250 Fathers-Sons Attend Banquet

Last Thursday night, nearly 250 fathers and sons attended the annual banquet at the Presbyterian church house.

Following a bountiful supper served by the Nellie Yerkes Auxiliary, the Ford Mountaineers presented a fine program of vocal and instrumental numbers, and several reels of movies were shown covering juvenile topics as presented by Walt Disney, Jack and the Beanstalk, and other numbers appreciated by the boys. Need, less to say, balloons, squakers, and an atmosphere of joviality combined with a great meal and a fine program made the event outstanding in every feature.

School Children Begin Easter Seal Drive

Cripples To Be Benefited by Active Campaign in Northville

The sale of some 300 Easter seals will go on sale Monday and continue through Wednesday, when the pupils of the Northville grade school take up the campaign for the benefit of Michigan's crippled children.

"The need for funds for this cause is greater than ever," asserts Supt. R. H. American, local chairman of the sale, who says that the State has had to curtail its funds, but that there has been no curtailment of untimely paralysis victims. In addition to the co-workers in the Northville campaign that were listed last week, Dr. H. S. Willis has volunteered to push the sale at the Maybury sanatorium.

"Northville has three or four persons who have benefited in the past through this society. With one exception the cases here have progressed beyond further need for medical care," Mr. American affirmed.

Governor Rudd Visits Exchange

Comments Luncheon Group on Sponsoring Activities for Community

William Rudd of Dearborn, district governor of Exchange paid his annual visit to the Northville club Wednesday noon of this week. Twenty-five of the 28 members were in attendance to greet the Governor.

Following a short business meeting Gov. Rudd, complimented the club on its activities, and the spirit shown in sponsoring worthwhile projects in the community, especially the proposed work in taking the lead in working up the Citizenship Recognition Day in this community.

Postmaster Fred E. Van Alst presented the matter of endorsing the tentative proposal to take an annual day from a point in or near the village. According to the Postmaster, the Northville office dispatches about 275 pounds of air mail a year, and receives about 200 pounds.

U. of W. Professor Says Cripples Can Be Aided

239 Children Received Aid in Wayne County during Past Year

John J. Lee, head of the department of vocational rehabilitation of Wayne University, spoke before the Northville Rotary club Tuesday noon on the economics of rehabilitation as it applied to the crippled child.

After tracing Michigan's educational and institutional history, Professor Lee stated that 239 crippled children had received aid in Wayne county during the year. Over a period of years he noted that \$900,000 had been spent for rehabilitation in Michigan. The recipients of help had been transformed from an economic liability and had actually earned 23 million dollars in self support. Again these same persons if unaided, figured on the average would have cost the state 17 1/2 million dollars, a real study in economics that Michigan may well consider.

Mr. Lee scored the "mechanics of fund distribution," and suggested that the pendulum in state appropriations had swung too far, and that a misapplied legislature had allowed limited instances to curtail the money appropriations thus creating a situation that calls for the intense effort and aid in making the seal sales help to carry this work during this crucial period.

Sale of License Plates Hits 1,596

431 Persons Buy Half-Year Passenger Plates for Cars before March 1

With the rush for new license plates over, the Northville Branch of the Secretary of State's office (Edwin L. Smith in charge) has had an opportunity to count sales this week to ascertain the number of plates sold since they were released, Oct. 24.

From the opening of the sales until the Mar. 1 deadline, there were 970 full year passenger plates sold, 63 full year commercial plates, 35 farm-commercial plates and 28 trailer plates.

The half-year sales are enumerated as follows: 431 passenger, 41 commercial, 22 farm-commercial, and 6 trailer.

The sales during this period totaled 1,596 plates.

The high day during the rush was Feb. 29, when 238 plates were issued from the Northville office. On Mar. 1, 88 plates were sold. Fifty-four persons bought plates Mar. 2.

Salem Extension Meets, Thursday

Seventeen members of the Salem Home Extension group met Thursday at the home of Mrs. James Stull in Salem.

Mrs. George Roberts president, presided over the business meeting which followed the serving of a potluck dinner.

A paper on "The Constitution" prepared by Mrs. Walter Fletcher, was presented by Mrs. Velma Searfoss. During the business session that followed, it was decided to study dressmaking next year.

The leaders Mrs. Asa Whipple and Mrs. Hugu Means conducted a lesson on the purchasing of blankets and linens for the home. The game period was under the supervision of Mrs. Don Grainger. Mrs. Fletcher will be the hostess late in March.

