

Dr. Snow Makes Coliseum a Center of Sport Activity

Auto Racing, Boxing, Rodeo
and Bowling Events Are
Scheduled for Winter on
State Fair Property

Dislikes All Waste

Dr. L. W. Snow, manager of the State Fair, has been making every effort to make the fair property one of the most active year-round centers of sports and showmanship this side of New York.

Before Dr. Snow took over the management of the fair—and it is a year-round job—the property stood idle throughout the year with the exception of the fair period itself.

In the few months since he has taken hold, Dr. Snow, backed by the board of managers, has converted the State's No. 1 "problem property" into a scene of literally continuous, important activities. In the big Coliseum, one event follows another, with a speed which has caused professional stadium managers to take note.

Here is the Coliseum's schedule of events, to date, for the first four months of 1940: Midway Auto Racing—every Saturday night up to and including Jan. 13, boxing Jan. 1 at 2:30 p. m., main bout, Gus Leonard vs. Dave Clark; Feb. 2, bill to be announced, Rodeo, Jan. 29-31; American Bowling Congress—Feb. 29 to May 15.

John I. Nelson, promoter who is putting on the boxing contests, referring to the fact that he was led to see the advantages of staging boxing in the Coliseum, comments: "When Dr. Snow got through with me I found myself separated from a contract that should have helped the State of Michigan realize a profit. The operation, however, was quite painless and very pleasant, due to the fact that Dr. Snow is a natural show man and every natural show man is an enthusiastic and skilled salesman for this particular property."

"We are scheduling the rodeo because of the remarkable success of the rodeo held during the State Fair this year," said Dr. Snow. "That was one of the most successful entertainment features ever presented during fair time—and for bringing it to Detroit the major share of credit goes to Harry Mack, one of our board members, who devoted his time and energy without stint to putting on the rodeo."

Athletic Club Drops High-Scoring Game to Plymouth Team

The Northville Athletic club basketball team lost a high-scoring contest Tuesday evening to the Plymouth team on the high school court. The final score was 64-53.

O. Egloff of Plymouth, was the high scorer of the game, with 23 points. Al Boelsen, with 16 points, and Ray Westphal, with 13 points, were high for Northville. The Athletic club led at the quarter, 14-13, and again at the end of the half, 27-21. Lack of reserves soon began to tell, letting Plymouth get ahead at the third quarter, 41-35, keeping the lead to the final quarter, 64-53.

The game was clean, each team having only seven personal fouls. The referees were Tom Martins, Cobby Myers and Roger McCalla.

Dick Loomis, team manager, renews his plea for more basketball material by asking persons who play to contact him. Northville, he points out, has won four out of six games. In his opinion, the lack of substitutes was the deciding factor in the two games that the Athletic team dropped.

The Athletic club will play the Schrader team of Plymouth at 8:15 p. m. Tuesday, Jan. 2 on the Northville court. The admission is 10 cents.

New Year Watch- Service Planned

Three Protestant Northville churches—the Baptist, Methodist and Presbyterian—will have a union New Year's watch service beginning at 9 p. m. in the Presbyterian church.

Pictures and a social hour will precede the final hour devotional service. It will be conducted by the Rev. Dr. Howard R. Chapman of the Baptist church, the Rev. Dr. T. W. Smith of the host church, and the Rev. H. J. Lord of the Methodist church. Talks will be given by Richard Steding of the University of Michigan, and by Miss Margaret Nasy of the Northern Baptist Seminary at Chicago.

During the social hour from 9 to 11 o'clock, games, including shuffle board and ping pong, will be played.

1940 Business Slated for Immediate Increase

By Roger W. Babson

War or peace, business in the first half of 1940 will be the best for any six months' period since 1929. Jobs, wages, farm prices, business profits, and dividends should all turn in big gains over a year ago. They should even average higher than in the three months' period just closing. At the same time no sharp gains are in the cards for either taxes or living costs. Considering all factors, therefore, I predict that we will come closer to "good times" in early 1940 than in any half year since 1929!

Readers will say that I am going pretty far out on the limb with this forecast in view of the troubled and uncertain times. War, elections, neutrality, labor Congress, taxes—these are just a few of the clouds lowering over the 1940 horizon. Business men, investors, and workers are more confused and worried today than on any year-end since the World War. Despite all these uncertainties, however, my forecast is not as rash as it first sounds.

As the curtain rises on 1940, the Babsonchart Index of Business will be hovering around 115. To be the best first half since 1929, business must average 12 to 15 per cent above the first six months of 1939. In terms of the Babsonchart Index, that means an average of 112. That is a pretty high level, but remember that business must operate at a high level well into the first quarter merely to fill orders now on hand. Business could fall back to as low as 100 on the Babsonchart by June and still bring up the best first half since 1929 before adjusting for population gains.

Leaving the "ifs" and "couds" out of the picture, my forecast is that business will travel at high speed in early 1940. The first half should average 10 to 15 per cent above the same months of 1939. It looks now, however, as though the trend might turn down from current high levels as the months work along. My guess is that activity will be lower early next summer than it is now.

I use the word "guess" literally. Any forecast beyond June 30, 1940, at this time, is a mere guess. No man—not even Hitler or Stalin—knows what will happen abroad in the second half of the next year. As to the domestic situation, our domestic uncertainties, particularly the presidential election. Only a crystal-gazer or a fortune-teller could aspire to give you an answer now to either the war or the election. Hence for the first time in two decades I dare not make, at the New Year period, a specific forecast for more than the first half of the coming year.

Two Possibilities Second Half—Strange as it sounds, right now I think there are only two possibilities for the second half: (1) A roaring boom or (2) a sickening crash. After the nominations are in, we should be able to tell which of these two developments will take place. Hence, I shall not give readers any money forecasts for jobs, wages, and business in the second half of 1940 until June.

In the meanwhile, no one will make any money worrying about 1940. The successful people next year will be those who take (Continued on page 2)

Babson's Word's-Eye View of Next 6 Months

Business: 10 to 15 per cent gain over first half of 1939.

Trend: Some dip from current peak levels.

Markets: Uptrend but no runaway prices.

Farmers: Prices, income and profits up.

Workers: Jobs, wages, strikes higher.

Retailers: 8 per cent gain in sales; prices up 4 per cent.

