Finnish Official Is Rotary Club Guest-Speaker

Vice-Consul George Heidman Gives Picture of Finland in War Relationship

Feeling that Finland will not come out any over act to precipitate a war with Russia, George Heidman, Finnish vice-consul in Detroit, lauded the contribution of Finland to the arts and sciences, and sought a better understanding in this country concerning the past that Finland plays in the present Baltic situation and the future of democracy.

Said Mr. Heidman, Finland is the seventh largest country in Europe, and has 147,000 square miles of territory. Since the independence of the country was gained in 1917, Finland has always maintained a balanced budget and was the only European country to make war debt payments to the U. S. A.

The Finns have made a real contribution to the music and art of the world, and are a freedom loving people who consider that their country is worth dying for to save its democracy rather than surrender to Russian communism. Literacy is very high in Finland, where ability to read is a prerequisite to marriage. Universal suffrage now is the basis of government and Finland was the first country to have woman suffrage.

Mr. Heidman stated that in Finland, every worker had two weeks vacation with pay, and all this year all Finns have taken this vacation time to build defenses against the encroachments of Russia. Stalin respects American opinion very much and does not desire to alienate America as this country is thought by Stalin to be the most fertile field for the extension of communism.

"Stalin," stated Mr. Heidman, "owes his life to Finland, and a certain Finnish gentleman carries a letter to that effect from Mr. Stalin," and indeed, thought Mr. Heidman, Russia and Finland would work out a satisfactory adjustment.

Mr. Heidman's talk was most interesting, highly instructive, and provoked a great many questions from the members of the club.

Northville Takes Redford Union 7-0, Friday

Kimmel, Halfback, Runs 82 Yards for Northville Touchdown

Northville won its first game of the season, Friday, defeating Redford Union by the score of 7-0. Joe Defino won the toss and elected to defend the south goal. Redford Union kicked off and Northville received with Odgers taking the ball on about the 10-yard line and went for a small gain. The ball changed from one team to the other all through the first half and the half ended scoreless. There was one scoring threat by Northville in the first half. The second half opened with Redford Union taking the ball and keeping around the Northville goal line until Kimmel, halfback for Northville, intercepted a pass on his own 18-yard line and ran 82 yards for a touchdown being excellent blocking on the part of Defino and Bongiovanni. Ross was sent into the game and converted the extra point in spite of a fumble.

McArthur was sent into the game early in the third quarter when Funk was injured and played an outstanding game on offense and defense considering this was his first chance to play with the regulars. Joe Defino had the boys from Redford Union thinking they had five men in the backfield because he was across the line of scrimmage. (Continued on back page)

Exchangites Hear Talk by Yerkes

Life on Barbados Island Is Described by Former Villager

Robert Yerkes of Ann Arbor, formerly of Northville, who spent several years in the Barbados Islands was the guest speaker at the Exchange club luncheon held Wednesday at the Methodist church house.

Mr. Yerkes spoke fluently concerning the island, its political, industrial and social status, and then answered questions as offered by the members of the club.

The Barbados Island is only about 21 by 13 miles embracing 160 square miles, and has an average soil depth of only 13 inches, yet produces more sugar cane to the acre than any other place in the world. The island is the second oldest constitutional colony of Britain; has a population of 190,000, only 16,000 being white, there being only about four to six American inhabitants of the island. The monetary system is attached to the British, and the water supply is pumped from a large underground lake that supplies the island. A 175-mile road system is a traffic headache for a motorist and about 25 miles is the top speed.

Mr. Yerkes expressed his belief that the United States was the best country to live in, and suggested if you didn't believe it just try it.

Drain-Opposers Receive Reverse Court Decision

Judge Doty Finds Legal Defects in Petition Submitted by Property Owners at Walled Lake

To Fix Lake Level

By C. E. HUTTON

Judge Frank L. Doty, in a Circuit Court hearing Monday, on a petition to drain lands adjacent to the outlet of Walled Lake, decided against the petition when he found it to be defective as regards the legality of the signatures.

