

## Township Election Creates Contest for Clerk's Post

**Fred Lyke Circulates Petition; Litsenberger Seeks Reelection; Two Registration Days Are Named**

## Draper Is Newcomer

A contest for the annual Northville township primary election scheduled for Feb. 19, has already come to light with the verification today of the rumor that Fred Lyke will seek the clerkship now held by John Lutenberger.

Alton Peters is petitioning and seeking votes for the justice of peace term of Harold White, now of Wayne, which expires this year. The terms of Justices Dean Grisford, H. M. Pfisterer and Del Campbell do not expire until 1941. The term of C. L. Dubuar, member of the board of review, expires this year. As yet, no one has petitioned for this place. T. R. Carrington, the other member of the board, is in office until 1941.

In the constable setup, Dan Draper is the only newcomer to the town's political picture to have a person in circulation. Constables Ole Thobits, S. E. Herricks, Ward Masters and Roy C. Rew will run again.

Mr. Leo (Mollie) Lawrence is seeking reelection to the township treasure post. Supervisor Willard A. Eli and Clerk John Lutsenberger have their petitions in circulation. Registration for the primary election will be accepted by Mr Lutsenberger anytime between now and Jan 30. In addition, Mr Lutsenberger has specified two days for the registration of qualified voters

at the Northville Village Hall from 9 a. m. to 12 and from 1 to 4 p. m. Saturday, Jan. 27, and Tuesday, Jan. 30.

Electors who did not register at the last general election must register in person as is required by law for permanent registration.

Persons petitioning for township

They must have their petitions filed with the clerk not later than Tuesday, Jan. 30. Citizens seeking the office of supervisor, township clerk, township treasurer, justice of peace, member of board of review or constable must circulate a petition and obtain a certain number of signatures of qualified voters of

the township. The necessary number is one per cent of the votes cast (approximately 25 in Northville township) at the last election for the secretary of State candidate in that party in which the candidate is running.

## Mustangs Win Game from Van Dyke Team

Northville's next home game will be at 7 p. m. Friday, Feb. 2, with Berkley. A small crowd witnessed the win Tuesday night in Northville. "The team is playing good basketball and the games this year warrant better attendance than other years."

Northville's basket-shooting Mustangs chased up another victory for the school Tuesday evening on the home court, where Var Dyke lost by a 32-18 score.

At the first of the game, Northville was playing zone defense, but in the middle of the third quarter, the Mustangs changed to man to

man Northville fouled heavily throughout the game. Every man who started the game had at least one and some had three fouls. The second team lost its game by the score 21-20. Fouls were quite frequent in this game, being one of the main reasons for the loss.

Following is the lineup for the two games

**First Team**

with an estimated loss of between \$5,000 and \$6,000.

Furnishings were destroyed, together with about \$400 in cash, in the house at the time.

The fire was thought to have started in the garage, attached to the house, from a defective heater. No one was at home when the fire started, and neighbors called the Walled Lake fire department when they saw smoke rising from the garage. Firemen were unable to gain control of the flames, but succeeded in protecting nearby buildings from sparks picked up by a high wind. The dwelling was insured for \$3,500.

Death from a heart attack at 1 o'clock, Monday afternoon, claimed George Kaiser, 65 years old, while he was loading his trailer with coal at the Carnes Coal and Lumber yards. He had been in ill health for some time, according to reports, and Dr. Lee Voorheis, coroner, stated death was caused from natural causes.

Mr. Kaiser is survived by his wife Clara. They had recently purchased the old Sanford farm on Beck road, and had made extensive improvements, with plans for further changes yet to be made to the house and grounds. Funeral arrangements had not been made at this writing.

Installation of two more bowling alleys is planned for the B & M Recreation, according to William Glover, proprietor. They will be ready for use by the middle of February it was thought. This will provide bowlers of the community a total of six alleys in the local emporium, all new, and highly recommended by the ABC.

Preston Mendelsohn, a Detroit fireman, will be the speaker at the quarterly meeting of the Oakland County Firemen's association, to be held here, in the Walled Lake recreation room Friday evening of this week. He will show movies of several major fires of the city. Demonstrations of new fire equipment will be made during the evening. Refreshments will follow the meeting. Plans have been made by the hosts of the local department for entertainment of 200 firemen of the county.

Plans are complete for the season's social community highlight Saturday evening, featuring a semi-formal dance, sponsored by the Civic Welfare club. The event will take place in the school gymnasium. Reports from the advance ticket sale indicate community-wide interest in the party.

Farmington high school basketballers come to Walled Lake this evening for a return fracas with Walled Lake's battle scarred and partially demoralized cagers. The seasons campaign thus far has rewarded the local varsity with a season of victory, although their varsity players have fared considerably better, and are anticipating a successful conclusion of their efforts as they enter the home stretch of their current schedule. The second team boys show encouraging signs of class, which may place the school in the running again, next season.