Consumers: Less than 5 per cent rise in living expenses.

Realtors: Rents, values, activity steady.

Investors: Selected securities to strengthen.

Summary: Best six months in 10 years.

Party Host 387 PASSENGERS GET FREE RIDES ON BIDDLE'S BUS

Patrons Take Trips Monday
To Visit Relatives without
Paying Fares

Exactly 387 passengers rode on the Biddle bus line from Five Points to Northville and its subdivisions on Christmas Day and heard T. P. Biddle on his two drivers, Clyde Hummer and Charles Sheppard drive them on a holiday of goodness. Merry Christmas greetings by not charging any fare.

We got a kick out of driving the bus—Christmas Day for persons who were making calls on friends and relatives. I am sure that some children were taken along on the trip Monday, who wouldn't have been able to go had we been charging fares, said Mr. Biddle who plans to make this an annual courtesy to his patrons.

One woman boarded the bus ready to spend her last dollar on a trip to the Wayne County Training school. It was really a Christmas present to her to be able to visit with her son and still have a dollar to spend on necessities.

For the first time this year, Mr. Biddle set a day aside to turn over the receipts to the Maybury Goodwill club and the King's Daughters. "I'll be doing that again next year," affirmed Mr. Biddle.

TO GIVE SILVER TO FIRST BABY
The Northville Hardware, Inc., takes the cue for the New Year and the best wishes to the community in the form of a greeting and also a presentation to the first baby born in Northville Village in 1940. To the first baby born in Northville in 1940, Nell Hannafoord of the Northville Hardware, will present a Rogers' silver set. Who will be Northville's first baby of 1940?

Flames Ruin Home on E. Cady Street Wednesday Noon

\$400 Damage Done to Pier-
son Property; Faulty Hydrant
Made Fire Control
Difficult for Firemen

Flames, which were discovered at 1 p. m. Wednesday, Dec. 27, did approximately \$400 damage to the home of Bert Persoll, 113 East Cady. The fire, members of the Northville fire department assert, was caused by a defective chimney. The roof and the second story rooms were destroyed almost entirely. The furniture was saved, but received damage as the articles were carried from the burning building. The fire was extinguished by the fire department.

Firemen answering the alarm immediately found that the hydrant nearest to the burning house was out of order. It was necessary to move the engine to the next hydrant. In the meantime, neighbors in the vicinity of the burning house rushed to the scene with emergency fire-fighting equipment. The fire occurred on the coldest day of the season.

Mr. and Mrs. Persoll live in the house along with a tenant, Red Sharp.

Eastlawn Party Is Christmas Season Event

Rev. Kendal S. North Plays
Santa for Patients; Mrs.
North Sings Carols

The Rev. Kendal S. North of Jackson, former pastor of the Northville Baptist church, was Santa Claus for the patients at Eastlawn sanatorium at the Christmas party Thursday, Dec. 21.

The evening's program included the singing of several Christmas hymns and carols by Mrs. North, Dr. A. B. Wickham, superintendent of the sanatorium, talked to the patients giving a brief Christmas message. He introduced A. L. Anderson, former Stethoscope editor and originator of the magazine. Mr. Anderson is writing a serial story for the Stethoscope, the first installment appeared in the Christmas issue of the publication.

A number of the patients contributed to the party by appearing on the program.

Observe Golden Wedding Anniversary

Mr. and Mrs. Sidney S. Litsenberger

received the members of their family Sunday, Dec. 24, in a quiet observance of their fiftieth wedding anniversary. Mr. Litsenberger's poor health made it impossible for open house to be held in their honor.

John Nelson says that the boxing match scheduled between the Northville and Wayne County Training school made over 300 toys 317 to be distributed to needy children at Christmas time.

Dr. L. W. Snow, manager of the State Fair, has indicated that he will stage this major event at the Coliseum to establish the Coliseum as a sport center.

Clark, a Detroit boy, has been fighting as an amateur and a professional for the past six years. He was undefeated prior to June 1939, up to which time he was considered the logical contender for the light heavyweight championship of the world. It was in June, that Lesnevich scored the sensational one-round knockout in New Jersey.

It is conceded that the winner of the New Year's bout will undoubtedly be the world light heavyweight champion before spring, as Billy Conn, present champ has put on 15 pounds and has announced that he will no longer attempt to make the light heavyweight class. He is pointing himself toward a bout with Joe Louis, June 1, for the light weight championship title of the world.

The judges of the toys were Cass Hoag and Sterling East of Plymouth and W. H. Cansfield.

C. W. Truxell of Northville, was the guest speaker at the Rotary luncheon last Tuesday, when he spoke on the diesel engine. Mr. C. W. Truxell introduced Mr. Truxell, who was assisted in the presentation by Wm. Purchase who showed slides and motion pictures.

In the discussion of the Diesel engine which is now revolutionizing transportation, Mr. Truxell gave much credit to General Motors for the many improvements of the last 10 years. Today in ratio of weight and efficiency, the diesel rates 35 per cent against 25 per cent for gasoline and 23 per cent for steam.

The talk traced the development of the principle of the diesel engine, from the primitive idea of the lighter to today's streamliners. The talk and the pictures were very informative and interesting.

PLAN BIG PARTY AT NOVI INN
Bens Nov Inn is staging one of those big New Year's parties on Sunday evening, Dec. 31. Follow the crowd, where there's no cover charge, no minimum charge. There will be dancing, music and everything for a big New Year's celebration. All at Ben's Nov Inn.

There was only one contest in the Northville primary election during the year. It was waged between Mrs. Leo Lawrence and Mrs. O. F. Bauman, both seeking the treasurer's post. As a result of the March 6 voting, Mrs. Lawrence, incumbent, retained her post by 79 votes.

After crews of Detroit Edison and Michigan Bell telephone men had worked strenuously at almost heroic degrees since Saturday night, the destruction done by Sunday's encroachment of ice (Mar. 12)—the worst since 1913—and the high winds of Tuesday and Wednesday was well repaired Thursday morning, with temporary lines taking care of service where it was impossible to have permanent lines in use.

The acceptance to the call given Mar. 20 by the members of the Northville Baptist congregation to the Rev. Dr. Howard R. Chapman of Ann Arbor, to the pastorate of the Baptist church has led to his resignation as Baptist student guild director in Ann Arbor, a position he has held for the past two years.

