love, but love wisely; sex is a flame which, uncontrolled, may become a fire which will burn the torch of eternity.
9. Don't become engulfed in a whirlpool of worries; call early for help. The doctor is ready for your rescue.

NORTHVILLE'S YESTERDAYS

One Year Ago

In an effort to obtain \$18,000 from federal funds to be used to construct a \$28,000 school building for the Salem Union school district, a second meeting and balloting will be held between 7 and 9 p. m. Aug. 26.

Concern over the direct relief for 6,500 families in the outcounty communities which was terminated Monday is felt in Northville, where despite three Federal projects that are under construction, some villagers remain dependent upon funds from the Wayne County Emergency Relief Commission.

The Junior Horse Show, following the pace set by the Senior Show, reached a new peak this year under the chairmanship of Mrs. William Rawley Brown, drawing the largest number of entries in its history and by the same token leaving the largest number of blue ribbons in the village as evidence of the skill of Northville's young riders.

Fifteen Years Ago

Wednesday evening W. B. and Waldo Elliott entertained the boys who, under the chairmanship of Mrs. William Rawley Brown, drawing the largest number of entries in its history and by the same token leaving the largest number of blue ribbons in the village as evidence of the skill of Northville's young riders.

Twenty Years Ago

The outlook for completion of the work that is going to transform Northville's often muddy principal business streets into smooth, paved thoroughfares directly connecting with Detroit is very encouraging, even to those pessimistic folk who have been prophesying that the job would not be finished before the century should put a stop to the getting.

Thirty Years Ago

The tragic death of George Kilde of this place at Walke Lake early

Friday morning, when he was accidentally shot by a companion while camping, was considerable of a shock to Northville people and is another warning to young men regarding the use of firearms. Mr. Fred Moffat and Miss Blanche Hoaling were quietly married in Detroit last Saturday. Edward Bogart is the proud possessor of a new 1910 Model "Cruiser" coaster-brake bicycle. And now if some public spirited citizen would donate a memory fountain in the little park at the foot of the hill, that spot would be still more of a charming little place.

Farmers May Insure 1940 Wheat Crops

Insurance on the 1940 Michigan wheat crop is now being offered to all farmers in the State. Representatives of the Wayne County Agricultural Conservation committee are now calling on all wheat growers, discussing with them their 1940 wheat acreage allotments and offering them the opportunity to insure their best year's wheat. Farmers in Wayne county can be guaranteed 75 per cent of their normal yields by taking out insurance according to Maurice C. Bird, chairman of the Wayne County Triple A committee. Premiums run as low as 5 bushels per acre. Farmers who have cooperated with the farm program this year may pay 100 bushels of wheat for their 1940 insurance by simply having their premiums deducted from their Triple A payments.

Through this insurance program, Mr. Bird says, the Triple A is helping farmers get a more uniform income from year to year. Even in years when wheat crops are seriously damaged or totally destroyed, farmers will have at least 75 per cent of their normal yields on which they can depend. A new regulation permits the insured farmers to assign their crop insurance policies as security for loans, the proceeds of which may be used without restrictions. About one out of every 10 Michigan farmers who took out crop insurance on their wheat last fall will receive at least partial indemnity this year, Mr. Bird says. Although weather conditions have been generally good in Michigan this year, rust, winterkill, fall and spring droughts, hail, and insects have taken their toll of wheat.

Mr. and Mrs. Kenneth Kitchen and daughter, Joanne, and Mrs. Edna Raymond, motored Sunday to Marshall. Mrs. Raymond remained for a visit.

Certificates awarded for each test passed total as follows: Senior, 18; junior, 79; intermediate, 103; swimmer, 23; beginners, 115; and advanced swimmer, 6.

Northville Is "Tops"

When it comes to putting on a county fair, Northville is "tops." Accused by some of catering to the "city folks a little too much and forgetting the farmer" a fair vision of the 1939 exposition belittles such predictions, and shows a well balanced exhibition and program of interest to farm and town in just proportion. Undoubtedly, the change over to the "rummers" from "harness" showed a trend that is just beginning, and Northville, as a pioneer in running races stands well to gain in favor and prestige. In the not distant future, Northville may be the scene of regular running races. At this point, we believe that timely and untiring work of Racing Commissioner Dowling has meant much to the success of the recent four-day racing program. And again, without going into detail, the agriculture, business, farm, horticulture, poultry, livestock, and horse exhibits at the Northville Fair, proves "Northville Is Tops."