The B & M house team rolled a few over 2,400 pins against opposition, led by former Detroit Tiger Chester Laabs in the finals tournament at Detroit, Sunday afternoon. Schmidt's Walled Lake team failed to hold its regular average, and finished with a total of some 2,200 pins. Both teams are preparing to enter the State tournament, Feb. 3, at Pontiac.

A meeting of the Walled Lake Community Goodfellows club was scheduled for Tuesday evening of this week. Discussion of future plans was to head the business of the evening.

Fire prevention thoughts contributed by the Walled Lake fire department for January: Are you a menace to your community? Do you contribute to fire hazards in your neighborhood? Can you honestly say that you do not harbor or accumulate combustible materials in your attic or basement? If you can answer these questions in the negative, without a guilty conscience, you are indeed fortunate, because you are not an average citizen. Don't be a fire bug in your neighborhood, endangering the lives of your family and your neighbors.

## Public Auction Sale

of State-owned properties starting Feb. 13, 1940 at 9 A.M.

at the office of . . .

The County Treasurer

THESE properties are those which were tax-delinquent, bid into the State at the May, 1938 tax sale and reverted to the State on Nov. 3, 1939, and are now under the jurisdiction of the State Land Office Board.

Such properties will be offered for sale to the highest bidder at a Public Auction which will open February 13, 1940 at 9:00 A.M. at the office of the County Treasurer. To be accepted bids must be not less than 25% of the 1938 assessed valuation.

If you were an owner in fee, mortgagee, land-contract vendee, or had a substantial interest by way of actual investment in any of said properties,

you may bid at this sale or meet the bid of any other bidder, according to the provisions of Act No. 155, P.A. 1937, as Amended.

You may also, upon application to the State Land Office Board, enter into an agreement to pay the sum required in monthly installments, on such terms as the Board may provide.

Bids of all other persons shall be accepted only when payment is made in cash within 24 hours of the bid.

Ask your County Treasurer for explanatory pamphlet and list of properties to be offered.

The sale of properties located in Wayne County will open at the office of Wayne County Treasurer, Detroit, Michigan.

### Applesauce' Cast Gives Good Show

Douglas McCluskie Carries Leading Role in Both Presentations; Lee Directs

The junior play-cast gave performances Wednesday and Thursday evenings using the vehicle, "Applesauce," under the direction of Leslie G. Lee.

Clever lines and excellent casting gave the audience more than can usually be counted on from home talent productions.

It was up to Douglas McCluskie to carry the lead for both presentations. The ease and apparent pleasure he got from the role gave assurance to the supporting members of the cast.

Appearing Wednesday evening with Douglas were Betty Sidwell, Bob Boyden, Ruth Paumotu, Mary Ellen Burgess, Walter Naftowicz and Bob Baker.

Thursday's cast included Ida Marie Walker, Louis Eaton, Alice Bendler, Marilyn Cavell, Bob Ross and Frank Eaton.

Mr. Leighton act, was rendered by Dorothy Steinger, Jane Amf, Lorraine and Jean Lyle.

The scenery and property committee working with E. V. Elson, included John Costello, Alan Baran, Arthur Brommeyer, Ronald Anderson, Chandra Parker, Imogene Buchanan and Jane Eli.

Party Marks Dick Gookin's Fifth Birthday—Honoring Dick's fifth birthday anniversary Mrs. Marvin Gookin was hostess Wednesday afternoon at a party for a number of Dick's playmates.

Late in the afternoon, the children were seated at a table made festive with the Valentine motif. There were places for Bruce and Douglas Gigen, Craig Rathburn, Conrad Burkmar, Luanne Robinson, Marilyn Kisse, Bob Gillick, Roland Finney and Lynn Osen.

## Northville Badly Beaten by Rivals

The Mustangs took another training Friday, Jan. 19, from Melvindale by the overwhelming score of 45-18.

The game started out with Melvindale scoring almost at will. Northville could not get through Melvindale's puzzling defense to score. When Northville did get through Melvindale would take it away from them. As the half ended the score was 19-6 in favor of the Cards.

In the second half the play was almost the same as the first. With Melvindale scoring 26 points to 12 for Northville, making the final score 45-18. The Mustang lineup was: Holcomb and Eaton, forwards; Hartner, center; and Orr and Fritz, guards.

## Class of 1940 Sponsors Dance

Tonight, the senior class is sponsoring a dance, its second large project of the year. The Pastime orchestra, Don Patterson's, will play the music. Admission will be 50 cents a couple and 30 cents single. Hours are from 8:30 until 12.

The decorations will be carried out in a seasonal mode, with a ceiling of midnight blue from which are to be extended snowballs of various sizes. Refreshments will be available in the form of candy and pop.