The little girl styles which took big sister and the matron by storm last spring found instant favor Mar. 27, when the originals were modeled by Northville's very young, the sons and daughters of the members of the Mothers club at a fashion show-tea which was held in the kindergarten room of the grade school.

Creation of a branch office of the Secretary of State in Northville with Elmer L. Smith the manager, saved Northville motorists untold miles of driving elsewhere to obtain license plates.

Miss Eva Mae Goodale and Lloyd Grail, repeated their marriage vows, Feb. 25.

A quiet ceremony read Feb. 23 marked the wedding of Miss Clara M. Draper and Fred W. Lahr, Jr.

Boasting the Suburban League championship for the second consecutive year, the Northville girls' basketball team, coached by Miss Gladys Ludwig, completed the season Feb. 28, on the home court by defeating Redford Union, 22-21, in the closest game of the year.

Halstead Receives Coveted Trophy at Exchange Club

Harold Church Is New President; Leary, Dolph, Hammermeister, Bloom and A. H. Harrison Are Officers

Wednesday noon, Exchange formally presented the trophy and prizes in the annual Christmas decorations contest, elected officers for the coming year, listened to the Harry Heilmann broadcast through the courtesy of the Northville Electric shop and applauded the sentiments as expressed by the several Northville men speaking.

The beautiful silver trophy was formally presented to J. H. Halstead of the Halstead Jewelry store by President Tom Edmondson, Cliff Tait, in behalf of the Northville Electric shop, accepted the second prize and Lloyd Minkinen in the name of Schraders reported that the second and third prizes of fowl were very excellent birds. All expressed their thanks and appreciation.

On motion of the club, all officers of the line were stepped one notch and Harold Church of the Rowles Lumber company, becomes president succeeding Tom Edmondson. Robert Leary and R. J. Hammermeister were named first and second vice-presidents, respectively. O. A. Dolph was named secretary and treasurer. Harold Bloom is assistant treasurer and secretary, and Dr. Russell M. Atkinson, marshal.

A 12:45 the club paused to listen to the Harry Heilmann broadcast recorded Tuesday noon at the Penniman-Allyn theatre. Everyone roundly applauded the sentiments as expressed by the four local speakers, Mr. Nichols, Dr. L. W. Snow, Harry German and Carl Egloff.

The Oldest Paper in Wayne County, Outside the City of Detroit

Nineteen Hundred Forty . . .

A Flower unblown; a Book unread;
 A Tree with fruit unharvested;
 A Path untrod; a House whose rooms
 Lack yet the heart's divine perfumes;
 A Landscape whose wide border lies
 In silent shades 'neath silent skies;
 A wondrous Fountain yet unsealed;
 A Casket with its gifts concealed—
 This is the Year that for you awaits
 Beyond Tomorrow's mystic gates.

The old fashioned, safe New Year has gone. As you speed from one day gathering to another, remember this is the dangerous season of the year. And try to make the New Year's cheer a thing of spirit and not of spirits. Make the New Year holiday a safe one.

A New Year Dawns . . .

As the New Year hovers over us, we wonder what it will bring forth. What of sunshine and shadow; of spiritual and material prosperity; what of our faith, our hopes, and our loves? What of democracy in a world where tyrants seek to liberate all free people?

After looking back at the furrow we have plowed year by year most of us feel that we will all share a bit in the ups and downs of life. Sunshine will silver the linings and edges of the clouds, and the blue sky will permit us to be clothed in the warmth of that sunshine. Night after night the firmament will show forth His handiwork, and day unto day utter speech. Yes, in 1940 as in the nineteen hundred and thirty-nine years just passed—To those who face the sun all shadows fall behind.

Attention Floyd, Don and Dan—first snow, visible on the ground, Dec. 21; lowest temperature about 20 degrees—mostly above freezing, even at night—Wednesday Dec. 20, with bright clear sunshine was even balmy, more like a mid-April Easter. Not since the establishment of the U. S. Weather Bureau has there been so little precipitation and snow, and also for mild temperatures. Sunday clear bright, temperature 27 degrees, cloudy, mild. Christmas Day, cloudy, mild.

Personally, as in our thoughts, as we turn the year and regard the old is one of gladness. We are glad for the year just completed because of the many new friendships we have made and maintained—in business or otherwise—and because of the things we have learned.

The friendship cannot help but make life in the New Year, more pleasant.

And though the old year has taught—work a little harder, manage better, serve more effectively and play a little more. And so we are glad to have known 1939 and anxiousness to play our little part in the scheme of things more cheerfully in 1940.

All honor to little Finland, in face of a grueling war with Soviet Russia she pays her debt to the U. S. A. Maybe the New Deal Administration might find some food for thought in that ideal of integrity and sacrifice.

Great men are like meteors that shine and consume themselves to enlighten the earth—Napoleon.

Comments on Christmas in Northville . . .

Ideal weather on Sunday, clear, sunshiny, snappy. A business district decorated in genuine Christmas spirit of good will and friendship. Hundreds of residences radiating Christmas cheer with outside and window decorations—wreaths, bells, lights, lighted trees, myriad lights welcomed the Christ Child Christmas Eve. A Christmas Eve ride about the village found hundreds of homes bathed in the colors of the holiday season. And atop it all, like a great beacon, the lights of Eastlawn gleamed forth a welcome to the night, traveler Northville-bound. And yes, how many times we enjoyed the holiday decorations on the windows of the grade school. Beautifully done—and richly appreciated by pupil and public—of heroic proportions the work was a masterpiece.

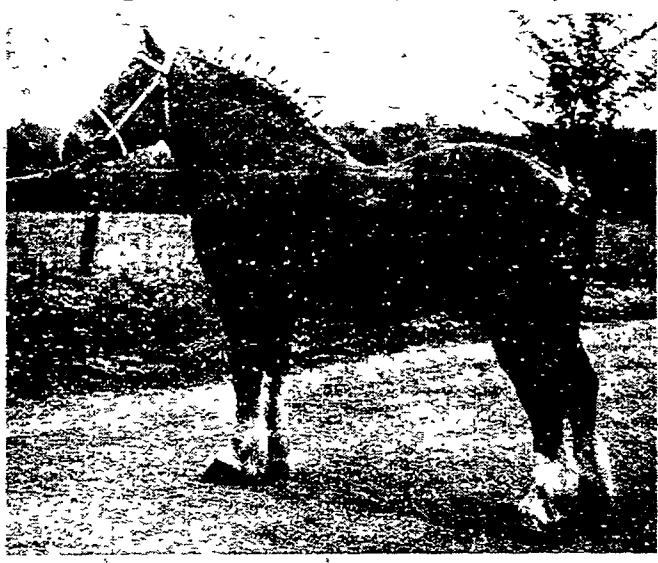

And around the corner, the holy crib on the lawn of Our Lady of Victory church was the mecca of many who found inspiration and beauty in the work. All honor to the Legion, Auxiliary, King's Daughters, and others too numerous to mention who helped bring Christmas to those of the village.