We've got to be thankful a week early, now, for the President has changed the calendars of the nation. Thanksgiving day is to be a week earlier this year. Can't even trust your calendar during these days of the New Dealism, can we? It may not mean much to us, for the football gamblers, and our turkeys it means just one week less of life and favor.

"Northville Had Them All"

For quality, balance of strength in all departments, and general level of performance far exceeded anything in the Northville projects long and distinguished past. Good horse flesh, important judging and smart ring technique are the three essentials of the sport of horse showing. This year — probably for the first time — Northville had them all. Thus in brief, was the estimate given the 23rd Annual Show in the eyes of the experienced and able S. L. A. Marshall of the Detroit News staff, and what greater compliment could there be to those in charge.

More and more we are inclined to think that Governor Hickson will not get the nomination for governor in 1940. And by the same token several younger Michigan boys are clamoring for the spotlight with the 1940 presidential candidacy in the offing. Murphy, Dewey, and Vandenberg are playing their cards for a lead, but watch for a dark horse.

Welcome the Brown Bomber

And now comes Joe Louis, world's champion heavyweight. To Northville comes the "Brown Bomber" for intensive training and exhibition bouts leading up to his fight with Bob Pastor. With him and his training circle will come a staff of the most able sport writers and critics the nation can muster. Men of outstanding capabilities and many eccentricities, but all good men, well meaning and hail fellows well met. Our village will be their host for the next few weeks. They will ask favors, we will grant them willingly. Courtesy, and kindness, and real glad hand hospitality that will make the village a veritable household word throughout the nation.

For the 15 scheduled public exhibitions will come thousands of fans. From the far corners of the county, travelling by train, bus, and auto sport fans will visit Northville and carry away impressions of "We Villagers" that will mean much for the fair name of Northville.

While some sarcastically kid as about our "Northville Tan," and deplore the setup as an object for good natured kidding, yet back of it all lies a vast field of those who see numerous advantages of publicity, of fame, and fortune that 10,000 cities in the U. S. A. would have gladly contributed tens of thousands of dollars to be accorded the privileges that are Northville's.

"Seek you a friendly village, come to Northville." This slogan will surely find able exemplification and a truly great testing ground or Northville's reputation as a hospitable and friendly village. So forward with Northville, and our welcome to Joe Louis, his friends, and our friends and your friends to Northville the friendliness village of the hills.

The Department of Commerce reports that business in the first six months of 1939 was one billion dollars better than the corresponding period of 1938. Auto sales jumped 49 per cent.

Birthday congratulations to the Paper County Press, 100 years of age last week that excellent weekly paper published an 80-page centennial edition that would be a credit to any newspaper in America. Congratulations, Harry and Mac.

FACTS FAVOR FORD 1 The 1939 Ford V-8 is a beautiful, modern motor car. Its 85-horsepower engine gives you economical, well-balanced performance over the entire speed range—and the 60-horsepower engine is even more economical. 2 The structural strength of the Ford car—frame, bracing, axles, body—makes not only for safety, but durability and long life. 3 Ford hydraulic brakes are exceptionally large and strong in proportion to car weight. 4 The Ford car is stabilized for comfortable riding. Its springbase, the distance between front and rear suspension, is 123 inches. Seats are toward the center, perfectly balanced. The car does not bob or dip and can have very little sway. These four points—power, strength, safety, comfort—are by far the most important essentials in any motor car. They form the basic value of your investment. With this solid foundation to build on, the Ford V-8 has been made beautiful, spacious, easy to drive. It is richly upholstered and has all the modern features which add to the luxury and pleasure of motoring. You can see these things when you take a trial drive, but do not forget that the main value is in the things you do not readily see—quality of materials, precision of manufacture, fundamental engineering. Workers May Obtain Security Ratings
Posters, telling workers how to get a statement showing the status of their social security wage records will appear shortly in every post office in the country, says William E. Kirchgessner, manager of the Old Age Insurance Bureau field in Grand Rapids.
"These posters ask workers how much money they have earned in employment covered by old age insurance. They point out that benefits paid under the old age insurance program depend on the wages credited on the individual old age insurance accounts of the various individuals."
"Our office has postcards which workers may send to the Social Security Board to obtain information as to the amount of money now credited to the accounts of workers for the years 1937 and 1938. Information for the latter year is now available for the first time."
"Workers who want to know the status of their wage records should obtain copies of this postcard and mail it to our headquarters in Baltimore, where the earnings of covered employes are posted. We advise all workers to take this step, so they may be sure all the wages they have earned in each employment are posted to their credit."
"There is no charge for this service except a one-cent stamp for mailing the cards which may be obtained from our office in the Grand Rapids National Bank building, Grand Rapids," Mr. Kirchgessner said.