Mr. and Mrs. George Stalker, Mr. and Mrs. William Hensch, Mrs. Ida Cooke and Harry Porter will chaperon throughout the evening.

In less than three months the seniors will go to Washington. Although they already have over \$800 in the treasury, it will be necessary to have almost \$300 more before the amount will reach that of last year's seniors. Everyone is cordially invited to attend and is promised an enjoyable evening.

## EDITORIAL NOTES

This week has been crowded with gala events and there are more coming along. Of course the first thing on the minds of us students were final exams that were held Tuesday and Wednesday. I'd be willing to bet that these nights saw most of us home studying laboriously over history, chemistry or English. We feel sorry for those juniors who took part in the play with exams and everything to study for.

They really put on a good show and I think Leslie G. Lee should be proud of them. It was quite a success.

Tonight the seniors are giving their first dance since the Prom. Washington is "creeping up" on them awfully fast and they've got to get some money in that little black box or else. . . . You wouldn't want that to happen would you? Well, then you had better all come. All in all, this is a busy week.

## School Receives Gift from Club

The Mothers' club presented the Northville grade school a present of \$150, which was earned by selling book hooks. It will be used for library books and manual training equipment for the grade school. This money will be divided equally between the two projects. The library books will be on the level of each grade.

A project of interest to school students is the puppet show sponsored by the Mothers' club, Jan. 30, at the Training school.

**TALL AND SHORT OF IT**  
Mary Potter, the tallest girl in high school, certainly has something to be proud of. She is 5 feet, 8 1/2 inches tall and tips the scales at 135 pounds. Mary is 15 years old and one of the youngest girls in the senior class.

In contrast to Mary's 5 feet, 8 1/2 inches we give you Joyce Matthews who is only 4 feet, 8 inches tall. Joyce is 13 years old and one of many new freshmen.

Mr. and Mrs. E. G. Brockway spent Sunday in Detroit.

## N. H. S. Girls Win over Melvindale

By 'SCOOP' MARGUERITE  
The Northville girls won their fourth basketball game of the season Jan. 18, by defeating their long-time rival, Melvindale. The game was somewhat slow but the excellent teamwork of Northville's forwards finally brought the game to an end with the score setting on 31-13 when the last whistle blew.

The game started with Ely of N. H. S. making the first basket followed closely by a foul shot by Batt. Oldham of Melvindale then made a long shot, then followed it by another making the score at the end of the quarter 5-4 in favor of Melvindale.

The second quarter found Batt making all the baskets for Northville and Melvindale forwards, being closely guarded and letting the quarter go without score; the half ended 12-4 for the Mustangs.

Third quarter honors were shared by Batt, Matthews and Ely. The last period was hard fought by both Melvindale and Northville with the score 31-13 at the end.

High scorer for the evening was Batt with 19 points.

The lineup for both teams was:  
Batt, Oldham, Zacher, Ely, Cowan, Corbett, Wilford, Walker, G. Frisbee, Cavell, F. Frisbee.  
Subs: Northville, Jones, Parmenter and Taylor; Melvindale, Miller, Rembowski, Swift, Wussenstein.

The second team also attained a victory by defeating the Red and White, by a score of 27-12. The Mustangs were in the lead from the beginning and show signs of becoming a fast and outstanding team in the future. High scorer for the evening was Hubbard with 10 points. The lineup:  
Dixon, McAngeli, Hubbard, Phelps, A. Mice, Lundberg, D. Orr, Harejstein, Behan, Hagan, E. Sommers, Batus.

Subs: Northville, Musolf, Grover, Boughlton, Finkle, Melvindale, Floor, O'Leary, Helchedian, Bacon, Ladden.

## Trophy Display Often Unnoticed

Students day after day walk by the trophy show case without stopping to see just what honors our school has received. The oldest cup in the show case was won for being champions at a basketball tournament at Normal college in 1922 in the consolation series, class C.

There are trophies won by girls and boys' basketball, football and baseball teams, golf, track, manual training exhibits, debate and band contests.

There are 12 blue ribbons and 5 red ribbons won for educational exhibits at the Northville Wayne County Fair. The largest cup was won in 1931 by the band at a suburban contest.

There is also an American League baseball autographed by Babe Ruth. There is a cup won by the junior class of 1927 for displaying the best group of stunts, sponsored by the Student Council.

A G. G. M. cup in 1928 was won by the Black team. The latest cup to enter the case was given to the band last summer for playing at the Michigan State Fair. There are also two tin cups which were given by the present senior class to the winning volleyball and basketball teams at a carnival given in their freshman year.

Though the case is crowded, if the students would get behind the team and come to the games, there will be many cups added in the future.

Car drivers between the ages of 20 and 30 figure in 30 per cent more accidents than those between 40 and 50.