Yes, ah, yes, it was Christmas in Northville, and why not make every day Christmas—all we need to make every day Christmas in Northville is to be a little more cheerful, a little more lenient, more trustful, and a little kinder, perchance—and wouldn't that make every day Christmas to someone?

Were you in on the numbers racket this year? Add up the losses and see who wins besides the promoter.

New Deal cash is getting lower and lower, so low indeed that it is embarrassing—and just at the eve of a national election. Watch for a election about face on a lot of policies.

To Our Friends—

Just as the old songs touch the chords of Human Responsiveness, so the age-old significance of a New Year gives us inspiration . . . And once again as friends greet each other with a hearty "Happy New Year," we extend our sincere wishes for your happiness in this new year, and all the years to come.

Cordially yours,

Mr. and Mrs. Ray J. Casterline

For greater sales, use
STAGE LIGHTING
 in your store windows!

A dramatic, well-lighted show window has all the arresting value of a stage . . . it COMMANDS attention and stops passersby. A clever stage manager uses light, color, motion to achieve his effects—and an alert store manager uses the same methods to attract an audience to his displays. Figures prove conclusively that improved lighting can often DOUBLE the number of people stopping to look at a window. . . . Detroit Edison engineers will be glad to give you complete information about modern show window lighting, and explain how you can use this powerful selling tool effectively in YOUR store. There is no charge for this service. Call your Detroit Edison office. The Detroit Edison Company.

A New Year ahead! New visions
 . . . new friends . . . new opportunities.

May the coming year be all that you
 could hope for.

Farmers in Wayne county who wish to apply for a Government loan on their 1939 wheat have until Dec. 31, 1939, to complete their applications. Maurice C. Bird, Wayne County A.A. Chairman, announced this week. All loans on wheat, whether the wheat is stored on farms or in approved warehouses, will mature April 30, 1940. This is in line with a recent announcement of the Commodity Credit Corporation which extended loans secured by warehouse-stored wheat to April 30.

According to figures prepared by statisticians, the recent Chrysler strike caused a loss of more than \$3,000,000. The 55,000 employees involved in the strike lost 42 working days and \$18,000,000 in wages. It is estimated that Chrysler dealers lost \$18,000,000 in potential income and salesmen for these dealers lost \$3,300,000 in potential commissions. Workers employed in plants engaged in supplying parts to the Chrysler Corporation are estimated to have lost \$5,000,000 in wages and the Chrysler Corporation itself suffered an estimated loss in income amounting to \$3,300,000. In the settlement of the strike the only demand granted was an increase of three cents an hour. On the basis of this increase, Chrysler workers now must work 1,070 days, or more than four 50-week years, in order to make up for the wages lost in the 42 working days involved in the strike.

Farm Income

Farm income in 1939, based upon reliable estimates, will be \$7,600,000, exclusive of government farm subsidies which is a total of more than \$3,600,000 below the figures for 1929. This 1939 total will also be one billion dollars under 1937 and approximately the same as that for 1938. Even when government payments are included, the 1939 figure will be considerably under that for 1929. Government payments for

(Continued from front page)

Advantage of the great opportunities of the early months. For ten years we have waited for "good times" to come back. They are here now but nobody seems to want to do anything about them. Fears and uncertainties should be forgotten for a few months. Certainly, anyone who is primarily worried about Congress is fretting unnecessarily.

Don't Worry About Congress

Despite the war, it looks as though the 1940 session of Congress would be a typical election-year affair. Most Washington observers are forecasting a brief, routine session enhanced only by pre-election warm-ups and patriotic tub thumping. No new reform or anti-business laws will be passed. Only major legislation which has a chance is pro-business, including amendment of the (1) Wagner Labor Act, (2) Modification of the Wage and Hour Act, and (3) the passage of the Mead Credit Bill.

I am reasonably sure that no new federal taxes will be imposed. Pay-as-you-go talk in December is one thing—action by Congress next spring is another. Secretary Wallace would like to see the processing taxes revived under some type of sugar-coating—but this wouldn't be good politics in an election year. You can bet your bottom dollar, however, that the total share of your income taken by Uncle Sam—counting both income and hidden taxes—will not be a penny less than in 1939.

Record Spending

But, because taxes are being "increased," do not imagine that the economy wave is sweeping Washington. It definitely is not. Farmers' benefit payments will be almost as big as in 1939. Relief costs will still be heavy despite increased jobs. Outlays for defense will break all records—up half a billion dollars over 1939. If there is any paring down of expenses it will be done purely for window-dressing purposes. Net result will be another whopping deficit for the Treasury—as big or bigger than in 1939.

Hence, the Roosevelt Administration will come down the straightaway of its last year with the eighth consecutive deficit and a national debt of nearly \$45,000,000,000, up \$20,000,000,000 since 1933. It will be a record indeed for a President who chided his predecessor's Administration as "being the most extravagant and reckless of any peace-time government anywhere, at any time." Despite this record, Mr. Roosevelt is still popular with the majority of voters. They particularly like his foreign policy and his mammoth defense program.

Heavy Industries, 1940's Spark Plug

This record-breaking defense program is just one of the four props under 1940 business: (1) Trade gains with neutral countries, (2) rising buying power in cities and on farms, and (3) a heavy industries boom as the other supports which will hold business at a high level. Most important of all, the 1940 business is in the heavy goods industries.

will lead the parade. Fresh vegetables and potato farmers can look ahead to a good year.