According to law, signatures on such a petition must be accompanied by a description of the property owned by each signer, together with receipts for taxes paid on the properties for three years preceding the date of the petition.

The petition was brought into Circuit Court by Walled Lake property owners opposed to the drainage plan, after it had been approved by a special Probate Court commission at a hearing held in October at Walled Lake.

Opponents to the drainage plan will seek to have the State Conservation Department establish a lake level there, in accordance with a plea law soon to become effective.

Valley of the Shadow

God, I am travelling out to death's sea,
I, who exulted in sunshine and laughter,
Thought not of dying—death is such a waste of me!
Grant me one prayer: Doom not the hereafter
Of mankind to war, as though I had died not—
I, who in battle, my comrade's arm linking,
Shouted and sang—life in my pulses hot,
Throbbing and dancing! Let not my sinking
In dark be for naught, my death a vain thing!
God, let me know it the end of man's fever!
Make my last breath a bugle call, carrying
Peace o'er the valleys and cold hills forever.

Thus wrote John Galsworthy, awaiting the zero hour on the Hindenburg Line. Yet, alas and alack, the anniversary of the signing of the Armistice of 1918 finds the whole world again smothered in the flames and smoke of another great war. The war to make the world safe for democracy finds its idealism buried deep under a cold avalanche of greed and strife. Bugles sound warfare, not peace—a soldier's dream and the prayer of millions betrayed.

The war to end war, it was, but every year since has seen wars and rumors of war current throughout the world. Some of the conflicts were "undeclared," others were listed as mere "incidents," but all were real, very real to those participating. Another great war today involves millions who love life, home, country and their God. And all this comes in spite of other millions who with sorrow touching their hearts plead that "It must not be again."

We could not, we would not wish a nation for which men would not fight, and if need be die, but fervently do we beseech Almighty God that our nation may not find it again necessary to ask that sacrifice. In this light let us honor those who saw democracy challenged and defended it. Let us seal their pledge in our vows that they shall not have died in vain. We shall not forget, though they sleep midst the bloom and sweetness of the homeland or slumber in the soil they crimsoned. Let our mindfulness, our gratitude, and our reverence find expression in a deeper appreciation of our America: of liberties maintained and the supreme justice for which they died. Let Armistice Day remind us of the ever dominant spirit of the American citizen—sometime a soldier, when necessary, but at all times the citizen of his home, country, freedom, and the right to believe in a just God.

A Northville citizen hopes that soon the new sewer will drain out and clean up the pool in the S. W. M. and Plymouth road.

Nix on Match Folder Idea

It is a compliment to the village of Northville, unlike some nearby towns, that it has no match folders. The unhealed perception of a match folder, the collection of these items, is a thing of the past. A match folder is a thing of the past. A match folder is a thing of the past. A match folder is a thing of the past.

There is no truth in the rumor that a quantity of empty paper match folders can be exchanged for a Seem Eye dog by a blind person. Mrs. Harrison Eustis, founder and President of The Seem Eye, said today, in an emphatic denial of the rumor, Mrs. Eustis pointed out that "this is a cruel hoax which started about a year ago on the Eastern coast and has now spread all over the country. For a time we thought we had succeeded in stopping it, but apparently it has come to life again. Such a rumor might result in great disappointment to a blind person who, after several months of careful saving of the match folders, finds that they have no effect whatsoever in determining his eligibility for a Seem Eye dog."

"Any blind person between the ages of 18 and 50 may apply for consideration by The Seem Eye, and complete information may be secured by writing the organization at Morristown, New Jersey."

The Work Planned

The recent 4-H Fair in Walled Lake was a real credit to the leaders and participants. We are reminded of the objects of that organization, and feel that no organization has done more for the boys and girls of the rural communities than have the 4-H clubs. The 4-H work presents the answer to the future of agriculture.