They've Thrilled Boxing Fans This Season

Punky Herrick, son of Mr. and Mrs. Harry Herrick, and Casey Cavell, son of Dr. and Mrs. E. B. Cavell, Jr., are the four-year-old boxers who have been feature attractions in the Northville boxing ring this year in the high school gymnasium.

Power and Draper Announce Boxing Card for March 19

Three hours from Scout Troop N-2 have been announced by Scoutmaster Robert Power to head the boxing show which will be held at 8 p.m. Tuesday, Mar. 19, in the high school.

Bob McTigue will meet Tom Hancock, Fred Wick is pitted against Ken Bartrum, Tom Curi is matched against Perry Graham.

Scout Troop N-1 will have Shanty Hogan vs. George Hunter. Two Plymouth Scouts will enter the ring. They will be Donald Newry vs. Junior Davis.

Coach Dan Draper has lined up fights between: Wally Whipple and Charles Bulson, Vic Buttermore and Cy Hughes, Paul Zoller and Roger McGowan, Joe Defino and Bud Cook, Cy Hughes and Cliff Smith. Clubmaster Arthur C. Carlson has not completed the Cub card but promises at least two cub bouts.

Young men in the two precincts were "neat" considering that the only contests were for mayor and council officers. Treasurer C. Harold Bloom, Clerk Mary Alexander and Assessor Bert C. Stark were unopposed. In the two precincts 974 votes were cast.

The tabulation follows:

To Hold Orchard Meeting Here

Don Hootman Will Discuss Fruit Problems Friday, Mar. 22 in Village Hall

Fruit problems will be discussed at 7:30 p.m. Friday Mar. 22 in the Northville Village Hall by Don Hootman, specialist in horticulture at the Michigan State college East Lansing.

Fruit growers in the surrounding territory are invited by E. L. Besemer, Wayne county agent, to attend this meeting. Mr. Besemer has the 1940 surviving calendar ready for persons who contact his office at 302 Calvin theatre building, Dearborn.

In connection with dormant spraying, the calendar quotes: "The necessity for the dormant application of insecticides is recommended by the prevalence of insects that may be controlled at that period. Dormant treatment is recommended for the control of the European red mite and the fruit tree leaf-roller. Treatment for scale insects should be made in the dormant period if oil is used but lime sulphur may be used for scale insects in either the dormant or delayed-dormant. If European red mite is to be controlled, an application of an oil spray which at the same time will control scale insects is recommended. The serious prevalence of the fruit tree leaf-roller requires treatment with an oil spray, which of course will satisfactorily control the mites and scale. Each grower should study his conditions." Continue Tourney Games Saturday

At the end of the game Wednesday night, Northville's first basketball tournament saw the Wayne, Ypsilanti, Walled Lake and Northville teams withstanding competition from Plymouth Daisy, Plymouth Platina, Plymouth Schrader and South Lyon. Playing will continue Saturday evening.

To date the standings are as follows: Wayne 35-Plymouth Daisy 26; Ypsilanti 41-Plymouth Platina 39; Walled Lake 40-Plymouth Schrader 31; Northville 76-South Lyon 33.

In the first game Daisy with two of the first string men unable to play, was not able to offset the speed and superior man power of Wayne. Plymouth Platina, after gaining a 22-13 lead at the half, seemed to the way to victory, but the Wayne team, hard, scored 28 points to Platina's 17 in the last half to win by the margin of one field goal.

Walled Lake and the Plymouth Schrader team were well matched. (Continued on back page)

Lenten Message of the Week

BY C. M. Pennell, Pastor, Salem Federated Church

VIA CRECIS
Moses and Elijah dead for centuries, according to our careless way of speaking, appeared in glory and talked with Jesus on the Mount of Transfiguration about His crucifixion. Luke 9:27-36. His death on the cross was no accident of history but was foretold of many Old Testament prophets, and Christ himself predicted the magnetic power of the cross to draw men to Him. Blessed to the conversion of countless numbers of people is the story of the repentant thief on the cross calling on Christ for help and answered with the sure promise: "Today shalt thou be with me in Paradise." The thief on the third cross died in his sins, railing at Jesus, "I am unbelieve."

Three men shared death upon a gall. But only one man died. The other two, a thief and God Himself, made rendezvous. At Calvary there were those too who were "merely curious" and others who played games and gambled at the very foot of the cross, refusing to consider its challenge. May we preach the gospel of the cross so tenderly that the unbelieving and the indifferent may come to know Jesus as the Lamb of God, slain from the foundation of the world for them.

Then it will be Good Friday indeed, for "when thou shalt make His soul an offering for sin, He shall see the travail of His soul and shall be satisfied." Isaiah 53:10, 11.