Farm Income Up

Beef, lamb, and pork will not sell much higher than in the early months of 1939. I do not foresee any big gains in butter, cheese, eggs, milk, poultry or fruits. Cotton exports are rising sharply and demand is tremendous. This indicates that King Cotton is getting a new lease on life. Consequently, farm income ought to be 10 per cent higher than in the same months last year.

The drought in the West is a very serious factor. The moisture situation is the worst on record at this season. It is not so dry, however, as it could easily be. Rather than lower total farm income, barring a continuation of the drought, total production on all farms in 1940, may be close to the 1939 figure. The increase in prices will not be all gravy for the farmers, however. Their costs will go up, though perhaps not so much as their prices. With farm profits a bit better, farm land values should continue to edge up a little.

"Oomph" in Prices

In addition to higher farm prices, industrial raw materials should also push upward in early 1940. War, high industrial activity, and rising buying power will put the "oomph" in the price picture. Hides, ocoos, gasoline, and paint materials can have the sharpest boosts. Increases in wool, rayon, sugar, steel, lumber, and non-ferrous metals at a good rate assuming business activity holds up. Coffee, hard coal, cement, and glass will do well to hold their own. One of the interesting points about this current boom is the remarkable stability of prices of all kinds.

This desire to keep the lid on prices is good news for consumers. Their living expenses are not going to change much in early 1940. Food is the only hot spot. I will be surprised, however, if your weekly market bill next June is more than five per cent higher than it is now. Clothing will not advance more than five per cent. There is no reason to forecast serious advances in fuel, oil, coal, or rents for the first half of 1940. Rising lumber and labor costs will make furniture a little more expensive. The sum total of all this means that living expenses should stiffen by only two or three per cent during the first six months of 1940.

Brisk Gains in Trade

With only a modest step-up in living expenses and an increase in consumer "intake," retail trade will be better. A gain of eight per cent sounds about right to me, if the increase is measured in dollars. Only about four per cent more goods will be sold, however—the other four per cent being accounted for by mark-ups on price tags. Luxury and semi-luxury items should register the

biggest step-up in sales if this past three months is any barometer. Store profits ought to be satisfactory with inventories in fairly good shape. The successful merchants will be those who take advantage of the big opportunities of early 1940 by inflating their advertising budgets. Promotion outlays should be upped at least 15 per cent. Those salesmen who have been faithfully doing their missionary work for the last two years will cash in with the biggest "commission" checks since 1929.

Busy Period for Builders

Another key industry which should see big things in the next six months is construction. Building commissioners will be busy okaying contracts in the same period of 1939. Public building will be shaken down about 10 per cent; but this drop will be more than offset by big jumps in industrial and residential contracts. With factories straining every nerve to meet delivery dates, industrial building plans, shelved since 1937, are being trotted out. This type of construction should chalk up a 40 per cent gain over early 1939.

FHA "installment" loans are ready to give home building another shot in the arm. Costs may inch up, but they are not scheduled for any sharp advances. So it looks like a busy period ahead for building workers, contractors, architects, and the 26 allied industries which supply the building trades. Real estate men specializing in new, modern properties should witness better values and stiffening rents as the months work along. However, I see no hope for old, large houses, or other out-of-date buildings.

High Earnings; Big Dividends

Hence, the first half of 1940 promises to be a good period for most of us. I am particularly optimistic on investor income. Business profits in early 1940 ought to be the best in three years in most lines—and the best in ten years in other lines. Earnings will run 30 to 50 per cent over 1939. The heavy industries should report the biggest jump in profits—up 50 to 100 per cent—with consumer industry profits up 10 to 25 per cent. As a result investors are slated for some very pleasant dividend surprises—checks 25 to 50 per cent bigger than a year ago.

With a combination of high business volume and a bright outlook for profits and dividends, you would normally expect higher security prices. However, this is not only a strange war, it is a strange boom as well. Despite all the optimistic news, sentiment is bad. Investors refuse to buy under-valued stocks selling at 8 to 12 times earnings and yielding 5 to 10 per cent. Yet they stampede to buy the bonds of a government which has failed to earn its "charges" for ten years and which yield only one to two per cent!

Bullish on Stocks

Second-grade bond issues of concerns covering their interest comfortably are selling for 50 to 70 cents on the dollar while 3 1/2 per cent "Triple A" corporation bonds are gobbling up at prices to yield as little as three per cent. Sometimes—maybe not the first half of 1940—but sooner or later, the bond market must take its medicine just as the stock market of 1928-29 had to take its. So I am moderately bullish on carefully-selected stocks.

and medium-grade bonds for early 1940, but I am bearish on "high-grade," long-term bonds.

World commerce is all muddled up. You cannot make any strong forecasts about it. The best you can say is that our trade with Canada, South America and Italy will be the high-spot of the export and import picture in early 1940. Our commercial treaty with Japan expires on Jan. 15. If it is not renewed, our trade in the Pacific may be sharply curtailed. However, I think something will be worked out with the Japanese.

No War Forecast

No forecast on the war or its duration is possible at this time. It may be all over tomorrow, or it may drag on for years. The important point right now is to recognize that war's effect on business is being over-emphasized. So far, it has neither helped nor hurt American business. When, and if, fighting breaks out in earnest, Allied war orders will help our business. But under no circumstances would the belligerents buy as much from us as they did in 1915-17. The war is in no sense the major prop under our current boomlet. That's why I say, "War or peace, early 1940 will see the best business in ten years."

The first half of 1940 will come the closest to "good times" that we have seen since 1929. Readers must not think, however, that I believe everything is hunky-dory. Real prosperity is as far away as ever. Real prosperity is merely a synonym for progress of civilization.

With millions of men jobless at home and millions more trying to kill each other abroad, real prosperity is not even "just around the corner." Real prosperity and lasting peace will return only when the desires and goals of our and all other peoples change—that is when we all practice what Jesus taught 2,000 years ago.

Which Way Is Business Headed Next Year?

... read ROGER BABSON'S FORECAST FOR 1940

He called his shots at the outset of 1939... "20% gain in business over 1938," he said... "More jobs, steady wages... higher farm prices!"... And here's what happened: Business jumped 19.5%, jobs, wages, farm prices all gained.

Now Roger Babson is ready with his comprehensive, thorough

analysis of 1940... its job, wage, farm price, living cost trends. With war, elections, neutrality, Congress, clouding the outlook, Babson's 1940 predictions will be big news from coast-to-coast... big news you will want to read... big news you will want to discuss with your family, friends, associates. Don't miss it!