The agenda of the Walled Lake club offers a concrete program that is worthy of emulation and compliments. Here it is:

- Send two boys to the National Convention of F. F. A. at Kansas City, Missouri.
- Every boy strive to improve his projects and farm practice program.
- Work to have every Green Hand eligible to become Future Farmer.
- Raise at least five Future Farmers to the degree of County Farmer.
- So strive in our chapter activities that at least two boys will be eligible for State Farmer Degrees.
- Purchase a film-strip projector for the agricultural department so that we may have access to educational films to better our school work.
- Cooperate with the school by landscaping the school grounds.
- Plan and take an annual three-day F. F. A. trip.
- To have every member be active on at least one committee that functions throughout the year.
- Grow plants for gardens: such as tomato, cabbage, pepper, etc.
- Take part in County and State judging contests.
- Assist in harmonious conduct of the County F. F. A.

We sincerely wish more of our farm boys and girls could and would embrace the opportunities that the 4-H work offers. There should be three or four such clubs in and near Northville, and why not?

LIGHT ADAPTOR SHADES

cover up glaring lamp bulbs in your ceiling fixtures

The Science of Seeing has demonstrated the danger of glaring, unshaded lamp bulbs in wall brackets or ceiling fixtures. This "raw" light causes squinting and eyestrain. But there is a simple and effective remedy for glaring fixtures: Slip these Adaptor Shades over the bare lamp bulbs and enjoy soft, diffused illumination. It's as easy as that to improve your lighting! The Detroit Edison Company does not sell Light Adaptors, but you may see them in a wide variety of styles and colors at department stores, hardware stores, lighting fixture stores and electrical dealers.

Musical Comedy To Be Staged at Cass Theatre

"Leave It To Me" Comes to Detroit after Year in New York

With musical shows so scarce they may be numbered on a couple of fingers, theatre-goers are looking forward with much delight to the coming of a solid New York hit in "Leave It To Me," due at the Cass theatre, Detroit, week beginning Sunday night, Nov. 12, with matinee Wednesday and Saturday.

"Leave It To Me" is the laughable and colorful entertainment starring those inimitable comedians William Gaxton, Victor Moore and Sophie Tucker, surrounded by nearly 100 other performers and chorus "Leave It To Me" ran for a solid year on Broadway, after receiving the unanimous praise of Manhattan critics.

Its amusing lines and convulsing situations are punctuated by some remarkable Cole Porter lyrics and by some of the same Mr. Porter's savor melodies.

Against a lavish and colorful background the story of "Leave It To Me" is comic in its aspect and full of breathless speed. Funny Victor Moore from Topeka, Kans., goes to a larger county as the United States ambassador. He doesn't want the job and with the aid of William Gaxton, a newspaperman, does everything imaginable to get himself recalled. Sophie Tucker, an actor Moore's domineering wife and the mother of his six daughters, continually complains that with a more ambitious husband they might be sent to the Court of St. James.

Reception Follows Pledging of Porter-Winter Nuptials

Miss Elaine Winter, daughter of Mr. and Mrs. C. C. Winter, became the bride of Kenneth Porter, son of Mr. and Mrs. Robert Porter, at 7:30 o'clock Friday evening, Nov. 3.

The ceremony was performed in a simple ceremony performed in the Baptist parsonage by the Rev. Kendall S. North of Jackson, former pastor of the Northville Baptist church, assisted by the Rev. Dr. Howard R. Chapman.

Miss Helen Winter was her sister's only attendant. Harry Porter was his brother's best man.

For her wedding, the bride selected a frock of sheer blue wool with navy accessories. Her corsage was of white mums and roses. Miss Winter wore a white wool costume, accented by a corsage of yellow mums.

The ceremony was witnessed by Mr. and Mrs. Winter, Mr. and Mrs. Porter, James Hochkins, Mrs. Howard R. Chapman and Mrs. Kendall S. North.

Following the pledging of the marriage vows, a reception for 100 guests was held in the Baptist church, where Miss Lottie Livingston, Mrs. R. H. Amerman, Mrs. Don Miller, Mrs. Gail Downer, Mrs. Ida B. Cooke, Mrs. Roy Matheson, Mrs. E. G. Brockway and Mrs. Michael Nagy assisted. The bride and groom were seated at a table and appointments were yellow and white, highlighted by a large vase of yellow and white mums. Among the out-of-town guests were the Rev. and Mrs. Rufus M. Traver of Pontiac. Guests were present also from Detroit, Dearborn and Grosse Pointe.