Bryan Is Winner; Simmons and Hahn Elected to Council

Nichols, Shafer and Perkins Retire from Office Monday at Regular Village Council Meeting

974 Ballots Cast

Polling just 87 more votes than his opponent, Carl H. Bryan took the lead in the mayor race Monday, Mar. 11 in the village election defeating Elmer Perrin who had competed for the office for the second consecutive time.

Mr. Bryan will take the mayor's chair from Arthur S. Nichols, who withdrew from the campaign, the day before the petition-filing deadline was reached.

The two council vacancies go to former councilman Fred P. Simmons, who polled the most votes in the election, and to Del W. Hahn, who polled the second most.

RATIFY ELECTION

A special meeting of the village council was held Wednesday evening in the Village Hall to ratify the officers who were elected Monday.

A newcomer to village politics, Simmons and Hahn were the people's choice over Elmer W. Lester, Alex P. Mune and Lewis Vradenberg, all of whom were new to the Northville political picture.

Mr. Simmons and Mr. Hahn are to fill the chairs made vacant by the expiration of the terms of Commissioners Floyd Shafer and J. W. Perkins, neither of whom sought re-election.

Young men in the two precincts were "neat" considering that the only contests were for mayor and council officers. Treasurer C. Harold Bloom, Clerk Mary Alexander and Assessor Bert C. Stark were unopposed. In the two precincts 974 votes were cast.

The Oldest Paper in Wayne County Outside the City of Detroit

According to the U.S. treasury if all the money in circulation were divided up equally, each of us would get \$50.58. On the same basis, we are told, each person's apportionment of the debts of the nation would amount to \$285.00. In other words, if some people had their way it would not be so good.

1 in 4 Fails

When Michigan dairy farmers discard one fourth of their animals each year, easy proof is found for the present milk production average of 4,800 pounds to a cow as contrasted to such early annual dairy production levels of 1,400 pounds pounds of milk. That is the average the 1850 style dairy animal was producing in the state.

In 1850 there were about 100,000 cows kept for milk in Michigan. There now are about 905,000.

One of the chief reasons for the growth of dairying within the state lies in the fact that means were found for weeding out unprofitable animals, states A. C. Blatzer, extension dairyman at Michigan State College.

In fact, the state had the first American cow testing association, the one formed in Newaygo county in 1905. Dairy herd improvement work has spread throughout the United States, but Michigan still is one of the leaders.

Why are cows removed from herds? Records show more than 25,000 cows that have lost stanchion room in six years.

Bloat from poor pasture is a scareword to a dairyman, yet only one per cent of the animals removed from herds were lost because of bloat. Even old age ranked low and rated but three per cent of the removals. Top cause is poor production, 52 per cent. Udder trouble is credited for 11 per cent of removals, sterility, 7 per cent; Bang's disease, 13 per cent; those that died, 5 per cent.

So that's why dairy testing pays dividends. Cow testing shows up the poor producers.

America's greatest bulwark against foes from without and within is the 4-H clubs of America. Add to this unit of youth improvement the Scouts, Future Farmers, and a few other organizations and you have the America of tomorrow. We need more 4-H work for the boys and girls around Northville. How about it, Mr. County Agent?

"Bill" Berkeley of Cassopolis says "Back in 1916 the slogan was 'Thank God for Wilson he kept us out of war' (that he didn't). This year it is 'Thank God for the people, they kept Roosevelt out of war' (we hope they have).

Over in Oakland County a Citizenship Recognition Day is to be celebrated. The Exchange Club of Northville is canvassing the idea as a possible project to be planned for Northville and Community. With forty new registrations in the Village, all registering to the first time at the age of 21, suitable recognition would certainly be concrete. Americans! We make a lot of the marriage ceremony, why not make it an event when a native born American becomes a citizen? We are for it.

The government is America's biggest employer of labor, its payroll now reaches a million people.

Sap is flowing in the sugar bushes of the state, and sugaring-off will again be the occasion for social events in several localities. And by the way, how many of you ever heard of, or tasted "Jack Wax"?

And the G. O. P. will meet in national convention in Philadelphia, June 24. May brotherly love prevail. July 15th the democratic national convention will assemble in Chicago. May you say it.

Mrs. James Roosevelt gets \$115,000 in her divorce settlement. We know a number of women who would relinquish their husbands for a lot less.

It's not news to most of us that Governor Dickinson will be a candidate for governor. And now the Gov. promises to "clean up corruption in government," inspired of course by the turn of things in Detroit. Why not start at Lansing, Mr. Dickinson, we've got things pretty well under control down here.