New Berry Bids for Garden Spot

With mild enthusiasm members of the horticulture department staff at Michigan State college have been scanning the popularity and testing the merits of a new fruit called the boysenberry, introduced in California in 1935 and since well distributed by nurseries.

In a preliminary report, R. E. Loree lists qualities in tests at East Lansing and South Haven as well as observations on behavior in other sections of the State.

The boysenberry is said to be a cross of the loganberry, raspberry and blackberry. Vigorous shoots extend 12 to 15 or 20 feet in a season on the trailing vines.

No heavy commercial acreage is expected to develop in Michigan because the well ripened berry is rather soft and does not stand up under shipping conditions, says Professor Loree. Because of its productive, fleshy and pleasing tart flavor, however, it does stand recommendation for the gardener who seeks enough fruit for home use.

Berries begin to ripen early in July and continue ripening two or three weeks. They are very large, dark purple in color, and juicy. Suitability for jellies and pies and as a good berry for freezing purposes are other qualities.

Plants are best set in early spring on a fertile, well drained loam soil. In a home garden, spacing can be six feet apart in a row and vines trained to a trellis or other support four to five feet high the second season. Old canes should be cut and burned after production and new shoots trained the following spring for the succeeding harvest.

Growers seeking additional information on culture of this new berry can obtain more facts from Professor Loree.

Edited by the Journalism Class of Northville High School

Program Given by Dramatic Club

Teachers and Pupils Enjoy Christmas Play and Skits Presented

On Wednesday, Dec. 20, Miss Estelle Griffiths' Dramatic club gave a program for the teachers and the pupils of Northville high school.

The play given was a comedy called "Angels and Such." The characters in it were as follows: Miss Pugh played by Marjorie Edmondson; Mrs. Morris played by Lois Sutton; John Roberts played by George Hunter; Hugh Parry played by Bob Parmenter; Capt. Hughes played by Eugene Reeves; Sarah Jones played by Eugenia Stanford; Isaac Jones played by Arthur Bretneyer; and Moses' Roberts played by Nigel Post. The scene took place in a graveyard.

After the play the actors then gave skits to the teachers that represented cards. For Pin's G. V. Harrison and Supt. R. H. Anderson, a religious card was given by Edythe Amernan, Arthur Bretneyer and John Costello. For Mrs. Ida Cooke a rule of scene was given by Carol Carlson and Nafale Brader. For Miss Tisha Brassfield and Miss Jane Lentz the modern shopper was portrayed by Betty Barry. For Miss Jane Palmer and Mrs. Marshall Herriev three angels singing were given by Dolores Mix Dawn Sutton and Marjorie Parmenter. For Miss Kathryn Giltner and Miss Gladys Ludwig an old fashioned Christmas was given by John Costello and Shirley Price. For L. G.

ASSOCIATION NAMES WINNING SCHOOLS

The first rural schools in Oakland county to complete their 1939 sale of tuberculosis Christmas seals were the West Trays school near Lake Orion, Mrs. Vena B. Kirkpatrick, teacher; and the Brewster school at Pontiac, Miss Muriel E. Dalley, teacher, the Michigan Tuberculosis association announced today. A number of schools are sending in requests for more seals.

The seal sale in rural schools is usually conducted on a competitive basis, the children working under "Captain Fleetwing" and "Captain Herald" this year. Seals are sold by children only in districts where it is difficult to reach all purchasers through any other medium.

Lee and Wm. Hensch an old Spanish scene was created by Douglas McCluskey and Natalie Whipple. For E. C. Mollema and Charles Yahn the snowman was presented by Joan McCollough and Dorothy Trapp. For Neville Walker and H. B. Smith a sport card was pictured by Phyl Jones and Yvonne Taylor. For E. V. Ellison and Megie Wheeler a hummingbird scene was enacted by Lois Church and John Costello. For the janitors, Mr. Lemon and Mr. Horsfall, cards were represented by John Costello, Lois Church and Shirley Price. All the skits took place in a large frame covered with boughs and the characters were in costumes.

Each card was accompanied by appropriate Christmas carols played by Peggy McCollough.

Junior High Pupils Plan Celebration

Mrs. Ida B. Cooke's junior high pupils plan to celebrate a very Merry Christmas in the junior high assembly tomorrow noon, Friday, Dec. 22.

Here the seventh and eighth grades will enjoy a short program exchanging of gifts, and then they will have a feast of candy, popcorn, apples and cookies. This being traditional all of the pupils are looking forward to it. There is much excitement about giving the gifts out as Mrs. Cooke thinks Santa Claus will appear and deliver them. (This is a secret, though.)

Jack Maloney was picked to select the Christmas tree and set it up in the assembly with Ted Baldwin, Earl Croll, David Amernan, Albert Ewart and Perry Graham trimming it.

The seventh grade committee to distribute the cards the pupils are to bring are Robert Ely, Isabelle Beall, Eleanor Mitchell, Alice Harper, Betty Tyler and James Howarth. The eighth graders who will work on this committee are Mary Lou Behen, Anna Jean Flaherty, Dorothy Reed, Steve Folino, Lois Geroldia and Russell Penberthy. Those to serve on the day of the party, from the seventh grade, are: Juanita Bliss, Charles Custer, Linwood Snow, Mary Ellen Babbitt, Given Hoyed and Robert Norton. The eighth graders selected for this same reason are: Ruby Ruby Williams, Loretta Widmaier, Maxine Wick Doris Tibbets, Richard Poonhans, Thomas Houghton and Catherine Rossow.

Lastly the seventh graders picked for the distribution of gifts with the help of Santa Claus are: Howard Wilkinson, John Stark, Dick Rich, Dick Wood, Harry German and Thomas Hancock. The eighth graders for this are Doris Beauchamp, Bruce Simmons, Jack Auberlin, Alfred Heatley, Milo Bliss and Donald Stephens.

SENIOR PICTURES ARRIVE

The reason why all the senior faces are lighted up so, is that most of the class pictures have arrived. The photographs were especially pleasing, and according to some of the seniors the studio must have done a lot of touching up on the proofs.