Horse Show Boxes Are Filled Four Days for Quality Events

Quality horses, which made competition extremely keen in practically every class of the Northville Horse Show, kept horse lovers in their spectators' boxes for four afternoons last week.

An unusually large number of villagers made up the horse show gallery. They shared their boxes with guests from out-of-town. Often they were filled with friends who had been guests at small luncheon parties which preceded the afternoons' events.

Mrs. Thomas Blackett just about stole the show Thursday afternoon with a month-old pup that became the darling of the assistant junior ringmaster. More than one of the officials decided that the pup was just what they had been waiting for.

It seemed that Mr. and Mrs. Harry B. Clark, both show committee members, and Mr. Clark the president, were constantly on the lookout to see that spectators and exhibitors alike had a pleasant four days of it. They were gracious hosts Friday noon at their country home, Meadowbrook House, to just about everyone who has a warm spot in his heart for the horse and the show. The Horse Show committee took a share of responsibility on the occasion, too.

Among the college and school set were Ida Altman, Lois Chapman, Betty Schrader, Gwen Jones, Peg Walker, Nan McLoughlin, Louise and Frances Alexander, Pat Mc-

Loughlin, Barbara Phillips, Phyllis Jeanne Jones, Kathryn Marburger, Jeanne Archison and Helen Harper.

Mrs. William Rawle Brown, chairman of the junior show, was seen at the ring each afternoon. She opened Arrowhead farm to a large number of guests Saturday noon for a luncheon event.

And over in the judges' box, with dozens of details to attend to, were Mr. and Mrs. Edmund Dowling, doing a splendid job of keeping the show on the mark.

The stock horse class was as colorful as was promised by the committee. None other than S. L. A. Marshall of The Detroit News was the judge in this class. It was held so well that applause from the spectators assured its return next year.

Among the Thursday spectators was Chef Howell, editor and publisher of the Chesaning Argus, who came out to learn if the reports of the Northville Fair and Horse Show could be verified. He admitted they could.

Seen, too, around the ring, were the Elmer Wiedricks, Robert Yerkes, Miss Walter, Cousin, Mr. and Mrs. Edmund Yerkes, Mrs. C. C. Yerkes, Mrs. Thad J. Knapp, Dr. and Mrs. R. M. Atchison, C. M. Young, Dr. H. H. Hancock, Mr. and Mrs. John L. Nelson, the George Harrison, Mr. and Mrs. Orlow G. Owen and Andrea, the Alvin Kenins, Mrs. N. C. Schrader, Miss Reva Schrader, the Fred Hoffmanns, Mrs. Gerald McKenna, Mrs. T. G. Phillips, Victor and Geraldine Cape, Victoria and Mrs. D. H. Saley and Jane, Mr. and Mrs. John J. Hettche, Mrs. O. F. Reng, Mrs. W. E. McCarty, Mrs. F. W. Hawkins, Mrs. K. H. Babbitt, Mrs. A. Russell Clarke, Mrs. Charles Wilson, Mrs. J. K. Chapman, Mrs. William B. Walker, Jr., the Nate Shaperos, Mr. and Mrs. D. W. Hahn, Mrs. Charles H. Walker, Mrs. M. Miller, Mrs. Henry Grieshaw, the Howard Whipples, the C. B. Washburnes and Betty VanHove.