## Class Notes

The Boys' N. Club held the first of a series of potluck suppers Jan. 18 in the high school cafeteria. The boys plan to hold these meetings every two weeks to discuss their business. At this meeting they discussed their intentions of the new members.

Thursday afternoon, Jan. 18, Wm. Hensch's chemistry and descriptive science classes visited the Ford Rouge plant. Over 50 went in cars driven by E. V. Elison, Mr. Hensch and students. After seeing the Ford Rotunda, the group was transported to the factory in two new Ford buses. A well informed guide explained the blast furnaces, motor building, apprentice school, glass plant and scientific laboratories.

On Thursday, Jan. 18, the seventh grade history class, taught by Miss Gladys Ludwig, held a question name lesson patterned after the radio "Who Am I?" program.

Each pupil was requested to have ready for fourth hour class some statements about some person, place, or thing in history. They would describe it and call on someone to guess the name of it. Questions of the same nature are to be given on their examinations.

Tuesday, Jan. 16, the junior high students sponsored a movie program in the senior assembly consisting of a Flip-cartoon, Travel Talks and Major Bowes. The tickets were 50 cents apiece and they made a profit of \$12.05. The money will be used to help pay for the girls' basketball suits.

Marian Heatley was hostess at a dinner party on Wednesday, Jan. 24, to Natalie Whipple, Jean Orr, Elvira Trost, Norma Gotro and Peggy McCollough. They later attended the junior play.

Wednesday, Jan. 17, the students were entertained at an assembly.

program by Dr. W. M. Ailing who spoke on his experiences and the conditions in Japan. Dr. Ailing is a missionary in Tokyo and brought to us the corruptions as they are.

## Grade Notes

**Kindergarten**  
Some of the children in kindergarten are making scrap books. They are feeding the birds bread and seeds, "only sparrows" having helped themselves so far.

**Second Grade**  
The children in Mrs. O. F. Reng's second grade room are studying communication. They have made pictures for the bulletin board illustrating both old and new methods of communication including the carrier pigeon, Indian signs, army, navy and Boy Scout signals, postal service, telephone, telegraph and radio.

Friday, Jan. 19, Louis Babbitt gave an interesting demonstration in this room of flag signals used by Boy Scouts.

Thursday, Jan. 18, these children visited the post office and were shown through the building by D. J. Stark who explained how the mail is handled there. As a result of this trip the children are building a post office in one corner of their school room.

**Fifth Grade**  
The following people in the fifth grade have been neither absent nor tardy since September: Ruth Nagel, Charles Gramam, Norman Jordan, Dick Widmaier and Jack Whitworth.

Heleen Ann Cansfield, Lorraine Rieger, Delores Glaser and George Popham have had the "highest scholastic average" this semester.

In geography, the students have been drawing maps of the different section of the United States. They have finished the northeastern states but have not added the cities and industries.

In art they have drawn animals, but as yet no one knows what they will be used for.

## Senior Sketches

Among the many babies born in the Booth Memorial hospital in Detroit on Feb. 9, 1934, was the one and only Pat Klem. Here she started her adventuresome life by a loud yell letting the world know she was ready to go with a strong pair of lungs. A few years passed and then before she knew it she started her schooling at Plymouth. From there she went to Nobel, Livonia township, Tapan Intermediate and then dear old alma mater where she will graduate. During these many years of experience Pat has developed some hobbies which were reading, playing tennis and driving a car. Some of her dislikes are studying and a cold winter. This senior has taken a college preparatory course and plans to go to Michigan State college at Lansing and study laboratory technique.

High speeds were responsible for 37 per cent of deaths by motor cars in 1937, and for 25 per cent of the injuries.

advanced the rank of Star Scout, and three have been advanced to Life Scout ranks. Two leaders, M. Power and Harry White, together with six Scouts, Louie Bobbitt, Frank Eaton, George Hunter, Frank Hunter, Bob Hunter and Robert Paymenger were presented Eagle Scout badges at the largest Court of Honor ever held in this district. Seven eagle palms have been awarded to this group.

The Scout troop had an active membership of 23 boys at the beginning of 1939. At the close of the year, there were 36 active members. In the summer months there were 11,504 boy hours occupied in outdoor scouting, against 3,830 boy hours in indoor scouting during the winter program. The summer camp at East Tawas was attended by 20 Scouts all of whom with two exceptions, paid their way to camp by working on troop projects. George Simmons placed his truck at the disposal of the boys, making it possible for them to take trips to historic spots.

Northville made a commendable showing in the district's Scouting events of the year. At the District

# Severe Cold Wave Hits Northville

Villagers found that furnaces needed more attention and motor engines had to be pampered last week when the thermometer hit the low of the season, 12 and 14 degrees below zero Thursday and Friday.

Garages were busy early Friday morning answering calls from commuters who couldn't start their cars.

From the school comes the report that attendance dropped considerably Friday morning. In the high school there were 40 absences.