Beginning the new year the seniors will be selling some new and different articles. They will be hot pads to protect your tables from being burned from hot pans and dishes and broom holders to keep the broom off the floor and out of the way. This broom holder is really a protector for your broom because it protects the bristles from bending over and getting the broom all out of shape. Norma Gorro is chairman of the selling of these two items.

The seniors have chosen Pat Klein as the chairman of the senior play committee which will be started after the holidays.

Projects Made by History Students

E. C. Mollema's history classes are doing very well in their modeling of soap, wood, tin and other material.

Among the articles are the following: Alberto Moe carved Moses out of linoleum; Ray Ransopwaki carved a sphinx and mummy case out of soap; Don Barnard, a Greek character; Louise Babbitt brought in a sword; Edythe Amernan made maps; Tom Widmaier carved a bust of clay; Jeanne Hugg wrote hieroglyphics on a baked clay tablet; Robert Vogtlin carved a mummy case out of wood; Dick Davis carved a mummy and case out of soap; Christabelle Stoinand made a soap carving of the Roman Coliseum; Lucille Stahe, carved a Katschepus; Richard Ward a small wooden mummy case; Janice Covell made a scroll; Dawn Sutton is making Trojan columns out of soap; Margaret Morse is carving Katschepus out of soap; Leo Hollis carved the discus thrower; Arthur Karschick carved a portion of the Parthenon frieze; Bill Lippold made a carving of Trojan columns in Rome; Dick Parmelee carved the head of a Roman soldier out of plaster; Betty Mercer and Pat Lord carved the Parthenon out of soap. Written projects are being done by many of the other students.

Senior Sketch

On a quiet September morning in the small town of Farmington, Wilbert Grimm, silently came into the world. Perhaps it was that silence that so effected Wilbur's life, because even today he is one of the quietest boys in the senior class, but that was way back on Sept. 22, 1923. He went to Clarenceville school until he had completed the tenth grade and then he came here for his junior year where he is now preparing to graduate this June. His favorite sport, pastime and hobby, all combine in baseball, but he enjoys his work at the Hi-Speed Gas station on Middle Road and Seven Mile road almost equally as well as he likes baseball.

Wilbert's pet peeve is seeing boys do dishes, and going to bed, and his favorite colors are maroon and gold. So far, Wilbert hasn't revealed his future plans.

George Houghton was born in Toronto, Can., Dec. 25, 1921, at 6 a. m. and lived there for one year, and then he moved to Detroit. Because Detroit was so interesting, he remained there for two years and then moved to Lake Orion where he started to school. There George went through the fifth grade and that summer moved to Plymouth where he completed the tenth grade.

That fall when school opened, Northville at last welcomed him. George was very active in all school sports, but, due to illness he was unable to continue. His favorite hobby is dancing and playing basketball and in fact all sports are very well liked by him. He plans to graduate in June and hopes to attend the University of Michigan, where he wants to take up physical education.

The brown eyed, fair complexioned baby, born in Northville on the corner of Dunlap and High on July 19, 1922, is now a grown girl known as Marian Healey. She still lives in the same house where she was born, which is quite a record for these modern times. Marian's first teacher was Miss Ida Rose, Cavell in the old grade school building.

Her hobbies are dancing skating and playing her clarinet in the band. This last has been one of Marian's ambitions for some years. When being interviewed for this sketch she was asked if she was going to college. Marian hasn't definitely made up her mind, but she's quite sure she will study nursing somewhere.

Mr. and Mrs. Eberle Smith of Detroit, were hosts, Christmas Day to Mr. and Mrs. Charles Dolph, Mr. and Mrs. J. Murphy, Mrs. B. C. Filkins all of the village. Mrs. Charles Filkins and Guy Filkins of Ann Arbor Mr. and Mrs. E. C. Wellwood and daughter, Barbara of Detroit.

History Classes Hold Mock Trial

Hauptmann Case Brings Unexpected Verdict by N. H. S. Students

Last week, the American government, classes taught by Neville Walker, held mock trials on the Lindbergh vs. Hauptmann case. Both first and fifth hour class jurors came to a decision of not guilty, which is just the opposite of the real trial, which everyone can remember. Much old material was dug up in magazines, which proved to be very different and interesting. The jurors had quite a time coming to a decision as both sides were well shown.

Harry Porter was the judge and selected the following jurors from the first hour class: Arla Reed, Wilford Wilson, Natalie Whipple, Marjorie Angove, Peggy McCollough, Alene Matthews, Fred Robinson, Doris Hubbard and Ken Wolfe. Jim Duxbury had the role of Charles Lindbergh with Mary Frances Batt as the nurse and Leonard Fritz as Dr. Jaffrey. They were defended by the prosecuting attorney and his co-susar, Kendall Willis and Pat Elen, respectively. The defense attorney, Allan Götto, with his consular, Eugene Stafford, upheld Fred Stenger as Bruno Hauptmann and Nina Wenker as Hauptmann's wife. Norma Götto was the county clerk. Some of the witnesses were: Eivora Trofast, Ruth Knight, Dorothy Bingham, as a "surprise witness," Rhea Walling, as handwriting expert, Ernestine Lewis Doris Diem Betty Lanning, Mary Potter and Copy Sipes.

The fifth hour class selected Charnelle Hardesty as judge with the jurors: Lucy Bidwell, Marian Healey, Mary Lou Smith, Junior Holt, Amelia Sutton, Thelma Kent, Lucille Graham, Don Green, Arlene Blake and Barbara Simmons. The prosecuting attorney, Bob Orr, with Clayton Rodgers as Charles Lindbergh and Jean Lyke, the nurse, presented their side. Elmer Balfo defense attorney and Maurice Hagemester as Bruno Hauptmann, showed an interesting side also, bringing in their own clues. Jean Marburger was the county clerk and other witnesses to the case were Jean Orr, handwriting expert, Bob Parmenter, wood expert, Elsie Wilder, and Wilbert Grimm as gas station attendant.

OBITUARIES

Frank Brown

After being confined to his bed for a year, an illness of more than two years' duration was culminated Friday, Dec. 22, by the death of Frank L. Brown at the age of 65. He suffered a stroke a year ago. Before ill health made it necessary for him to stop active work, Mr. Brown was janitor for the Depositors State bank and the Presbyterian church.

Surviving him is his widow Mrs. Reita Brown, Dec. 24, from the Eastern Home. He is also survived by several cousins. There are no other close relatives living.