Last week marked the seventh anniversary of the New Deal regime. The third term question seemed to be the biggest thing on calendar, but we won't know until a day or two after July 15th, when the democratic convention meets. Mr. President is too smart to relax control of his party and international prestige at this time.

WHISTLING IN THE DARK

NORTHVILLE'S YESTERDAYS

One Year Ago

Quick thinking and action on the part of Junior Shepherd, probably saved the life of Charles Ely, four-year-old son of Mr. and Mrs. Charles Ely. Saturday afternoon, when Charles fell into the open sewer near the Rouge River Parkway Drive, Young Shepherd pulled him out.

Masonic, Eastern Star, church and business circles of the village paused Tuesday, Mar. 14, to pay final tribute to Alfred Edgar Fuller, 74, whose funeral rites were held from the Casterline Funeral home.

Five Years Ago

The race for the republican candidacy of highway commissioner between William Mairs the incumbent and Fred Smith and won by the latter, was the highlight of the Nov. 1934 primary election. Mairs got 187 votes to 101 for Smith, to make a total of 288 votes, each.

Willard A. Ely and A. C. Balder, who have the republican and democratic tickets respectively as the candidates for supervisor in the Northville town lap election, April 1, having been moved at the caucuses held Monday at the high school.

Fifteen Years Ago

Robt. was out in full force early Monday morning. George Hicks has been awarded the contract for the erection of the new Filkins block on North Center street.

Twenty Years Ago

Sam Picard of the Central Cash Market, is confined to his home this week with an attack of the flu. Thursday night's blizzard was one of the most severe of the season and by Friday morning everything was a mass of ice.

Mr. and Mrs. Claude Ely are now occupying the Wellington Kator house on Main street recently vacated by Marthe Cook.

Thirty Years Ago

Following are the new village officers: B. A. Northrop, president; Mark Seely, W. J. Lanning, N. C. Schrader, trustees; T. E. Murdoch, clerk; Ernest Miller, treasurer; C. A. Sessions, assessor.

Peter Larkins, a well known Salem citizen, died at his home in that township last night at the age of 60 years.

Students To Aid Spring Pruning

More than a score of Michigan State college students majoring in horticulture will again be available during the college spring vacation for work out in the state in pruning orchards, vineyards or ornamental shrubbery.

Arrangements are being completed by V. R. Gardner, head of the college horticultural department, to assign members of the staff to supervision of the groups which will go out on call during the spring vacation period, Mar. 19 to 27.

The men will be junior and senior students, seeking experience as well as funds to continue studies at the college. Nominal hourly charges are asked by the students for work done for fruit growers or others who desire pruning in recommended fashion.

"Late requests cannot be filled," says Mr. Gardner. "We would like to be able to work out schedules at least by Mar. 15. Orchard owners or others desiring services of the students should make known their needs early enough to make assignments."

"The system has been in operation several years, each spring vacation. Because of the travel and time involved, most of this service necessarily is confined to requests in counties not too far from the campus at East Lansing.

Barbara Lower came back to school this week after being absent with the flu nearly two weeks.

We elected a new president and vice-president in our C. T. C. club because our former ones left. The new president is Robert Holman. The new vice-president is Charles Holman. Robert was also made lieutenant of the Safety Patrol and Kenneth was made sergeant.

Mrs. Briggs was slightly injured in an accident Saturday night. She was unable to attend school Monday.

Our store is enlarging every day.

Everyone is having fun with it.

Our room is decorated with Easter and St. Patrick decorations.

Wednesday, the upper grades

went to the Training School to practice their songs and dance for the festival.

Clyde Lash is improving slowly each day. Mrs. Briggs went to see him last Wednesday. He was very glad to see her.

Mrs. Austin Whipple Speaks Monday at Spring Luncheon

Thirty-seven members of the States Giving something of the
Northville Branch of National history of the park system, she
Women's Farm and Garden associa-
tion along with members of the
garnized road-park commission: Ed-
Restale Ga Len Branch were guests
Monday at a spring luncheon hos-
tessed in the Hotel Mayflower Fly-
mouth by the Plymouth Branch.
At the program which followed
the luncheon, Mrs. Clarence Elliott,
president of the Plymouth branch,
introduced the clubs and the speaker,
of the afternoon, who was Mrs. Aus-
tin Whipple, whose topic was cen-
tered on Michigan's gardens and
parks. She pointed out that Wayne
county park system was the found-
er of the arboretum which
twenty largest in size and the Re-

News of West Point Park

Wayne Ault, son of Mr. and Mrs. Clinton Ault, was taken very seriously ill last Thursday with acute appendicitis. He expects to enter the University hospital in Ann Arbor this week and submit to an operation.