Mr. and Mrs. Porter left Friday night for a brief wedding trip and to attend the Homecoming events at the Western State Teachers college in Kalamazoo, where Mr. Porter was graduated in June. Miss Porter's

Mrs. Sadie Heise, Walled Lake, Heads Week's Contest; Has Chance for Grand Prize

Beautiful new Brer Rabbit Molasses Recipe books are being mailed to every contestant in the Brer Rabbit molasses contest.

Alert housewives are taking advantage of the golden opportunity offered by the Brer Rabbit Molasses Contest to win a national prize of a year's supply of groceries—\$500 worth—or \$500 in cash, or the local weekly prizes of \$1 or \$25 of molasses. The cookbook is sent even if the entrant does not win these prizes.

The contest, which is running locally in this newspaper, has two more weeks to go, and then the winner of the grand national prize will be announced shortly thereafter.

For this week of the contest, Mrs. Sadie Heise, Walled Lake, is the winner.

Here is Mrs. Heise's recipe:

Fruit Ginger Bread
1 cup Brer Rabbit Molasses
1 cup Crisco
1/2 teaspoon each allspice and cloves
1 teaspoon soda
About 2 1/2 cups flour
1 teaspoon baking powder
1 cup chopped nutmeats
1/2 cup brown sugar
1 teaspoon each cinnamon and ginger
1 cup boiling water
2 eggs
1 cup raisins
1 teaspoon salt

Place molasses, sugar, crisco and spices in bowl and beat thoroughly. Add hot water in which soda has been dissolved. Then add the well beaten eggs. Add flour in which 1 teaspoon baking powder has been sifted. Stir in the raisins and nutmeats which have been dredged with a bit of flour. Bake in a moderate oven (350°) about 35 to 40 minutes.

Mrs. Heise has been awarded \$1 for her recipe, and her recipe is automatically entered in the Brer Rabbit Molasses Contest to compete for the Grand National Prize.

Each runner-up in the second week's contest will each receive a copy of Brer Rabbit Molasses, there being six Mrs. Howard Green, Mr. Helen Reiger, Mrs. Wm. Wayne and Mrs. Joe Marquette.

Each week, the best five recipes submitted to this paper will be selected by local judges. The best of the five will receive \$1 and will be entered in the national competition. And the four others will each receive a can of Brer Rabbit Molasses.

The State Conservation Department has planted bass, pike and bluegills in Walled Lake during the past two weeks. They expect to add about 10,000 perch later in the month.

Walled Lake high school graduates upset all the advance dogs provided by the local drug store coaches here Friday afternoon, when they charged from their season-long slump to conquer the reserve squad of the Pontiac High Redskins, by a top-heavy score of 29 to 6. The Hurst team would have blanked the visitors had it not been for Chris Pohlman left guard, who blocked a Walled Lake kick which his teammates recovered back of the local goal line. A wide end run by Hilyard and a pass Green to Gucker, resulted in a couple of Walled Lake touchdowns in the first half. Green and LaFond scored during the second half, and Pletmeyer tackled a Pontiac ball carrier behind the Pontiac line for extra points.

Harry John Hackett, 81 years old, died of gangrene infection at his home at Pleasant Lake, Sunday, following an illness of several weeks. He was born in Victoria, Ont., and came to Detroit at the age of 20. He was employed for many years as a detective for the Michigan Central railroad. He had lived at Pleasant Lake for the past two years. He is survived by his wife Mary L. Hackett, five sons, John P. Discussing the membership and

Local News

Mrs. W. E. McCarthy, of Newburg road, opened her home Tuesday evening to the members of the Service League of the Methodist church. Miss Leona Parmelee was the assistant hostess. The evening was given over to hearing Joan Koldyke give a talk on her trip last summer to Alaska. Mrs. Russell H. Stemmer presented the guest-speaker with a gift. Plans were furthered during the evening for the bazaar which the organization is holding Tuesday, Nov. 14.