Trophies this year were given by the Detroit National Horse Show Association, Northville Saddle Horse Association, William J. O'Leary company, Ford Motor Sales, Hotel Mayflower, Universal Credit Corporation, Wenden Goods Shop, Hedbrook farm, Mr. and Mrs. Harry Mack, Mr. and Mrs. Clarence Davis, Mr. and Mrs. Macburger, Mr. and Mrs. Harry Nichols, Mr. and Mrs. Walter Davison, Mr. and Mrs. Harrison, Mr. and Mrs. Wiedricks, Mr. and Mrs. Thomas Outland, Mr. and Mrs. Bert Baker, Mrs. Clark, Mrs. Brown, Mrs. Gustaf Daxen, Mrs. Charles Newkirk, Mrs. Grace Newton, Mrs. Robert Haas, Mrs. Russell Walker, Mrs. Steers, Mrs. Victor L. Slater, Mrs. R. Edmund Dowling, Miss F. Irene Feinell, Richmond P. Benton, D. P. Broderick, C. Arthur Searle, Elmer Otten, Perry Snyder, Elmer Smith and Lucius Blake.

Viewing for attention around the ring Friday afternoon were Walter Davison and his group of Ford motorists, who sang and played songs old and new. Mr. Davison delighted a number of guests by originating lyrics in their honor. They played at noon, too, at the Clark luncheon.

Wins Ribbon in Stock Pony Class

Joker, a horse from the Nate Shapero stables of Apple Crest farm on the Eight Mile road, took fourth place in the stock horse class held this year at the Senior Horse Show for the first time. S. L. A. Marshall of The Detroit News was the judge in this event. The Shapero horses have become regular entries in the Northville ring. Mr. Shapero, president of the Cunningham Drug company, has manifested an interest in the projects of the village.

Thompson-Jesin Nuptial Vows Are Pledged— Miss Verma E. Viola Jodin, daughter of Mr. and Mrs. George Jodin of South Lyon, became the bride of DeForest Bryant Thompson, son of Mrs. Gilbert Thompson, also of South Lyon, in a pretty ceremony read at 2:30 p. m. Tuesday, Aug. 22, in the home of the bride's parents.

The nuptial vows were pledged before the Rev. Dr. S. M. Traveno of Pontiac, before an improvised altar of fern and late summer flowers. Before the wedding, Miss Marion Green of Ypsilanti, sang "I Love You Truly." The wedding music was played by the bride's sister, Mrs. George Gardner.

For her wedding, the bride selected a floor length frock of coral peach chiffon. She carried an arm bouquet of white asters and gladioli. Her only attendant, Miss Lucy Howard of Farmington, wore a blue crepe frock. Her flowers were white gladioli and blue larkspur.

William W. Hamilton of Ann Arbor was Mr. Thompson's best man. Following the service, a reception was held for 35 guests. The table was centered with the bride's cake, flanked by bowls of roses and lighted tapers.

Mr. and Mrs. Thompson are taking a motor trip through northern Michigan. They will make their home on the Six Mile road, near the Pontiac Trail.

SERVING PROPERTY OWNERS FOR MORE THAN 50 YEARS

This old mutual windstorm insurance company has really been "A Shelter in the Time of Storm" to its policyholders for over half a century.

Millions of dollars promptly paid in claims, saving many a family from financial loss, after a windstorm had wrecked buildings, killed livestock and destroyed farm tools.

The splendid financial position of this company should commend it and its services to every thoughtful and business-like property-owner in Michigan.

"Jack's Flunkin' Out!"

Strange Case of the Brilliant Boy Who Failed.

JACK HAD always been full of pep. But recently his mind didn't seem to grasp things. His parents worried. He couldn't study, didn't want to do anything.

HIS TEACHER didn't realize what was wrong with Jack. All she knew was that his school work was very poor. She told him to improve or he would fail classes.

ONE DAY the school nurse told Jack to have his eyes examined. He did. He came into our office and we saw that his eyes were strained. We fitted his glasses.

LAST JUNE Jack was a happy graduate. He soon forgot the painful shame of almost "flunkin' out." He is now in college, where his fine work has won him many fine citations.

develop an act of his own, which featured tricks on a 75 foot pole, the highest pole act of its kind known at the time. Competition soon necessitated an increase in elevation. He went from 75 to 100 feet.

"I soon had to go to 132 feet," said Jansley, "and with an increase in the number of acts similar to mine it wasn't long before I had reached 150 feet."

He explained that his present pole totaled 168 feet, but was unable to use the entire equipment here, because of the liability of grandstand patrons beyond the fourth row to see him.