William Owen, was quite ill this last week with a bad throat condition.

Mrs. Margaret Martin and Mrs. Marvin Addis left early Saturday morning to travel by bus to Jackson, Miss., where they expected to spend a couple of weeks visiting with Mr. and Mrs. Emerson Ault. Mr. and Mrs. Edwin Johnson were visitors in Highland Park, Saturday. Mr. and Mrs. Herman Keyser of Huntington Woods, were the guests Sunday evening of Mr. Keyser's aunt, Mrs. J. W. Ault.

Miss Dorothy Edwards, third and fourth grade teacher in Pierson School, who has been ill in University hospital, Ann Arbor, has returned to her boarding place, the home of Mr. and Mrs. Harry Wheeler on Seven mile road and is continuing her convalescence there. Mrs. Robbie Harrison, former teacher in Pierson School, is substituting for Miss Edwards.

The March meeting of the Community club was held Wednesday afternoon at the home of Mrs. Albert Given. There was the usual fair attendance and a pleasant afternoon of cards.

Captain and Mrs. O. L. Duncan, son of Highland Park, were Saturday evening guests of Mr. and Mrs. William H. Zwalben.

The pupils of the seventh and eighth grades of Pierson School held a very enjoyable bazaar party in the P.T.A. Hall, Friday evening.

Ray Schofield, former principal of the school, was a visitor. Rehearsals were called Thursday to be held at the Wayne County Training school for a group of children from Pierson School for the annual Spring festival.

Quinn Redding, Dolores Jean and Shirley Ault, John Kleinrow and Charles Boner were judged the healthiest children of the 4-H club in Pierson school.

Mr. and Mrs. Clare Judd of Highland Park, were Sunday afternoon guests of Mr. and Mrs. Lucian Gilbert.

Miss Jeanne Addis and Mrs. Harold McVicar attended show Tuesday, being "Come with the Wind". Mr. and Mrs. Lucian Gilbert entertained a few neighbors and friends at their home Saturday evening.

Miss Doris Gilbert was the weekend guest of Miss Norma Washburn. Mrs. Gerald Mead and Mr. and Mrs. Elmer Reichman were dinner guests Friday of Mr. and Mrs. Roy Laney of Northville.

Mrs. Gerald Mead and Mr. and Mrs. Elmer Reichman were dinner guests Saturday of Mr. and Mrs. Clyde Carey of Plymouth.

Mrs. Gerald Mead returned home Sunday to Frankfort, after a two-week visit with her sister, Mrs. Elmer Reichman.

Harry E. Wolfe left Thursday for Barro, Fla., where he will join the Indianapolis team for spring training.

The Rev. Gordon Cameron, who conducts the Thursday night Bible and song service in Folker Subdivision, is unable to be out last Thursday evening because of the death and funeral of a friend.

Planning to come out on Friday night instead he was astonished to receive a message notifying him his services would not be needed. Shortly afterward he was again surprised when 25 men, women and children from the Folker Subdivision, marched into his home and presented him with a large birthday cake, the occasion being his fifty-fourth birthday. Immediately then the pianist of the group took her place at the piano and began an evening hymn. After the service the group moved to the dining room and partook of a hearty luncheon brought by the visitors. The "usual" "free will" offering, contributed to a little more generously than is customary, was turned over to Mr. Cameron with instructions that he purchase himself a birthday gift with it.

GIVES ADVICE TO POULTRY RAISERS

"Don't be discouraged by low egg prices and high feed prices this year," is the advice offered poultry raisers of this community by R. W. Knapp, Monroe hatcheryman. A close study of trends in the poultry industry shows that, decreased chick buying usually means smaller faying flocks and, consequently, fewer eggs the following fall and winter, with the probability of correspondingly better prices. Knapp points out that, therefore, good poultrymen try to start at least their usual number of chicks this year, such as this one, when the average poultryman is tempted to reduce his chick buying.

"More efficient management will make more money for poultry raisers this year than any other one factor," Mr. Knapp also says. "By paying slightly more for higher quality chicks, poultry raisers may reasonably expect several dozen more eggs per bird without any appreciable increase in feeding cost, as compared with chicks of ordinary breeding."

Mr. Knapp also stresses the importance of starting chicks early. Early chicks mean early eggs and early eggs bring higher prices.