Sunday guests at the home of Mr. and Mrs. W. E. McCarthy were Mr. and Mrs. Fred Leonardson of Pittsford, Mr. and Mrs. George Frost, Miss Anna Leonardson and Mrs. J. W. Harrison of Hillsdale. The occasion honored the second birthday anniversary of Marilyn Joyce McCarthy.

Thirty members of the King's Daughters were present Tuesday noon for the annual fall spread held at the home of Miss Ruth Gilis, where Mrs. W. E. Forney helped with the hostess duties. During the afternoon, Mrs. "Aunt" Ida Hendryx and Mrs. Spencer, president of the home circle, both of the King's Daughters' Home at Redford, gave an original skit.

Plans have been made for the 25th commemoration of thousands of visitors. Charts and explanatory leaflets will make it easy for the layman to understand how the energy of coal is translated into steam and the energy of the steam into electricity to serve the huge Michigan area in which Consumers operates. Exhibits demonstrating spectacular applications of electricity will line the walls of the turbine room.

The Bryce E. Morrow Station is named in memory of a well-known electrical engineer who for many years headed Consumers' electric production and transmission department. It adds 70,000 kilowatts, or almost 100,000 horsepower, to the company's generating capacity—an increase of about one-sixth. Through a statewide interconnected network of transmission lines, the power will be at the service of the entire Consumers territory, embracing most of the Lower Peninsula outside the Detroit and Thumb areas.

During an average day the condensing water pumps will pump 100,000,000 gallons of water through the condenser tubes and back into the river. This is about 17 times as much water as would be pumped by the city waterworks in a city of 50,000 persons.

The generators produce electricity at 14,500 volts which goes through underground cables to the transformer substation outside the plant. There some of it is stepped up to 44,000 volts and the remainder to 130,000 volts. The electricity goes into the transmission lines.

Mrs. Joseph McNeil, 1727 East Seven Mile road, opened her home Friday Oct. 27, to a group of friends honoring Mrs. Kenneth Porter, (nee Miss Elaine Winter) at a Halloween costume party. The report of the party was printed last week incorrectly, stating that the party was given by Miss Clara McNeil.

Jerry Beisell Is To Play for Prom

Good Music Promised for Gala Event To Be Held Here, Nov. 22

Jerry Beisell and his orchestra, from Ypsilanti, have been selected to play the music for the Senior Prom, November 22.

Mr. Beisell has played at the Waldorf and the Bock-Cadillac hotels in Detroit, also playing on several nights during the four years that his orchestra has been organized. He is very popular at college dances and promises some fine music for the Prom.

Allan Götto and Peggy McCollough are the committee who chose the orchestra.

God never imposes a duty without giving time to do it.—John Ruskin.

EDITORIAL NOTES

Nov. 13th marks the twenty-first anniversary of National Book Week. It will be observed nationally in more than five thousand cities and towns of America. "Books around the World" is the slogan that has been chosen to represent the meaning of Book Week this year.

Our English and literature teachers require us to have so many book reports a semester. Book week should be an inspiration for us to use the books in the town library.

and in our own school library. Miss Tisha Brassfield reports that we have 28 new reading books and that they are all highly recommended for book reports. There is also a new set of encyclopedias for reference work to make our work easier for us.

An orchid this week to the football team for "beating" Redford Union. Nice going, fellows, we're proud of you. Keep up the good work.

Dots and Dashes

Betty Barry said that up until a few days ago she thought that Shirley Temple was a Church! She must be seeing too much of Gene.

George Shiebridge was practically positive that Grand River was a place to swim.

You know up until last Friday, Dorothy Off thought that a scrub team was some kids to keep the football players clean.

Natalie Whipple: Do you know what a sugar daddy is?
Pat Klein: No, what is it?
Natalie: A crystallized sap.

N-CLUB DANCE

The dance last Friday evening, Nov. 3, sponsored by the Boys' N-Club turned out to be a success socially as well as financially. There was a good crowd, and everyone enjoyed the music, played by the turntable. The treasurer of the Boys' N-Club indicated a profit of \$21.17.