Questioned with regard to the kind of training involved in preparing for such an act, as his, he stated that he went to the first 73 foot elevation with no training other than that received in the short, stage pole act. "I went to each succeeding height in a similar manner, with only the routine training previously gained from regular work," he said. "But, after all, height in this work doesn't mean much. You can slip only once, whether from 73 feet or 168. We have to die some time, and don't have much to say as to when. I have to make it living for my wife and two boys, and this is the best way I know about, although I sell used office equipment in Chicago, during the winter."

Close Call. "The closest call I believe I ever had, was in Thomson, Ont., about nine weeks ago. I'd been sick for a week and hadn't eaten anything, but the show must go on, so I opened the hind side, which was very close, in front of me, and reached the top of the pole and went part way through my act, when I became dizzy and sat down a minute, to rest. I passed completely out as I sat there, with the pole swaying about nine feet from center position in a strong wind. When I came to, I looked down and saw a lot of people directly below me, some holding a large piece of canvas in which to catch me. I was so doped I couldn't remember what had happened, or what I'd already done up there, so I went through the whole act again, and came down."

Jansley said he might continue his performance another 10 years. His father and brothers are still doing a tumbling act, in vaudeville, although the father is now 70 years old.

I'm a Judge. The grand finale of the fair — for me — was that part where I acted as one of the judges, right up the stage, when they gave out prizes. I was — Chas Schultz for appointing me. After the show, one of the first to greet me on the midway was Gerald Taft, who said "Hello, Judge," just like that. And before leaving, it was a pleasure to greet the E. V. Mercers of Walled Lake, the Ray Richardsons, the Lou Fairs of Detroit, the Pete Elys, the E. H. Babbitts and some friends of theirs, the Charles Johnsons, the Charles Freydis, Mr. and Mrs. Clyde Schoutz and Mrs. Meta Amber.

What I'd like to know, now, is whether I won that new kind of chair I sat down in, in the Schrader exhibit?

Miss Gladys Ludwig left Sunday evening for Detroit to visit the forepart of the week with her brother-in-law and sister, Mr. and Mrs. William Forsyth.

Marianne is Commended

Marianne Shapero, a rider who is only eight years old, took her favorite horse, Micker, through to victory in the saddle pony event and took first place in the local ponies class. She has a third-place ribbon in her collection, after judging was done in the hunter division of the good hands contest.

With Jaker, Nana S. Shapero's entry took a fourth place ribbon in the stock horse class.

Bill Washburne, (C. B. Jr.) is the holder of the trophy and blue ribbon in the obstacle race, riding Tony Bey. Kendall Willis took a fourth place ribbon in the obstacle race. Jane Holmes, with Desert Fawn, placed fourth in the musical stalls event, and fourth again in the local pony class. Nipper and Beauty, shown by Patsy and Sydney Holmes took fourth in the ponies in pairs division, and in the hunter type, good hands class, Nipper, with Patsy, placed fourth. This performance was equalled in the saddle type by Jane, with Desert Fawn.

Honors to Blacketts

Dejores Blackett did what she could to bring further honors to the Riding club stables by coming in with a red ribbon in the saddle ponies event. She repeated this rating in the local pony class. This took top honors in the good hands, saddle type.

Shirley Hopkins, Sally Steel and Andrew Owen took trophies and ribbons for their appearances in the infant class, which was the adored class the opening afternoon of the show.

Freydl and Mrs. Arthur Humphries presided over the foods, needle work, flowers and antiques. It was noted that the entries this year were just as numerous this year as they were last year.

In the antique corner, a book of English sermons, dating back some 250 years was a prize in the book collection. There was a doll buggy which was 125 years old. Cups and saucers from Scotland, dated back 200 years was a prize in the book before people thought of putting handles on cups. Then there was an echo of the Civil War days—a target bag that was 127 years old. Another oldy was a 230-year-old chopping bowl, hand-carved, of course.

"Everything was fine. We had more birds than last year and the quality was a big improvement," comments Supt. Glenn Richardson, who reports that the poultry, and pet exhibit had 700 head of chickens, 100 pigeons, 50 rabbits and 75 calves. The poultry division included eight birds from the World's Congress, which closed last week at Cleveland.