Last rites were held at 1 p. m. Sunday, Dec. 24, from the Eastern Home. Funeral home. Burial was made in Rural Hill cemetery. The Rev. Howard R. Chapman, Baptist minister officiated.

Mrs. Herbert Brown

Mrs. Herbert (Harriet) Brown of 474 North Mill street, Plymouth, died Saturday, Dec. 23, at her home after a long illness. She was 55 years of age.

She is survived by her husband, Herbert.

Surviving Mrs. Brown, in addition to her husband, are her children, Delores and Herbert Brown, Mrs. Ralph Wagenschutz, Mrs. Robert Green and Mrs. Samuel Lawrence. Funeral rites were held at 2 p. m. Tuesday, Dec. 26, from the Eastern Home. Funeral home. Burial was made in the Glen Eden cemetery. The Rev. William Richards of Belleville, officiated.

Attending the funeral from out-of-town were Mr. and Mrs. Percy Bliss, Glory Bliss Mrs. Lucy Studd and Miss Anna Brown of Toronto, Can.

W.C. Eaton

William C. Eaton, age 63 years, former Michigan resident but whose home for the past 40 years has been on the Pacific coast, died last Thursday at his home in the city of Brawley, Calif., after an illness of many months. He was the only brother of Elton R. Eaton, publisher of The Plymouth Mail and a member of the Michigan State legislature from Wayne county.

He spent his early life in Galesburg, Kalamazoo county, leaving high school to take a position with the Michigan Central railroad as an operator. When the Spanish-American war broke out he was located at Monroe, and enlisted in Company C, 31st Michigan regiment of the State National Guard.

Soon after the regiment was sent to Chattanooga he was transferred to the newly organized signal service of the army and went to Ponce, Puerto Rico where he served for nearly a year. Stricken with malaria fever, he was sent to the Walter Reed hospital in Washington and after being released he was given his discharge from the army and obtained a position with the Southern Pacific railroad.

He served for more than 30 years as its agent at Brawley, in the Imperial Valley, until illness forced his retirement about a year ago. He was a member of the Brawley school board for 25 years, frequently serving as president of the board.

During his residence in California he became one of its most enthusiastic citizens and was one of the original advocates of the all-American canal system for the Imperial Valley that is just now nearing completion. When finished, it will be the largest irrigation system in the world.

Mrs. Eaton, formerly Miss Allie Goodrich of Fennville, and two daughters, Mrs. Watson Imrie and Mrs. Charles Cushman of Brawley, survive. A sister, Mrs. Vernon Abbott, died in August at her home in

Kalamazoo. Burial took place in Brawley.

NEW 1940 ALMANAC TO BE DISTRIBUTED

A sure sign of the New Year's approach came today with announcement by J. R. MacLachlan, manager in this area for the Michigan Bell Telephone company, that the 1940 Telephone Almanac is ready for distribution.

a year-round revenue producer. Dr. Snow asserts: "The whole thing comes down to the simple fact that I hate waste. As manager of the Michigan State Fair, I considered it my duty to keep my property at work as actively as possible."

"The most important thing I have done is no more than the obvious and common-sense thing to do—and that is, to bring what seems to me the advantages of the Coliseum to the attention of the various sports promoters."

"Here is a great stadium, seating more than 6,000 persons, and ideally laid out and located. Its arena is so large that it can accommodate a wide variety of events which demands a good deal of room for presentation. For example, polo, rodeos, horse shows, its seating capacity enables promoters to present such events profitably."

"Boxing is another attraction which can be a steady revenue producer in the Coliseum—and we have larger plans in that direction. One of our chief concerns in that connection is to assure the public, clean, fast, sportsmanlike bouts between well-matched and skilled men."

"My own feeling in this matter of promotion of year-round activity at the Fair Grounds, is that we have just commenced on the big job of making the State Fair property

—and particularly the Coliseum—the money maker it should be. You can't build this kind of a promotional activity to its potential magnitude in a few brief months."

"During the second half of 1940, you may expect even greater activity at the State Fair—and by 1941, I think I can promise that the Coliseum will have become one of the better known public events centers in the United States."

MORTGAGE SALE

Default having been made for more than thirty days in the conditions of a certain mortgage made by Byron Powell and Estia Powell, his wife, to Depositors State Bank of Northville, Michigan, a corporation organized and existing under the laws of Michigan, dated the 19th day of July, A. D. 1938, and recorded in the office of the Register of Deeds for the County of Wayne and State of Michigan, on the 2nd day of August, A. D. 1938, in Liber 2975 of Mortgages, of page 455, on which mortgage, there is claimed to be due and unpaid at the date of this notice, for principal and interest, the sum of thirty-two hundred ninety-five and 73/100 Dollars (\$3255.73), and no suit or proceeding at law or in equity having been had or instituted to recover the debt secured by said mortgage, or any part thereof.

HEILMANN

(Continued from front page)

He told of the Ford and Marx factories, the Eastlawn and Maybury sanatoriums and the Wayne County Training school where so many veterans are employed. He commented, too, on the Exchange club's community Christmas tree, which made it possible for 750 children to receive stockings filled with fruit, nuts and candy when Santa visited the Village last Saturday evening.

Sixty-four-year-old Harry Heilmann, who has been a baseball pitcher for the past 35 years, explained to Mr. Heilmann that he had pitched 1,300 games, including the 21 games of the 1939 season. He commented, too, on his "two-town mayor" title, saying that he was given that name because he has been mayor of both Northville and Capton. He spoke of early baseball history in Northville, when Don Yerkes and Ed Hinkley were tops in the sport back in the '80s and '90s.

Boasting that the Michigan State Fair had the largest live stock exhibit in its history, Dr. Snow related the highlights of the Fair for 1939 of which he was manager. He said that a definite emphasis had

been placed on agriculture and industry this year. The big day of the Fair was Veterans Day, observed Sept. 9, when 21,232 veterans were guests to participate in the memorial ceremony. "A more colorful live stock and agricultural fair is in the making for 1940," he asserted.

And Carl Ely, a baseball fan who had watched Heilmann play in Detroit recalled with Mr. Heilmann in an informal chat about the days

when Heilmann was a big leaguer. The interview with Northville's citizens, held in the Penniman-Alten theatre lobby, was broadcast Wednesday over station WXYZ.