The Record's Farm Scrap Book

FOR 4-H CLUB BOYS AND THEIR DADS

By Willard Bolte of Stoney Creek Farm

**Seed Grain Treater**

Minnesota Experiment Station designed the simple and effective seed grain treater shown in the above sketch. The seed and the fungicidal dust are placed in layers in the upper box, which will hold two bushels of seed. Then the left end of this box is lifted by means of the rope and pulley, and as the contents slide down into the sack the seed is thoroughly dusted. Cost of materials is about \$3.00 and you can secure working plans by sending 5c in coin to the Supt. of Documents at Washington and asking for U. S. D. A. Misc. Publication 330.

**Dome-Roofed Brooder House**

The roof of the brooder house shown above offers very little wind resistance and provides ample room for the attendant. Chick doors at all four corners permit the use of movable yards without moving the house so often.

News from Walled Lake

The Walled Lake Parent Teachers' association was to hold its regular March meeting Thursday of this week, rather than Mar. 21, as originally planned, because of Easter vacation.

The program was to take place in the school library and to be centered around the annual election of officers.

The P.T.A. is sponsoring another in a series of modern and old time dances, open to the public Saturday evening from 8 to 10 o'clock, in the school gymnasium. Proceeds will be placed in the general fund.

An Medford choir will be heard in special Easter music Easter Sunday morning in duplicate services at 10 and 12 o'clock. The Rev. Frank N. Miner will conduct both services, which are planned for the convenience of the large Easter congregations.

Attempting to pass another car in loose gravel, Thursday afternoon, John Photobis, 39, of Detroit, was instantly killed when his car skidded and crashed into a tree. The accident occurred on the Wisconsin-Hudson road, two miles west of Walled Lake, near Old Plank road.

Photobis, whose body was taken to a South Lyon funeral home had \$119 on his person at the time of the crash, according to investigating officers.

Less Income, More Taxes

The national income in 1939 was nearly 11 billion dollars less than in 1929, but here's the greater rub: for 1939 taxes were nearly four billion dollars more than in 1929. This represents an increase of 83 per cent in the proportion of income taken by taxation. And in spite of this increased taxation, the national debt has increased 20 billion dollars in the decade from 1929 to 1939.

More Spending

Latest figures show that the present administration will have spent in eight years nearly 68 billion dollars, an average of more than eight billion dollars annually. The extent of this spending is not fully realized until a comparison is made. Sixty-six billion dollars is more money than the first 28 presidents of the United States, from Washington through Wilson, expended in 131 years; their combined expenditures amounted to approximately 65 billion dollars, or an average of 466 million, not billion, dollars annually.

During those 131 years 28 presidents ran the normal services of the government and fought five wars, the War of 1812, the War with Mexico, the Civil War, the War with Spain, and the World War. President Wilson's expenditures in the World War years, 1917-1920, were nearly 30 billion dollars under the cost of the present administration.

When the eighth fiscal year of the present administration will have been completed President Roosevelt will have expended more than one-third of all the money ever expended by the United States government.

Based on official estimates of the Treasury Department for the concluding two years of the eight-year period ending on June 30, 1941, the average annual expenditures of

the present administration will be 16 times the average annual expenditures of the first 28 presidents of the United States.

This enormous spending of the past eight years has been accompanied by a steadily increasing national debt, which is now edging up very close to the \$5 billion dollar, legal limit, and which is even beyond that limit if we take into consideration the contingent liabilities of the Federal government.

Uncle Sam, Realist

According to available figures, the Home Owners' Loan Corporation now owns 77,000 properties valued at \$124,000,000, acquired through foreclosures. Losses of the corporation to date amount to \$75,000,000 and it is estimated that this total will eventually approximate \$250,000,000. Foreclosures averaged 8,000 a month during the latter part of 1936; this average has since dropped considerably.

Hi-Y Club Sees Fisher Y.M.C.A.

Members of Club Visit Chapters in Detroit, Tuesday Evening.

Mar. 5, Tuesday night, the Hi-Y club met at N.H.S. and went down to the Fisher Y.M.C.A. Those who went were: Myron, Uley, George White, Howard Rodger, Louis Herick, Don Kreger, Johnie Norton, Fred G. V. Harrison, Mr. Uley, Eugene Reaves, Phil Chase, Bruce Arnold, Whitey Holt, Louis Formon and Clayton Rodgers. The group broke up into smaller sections. Each section went to a different Hi-Y chapter and thus gained information for their own Northville club. Monday night, Mar. 11, at the regular Hi-Y meeting it was discussed how the club can be bettered in the way of conducting their meetings.

Birthday congratulations to Natalie Whipple, Mar. 20.