Senior Pictures Taken on Friday

If anyone noticed Friday, Nov. 3, how all the seniors came to school in their Sunday best, they shouldn't have been too surprised because it was only the day for senior pictures. You really wouldn't have recognized some of the fellows, who were dressed complete even to ties. The girls spent extra time grooming their faces, and had on their most attractive frocks.

The pictures were taken by the Comp Studio from Ypsilanti, and the groups will be put in a week or so. The photos will have their pictures by Dec. 10, so they may have them for Christmas.

BIRTHDAY CONGRATULATIONS

Around the School

The senior card party which was to have been held last night was postponed until next Thursday, Nov. 16. The price is 25 cents a person, or a season ticket of five parties for a dollar.

The American Legion is sponsoring an armistice day program at the high school assembly for the students today, Friday, Nov. 10.

Roy Snell, the author of *Gypsy Flight*, *Galloping Ghost* and other books, will be guest speaker to the grade school pupils and high school students, Thursday, Nov. 16.

This year the assembly program committee consists of C. W. Yahnke, Miss Ione Palmer and Miss Estelle Griffiths, who represent the faculty, and Arlene Blake, Louis Eaton and Pat Klein, who represent the student body.

To keep up the old tradition, the freshmen class provided the wood for the bonfire that was held last night. N. H. S. has always had a bonfire the night before the Plymouth-Northville game as a setting for the pep meeting before the game.

Friday afternoon, Nov. 3, at 2:15, before the Northville-Redford Union football game, the high school students met in the assembly for a brief pep meeting. Coach Neville Walker spoke, and Phil Jones and Louis Rabbit led in a few cheers of encouragement before the team left to play the game.

After the winning touchdown was made Friday, probably the most excited person was Assistant Coach Neville Walker who went around with a grin on his face that seemed to reach from one ear to the other. He was brimming with fifty savings and whenever anyone passed him one flowed out.

The seniors got so excited at the time they cut the price on hot dogs, first from ten cents to a nickel, then from a nickel to two for a nickel. They even went so far as to offer some to Mr. Walker for nothing.

As an outcome to the study on butter-making Mrs. Ida B. Cooke's section of English VII made butter in class Friday, Nov. 3. Many of the pupils brought bread and jelly. They invited Miss Jane Lentz's section of English VII to enjoy the refreshments.

"Hard Time" Party Held by Teachers

Thursday evening the N. H. S. Teachers club enjoyed a "Hard Times Party." They enjoyed a pancake and sausage supper in the school cafeteria. Afterwards there were active games in the gymnasium. The party was a costume affair and a prize was awarded to Neville Walker for the costume best depicting "hard times."

Northville Plays Plymouth, There Team Is Complete for Today's Game with Greatest Rivals

The great traditional rivalry which has been going on between Northville and Plymouth continues today, when these two teams meet at Riverside Park, Plymouth.

This great rivalry has been going on for at least 25 years. When they first started to play, Northville won almost every game, but now in the last few years it seems that Plymouth has had the upper hand.

N. H. S. has always had a bonfire the night before the game, and in Northville won't they always had an extra one to celebrate the victory.

Northville started as a class D school and Plymouth was a class C. Now both have increased the enrollment in their schools, and Plymouth is a class A and Northville is a class B school.

Most of our boys will be back in the lineup so let's have a big turnout and watch Northville give Plymouth all they have.

Leslie G. Lee To Direct Senior Play

The junior play committee composed of Betty Stilwell, Ruth Parmenter, Jane Ely, and Marilyn Cavell have chosen the play, "Applesauce," to be presented Dec. 7 and 8. It will be directed by Leslie G. Lee. This play is a Samuel French production. Tryouts were held Nov. 6 and practice will begin next week.

Senior Sketches

Arlene Blake first tossed that head of auburn hair in Detroit on Jan. 27, 1923. When Arlene was two years old she moved to Northville and when she was five started to school here. She attended here until the seventh grade when she moved to Pontiac and stayed there until the spring of her freshman year. Since then, however, she has attended Northville high school regularly.

As she is known to her friends, she has no particular hobby, but she enjoys dancing very much. Next year will no doubt find Arlene at Clark College.