EDITORIAL NOTES

The next two months, March and April, will see the seniors busy every moment. On April 11 and 12, they will present their play "Gull-Ship". And, by the way, that's only four weeks away. The seniors not in play are working on some committee and are kept just as busy as the actors and actresses.

Two weeks from the Monday following the play, "ye old N.H.S." will be cleared of most seniors. They will be on the train and headed for five days at Washington, D.C. Don't

you wish you were going? The anticipation of the Washington trip seems to most of us almost like a part of graduation. Without it, our last year of high school would not seem complete. The trip this year is scheduled from Apr. 29 to May 3. I think we've given the seniors due space for this week so I'll just close now, but before I do I just want to remind you of the Sophomore St. Patrick's Day Dance to-night in the gym from 8:30-12. The price is only 40 cents a couple and 25 cents stag.

Around the School

Last Tuesday, Mar. 12, the Northville high school choir sang for the Wayne County Training School P.T.A.

Tonight Friday, Mar. 15, the Girls' Glee club will sing for the Achievement Day program at the Training School at 7:30 o'clock.

Today, Mar. 15, marks the end of the first marking period of the second semester. Report cards will be handed out next week.

Mar. 11, Miss Estelle Griffiths, speech class, Miss Gladys Ludwig, biology class, and "Wm. Henschel's" descriptive science class saw a movie on the "Mechanics of Breathing."

"What's the commotion among the seniors?" you might innocently ask. "Only to be called down and promptly told that the time is near when they will be leaving for Washington! Yes, we'll finally be rid of them. (Oh, pardon me!!!) I mean they'll be leaving us Monday, Apr. 29, at 3:30 and coming back Friday, May 3 somewhere between 5 and 6. Of course they must have chaperones and the persons appointed to take over this very difficult task are Mrs. Ida B. Cooke, Mr. and Mrs. William Henschel and a supervisor from the railroad company.

The tenth grade English class have been reading the story of Silas Marner. Many of the students have drawn pictures of the various characters such as Silas Marner, and Squire Cass.

The seniors are getting right down to business on their play. Practice has started and E. C. Motema reports that things are coming along fine. "It has also been definitely settled that the event will come off Apr. 11 and 12 without a question."

The results of last Friday's band concert were a pleasing surprise. In spite of the small attendance, the collection amounted to \$23.60 which is very good according to past concerts. The band members and Conductor Leslie G. Lee extend their appreciation to those who contributed.

Committee chairman and committees are being chosen for work on the palladium.

Baseball Season Creates Interest

The spring sports which have been showing much interest will start in a few weeks, the most popular sport for the boys, which is baseball, has many veterans and a few rookies who have signed up for the year of 1940.

The boys that are out for baseball are:

Catchers—Ken Willis, Jim La Rue and Ernie Balke; pitchers—Don Barnard, Leo Hollis, Jack Holcomb, Roy Hartner and Clayton Rodgers; first base—Lawrence McArthur, Don "Kimball," second base—Bill Light, Bob McShane, Chick Hard, Fred Stenier, short stop—Jack Holcomb, Chick Hard, third base—Edson, Kenneth Rippey, outfielders—Bob Boyden, Donald Kummel, Earl Sessions, Fred Robinson, James Funke, Irving Becker, Sidney Laney, Ed King, Charley Mankin, Walter Nofran and Lloyd Wendt.

Grade Notes

The first grade have been making a circus in their room for the travelingogue. They plan to sell popcorn and balloons.

Miss Margaret Carpenter's third and fourth grades are planning a short program which will show the dress and customs of the Mediterranean countries for the travelingogue, Mar. 14.

We are observing signs of spring, and have some pussy willows in our room.

Shirley Hopkins has moved away. Marie Seiford is our new pupil.

Miss Beulah Miller's room is studying Holland and last Monday they had refreshments, consisting of Dutch Edam cheese, a product of the Netherlands. The crowd came was a piece of cake, the occasion being the birthday of their teacher. Each pupil received a small candle.

On Thursday, Mar. 7, 1940, Taff was welcomed home from her stay in Florida by the fifth and sixth grade of about 25 A party was planned by Joan Lisenbarger and Harvey Hodge. They sang songs and had a lovely time. The fifth and sixth grades seem busy writing stories and poems for "The Young Writers' Club." Marvin L. Ryan and Florence McCluskie each have eight points and are waiting for membership pins. This room represented China in the travelingogue which the school gave Mar. 14. Mrs. R. H. Steinfinger gave us some Chinese tea. Each person in the room made two words in Chinese, writing for good luck. The fifth grade gave a Chinese play. After these events are over the sixth grade is giving a Roman play. Florence McCluskie is the reporter for their room.