Philip Chase was born in Detroit Nov. 28, 1922. He moved to Northville about a month afterwards and when he was five started to school with the present seniors. His pastimes are driving and collecting postcards.

Phil is very intent on going on to school and plans on attending either Ypsi Normal or the University of Michigan.

OBITUARIES

Mrs. Josephine Carr

Josephine Carr was born Aug. 14, 1853, at Halifax, Nova Scotia, the oldest of four children of Charles F. and Mary Parmenter Elliott. She came with her parents to the United States at the age of two years, and grew to young womanhood in New York City and Boston. About 70 years ago, the family moved to Port Huron. She was united in marriage to Capt. William B. Carr of Ashtabula, O., Mar. 3, 1871. To this union was born two daughters, Mrs. Ida Putman of Williamston, and Mrs. Emma Fuller of Northville. Her married life was lived in Ashtabula, until the tragic death of her husband, which occurred July 16, 1873.

She then came back to Detroit, the home of her parents. She was married to Andrew J. Carr of Williamston, Nov. 9, 1877. To this union was born a daughter, Mrs. Maude Parmenter of this village.
 About 43 years ago, Mrs. Carr took up residence in Northville, which place, with the exception of five years spent at her daughter's home in Williamston, has been her home since. In the early years of her residence here, she followed the calling of a practical nurse, and in many a home, can still be recalled her tender care of those who were ill. For nearly the entire years of her residence here, her home had been with her son-in-law and daughter, Mr. and Mrs. A. E. Fuller, who throughout the years, had given to her the most loving thoughtfulness and care. Although having suffered several periods of ill health in her earlier years, Mrs. Carr had for many years past enjoyed good health and was very alert and keen to everything about her keeping abreast with the times in various ways. She enjoyed her share in the household duties up to the time of the tragic death of her son-in-law about seven months ago. The shock was too much for her frail body, and she grew weaker, death claiming her the morning of Nov. 1, at the home of her daughter, Mrs. Fuller.
 Mrs. Carr had been a member of the Methodist church since she was a young woman and held membership in the Northville Methodist church since Nov. 21, 1877.
 To mourn her loss she leaves a son, E. D. Carr of Ashtabula, O. three daughters, Mrs. Ida Putman of Williamston, and Mrs. Emma Fuller and Mrs. Maude Parmenter of Northville, also eight grandchildren and 13 great grandchildren.
 Funeral services were conducted by the Rev. Harry J. Lord, Nov. 4, at the Castleline Funeral home. Burial was made in Rural Hill cemetery.

Mrs. Anna M. Lake

Last rites for Mrs. Anna M. Lake, who died Friday in Providence hospital, Detroit, of injuries received in a fall, were held at 3 p. m. Monday at the Harvey A. Neely Funeral home.
 Mrs. Lake was born in Petersburg, 62 years ago, the daughter of the late Dr. James Hueston. Her husband, the late Herman E. Lake, was station agent in Northville for a number of years.
 Mrs. Lake went to Detroit in 1897, after having lived in Northville for 30 years.
 Surviving are a daughter, Mrs. Vivian Guppert; a son, William; a granddaughter, Mrs. Dorothy Van Nortwick; and a great-granddaughter, Norene Van Nortwick.
 Burial was made in Grand Lawn cemetery.
 Birthday congratulations to Mrs. Alice DesAutels, Nov. 13.

HUNTING

(Continued from front page)

The northward drive of Michigan's deer hunting army is reported from many upper Michigan points as hunters in colorful costume pass through on their way to camp. The season opens Wednesday, Nov. 15, stepped-up ferry service at the Straits will be available if needed beginning Nov. 10, the State Highway Department has announced.
 The 1939 deer "harvest" is expected to be quite as good as the hunting in 1938 when 44,800 bucks were bagged. More than 160,000 deer licenses were issued last year. Regulations continue unchanged. The season extends from Nov. 15 to 30 inclusive with archers already in the field in a special season of their own from Nov. 1 to 14. The ban on deer shooting continues in effect and will be strictly enforced, officers of the department of conservation have reported.