BIRTHDAY CONGRATULATIONS:

The names of the players of the winning team are: Lois Sutton, Dorothy Small, Betty Brown, F. Lillian Shoberg, E. Ethel Turner, G. Lois Loyd, G. Dorothy Orr, G. The Captain was Lois Sutton.

Names of the other freshman teams and their captains are: Junior Amazons, Ruth Gagnon, Powder Puffs, Natalie Bader, Toppers, Eloise Eshart.

Monday, Mar. 11, the ninth graders played the tenth graders and the freshmen won, winning the tournament.

Senior Sketches

One of the quietest seniors, is a fellow medium of height, blonde with blue eyes, and a very enthusiastic baseball fan. Fred Robinson, born in Detroit on Apr. 19, 1921, graduated out of the eighth grade from Thomas Houghton Intermediate School in Detroit and moved to Redford for one year however, because he was next found at Northville high. Fred is not sure what he will do after he graduates, but he is certain that it won't be going to college.

As we have already mentioned, baseball is Fred's main hobby. His favorite team is the Tigers and Charlie Oehninger is his model player. Sports are his pastime—and he can always manage throughout the summer to spend many an hour playing baseball. Nevertheless there are other things which Fred likes, including such things as any kind of cake and color of blue. We're sure he enjoys the company of his three brothers and four sisters, but he can definitely be said that he does not like dancing and he is not crazy about cars!

The National Youth Administration employs Fred Robinson, and he claims that it is a very educational work, and he enjoys it a great deal.

The dead soda jerk of Stewart's Drug Store is one of our local seniors. Harry Porter born in Everett, Jan. 9, 1913, is also one of the most enthusiastic members of the school. He has had to study very hard when he and his mother, Ken, purchased Maine and left Porter to move to Northville. Harry started to school way back but along the way somewhere he skipped a grade or two because now he claims, the honor of having completed the 12 grades in ten years. Might we add that he must have missed the first or second grades, because Harry himself admits that his spelling is pretty awful and his writing is unimpeachable.

Recently Harry learned to dance and now he has decided that it's his favorite pastime. His favorite food is chicken, favorite subject, chemistry, and throughout the day he likes to chew, chew, chew, his Doublemint!

Upon looking into the future, we see Harry at Ferris Institute, studying pharmacy. Everyone is invited to attend the opening of his drug store sometime next century!!

Bob Parmenter, the local newsboy for the senior home was born Feb. 19, 1922, in Orchard Heights; as a matter of fact in the same house where he now lives. In mentioning Bob as a newsboy, perhaps it should be told why he brings the Free Press to school each morning and in the homeroom and through-

Junior Hi Notes

Paul Parsons is a new student in the seventh grade. Howard Wilkinson is back to school after recovering from an attack of appendicitis. Bill Sutton is walking on crutches as a result of a broken leg, received a month or so ago.

The Grade Spelling Bee sponsored by the Detroit News will be held today, Friday 15. The winners will receive Webster dictionaries with their names engraved in gold.

David Amerman and Richard Ritchie are more advanced in the arithmetic class than the rest of the students. In their leisure time they have been allowed to work ahead and have made good use of their time.

out the morning it is passed around so that everyone has his needed current events. Naturally he started to school in Northville and hopes to graduate from here in June. He is treasurer of the senior class at present, and has participated in any number of class activities.

Bob's pastimes and hobbies are all contained in the great outdoors. Hunting, fishing, trapping and last but not least dogs afford the better part of his day. His greatest dislike is washing and wiping dishes, his favorite food is lemon pie and favorite colors are red and blue. After graduation Bob is undecided as to what he will do.

held at South Lyon

TOURNEY

(Continued from front page)

The score was even throughout the first three quarters. Walld Lake put on a last quarter spirit to win by 5 points. The Northville-South Lyon game was not close at any time. Three of the South Lyon men were unable to come and the team was composed mostly of substitutes. The South Lyon team never gave up, though, playing hard until the end of the game.

The Plymouth Platting and Plymouth-Dash meet at 7:30 p.m. Saturday, Mar. 16, on the Northville court in what fans say will be one of the best games of the tournament.

Plymouth Schrader and South Lyon will also play Saturday evening at 8:30 o'clock.

Monday at 7:30 p.m. Wayne play.

Yon That same night at 8:30

o'clock. Northville meets Walld Lake.

The winners of the Saturday and Monday games play Wednesday evening in the finals.
